## Baby Contest Winners Are Both Lively Girls

Finally, after nine days from the time of its announcement, the first annual Seminole County Baby Derby is over, with two healthy, kicking winners cradling the finishing lines to claim their respective rewards.

Little Miss 1955, the last baby born in the county during 1955, arrived to Mr. and Mrs. Jack D. Martin of 1325 Forest Drive, Sanford, at 9:15 p.m. on Friday, Dec. 30. The official announcement came from the Martin's family physician, Dr. John M. Morgan. The 1955 champ weighed in at eight pounds, four and one-fourth ounces.

Winner of the title of Little New Year was also a girl, born at Orlando Air Force Base, 1360th U.S. AF Hospital, in CPO and Mrs. David Newbury at 2:45 o'clock Saturday morning, Jan. 7. Capt. George J. Fuchs, M. D., the physician in charge, announced the baby's weight as nine pounds and one-and-a-half ounces. The Newbury's live at Lake Mary. However the baby's father is in the Navy Air Force and now stationed in French Morocco.

Several other babies were born in Seminole County between the period of Dec. 30 and January 7. But rules of the Baby Derby specified that in order to be eligible for prize awards, the parents must hold residence within the county.

As announced in a full-page advertisement in the Dec. 30 issue of The Sanford Herald, 20 local merchants and this newspaper have joined to assemble an impressive list of rewards to the winners of the double derby. Winning parents are instructed to pick up their award vouchers at the Sanford Herald office. These vouchers are to be turned in to the participating stores by either parent in order to receive the gift reserved for them.

REV. W. L. JONES

## Ordination Service Held In Maitland For Leonard Jones

Ordination services for William Leonard Jones were held recently at the Maitland Baptist Church.

The welcome address and explanation were given by the Rev. Chester Plank, pastor of the Hillcrest Baptist Church at Geneva.

Soloist for the evening service was Eugene Kronjager of the Naval Auxiliary Air Station who sang "It's Real," accompanied by Dave Dodgins also of the local Navy Base.

The message was delivered by the Rev. Norman Bennett, pastor of the Calvary Baptist Church, Daytona Beach. Charge in the ministry was brought by the Rev. D. B. Lock, Florida District minister for the State Convention, and charge to the minister was given by the Rev. Jack Bryant, pastor of the Port Orange Baptist Church and Seminole Association Sunday School Superintendent.

Ordaining Council was composed of the Rev. Chester W. Plank, Rev. Norman Bennett, Rev. D. D. Lock, Rev. Jack Bryant, Rev. Wanford Parham, pastor of the Central Baptist Church of Sanford, Rev. Lewis C. Futch, pastor of the Longwood Baptist Church, and the Rev. W. H. Ellsworth, pastor of the First Baptist Church, Geneva.

The ordination prayer was offered by the Rev. Wanford Parham and the benediction given by Rev. William Leonard Jones.

Immediately following the services a reception was held in honor of the Rev. Jones.

Members of the examining Council, called to examine William Leonard Jones at the North Park Baptist Church in DeLand were Henry V. Adams Jr., C. Norman Bennett, Chester W. Plank, John L. DuRant, Louis L. Day, Lewis Futch, Edwin Hamill Jr., M. D. Jackson, N. L. McRae, O. D. Alderman, George H. Burgette, and A. B. Deane.

Rev. Jones, 31, pastor of the Maitland Baptist Chapel, son of Mr. and Mrs. W. L. Jones, 301 1/2 West First Street, Sanford, was born here and attended Sanford schools, graduating from Seminole High School in 1929. He is now attending Stetson University at DeLand. Before taking over the Maitland Baptist Church he was a Sunday School teacher in the Junior Department of the First Baptist Church here.

## Important Subjects To Come Up Tonite

The regular monthly meeting of the Board of Directors of the Seminole County Chamber of Commerce will be held tonight at 8 o'clock at the County Department of Education Building on Commercial Avenue, Forest Breckinridge, manager of the Seminole County Chamber of Commerce said that a full and important agenda has been assembled for the meeting.

President George Toubert has urged every director to make a special effort to attend the important meeting. He also extended an invitation to all committee chairmen to attend the directors' meeting.

Eight important committee reports have been scheduled to be heard tonight.

## Trial Starts Today For Murder Charge Of W. McKendree

Trial began today at the Seminole County Court House of William Oscar McKendree, 38-year-old Paoli carpenter, charged with murder in the June 3 shooting of R. Keith Cochran, a district representative for Armour & Co. McKendree, nattily dressed in a blue serge suit and dark tie, appeared calm during the selection of the 12-man jury this morning as he sat at the defendant's table with his counsel, Attorney Tom Watson of Orlando and Mack N. Cleveland Jr., of Sanford.

Also in the courtroom were his wife and two small daughters. McKendree originally told sheriff's deputies that "it was an accidental shooting and my conscience is clear," when a warrant charging him with first degree murder was read.

The shooting took place on the night of June 3 in Annette's Grill on 17-92 just south of Sanford.

Selection of a jury began this morning shortly after 9:30, and at 11:08 today, the panel of jurors was named.

Those to hear the case are: James Byrd, W. L. Harvey Jr., F. W. Blalaine, James B. Crawford, A. C. Moore, H. B. Bourquard, J. S. Best, Maury Craws, John A. Chalkley Jr., Lewis Cosson, and J. R. Ervin. The alternate chosen for the jury was John M. Collier.

Shortly before noon, with Judge Vassar Carlton sitting on the bench, trial proceedings got underway.

The first witness called to testify for the State was Richard R. Cheliet who was in the tavern the night of the shooting, playing

(Continued on Page 2)

## Basketball Teams Play Here Tonite In Charity Game

The fast moving Seminole High School basketball quintet will meet the New Smyrna Beach basketball squad tonight at Seminole High School in the annual Elk's Club Charity Basketball game.

Games has been set for 7 o'clock. Net proceeds from the game, according to officials of the local Elk's Club, will go to the Harry Anna Crippled Children's Home at Umatilla.

Local cagers will be competing for the annual awards made by the Elk's Club. The most outstanding player and the most improved player will receive the plaques of the Elk's Club and basketball games when the presentations are made.

## Barr Empire School To Open Jan. 19 For 20th Session

The 20th session of the George Barr Empire School is scheduled for six weeks, Jan. 19 to Feb. 18. It will be held at the school, George Barr's home, 1325 Forest Drive, Sanford.

According to one of the new brochures circulated by George Barr for his Empire School, he has placed more than a thousand men as professional baseball umpires plus nearly two thousand service men and civilian umpires.

Barr was Umpire in Chief of the Army Baseball World Series held at Fort Belvoir, Va. Sept. 18-21, 1953.

He was president of the Western Association 1953-55. Barr conducted the U. S. Armed Forces Umpire's Training Clinic in Japan and Hawaii in April and May of 1953 and is scheduled to conduct the sixth joint Armed Forces Umpire Clinic for all service personnel in the Far East in Japan during April and May of 1956. He will also conduct the Hawaii Clinic in 1956.

George Barr is a Director of the Babe Ruth League, Inc. and is a past president of the KOM League in 1953-54.

## Mrs. Frank Shames, Former Resident, Dies In Orlando

A former resident of Sanford, Mrs. Freda Shames, 74, died yesterday in Orlando after a lengthy illness. She had lived in this city for five years before moving to Orlando three years ago.

She is survived by two sons, Frank J. Shames, formerly of Sanford and now of Lawrence, L. I., David Shames, Orlando, two daughters, Mrs. E. K. Fields of Chicago, Ill., Mrs. Frank Sandler of Orlando, and a sister, Mrs. Gertrude Whitman of Los Angeles, Cal. Fairchild Funeral Home of Orlando is in charge of services which will be held tomorrow at 10 a.m. The body will be sent to the family plot in Des Moines, Iowa, for burial.

## Fred B. Olds, 73, Funeral Is Today

Fred B. Olds, 73, died Sunday night after being ill in health for the past three years. Born Feb. 17, 1882 in Providence, R. I., he had made his home with Mr. and Mrs. Floyd G. Case at Five Points for the last seven years.

He is survived by one son, Fred B. Olds Jr., St. Petersburg; a granddaughter, Janice Olds, St. Petersburg; and a brother, Robert F. Olds of Arlington, Va.

Funeral services will be held today at 4 p.m. at Briston Funeral Home with the Rev. A. G. McInnis officiating. Burial will take place in Oak Lawn Memorial Park.

## 10-Inch Water Main Completely Lowered At Park

A ten inch iron water main has been completely lowered at the site of the new Goldsboro Recreational area immediately south of the Goldsboro Elementary School.

City Commissioner John Krider said today that dicing and harrowing and possible grading of the entire area will begin Monday morning.

"The entire area should be taking shape pretty quickly now," said Commissioner Krider.

The new recreational area, a project of the City and County, has been under consideration for more than a year. Plans and details were completed shortly before Christmas and work started this year.

## Carola Dow Delighted With Land

The Board of Sanford City Commissioners received word from Carola Sanford Dow, daughter of the founder of the City of Sanford, expressing her delight in learning of the land appropriation for the General Sanford Memorial Library and Museum.

Mrs. Dow also said, in her letter to the Mayor, the City Commission, and the City Clerk, that she was thrilled to know that the new lake in Fort Mellon Park had been named for her.

Mrs. Dow's letter reads: "I was delighted to receive, just before New Year's Day, the minutes regarding the land appropriated by Sanford in beautiful Fort Mellon Park for the proposed Library and Museum to General Henry Shelton Sanford's name, founder of the City of Sanford.

"Also, I was greatly thrilled and honored by your designating my name for the new lake, as expressed in my recent telegram to you.

"With heartfelt wishes that the work may proceed rapidly," City Clerk H. N. Sayer told the Board of Sanford City Commissioners that he mailed the original copy of the resolution naming the lake to Mrs. Dow. The lake in Fort Mellon Park is now named "Lake Carola."

## Nautican To Make Pre-Opening Cruise

Sanford will receive additional publicity through newspapers in Central Florida following a press conference and pre-opening boat trip aboard the river cruise boat "The Nautican" this afternoon.

Editors and writers from the Orlando Morning Sentinel, along with a group from The Sanford Herald will get first hand information from the owners and operators of "The Nautican" as it pulls away from the Sanford Pier this afternoon to make a trial run of the route to be taken daily for the River Cruise beginning Sunday, Jan. 15.

W. H. Kemp and Richard Soder, operators of the River Cruises and Seminole Park Raceway, will accompany the group of news people to acquaint them with the potential value of the new attraction to Central Florida.

Also, taking the trip with the newsmen and editors will be representatives of the Seminole County Chamber of Commerce.

## Exhibition Match Postponed Today

The clinic and exhibition match conducted by the famed one-armed golfer Jimmie Nichols, was postponed today.

Lee Armstrong, Pro at the Mayfair Inn's Seminole Country Club golf course said, "the clinic and exhibition match will be held tomorrow afternoon at 1 o'clock."

A large group of local and visiting golfers are expected to see the famous one-armed golfer go through the exhibition and clinic at the Mayfair Inn golf course.

## Accusation Made Tokyo

TOKYO (AP)—The Communist radio in Peking today accused U. S. Air Force Secretary Donald A. Quarles of "sabra rattling" during his current visit in the Far East.

## Five-Day Test Is Started On Mellonville Water Tank

ICE IN SANFORD yesterday played many tricks for nature. At the home of Mr. and Mrs. Ralph Perold, on West 20th St. sprinklers were left on night before last. The ice formation completely surrounded the house where spray was frozen. (Staff Photo)

## Newman Offers Report Business Ended In Record Time

The Board of Sanford City Commissioners last night completed the business before them in record time.

All items taken from the agenda and from the floor, as well as those presented by the commissioners were taken care of and discussed in less than 45 minutes.

Dave Newman, Field Representative of the engineering firm and Robert M. Angus, Associate of Jacksonville, reported to the commission that a five-day test on the filling of the Mellonville Ave. Water Tank was begun Monday morning. A similar test, but of a three-day period, was made by the City recently.

A request by the Salvation Army to waive the license fee for a "thrift store" proposed for a Sanford Ave. location was denied by the commission.

Commissioner David Gatchel said, "We would be setting a precedent for the individual commissioners to pay the license fee." He said, "We would encourage the wrath of other second hand dealers and I move that the request be denied." The motion was carried by the Board of Commissioners.

A discussion of a water rate adjustment for Hunter Ice and Fuel brought out explanations that a new meter was installed at the location to replace one that was damaged. However, the Board of Commissioners, in reviewing a 10-month tabulation of the water rate waiver bill, Commissioner Earl Higginbotham said, "The water bill like that." The Board of commissioners decided a rate change, but left open an opportunity for the owner of the firm to appear before the commission and show reasons why changes should be made.

City Clerk W. N. Sayer told the Board of Commissioners that attorneys representing the city in appeals have said that action would be taken in the more than 25 charges that have been appealed to higher courts.

City Manager Warren E. Knowles was instructed to look into costs for constructing sidewalks through the parkway on Hibiscus Court, south of 30th Street following an offer by William Ledford to contribute \$1,000 for the materials that would go into the project. The sidewalks, it was explained by Commissioner Higginbotham, would provide an area for skating for youngsters who have no other area in which to play.

The Board of Sanford City Commissioners also approved, at last night's meeting, the payment of initial cost of insurance with the Florida Peace Officers Association for members of the organization of the Sanford Police Department. Commissioner John Krider said, "It sounds like a very worthy thing to me."

## Roosevelt Camp 13 Officers Installed

Officers of the Roosevelt Camp No. 13, Spanish War Veterans were recently installed.

Heading the organization is Frank Evans as Commander who is 16 years old. C. C. Priest was named Senior Vice Commander. He is 16 years old and 15-year-old Lewis Brademeyer was elected Junior Vice Commander while L. Q. Plummer, 19, was named in the post of Adjutant. Quartermaster.

Trustees of the Organization are C. P. Brantington, C. C. Priest, and Lewis Brademeyer. The oldest member of the group is W. E. Randel who is 88 years old.

There are only 16 members in the camp with three of the group confined to the hospital. Those in the hospital are Walter Ballard, William Jamison and L. W. Hines. Three of the 16 members are from Lake Mary.

## Volie Williams Jr. Observes Birthday

Best wishes were in order today for Assistant State Attorney Volie A. Williams Jr., who is celebrating his 36th birthday.

Williams, assisting Murray Overstreet, the State Attorney for the 9th Judicial Circuit, was in the Seminole County Court room this morning for the McKendree trial.

"I'm in good shape," Volie Williams Jr. said when he remarked that as well as being 36 years old today "I also have a 36 watch on my wrist."

SEMINOLE HIGH SCHOOL'S basketball squad will meet the New Smyrna Beach quintet tonight at the Seminole High School auditorium court in the second annual Elk's Charity Game. (Photo by Jamison)

# MARRIAGE FOR THREE

By ELIZABETH SELFRY

DELHI, India (AP)—Prime Minister Nehru's daughter Mrs. Indira Gandhi is rapidly moving from a life as her father's official hostess to a political life of her own.

Mrs. Gandhi, 38, takes after her father in many ways—in facial appearance, in sophisticated mental makeup, in sudden bursts of temper, in her manner before large, adoring crowds.

As a Nehru, she draws these crowds wherever she goes. The Nehru family long has been identified with the Indian independence movement; and with the Congress party which led the fight.

Mrs. Gandhi's initiation to public life was in this movement. Her interest in independence never subsided as she traveled from Indian schools to Swiss academies and then to Britain's Oxford where she studied history.

Back in India in 1942 she married a young lawyer, Feroz Gandhi. He is no relation to the late leader of the Indian independence movement, Mohandas K. Gandhi. Mrs. Gandhi—with her two sons, Rajiv, now 11, and Sanjay, now 9—moved in to become her widowed father's official hostess when he became prime minister in 1947.

Her husband, a newspaper executive and member of Parliament, remained close but appeared to take a back seat.

Early last year she stepped fully on the political stage. She was selected to the 21-member Congress Working Committee, the high command of the Congress, India's biggest party.

Her political emergence was confirmed by two later developments:

She received more votes than any other candidate elected to the Congress party's 11-member Central Elections Committee, which will pick candidates and plan strategy for the 1957 elections.

She acted as chairman for a special government committee which arranged the reception for Soviet Russia's two visiting leaders, Premier Nikolai Bulganin and Communist party chief Nikita S. Khrushchev.

There is talk her father is grooming her to be his chief aide. There is talk she perhaps holds ideas to the left of her father's. Many observers disagree with these viewpoints, but all concede she is becoming a political force in India.

# Nehru's Daughter Has Political Life

## Information For Veterans

Here are authoritative answers from the Veterans Administration to four questions of interest to veterans and their families.

**Q. I am the widow of a World War II veteran who died of a service-connected disability, and I have never remarried. Would I be eligible for a GI home loan, even though my husband made use of his loan benefit before he died?**

**A. Yes.** The fact that your husband used his GI loan benefit would not serve to prevent you from getting a GI loan in your own right.

**Q. I am taking farm training under the Korean GI Bill. I know that I must train full time, but is there any rule against doing a little outside work if it doesn't interfere with your training?**

**A. You may work for pay outside of your training, so long as you do not put more than 180 hours during any 12-month period, and so long as the school finds that your outside work does not interfere with your studies.**

**Q. What date does VA consider a GI insurance premium to have been paid—the date I put the check in the mail or the date the check reaches VA?**

**A. The postmark on the en-**

velope is considered as the date the premium was paid.

**Q. How do I go about changing my program of training under the Korean GI Bill?**

**A. You must apply to VA for a change on VA Form 100-10, which must be a report of progress and conduct from your present school. This application form goes to the regional office that has your records.**

**Veterans living in Central Florida who wish further information about the VA office at Orlando should write the VA office at 212 E. Central Ave., Orlando.**

## YOU'RE TELLING ME!

By WILLIAM RITT  
Central Press Writer

**SCIENTISTS** report discovery of the world's largest cavern, a 32-mile job, in Kentucky. The newly-found hole in the ground is so large we understand it makes Mammoth cave look like a rabbit burrow.

The "new" cave may come in mighty handy, suggests Grandpappy Jenkins, if Uncle Sam wants to store some more surplus butter.

Callagans from 31 schools engage in a wrestling tournament at Wilkes-Barre, Pa. A king-size case of higher metabolism?

London plans to install a new bird-scaring device to shoo away the huge flocks of starlings which make Trafalgar Square a nightmare of "screeching" sound. Ear-aching Londoners complain the twittering of the feathered pests is for the birds—and only for the birds.

In Belgium bars have been opened for the first time in 36 years. That, definitely, is a long time between drinks.

Only one thing wrong with Christmas. It isn't nearly as much fun (if any) dismantling a Yale tree as it is in trimming it.

A clock designed to run without stopping for 1,000 years has been set in motion in Denmark. For the next 10 centuries, if anyone wants to know what time it is, all they need do is phone Copenhagen.

This poor man cried, and the Lord heard him, and saved him out of all his troubles.—(Psalm 34:6)

What is our attitude when we pray? Are we telling God what we want, and why and when we want it? Do we ask that His will, not ours, be done? When we come humbly and penitently to Him, firm in our faith, seeking only His mercy and His love, we are never denied.

# ONE 5-MILE DRIVE WILL PROVE IT

## Your driving is easier—you feel safer—in THE BIG M

The stunning Mercury Montclair 2-door hardtop with distinctive low profile and Flo-Tone color styling.

**Easier riding and handling on sharp turns—new comfort on bumpy roads—widest choice of safety features in its field help explain why THE BIG M is the big buy for 1956.**

Riding is so much better than reading. That's why we invite you to take a demonstration drive in our BIG M.

Then you'll feel THE BIG M's reflex action firsthand—how ball-joint front suspension adjusts itself instantly to rough roads, ruts, and curves.

And you'll experience the reflex-action response of THE BIG M's new SAFETY-SURGE V-8 engine—how it takes the tension out of passing, makes hill-climbing as effortless as breathing.

You'll discover the new peace of mind provided by THE BIG M's new Safety-First Design. For this year Mercury offers 10 new safety features, including the only impact-absorbing steering wheel in its field.

So see us for a test ride. Compare our prices and you'll find that THE BIG M is as easy to own as it is to drive.

**BIG 4 OF THE BIG M**

- NEW REFLEX-ACTION PERFORMANCE.** THE BIG M responds to your every command—go, stop, climb, pass—quick as an athlete's reflex. On all roads and curves, Mercury adjusts instantly, automatically, for your ease and comfort.
- BIG M BEAUTY.** New long, low profile. Distinctive Flo-Tone color styling. Clean-lined beauty for young-minded people.
- NEW SAFETY-FIRST DESIGN.** Widest choice of safety features; impact-absorbing steering wheel, safety door locks at no extra cost; padded instrument panel, safety belts, optional.
- PROVABLE VALUE.** Low price when you buy—low cost while you drive. For 4 years best resale value in its field. Many dividend features for greater performance and convenience.

Of the 16 National League pitchers who worked in 200 or more innings in 1955, Don Newcombe of the Dodgers had the best control. He walked only 88 batters. Kelvin of Minnesota set a Big Ten punting record in 1955 when he averaged 44.2 yards on 25 kicks.

# Traffic Jams Are All Over World

By THE ASSOCIATED PRESS  
Traffic congestion is not a purely American phenomenon. It is afflicting big cities around the world, a survey by The Associated Press shows today.

In Europe and in Asia, a tremendous increase in the number of motorized vehicles since World War II has outstripped efforts to keep them moving. New York's jams can be matched on the Thames, the Seine and the Tiber. Parking space may be even scarcer in Amsterdam than in the Chicago loop.

Europe and Asia have hundreds of cities that were great centuries ago. They can't be changed without wholesale destruction of historic monuments and desperately needed housing.

Experts think London will reach the point of paralysis in four years and Paris in two. Some in Stockholm believe that city in months away from immobilization.

Here are some samplings:

London: Ever since the 1600s experts and the civic minded have been trying to untangle traffic in the meandering streets, lanes, byways, squares, and circles. The number of vehicles continues to mount.

There is no official over-all plan to cope with the problem, although a new highway along the Thames, overhead monorail transport and moving sidewalks have been proposed.

Paris: Almost a century ago Napoleon III turned Baron Haussmann loose on Paris and let him ruthlessly cut through it with wide boulevards, magnificent vistas, dozens of wide squares and arterial highways. But Haussmann didn't know the automobile was coming and little has been done since. The chief of police says in two years traffic conditions will be "just impossible." James in the big Place de la Concorde and the

Elise — the huge open space around the Arc de Triomphe — have "motorized" motorists as long as four hours.

Rome: Many of Rome's narrow streets are more than 1,000 years old. As in London and Paris, merchants complain the jams, the lack of parking and solutions like one-way streets and nonstop areas all hurt business. Retailers are moving to the suburbs, but congestion downtown is still bad.

Amsterdam: As far back as 1930, Henry Ford said Amsterdam's traffic congestion could be solved only by filling in its many canals and making streets of them. The canals still are there because most citizens feel Amsterdam without them wouldn't be Amsterdam. When the police chief proposed filling five innermost canals, he raised such a storm the city fathers disavowed him, about the same way in Greater Los Angeles, with over two million cars.

# Enterprise Happenings

By HELEN SNODGRASS  
Mrs. Bascom Carlton held the first session of the mission study course on the "American Indian" at her home on Main St. Tuesday evening for the members of the W.S.C.S. Following the study, a film was shown on this subject, and delicious refreshments were served by the hostess.

Mr. and Mrs. Charles Dutcher of DeLand and Mr. and Mrs. Bill Howard were dinner guests of Mr. and Mrs. Harry Throop at their home on DeBary Dr. Sunday.

Mrs. H. Baldwin arrived Sunday to spend several weeks at the home of Mr. and Mrs. Robert Cox.

Miss Audrey Hiers, daughter of Mr. and Mrs. H. R. Hiers, returned to Tallahassee to resume her studies at F.S.U.

Mr. and Mrs. Herbert Priddy and children of Galveston, Texas and Mrs. Cornelia Priddy of Miami were overnight guests of Mr. and Mrs. Harvey Dunn at their home on Court St. Tuesday.

Mr. and Mrs. Kirby Sellers and children returned Sunday from a visit in Nahanta, Ga., with Mrs. Sellers' mother and sister.

Mr. and Mrs. J. H. Stultz returned from a visit with relatives and friends in St. Petersburg and Bradenton and Madison.

Miss Sylvia Hayman and Lovick Hayman Jr. returned Tuesday to resume their studies at F. S. U. in Tallahassee. They were accompanied by their mother, Mrs. L. O. Hayman and Mrs. Ed L. Cunningham, who were overnight guests of their brother and family, Mr. and Mrs. Wilbur Hayman in Thomasville, Ga. They returned home Wednesday. Sylvia will finish her last semester this term, she has just completed her term of internship in DeLand.

Friends will regret to learn that Miss Katherine Litch suffered a broken collar bone and Mrs. Robert Cox two fractures on her leg in an accident in DeBary Wednesday afternoon. We wish for both of them a speedy recovery.

Mr. and Mrs. H. L. Dunn and family spent the weekend with Mr. Dunn's mother in Floral City.

# Trial Starts Today

(Continued From Page One)  
shuffleboard with Cochran. Cochran told the jury, when asked about the shooting that, "I had just started playing a game of shuffleboard when I heard a shot."

Challet said the first words spoken, as he stepped toward McKendree were, "if you take another step I'll drop you." The witness testified that McKendree had a gun in his hand at the time.

"I went out the back way and called the law," said Challet as he continued his testimony.

A panel of 13 witnesses were called to be questioned before the jury in the trial of McKendree. The trial is slated to continue on into tomorrow with the possibilities that the jury will be charged prior to noon.

# COUNTERFEIT COINS

TOKYO (AP) — Police weren't too surprised when they discovered a number of counterfeit 1,000-yen coins worth \$2.77.

But they were amazed to find a 30-yen coin this week in Kyushu. The coin is worth 14 cents.

"This coin is well made," a police spokesman said. "I hadn't realized labor is so cheap in Japan."

# WITHDRAWAL ASKED

KARACHI, Pakistan (AP)—Afghanistan's government has declared the Pakistani military attaché in Kabul persona non grata and asked his withdrawal.

An action, announced by Kabul radio, was believed in retaliation for the Pakistan government's expulsion last week of the Afghan consul at Quetta.

The two countries have been disputing bitterly for months over the demands of Patten (British) in Pakistan's Northwest Frontier area for independence.

The court battle revolves around Margaret Lee Immerman, 4, whose father, David Immerman, 46, is fighting for her custody. (International)

# Rescue Teams Fight Heavy Snowdrifts

LONDON (AP) — Rescue teams battled through heavy snowdrifts today with food and blankets for marooned villagers on the flatlands of the English east coast.

Gales raging in from the Atlantic brought fresh winter hazards to the south of England. Road patrols reported "chaotic" conditions in many parts of the country.

The big snow blanket covered the entire east coast of Britain and extended over Western Europe as far as Italy.

At Cortina d'Ampezzo, site of the upcoming Winter Olympics, a crisp snowfall covered the bare brown hills and brought smiles of relief to organizers of the games.

North Sea shipping around Britain was slowed by poor visibility and high winds, but air traffic ran on schedule.

# Pin Money

IMPORTANT TO YOU  
...AND US

EVERY SMALL AMOUNT of savings set aside here add up to impressive financial progress for you... your community, too. And the key to this progress is in our method of reinvesting your savings. Our average size account is opened with less than \$50 and grows steadily. The average size account in our association is but \$1800.

Every savings dollar here is backed by the best security in the world... the American Home. Approximately 8 savings accounts of average size enable us to finance but one average home.

So, here homeowners and savers are partners in progress. The homeowner, safely and steadily attaining his home through payment of "rent-sized" monthly installments over a period of years. The saver, accumulating more financial security, regularly earning our liberal returns. The community, benefiting from home loan money released, springing into action in every highway and corner of commerce. Let Time, Money, Earnings, perform for you. Open your account soon!

# FIRST FEDERAL Savings & Loan ASSOCIATION

# Representative Of Residents Should Be Selected By Them

Such privileges, taken from the people, stand out like a sore thumb and each time these inalienable rights become aggravated by an apparent misuse, citizens become aware of an existing inequality.

We're speaking particularly about the office of Mayor of the City of Sanford.

First off, we want to commend the Mayor of Sanford and the present Mayor of Sanford for the contribution they have made, and are making toward the progress of the City. Each one has made an outstanding record for himself in devoted public service.

There is no city where a finer caliber of men are found serving their community, and their public servants are so far ahead of others that there becomes no basis for comparison. That we want understood.

But it stands to reason that a representative of the people should be elected by the people.

Your Mayor represents you at every meeting of the Board of City Commissioners, at every public function, in other cities, in the greeting of distinguished visitors. He is the titular head and leader of the community.

The manner in which our Mayor is elected should be changed.

According to the Charter of our City, a Mayor is elected by the Board of Sanford City Commissioners at the first meeting held on the first Tuesday following the first Monday of the New Year. That is the organizational meeting of the Board of Commissioners.

Commissioners, though they are serving the people in their office as a City Father, become involved in personal likes and dislikes when choosing one among themselves to lead their particular body and, of all things, to represent the people in guiding the Board of Commissioners through another year of progress.

The naming of the person to fill this office as Mayor-Commissioner rightfully belongs to those citizens who vote each year for the vacancies existing on the panel of leaders who guide the destinies of a community through another twelve months.

We do not suggest changing the number of commissioners elected to the Board of City Commissioners. It is our belief that the Board is well manned with five representative citizens serving all of the people.

But, at regular intervals, whether it be each year, every other year, or every three years, the people of Sanford should elect their Mayor.

The office seeker should select that of Mayor-Commissioner if he feels that he is the one best suited for the particular place as the leader of the community. Or he should merely seek the office as commissioner.

It is the same principal to have our Legislators or Senators, elected to their respective offices within each county, go to Tallahassee at the session of the legislature to elect a governor. Or even our Senators and Congressmen take over the responsibility of electing our President. Neither of these rights would be relinquished by a single citizen. Nor should the citizen be denied the privilege of electing the Mayor of his City.

We believe that the Charter of the City of Sanford should be changed as quickly as possible to give every citizen the right to name the Mayor of the City.

It would be fairer to the commissioners who serve on our Board of Commissioners. It would eliminate the position of a commissioner possibly voting for himself to break a tie among five commissioners. It would eliminate many distasteful elements of having a Mayor elected within the stronghold of a small body of men who are earnestly striving to better their community in every way possible.

We believe that each individual commissioner, faced with the problem, would agree that the best way to solve this problem would be to give the people their right to select their leaders in every capacity where a public office is held.

There is only one way to name a leader or office holder in the city, county, or State government, and that is the right way — by election.

Should a Mayor be elected by the people, there be no doubt as to his authority to stand before visitors, here and away, as a representative of the entire community — as it stands now, the Mayor is a representative of the Board of City Commissioners for that is the manner in which he is chosen.

A true definition of Mayor is: "the principal officer of a municipality; the chief magistrate of a city or borough." And to rightfully hold such an office, it must be sanctioned by the people as a whole making their selection of the person for the position.

This is a modern world, based on the concepts of a true democracy, and to carry forward the philosophies of our basic principals of a democratic government, every office should be maintained in the same forthright manner as they were originated by our forebearers.

We have no crow to pick with the officials of our City. As we stated in the beginning, our Mayor, Commissioners and other officers are doing a noble work, devoting their time and abilities in an unselfish manner toward the progress of Sanford.

It is the principal involved in the naming of the office of Mayor that we would like to see changed so that each commissioner can sit in his chair of authority and carry on the duties of his office uninvolved in internal controversies.

Let's change the Charter of our City so that the Mayor can be elected by the people!

### SAM DAWSON

## Frail Sex Is Growing Stronger

NEW YORK (A)—The frail sex grows steadily stronger—industrially and financially—thanks to electronics and statistics.

With more women working all the time, and at jobs once considered only man's work, making more money and living longer to spend it, business increasingly tilts its products and processes their way.

And the more pushbutton the better, as the banks have found in their quest for a stable labor force.

In the products field, power steering made its first great appeal to the woman driver. Men liked it but wouldn't admit they weren't strong enough to park a car easily.

Electric typewriters ease the daily toll of the tired stenographer. Prepared and prepackaged foods make homework easier for feminine breadwinners returning from the office or factory.

Now automation may see to it that the female with pushbuttons at her fingertips is the equal of the male in industry.

And the women will tell you it's high time too. Around one third of the 54 million of the nation's women over 16 years of age are reported working now. Their total number is one third higher than before World War II.

Some 18 million women at work are under 65 and about a half million others are past that age. In the younger group the greatest percentage are in clerical or sales jobs. In the older group nearly half are in service jobs but nearly a third of the younger group and a fifth of the older are doing professional, technical or industrial work.

Banks, for instance, now employ more women than men. And in some sections of the land there

are more women bank vault custodians than men, and more women branch bank managers.

## Your City Charter

Part 37

Section 120. COMMITTEE, CITY COMMISSION MAY PRESCRIBE POWERS AND DUTIES, AND ENFORCE RULES AND REGULATIONS. That the City Commission is authorized to prescribe the powers and duties of said Committee and may enforce by ordinance rules and regulations adopted by said Committee.

Section 121. BULKHEAD AND RETAINING WALLS. OWNERS MAY BE REQUIRED TO CONSTRUCT; PLANS AND SPECIFICATIONS. The City of Sanford shall have the power, by ordinance, to require the owners of all property within the corporate limits of the City of Sanford bordering upon Lake Monroe or any part thereof within sixty days from and after the passage of said ordinance, to bulkhead and build a retaining wall, and fill in, reclaim and bring to a topographical level all reclaimed land from the line of said bulkhead to the present waterline of said property bordering on said Lake Monroe in the City of Sanford, Florida; all of said work of bulkheading, filling in, reclaiming and bringing to a topographical level, to be done in strict conformity with the plans and specifications therefor, to be prepared by the City Commissioners of the City of Sanford, Florida, showing the line of said proposed bulkhead and all other information and requirements in reference to said bulkheading and reclamation.

Section 122. BULKHEAD, FAILURE OF OWNER TO CONSTRUCT; WORK TO BE DONE BY CITY AND COST ASSESSED; LIEN ENFORCED. Should any property owner fail, within the time provided in any Bulkhead Ordinance enacted by the City of Sanford, to begin the construction of said bulkhead and to begin work on the reclamation of the land in front of any property in the City of Sanford bordering on Lake Monroe, required by said ordinance to be bulkheaded and reclaimed, said work shall be done under and by direction of the City of Sanford, and the costs thereof shall be assessed against the land upon which said improvements abut, and against all newly made land, and the City shall have a lien therefor against the land abutting upon said improvement, and against the newly made land, which lien shall be and remain in full force and effect until fully discharged by payment, and said lien shall be enforceable by ap-

## Time Is Now For Backward Look

NEW YORK (A)—It is time to take a backward look at 1955 and figure what kind of a year it has been.

It was, above all, a year of prosperity for everybody and everything — from the common man to the common cold.

The nation earned its highest income in history, and loan offices did a land office business. Times were so good that inmates of an Alabama prison printing shop even began making their own money.

The price of pork fell, and every group ate higher on the hog except the farmers who raised the pork — and maybe the Republican party.

It was a year in which it became possible to win \$100,000 on a television quiz contest, and a fellow who bought a new Cadillac met the jeer: "What's the matter, stupid, couldn't you answer the \$64,000 question?"

It was a year in which the booming, organ voice of Sir Winston Churchill was stilled in retirement, leaving a world still stirred with mighty echoes.

It was a year in which a new author, Harry S. Truman, made his first real bid for the Nobel literary prize.

It was a year in which Santa Claus met a formidable competitor in philanthropy. Santa took care of you and me, and the Ford Foundation took care of the private colleges and hospitals.

It was a year in which parents learned why Johnny can't read, but nobody took the trouble to discover just how many parents themselves still remember how to read.

It was the year in which Russian leaders graduated with honors from the Geneva charm school, then forgot their lessons and went right on back to acting like Russians again.

It was a year when men finally localized his major wars down to riots, rebellions and revolutions, but Mother Nature ran wild with floods, hurricanes, droughts, and tornadoes.

It was a year in which Notre Dame lost a football game and the New York Yankees lost a world series.

Here are a few nominations for 1955:

Biggest surprise of the year — the French overturned another Cabinet (or was it four Cabinets?)

Most popular industrialist — Heinz Nordhoff, president of a West German auto firm, who said in upholding a six-day work week: "most people live only to escape themselves. For them, another weekday without work would only increase the emptiness and disconsolateness caused by idling away spare time."

Most publicized wedding — The AFL-CIO marriage. (But which was the bride?)

Scientific advance least likely to succeed — a British love test machine which seeks to tell by measuring the brain waves of a boy and girl whether they ought to marry each other.

Most far-reaching development in government — the decision of the British post office, once and for all, to quit supplying escorts to drunks who wish to mail themselves home.

All in all, 1955 has been quite a year, one with less fear and more prosperity and laughs than we have known for a long time.

## Spotlight On Hollywood

**HOLLYWOOD**—Back from a brush with death, Buster Keaton says he is ready, willing and able to resume his long career as "the most knowledgeable comic in the business."

A month ago, he was stricken with internal hemorrhaging. Rushed to the hospital, he was placed on the critical list. His condition was termed "very grave" for a number of days.

Now he's up and around, and there's even a smile instead of his famous dead pish.

"Yes, it was a tough time," he remarked at his modest bungalow in the heart of Los Angeles. "But I didn't know anything about it. I was fighting the anesthetic when they put me under. Every time I started to come out of it, I'd be fighting again. So they kept me out cold for four days.

"They pumped 10 pints of blood into me in 14 hours. Ten pints—that's as much as I had in me, so you can see how much I lost. They cut a hole in my trachea so I could breathe and were feeding me intravenously in my ankle. At one time I had six tubes stuck in me."

Perhaps the reason for his amazing recovery was the fact that he has remained in good physical condition since childhood. Said he: "There's no doubt about it—my father and I had the roughest act in vaudeville."

He continued his violent routines during his long movie career. Only two months ago, Keaton at 60 was performing prat falls on a TV spectacular that would have jarred most younger men into insensibility.

Despite his illness, Buster said he will be able to resume his physical comedy.

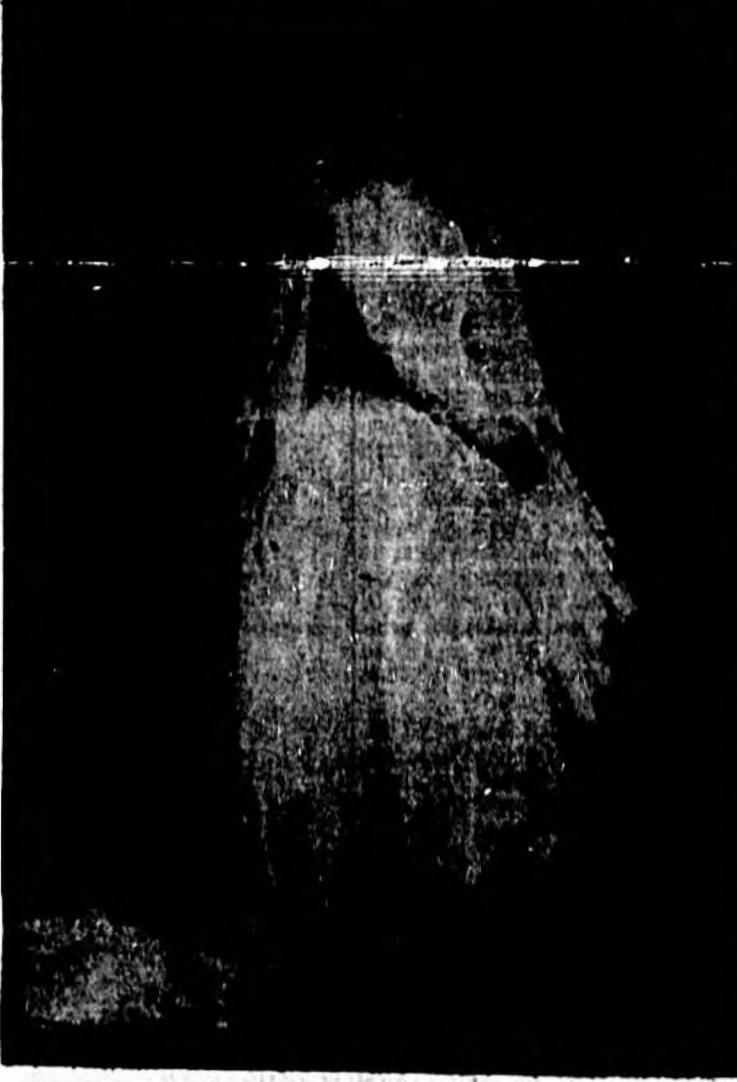

His plans for the future will be held up until a final checkup in three or four weeks. Then he plans to resume his TV career. He plans to stay here until late June, when he'll go to work on "The Buster Keaton Story," which will star Donald O'Connor at Paramount. Buster will help on the script and comedy routines.

Saturday night at the Sanford USO a "Twelfth Nite Dance" was held with the Baptist Women represented by Mrs. Graham acting as senior hostess.

Junior hostesses for the night were Mrs. Georgia Booth and Miss Bobbie Morton. Coffee and cookies were served to the crowd attending.

Sunday night a TV night was enjoyed, with the Baptist women again acting as senior hostess. Miss Jeanette Cleveland, Miss

## Mary Julia Thursby, R. Clark United In Marriage Jan. 7

The All Souls Catholic Church here was the scene for rites uniting Mary Julia Thursby, daughter of Mr. and Mrs. William T. Thursby of Orange City to Robert Fey Clark, son of Mr. and Mrs. George T. Clark also of Orange City. The ceremony, beginning at 9 a. m. Jan. 7, was officiated over by Rev. Richard Lyons.

Mrs. F. E. Roumillat was organist and Dick Aiken vocalist. Against a background of greenery, baskets of Easter lilies and white gladioli were used as decorations, following a bridal theme.

Given in marriage by her father, the bride was radiant in a gown of chantilly lace of full length featuring a bodice of lace. Buttoning up the back the dress was accented by long sleeves coming to a point above her wrists. The very full skirt was of tulle and satin showing deep

Emily Saunders and Miss Pat Casabe were junior hostesses. A fire was lit in the large stone fireplace and the large crowd enjoyed the facilities of the USO such as cards, TV and other games.

## Enlisted Men's Wives Club Installs Group

The Enlisted Men's Wives Club held its meeting at the Enlisted Men's Club with the occasion being called to order by the Flag salute and "The Lord's Prayer" was led by deotional leader, Mrs. Gladys Spickler. Reports of the last meeting, held Dec. 7, were given and treasurers report filed by Mrs. Rosemary Finnegan. The president, Mrs. Bailey was presented with a gift of a silver bracelet by the club.

Officers were installed and are as follows: president, Mrs. J. F. Finnegan; vice president, Mrs. David Gibson; secretary, Mrs. Arthur C. Russell; treasurer, Mrs. Mildred Harris; and devotional leader, Mrs. James Spickler.

After the installation the session was turned over to the new president who appointed the yearly committeemen. They are, sunshine, Mrs. Henry Rogers; refreshments, Mrs. D. L. Duncan; devotional, Mrs. Jack Enloe; Sergeant at arms, Mrs. James P. Shortland; membership, Mrs. James Allen; program, Mrs. Frances Deame; and bowling, Mrs. Philip G. Rosini.

The next meeting of the club will be an informal get-together of the whitehat wives at the USO Building on First St. and Sanford Ave. in Sanford Jan. 19.

Refreshments were served to the members present.

brother of the bride and George Haten of Orange City.

Mrs. Thursby chose for her daughter's wedding a toast faille dress overlaid with chantilly lace, walls length. A short waist jacket was featured along with bronze accessories. She had a corsage of pink roses.

Mrs. Clark wore a gold tissue silk street length dress with a shag jacket of black velvet. Her corsage was also pink roses.

A reception was held immediately after the ceremony in the Sanford Woman's Club. Brides flowers were used as decorations and the couple cut the traditional three tiered wedding cake. The main table was overlaid with a lace cloth. On each end were crystal candelabras bearing burning tapers.

Those assisting were Miss Lydia Rankin, Tallahassee, presiding at the bride's table; Miss Georgia Haten, keeper of the bride's book; and Miss Yvonne Thursby, sister of the bride, West Palm Beach, presiding at the coffee table.

For a short wedding trip Mrs. Clark wore an apricot colored suit of light wool trimmed in seed pearls. She wore the orchid from her bridal flowers on her left shoulder.

The couple will be at home after Jan. 14 in Orlando. Mr. Clark is a student at the Vocational school in Orlando and Mrs. Clark is employed at the telephone company.

## Faye Colvin Winner Of SHS Betty Crocker Homemaker Test

The Betty Crocker Homemaker of Tomorrow in Seminole High School is Faye Colvin.

She received the highest score in a written examination which tested the homemaker knowledge and attitudes of senior girls in the graduating class. She will be entered in competition to name this state's candidate for the title of All-American Homemaker of Tomorrow and will also be considered for the runnerup award in the state. She will receive a golden award pin designed by Trifari and the school will receive a "Betty Crocker Good and Easy Cook Book."

The national winner in the Search conducted among 256,334 young women in 10,272 of the nation's public, private and parochial high schools will be named April 12 at the American Table banquet in Philadelphia.

General Mills is the sponsor of the program designed to assist schools in building in young women

a deeper appreciation and understanding of the American home and to emphasize through a sound scholarship award program the personal qualities and sense of values necessary to successful homemaking. More than \$100,000 in scholarships will be awarded.

Each state Betty Crocker Homemaker of Tomorrow will receive a \$1,500 scholarship and an educational trip with her school advisor to Washington, D. C. colonial Williamsburg, Va., and Philadelphia. A \$500 scholarship will be awarded the runnerup girl in each state. The school of the state winner will receive a set of the Encyclopedia Britannica.

The scholarship of the young woman named All-American Homemaker of Tomorrow will be increased to \$5,000. Deloris Arnette of Enterprise, Ala., was the national winner last year and is enrolled at Judson College at Marion, Ala.

The 30-minute written examination, designed and judged by Science Research Associates of Chicago, which was given to all participants in this national search, consisted of questions which tested the students' attitude and knowledge in the major areas of homemaking.

Each girl who took the test received a homemaker guide that will assist her in pursuing the career of homemaking.

## SPEND 15 MINUTES IN A "PowerStyle" CHRYSLER

## learn why it's today's biggest buy of all fine cars!

It doesn't take long to find out why Chrysler is winning the reputation as the performance leader of 1936. Just a few minutes behind the wheel of a big Chrysler Windsor V-8 like this one will show you why.

Suppose you are in the right-hand lane on an expressway . . . four lengths behind a big truck, rolling along between 35 and 40 miles per hour. You want to pass. You toe the throttle and in eight seconds flat you're four lengths ahead of that moving truck and back in your own lane!

That's 1936 Chrysler performance. That's the kind of power only the "PowerStyle"

Chrysler can deliver . . . with its great airplane-type V-8 engine.

And that's not all. There's full-time PowerPilot Steering . . . Pushbutton PowerFlite, the ultimate in automatic transmissions . . . and the big PowerSmooth Brakes that outlast others 2 to 1.

These are just some of the exciting new things that await you the first time you pilot a "PowerStyle" Chrysler. If you're driving one of the other cars in Chrysler's price class, by all means make a direct comparison now. Just 15 minutes behind the wheel will show you why it's the biggest buy you can drive today!

# Eagles End Search By Signing Devore

PHILADELPHIA (AP)—The Philadelphia Eagles end their search for a inspirational head coach today with the signing of Hugh Devore of Dayton University — and they have National Football League Commissioner Bert Ball to thank for their good fortune.

Devore, a 46-year-old veteran college coach and Notre Dame star of the Knute Rockne era, told the Associated Press last night Ball convinced him to accept the pro offer.

Devore said he was not inclined at first to take the assignment, but was convinced by the dismissal of Jim Trimble.

In fact, he entered into a verbal agreement Saturday to remain at Dayton for another three years, but, he was told, the offer was still open.

"I've known Bert for a long time and I decided to ask his advice on the matter," Devore explained in a telephone interview last night from his West Orange, N.J., home.

He and the oldest wanting to start at Notre Dame in September, my primary concerns were security and money. At first, I felt I'd be better off at Dayton but reconsidering what Bert had said about the pro offer, I decided yesterday that I would accept it.

"He convinced me that it was the chance of a lifetime and that I had had enough college experience to take on the assignment. He gave me the confidence to make the jump."

Devore will sign his contract and attend a press conference here later today.

It is expected that he probably will receive between \$15,000 and \$18,000 a year with a three-year pact.

At Dayton for the past two years, Devore posted an 8-11-1 record.

A club official said Devore was sought because of his proven ability to handle players.

Part of the blame for the Eagles' fourth-place tie in the Eastern Division last season has been attributed to dissension among the players.

# Joe's Sore Finger Is No Handicap In Scoring Points

**By THE ASSOCIATED PRESS**

Joe Gibbon's damaged finger got into such an effective state of repair last night that the Mississippi forward was able almost personally to escort Auburn's Plainsmen from the unbeaten ranks in South-eastern Conference basketball play.

The Rebel ace's sore digit, which caused him to slide from first to fifth in the conference scoring derby in one week, was not in evidence at the Mississippi gym. Gibbon collected 36 points as he shepherded the Rebels to a 76-63 triumph over Auburn.

Auburn's loss left four teams undefeated in SEC play. Vanderbilt, No. 4 nationally in the Associated Press poll, beat Georgia Tech 73-59 to rout its conference mark to 3-0; Louisiana State made it two in a row in league action by edging Florida 91-80. Alabama kept pace with a 3-0 slate by trouncing Mississippi State 87-75. Kentucky (1-0) was idle last night.

# Bank Account Gets \$6,000 For Mangrum

LOS ANGELES (AP)—Lloyd Mangrum, his bank account fattened by \$6,000 off his fourth victory in a Los Angeles Open, has served a warning to his brother professional golfers that he is back in sound physical shape and aiming at further conquests.

Mangrum made it a start to finish triumph winning the Los Angeles fixture, beginning with two straight 66s, then a 68 and a one over par 72 that was good enough to stand up at the windup of the 30th annual event yesterday.

The one-time National Open champion, who matched the late, great Mac Donald Smith in winning this one four times, plans to play in King Crosby's big clam-bake at Pebble Beach this weekend.

Then he'll play Phoenix, Tucson and the Texas and Houston opens. If plans stand up, he'll rest a bit for the Masters at Augusta, Ga., April 5-8.

"That's one tournament I'd like to win," Mangrum confided.

Lloyd's 72 gave him a 72-hole total of 272, breaking by one stroke the tournament record here set in 1933 by Jimmy Thomson.

Mangrum admitted that he played the last nine holes a little conservative. He held a 5-stroke lead over Tommy Bolt and Jerry Barber, beginning the round, and five over Bolt and six over Barber after the first nine.

"You can afford to play a little on the conservative side with a few or five stroke lead," he explained. "You can't take many chances on getting a seven or an eight on a hole. . . . Bolt might get hot like he did with his 63, or Barber move in."

Barber wound up with a 70 for

## Marble Tourney To Be In Capital

Marble champions from 48 states will gather next June to compete for the national marble championship, it was announced today. The National Marble Tournament is to be held in Tallahassee.

The event, sponsored by the Veterans of Foreign Wars, will be June 21-23, 1956. Nat. R. Walker of Tallahassee, chairman of the National Tournament, stated today.

Florida State University will play host in housing the participants, entertaining them in free time and giving them a deluxe campus tour.

Walker today announced a Steering Committee headed by Julian R. Alford, Tallahassee attorney. This committee will coordinate work of other committees in planning and handling the event.

Other members are Dr. Wilson K. Doyle, vice-chairman, State Representative Kenneth Ballinger, Lawrence Renfro and Junian V. Smith.

## Who wouldn't mistake this handsome new Chevrolet for a high-priced car!

It looks strictly "upper bracket" with its bold new Motorama styling. . . . its longer, lower hood . . . its proud new grille that spans the full front end.

Even the details would do credit to an expensive car. . . like the sleek, high-fashion taillights (the left one hides the gas cap!). . .

But, even beyond the costly appearance of its Fisher Body, Chevy gives the high-priced cars a run for their money. For it's

# It looks high priced

...but it's the '56 Chevrolet!

THE NEW BEL AIR SPORT COUPE—one of 19 high-priced-looking Chevrolet models.

Who wouldn't mistake this handsome new Chevrolet for a high-priced car!

It looks strictly "upper bracket" with its bold new Motorama styling. . . . its longer, lower hood . . . its proud new grille that spans the full front end.

Even the details would do credit to an expensive car. . . like the sleek, high-fashion taillights (the left one hides the gas cap!). . .

But, even beyond the costly appearance of its Fisher Body, Chevy gives the high-priced cars a run for their money. For it's

one of the few great road cars built today!

It brings you the added security of nailed-down stability on turns and lightning acceleration for safer passing. Horsepower now ranges all the way up to 205! All engines now have hydraulic-hushed valve lifters.

Of course, Chevrolet has safety door latches in all models. In addition, you can have seat belts, with or without shoulder harness, and instrument panel padding at extra cost.

There's a new Chevrolet just made for you. So come in and highway-test it.

Phone 1284

Grand opening of the new Sherwin-Williams Branch, 117 South Magnolia Ave., will be held on Thursday, Friday and Saturday, January 12, 13 and 14, it was announced today by Branch Manager George Morgan.

Mayor F. D. Scott and Forest Breckenridge, Manager of the Seminole County Chamber of Commerce, will participate in ribbon cutting ceremonies at 10:00 a. m. at the store entrance.

The public is invited to visit the completely modern store on all three days of the opening, from 7:30 a. m. to 8:30 p. m. Special features arranged for the occasion include a free drawing of paint for 20 rooms, and more.

The new branch brings to Sanford one of the most up-to-date and completely-stocked paint outlets in the state," said Mr. Morgan. "We are stocked and staffed to meet the paint and color needs of homemakers, professional painters, commercial establishments and industrial firms."

One attractive section of the branch is called a Color Service Center. Here the homemaker may study a wide selection of color aids which enable her to plan a distinctive color scheme for a single room or an entire house.

Available are copies of the Paint and Color Style Guide, a book of decorating ideas for every room, featuring "juke-box" illustrations in full color. Another book is called the Decor-Aid, which presents many combinations of the newest colors for wall decoration. Copies of a practical how-to-paint book, The Home Decorator, are available free to all homemakers.

Super Kam-Tone Applikay, a new fashion in home decoration, will be demonstrated continuously during the formal opening. By means of a new twin roller, Applikay adds distinctive designs in color and design.

"The branch functions both as retail and wholesale outlet," Mr. Morgan said. "Our large inventory of paints and allied products provides a convenient source of supply for Sherwin-Williams dealers in this area. In addition, we carry a full line of finishes and painting tools and accessories for the professional painter, and we will provide specialized product finishes for local industry."

### Alcohol Intake Hits 700 Gallons

NEW YORK (AP) — Marjorie Plamp, a young choir singer whose whisky intake for the last seven years totals 700 gallons, is no secret drinker but she has a drinking secret.

Every day, five days a week, year in and year out, she takes aboard an average of 25 two-ounce snifters of bourbon — or about two full bottles.

Even the steadiest patron of the cup that cheers might wonder how a 5-foot-2 young lady weighing only 115 pounds could put down all that stuff and remain clear-eyed and steady — even if she came from Kentucky (which she does) and had two hollow legs (which she definitely doesn't).

The answer lies in Miss Plamp's drinking secret. She doesn't down the stuff. She merely swishes it around in her mouth for a few seconds, then spits it out.

"Yes, all of it," said Marjorie firmly. "Every drop."

She is, so far as she knows, the world's only full-time lady whisky taster.

"I love the work — every moment of it," she said. "I'd be lost without it."

For the benefit of those interested in seeking steady (and you do have to remain steady) employment in this interesting field, Miss Plamp offers little advice.

After graduating with a degree in chemistry from a Catholic girl's college in Louisville, she got a job nine years ago as a laboratory technician with the Brown-Forman distillery.

"Two years later they made me church choir, her hobby is going

on camping trips, and her current beau is a Princeton University English professor.

Has her unusual occupation had any unusual effect on her?

"Well, if I have a cold I have to let the samples pile up until I shake it and get my sense of smell back," she said.

"There's one other thing. I used to have a great deal of trouble with my teeth. But since I became a taster seven years ago I haven't developed a single new cavity."

She emphasized, however, she wasn't recommending whisky-rinsing the teeth 3 times a day as a substitute for a visit to the dentist. It merely has worked out that way with her.

An innovation in refrigerators is a lightweight in-a-door crisper for fruits and vegetables. It can be lifted out from the door of the new Norge Tri-Level refrigerator to a counter for convenient preparation of a salad, or to the sink for cleaning. Large heads of lettuce or tall stalks of celery can fit in it. A shelf within the crisper protects tomatoes and apples from crushing and bruising.

### Refugees Forcing Sons Into Marriage To Save On Rations

CAIRO (AP) — Palestine refugees in the Gaza Strip are forcing their growing sons into marriage to save rations.

Most of the 250,000 Arab refugees living in the camps are dependent on rations from the United Nations relief and works agency.

A ruling of UNRWA says that if any member of a family earns more than 15 pounds (\$35) a month, the family will be considered self-supporting and not in need of rations. In practice this is rarely the case. Most refugee families have as many as five to eight children, and there may be two grandparents and a cousin or two.

The rations are distributed in accordance with the numbers of the family, but if one member begins to work and earns more than 15 pounds, the rations for the whole family are cut off.

Often the rations—particularly if it is a big family—exceed 15 pounds in value. If a daughter or son begins to work with a salary just over 15 pounds—and salaries rarely pay more in the Gaza area—the family would be losing income.

The one way out is to find a wife for the working son. Once married he is considered to head a family of his own.

Because they provide good elastic strength and impact resistance, springs made of alloy steels are widely used in railroad and other heavy duty applications.

## Life Hasn't Changed Too Much

CHICAGO, (AP)—An anthropologist says home life among prehistoric Mogollon Indians of Westway New Mexico wasn't too far different from that of today's modern white man.

These primitive Indians lived in apartments, thrived on a farm economy, were devoted to religion and had litchy feet.

Paul S. Martin, head of the Department of Anthropology of the Chicago Natural History Museum, has supervised the museum's Southwest archaeological expeditions for the last 12 years. He reports that this year's work in the excavations near Reserve, N.M., revealed important material on which to build a chronological history of the people whose history goes back to a beginning 5,000 years ago.

The reconstructed history of the Mogollon Indians begins when they moved from Southern Arizona to the Pima Lawn Valley area and established a village many centuries ago. They left their homeland because the lakes and rivers were drying up.

At first they may have lived in skin tents and depended for food largely on gathering seeds, nuts, berries, bulbs and hunting small game. By about 3000 B.C., Martin said, the idea of farming corn, beans and squash was adopted. Later ideas of making pottery and building pit houses (religious cen-

## Totally Disabled List Is Growing

Florida has placed 659 persons on its public assistance rolls during the past five months under the heading of "permanently and totally disabled," but the need for determining the degree of disability is slowing the handling of thousands of applications, the State Department of Public Welfare said today.

"It is not yet generally realized," said State Welfare Director Charles G. Lavin, "that in order to qualify for assistance under this program, the applicant must be 'permanently and totally' disabled. A considerable number of persons may be totally disabled."

"Similarly, a considerable number may be permanently disabled without being totally disabled. Only a relatively few people applying may be both permanently and totally disabled. Of this number, each individual case must be checked carefully, not only to protect the applicant against the designation of being classified as helpless, but to prevent the possibility of fraud."

"As long as there is any hope that a disabled person may somehow be made either partially or totally self-supporting, we hesitate to classify the individual as 'permanently and totally' disabled. Such a classification is applied only after extensive investigation of the case reveals no other answer."

"Another feature of the law

tera) were borrowed from more southern tribes.

By the beginning of the Second or Third Century B.C., the nucleus of a civilization had come into being, Martin said.

An extraordinary feature of this budding culture was the presence of religious buildings found in the excavations. A large pit house or kiva was set aside in each village for devotional use even in the earliest times. Through the ages, while many other cultural changes were taking place, the church building was always found in each village. It gradually became more elaborate and larger.

About 1000 A.D., surface houses were built with rock walls. The compact village units contained 5 to 20 rooms, Martin said.

Another significant discovery was a tiny copper bell worn as bracelet or anklet piece. It was found on the plaza floor of the village. It may indicate that the Indians traded with the people of Mexico or the Indians of Southern Arizona.

The restlessness of the people was evident in the architecture. Rooms were added or altered in size as fancy moved the occupants, Martin said.

The Mogollons packed up and moved away about 1350 A.D., why remains a mystery.

under which we operate is that we have to determine if the applicant has any relatives who are able to contribute partially or wholly to the support of the applicant.

"Application for assistance under the aid to the permanently and totally disabled originates on the local level, where the medical and financial needs are first determined. Findings on disability are subject to review by a state review team composed of a physician and social worker. We started out with one state review team and have been able to add another team in recent weeks. These teams, when necessary, must refer back locally to specialists to determine the nature and extent of the impairment and to estimate the chances that the applicant may be benefited by treatment to reduce the degree of disability.

"This new program, which began July 1, has increased the burdens placed upon our already overworked social work staff by increasing the number of investigations they make and the decisions they have to reach.

"At the present time, salary schedules for social workers are so low — as compared with some other states bidding for these scarce professional people — that we are unable to maintain our present authorized staff, much less expand our activities appreciably in this new field."

## Why Wait Till Spring?

You enjoy extra months of ownership at no extra cost when you step up to this KING-SIZE DODGE CORONET right now!

- 1 Now is the time of your life to make the buy of your life! When you buy now instead of waiting for Spring, you get a bonus of extra months of ownership that don't cost you a thing. You get the same high resale value when it's time to trade, whether you buy now or in the Spring. Why wait?
- 2 You're money ahead with the car that's far ahead in styling and features! This big '56 Dodge Coronet is built to keep more of its value. It's ahead of the field with push-button driving, world's record-breaking V-8 engine, safety features. It's the King-Size buy of the year.
- 3 SOMETHING BIG HAPPENED IN THE LOW PRICE FIELD! This full-size, full-styled, full-powered Dodge Coronet is priced down with the small cars. And it brings you the "Magic Touch" of Dodge push-button driving: Suret, safest, easiest way to drive you've ever known!

## County's Death Toll Numbers 8

Only DeSoto and Union Counties, out of the state's 67, got by 1955 without a traffic death, the Florida Highway Patrol reported today.

Seminole County's traffic death toll from traffic fatalities is 8. In the latest tabulation of figures—which included any delayed traffic death reports through the first 10 days of January—the patrol reported 1955's highway casualty list at 975.

Dade County which includes populous Miami, led the state again with 114 traffic deaths. Duval was second with 77, somewhat higher than third place Hillsborough County which had 59 traffic deaths in the year.

Several other counties on the east and west coasts of the state showed big traffic death figures. They included:

Palm Beach 57, Broward 51, Polk 52, Escambia 41, and Marion 33. Others which had stable figures were Pinellas 31, Orange 24 and Lake 23.

Here is a county-by-county tabulation of traffic deaths last year, through Jan. 10:

Alachua 16; Baker 4; Bay 7; Bradford 4; Brevard 11; Calhoun 1; Charlotte 2; Citrus 6; Clay 13; Collier 8; Columbia 8; Duval 77; Flagler 2; Franklin 2; Gadsden 14; Gilchrist 2; Glades 4 and Gulf 9.

Hamilton 2; Hardee 7; Hendry 4; Hernando 5; Highlands 8; Holmes 6; Indian River 6; Jackson 15; Jefferson 1; Lafayette 11; Lee 10; Leon 12; Levy 11; Liberty 2; Madison 6; Manatee 8; Martin 16; Monroe 15; Nassau 17 and Okaloosa 14.

Okechobee 6; Osceola 11; Pasco 12; Putnam 8; St. Johns 8; St. Lucie 6; Santa Rosa 6; Sarasota 11; Seminole 8; Sumter 7; Suwannee 3; Taylor 12; Volusia 17; Wakulla 3; Walton 10 and Washington 2.

No death counties in 1954 were Lafayette, Gilchrist and Okechobee, neither repeaters last year.

## McKendree Found Guilty Of June Barroom Slaying

### New Sales Office Is Established, Says Fred Ford

Fred M. Ford, manager of American National Foods, Inc., in Sanford, revealed today that new supervising and merchandising office has been established which will be of major importance and benefit to growers, shipping fruits and vegetables as members of American National Foods, Inc.

He stated the headquarters of this new office will be in Chicago and will operate in addition to American National Foods' Chicago Terminal Sales Office.

Charles U. Barley, Manager of American National Foods' Detroit Supervisory Office, has been promoted to District Sales Supervisor and will supervise terminal sales operations, and promotional and merchandising activities, from this new office.

The following states will be under Barley's supervisory jurisdiction: Alabama, Arkansas, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Michigan, Minnesota, Mississippi, Missouri, Nebraska, North Dakota, Oklahoma, South Dakota, Tennessee, Texas and Wisconsin.

He pointed out that Barley will be working directly under ANF's Terminal Sales Manager in New York and in conjunction with the supervisory offices in Boston and Los Angeles, and that this is another step in American National Foods' policy to more closely coordinate sales merchandising, and promotional efforts for the benefit of growers, shippers, receivers and customers.

BOYD BENNETT, NATIONALLY known singer and orchestra leader visited Sanford on a combined business and pleasure trip.

## Boyd Bennett Here To Visit Family

### Dentist, Physician To Open Offices In New Building

New offices will be opened tomorrow at 1209 E. Second St., opposite the Seminole Memorial Hospital, for the practice of a Sanford physician and dentist.

Dr. Leonard Munson whose offices have been located in the Touchton Building on the second floor at First St. and Magnolia Ave., and Dr. William W. White, dentist, whose offices have been located at 1600 South Park Ave. will move to the modern one story medical building.

Both Dr. Munson and Dr. White will retain their same phone numbers at the new location, they said today.

A nationally known singer, whose home is in Sanford, and whose recordings have been listed among the top ten, visited here during a combined business and pleasure trip.

Boyd Bennett, son of Mr. and Mrs. J. H. Bennett, arrived here Tuesday and leaves today to rejoin his orchestra, and to continue his TV appearances in Louisville, Ky., and Indianapolis, Ind.

Bennett is the author and recorder of "Seventeen" which hit the top ten in the music world. He records for King Records with whom he has an exclusive contract.

Another of his recordings was in the upper bracket of popularity times, recently. The most recent was "My Boy Flat Top."

Bennett is in Sanford to visit his parents and brothers, Bob, Bill, and John, as well as Oliver and Bill Clauer.

The young recording artist, who is married and has three children, plays the drums in his orchestra and sings. He has been heard on many occasions as soloist on his recordings.

He says that his latest recording will be released next week by King Records. It is "Partners For Life" with "Just Around The Corner" on the flip side.

Bennett makes his headquarters in Louisville, Ky.

## Conner President Of Citrus Mutual Succeeding Murray

LAKELAND (AP)—Vernon L. Conner is the new president of Florida Citrus Mutual.

He was chosen yesterday to succeed the late Perry W. Murray, Polk County legislator who was killed in an automobile accident Dec. 12.

Conner, who has been secretary since 1950, was replaced in that post by G. Franklin Ward of Avon Park.

An early promoter for Mutual, Conner has been a director since its founding.

Mutual has about 7,000 grower members who raise about 85 percent of the citrus produced in Florida. It is a cooperative.

Conner, 55, was born in Virginia, lived for a while in Oklahoma and returned to Virginia where he managed stores for the Great Atlantic and Pacific Tea Co. He founded his own fruit produce firm.

## Carlton Withholds Sentence

### Verdict Revealed Late Yesterday

A 12-man circuit court jury handed down a verdict of guilty in the murder trial of William Oscar McKendree.

The verdict came in late yesterday afternoon after a two day hearing with Circuit Judge Vassar Carlton sitting on the bench.

McKendree, nattily dressed in a blue serge suit and dark tie, sat stoically throughout the trial, seldom turning away from the defense table to look into the audience that filled the courtroom at times.

However, during periods of recess, he chatted with bystanders and with his wife and two small children who sat throughout the two-day trial.

Judge Carlton withheld sentence of McKendree when the verdict was returned yesterday after 5 o'clock.

McKendree was represented at the trial by Attorney Tom Watson, of Orlando as chief counsel and Attorney Mack N. Cleveland Jr. of Sanford.

The State was represented by State's Attorney Murray Overstreet and Assistant State's Attorney Volle A. Williams Jr.

The murder charge stemmed from a June 8 shooting of R. Keith Cochran, a representative of Armour & Co. in the area which took place in the 19-58 Tavern of Annette's located just south of Sanford.

Witnesses for the State included Richard Chalmers, a part time employee of Annette's; Evelyn Thompson, a companion of McKendree's at the time of the shooting; Doris Allen, owner of the nightclub; and John S. Lee, who was in the tavern at the time of the shooting.

The jury hearing the testimony through the two day trial included: James Byrd, W. L. Harvey Jr., F. W. Bittling, F. J. Bender (foreman), John B. Crawford, A. C. Moore, H. B. Bourqueard, J. G. Best, J. A. Chalkley Sr., Maury Crews, Lewis M. Cosson, and J. R. Ervin.

The State, throughout its plea to the jury, asked for a First Degree verdict. The manslaughter charge may possibly carry a sentence of from one to twenty years.

## Private Squadron Of Sanford Fliers Has Dinner-Meet

The regular monthly dinner meeting of the Sanford Flying Squadron was held at Jim Spencer's dining room Tuesday night.

The Flying Squadron of Sanford is a typical club, one of many thousands that exist throughout the nation, formed in the interest and for the preservation of private flying.

Recently it was decided by the club to make the regular monthly meeting a social event and have the members bring their wives. This is the second of such meetings and the wives have shown a tremendous interest in the function of the club.

At present the club owns one plane, a two-place Cessna, based at Slade's Airport, Sanlando.

An interesting program of "now-you-see-it, now-you-don't" was performed by Mr. Raybeck of Titusville. Raybeck was guest of program chairman Ed Golt.

Those present at the meeting were Mr. and Mrs. John Williams, Kirby Fife, Miss Cherry Singletary, Mr. and Mrs. Henry McLaughlin and son Henry Jr., Mr. and Mrs. Ed Golt, Mr. and Mrs. Merle Warner, Mr. and Mrs. Roy Mixon, Mr. and Mrs. Carl Yost, the Rev. and Mrs. Darwin Sheen and guests, Mr. and Mrs. Raybeck of Titusville.

## FSL Directors Plan Meeting Here Jan. 22

Directors of the Florida State League will meet in Sanford on January 22 at the Mayfair Inn, according to John Krider, president.

The meeting is slated for noon with a luncheon preceding the business session.

According to Krider, the meeting has been called in order to complete the reorganization and to set up the league.

Teams to have representatives here for the important discussions will include Daytona Beach, Gainesville, Orlando, St. Petersburg, and West Palm Beach.

Possible representatives from Sanford and Lakeland will be at the meeting.

Also seeking admission to the league and with representatives at the meeting will be Tampa and one other team.

## National Guard Is Keeping Watch Over Nylon Plant

PENSACOLA (AP)—National guardsmen kept watch today over an uneasy quiet at the Chemstrand Corp.'s big nylon plant where several persons have been beaten in a dispute over construction labor.

About 300 guardsmen arrived yesterday at the order of Gov. Collins and dispersed about 250 pickets.

Shortly before the Governor's order, Circuit Judge E. E. Mason issued an injunction banning picketing at the plant entrance, the blocking of roads leading to the entrance and any acts of violence or intimidation of employees or their families.

The injunction was asked by Chemstrand and Daniel Construction Co., of Greenville, S. C., which has about 600 workers on an expansion at the plant.

The order named the plumbers and steamfitters local union, and business agent J. C. Jernagin.

WASHINGTON (AP)—Solution of the million dollar Brink's robbery in Boston in January, 1939, was announced today by the justice department. Eight men are in custody.

FBI Director J. Edgar Hoover said FBI agents had arrested six members of the daring gang responsible for the robbery, that two more in connection with other offenses, and that one of the participants is dead.

## James D. Robinson Dies In Toledo, O.

James D. Robinson, 37, died at his home in Toledo, Ohio, Saturday after a short illness.

Born Feb. 2, 1918, in Mounts Lash, he had lived in Toledo for the past nine years. He was a member of the First Baptist Church here. He had formerly lived in Sanford and was a veteran of World War II.

Survivors include his father, W. H. Robinson, Leesburg; three brothers, Mack Robinson, Leesburg; Gerald Robinson, Marietta, Ga.; and Robert Robinson, with the U. S. Army in Germany; three sisters, Mrs. Pat Hatch, Miss Carolyn Robinson, Sanford; Mrs. Mildred Waldron, Toledo, Ohio; and one niece, Dolly Hatch of Sanford.

Funeral services will be at 2 p. m. Saturday at Briason Funeral Home with Dr. W. P. Brooks officiating. Burial will be in Evergreen Cemetery.

## Britain Speeding 2,000 Paratroops As Show Of Force

LONDON (AP)—Britain began speeding some 2,000 paratroops toward Cyprus today as a show of strength in the tense Middle East.

Dispatch of the airborne "fire brigade" to Britain's Middle East headquarters on Cyprus came amid reports the government was considering slowing down troop evacuations from the Suez Canal zone because of the restless situation in the area.

Giant transport planes began ferrying the special combat group eastward through heavy rain clouds to reinforce Britain's estimated garrison on Cyprus of 100,000 men, many of whom are tied down by disorder arising out of demands for union of the island with Greece.

The giant airlift is due to be completed by tomorrow night.

## Radio Report Cites Men Waving Flags

NEW YORK (AP)—A radio report from Quito, Ecuador, today said two men waving white flags were sighted on a sandy river beach in the Amazon jungle area where five U. S. missionaries were seized by savage Aucas Indians.

Dr. Clarence W. Jones, president of the World Radio Missionary Fellowship, related the report in a radiotelephone interview with Dave Garroway of the National Broadcasting Co., terming it "the best word we've had in the last few days."

Jones said the men were sighted late yesterday by a local commercial pilot who photographed them. They could not be identified from the photographs, however.

He said a U. S. Air Force rescue helicopter which arrived yesterday at Shell Mera, Ecuador, headquarters for the search, would fly over the spot to investigate.

## Guild Of Organists To Hold Festival

The Central Florida Chapter of the American Guild of Organists will hold its annual Hymn Festival Sunday afternoon, Jan. 15, at 4 o'clock at the First Methodist Church in Orlando.

More than 400 singers representing choirs from Central Florida churches will present a program of Hymns to Live By and Hymns of Praise.

The congregation will have an opportunity to participate in singing many of the fine old and new hymns that will be used in the program.

There will be three Sanford choirs represented in the massed choir. The Chancel Choir of the First Presbyterian Church, Mrs. George Touhy, minister of music; the Chancel Choir of the Holy Cross Episcopal Church, Jesse Bookhardt Jr., minister of music; and the Chapel Choir of the Christian and Missionary Alliance Church, Mrs. Guy Bishop, minister of music.

## Resident's Father Dies In Tennessee

Friends of Mrs. M. L. Raborn Sr. will regret to learn of the death of her father P. M. (Dick) Holman, which occurred last night at his home in Cedar Hill, Tenn.

Mrs. Raborn has been here for the past several weeks and Mr. Raborn left this morning to attend the funeral which will be held tomorrow afternoon.

THIS SCENE from the Spanish one-act play, "Without Words," shows Nancy Loggren, of Bradenton, who pretends to be deaf, giving a lesson in sign language to Bill Crayton, of Independence, Tourist Club.

## Farm Operators Are Asked To File Information Return

Farm operators who have paid as much as \$100 in cash wages to any farm employes during the year 1955, should file an employer's tax and information return for agricultural employes, Elias Trumbo, Group Supervisor, Internal Revenue Service, Orlando announced today. This tax return will be filed with the District Director of Internal Revenue, Jacksonville, together with the social security taxes on the wages shown on the form.

Trumbo emphasized that this annual report of wages paid for agricultural labor must be filed with the Internal Revenue Service before Jan. 31, 1956. The return must show the name, social security number, and wages paid every employe whose cash wages for the same farmer amounted to \$100 or more.

Tax return forms are mailed out about Jan. 1 to those who have previously notified the District Director of having agricultural employes. Farmers who must make these tax returns and have not yet written for the proper forms, should write the District Director of Internal Revenue, Jacksonville, immediately in order to be sure of getting the report filed before the Jan. 31 deadline, Trumbo urged.

## Higher Tax Intake Expected By State For Past Holidays

Sales tax collections during December (on November sales) hit another new high for this fiscal year, amounting to \$6,740,377 an increase of \$142,732 over the collections during last month, November, (on October sales) of \$6,597,645, the previous high for this fiscal year.

Monthly sales tax collections should be even higher in the coming months, reflecting sales during the Christmas-New Year and tourist seasons. In past years, the largest sale tax collections have been reported during the months of January to May, reflecting increases in retail sales of the months of December to April, considered the height of Florida's tourist season. From all present indications, this trend should continue and may very well better previous records, as all reports to this office indicate increased retail sales and a successful tourist season.

Total sales tax collections for the first six months of this fiscal year, (collections from July to December) exceed last year's collections for the same period by \$5,236,176, an increase of 16.48 percent. Six-month collections this year total \$37,093,403 as against collections of \$31,844,227 in 1954.

(This month's collections of \$6,740,377 exceed collections for the same month last year by \$797,497.) This substantial increase is due to a combination of increased enforcement, legislative changes in the sales tax law, and the outstanding economic growth of Florida.

December sales tax collections in Seminole County totaled \$25,458.01, an increase of \$318.97 over the same month last year.
