A Handsome Car

HEN you pay several hundred dollars for an automobile, why not get a goodlooking one- one that you will be proud to own, proud to drive and proud to take your friends out in? Maxwell owners have a just pride in the handsome appearance of their automobile for Maxwell Motor Cars have the same attractive lines, the same graceful design as the higher priced types.

In addition to good looks you want, of course, a reliable, sturdy and economical car. But there is no doubt in your mind on these points since the Maxwell a short time ago established the World's Motor Non-Stop Mileage Record. Any car that can run continuously for 44 days and nights, averaging 500 miles per day-22,000 miles in all and without once stopping the motor-is bound to be a well designed and well made car.

Any car that can perform such wonderful feat on an average of one gallon of gasoline to every 22 miles is bound to be an economical car.

We have such confidence in the Maxwell car and the company behind it that we are willing to sell these cars on partial paymentsand deliver the car to you when you make the first deposit. In justice to yourself you ought to know more about the Maxwell car and our pay-as-you-ride plan. All we ask is the opportunity to tell you.
