

THE INQUIRING REPORTER

by DONNA ESTES

Question: What is your opinion on the current sex education being with the Seminole Schools?

Mrs. Rachel Crowl, 551 Delmarus Trail, Maitland.
I can't make a judgment on this matter until I have an opportunity to see the films the schools are using. I believe in sex education if it is not taken too far.

Constance Hillman, 81 E. 28th St., Sanford.
I think that if the young people do not receive sex education in the home, it should be taught in the schools. The youngsters need it and most parents are not capable of giving good sex instruction.

Mrs. Robert O'Brien, 3718 Magnolia, Sanford.
I don't like it. I believe sex education should be taught in the home.

Mrs. Florence Kelly, 53 Bernalde Court, Winter Park.
Sex should be taught in the home and not left up to the teachers. The teachers have enough to do without having to teach sex.

Gary Deese, 723 Herman Ave., Orlando.
I'm for sex education in the schools. Many parents neglect this responsibility until it is too late.

Mrs. Ruth Stone, 405 E. 26th Street, Sanford.
It would save parents a lot of trouble if the school would guide the young people in the right way to go and sex education in the schools would also help the mothers out.

Langwood.
I really do not think the schools are the place for sex education. This should be done in the home with a doctor's advice.

This Week's Question: More than 50 persons in Florida's Death Row. How do you feel about capital punishment?

Groundbreaking Held For Children's Home

Groundbreaking ceremonies were conducted Sunday for a new \$250,000 addition to the Travel Home For Retarded Children at Winter, which is owned by the North Florida Foundation.

The addition will provide facilities for 40 additional residents. Building contract has been awarded to Shiloh Construction Company of Deland. Architect is Joseph Skilho of Winter Park.

Completion date is scheduled by June.

Those taking part in the groundbreaking service were Rev. Kenneth Book, moderator of the North Florida Presbyterian Church of Deland; Mrs. Dora Presbyter; Mrs. Lucas Grile of Casselberry, president of the North Florida Foundation; Rev. Russell Gray of Orlando, and Rev. James McGuffin, Glenside, chairman of the board of regents and of the board of managers for the home.

SANFORD-OVIEDO.
CELERY-Demand moderate, market slightly weaker. Domestic round type, medium to large size, 1 1/2 bushel crates \$1.25, occasional \$1.50. 50 lb. sacks \$1.00. Savoy type, 1 1/2 bushel crates, few \$2.50.

CARROTS-Demand moderate, market weaker. Topped and washed, mesh bags, master containers, 48-1 lb. film bags, medium to large size \$2.00. 50 lb. sacks, large size, loose pack \$1.75.

CELERY-Demand good, market steady. Pascal type, 16 inch crates, 2 dozen size through 6 dozen size \$2.75. Hears, wirebound crates, film wrapped, 24 count \$4.10.

CHINESE CABBAGE-Demand Good. 16 inch crates, wrapped, few \$2.25.

Shipping point information for Monday, Feb. 3. All FOB for stock of generally good quality unless otherwise stated. Precooling charges extra.

Volusia County's proposed school geographical zoning plan will see little change in the attendance patterns at Deltona Junior High School and Enterprise and Osteen Elementary Schools, although it has met with strong objections in other parts of the county.

At Deltona, population and attendance reportedly will remain about the same. However, growth in the area is expected to necessitate the use of at least two portable units at the school next year.

Present enrollment is listed at 477 students while the new proposed figures set enrollment at 421.

Present enrollment at Enterprise Elementary is 421 and at Osteen, 114. New figures would be 410 for Enterprise and 120 for Osteen.

Public hearings on the proposed zoning plan were tentatively set for Feb. 10-12. Complete maps and details of the plan may be seen at the school board office.

Torino GT makes other cars that talk performance eat their words.

Calling a car a hot performer is one thing. Proving it is another. Torino GT performance speaks for itself. Just how loud is up to you—with six V-8 choices, from a standard 302 V-8 up to the big 428 Cobra Jet Ram-Air. (When this one talks, others listen.)

Torino GT shows it's her apparent to the 1968 NASCAR racing champ. Special handling suspension. Wide-oval tires. Competition-style wheels. Stripes. The works. In SportsRoof, 2-door hardtop, and convertible models. And then there's the Cobra. All muscle at a very low price.

Tests Scheduled At SSJH

More than 125 sixth grade students at South Sanford Junior High School at Casselberry will be taking the Standard National Educational Development Tests on Saturday, Feb. 11, beginning at 8:30 a.m., Walter Durus Jr., guidance counselor, announced today.

Students will sign up for the tests, which are optional and cost \$1.00 to take. The tests are designed to measure a student's ability to apply basic learning skills rather than ability to memorize facts.

"We will use the tests," Durus said, "to help students, parents, and teachers identify areas of strength and weakness in this student's educational development and in making a realistic appraisal of his educational and vocational goals."

Published by Science Research Associates, Inc., the NEDT battery has been given to more than five million students since introduced in 1959.

A Nice Place To Visit But I Wouldn't Want ..

MINNEAPOLIS (AP) — The Texan landed in Minnesota one night when it was 25 below zero and the snowbanks along the highways were high enough to be a pain.

During his brief visit, a jet was enough for the snow to turn to slush. Then it turned cold and began snowing again.

"Full on," he called as he headed back South. "Can you think of one reason anybody would want to live up here?"

These are fighting words to slush, snowmobile buffs, Chamber of Commerce secretaries, and tourists who swear Minnesota's 1400 lakes in the summertime.

But this winter, they're harder to answer. Snow has grabbed the entire state of Minnesota in a sustained hammer that may well be without precedent in terms of unwilling shut-ins, blacked roads, closed schools and short tempers.

Up north in the pine forest country, where heavy snow is more of a way of life, the year's total has already topped 100 inches.

In the twin cities of Minneapolis and St. Paul, 24 inches through January was a new record, and most of it is still around.

It's dangerous to speak of any piece of Minnesota "bearing the brunt" of this snow treasure, but distress calls point to the southwestern part of the state, a region of small cities and farms, as being particularly hard hit.

To give you an idea, look at Les Sankey, who lives near

N. Orlando Ponders Merger

By CAROL JAQUES

Points to be considered by a charter study committee for the Village of North Orlando were outlined by Mayor Clifford Jordan to the Village Council.

Included in the study would be possible consolidation of the village with Casselberry or Longwood, and changing the name of the village should the move go through; feasibility of changing from a utility tax system to an ad valorem tax structure, and reversing weak portions of the present charter.

Citizens of the community who have been requested by letter to serve as members of the committee are Jay Wet, Mary or Charles McIntosh, Mal Campbell, George Fuller, Charles Kelley, William Hahn, John or Irene Van Renspel, Mary Williamson and Richard Gardiner.

Jordan pointed out that the study possibly will take as long as six months.

In other business, Councilman Dave Tilson accepted the appointment as a "committee of one" to draw insurance specifications for the village. Call for bids will be legally advertised in The Sanford Herald.

Attorney Thomas Freeman was authorized to prepare and present before the Legislative delegation a request for approval of a hot pursuit law, and.

Council agreed to pay Police Chief Hilton Anderson's annual \$10 bond as a sheriff's deputy.

The meeting was adjourned subject to call.

SJC OKs Student 'Unrest' Policy

No Riots Seen; School Ready

Seminole Junior College board of trustees last night approved a policy statement in the school's new manual which would give Dean Robert Schreiber authority to suspend any SJC student causing unrest. The student would have the right of appeal but being a non-student, since suspension, he could be arrested and removed from the school on a warrant taken by the school and served by the sheriff.

While not anticipating any student problems such as the campus riots at Columbia University and University of California at Berkeley, the trustees approved the policy statement to cover any eventualities.

Fireworks Display Tonight

CAPE KENNEDY, Fla. (AP) — The space agency plans tonight to launch a communications satellite into stationary orbit 22,300 miles above the Pacific Ocean.

A three-stage Delta rocket is to launch the 322-pound payload into space at 7:29 p.m. EST. The 43 nation International Telecommunications Satellite Consortium is paying NASA \$4.7 million to launch the payload, regardless of success or failure.

The satellite is called Intelsat 3 Pacific. It is intended to more than double satellite telephone and television circuits across the Pacific Ocean. It will link stations on the United States mainland, Hawaii, Japan, Australia, Thailand and the Philippines.

Mini-Housing Bill Dead?

Minimum housing bill for Seminole County appeared to die in the County Commission meeting yesterday before it had a chance to be introduced by the legislative delegation.

The delegation before its last regular session refused to introduce minimum housing legislation for the county.

Commission Chairman John Alexander reported the bill should not be compared to Sanford's urban renewal effort and that it should contain rules and regulations on splitting housing and building standards of building conditions for occupancy, safety and health.

Commissioner Robert Parker joined with Alexander in expressing interest in such a bill while Commissioner Edward Yarbrough stated absolute opposition to the proposal. At the same time, Commissioners Robert Topp and Dan Pelham both listed reservations concerning minimum housing. Legislation approved for sub-

Ag Agent Appointed

Frank J. Jasa was appointed county agricultural agent by the Board of County Commissioners yesterday to replace Cecil Tucker, long-time agent who resigned recently to take a position in private industry.

Jasa, born in Malabar, Brevard County, is to take over the office on March 10 at an annual salary of \$12,500, including county appointment of \$4,800.

Jasa was reared on a farm and was an outstanding 4-H Club member during six years of project work. He was graduated from University of Florida in 1951 with a bachelor of science degree in agriculture. His major was agricultural engineering with a minor in soils.

In addition, he had major course work in fruit crops, vegetables, agronomy and livestock. Jasa served as office manager for the Agricultural Stabilization and Conservation Service in Brevard County from 1953 to 1957, was appointed assistant county agent in Brevard County in 1957 and associate county agent in Broward at present time. He is presently working on a master's degree in horticulture.

Appointment was made on recommendation of Commissioners Robert Topp and Edward Yarbrough.

Jr. Police To Form

Sanford Police Department is organizing a Junior Police League to be composed of youths between 10-17 years of age and attending either a public or private school in the county.

Chief Ben Butler said the first meeting of the group would be held at the Police Benevolent Association building on Seminole Boulevard Feb. 15 at 9 a.m.

This will be an organizational meeting, Butler said, and will be under the direction of Lt. Charles B. Fagan and Sgt. Jere J. McCumber.

Butler revealed the league would operate with donated funds and any boy within the age limit, no matter what part of the county he lives, can participate.

The chief added the corps is not confined to boys with clean records. He continued, "We will accept those boys who have been in trouble before—on probation," adding they would be given all the opportunities as other youths, but should they get "in trouble again" they would be removed.

League activities will include drill teams, firing range, learning crime fighting techniques, and becoming familiar with city and county ordinances.

Butler said the group will have uniforms and badges and will meet for most of the day at possibly weekly sessions.

Cyclist Hurt In Collision

Chester Carpenter, 17, of Osteen, is listed in "good" condition at Seminole Memorial Hospital where he was placed Sunday with foot injuries suffered in an accident in Osteen.

Carpenter was injured when the motorcycle which he was operating was struck by an automobile driven by Cecil W. Touchton, 26, of Lake Monroe, at the intersection of Carpenter Avenue and Second Street. Touchton was charged by the Florida Highway Patrol with failure to yield at an intersection.

Damages were estimated at \$175 to the car and \$125 to the motorcycle.

Out Of Pocket

JACKSONVILLE, Fla. (AP) — A motorist who thought he saved 43 cents found instead he was out \$100.

Officers said Jesse White Jr., forfeited \$100 bond on charges of evading three 15 cent tolls on Jacksonville bridges.

Welcome TAX Collectors

WHO WOULD expect to see the day when we would welcome the tax collector? Seminole County's hand of fellowship is extended to 67 tax collectors — members of the Florida Association of County Tax Collectors — and their staffs who will convene in state convention for three days starting Thursday at Holiday Isle.

County OKs 3d Rec Program

By DONNA ESTES

Third phase in Seminole County's \$100,000 recreation facilities program at the public schools in the county was authorized by the Board of County Commissioners Tuesday.

Subject to a maintenance department site review facility to be installed during this fiscal year include basketball courts at Hopper, Westside, Southside, Monroe, Wilson, Lake Mary, Altamonte and English Estates schools; ball fields at Longwood, Jackson Heights, and Cromas and tennis courts at Goldboro and Sanford Junior High School. This will bring to a total of 16 ballfields, 19 basketball courts and six tennis courts the program at the end of this year.

In other business at the meeting, the Commission approved and voted three-to-two to prohibit smoking in the Commission Chamber during regular and special board meetings.

Commissioner Dan Pelham making the motion for the ban called it a "good and proper motion" and likened the action to the prohibition of smoking in one room and urged Commissioner Robert Topp at the same time, opposed the action pointing out that it is not fair to place the restriction on one room and urged instead that the ban be extended to include the entire third floor of the courthouse as a fire hazard.

County Attorney H. C. F. Johnson discouraged Topp's recommendation. However, stressing that if smoking can be considered a fire hazard in the old structure, some question might develop as to the safety of the facility.

Commission Chairman John Alexander also voted against the ban.

Topp in a report to the Board on cost of providing better ventilation for the Chamber said a bigger air condition unit would be needed at estimated cost of \$575.

Commission, also: Accepted the resignation of Vernon Doss from the Water Control and Conservation Advisory Committee.

Named Robert Deah to a four-year term and John Spolanski to a three-year term on the Planning and Zoning Commission.

Approved a 45-hour week for the rabies control officer at the county dog pound.

Heard opinion from the county attorney that the county has no authority to control pumping of water from lakes or lake levees.

Asian Peace Force Eyed For Vietnam War

PARIS (AP) — U.S. and South Vietnamese officials are studying proposals for a three-nation peace force of Asian neutrals to guarantee any Vietnam peace settlement. The force would be composed of troops from Japan, Indonesia and Burma. These and other Asian countries have been discussed in a meeting here by the United States, the sources said.

The nations most frequently mentioned are Japan, Indonesia and Burma. These and other Asian countries have been discussed in a meeting here by the United States, the sources said.

Saigon Readies For New Year

SAIGON (AP) — The Saigon government today cancelled all military leaves beginning Feb. 10 so that any Viet Cong offensive during the Tet celebration won't catch the Vietnamese army unprepared as it did last year.

The South Vietnamese command said all government forces would be on duty for one week before Tet, the lunar new year which this year falls on Feb. 17. That means that all troops must remain at their duty stations or at their quarters around the clock.

The Saigon government today cancelled all military leaves beginning Feb. 10 so that any Viet Cong offensive during the Tet celebration won't catch the Vietnamese army unprepared as it did last year.

Tom Adams Will Speak

Secretary of State Tom Adams will install new officers of the Florida Association of County Tax Collectors at a noon luncheon of the 44th annual convention of the state group Friday at the House of St. Clair, 6 Troy Bay, Seminole's tax collector, reported today.

Adams' schedule, the ceremonies had been re-scheduled for noon.

The convention begins Thursday and will continue through Saturday. In attendance at the convention are tax collectors and their staffs from throughout the state.

French Study Nixon Visit

PARIS (AP) — French officials are hoping that President Nixon's coming trip to Europe will demonstrate that he is loosening the tight lines between American and British policies and is prepared to pay more attention to the views of President Charles de Gaulle.

The French expect Nixon to come to Paris in March, altering the practice of other annual visits to Europe.

De Gaulle's policy—particularly toward admission of Britain to the European Common Market and increased French participation in the North Atlantic Treaty Organization—are dependent on Nixon's reception of De Gaulle's ideas for reform of NATO and the international monetary system.

Area Deaths

C. L. MATTHEWS, 64, of 818 Elm Avenue, Sanford, died Monday after a long illness.

He was a retired railroad dispatcher and was a member of Holy Cross Episcopal Church, Sanford.

Survivors are two daughters, Mrs. Frank Akers and Mrs. Arthur Wigen of Devon, Mont.; a brother, Thomas R. Matthews of Jackson, Mich.; two sisters, Mrs. Winifred Seifert of Shelby, Mont., and Mrs. Frank Sanford of Jackson, Mich.; and five grandchildren.

Funeral and burial arrangements are under direction of Brison Funeral Home.

Re zoning Rejected

Recommendation of the Planning and Zoning Commission was rejected by the County Commission Tuesday following public hearing, and rezoning from agriculture to commercial was refused.

The rezoning was for a tract of land near the new Spring Lake school.

School Supt. John Angel and School Board attorney, Douglas Stenstrom, appeared to protest the proposed rezoning that would have permitted construction of a service station, land around and store on the site south of SR 436 and just north of the school.

One of the major reasons for denying the rezoning was the fact with SR 436 to be widened in that area, it is not known where the center-line of the road would be. If the commercial rezoning were developed on the tract, the county would have to pay for the right-of-way there for the state road should it cut through the property.

Sirhan Jury Takes Oath

LOS ANGELES (AP) — Defense attorneys today dismissed the murder indictment against Sirhan Sirhan, the assassin of Dr. Martin Luther King Jr., after the jury took its oath.

The jury, which was selected from a pool of 100 men and women, was sworn in by Judge J. Paul Jones at 10:30 a.m. today.

The indictment was returned by the grand jury on Feb. 10, charging Sirhan with the murder of Dr. King on April 4, 1968.

Burglars Hit Three Places

At least three Fern Park incidents were reported to Seminole County authorities today.

An entry at Chapp's Lookout Restaurant, Highway 17, 92, Fern Park, was accomplished by thieves who took \$75 from a vending machine after first breaking front door glass.

Willoughby's American Service Station, Highway 17-92, Fern Park, was entered and an undetermined amount of cash taken. Deputy Fred Kelly, county investigator, reported the intruder gained entry through a rear window.

Seminole Deputy Ronald Miller almost nabbed a would-be burglar in the act, when he drove his county patrol car to the Chick-N-Treat restaurant, Highway 17-92, Fern Park, and saw a man attempting to raise a window of the eatery.

Robbers Get \$70,000 In Jax Bank Holdup

JACKSONVILLE (AP) — A bank president and his wife were held captive until two miles from her home. Lewis was released about two miles from her home. Lewis was released about two miles from her home.

The bank president, Henry E. Lewis, and his wife, Margaret, were released unharmed within an hour after the robbery.

Officers said Mr. and Mrs. Lewis were taken captive in their home about 11 p.m. Tuesday and Lewis was taken to the Florida National Bank at Arlington, in the section of Jacksonville east of the St. Johns River, and ordered to get \$70,000 from the bank and bring it to the bandit who accompanied him.

The other bandit took Mrs. Lewis elsewhere in her car.

Man Held For Theft

Sanford police have arrested a 21-year-old man on petty larceny charges brought by a woman, who claims he took a TV, clock radio, two chickens, bread and sausage from her home.

Sgt. Donald Brunley and Patrolman John Moore arrested Freddie Woodard, 1908 West 18th Street, after Hattie Mae Williams, 2006 West 18th Street, called police charging him with removing the articles while she was away.

A second charge against Woodard is pending; the alleged larceny of a television set. Police said emphy bank funds were found along the Southside Expressway by a truck driver and may be connected with the case.

Federal agents said Lewis was no slacker but had difficulty giving any information about events of the night and morning. He was taken to his home and was unavailable.

Police said one of the robbers was described as about 6 feet tall and the other about 6 foot 2. Both were tanned coats.

Dredge Operations Probed By State IFF

TALLAHASSEE, Fla. (AP) — A continuing investigation will disclose proof of violations of Florida's dredge and fill operations in many counties, says Secretary of State Tom Adams. "Sure you'll find them," Adams said in an interview Tuesday after the State Cabinet was held in Monroe County.

Adams said some violations had been found in Monroe County—the first to be surveyed.

"It's gratifying to find history bearing out. It comes out in the wash somehow," Adams said, indicating he feels the report backs up criticisms he leveled last year about some operations in Monroe County.

Adams said some under fire from some Cabinet colleagues, particularly Atty. Gen. Earl Faircloth, for criticizing sale of 41 acres of state-owned land in Sumnerland Key for \$18,000. The land had been filled with out a permit and the state found it in an alter the fact situation. Adams listed the transport and said the report backs up criticisms he leveled last year about some operations in Monroe County.

Area Deaths

MRS. MARY R. SCRIVEN, 85, of 1221 Randolph Street, Sanford, died Tuesday morning.

She was a member of All Souls Catholic Church of Sanford.

Survivors are two sisters, Mrs. Victoria Rock and Mrs. Cain Jacobs, both of Sanford, and two brothers, L. Jorrick of Berea, Ohio, and Anthony Jose of Tarpon Springs.

Funeral and burial arrangements are under direction of Brison Funeral Home.

Man Held For Theft

Sanford police have arrested a 21-year-old man on petty larceny charges brought by a woman, who claims he took a TV, clock radio, two chickens, bread and sausage from her home.

Sgt. Donald Brunley and Patrolman John Moore arrested Freddie Woodard, 1908 West 18th Street, after Hattie Mae Williams, 2006 West 18th Street, called police charging him with removing the articles while she was away.

A second charge against Woodard is pending; the alleged larceny of a television set. Police said emphy bank funds were found along the Southside Expressway by a truck driver and may be connected with the case.

Federal agents said Lewis was no slacker but had difficulty giving any information about events of the night and morning. He was taken to his home and was unavailable.

Police said one of the robbers was described as about 6 feet tall and the other about 6 foot 2. Both were tanned coats.

Navy Seeks New Jet Fighter

WASHINGTON (AP) — Years behind and millions of dollars poorer, the Navy has started anew to develop a carrier-based jet fighter capable of intercepting enemy bombers attacking the fleet.

The Navy has fallen in an expensive previous effort to build a fleet defender design expected by former Secretary of Defense Robert S. McNamara to provide one basic plane that could be adapted by all services.

That was the F11B aircraft, started in 1962 and canceled last year when it proved unable to meet Navy specifications for carrier operations.

Pentagon figures show the Navy spent \$215 million on developing the F11B.

With little fanfare, the Navy announced Tuesday that Grumman Aircraft, builder of a few test models of the F11B, was getting a four-year, \$920 million award for preproduction planning on a new job called the F14.

Like the ill-fated F11B, the F14 or F15X as it will be called in initial paperwork, will have a wing sweep which can be swept back for supercruise flight or extended almost at right angles to the fuselage for slow, easy landings on short carrier decks.

Like the F11B, the F14 will be equipped with a version of the Phoenix missile, an advanced weapon which will be the key to the defense of Navy carriers in the 1970's.

To make sure the F14 fares better than the F11B, Congress took a very close look this time.

In spite of its failure, the Navy plans to build on the F11B in perfecting a successor.

The F14 will have the same wing sweep which can be swept back for supercruise flight or extended almost at right angles to the fuselage for slow, easy landings on short carrier decks.

Like the F11B, the F14 will be equipped with a version of the Phoenix missile, an advanced weapon which will be the key to the defense of Navy carriers in the 1970's.

Strikes And Spares

These entries into both of our local annual bowling tournaments, men's on Feb. 13-14 and the women's the following weekend - Feb. 22-23, are starting to come in at a fast and furious pace.

It doesn't matter how many times we try our best to remind you that there is a deadline date... and that you should get your entry in RIGHT NOW... there'll still be a cooler or two who "log on" about not knowing anything about it and how come I can't get 'em into the tournament.

Squad times for the men are Saturday at 2, 4 and 9 p.m. Dishes and singles on Sunday at 1 and 9 p.m.

For the women, team round times on the 22nd are 1, 4 and 9 p.m. and the doubles-singles on Sunday, Feb. 23rd at 1 and 3:30 p.m.

Both of our association secretaries and their respective tournament committees are doing a fine job and deserve a special "thank you".... Marge Farris and Rod MacLary.

BOWLING POT POURRI... A great big hip, hip hooray to Zella Allman of the Jet Bowlerettes League for getting her first sanctioned 300 game. Happened last Wednesday morning when she finished with a 307.

Congratulations to all 23 bowlers who showed up for this week's Star of the Lanes tourney on Saturday night. Remember, each of them was at least 30 pins or more over their regular average. They bowled each week at 7:30 with winners in both the higher and the lower averaged groups.

Those who bowled this week are A Group - John Ewing, Joe Danzyk, Elgie Karman, Ray Robinson, Darris Owens, Fernell Farris, Jim Ryan, Henry Elms, Herle Mathewson, Fred Stewart, in the B Division - Barbara Higgins, Elaine Marston, Jim Gold, Mary McPherson, Dotie Bretz, Polly Price, Janet New, Elyse Gassman, Judy Smith, Bunny Morgan and Leanne Stewart.

Fordham - Red Hot Seminoles Take Third In-A-Row

By SCOTT KIRK
Herald Sports Staff

A second half come-back effort for the Sanford Seminoles gave them a much needed win over the Eau Gallie Commodores, 72-63, and boosted the Seminoles' record to an even eight-eight.

This is three in-a-row for the impressive Sanford cagers and this streak has been a morale booster to players and fans alike.

It was a gritty, determined Sanford five who walked onto the hardwood court to resume the second half of play at the Eau Gallie gym last night. The scoreboard showed them to be behind by five points. However, it didn't stay that way for long.

Postmen Rick Fordham and Larry Kearee started a high flying act as they maddened rebounds and stuffed in points to give their team a winning margin.

All county guard Bobby Lendquist proved to be the all important clutch man for his team when the scrappy guard made 14 of his 19 points in the first half of play keeping the Seminoles always in reach of their erratic opponents.

"We didn't rebound well or follow our game plan in the first half," said Head Coach Joe Mills. "However, the boys came back from halftime and played an all-around game. E. Kearee did a real good job at the baskets, but Barnett scored 15 points for those efforts. It was again a good team effort."

Take Third In-A-Row

S.H.S. SEMINOLES (white jersey) wait their turn to scramble for the loose ball. (Herald Sports Photo)

SNA Rips Montverde Starkey 28

Sanford Naval Academy picked up its seventh win of the season last night in the Seminole High Gym behind a 28 point barrage of 8'11" guard Jim Starkey to smash Montverde, 53-23.

The smooth running Middle team washed in 16 points in the initial period with Starkey being the major contributor with 11 as the Sanford based quint anothered Montverde who could only score one point on a fourth shot.

In the second period of play the Naval five continued its onslaught by pouring in 13 markers to the visiting Montverde squad's four to make a comfortable 25-5 lead at the locker room at the half.

Montverde picked up some steam in the third period by dumping in 10 points, but the Academy's big first half margin prevented any hopes for a comeback.

Starkey keyed the Naval offense by striking with his true jump shots and the Naval defense confused the visiting Montverde team by continually switching its defensive alignments.

Three college scouts were on hand to watch Starkey play last night including Seminole Junior College's Joe Sterling. Starkey has been averaging 30 points per outing.

Who Fumbled?

Exclusive!
Otto Didn't Get Thru

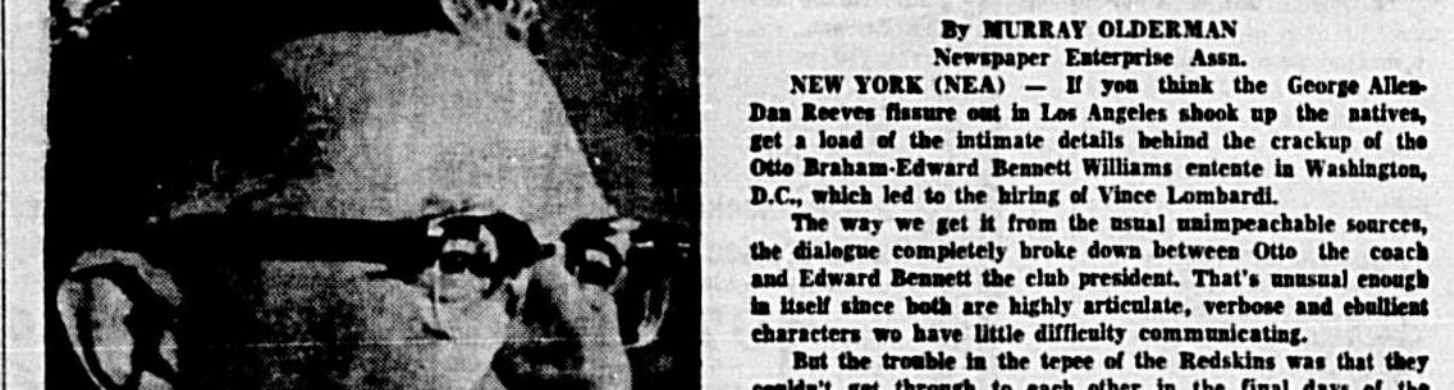

By MURRAY OLDERMAN
Newspaper Enterprise Assn.

NEW YORK (NEA) - If you think the George Allen-Dan Reeves fiasco out in Los Angeles shook up the natives, get a load of the intimate details behind the crackup of the Otto Graham-Edward Bennett Williams episode in Washington, D.C., which led to the firing of Vince Lombardi.

The way we got it from the usual malapropos sources, the dialogue completely broke down between Otto the coach and Edward Bennett the club president. That's unusual enough in itself since both are highly articulate, verbose and ebullient characters who have little difficulty communicating.

But the trouble in the tangle of the Redskins was that the Graham regime - actually, Otto couldn't get through to his boss.

Since the Redskins were notoriously mediocre in the three years of Graham crackling (17 wins, 22 losses, three ties), rumors of his dismissal were as common as afternoon cocktails. But Otto himself couldn't find out any more than a Senate page boy. He asked Williams two weeks before his dismissal for a vote of confidence. Edward Bennett stalled.

Vince Lombardi

By DICK COUCH
Associated Press Sports Writer

NEW YORK (AP) - Venerable Vince Lombardi, caught between National Football League clubs after an uncharacteristic fumble, hopes to run to daylight - and Washington - tonight with the Green Bay Packers' reluctant blessing.

Lombardi, who said Monday he was leaving the Packers after 10 super seasons to become general manager, coach and part-owner of the Redskins, only to discover Green Bay had not sanctioned the defection, arrived in neutral-ground New York Tuesday night to await the resolution of his dilemma.

The general manager, and former coach, of five NFL championship teams at Green Bay will attend an awards banquet here tonight while the Packers' board of directors meets to decide whether to let him out of a contract due to run through Jan. 31, 1974.

The Green Bay directors are expected to turn him loose, with the provision that he not take any Packers assistant coaches with him this year. Lombardi, meanwhile, appears anxious to begin the job of rebuilding the skins - but willing to ride out the storm, whichever way it turns.

"I would hope they will re-

NORMA RACE

This week's winners were Al Wagner in the A Group and Norma Race in the B Division. Wagner was 2nd and Norma 1st in a well played game. Norma won her prize as a result of her being 60 pins over average.

Each of our weekly winners gets a special plaque, arm patch, prize money and a gift certificate from six of the area's leading merchants - Holcomb's Card and Gift Shop, Seminole Hardware in Longwood Plaza, Mona's Flower Shop, Sanford Plaza One Hour Cleaners, Betty Anne's Hair Styling and the Phillips 66 Service Station at Ocean Road.

544 Entries Jam Hope Golf Classic

By BOB MYERS
Associated Press Sports Writer

PALM SPRINGS, CALIF. (AP) - The world's longest golf tournament, the 90-hole Bob Hope Desert Classic for a \$125,000 purse, found a small army of 544 players swinging away in the first round today over four push courses.

Of the big field, only 138 were professionals. The remainder for the most part might be called hucksters or amateurs.

The pros included the defending champion, Arnold Palmer, and Jack Nicklaus, Billy Casper, National Open champion Lee Trevino and virtually all the other name players.

Only one man in the nine previous Hope classics has won it more than once. Palmer did it three times, in the inaugural year 1960, 1962 and last year.

The amateurs, three of each pro, number 498. Each amateur team plays with a different pro for the first four rounds. The pros take it from there for the fifth and final round Sunday.

The four desert courses play at par 36-36-72. The yardage ranges from 7,067 at the Tamarisk Country Club to the tight and dangerous 6,651 at Indian Wells Country Club.

It would appear that after 90 holes one golfer would have sole command of the lead. Not so. There have been four ties and playoffs in nine previous Hope tournaments.

Multitude Watch Classic Houston Welcomes Big 'E' Home

By THE ASSOCIATED PRESS

turned out in Houston's Astro-dome to watch San Diego beat Boston 135-126 behind Elvin "Big E" Hayes' 32 points and Cincinnati down Detroit 125-114 as Oscar "Big O" Robertson scored 37.

Many observers estimated the doubleheader crowd at 30,000-35,000 and thought the announced figure of 41,183 a bit high. But the promoters said the announced crowd was higher than the turnout count because some fans who bought tickets stayed home when they learned that Bill Russell, Boston's player-coach, was injured and wouldn't play.

In other games, Phoenix stunned Philadelphia 125-114, New York's red-hot Knicks crushed Atlanta 122-97. Seattle knocked off San Francisco 116-111 and Milwaukee stopped Chicago 107-97.

Minnesota whipped Denver 112-99 and Indiana routed New Orleans 124-117 in the American Basketball Association.

It was a triumphant return to Houston for Hayes, a rookie pro who was college basketball's Player of the Year last season at the University of Houston and scored 39 points as the Cougars turned back UCLA in the Astro-dome before 32,093.

Boston led 67-48 at the half but San Diego bottled to a 104-92 lead as Jim Barnett scored 15 points in the third period. Barnett finished with 31.

"Boston is not the same club without Russell," Hayes said. "They can't do the things they

Panther 5 Entertains Palatka

By CLARENCE BELL
Herald Sports Staff

The Croons High Panthers are expected to come face-to-face with Palatka High tonight in the Roy A. Allen Gym at 7:30 p.m. in an attempt to better their faltering 3-7 record.

The Panthers looked to Apollo last Friday night with their abaggy record and were hoping to surprise the talented Pythias Wheatley squad. However, the Panthers just didn't have enough manpower to cap the Apollo attack due to the loss of Leonard Anderson, who has been doing a sensational job of rebounding for the Panthers. Anderson will be back in action tonight as the Panthers face Palatka for the second time after losing to their earlier in this season.

Nathaniel Williams and Clyde Stevens have proved to be the key to Coach Lamar Richardson's offensive pressure with their outstanding rebounding and red-hot shooting ability. Williams has been leading the Sanford squad with a near 30 point average per outing and is being followed by Coach's sharpshooters Fred Dennis and Moses Hays, who have been doing a fine job on playing both offense and defense.

Tonight will be the Panthers' last chance to cap the Palatka quint in the 1968-9 campaign.

The Baby Panthers will be playing tonight behind towering 6'4" Melvin Moore, who is the leading rebounder for the Baby quint.

The preliminary contest starts at 6:36 p.m. with the varsity episode following at 8 p.m.

Raiders Are Confident

By TOM ALEXANDER
Herald Sports Staff

Coach Joe Sterling, who in three years has built a state sharpshooters Fred Dennis and Moses Hays, who have been doing a fine job on playing both offense and defense.

Tonight will be the Panthers' last chance to cap the Palatka quint in the 1968-9 campaign.

The Baby Panthers will be playing tonight behind towering 6'4" Melvin Moore, who is the leading rebounder for the Baby quint.

The preliminary contest starts at 6:36 p.m. with the varsity episode following at 8 p.m.

Lake City has a 22-3 mark and have won their last 22 games in a row. This is the longest winning streak in Florida basketball this season and one of the longest in the nation's junior college play this year.

Sterling's Raiders are rated number two in the nation in defense, with an outstanding 60.3 points per game given up. The Sanford based quint stands number one in the state in the defensive category while Lake City is right behind with a 63.2 average.

Sterling feels that his Raiders are going to win this Thursday night and Coach Jay Bergman added, "We don't plan on losing."

The Raiders were beaten in Lake City last night at the 67-66 in a controversial contest before a large crowd. Sterling wants revenge Thursday night as Lake City has beaten his quintet in their last three meetings.

Last year the Columbia County school knocked the Raiders out of their elusive bid for the Division II championship by beating them in a playoff game. Sterling feels confident now that his team can turn the tables on the visiting Lake City cagers.

Miss Fury, R. A. McAllister

Wedding Rites Unite Couple

MRS. RUSSELL ALLEN McALLISTER

Miss Carolyn Ann Fury of Warren, Ohio became the bride of Russell Allen McAllister in a candlelight service conducted by the Rev. Randall Griffith at the Second Christian Church of Warren on Saturday, Jan. 18, 1969 at 6:50 p.m.

The bride is the daughter of Mrs. Henrietta S. Fury of Warren and of the late Henry D. Fury. Mr. McAllister is the son of Mr. and Mrs. Arlin D. McAllister of 2050 Myrtle Ave., Sanford.

For the double ring ceremony, the altar vases contained bouquets of chrysanthemums and carnations.

Organist Mrs. Karl Morris played "The King of Love My Shepherd Is," by Milford; Meditation from "Thais," by Massenet; "Andante Tranquillo," by Mendelssohn; "Wedding Day," by Tiziani; "Calm At The Night," by Bohm; "Bridal Chorus," by Wagner; "Wedding March," by Mendelssohn; and "Trumpet Voluntary," by Purcell.

The bride was given in marriage by her brother, Larry J. Runyan. Her gown of silk and lace featured an Empire bodice, a lace-scalloped neckline, and long tapered sleeves.

The formal gown had a floor length A-line skirt and a full detachable tiered train attached to the shoulders.

With her wedding dress she wore a pendant, a gift of the bridegroom, and she carried a

cascade of miniature white carnations centered with an orchid.

Her matching headpiece of lace petals jeweled with pearls and crystals fastened the full elbow veiling of imported illusion.

The bride's attendants were her maid of honor, Miss Anita Stein; matron of honor, Mrs. Carol Massella; and bridesmaids Mrs. Joyce Drobney, Miss Mary Lou Franavel, and Miss Patricia Kime.

Junior bridesmaid was Miss Becky Runyan, the bride's niece. Miss Wendy Sheeley, cousin of the bride, was flower girl, and Larry Runyan Jr., nephew of the bride, was ring bearer.

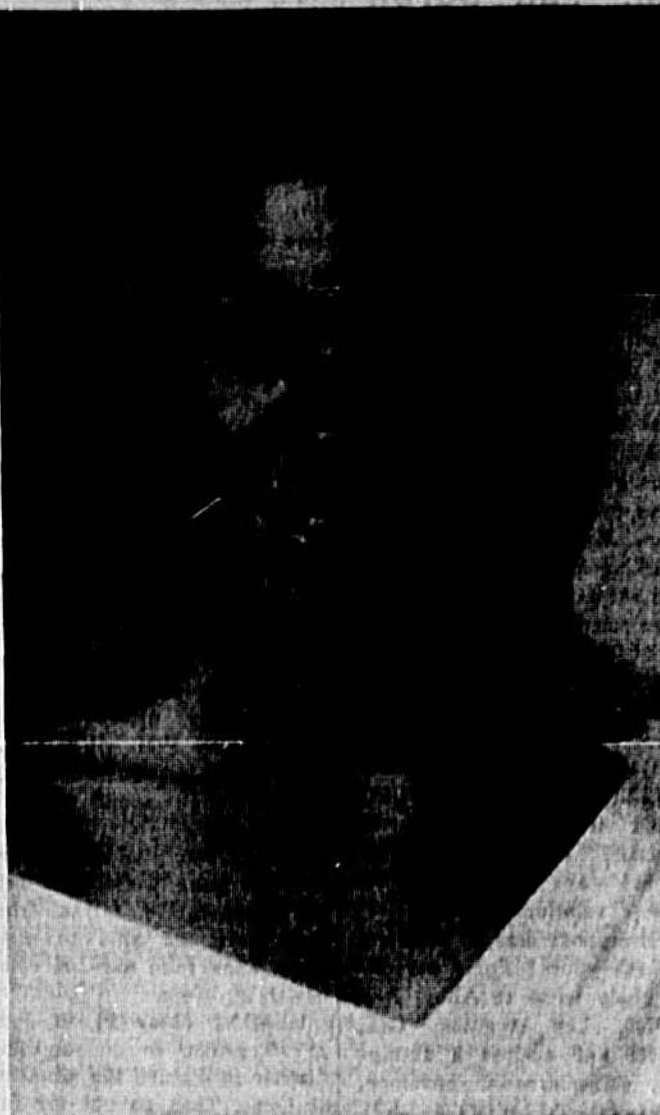

Best man for the bridegroom was John Mintus, and ushers were William Massella; Gerald Benner; Samuel McAllister, brother of the bridegroom; and Thomas McGaughy, cousin of the bridegroom. Mike Donaldson, cousin of the bride, was junior usher.

A reception was held at Eagles Hall following the ceremony, with a buffet dinner for the 350 guests. The buffet table was decorated with giant yellow chrysanthemums and ivy set upon the white cloth. The bridal table, covered with a white cloth and nylon skirt, was centered with an arrangement of ivy and carnations.

After a wedding trip to an unrevealed destination, the couple is now at home at 445 Summit St. NW, Warren, Ohio.

He is now receiving his basic training in the Air Force. He is stationed at Lackland Air Force Base, Texas.

A summer wedding is planned.

MISS DEBORAH ANN GANN

Engagement Announced

Mr. and Mrs. Arthur Lee Gann of Apopka announce the engagement of their daughter, Deborah Ann, to Glenn Thomas Ansley, son of Mr. and Mrs. G. W. Ansley of 2409 Stevens Ave., Sanford.

The bride-elect, born in Raleigh, N.C., is a 1968 graduate of Lyman High School, where she is a member of DECA Club and Farmaceutics.

Mr. Ansley was born in Farmville, N.C. He is a graduate of Seminole High School, where he was a member of the band and of Future Teachers. He attended Seminole Junior College and was employed by Dynatronics.

He is now receiving his basic training in the Air Force. He is stationed at Lackland Air Force Base, Texas.

A summer wedding is planned.

Pre- And Post-Ballet Activities

STAGE DOOR — Stark Brumley, 3, and Daniel Brumley, 2, waited for a glimpse of the stars of the Ballet America on their arrival in Sanford. The children picked a good vantage point—the steps of one of the two mobile homes loaned by Leonard James of Boanaza Mobile Homes for use as dressing rooms by the troupe.

Linda Mary Tew To Marry W. B. Finger

Mr. and Mrs. L. E. Tew of Addis Ababa, Ethiopia and Altamonte Springs announce the engagement and approaching marriage of their daughter, Linda Mary, to William B. Finger of Charlotte, N.C.

Miss Tew is a graduate of the Georgia Baptist School of Nursing in Atlanta, and she is currently employed in that city as a Registered Nurse. She is the granddaughter of Mrs. L. E. Tew Sr. of Altamonte Springs, formerly of Sanford.

Mr. Finger is a senior at the Georgia Institute of Technology. The wedding will be an event of Saturday, March 22, in Charlotte.

Bride Honored With Shower, Luncheon

A bridal shower and luncheon was held at the Wilson Place home of Mrs. Dan Smith on Saturday, Jan. 18, to honor Susan Bateman Belford, who became the bride of Peter Belford on Saturday, Feb. 1.

The color scheme of pink and white was used throughout the house, with pink carnations floating in shallow bowls and a table centerpiece of white chrysanthemums and pink carnations.

After the luncheon was served and enjoyed by all, the honoree opened her gifts of linens. Assisting with the luncheon was Mrs. Gladys Trepanier.

The guests included the Misses Clifton Taylor, Rita Jones, R. N. Svendsen, L. O. Huddleston, Joe Wilke, Roscoe Taylor, Mamie Grogan, and the honoree's mother, Mrs. Lea Bateman, all of Sanford.

Also in attendance were Miss Linda Huddleston of Sanford and Miss Dianna LeRosa of Cocoa Beach.

Gifts were sent by Mrs. Morris Hodges and Mrs. Judy Hodges, who were unable to attend.

PROGRAM NOTES — Mr. and Mrs. Fred Wilson and sons Matt and Tim looked over the detailed program listing the dances and their historical bases. The Wilsons were one of many Sanford families who attended the "Big Country" musical Saturday night at the Civic Center.

Nuptials Revealed Woods-Rowland

Mr. and Mrs. Oscar Pearson of Sanford recently returned from Metter, Ga., where they attended the wedding of their daughter, Mrs. James Elmo Rowland, to Woodrow Thomas Woods.

Mrs. Woods is the former Dorothy Pearson of Sanford. The wedding took place on Saturday, Jan. 18, 1969, at Metter Methodist Church. The ceremony was conducted by the Rev. John Bagwell.

The couple is building a new home in the countryside near Metter.

Thurmond-Feathers

Dr. and Mrs. Sidney Meinicove of Satellite Beach and Pine Grove, Pa., announce the marriage of their daughter, Sue Meinicove Feathers, to Samuel Whitfield Thurmond Sr. of DeLand.

Mr. Thurmond is the son of Mr. John Paul Thurmond and Knit on the Go.

A knit on the go is a marvelous costume idea with an added plus. Wonderful lady lines that know no geographic boundaries are super. A perfect town or travel dress and matching coat is nifty for any occasion and you'll always have that feeling of well-being.

Each birthstone represents a loved one That's "Life!" your jeweled Valentine from Zales

MR. AND MRS. DAN PRAVNAV Couple Wed In Slavia

By MRS. PAT BRATTON Helen Nos, formerly of St. Cloud, and Dan Pravnnav, formerly of Chicago, were united in marriage on Sunday, Jan. 26, 1969 at 5 p.m. at the St. Luke's Lutheran Church in Slavia.

The Rev. John J. Kuharik officiated at the ceremony. Witnesses for the couple were the Rev. and Mrs. George Marek, who are residents of the Lutheran Haven Retirement Center.

Mrs. Michael Kohany served as organist, playing some of the couple's favorite hymns. The bride has made her home at the Haven for the past six months and the bridegroom has been a resident for almost two years.

Following the ceremony, a wedding supper was served for the bridal party at the House of Beef in Maitland. The couple will make their home at Lutheran Haven.

Slavia Christy Noel Duda Christened

By PAT BRATTON The Elmer Belthorns spent the weekend in Lehigh Acres visiting their daughter and son-in-law, Mr. and Mrs. Michael Duda.

On Sunday they attended St. Michael's Lutheran Church in Ft. Meyers for the christening of their granddaughter Christy Noel Duda, born Dec. 16, 1968. For her christening, Christy wore a heirloom dress made by her maternal great-grandmother and worn by her mother at her christening.

ANNOUNCEMENT
 Dr. Wade H. Garner, Sr., M.D. announces his retirement from the practice of Medicine and Surgery, effective March 1, 1969.
 The office will remain open for a few weeks for referral and receiving on accounts.

Cleaner Mobley To Web

By Mrs. R. E. THOMAS JR.
Mrs. Freddie M. Mobley of Sanford announces the engagement of her daughter, Eleanor Louise to Sp. 3 Carmelo Basso, Sgt.

Eleanor is currently attending Hamilton Institute, Hampton, Va., where she is majoring in music. She will graduate in August, 1960.

Sanford is presently serving with the U.S. Army, stationed in Vietnam.

Wedding plans will be completed upon his return in early 1961.

ELEANOR MOBLEY

live here in their home making honey.

Another point of interest was a display of Florida shells. Many of these shells have been found on our Florida beaches.

Most fascinating to the children was the display of human organs such as the brain, heart, liver, kidney and etcetera. Not only could they see these organs but they were brightly colored and very beautiful.

They enjoyed observing real live pictures on one wall showing how Florida was created and also some rare birds that were found in the limestone of our state.

Most fascinating to the youngsters was a large turtle which was a large tortoise supplied with fish from many countries. They were brightly colored and very beautiful.

Raisin Torton Delicious

By CECILY BROWNSTONE
Associated Press Food Editor
If you enjoy preparing home-made frozen desserts, here's a recipe that may interest you.
It's a version of Torton, that delicious combination of macaron crumbs, whipped cream and sprits. But this recipe enlarges on the theme by adding raisins. At egg, milk and unflavored gelatin go in, too.
We made this Raisin Torton a few days ahead of serving and stored it in our freezer; it held up well. And serving was easy because the mixture is in individual molds.
One tip about texture: because macaron crumbs are added, the texture will not be satin-smooth.

RAISIN TORTON
1/2 cup raisins, halved
1 1/2 tablespoons dry sherry
1 large egg
1/2 cup sugar
1/2 teaspoon salt
1/2 teaspoon unflavored gelatin
1/2 cup milk
1/2 cup fine dry almond macaron crumbs
1 cup heavy cream
In a small container mix the raisins and sherry; set aside.
Separate egg, putting yolk in a small mixing bowl and white in another small mixing bowl.
In a small saucepan thoroughly stir together the sugar, salt and gelatin.
Beat egg yolk slightly. Add milk and heat to combine; stir into gelatin mixture. Cook over very low heat, stirring constantly, until mixture coats a metal spoon. Remove from heat; stir in macaron crumbs; cool.
With clean beater, beat egg white until stiff.
In a small bowl, without washing beater, beat cream until stiff.
Fold egg white into cooled gelatin mixture; fold in cream.
Fold in raisins, including sherry. Turn into individual molds. Freeze without stirring until firm. Cover molds and keep stored in freezer. Unmold before serving.
Makes six servings.

Citrus Industry Worried

LAKELAND, Fla. (AP) — "Save the Citrus Commission" probably will be the No. 1 legislative lobbying goal of the citrus industry in 1968.
This was the consensus at the first meeting of the citrus industry legislative committee in Lakeland Thursday. Re-enactment of inspection fees and a box millage for official citrus estimates also will get priority. Industry leaders decided.
The Citrus Commission, supported totally by a tax on citrusmen, is threatened with losing its autonomy by legislative plans to consolidate the more than 160 state agencies into no more than 25.
"I am disturbed over what I have seen to date," State Rep. William Bevis, D-Fort Meade, told the committee.
What's worse, he said, the commission's functions may not be placed under a natural resources department or some similarly-oriented super-agency. They may now fall under a promotional agency, he said, a prospect not happily received by the citrusmen.
"They have lumped the commission in with the Florida Development Commission. Inter-ama, the Egg Commission, the Council on Economic Development and that dancing-in-the-street thing in St. Augustine," Bevis said he was referring to St. Augustine's annual Cross and Sword Pageant.
The Fort Meade legislator said the turnout came Saturday at a meeting of a legislative subcommittee on natural resources in Tallahassee.
He said the head of the full house committee on reorganization, Rep. Richard A. Pettigrew, D-Miami, "burst into the room" and said "the Citrus Commission is deleted from your responsibility."

Visit Troops

HOLLYWOOD (AP) — Actors Sebastian Cabot and Lief Erickson left by plane Sunday to entertain U.S. troops in the Far East.
Cabot headed for troop entertainment in Vietnam and Thailand, while Erickson began a 17-day tour of military hospitals in the Pacific.

Visit Troops
HOLLYWOOD (AP) — Actors Sebastian Cabot and Lief Erickson left by plane Sunday to entertain U.S. troops in the Far East.
Cabot headed for troop entertainment in Vietnam and Thailand, while Erickson began a 17-day tour of military hospitals in the Pacific.
