How else would a fouryear-old explain the results of his Mommy's Herald Classified Ad?

Daddy's pretty glad, though, for Mommy promised him she'd use the money to buy him a new chair to match her living room furniture. But Daddy didn't expect results so soon!

Things like this happen fast when you dial 322-2611 or 425-5938 and ask Mrs. Alexander or Miss Davis to run a Classified Ad. Results come so quickly, you sometimes don't even get a chance to sit down!

The City of Sanford will present legislation tomorrow to annex 800 acres of the Sanford Naval Air Station into the city

W. C. Hutchison, city attorney, will present the request to the Orange-Seminole legislative delegation at the courthouse at hearing Saturday morning.

Sanford also will seek to "redefine the city limits" taking in some 500 acres in various other areas with a referendum attached to the legislative proposal.

Areas the city plans to annex are the Greenwold section and Dr. Adams' property near the southwest corner of the city; South of Sanford Avenue from 26th Street to Onora Road: East of Academy Manor near the Crooms school. Other legislation sought by the city is a charter amendment to provide "open shop;" changing the two-year provision of annexation to a five-year provision regarding signed petitions; several amendments to the Civil Service law and changing from three per cent to five of the salary of police officers under the pension plan.
