

LIST OF FLORIDA SOLDIERS BURIED IN EUROPE MADE

Wives And Mothers Of Deceased Are Urged To Write Auxiliary

The mother, widow, or stepmother of United States soldiers, sailors, who were killed during the World War and are now buried in France are urged to communicate at once with the local American Auxiliary post if they desire to accept the offer recently made by Congress, whereby they may visit the graves of the deceased in Europe at the government's expense.

In view of the fact that this pilgrimage will take place in 1930 and that the government officials desire to get some idea of the number of reservations to make for the many mothers and wives, Mrs. E. W. Owen, Florida Rep. representative, urges the importance of an early correspondence with the Legion Auxiliary.

Mrs. Owen has requested that the following list of Florida deceased World War soldiers be published.

OVIEDO

By Mrs. S. R. Wehrle

Hon. Victor E. Lawson and party from South Willmar, Minn., arrived in Oviedo last week for a short visit. Mr. Lawson is a state senator of Minnesota and publisher of the Willmar Daily Tribune. The party came here for the purpose of trying to locate the grave of a certain Rev. Lindstrom, one-time minister and teacher during the latter part of the nineteenth century.

Mr. Lindstrom, before his death, came to Oviedo in search of health. He died and is said to have been buried, at his request, in his yard. The burial place has since been lost. Mr. Lawson informed the city clerk that if the graves were located the Southern Church of America will erect a monument at that place in memory of the deceased "as an appropriation had already been made for that purpose."

Mr. Asbell and Mr. Cole closed the cabbage cutting season here last week when they shipped the last car of cabbage. The Nelson and Cole closed its packing house Feb. 28.

B. F. Wheeler was in Jacksonville Monday where he attended the meeting of the state commissioners.

Mrs. C. L. West left Tuesday for Atlanta, Ga., where she will visit her sisters and friends.

Judge Theo. Austin and family with Mr. and Mrs. Mason motored to Tampa last week.

The Oviedo High School basketball team defeated the Winter Park five by the score of 20-10 on the local court Thursday night.

Mr. and Mrs. B. F. Cole, who have been residing in the Arie Cottage on the Sanford Road for the past few years, are now at home to their friends in the C. L. West Cottage in Oviedo.

Mina Nell King and George and Alex Morgan spent Sunday at Lake Wales and the Bok Tower.

C. D. Mariner and family and the Misses Edith Clements, and Alfred Cone and John Lawton motored to the Bok Tower Sunday afternoon.

Rev. Jordan and grandson, E. J. Bohner are spending some time at the home of Mr. Jordan's son, L. B. Jordan.

Donald and Harold Cook of Orlando were visitors in Oviedo Thursday afternoon.

Mrs. B. F. King entertained in honor of her daughter, Minnie King's, 22nd birthday at her home Saturday afternoon. About 30 boys and girls were present. Mrs. King was assisted by her sister-in-law, Mrs. Ralph King, and Mrs. Mitchell during the party. Refreshments were served late in the afternoon.

Several friends of T. L. Jinga, superintendent of the Methodist Sunday school, gave him a surprise birthday party at his home on Myrtle Avenue Tuesday evening.

PERKINS RAPS HIGHWAY BODY ON RESIGNING

(Continued from page one) has become of this property, the destruction of which records is to my mind a very serious matter.

"I have also shown you in affidavit form that three members of the board, Mr. Bentley, Mr. Shands and Mr. Graham, hold meetings and transact business without the full knowledge of the board, which to my mind is not healthy for the state and not in keeping with your policies as set out by you in your campaign and the manner in which you conduct our own board meetings.

"Again, since I have been investigating these matters mentioned and others, together with the activities of this board, my membership has become so obnoxious to them that I cannot serve the best interests of the state as a member of the pre-existing board."

Perkins was one of the leaders for Governor Carlton during the Democratic primary which resulted in his nomination in 1928. He has been a member of the State Highway Department for more than a year.

The three members of the board referred to in the letter are Robert W. Bentley, chairman, of Tallahassee; W. S. Shands, Gainesville, and E. R. Graham, Pensacola.

Under the great dome of the Capitol, the body will lie on an historic catafalque upon which seated—Abraham Lincoln, James A. Garfield, William McKinley and Warren G. Harding.

The funeral services, brief ceremonies of 20 minutes duration, will be conducted by the family pastor, the Rev. Ulysses G. B. Pierce. Commerce Body Discloses Plans For Coming Year

(Continued From Page One)

Front Road. We believe it worth trying for.

Water Transportation

Within the last two years we lost the transportation facilities in force by the Clyde Line, but this has not been a handicap so far as freight transportation was concerned, and we believe it wise to get stanchly behind the two transportation companies now in operation and work to not only improve the freight transportation we now have but, again get in force passenger service. We are right now working to get the channel marked with lighted beacons.

Retail Merchandising

We believe it highly important that we render every aid at our command for the build-up of a merchandising center in Sanford and do our utmost to convert our home folks into an appreciation that the patronizing of our Sanford stores will do more toward that end than anything else that we do.

Municipal indebtedness

There is no question but what the unsettled financial condition of our municipal affairs is militating against not only the holding of our own citizens and enterprises, but it retards the possibility of our interesting newcomers and new businesses and we pledge our strong co-operation behind the City Commission for a settlement of our municipal debt.

Agricultural Needs

Appreciating that we are essentially on agriculture community and that the prosperity of our citizens depends on the profitable marketing of the farmers' crops, we pledge our services to the growers in assisting them in the working out of their problems.

Airport

Airport facilities are recognized as being essential in every progressive town in the country. In order to keep Sanford in the forefront with progressive communities, it is necessary for Sanford to have a modern airport. One of the important projects of the Chamber of Commerce will necessarily be the securing of facilities that will permit Sanford to capitalize on this important and fast developing means of transportation.

Publicity and Tourism

We are hopeful that through properly directed publicity we will be able to give Sanford a wider acquaintance with winter visitors coming into Florida. We approach the problem knowing that we have been remiss in our efforts to develop our winter visitor patronage. In spite of this we have enjoyed a splendid tourist patronage and we pledge ourselves not only to encourage these winter tourist friendships, but will attempt to work out a program of entertainment for them and will direct our publicity to the end that we can bring in more tourists and make their stay here more pleasing.

Miscellaneous

There are many activities that need the attention of an active Chamber of Commerce and we pledge ourselves to achieve the best results possible along the lines of making proper representation at our County and State Fairs; development of our water front to the end that we may encourage more distributing houses; the obtaining of conventions and the supporting of our County Commissioners in every way possible to work out the projects which are of interest to both the City and County.

There will be no eulogy.

The highest of the government led by President Hoover, will attend the church services. The Senate and House will be represented by delegations of 20. The cabinet and the diplomatic corps will be present.
