## GOP Office Holder Increase Predicted

DR. WILLIAM H. KADEL

TALLAHASSEE, Fla. — Florida's Republican Party is feeling its oats to such an extent that its state chairman predicts that practically every county south of Gainesville will have a few office holders four years from now.

State Republican Chairman G. Harold Alexander of Fort Myers reported the GOP has 200 candidates for state and county offices on the November ballot in contrast with 80 office seekers four years ago.

"Four years from now, practically every county south of Alachua will elect a few Republicans," he forecast.

The Republicans have 210,797 registered voters this year in comparison with 166,794 in 1952. The Democrats outnumber the GOP by better than eight to one but in 1952 the ratio was nearly 11 to one.

"I have immediate optimism. I believe that after President Eisenhower is elected this year that the Republican registration by 1960 will reach half a million," Alexander said.

He predicted Florida is four years away from a real two-party system.

Secretary of State Gray, who is in charge of the state's election machinery, said his office keeps no records of local candidates but it's his informal observation that Republican activity appears to be on the increase.

Sample ballots are issued by the commissioners of the 67 counties and no copies are sent to Tallahassee.

However, a spot check of representative counties by The Associated Press before the primary elections in May showed nearly a 100 per cent increase in Republican candidates for such offices as county commissioner, school board member, sheriff and the like this year over 1952.

Alexander said there has been an increase in precinct committee members too. He reported the GOP has workers in some 1,100 of the state's precincts in comparison with 427 organized precincts the last time a check was made in 1950.

He credited "hard work by the republican organizations" for the increase in registration.

## Church Attendance Answers Spiritual Nourishment Need

BY RANDALL CHASE

The development of nuclear energy has radically changed the thinking of man. The knowledge of the terrible force of atomic and hydrogen bombs has caused the mind of nations to arbitrate differences, rather than resort to force. A quarter of a century ago the Suez crisis almost surely would have resulted in war. The unleashing of this terrific power has stimulated serious thinking; even some atheists have been brought to acknowledge God and become an active part in the Church.

Never before have great nations evidenced such a recognition of Almighty God. Churches are reopening in countries where they had been banned. The Church which was underground is coming forth—and Church attendance is surpassing previous records.

Crises, emergencies and catastrophic happenings cause man to turn to God. Personal observations of two world wars fall to show.

## Panel Discusses Program Action Recommendations

The legislative committee of the Seminole County Teacher's Educational Association discussed the 10 recommendations of the Program Action Committee at its meeting last night held at Pinecrest School.

The panel discussing the various phases of the recommendations were H. T. Miller, Miss Edna Chittenden, Miss Barbara Ruprecht, Mrs. Mildred Town, Mrs. Hamilton Brown, W. J. Wells, and Stewart Gatchel.

Miss Chittenden pointed out in her discussion that there are 4200 teachers in Florida not fully certified and 800 teachers hold sub-standard certificates. 1,400 teachers are needed to reduce overcrowded conditions.

"Expenditures have been greatly increased," she said, "but these have been absorbed by increased enrollment." Florida spends \$213 per pupil, but the national average is \$221 and the highest state expenditure per pupil is \$255.

"It is recommended that the minimum starting salary for teachers be set at \$5,000 with hopes to receive a \$4,000 minimum starting salary," Miss Chittenden said.

Miss Barbara Ruprecht stated that \$3,000,000 was appropriated in 1955 for textbooks but more money is needed.

"It is recommended," she said, "that the teacher's load be reduced to 10 percent, that maximum enrollment of 30 pupils per teacher be adopted, that \$400 per instructional unit be appropriated for building classrooms, and that"

## Pearson's Column Hit By Official

WASHINGTON (AP)—Press secretary James C. Hagerty today described as "the most amazing distortion of falsehood that I have ever seen" a report by columnist Drew Pearson that President Eisenhower suffered a "mild relapse" on his Western campaign trip.

Hagerty said it is "absolutely and categorically" untrue that Eisenhower suffered a relapse at any time on the trip. Hagerty told reporters there has been no relapse on that or any other occasion.

Opening the discussion on his own, without waiting for questions at his news conference, Hagerty said he obtained a copy of the Pearson column from newspapers which queried him about it. The column was distributed for publication tomorrow.

Hagerty said that on one page alone there were 10 misstatements of fact, three in one sentence. Hagerty went over what he called the misstatements one by one. At the end, he remarked:

"I am trying not to get mad on this one, but I should be mad vigorously from side to side.

"Then he went on, "Well, I think this is about the worst job of reporting I have ever seen."

Hagerty said he wanted to recommend that newspapers which print the Pearson column also print his remarks about it. He said he had called Pearson's secretary and told her of his plans to make a public statement on the column and was informed that the columnist was on the way to the White House.

## Blackburn Receives Citation From ColC For Piloting Skill

The commanding officer of Heavy Attack Wing three at the Sanford Naval Air Station presented a citation from the Seminole County Chamber of Commerce at its Coffee Club meeting yesterday morning.

Captain J. T. Blackburn was presented a framed and gold-embossed citation in recognition of his flight on Sept. 3 when he was captured off a carrier off the West coast. He overcame odds, bled his body to establish his speed, and continued non-stop flight to Jacksonville, NAS.

Clifford McKibbin, president of the Seminole County Chamber of Commerce, presented the citation and said, "This citation is presented in recognition of your skill in piloting an A-1 and in breaking the existing speed records."

Captain Blackburn thanked the chamber of commerce for the citation but added, "on behalf of the members of VAWB who have returned to Sanford I want to thank you for the banner placed across First St. to welcome the squadron back home."

"Harvest Time" will be the theme of the half time show which is to be presented to the Seminole High School Band and Pop Club members at the Seminole County Park Field House in Winter Park.

After the group enters the field with their usual fanfare entrance the band and pop club will form a square dance on the Mainstage. The group will perform as the Mainstage group presents a flag salute in honor of the time of "Show on the Mainstage."

## Schools For Strong U.S. Education Week Topic

The Seminole County Education Association is preparing to take its usual active role in planning and carrying out an effective community-wide observance of the 30th Annual American Education Week, Nov. 11-13, according to Mrs. Jack Burney, chairman of the association's Public Relations Committee.

The general theme for 1956 is "Schools for a Strong America" with topics assigned to each day of the week's observance to carry out the message of the theme.

The daily topics are, and Mrs. Burney said: "Our Spiritual and National Heritage," Sunday, Nov. 12; "The American Education System," Monday, Nov. 13; "The American Education System," Tuesday, Nov. 14; "The American Education System," Wednesday, Nov. 15; "The American Education System," Thursday, Nov. 16; "The American Education System," Friday, Nov. 17; "The American Education System," Saturday, Nov. 18.

The Public Relations Committee, Mrs. Jack Burney, Chairman, with Mrs. Robert Burnley and Miss Zillah Welch developed plans for the observance at a recent meeting.

Various speakers were secured from various business firms and an program assigned to the schools of the city for the display of school work and activities. The merchant association, American Education Week, and it is the hope of the local educational association group that local people will become "school conscious" as they window shop.

Parents and other interested citizens have been urged by the local Seminole County Education Association to not only "window shop" but to visit the classrooms, attend the social programs and acquaint the schools with the needs and accomplishments of the county schools.

With the splendid cooperation of our local citizens," said Mrs. Burney, "it is the desire of the Seminole County Education Association that during American Education Week, every Seminole County child will become school conscious."

## DeBary GOP Club Holds Last Rally; Voting Is Urged

DE BARY — De Bary's last GOP Rally was held this week at the Civic Center. It got off to a good start by group singing of the like song, with William Watson's choral group and Charles Casse's baritone to encourage the audience. George Percy, vice president of the local club, introduced the following candidates: Harold Besemer, for county judge; Mrs. Mable Schmidt, for tax collector; Kenneth Zeh, for state representative; William F. Mason, for judge of small claims court; Lee H. Stone, for commissioner of inland navigation; and Harry Selzer, local candidate for justice of the peace.

Percy explained that owing to the scarcity of voting machines, there could be unavoidable delays. "But don't let that discourage you and do bring your registration certificates," he urged. "If everyone in DeBary votes," he added, "they will have to vote once for every 45 seconds in the 12 hour period." Introducing Harry Selzer, independent write-in candidate for peace justice, Percy described how to make the write-in problem. "When you enter the booth, pull up the flap where you wish to enter your candidate's name. After you have taken care of that, go back to your regular candidate (GOP preferred) and vote down the line for them. This way you won't forget."

"The reason that late registrants have not received invitations and other correspondence," explained Ralph Wilkerson, president of the club, "is that their names are not yet available from the county files."

With the exception of William A. Washburne Jr., candidate for Governor, all GOP candidates of Volusia County have been at De Bary GOP rallies.

At its regular September meeting, the official board of the First Methodist Church of Sanford, voted to oppose the spread of legalized gambling in Seminole County.

Through the passage of this anti-gambling motion by the official board, the members pledged themselves to work for the defeat of the referendum to be voted upon in the coming November election relative to licensing pari-mutuel betting at Seminole Park Raceway.

On this coming Sunday, in cooperation with the united effort approved by the Seminole County "Moral Association" the Reverend Milton H. West will preach an anti-gambling sermon at the First Methodist Church on the subject, "The Salt of the Earth." This service will be broadcast over radio station WTRR.

## Hawkins To Start For Stetson Eleven Against Wofford

Jim Hawkins last year's star for the Sanford Seminoles left the school position for the Stetson Panthers tomorrow night when they meet highly favored Wofford in a municipal stadium.

Hawkins, only a freshman at Stetson, has been outstanding all week in scrimmage. Herb McQuillar, head coach for the Hurricanes, said "All week we've been looking for 11 men who want to play ball. Jim deserves the chance to play. He's been outstanding."

Other changes in the lineup include Dave French, Louisville, Ky., and Mill Crawford, Jacksonville. Game time is 8 o'clock to 10:00 p.m. in De Land.

WOMEN'S GOLF ASSOCIATION officers pictured above, left to right: seated, Mrs. Charles Meeks, secretary; Mrs. Earl Higginbotham, vice president; Mrs. H. W. ## LET'S GO TO CHURCH TOGETHER

The good thing about this is that Dan and Betty and those other youngsters too are here, in Church, because they want to be!

No one made them come. No one told them that they had to. No one threatened punishment if they didn't.

Though outside it is a bright sunny day and the woods and fields and streams beckon, they are here, in God's house, at prayer.

They'd like the country and the world to know that despite all this alarming "juvenile delinquency" there are good teen-agers too.

There are teen-agers who have been instructed in the Christian way of life, and who have discovered what the Church can mean to them.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

# 'Satellite In Sky' Opens At Drive-In

World War II interrupts this brief moment of romance for Robert Wagner and Terry Moore in Twentieth Century-Fox's CinemaScope color by De Luxe drama, "Between Heaven and Hell," opening Sunday at the Ritz Theatre. The unusual story about a group of soldiers who became the "Hell-Fighters of the Pacific" also stars Broderick Crawford and Buddy Ebsen.

Warner Bros. reportedly rips the veil off the story that electrified the world, the launching of the first man-made earth satellite, in the CinemaScope, WarnerColor "Satellite In The Sky," which starts tonight at the Prairie Lake Drive-In Theatre.

The film stars Kieron Moore, Lois Maxwell, Donald Wolfelt, Bryan Forbes, Jimmy Hanley and Thea Gregory.

"Satellite In The Sky," took three years to film and required the assistance of many scientific and military organizations to complete. Much actual modern equipment used to launch satellites is seen for the first time in the film, prepared by Edward J. and Harry Lee Dandinger and directed by Paul Dickson. It reportedly is one of the most timely films ever released, running neck and neck with daily headlines to inform the public about man's attempts to penetrate the stratosphere.

Authenticity was the watchword of the whole production.

# War Picture Stars T. More R. Wagner

The alchemy of war and its strange effect on men thrown into the confusion of battle is dramatically illustrated in "Between Heaven and Hell," the new Twentieth Century-Fox CinemaScope-DeLuxe color picture, which opens to the Ritz Theatre Sunday. Although the story shows how a group of Southern boys, land owners and shareholders alike, became the "Hell-Fighters of the Pacific" it more than a war film; rather it is an engrossing drama of personal conflicts and emotional disturbances.

As a Southern landowner, who has no use for his shareholders nor any people below him in class, Robert Wagner gives perhaps the most sensitive and powerful performance of his career. Much of the intriguing and highly interesting story is seen through his eyes. When he's called to active service at the outbreak of World War II his wife, Jenny, played with charm and conviction by lovely Terry Moore, fears that an unwise idyllic relationship is on the verge of breaking up due to his feudal attitude toward other people.

Because he struck an officer under combat circumstances, Wagner is assigned to an outfit the Army has sent to a remote outpost. Here he begins to change his ways. One of the driving forces behind this change, although he himself is not aware of it, is the cowardly Army Captain, expertly portrayed by Broderick Crawford. The brawny actor has one of those meaty roles which his talents seem

Spacemen prepare equipment for take off in this scene from "THE SKY" in CinemaScope and Color Warner Bros.

Showing tonight and tomorrow at the Prairie Lake Drive-In Theatre.

Even the control of the 80-foot rocket-propelled ship, bound for outer space, was mounted on rollers which simulated the motion of the craft rocketing through the stratosphere.

A highlight of the space-science thriller is said to be scenes of one of the most advanced types of jet planes as it

# 'Proud Ones' Is Exciting Western

"The Proud Ones," a Twentieth Century-Fox CinemaScope western which relates with gusto the first knocking under of gun rule to the command of a town marshal, opens Sunday at the Movieland Ride-In Theatre with a top cast of stars, where she runs a boom town, and Robert Ryan, Virginia Mayo and Jeffrey Hunter are co-starred with Robert Middleton, Walter Brennan heads the featured cast.

Ryan is an effective, courageous sheriff who, besides keeping a gun on the lawless, can take a vengeful cowhand and mold him into an honest and fearless deputy deputy.

The town marshal declares his intention of taking over the local boardinghouse lock, stock and barrel including its beautiful owner in this scene from "The Proud Ones." Opening Sunday at the Movieland Ride-In Theatre.

# Sanford Is Proud Of Mayfair Inn Frank Mebane Jr., No. 1 Citizen

There's one thing that the New York Giants organization and the City of Sanford have in common—the Mayfair Inn and its manager, Frank Mebane, Jr.

The casual passerby might be too prone to think that the Mayfair Inn is just a huge building that is vacant a part of the year and busy just a few months.

A glance inside the New York Giants plush winter hotel, however, will reveal an almost opposite scene.

Year round, the Mayfair Inn is a busy place—and more so when its manager, Frank Mebane, Jr. is in his office directing the activities of his organization.

For instance—it's not such an easy task to get out 10,000 letters on a subject that's pretty big in Mebane's heart—Sanford and Seminole County. But 10,000 letters are just a starter. There's another 15,000 letters going to another mailing list—still another 15,000 being sent out to another—and so on.

What the casual observer doesn't realize, too, is the fact that the brochures, letters, descriptive material and pamphlets all contain "Sanford", its description, what we have here, and the advantages of coming here. Again, each envelope is postmarked Sanford.

These messages—all developed by Frank Mebane, Jr. on his favorite subject—are mailed to the four corners of the country.

Mebane believes in Sanford, thinks Sanford, talks Sanford and has its welfare topmost on his list of daily achievements.

One must have an opportunity to listen to the genial Mayfair Inn Manager and Director to know that he is a "Number One" citizen.

Just now his interests are surrounding the Mayfair Inn, the New Air Conditioned Annex, the New York Giants Farm System Dormitory, the Mayfair Inn Country Club, and the Annual Mayfair Inn \$15,000 PGA Open.

Those are big items on anybody's list of interests—for each one is an attraction that will bring more and more visitors (and future citizens of our city) to Sanford. And the bigger the crowds that come to Sanford, for a visit at the Mayfair Inn, for baseball training in the famous Farm System, for a round of golf at the Mayfair Inn Coun-

try Club, or to watch the famous pros in their annual competition, please Frank Mebane, Jr. the most.

Right now, another of Frank Mebane's interests is centered in bringing conventions to Sanford. "We have the location, the weather, the facilities and the kind of place convention-minded people like to visit," he says. And he's working toward convincing organizations that they're missing a bet by not scheduling Sanford for their next get-together. You see, Frank Mebane, Jr. is chairman of the Seminole County Chamber of Commerce Tourist and Convention Committee. And thousands of those letters we mentioned are being mailed out to the same number of organizations around the United States convincing business and professional people that Sanford "is the Number One place to hold a convention."

Frank Mebane, Jr. in his position as Manager of the Mayfair Inn and as one of Sanford's biggest boosters, never meets an enemy. His pleasant, affable and friendly approach to everyone who might meet him during the course of a business transaction, as a visitor to Sanford, or in carrying out his "Number One" citizen activities is a convincing moment that "here's a gentleman I can surely like."

We're convinced that Frank Mebane, Jr. is doing a 100 percent all out, Chamber of Commerce job for the city because that is the subject of the greater number of his conversations, letters, and publicity material. Mebane has been winding up his "spring" of events that will start activities around the first of December and then keep them going throughout the season that is traditionally the biggest part of the year in Florida.

We're mighty happy that Frank Mebane, Jr. is in Sanford with the New York Giants Mayfair Inn and Country Club for — know that wherever he goes, the subj. is the same "Sanford is the best city of them all."

## Needless Tragedy

Polio has brought needless tragedy to thousands of Americans this year—no need because we now possess the means of preventing better than four out of five cases of paralysis from this cause—and more will be stricken next year, just how extensive the human damage will be in 1956 depends on how many of us act now to protect ourselves and our families.

The time element is vital because it takes eight months to space out properly the vaccine shots required for maximum protection. Only by starting at once will you have time to complete the three-shot series before warm weather brings another upsurge of the disease next year.

Each of the three shots is important. The whole effect is to enable the human system to produce the antibodies that destroy the polio virus before it can reach the nerve centers. The third is the clincher. It provides long-lasting protection at the highest level attainable—a level comparable to the immunity conferred by a natural attack of the disease itself.

Medical authorities recommend that the second shot be administered four to six weeks after the first, and the third, seven months after the second. If you have already begun the series you should get the remaining shots according to schedule. If you haven't started yet, there is no better time than the present.

One God and Father of all who is above all—Eph. 4:6.

## Farm Real Estate Values Take Jump

WASHINGTON (AP)—Farm real estate values in Georgia, Florida, and Alabama took a big jump in the year ended July 1.

An Agriculture Department report shows Florida's boom in the value of farm lands topped the nation with a 15 per cent increase in the 12 month period. Georgia and Alabama also were well up among the top with an 8 per cent hike each.

The department said Florida values were influenced considerably by purchases of land for industrial sites, housing developments and pulpwood production and because of improvement in citrus groves and pastures.

Farms in Florida stretch from a few acres for truck crops to spreads of 5,000 or more acres for cattle ranches. The department reported the average estimated value of a farm in Florida on July 1 was \$37,968 compared to \$34,131 a year before. In 1954, the value was \$18,617 and in 1954, \$13,627.

In Georgia, value of an average farm increased from \$2,815 in 1933 to \$8,300 this year. In Alabama, the value was \$6,088 in 1955 and \$7,206 in 1956.

The average value of Georgia farms in 1956 was set at \$3,823 and in 1954, \$2,710. In Alabama, the average value was \$4,800 in 1956 and \$4,816 in 1954.

During the year ended last July value of farm lands was up in all states except six, most of which were in the northern plains and mountainous regions. The changes ranged from a 3 per cent decline in Colorado to the 15 per cent hike in Florida.

In Georgia and Alabama, the department said the increases were due in part to expansion of the

## NO MORE BINGO PLAYING IN TAMPA

TAMPA (AP)—There'll be no more bingo playing in Tampa. That's an order from Mayor Nick Nucio.

The mayor, who promised to enforce strictly the city's anti-gambling laws, said yesterday it makes no difference where bingo is played—churches, clubs or public places—it will be against the law from now on.

In Florida this year was set at \$2,106,000, Georgia \$1,529,000 and Alabama, \$1,309,000. In 1955, the value of farm lands and buildings in Florida was \$1,964,000, Georgia, \$1,459,000 and Alabama \$1,127,000.

## Business Breakfasts Latest Thing

By HAL BOYLE

NEW YORK (AP)—Everyone has heard of the three-hour business luncheon, but some tycoons now are going in for two-hour business breakfasts.

One of them is William Zeckendorf, head of a real estate firm which hires to architects and now has on its drafting boards building projects valued at a billion dollars.

To keep tab on his sprawling enterprises in the United States and Canada, Zeckendorf summons his executives once a week to a breakfast conference in the firm's Madison Avenue penthouse office. I attended one of these unusual sessions recently, and here's how it went.

Zeckendorf, a tank-sized man, and a dozen or so of his top aides briskly walked through platters of ham and eggs and steaming cups of coffee. The aids had pads of yellow paper and sharpened pencils before them. Zeckendorf had a silver bell and an ivory telephone.

After a little desultory talk on politics—Zeckendorf wasn't sure Eisenhower was "the right presi-

dent for me" unless he pitched into the campaign a little harder—the conference got down to business.

Then, 37 minutes late, in came Billy Rose, Broadway showman and entertainment consultant to the firm, looking a bit like an owl roused at noon.

There were a dozen matters on the agenda, but only one came up. That was the question of building an ice rink at Roosevelt Field, a 50 million dollar new shopping center on Long Island.

The fur began to fly at once. Herb Silverman, young president of the center (Zeckendorf is board chairman) was lukewarm toward the whole idea of an ice rink in a shopping center. At best he wanted a simple outdoor rink that would cost only \$250,000.

Rose wanted to enclose the rink, put in concession booths, a res-

taurant, and finally a bowling alley.

"A lame brain idea," said Silverman who thought the area could be put to better uses.

"I never have been so put upon, frustrated and humiliated in my whole life," bellowed Rose.

"There are no personalities in this," grumbled Zeckendorf. "Nobody is to get his feeling hurt."

After it turned out Rose's plan for an amusement area would cost more than a million dollars Zeckendorf said:

"I don't want to pour hot oil on to do less than the ultimate is to do nothing—to ruin your reputation."

The quarrel between Rose and Silverman went on for more than an hour, each arguing vehemently as Zeckendorf appeared to hang first one, then the other.

"Nothing happens by itself except failure," he said at one point, and at another: "Our whole philosophy has changed. It's getting down to re-examination of land. That's the whole art of real estate—take a bit of padding and raise it to its highest possible earning level."

The waiter passed around a box of 6-cent cigars. I took one. I then Zeckendorf had decided Rose and Silverman should go ahead with Rose's plan. He also endorsed the suggestion to add a double-deck parking lot.

The fumes from the expensive cigars and the big money talk began to go to my head. I was about to suggest that they build a stadium for the Brooklyn Dodgers next to the ice rink, but the conference broke up. I felt certain both Rose and Silverman were heading for a bottle of sodium bicarbonate tablets.

"You see we get something done at these breakfasts, don't you?" said Zeckendorf genially. "And we aren't bothered by the telephone."

As I left I remarked to an executive that I had never before seen a million dollars spent over a breakfast.

"Oh," he said, "you only saw the first round. This will come up at least half a dozen more times before we really decide what we'll do."

The one sure thing about the breakfast business conference seems to be this: It gives tycoons a chance to get their ulcers activated earlier in the day.

## Hungarian Uprising Not Lost Cause

By JAMES MARLOW

Associated Press Staff Analyst  
 WASHINGTON (AP)—The Hungarian Communist government's absolute control of world communism has been shaken since the outbreak of the Hungarian uprising in 1956.

When Marshal Tito broke away in 1948, and then, and the Red Chinese took over China one year later.

Nikita Khrushchev, Red party boss in Russia, and the other hells of Stalin are the only ones left as the men who let Russia's iron

But when Khrushchev last February, in his speech denouncing Stalin, conceded there are various roads to socialism he was only recognizing a reality and trying to make the best of a deplorable

This was the reality: The 200 million Russian couldn't hope to make a satellite of the 500 million Chinese whose leadership had lasted almost 20 years. Tito's successful defiance of Russia was an incentive to others too.

After the example set by Tito and the 100 million Chinese, it is only a matter of time or later some of Rus-

sia's European satellites, all strongly nationalistic, should try to assert some independence.

As it turned out, the Poles and Hungarians have just made the first step.

The irony for the new Kremlin is that—by encouraging national

ism in the non-Communist Middle East to wreck Western influence—there they fanned nationalism in their own satellites.

The events in Poland and Hungary were not identical. And for the time being their importance

in the sense of Russia losing her hold on the satellites—should not be overestimated.

In Poland the Polish Communist leadership decided—for reasons of its own—to proclaim its independence of Russia. One reason may have been to pacify the people's hatred of Russia and their discontent under communism.

But only recently the new Red Polish boss, Vladyslaw Gomulka, informed his countrymen Russian troops would remain in Poland as long as the West has military bases in West Germany.

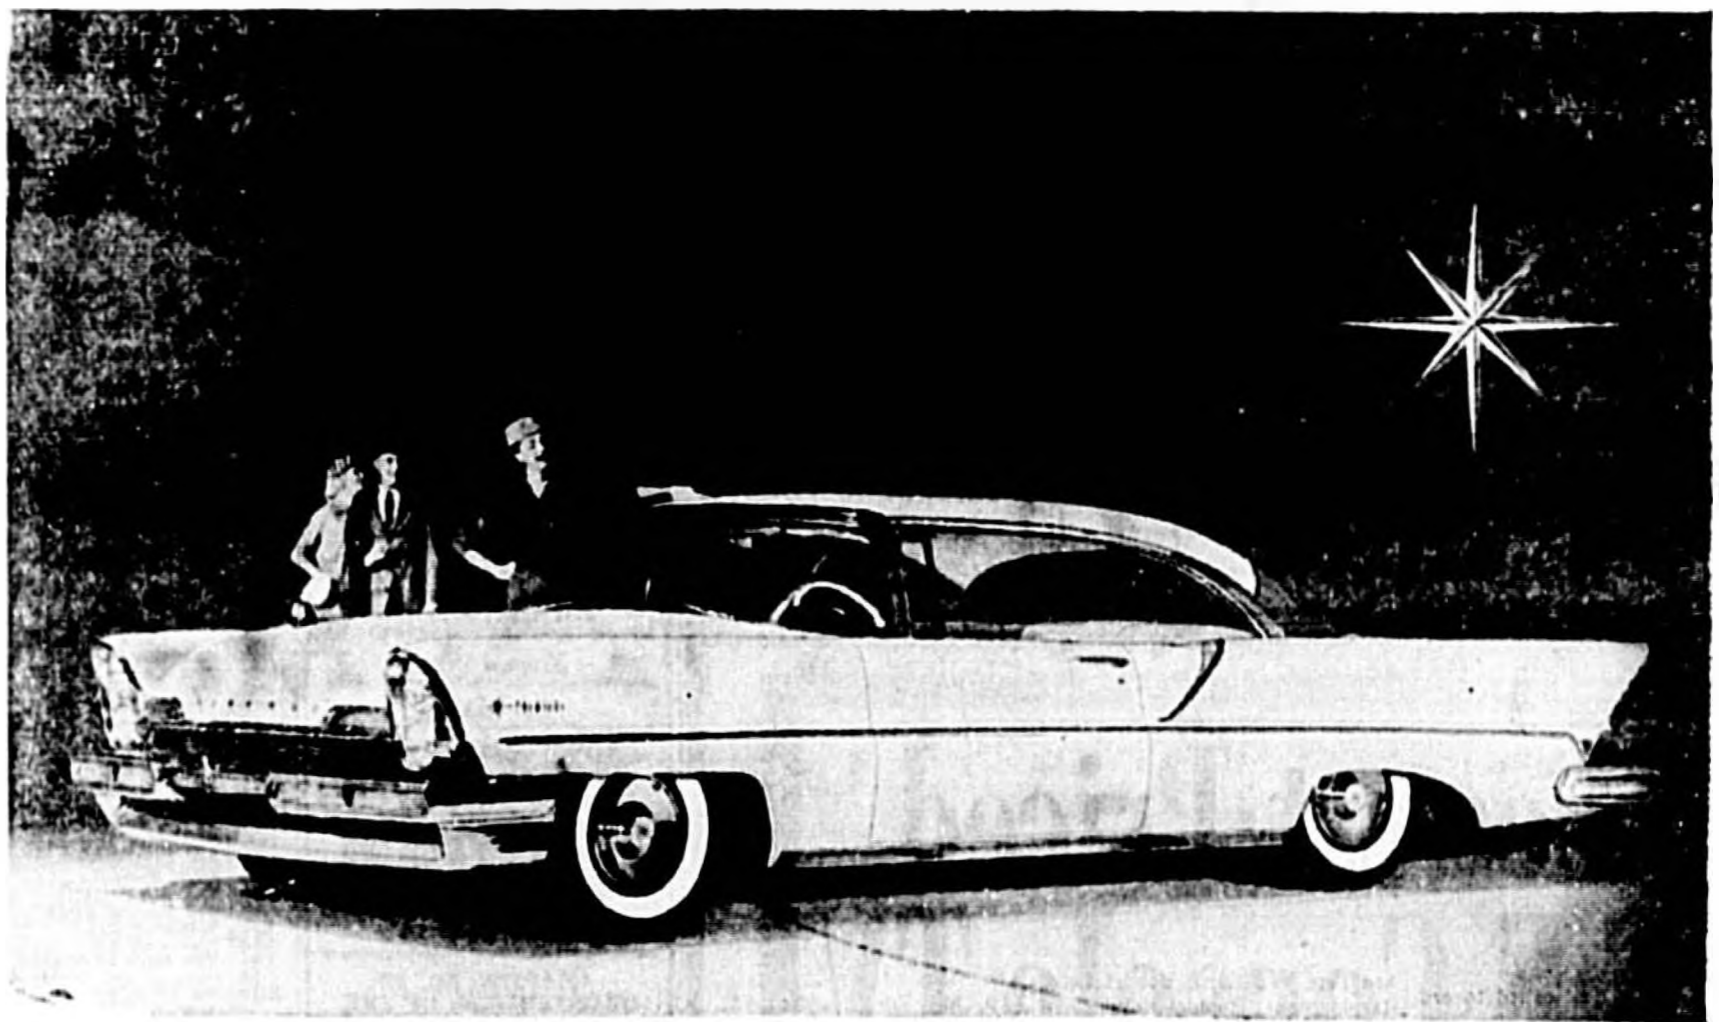

That raises questions about the degree of independence achieved by the Polish Communist leaders. The one fact that is clear is that Poland is still under iron control.

It was different in Hungary, where the people revolted against both their Russian masters and their own Hungarian Communist regime. Russia used her troops to mow down the rise and save the Hungarian Communist government.

The Hungarian uprising no matter how temporary, is not a lost cause. Russian intrusion gives the Hungarians that much more reason to hate the Russians and communism with equal fervor.

But at least the events in Poland and Hungary—to look on the sunny side—may be the foot in the door for further breakaway from Russian control. The Russians certainly suffered a major disaster to this extent:

Their use of troops in Hungary makes a farce of their efforts to convince the neutral and underdeveloped countries that their intentions are unselfish or that their anticommunism is real.

Isn't it grand to have VNU back? Joe Tully is the only one not in, and I hope that to tomorrow at this time Joe will be back with Ruth and their children. Meanwhile, the Five crowd is making up for lost time. They have a party planned for Friday night at the lodges on Seminole Blvd., which will be a big reunion for all.

Hear the Tullys have orders to Hawaii, and will leave in November, Frank and Betty Johnson are leaving next Wednesday for Norfolk, Virginia.

Joe and Betty MacLean, and three sons, have moved into their new home in Loch Arbor, Mallard and John Barlow have taken the Bradley Odom home on Magnolia. John has just returned from jet school in Olathe, Kan., and will be stationed in PAHU.

Punco color expects her mother and father this weekend from San Juan, Porto Rico. They can only stay two days, because they must visit a large number of relatives in a short time. Am most pleased to report that Punco and Katherine are now practicing what they learned in the Girl Scout leadership course. Punco is such a gifted singer that I'm sure there will be very few dull spots in that group.

There are lots of Navy P. T. A. mothers working diligently on the Southside carnival. Betty Lemus, Dottie King, Rosemary Duncan, Mike Stone, Camille Metzger, and Maris Williams to name a few. The big night is next Tuesday, so get those costumes made, and send your donations.

Den meetings will be held each Thursday afternoon at the home of the den mother. Congratulations cub scouts.

## 6 Boys Of Den 4 Receive Ranks; Now 'Bobcats'

By HELEN SNODGRASS

ENTERPRISE — Cub Scout, Den 4, pack 66 was officially reorganized Wednesday at the De Barre Civic Center with Mrs. C. A. Henderson, den mother, Mrs. Virginia Stowell, assistant den mother, L. D. Stowell, den dad, Mike Barlow, den chief, under the supervision of Mr. William Blakemore, De Barre, cub master.

The following boys of Enterprise were charter members and received their ranks as "Bobcats": Robert Sellers, Ernest Watson, Donny Bradlock, Corky Stowell, Dick Duxall and Howard Henderson.

This meeting was a pack meeting and is held monthly at De Barre Civic Center and was presided by a covered dish supper. All of the boys officially recognized in den 4 were happy to have their parents with them. Program given by the dens was a puppet show.

Den meetings will be held each Thursday afternoon at the home of the den mother. Congratulations cub scouts.

## Supper For Former Members Planned By Band Group

At their monthly meeting held in the Band Hall Tuesday evening at 8 p. m., the Seminole High School Band Association made plans for a covered dish supper to be given in honor of former members of the association at the November meeting.

All former members and students of the band association are invited to be guests of the meeting, which will be held in the lunchroom of the high school at 7 p. m. Tuesday, Nov. 27. All students of the present band are also invited and music will be provided by them during the evening.

Reports of all committees were given and plans were made for a barbecue to be held in December. Reservations were received by the Hospitality Committee. In the large group of parents who attended.

old Lyman pennants which are real sharp. The Juniors sold autograph books, and have sent for team booster buttons which should arrive before too long. The Juniors ordered their class rings last week and expect to receive them sometime in February.

The girls have started basketball practice under the capable direction of Miss Frances Coburn, our new coach, who is really running the girls ragged.

Francis Hattaway, freshman, who won the cherry pie baking contest at Lyman, came away with first prize in the district bake-off. On November 10, she will compete in the division contest which will be held in Winter Park.

Dana Alexander, the school's pretty redhead, made an attractive model last Thursday when she appeared on Annie's "Enchanted Mirror" over WDBQ-TV.

Miss June Stevenson, one of our new teachers, spoke last week to the Senior English Class on her trip to Europe last year. She showed colored slides of England. That's all the news around Lyman this week. We'll be back again next Friday with more "Limelight" news.

## Conning The News

By VIRGINIA COON

Isn't it grand to have VNU back? Joe Tully is the only one not in, and I hope that to tomorrow at this time Joe will be back with Ruth and their children. Meanwhile, the Five crowd is making up for lost time. They have a party planned for Friday night at the lodges on Seminole Blvd., which will be a big reunion for all.

Hear the Tullys have orders to Hawaii, and will leave in November, Frank and Betty Johnson are leaving next Wednesday for Norfolk, Virginia.

Joe and Betty MacLean, and three sons, have moved into their new home in Loch Arbor, Mallard and John Barlow have taken the Bradley Odom home on Magnolia. John has just returned from jet school in Olathe, Kan., and will be stationed in PAHU.

Punco color expects her mother and father this weekend from San Juan, Porto Rico. They can only stay two days, because they must visit a large number of relatives in a short time. Am most pleased to report that Punco and Katherine are now practicing what they learned in the Girl Scout leadership course. Punco is such a gifted singer that I'm sure there will be very few dull spots in that group.

There are lots of Navy P. T. A. mothers working diligently on the Southside carnival. Betty Lemus, Dottie King, Rosemary Duncan, Mike Stone, Camille Metzger, and Maris Williams to name a few. The big night is next Tuesday, so get those costumes made, and send your donations.

Den meetings will be held each Thursday afternoon at the home of the den mother. Congratulations cub scouts.

## Supper For Former Members Planned By Band Group

At their monthly meeting held in the Band Hall Tuesday evening at 8 p. m., the Seminole High School Band Association made plans for a covered dish supper to be given in honor of former members of the association at the November meeting.

All former members and students of the band association are invited to be guests of the meeting, which will be held in the lunchroom of the high school at 7 p. m. Tuesday, Nov. 27. All students of the present band are also invited and music will be provided by them during the evening.

Reports of all committees were given and plans were made for a barbecue to be held in December. Reservations were received by the Hospitality Committee. In the large group of parents who attended.

old Lyman pennants which are real sharp. The Juniors sold autograph books, and have sent for team booster buttons which should arrive before too long. The Juniors ordered their class rings last week and expect to receive them sometime in February.

The girls have started basketball practice under the capable direction of Miss Frances Coburn, our new coach, who is really running the girls ragged.

Francis Hattaway, freshman, who won the cherry pie baking contest at Lyman, came away with first prize in the district bake-off. On November 10, she will compete in the division contest which will be held in Winter Park.

Dana Alexander, the school's pretty redhead, made an attractive model last Thursday when she appeared on Annie's "Enchanted Mirror" over WDBQ-TV.

Miss June Stevenson, one of our new teachers, spoke last week to the Senior English Class on her trip to Europe last year. She showed colored slides of England. That's all the news around Lyman this week. We'll be back again next Friday with more "Limelight" news.

## Rebekah Official To Visit Sanford

ENTERPRISE — The W.S.C.S. of the Methodist Church is sponsoring a sewing bee at the home of Mrs. E. V. Richards, W. Wesleyan afternoon meeting being tentatively present in the classroom, approximately decorated with Jack-o-lanterns and other Halloween decorations. Games and contests were played and refreshments of doughnuts and apple juice served.

Minutes of the previous meeting were read by Mrs. Marie Lewis and the Treasurer's report by Mrs. Ashley. A report was given of the class members who were ill or had illness in their families, after which the remaining officers of the class were called on for any reports they might have.

Discussion was held and plans made for a Thanksgiving dinner in November to which the members will invite their husbands. This is expected to be a very enjoyable affair with the traditional Thanksgiving turkey, dressing and cranberry sauce and all the "trimmings."

## Bethany Class Will Hold Thanksgiving Dinner Next Month

By HELEN SNODGRASS

Plans were made for a Thanksgiving dinner to be held in November, when the Bethany Class of the First Baptist Church held its regular meeting Tuesday night at the home of Mrs. Connie Williams, on Washington Drive in the Grove Manor Section.

The meeting was called to order and opened by the president, Mrs. Lenora Green and a wonderful devotional was brought to the class by Mrs. Margaret Ashley. Mrs. Margaret Reynolds led in prayer.

Minutes of the previous meeting were read by Mrs. Marie Lewis and the Treasurer's report by Mrs. Ashley. A report was given of the class members who were ill or had illness in their families, after which the remaining officers of the class were called on for any reports they might have.

Discussion was held and plans made for a Thanksgiving dinner in November to which the members will invite their husbands. This is expected to be a very enjoyable affair with the traditional Thanksgiving turkey, dressing and cranberry sauce and all the "trimmings."

After all class business was discussed refreshments of coffee and wine bars were served by Mrs. Williams, assisted by Mrs. Gladys Pendergast and Mrs. Elsie Hunt.

Those present were Mrs. Irene Hayes, Mrs. Jennie Elton, Mrs. Rose King, Mrs. Marie Bamberg, Mrs. Helen Strickland, Mrs. Sadie Toddie, Mrs. Teddie Albert, Mrs. Dorothy O'Ham, Mrs. Martin Forrest, Mrs. Lenora Green, Mrs. Marie Lewis, Mrs. Margaret Ashley, Mrs. Margaret Reynolds, Mrs. Elsie Hunt, Mrs. Verlyn Hinson, Mrs. Anna Jordine, Mrs. Wagnel Rabon, Mrs. Helen Stimpert, Mrs. Gladys Pendergast, Mrs. Connie Williams and Mrs. Elsie Hunt.

## New Member Is Welcomed Into Fidelis Class

A new member was welcomed into the Fidelis Class of the First Baptist Church when it met Tuesday evening in the home of Mrs. J. P. Whitaker. Group Number One, Mrs. J. A. Yates, chairman, acted as hostesses.

Mrs. M. D. Bumgarner presided over the business session which was opened with the devotional given by Mrs. Robert A. Williams. Scripture was taken from Luke 11:19. A beautiful message on "Bringing in The Sheaves" was read and emphasis put on the art of being grateful.

Thank you cards were read for flowers, received from the class, from Mrs. A. L. Wilson and Mrs. John Rogers.

Mrs. H. J. Hutchinson was introduced and welcomed into the class as a new member. Mrs. Bumgarner called for reports of all group leaders and discussion was centered into concerning absentees and those who were ill.

Mrs. W. R. Willis, chairman of group Number Two, invited the class to meet with her at her home on South Avenue in November.

Mrs. Bumgarner called for volunteers to help prepare the year books for the class. Mrs. Arnold Williams, Mrs. Robert A. Williams and Mrs. F. L. Cooper volunteered their services.

A brief talk was given by the teacher, Mrs. Forrest Gatchel after which the meeting was turned over to the hostesses who served refreshments of cake and coffee to those present.

Those attending were Mrs. Gatchel, Mrs. S. C. Graham, Mrs. Anne Mae Bowen, Mrs. Willis, Mrs. Harold Davis, Mrs. Cooper, Mrs. Ruby Graves, Mrs. A. L. Gunter, Mrs. E. A. Williams, Mrs. Arnold Williams, Mrs. O. P. Wade, Mrs. C. S. Sheppard, Mrs. Bumgarner, Mrs. Yates, Mrs. Hugh Duncan, Mrs. J. P. Whitaker, Mrs. Hutchinson, Mrs. Lorene Franklin and Mrs. Ann Davis.

## Halloween Party Held By Members Of Adult Class

By HELEN SNODGRASS

ENTERPRISE — The Adult Class of the Barnett Memorial Methodist church held its regular meeting at the Florida power club on Monday evening, preceded by a covered dish supper.

Following the business session, a Halloween party, planned and conducted by Mrs. Cecil Sellers, Mrs. Carolyn McAllen and Mrs. Vester Dain was enjoyed by all present in the classroom, approximately decorated with Jack-o-lanterns and other Halloween decorations. Games and contests were played and refreshments of doughnuts and apple juice served.

The meeting was presided over by Mrs. Ruth Bowler and opened by a devotional given by Mrs. T. A. Stiles.

A gift of TV tables was presented to Mrs. James Dingman, retiring president of the club. Following the meeting, a sack lunch was enjoyed by the ladies, after which they finished cleaning their classrooms.

Those present were Mrs. Lewis Gosson, Mrs. John Kashner, Mrs. Eleanor Evans, Mrs. Ella Hedden, Mrs. Carl Bowler, Mrs. Ruth Bowler, Mrs. Martha Braehl, Mrs. Ann Snireck, Mrs. Connie Strickland, Mrs. Ruby Smith, Mrs. Ruby Snodden, Mrs. August Philson, Mrs. T. ## Lake Mary Club Leans To Clean Sewing Machines

By HELEN SNODGRASS

Miss Myrtle Wilson gave a demonstration on how to clean and take care of a sewing machine at the meeting of the Lake Mary Home Demonstration Club, which was held yesterday morning at 10:30 at the Lake Mary Chamber of Commerce.

The meeting was presided over by Mrs. Ruth Bowler and opened by a devotional given by Mrs. T. A. Stiles.

A gift of TV tables was presented to Mrs. James Dingman, retiring president of the club. Following the meeting, a sack lunch was enjoyed by the ladies, after which they finished cleaning their classrooms.

## Steve Soderblom Honored With Party On Sixth Birthday

Mrs. Courtney Soderblom honored her son, Steve, on his sixth birthday with a party at their home at 3321 W. First St.

The hall and living room of the Soderblom home were very attractively decorated in the Halloween theme with black and orange crepe paper being used in the hall. Hanging in the hall were a black cat and moon, and in the living room was an old witch riding a broom.

Games were played with prizes being won by Kenneth Riser, Wayne Hardin, and Larry Dodson.

After Steve opened his many lovely gifts, refreshments were served in the dining room, which was decorated in a birthday color scheme of blue and yellow. On the table covered table, was a two-tiered cake, adorned with cranberries, Indians and horses and bearing the words "Happy Birthday Cowboy Steve". Also served were individual devil's food cakes decorated with candy pumpkins, individual cups of candy, and lemon cream.

The guests were called into the dining room, where they sang "Happy Birthday" and were given favors of bubblegum, and balloons with whistles.

Those present were the honored guest Steve Soderblom, Cheryl Clark, Ann Doudney, Margie Gamble, Odine Mosey, Kay White, Debbie McLean, Linda Stafford, John Charles Aiken, Dwight Bowes, Allan Hall, Steve Proctor, Kenneth Riser, Chuckie Bentley, Wayne Hardin, Larry Dodson, Benny Davis, Pat Lapore, Clifford Barlett Jr., David and Douglas Dondrey, Mrs. B. J. Hill, Mrs. Jessie Barlett, Mrs. C. Bentley, Mrs. Al Douney, and Mr. and Mrs. Courtney Soderblom.

## Limelight On Lyman

By KITTIE KIMBALL

On October 19, we received our first report cards. To some it meant a cause for celebration, while for others it means stay home nights and really "digging" during the next six weeks. Lyman scored another victory on October 13, as we defeated Edgewater, J. V.'s 12 to 6. On October 20, Bishop Moore overpowered us 9 to 0. These two games resulted in more injuries for the girls' teams. On the injured list are Pete Van Horn, Bob McLeod, Harold Stone, Debbie Foster, David Stevens, Mollie Helms, who received a broken leg at the first of the season, had his cast taken off; we hope to see him out on the gridiron soon. Another one to come off the injured list is Ronnie Gosvetic, who has been out with a broken jaw. Now that he can talk again, he never lets up. The girls' teams have three wins and two losses this year.

At our Edgewater game a real spectacular show was put on by the Lyman and Ovids bands. The Lyman band has forty-two members this year. The Majorettes deserve a lot of credit for they have really been working hard. Donna Lou Barnes is drum major, Audrey Dudley is head majorette and Dianne Simonelli is exhibitionist. Other majorettes are Pat McNeil, Dana Alexander, Betty Morgan, and Carolyn Judy. Mr. Michael Fisher, band director, should be congratulated for the fine work he is doing.

Tonight (Friday) the Lyman P. T. A. is sponsoring the annual Halloween Carnival. The Junior class is helping with this project by selling hot dogs and cold drinks. It gets under way at five o'clock. At 6:30 there will be the costume judging with prizes for all ages. Some of the popular attractions will be a quiz, bag, country store, fish pond, games of chance, hay ride, pony rides, cake auction, and snack stands. This is sure to be a big success and a huge turnout is expected.

There have been quite a few money-making projects around Lyman the past few weeks. The sophomores are selling purple and

## Winter Park Three Touchdown Favorite

The Winter Park Parkers will place their perfect season record on the line tonight when they clash with the winless Sanford Seminoles in an Orange Belt Conference clash tonight at Harper-Shepherd Field in Winter Park. It will be the season debut of the Parkers into Orange Belt play, and they will go into the game there touchdowns favorite.

For the Sanford Seminoles, in fair physical condition after last week's massacre, it is perhaps the most important game of the season. Unless the warriors can go on the warpath and bring home a win they will be the goats of the OBC.

Man for man, the Winter Park team will not be any larger than the Seminoles, but they will be considerably faster. The team started off with a bang and is comprised largely of the nucleus of an excellent and undefeated JV team last year. They're accustomed to winning.

The Seminoles have been closely scouted by the Parkers, and the Seminoles defensive end weakness is no secret. The great problem of the Sanford eleven will be continuing the small, swift backs before they break away. If they do break away and circle the Seminoles ends into the secondary, the Seminoles will not have the speed to overtake them.

It's been a hard week for the gridsters from Sanford, and the general spirit of several of the key players is poor, but the Seminoles have put in a lot of time on the end problem this week. The end situation is the big question of the game, but it should show improvement.

The offense will look better than it did last Friday night, and the blocking will be better. The Seminoles will have a hard time filling the shoes of Al Stanley for the game, and Cecil Danridge has

been called up from the JVs to be on tap in case something should happen to the other big-gun quarterback, Bob Johnson.

Jim Warner, the fastest boy at Seminole High is a newcomer to football. He put his pads on for the first time last week, and was the leader in yards gained per carry in the Melbourne tilt. He carried the ball twice and gained 12 yards. If he can master the plays in time, he will be a break-away threat for the Seminoles.

Probable Winter Park Starting Lineup  
 -Alvin Ellis (No. 12) Senior, 175 pounds and Tom Davis (No. 13) Senior, 170 pounds.  
 T-Barney Blackburn (No. 16) Junior, 175 pounds and Jim Washburne (No. 18) Senior, 185 pounds.  
 G-Bob Fox (No. 23) co-captain, Senior, 160 pounds and Bob Tope (No. 21) Senior, 170 pounds.  
 C-Pat Wallace (No. 25) Junior, 165 pounds.  
 O-Bob Jane (No. 8) Sop., 170 pounds.  
 HB-Bill Howell (No. 1) Senior, 150 pounds and Ken Plante (No. 5) Junior, 155 pounds.  
 FB-Tom Ribetti (No. 2) Junior, 165 pounds.

Winter Park has tumbled four in a row this season. New Smyrna, Eastis, DeLand, and Boone of Orlando have all fell victim to the aggressive gridsters. The theme of the Parkers is speed and deception. They are an imposing foe, but they will be no tougher and possibly not as tough as some of the teams Sanford has already faced this year.

If the Seminoles can contain the Parkers in the first half, Seminoles will have an excellent chance to upset them and get into the win column, but if the Parkers surge out in front in the first half of the game the Seminoles will have a hard time coming from behind.

The Seminoles will place the ball game largely in the hands of Johnny Williams and Murray Nance, the two boys famed for defensive end action. Meredith Scott and Terry Goembel will man the defensive tackle posts. Bill Tyre will be the man over the middle. Brantley "Choo-choo" Schirard, Jack Stotsky, Ronnie Giles, and Eddie Barbour will start as defensive linebackers, and the safety slots will be filled by the feet of Phil Byrd and Jim Warner.

Game time is 8 o'clock in Harper-Shepherd Field in Winter Park.

## Football Fan's Office Sansacked; 4 Tickets Missing

GAINESVILLE—It's a fact that choice tickets for the University of Florida's remaining home games are getting pretty scarce, but it isn't necessary to go as far as one fellow did to be able to see the games.

One Florida fan reported that his office was broken into and ransacked, but the only thing missing were four tickets each to the Auburn and Miami games at Florida Field.

The legitimate Florida fan has been issued duplicates for seats in Section 12, Row 32, Seats 5, 6, 7, 8. Only the duplicates will be honored, so anyone showing us with the originals will be out of luck.

Athletic Business Manager Percy Beard also reported duplicates have been issued for tickets to the Georgia and Georgia Tech games in Jacksonville.

One fellow reports his wallet stolen. It contained tickets to the Tech game in Sec. M, Row 24, Seats 5, 6.

Mailed but not delivered to the purchaser were Georgia game tickets in Section H, Row 18, Seats 7 and 8, and Georgia Tech game tickets in Section 12, Row, 43, Seats 19 and 20.

The warning from the Ticket Office is this: Beware of purchasing tickets from other than authorized agencies of the University. You may end up with one of the above originals which will not be honored.

## Panthers Travel To Palatka Tonight

The Crooms Academy Panthers, after opening the season with a big bang, will travel to Palatka tonight to try and avenge last week's unimpressive performance against Hinesville.

Last week the Panthers pulled hard to tie the underdog Hinesville of Winter Park 6-6. Head mentor Joe Fair said, "The boys went to Winter Park expecting an easy win, but instead found a fired up team with a lot of aggression."

Fair thinks the lesson was an impressive one and will not be repeated this season. "We'll have to play a lot better brand of ball tonight if we want to win," Fair said. "The boys have worked hard this week and are anxious to redeem themselves."

Game time is 8 p. m. tonight in Palatka.

**BRANTLEY SCHIRARD** Left Halfback—175 Pounds Senior

**BOB JOHNSON** Quarterback—165 Pounds Junior

**TERRY GOEMBEL** Fullback—190 Pounds Senior

## Hurricanes To Battle TCU Eleven

CORAL GABLES.—No lineup changes are contemplated by Friday aboard a special chartered Pan American plane, the "Hurricane Clipper" and is scheduled to arrive in Fort Worth between 2 and 2:30 p. m. Texas time. The team will go direct to the field from the plane to hold a workout on Fort Worth soil and then will quarter at the Fort Worth Hotel.

The game with TCU will get underway at 8 p. m. Central Standard Time. It will be both telecast and broadcast back to Miami. Miami fans may view the game on television over TV station WKCF, and hear the radio broadcast over station WCKB.

Coach Gustafson could well complain about the bad breaks he has had in regard to his meetings with the Texas Christian. Saturday night for the second year in a row he will have to send his ball club against a fighting, fun-loving team, rebounding from a defeat at the hands of Texas A. & M. Last year the loss wasn't quite as galling as the one this year for in 1955, the Aggies just out-fought TCU. This year the TCU club outplayed the Aggies virtually all the way and were denied

several touchdowns by bad breaks—and wound up the loser by just one point, 7-6.

Texas Christian, rated one of the nation's very top teams at the start of the year, will be fighting to regain that spot and to prove that the 7-6 win by the Aggies was a fluke.

Miami will be on a rebound of its own after the Georgia tie game but will hardly have the same kind of blind rage behind it which will be firing up the

The University of Miami freshmen have about ended their hard work for their Friday night clash in the Orange Bowl with the University of Florida freshmen. The first year teams of the two schools always put on a spirited show and there's no reason to believe that this game will prove to be an exception. Don Cobb's Miamians with their three southpaw passers will be seeking their first win as they took a 20-16 beating at the hands of Mexico PolyTech in their only other start. Florida's freshmen are coached by Charlie Tate, former Miami Senior High

## Tickets On Sale For Peanut Bowl Game In December

If you were nudged gently while walking down the street this morning and before you realized what happened you were shelling out your money, more than likely you have purchased a ticket to the Sanford Grammar School Peanut Bowl to be played under the lights at Memorial Stadium early in December.

Two very slick salesmen opened the ticket selling campaign this morning. Lee Samuels will pit an adaptation of his insurance selling pitch against Guy Baggerly's version from the TV salesman's angle. These two men will spearhead a drive to excel last year's attendance mark with pre-game sales.

In case you aren't captured, conned, or coerced into buying a ticket already or in the near future; don't worry, you can still get an advance ticket by phoning 225, Sanford Grammar School, or 305, Mrs. Robert Parker, ticket chairman.

## FSU Eleven To Use Running Attack Against Villanova

TALLAHASSEE (AP)—It will be Florida State's speedy running attack against Villanova's passing tomorrow night at Philadelphia.

The football game is rated pretty close to a tossup.

Villanova has the better record with only one loss against three wins and has the advantage of playing on its home field.

Florida State has won two, lost and tied one, but its losses to Georgia and Virginia Tech were by fairly close margins.

Mike Bellaise, one-time featherweight boxing champion, now works in the New York City post office.

Florida won at Auburn, breaking a long home winning streak of Auburn freshman teams.

### 4-H'ers Aim for 1956 National Club Congress

FOR the 23rd consecutive year the nation's top 4-H are setting their sights high to reach their goal and the National 4-H Club Congress in Chicago, Nov. 25-29, where they will be honored and rewarded for outstanding accomplishment.

More than 1300 boys and girls representing over two million 4-H club members from 48 states, Alaska, Hawaii, and Puerto Rico will attend the Congress. In addition to an all-expense trip, these state, sectional and national winners will receive other rewards culminating several years of diligent 4-H project work.

"While the annual value of products resulting from 4-H members' projects amounts to an estimated \$115,000,000, this gain is probably the least of the benefits arising from 4-H Club experience," said Guy L. Noble, director of the National Committee on Boys and Girls Club Work.

"The greater and more lasting benefits are the personal satisfaction derived from real achievement such as making friends, practicing democratic procedures through organized 4-H Club work, and developing spiritual values from day-to-day living with 4-H ideals," he stated.

Immediate awards for the Congress-bound 4-H'ers will be 212 college scholarships worth \$67,000; 120 savings bonds valued at \$11,320; special cash awards totaling \$18,700. Many will be presented with engraved watches and other handsome gifts. All will be entertained at gate breakfasts, luncheons, and dinners.

In the overall National 4-H Award Programs a total of nearly \$260,000 is expended annually to recognize boys and girls who have excelled in "improving family and community living."

These award programs are made possible through the combined efforts of the National Committee on Boys and Girls

NEW YORK (AP)—Three new weekly television programs which I happen to enjoy have given me new insight into myself.

I am, it seems, about 14 years old and find great glamor in the military tradition. I believe death preferable to dishonor. I am always loyal to my friends and true to the fine ideals presented to me in my more vulnerable years. I have a pure mind in strong body and I enjoy taking great risks when the cause is worthy.

Ah, a friend in the front row is shaking his head, saying, "This is not I. No, sir, it is not, except when I'm watching West Point CBS-TV on Friday evenings or Bengal Lancers NBC-TV on Sunday evenings or Sir Lancelot NBC-TV on Monday evenings.

These are three of the most brightly polished and technically well-executed of the new series this season. In their cognizance of romantic love and derring-do they might be called "adult juveniles" or "juvenile adults" because they make a frank appeal to many between the ages of 8 and 89.

It is interesting that all are concerned with arms and men, or what might be called the military tradition in man. Bengal Lancers and Sir Lancelot are as preoccupied with physical violence as any Western, but because time and place have been changed they do not chafe the viewer with long familiarity. No moralist has complained about their effect on the young—and almost certainly none will.

Yet to those of us who remember the 1930s there is something bemusing in our middle-aged passion of soldiering and war. Times certainly in change. There is not much you can tell our generation about war, but here we sit before our sets, fascinated. Times change and memories are short.

### The Picture Of Health

By Robert A. Aron, M.D.  
Skin Disorders

In the medical profession there's a saying that the dermatologist has the longest drawn-out job of any specialist. This applies to such lingering, stubborn disorders as acne (pimples), psoriasis (an inflammatory itch), or dermatitis.

Much still has to be learned. Why, for example, does one person walk across a locker room floor and "pick up" athlete's foot (a fungus infection), to be followed by a dozen or more who do not, and will never have it in their lives?

In part the skin reflects the general health of its owner. The healthy skin is covered with its own film of a slightly acid protective oil which acts as a barrier against disease from the outside. If this barrier on the hands, let us say, is broken down by poor health or too constant use, then strong washing solutions, the skin's own gloves will melt away and the outer layer fall prey to whatever happens along, fungus, germs or irritations.

Care of the skin involves keeping it clean but not scrubbed literally off, carefully dried (or even powdered) after bathing, and washed with soap or a germicide after exposure to bacteria.

Attack can also come from the inside. Acne, hives, eczema, fever and sun blisters, shingles, all express the body's reaction to some inner chemical problem. Some of our worst diseases also attack the skin—any of several forms of pemphigus, in any form a severe disease, lupus erythematosus, an often fatal collagen (connective tissue) disease, and so on.

The best care of healthy skin is good hygienic practice—cleanliness, good diet stressing vegetables and protein foods, normal elimination, plenty of rest. Since the skin is one of the favorite organs for psychic as well as physical protest, skin disorders are fairly often linked with emotional upsets or stresses.

Skin ailments are best treated by curing any disease causing them, and the dermatologist has at his command such things as antibiotics, hormonal therapy, good nutrition and hygiene. The dermatologist also may be called upon to treat certain conditions with rays, which can often be successful in stubborn cases.

### SLAYING NOT SOLVED

MIAMI (AP)—A prosecutor says the Lewana Newman slaying is not solved and an investigator who said the slayer was known has been fired.

State Atty. George Brautigam said yesterday he dismissed Howard Oehler "right of this minute" after Oehler told a newsmen he knew the identity of the man who killed the Newman girl five years ago.

Brautigam said "the case is still open."

The 23-year-old motel night clerk's body, shot in the head, was found near a pig pen several days after she vanished from her job Aug. 22, 1951.

PIONEERED BY the spear-shaped XF-104, shown above, new F-104 Starfighters are to be turned out on a quantity-production basis as the result of \$166,000,000 worth of orders just placed by the U. S. Air Force. The world's fastest jet, the Lockheed Starfighter is capable of precision control at spectacular speeds due to a horizontal stabilizer placed high on the fin. This moves as a single unit instead of having a separate elevator, as on most planes. The short wings are out 7 1/2 feet from fuselage to wingtip. The overall length of the day-and-night fighter is 34 feet 9 inches. (International)

PROFESSOR ANDRE F. COURMAND, 61, shows his family in New York the notification from Stockholm, Sweden, informing him that he and two other physicians were jointly awarded the 1956 Nobel Prize for Medicine. In the group (l. to r.) are: Mrs. Courmand; Dr. Courmand; their daughter, Marie Eva (Mrs. Norman Walker), and another daughter, Marie-Claire, with the family pet. Dr. Courmand will share the prize money totaling \$38,682.53 with a Columbia University colleague, Dr. Dickinson W. Richards, 60, and Dr. Werner Forssmann, 52, of Bad Kreuznach, West Germany. Their contribution consists of developing catheterization of the heart which enables doctors to make more accurate diagnosis of heart disease. (International)

### TEMPORARY CHAIRMAN NAMED

PALATKA (AP)—Temporary chairmen for citizens tax councils in four counties were named yesterday at a regional meeting called by State Sen. B. C. Ponce, a member of Gov. Collins' state council.

Named were Ralph Stoutamire of Gainesville for Alachua; Robert W. Webb of Palatka, Putnam; John A. Clegg of Hannell, Flagler; W. C. Edmiston Jr. of St. Augustine, St. Johns.

The councils will gather data for the Central Committee on Taxation which will make recommendations for the 1957 Legislature.

### STATE FREE OF FRUIT FLY ROADBLOCKS

LAKE ALFRED (AP)—Florida was free of Mediterranean fruit fly roadblocks today for the first time since May 2.

The State Plant Board removed the last eight roadblocks—six in the Tampa area and two near Fort Myers—as no longer needed but said host fruits and plants still must have certificates showing they are fly free.

### New Frozen Soup Stars At Autumn Parties

SOUPS the thing for autumn parties. Especially now with a new frozen condensed soup... Old Fashioned Vegetable With Beef. Each can contains 1 1/2 cups condensed soup, 2 1/2 cups when prepared. Can weight is 10 1/2 ounces.

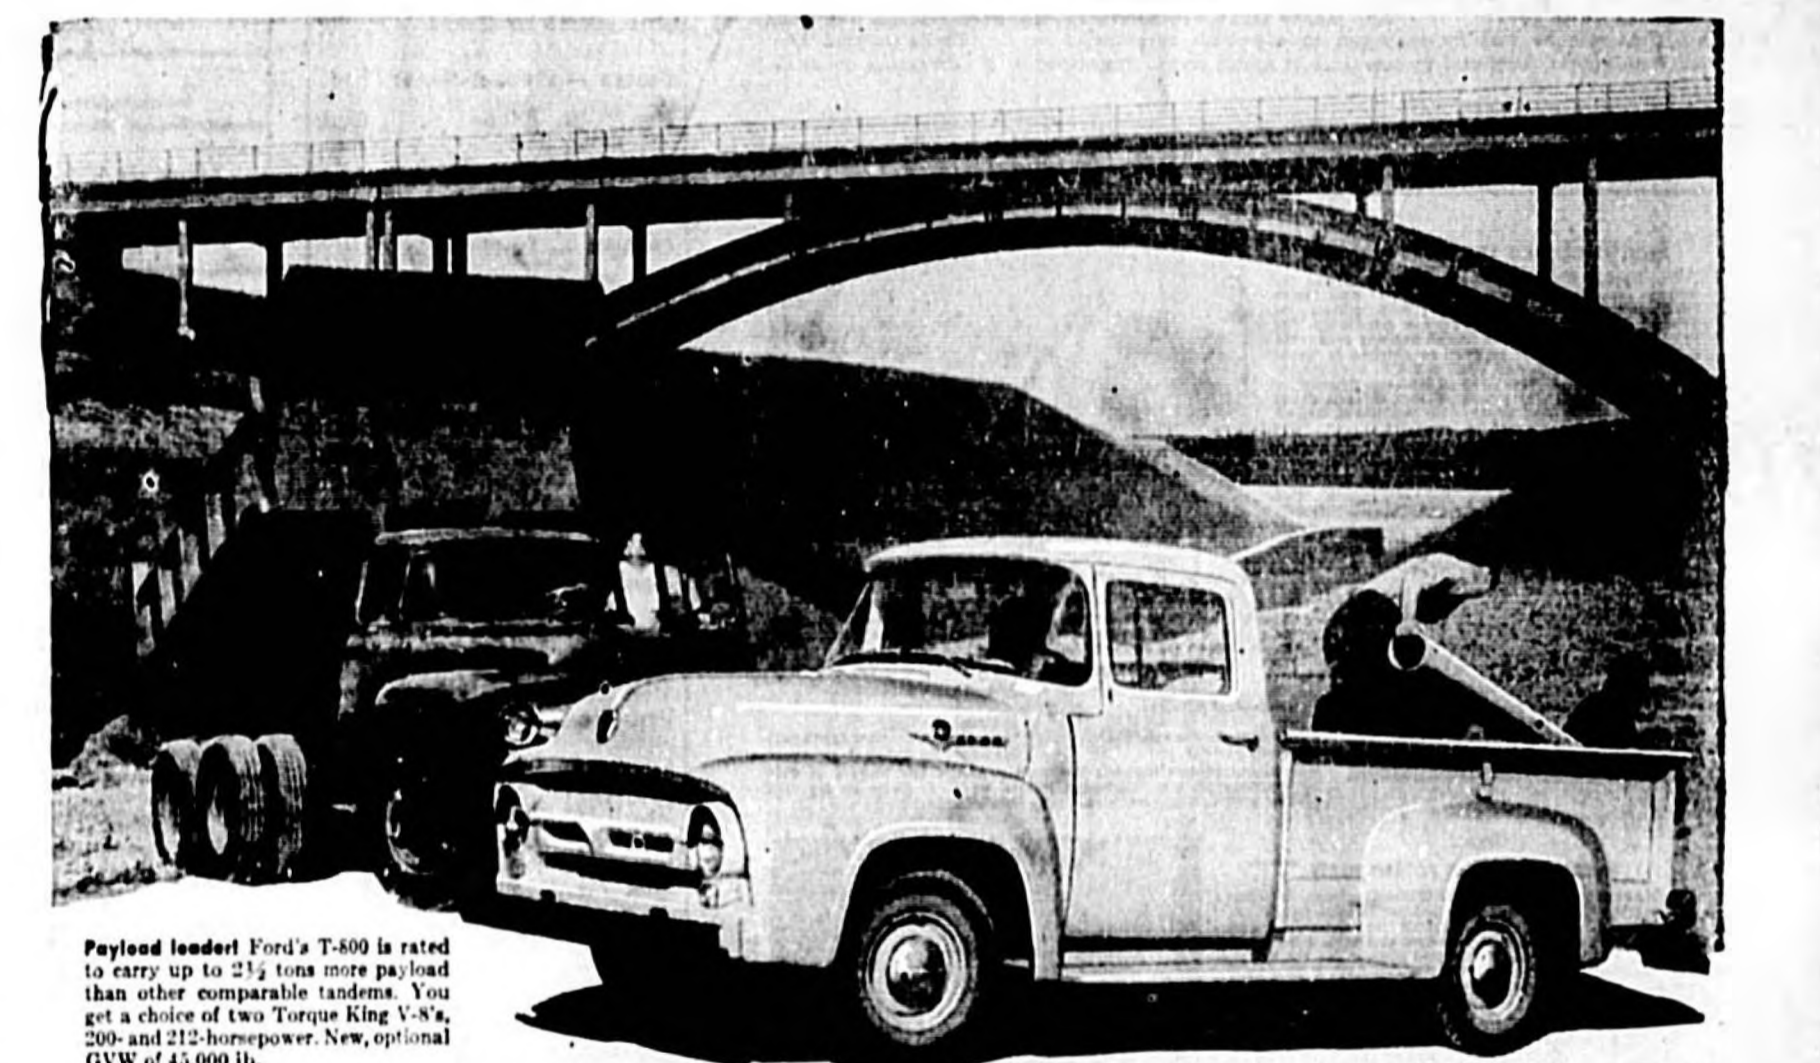

A rich broth soup, it's loaded with flavor-rich vegetables and chunks of tender beef. Carrots and peas, tomatoes, potatoes... In fact a whole garden full of vegetables is in the soup. And you'll soon find this grand new frozen specialty in local grocery stores.

Starting with this newest soup... or one of your long-time favorites, you're on the way to happy autumn entertaining. Look around for new ways to serve a hot, heart-warming potage at your bridge luncheon or the buffet supper. Try your prettiest casseroles with the candle-warmer for the Vegetable-Heef Soup. Lovely enough to be the centerpiece on the buffet. What could be a more delightful way to entertain after the football game, or at Sunday eve's TV party.

You'll find heaps of new soup ideas to feature... such as the Old Fashioned Vegetable With Beef with the addition of some cooked spaghetti or fancy-shaped macaroni (SOUP ITALIANO), or the always-popular condensed cream of celery soup with lobster added... to make ORIENTAL FANGU, DISQUE.

**Soup Italiano**  
1 can (1 1/2-cup) frozen condensed vegetable with beef soup  
1 soup can water  
1 cup drained cooked chick peas  
or cooked frozen-shaped macaroni or spaghetti  
Combine soup and water; heat until soup is completely thawed. Add cooked chick peas or macaroni; heat. Serve with potato chips, crackers, and pretzels. Makes 3 to 4 servings.

**Oriental Fangu Disque**  
1 can (1 1/2-cup) condensed cream of celery soup  
1 soup can milk  
1 cup flaked, cooked lobster  
(1 lobster can, drained)  
1 teaspoon ground chili  
1 tablespoon chopped chives  
Combine all ingredients except chives; heat. Garnish soup with chopped chives. Makes 3 to 4 servings.

# FORD TRUCKS COST LESS

... less to own ... less to run ... last longer, too!

Before you buy your next truck, look at both sides of Ford's story of value: what you get and what it costs. You'll like what you see.

Look at the costs. Ford's first cost is low. Resale value is high. Ford's Short Stroke engines are designed for less friction, less wear, lower running costs. Maintenance costs are lower, too, because Ford trucks are built stronger for rugged long life. And a 10-million truck study proves Ford trucks last longer.

Look at what you get and you'll see you get more for your money in a Ford. For example, only Ford gives you modern Short Stroke power in every truck, V-8 or Six. Sodium-cooled exhaust valves in Heavy Duty engines run up to 225° cooler, last longer. More comfort with a Drivervized Cab. More safety with Ford's exclusive Lifeguard features.

Look carefully... consider everything. You'll agree Ford trucks cost less, give you more. If you want a great deal—a great deal more for your money—see your Ford Dealer.

GOVERNOR'S MANSION ALMOST FINISHED

TALLAHASSEE (AP) — Except for some interior work, Florida's new 1/4 million dollar governor's mansion has been finished but it probably won't be occupied until about April 1 because of the lack of furnishings.

Work has been under way almost 16 months. During the construction, Gov. Collins and his family have been living at their home, The Grove, adjacent to the mansion.

CITY COMPTROLLER FINED KEY WEST — City Comptroller John L. Day was fined yesterday by City Manager Fred Lane who accused Day of insubordination and noncooperation. Day declined comment.

LUND Says: THANK YOU

To the many people of the 5th Congressional District who have generously sent in small contributions for the campaign, I am humbly grateful.

These small contributions of \$1.00 and \$2.00 have greatly aided my efforts to present the RECORD as well as my stand on the various important issues of this campaign.

LUND

This aid has helped me to offset the over-whelming odds that I have met and must continue to face until Election Day, including

1. THE ODDS CREATED BY OUR SINGLE PARTY SYSTEM
2. THE ENFORCEMENT OF MY OPPOSITION BY MOST DAILY NEWSPAPERS IN THE DISTRICT
3. THE 6000 OR MORE OFFICER-HOLDERS AND PAYROLLERS WHO OWE THEIR ALLEGIANCE TO AND ARE WORKING DAILY IN BEHALF OF THE DEMOCRATIC PARTY

WALL STREET JOURNAL AD

At the beginning of the campaign I published an ad in THE WALL STREET JOURNAL pointing out these odds and appealing for financial aid. It was a direct appeal to the thousands of small business men over the nation to help us obtain a Two-Party system in Florida.

As a result I received contributions totaling \$278 from business men all over the nation. None of these amounted to over \$10. NOT ONE SINGLE CONTRIBUTION was forthcoming from Wall Street or any corporation.

The ad drew the ire of my opponent. He has stated that I offered the congressional seat for sale to Wall Street. THIS IS AN ABSOLUTE UNTRUTH and he knows it. It was a disclosure to all Americans of our plight in Florida caused by the 'single party system.'

PERHAPS, MY STAND IN FAVOR OF THE PEOPLE, ON SUCH ISSUES AS THE FOLLOWING, EXPLAINS WHY I RECEIVED NO SUPPORT FROM 'BIG BUSINESS ON WALL STREET':

1. My opponent voted to exempt the producers of Natural gas from public utility regulation thus allowing the public to be gouged in their tax bills. I AM UNALTERABLY OPPOSED TO SUCH GIVE-AWAYS.
2. My opponent has done nothing about correcting the tax-exemption evil of the Texas Oil Millionaires whereby they are getting a 'hand-out' every year. I BELIEVE THEY SHOULD PAY THEIR FAIR SHARE OF TAXES or in the alternative, EVERY TAX-PAYER SHOULD GET THE SAME BENEFITS.
3. I FAVOR THE ENFORCEMENT OF THE ANTI-TRUST LAWS so as to allow little business an opportunity to survive.
4. I FAVOR MORE AID TO THE AGED, THE VETERANS AND CIVIL SERVICE PENSIONERS, so that these people can raise their standard of living to what it was before the Truman administration. Living costs rose 50% under Truman but social security payments did not.

CYPRESS GARDENS, FLA.—Just to be sure that he has the striking picture, famed cameraman Morris Monts de Oca catches his own 12-lb.-oz. bass. Traffic Safety Proposals Rise At Conference

TALLAHASSEE (AP)—Traffic safety proposals ranging from impounding the automobiles of law violators to requiring physical examinations of elderly drivers were advanced at a conference of judges, prosecutors and law enforcement officials.

No specific recommendations were made by the conference, called by Gov. Collins in an attempt to halt the rising death rate on highways. However, the governor said it's his hope the meeting will arouse public support for traffic safety measures.

So far this year, 94 persons have died compared with 770 by the time in 1955.

"I'm anxious to find a way to bring about a reversal of this trend," the governor said. "We must find a way."

Collins and many of those at the conference declared themselves in favor of more widespread revocation of the licenses of reckless drivers.

"People fear losing their drivers' licenses a great deal more than they fear losing their lives," Collins said. "Free use of that penalty would be very helpful in bringing people to a consciousness of the necessity for safer driving."

Stern action against drunken drivers was advocated by many speakers. State School Supt. Bailey, speaking as a member of the Cabinet Board of Public Safety, said any intoxicated motorist "is a potential murderer."

State Rep. Cliff Herrell of Dade County, a member of the Legislative Committee on Traffic Safety, recommended mandatory jail sentences for those guilty of drunken driving and Juvenile Judge Walter H. Beckham of Miami proposed impounding their automobiles.

A suggestion that physical examinations be required of all drivers over 60 came from Police Chief Karl Engel of North Miami.

Publisher Loyal Phillips of the St. Petersburg Independent, chairman of the Governor's Traffic Safety Committee, said his group is greatly concerned about driver education.

"I believe the committee members feel they would like to see all high school graduates qualified, well trained drivers," he said.

Murray said, "No wonder you can't get in that way, old man. You're trying to insert a cigar into the keyhole!" The neighbor's jaw dropped. "How do you like that?" he demanded. "I must have smoked my key!"

Election Day Cake — A Traditional Treat

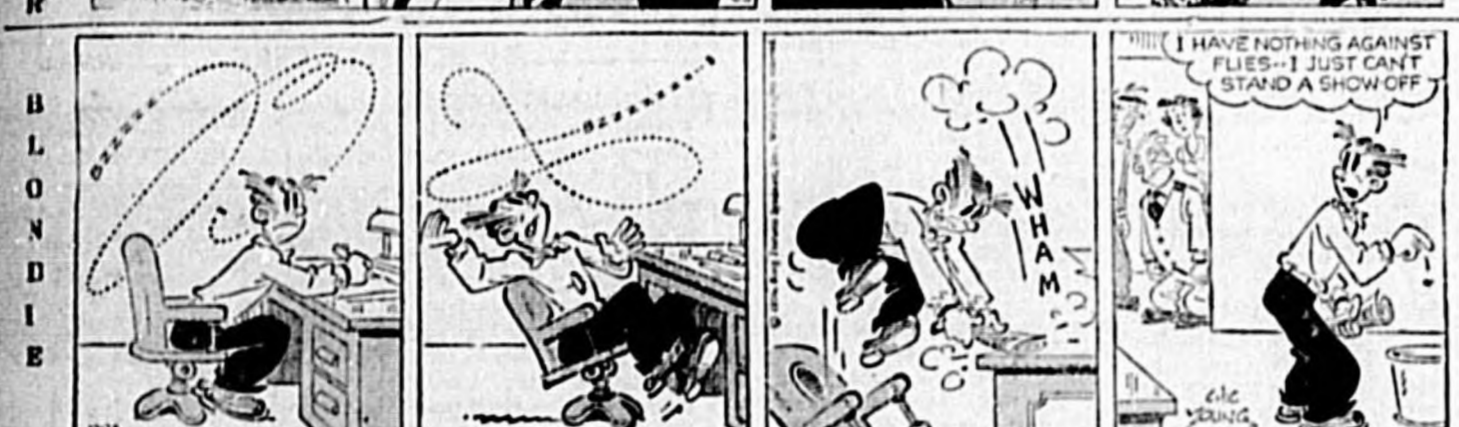

Election Day cakes originated in Hartford in the 1830's. They were served at the taverns and in private homes around election time. Why not revive this excellent custom when you entertain guests while waiting for the returns this November.

- ELECTION DAY CAKE
- |                                   |                           |
|-----------------------------------|---------------------------|
| 1 1/2 cups warm, not hot, water   | 2 eggs                    |
| 1 1/2 packages compressed yeast   | 1 1/2 teaspoons salt      |
| 2 teaspoons sugar                 | 1 1/2 teaspoons cinnamon  |
| 2 packages or cakes yeast, active | 1 1/2 teaspoons nutmeg    |
| 1/2 cup compressed yeast          | 1 1/2 teaspoons allspice  |
| 1/4 cup sifted enriched flour     | 1 1/2 cups dried currants |
| 1/4 cup margarine or butter       | 1/4 cup chopped nuts      |
| 1 1/2 cups brown sugar            | 1/4 cup chopped citron    |
- Measure water into a mixing bowl. Add yeast, for active dry yeast; lukewarm for compressed). Add and stir in 2 teaspoons sugar. Sprinkle or crumble in yeast; stir until dissolved. Add 1 1/2 cups of the flour and beat well. Cover with a cloth and let rise in a warm place, free from draft, until very bubbly, about 30 minutes. Cream margarine or butter with brown sugar. Add and beat in eggs. Combine with bubbly yeast mixture. Sift together salt, spices and remaining 1/2 cup flour, and add to yeast mixture. Beat well smooth. Use water or beat by hand. Add and stir in fruits and nuts. Turn into a greased, lightly floured 10-inch tube pan. Cover with a cloth. Let rise in a warm place, free from draft, until doubled in bulk, about 1 1/2 hours. Bake at 325° F. (moderate oven) for 1 hour. Cool cake in pan 5 minutes. Turn out on cake rack. Cool.

MEAT COOKERY Quiz

- Q. What is the name of this cut of meat?
- A. Beef Flank Steak
- Q. Where does it come from and how is it identified?
- A. It comes from the flank section of the animal which is directly below the short loin and sirloin. This meat cut is an oval-shaped boneless steak weighing 1 1/2 to 3 1/2 pounds with muscles running lengthwise.
- Q. How is it prepared?
- A. By broiling, a moist broil method of meat cookery. The meat is cooked slowly and requires between 1 and 2 hours cooking time. For variety, the steak may be rolled and cut into individual steak filets.

## Four Die As SNAS Plane Crashes While On Med Deployment

### Sales Increase At Market Told

"Sales in volume at the Sanford State Farmers Market showed an increase over the preceding week," Sandy Anderson, manager of the market, said this morning.

Gross sales for the week ending Oct. 29 was \$32,981.03. "Leaders last week," said Anderson, "were cucumbers, grapefruit, beans and oranges."

Arnold Lund, Republican candidate for Congress in the Fifth Congressional District declared that President Eisenhower's visit to Florida has demonstrated to the people of this state that he is interested in them and will not forget when he is elected for another four years. He spoke at a citizens meeting at Casselberry.

"I have just received a letter from Ike congratulating me on my efforts in this campaign," Lund stated. "He informed me that the only way responsibility of government can be fixed, is to have the Administration and the Congress under the same political leadership."

"He informed me that the needs of all Americans can be better served," he said. "By the election of a Republican House of Representatives along with the return of the present administration."

"Several months ago, I help started a movement to get the 'show here' Lund stated. "At that time I thought we might be in danger of losing the State if he didn't. But I believe things look brighter for the now than they did four years ago. It is my belief that he will carry this district by a greater vote than in 1952 when he carried it by a vote of 80,000 to 50,000."

"I cannot understand the loyalty of some citizens to Ike," he stated. "They say they are for Ike an will vote for him but they are not interested in whether he gets a Republican Congress or not. Do these same people remember that the Democratic majority thwarted Ike on every turn in the last session of Congress. Giving him the presidency without a Republican congress would be like giving him men without guns or guns without bullets in the last world's war."

"Without the support of a Republican Congress," he said, "I will be unable to carry out his program to give the people of this country the legislation it needs to continue our present peace and prosperity."

### Bomber Attached To VAH-11

On Oct. 27, a Navy Attack Bomber attached to Heavy Attack Squadron 11, now deployed with the U. S. Sixth Fleet in the Mediterranean, was lost during an approach to landing aboard the Aircraft Carrier, Randolph.

News of the plane accident was released this morning by the Public Information Office of Heavy Attack Wing One at the Sanford Naval Air Station to which the squadron was attached.

Four crew members aboard the plane were lost.

Amplifying details of the accident have not yet been received.

Crew members of the ill-fated plane were: Lt. Comdr. O. Scott Browne, pilot, whose wife Audrey and four children live at 280 Grandview Ave., Sanford; Lt. (jg) Dewey E. Helms, bombardier-navigator, whose wife, Ann, and two children live in Sanford; Jimmy R. Bailey, AOT, third crewman, whose wife Jacqueline and two children live at 104 Pinecrest Drive; and B. M. Underwood, AQL, whose wife Helen resides in Delbart.

## Steps Taken To Get Treatment Plant Here

By City Manager WARREN E. KNOWLES

Since the construction of a sewage treatment plant is such a vital question to the people of the City of Sanford, it is best that a factual report be given to the public on the steps that are being taken to provide this facility. It is hoped that, in this way, any misunderstandings can be corrected and everyone can discuss the matter in relationship to the action now underway.

In 1954, the City of Sanford, undertook a water and sewer program at an estimated cost of \$1,175,000.00. The purpose of this program was to provide a sanitary sewage collection system throughout the city as far as possible. At this time, the Florida State Board of Health requested that a primary sewage treatment plant also be constructed as a part of the program. The City of Sanford did not have the funds needed for this phase in the certificate issue.

On the advice of two separate engineers, the City Commission came to the conclusion that the collection system was of primary importance and that this collection system would remove the sewage from being deposited along the bulkhead.

In March of 1954, representatives of the State Board of Health met with the City Commission to agree on the necessary program. An agreement was made to the satisfaction of both parties in the form of a resolution numbered 830 and was passed on April 12, 1954. This resolution stated very clearly that the construction of a sewage treatment plant as both desirable and expedient and agreed to a commitment that a treatment plant be constructed or under construction by the City of Sanford within three years from April 12, 1954. It was further agreed that the requirement and construction of the plant was based on the financing by an additional revenue certificate issue based "only upon the collateral pledged for the original revenue certificate issue presently authorized." This very clearly indicates that the City could not be asked to increase utility charges to provide collateral for the financing of a treatment plant.

With the completion of this agreement, the State Board of Health gave their approval to the plans for the sewage collection system. Bills were taken and the work was started. It was then seen that the cost of construction was well over the estimates and that the additional revenue certificate issue would be necessary to offset simply to complete the collection system. The fiscal agents advised the City Commission that the maximum amount that could be secured at that time was \$255,000.00. This amount was used simply to complete the work on the collection system that was already under construction. This was the same issue that was to be used for the treatment plant. The City of Sanford was now faced with having borrowed to its capacity on the utility revenue at that time. However, this did not mean that a treatment plant was abandoned for it was clearly predicted that the normal growth of the utility system would provide additional funds after several years that could service a third issue of revenue certificates.

In August of 1956, the City Commission informed the state Board of Health that it would be approximately four years before here would be a surplus of funds to provide for a treatment plant. In answer to this letter, the State Board of Health sent a letter saying they would not approve any further extensions without a treatment plant. This same letter was

## Big Crowd Expected To Be At Halloween Carnival Tomorrow

Everything is in readiness for tomorrow night's Southside School Halloween Carnival, said Mrs. Velma Mitchell, principal of the school.

Preparations have been underway for weeks, in order to have every booth, every game, every ride, all set for the Halloween crowd.

This year, according to officials of the Southside School P.T.A., the crowds are expected to be bigger and merrier.

Two dance revues will be staged so that everyone will have an opportunity to see the young dancers take part in their Halloween old first fall revue. The first will be at 7:30 p. m. and the second will follow in 1 1/2 an hour.

There will be rides for the children, and plenty of them, a train will be on hand to take them on a tour of the grounds.

The American Legion is furnishing the automotive train, while Snappin' Turtle will be taking other crowds on scenic trips.

The "Pair Tree", Country Store, a booth for pooled pins, and table arrangements, a Post Office, and other exciting booths will be provided to furnish entertaining shopping for the older folks as well as the young fry.

A hand will be on hand to furnish music under brilliant lights that have already been tested for the event.

Leading off, of course, will be the annual spaghetti supper that will be served beginning at 5:30 p. m. in the school lunch room.

Other tasty items, atmosphere sandwiches and drinks will be on hand on the grounds. These will include hot dogs, cold drinks, coffee, and other tid bits that will delight everyone.

Nothing has been left undone in providing a wonderful evening for all who attend the Southside School Halloween Carnival. The dressing up in costumes for the big event will be the highlight details which provide youngsters with the "thrill or teen lives" as they take part in the contests for the most original creations.

The whole evening, tomorrow night, has been set aside at Southside School for the gigantic Halloween Event that is one of the "most looked for events around the city."

## Goldenrod Home Damaged Saturday By Fire, Water

The lovely home of Mr. and Mrs. H. C. Parker at Goldenrod was badly damaged early Saturday morning by fire and water.

Mrs. Parker said "We had just had a new heating system installed on Friday."

Mrs. Parker said, "We lit the heater Saturday morning and shortly afterward found something to be amiss."

Mr. Parker went into attic to find what the trouble might be and there was so much smoke they couldn't get in.

Damage to the home is estimated at \$2,000.

The Oviedo Fire Department and Killarney fire truck and emergency truck answered the alarm. The Florida Power Co. also sent an emergency vehicle.

Parker is a prominent citrus grower of the Oviedo section and father-in-law of Ben H. Jones, former operator of the Oviedo Drug Store and now a prominent citrus grower himself.

The home is a one-story frame house recently renovated, air conditioned, and new oil heating system just installed.

It is on the main highway between Oviedo and Winter Park at Goldenrod.

The Oviedo Fire Department had the blaze under control and out before other trucks arrived. The Oviedo Fire Department said, following the blaze, that "We appreciate the volunteer fire department at Killarney coming to our aid."

Both the Oviedo and Killarney Fire Departments are manned by volunteers from the communities.

## Man Vanishes From Jail Cell

WILDWOOD, (AP)—A Negro farm laborer, placed in jail for protective custody at his own request after he was accused of insulting a white woman, disappeared under strange circumstances early yesterday.

Jesse Woods, 39, was missing from his jail cell when Police Chief Ed Mullis returned from chasing two speeding cars. There were blood spots on the floor and a bunk was overturned. A day-long search failed to turn up any clues on his disappearance.

First reports of the incident reached The Sanford Herald about 3 o'clock Sunday morning. It was believed at that time that a full-fledged race riot might precipitate from the flaring tempers in and around Wildwood.

Florida Highway Patrol officers were placed on a standby basis and many were called to the scene. And it was reported that sheriffs and sheriff deputies from surrounding counties were summoned to the Central Florida town.

Ammunition for shotguns, rifles and pistols was being sold at a rapid pace at Wildwood's only store open at the time of the incident. However, the sales were discontinued and restricted to those wearing badges of law enforcement agencies.

Gov. LeRoy Collins asked the Florida Sheriff's Bureau and Sheriff M. H. Bowen of Sumter County for a full report and the FBI said it is looking into the case to determine if it has jurisdiction.

Since daylight yesterday all has been quiet in this little central Florida town, 75 miles north of Tampa.

William A. Fordham, president of the Florida conference of the National Assn. for the Advancement of Colored People, said at Tampa. "From what I've heard it looks like a lynching. If it was, we definitely will make an investigation."

Woods was arrested Saturday (Continued On Page Seven)

## Earl Higginbotham Is Raising Two Prize Show Cattle

"This is the cattle that I am raising for show cattle," City Commissioner Earl Higginbotham said recently as he pointed out two prize bulls and a herd of heifers at his cattle ranch near Lake Monroe.

Commissioner Higginbotham explained that the two bulls bred from famous show cattle have already reached the stage of being show cattle themselves.

Guiding the two bulls around just as if they were pets, he calls each by nickname. This one, he said is "Larry" and the other is "Peewee."

The father of both of the young bulls is Advance Harry the 19th, Higginbotham said, and was the grand champion of California. "Advance Harry the 19th," he said, sold for \$18,500.

The mother of the two young bulls at Earl Higginbotham's ranch is C.W.R. Miller, and was the grand champion heifer at Atlanta, Georgia in 1951. She sold for \$2,750 at an Auction, he said.

"The real names of these show cattle are "H.C.R. Advance Larry the 19th" and R.C.R. Larry the 10th," he said.

Higginbotham cares for the two excellent examples of show cattle as if they were pets, brushing and currying their bodies as if all ready to take off for one of the big livestock shows of the south.

It's one example of the many efforts that are being originated to bring additional publicity and attraction on Seminole County from other sections of the country.

## Oviedo Students Pick Cheerleaders; Sisters Preferred

By MARIAN JONES

OVIDEO—When it comes to choosing cheer leaders the students of the Oviedo High School prefer sisters. So it seems from the results of the voting Friday for same.

Numbered among the six finalists are Peggy an Emily, both known as Julie Fleming; also Melanie and Pat Jackson. Dawn Walker and Betty Stevenson make the six in number.

Peggy, Dawn and Betty are members of the senior class this year and are veterans at the cheer leader game. Melale, a junior, is also a veteran.

Julie and Pat, both ninth graders, are newcomers to the field. We anticipate great things at the games this year with this lineup of pretty lassies. We know the team will have to win with their backing.

## Kiwanis Club Will Visit Pinecastle Air Force Base

The Sanford Kiwanis Club will visit Pinecastle Air Force Base Wednesday in lieu of its regular luncheon meeting at the Yacht Club.

Buses will leave Seminole High School for Pinecastle Air Force Base at 10 a. m.

Lunch will be served to the local group prior to inspecting a B-47, one of the newer Air Force jet planes. The group of Sanford Kiwanians will be taken on a tour of Pinecastle Air Force Base during their visit.

## Former Resident Dies In Tampa
