 Tuesday: Bible Training — 7:45 p. m.
 Thursday: Young People Service 7:45 p. m.

When A FELLOW Needs A FRIEND

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sunday 10:15-11:15	Monday 10:15-11:15	Tuesday Act 2:37-47	Wednesday 11 Corinthians 1:8-14	Thursday 11 Corinthians 4:7-18	Friday James 4:1-9	Saturday 1 John 1:1-7
-----------------------	-----------------------	---------------------------	---------------------------------------	--------------------------------------	--------------------------	-----------------------------

A perfect picture of dejection! Perhaps it's another rainy day. Even little children have their serious moments. "What is there to do next?" "Mommy, where did I come from?" Or, "Daddy, is God up in the sky?" Little questions of little children grow into big questions by big people. Sometimes the bigger the man, the more humble the question, and of course... directed to God.

The place for such questions is the Church. In church, ponder the imponderables, ask the old, old questions; receive the gentle answers. Church, too, is God's Home. He's waiting for you there.

Episcopal

---	---	---	---	--	--	--	--	---	---	---

Seminole County's population growth is projected as second highest out of 15 counties in Florida expected to grow most in total number of people by 1975.

This information, from the latest Florida Kiplinger Letter, projects a growth of 83 per cent for Seminole in 10 years.

The projection is for a population of 96,000 in Seminole by January, 1970 and 128,000 by 1975. That would be an increase of 37,000 over the current estimated population.

The newest estimates of Florida's future growth are based on talks with population experts, government, business and industry leaders.

There seems to be some question about the size of the Senator, the giant cypress at Big Tree Park. The figure mentioned by the "Clock" the other day was 35 feet, 2 inches around. That is the figure listed by the Florida Forest Service in its December Reporter. A speaker on a recent television program referred to the circumference as 53 feet, two inches.

Seminole County Sportsmen's Association will hold a fish fry at its new pavilion near the Wekiva River Friday night.

The Kiwanis Club's annual Pancake Day is reported to be about the most successful ever. The financial report isn't complete but it is expected to be very good.

The DCT banquet, an annual event honoring employers of students in the program will take place at the Seminole High School cafeteria, or student lounge, as it is called, on April 6. That's next Tuesday, rather than this week.

Science fairs are wonderful events. Despite derogatory charges made against today's teenagers, a trip to a junior and high school science fair will put today's youth into their proper perspective. You feel kind of stupid as you walk around and try to comprehend the brilliant work of these science students, who write knowledgeably of things we never even heard of a generation ago.

The Space Age we are living in today is really hard for the average person to comprehend. Just how hard is brought home at a Science Fair, when half of what these students are demonstrating is over the head of most of their parents.

One of the most fascinating facets of this era is an entirely new subject, entitled Earth-Space Science. They are just now writing the textbooks about it. One of Seminole County's teachers, Ronald Hill of South Seminole Junior High School, will help write such a book this summer.

247 Persons Die In Chile 'Quake

SANTIAGO, Chile (UPI)—Authorities disclosed today that 247 persons died in the earthquake that devastated a wide area of central Chile Sunday.

National police officials listed as dead 214 residents of the village of La Cobre which was wiped out by tons of mud and water when a dam burst.

Elsewhere, 33 persons were known dead, including four each in Santiago and Valparaiso — Chile's two largest cities.

MERGER EYED
PALM BEACH (UPI)—The Florida Daily Newspaper Association is expected to vote Saturday to merge with the Florida Press Association, an organization of weekly newspapers.

Merchants Favor Lakefront Project, Survey Shows

By Paul Brookshire
Downtown merchants jukewarm in their support of the lakefront project? Not hardly.

Mention words like "apathetic," "indifferent," and "dragging heels" to these people and they come out fighting.

Every merchant polled by The Sanford Herald said he was unquestionably for the proposed marina and lakefront improvement plan.

"We're 40 years late right now," said John D. Ivey, of Ivey's Shoe Store. "The lake is not being used for a real good purpose when it could be our biggest asset."

"Terrific" and "wonderful" were words used by Miss Doris Fleming, of Fleming's, when asked for her reaction on the project.

"I think it will be terrific and a money-making thing," she said.

Francis Roumillat, of Roumillat & Anderson Drugs, said he is 100 per cent behind the marina.

"It is our only answer to save our identity as a community," he declared. "I will give my time and whatever effort I can to get this project started."

Glenn McCall, of Touchton's, had a similar response to reports merchants were not giving their all in support of the lakefront-improvement.

"We're 100 per cent behind it," he said. "Anything we can do, we'll do it. We are giving our full support to the city commission and are willing to help anyway we can."

Manuel Jacobson, of Jacobson's department store, echoed sentiments of the same nature:

"We're all for it," he said. "Everyone I know is for it."

Howard Hodges, president of Sanford Atlantic National Bank, had this to say:
"We're solidly behind the program. It will create an image for our city."

At Florida State Bank, Vice President Loring Burgess commented:

"We have been spearheading this from the beginning and there is no question where we stand."

B. L. Perkins Jr., of Perkins Men's wear, said he couldn't understand how talk got started that the downtown merchants might not be supporting lakefront improvement.

"We're certainly for it. We feel it is our biggest asset and we hope it goes through," he said.

Charles Robinson, of J. C. Penney's, said simply, "we're all for it."

New Winter Storm Blasts Upper Midwest

44 Students Win Honors In Science Fair

By Evelyn Lundy

Awards ceremony which climaxed the two-day Seminole County Regional Science Fair was held in the Oviedo School auditorium with 44 students receiving ribbons, trophies, bonds and cash.

Six of the students will have their exhibits entered in the State Science Fair in Orlando April 8-9. All received savings bonds from the sponsors of the fair as well as blue ribbons.

John Stuart of Lyman High School, whose demonstration of the ultrasonic mutations of micro-organisms was a top winner in botany, also won the trophy for the best overall project in the senior high school division.

Eddie Pula, of St. Luke's School, whose project was on telegraphic relay, received the most outstanding junior high school project award.

Special award for the best project concerning cardiovascular disease was presented to Tom Jones, of Sanford Junior High School.

A microscope for the most superior project in the junior high school division was won by Gilbert Michael, of Oviedo Junior High, who demonstrated his experiment in making glass.

Richard Lombardi, Lyman, was a winner with a project on the detection of primary genetic factors through chromatography in fluorescent pigments of fruit flies.

Gardner Preedy, Oviedo High School student, won a bond and state fair entry with his mathematical project on the theory of probability.

Nancy Strum, of Seminole High School, who had the only exhibit from her school, was a top winner in the field of botany with her demonstration of photo-activation.

Larry Shull, Oviedo High School, with a homemade seismograph, won a top award in the earth-space science field.

James Wakefield, of Lyman High School, had a winning physics project which involved the explanation of the schematic operation of the laser beam.

SIX SCIENCE FAIR exhibitors, winners in the Seminole County regional fair, will have their projects entered in the State Science Fair in Orlando April 8-9. Shown here after receiving top awards at the Oviedo School auditorium are

Gemini Twins Given Welcome N. Y.-Style

NEW YORK (UPI)—

America's Gemini space twins explored the celebrated path of heroes today in a ticker-tape parade up lower Broadway that lifted off a day-long official salute from the nation's largest city.

Astronauts Virgil (Gus) Grissom and John Young, accompanied by their families, rode in a motorcade through the paper-raining canyons of the financial district to City Hall and a red-carpet welcome from Mayor Robert F. Wagner.

After delivering brief remarks and receiving gold keys to the city, the first men to change the orbit of their space capsule resumed parading to midtown Manhattan and the Waldorf Astoria, where they were to preside at an informal and private VIP lunch. A festive official city reception was scheduled.

Public Events Commissioner Richard C. Patterson headed the delegation welcoming Grissom, his wife, Betty and sons Scott, 14, and Mark, 11, and Young, his wife, Barbara and children Sandra, 7, and John Jr., 6.

The astrocade from La Guardia Airport was feted with two fireboat water salutes as it proceeded down the East River drive to the Battery, at Manhattan's lower tip. The parade began from nearby Bowling Green.

The Civic Center will have a restaurant odor Tuesday night when the second annual Mr. and Mrs. Creative Cooking School gets underway at 7:30 p.m. with the famous "Martha Logan," from Swift and Company offices in Chicago, demonstrating new and better ways to cook all kinds of good things to eat.

"Miss Logan," who arrived in Sanford Sunday, was at the Public Supermarket early today selecting the meats, vegetables and other items which she will use in the two-hour cooking school demonstration, sponsored by the Seminole County Extension Service, Florida Power and Light, The Sanford Herald, Florida Power Company, Publix and Swift and Company. (See details on page 5.)

Strike Ends
ATLANTIC CITY, N. J. (UPI)—The nation's 32,000 glass workers returned to work today under a new three-year contract which provides an estimated 3 1/2 cents an hour package.

The 11-day strike closed down 64 glass container manufacturing plants throughout the nation.

MISS MARGARET QUARLES will join with other home economists and food specialists in presenting for the public the second annual Mr. and Mrs. Creative Cooking School at 7:30 p.m. Tuesday at the Sanford Civic Center.

Visit Cooking School Couple Injured In 2-Way Crash

A Delray couple was injured Sunday afternoon in a collision of their automobile with a tractor-trailer at Highway 17-92 and Interstate 4.

William W. Kastner, 70, of 110 Palmyra Road, and Mrs. Kastner were treated for minor injuries.

Trooper Duane Harrell said Kastner's car collided with a truck driven by Ray E. Deese of Charlotte, N. C. Deese was not hurt.

Kastner was charged with violation of right-of-way, according to Harrell.

KKK Dragon Waits On LBJ

ATLANTA (UPI)—The grand dragon of the Ku Klux Klan and the imperial wizard awaited today a reply to a request for an immediate meeting with President Johnson to discuss his proposed clampdown on Klan activities.

Grand Dragon Calvin Craig and Imperial Wizard Robert Shelton, who two days ago called the President a "liar," sent a telegram Sunday asking for the meeting.

Dragnet Out As WU Office Here Robbed

A man on crutches who robbed the Western Union office in Sanford Friday night may be the same person who has staged holdups in Gainesville and St. Augustine earlier this month.

Police said today they have received notice that a man of the same description held up the Western Union office in Gainesville March 20. He also is believed to be the same person who robbed a St. Augustine loan company earlier.

The gunman entered the Western Union office on West First Street in Sanford about closing time Friday night.

He demanded that Mrs. Virginia M. Jacobs, office manager, put all of the office money into a paper bag he carried.

Mrs. Jacobs said the amount taken was undetermined.

The automobile used in the gunman's getaway was identified by Wayne Albert, of Florida State Bank, who was across the street at the time of the holdup.

Albert said the gunman got into a car parked on Oak Avenue, made a U-turn with lights out, and left at a high rate of speed south on Oak.

A notice from the Gainesville Police Department said the gunman who robbed the Western Union office there drove away in a car with Seminole County tags.

He was identified as a Negro, about 40 years of age, six-foot tall and weighing about 200 pounds.

He told his victim in St. Augustine that he was injured in an automobile accident, but Gainesville police said, if it is the same man, they believe the injury may be an old one. They said his foot appeared to be in a cast in the Gainesville holdup.

Commies Cease Cyprus Supplies

WASHINGTON (UPI)—Strong diplomatic pressure from the United States and other nations appears to have halted, at least temporarily, delivery of Soviet-made anti-aircraft missiles to Cyprus.

Diplomatic sources reported during the weekend that a ship believed to be carrying such missiles from the United Arab Republic sailed to Cyprus recently but did not unload her cargo.

EDUCATION

WASHINGTON (UPI)—Senate Democratic leaders, urged on by President Johnson, pushed today for speedy Senate approval of the House-passed \$1.3 billion school aid bill.

Arctic Cold Whips Snow

United Press International
A new storm which raged out of the Rockies postponed spring in the upper Midwest again today, bringing winds which whipped foot-deep snows into massive drifts and dragging arctic cold with it.

Tornado warnings were up early today in parts of Indiana, Kentucky, Tennessee and Ohio.

The storm increased the snow cover in parts of Minnesota and Wisconsin to nearly four feet and raised a threat of history's worst floods in the Upper Mississippi Valley in the event of a sudden thaw.

Duluth, Minn., had 42 inches of snow on the ground and Minneapolis 27 inches.

The nearly half-a-foot of new snow at Minneapolis raised the total measured this month to 37 inches, within three inches of the record for March, with more forecast by mid-week.

North Dakota got an inch of snow and a 16-year-old youth was killed when a car attempting to pass a snow plow collided with his auto on a highway near Wahpeton, N. C. Sunday.

U. S. 16 was blocked by snow drifts from Presho to Chamberlain, S. D., and a foot of snow halted highway travel around Hunt, Highmore and Gettysburg, S. D.

Travelers were warned against using highways west and north of Minneapolis, Minn.

Roads were ice glazed and treacherous southward into Nebraska and Iowa.

Heavy snow warnings were up during the night for sections of South Dakota, Minnesota, Iowa, Wisconsin and Upper Michigan.

Light snow fell in the mountains of Wyoming, Colorado and New Mexico.

Welcome Mat

WASHINGTON (UPI)—President Johnson planned a warm welcome with full military honors today for President Maurice Yameogo of Upper Volta, a staunch ally in the battle to block Red Chinese penetration of Africa.

Vessels Lost

WASHINGTON (UPI)—An unsuccessful attempt by the U. S. Coast Guard to find three Soviet fishing vessels lost in Alaskan waters under mysterious circumstances has been revealed in congressional testimony.

Divorcee Points Finger At Lover In Wife Slaying

MUNCIE, Ind. (UPI) — Ethel Key sat beside her husband in the slow moving car. She was happy and nostalgic, for it was their 13th wedding anniversary.

A few hours earlier Rev. Jack Greenfield (Ind.) Church of God, had re-enacted the marriage ceremony he performed that spring day in 1952 for Ethel and Loyd Key.

And now as the evening of March 21, 1965, was drawing to a close, Ethel, 29, and Loyd were en route back to their Marion (Ind.) home and their four children.

Loyd, 30, the son of a Jasper (Ala.) minister, stopped the car and moments later Ethel Key's revolver was halted forever by six bullets pumped through her brain.

Police found Key standing beside his car, parked along Interstate 69. Mrs. Key's body was on the seat of the auto.

Key told officers that he had stopped for a flashing red light in the belief that it was a police car, two men approached, ordered him out of the car, took his wallet and his wife's purse, and ordered him to crawl under the vehicle.

He said he heard several shots and then heard a car driving away. He said he emerged and found his wife's body.

Key was freed after questioning. Last Thursday police received a tip that Mrs. Phyllis Hazelbaker, divorced mother of three and a worker at the factory where Key was employed, might know something about the case.

Mrs. Hazelbaker agreed to go to Indianapolis Friday for a lie detector test.

During it she confessed plotting with Key to kill his wife so that he might marry her.

She said she followed the Key car and when it stopped she went to the car, gave her lover soap and a damp cloth to wash his hands and took from him the still warm pistol, his wallet and his wife's purse.

Rev. Key prepared today to take his four grandchildren back to Alabama. His son faced arraignment on a first degree murder charge.

Former Resident Dies At Orlando

Mrs. Ethel Holly Osborn, former resident of Sanford, died Friday in Orlando.

She was born in Cleveland, Ohio, and was a member of Taft Seventh-Day Adventist Church. She was bookkeeper and moved to Orlando from Sanford in 1942.

Survivors are her mother, Mrs. Mary Holly, of Sanford, and a sister, Mrs. Eleanor Kuestner, of Boca Raton.

Garden Chapel Home for Funerals is in charge.

Tag Day

The Longwood Civic League has set this Friday as Tag Day for the Longwood Library which is entirely supported by members of the League. Donations of any amount will be gratefully accepted by members with tags at the Longwood Plaza, the Post Office, and Winn-Dixie at the corner of Sanlando Springs Drive and Highway 17-92.

Catholic Meet

The rosary making group of the Church of Nativity Catholic Women's Club will meet at 8 p.m. today in the social hall of the church. Mrs. Jennie Fox, ways and means chairman, will conduct the meeting.

Study Study

Studies made in the United States and Europe at widely different periods of time all show that virtually no children under the age of 15 commit suicide, according to the Encyclopedia Britannica.

Funeral Notices

CAMPBELL, WILLIAM H. — Funeral services for Mr. William H. Campbell, 44, who was killed March 23 in Viet Nam, will be held at 2 p.m. Tuesday at Sanford Naval Air Station Chapel with Chaplain E. J. McDonald officiating. Burial will be in Memorial Gardens. Doland Wilson Funeral Home in charge.

STALEY, ROY — Funeral services for Roy Staley, 84, of Osteen, who died Saturday will be held at 10:30 a.m. Tuesday at graveside in Dulon Cemetery with Rev. Stover C. Sewell Jr. officiating. Family requests that flowers be omitted. Wilson Funeral Home in charge.

U. S. Bombers Blast Red Radar

SAIGON (UPI) — More than 40 U. S. Navy bombers poured tons of high explosives today on a North Vietnamese radar installation near Communist China. It was the second American raid on the island base in 72 hours.

The target—Bach Long Vy (Nightingale) Island — was bombed Friday in a raid that took American planes farther north than ever before. The island is 85 miles south of mainland China in the Gulf of Tonkin.

Today's followup strike was launched from the U. S. aircraft carrier Coral Sea.

One plane—an A1 Skyhawk jet—was shot down, but its pilot was rescued from the sea.

The North Vietnamese Communists claimed two U. S. planes were shot down and "many others" damaged.

The raid was the 11th against the Communist north since Feb. 7 when the United States began its policy of regular aerial assaults.

Dudley Spanogle Dies Saturday

Dudley A. (Doc) Spanogle, of Carlisle Drive, Casselberry, was pronounced dead by strangulation by Governor Al Davis Saturday morning after he had been found hanging from a nylon rope in a small utility room at his home.

Spanogle, a 58-year-old retired plasterer, had been suffering from ill health for the past two years. A native of Pennsylvania, he moved to Casselberry six years ago from Eustis. He was a member of the Presbyterian Church.

His body was found at approximately 11:30 a.m. by his daughter, Mrs. Andrew Lynch, of Casselberry. Emergency call was answered by the Casselberry Volunteer Fire Department's rescue truck and Niblack's ambulance service. The Seminole County Sheriff's Department and Casselberry Police assisted Davis in the investigation.

Immediate survivors are the widow, Mrs. Loretta Spanogle, of Casselberry, three daughters, Mrs. Lynch, Mrs. Loretta Shipley and Mrs. Adina DeRomer, both of Winter Park, and six grandchildren.

School Transfer Deadline Stated

Notices have been sent home to all parents of Seminole County students informing them of the optional enrollment methods now in effect under new school policy.

The notice informed parents that all pupils eligible to attend public schools of the county shall have the right to two options:

1. To enroll in the school he attended or would have attended by promotion or entrance during the 1961-65 school year, or

2. To request admission to the school nearest his residence.

All requests for changing schools must be submitted during any regular school day during the month of April, 1965.

Application forms are available in the offices of school principals and the county superintendent and must be properly filled out by parents or guardians, the school board director stated.

Railroad Merger Wins Nod

WASHINGTON (UPI) — Interstate Commerce Commission (ICC) examiners today recommended approval of the proposed merger of the New York Central and Pennsylvania Railroads. The combined network would form the biggest rail line in the nation.

The report said that as a condition of the merger, the new rail network must include the freight—but not passenger—services of the bankrupt New Haven Railroad.

The examiners recommended that the new Pennsylvania Railroad not be required to take over the New Haven's money-losing passenger operations "unless a plan is provided to offset the present operating deficits on a sound economic basis."

A Pennsylvania-Central consolidation, if approved finally by the full ICC, would form a network of 19,600 miles of track in the United States and parts of Canada. The combined line would have total assets of more than \$5 billion.

The full commission might take more than a year to render a final verdict following

review of the examiners' decision and expected appeals of groups objecting to the corporate marriage.

The long awaited report in the case, which has been pending before the commission for three years, was filed by examiners Jerome K. Lyle and Henry C. Darmstadter.

In their report, the examiners said: "It is our belief that the overall benefits to be derived from consummation of the

proposed merger clearly outweigh any injury . . . which has not nor cannot be protected through the imposition of conditions."

The examiners did not require the inclusion of the financially ailing Erie-Lackawanna railroad. But they left the record open for 10 years to permit such a consolidation in the proposed merged company if Erie-Lackawanna did not merge with the Norfolk and Western Railway system.

The Pennsylvania-Central merger proposal is one of 12 pending before the commission. Since the so-called "urgency to merge" moved into high gear in 1957, the ICC has approved 23 mergers.

Roy Staley, 84 Dies At Osteen

Roy S. Staley, 84, resident of Osteen for the past 20 years died Saturday morning.

He was retired from the Wurlitzer Corporation in North Tonawanda, N. Y., and was a member of the Tonawanda Masonic Lodge and of the Oddfellows Lodge. He was Presbyterian.

Surviving is his wife, Mrs. Emily Doyle Staley, of Osteen.

Increased Funds Sought For Protection Of President, Family

WASHINGTON (UPI) — Treasury Secretary C. Douglas Dillon wants Congress to overrule President Johnson and vote \$4 million more than the Chief Executive asked for his own protection.

Dillon, in an action he said was "perhaps unprecedented," told a House appropriations subcommittee the \$8.7 million requested by Johnson for the Secret Service next fiscal year "was nowhere near sufficient to meet the obvious

need." He urged that it be raised to \$12.6 million.

The secretary said the additional funds would be used to hire 183 more Secret Service agents plus 76 administrative clerical employees, and to buy armored vehicles, radios and protective gear.

"I wish to emphasize," Dillon said, "that without these additional resources it will simply not be possible for the Secret Service to provide the protection for the President and his family that the tragic event of November, 1963, has proved to be necessary."

Dillon asked for the appropriation increase Feb. 15 when he testified during a

closed hearing of a House appropriations subcommittee. The hearing transcript was made public Sunday.

"I am fully aware," he said, "that it is perhaps unprecedented for a cabinet officer, and particularly the secretary of the treasury, to ask for an appropriation in excess of that requested in the President's budget."

But, Dillon said, this was "a very special and indeed unique situation."

He said the President felt this substantial increase in funds for the Secret Service was "so intimately connected with him that he should not personally pass upon them."

State Department and Agency for International Development (AID) officials were to testify today before Senate and House committees considering President Johnson's \$3.4 billion foreign aid request.

The Senate foreign relations committee and the House foreign affairs committee resumed their hearings on the administration's authorization request for another year of economic and military assistance.

AID Administrator David E. Bell was to appear before the Senate group. The committee hoped to begin work later this week on its draft

version of the aid bill.

Rep. Frank T. Bow (R-Ohio) criticized the foreign aid program as being "the primary reason for the flow of gold to other nations."

Bow, a member of the House appropriations subcommittee which handles aid funds, said "since 1957 our gold supply has dropped \$7.261 billion and virtually all of this amount was purchased by 57 nations who were beneficiaries of our foreign aid program."

Other congressional news: Voting Rights: Senate and House committees resume hearings on President Johnson's proposal to outlaw liter-

acy tests in states where they are held to be used to discriminate against Negroes.

Cigarettes: Chairman Paul Rand Dixon, of the Federal Trade Commission, testified at Senate commerce committee hearings into proposed legislation requiring that cigarettes be labeled a health hazard. The commission has announced plans to require warning labels effective July 1. The committee is considering two bills to require some form of health warning on cigarettes in line with a surgeon general's report last year that smoking contributed to cancer and other diseases.

Welfare: Managers of President Johnson's \$6 billion welfare package, which includes medical insurance for the elderly, are hoping the House rules committee will open hearings Tuesday. The so-called Medicare bill probably will be passed in the House sometime in early April.

Proclamation Sets Tag Day

By Donna Estes

Longwood Mayor David R. Wentworth today issued a proclamation setting Tuesday, April 6 as Veterans Tag Day and urging the citizens of Longwood to observe the day and show their appreciation and gratitude for the services rendered to their country by veterans of World War I by donating generously to the warth cause.

The April 6 date was chosen to mark the 46th anniversary of entry of the United States into what was then declared to be "the war to end all wars."

Wentworth stated in the proclamation that proceeds of the annual benefit drive sponsored by the veterans of World War I are used exclusively to aid disabled and distressed veterans of World War I whose average age is 70 years.

'Hounds Win 7 To 6

By Jim Baechus
Herald Sports Writer
It took a couple of dazzling defensive plays and some fine base running by Larry Miller to do it but the Lyman Greyhounds pulled a 7-6 extra inning win over the DeLand Bulldogs Friday night.

It was the second Orange Belt Conference victory against a single defeat for Lyman.

The Bulldogs are the defending champs of the OBC. The Hounds jumped off to a 6-0 in the first four innings, aided considerably by five DeLand walks and three DeLand errors.

Meanwhile, Charlie Newell was holding the Bulldogs to two scratch singles.

Allen Claims Bowling Title

BUFFALO, N. Y. (UPI) — Bill Allen's year-long nightmare is over.

The ransy Orlando, Fla., southpaw today headed for another Professional Bowlers Association winter stop, Hartford, Conn., after getting a \$5,000 check for winning the nationally televised \$32,500 Buffalo Open.

The 30-year-old blond father of two beat young Nelson Burton of St. Louis, 206-190 Saturday at the DeFew Fairlane to boost his winter earnings to \$10,595.

It was March, 1954, at this same PBA outpost that Allen's nightmare began. He bowled strongly to gain the championship round, but suffered a 231-180 drubbing at the hands of Wayne Zahn, Atlanta, Ga., in the title match.

Bob Strampe of Detroit, who received \$1,500 for third place, edged Dick Weber of St. Louis.

Weber's fourth-place effort netted him \$1,300, lifting his bankroll to \$27,380, easily the best on the tour.

Whisky which was made illicitly to evade the payment of taxes came to be called "moonshine whisky" from the fact that most of it was made in the hills by the light of the moon.

hot tallying two runs. They added another in the sixth and went into the final frame trailing by three runs, 6-3.

Newell suffering from a foot injury retired after walking the first batter. He was replaced by Steve Simpkins, who gave up a walk and single to load the bases. At this point Bulldog Bill Bartlett smashed a double past Allen Currens in center field driving in a trio of runs and knotting the score at 6-6 with no outs. Bartlett was on second base.

It was at this point that Lyman turned on the fielding finesse.

DeLand Catcher Tommy Lawton slipped the ball to Mike Sterling at second, Sterling threw to Miller at first retiring Lawton. Miller then relayed the ball to Larry Baker at third who nailed Bartlett trying to advance. The DeLand rally was not over, however.

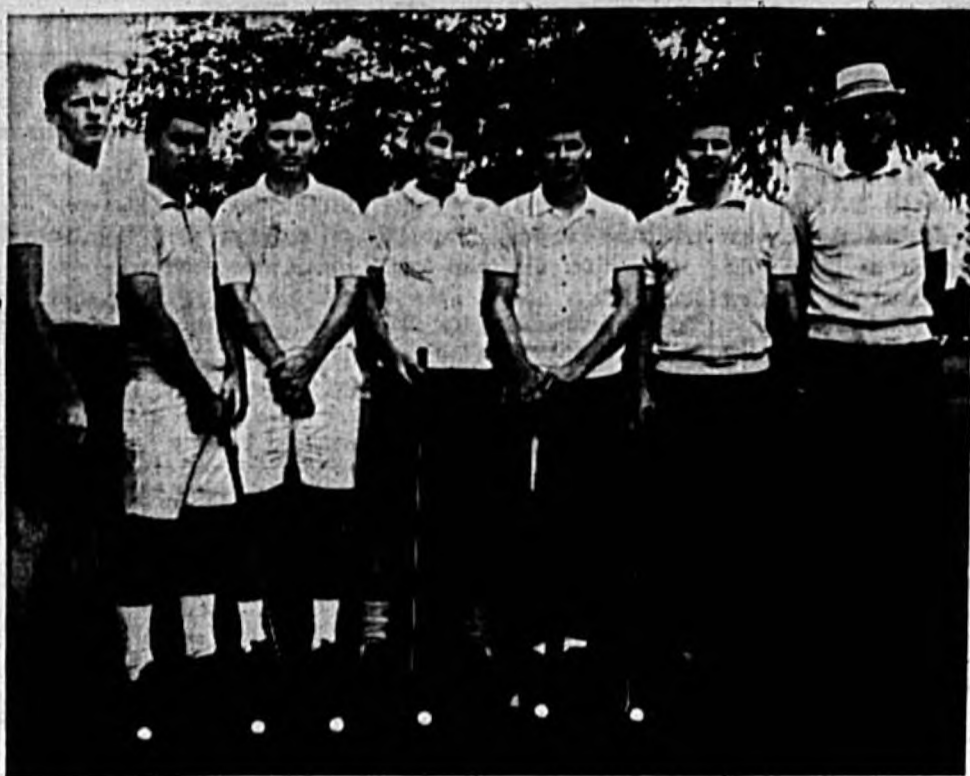

The next batter Jesse Groves drove the ball past Don Paulsen in right field for what appeared to be inside the park game winning homer. But Currens, in center, recovered the ball and relayed it to Sterling who made a fine throw to Larry Lot at the plate cutting down the runner and retiring the side.

The contest then went into extra innings. DeLand Ken Bradley, who allowed only one single after taking over the mound with two outs in the first, struck out Paulsen and Brent Helms for the first two outs. Larry Miller walked Payne, sent Miller to second on the first pitch to the next batter, Baker. The tall first baseman beat the throw putting himself into scoring position.

On the next pitch, however, he fooled everyone, including the DeLand catcher, by tearing out for third. Miller slid safely into the bag and Lawton's throw sailed over the head of the third baseman. The Lyman infielder picked himself up out of the dust and scored the winning run, by beating the throw to the plate.

Simpkins mowed the Bulldogs down 1-2-3 in the bottom of the inning to register the victory.

Lyman goes to Kissimmee Tuesday to take on the Kowboys in another OBC tilt.

SEMINOLE HIGH GOLF team has been the winner in all of its matches to date. The Linksman beat Colonial 154 to 168 in a Friday contest at Mayfair. They will be in action Friday away in a match with Boone, Edgewater and Bishop Moore. Left to right: Jeff Williams, Roth Vihlen, Larry Sherwood, Ray Bradford, Tommy Todd, Leroy Nopper and Coach Fred Ganas. (Herald Photo)

Leesburg Swimmers Edge Seminole Team By Three

By David Higginbotham
Herald Sports Writer

The Seminole High swimming team came within three points of beating the highly rated Leesburg Yellowjackets with the Sanford boys losing 49 to 46 and the Seminole girls losing by a score of 69 to 24.

Con Wilson, Andy Lyon, Buster Bruce and Greg Ganas won the 200 medley relay for Sanford with a time of 2:01.4 and Bobby Headrick took second in the 200 free with 2:18.5 and Alan Lucas took third with 2:19.5 both for the Seminoles.

Boyd took first for Leesburg in the individual medley with 2:40.5 and Buster Bruce took second for Sanford with 2:49.8 and Bruce Dowlen also from Sanford took third with 2:57.5. In the diving competition, Mike McGuire took second for Sanford and Buster Anderson took third. Greg Ganas won the 100

fly for Sanford with 1:11.7 and Jerry Mills took second with 1:39.6. Busy won the 100 free for the Yellowjackets with a time of 57.5 and Gary Ganas took second for Sanford with 58.1 and Larry Hodges took third for SHS with 1:05.4.

Boyd won the 100 backstroke for Leesburg with 1:11.9 and Con Wilson took second for Sanford with 1:13.8 and Buster Anderson took third with 1:22.8. Morris won the 400 free with 5:01 for Leesburg and Bobby Headrick took second for Sanford and Jim Foley took third. Andy Lyon won the 100 breaststroke for Sanford with Bruce Dowlen taking third. In the girls' events Sanford took no first places, but got a number of seconds and thirds. Rose Mary Walton, Paula Elam, Karen Law and Linda May took second for Sanford in the 200 medley relay with a time of 2:45.1. Delane Johnson took second for Sanford in the 200 free and Ginger Norris took third with Paula Elam taking second in the 50 free.

Cindy Wilson took second in the individual medley to set a new Sanford record with a time of 2:56.8. Barbara Holt took second in the 100 fly with a time of 1:22.5 to set a new Seminole record. In the diving competition Walton took second for SHS and Johnson took third. Cheryl Murray took second for Sanford with 1:20 in the backstroke and Linda May took second in the breaststroke with Karen Law taking third in the 400 free.

Cindy Wilson, Holt, Murray and Martha Kosky took second in the free medley relay with a time of 2:10.9.

The Seminoles will host Edgewater and Winter Park at the John Long Pool in Orlando Tuesday in another Metro Conference meet.

and in the 200 free with 2:18.5 and Alan Lucas took third with 2:19.5 both for the Seminoles.

Boyd took first for Leesburg in the individual medley with 2:40.5 and Buster Bruce took second for Sanford with 2:49.8 and Bruce Dowlen also from Sanford took third with 2:57.5. In the diving competition, Mike McGuire took second for Sanford and Buster Anderson took third. Greg Ganas won the 100

fly for Sanford with 1:11.7 and Jerry Mills took second with 1:39.6. Busy won the 100 free for the Yellowjackets with a time of 57.5 and Gary Ganas took second for Sanford with 58.1 and Larry Hodges took third for SHS with 1:05.4.

Boyd won the 100 backstroke for Leesburg with 1:11.9 and Con Wilson took second for Sanford with 1:13.8 and Buster Anderson took third with 1:22.8. Morris won the 400 free with 5:01 for Leesburg and Bobby Headrick took second for Sanford and Jim Foley took third. Andy Lyon won the 100 breaststroke for Sanford with Bruce Dowlen taking third. In the girls' events Sanford took no first places, but got a number of seconds and thirds. Rose Mary Walton, Paula Elam, Karen Law and Linda May took second for Sanford in the 200 medley relay with a time of 2:45.1. Delane Johnson took second for Sanford in the 200 free and Ginger Norris took third with Paula Elam taking second in the 50 free.

Cindy Wilson took second in the individual medley to set a new Sanford record with a time of 2:56.8. Barbara Holt took second in the 100 fly with a time of 1:22.5 to set a new Seminole record. In the diving competition Walton took second for SHS and Johnson took third. Cheryl Murray took second for Sanford with 1:20 in the backstroke and Linda May took second in the breaststroke with Karen Law taking third in the 400 free.

Cindy Wilson, Holt, Murray and Martha Kosky took second in the free medley relay with a time of 2:10.9.

The Seminoles will host Edgewater and Winter Park at the John Long Pool in Orlando Tuesday in another Metro Conference meet.

Edwards pitched his second no-hitter within the week against Ovidio giving Titusville a 6-2 mark for the season. Edwards has given up only four hits in four complete games.

In Saturday's game Terrier Sam Wortham collected three hits while teammate Ray Cowart batted two for three.

Ovidio's Sonny White was the losing pitcher for the afternoon.

Ovidio's record now stands at 1-1 for the season.

Seminoles Fight Back, Defeat Edgewater 8-7

By David Higginbotham
Herald Sports Writer

The Seminoles staged a three-run rally in the last inning to edge the Edgewater Eagles 8-7 in a Metro Conference baseball game in Sanford Friday.

Edgewater took a 6-0 lead in the second inning but the Seminoles kept chipping away and finally overcame the Eagles in the seventh.

Edgewater got the jump in the second when Bill Deaton, Egan pitcher, hit a grand slam home run.

Seminole Catcher Steve Harris drove in the tying run in the seventh and a wild pitch from Deaton brought Bill Kuykendall home with the clincher.

Trailing 6-0 in the third, the Seminoles finally came to life when Harris drove in Danny Tillis and Ron Hinson to narrow the gap.

During the next three innings, Ronnie Dudley, the Seminole pitcher, held the Eagles in check while Kuykendall scored in the fourth and Eddie Fitzgerald in the

fifth. Bernie Barbour was knocked in by Chuck Scott in the sixth.

With the score 7-3 in Edgewater's favor, Sanford loaded the bases in the seventh.

Harris dropped a hit behind first base and Ronnie Hinson and Sonny Messer came home to tie the game 7-7. Then came the wild pitch.

Dudley found the going rocky for the Seminoles in the first two innings and had to get relief from Hinson. But he was sent back to the mound by Coach Jim McCoy and showed good control the rest of the way.

The Seminoles will take to the field again Tuesday when they host Winter Park here at 4 p.m. Fitzgerald is the likely starter for Sanford.

DALE RIGENBACH, left, and Bob Miller display weekly prizes for the Hole-In-One Tournament being sponsored by the South Seminole Jaycees. Daily competition takes place at Orange Knoll Golf Driving Range in Altamonte Springs.

Legal Notice

IN THE CIRCUIT COURT OF THE NINTH JUDICIAL CIRCUIT IN AND FOR SEMINOLE COUNTY, FLORIDA. CHANCERY NO. 14887 FULTON SAVINGS BANK vs. KING COUNTY, Plaintiff, vs. WILLIAM B. BEAVER, et al., Defendant.

NOTICE OF SALE. NOTICE IS HEREBY GIVEN that on the 8th day of April, 1965 at 11:00 a. m. at the main door of the Courthouse of Seminole County, at Sanford, Florida, the undersigned Clerk will offer for sale to the highest and best bidder for cash the following described real property:

New King Crowned in Sebring Race

SEBRING (UPI) — Black clouds swept over the scenic landscape, where the streaking cars roared a defiant discordant funeral march. It was a scene fit for the death of a king. It was Ferrari's last stand, the finest and hardest running of the 12 hours of Sebring.

When it ended Saturday, the first crown was placed on the most astonishing success story in the annals of modern racing. For at last an American driver had won a great international race in an American car.

American cars dominated the race. The checkered flag also crowned the drive and vision of a 28-year-old Texas oil millionaire named Jim Hall, who designed, built and drove a radical sports car called the Chaparral to victory.

Hall, his partner, Hap Sharp, and their co-drivers Ronnie Hinson and Bruce Jennings, entered two cars. When Sharp's car began to fail midway in the race, they concentrated on the other car which took the lead around noon when Dave Gurney's Lotus-Ford broke. Hall carried most of the load.

He drove the Chaparral through boiling heat, through a torrential rain and into the black night with flame belching from the organ-like stack of carburetor intakes behind his head.

Hall and Sharp drove their cars at incredible speeds with Sharp finally raising the lap record to a bit more than 104 mph—four mph better than the old record.

Grba Beats Senators, 11-3

'Reject' Gets Revenge

By Pete Dowd
UPI Sports Writer

One thing that's sure to grow grey hairs on a major league manager's brow at this time of year is to have a squad of farmhands make hasty hash out of his regulars, even if the farm club belongs to the front office.

Manager Gil Hodges saw his hapless Washington Senators come out on the short end of an 11-3 debacle Sunday and the winners were the Nats' own farm club from Hawaii of the Pacific Coast League.

The crowning insult to the American League's perennial cellar-dwellers was that the victory went to major league reject Eli Grba, who pitched for the Los Angeles Angels in 1962.

Hodges' crew suffered from another backfire when rookie shortstop Tim Cullen of the Nats, who was on loan to the Triple A club for the game, smashed four hits to lead Hawaii's 16 hit barrage against the unwary parent squad.

The Los Angeles Dodgers also were the butt of a backfire Sunday when rookie shortstop Jim Jenkins of Minnesota sliced a single to right in the 14th inning to spark over the Dodgers. Jenkins was drafted by the Twins during the winter from the Dodger organization.

Impress Stengel. Another rookie shortstop, Darrel Harrelson of the New York Mets organization, made a strong impression on the "old professor" Casey Stengel Sunday. Harrelson, who was discharged from the Army just last week, slammed two doubles, drove in one run and scored another to spark the Mets to a 6-3 victory over the Milwaukee Braves. Harrelson

is currently listed on the Mets' farm club roster with Buffalo of the International League.

A couple of welcome newcomers, catcher John Romano and outfielder Danny Cater, paced the Chicago White Sox to a 5-3 triumph over the Detroit Tigers. Romano, who played for Cleveland last season, and Cater, who came to the Sox from Philadelphia, each drove in a pair of runs to help the White Sox to their fourth consecutive exhibition circuit victory.

Home runs by Jackie Brandt and Jerry Adair powered the Baltimore Orioles to a 4-3 victory over the Pittsburgh Pirates. Roberto Clemente, the National League batting champ who has been recuperating from a case of malaria, joined the Bucs Sunday for batting practice and later said he still feels weak.

Reynolds Blasts Homer. Tom Reynolds slugged a 10th inning homer to provide the victory margin as the

Kansas City Athletics whipped the St. Louis Cardinals 10-8. Reynolds only received credit for a single, however, since he passed another base runner, Ken Suarez, who held up fearing Reynolds' blast would be caught.

Sluggo Frank Robinson tagged a three-run homer off Jim Bouton in the first inning and the Cincinnati Reds went on to defeat the New York Yankees 4-2. It was Robinson's third spring homer.

Leon Wagner powered one squad of Cleveland Indians to a 5-3 triumph over the Boston Red Sox with a two-run homer in the first frame. The rest of the Tribe wound up on the short side of a 5-3 tally against the Los Angeles Angels.

Mack Kuykendall and Don Landrum each smashed seventh inning homers as the Chicago Cubs rolled to an 11-5 victory over the San Francisco Giants. Kuykendall's drive was a solo effort and Landrum's came with two on.

'Something For All' At Cooking School

March 29, 1965—Page 5

The Sanford Herald

Whole Family Invited For Demonstration

There will be "something for everyone" at the annual Mr. and Mrs. Creative Cooking School, which can include Misses and Masters, as well.

The whole family is invited to come to the school, which will feature colorful preparations of all kinds of foods with specialties which can be cooked by all the members of the family.

Miss Martha Logan will demonstrate the featured recipes and copies of the recipes will be distributed, so that homemakers, weekend cooks, dabblers and gourmets may do them for themselves at home.

The second annual Creative Cooking School is directed by Miss Myrtle Wilson and Cecil Tucker of the Seminole County Extension Service in cooperation with the Florida Power and Light Company, Florida Power Company, Publix Supermarkets, Swift and Company and The Sanford Herald.

Miss Margaret Quarles, home economist with the Florida Power and Light is coordinating the displays and demonstrations of cooking appliances from local merchants. Mrs. Mary Burslinger, Florida Power Corporation home economist, will assist.

Cooking School Set Tuesday At Civic Center

The Sanford Civic Center will be the scene of the second annual Creative Cooking School for men, women and young future homemakers, Tuesday at 7:30 p.m.

Everyone is invited to attend the demonstrations of cooking which will have "something for everyone" for home, guests and party time. More than 1,000 people attended last year's school and co-sponsors are making arrangements for another gigantic event this year.

"Our plans are all set for a new and better school that will include menus to appeal to everyone from 8 to 80," said Miss Myrtle Wilson, director of the school here.

All foods will be from Publix Supermarkets in the Sanford Shopping Plaza and will be personally selected by Miss Martha Logan.

Co-sponsors include the Florida Power and Light Company whose home economist, Miss Margaret Quarles is also assisting with arrangements for the school and coordinating displays of local merchants.

Assisting Mary Logan will be Mrs. Mary Burslinger, of Winter Park, home economist for the Florida Power Corporation, one of the sponsors of the Cooking School.

Displays from Sanford Electric and Randall Electric Companies will be set up at the Civic Center, featuring the latest cooking equipment.

Mongolian Fisheries
Outer Mongolia, landlocked in the heart of Asia, has gone in for commercial fishing, exporting whitefish and other catch taken from its rivers and lakes.

CHOICE FOODS are selected from the Publix supermarket by Miss Mary Metag, the "Martha Logan" of Swift and Company, for the Mr. and Mrs. Creative Cooking School Tuesday evening at Sanford Civic Center. Pictured are Miss

Metag, Johnny Albine, Publix meat market manager; Miss Myrtle Wilson, county home extension service, and Miss Margaret Quarles, Florida Power and Light home economist. School begins at 7:30 p.m. Tuesday. (Herald Photo)

Interesting Menus Scheduled

The latest, smartest, fastest and tastiest foods and their preparations will be the subject of a two-hour long Mr. and Mrs. Creative Cooking School at the Civic Center, Tuesday

MALE COOK gets free trip to Honolulu. Francis M. Hendley, Ocala realtor, recently won a chance to participate in the American Cookout Championship "for men only." The finals will be conducted in Hawaii with the winner taking a \$10,000 cash award. Hendley and his wife (left) will leave April 20 to prepare his prize winning "pineapple chicken Hawaiian pine."

Included in the program will be many kinds of meals, snacks, dinners and party fare of interest to each member of the family.

Demonstrations will be presented by "Martha Logan," Swift and Company home economist, who will use all foods selected from the Publix Market in Sanford, who is one of the sponsors of the annual school.

This is the second time that the Mr. and Mrs. Creative Cooking School has been presented in Sanford and last year over 1,000 people attended the forum, which is free.

Miss Myrtle Wilson, Cecil Tucker and Miss Margaret Quarles are in charge of local arrangements. Miss Wilson and Tucker represent the County Extension Service and Miss Quarles is a home economist with the Florida Power and Light Company.

Florida Power Corporation is sending Mrs. Mary Burslinger, home economist, who will assist "Martha Logan" with her demonstrations.

On the floor of the Civic Center will be exhibitions of the most modern ranges, refrigerators and freezers from two local appliances dealers, Sanford Electric Company and Randall Electric Company.

Gifts Galore For All At Cook School

Hundreds of free gifts will be given away at the second annual Mr. and Mrs. Creative Cooking School to be held at the Civic Center from 7:30 to 9:30 p.m. Tuesday.

Among them will be 2,000 gift certificates for Breakfast Club bread; 100 gift certificates for a Cooper meat thermometer; ten door prizes and gift certificates enabling two lucky persons to have Swift's Proten steaks.

Extra chances for door prizes are available at Publix, Florida Power and Light offices and local appliance dealers.

The demonstration will be presented by Miss Martha Logan, who in reality is Miss Mary Metag, a graduate home economist with the Swift and Company research laboratories.

Miss Metag arrived in Sanford Sunday night and spent a part of the day today selecting the foods she will need for her demonstration, from the Publix Market in the Sanford Shopping Plaza.

Spelling Champ Announced In Bear Lake

Spelling Bee champion at Bear Lake Elementary School is Dan Hensley, a sixth grade student. Second place winner is Debbie Ackerman, a fifth grader.

Trying for second place was Gayle Gallentine, also a fifth grader, who lost out in the spell-down. Tom Houser, fourth grader, came in fourth.

Dan and Debbie will compete in the County Spelling Bee to be held in April with Gayle serving as alternate.

Congressional Probe Of KKK Appears A Certainty

WASHINGTON (UPI) — A formal congressional investigation of the Ku Klux Klan appeared almost a certainty today with lawmakers of both parties urging a prompt government crackdown on the hooded nightriders.

Republicans and Democrats joined in a chorus of support for administration efforts to find new legal weapons to curb the Klan. They urged investigations of the racist organization by both House and Senate.

Twenty-one House Republicans issued a statement during the weekend urging an immediate and exhaustive investigation and "prompt, effective congressional action . . . to eliminate the evil influence of the Ku Klux Klan."

Chairman Edwin E. Willis (D-La.), of the House committee on un-American activities, promised that his panel would meet this week to decide whether to begin a full-scale investigation of the Klan.

The House Judiciary committee, which is now considering the President's voting rights bill, also has expressed interest in an inquiry.

The top echelon of the Justice Department, under speed-up orders from the White House, has redoubled its efforts to find legislation President Johnson wants to bring the Klan's activities "under effective control of the law."

Atty. Gen. Nicholas DeB. Katzenbach's chief aides and lawyers continued closed sessions to come up with legislation which will avoid constitutional pitfalls and enable the federal government to deal more directly with the problem of Klan violence.

Johnson, angered by the recent Alabama slaying of a white civil rights worker and mother of five, wants to submit legislation on the Klan as soon as Congress acts on his

Negro voting rights bill. Senate and House leaders hope for a final vote on that measure by May 1.

Sen. Hugh Scott (R-Pa.) expressed confidence that Republicans would support an administration anti-Klan bill. He is a member of the Senate Judiciary committee which may handle such legislation.

Noting that the Republican party last summer rejected his proposal for a formal re-education of the Klan, Scott said GOP lawmakers would give strong backing to any measure bringing "Klan-inspired murder and violence" under control.

ORGANIZATION
ATLANTA (UPI)—Member

ship in the various Ku Klux Klan groups in the United States over the past two years has ranged from a high of 65,000 to a "hard core" of 9,000, according to the best estimate of responsible agencies.

Other current estimates range up to 25,000. These figures do not include thousands of Klan supporters, sym-

phizers and financial contributors.

Investigative agencies report the Ku Klux Klan, which includes numerous feuding splinter bodies, is strongest in Mississippi and Alabama.

The modern day Klan is mainly a corruption of the Ku Klux Klan which was founded in late 1865. As is the original constitution of 1867, the words

"Ku Klux Klan" never are written in documents. In place of the words are three asterisks.

Klan literature usually exaggerates membership. A militant Klan group in Mississippi declared 91,003 members.

Investigators who have infiltrated the organization place the actual membership at less than 3,000.

Some Klans make use of local hunting and gun clubs so as to have access to weapons. Many Klansmen are from rural areas, proficient with arms and the use of dynamite. A Klansman on trial in Georgia in September, 1964, said he and his friends shot as many as 1,000 rounds of ammunition a week at their gun club.

Campbell Rites Tuesday At Base

Full military services for Capt. William H. Campbell, 34, who was killed March 23 in a plane crash in Viet Nam, will be conducted at 3 p.m. Tuesday at Sanford Naval Air Station Chapel with Chaplain J. J. McDonald officiating. Burial will be in Memorial Gardens, DeLand.

Born Dec. 26, 1930, in Hamilton, Ohio, Campbell was a career Air Force officer who had been stationed in Panama City, Fla., prior to departure for Viet Nam on March 6. He was a member of the Presbyterian Church.

Survivors are his wife, Mrs. Joyce E. Campbell, and four sons, William, Jeffrey, Daniel and James, all of Panama City; his parents, Mr. and Mrs. Robert M. Campbell, of Deltona; a brother, Capt. Robert J. Campbell, of Edgewood Arsenal, Md., and three sisters, Misses Dorothy, Elizabeth and Bernice Campbell, all of Pittsburgh, Pa.

Brisson Funeral Home is in charge of local arrangements.

Spring Reception Honors WW Club Sponsors

A lovely Spring Reception was given by the Deltona Welcome Wagon club honoring Welcome Wagon sponsors from DeBary, DeLand and Daytona Beach.

Mrs. Anna Muth and Mrs. Ella Neese Wisniewski greeted the guests who signed the guest book presided over by Mrs. Lilla Mae Vann. A cut-work linen cloth and a bouquet of garden flowers provided a lovely table for the guest book which was signed by over 100 persons.

Sparkling crystal, silver and linen adorned the refreshment table that featured a beautiful silver bowl filled with white snapdragons and green bells or Ireland. Silver candelabra, with white candles, white satin ribbon and green shamrocks shed soft light over the delectable sandwiches, petit fours, mints and cookies. Fruit punch was served from huge crystal bowls by Mrs. Mary Tucker and Mrs. Amy Barbry.

After an invocation by Rev. George Owen of Deltona, Mrs. Mildred Haney, hostess, introduced the sponsors and special guests. Mr. and Mrs. Greg Prior, Daytona Beach and Mr. and Mrs. Sage Hurl-

bert of Winter Park are directors of Welcome Wagon, International.

Hostesses from surrounding

areas were Mrs. Maria Helm of DeLand, Mrs. Sophie Haines of DeBary, each escorted by her husband. Special

guests from DeBary included Rev. A. C. Summers and his charming wife and Mr. and Mrs. James Sims of

the DeBary Chamber of Commerce.

A color film, "The Welcome Wagon Story" was shown which told, in a very entertaining and informative way, the origin of the idea of the Welcome Wagon service which is extended to all newcomers in towns all over the United States, Canada, Alaska, Trinidad, Puerto Rico, Hawaii and England. The husbands of Welcome Wagon members learned first hand about the wonderful spirit of Welcome Wagon and the activities of the club in which their wives are so interested.

Mrs. Haney explained the purpose of fund-raising projects planned for the coming months. The club has adopted "Geriatrics" as the way in which members hope to be of service to the people of Deltona, helping those who need friendly service, and the beginning of a "loan closet."

Members and guests enjoyed the springlike atmosphere of the Deltona Community Club emanating from the display of gorgeous rose bushes, ferns and lacy palms graciously sent over to the club especially for the party by the DeBary Nursery.

DELTONA WOMEN on the refreshment committee for the Spring Reception honoring Welcome Wagon sponsors were, left to right, Mrs. Mary Tucker, Mrs. Mary Cuddy, Mrs. Amy Barbry, Mrs. Anna Muth and Mrs. Ann Francis. Mrs. Muth is hospitality chairman of the Deltona Welcome Wagon Club which was hostess for the event.

David Carrigan Observes Birthday

By Margaret Cosby

With stormy weather the fact for the day and forecast for the entire weekend, the original plan to celebrate the fifth birthday of their son David, Mr. and Mrs. Donald E. Carrigan, of 39 South Cortez Avenue, North Orlando, necessarily had to revise the plans.

Although the thought of going to the Sanford Zoo and playing later in the Elk playground was a delightful one, spirits were not dampened by the rain or the change of plans.

The youngsters and parents had a wonderful time devising clever party hats from tissue paper and fancy bows, barrettes, hair curlers and clothespins.

The old game of pin-the-tail-on-the-donkey was revamped to pin on the big black cat's tail. Numerous lighting of candles was a pleasure for everyone, and youngsters sang "Happy Birthday" with gusto if not with pitch.

Gobs of ice cream, yummy fudge cake with luscious marshmallow frosting topped off the celebration.

The festivities were enjoyed by Jerry and Jimmy Senoff, Valerie and Donald Ledbetter and their parents, Michael Cosby and his mother, Donna.

ed by Jerry and Jimmy Senoff, Valerie and Donald Ledbetter and their parents, Michael Cosby and his mother, Donna.

DAVID CARRIGAN, son of Mr. and Mrs. Donald Carrigan, 30 S. Cortez, North Orlando prepares to blow out the candles on his fifth birthday cake. His mother, Mrs. Carrigan, and Mrs. G. P. Ledbetter, standing look on. Around table from left to right are David, the honoree and Jerry Senoff, Valerie Ledbetter, Michael Cosby, Donna Carrigan (David's sister), Jimmy Senoff and Donald Ledbetter.

Mr. and Mrs. James Beall and Mr. and Mrs. Pete Biagia of Charleston, W. Va., are visiting Mr. and Mrs. Guy Beall. James is a son of the Bealls and Mrs. Biagia is their granddaughter.

Mrs. Jerry Hetterton of Eastis was a weekend guest of Mrs. Clarence Snyder. They attended the installation of officers of Daytona Beach Court No. 44, Order of the Amaranth, Saturday evening.

Apples have a high natural water content. They should be cooked with only enough water to prevent sticking or scorching. Otherwise, they will lose their form and become too soft.

DeBary Woman's Club Plans Schedule Of Future Events

By Mrs. John Leone

The DeBary Woman's Club met recently at the Community Center with Margarette Fisher, chaplain, giving the invocation, following the salute to the flag led by Olga Crosby.

Members please note that the Educational Department meeting scheduled for March 26 has been canceled due to a death.

Mrs. William Hibbard has asked for assistance for the rummage sale to be held April 2 and 3 at Second Street and Oak Avenue in Sanford. Anyone having articles to contribute, please call Mrs. Hibbard at 668-4512 for pick up service.

Olga Crosby spoke on "Americanism" and Mrs. Sidney Swallow, welfare chairman, gave a resume on the funds drive to benefit Camp Challenge for crippled children and adults.

Six guests and 63 members were welcomed by the president, Mrs. C. Ulrich, who also announced the next regular meeting will be on Friday, April 9.

Mrs. Monforton Hostess Of Meet Of W.M.P.F.

The regular meeting of the W.M.P.F. of the Missionary Alliance Church was held recently at the Sanford Avenue home of Mrs. E. A. Monforton.

Mrs. J. F. Brown opened the meeting with prayer with Mrs. B. H. Stone giving the devotional program.

A package containing linens was sent to Atlanta, Ga. for a missionary and the members were urged to pray for the missionaries in foreign fields.

Mrs. Clifford Harrod closed the meeting with prayer after which the hostess served delicious refreshments to the Mmes. George Wells, Solan Teston, Fay Lee, Clifford Harrod, M. L. Ayers, H. Q. Touchton, J. F. Brown, and B. H. Stone.

Forest City School And Church News

By Maryann Miles

Herbert Peterson of Mellen, Ill., was a recent houseguest of his sister and her family, Mr. and Mrs. Luther Miles, Jewel Drive. Mr. Peterson recently motored from Illinois to New York to meet their mother, Mrs. Joseph Peterson, when she returned from a three-month visit in Sweden.

Mr. and Mrs. David Beane had as houseguests, Mr. and Mrs. Milton Wagner of Shillington, Pa., last weekend. The Beanes have recently returned from a six weeks trip to California and the Hawaiian Islands. They went over by boat and returned by jet. While in Honolulu they visited with the daughter of Mr. and Mrs. Earl Emde.

Mrs. P. Koyalski and her Mrs. D. C. Dickerhoff had Mrs. Peggy Sidall and her daughter, LouAnn, from Maryland as houseguests recently.

Mr. and Mrs. Jesse Cones had their parents, Mr. and Mrs. Arthur Tursky of Miami as guests this previous week.

Mr. and Mrs. Theo Penrod, parents of Mrs. C. Collar, of the Delamar team, have been guests of Mr. and Mrs. Dan Duherty.

Dr. Robert Hoover took Johnny and Billy on a week end camping trip to the Big Cypress Swamp. They hiked about 20 miles in the rough country.

Mr. and Mrs. Herman P. Elam, parents of Miss Mary Elam, have returned to their home in Kentucky, after spending the winter months in Florida.

HEALTHFUL CHICAGO (UPI)—Americans spend \$350 million a year on across-the-counter purchases of vitamins, the "Dairy Council Digest" reports.

Pincrest School To Adopt Gray Lady Program

Herold Heckenbach, principal, Pincrest School, has approved and requested that Gray Ladies be trained by the American Red Cross and Seminole County Health Department, for service in the school health rooms.

Mrs. Dorothy W. Miller, Seminole County chairman of Gray Ladies in school program, states the new training class, the eighth for Seminole County schools, will be scheduled as follows:

The course of training is to be given in the Conference Room of the Seminole Health Department in two-hour sessions, twice weekly, Tuesdays and Fridays, with the exception of the March 30 class—a two-and-one-half hour session.

March 30 from 9 to 11:30 a.m. will be Red Cross orientation. Instructor is Iva Kanavel, former AIC Hospital Field Director, Orlando AFB.

April 2, 6, 9, 13 and 16, ARC Standard First Aid Course is scheduled. Instructor is Robert (Sparky) Sparkerman, Orange County Chapter ARC, Orlando.

April 20 is School Industrialization at Pincrest School. Instructor is Herold Heckenbach, principal. This date is subject to change which will be announced at last First Aid class.

April 23 will be Simple Clinic Procedures and instructor is Jeanne Slavenkay, public health nurse.

Many Pincrest School mothers have already signified they will take the Gray Lady course. Any other mothers of Pincrest School students who may not have been contacted and who wish to receive the training are requested to call Mrs. J. L. Horton Jr., president, PTA for reservations in the class at 322-2280 or Mrs. Miller, 322-4125.

The course is also available to mothers of Lake Mary Elementary School and Sanford Junior High School students.

Flavored catsups are new from a West Coast canner. Hickory flavor catsup has a charcoal taste and pizza flavor catsup tastes like orange, a herb generally used in sauce for pizza. They are available in 14-ounce bottles.

Miss Janie Ashby Engaged

Mr. and Mrs. Robert D. Ashby of Sanford, announce the engagement and approach-

ing marriage of their daughter,

Miss Ethel Janie Ashby, to Robert Preston Reid, son of Mr. and Mrs. Clyde B. Reid of Apopka.

MISS ETHEL JANIE ASHBY

The lovely bride-elect was born in Pensacola and attended local schools, having graduated from Seminole High School with the class of 1963. She attended Brevard College at Brevard, N. C., where she was a member of the Euterpean Society. She is presently employed by the Sanford Atlantic National Bank.

Her fiance was born in Knoxville, Tenn. and attended schools there. He was a member of the 1963 graduating class of Apopka Memorial High School and is presently affiliated with Central Cigar in Orlando.

The marriage will be solemnized on April 17 at 7:30 p. m. at the Pincrest Baptist Church.

Surprise Bon Voyage Party Honors Lake Mary Couple

By Frances Wester

A bon voyage surprise party was held at the Lake Mary home of Zip and Annie Schweickert on Lake Mary Saturday night in honor of Woody and Pat Friend, who are moving to Pueblo, Colo.

The guest was invited to the house for the supposed purpose of fixing a broken projector. When he arrived and entered the darkened home, he thought no one was there. Suddenly the lights were turned on and "Surprise" was yelled by the group waiting for him. He was stunned for a few minutes. With eyes as big as saucers, he stood motionless and searching for something to say. Finally he asked, "What is this anyway?"

Woody has lived in Lake Mary for 11 years. He is past president of the Fire Department of Lake Mary and present lieutenant. He works for the Martin Company of Orlando where he is employed as a quality engineer. He is being transferred to Pueblo and will be leaving on March 29 with his wife, Pat, and their two children, David and Robin. They will be there for approximately two years.

Friends of his from Orlando and Lake Mary planned the surprise party and gathered together to wish him a safe trip and a fast return.

Friends from Lake Mary were Mr. and Mrs. Lewis Schweickert, host and hostess. Mr. and Mrs. Otto Mesch and daughter, June, Mr. and Mrs. Ralph Schweickert, Mr. and Mrs. Glen Grange, Mr. and Mrs. Cal Jardine, Mr. and Mrs. Wallace Hill, Mr. and Mrs. Ralph Abell, Mr. and Mrs. Chuck Saasman, Mr. and Mrs. Otis Sjoblom, Mr. and Mrs. Roger Crocker, Mr. and Mrs. Harold Patterson and Mr. and Mrs. Gene Hauser.

Shopping Sprees Sharpened With New Fabric Glossary

All the new fabrics in the spring fashion collections are a woman will need a dictionary to do her shopping. Every new season brings on this rash of new fabrics or traditional fabrics with new treatments and spring 1965 has its quota.

For instance there are new fabrics such as crepe plastic, a plastic shiny oil cloth finish or "wet" looking fabric used for rainwear; ethereal wool is the lightest weight wool with a slight slub and is often called "naked" wool; zigrine

is an imported silk faille and crochete is a "linen look" of 100 per cent rayon.

A fabric round-up glossary has been compiled by a New York couture group, and you gals might find it convenient to clip this out and take it on your spring and summer shopping sprees, so you will be in the know when a clerk explains the fabric content.

The glossary in capsule form is as follows:

—AIRELLE, a new porous synthetic "linen."

—BARK CREPE, a fabric made of twisted yarns to resemble the bark of a tree.

—CASCADINE, a wrinkle-proof "silk linen-look-alike," of viscose, rayon and silk.

—CRINKLE COTTON, embossed cotton, usually in a floral pattern.

—FIBRENE, new French synthetic of 100 per cent rayon, but has more body than crochete.

—HYBRID BLEND, a soft blend of rayon and cotton.

—ILLUSION PLAIDS, featherweight plaids which give the impression of being solids until closely examined. Usually of 100 per cent wool.

—MACHACOUSIS, 100 per cent rayon from Italy.

—MATTE SURFACES, the weaves, as sharkskins, needlepoints, flannels, glen plaids, twills, silk herringbones. All "feminized men's wear fabrics."

—PARFAIT WOOL, a soufflé light wool which is very porous.

—PEAR D'ANGE, all silk fabric with a new smooth surface.

—PEAU DE LAINE, silk and worsted with crisp textured weaves.

—PEAR DE PECHE, silk and worsted needlepoint weaves.

—PREHURISHED MOHAIRS, downy surfaced, luxurious wools weighing almost nothing.

—SPATTER TWEEDS, soft silk tweeds with a few scattered flecks of color.

—WILZARD WOOL, thin flat surfaced wool.

—WILLOW WEAVER, a lightweight wool with a slight slub, giving it a hard finish.

—WILLOW WEAVER, a lightweight wool with a slight slub, giving it a hard finish.

Garden Circles

DIRT GARDENERS

The Dirt Gardeners Circle met at the home of Mrs. A. S. McCallum for a delightful coffee and business meeting. Beautiful arrangements of azaleas were used in the dining and living rooms.

It was announced that 27 trees have been planted by the Dirt Gardeners.

At the recent flower show there were 16 ribbons, seven blue, and the tri-color, won by the Dirt Gardeners.

A guest at the meeting was Mrs. Lamar Beall. Others present were the president, Mrs. C. D. Perry and the

Mrs. Doris Cline, W. A. Yung, W. E. Kirchhoff, Byron Fox, R. F. Tobison, Myron Smith, Paul Johnston, J. R. Wells, E. D. Rinehart, W. B. Wray, H. C. Plapp, Clyde Ramsey, Irvin Fleischer, Charles Weaver, I. E. Batten and hostesses, Mrs. A. S. McCallum and Mrs. William Beall.

The next meeting will be at the First Federal Building.

ROSE CIRCLE

Mrs. B. B. Crumley was hostess to the March meeting of the Rose Circle of the Sanford Garden Club with Mrs. Mildred Babcock assisting as co-hostess.

Guest speaker was Carl Lind, who presented a most interesting and constructive program on Soil Conservation.

The business meeting was conducted by the president, Mrs. Charles Meriwether. A report was made on the lovely and highly successful brunch given for the judges of the recent flower show.

Such was hosted by the Rose Circle.

It was reported that 17 Rose Circle members participated in the show and 28 tickets were sold to the Garden Club bridge party.

Mrs. Ruth Meriwether was appointed delegate to the State Convention in Tampa with Mrs. Henry A. Simpson alternate.

Rose Circle will recommend to the Board that the Garden of the Month award be discontinued next year due to the impossible task of fairly selecting the best garden from the hundreds of well cared for homes.

Mrs. Ruth Simpson, World Gardening chairman, urged all members to bring costume jewelry and used clothing to the next meeting.

Mrs. Peck was a guest of Mrs. Helen Cole.

Delicious refreshments were served at the close of the meeting.

Fashionettes

Among the new designs in the gold jewelry field are pins, bracelets, and earrings set with pearls, rubies, sapphires, emeralds and diamonds.

Look for a widening of sleeves in some spring ready to wear. Incoming is the batwing sleeve or the less exaggerated dolman. John Moore, who designed the inaugural ball gown for Mrs. Lyndon B. Johnson, was one of the New York designers showing a lot of the dolman. The deeper armholes all add up to a softer look in spring clothes.

The watusi may have replaced the twist on the dance floor, but twisting still is in in cultured pearl jewelry. New York's David Webb, known for his unusual designs, shows all pearl twists, or combines multiple strands of pearls with gold beads or gem stones in both necklaces and bracelets; reported the Cultural Pearl Association (one of Webb's pearl and gold necklaces can be worn as a bib or twisted

Welcome Mat Spread For State Senators

The Sanford Herald
Page 12—March 29, 1965

KENNETH E. Fetter, a vibration machinist's mate 3/cl, of RV111-7 at Sanford Naval Air Station, has re-enlisted for six years under the Navy's Selective Training and Retention (STAR) program. He and his wife, Martha, reside on Orlando Drive. (Navy Photo)

Child Bride, 15, In Trouble With Truant Officer

MILWAUKEE, Wis. (UPI)—Dorothy Roby will have to decide today whether she would prefer leaving the state to attending school.

Dorothy, 15, is Mrs. Ralph Roby, whose husband, 21, wants her at home.

Assistant District Atty. Alfred Stanich wants her in school and he thinks he has the weight of Wisconsin law behind him.

Dorothy, then 14, went to Mississippi last year. She met Ralph Roby and the two were married last August. She and her husband returned here and moved into an apartment above that of her mother, Mrs. Doris Lewis, 39.

Last Dec. 14, at her husband's request, she withdrew from school.

Stanich said the couple's marriage is not recognized in Wisconsin because of Dorothy's age. To be legal, Mrs. Roby would have had to have lived outside the state for a year before and 16 months after the wedding.

Furthermore, Stanich said, Wisconsin law requires that Mrs. Roby attend school until she is 16 unless she is pregnant or has some other medical excuse.

County Judge F. Ryan Duffy adjourned her truant hearing until today to give her time to decide whether she would rather return to Mississippi or to school.

PINECREST SHOPPING CENTER
322-0906

TALLAHASSEE (UPI)—A new welcome mat is spread before the door of the Florida Senate chambers and when the senators go to work April 6 they will find some new offices tucked up in the attic between the air conditioning pumps.

Florida's old Capitol building is becoming more and more like a Chinese puzzle.

An enlargement program to accommodate the 1965 session of the state Legislature did not add offices and rooms to the outside of the building, but workmen found places inside the building to cram another room here and there.

The Capitol was sprinkled with painters today putting trim on some of the rooms in both the Senate and House areas.

Most of the major work has been done and the House sergeant-at-arms — Bill Balentine—says all that needs to be done is to "dust" in order to get the lower chamber ready for the representatives.

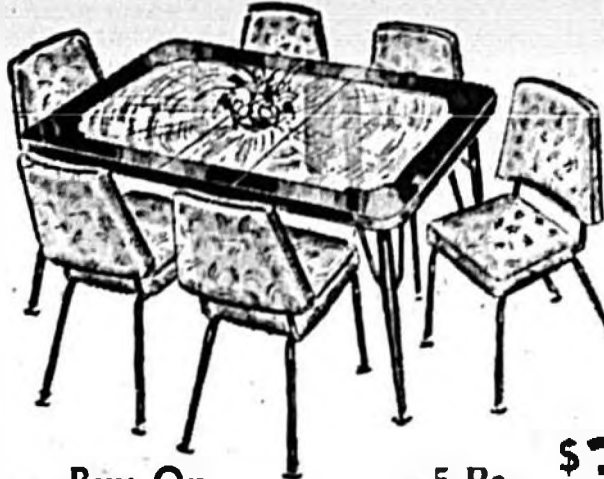

The new welcome mat before the door has an outline of Florida for the lawmakers to walk across.

The Senate president's office was enlarged and paneled in wood.

Senate secretary Ed Fraser's office was split into several other offices and a stairwell for access to the attic.

Senate sergeant-at-arms LeRoy Adkinson said it was nearly finished. He said as soon as the workmen move out "it will be mostly dusting."

millions come to play....

and many to stay!

Last year, several million people visited Florida — and better than 150,000 decided to stay here forever. It's easy to see why: they simply found that Florida offered even more than they expected.

They came for the sunshine, the comfort, the casual way of life — and discovered that Florida residents enjoy these pleasures all year round. And more. They discovered opportunities, from professional to industrial to part-time retirement work. They discovered that tax laws favored both business and the individual.

But you'll be making these discoveries for yourself, Mr. and Mrs. Visitor. And we hope you'll come to the same conclusions. You'll be as glad you stayed as we are to have you!

Dear Abby:

By Abigail Van Buren

DEAR ABBY: I have been reading your column ever since I can remember, and now I am a freshman at Columbia University. When I was in high school I recall having read something in your column about students who "ratted" on one another, and how you

felt about tattletales. It made more sense to me than anything I have ever read on that subject. If you can locate that letter, please print it again. These are times when the question of "informing" on classmates who cheat is timely. Thank you.

DAVID AT COLUMBIA DEAR DAVID: With the help of an efficient secretary, I located the letter. It was first printed on November 14, 1961, and here it is: "DEAR ABBY: In our class at school we got into a big discussion about "tattling" and we would like to

know how you feel about this subject. Thank you. HIGH SCHOOL STUDENTS DEAR STUDENTS: For some reason, teachers, and even parents, teach young people that it is "unethical" or downright disgraceful for one child to tell someone in authority that another child has disobeyed, misbehaved or even broken the law. Is it any wonder we have hoodlums and vandals who count it a virtue not to "squeal"?

Jacoby On Bridge

By Oswald Jacoby

The annual Intercollegiate Bridge Tournament gives the contestants a chance to play 18 hands which furnish tests in both bidding and play. In each case after the actual bidding there will be a directed contract and declarer will usually play against a directed lead.

is to avoid the loss of three club tricks. The hand has been set up so that South will lose three club tricks if he has to start the suit himself, but there is a way to force his opponents to help him out. He must win the first trick. Then he must time the play of hearts and trumps in such manner that he will discard one of his diamonds (not a club) on one of dummy's high hearts, ruff out both dummy's low hearts with two of his trumps, lead trumps twice to pull the enemy's teeth and eventually to lead a second diamond from either hand. It won't matter which opponent wins the trick. He will either have to lead a club to give declarer a sure club trick or a diamond to give him a ruff and a discard.

Anne Concedes To Julie

By Dick Kleiner HOLLYWOOD — (NEA) — Standing proudly on top of her mother's television set is an Oscar. Will it be part of a pair after April 8? Anne Bancroft doesn't think so. And it doesn't particularly bother her. "I expect to lose," she said. "The other time, I tried to convince myself that I was going to lose, but secretly I expected to win."

"The Pumpkin Ester" won her a second nomination, for best actress, but she feels this simply is not her year. This will be the first time she will attend the big Academy Award night as a nominee. In 1962, when she won, she was playing on Broadway in "Mother Courage." But now she's here, working in "Seven Women," in which she took over Patricia Neal's part when Miss Neal suffered her stroke.

Julie Andrews wins. I'll try to be very brave but I know that when it happens, I'll cry. I always cry. Naturally, she would like to win, and put that second Oscar on her mother's television set. But she doesn't intend to do anything in the way of active campaigning for it. "I understand," she says, "that it is perfectly ethical and, in fact, almost expected of a nominee to advertise, but I'm not going to spend one damn penny."

We The Women:

By Ruth Millett

"I never seem to get a hair style which is suitable. My hair, if done professionally, is impossible to copy and I look worse than ever. What should I do? My hair is dry, also. I was a pretty type when young. —Mrs. Robert." The "pretty" type is no longer the most flattering, so have your hair simply cut and well-conditioned by home care. The cut, of course, must be done by a good hair stylist. Combat the dryness by applications of cosmetic oil directly on the scalp. Brush and do not have curls. "I am a big woman. This is my type, and I am not one pound overweight. I always seem badly dressed. I can afford nice things but seem to have no knack for style. I have all sorts of accessories but I never wear any of them as they are all in the wrong colors. I am fifty-two, have brown, graying hair, fair complexion, not bad, and use a very small amount of make-up. I do not like black. Should I wear it?—N."

"American housewives lack the desire necessary to become good cooks," says New England-born Robert Carrier, who is food editor of the London Sunday Times and London Vogue Magazine. Of course the American woman has lost the desire to win a reputation as a superb cook. Why should she bother to spend hours over every meal when Americans have grown ashamed of eating? Who is going to sing the praises of a good cook today? Not her husband. He is much more likely to complain that she feeds him much too well and that his weight problem is all her fault, for tampering him. Friends of a good cook don't envy her. They're much more likely to give her a full glance at her well-padded figure (really good cooks taste as they cook and enjoy their own food), than to beg for her recipes. Even today's children are too busy with their own affairs to enjoy making a ceremony of the dinner hour. Being known as the best cook in town once was an

honor women competed for. But no more. Women today compete in other ways. They compete as community leaders, as fashion-setters, as culture lovers, as hostesses with the most to offer... and always they compete in the struggle to look younger than their years. So we have in this country today two generations of homemakers who couldn't care less about being known as good cooks. Their only interest in the kitchen is how to get out of it as quickly as possible. They are the middle-aged

homemakers and the young housewives. The old joke of "what's chewing for dinner?" is no longer a joke. It's standard practice. After all, why should a woman work hard to gain a reputation for being a good cook when it's a reputation other women don't envy and have no desire to challenge? Air Carrier Liability The Warsaw Convention, a multilateral treaty drafted in Warsaw, Poland, to which most nations are parties, was set up to regulate the liability of international air carriers in case of accident.

DEAR ABBY: I understand that you live in California, so maybe you can tell me why they have more psychiatrists than plumbers in Beverly Hills. CURIOUS IN CAMDEN DEAR CURIOUS: Their sinks are okay, but their heads are clogged up. DEAR ABBY: Is it impolite to ask for a recipe? A friend of mine recently attended a dinner party (all friends) and asked the hostess for her recipe for a dessert which she found delicious. The hostess replied, "I never give out my recipes."

Frozen Gent DALLAS (UPI) — Larry Gent, 19, had the sniffles today and an intimate knowledge of large meat freezer boxes. He spent nine hours in one. Gent, an assistant supermarket manager, was put in the large freezer by a bandit who had just robbed him of \$8,000. Night Monkey Barro Colorado Island, in the Canal Zone, is the habitat of a monkey that can see well only in the dark. This "night monkey" has a conspicuous golden eyes developed to function best in dim light. It sleeps in tree holes during the day and ventures forth well after twilight, heaping about with great agility and eating frogs, insects and leaves.

Horoscope Forecast

TUESDAY, MARCH 29, 1965

GENERAL TENDENCIES: A day and evening when you want to explode and make some very drastic changes because you feel you are too tied down to conditions that you do not like at all and are willing to show your best points only in such changes. However, take yourself in hand and conscientiously continue to fulfill promises made by you.

AIRES (March 21 to April 18) Stop holding on to that anxiety—let it go and elevate your level of consciousness. Be happy. There is much to do around you. Get busy and be more practical in the future.

TAURUS (April 20 to May 20) It may be that you are giving too much power to some person or thing that is not good for you. Quietly make changes. Some new acquaintance should be cultivated who is right for you.

GEMINI (May 21 to June 21) Don't permit others to interfere in any important duties you may have before you, and labor so that higher-ups are pleased instead of critical. Eliminate mistakes. This can also be in accounting.

MOON CHILDREN (June 22 to July 21) Far-away pastures may seem greener, but more work in own field brings forth far better fruit. Be wise and know where you make your mistakes in operation. Put new system to work later.

LEO (July 22 to Aug. 21) Since you can now understand your errors in dealing with others, make the proper preparations. Be exact. Wife or husband, kin are all very demanding—give what is right and just.

VIRGO (Aug. 22 to Sept. 22) While you are not entirely satisfied with some situation or individual, consider the good part thereof and take it easy. Be sure to keep own promises. Then prestige increases.

LIBRA (Sept. 23 to Oct. 23) Much trouble can come if you do not come through with your promises to others or get work done on time. Be conscientious. Don't be subservient to some emotional attachment.

SCORPIO (Oct. 23 to Nov. 21) If you are strong and put aside temptations, you can get that important work out with alacrity. Keep that purse well hidden. Avoid any past extravagances that could grow.

SAGITTARIUS (Nov. 22 to Dec. 21) New ideas occur to you on how best to carry on with sure basic matters, but be sure you do not spend too much money. Carry through with promises to kin, also be loyal.

CAPRICORN (Dec. 22 to Jan. 20) Getting out to shop and do other errands is more important at this time than you think. Be precise with everyone. Follow through with the schedule you have made, since it is wise.

AQUARIUS (Jan. 21 to Feb. 18) It behooves you to study well all factors of any deal that requires further laying out of monies. Hide your time before doing so. Show others that you are very practical.

PISCES (Feb. 19 to March 20) A feeling of imposition may be permeating your soul, but consider that you committed yourself to certain promises, so keep them. Get personal affairs handled with wisdom. Be enthusiastic.

IF YOUR CHILD IS BORN TODAY, on the surface there is a sober and diligent worker here, but subconsciousness reveals an inner desire to have adventure and change in the life, so do not be surprised if your progeny early begins to eliminate conditions and persons that are no longer of use in his or her ideas, pursuits. Fine chart for the professional person with an exciting hobby on the side.

"The Stars impel, they do not compel." What you make of your life is largely up to YOU!

Longwood PTO Slates Election Of Officers

CDR. H. B. SHIVELY, Sanford NAS executive officer, presents the John H. Bear Memorial plaque for safe driving to Cdr. Dean E. Webster, commanding officer of RVAH-13, in recognition of "The Bats" maintaining the best safety score for February. (Navy Photo)

By Donna Estes
The nominating committee of the Longwood Elementary Parent-Teacher Organization presented its recommendations at a meeting of the group last Wednesday evening.
Named were Lenn Kirkham and Mrs. Gladys Pilonian, president; Mrs. Joyce Lopez and Mrs. Patricia Lindsay, first vice president; Mrs. Emma Hope and Mrs. Evelyn Adams, second vice president; Louis Kosky, third vice president; Mrs. Jeannette Peters and Mrs. Betty Cormany, secretary; Eugene Jacques, Mrs. Margaret Helma and Mrs. Virginia DeVillaggio, treasurer.
Serving on the nominating committee were Leroy Riley, Mrs. Louise Bell, Mrs. Mary Rowell, Mrs. Jackie Tilson, Mrs. Eva Jo Hicks and Mrs. Virginia DeVillaggio.
Elections will take place at a meeting scheduled for April 27.
Providing an entertaining program for last week's meeting were students of the first, second and third grade classes in a Mother Goose Operetta under direction of Mrs. Herbert Drueding.

U. S. Shocked By Embassy Bombing

The Seminole High School band really played the celebrity game in St. Petersburg-Tampa last weekend.

The bandmen stayed in the same hotel with the Milwaukee Braves. On top of that there was a sports banquet in the hotel the same night.

Famous sports figures were plentiful including Stan Musial, Casey Stengel, Yogi Berra, Bobby Bragan and many others.

Jack Beckwith is the only one who managed to get a Musial autograph.

The Joint Commission on Accreditation of Hospitals has just released its list of accredited hospitals. Seminole Memorial Hospital is one of about 7,000 in the United States on the annual list. Listing is a badge of recognition which the hospital can display to its community to prove that it conforms to high standards of patient care.

Orchids to Postmaster Cecile Heard for her own private "beautification" program at the Sanford Post Office. That array of varicolored posies was breath-taking Sunday afternoon. Quite some different than the dabb landscaping BC (before 'Cile).

Why is it the neighbors always are willing to be of assistance with one of those do-it-yourself construction programs... but with advice only? R. E. Purter was in his backyard laying brick for a barbecue pit and three neighbors offered advice (only), plus the use of some do-it-yourself books. But not one offered to handle the travel for a while.

Advice to newsmen from the North. Don't let the covetous storm of late sway you from being careful of sunburn. You can get just as burned... as you can when the sun is out.

Things we never knew until now dept.: According to the Virginia Commission on Constitutional Government, Florida has never... repeat, has never... approved the federal bill giving women the right to vote. How about that?

Have you mailed in your contribution to the Easter Seal campaign yet? If not, hurry and do it. In 1964, the affiliated Easter Seal Societies and centers in Florida provided rehabilitation treatments to more than 20,000 handicapped children and adults. You can help.

To give you an idea where your Easter Seal dollars go, consider that treatment is given to thousands of children and adults who suffer from crippling caused by amputation, speech and hearing disorders, cerebral palsy, arthritis, strokes, cardiac disease, poliomyelitis, muscular dystrophy, spina bifida, blindness, accident and many orthopedic and neuromuscular cases.

The joint effort of all Easter Seal Societies is Camp Challenge, Florida's Easter Seal Camp, only about 15 miles west of Sanford. This camp, especially designed for people in wheelchairs and on crutches or braces was established in 1961 on 50 acres of donated land. More than 500 campers have been able to go there in the past four years.

VOL. 57 United Press Leased Wire Established 1908 TUESDAY, MARCH 30, 1965 SANFORD, FLORIDA NO. 157

New England Digging From Late Snows

United Press International Thundershowers fell across sections of the Southeast today as New England continued digging out from a severe late season snow storm.

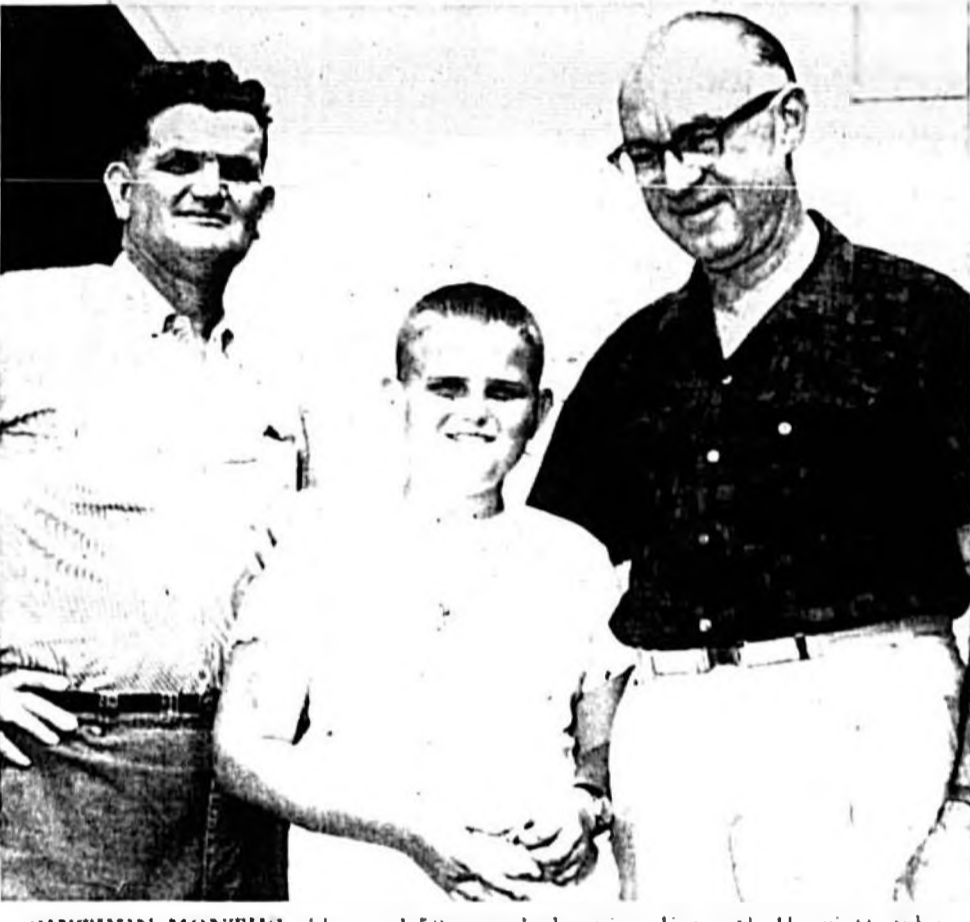

Red Cross workers positioned themselves at potential flooding points along rivers in the Upper Mississippi Basin for their annual "disaster watch."

Jackson, Miss., reported more than an inch of rain today, and other southern cities were drenched Monday.

Monroe, La., Tuscaloosa, Ala., and Longview, Tex., reported heavy rainfall from one to two inches.

The surprise snowstorm Monday dumped at least seven inches of snow on parts of New England and caused three weather-related deaths before blowing out to sea.

Brattleboro, Vt., Haverhill, Mass., and Bennington, Vt., each reported seven-inch snows. Ski areas reported excellent snow conditions on the slopes.

SIXTEEN MONTHS older and 50 pounds heavier, Kenneth Harriett, who will be 14 on May 4, today greeted an old friend on his arrival in Sanford, J. M. (Botts) Crowley (right), of Cincinnati, erstwhile big league baseball player. Crowley was host at his home for Fire Lt. George Manning Harriett Sr. (left) and Mrs. Harriett, Kenny's parents, when the boy underwent a rare and delicate liver operation in November 1963 at Cincinnati. (Herald Photo)

VD Upswing Reported In Seminole Co.

A sharp increase in venereal disease is reported in Seminole County for 1964, Dr. Frank Leone, Seminole County health director, said today.

The thundershower explosion killed at least two Americans and 15 Vietnamese and wounded 150 others. Several of the terrorists were blown to bits.

Deputy U. S. Ambassador U. Alexis Johnson emerged from the rubble with blood streaming down his face.

Massive retaliation against the Hanoi regime seemed a certainty.

The Chief Executive, Secretary of State Dean Rusk, Defense Secretary Robert S. McNamara and Ambassador Maxwell D. Taylor, who flew here from Saigon this weekend for consultations, all were informed of the bombing shortly after it occurred Monday night.

There were indications that this latest Red attack, aimed as it was directly at the U. S. presence in South Viet Nam, had stiffened the President's determination to press forward with the military drive to force the Communists to stop fighting.

It was not in retaliation for the embassy bombing, officials said, but retribution is expected to be swift.

There was heavier loss of life in previous terrorist attacks against Americans in North Viet Nam. But the attack on the embassy — described as a "brutal" and "direct" attempt to kill the U. S. ambassador — was the heaviest in the series.

Previous terror attacks led directly to U. S. retaliatory raids against North Viet Nam. Since then the raids have grown in scope and frequency — and have moved ever closer to the Communist capital of Hanoi.

The dead in the embassy attack included two Americans — a woman killed in the explosion and a man who died later in the U. S. Navy Hospital in Saigon. The embassy itself was a mass of rubble from the bomb which broke windows for hundreds of yards around and tore a gap wide hole in a concrete sidewalk.

The explosion sent a fireball and a 300-foot pillar of smoke shooting high above the roof of the six-story structure. Heavy steel girders on the windows were blown back through the walls and across rooms. The consular section was destroyed. Tiles from buildings many yards away were tossed like confetti.

The dead and wounded lay in tangled heaps in the wreck.

More than 100 injured were taken to Saigon Hospital and more than 50 to the American Navy hospital. At least 20 Americans were reported so badly wounded they were being flown to Clark Air Base in the Philippines.

Despite his injuries, Deputy Ambassador Johnson met immediately with top civilian and military aides to discuss retaliation.

In a statement he said the bombing was another example of the Viet Cong's readiness to attack civilians.

The Vietnamese government met called the attack an act of savagery — not an act of war, but an act of murder.

At the same time it announced today's air raid.

Vice Marshal Nguyen Cao Ky, commander of the Vietnamese air force, said the raid had been planned for some time and was not in retaliation for the embassy bombing.

SCHOOL AID BILL. WASHINGTON (UPI) — House Democratic leaders, confident of strong support, today called up the administration's \$1.3 billion school aid bill for debate.

2 Americans, 15 Others Die In Explosion

SAIGON (UPI) — A Viet Cong suicide squadron fought police and U. S. Marine guards today and bombed the U. S. Embassy with 200 to 250 pounds of TNT, inflicting heavy loss of life.

Massive retaliation against the Hanoi regime seemed a certainty.

The thundershower explosion killed at least two Americans and 15 Vietnamese and wounded 150 others. Several of the terrorists were blown to bits.

Deputy U. S. Ambassador U. Alexis Johnson emerged from the rubble with blood streaming down his face.

Massive retaliation against the Hanoi regime seemed a certainty.

Johnson Ponders Requit

WASHINGTON (UPI) — President Johnson and his top military and diplomatic aides, shocked by the terrorist bomb attack on the U. S. Embassy in Saigon, today pondered the next move in the Viet Nam crisis.

The Chief Executive, Secretary of State Dean Rusk, Defense Secretary Robert S. McNamara and Ambassador Maxwell D. Taylor, who flew here from Saigon this weekend for consultations, all were informed of the bombing shortly after it occurred Monday night.

There were indications that this latest Red attack, aimed as it was directly at the U. S. presence in South Viet Nam, had stiffened the President's determination to press forward with the military drive to force the Communists to stop fighting.

It was not in retaliation for the embassy bombing, officials said, but retribution is expected to be swift.

Commie Blast Boldest On U. S. Facilities

SAIGON (UPI) — The bombing of the U. S. Embassy today was the boldest in a series of Communist terror attacks against American installations in South Viet Nam.

Following is a brief rundown of other major bombings:

Feb. 9, 1964: Two bombs exploded under the bleachers of a U. S. servicemen's softball park in Saigon. Two American soldiers killed and more than 20 other Americans wounded.

Feb. 16, 1964: A bomb exploded in the lobby of a movie theater in Saigon's American community. Three U. S. soldiers killed. Fifty Americans and Vietnamese wounded.

Carrier Sunk

May 2, 1964: Communist saboteurs sank the U. S. Navy escort aircraft carrier Card in Saigon Harbor with a bomb placed below the waterline.

May 3, 1964: Eight American servicemen watching salvage operations for the Card were wounded when a terrorist threw a hand grenade into their midst.

Nov. 1, 1964: A Viet Cong raiding party bombed the U. S. airbase at Bien Hoa near Saigon with mortar shells. Four Americans killed and 72 wounded.

Hotel Bombed

Dec. 21, 1964: Two Americans killed and 63 others wounded when a bomb exploded at the Frank Hotel in Saigon.

Feb. 7, 1965: Communist guerrillas killed eight Americans and wounded 108 in attack at U. S. helicopter base at Pleiku, 240 miles northeast of Saigon.

Feb. 10, 1965: Communist suicide squads wounded U. S. Army enlisted men's bullet at Phu Nhuan, 275 miles northwest of Saigon. Twenty-three Americans killed and 22 wounded.

Social Events Will Spark Bomb Derby

The Navy's Possessive Reconnaissance-Bombing Derby, besides being one of the most comprehensive air readiness exercises in the United States Atlantic Fleet, is considered one of the major social events of the year in the local community.

Highlighting a series of social occasions at this year's Derby, April 8-10, will be a reception on the eve of the final day.

The reception is the traditional meeting ground for Navy and civilians amid a festive atmosphere of food, drink, music, entertainment and colorful decorations.

The event, which attracted some 1,000 persons last year, will be held from 8 until 11 p.m., April 9, in the Sanford Naval Air Station ballroom.

As a change from previous years, the men will wear black tie. Naval officers will wear dinner dress white or service dress white uniforms. Ladies will enjoy the evening with a variety of cocktail dresses and evening gowns.

Attending the reception will be some of the Navy's top flag officers, Sanford area business and civic leaders, representatives from companies holding defense contracts, retired Naval officers living in the area and Sanford Naval officers.

Among the high ranking Naval officers planning to attend are Vice Adm. Paul D. Stroop, Commander, Naval Air Force Pacific Fleet; Vice Atlantic Fleet's Naval Air Adm. Charles Booth II, who Force on March 31; Vice

Area Travel Pattern Survey Under Way

One out of every 10 homes in Seminole County will be visited within the next few weeks in a survey of travel patterns.

The survey, conducted by Wilbur Smith & Associates for the State Road Department, began Monday and will continue for three or four months.

Approximately 30 local women will be hired to visit the homes and interview families.

The city and county law enforcement agencies are participating in the survey and each interviewer will carry proper identification.

City Manager Warren E. Knowles has written a letter to accompany the Sanford interviewers asking for residents to cooperate and assist in the survey.

Each family to be interviewed will get a letter of intent from the Orange-Seminole Joint Planning Commission three days prior to its visit by the woman interviewer.

Purpose of the survey is to develop a transportation and road plan. All answers will be held confidential.

Women hired to make interviews in Seminole County include: Juanita Maston, Rt. 1, Sanford; Dorothy Bernosky, 229 Bradshaw, Sanford; Ann L. Rowley, 425 Reider Avenue, Longwood; Vera L. Willford, 2630 S. Laurel, Sanford; Patricia Wallen, 100 Temple Drive, Sanford.

'Space Look' Slated For June

HOUSTON, Tex. (UPI) — Astronaut Edward White may become the first American to take a personal peek into space when he and fellow Gemini pilot James McDivitt make a four-day voyage into orbit late this spring.

Also, informed sources said, the flight, which would set a U. S. space endurance record — is set for a blast-off at Cape Kennedy in June, about one month ahead of schedule.

Officially the federal space agency's current plans are much more modest.

As far as public announcements are concerned, the McDivitt-White mission is set for sometime after July 1, and the "personal look at space" is an experiment awaiting a flight beyond that.

If all goes well, McDivitt and White pilot and copilot, respectively — will fly their Gemini-4 capsule nearly three times longer in space than the 22.9 orbits that astronaut Gordon Cooper established as a U. S. record about 21 months ago.

Sources close to the \$135 billion Gemini project said officials are seriously considering giving White the chance at the first "space look."

According to the proposal, the Gemini-4 capsule would be depressurized and White would open his hatch on the right-hand side sometime midway through the 17,500-mile-per-hour voyage.

Then the astronaut would stand up in his seat and stick his head and shoulders outside the cabin, to see what it looks like on the outside. White also would carry along a camera

Homeowners Get Warning On Deadline

Wednesday and Thursday are the final days to get under the wire for home-lead exemptions and for filing personal property, tangible and intangible tax returns.

Mary Earle Walker, county tax assessor, reminded today that 5 p.m. Thursday is the absolute deadline.

Persons filing for home-lead exemption for on new property must call at Mrs. Walker's office in the court house, bringing the deed or agreement for deed, 1965 automobile registration and valid Florida driver's license.

Thursday... 5 p.m. ... deadline!

'Murder' Ponders

Despite his injuries, Deputy Ambassador Johnson met immediately with top civilian and military aides to discuss retaliation.

In a statement he said the bombing was another example of the Viet Cong's readiness to attack civilians.

The Vietnamese government met called the attack an act of savagery — not an act of war, but an act of murder.

At the same time it announced today's air raid.

Vice Marshal Nguyen Cao Ky, commander of the Vietnamese air force, said the raid had been planned for some time and was not in retaliation for the embassy bombing.

FDR Bodyguard Dies At Miami

MIAMI (UPI)—William Sinnott, 78, a bodyguard who was hit by a bullet in the 1933 assassination attempt of Franklin D. Roosevelt in Miami, died today of pneumonia.

Sinnott was one of the late president's bodyguards Feb. 15, 1933, in Miami's Bayfront Park when Giuseppe Zangara fired at FDR's back.

County 'Swaps' 25th St. Sites

Rupert Strickland and Seminole County "swapped" some property on 25th Street in an "even-Stephen" transaction this morning, preparatory to the State widening and improving the thoroughfare.

County Commission, in special session this morning, finalized the transaction, which was given a public hearing last fall.

'Mini-Lab' Capped

CAPE KENNEDY (UPI) — The Air Force today successfully rocketed a 162-pound "Mini-Lab" on a planned 9, 100-mile hop into space and back to measure the variations in radiation trapped in earth's magnetic field.
