MAY YOUR HOLIDAY TABLE BE BLESSED WITH ABUNDANCE

As we gather around the Thanksgiving table with our loved ones, we pray that every home in America may be blessed with the good things in life: the enjoyment of material needs, the warmth of family affection, and faith in the Creator from Whom all good things come.

so quietly, and you use it so much in everyday life, that you hardly ever realize what a bargain it is. But when you compare the history of electric service rates with the way your other costs have risen lately, you get a pleasant surprise. While inflation has been pushing other all your home's electric convenience prices up, the price of electricity has outlets-truly "discount outlets." There's gone down...down...down. In fact, the no match for flameless electric...the average price paid per kilowatt hour by biggest bargain in your budget.

Plameless electric comes into your home FPL served families today is one-third less than it was in 1957. No wonder, then, that you're using electricity so much nowadays...to save you work, to make home more comfortable, to bring you entertainment. It's just good sense to take full advantage of

Although peace reigns following the controversy which ensued when State's Attorney Abbott Herring requested an investigator and another assistant, the problem is not resolved. At a meeting yesterday of the Seminole County Board of County Commissioners, County Attorney Harold Johnson advised the board that there is no authority to fund the states attorney's request, even under home rule.

Sheriff John Polk then opined that an investigator should versed in law, to be on call on a 24-hour basis. All investigators would contact this man before going to the states attorney's office. Salary would be \$7,500, and total cost of hiring the new investigator would be \$8,700. This includes a new vehicle and

Sheriff Polk explained the controvercy had arisen over the fact that the sheriff's department has to enter a case before a warrant is sworn, and that often later investigation has proved there was insufficient evidence for a warrant. Polk continued that if a constable swears a warrant before there is an investigation it creates a hardship on the one arrested, and since the burden of proof rests with the state, a man is needed

Commissioners also had monetary problem in regard to the hiring of a part-time fire chief for the Bear Lake-Forrest City Fire Control District. A misconception existed that the district was requesting a full time man. Proposed salary is
