Double Ring Rites Unite Lucy Woods, J. T. Heath

By MARION BETHEA In an aura of ethreal beauty Lucy Josephine Woods, daughter of Mr. and Mrs. James E Woods, became the bride of Jeffrey Torrance Heath, son of Mr. and Mrs. Harold E. Heath. The puptials were solemnized en Jane 13, 1970, at 7 p.m. at Congregational Christian Church, with Dr. J. Bernard Root, pastor emeritus, officiating at the candlelight double ring ceremony.

The church altar was enhanced with a profusion of potted palms, in which two floor baskets holding white gladiolus, white stock, yellow mums and eucalyptus, were interspersed. Similar baskets, containing white pom pon mums, were placed at the rear of the sanctuary and the chancel held vases of white Victorian bridal roses. Mrs. A. M. Remusat, organist, presented a program of nuptial music, and Miss Patty Meredith sang, "Ine Hawaiian

Wedding Song." The radiant bride, given in marriage by her father, wore a formal gown delicately designed of white Chantilly lace in a modified A-line Empire silhouette, featuring a high necked ruffled bib bodice and threequarter triple lace ruffled sleeves. The detachable chapel length panel train was edged by ruffles extending from the Empire back and topped by over lays of peau de soie sash.

Six members of the Seminole County Board of Realtors will lando area July 19 through 25, according to Levie D. Smith, Jr., Lakeland, president of the Florida Association of Realtorssponsor of the Institute.

They are: Errol Greene, Judith Greene, G. James Willette, Shirley Thompson, John Thompson, and Anthony Juliano.

The Florida Realtors Institute is composed of three coursesbasic, intermediate, and advanced - which will be conducted simutaneously for one week. Those who successfully complete all three courses, over a three year period, are awarded the nat; hally-recognized GRI (Graduate, Realtors Institute) designation, a mark of distinction in the Realtor profession. Twenty faculty members will be instructing in 18 real estate specialties this year, Smith said.

Education committee chairman of the state association is John R. Sibley, Daytona Beach, who will serve as intermediate course dean. Deans of the basic and advanced courses are Jack Gale, Maitland, and John R. Wood, Naples, respectively. Roger A. Hurst is education director of the association.

Registrations from Realtors and Associates are still being accepted. Information can be obtained from: Florida Realtors Institute, Florida Association of Realtors, Box 1231, Orlando, Florida 32802.

GAF Consolidates Operations

NEW YORK - GAF Corporation has consolidated its dyestuff and chemical and textile chemical operations into a newly formed Chemical Division, it was announced today by Edwin R. Cowherd, vice president in charge of the operation.

Cowhern said the new unit merges the former Dyestuff & Chemical and Textile Chemical Divisions "to achieve greater manufacturing efficiency and more unified marketing efforts.

H. Alison Webb, general manager of the former textile chemical division, will assume the post of director of marketing for the new division, Mr. Cowherd said, and will make his beadquarters at GAF's corporate offices in New York City. He and Christian A. Hansen, division director of manufacturing, will report to Mr. Cowherd.

The textile chemical division was created early in 1967 by combining the operations of Burkhart-Schier Chemical Company, Checkmate Chemicals, Inc. and Southeast Polymers. Inc., three companies which GAF ha dacquired a year earlier. The division, headquartered in Chattanooga, Tenn., served the southern textile industry, with emphasis on the carpet industry.

RRADENTON - Tropicana Products, Inc. today filed a registration statement with the Securities Exchange Commiszion covering the proposed public sale of 450,000 shares of common stock. These shares are being sold by certain stockholders, some of whom have agreed to loan 4 million dollars to the company out of the proceeds realized by them on the cale of such shares. The company will not otherwise receive any of the proceeds. The financing will be underwritten by a group managed by Eastman Dillon, Union Securities & Co.

The Company intends to apply for the listing of its Common Stock apon the New York Stock Exchange upon the completion a' the offering.

Tropicana Products, Inc. is engaged primarily in the production and sale of cailled orange and grapefruit juices and fruit-based drinks. It also produces and sells concentrated drink and sherbet bases, fruit-based drinks. It also produces and concentrated drink and sherbet bases, fruit flavored drinks and, as by-products of its basic operation, citrus pulp fumes and extracts. Tropicana processed more than eight per cent of all oranges processed in Florida during the 1968-69 crop year and shipped approximately 49 per cent of all chilled single strength juice, including reconstituted juice, shipped by Florida's producers during that season.

Food Fair Stores, Inc., reported a 13% increase in sales for the 40 weeks ended May 9 compared with the year before. Sales climbed to \$1,255,983,000 compared with \$1,195,819,-999 for the 40 weeks ended April 25, 1968.

Net income amounted to \$6,186,000, equal to \$1.12 a common share, compared with \$8,696,000, or \$1.18 z share, in the year-age period.

For the 12-week third quarter, sales rose 12% to \$412,-091,000 compared with \$369,003,000 a year ago.

Net income for the 12 weeks was \$1,191,000, equal to 16 cents a share, compared with \$2,063,000, or 28 cents a share,

Louis Stein, chairman, and Jack Friedland, president, said the company had converted 60 supermarkets to discounting operations in the current fiscal year and had opened 16 new supermarkets and three J. M. Fields department stores.

Grant Awarded

TALLAHASSEE - A federal grant totaling \$15,614 has been awarded to the Florida Division of Retardation to employ 35 students for a two-month summer period in the state's six Sunland Training Centers and Hospitals, the Division announced

The students will be paid \$220 a month for two months of work at the Sunland institutions under the Student Work and Training (SWEAT) Program provided by the U.S. Department of Health, Education and Welfare.

The program begins July I and will continue ligrough August 28, and is open to High School seniors as of September, 1970, or a High School graduate accepted by a college, university or junior college. Also eligible are university, college and junior college freshmen and sophomores.

Applicants must apply for the jobs directly at the Sunland Training Centers and Hospitals located in Marianna, Tallahassee, Gainesville, Orlando, Miami and Ft. Myers.

The Division announcement suggested that students should apply for the appointments at Centers nearest their homes, since the program does not provide funds for room, board, provislans or transportation.
