REARING ITS UGLY HEAD

Bruce Biossat — Ray Cromley

The one big flaw in overconfidence is thus its tendency to Such players may goof off and try to avoid the rigorous drill which all good athletes (as well

as musicians, too) must under-Remember, success is largely matter of focusing on the matter of focusing on the light goal and then arounding.

Morse, the rambunctious Demonation.

Oregon, is showing visitors to his of- ling how hard it will be to light goal and then arounding.

Calls Morse "the biggest strike-breaker in the nation." Secretary of Labor Willard Wirtz a matter of focusing on the right goal and then expending pienty of elbow grease!

"Genius," said Thomas Edison, "is one per cent inspiration and 99 per cent perspiration!"

Coaches, paste those handgrip figures in front of your players, for a boy weighing 150 pounds may perform like a 200-pounder when assured and confident!

But he must not "pull his punches' in his daily drill on the athletic field!

So send for my "Test for Good Teachers," enclosing a long stamped, return envelope, long stamped, return envelope, and serious mood on the night he government in reaching a settlement. In doing so, Johnson was overriding much opposition. This in spite of Morse by for high appointment of one so controversial as a chief negotiator for the government in reaching a settlement. In doing so, Johnson was overriding much opposition. This in spite of Morse by for high appointment wrote: "For Wayne, who now will be chairman, who draws the black bean."

The reference is to a Texas story Johnson often tells. Some fease privateers crossed the Mexican border and were capulated and some peace on the railroads when he named Morse to serve as chief negotiator for the government in reaching a settlement. In doing so, Johnson was overriding much opposition. This in spite of Morse's almost unmatched experienced in dealing with disputes (as a War Labor Board member in World War II, and a major figure in recent steel and air-line wage disputes).

Johnson knew he was picking in recent steel and air-line wage disputes).

The authors are noted for the story of General Robert E. Lee, told in his own for retirement days.

The authors are noted for the story of General Robert E. Lee, told in his own for retirement days. Robert E. Lee, told in his own words and those of his contemporaries. It's a book to treasure. The introduction by Lattimore is a masterpiece. I won't quote much of it as I hope you'll get a copy of the book. There are so many Civil War buffs. If you're one you'll have to have a copy of "Lee." The colorful cover is equally magnificent. It's from the Hoffbauer mural in the Battle Abby, Richmond, Va. I'm actually going to frame the cover of my copy of the book. Ralston B. Lattimore I for retirement days.

The authors are noted for through the food chopper looking black and dirty. It is caused by the oil in the nuts rubbing on the metal of the grinder, so now I chop them in a nut chopper and they always look clean. — MRS. G. O.

DEAR POLLY—I find it helps to grind several slices of dry bread through my food chopper before grinding ment or nuts. — MRS. J. S.

DEAR POLLY—Since nuts always come out looking dark ones whose mind will be very one one of those interesting young ones whose mind will be very ones whose mind will be very ones one out looking dark ones.

the book. Ralston B. Lattimore was born in my home town, Savannah, Ga. I'm proud of signing and weaving. Mr. Lar-Savannah, Ga. I'm proud of that indeed! Here's just a hit from the introduction: "As a practicing Christian and spirit-companies with weaving operual leader of men, Lee was incomparable. Above all else, however, the secret of his greatness lies, perhaps, in the his own fabrics is unique. His special way when using them to the top of the wrapper, put in as many nuts as needed and fold down the top of the wrapper. I take my rolling pin and roll them as fine as I want. Empty out, throw the bag away and there is no mess to clean in later life.

The Stars impel, they do not greatness lies, perhaps, in the his own fabrics is unique. His way when using them to the top of the wrapper, put in as many nuts as needed and fold down the top of the wrapper. I take my rolling pin and roll them as fine as I want. Empty out, throw the bag away and there is no mess to clean in later life.

Hospital Cut Cited By Board

Ad valorem taxes in Seminole County for the 1967-68 fiscal year were tentatively cut by one-half mill by the County Commission at the conclusion of budget hearings which have been held daily over the

The board, subject to public hearing to be scheduled later in the month, set millage for the new fiscal year mitted with the same totals as beginning Oct. 1 to 6.33, a cut approved last year, but was cut of one half mill over that of the \$2,000.

current fiscal year which was Cuts totaling \$1,150 were made in the foster home budget Major cause of the reduction while the Health Department was the decrease in the hospital was given a particular going budget due to the fact no fur over and a public health nurse ther millage for the new wing and provision for a sanitarian on the hospital was necessary
Millage tentatively set for various funds is general fund. Causing the board particular 2.2 fines and forfeitures 1.09, consternation was the problem road and bridge 1.29; hospital of whether or not to include 89; health department 19; port funds for providing legal counauthority 00 and capital out-sel for indigent juveniles. The During the lengthy budget board finally determined \$2,500

some \$1,200. Welfare Depart ed for the county engineer and ment's budget was also sub- road superintendent to bring their respective annual wages Much ado was occasioned by the Commission's see saw deci-

sions on whether or not to raise the salary of the assistant county agriculture agent with the ommission finally bowing to the "advice" of the Farm Bureau and granting the increase. However, budget of the extension service was reduced overall some \$4,000. The board solved the proble in its own economical way, of the county planner's plea for a draftsman by removing the draftsman from the zoning da-

partment and placing him in the planning department. Jack Goodin, county planner, had complained his office is the only planning office in the country without a draftsman. Budget of the road department, which the road superintendent had declared was "rock bottom" was slashed by \$30,000.
