Dixie Leaders To Have Large Senate Say-So

Republican Senators To Give Recognition To Southerners For Help To Eisenhower

WASHINGTON, (AP)—Sen. Mundt R-SD said today some Southern Democrats will give a strong say-so in the new Republican Senate in recognition of President-elect Eisenhower's supporters in Dixie.

Mundt told a reporter Senate Republican leaders are discussing a proposal to create in certain Senate committees the post of vice chairmen, to be filled by "Co-operative" Southern Democrats.

He said Senate rules make no provision for such an office, hence it would be "a committee-by-committee proposition." Whether or not vice chairmen are named formally, he said, the idea will be followed in principle.

"It would work out in fact more than in name," Mundt commented. "It won't be straight across the board, but only in certain committees—like armed services and finance—where there is a good feeling of cooperation."

He said Sen. George D. G. Finance committee chairman and Senator Miliken, R. Colo., in line to succeed George, already have consulted and worked things out in harmony.

Sen. Russell D. G. is the Armed Services Committee chairman, while Sen. Bridges R-NH as the ranking Republican member, Russell was an unsuccessful candidate for the Democratic presidential nomination.

Democratic nominee Adlai Stevenson drew his biggest plurality of the Nov. 3 election in Georgia, but lost Texas, Virginia, Florida and Tennessee in the traditionally Democratic South.

Waterfront Boss Pleads Guilty To False Testimony

WASHINGTON (AP)—Edward J. Flinn, a New Jersey waterfront labor boss, pleaded guilty today to a perjury charge and threw himself on the mercy of the court today while a jury was still deliberating his case.

U. S. District Judge Irving R. Kaufman of New York accepted Flinn's plea and gave him a 18-month sentence. He was placed on probation for five years after he serves the 18-month sentence.

Flinn was given until Jan. 3 to surrender to the U. S. marshal in the Southern District of New York and begin serving his sentence.

The delay was explained by the fact that Flinn still is under subpoena to appear before the New York State Crime Commission.

The perjury indictment accused Flinn of lying in a grand jury during an investigation of waterfront racketeering. He once pleaded \$2,000 from the head of a stevedoring firm to cooperate in the unfolding of ships, but later went back before the jury and acknowledged receiving it.

His defense in the trial here was based on a contention that he had forgotten about the money and corrected his testimony when he remembered it.

The jury had been out less than an hour when the unexpected guilty plea was entered.

Mrs. Don Carraway Succumbs To Illness

Mrs. Don Carraway, 81, died in a nursing home at 9:30 p. m. yesterday following a illness of several months.

Born Dec. 11, 1901, in Hemmingway, S. C., she had lived in Sanford for the past 30 years.

She is survived by the husband, Don Carraway of East Palatka; a daughter, Mrs. A. Staley of Plymouth; one son, Sidney Carraway of Titusville; her mother, Mrs. C. H. Pruden of Live Oak; two sisters, Mrs. C. T. Parsons of Jacksonville and Mrs. W. O. Dale of Live Oak; and two grandchildren.

Funeral services will be held at 8:00 p. m. with Rev. E. McKinley officiating. Burial will be in Lake View Cemetery.

Shopping Days Left

A large number of high school students are working in stores, T. W. Lawson, County Superintendent of Schools, said today, following the closing of County schools last Wednesday until Jan. 5 for the Christmas vacation.

He said one of the reasons for early closing of the schools was that the students could secure employment. He commented the merchants need the students and the latter need the money.

Ike And MacArthur At Historic Conference

President-elect Dwight Eisenhower and Gen. Douglas MacArthur shake hands following their dramatic conference at the New York home of Secretary of State despatch John Foster Dulles. The general told newsmen "We had a fine talk on the subject of peace not only in Korea, but the rest of the world as well. He said they would hold further conference. (International)

McKethan Urges Endorsement Of State Toll Road

CHAIRMAN STATES COST NOW ESTIMATED AT 255 MILLION DOLLARS

TALLAHASSEE (AP)—Road Department Chairman Alfred McKethan said today expert reports on the proposed Florida turnpike show it could be financed with a 255 million dollar bond issue—20 million dollars less than had been estimated.

He told the State Road Board at its last regular meeting of this administration consulting engineers "state that the project could be constructed and in use in a maximum of three years."

The turnpike would be a high speed toll highway from Jacksonville to Miami with a leg branching off to the Tampa Bay area.

McKethan told members of the Board he recommends they endorse the project but "in no way take any action in connection with the project which would in any manner bind our successors."

He said, however, he hopes the new Board will "begin immediately" the study of this project and in conjunction with the Florida State Improvement Commission assist in financing and constructing this great facility which would mean so much to Florida.

The turnpike which has not committed itself on the subject but he said that improvement of U. S. Highway No. 1, which parallels the proposed turnpike route, will have top priority with him.

McKethan said the engineers found no conditions in the field which would prevent building the turnpike. They estimated construction cost at \$17,500,000 for the toll road and \$23 million dollars for its first 25 years of operation.

Christmas Pageant Given For Men's Club

CHILDREN OF THE FLORIDA METHODIST Children's Home presented a Christmas pageant following the annual dinner of the First Methodist Church Men's Club in Enterprise last Wednesday night.

Each child was given two shiny silver dollars and a half-dollar coin at the conclusion of the program to be spent on the annual Christmas shopping tour.

The Methodist Men's Club will conduct the shopping tour in Sanford with the children between now and Christmas.

After the turkey dinner, the children presented the pageant with pantomimes and other acts, highlighted by a four-year-old girl's imitation of "Hudolph the Red-nosed Reindeer."

Students Work

A large number of high school students are working in stores, T. W. Lawson, County Superintendent of Schools, said today, following the closing of County schools last Wednesday until Jan. 5 for the Christmas vacation.

He said one of the reasons for early closing of the schools was that the students could secure employment. He commented the merchants need the students and the latter need the money.

Felton Warren Is Sentenced To Jail On Liquor Charge

FELTON WARREN, 30, Cedar Avenue, was sentenced today to one year in the state penitentiary at Raiford by Circuit Judge M. B. Smith this afternoon on a charge of having possession of illegal liquor (moonshine). Mr. Warren pleaded guilty to the charge.

J. Q. Galloway, constable, said today he had been working on the problem of illegal traffic of moonshine the last two weeks.

A "tip-off" as to a possible hiding place was given by a local citizen, Mr. Galloway said, which led law enforcement agents "to a cache of 25 gallons of the illegal whiskey in a palm-tree grove on the Country Club Road."

After the whiskey was located yesterday afternoon, Mr. Galloway and Deputy Sheriff Howard Hood were taken to the site by Deputy W. T. Wansley. The former two lay in wait in chilly weather until Mr. Warren arrived to pick up a load, the constable said.

They allowed him to put one of five five-gallon jugs of the cache in his car before they closed in on him. Mr. Warren admitted ownership of the whiskey, saying, "Mr. Galloway, you got me," according to the constable.

Mr. Warren was brought to the County Jail in his own car by the constable and the deputy.

Theater Guild Will Present Play Tonight

The Sanford Theater Guild's first production, "The Night of January 13th" will be presented again tonight at 8:15 o'clock in the Court House following its enthusiastic reception by Central Florida audiences last Thursday and Friday night.

The play's setting is a New York court room and members of the audience are selected to serve on the jury. Mrs. Richard Harris portrays the part of Karen who is on trial for murder. Miss Dillon Baker takes the part of Nancy Whitfield, the widow of John Faulkner.

The role of Defense Attorney Stevens is played by William Herschel and that of District Attorney Flynn by Ewing Dean. There are 22 characters in the play altogether under the direction of Mrs. Margaret Dunn.

All unused tickets to last week's performance will be honored at tonight's show, it was stated.

Tax Collections For November Set Record

John L. Galloway, County Tax Collector, stated today collections for November amounted to \$219,188.70 a record for Seminole County.

This amount is broken down as follows: County taxes \$204,880.59, Intangible Personal Property Tax \$9,895.15, Intangible Class "C" Tax \$1,072.00, Occupations \$11,000.00, Beverage Licenses \$174.26 and Automobile Tags \$2,246.61.

The County taxes collected amounted to 67.9% of the entire Tax Roll of \$743,975.45. Discount of 4 percent was allowed on November collections of County and Intangible Personal Property Tax. This discount drops to 5 percent in December, 8 percent in January, 1 percent in February and not in March.

On Apr. 1 any tax not paid becomes delinquent and subject to penalties. Mr. Galloway said, it is, therefore, to the taxpayer's advantage to pay before Apr. 1 and avoid penalties.

Store Hours During Yule Season Changed

A request has been made by M. L. Raborn, president of the Sanford Merchants Association, that local merchants should keep their establishments open until 9:00 o'clock from tonight until Tuesday night.

An additional request was made for merchants to close at 7:00 p. m. Wednesday to afford store employees opportunity to pursue their Christmas activities.

Negress Takes Witness Stand Against Doctor

By HAROLD PARR

LIVE OAK (AP)—Mrs. Ruby McCollum, 37-year-old Negro woman, today testified she was the reluctant mistress of the white doctor she is accused of slaying.

She said Dr. C. LeRoy Adams was the father of her 15-month-old daughter Loretta.

And, she testified, the prominent doctor and State Senate nominee was slain in his office here Aug. 3 in a tussle over a gun he had drawn.

She testified Dr. Adams and she entered an illicit relationship in 1948 after he served her professionally during the birth of a daughter.

She said the relationship was instituted by Dr. Adams and she was afraid not to submit to him because of an implied threat, which she did not explain from the witness stand.

She said on the day of the shooting she had gone to Dr. Adams' downtown office for treatment of an ailing arm. She testified she paid him \$5 for three office calls; then later gave him a \$100 bill as part payment for services to her husband, Sam McCollum, bolina operator who died of heart disease at Ocala the day after Dr. Adams was killed here.

Mrs. McCollum said Dr. Adams proposed intimate relations and she begged off because of her ailing arm. She testified that Dr. Adams became enraged and started beating her with his fist. He then grabbed a pistol from a shelf, she said, and jammed it into his stomach. She watched at the gun and in the tussle it fired three times.

She may be the only defense witness, her lawyer has issued subpoenas for other witnesses.

The State ended its case after Henry Sheriff James F. Gray testified the defendant admitted shooting Dr. Adams and told where she had tossed the gun.

He said the gun, a .32 caliber revolver, was found in a clump of bamboo which she had pointed out at the rear of the house when he questioned her shortly after the shooting.

Judge Hal W. Adams denied a motion by defense lawyer Frank Cannon for a directed verdict of innocence as to first degree murder. He argued the State had failed to prove premeditation.

The State contended Dr. Adams was slain in a dispute over a bill for professional services. The defense has given no indication what it will seek to prove.

Proposals Made By City Planning Group

Four recommendations evolved from hearings conducted last night by the City Planning Commission, James Gut, chairman, said today, dealing altogether with zoning.

The recommendations will be presented to the City Commission for approval Dec. 29, he said.

A new zone was created at the meeting, known as a "transition zone" which is one of the recommendations. The commission also will recommend that portions of French Avenue be zoned to residential commercial, multiple-family and transient commercial class features.

The third recommendation was that the portion of Dreamworld subdivision which calls for a new house to have a floor area of 1,000 feet be zoned to allow the construction of a dwelling with 1,000 square feet of floor space.

The final recommendation was for zoning the site of the proposed County spirit and the adjoining area containing the Garden Club and Red Star WTR to multiple-family classifications.

CHARLOTTE FIRE SELL

CHARLOTTE, N. C. (AP)—Ed Mellon Co. here says they're selling very nearly 100 grabbed-up suit bags made of velvet woven with pure gold. The \$50 ties are imported from Lyons, France. Each tie is packed in a monogrammed black and white leather box.

The store bought a few as a "conversation item" intended to stir up talk. Textile executives bought out the entire supply, including them for use as Christmas gifts for "men who have every thing already." The store has since put in another order.

SCHOOL BOARD

STOUGHTON, Mass. (AP)—A boarding school housing 20 Negro orphans and underprivileged children was demolished by fire in soft-freezing temperature early today and one child was believed killed.

Police and officials of the Whitecourt, Williams School identified the missing child only as a 14-year-old girl.

Two other children were burned seriously. Also burned seriously for merchants to close at 7:00 p. m. Wednesday to afford store employees opportunity to pursue their Christmas activities.

Civilian Secretaries Of Navy Army, Air Force Chosen By President-Elect Eisenhower

Lattimore Says "Not Guilty" In Pleading Today

Alleged Perjurer Almost Shouts Answer Before Court

WASHINGTON (AP)—Owen Lattimore today declared "not guilty" today in answer to a seven-count perjury indictment based on his sworn denial of Communist sympathies.

The two words, almost a shout, were all Lattimore said during a brief court proceeding, but his attorney, Thurston Arnold, had plenty to say about publicity the case has received.

U. S. District Judge James R. Kirkland, before whom Lattimore was arraigned, and the trial of the Fox Eastern specialist probably will begin sometime in early March.

Traffic Offenses Predominate In County Court

Several Defendants Found Guilty Of Drunken Driving

The fall term of County Court this week, composed entirely of jury trials in deciding traffic offenses, resulted in the highest percentage of guilty verdicts in the county since the term was completed mostly after 8:00 o'clock last night.

Following a lengthy trial yesterday, J. H. Collins, a New Yorker, was found guilty of a charge of operating a motor vehicle while under the influence of intoxicating liquor. He was given a fine of \$75 and cost of 30 days in jail, but later probation was suspended for a year. The jury recommended leniency.

The suit was represented by Mr. W. L. Wansley, who said Mr. Collins had been drinking beer since 11:30 p. m. at the time he drove his car on French Avenue. The state was represented by County Prosecuting Attorney G. A. Spurr, who said Highway Patrolman E. L. Breen saw Collins driving erratically at about 11:30 p. m. on French Avenue. Collins was arrested at about 11:45 p. m. and taken to the jail.

Members of the jury were Mrs. E. G. Cannon, Robert H. Pitts, and W. L. Wansley, who said Mr. Collins had been drinking beer since 11:30 p. m. at the time he drove his car on French Avenue. The state was represented by County Prosecuting Attorney G. A. Spurr, who said Highway Patrolman E. L. Breen saw Collins driving erratically at about 11:30 p. m. on French Avenue. Collins was arrested at about 11:45 p. m. and taken to the jail.

Christmas Business All Over Nation Is Booming With Traffic Big Problem

NEW YORK (AP)—Christmas business is so good says a Chevrolet "N. S. C." merchant that he even has a brisk demand for 8.00 neckties. They are made of velvet woven with pure gold.

The festive three-belted department stores agree that while business is "substantially heavier than last year" and will be no less.

In New York President-elect Dwight D. Eisenhower had a hard time of it today in his attempt to pick up what was left of the Christmas shopping season.

Some Of City's New Equipment Has Arrived

Lemon Points To Savings In Maintenance And Repair

The city's new equipment for the City of Sanford has started coming in, City Manager Tom Lemon announced today. The first truck, a 1952 Chevrolet, was used to transport some time and money on construction work and service in the city.

Lemon said the city's new equipment will save in maintenance and repair. The city's new equipment will save in maintenance and repair. The city's new equipment will save in maintenance and repair.

Selections Were Decided On After Conferences Between Ike And C. E. Wilson

NEW YORK (AP)—President-elect Eisenhower today announced his selections of the civilian who will head the armed services under Charles E. Wilson, secretary of defense designate.

The selections were decided on after a series of conferences between Eisenhower and Wilson. Wilson, a vice president of General Motors.

Secretary of the Navy Robert Hornum Anderson, Jr. of Vernon, Tex., a director and deputy chairman of the board of directors of the Federal Reserve Bank at Dallas, Tex.

Secretary of the Air Force, Harold G. Lombard, director of the North American Aviation Co., and a member of the Chrysler Corp. finance committee.

Fallon was active as an advisor and board member during Eisenhower's presidential campaign. The latter selected today had not figured in the campaign lineup on a national scale. All the designations must be approved by the Senate.

James C. Hagerly, Eisenhower's press secretary, announced the appointments.

He said they were decided upon after a series of conferences between Eisenhower and Wilson on board the cruiser Helena while they were returning from Korea.

Anastasia Upholds Underworld Code By Keeping Silent

ALBANY, N. Y. (AP)—Albert Anastasia reported "that high execution" of Murder, Inc., appointed before the New York State Crime Commission today but obliquely upheld the underworld code by keeping silent on key questions.

Time and time again he told the commission, investigating waterfront racketeering, that he could not recall the names of the men who would tend to merit.

Another time pressed by commission counsel concerning a reputed "hard-boiled" gangster, he pleaded mental confusion.

Observing written notes of the commission, the worthy witness said: "If I had a book before me, I could answer the questions, but my mind was confused. I don't know whether I am coming or going."

Anastasia was named in testimony given yesterday as having been involved in the still official-rumored slaying of Peter Panos, a waterfront figure who looked much like who?

Under questioning, he said he was about 50 years old, was born in Italy, came to the United States in 1917, was naturalized and now lived in New Jersey.

MRS. LAURA CROSS DIES

Mrs. Laura Cross died after a long illness of several months. She was born in Crown Point, Ind., and spent most of her early life in Sanford. Funeral arrangements will be announced at a later date.

SIGNS TO BE PLACED ON FRENCH AVENUE

The advertising committee of the Chamber of Commerce this afternoon authorized the erection of signs at both highway approaches to Sanford, directing traffic over French Avenue and passenger car traffic over Park Avenue.

Action was taken by the committee after the proposal was turned over to them at the last meeting of the Chamber of Commerce directors. The suggestion on the signs came from John Levy, city commissioner, who spoke at the last meeting.

FRIDAY, DEC. 19, 1952

TODAY'S BIBLE VERSE
Impoverished have destroyed
God's enemies again and again. It
is better to be on God's side. I
will raise up against Babylon a
destroying wind.—Jeremiah 51:1.

Floridians have a special interest
in the appointment of Harold Talbot
as secretary of the air force. He
was for many years a resident of
Miami Beach.

We shall remember our Harry
too for his oratorical manner—as
if the speech were one he had
found in the pocket of an old
suit—Times-Union. Which belonged
to someone else and he had
never seen the speech before in his
life.

Even so liberal a spender of
other people's money as Fair Deal
Secretary of Commerce Sawyer,
just back from a 10 nation study
in Europe, thinks there is too
much money being wasted abroad.
"There is too much confusion and
too much wasted effort," he says.
"Too many people doing too many
things in Western Europe." And if
he thinks there is a mess in Europe,
after being a part of the mess in
Washington, it must be so.

Before taking too seriously
reports read in some of these news-
paper gossip columns, it might be
well to review Drew Pearson on
the long-standing enmity between
President-elect Eisenhower and
General MacArthur in the light of
their luncheon meeting Wednesday
and the friendly greetings which
they exchanged with each other.

Florida school teachers have a
stake in the capitalistic system and
the maintenance of stable economic
conditions. The Teachers Retirement
Board reports a reserve of
\$31,000,000 for the payment of
pensions to these teachers when
they retire, and adds that 1,833
already retired teachers received
\$2,031,000 in benefits from the
fund last year. If anything should
happen to the fund, if it should be
disipated through the incompetency
of public officials, or if it should
be so depreciated in value as a
result of inflation as it tends to
be, would anything, these teachers
would suffer. And so would every-
one else looking forward to pen-
sions, or security of any kind in
old age.

During the recent presidential
campaign Florida newspapers pub-
lished 216 editorials favorable to
the Republican cause, only 115
supporting the Democrats. But, a
recent survey conducted by Florida
State University shows Florida
newspapers did not let their belief
in Eisenhower, or their opposition
to Truman, neglect the news from
the Democratic side, or prejudice
their front view. The Democrats
were given 31,262 inches of news
space in 2,680 stories, the survey
shows, while the Republicans got
30,236 inches in 2,501 stories.
"The Democrats received 51 per
cent of the news, picture, headline
space and position advantages," the
survey continues. "The Republicans
49 percent." What could be fairer
than that?

Another of those sturdy pioneers
who have contributed so much to
the growth and character of this
great state over the barrier this
is S. F. Whitner, Sr. came to
Sanford with his father in 1872,
attended public schools and grew
up here. He now became connected
with the First National Bank
and served as an officer of that
institution for more than 40 years.
He has played a significant
part in the economic development
of this section. For nearly half
of his life he has been a member
of the Commercial Club, and has
been a member of the Chamber of
Commerce for many years.

A Nation Still Free

When one thinks the situation over it is actually a very
strange and thought-provoking thing beheld in the United
Nations Building in New York. In this building is the meeting
room where high ranking delegates speak. It sparkles with
ultra modern, even futuristic facilities, decor and design,
which have been paid for mostly by American money.

Correspondents of many magazines and newspapers re-
port these sessions to the world, listening over a translation
system which carries five languages simultaneously
translating all words spoken. Among these reporters is Ray-
mond Cartier who sends a weekly cable to Paris MATCIL, a
French magazine widely read around the world. He com-
mented in a recent cable on the paradox of Andrei Vishinsky
and his attacks on America in the midst of all these things fur-
nished under American auspices for his convenience. He
wrote:

"He accused America of destroying the peace, of men-
acing the world and of degrading humanity. Applause un-
derlined some of these denunciations, not from the delegates
but from the audience where American Communists were
listening."

Cartier described what to him was an even more amaz-
ing paradox.
"Imagine if in Moscow, during the course of a meeting
of the United Nations, a western statesman covered the
Soviet regime with outrages, before Soviet citizens who
clapped their hands . . . and that the next day Pravda, fol-
lowing the example of the New York Times, published his
speech in full . . ."

Americans might try to imagine this happening behind
the Iron Curtain—but they would not be likely to succeed in
the endeavor.

Why They Didn't Vote?

Why did 30,000,000 eligible fall to vote in November?
Some may have been kept away by poll taxes in certain
states. Incarceration in prisons or asylums may account for
a million. An unknown but large number were kept from the
polls by absence from home on illness. Many corporations
need to transfer employees to other localities, preventing
them from maintaining legal residence long enough to vote.
Absentee voting, no matter for what reason, is not per-
mitted in some states. In some states, with an overwhelm-
ing majority for one party, minority supporters may feel too
discouraged to vote. What incentive to turn out for the pre-
sidential election exists for Maine Democrats or Mississippi
Republicans?

There still remain a large number, perhaps 15,000,000,
who are indifferent, fearful of betraying their ignorance,
unwilling to run the risk of jury duty, or resentful of the
whole political setup. What would happen if all these came
out, especially the last group? Perhaps nothing, unless some
unscrupulous demagogue, playing on religious antipathy or
class passion, brought them all out on his side. There could
be a national Huey Long. He need not make his appeal to
the poor; there is such a thing as rabble-rousing directed to
the prejudiced well-to-do.

Whatever the cause, voting has not gained as it should
since the end of the 19th century and the tendency is not en-
couraging.

Termite Damage

Termites cause \$40,000,000 damage yearly. Price Hob-
good, Building Editor of Farm and Ranch, points out in the
magazine's November issue. "Termite damage has caused
considerable alarm during the past 20 years," Hobgood says.
"However, authorities agree that termites have been with
us always and that, as a whole, they are not increasing in
number—we simply have become more conscious of them."

- Here are some suggestions by Hobgood for preventing
termite damage:
1. Remove all wood scraps, stumps, and roots from the
building site.
 2. Destroy the shelter tubes if any appear. (This des-
troys the ground contact, which the termites need for ob-
taining moisture.)
 3. Do not place untreated wood closer than 18 inches to
the ground.
 4. Provide plenty of screened ventilation under the build-
ing—not less than two square feet per 25 lineal feet of wall.
 5. In extreme cases, use termite shields.
 6. Be especially careful around slab porches. This is an
ideal spot for termites to hide.
 7. Make thorough inspections regularly.
 8. Keep soil around foundations dry by providing ade-
quate drainage.
 9. Use soil poisons as a temporary measure of control.
- "Always remember that termites cannot stand ex-
posure, so your most economical protection against them is
plenty of ventilation and light around the foundation, and a
well-drained soil. Do not leave them a dark path to follow
from the ground to the wood—that is an invitation to en-
ter," Hobgood concludes.

New York Racketeer May Lose Citizenship

WASHINGTON (AP)—Attorney
General McGranery announced to-
day he has started proceedings to
take away the American citizen-
ship of Russian-born Meyer Lan-
sky of New York, alleged big time
racketeer and former bootlegger.
McGranery said a petition seek-
ing cancellation of Lanasky's citi-
zenship will be filed by U. S. At-

torney Myles J. Lane in the U. S.
district court for the Southern
District of New York.
Lanasky, it was announced, will
be charged with having obtained
his naturalization through fraud in
that "the deliberately and intention-
ally concealed his criminal record."
McGranery's announcement said
Lanasky allegedly has been a close
associate of leading gamblers and
racketeers in this country and has
gambling interests in Hollywood,
Miami, Council Bluffs, Iowa, and
Las Vegas, Nev.

THE WORLD TO JY

By JAMES MARLOW

WASHINGTON (AP)—Now,
seven years after he first men-
tioned it, President Truman's com-
pulsory health insurance plan is
hardly more than a gleam in the
eye of the man who steps out of
the White House next month. He
lost his fight for it.

But on the eve of his departure
he has left a brand new plan, not
his own, for incoming President
Eisenhower. This plan was un-
veiled yesterday by the President's
Commission on the Health Needs
of the Nation. Truman urged the
Eisenhower administration to take
quick action on these plans.

But it is a pretty safe bet that
whatever is done, if anything,
won't be speedy. For one thing,
the Republicans in their cam-
paign platform of 1952 were very
guarded about any promises for
a health program. The platform
they worked out at the Chicago
convention said:

"We are opposed to federal
compulsory health insurance with
its crushing cost, wasteful in-
efficiency, bureaucratic dead-
weight, and debased standards of
medical care. . . . We pledge our
continuous encouragement of im-
proved methods of assuring health
protection."

And, no matter what Eisen-
hower might say, his record in
working with a conservative Con-
gress is bound to go slow on any
social changes. And that isn't be-
cause the Republicans control it.
Every Congress since the war,
whether Democratic or Republican
in control, has been conservative.

Truman offered his compulsory
health insurance plan to Congress
in a special message Nov. 19,
1945. It never got to first base
although since then Congress has
voted money for medical ser-
vices in several ways. Truman
said of his plan: "This is not
socialized medicine." But social-
ized medicine is what its critics
have called the plan ever since.

Every Congress since the war
would have been financed out of
payroll deductions similar to those
now made for social security. The
AMA, which put on a huge cam-
paign to prevent Truman's pro-
posal from becoming law, disliked
the thought of government sav-
ing over doctors and seemed to
think voluntary systems would
meet the nation's health needs.
Truman didn't look upon this idea
as a solution at all.

The plan recommended yester-
day by the President's commis-
sion would fall somewhere between
the Truman and AMA ways of
thinking. Whether the AMA will
fight the commission's recom-
mendations too remains to be
seen. A spokesman said there'd
report until it had a chance to
study it.

In brief that plan would pro-
vide free or partly-paid health in-
surance policies for everyone who
couldn't afford to buy one. To
foot this bill the government
would have to spend out about
one billion dollars a year with
about three-quarters of it to be
matched by the states, dollar for
dollar.

The unmatched quarter of the
government's money—all of it
would come out of general tax
funds—would go for building
hospitals, expanding medical
schools and helping research.

POWER FIRMS SUED

JACKSONVILLE (AP)—The Flori-
da Power and Light Co., and City
of Jacksonville were sued in Feder-
al Court today for \$20,000 by the
Oklawaha Rural Electric Mem-
bership Corp.

The suit charged violation of the
Sherman anti-trust law and seeks
to restrain those sued from con-
tinuing efforts to prevent the Ok-
lawaha REA from serving its
members in rural areas of Nassau
and Duval counties.

The suit charged that the de-
fendants hampered construction of
lines to prospective customers;
and said the REA could furnish
service in areas unreachable by
the defendants.

NATO Members Hit In Ridgway Speech

PARIS (AP)—Gen. Matthew B.
Ridgway criticized members of
the North Atlantic Treaty Organi-
zation today for slowing down
their defense effort.

"I reject as unjustified the dan-
gerous view that the potential ag-
gressors don't want war and won't
precipitate war," he told the gradu-
ating class of NATO's Defense
College. "We don't know how long
we shall be the Kremlin's target
marked for war."

His criticism came less than 24
hours after ministers of the 14
NATO member nations wound up
a meeting in Paris at which they
nearly halved — to 224 million
dollars — the amount to be spent
for top-priority defense works. In
so doing they ignored Ridgway's
own recommendations. They also
failed to approve a military recom-
mendation for a boost in the size

CHARGED WITH KILLING

MIAMI (AP)—Sulimano Rodriguez,
a restaurant waiter, was charged
with first degree murder today
after his estranged wife died of
gunshot wounds.

A daughter-in-law of the slain
woman, Virginia Gonzalez, re-
ported that Mrs. Rodriguez
pleaded on her knees for her life
when the man began firing late
last night.

of NATO's forces.
"There can be no excuse for
any slackening in our efforts to
attain the minimum military re-
quirements," Ridgway said today.
These minimum requirements for
the defense of Western Europe, he
continued, have not yet been met.

Ridgway blamed the "slowdown
in action" on wishful thinking, the
hope that "we are no longer open
to attack and we don't need to
make so great an effort to defend
ourselves."

Movie Star Objects Use Put To Figure

HOLLYWOOD (AP)—If a plas-
tic manufacturer carries out his
plans to market her trays showing
actress Marilyn Monroe in the al-
together, the young movie actress
swears she'll sue him.

The trays would bear the nude
calendar photo for which Marilyn
says she posed when she was hun-
gry and behind in her rent. The
manufacturer claims she gave full
consent for use of her name, por-
traits and pictures "for advertis-
ing and trade purposes."
He says he would sell the trays
for about \$15 each, thus restrict-
ing them to places "with a lot of
class and dignity . . . such as bars
of bachelors and lovers of art."
He'd also use the photos on bar
signs.

Marilyn's studio said yesterday
its lawyers are planning to insti-
tute legal action "against compa-
nies and individuals engaged in
unauthorized commercial exploita-
tion of the Marilyn Monroe calen-
dar photographs."

PERSONALS

Garnett White arrived Wednesday from Norfolk, Va. to spend the Christmas holiday with his parents, Mr. and Mrs. L. E. White.

Miss Sue Cullum arrived today from the University of Florida in Gainesville to visit for the holidays with her parents, Mr. and Mrs. A. F. Cullum.

Mrs. and Mrs. Walter Turner are expected to arrive tomorrow to spend the holidays with their parents, Mr. and Mrs. R. W. Turner and Mr. and Mrs. A. F. Cullum.

Al Brock is expected to arrive tomorrow from Garrett Seminary on the Northwestern University campus in Evanston, Ill. to visit his mother, Mrs. Nancy Brock for the holidays.

Lt. and Mrs. Alfred Doudney and daughter Ann have arrived from Rapid City, S. D. to visit their parents, Mr. and Mrs. L. E. Southward and Mr. and Mrs. Sanford Doudney, for the holidays.

Hendrick was his brother Peden Hendrick of Atlanta; and usher-groomsmen were David Leonard, the bride's cousin, Kirby Fite Jr., Harold Chapman and Benny Austin.

The mother of the bride, Mrs. Appleby, wore a gown of hyacinth blue crepe and a complexion veil studded with rhinestones. Mrs. Hendrick was gowned in rose lace and both mothers wore corsages of tiny lavender orchids. The bride's grandmother, Mrs. W. T. David, wore a gown of dark wine colored crepe with a corsage of white camellias and the grandmother of the bridegroom, Mrs. O. M. Peden of Sparta, Ga., wore soft green complimented with rubra camellias.

Following the wedding a reception was held in the spacious home of the bride's aunt and uncle, Mr. and Mrs. Grady Herman at West First Street. A beautiful Yuletide theme was also used in the large rooms of the Herman home with silvered magnolia leaves and myriads of glowing white tapers in silver candelabra forming a lovely setting.

Guests were met at the door by Mrs. Burke Steele and Mrs. W. H. Kirby and shown to the receiving line in the living room by Mrs. Joe Corley, Presiding at the bride's hook were Mrs. Rudy Sloan and Mrs. Benny Austin.

The bridal table was covered with a white satin cloth and decorated with clusters of white camellias and maidenhair fern. At one side of the table was a five tiered wedding cake topped with white orchids, and balanced on the other side with a large antique silver branched silver candelabra holding white tapers. Serving the cake were Mrs. Mildred Wheelless of Orlando, and Mrs. Clifford Proctor, and assisting them were Mrs. Paul Fitch and Mrs. H. Wayne Rucker.

Punch was served from another table balanced at each end with crystal punch bowls and in the center was another antique silver candelabra with lighted white tapers. White camellias and fern also decorated the punch table. Presiding at the punch bowls were Mrs. Francis Mesewether, Mrs. E. G. Kilpatrick Jr. and Mrs. B. E. Chapman. Assisting with the guests were Mrs. Robert Magnuson, Mrs. Raymond Herron, Mrs. Harold Chapman, Mrs. Roy Tillis, Mrs. A. L. Skinner and Mrs. Rowland Wesson of Geneva.

Later in the evening Mr. and Mrs. Hendrick left for a short wedding trip to Daytona Beach. The bride wore a tweed suit in shades of blue with Navy accessories and the white orchids from her bridal bouquet. Upon their return they plan to reside in Atlanta where Mr. Hendrick is associated with the Georgia Department of Labor and attending the University of Georgia.

Among guests from out of town who attended the wedding were Rev. and Mrs. Hendrick, Peden Hendrick, Miss Frances Reeve all of Atlanta; Mrs. O. M. Peden of Sparta; Miss Barbara Ann Edgfield and Miss Barbara Chapman of Jacksonville; Miss Ruby Austin of Americus; Mr. and Mrs. Dale V. Moore, Mrs. Wheelless, Mrs. Joseph Lee, Mrs. C. Hohman and Mr. and Mrs. Verne Wheelless of Orlando; Mr. and Mrs. A. R. Wheelless of Manchester, Ia.; Mr. and Mrs. O. W. Nicholson, Mrs. Mary Nicholson and Mrs. Courtney Porter of Titusville; Mr. and Mrs. E. C. Dann of DeLand; and Mrs. Walter Yarborough and Mrs. Wesson of Geneva.

Henry A. Brown, varsity wrestling and golf coach at Grinnell College, is also the Dean of Men.

Mr. and Mrs. Henry Witte were honored last Sunday with a reception honoring their 25th golden wedding anniversary at their home on West First Street. Mr. and Mrs. Witte are shown at the top of the page with their two daughters, Helen and Florence, and their son, Henry Witte Jr., on the left and their two daughters, Helen and Florence, on the right.

Presbyterians Plan For Overflow Crowd

The First Presbyterian Church is making arrangements to handle an overflow congregation Sunday night at 7:25 p. m. when the all music candlelight service celebrating the Nativity will be presented, according to the Rev. A. G. McInnis, minister.

Increasingly large audiences have enjoyed this Christmas service each year, Mr. McInnis stated today and the interest of those who have heard it and heard of it indicate that the listening group this Sunday will be the largest of all.

To add to the reverent atmosphere of the candlelit sanctuary special decorations have been prepared by Mrs. Victor Brown's committee, the pastor said.

The program that will be given by the 24 voice church choir and the 13 girls of the Youth choir will be made up of 11 anthems following the theme of "Christmas Carols from Many Nations" according to Mrs. George Touhy, minister of music, under whose direction the service has been prepared.

Following the playing of hymns that begins at 7:25 p. m. the following order of worship will be observed:

Preludes, — Variations on a Noel, (Duple), (a) Theme; (b) Lullaby; (c) "As it Fell Upon the Night," arr. Davis; "How Far Is It To Bethlehem," arr. Galt; "Glory to God," arr. Shorenont; "Shepherd's Christmas Song," arr. Dickinson; "Little Jean of Brang," arr. Galt; "A Christmas Fantasy," arr. Gilbert.

In extending a welcome to everyone, Mr. McInnis asked that worshippers be in their seats prior to 7:25 p. m. and thus avoiding disturbances after the service has started.

The choir of the First Methodist Church, under the direction of Roger Harris, has prepared a unique Christmas service for lovers of good Christmas music. The service consists of a cantata and a carol and candle lighting service. This gives the congregation not only an opportunity to hear some of the best music in the choir but also an opportunity for participation in the service by singing carols, the Rev. J. E. McKinley stated this morning.

The cantata, "The Nativity," by Roger C. Wilson, is a most melodious portrayal of the Christmas Story. The soloists in the cantata will be Mrs. W. G. Fleming, Mrs. George Harden, Mrs. Roy Wall, Robert Bennett, George Harden Jr., Dr. H. Wayne Rucker and David Hester.

The public is cordially invited to participate in the service.

CALENDAR OF WEEKLY SOCIAL ACTIVITIES

FRIDAY
The T. F. L. Class of the First Baptist Church will meet at the home of Mrs. E. M. Carroll, 1001 French Avenue, for its annual Christmas party and covered dish dinner at 7:30 p. m. Each member is asked to bring a gift for exchange.

MONDAY
The Board of Christian Education of the First Baptist Church will meet at 7:00 p. m. at the Board of Christian Education, 1001 French Avenue.

TUESDAY
The Board of Christian Education of the First Baptist Church will meet at 7:00 p. m. at the Board of Christian Education, 1001 French Avenue.

WEDNESDAY
The Board of Christian Education of the First Baptist Church will meet at 7:00 p. m. at the Board of Christian Education, 1001 French Avenue.

THURSDAY
The Board of Christian Education of the First Baptist Church will meet at 7:00 p. m. at the Board of Christian Education, 1001 French Avenue.

FRIDAY
The Board of Christian Education of the First Baptist Church will meet at 7:00 p. m. at the Board of Christian Education, 1001 French Avenue.

SATURDAY
The Board of Christian Education of the First Baptist Church will meet at 7:00 p. m. at the Board of Christian Education, 1001 French Avenue.

SUNDAY
The Board of Christian Education of the First Baptist Church will meet at 7:00 p. m. at the Board of Christian Education, 1001 French Avenue.

Navy Center Will Be Scene Of Dance

A Christmas dance will be held at the Navy Center on Wednesday night from 7:30 to 11:30 p. m. The band, Paul Keenan and his orchestra will furnish music for dancing.

Mrs. Edward F. Lasse is chairman and will be assisted by Mrs. W. A. Eagle, Mrs. S. C. Cullum.

Miss Appleby Married To Claude Hendrick Jr. In Lovely Christmas Candlelight Ceremony

The Christmas theme was beautifully and artistically employed to form an effective background for the marriage of Nancy Jean Appleby, daughter of Mr. and Mrs. Harold A. Appleby, to Claude Hendrick Jr., son of the Rev. and Mrs. Claude Hendrick of Atlanta, Ga. The double ring marriage ceremony was performed last night by the father of the bridegroom assisted by the Rev. J. E. McKinley, pastor of the local church at 8:00 o'clock.

The back of the rostrum was banked with pine boughs and tall baskets of red poinsettias, white gladioli, and holly berries and greenery. Graduated candelabra tall lighted white tapers. The ball of the rostrum was covered in white and decorated with clusters of holly. Sprays of cedar and holly tied with red satin ribbon marked the pews of the church.

Mrs. J. L. McEwan played a program of wedding music including "Evening Hells" by Kinler, "O Thou Sistine Sweet Evening Star" by Wagner, "Adoration" by Lefebvre-Wily, Mrs. J. L. Corley, soloist, sang "I Love You Truly" by Bond and De Hurdle's "Hiccups". During the ceremony Mrs. McEwan softly played "My Heart At Thy Sweet Voice" and the traditional wedding marches were used. TELEVISION ON UHF TAKES HUGE STRIDE AT STATIONS TODAY

By WAYNE OLIVER
NEW YORK (AP)—Ultra high frequency (UHF) television takes a giant stride today, with four stations receiving transmitters for sending programs on channels newly opened to video.

They will race to get on the air as quickly as possible, and the winner will be the nation's second UHF station and the first with commercial equipment.

Station WFTG-TV in Atlantic

Christmas Boom

(Continued From Page One)
tion of convenient suburban shopping centers and—most of all—the city sales tax of three cents on the dollar.

All Wanamaker stores outside New York expect to better last year's volume.

Two universal complaints in the country at large are lack of parking facilities for shoppers and a shortage of trained sales help.

Merchants blame a late Thanksgiving for the traffic crush. They say people are trying to cram all of their buying into a shorter time.

City, N. J., is claiming the honor in advance, saying it will have its transmitter installed and test signals on the air within hours.

All four stations have trucks and engineers waiting at the Camden, N. J., plant of the RCA Victor Division of Radio Corporation of America.

The first UHF station on the air was KPTV in Portland, Ore., which started Sept. 19, but it temporarily is telecasting with equipment used by RCA for its experimental station at Bridgeport, Conn.

The engineering products department of RCA Victor said additional transmitters for UHF stations were on the production line and would be shipped as fast as completed and tested.

The new UHF stations will be watched with close attention by the industry to learn what sales clerks and set owners in other parts of the country can expect when additional stations of that type go on the air.

Ultra high frequencies were opened to TV the first time when the FCC last summer ended its 3½-year freeze on permits for new stations.

The FCC ended the freeze when it set up 70 new UHF channels to supplement the 12 very high frequency (VHF) channels that had previously been in use.

The new UHF stations can not be tuned in by most sets now in use without converter attachments, or on models designed for the purpose, internal adjustments. New sets to tune in both bands now are on the market.

When the FCC ended the freeze it provided for 2,053 TV channel assignments, with 617 being VHF and 1,436 UHF. All 108 stations then on the air were VHF.

The commission since then has granted permits for 157 new stations—43 on VHF and 114 on UHF.

Because of the shortage of equipment for the new UHF transmission, of the nine stations coming on the air since then only Portland's KPTV has been UHF—and that with experimental equipment.

New Equipment

(Continued From Page One)
1952, \$18,000.00 in 1954, and \$10,000.00 in 1955.

Arrangements were made with the Sanford Atlantic National Bank to finance the 3 year program and all equipment suppliers were paid in full.

The 3 annual payments which will be paid from the budget is less than is usually put in the budget for replacing a part of the old equipment each year.

In other words, the city manager stated the cost will not be more than would probably be borne by the City anyway, and the City gets the use and benefit of new equipment and at the same time, the taxpayer gets value from his tax dollar.

The appearance of the new equipment on the streets of Sanford should give the citizen a sense of pride. Lemon declared and gives non-residents the feeling that Sanford is really progressive and inviting.

All the new equipment is painted armor yellow, and will have a distinctive decalcomania insignia of the City seal (Seminole Indian Head) on each side of each piece of equipment.

The police cars will be of canary yellow color for most effective traffic control.

Monthly schools for truck and equipment drivers are being set up in cooperation with the truck dealers of Sanford for more efficient care and use of the new equipment.

The first consecutive double in Delaware Park's Christiana Blakes was scored in the 1952 renewal when W. G. Loew's Centime won. The Pimpernel, also owned by Loew, won the 1951 running.

Television sets are moving well in Seattle and San Francisco. Two of the biggest department stores in St. Louis note a "tremendous demand" for toys.

Lower prices are luring shoppers in retail stores, with demand holding up for all classes of merchandise except TV. A record volume appears likely.

Southern retailers say increased employment in textile mills and

Enoch W. Lewis Is Elected President Of Negro Group

(Continued From Page One)
Enoch W. Lewis was elected president of the Business, Professional and Civic Club, local Negro men's organization, at a meeting of the group this week.

Other officers selected in the annual election were Matthews Williams, vice-president; Mrs. Ida B. Williams, secretary; Miss Bernice Johnson, recording secretary; Ezekiel Dixon, treasurer; Albert L. Battle, business man; Calvin Hagan, chaplain; and Herbert Cherry, reporter.

The club's motto, according to Cherry, is "Our efforts are not limited by time, because within ourselves our future lies," while the objective of the organization is to help build a better community for all the people.

Currently, the club is cooperating with two other organizations in soliciting funds to provide Christmas food baskets for 50 needy families. Each of these baskets is to contain about 20 separate items.

Those persons wishing to contribute to the worthy cause may mail their donations or take them to the Mosley and Son's Funeral Home, or contact can be made with the club by calling 3963 or 4041 and the contributions will be picked up.

"At the close of the year, 1952," Cherry said as spokesman for the club, "the members of the Business, Professional and Civic Club, club and all organizations for

Enoch W. Lewis Is Elected President Of Negro Group

(Continued From Page One)
Enoch W. Lewis was elected president of the Business, Professional and Civic Club, local Negro men's organization, at a meeting of the group this week.

Other officers selected in the annual election were Matthews Williams, vice-president; Mrs. Ida B. Williams, secretary; Miss Bernice Johnson, recording secretary; Ezekiel Dixon, treasurer; Albert L. Battle, business man; Calvin Hagan, chaplain; and Herbert Cherry, reporter.

The club's motto, according to Cherry, is "Our efforts are not limited by time, because within ourselves our future lies," while the objective of the organization is to help build a better community for all the people.

Currently, the club is cooperating with two other organizations in soliciting funds to provide Christmas food baskets for 50 needy families. Each of these baskets is to contain about 20 separate items.

Those persons wishing to contribute to the worthy cause may mail their donations or take them to the Mosley and Son's Funeral Home, or contact can be made with the club by calling 3963 or 4041 and the contributions will be picked up.

"At the close of the year, 1952," Cherry said as spokesman for the club, "the members of the Business, Professional and Civic Club, club and all organizations for

MOVIELAND Ride-In Theater Has Unique Christmas Gifts
An unusual Christmas gift is offered by Movieland Ride-In Theater. It has fittingly been called "The Book of Happiness". It is not a novel, nor a biography but is of diminutive size and unimportant looking on the outside.

When opened, the book carries a beautiful holiday design that breathes the Christmas spirit. Within are pages of coupons of varying denominations which may be exchanged for theater tickets.

These Christmas Coupon Books, or "Books of Happiness" come in three convenient sizes and are very suitable for Christmas gifts for children and grown-ups alike, and make much appreciated gifts. They allow the recipient to spread the gift over many enjoyable weeks and bring the thoughtful donor to mind each time his coupons are exchanged at the theater for entertainment.

Fidella Class Has Christmas Party

The home of Mrs. J. M. Cameron on Celery Avenue was the scene for the annual Christmas party of the Fidella Class of the First Baptist Church last evening with her group serving as co-hostesses. A holiday atmosphere prevailed in the lovely decorations which consisted of greenery, holly berries, and burning red tapers in crystal holders. On the mantel the large mirror reflected an arrangement of the Nativity group highlighted on each side by miniature Christmas trees made of colored balls. Mrs. John Fox presided over a short business session and the devotional, based on the Christmas Story, was given by Mrs. M. D. Bumgarner. A revised version of the little was presented to Mrs. F. E. Gatchel, teacher of the class, and names were drawn for the gifts which were brought by members and placed under a gaily decorated tree centering the dining room table. A collection of \$68 was taken to be given to the Children's Home in Lakeland. The Christmas party was a success, all the

Mr. and Mrs. William Sattelfield and daughter left Sunday for Oceana, Va. where they will make their home. Mr. and Mrs. Max Kennedy of St. Petersburg are here to spend some time with their son-in-law and daughter, Mr. and Mrs. Richard Kora and daughter. Mr. and Mrs. A. J. Baxter and family had as their guests over the weekend their son-in-law and daughter, Mr. and Mrs. Felton Perry and daughter of Hollywood, Fla. A number of people from here attended the Church Services at the Chululua Baptist Church. Mr. and Mrs. Juston Marshall and daughter of Daytona Beach visited Mr. and Mrs. Edson Golt. Mr. and Mrs. J. J. Luffler and an infant of this arrived here to spend the winter. Mr. and Mrs. Ed Putnam arrived here from Fort Wayne, Ind. to spend the winter. Mr. and Mrs. Edson Golt and Mrs. George Lindsey gave as their guests their son, brother, Theodore Lindsey of Louisiana for Christmas. The Geneva School held their Annual Christmas plays and Christmas tree at the Geneva School auditorium Tuesday night. The first, second and third grades Christmas, the fourth, fifth and sixth grades gave the play of the Christmas Story, and the seventh and eighth grades gave the Christmas Miracle. After the plays Santa entertained and distributed gifts and candy to all the children.

Blues In The News
By BOB ANTHONY

With Christmas right around the corner many men aboard the station whose names are up north are leaving Sanford in time to be home for a while Christmas. Those men from the north who are staying here for Christmas might be wondering how to get into the spirit of Christmas without any snow. To those of you men who consider this a problem, may I suggest you attend the special Christmas program at the First Presbyterian Church in Sanford this Sunday. It will be a program of Christmas music entitled "Christmas Carols from Many Nations" and proving that carol music is universal, the choir will sing anthems representing Spain, Slovakia, England, France, Austria, Portugal and, of course, the United States. The program should definitely help to put you in the spirit of the festive season. It will begin at 7:25 with five minutes of chimes playing carols and the entire program will last one hour. Everyone is welcome to bring your wife or girl friend for an hour of enjoyable Christmas music. Two kiddies Christmas parties are scheduled to be given aboard the station on Tuesday and Wednesday of next week. Tuesday's party will be for the orphans from the Methodist Home in Enterprise. Every man aboard the station has contributed some of his own money so that this party might be given. The children will be given a turkey dinner in the Station Mess Hall after which they will be taken to the Station Auditorium where some movies before being presented with Christmas gifts by Santa himself. The party on Wednesday will be for the dependents of naval personnel and they will also be able to see Santa Claus since special arrangements have been made to bring him back to the station that day. He will present the good boys and girls with Christmas stockings filled with candy and favors. Also included in the program will be 10 minutes of cartoons. Another Dale Carnegie course in Public Speaking and Human Relations may be held here in Sanford. The best Dale Carnegie class to be held here in Sanford was considered quite successful according to reports from the men aboard the station who were enrolled in it. If you are interested in enrolling in the course you may obtain further information by contacting the Station Education Office.

Lake Monroe
By NADIE NODERHOLM

The Lake Monroe School presented their Christmas play, "Prophecy Fulfilled," Monday evening at 8:00 p.m. The story of the birth of Jesus was presented by the seventh and eighth grades. Mary was played by Sylvia Price and Joseph was played by Emory Hawkins. The third, fourth, fifth and sixth grades sang carols between scenes. "The Holly Christmas" a short play, was given by the first and second grades under the direction of their teacher, Mrs. Virginia Trawick. After the program Old Santa Claus appeared on the scene to give all the children present candy, compliments of the P.T.A. The Lake Monroe Home Demonstration Club met Friday, Dec. 12, at the home of Mrs. Wesley Giles. During the program they learned how to make Christmas decorations. After the program, gifts were exchanged and delicious refreshments were served by the hostesses, Mrs. Wesley Giles, Mrs. Irene Harris, and Mrs. W. R. Gilles. Mr. and Mrs. James Priester and children, Angela, Jimmy, Jackie, and Pamela, from North Carolina, left today after spending a few days with Mrs. Laura Priester, and other relatives at Lake Monroe Corner. Mrs. Loren Week spent the week-end with her daughters and Kismetine. Mrs. D. V. Warren has as her guests her son and daughter-in-law, Al and Mrs. Charles Warren of Wyoming. Mr. and Mrs. James Priester and children, Mrs. Laura Priester, and Mrs. H. H. Martin were the guests of Mr. and Mrs. W. W. Priester and family in Daytona Beach Thursday. HEART ATTACK FATAL. ERIE, Pa. (AP)—Seconds after a New York Central railroad mail-express train rolled to a stop in the Union Station, the engineer slumped to the cab floor with a fatal heart attack. The stricken man was Adolph Wolf, 44, unavailably of Buffalo, N. Y. His train was en route to Buffalo from Cleveland. The engineer was dead on arrival of a firemen's inhalator squad yesterday.

TYPHOON REPORTED

MANILA (AP)—A late season Pacific typhoon was reported today 170 miles northeast of the Palau winds. Islands, moving in the general direction of the Philippines. The Manila Weather Bureau said the storm was generating 80-mile winds.

Seminole Cagers Play Edgewater In Orlando Tonight

Eagles Are Favored By 17 Points; Fed JayVees To Play Season's Opener

By KENT CHETLAIN
Coach John Scott's green Seminole cagers will try again for their first basketball win tonight when they invade Orlando to play Edgewater of the so-called "Big Ten."

It will be the season's first game of the year for the Junior Varsity Cagers. Fede, who were cheated out of the opener with Winter Park here last Friday morning due to the Tri-Hill football banquet that night.

The varsity, after losing the opener to Winter Park by an ignominious 52-30 score, will be trying at least to improve on their first basketball score of only one marker against the Wildcats.

Scott's charges have not practiced much this week, he reports, since most of the boys have been indulged working on Christmas jobs.

In spite of last week's 31-10 score at the end of the half, John Scott bounced back to almost keep up point-for-point with Winter Park's highly touted scoring giants in the final two stanzas.

"Our boys were not clicking in that first half and I think one reason was because it was their first game together and they tightened up," Scott reasoned.

"Actually, when we get our offensive plays working in the last half, we seemed to perk up on defense too and you'll remember they only out-pointed us by a free shot in the second half."

"I don't look for any miracles at this stage of the game, and as I emphasized at the beginning of the year, we are not in a winning team to begin with. If the fellows can have patience with me during the season and can take my criticism, I think Sanford will be in good shape about state tournament time."

Scott paused and then added, "You know this East Florida Conference made a great mistake by eliminating the conference tournament. It is one thing the kids and coaches point to at the end of the season. A coach is handicapped if he has a young squad going into that important state tournament. The kids need every bit of tournament experience before being into the state championship meet, especially a young team that might get the lift."

As he spoke, the writer couldn't help thinking he was right for if anyone should be in a winning team in 1944, the Sanford coach led his Akron Ellet team through the gruelling Ohio State title tourney to the championship and succeeded the next two seasons bringing his charges into the finals.

"Now I'm not one for making excuses, but there are certain facts that every coach must face realistically. You can't expect to have a winning team without necessary games, practices and some tournament experience. You might have potentially the greatest team in the state and not get by the first game in the district tourney because the kids freeze up," he declared.

"I could cite you numerous examples. While we face double A competition tonight with Edgewater and again with Mainland in Daytona Beach next Tuesday night, I still maintain our boys will make a satisfactory showing. Besides, I believe in letting the boys play the tough ones. If we scheduled all easy ones this year, we wouldn't stand a ghost of a chance when the state tourney comes up next February."

The senior mentor then went on to explain that his starting lineup is still in the experimental stage. Jimmy Krider is slated to go at the center post with Gordon Clark and Ray Davis at the forwards and Junior Metts, the Ross Hannum at the guard slots.

"I have several players like Ryan Haffner and Hub's Blake who will see plenty of action before the evening's over," he stated.

Oviedo Quintet To Play Winter Park Wildcats Tonight

OVIEDO (Special)—Fresh from last Tuesday night's 66-31 triumph over Clermont, the Oviedo Lion cagers will invade Winter Park tonight to engage the high scoring Wildcats.

It will be game No. 3 for Coach Paul Mikler's charges, having lost to Edgewater in Orlando one week ago. Oviedo will be banking on its star forward Johnny Jones, who is averaging the cords at a lofty 23.5 average per game.

Jones, Seminole County's leading scorer, has scored a total of 47 points in the first two games. The lanky senior hit for 19 markers against Edgewater and then set a two year county scoring record last Tuesday by dropping in 28 points against Clermont.

Mikler release the remaining 14 game slate for Oviedo this month. The Lions will participate in the Central Florida Conference tournament during Feb. 18-21.

Stetson Gridders Name 6 Gators To All-Opponent Club

DELAND (Special)—Six gridders from the State of Florida were selected on Stetson University's "all-opponent" football team in a poll last week.

Ballots cast indicated that the Stetson team had a high regard for their intra-state foes. The Florida boys named were: Ware—Lincoln, from the University of Florida; Brown, defensive halfback from F.U.U. LaPrade, defensive left tackle from Florida; Shivers, linebacker from Miami; Chisholm, safety from Tampa and D'Agostino, guard from Florida.

Ham Vacanti, Parris Island Marine quartermaster, was a unanimous choice for the Stetson all-opponent team. Next highest in votes received was Charlie LaPrade, All-American tackle from the University of Florida.

Mississippi Southern, Sun Bowl occupants came New Years Day, placed four men on the combined offensive and defensive team. The Parris Island Marines, a pro-rated crew, placed six men.

The positions and teams are as follows:
Offense
LT—Schneker, Parris Island Marines
LT—Lohman, Miss. Southern
LG—Chickillo, University of Miami
C—Boyer, Florida State University
RG—Herrman, Miss. Southern
RT—Nell, Miss. Southern
RE—MacAfee, Parris Island Marines
QB—Vacanti, Parris Island Marines
Backs—McElroy, Miss. Southern
RB—Foy, Miss. Southern and Sutton, Furman.

Defenses
LE—Caldwell, Miss. Southern
LT—LaPrade, University of Florida
LG—D'Agostino, University of Florida
RT—Lashley, Parris Island Marines
RB—Hansen, Parris Island Marines
RE—Shoes, East Carolina State
LB—Brown, F.U.U.
RB—Isak, Parris Island Marines
S—Chleko, Tampa

OTTAWA, Ont.: Armand Ravole, 165, Montreal, outpointed Thomas McCray, 165, Cleveland, 10.

Oldtimes Picard And Revolta Are Back In Link Spotlight At Miami

By BEN FUNK
MIAMI BEACH, Fla. (U)—Two old-time golf stars—Henry Picard and John Revolta—51-year-old Miami Beach club pro, Willie Klein, were in the spotlight today as the \$13,000 International Four-Ball tournament entered the second round.

Klein, oldest golfer in the tournament, teamed up with New York's Al Hirsch in Thursday's opening round to score a sensational 3 and 2 victory over Sam Snead, the West Virginia Slamm and the big Australian, Jim Ferrier.

Picard and Revolta, who won the tournament three years in a row back in the '30s, racked up a 4 and 3 first-round victory over two Charlotte, N. C. tournament veterans, Johnny Palmer and Clayton Heafner.

The graying Kline, with no greater claim to golf fame than his victories in the Miami Open in 1926 and 1930, was much amazed the gallery by beating Snead and Ferrier on the greens on the back nine of the 6,637-yard Normandy Hills course.

Klein and Hirsch were paired in today's second round with Fred Haas, New Orleans, and Marv Furgal, Leominster, Mass. and Tourgel came through Thursday with a 3 and 2 decision over Bob Hamilton, Evansville, Ind., and Duch Harrison, Ardmore, Pa.

Picard and Revolta's most Ted Kroll, New Hartford, N. Y., and Low Worsham, Oakmont, Pa. The Kroll-Horford team downed Tony Penna, Cincinnati, and Paul Teal, Buffalo, N. Y., 1 up, 1, in the opening text.

The first-round results started the initial match of the day, with the defending champions, Walter Sagner, White Plains, N. Y., and Claude Harmon, Mamaroneck, N. Y., were bumped out by Herman Barron, White Plains, and Glenn Teal, Buffalo, N. Y., 1 up.

It was a tough day for all the stars. Julius Boros, 1932 golf money-winning champion from Mid Pine, N. C., and his teammate, Doug Ford, Hartsville, S. C., needed to go to the 19th hole to down Steve Williams, Pittsburgh, and Milton Marston, Herkimer, N. Y., 1 up.

Texas Is Praised For Getting Back Into Grid Top 10
AUSTIN, Tex. (U)—Praise heaped on the University of Texas for its climb back among the nation's top 10 football teams.

Now that they've got the left-handed pitcher they've been striving for with the acquisition of Chuck Stobbs from the Chicago White Sox, the Washington Senators will make a determined effort to snare catcher Myron (Joe) Ginsberg from the Detroit Tigers.

At the Phoenix meeting, manager Bucky Harris offered the Tigers a swap involving Ginsberg for Mickey Grasso, but was turned down.

Catchers seem to be at a premium this season. Manager Eddie Stanky of the St. Louis Cardinals is reported to be offering Ed Fitzgerald from Pittsburgh for 300,000. Years from the Giants to spell Ed Rice. New York, in turn, is eyeing Joe Garagiola of the Pirates and a big threat at the Philadelphia Athletics would like Sherman Lollar of the White Sox.

Chisox To Start Spring Practice For 'Farmhands'

NEW YORK (U)—The Chicago White Sox is the latest club to start a special spring training school for their farmhands and rookies.

The Yankees and Red Sox have had good success with this idea and we're not too far out to borrow it," said manager Paul Richards.

"After finishing fourth and third the last two years, the first division no longer can be our goal. We are now shooting for the pennant and nothing less. Since we just can't reach out and get a 20-game winner or a power hitter without giving away Comiskey Park, we will concentrate on polishing up the players we now possess."

Al Lopez, manager of the Cleveland Indians, predicted that his big Cure of Early Wynn, Bob Lemon and Mike Garcia will win at least 60 games next season. The trio won 47 and lost 34 last season.

Manager Marly Marley of the St. Louis Browns, whose club has made no fewer than 27 changes in personnel since the start of the 1932 season, is convinced it will finish in the first division in 1933.

"I'm usually on the conservative side," said Marley, "but this club of mine has me very excited. We're easily the most improved club in the league. We strengthened ourselves by 50 per cent in getting in personnel since the start of the season. We've added a 439 three-line total for the losers."

Meanwhile, the league was wearing off the No. 1 Hitmen as the mailmen were on time due to hitting to the machinists blitter 2-1 setback. Bob Steele was the big postman with a 435 series while youthful "King Carl" Von Herbulis produced a 439 three-line total for the losers.

There will be no City League bowling next Wednesday night due to Christmas.

Stanley-Rogers And Acemen Gain On No. 1 Stine's

Jack Kanner Leads Ace Attack With 499 3-Tilt Series

Victory hungry Ace Glass and Stanley-Rogers farmhands crept closer to the front running Stine Machine bowlers in the City League last Wednesday night at the Sanford Bowling Alleys.

Both the Acemen and Stanley-Rogers farmhands registers clean sweeps of three-line series while the first place stinemen were taking a 1-2 licking at the hands of the Post Office.

Burgling Pete Bukur with his magic fingers fashioned a 603 series to accompany Paul Perold's ever high 617 three-game set to pace the hardworkers to a 3-0 triumph over the hapless Florida Power and Light five. Lawton Ross hit for a 435 total for the losers.

Lanky Jack Kanner, who has been gradually improving with each passing week, finally got up and took command of the Ace Glassmen's determined first place bid by recording a 439 three-line total for the losers.

Meanwhile, the league was wearing off the No. 1 Hitmen as the mailmen were on time due to hitting to the machinists blitter 2-1 setback. Bob Steele was the big postman with a 435 series while youthful "King Carl" Von Herbulis produced a 439 three-line total for the losers.

There will be no City League bowling next Wednesday night due to Christmas.

Hatters Pick Jim Yonge As "Most Improved" Player

DELAND (Special)—End Jim Yonge has been named most improved player on the Stetson Hatter gridiron squad and Guard B. J. Leathers, the most valuable man for the past season, Head Football Coach Jay Patten announced today.

Trophies for the honors, which are decided by the football squad, are donated by Little Joe Kollinger, a Deland businessman.

Patten also announced the awarding of 35 football letters. Twelve of this number are first-year letter winners and seven of these are freshmen.

Further awards made included the selection of three senior linemen as honorary captains for the year, Tackle Al Baggio, Guard B. J. Leathers and Center Tom Gibson ranked in the poll for this title. Baggio is a native of Ridgefield, N. J., while Leathers hails from Belle Glade and Gibson from Coral Gables.

Leathers' team awards add to this year's list which includes Little All-America Honorable Mention and the Daytona Beach Quarterbacks' selection as third most valuable player in the State of Florida.

Yonge, a 235-pound junior has another year of football eligibility left at Stetson. He is also being counted on to carry a load in varsity basketball this winter.

Freshman letter winners named by Patten were: Harold Knower, B; Billy (Don) By Art Park, B; John Edgington, E; Phil George, G; Mark Hoffman, E; and Doug MacLennan, B. Other first-year letter award recipients are: Stan Marks, B; Nick Colantuono, B; Dave Albright, C; and Bill Proctor, T.

Repeat decals were awarded to the following Stetson gridlers: Jerry Hopkins, B; Will Han, B; Ron Delilla, B; Bob Marks, B; Sonny Parrish, B; Rod Lonsinger, B; Jerry Gallagher, B; B. J. Leathers, G; Al Daub, G; Charles Appel, G; Al Baggio, T; Ron Farkas, T; Jim Yonge, E; George Jochem, T; Herb Warner, B; Guido Tambur, E; Walt Golde, G; Dave Laude, E; De Reink, T; Tom Gibson, C; Henry Boyer, T; and Earl Looman, T.

"Average Fan" Is Picked Over Ryan In Indian Shift
CLEVELAND (U)—Myron H. Wilson, an "average fan" with a few shares of baseball stock but no management experience in professional sports, took over today as president of the Cleveland Indians.

Ellis Ryan quit the job under fire yesterday and Wilson's first act as new chief was to strengthen ball players or even trading them," he added. That's Hank's department."

Wilson, saying he would continue his insurance business, indicated a new hand for Greenberg by pointing out he would not make the presidency a full-time job.

"I don't know much about picking ball players or even trading them," he added. That's Hank's department."

Greenberg's differences with Ryan on operational policies had been a factor in the dispute leading to Ryan's departure, although the former home run slugger never took part in the front-office squabble.

Wilson, who is 65 years old, has never met Tribe field boss Al Lopez and describes himself as just a "little stockholder" begging for tickets to come and see a game.

A Child's Life of Jesus

A Child's Life of Jesus is one of the last books written by the late Fulton Oursler, noted author of such volumes as *The Greatest Story Ever Told*, *The Greatest Book Ever Written*, etc. This presentation of Mr. Oursler's book has been especially illustrated for newspaper publication by the well-known artist, Neil O'Keefe.

CHAPTER IX
When we do things that Jesus asks we feel just wonderful. We feel gay and glad just as He said we would.

He liked to tell stories to show what He meant, like the one about the Prodigal Son. (Prodigal means someone who wastes things.)

It is the story of two boys. Their father was rich, and someday he meant to give all his money to the sons. But one son did not want to wait. He was the prodigal. He asked for his part right away. And his father gave him the money.

With his pockets full, the prodigal son left his home and went far away. He wasted all he had. He spent it on foolish things. Soon his money was all gone. Then he was hungry and had nothing to eat. He was tired but he had no bed to sleep in. He went to work feeding the hogs for a farmer. He had to eat the same food as the pigs. He had to sleep on a hard bench in the pen with the pigs. He was cold and had no blanket. He cried and wished he had stayed at home.

At last the prodigal son said to himself: "I will ask my father's home. I will ask my father to take me as his hired servant."

So he started to walk the long way back. For days he walked the hard dusty road. And when he was still a long way off from home his father saw him coming. The father ran to meet the prodigal son and threw his arms about him and kissed him.

"I love you, my dear son," he said. "I am happy that you have come home to me."

The father took off the son's ragged clothes and put on him a

fine new robe. And he put a gold ring on his finger.

We can all see for ourselves why Jesus told this happy story. He wanted us to know that our Father in Heaven feels like that. No matter how foolish we have been He will always hug us to His breast. If we will be sorry, and make no more mistakes, if we can help it.

One morning, Jesus, who loved animals and trees and flowers so much, told a story about the white woolly lambs. There was one in the stable where He was born — remember? Now that Jesus was a grown-up man, He called Himself a Shepherd and the people were

His sheep. This time He told the story of a shepherd who had a hundred sheep. One lamb did not stay near its mother but wandered away by itself and it got lost. It was a dark, cold night.

So what did the shepherd do about it?

The good shepherd left the ninety-nine good sheep in their warm shed while he went out in the cold and the dark to search for the foolish lamb that had lost itself. When the shepherd found his lost sheep, he gave a shout of joy. He lifted it up and put it on his shoulder and carried it back to the fold.

Then he called together all his neighbors and friends and said: "Come and be glad with me, for I have found the sheep that was lost and it was not eaten up by wolves."

Our Father in Heaven is like that good shepherd, Jesus said. There is joy in heaven, when one foolish person stops making mistakes and comes back to God.

Columnist Writes Open Letter To G.I. Joe In Korea Area

By HAL BOYLE
NEW YORK (AP)—An open letter to G. I. Joe in Korea:

Dear Joe,

Well, kid, I thought I would fill you in on the news from your Uncle Sugar Able—the old U.S.A.

Everybody is excited about the big reunion and reconciliation of General Ike and General Mac. There has been nothing like it since Stanley met Dr. Livingston in darkest Africa.

General Mac is supposed to have beat General Ike out with a new plan to get you out of Korea. The Democrats, taking a tip from Harry Truman, are saying, "Well, what is it?" and the Republicans are saying, "Wait and see."

However, nobody has said anything yet about speeding up the rotation system, and if I were you, Joe, I'd go on keeping my feet dry and my rifle clean. No matter what plan the generals make, it's the doughboy who has to carry it.

Everybody here is off on the annual Christmas gift buying jag. It looks like a record year, and even the legs on Park Avenue are wearing mink jackets.

"I never saw such prosperity," a friend of mine told me. "Why, there were 40 people ahead of me at the finance company this morning, waiting for the doors to open so they could borrow money to buy Christmas presents."

The way things are, Joe, a fellow can hardly afford not to borrow money. It's the only way you can be sure you still got some credit.

And, of course, the Democrats say, "Well, you might as well borrow all you can. When the Republicans get in, there won't be any money or credit either."

The Democrats are still so mad at losing the election it's hard to figure whether they are afraid of a depression under the G. O. P. or are yearning for one. I guess it is hard on morale to get thrown out of a swivel chair after 20 years.

The government is busy investigating everybody in Washington who can afford to winter in Florida. The way it seems to work is that they all choose up sides, and say, "You investigate us this next week, and we'll investigate you next week."

Another theory is that the Democrats want to get each other all investigated now so that when the Republicans get in power the only ones left for them to investigate will be themselves.

It looks like the new Congress may go on television, and the GOP is they are holding out for more appropriate sponsor. I hear the only offer so far was made by the chlorophyll department.

But, all in all, Joe, it looks like the contry will survive. The only fellow I know who doesn't have a job is your Uncle Jim—the one that swears off work back in 1910 during what the Democrats now refer to as "the first Taft administration."

So, kid, keep close to your bunker over there. The thing we'd like best is to have you with the family around our tree this year. That's the Christmas present, the

Good luck,
Hal Boyle

NEW YORK (AP)—A drop in the cost of living—a restoration of the buying power of the dollar—would be a welcome Christmas present for everyone.

Or would it? Call it "making a dollar worth 100 cents again," and it sounds fine. Call it "deflation," and a lot of people get worried.

The dollar actually has 100 cents now, as it always did, but inflation has chiseled away much of its buying power.

When you talk of a "52-cent dollar," you mean that before the war 52 cents would buy as much in goods and services as one dollar will now.

The pre-war dollar bought more finished goods. It also bought more raw materials. And it bought more labor.

Many people, however, had fewer dollars then to spend on goods than they do today.

It is the others—those with only as many dollars a week to spend now as they had before the war—for whom the postwar rise in the cost of living is particularly rough.

Millions, for example, are trying to live on pensions or savings—earned when the dollar bought more, and being spent now when inflation has taken half of its buying power.

To deflate the economy, get back to prewar prices, and make the dollar as hefty in purchasing power as it once was, however, might mean that people would have to take in fewer dollars for the commodities they grow or mine, and get less for transporting them to their buyers.

Workers in factories and mills might have to take pay cuts. And those who supply factories with tools, materials and services would have to slash their prices—and incomes.

Stores would have to pay less for rent, light, fixtures and clerks than they do now.

Everyone would enjoy paying less for the things he has to buy. Few would relish getting less for the goods or labor he has for sale.

A Virginia farmer says of inflation: "I like having more money. I know it runs right through my fingers when I go to the store. But I like the feel of more of it in my hands."

None of this is intended as a defense of inflation—which does no one any good, just gives them the nice feeling of having more money, all of which runs right through their fingers.

But inflation can be a mixed blessing. Particularly if it gets out of hand.

Falling prices are great for the family budget—but only if earnings and incomes don't fall too. Many people may find that pretty hard to achieve.

The St. Louis Cardinals unveiled four winning rookie hurlers last season in Stu Miller, Wilmer Mizell, Ed Yuhas and Harvey Haddix.

nation wants most now to have you home again. You aren't forgotten.

Good luck,
Hal Boyle

Consider the Safety of GAS

In addition to its many other points of superiority, Gas has an excellent safety record.

The National Fire Protection Association assembled statistics on fires during a 5-year average period.

There were 55,700 fires, with a loss of \$32,000,000, caused by Electrical Fixed Services; fire due to misuse or faulty wiring or equipment—ranking 3rd on the list of all causes of fires.

In addition there were 18,108 fires, with a loss of \$7,500,000 caused by electrical power consuming appliances.

Only 4,300 fires were caused by Gas and Gas Appliances and the loss was only \$2,450,000—RANKING 22ND ON THE LIST OF ALL CAUSES OF FIRE!

A cordial welcome to all.

FIRST CHURCH OF CHRIST SCIENTIST
800 East Second Street
Sunday School 9:30 a.m.
Church Service 11:00 a.m.
Wednesday Service 8:00 p.m.
Reading Room Tuesdays and Fridays 10 to 5:00 p.m.
Theme of services in all Christian Science churches next Sunday is the absolute supremacy and universality of God. The question "IS THE UNIVERSE INCLUDING MAN, EVOLVED BY ATOMIC FORCE?" is the subject of the Lesson-Sermon.
A verse from Proverbs (3:19) was selected for the Golden Text: "The Lord by wisdom hath founded the earth; by understanding hath he established the heavens."
Passages which will be read from the King James Version of the Bible include the following: "God hath spoken once; twice have I heard that power becometh unto God" (Psalms 62:11).
Correlative selections from the Christian Science textbook, "Reliance and Health with Key to the Scriptures" by Mary Baker Eddy include: "There is no power apart from God. Omnipotence has all-power, and to acknowledge any other power is to dishonor God" (p. 224).

GEMS OF THOUGHT
CHRISTMAS
The earth has grown old with its burden of care,
But at Christmas it always is young.
—Phillips Brooks.
I have always thought of Christmas time as a good time; a kind, forgiving, charitable, pleasant time; the only time I know of, in the long calendar of the year, when men and women seem by one consent to open their shut-up hearts freely.
—Charles Dickens.
At this immortal hour, all human hate, pride, greed, lust should bow and declare Christ's power, and the reign of Truth and Life divine should make man's being pure and blest.
—Mary Baker Eddy.
Then pealed the bells more loud and deep
"God is not dead, nor doth He sleep!"
The Wrong shall fall,
The Right prevail,
With peace on earth, good-will to men!
—Longfellow.
Heap on more wood!—the wind is chilly!
But let it whistle as it will,
We'll keep our Christmas merry still.
—Sir Walter Scott.
And if you keep it for a day,
Why not always?
But you can never keep it alone.
—Henry van Dyke.

SEVENTH DAY ADVENTIST CHURCH
Seventh Street and Elm Avenue
K. E. Moring, Pastor
Church Service 11:00 a.m. Saturday.
Sabbath School 9:30 a.m. Mrs. H. Buckner, superintendent.

Visitors are welcome.

UPSALA COMMUNITY PRESBYTERIAN CHURCH
Rev. C. C. White, Minister
Regular services
Unified Services 10:00 a.m. Church school and talk by pastor.
Young People's Meeting 7:00 p.m.
Evening Service 7:30 p.m. Wednesday evenings 7:00 p.m. Prayer and Bible Study.
Mrs. Paul Larsen, Pianist.
Mr. Alfred Ericson, Supt. of Church School.
Mr. George Pesold, Leader — midweek service.

"O Come, All Ye Faithful"

Not many events in history have left their imprint upon the world for centuries. Man has a way of putting behind him the past—forgetting his triumphs, overcoming his defeats—as he faces new challenges in a changing world.
But at Christmas we remember an event of two thousand years ago. Not one of the momentous crises of military or political history! Just the birth of a child... in a stable... in a sleeping town... far away!
Why should such an event, so long ago, still set the world to singing?
It can only be because that event, unlike any other in the world's long history, affected everyone. What happened in Bethlehem twenty centuries ago has never stopped changing people's lives from that day until this! Because that first Christmas has given you deeper happiness and richer hope—come, with all the faithful, to worship the Lord.

THE CHURCH FOR ALL... ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a schoolhouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are few sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

French Liner Runs Aground Off Lebanon

Ship With 469 Persons Aboard Is Reported Listing With Vertical Crack In Hull

BEIRUT, Lebanon (AP) — The 12,500-ton French passenger liner *Marseille*, which was carrying 420 persons aboard, ran aground three miles south of Beirut during a storm this morning. She was reported listing about 30 degrees off shore with a vertical crack down the middle.

A spokesman for the liner's operators in France said the vessel carried 210 passengers and a crew of 250 when she left Marseille. The *Championillon* stopped at Alexandria, Egypt, and the spokesman said he did not know how many passengers debarked there, if any, or how many others boarded the vessel.

The harbor master at Haifa, 75 miles south of Beirut, radioed the master of the *Championillon* asking what assistance he needed.

Many of the passengers aboard were said to be Christmas pilgrims to the Holy Land.

By mid-afternoon, a line was rigged from ship to shore, but none of the personnel aboard had been taken off.

Huffed by high seas as the lay on the sandbar off Sidon, the *Championillon's* back broke about mid-morning and in addition to about a 20 degree list to port there was a list of about 10 degrees to either side of the split.

Two Lake Mary Children Involved In Auto Accident

Sharon Terry, 9, daughter of Mrs. William B. Evans Jr., Lake Mary, and Hubert Terry, 32, Tampa, Mrs. Evans' former husband, were killed Friday night in an automobile accident while enroute to Tampa for the Christmas holidays.

Another daughter, Sandra, 8, and Mr. Terry's brother, Thomas Edward Terry, 22, who was driving the car, were confined to the Tampa Memorial Hospital with multiple bruises and lacerations. The little girl's condition was improving at last report.

The children were picked up Friday night at the Evans residence in Lake Mary, where they have been living and going to school. The accident occurred at a bridge, eight miles before they reached Tampa. State Highway Patrolmen Ed Gull and Thomas Terry, who was driving and that he fell asleep at the wheel.

The father, Hubert Terry, and the daughter, Sharon, were taken to the Naval General Hospital at Tampa. Funeral services will be held at the Trinity Baptist Church at Sulphur Springs, Tampa suburb.

William Evans Jr., step-father of the children, is a nephew of Frank Evans of Lake Mary. The two girls were to participate in a play at the Lake Mary Community Church Sunday night.

"Hunting Safety" To Be Shown Tonight

A film entitled, "Hunting Safety," will be shown tonight in the first of two evening sessions of the Junior Chamber of Commerce's wildlife and hunting safety school at the Court House beginning at 7:30 p.m.

C. N. Clynore, educational officer of the State Game and Fresh Water Fish Commission, will show the film with a brief explanation and David Swindell, director of the Central Division of the commission, will review hunting laws and safety hints.

The Jaycee-sponsored hunting safety clinic, directed by Elton Moughtin, Jr., will conclude its two evening sessions tomorrow night when game warden A. W. Awoley and John B. Warren will give advice and further safety instructions.

Another sidelight of tomorrow evening's clinic will be Chief of Police Roy T. Williams' talk and display of his rare antique guns.

The hunting safety clinic is being sponsored by the Jaycees to properly instruct young hunters in an effort to avoid hunting accidents, Mr. Moughtin said.

County Hospital Board

Members of the Seminole County hospital board of trustees are shown at a recent meeting. Appointing in the picture (left to right) are Dr. J. E. Sea, Miami; Attorney Fred B. Wilson, Sanford; E. Tuelor, chairman, Sanford; John W. Evans, Ocala; and Victor M. Greene, Sanford. The board members were appointed by Governor Fuller Warren after County voters approved a bond issue for the construction of a County hospital.

Dr. Dendy Talks To Rotary Club About Christmas

Declaring that the gift that is most prized is the one that includes the most good will, Dr. Marshall Dendy, pastor of the First Presbyterian Church of Ocala, and recently elected executive secretary of the Board of Education of the Presbyterian General Assembly, spoke to the Rotary Club today on the spirit of Christmas.

Introduced by the Rev. A. G. Melnis, Dr. Dendy said "If we have the real Christmas spirit, we are not going to think so much about how we are loved, but how we love, not so much about how much is done for us, but what we can do for others."

Robert J. Boatman, president of the Sanford Atlantic National Automobile Club, presided at the luncheon on Dec. 21.

Liquor And Lottery Cases Will Be Tried

Two cases involving the illegal sale of liquor and one dealing with the possession and sale of Cuban tickets, resulting from arrests made over the weekend in a crackdown by Sanford police, will come before the City Court this afternoon.

Joseph Walker, 39, Negro, 1100 West Thirteenth Street, was arrested last night at his residence by Capt. Roy Tillis and Sgt. W. A. Horn on charges of selling moonshine and brandy in a fireproof trunk to furnish bond totaling \$219 on the two counts, he was kept in jail to await his appearance in court.

William Franklin Bahwin, 28, Negro, 809 East Tenth Street, was taken into custody Saturday night by Sgt. Horn and Patrolman Joe Hickson and A. E. Evans on a charge of selling illegal liquor. A bond of \$202 was furnished.

Allen Mitchell, 39, 909 Cypress Avenue, was arrested Saturday by Patrolmen C. C. Dodson and Hickson on charges of selling and having possession of a share in a lottery (Cuba or Italia). Bond totaling \$104 was furnished.

Chief Roy Williams said today he had detailed men to special work in locating offenders selling moonshine or dealing in Cuba.

Laura Lehman Cross Buried Here Today

Services were held at 2:30 p.m. today at Brison Funeral Home for Mrs. Laura Lehman Cross, 45, who died in the hospital at East Stroudsburg, Pa. last Friday at 2:30 a.m. following a brief illness.

Lorn in Crown Point, Ind. Apr. 29, 1907. Mrs. Cross was the widow of the late George H. Cross of Jacksonville. Mrs. Cross came to Sanford with her parents, Mr. and Mrs. H. J. Lehman, in 1920 and was graduated from Seminole High School. She later graduated from Blaney Business College in Jacksonville and lived there for 21 years. She was visiting in Stroudsburg at the time of her death. She was a member of the Presbyterian Church.

Serving as her mother, Mrs. H. J. Lehman of Winter Park; a brother, Norman Lehman of Winter Park; two sisters, Mrs. W. B. Burnley of Sanford and Mrs. Susan Russell of Crown Point, Ind.

The Rev. A. G. Melnis officiated at the services and burial was made in Evergreen Cemetery.

Feasibility Of Cross-State Portion Of Toll Pike Doubted By Engineers

TALLAHASSEE (AP) — Consulting engineers doubt the feasibility of including a cross-state link in the proposed Florida toll turnpike system, it was disclosed today.

But Road Department Chairman Alfred McKethan still endorses the entire proposal for a Jacksonville to Miami expressway with a cross-state link to the Tampa area.

McKethan reported to a meeting of the Improvement Commission here today that Coverdale & Colpitts, New York, consulting engineers cast "doubt on the feasibility of financing and building the complete turnpike as a single project financed solely by its revenues."

The engineering firm, hired by the state department at the request of the Improvement Commission, said the cross-state toll road would contribute only 10 per cent of the total revenues of the turnpike system.

The engineering firm said a north-south turnpike which could be financed by an \$80 million dollar bond issue "clearly passes the initial tests of economic feasibility."

McKethan said however the turnpike proposal is a "single project" and should not include the cross-state route.

"The entire turnpike project is a desirable and needed. Our prime objective in considering the turnpike proposal is the construction of the greatest extent of highway facilities in Florida — with sound financing practices. It is our objective to construct only the most remunerative part," McKethan said.

The second annual all-community songfest of Christmas Carols will be held Dec. 21 at 9:30 p.m. and as last year the station WTRH will broadcast the event for 30 minutes. It was held today by Floyd Palmer under whose sponsorship the undertaking is staged.

The singing will be led by an all male chorus that will be assembled at the radio station a half hour before the group goes on the air. The chairman said that no man need hesitate, because he doesn't have a trained voice, to join because the main requirement is that he wants to sing carols.

It was pointed out by Mr. Palmer that the idea of everyone within hearing distance of the radio station joining voices in the observance of the Christmas season gained widespread acceptance last year, and his popularity prompted him to get the mass movement under way again this season.

Several elements contributed to its success in 1951, Mr. Palmer continued. First, of course, was the idea that anyone of the men in the vicinity who wanted to join the chorus was invited to do so. The idea was to give anyone who had the joy of Christmas in his soul and who wanted to give vent to it by singing the songs that have meant so much to the observance of the Nativity, a chance to "burst forth into song." "It is amazing," said Mr. Palmer, "how many fellows with no formal voice training like to sing, and this is the time of year when the urge is at a peak apparently. That is the type man we want on this program."

The first element was taken care of last year for a huge crowd showed up at the radio station to join the merry throng. They didn't sound like a trained choir, it was said, but they

sung with such heart as the group possibly could.

The second element in the undertaking is the assistance of radio station WTRH and Mr. Palmer said he could not wish to overstate the station's contribution to the undertaking. He gets from manager Marion Herman and the staff of that organization. Again last year the facilities for broadcasting the non-musical and production will be donated for the occasion.

The very important third element, according to Mr. Palmer, is that every possible radio station in the area be invited to broadcast the program. He said that he had the big fourth factor and that is that everybody sing. Last year groups in homes, in stores, on the street and in large institutions joined in the festive chorus that was led by the group of men singing from station WTRH.

"That is the big idea, said the promoter of the carol songfest — everybody sing. "This is one thing where everyone in the area can join together in unity and harmony — well, harmony of spirit, even if the notes don't all blend so sweetly as they might under more professional standards," Mr. Palmer added.

He then stressed that every man who liked to sing be at the radio station before 9:30 on the night of Dec. 21. "I stress that all we need is fellows who want to sing, no matter how poor a singer he may think he is as compared to Mario Lanza, we want him if he wants to sing. Give the children and the wife at home as they listen. WTRH a chance to hear 'Daddy' on the radio. That is a treat for any kid who is expecting Santa Claus to drop in before marriage. And, I'll venture that Santa will feel more like it, too, after he has sung these good old Christmas carols," said Mr. Palmer.

Solution For Plane Mishap Being Sought

Worst Plane Crash In Military History Claims 86 Lives Of Holiday Bound GIs

MOSES LAKE, Wash. (AP) — Military experts continued efforts today to solve the riddle of why 86 men were killed here Saturday in history's worst airplane crash. And civilian officials in and out of government circles began a concerted effort for investigations and action to reduce the number of military plane accidents.

Sunday's crash, which killed all but 30 of the men aboard the U. S. military's biggest airplane, was the 10th in a recent series which has snuffed out more than 60 lives.

Calls began immediately for funding of military aircraft safety precautions and plane checks.

Richard B. Russell, a Democrat called for an exhaustive investigation. He said it was possible a subcommittee of his Senate Armed Services Committee would take action on the Moses Lake disaster.

M. Larson Air Force brigadier general said the flight instructor's job of identifying the cause of the crash was made more difficult because many of the pilots were untrained and inexperienced.

A study of dental records was being made by identification experts.

Meanwhile four Air Force generals, headed by Chief of Staff Curtis E. LeMay, and other military and civilian officials, are trying to determine the cause of the crash.

An Air Force captain with years of experience flying heavy equipment said he thought the plane couldn't develop enough power to rise from the runway.

He was Capt. George Thomas of the 48th Army Air Corps, Charleston, S. C. His observations were made first hand. He was one of the passengers who lived through the crash.

"I had a peculiar feeling," he said from his hospital bed at Fort Seward, "that we were leaving too long in the ground. I became convinced that when I felt the plane bounce at the end of the runway and it seemed the plane had not developed enough power to complete the takeoff."

The pilot Capt. Thomas said he apparently agreed as he tried to bank it into the air because it was too late to reverse the propellers and stop it.

The plane rose sharply, the captain related. Then started to settle. "Then the old trainer ship to the left and right suggested to me that we were attempting to come back to the runway. I looked out the window at that point and estimated we were about 75 feet in the air."

The pilot later described the list of dead as Lt. William O. Connel of Portland, Me. probably changed his mind and attempted to resume normal course. Deans said after that the first thing Deans could recall was making his painful way from the wreckage and collapsing.

He was seriously but not critically injured.

The 116 men in the giant twin-decked plane was not unusual. Air Force officials said they had lost 100 in which 100 men with two-pound packs have flown in C-124s.

Enjoying Children Shopping Tour

Accompanied by three Jaycees, Mrs. Harold Ring, Mrs. James Holler, the Rev. Andrew Hamilton and Mrs. Danell H. Johnson of the Lutheran Haven Children's school embarked on the annual Junior Chamber of Commerce-sponsored Christmas Shopping Tour in Sanford last Saturday morning.

Mr. and Mrs. Danell and Mrs. Holler brought the youngsters to the Jaycee information booth Saturday morning at 8:30 a.m. where they were met by Carl Paine, chairman of the Jaycee shopping tour, Forrest Breckenridge, Tim Crawford and Mrs. Ring, executive secretary of the Jaycees.

Mr. Paine distributed the 500 collected by the Jaycees among the 11 youngsters and helped them shop for presents the rest of the morning.

The Junior Chamber raised the 193 for the shopping tour by selling balloons during the recent Christmas parade in Sanford and the concession proceeds from the sale of candied apples.

Harry T. Boner, Sr. Dies In Colorado

Harry T. Boner, Sr., 60, died suddenly of a heart attack Saturday afternoon in Denver, Colo. Mr. Boner was the father of Harry T. Boner, Jr., assistant manager of the Sanford Herald.

Mr. Boner, Jr., who has been in Sanford for the past month, flew with his wife to Colorado yesterday from Orlando for the funeral.

Congressional Group Recommends Action After Fixing Blame

Action Follows Grand Jury Deliberations

WASHINGTON (AP) — A congressional committee today recommended that the United States should take action against the Katyn Forest massacre in Poland during World War II.

In a report to the House of Representatives, the committee said that the Katyn Forest massacre was a "crime against humanity" and that the United States should take action against the Soviet Union for its role in the massacre.

The committee also recommended that the United States should take action against the Soviet Union for its role in the Katyn Forest massacre.
