## **Hospital Cut** Cited By Board

Ad valorem taxes in Seminole County for the 1967-68 fiscal year were tentatively cut by one-half mill by the County Commission at the conclusion of budget hearings which have been held daily over the

The board, subject to public hearing to be scheduled later in the month, set millage for the new fiscal year mitted with the same totals as beginning Oct. 1 to 6.33, a cut approved last year, but was cut of one half mill over that of the \$2,000.

current fiscal year which was Cuts totaling \$1,150 were made in the foster home budget Major cause of the reduction while the Health Department was the decrease in the hospital was given a particular going budget due to the fact no fur over and a public health nurse ther millage for the new wing and provision for a sanitarian on the hospital was necessary
Millage tentatively set for various funds is general fund. Causing the board particular 2.2 fines and forfeitures 1.09, consternation was the problem road and bridge 1.29; hospital of whether or not to include 89; health department 19; port funds for providing legal coun-

authority 00 and capital out-sel for indigent juveniles. The During the lengthy budget board finally determined \$2,500 earings slashes were made in might be necessary to provide the requested budgets of all de the service demanded by the partments. Budgets were re- recent Supreme Court decision mission of the same budget as Juvenile Judge's budget. approved last year was cut! Salary increases were approvsome \$1,200. Welfare Depart ed for the county engineer and

ment's budget was also sub- road superintendent to bring their respective annual wages

Much ado was occasioned by the Commission's see saw decisions on whether or not to raise the salary of the assistant county agriculture agent with the ommission finally bowing to the "advice" of the Farm Bureau and granting the increase. However, budget of the extension service was reduced overall some \$4,000. The board solved the proble in its own economical way, of the county planner's plea for a draftsman by removing the

draftsman from the zoning dapartment and placing him in the planning department. Jack Goodin, county planner, had complained his office is the only planning office in the country without a draftsman. Budget of the road department, which the road superintendent had declared was "rock

Since opening on May 2nd, we have been dedicated to finding out — by actual service rather than by theory — your reactions to our unique cuisine of traditional dishes from all over the world. In this period of little more than 60 days, no less than 41,367 of you Central-Floridians had lunch or dinner with us ... with gratifying and instructive response to our request for comments.

Through these greatly-appreciated reactions, you told us:

- You thoroughly enjoy the quality, variety and super-abundance of our 250 square-foot expanse of international dishes.
- The youngsters, you tell us, are fascinated by our displays of emblazoned shields, banners and collections of stamps, rare coins and artifacts from the far corners of the globe.
- While you agree that, considering the quality, variety and unlimited quantity of our foods, ours is a rare value, you would rather have beverages and dessert included in one flat price.
- decor, you've suggested Table Linens and Candlelight at Dinner.
- and to extend the Dinner hours to 9 p.m. on Fridays and Saturdays.
- There are so many, many dishes from which to choose, you would like us to make selection easier by grouping foods related to various world areas.
- You would prefer to have Roast Meats carved to

Q. I am a housewife age and I have not worked for 3 years as I have small children and I stay home with them. When my youngest child be-comes school age, I plan to go back to work. My friends tell me I should have my social security frozen. Is this true? A. No. This a very frequent

and general misunderstanding. In order to have your social security record frozen, you must meet two requirements. First, you must be severely disabled, and second, you must have ! years of social security paid in during the 10 years immediate ly before you became disabled From your letter, it appear you are not disabled but mere ly not working by choice. Q. Some people tell me I must sign up for medicare at least 6 months before I reach age 65. I have also heard 3 months before age 65 is when I should

apply. Which is correct? A. Three months before the month you are age 65 is the oonest you can sign up. Be sure to sign up before the

month you are age 65, especially

ary Medical Insurance to b effective with the month you reach age 65. Q. I have done lots of work by social security. I am now age 68. Can I go back and pay in social security in order to "BAR-B-QUING" BEEF coverage to draw monthly so- SHORT RIBS cial security benefits? A. No. You cannot pay in and get social security quarters of THICK SLICED BACON coverage. You earn social sec- "COPELAND" either of two ways. First, you ALL MEAT BOLOGNA either of two ways. "Project Storm-fury," said any suitable storm in the southwestern Atlantic will be considered for seeding if there is little probability of the tempest's center approaching within 50 miles of a population center in the following 24 hours. Gentry said Navy, Air Force and Department of Commerce planes would de on 48-hour alert beginning Aug. 8 for 10 weeks. Experimental seedings have been limited during the past two years to a band in the Atlantic between Bermuda and Puerto

Rico. The last seeding was done in 1963 on Hurricane Beulah. Opponents to seeding claim the experiments can result in a hurricane gaining intensity, instead of lessening.

### Gunmen Steal Two Gold Bars

NEW YORK (AP) - Two gunmen forced their way into the KLM Royal Dutch Airlines cargo office at John Kennely International Airport early today, and firing a shot into the ceiling, stole two gold bars velued at \$23,376.30, police said. The theft was the second to hit KLM this year. In April, a 40-pound gold bar worth \$40,-000 vanished after it was said to have been placed on board a flight from Kennedy to the West Indies island of Aruba.

TAKES LESS TIME NOW The flight of the China Clipper from San Francisco across the Pacific to Manila in 1935 took 60 hours flying time. Only 16 hours are required for a similar

## Peebles Says

"No hitch" is foreseen by State Road Commissioner Willard Peebles in the issuance of \$1,478,000 in road bonds by Seminole County for the purchase of rights-of-way for proposed state road building in

Peebles said the usual procedure is for a county to check with the State Road Department in advance of a formal request to learn the "bonding ca-

pacity" of the county. County Commission formally agreed Tuesday to request the State Road Department to process the bond issuance, to be repaid by the county from a portion of its secondary road moneys from the state over a period of 25 years.

Peebles stated the bonds will be processed by the State Road Department, with the assistance of the Florida Develop-
