

## Christmas To Be Brighter For Two Lucky Winners Here

Russ Kitner, Sanford representative of Communication Workers of America, Local 3108, has announced that during the Christmas holidays the Sanford unit is making available two overseas telephone calls to Seminole County wives or parents who have husbands or sons in the military service who are stationed in foreign countries.

The selection of those who will make the calls will be done by a drawing to be held at the USO Club Rooms, on Dec. 19 at 9 p.m. To be eligible to participate,

you must mail one postcard to the USO, 400 E. First St., Sanford, containing the following information:

1. Your name, address, telephone number, and relationship of the service man you would wish to telephone.
2. The name, rank, address, service number, and relationship of the service man you would wish to telephone.

Largest single use for zinc is for protection of steel against atmospheric corrosion, with 40 per cent of the metal trade being used for this purpose, according to the Encyclopedia Britannica.

Staff Aide, of the USO, put through on or before Christmas Day.

The public is invited to attend the drawing, but you need not be present to win. Winners will be notified by Mrs. Carolyn Higgins.

### 'Didn't Do It'

WASHINGTON (UPI) — The White House has denied that a University of Houston student got through the White House switchboard to President Kennedy on a collect call.

PAST PRESIDENTS OF KIWANIS are pictured here after they were honored at the Dec. 5th luncheon meeting of the Sanford Kiwanis Club. From left, seated they are Edward J. Lane, President in 1926 (past Lt. Gov., and the only remaining charter member of the club); Next is Fred Wilson, 1930 president, also a Lt. Gov.; Sanford Doudney, 1935; Howard C. Long, 1937 and O. P. Herndon, 1941. Second row: E. C. Harper Sr., 1942; E. B. Randall Jr., 1943; Luther T. Doss, 1945 and J. W. Hall, 1946. (Herald Photo)

TWENTY OF THE FORTY past presidents of Kiwanis were present at the luncheon in their honor. Shown here are seated, from left, Lester Tharp, 1947; W. A. Morrison, 1949; Ralph Smith, 1950 (Mr. Smith is a past Lt. Gov. and has been treasurer of the club for 12 years); Joel S. Field, 1951; J. Martin Stinecipher, 1952; Earl Higginbotham, 1953; Rupert Strickland, 1955; A. L. Wilson, 1956; A. E. Shinholser, 1957; David Gatchel, 1958 and J. C. Davis, 1959. (Herald Photo)

### Past Presidents Honored At Kiwanis Meet

The 40th Anniversary of the Kiwanis Club in Sanford was celebrated by its members Wednesday, with 20 past presidents seated at special tables.

A traveling gift was presented to the group by the club president, James Grant, and it changed hands until it reached the earliest president, Ed Lane.

From among the ranks of the 40 men who once served to lead the civic and service organization in Sanford, 20 were present, 10 are deceased and most of the 10 others have since moved away.

Ed Lane is the only remaining active charter member and Gen. I. C. Hutchison holds the position of "privileged member."

The gold trophy which has been won by the club many times for the best club bulletin was brought

out and it was announced that the Sanford Club had been awarded the trophy permanently.

Speaker for the meeting was Clifford McKibbin, president of the Sanford-Seminole Development Co. who spoke on the aims and purposes of the company, and gave examples of how the plan of the company works in regard to encouraging and supporting new industries in the county.

"Primarily we plan to encourage, develop, promote and stimulate the growth of industries that employ men, for if the head of the household is gainfully employed, it is of the greatest benefit to the community and all concerned," said McKibbin.

He said that ads in the New York Times and the Wall St. Journal had been the most successful

in producing the most inquiries. "But we aim to take great care in selecting the industries that we might accept," he said. "We check for good background, history, experience, financial status, permanency and then determine if they want and need what we have to offer."

# County To Ask SRD To Buy Road Strip

## Seek Solution To Lake Mary Blvd. Extension

The County Commission this afternoon will consider asking the State Road Department to get the rights of way for Lake Mary Blvd. with secondary funds. Chairman J. C. Hutchison said this morning.

Hutchison said he authorized County Engineer Carlton Bliss to speak to SRD officials in DeLand who agreed that the rights of way could be acquired in this manner.

Hutchison said that several members of the commission were obviously disturbed about going through with eminent domain proceedings and setting a dangerous precedent.

Today Bliss said that there was "quite a bit of money not obligated in the secondary road program."

Meeting in special session last Thursday, the board authorized its attorney to proceed with eminent domain proceedings against a property owner by Lake Mary Rd.

However, at that time Commissioner James P. Avery said the policy would be extremely dangerous and set a precedent.

In other business expected this afternoon, the board will hear a report from the county farm bureau on the need for an agricultural center on the county home property.

Report on hiring a medical director.

A discussion of the franchisee directive.

Indications are that the directive will be canceled.

## Guns Blaze In Miami Beach Boat Chase

### Coast Guard, Cops Go After Stolen Yacht

MIAMI BEACH (UPI) — The Coast Guard and police pursued a stolen cabin cruiser by land, sea, and air today in a pre-dawn chase marked by small arms fire from pistols, rifles and sub-machine guns.

Object of the battle-like operation was the 33-foot, \$28,000 pleasure craft Petro-Flo, and her 140-pound unauthorized pilot, Ronald Doche, 28, of Miami.

Doche worked for the boat's owner, Saul Lippman of Miami Beach, briefly this past summer and apparently decided to revisit the boat about 2:45 a. m. today. It was the start of a real wild ride.

Jack Shulman, who owns a bar nearby, told police he had just closed his saloon and was standing outside taking the early morning air when he saw a young man on the Petro-Flo, which was docked nearby.

Shulman went on board and asked the youth what was up. "When the fella didn't answer, Shulman got concerned and left the boat," said Miami Beach detective Mal Garvey.

Garvey and detective John McGuaran sped from the police station to the causeway, where they saw the Petro-Flo cruising by "fairly fast." The boat and its pilot didn't stop, Garvey said, as he and McGuaran began firing and unloaded about 10 rounds of pistol fire.

The chase shifted to Government Cut. The boat would have to go through there to get out of the bay, police knew, so "about a dozen of us, several with shotguns, others with revolvers, went over there and got there about the same time the boat did," Garvey said.

"We started firing at the boat," Garvey said. "He started moving faster."

The Petro-Flo moved through the cut into the open sea. After her went a Miami Beach police boat, two 40-foot Coast Guard cutters, two Coast Guard airplanes, and a Coast Guard helicopter. Flares from the helicopter lit the scene.

Doche decided to meet the challenge. Wheeling the Petro-Flo, powered by two 180-horsepower engines, he boldly tried to ram the nearest Coast Guard boat. The police fired another barrage. The Coast Guard broke out a submachine gun and rattled that a few times.

But his own craft finally failed. The engine stalled three times, Garvey said, and finally at 5:15 a. m. a Coast Guard boat got alongside and two policemen jumped on.

"He started to come out the cabin window. When he did, Reeves grabbed him and I handcuffed him. He didn't have any weapon," Riley said.

26 Bombs Dropped On UN Airport

LEOPOLDVILLE, The Congo (UPI) — One or more Katangese airplanes dropped 26 bombs around the Elisabethville airport without major damage or casualties, a United Nations spokesman said today.

The attack lasted about 3 1/2 hours Monday night and early this morning, but the spokesman said all the bombs fell outside the UN-held airfield perimeter and did not damage UN installations.

Ndola, in Northern Rhodesia, heard a report that fighting broke out today around the post office in Elisabethville. Telephone communications between Elisabethville and Rhodesia were cut.

There were four separate raids by the Katangese, although it was not known whether one or more aircraft was involved.

Engineers Bill Leffler and Bill Bush will present final plans for a sewage treatment plant for Sanford at a special City Commission meeting Dec. 18. City Manager W. E. Knowles estimates that federal participation to help pay for the \$400,000 facility will come in about seven months.

Work on the new police building on Seminole Blvd. has stopped. "We just don't have the funds available to finish the job," says Police Chief Roy Williams. Look for the Chief to ask the City Commission for some help.

Attorney Joe Morasco tells us there's a definite move underway to incorporate Fern Park. The move is being headed by C. R. Lautenbach.

Assistant State's Attorney Tony Housmann tells us that he will never order an autopsy unless someone tells him there is criminal negligence involved. "Just not so in the Ellie Thomas case," Housmann emphasized.

Look for Ted Williams to ask the County Commission to start thinking about an agricultural center on the county home property and that \$20,000 in the indigent aid program be stricken off and used to start construction of the facility.

By the way, the Sheriff's office turned over \$13,000 in the fine and forfeiture fund for November . . . not for the whole year as was reported last week.

County Engineer Carlton Bliss tells us he will ask the County Commission to get enabling legislation for county-wide drainage levy now that the HHPA has turned thumbs down on the county's application for funds.

City Commissioner Tom McDonald last night asked the board to start operating under Robert's Rules of Order. Earl Higginbotham chimed in: "Let's table that until 1965." However, after a minor skirmish, the board amended it until 1962. "Way late in 1962," said Jimmy Crapps.

Ever hear of a masked safety driver? Well, Sanford will have one driving around for the next few days. His name is Irving Ferkin who can't get out of his car and refuses to do so in an effort to promote safety. The doors of the vehicle are welded. ### 2 Homes, Store Loss In Fire

Two homes and a store on Sipes Ave. in the Midway section of Sanford were burned to the ground in a pre-dawn fire this morning.

Firemen from SNAS and the Lake Mary Volunteer Dept. responded to the call and were able to prevent the fire from spreading over the entire block.

Lake Mary Chief Ralph Abell said later this morning that he couldn't even begin to estimate property losses since "it was all on the ground when we got there at about 3 a.m."

The buildings were owned by Maggie Robinson of Sipes Ave. and Frank Cox, both Negroes.

### Kimball Installed As Realtor Head

Byron L. Kimball of Fern Park was installed as the new president of the Seminole County Board of Realtors at a dinner and ceremonies held Monday at the Sea Shell Restaurant.

William H. Lippold, executive vice president of the Florida Assn. of Realtors, was present to conduct the installation ceremonies.

Also given the badge of office for the coming year were: C. F. Field, Forest City, vice president and Mrs. Elizabeth S. Kuhn of Longwood, as secretary and treasurer.

New director for the association was Mayor A. L. Lormann of Longwood and serving second year of his term was W. Dietrichs.

### Suspect Arrested In Two Breakins

A 15-year-old Negro juvenile was arrested Monday charged with breaking into the Furniture Center on French Ave. on two different occasions, Police Chief Roy Williams said.

Sunday night two transistor and one portable radio sets were taken from the store. Chief Williams said the boy's hat was found on the scene and traced back to him.

### Ministers' Ire Sobers City On Liquor Sales

City Commissioners, who six days ago stood firm on allowing intoxicating beverages to be sold on Sunday New Year's Eve, were a little shaky Monday night in

the face of a host of ministers and their flock as they voted to close the bars from 10:30 p. m. until midnight but voted to reopen them at the strike of 12:01 until 8 a. m.

Commissioners were hit with resolutions from the First Presbyterian, Methodist, Sanford Alliance Churches and the woman's Missionary Society of the First Baptist Church.

The three commissioners who earlier had stood firm, Tom McDonald, Earl Higginbotham and J. H. (Jimmy) Crapps apparently had a change of hearts voting to keep the bars closed until midnight. However, the same three saw no harm in allowing the bars to open at 12:01 a. m. Monday although Joe Baker and Commissioner Al Wilson refused to vote for any extension.

McDonald said "we are not opening the door for the sale of whisky" and that the board had many times fought for stricter beverage laws.

McDonald asked the many people in the audience if they realized that the county allows the bars to stay open every Sunday for two hours.

Crapps, who had earlier proposed the motion to keep the bars open for an hour and a half Dec. 31, said he was just "trying to represent 19,000 people and thought I was doing the right thing."

Several residents of Altamonte Springs attended to make protests and Hawkins told them that the Council had not expected protests at this season; that the ordinance had had a series of public hearings for the specific purpose of hearing objections and that this was the time to register opposition.

However, the mayor did allow a rather lengthy discussion and finally had to call a halt in order to get on with the Council's routine business.

### Moscow Warning

MOSCOW (UPI) — The Soviet Union warned today that it might have to take measures to protect its own security as a result of the formation of a joint West German-Danish Baltic command.

### Blizzard, Tornadoes Shake Country

By United Press International The season's first big blizzard raced out of the central plains into the Mississippi Valley today and the Deep South cleared rubble from a new round of tornadoes.

The three-day death toll from the weather onslaught climbed to 90.

Blizzard warnings were up for Kansas and Nebraska and areas immediately adjacent to the East

and Northeast. Heavy snow warnings were up as far east of Wisconsin.

As the snow abated west of the Mississippi it was succeeded by polar chill which dropped the temperature around the 60 below zero mark at Havre, Mont., early today.

Three tornadoes skipped through Alabama and one through Mississippi Monday night, injuring at least four persons. Heavy rain

fell from Dixie to the Ohio-Valley and Middle Atlantic states.

Tornadoes pounced out of the leading edge of a cold front, damaging buildings, overturning cars and uprooting trees in Alabama. Allen Walker was seriously hurt when a funnel cloud hit his Marion, Ala., home. Three other persons sustained less serious injuries at Marion.

Heavy rain hit the Carolinas, Alabama and Tennessee.

The storm front dropped temperatures as much as 30 degrees in Mississippi. Heavy thunderstorms hit Meridian and Jackson, Miss. Memphis measured 1.07 inches of rain and Birmingham, Ala., had 1.36 inches. Fog brought cancellation of all but a few of Atlanta's 300 daily airline flights.

The Texas Panhandle reported snow and below zero temperatures. Freezing rain fell as far east as Dallas and Fort Worth. Schools were closed in at least 28 communities.

## Bulletin

The State Cabinet today pledged \$56,000 to Seminole County for school building construction. It was announced this afternoon. The money will be released when needed to pay contractors.

The city's resurfacing program for this fiscal year will get under way in about four weeks, City Manager W. E. Knowles said today, after the City Commission Monday night authorized Knowles to secure bids to get the \$23,000 program started.

Among the major items in the resurfacing of First St. from Park Ave. to Sanford, six other projects are included in the program.

In other business, the board agreed to install a central telephone switchboard type arrangement for city hall. The plan would cost \$101.32 per month. Southern Bell Telephone officials Bob Shelden and Bob Kendrick, discussed the proposal with the board.

Agreed to annex some 20 acres on Sanford Ave. and Onora Rd.; Voted to make it mandatory that all city employees get a physical examination prior to going to work;

Table action on a discussion of water needs at the Del Mar Cabaret site on Country Club Rd.;

Table action on firming up the condemnation ordinance pending additional material be drawn up by attorney Bill Hutchison.

## Council Takes Junk Yard Action

Casselberry Building Inspector Cliff Overman was advised by the Board of Aldermen Monday night to take the necessary steps to halt operations of a junk yard on Seminole Blvd.

He was told to notify Buddy Johnson, owner of the yard, that according to town zoning ordinances such businesses are prohibited within the Casselberry municipal limits even though located on property classified as commercial.

The ordinance carries a fine of no less than \$5 or more than \$50 or a 30 day jail sentence for each day the owner fails to comply after he has been advised to close the business at its present location.

Overman announced that he would notify Johnson, setting a visit to the yards for 9:30 a. m. today.

## Editor To Speak

Larry Vershel, managing editor of The Sanford Herald, will be guest speaker at today's meeting of the First Christian Church Men's Club. The 6:30 p.m. meeting will begin with a pot-luck supper in the Educational Building.

# Stock Exchange Boss Resigns

NEW YORK (UPI)—The President of the American Stock Exchange and its general counsel resigned under fire late Monday.

The board of governors of the ASE immediately accepted the resignations of both men—Edward T. (Ted) McCormick and Michael E. Mooney—and named board chairman Joseph F. Reilly president pro tempore.

## Israel Court Ticks Off Crimes By Eichmann

JERUSALEM, Israel (UPI)—An Israeli court said today it found Adolf Eichmann directly responsible for gassing of Jews and to bent on his murderous task that he often blocked the rescue of individual victims.

The three-judge court ticked off detailed reasons for its conviction of the former Nazi Gestapo colonel Monday for crimes against humanity, crimes against the Jewish people and a war crime.

The 35-year-old Eichmann resumed his stiff-backed pose inside the courtroom's bullet-proof glass cage, listening intently to the reading of his crimes.

Judge Benjamin Halevi concentrated first on the extermination of Jews in Poland and Russia.

He said Eichmann's testimony contradicted all facts which showed that he deported Jews to certain death, going even beyond the orders of Adolf Hitler in carrying out the "final solution" to the Jewish problem.

Halevi said Eichmann issued orders that nothing was to interfere with the extermination policy.

Eichmann stared unblinking as the judge ruled he was responsible for the gassing of Jews and as the judge cited cases of Italian Jewish women he had ordered sent to the Riga concentration camp.

The court said Eichmann was so conscientious in his task that often he intervened to prevent individual Jews from being rescued.

## Mrs. T. B. Campen Buried Today

Funeral services for Mrs. T. B. Campen, 81, who died late Sunday afternoon at her home, 4224 Thornhill St., Jacksonville, were scheduled this morning at the Church of Immaculate Conception in Jacksonville, of which she was a member.

Mrs. Campen, the former Catherine Lake, was born in Louisville, Ky., and came to Sanford in 1916 with her father, the late Ben Lake, and her mother, Mrs. Elizabeth Lake, who makes her home at 911 Elm Ave. in Sanford. She attended Sanford schools, was a member of the 1930 Seminole High graduating class and had lived in Jacksonville since 1941.

Survivors, other than her husband and mother, include son, Timmy, daughter, Terry, and sister, Mrs. Thelma Tanner, all of Jacksonville; sister, Dr. Doris Lake of West Palm Beach and brother, Bernard Lake of Lake Mary.

Burial was to be in Jacksonville.

The resignations were announced by Reilly following a special meeting of the board of governors. The resignations had been demanded by some members of the exchange since trading irregularities were disclosed and resulted in the expulsion of two members by the Securities and Exchange Commission for violating securities laws.

Last May McCormick, onetime Securities and Exchange Commission member, said he welcomed an SEC investigation of practices of ASE.

"Because of recent publicity, both officials declared they believed it would be in the best interests of the exchange to sever their connection with the exchange," Reilly said in announcing the resignations.

McCormick had been president of the ASE since 1951 and had three more years to go in the \$75,000-a-year post. However, because of Monday's action, the next election of officers is slated for Feb. 12, 1962.

In mid-summer, McCormick testified at House subcommittee hearings which eventually led to the appropriation of funds for a SEC investigation, expected to take at least 18 months, of the nation's securities trading in toto. He stoutly defended the record of his exchange and its integrity.

Giles services set Wednesday

Funeral services for Wesley Giles Jr., killed last Wednesday in the crash of a small private plane south of Savannah, Ga., will be conducted at 4 p. m. Wednesday at Brison Funeral Home, Dr. W. P. Brooks Jr., of the First Baptist Church will officiate.

Giles, born in Pensacola on Aug. 5, 1927, had made his home in Lake Monroe for the past nine years. He attended Sanford schools, was a member of the First Baptist Church here, a member of the Carpenter's Union, was employed by Yeandle and Fox Laminated Products, Inc. of Orlando and had just completed the Field House for the Virginia Institute of Technology.

He is survived by his parents, Mr. and Mrs. Wesley Giles Sr.; brother, Ronald; sisters, Sharon and Rebecca, all of Lake Monroe; grandmothers, Mrs. Lucy Lane of Pensacola and Mrs. C. R. Giles of Lake Monroe and several aunts and uncles.

Burial will be in Oaklawn Cemetery. Active pallbearers are to be Donald Knight, Robert D. Dekle, Milner Osborne, Gerald Behrens, Fred Wilson and Morris Mehta.

It is estimated that petroleum represents 56.7 per cent of the total value of all U. S. mineral production.

PICTURED ABOVE is the proposed Catholic Church for Lake Mary. The building with a rustic brick front and insulated sides will be located on Highway 427 a half mile from five points on 17-92. Groundbreaking for the Church is expected to begin in January. The Church is expected to be available for services sometime in April. Total cost of the building, which will seat 300, and

can be expanded to accommodate 600, is estimated at \$50,000. Air conditioning and heating are included in the plans for the new Church. Part of the same building, but to the rear of the section designed for religious services will be provided a place for parish meetings and parish social functions.

## E. B. Stowe Oil Paintings Now On Display

The Sanford Art Assn. has on display at Senkirk's Glass and Paint Company store on Magnolia a new one man exhibit of oil paintings.

E. B. Stowe, Sanford artist, is the exhibitor whose work is now being shown and this display is open to the public during business hours, until Jan. 5.

Stowe has been a resident of Sanford for 44 years and was a member of an earlier art group formed here 30 years ago. During the past 18 or 20 years he had the privilege of studying under 10 or more instructors and has conducted small classes himself for three years.

At present he holds memberships in the Orange County Art League and the Orlando Art Assn. as well as the Sanford Art Assn. He has exhibited with each group over a number of years.

Christmas Music  
WHITE SPRINGS — A Sunday afternoon program of Christmas music featuring a talented musical family will be presented at the Stephen Foster Memorial here at 2 o'clock on Dec. 17 in the Carillon Tower Auditorium. It was announced today by Thelma Bolin, director of special events. Dr. Delbert Sterrett, tenor, his wife, Jane Richards Sterrett, and their children, Jamie, Vickie and Tyler, will present their program of traditional Christmas carols for the sixth consecutive year.

## Taxpayers May Be Invited To Confess Past Sins

WASHINGTON (UPI)—The Internal Revenue Service is considering inviting taxpayers to confess their past sins in exchange for a guarantee of no criminal prosecution.

Commissioner Mortimer M. Caplin, it was learned today, has been studying this delicate matter for several months. Officials said he probably would issue a clarifying statement this week.

Sources close to Caplin pointed out that even now it is difficult to obtain criminal convictions for tax evasion against taxpayers who voluntarily admit tax cheating.

Government attorneys find jurists are sympathetic to the taxpayer who confesses his wrongdoing and usually are unwilling to believe that he willfully evaded taxes.

Moreover, the revenue service and the Justice Department rarely bring criminal proceedings in cases where the amount of unpaid taxes is small. The service prefers to assign its limited number of intelligence agents — those who investigate fraud cases — to cases where large sums are involved.

The service had a voluntary disclosure policy prior to 1951. Under this policy, it agreed not to bring criminal tax evasion charges against anyone who acknowledged on his own that he had failed to report income, overstated his deductions or otherwise cheated.

Even now, a high official said, "our entire tendency is to look prospectively." He explained the service generally is satisfied if it can expect honest reporting by a taxpayer in the future.

The promise of no prosecution, if Caplin makes it, would be a carrot to entice taxpayers. The stick to prod them might be a reminder that with electronic processing of tax returns, the revenue service will be turning up more tax cheaters.

Electronic processing begins next month on business returns from seven southern states. By 1962 it will apply to all tax returns from the entire country.

Even with a promise of no criminal prosecution, the service still would charge taxpayers six per cent interest on back taxes. Caplin was reported to be discussing the matter with the Treasury and Justice departments and congressional tax-writing committees.

Government attorneys find jurists are sympathetic to the taxpayer who confesses his wrongdoing and usually are unwilling to believe that he willfully evaded taxes.

Moreover, the revenue service and the Justice Department rarely bring criminal proceedings in cases where the amount of unpaid taxes is small. The service prefers to assign its limited number of intelligence agents — those who investigate fraud cases — to cases where large sums are involved.

The service had a voluntary disclosure policy prior to 1951. Under this policy, it agreed not to bring criminal tax evasion charges against anyone who acknowledged on his own that he had failed to report income, overstated his deductions or otherwise cheated.

Even now, a high official said, "our entire tendency is to look prospectively." He explained the service generally is satisfied if it can expect honest reporting by a taxpayer in the future.

## Vesper Service Scheduled Sunday

The all music vesper service to be presented Sunday, at 8 p. m. at the First Presbyterian Church will include the 28 voices of the Chancel choir assisted by 13 of the intermediate Girls choir.

Interesting combinations of the voices will tell the Story of Christmas as they sing 12 anthems. In addition to the vocal solos and choruses, Mrs. Robert Anderson's violin will lend variety and added musicianship as will the organ prelude by the minister of music, Mrs. George Touhy.

The worhipful atmosphere of the sanctuary that will be specially decorated by Circle 10 under Chm. Mrs. James Warner will be enhanced by effective candle-lighting. The entire 60 minutes will be focused on congregational praise and thanksgiving for Christ's birth, the director said.

Members of the Chancel choir are: Altos — Mmes. Al Case, Eugene Ealridge 3rd, Harris Folds, Roy Mason, Rayburn Milwee, Joseph Orsino, Rudy Sloan, Leon Walker; Sopranos — Mmes. Harry Echelberger, Frank Gore, David Lapham, James Meriwether, Richard Packard, Stuart Nielson, Charles Wilke and Miss Joan Wilke.

Also basses — Warren Adams, Robert Crumley, Donald Howard, David Lapham, Clifford McKibbin, Charles Morrison; Tenors — David Berrien, Andrew Bracken, Robert Brown, Al Case, Walter Glelow, George Touhy.

Girls Choir — Norma Adams, Kathy Folds, Vernette Fox, Sue Makin, Heien Mann, Patricia Marotta, Sherry Marzitta, Sue Orsino, Marty Pierce, Christie Schlike, Debbie Sewell, Kathy Sloan, Sharon Weir.

The promise of no prosecution, if Caplin makes it, would be a carrot to entice taxpayers. The stick to prod them might be a reminder that with electronic processing of tax returns, the revenue service will be turning up more tax cheaters.

Electronic processing begins next month on business returns from seven southern states. By 1962 it will apply to all tax returns from the entire country.

Even with a promise of no criminal prosecution, the service still would charge taxpayers six per cent interest on back taxes. Caplin was reported to be discussing the matter with the Treasury and Justice departments and congressional tax-writing committees.

## Panel Discussion To Highlight Church Meeting

A Panel Discussion and showing of the film, "The Will of Augustus Nash," is scheduled on the program of the Ebenezer Methodist Church Stewardship covered dish supper Wednesday.

The meeting will open with the 8:15 p. m. supper immediately after which the Mission on Social Concerns will conduct a business session before the program.

Panelists leading discussion after the film is shown will be Mrs. R. Cole and Mr. and Mrs. W. P. Chapman from the Sanford First Methodist Church.

## Phone Trouble

LONDON (UPI)—Let us consider in sadness and sympathy the ordeal of her majesty's post office, which operates all the telephones in Britain and will continue to do so unless the personnel have a mass nervous breakdown.

The bald facts are that robots are filibustering each other over the telephones, dogs are putting in emergency maternity calls and adults in the city of Hull have difficulty communicating with one another because kids have the phones tied up listening to bedtime stories.

Slow and easy now and one at a time. Outside London there is an automatic device called Robot George. His duty is to signal when there is a power failure. The power failed and, true to his trust, George dialed zero and said: "There is a power failure, please send repair men."

The human beings in her majesty's post office had goofed by not advising Robot George that the zero had been changed to 100. But Robot Charlie in London picked up the ball and advised Robot George: "You no longer dial zero for operator. Please replace your receiver and dial 100."

"There is a power failure," repeated Robot George. "You no longer dial zero for operator," repeated Robot Charlie.

"How long did they filibuster each other?" Ted Dollery of her majesty's post office was asked. "At least three hours," he replied. "They were sort of like statesmen at a peace conference, if you know what I mean. Lots of talk but no action."

Bess, an Alsatian, was in a garage near Huddersfield when she felt the pangs of approaching motherhood. She went over to a corner of the garage and knocked the receiver off the phone. A telephone operator dialed 999, the

emergency number, and told police she had heard what sounded like children crying. Police located Dennis Hallowell, owner of the garage, and went to the scene. Bess already had given birth to two puppies and later there were four more.

"Smart dog," said Hallowell. "The puppies weren't due for several days yet."

Somebody in the telephone exchange at Hull thought up the idea of setting up a special service whereby in the evening hours children could dial 311 and hear a four-minute bedtime story. The charge was three cents a call. The name of the person who had this blinding inspiration is not revealed, but it should be Frankenstein. In four months kids put in 33,000 calls. Life got rough for every adult between 5 and 8 p. m.

The telephone exchange began to run out of bedtime stories. Now they are offering 70 cents a story for each accepted. Sample: "Pixie and His Motor Car." Pixie loses a wheel from his tiny car, finds a pin and uses it for an axle. Five hundred words each, keep 'em clean and be sure there is a happy ending.

## New Elementary Glee Club Sets First Performance

The Longwood Elementary Glee Club will give its first performance at 7:30 p. m. today preceding the P-T-O meeting.

Comprised of 55 boys and girls from the fifth and sixth grades, the Glee Club is directed by Mrs. Eoghan Kelley, school music teacher.

Today's program will feature Christmas music and will include such selections as "Haste Thee Nymph," "It's Beginning to Look a Lot Like Christmas," "Bring A Torch," "The Friendly Beasts," "Three Kings," and "Pat-A-Pan."

## Officers' Wives Hold Board Meeting

The executive board of the NAS Officers' Wives Club held the monthly meeting at the home of Mrs. B. B. Gear in Loch Arbor, Mrs. G. G. Zimmerman, president, presided at the business session when the group discussed various social functions for the next two months.

AMONG THOSE ATTENDING the executive board meeting of the Officers' Wives Club at the home of Mrs. B. B. Gear, in Loch Arbor were two new members, seated, Mrs. J. T. Osborne and Mrs. R. G. Fox. Mrs. R. E. Farmer, advisor, is on their right. Standing are Mrs. J. M. Tully Jr., the hostess, Mrs. Gear and club president, Mrs. George G. Zimmerman. (Herald Photo)

It was announced that a check for \$100 had been donated to the retired widows area. The money was proceeds from bridge parties held this summer.

Members were reminded of the change of board coffee, scheduled for Jan. 11. Reservations must be in by Jan. 8.

A New Year's Eve party is being planned for Dec. 31 at 9 p.m. in the NAS Ballroom. Reservations for this event must be in by Dec. 18. Parties wishing a reserved table please make the request when making your reservation.

Mrs. Gear used a Christmas theme for decorations including red and white napkins. Coffee and assorted doughnuts, tarts and cold drinks were served during the social hour.

Those present were Mrs. H. F. Dement, Mrs. K. L. Kosky, Mrs. G. G. Zimmerman, Mrs. J. T. Osborne, Mrs. R. H. Fine, Mrs. R. G. Fox, Mrs. A. R. Blunden, Mrs. C. C. Wells and advisors, Mrs. J. M. Tully Jr., Mrs. R. E. Farmer, Mrs. L. B. Hoop Jr., Mrs. T. A. Wagner Jr., Mrs. L. H. Settee and Mrs. Gear.

THE BUSINESS AND PROFESSIONAL WOMEN held their annual Christmas party at Phelps Restaurant. Following the holiday dinner Mrs. W. L. Roche told a Christmas story and a donation was made by the group to their holiday project, the Ocala School for Girls. Seated from left are Mrs. Gordon Brisson, president, and Mrs. Roche. Standing, Mrs. J. L. Horton Sr., first vice president; Mrs. O. T. Pearson, recording secretary and Mrs. Helen Constantine, second vice president. (Herald Photo)

## Mauveen Pitts Honored With Surprise Party

Mauveen Pitts was honored on her 15th birthday with a surprise birthday breakfast at the home of her parents, 2405 Grandview Ave. by members of the Seminary Class of the Church of Latter Day Saints.

The breakfast table was adorned with Christmas decorations and birthday motifs and a birthday cake. Miniature sandwiches, petite biscuits and sausage patties, eggs, cake and other delicacies were served with punch from a bowl surrounded with Brazilian peppers.

Those attending were the honoree and her sister, La Vigne Pitts, Beth and Sharon Blackwelder, Judi Taylor, Doyle Carlton, Robert Brooks, Kenneth Tyre, William Durstler, Chuck Ogden, Barry Pitts and Marvin Smith.

Adults present were the honoree's parents, Mr. and Mrs. Arthur G. Pitts and her grandfather, Arthur E. Pitts of Eau Claire, Wis., who is visiting with the family.

## St. Nicholas Pays Annual Visit To Catholic Club

Santa Claus paid his annual visit to the All Souls Parish Social Hall at the Catholic Women's Club meeting last week.

Rev. Richard J. Lyons blessed the Advent wreaths with the membership giving the response and assisted by St. Nicholas, portrayed by Joe B. Azzarello, he judged the wreaths. Prizes were awarded to Nancy Nordstrom and Carolyn Plerro.

Mrs. Marie Dungan played Christmas carols while the ladies joined in the chorus. St. Nicholas distributed the packages to all those present.

Mrs. Alma Smith donated a handmade quilt which was won by Sara Warren Easterby. A Nativity set was donated by Victoria Roch and won by Joan Accorndi. Groceries to fill the Christmas Baskets were brought in by the membership.

Refreshments consisted of party sandwiches, cup cakes and coffee, graciously served by Carolyn Plerro and Marion Farrella.

Each member was presented with a miniature Santa Claus. These were made by the board members at their last meeting.

An arts and crafts exhibit will take place at the January meeting.

## DAV Auxiliary Meets Tonight

The monthly meeting of the Disabled American Veterans Auxiliary Unit 30 will meet at 7:30 p.m. today at the chapter home on Orlando Drive.

On the agenda will be final plans for the chapter and unit family Christmas party to be held at 7:30 p.m. this Friday.

Unit Commander, Mrs. Valton Williams, suggested that anyone wishing to loan decorations for the tree and hall should bring them to the Tuesday meeting.

## VAH-11 Wives Plan Christmas Party

The annual VAH-11 Christmas party for all hands and their dependents was the main topic of business Thursday when the officers wives met for coffee at the Pinecrest home of Mrs. Joseph Bachman.

Mrs. H. K. Manship, wife of the commanding officer, gave details of the party which is scheduled for Dec. 18. A picnic type lunch will be served. Afterwards, Santa will make a spectacular arrival in an ASD and will present each child with a gift especially for him.

Several wives volunteered to wrap presents and others will make Christmas cookies for the party.

Mrs. Alec Blunden announced that the All Wives Board will sponsor a New Year's Eve party at the NAS Ballroom.

Mrs. William Rose reported that the NAS Central Committee had decided to provide various types of assistance to the station dispensary. Ways in which VAH-11 wives could help were discussed.

It was decided that Mrs. Jerry Patterson will replace Mrs. Blunden as representative to the All Wives board at the change of board coffee in January.

Mrs. Bachman served an elegant array of fancy baked goods including pecan rolls, marmalade filled rolls, dream cookies and banana nut bread in addition to coffee, tea and white and red wine.

A colorful permanent arrangement centered the serving table.

The ladies of VAH-11 also enjoyed the luscious buffet at the Capri when they met there recently for a monthly luncheon. Hostesses were Mrs. Patterson and Mrs. Wayne Robinson.

A winter theme was carried out by a clever arrangement of miniature snow covered trees and bushes and four small skaters made of felt with tinfoil skates. Paper snowflakes on the tables served to remind the guests of the season.

You've got nine Chevy II models to choose from. This is the Nova 400 Sport Coupe.

## Luxury and low price were never blended so beautifully

Who but Chevrolet could've done it? Price, space and everything nice! A car that's bustin' with room, zoom and richness. One that's deep in convenience and comfort. One that won't let you squander a thing but affection. Look over the beautiful new Chevy II Nova here, and light out in it at your dealer's.

## NEW CHEVY II NOVA

**A SIX WITH V8 SCAT.** You design a throaty Six (120 hp. strong) with special refinements like seven main bearings. You take your Six and team it with a car that is hundreds of pounds lighter than the big jobs—and, partner, you've got Go!

**EASIER GOING RIDE.** New Mono-Plate rear springs take the place of old-fashioned multi-leaf springs. Tough but ever so gentle, they help give you a ride that reminds you of the big Chevrolet—and you know how smooth that is.

**RICH REFINED INTERIORS.** Here's where you sit in the lap of luxury. Leatherlike vinyl upholstery. Foam-cushioned, of course. Carpeting and scuff mats. Vinyl overhead and chrome trim—the works!

**EVEN BUCKET SEATS IF YOU LIKE.** Comfortable, contoured for full support, padded with thick deep-foam cushioning, covered in rich leather-grained vinyl. Yours at slight extra cost in the Nova Sport Coupe and Convertible.

Body by Fisher

**STRIKING NEW STYLING.** Any way you look at it, the Chevy II Nova is a neat, nifty fashion plate. The lines are so crisp and clean we're tempted to call them "elegant" (except that sounds downright expensive and, as your dealer will happily show you, Chevy II is anything but!).

# Have You Looked?

If you can't find the gift you're looking for in Sanford, by all means go ahead and buy it out of town. A startling statement for a hometown newspaper to make? Well, maybe—but we think we're on pretty safe ground. After visiting in scores of Sanford stores Friday night, we're convinced that just about anything can be purchased in Sanford, and at fair, competitive prices.

Our merchants have had quite a bit of buffeting from some who'd like to see Christmas "held back" at least until December 1 each year. The pros and cons of this argument however do not detract from what our shopkeepers have created with their own energy and imagination. Our shopping areas undoubtedly are brighter, more attractive, and offer more and better goods than ever before.

So . . . we suggest we all shop Sanford first.

## Dr. Crane's Worry Clinic

The progressive newspapers of America have led the fight against venereal disease. In similar fashion they safeguard happy marriage and prevent divorce by enlightening readers on such problems as the one which Andrew presents.

CASE K-474: Andrew R., aged 31, is a chemical engineer.

"My wife and I have been married for 7 years," he began our discussion. "All that time we have lived with her parents, owing in part to financial reasons, their insistence, and my wife's unwillingness to depart.

"We have a little girl four years of age, and have been reasonably happy. But during the last six months my wife has grown averse to affection. She doesn't want to have marital relations, nor even kiss me.

"Yet she says she loves me. I have threatened to go away or kill myself, but she urges me not to do so, saying we have to think of our baby.

"Dr. Crane, I don't know what to make of our situation. What do you advise?"

This girl's disinterest in the marriage relation is typical of millions of other American women, except most of them passively submit despite their lack of great enjoyment therein.

Marital adjustment is the most basic factor in a successful home. It is an indictment of modern society that almost 30% of those young couples entering matrimony with such high hopes and such love for one another, should find that love turns to ashes.

What is the reason for this? Simply the fact that young couples do not understand that marital technique is something which must be learned over a period of months or even years.

Men and women are not born with this technique. Nor do they miraculously receive some divine dispensation on their wedding day. The art of marriage is much like a piano duet. It involves study and the functioning of many muscles.

The thrilling, ecstatic love of the honeymoon and the first few months thereafter is supposed to tide the young couple through the period of adjustment to one another as they are learning the fundamental art of marriage.

This early ecstasy begins to

wane as time passes. Unless it is supplemented by an increasing pleasure in the marital act, the bride, at least, finds herself in much the same position as Andrew's wife.

One of the gravest psychological dangers in premarital relations is the fact that young people allow the romantic thrill of young love to evaporate in such illicit affairs, without developing the stabilizing value of the real love that should arise between a sexually adjusted husband and wife.

This situation prejudices their later chances of happy marriage.

For even under perfect knowledge of marital technique and due practice thereof, it requires months before a young couple are satisfactorily adjusted.

Women can be married for 23 years and rear a large brood of children, yet never have experienced any significant pleasure in the marital relationship.

Unselfishness, religious faith, and many other valuable assets cooperate to make marriage successful, but a sexually adjusted couple can remain fairly happy when all other factors are against them.

Most divorces occur because of lack of proper sex adjustment. Good Catholics will stay married even though the wives are unhappy, and so will many conservative Protestants, especially those who can sublimate their hunger for love by means of church work and much civic or church work.

But it is folly to flirt with divorce when a little intelligent adjustment can cement man and wife into a happy and inseparable union.

Since divorces usually start in the bedroom, send a 4c stamped and addressed envelope, plus 20c for my bulletin "Sex Problems in Marriage." It should be in every home. Many clergymen give this bulletin to each young couple they marry. It is part of the vital and practical educational service this progressive newspaper offers your city.

## Political Notebook

WASHINGTON (NEA) — One of the biggest Washington bureaucratic power grabs ever proposed has just come to light through publication of an article by a mysteriously-circulated "Mister Z" in the not-too-widely-circulated "Natural Resources Review," just issued by the University of New Mexico School of Law in Albuquerque.

What is proposed is that all water and natural resources agencies of the federal government except the Tennessee Valley Authority be merged into the Department of Interior to create a new "Department of Natural Resources."

This colossal amalgamation would take in 18 separate agencies totaling over \$3 billion. It would include the 11 agencies

now in Interior, Army Corps of Engineers, Agriculture's Forest Service, Soil Conservation Service, Agricultural Conservation Program, and Rural Electrification Administration with the water supply and stream pollution control programs of the Department of Health, Education and Welfare.

Identity of the "Mister Z" who makes this proposal is not being revealed by Jack L. Kroner, editor of the Review. But the 2,000-word text, published under the title of "The Case for a Department of Natural Resources," presents such detailed knowledge of government activities in this field that immediate suspicions of an inside job have been raised.

Secretary of Interior Stewart L.

## Letters

### To The Editor

Dear Sir:

On behalf of the members of the Seminole County Board of Realtors I want to express to you our appreciation for the fine publicity you gave to the seminar presented by the University of Florida, Thursday December 7. I want to particularly commend you for the strong editorial of December 6 in which you urged participation by every citizen in-

terested in the growth of Seminole county.

I would also like to take this opportunity to express our appreciation for the valuable assistance provided by the Merchants Division of the Chamber of Commerce, and the Jaycees in their co-sponsoring of this seminar, each working very hard to make this an outstanding success, especially E. C. Harper Jr. President of the Merchants Division who did such an excellent job of arranging for the door prizes and handling tickets, to Garnett White, President of the Jaycees for their efforts in stimulating attendance, to Tom McDonald who served so well as master of ceremonies and the following merchants for so graciously donating the many valuable door prizes — Yowell's Dept. store, Sanford Electric, Panny's, Kader's Jewelry, Furniture Center, Roumillat and Anderson's, Wilson-Maier furniture store, Perkins' Men Shop, Cowan's, Touchon's, Thriftway and Food Fair.

We hope this Seminar will help make Seminole county a more pleasant place to work, live, shop and play for all the fine people in the county, and those passing thru will want to stop and become a part this fine section.

Sincerely,  
N. V. Farmer, President  
Seminole County Board of Realtors

### Discontent Held Cause Of Break

WASHINGTON (UPI) — Acting Secretary of State George W. Ball has described the Soviet-Albanian break as "evidence of a very considerable amount of discontent and disaffection within the Communist bloc."

Ball said the split, coupled with Russia's previous cut-off of trade and aid to Albania, should "stand as a kind of warning to neutral governments all over the world that they cannot rely on the long-range good faith of the Soviet Union."

He said in a television interview Sunday night the rupture indicates what happens to a country tied to the Soviet Union "which shows any signs of deviationism."

Other U. S. officials said the break underlined the dispute between Russia and Communist China, which has staunchly supported Albania in its criticism of Soviet Premier Nikita Khrushchev's policy of "peaceful coexistence."

### 2 Items Approved At Laos Session

GENEVA (UPI) — The 14-nation Laos conference agreed Monday on two more outstanding items of a declaration of Lantian neutrality, bringing its work within sight of an early end.

The 42nd restricted session of the conference agreed on a timetable for withdrawal of foreign troops and military advisers from Laos, and on the shape and form of the French "presence" which will remain there.

### 10 Die In Traffic

TALLAHASSEE (UPI) — At least 10 persons were killed in highway deaths during the weekend, four of them in two accidents, the State Patrol said Monday.

## Dear Abby:

By Abigail Van Buren

DEAR ABBY: My husband and I recently visited our daughter at the State University. We were amazed at the freedom these college girls are given. After their freshman year they have almost no supervision. No wonder so many of our young people get into trouble. Is this the new trend? What is wrong with our universities?

MOTHER OF A SOPHOMORE

DEAR MOTHER: Nothing is wrong with our universities. It's our homes. A child comes to the university with the moral code and set of values he has learned at home. One should not expect an academic institution to do the job that should have been done by parents years before.

DEAR ABBY: A man in our office is the world's biggest heel. He's the type who will make time with a girl in the evening and talk about it the next day. He is now trying to con a sweet little 22-year-old farm girl into letting him drive her home for the Christmas holidays. It's a 500-mile trip, which I'm sure he doesn't intend to make in one day — if you know what I mean. This little kid started working here in June and might accept his offer in order to save the plane fare. Who should wise up the girl? Or should someone tell the boss? Don't suggest talking to the man. He thinks he's a gift to women.

IN THE OFFICE

DEAR IN: A kiss-and-tell reputation gets around an office fast. Either the girl doesn't know better (in which case YOU should tell her) or she isn't the "sweet kid" you think she is.

DEAR ABBY: My mother-in-law used to make a very delicious cake. There was NO flour in it, but she used a half cup of meal. It was the best cake I ever tasted. Everybody wanted the recipe but she never gave it out. She carried it in her head. Well, she died, may the Lord rest her soul, and she took the recipe with her. I can't find a recipe like it anywhere. It stood as high as an angel cake and she folded the egg whites and yolks in separately. Can you or any of your readers help me?

MRS. L.

DEAR MRS. L.: I think I have your recipe. Send me your name and a self-addressed stamped envelope and it's yours.

CONFIDENTIAL TO HOMESICK: You are married to a VERY sick man. Tell him that he either goes for psychiatric help or you will not continue to live like a prisoner in your own home.

Everybody's got a problem. What's yours? For a personal reply, send a self-addressed, stamped envelope to Abby, in care of this paper.

For Abby's booklet, "How To Have A Lovely Wedding," send 50 cents to Abby, Box 3865, Beverly Hills, Calif.

## We The Women:

By Ruth Millet

Well, I've been going through the Christmas gift catalogs and here are my suggestions (subject to last-minute changes, of course).

—For the hardworking housewife whose husband's homecoming question is invariably, "What have you been doing with yourself all day?" — a pedometer. (One glance at the pedometer and her husband will KNOW what she's been doing—the wash, mopping floors, hickering through supermarkets and so on.

—For the 18-year-old girl whose personal life holds at least one major crisis daily—a world globe. (To remind her that City High isn't the whole, wide world.)

—For the bashful boy who has trouble getting up courage to ask a girl for a date—electric socks. (They're guaranteed against the wearer's getting cold feet.)

—For any mother of young children—a transistorized horn that amplifies a speaker's voice so that it can be heard clearly up to 2,000 ft. (That ought to help in calling the kids into dinner.)

—For any member of the high chair crowd—a bar buoy. (Designed to keep a glass from tipping over when a boat rocks, it ought to be just handy to hold a milk glass, too—and thereby save an awful lot of mopping up.)

—For the suburban housewife—a poncho with an attached hood. (This ought to be the perfect cov-

er-up for the housewife who claims she hasn't time to take the curlers out of her hair or get out of her jeans and into a dress before setting out for the nearest shopping center.)

—For the woman who loves junk jewelry—a tackle box. (It's the only thing big enough to hold all the "lures" owned by a woman who can't resist adding to her junk jewelry collection every time she walks through a department store.)

It's easy to learn "How To Have A Happy Husband." Send 25 cents to Ruth Millet, Reader Service, c/o The Sanford Herald, P. O. Box 489, Dept. A, Radio City Station, New York 18, N. Y.

## Jacoby On Bridge

By Oswald Jacoby

Nail and Hathorn discuss safety plays extensively in their book "How to Play the Hand," but they are careful to point out that sometimes a safety play will guard against one combination of cards, but will lose the hand against others.

North should simply have raised to three no-trump, but he decided to use Stayman to look for a four-four major suit fit. As a result, South found himself at a slightly dangerous four-spade contract rather than the ironed three no-trump.

He won the club opening in his

own hand and played the king of spades. East dropped the nine and now South saw a chance to guard against four spades in the West hand. He led the four of spades and when West played the seven, South played the eight from dummy. This would have been brilliant if West had held four spades, but unfortunately for South the spades broke 4-2.

East took his queen and led a club which West ruffed. South had succeeded in losing two trump tricks when he did not have to lose any and, because there was no way to shut out the red ace, South had also succeeded in losing the game.

# Seminoles-Oviedo Clash Here Tonight

By PETE LEVEQUE  
Herald Sports Editor

With long-standing rivalry still smoldering, the Seminole and Oviedo High will attempt their second cage win today at 8 p.m. in Bill Fleming Gymnasium as Sanford plays host to Paul Mikler's Oviedo Lions in a basketball clash that is expected to be quite a tussle for both of the Seminole County teams.

Seminole basketball Coach Bud Leyer described the Oviedo team as "tough to beat at the beginning of the season." When Leyer said that what he was referring to is the fact that tonight Oviedo will go out for its fifth cage competition of the season, whereas the Seminole are headed for their

second. With a season beginning weeks earlier and a greater emphasis on the sport of basketball, Oviedo is expected to have a slight edge on the Seminole in today's contest. In fact, the edge could possibly turn to more than slight. Last year's basketball competition between the two teams saw the Lions spank the Seminole 43-33 in the first part of the season with the Seminole coming back to thrash Oviedo 68-30 in the return game.

The Seminole with the help of top scorer Mike Woodruff, Bubba Davis, Butch Riser and Barry Brown have turned the first game of the season into high hopes for Coach Leyer. After the 65-62 win over the Titusville Terriers Friday

night, the Coach said of the upset, "It really surprised me the way the game went. But one thing is sure. We've really got possibilities now."

The Oviedo Lions have possibilities also with their (22) record so far this season and their early jump on Sanford's team. Mikler is a several-year veteran as a basketball coach and knows his game. Not only that, but in the past several years, he has helped many a winning team to a successful season.

Coach Mikler has quite a record behind him with an all-time career record of 275 wins, for more than two-thirds of the total number of games he has coached. Mikler's teams under his coaching have seemed to develop an inveterate desire to play basketball, and moreover, to play it well.

There is no doubt about what kind of competition Sanford is up against. Coach Leyer is pitting his squad against a good group of offensive basketball players. Just how good each team will be determined on the basketball court tonight.

## Strikes . . . Spares

By JOHN A. SPOLSKI

I was most concerned to see whether or not I might have played a "jinx" on all of my bowling buddies by writing in last week's column about all of those "Big Two Hundred" games bowled at Jet Lanes during the preceding week.

My fears were unfounded however, as both men and women jammed the pins into the back deck with many, many strikes and an equal number of unusually high, good games.

As an example, even the Saturday morning Juniors and bantams were pounding the wood with vigor. Little Jimmy Carlsen had a 152 scratch game which was good enough to win a personalized bowling shirt for himself.

In the junior division (over 12 years of age), Tommy Fay of the Dragon I team had a 180 game and Danny McFarlin of the Ten Pins shot a 512 series.

Mah Ole buddy Orville Jones continues to shine in the Friday afternoon Spare Ribbers Lg with a 220/648 set. Must be that clear of his which gives him the extra power.

Marjorie Kipp and Phil Roche led the Mr. & Mrs. Lg with hi games and series. Marge had a winning combo of 193/517 and Phil banged home a 246/642 set. See what concentration can do for you. Phil says it's helped him more than any one other point in his last three weeks of bowling.

VAH-3 Administration's Burns had a hi game of 222 to lead all others in the Tuesday night NAVY Lg. The hi series was hit by Kingsbury (VAH-3 Spec Trng "B") with a 574.

Dependable Dave Dearolph (Strickland-Morrison) exploded in the AJJ Star Lg with a 252/621 series. Not to be outdone, however, was Handy Food Stores Champion Johnny Wright with a 235/620. A heck-of-a-lot of "Big Dancers" rolled by the STARS. . . . Pentecost—203; Kirchoff—200; Steels—214; Michalek—201; Fox—201, 208, 201; DePalma—201 & 208/614; Roche—212; Gonzales—202; Lathew—206.

One of the fastest balls rolled by a woman here at Jet Lanes belongs to that of Clara Barber. Clara bowls in the Midget Foodmart Lg and this past week was hi with a 188/465.

How'dja' like our new Tuesday AM Women's League . . . the Bill Hemphill Motor-stes Lg secretary Verna Bolton of the Bonnevill's team paced the gals with a 188/514 duo. The gals had lots of fun on their first day of league competition and named each of their teams after one of the many different styles and models sold thru Hemphill Motors.

The Jet Bowler-stes Park Ave.

nus Pharmacy Team had Fran Mackey reach'n' down the lanes for those strikes this past week as she found her marks with a 193/510, tops for the entire lg.

The Wednesday Nite Sandpurs Lg still has Midge Woods (McRoberts Tires) finding the scoring conditions easy here at the Jet. Midge shot a 181, which included picking up the difficult 5-7 and the 8-7 splits. Lillian Lil Orden (Robson Spitz Goods) had hi series—475.

The Douglas Aircraft Lg was treated to some mighty fina bowling by Jerry Riley—222/557. The women leaders were Isabell Makl 165 & Kathy Murphy—448.

Those bombers in the City League made it look real easy to score a strike this past week. Incidentally, I'd like to thank Paul Pasold for compiling all of these facts for his league in order that I can report on same in this column.

Hi game was rolled by Garry Fox (Lake Monroe Inn) 235 and again Johnny Wright (Jet Lanes) hit 'em for the big ones with a 622 series. Wish I had the space to list all of the 18 names of bowlers who bowled more than 200 in this league. It's mighty keen competition in this league with the winner nowhere in sight of walking away from any of the other teams in the league.

Chuckin' Chet Atkinson of the Seminole Sporting Goods five-some was hi man in the Tuesday Nite Businessmen's Lg with a 226. C. Wallis Sr. of the LeRoy Benton team was high for the night in the series dept. with a near-miss on the 600 series, a 594. He included a string of six strikes in a row while accomplishing this feat. Nice going Wallis.

Will you look at that Jerry Murphy bowling in the Charles Music Co./Mer Mac Singles Classic League! He peddled showed 'em all how to roll the hi game, a 218. Equally strong in this league, is Harry Pentecost, currently in first place, who bowled another 6-hernd series, a 622. Harry's leading the league which as you know is based on the Petersen Points System. In this lg, every bowler is a team by himself.

The Jet Lanes Keglers Lg had Don Jackson hi with a 214 and Don Brumfield winning the series honors with a 576.

The Holler Motors/Navv Wives Lg leaders this past week were Lil Orden with a 455 and Martha Kinard's 164 was high game.

The action in the Kingwood Bldrs./Sunland Lg read like this: Elaine Kostival of the Cherokee Spare-stes was hi with a 183 and a 506 series. Subbing in the lg was Marge Kipp who bowled a respectable 188/507 set.

That's all for this week. Remember, to patronize your sponsors. It works both ways!

## Stemper Agency Noses First

Competition is stiff as Stemper Agency moves into first place, in the Sandpurs League. Stemper Agency copied three games and lost one to McRoberts Tires, with Faye Underwoods handicap series of 538. High handicap series for McRoberts Tires was rolled by Midge Woods 181-542 series and Pat Fosters 640 series.

Robson Sporting Goods and Welsh Tire Shop was fighting it out with a win of two and loss of two games each. Welsh Tire Shop moves into second place, followed by Robson Sporting Goods. High handicap series rolled was Lil Orden 650 and Phyllis Lefell 820.

Alix of Miami took three games from Jet Inn moving Jet Inn to fourth place. Margaret Elmers and Evelyn Fitzpatrick rolled a 537 and 568 handicap series for Alix of Miami. High for Jet Inn was Jean Webster 528 and Alice Anderson 543.

Splits were made by Pat Foster and Lil Orden 8-10. Doty Thomas picked up the 4-8, Sue Jackson made the 4-7-7, Maxine Kothler made the 4-7-9 and Midge Woods picked up the 5-7, 8-7 and 8-8-10.

Competition is still keen as Stemper Agency has won 30 and lost 22, Welsh Tire Shop has won 29 1/2 and lost 22 1/2, Robson Sporting Goods has won 29 and lost 22 1/2, Jet Inn has won 29 and lost 23 1/2, Alix of Sanford has won 20 1/2 and lost 8 1/2, and McRoberts Tires has won 17 1/2 and lost 34 1/2.

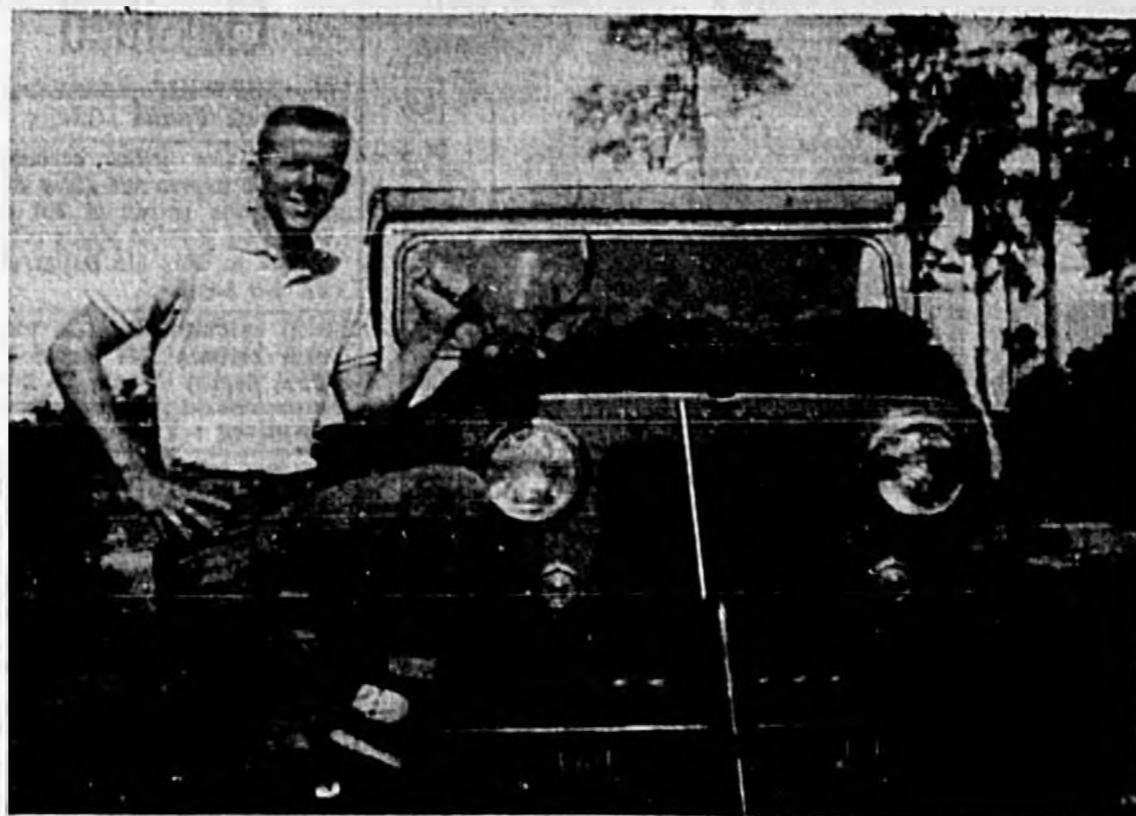

This coming Wednesday night, Stemper Agency vs Alix of Sanford, Welsh Tire Shop vs McRoberts, and Jet Inn vs Robson Sporting Goods.

Thirty-five races will send 230 greyhounds to the post at the Sanford-Orlando Kennel Club tonight, starting at 7 p.m. It will be the next to last night of schooling.

At least nine of tonight's entries have a good chance to lead a spot in Saturday night's Inaugural Handicap, always the opening night headliner. They are last season's Inaugural winner, A. R. Ewbank, in the 10th event, Cedar Cadet and Sabana in the 11th, W. A. McCarty in the 15th, Wayne Roberts in the 18th and O. B.'s D.D.T., Barnacle Bob, Lovely Boy and Russell Stone in the 19th.

Six of the greyhounds running tonight will be trying for a third schooling victory. They are Ethel G. in the eighth race; Pascal Lady in the ninth, Mary's Darling and Susy Gay in the tenth. Tuffy O'Leary in the 11th and Lucette in the 22nd.

Another schooling session tomorrow night will wind up the pre-season tests. The track will be dark Thursday and Friday nights as final preparations are made for Saturday's opening.

PROUD HUNTER, Jerry Dillard, 18 year old son of Mr. and Mrs. T. N. Dillard, poses here with a six point buck he killed in the Farmington area recently. The buck weighed in at 106 pounds. This is getting to be a habit with Jerry who comes back every year with a deer. Jerry started going hunting with his father when he was 14 years old.

## Romig Named Top College Lineman

NEW YORK (UPI)—Guard Joe Romig of Colorado, a genius at figuring out and wrecking enemy plays and a certified "straight A" genius in the classroom, today was named college football's "Lineman of the Year" for 1961 in a nationwide poll by United Press International.

"He is the best I've ever seen, and I saw a lot when I was playing and coaching at Michigan State," said Colorado coach Sonny Grandelius.

The sports writers and broadcasters of the nation agreed that Romig was at least tops this season. But the 315 votes cast were widely scattered among no less than 47 players in a year which the professional scout already have rated an excellent one for producing line talent in colleges.

Romig received 61 votes, only 20 per cent of those cast, but a solid margin over 265-pound tackle Merlin Olsen of Utah State, who was runner-up with 37 votes. Tackle Billy Neighbors of Alabama was third with 25, end Gary Collins of Maryland fourth with

24, and center Alex Knoll of Rutgers fifth with 22.

Romig, the smallest lineman on the UPI-All-American team at 5-10 and 200 pounds, previously had drawn the greatest number of votes by a lineman in the All-America balloting. He earned his honors with brilliant linebacking, plus top blocking on offense.

But he might just as well have won the honor for his scholastic achievements, which are so impressive that he probably will bypass professional football for academic advancement.

Romig has a 3.87 scholastic average out of a possible 4.0. In the last four semesters at Colorado, he has taken 88 hours of credit in the classroom — and scored straight A in 77. He is majoring in physics.

Grandelius simply can't praise Romig's work as middle linebacker on defense enough.

"He is the best linebacker I've ever seen," said Grandelius. "I've never seen anyone with an instinct for the ball such as he has. He is where the ball is, and it doesn't matter whether it's a run or a pass into his flat area. He passes, which is really unusual for a linebacker who shoots the gap most of the time."

## Kostival Paces Cherokee Keglers

In the Kingwood Builders Sunland League this week, Elaine Kostival with her high game of 183 and series of 506 aided the Cherokee Sparabts to win three points for the Handicappers.

Yvette Hunter and Nola Ferguson with their high games of 168-163 helped the Honeybees to win four points from the Comets.

Marge Kipp with her 188 game and 508 series was the high scorer. Other high games were rolled by Dora Nehan with a 181, Evelyn Uhr with a 173, Joe Stanekiewicz with a 172, Marge Lyons with a 163, and Betty Church with a 162.

Mary Tyre has been selected as the new league treasurer in place of the present treasurer who is resigning.

## Buckeyes Hold Top Cage Rating Spot

NEW YORK (UPI)—Ohio State's defending national champions held the top spot in the United Press International Board of Coaches major college basketball ratings for the second straight week today with a near-perfect 341 points.

The magnificent Buckeyes, who won the title last season with an unprecedented perfect score of 350 points after leading the ratings every single week, were the top pick this week of 26 of the 35 coaches who make up the UPI rating board. The nine other coaches, five from each of the seven geographical regions of the country, named them second.

Cincinnati which upset Ohio State in the NCAA finals last season for the Buckeyes' only loss, was second again this week with

321 points, while Kansas State, tied for fourth a week ago, moved up to third with 215 points. Providence was fourth with 166. Points are distributed on a basis of 10-9-8-7-6-5-4-3-2-1 for votes from first to 10th.

Duke, Purdue, Southern California, Arizona State, West Virginia and Wake Forest completed the top 10 in that order. Wake Forest, which drew the only other first-place vote this week, slipped from third to 10th following a Saturday night loss to Ohio State with the others all moving up one notch each.

Ohio State rolled over three opponents—Pittsburgh and Wichita in addition to Wake Forest—last week but plays only once this week, taking on Loyola (Ill.) on Saturday. In four games thus far this season, the Buckeyes led by All-American Jerry Lucas, have tallied 360 points and given up 260.

Cincinnati, in action this week against Drake and Marshall, has won all three of its 1961 starts. West Virginia is the only other team beside Ohio State in the top 10 that has won four games.

## Bears Sign Clyde Brock

CHICAGO (UPI)—Clyde Brock, 280-pound tackle from Utah State, said today he signed with the Chicago Bears instead of the Houston Oilers because "I've always wanted to play in the National Football League."

Bears' owner and coach George Halas lost a modest party Monday night to announce the signing of Brock, the club's No. 2 choice in last week's NFL draft.

## Contractors Increase Lead In Businessmen's League

Leroy Benton's Contractors increased their lead in the Businessmen's League this week as the loop started the second round of play. In second place five games behind the Contractors is Owen's Gulf. Davis Builders is in third, and Seminole Sporting Goods is fourth. Tom Pump and A.C.L. round out the first division.

Chuck Atkinson rolled a high game of 206 to take top place for the week, with Clarence Wallis taking the series with a score of 594, and high game of 224.

Other players were Moretz with a 203-233; Balsler with a 201-231; Martin with a 200-234; Barnes with a 201-229; Parsons with a 213-208; and Proctor with a 200-232.

Others coming close to the 500 series barrier were Carsley, Earle, Von Herbules, Shipman, Biondi, Accardi, Kipp, Stone and Michalek.

Russ McKenzie made the 4-7 split, with Wally Balsler making the 5-10 and Al Moritz the 3-10 twice. M. G. Simmons picked up the 3-7 and C. Wallis the 5-7.

# Tiger Tales

By L. H. HIGGINBOTHAM

Independence steamed out of the fog, smoke and haze shrouded anchorage at Livorno, Italy, at 0813 this morning to begin the first leg of the long trip home to friends, sweethearts and families. The "Tigers," their eyes aglow with visions of sunny Sanford, were at parade on the flight deck as the ship got underway. One could almost hear an audible sigh of pleasure as we churned through the placid waters and steamed out of sight of land. The Heavy One-ers are on their way!

The sounds of Christmas Carols are beginning to be heard throughout the ship as All Hands are getting primed for their homecoming.

At 1000 today we commenced flight operations with our Douglas A3D "Skywarrior" which had been worked on extensively since so few of us were able or wanted to go ashore in Livorno due to poor boating conditions. Our aircraft are all aboard now and tied down for the night, but the never ending task of keeping them fit and ready for almost any contingency goes on in the black of night on the wind and rain swept flight deck.

Our latest mail was only three days old, and the "Tigers" love it!!!

Drum And Bugle Corps

## Drum, Bugle Corps To Play At Flag Ceremony

The December Bomber Stream Boomer Flag will be presented on Dec. 13 at 2 p. m. The competitors for this month's Bomber Stream will be VAH-3,

VAH-5 and VAH-11. They will compete in a loading drill, a short look Pop-up RBS run on Statesboro, Georgia, and an RBS run on Jacksonville.

The Boomer Flag will be presented to the winner by Captain Heavy Attack Wing One, with the ceremonies commencing at 2:00 P. M.

After the presentation of the Boomer Flag, the USAF Drum and Bugle Corps from Bolling Air Force Base, Washington 25, D. C.

will give a public demonstration of their precision maneuvers and fine music.

Organized in 1949 as a component

of the USAF Band under the direction of Col. George S. Howard, the Corps has won international acclaim through its performances in almost every nation in the world.

In 1958, the Corps officially represented the United States at the World's Fair in Brussels, Belgium. The USAF Pipe Band, a part of the Drum and Bugle Corps, will also be present. Under Pipe Major Ross, the Pipe Band performs frequently as an independent unit in addition to its regular performances with the Corps. For all of their appearances, the Pipers wear authentic highland dress, the tartan of the Mitchell clan in honor of General Billy Mitchell.

The public is cordially invited to attend the ceremonies.

## County Officials To Discuss Roads At DeBary Meeting

By MRS. ADAM MULLER  
Volusia County Engineer Wesley Sweet and Albert Hirt, county road supervisor, will speak on the DeBary roads situation at the 8 p. m. program meeting today of the DeBary Civic Assn. in the Community Center.

This meeting will be open to the public according to President James Duffy but a show of membership cards will be requested of those attending the preceding 7 p. m. business session, he said.

Events set next week by the association include the adult Christmas Party to be held at 7:30 p. m. on Friday and the Children's Christmas Party which will take place at 10 a. m. on Saturday. Both are scheduled at the Center.

## Casselberry WSCS Plans Program; Gift Exchange

By JANE CASSELLBERRY  
Mrs. Nelson Bunnell, president of the Casselberry Community Methodist WSCS, will preside at the 2 p. m. Wednesday meeting of the society in Weaver Hall of the church.

The worship program will be conducted by Mrs. Leonard Casselberry and gifts will be exchanged with secret pals whose identities will be revealed.

Hostesses for the social hour will be Mrs. Arthur Putnam, Mrs. Tom Gullickson, Mrs. Harry McPeck and Mrs. Corbett Christianson.

## Bear Lake Circle To Visit Nursery

By SHIRLEY WENTWORTH  
The monthly meeting of the Bear Lake Garden Circle will be held at the home of Mrs. Donald Cone, Craig Dr., Bear Lake Manor on Wednesday at 8 p. m.

The program will consist of a visit to Rock House Gardens on Fairbanks Ave. in Orlando with the hostess there to be Mrs. Leonard Toy, member of the Orlando Garden Club.

At her floral shop she will demonstrate the art of assembling and arranging artistic Christmas centerpieces and corsages from both dried and natural material. After her demonstration, members of the circle will return to the home of the hostess for a business meeting and Christmas Party.

## Vandals Enter Chuluota Bar

Vandals entered the Chuluota Bar and Grill on SR 419 through a rear window sometime Saturday night, ripped the pay phone off the wall and broke into and robbed the juke box.

Other articles missing, according to Lou Hudson and Ruth Norris, owners, who discovered the break-in and robbery Sunday afternoon, include 10 cases of beer, one case of wine, several chickens from the deep freeze and a large portable cool box. Investigation is being conducted by Sanford and Oviedo law officials.

## Legal Battle Looms In Sit-In Reversal

WASHINGTON (UPI)—The Supreme Court's reversal of 16 "sit-in" convictions in Baton Rouge, La., marks only the beginning of the court's problems in this controversial legal area.

There are seven more cases already on the docket to be accepted for review or rejected. And countless others are on their way up through lower courts.

Monday, in the first case of its kind, the high court found no evidence to support charges that 16 Negroes at Southern University

had disturbed the peace by their lunch-counter demonstrations.

But it was not the kind of decision desired by either the state or the students.

The state said the real question was whether a property owner may serve or not serve whom he pleases for any reason whatever.

The Negroes, on the other hand, wanted the court to rule that the conviction amounted to an unconstitutional enforcement of racial segregation by state power.

Only Justice William O. Douglas wanted to grapple with this constitutional issue.

Chief Justice Earl Warren, who wrote the opinion, called attention to the court's time-honored policy of not formulating constitutional law broader than is required by the case at hand.

He examined the Louisiana disorderly conduct statute to determine what conduct it forbade and the elements of guilt required to support a criminal conviction under it.

He found no such evidence had been produced. Convictions without evidence, he said, violate the constitutional right of the accused to "due process of law."

All the justices agreed that the convictions should be reversed. But Douglas and Justice John M. Harlan had ideas quite different from Warren's. Justice Felix Frankfurter, in a separate opinion, supported him.

Douglas said he could understand "how the mere presence of a Negro at a white lunch counter might inflame some people as stickleups would in other places." Therefore, he found difficulty in

reversing for lack of evidence. But Douglas asserted that restaurants, though they may be private enterprises, "are public facilities in which the states may not enforce a policy of racial segregation."

Harlan found the convictions unconstitutional on the ground the Louisiana law is "vague and uncertain."

## Forest City Civic Group Discusses Clubhouse Plans

By SHIRLEY WENTWORTH  
The Forest City Civic Assn. meeting last week at the Forest City Baptist Church, discussed the social and financial success of its recent fish fry held at the recreation park site.

The event was conducted on this location to acquaint residents with the property which was donated to the association by the county several months ago to be developed as a recreation center.

Members also discussed plans for a proposed clubhouse and talk of Christmas season activities which will be announced.

Fire Chief Everett Worden of the newly organized Wekiwa Volunteer Fire Dept. spoke to the group and explained coverage offered to residents of the area.

The next meeting was scheduled for Jan. 8 at 8 p. m.

## DeBary Democrats Announce Meeting

The DeBary Democratic Club will conduct its December business meeting at 2 p. m. Wednesday in the DeBary Fire Hall. President Edward Healy has announced that the meeting will be open to all persons desiring to attend and that refreshments will be served at the conclusion of the business session.

Large galleys were rowed in the Mediterranean Sea until the 18th century, according to the Encyclopedia Britannica.

## DeBary Glee Club To Give Program

Comic strip featuring characters discussing the Ford Falcon 62. Dialogue includes: "BUT WHY DO I HAVE TO ANNOUNCE THE MILLIONTH FALCON? (IN NO PUBLIC SPEAKER... I NEVER CAN REMEMBER WHAT I'M SUPPOSED TO SAY!)", "JUST KEEP IN MIND WHY OVER A MILLION FALCONS HAVE BEEN SOLD... THINGS LIKE LOW PRICE, GAS SAVINGS..", "GENTLEMEN AND LADIES! FALCON FORD HAS... I CAN'T DO IT! IT'S TOO HARD ON MY NERVOUS SYSTEM.", "LOOK... DO YOU KNOW WHAT THIS IS?", "IT'S YOUR FIST.", "ALL RIGHT, NOW WHAT WAS IT YOU WANTED TO SAY?", "LADIES AND GENTLEMEN, I TAKE GREAT PLEASURE IN ANNOUNCING THAT IN TWO SHORT YEARS OVER ONE MILLION FALCONS HAVE BEEN SOLD. THIS REPRESENTS THE GREATEST SUCCESS IN MODERN AUTOMOTIVE HISTORY. THANK YOU FOR YOUR KIND ATTENTION!", "WHEW! I DID IT! BOY, WHAT A RELIEF! IT'S ALL OVER!", "I TELL YOU I DON'T WANT TO HAVE TO GO THROUGH AN ORDEAL LIKE THAT AGAIN AS LONG AS I LIVE!", "WHAT'S THIS?", "THIS IS THE SPEECH YOU HAVE TO LEARN WHEN FORD SELLS TWO MILLION FALCONS!", "OH, NO! I CAN'T STAND IT! IT'S JUST CAN'T STAND IT!"

Better make him learn that second speech, Lucy... he's going to need it in a hurry! In fact, the way people are buying Falcons (last month was the hottest November in Ford history!) public speaking could become his lifelong career! People love Falcon. They've already bought a million of 'em—more than twice as many cars as most other compacts have sold. And today, they're buying more Falcons than ever... because Falcon has more than ever to offer! Today's Falcon gives you an improved version of the famous Falcon Six—the engine that set a new record for a Six or Eight in the 25-year history of the Mobilgas Economy Run! Today's Falcon goes 6,000 miles between oil changes. You also get a bigger choice of models: there are 13 different Falcons... different except for the dependability that's standard in every quality-built Falcon. But best of all—for you—is the one thing about Falcon that hasn't changed. The very first Falcon was America's lowest-priced\* 6-passenger car. So is today's.

# County Board Kills Franchise Directive

## Solons Blamed For Loss Of Fund

An angry James P. Avery lashed out at Congressman Syd Herlong and Sen. George Smathers Tuesday at the County Commission meeting saying that "we got no help in applying for federal funds for a countywide drainage survey and that 'our legislators just don't know what's going on in the county.'"

## Firm Accuses Board

City Manager W. E. Knowles said this afternoon that the city plans to annex the Bellmead property and have already authorized eight-inch sewer lines and six-inch water lines into the property.

An executive of the Bellmead Development Corp. of Daytona Beach charged the County Commission Tuesday with an attempt to "stop the county from expanding" and after the board turned down his appeal to allow rezoning of a 160 foot strip from R-1-A and C-2.

The developer, Thomas Charnera, wanted the rezoning for off-street parking for a \$9 1/2 million shopping center bordering Hwy. 17-92, French Ave. and 27th St.

## Farm Center Asked

The County Farm Bureau asked the County Commission Tuesday to consider construction of a \$60,000 agricultural center on the county home property and a few hours later, Commissioner Ted Williams urged the board to start the ball rolling by taking out \$20,000 out of the indigent fund and earmarking it to start the project.

However, the commission agreed to wait until a report is finished by a special committee studying the moving of the agricultural offices out of the courthouse.

## Williams Home Head

County Commission Ted Williams was elected custodian of the County Home for next year at the commission meeting Tuesday.

## Board Firm On Bars

The County Commission by a 2-2 vote Tuesday agreed to stand firm on keeping bars closed New Year's Eve this year despite protests from a delegation of tavern owners in the county.

Both John Fitzpatrick and James P. Avery opposed closing the bars saying that "these people are entitled to consideration as taxpayers and citizens."

## Ask OK In Writing

The County Commission Tuesday voted not to take any chances on the word of the State Road Department and get a written commitment from the SRD that the county's secondary funds could be used to extend Lake Mary Blvd.

## New Proposal By 'Qualified' Group Ordered

The County Commission killed the controversial franchise directive in a lengthy and heated session Tuesday afternoon and authorized Board Chairman J. C. Hutchison to appoint a committee of "qualified engineers and attorneys" to start fresh on a new directive, but using the canceled one as the base.

County Commissioner James P. Avery, who earlier in the year proposed the directive, asked the board to cancel it, because "it seems the people are in opposition to it."

Col. Paul Hissel of Lake Mary, long an opponent of the directive, asked the board to form a citizens committee but most of the board members felt that qualified and expert help was needed.

## Death Asked For Eichmann

JERUSALEM (UPI) — Israel asked the death penalty for Adolf Eichmann today, but Eichmann told the court he was "disappointed" at the guilty verdict and said he did not recognize his guilt.

Presiding Judge Moshe Landau, who with two other German-born judges had convicted Eichmann on all 15 counts against him, announced that sentence would be pronounced at 9 a.m. (2 a.m. EST) Friday.

Israeli Atty. Gen. Gideon Hausner demanded death for Eichmann for his part in the murder of six million Jews by the Nazis during and before World War II.

Reading a prepared statement from his bullet-proof glass cage in the courtroom, Eichmann claimed he was only following orders and that "those who gave the orders justly deserve punishment."

"The mass murder was solely the guilt of the political leadership," he said. "The evidence given in this court shocked me considerably, but the misdeeds were committed against my will."

"I am the victim of a misconception. I must suffer for the acts of others. I must bear the burden imposed upon me by fate."

The special three-judge court reconvened Monday after a long recess to prepare its verdict. It pronounced him guilty immediately, and then spent two days reading its reasoned arguments for the verdict.

Gideon Hausner, a spokesman for the prosecution, said Israel law made it mandatory for Hausner to demand Eichmann's execution. Defense counsel Robert Seravitus of West Germany worked on a plea of mercy for his client.

Our city work crews are trained to meet any emergency! Tuesday while working in Grove Manor, Jake Fortner was called to aid a lady in distress and ended up by babysitting while the lady went to the hospital.

Good News: All the stores will stay open downtown until 9 p.m. starting Friday night and continuing through Dec. 23—that's the word from E. C. Harper, chairman of the Chamber of Commerce merchant's division.

The annual Nativity scene by City Hall was put up this morning. It sure could use a fresh coat of paint.

If Fern Park does incorporate its a pretty sure bet its charter will be drafted after the one prepared by Casselberry last year with the cooperation of Dr. Paul Douglass, head of Rollins College Political Science Dept.

County Commissioner Vernon Dunn laid it on the line Tuesday when he said he would never vote to hire a part-time lead-lease health director from Orange County. However, looks like the county will do it anyway.

## Major UN Offensive Indicated Troops Pour Into Katanga

ELISABETHVILLE (UPI)—U.S. Air Force Globemaster transports today flew troops and supplies to Katanga, indicating a major UN offensive may be imminent. Katanga appealed to Undersecretary Ralph Bunche to investigate "cruel and inhuman actions of the UN force."

UNITED NATIONS, N. Y. (UPI)—Britain led a movement here today to secure a cease-fire in Katanga. Her permanent representative, Sir Patrick Dean, planned to submit a formal appeal to Acting Secretary General Thant, asking him to halt the fighting.

BERLIN (UPI)—Communist police in East Berlin today shot and apparently wounded one of their own men who was trying to escape across the border, according to witnesses.

West Berlin police said the witnesses reported the incident occurred at the barbed wire border on the French sector. The witnesses said the Communist policeman dashed toward the barbed wire dividing line but was shot down by another guard.

Police called to the scene saw an East German ambulance driving away presumably carrying the wounded man.

The incident occurred as Allied sources disclosed that U.S. Army M2 carbines will be issued to West Berlin police in order to bolster Western defenses on the border.

Police sources said some units already have started practice firing with the M2, which is a light full or semi-automatic rifle with a magazine capacity of 30 rounds.

U. S. Orders More Convoys To Berlin BERLIN (UPI)—The U.S. Army ordered more "access rights" military convoys to travel to and from Berlin today despite the threat of new Communist harassment in the divided city.

The American troop movements were part of a switch between battle groups stationed in Berlin and West Germany. Each unit moving today was company size, numbering about 200 men.

Moscow Radio warned today that American troop movements in and out of West Berlin "are an outright military demonstration over territory belonging to democratic Germany meant to aggravate the situation in Europe."

The broadcast, monitored in London, was beamed in English to North America and cited movements of units of the 19th Infantry Regiment.

## Mile Posts Of State Roads May Be Reality

TALLAHASSEE (UPI) — A new project is under way that may help the Highway Patrol locate accidents accurately and assist the Road Department in singling out sections of highway with engineer problems.

Florida is the first state to install mile posts. The project calls for 213 of them to be placed on 150 miles of Leon County highways. After a year's use, the project will be studied for possible statewide application.

Road Chairman John Phillips said "these mile posts will clearly indicate exact locations which have a history of excessive accidents. With this information, we can better determine any engineering or maintenance factors which may have contributed to the cause of the accident."

The insurance institute for Highway Safety is financing the physical cost of the mile posts, which cost about \$5 each, and the Federal Bureau of Public Roads is aiding the Road Department by establishing the project as a research program.

Sub-Zero Cold Hits Third Of U. S. By United Press International Sub-zero cold struck a third of the nation today, touching off serious flu epidemics in Colorado and Missouri. Dixie had a flood threat and upper Michigan dug out from under 30 inches of snow.

The weather-blamed death toll since the start of the series of storms last Saturday reached 122 today.

Iowa had 16 deaths; Wisconsin, Ohio and Kansas each 11; Illinois and Missouri each 13; Colorado and Pennsylvania each 6; Indiana and the New England states 7 and Michigan 6.

Schools were closed at Potosi, Mo., and at Ignacio and Pagosa Springs, Colo., by influenza epidemics, afflicting nearly 2,000 children.

Cold wave conditions and below-zero temperatures prevailed from the Rockies and Pacific Northwest to the Ohio Valley. Cold wave warnings were widespread. Even California had colder than usual temperatures with readings in the 30s in northern counties.

The Cotton Belt was hit by heavy rains which sent rivers rising, threatening floods. Atlanta reported 3.75 inches of rain Tuesday and Birmingham measured 3.01 inches.

## Berlin 'Probes' To Continue — Rusk

PARIS (UPI) — Secretary of State Dean Rusk told America's European allies today the United States intends to continue diplomatic "probing" talks on Berlin with the Russians. About half a dozen NATO nations rallied swiftly in support of the idea.

West Germany, Belgium, Canada, Denmark and Norway all said they were in favor of some sort of talks with the Russians. France expressed continued opposition.

West German Foreign Minister Gerhard Schroeder told the NATO council there is a greater risk in not negotiating than in negotiating.

Belgium's Paul-Henri Spaak, a former NATO secretary general, declared "there have been enough soundings. Now is the time to negotiate."

441 Link Complete TALLAHASSEE (UPI) — Completion of more than seven miles of four-laning on U. S. 441 around Mount Dora was announced by the Road Department Tuesday. The project cost \$1,964,564.
