Fringe Residents Hear Annexation Pros, Cons At Mass Meet Last Night

Top News In Brief

LONDON 48- The Soviet Union delivered one of its "atomic retaliation" threats to Russia today. Moscow Radio said in a Spanish language broadcast monitored here that Spain would be subject to possible Soviet nuclear attack if it joined the North Atlantic Treaty organization.

WASHINGTON 49- House Democratic Leader John W. McCormack said today President Eisenhower proposed new big budget cuts in an attempt to regain leadership of the Republican Party in Congress.

AUGUSTA, Ga. 49- President Eisenhower today announced a series of new diplomatic appointments, including new United States envoys to Mexico, Sweden and Colombia.

WASHINGTON 49- President Eisenhower will urge Congress soon to approve a tax plan which would start a flow of new capital to hard-pressed small businesses. It was learned today. The aim is to take some of the risk out of small business ventures for wealthy investors.

Mental Health Week Revealed

Urging the citizens of Florida to cooperate with the Florida Association for Mental Health in the fight for the prevention, treatment and cure of mental illness, Governor LeRoy Collins has signed a proclamation declaring April 23-May 4, 1957 as Mental Health Week.

These dates correspond with a similar resolution from the Congress of the United States, introduced by Florida's George Smathers, calling for the observance of National Mental Health Week between the same dates. Smathers, who has accepted the Honorary Chairmanship of the 1957 Florida Mental Health Campaign, introduced a similar resolution in the last session of Congress.

In Sanford, Mayor David Gatch has set aside the week of April 23-May 4 as Mental Health Week.

The Mental Health Drive in Seminole County is a project of the Sanford Pilot Club with Mrs. B. E. Chapman as chairman of the local drive, Mrs. Louisa Messenger in charge of publicity, with (Continued on Page 9)

More than 175 fringe area residents attended a mass meeting called by a Temporary Committee for forming the Sanford Fringe Area Taxpayers Association.

The meeting, held at the Sanford Farmers Auction Market, brought a mild enthusiasm from the crowd as the pros and cons of annexation were read from a prepared release from the temporary committee.

Baseball Clinic Monday For 8, 10-Year-Olds

A Baseball clinic will be held Monday afternoon at 8 o'clock for little leaguers and other boys who are interested in knowing more about the game of baseball, according to Hans Lobert of the New York Giants Farm System.

Lobert said this morning that the instructions and clinic are free to boys of all ages who like to play baseball. "There will be a couple of managers and eight or 10 baseball players on hand to help with the instruction," said Lobert.

Boys, of all ages, the eight to 10 year old bracket and older are welcomed to come out and learn how to play and also to participate in the games scheduled for the afternoon. "However," said Lobert, "the boys must be accompanied by adults."

The baseball clinic will be conducted on fields two, three and four in what we call the "bull ring," said Lobert.

"I'm sure they'll all get a great kick out of the baseball clinic we have planned for the youngsters," Lobert said this morning when he announced plans for the Monday event.

Already, the Pinecrest Baseball League has announced that they will meet at the Pinecrest School at 3 p. m. to go to the clinic conducted by Hans Lobert. (Continued on Page 9)

Oviedo Post Office To Open Saturday

By MARIAN JONES
OVIEDO—The Oviedo Post Office will be open Saturday.

New hours will be 8:30 to 12:30 instead of the previous Saturday hours of 8 to 12 as formerly observed.

The rural run will be run as usual and there will be dispatches in the morning and afternoon at the same hours as heretofore observed.

First British Ship Sails Through Suez

Early End To Boycott Predicted

By United Press Staff Correspondent
The British freighter West Breeze sailed through the Suez Canal today—first British ship to do so since the invasion of last October.

The Egyptian press was jubilant and predicted an early end to any Western boycott.

The situation in Jordan quieted down for the moment, but the new anti-Communist policy of the Amman government had repercussions in Jerusalem today. Jordan border authorities refused to admit three Russian nuns because they carried Soviet passports.

Jordan opened the border to Russians only last Christmas, but balked at today's Easter pilgrims. King Hussein of Jordan told United Press Correspondent Joe Morris in an interview that his country would fight all "imperialism" and avoid foreign wars and steer clear of such imported dogmas as communism.

He said Jordan would observe "positive neutrality," however, the course advocated by Egypt, Syria and Saudi Arabia.

Banner headlines in Cairo newspapers said the West Breeze and (Continued on Page Nine)

High School Dance Band To Entertain Rotarians Monday

Sanford Rotarians at their regular weekly meeting Monday noon at the Yacht Club will be entertained by the Dance Band of Seminole High School, a group of nine youngsters who have become so proficient in the use of their respective musical instruments that they have received much praise for their efforts on many occasions.

Under the leadership of Leslie Smith who, with Sidney Vilgen Jr., occupy the trumpet chairs, the band also features Tommy Williams on the trombone, Harrison (Continued on Page Nine)

Sanford Man Condemns Labor, Industry Bill

TALLAHASSEE 48—The House Labor Committee, with one dissenting vote, approved Gov. LeRoy Collins' bill to create a "division of labor and industry services" to mediate labor disputes.

The bill, which calls for a \$100,000 appropriation, must be cleared through the Appropriations Committee before it can go to the House. Labor and industry spokesmen both condemned and endorsed the proposal, and only Rep. William G. O'Neill voted against it.

"I'm just afraid that passing this law might have some effect on our future industrial growth," O'Neill said. "Our great industrial expansion in the last two (Continued on Page Nine)

Easter Sunrise Services To Be Held At Stadium

The Rev. J. W. Farham, of the Central Baptist Church, will preside at the annual Union Easter Sunrise service sponsored by the Seminole County Ministerial Association.

Beginning at 5:45 a. m., the service will be held in the Sanford Memorial Baseball stadium on Mellonville Ave.

The Seminole High School Band under the direction of Bandmaster Ernest Cowley will furnish the music while the choral numbers will be sung by the Seminole High School Glee Club under the direction of Miss Ollie Reese Whittle.

The invocation and the benediction will be pronounced by the Rev. Farham.

The Rev. David S. Carroff of the Christian and Missionary Alliance Church will read the scripture and deliver the prayer. (Continued on Page Nine)

Retiring Navy Men To Live Here

The first Full Dress Inspection for the summer season was held aboard the Naval Air Station today. Accompanying Captain Robert W. Jackson as honorary members of the inspection party were Lieutenant Commander Lawrence Enos, Chief Warrant Officer H. L. Burkey, and Chief Petty Officer John D. Thomas, their combined services totaling more than 81 years of navy duty.

Weather

Partly cloudy to cloudy today; tonight and Saturday, scattered showers today and tonight thinning out Saturday; low tonight 60 to 64.

Barn Dance Set Tomorrow Night

The Dusty Boots Riding Association will hold an old-fashioned barn dance at the Sanford Farmers Auction Market tomorrow night beginning at 8 p. m.

Music will be furnished by the Behm Brothers "Crazy Mountain Boys".

AND THEN...IT'S EASTER!

Yesterday, these four were their Mothers' despair. Their faces were grimy, their playclothes spattered with mud. They were even ready to put up their fists and fight when the rivalry between spacemen and cowboys became a little too keen.

Today, they are immaculate. They sing like young angels. They even look like angels... because today is Easter! And these boys are proclaiming the glorious message that Christ Is Risen.

Easter is the time of promise, beauty, awe at the miracle of birth and rebirth. Easter is the time to let the joy of living seep into you. It is the time to tell yourself that you believe... and, if there's been any doubt about it, to start believing again.

Spend part of your Easter in Church. Spend the rest of it looking, with new eyes, at the wonderland God has created around you.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

New War Orphan Education Program Revealed By VA

This spring is the ideal time for young men and women to start taking action, if they intend to enroll in school or college in the summer or fall under the War Orphan Education program, the Veterans Administration suggested today.

The program is for the sons and daughters of war veterans who died of injuries or diseases resulting from their military service in World War I, World War II or the Korean conflict. Generally, War Orphan students must be between 18 and 23 years of age.

V. S. Parker, manager of the Pass-a-Grille VA Regional Office, gave two reasons for early action

this spring. First, students will have plenty of time to arrange for admittance this fall to the college of their choice. Many colleges, particularly large ones, are crowded. A delay to the last minute can result in the disappointment of learning that there's no more room.

And second, prompt action these spring months can result in earlier service by the VA, with all the preliminaries out of the way before the rush at enrollment time begins.

It normally takes at least a month from the date an application is filed to the date the VA gives its final approval for school-

ing. The VA must check its records to determine whether the young person meets basic eligibility requirements. And then it schedules a session of vocational counseling, where expert guidance is given to assist the young person's living parent or guardian in mapping out an objective and a program of study. Final approval can come only after counseling has been completed.

By waiting until later, Parker said, prospective students run into the yearly peak load of veterans applying to the VA for schooling under the Korean GI Bill. And it's possible that the time between application and approval could then

run into longer than one month, because of the VA's extra workload, Mr. Parker added.

War Orphan students may receive up to 36 months of schooling, generally in institutions of higher learning. The Government pays them up to \$110 a month for each month in school.

Now Hear This!

by JACKY FENWICK

Made a mistake in Wednesday's column that I want to correct immediately. It wasn't a case of not knowing or wrong information but just my own carelessness in hitting the three, instead of the zero! The square dance lesson at the Chief's Club, this coming Monday April 22, will start at 8:00 P.M. NOT 8:30 as I said on Wednesday. This is the antithesis of what usually happens! Ordinarily when I want to say 7:30 or 8:30 it comes out right ON the hour!

Played cards again on Wednesday, with most of the same "lineup". This week we played at the home of Mrs. Doris Shirland, on Park Ave. We "snacked" on potato chips and delicious, throat-soothing lemonade while we played cards, and after the games, Doris served coffee and chocolate cake (Mighty good, but "oh, those calories!) These present Wednesday night were Mrs. Ann Ricker, Mrs. Joyce Williams, Mrs. Marge Lemming, Mrs. Rosemary Finnegan, Mrs. Jimi Gold, Mrs. Adèle Heitman, Mrs. Pat Foster, Mrs. Irene Dulek, your truly, and, of course, Mrs. Shortland! Joyce and Jimi won the high score prizes, and Adèle and Irene, the low score ones.

From all reports, the E. M. Wives Club "Bake Sale" was a complete success, which naturally means a complete "sell-out". In fact, those in charge were sorry there wasn't more to sell, as everything went so well and so fast! The club wants to thank all those who participated, as well as those who bought the things!

Got a little more information about the party the S.N.A.S. This party is having next Wednesday for retiring Chief John D. Thomas. It will start at 12:00 noon, until, (Your guess is as good as anyone's!) They're planning to serve deluxe hamburgers (with all the "fixings"), hot dogs, (likewise) salad, baked beans, etc. There will be balloons and candy for all the "kids", (regardless of their age!!!) Understand they expect from seventy to eighty people, so this promises to be a wonderful "send-off" for Chief Thomas!

A last and final reminder about tonight's dance at the E.M. Club. Remember, the names of the winners of the "Name" contest will be announced, so if you entered, it will be worth your while to be there!

Also a reminder to those E. M. Wives Club members who are planning to take their children to the "Easter Egg Hunt" tomorrow. If you haven't taken your eggs over to Alice Drake's house, get into the kitchen right now, hard-boll them, color them, and get them over to Alice's house by noontime, tomorrow! The "Hunt" will get under way about 2:00 P.M.; so be on time.

Reread my copy of last night's column, and just realized that I didn't mention a word about the refreshments that were served following Wednesday's "Bombing Derby" presentation at V.A. H. S.'s hangar! After the presentation was completed, everyone was invited in for cake and punch. There were quite a few cakes, and one in particular caught everyone's eye. It was decorated with the very distinctive insignia of the "Savage Sons", which I'm sure everyone knows is the Ubangi head, on an olive blue background! (This is fondly known as the "Easter Bunny" to all the men!!!) I must add a "well done" to the Navy biscuits who turned out these superbly art.

My last opportunity to wish each and every one of my readers a very Happy Easter. I hope the day is bright and sunny, so everyone will be able to enjoy it.

Leave it to me to forget something! Fortunately my slogan is "better late than never". Want to inform all the members of the E. M. Wives Club Advisory Board, who were not at last Monday's meeting, that there

Mrs. C. E. Miller To Speak Last Day Of Convention

Mrs. Carrie E. Miller, third vice president of the General Federation of Women's Clubs, will be guest speaker at the Thursday night banquet closing the annual convention of the Florida Federation of Women's Clubs at the Billmore Hotel West Palm Beach.

Mrs. Miller will be presented by Mrs. S. M. Washburn, president of the Florida Federation, and will speak on the subject, "The Individual is the Key".

The speaker is a native of Pocatello, Idaho, and has spent most of her life in her home state and Montana where she and her husband now make their home. She is a graduate of Gooding College, Idaho, and has traveled extensively in the United States and Europe. In 1935 she participated in the first international session of the General Federation of Women's Clubs at Geneva, Switzerland.

With 27 years of active service in club work to her credit, Mrs. Miller has held many appointive and elective offices. Rising from second vice president to first vice president and president of the Montana, Montana Women's Club, she was named chairman of the Public Affairs Department of the General Federation in 1932, and was elected recording secretary in 1934 and to her present position in 1936.

In addition to Federation work she has been outstanding in city, county and state affairs, serving on the Montana Citizens Committee on Education, the Montana Civil Defense Committee, State Committee on Juvenile Delinquency, and for four years was on the Board of Directors of the Montana Tuberculosis Association.

In 1935, at the invitation of Look Magazine and National Municipal League, she served on the jury which selected the 11 "All American Cities for 1935". In 1936 she participated in the first Northwest Assembly on State Governments, a branch of the American Assembly.

Her Florida address is based on her belief that every woman has a responsibility to participate in the affairs of her community in order to make it a better place in which to live.

Richard Arens Speaks At DAR Convention

By PATRICIA WIGGINS United Press Staff Correspondent

WASHINGTON, April 18.—Richard Arens, director of the House Committee on Un-American Activities, told the Daughters of the American Revolution today that the committee has created more than 100 organizations throughout the country to fight the Walter-McCarran Immigration and Nationality Act.

Arens told the DAR's 66th congress that "destruction" of the act is the "number one target" of the U. S. Communist Party. He said it has set up the 100 organizations to build "grass roots" support for amending the act.

The Reds have found "allies" in political bucksters who auction votes for so-called "nationality bloc votes," he said.

Mrs. Ray Laverne Erb of New York City, chairman of the DAR's national defense committee, told the convention that the act has "documented evidence" that the menace of socialism in U. S. churches "is much greater than reported."

She said only about one-tenth of the DAR chapters have in-

will be a meeting for them, this coming Wednesday night, April 21, at the home of the president, Mrs. Betty Miller, 113 Pinecrest Dr.

FOR ME!" exclaimed Jimmy Glenn as Auxiliary sewing chairman Mrs. Wason D. Adams handed him the first Pinky Puppet to be given by the Auxiliaries. (Photo by Bergstrom)

First Pinky Puppet Presented By Auxiliary To Jimmy Glenn

The first Pinky Puppet made by the Seminole Hospital Auxiliary, was presented to Jimmy Glenn last week as soon as he regained consciousness after undergoing a tonsillectomy. His last words before and first words after the operation were "I want a Pinky Puppet!"

Sewing chairman, Mrs. Warren D. Adams rushed to get him one after his pleas had been made known to practically the whole hospital staff. When asked how he liked Pinky he replied, "Wow! I really think he's cute!"

Jimmy is six years old and in the first grade at An Sool's Parochial School. He is the son of Mrs. Jane Glenn of 16 Higgins Terrace.

A spokesman for the Woman's Auxiliary explained that Jimmy's mother told him about the puppets being made and immediately he wanted one. When he was unexpectedly confined in the hospital, the committee ladies completed all the Pinkies. "However," she went on to say, "they will be ready in the near future and all children in Pediatrics will receive one."

Refreshments will be served and prizes will be awarded those winning games.

A drawing for dove prizes has also been scheduled. Tables for bridge, canasta, scomb of any other game the guests would like to play will be set up.

A spokesman for the club said they expected a big turnout for this worthwhile project and cordially invited the public to attend.

BIRTHS

Mr. and Mrs. Charles E. Willis of Palatka announce the birth of their son, Charles E. Jr. born April 8. The Willises are formerly of Sanford.

Personals

Mr. and Mrs. Charles E. Willis announced they "were aware of socialism in the churches".

Mrs. Erb and her committee's function is to "alert our members to any situation which seems to hold potential danger to our republic."

She reported that 916 of the DAR's 2,805 chapters have members who are reading and "evaluating" school text books. Seventy hundred and forty six chapters have reported "vigilance" of subversive activities in their communities and states, she said.

The Daughters prepared to go on record against big federal spending and federal aid to education as they began voting on 30 pending resolutions.

They plan to send copies of the resolutions to the President, every cabinet member, every senator and every congressman.

Looking among some of the candidates for seven vacancies among the 21 posts of vice president general. Election results are to be announced tonight.

Dick Holtzclaw Performs At Woman's Club

The joint meeting of the American Home Department and the Fine Arts Department of the Sanford Woman's Club presented Dick Holtzclaw, star soloist of the New York Opera Company in a musical program at the club building last night. Mr. Holtzclaw gave a brief and informative talk on "The Role Music Plays in Everyday Life." He stated, "Music appreciation should be taught more thoroughly in our schools today because of the tremendous part it plays in our life."

After he finished speaking, Roger Harris accompanied him at the piano as he sang "Where Ere You Walk", "Without a Song", "Come Back to Sorrento" and an old Italian folk song, and as an encore "Golden Days" from The Student Prince.

After a profusion of applause and appreciation was expressed the members settled down to the routine business session. The group voted to continue the project for the future Youth Center building. Two new American Home Department members were introduced, Mrs. J. H. Nelson Jr. and Mrs. H. D. Stanley. At the conclusion of the business hostesses served punch, open faced sandwiches and cookies to those attending.

The serving table was beautifully decorated with an arrangement of spring flowers, crystal serving and lighted yellow tapers.

After the roll was called various reports were heard. The Sunshine fund was taken and a full report was given.

Mrs. Leland Ridd then led the group in an entertaining series of Games. Prizes were awarded Mrs. Peterson, Mrs. Jimmy Wade and Mrs. Gayle Osborne. Mrs. Duell Chinn won the door prize.

Refreshments of punch and cookies were served by Mrs. Williams in the following: Mrs. Wake Hunt, Mrs. Leland Ridd, Mrs. A. I. Peterson, Mrs. W. W. Osborn, Mrs. Patricia Wilson, Mrs. Duell Chinn, Mrs. Edna Reagan, Mrs. Jimmy Wade, and Mrs. Robert C. Hodges.

Very few of us have the personality we prefer, or be what we can become.

Whether we know it or not this condition reflects our willingness to defend what we believe.

The book "Silent Level" discusses such subjects as worry, habit, environment, tension, personality, what is man, what to believe etc. in a different manner.

Conring The News

BY VIRGINIA CONN

Have my typewriter back, and it's like welcoming home an old friend. Must say they did a bang up job on it; do believe it has been fumigated too. Of course for my typewriter that may not be such a bad idea—just hope it has not been brainwashed.

So here I am with out a bit of news because I shipped all afternoon for Easter doodads for the children, and by the time I dye four eggs apiece for several different Easter egg hunts, I might as well buy out the local Purina store. Each year the rat race seems to get worse, but fortunately it is concentrated on the little children, and let us hope the adults are all aware of the real reason for Easter.

We need a new institution in Sanford—either a school Mayfair (doesn't that sound Fifth Avenue?) after church, or parading down Park Avenue. It seems a shame that all the trouble and expense so many have lavished on their costumes, must be wasted on only one congregation. Everyone I know who can sew has been hibernating for months preparing their children and themselves—and everyone who can't sew has been seeing to it that all the charge accounts in her possession are used in the frozen point. Must confess that your reporter is among the latter. Anyway have a nice weekend, and for Pete's sake make news that hits me in the face, so I don't have to go looking for it.

Seminoles Take On Blue Darters Here Tuesday

SHS Will Field Enthusiastic Team At OBC Track Meet

Fred Ganas, athletic director of Seminole High School and track coach, said last evening that he figured on fielding an enthusiastic team that would give the Orange Belt Conference something to talk about at next week's OBC track meet in Orlando.

Said Ganas, "I have now reached the conclusion that these fellows here are the greatest athletes to be found anywhere. They have more enthusiasm, courage, and pure determination than any other team in the conference."

The remark came after the enthusiastic group was found practicing their individual events in the rain after practice had been called off.

With almost fantastic rapidity the thousands of SHS have zoomed to a high fever pitch of form and performance that surpasses even the dreams of Ganas; and he's quite a dreamer when it comes to visualizing a solid athletic program at Seminole High.

"With this sort of attitude we can go a long way," Ganas said. "It makes me feel bad to see them trying so hard to make up in the last two or three years of high school what they should have a background in now," Ganas said.

"If we should have a comprehensive program that would reach the boys in the junior high grades and give them a working knowledge of the sports we should have as good a program as could be found anywhere."

Ganas said that he had been talking with Hugh Carlton, principal of Sanford Junior High School, and Howard Gordie, teacher and coach of the school, about instituting such a program. "I think we will work something out that will do the boys in junior high grades a world of good," Ganas said.

Wightman Match In Pennsylvania

NEW YORK (AP)—The 1967 Wightman Cup tennis matches, between American and British women stars, has been awarded to the Edgeworth Country Club of Sewickley, Pa., near Pittsburgh, Aug. 10-11, the U. S. Lawn Tennis Assn. announced.

This will be the first time that this international event has been scheduled for competition on other than grass courts. The courts at Edgeworth are made of a fast-drying composition suitable for all-weather play.

The Wightman Cup matches are held alternately each year in the United States and Britain. This will mark the first time, when scheduled for the United States that the matches are played elsewhere than an Eastern Seaboard city.

Since the trophy was donated by Mrs. Hazel Hotchkiss Wightman in 1923, the U. S. women have won the cup 24 out of 25 times, including the last 20 in a row. Last years match, played at Wimbledon, England, was won by America, 5-2.

Class C, D Clubs To Play Last Games Over Weekend

The last few games in Sanford to be played by teams comprising the Class C and D club of the New York Giants Farm System will be completed over the weekend.

Most of the clubs will break camp Monday and Tuesday, the exception being Muskogee who will break camp next Friday.

Most of the teams swing into action on their home fields by Apr. 25.

The greatest stress during the last few days of stay in sunny Sanford for the team members will be personal attention in the various departments to put the final polish on the players.

Hans Lobert and Frank Shellenback do the major part of the personal instruction, with major concentration on throwing, batting, and base-running.

After next Friday, the \$1 million investment made by the New York Giants in order to bring the Farm System Base to Sanford will be put in moth-balls.

Hans Lobert estimates that it will take a staff of workers two weeks to polish, clean, scrub, cover, and repair the sprawling dormitory for the 10 1/2 month period of idleness before it will be used again next season.

Most Outstanding Athlete At SHS To Receive Award

Hugh Anstey, sports editor of The Sanford Herald, revealed this morning that the Herald would award a trophy for the most outstanding athlete of the year at Seminole High School during the All-Sports Banquet to be held May 2 at Pinestreet School.

The gigantic trophy, more than three and one-half feet tall and nearly five feet in circumference will be retired to the school trophy case in the SHS hallway and will be a part of the L.L. McClucas Coaches Memorial Award and Trophy.

There will be a joint award sponsored by The Herald and Mrs. L. L. McClucas in honor of the late L. L. "Whitney" McClucas who began his coaching career in Sanford and achieved nationwide recognition, which was very pronounced throughout the south.

Mrs. McClucas will present a replica of The Sanford Herald trophy to the individual selected as the most outstanding athlete in Seminole High School by the McClucas Awarding Committee. Anstey said he would present the retired trophy to the school and each year the winner of the McClucas award would have his name inscribed on the plates of the trophy.

to upset both Cocoa and Winter Park and go on to a good showing in the subdistrict meets. "We have shown rapid improvements in everything but stability," Laude said, "and we'll have that whipped before the next pinch is on."

Sanford Seminole baseball mentor Dave Laude said yesterday afternoon that the local high school team was a question mark. "But," he said, "they'll know just exactly how they stack up Tuesday night when they play host to Apopka."

The reason for the pointing toward Apopka is the phenomenal improvement of the Blue Darters team since the beginning of the season. Last Tuesday night while Leesburg was busy upsetting the Seminoles, the Darters were also busy.

They threw a monkey wrench into both the Seminole and Cocoa hopes of making an upset over Winter Park effective, but downing only once defeated Cocoa decisively.

The major move in the Seminole camp was a shift of team captain Brantley Schirrad. In the final innings of Tuesday night's game with Leesburg, coach Laude shifted Schirrad to catcher to replace sophomore catcher Cecil Dandridge.

"Dandridge is a good man," Laude said, "and he shows a lot of promise, but right now we need a strong arm to make the air sizzle on a throw to second. We've had a lot of trouble with base stealing."

Laude said the catching position could mean the difference in the outcome of the rest of the season. "I don't mean to run down Dandridge," Laude repeated. "He's got a handsome career here in high school sports; we just need the seasoning that Schirrad can give us behind the plate. A lot of chatter, a good eye on the whole field, and experience in calling the pitches has inestimable value to a club."

Laude went into his feelings of the Seminole rain of errors. "Always in the past the team has depended on a good staff of experienced pitchers. They got used to depending on a pitching game and they're having a hard time adjusting to a fielding game. They don't seem to realize that with the slim pitching staff that we have this year, and all of them are inexperienced in high school play, needs good support in the clinches."

Laude said that there was nothing wrong with the team that time, patience, a lot of individual attention, and seasoning wouldn't cure.

"I repeat again what I said before about having as good a team as there is in the conference man for man," Laude asserted, "but I also repeat that this year was a building year, and I said that if we got past Leesburg and Cocoa we would go on to break open the conference this year."

Laude took a deep breath and continued, "We didn't get past either of the clubs we were pointing for. The tough ones came too soon, we weren't ready."

Laude reassured, however, that by the end of the season he hopes

for central Florida gardens. Mrs. Eakin discussed propagation by seeds, bulbets and by cuttings, demonstrating the method. Bulbs such as anemylis like bone meal as fertilizer, proper acid soil, good drainage, sufficient space and all possible sunlight to produce best bloom. Corms grown here include gladioli and freesia. Mrs. Eakin's report concluded with methods of presentation and control of bulb pests and diseases.

Miss McFetridge discussed rhizomes: the iris, rice paper plant and canna lilies, shrill and ginger lilies and begonias and the tubers, gladioli and sweet potato. Fertilizer and moisture requirements of the rhizomes and tubers were outlined.

The Red Cross, the Cancer Crusade and the Easter Seal parade were all hugely successful financially speaking, according to reports from the various committees. Mrs. Joseph Callahan for the Red Cross, Mrs. Richard Hart for the cancer crusade and Mrs. Carl Barthman for the Easter seals.

Mrs. Arnold Williams was elected president of the Fidelis Class of the First Baptist Church during the meeting held at the home of Mrs. W. H. Duncan Tuesday evening. Mrs. Williams will serve for the remainder of the church year to fill the vacancy created by the resignation of Mrs. M. D. Bumgarner.

Mrs. R. A. Williams was elected to serve as first vice president and the Mrs. Williams' group will in turn be taken care of by Mrs. Bumgarner.

Mrs. Williams presided at the business session during which time it was decided to have "Secret Pals," with names to be revealed and pre-drawn each month at the class meetings. The group was invited to meet with Mrs. V. C. Messenger in May.

Mrs. R. A. Williams presented the devotion, illustrating it with a copy of the famous painting of the "Crucifixion" of Jan Styka. She described each scene in the picture. She read the third chapter of John. The devotion was closed by each member joining hands and offering a prayer.

Following the meeting a social hour was enjoyed and refreshments were served by the hostess group.

Those present were Mrs. Arnold Williams, Mrs. R. W. Williams, Mrs. F. E. Cooper, Jr., Mrs. Vera Davis, Mrs. Harold Davis, Mrs. Bumgarner, Mrs. S. P. Griffin, Mrs. V. P. Whiteaker, Mrs. Duncan, Mrs. P. G. Brown, Mrs. Messenger, Mrs. W. R. Willis, Mrs. L. F. Garner, Mrs. N. L. Bishop, and Miss Lorene Franklin.

'Candles For Hope' Theme Of Story League Festival

The theme of the Spring Festival of Stories program to be given by the Sanford Story League Monday afternoon at 3 o'clock in the Holy Cross Episcopal Church Parish House will be "Candles for Hope."

"Hope like the gleaming taper light, adorns and cheers our way; and still, as darker grows the night, emits a brighter ray."

Taking part in the program, which highlights the educational features forwarded by the Sanford Story League in the schools of Sanford, will be four Junior Story Tellers, each one with a story of unusual interest. Those appearing on the program will be Linda Williams, Donna Young, Ruthie Carlton, and Nancy Robb.

Another young lady with exceptional musical ability will be DeLores Hargreaves who will play several piano selections.

Rev. Robert Spear Jr. of the Nazarene Church in Sanford will tell the Easter Story as the Spring Festival of Stories intertwines throughout the season.

Mrs. H. L. Moore, a member of the Sanford Story League, will relate a story, assisted by Mrs. Gretchen Cromwell with the flannelgraph.

Emceeing the entire program Monday afternoon will be Mrs. C. C. Welch.

Hostesses for the brilliant occasion of the spring season for the Sanford Story League will be Mrs. R. C. Long and Mrs. A. P. Kyle.

FIRST LESSON IN HERB
We hear a lot about herbs and many new cooks like to try herb cookery but if know quite where to plant. Here's a suggestion: Use first herbs in soup. This way you can taste them, see the differences in taste which contribute and so learn about them. For instance, try anise or caraway seeds in chowder; add a pinch of basil to frazer-snapper soup; blend sage in almond any potage; clear hot consommé is enlivened by a bit of curry or nutmeg or thyme or mace. Remember — use a light hand and taste it as you go.

FOR CURRY LOVERS
Here's an easy and unusual way to add a bit of curry to a meal. To one can condensed beef broth add one can tomato soup and one can of water. Blend 1/2 teaspoon of curry powder in 1/4 cup water and stir into soup. Let simmer on the top burner of your range. Serve hot.

Apr. 30 Plant Day At Lyman School

ALTA MONTE SPRINGS—Mrs. Howard Van Pelt, beautification chairman of Lyman School, and her committee, Mrs. Carleen Peters, Mrs. Bill McGinnis and Mrs. Kenneth Pelouquin, have set Tuesday, April 30 for Plant Day. This means that each student in the school is requested to bring a plant to school. If he does not have a plant to bring he should bring a cash donation instead. The committee is planning a complete landscaping program for the first time in the history of the school. Cuttings and small tender plants should be omitted as they require too much care and are too delicate. Here are some suggested shrubs which would be most welcomed: Ligustrum, Viburnum, Azaleas, Pyracantha, Cassia, Crepe Myrtle, Day Lilies, Liriope and flowering trees such as Dogwood, Redbud and the Orchid tree. Anyone else having shrubs which they wish to donate to the school should bring them to the school the morning of April 30. There will be a committee of workers there to receive them and plant them on that day.

Methodist Church Sundays Easter

The First Methodist Church in Sanford, will observe Easter Sunday with two worship services on Sunday morning and with an Easter Cantata presented by the Chancel Choir on Sunday evening. Sunday School will begin at 9:45 a. m. and M. Y. F. at 6:30 p. m. The two worship services will be at 8:30 a. m. and at 11:00 a. m. The sermon topic announced by the pastor, the Rev. Milton H. Wyatt, for both services will be: "Not In Vain". At the 8:30 service the Vesper Choir will sing "The World Itself Keeps Easter Day" (Litch) and "The Magdalene" (Warren). At the eleven o'clock service the Chancel Choir will present "King All Glorious" (Barney) and for an offertory special a trio composed of Mrs. James Bozard, Mrs. Roy Waid and Mrs. William Lockard will sing "All In The Morning" (Davis). On Sunday evening, beginning at 7:15, Mrs. Albert Hickson will present 15 minutes of organ solos. At 7:30 o'clock regular time for evening worship, the program featuring an Easter Cantata by the Chancel Choir will start the cantata chosen for this year's presentation is "Victory Divine" by Christopher Marks. Featured in the cantata are solos, duets, quartets, and the traditional chorus work.

Birmingham Lions Applaud A. Lee

CASSELBERRY — Allyson Lee, 12-year-old pianist formerly of Sanford, was given a sensational reception last Wednesday at Birmingham, according to J. H. Welmer who presented her in her first public appearance there. The outstanding young master musician constituted the entire program of the Birmingham Lion's meeting at the Jefferson Hotel. Allyson, well-known in Central Florida, is the daughter of Mr. and Mrs. John L. Lee. The family left Sanford and moved to Birmingham in January. Welmer, program chairman for the Casselberry Lion's, who introduced Allyson in many public appearances in Central Florida, said he was able, by correspondence and telephone conversation, to convince the Birmingham Lion's program chairman of the outstanding ability of so young an artist. Any skepticism of what was in store for her listeners, was dispelled after the first few bars of her opening selection had been struck, Welmer said. Backing up Welmer's statements is a tape recording of the entire program. Allyson played seven selections which included the classics, semi-classic, sacred and boogie. Welmer said that he had to restrain the enthusiastic applause after each number, because of time limitations, adding that no one could have halted the tumultuous, spontaneous rising ovation given the youthful artist at the conclusion of her performance.

Andrew F. Crocker, Commissaryman, First Class, USN, had two proud spectators when he re-enlisted in Heavy Attack Squadron Nine. Present to witness the ceremony as guests of the squadron commanding officer, CO, J. M. Miller, were Mrs. Crocker and the Crocker's youngest son Randy. Crocker joined the Navy in June, 1941 at Nashville, Tenn. after working in the Civilian Conservation Corps. He recently reported aboard VAH-9 after serving for 30 months aboard the USS Saipan and is presently assigned to the galley at the Naval Air Station, Sanford. Crocker is the son of Mr. and Mrs. Clinton W. Crocker, 556 Wood St., Manchester, Tenn. Mrs. Crocker is the former Dorothy L. Woods of Miami. (Continued From Page 1) could only offer its services in a labor-management dispute. Committee Chairman John B. Orr Jr. of Dade, took Daniel to task for "wanting to further entrench our antiquated Cabinet system" and defended the Industrial Commission as the place for the new department. The Brotherhood of Railway and Steamship Clerks opposed the bill and said they favored a state department of labor. Some 47 local Tampa unions endorsed the bill.

"Sanford people have responded wonderfully to aid the team in getting started" reported an official of the league. They already have a large and small diamond to play on at Pincrest School and the boys have been divided into minor and major league teams—the minor league consisting of boys from 10 to 12 and the major league from ages 13 to 15. They are practicing now for the official opening game on Tuesday afternoon at 3:30 p.m. The school band, according to officials will be on hand to start things off. The Pincrest Recreation Committee spokesman said baseball wasn't the only sport they are sponsoring. Others sports will be played during the summer.

During the 30 years that Chief Petty Officer John D. Thomas served in the Navy he had occasion to serve with Captain Jackson on the USS Bagadise in the years of 1928 and 1940. Chief Thomas is also a veteran of Atlantic duty, but departed China station prior to World War II. Captain Jackson, in pointing out the highlights of Chief Thomas' career, stated that although Thomas himself would leave the Navy, his love and loyalty to Naval Service would be carried on through his son, Frank, who is presently attending the U.S. Naval Academy, Annapolis, Md. Chief and Mrs. Thomas, the former Dorothy Adkins, of Hawthorne, are making their home at Geneva. At conclusion of the inspection, Captain Jackson expressed

The mimeographed leaflet stated "A family living in a \$6,200 home, which by today's standards would be considered very low priced, would have to pay the city \$24 a year for debt-service tax, and one living in a \$12,700 home would pay a total of \$70.50 a year for both." The release brought out utility tax, which was stated to be an average of \$3 per month, and was the city manager's own estimates. Attention was called to garbage collection fees of \$1 a month, sewer tax, registration of dogs, and a proposed tax of \$5 per year on automobiles.

Clifford Gilbert Jr. is the team manager; Martin Berwick, coach; umpires for the Wednesday game were Bill Proctor and W. J. Jones. The Altamonte Senators will tie with Longwood in the second game of the week Saturday at 3 p. m. at Longwood.

Knowles Readies Report For Fringe Residents

Police Capture Man After Chase Through City

A 33 year old Lake Monroe man was in jail within an hour of his return to Sanford after spending 5 days going to and coming from Petersburg, Va. and \$7,000 allegedly obtained from taking a Federal Treasury check for an income tax refund and forging another's name.

Warrants were issued on a complaint from Alvin J. Petty to whom the Federal Treasury check was issued and whose name was forged, for the arrest of Herman Tyner, 33, of Rt. 1 Box 138-A.

Bond was set for each of the two warrants at \$2,500.

The check was cashed, according to the warrant issued for Tyner's arrest, at a grocery store operated by Wilbur Bennett.

According to Deputy Sheriff James Singletary, the federal check was taken from a mail box. (Continued on Page 10)

Contains Services Of City

An answer to the three-page mimeographed letter from the Temporary Committee for Forming Fringe Area Taxpayers Association distributed at a recent meeting of the residents of the fringe area with the committee, is being read today by City Manager Warren E. Knowles.

Knowles said this morning "I don't want to get in an argument with this group—this is just a method of presenting the facts concerning annexation."

The Sanford City Manager said in his letter to the citizens and taxpayers of the fringe areas of Sanford "Such an association can do each and every one of you a world of good so long as it maintains an attitude of being impartial and giving to you ALL OF THE FACTS."

"It should not stand just a part of the information so as to direct your thoughts in only one direction. None of us like to be lead into doing something simply to support personal desires", the letter said.

The report being prepared today contains information on each and every service of the city, analysis of tax and insurance costs, and a complete breakdown on totals of taxes in valuation categories.

Knowles said "It is hoped that the information contained in this report will help each person to study the problems and to make up his mind as to what he or she wishes for the future of their own family, children, and neighborhood."

"It is no, claimed that the writer of this report, is impartial but it is claimed that he will attempt to put both sides of the picture before you," the City Manager wrote.

He said that the residents of the fringe areas may soon be confronted with the question of becoming a part of the City of Sanford. "This is what is meant by the word annexation."

It was brought out that regardless of what city in Florida one would consider, anyone who builds and lives in a fringe area of that

Sanford Churches Filled For Easter Services Sunday

More than 2,000 churchgoers turned out before sunrise yesterday morning to attend the Seminole County Ministerial Association sponsored Easter Sunrise Service at Sanford's Memorial Baseball stadium.

The Seminole High School Glee Club, directed by Miss Ollie Reese Whittle and the Seminole High School Band under the direction of Ernest Cowley furnished music for the service which began at 5:45 a. m.

The Rev. Robert Spear Jr. delivered the Easter Message at the Union Service with his topic: "After The Cross, A Message."

Sanford churches were filled to overflowing yesterday as thousands more attended the church of their faith. Both early services which began at 8:00 and the 11 o'clock service were attended by overflowing crowds eager to hear the message embodying "He Is Risen" proclaimed from pulpit after pulpit.

One Sanford church goer said yesterday afternoon "I have never seen as many people attending church services—every church was filled to capacity."

Sanford's weather yesterday was ideal for Easter and the Easter Parade.

Elsewhere, millions of Americans led by President and Mrs. Eisenhower, attended Easter church services, and thousands of others worshipped out of doors at the sunrise services.

Except for the Southwest, generally fair skies encouraged church attendance and added sparkle to the spring finery displayed in the traditional Easter parades.

Mr. and Mrs. Eisenhower attended the sunrise services.

City Fathers Will Discuss Project Tonight With Firm

The first of a series of discussions with engineering firms relative to securing the services of such a firm for a feasibility report on the proposed Docks and Terminal project will be held tonight at a regular meeting of the Board of Sanford City Commissioners.

The Jacksonville firm of Reynolds, Smith and Hill will be represented at tonight's session.

A number of engineering firms have been scheduled to appear before the Board of Commissioners before a firm will be selected for the report.

On the six firm agenda, appointments to the Sanford Housing Authority is scheduled.

The Mayfair Inn has also requested that they be allowed to erect a direction sign in an area within the city limits.

Three ordinances will be read for the first time at tonight's session: one in regard to zoning, one in revising the building permit fees and another to vacate a portion of the Sanford Ave. right of way at Fifth St.

Miscellaneous business will come from the floor and from members of the Board of Commissioners.

Expressway To Be Discussed Tonight At Mass Gathering

ALTAMONTE SPRINGS — An interested persons in the routing of the proposed Expressway through both Maitland and Altamonte Springs, are urged to attend an important mass meeting to be held at the Altamonte Springs Community House tonight at 7:30 p.m.

The meeting was prompted by numerous leading citizens of the community, who attended the Expressway Thursday night meeting in Orlando and who are opposed to the present routing, which would place it down through the heart of Altamonte's and Maitland's residential district.

Over 2,000 Kiddies At Egg Hunt

More than 2,000 children lined up in Fort Mellon Park yesterday at 2 o'clock to take part in the Annual Jaycee Easter Egg Hunt.

A siren gave the signal for the dash across the street and into the roped off area where youngsters filled their Easter baskets with colored eggs furnished by the Jaycees and contributors to the Jaycee Easter Egg Hunt.

There were 24 prize-winning eggs, each one specially marked for the finder. The top three winners, one in each group, were awarded a watch or a \$5 savings account at the Florida State Bank.

Age groups into which children were divided were: 1-3 years; 4-6 years; and 7-10 years. Michael Lamberton won the \$5 savings account in the 1-3 years old group; Danny Dunaway was presented a watch as the top prize in the 4-6 age group; and Johnnie Bell won the watch as the top award in the 7-10 age group.

Kim Kimbrell, chairman of this year's Jaycee Easter Egg Hunt, assisted by Dave Thrasher, vice president of the Jaycee group, were aided by a corps of Jaycee members who turned out several hours before the hunt got underway to hide the eggs and rope off the three areas in which children searched for the bright colored eggs.

At an early hour, children and their parents turned out to line up in a veritable "Easter Parade" waiting for the starting hour of the Jaycee annual event.

A three-block area of First St. in the Fort Mellon Park area was blocked off by the Sanford Police Department for the Jaycee Easter Egg Hunt.

Children were tense as time grew near for the starting signal. Several times boys and girls edged up nearer and nearer the sidewalk from a mid-street starting line and had to be turned back until the siren signal was blown.

Few children left the area without some eggs in their baskets from the Jaycee event. There were candy, Easter eggs and a supply of boiled and colored eggs held for the children who did not find eggs in the roped off areas.

Those who found the specially marked eggs in the three age groups were: 1-3 year old age group: Michael Lamberton, Benny Bertler, Betsy Dooley, Ruthie Carr, Ben Benton, Rickie McMurray, Josette Lubo, and Louise Erickson.

In the 4-6 age group: Danny Dunaway, Malcolm Payne, Jerry Herman, Paul Piree, Connie Colvin and Charles H. Lee Jr.

In the 7-10 age group: Johnnie Bell, Wanda McMinimus, Annette Ehrd, Hunter Gildewell, Junior Spears, Donald Brown, Patsy Lillis, Linda Little and Wanda Walton.

Men Arrive To Help Design New Market

Two representatives of the U. S. Department of Agriculture will arrive in Sanford today with H. Lewis Director of the State Department of Agriculture, to assist in the designing of facilities to replace the Sanford State Farmers' Market which was destroyed by fire on Apr. 4.

S. T. Farrington and E. B. Lowstuter will arrive by air today about noon and will be met by Lewis who expects to bring them immediately here to begin work in assisting in the designing for the proposed market.

Also accompanying Lewis and the two representatives of the Department of Agriculture will be G. B. Hogan of Pompano who also has had wide experience in the selling of fruits and vegetables from farmers' markets. Hogan was formerly the director of the State Farmers' Market system.

In a letter to Sandy Anderson, manager of the Sanford State Farmers' Market, Lewis said "I requested William T. Green, Chief, Transportation Facilities Branch, U. S. Department of Agriculture, Washington, D. C., who probably has had the broadest experience of any person in designing and building new facilities adaptable to selling of fruits and vegetables, for his help at Sanford."

"He is sending two men from his office in Washington," said Lewis in his letter. "S. T. Farrington and E. B. Lowstuter to Florida to help us out at Sanford. G. B. Hogan will also be with us."

"Therefore, I hope we can come up with something very good and get within our means in our new building program," said Lewis.

Sandy Anderson said yesterday "Nathan Mayo, Florida's Commissioner of Agriculture and I. H. (Continued on Page 10)
