

### Volunteers Needed By 82nd Airborne

Capt. Millard F. Mathews, recruiting officer of the Orlando U.S. Army and U.S. Air Force Recruiting Sub-Station, announced today that volunteers are needed for enlistment in the famous 82nd Airborne Division, part of which will carry out "Operation Snowdrop" this winter at Pine Camp, New York.

Capt. Mathews stated that this is an excellent opportunity for young men, due to the fact that

in addition to other training they will be given instruction in the use of snowshoes and skis, the construction of snowhouses and shelters and cold weather hygiene. The troops will also have the use of the latest type of cold weather clothing.

Young men interested in joining this famous Airborne Division, which pays an additional \$50.00 per month for jump pay, may secure further information from the local U.S. Army and U.S. Air Force Recruiting Representatives, in Sanford, at the Sheriff's Office, each Tuesday.

### Atom Bomb

(Continued from Page One)

assumed to have been the atom bomb because of Oppenheimer's connection.

Elinton, Russell said, told Chevalier that Russia as an ally of the United States at the time—1942—was entitled to any technical data.

Russell said Chevalier approached Oppenheimer and told the scientist Elinton wanted information and "could relay the information to the Soviet government."

"What did Oppenheimer say?" asked Robert E. Stripling, Chief Committee Investigator.

Russell said the scientist told Chevalier he considered it "a treasonable act and certainly would have nothing to do with it."

As Russell finished this testimony, Chairman Thomas (R-NJ) announced that the "first phase of the committee's investigation of Communism in the motion picture industry" is ended and adjourned the hearing.

WASHINGTON Oct. 30 (AP)—Two more Hollywood screen writers were cited for contempt by a House Un-American Activities Subcommittee today, bringing to 10 the number thus accused.

Ring Lardner, Jr., and Lester Cole were cited when they refused to give "yes or no" answers to questions whether they are or have been Communists.

As in the eight previous cases, the committee presented testimony from its investigators of finding evidence that the men cited have been affiliated with the Communist Party. Like the others cited, the witnesses took the stand that the committee has no right to ask questions about political beliefs.

Lardner, a script writer who adapted "Forever Amber" to the screen, was the first witness called as the committee went into the ninth day of its public hearings in its investigation of Communism in Hollywood.

The 32-year-old, thin Lardner wore a dark business suit, a blue shirt and a blue tie. He spoke with a nervous voice, prompting Chairman Thomas (R-NJ) to remark "You haven't learned your lines very well."

The resumption of the hearings was delayed by a closed-door session of the committee to consider the future course of its hearings. No announcement was made as to any decisions reached.

A top committee official said this witness has evidence that certain movieland Reds were key figures in a plot to steal the secret of the bomb. The 400-seat hearing room was filled with operators and nearly 200 waited outside for a chance to get in when Lardner went on the stand.

Before the question as to Communist affiliation was put to him, he was asked whether he is a

member of the Screen Writers Guild.

Shaking his head, Lardner replied: "If you can make me answer that, you could make somebody tell tomorrow whether they believe in spiritualism."

Cole, who followed Lardner, wrote such screen plays as "Blood On The Sun," "The Romance of Rosy Ridge" and others.

The 43-year-old writer was refused permission to read a statement which Thomas described as "villification."

When he was asked whether he is or has been a Communist, he replied: "I believe the question is asked because there is a pending election in the Screen Writers Guild."

Thomas cut him off with the assertion that he knew nothing about a pending election and demanded a "yes or no" answer to the question.

Cole hesitated, then said he did not believe such an answer was "proper." Thomas dismissed him from the stand.

Cole was followed by Berthold Brecht, a 49-year-old poet and writer, who said he was born in Germany and entered this country on a quota visa in 1941.

Speaking with a heavy German accent, Brecht quietly answered what the committee has begun calling its "484 question."

"It was not a member, and am not now a member, of any Communist party," he said.

Brecht told the committee he has never written for the movies, but studios have bought some of his stories. One, he said, was "The Hangman Also Dies."

Robert E. Stripling, chief committee investigator, asked Brecht whether he knows Hannes Eisler, Hollywood composer who has been charged by the committee with being a Communist. Brecht answered, "Ja."

How long has he known Eisler, Stripling continued. Since the middle 1920's, Brecht said. As to having collaborated with Eisler, he also replied "Ja."

While the hearing was proceeding, reporters were handed a statement signed by the Progressive Citizens of America, with headquarters in New York. The statement accused the committee of "waging a deadly assault" against the Constitution.

"In a procedure that bears appalling resemblance to that of the Nazi courts, it has ignored every rule of legal evidence and every precept of fair play by admitting smears and innuendos as testimony while refusing the rights of cross-examination and self-defense," the statement said.

"We believe that there can no longer remain any doubt in the minds of the American people that this committee represents the gravest danger to American Democracy today. We can only survive that danger by eliminating it."

## Candidates State Position On Issues At Jaycee Forum

### All In Favor Of Law Enforcement, Public Improvements Within Limitations

Four candidates for the City Commission appeared at the Jaycee Forum last night at the Mayfair Inn and stated their positions with regard to civic matters, and answered a set of ten questions which had previously been propounded to them by a Jaycee committee. Jack Lodge, the fifth candidate, had previously answered the questions as published in The Herald Wednesday.

The candidates were introduced by President Brailley Odham and their statements were broadcast over the radio. The forum was held as a part of the Jaycee campaign to stimulate interest in civic affairs and to get out the vote in next Tuesday's election. Jack Morrison was head of the committee which arranged the affair.

In general, all the candidates favored some improvement in present recreational facilities though certain modifications were expressed by some. All of them agreed on the need for repaving, but the question remains as to how to finance it. Fred H. Williams, a candidate in Group No. 1, said the City should pay for repaving work; however, that new paving should be assessed against abutting property owners, but only on their request, a position also taken by John Kridler, another candidate in this group.

All of the candidates were in favor of law enforcement, but Mr. Chase was the most outspoken in this respect. "I will expect the police to work with the Sheriff's office and the State Road Patrol on the enforcement of laws," he said. "Personally, I do not approve of new patronage gambling devices, slot machines, bolita, etc. The biggest difficulty encountered by the law enforcement officers is the public opinion and the patronage of gambling devices by numbers of our citizens. This attitude creates a most unfortunate influence and lack of respect for authority among the younger generation."

All of the candidates favored some Charter reform though Mr. Kridler limited his answer to the election of the mayor who he suggested should be paid a sufficient salary to do his job. All of the candidates thought something ought to be done about the Sewage Disposal Plant, but the question of financing it was not easily answered.

All of the candidates were in favor of improving the zoo within limitations provided by available funds. The same difficulty appeared with respect to extension of the sewerage system and other improvements and most of the candidates agreed that the City should operate on a "pay as you go" basis.

Jack Rattigan, also a candidate in Group No. 1, advanced a suggestion not included in the Jaycee questions that the City should employ a firm of municipal tax experts to survey the municipal tax structure and make such recommendations as would distribute expenses more equitably and raise the money necessary to run the City and provide a surplus for public improvements.

## Prison Records Read In Civil Rights Case

BRUNSWICK, Ga., Oct. 31 (AP)—Prison records of 27 negro convicts alleged to have taken part in a disturbance in which eight were killed were read in federal court today.

The records of the men, convicted of rape, murder and burglary, showed one had escaped six times and several had broken away more than twice.

Defense Attorney Vance Mitchell said he planned to put Warden H. G. Worthing and four guards on the witness stand. They are accused of violating the civil rights of the negroes.

Mitchell said he also had several other witnesses and predicted the case would continue into next week.

**TOWNSEND TALK**  
A talk on the "Common Sense of the Townsend Old Age Pension Plan" was made Friday evening by Dr. Alexander Ross of Scotland and of St. Petersburg at a meeting of the Townsend Club at the Tourist Center. Amusements were enjoyed and refreshments were served. The club will again meet on Nov. 14.

## Nation Squares Away For Voting Test On Tuesday

### Close Contest Foreseen In Kentucky; Bilbo Seat At Stake

WASHINGTON, Oct. 31 (AP)—Although the Taft-Hartley Law and high prices have figured in some races, politicians look for few 1948 "trends" in next Tuesday's off-year state and municipal elections.

An apparently close contest for the Kentucky governorship, now held by a Republican as the result of a 1943 upset, holds prime interest from a national standpoint. There also will be a six-way Democratic race for the Senate seat of the late Theodore G. Bilbo in Mississippi, three special House elections to fill vacancies in Ohio, Indiana, and New York, veterans' bonus referenda in Ohio and New York, and scores of county and municipal elections.

A fourth congressional vacancy will be filled in Massachusetts Nov. 18.

The House seats at stake Tuesday were held by Republicans in Ohio's 4th and Indiana's 10th districts, and by a Democrat in New York's 14th. The Massachusetts 9th district seat was held by a Republican. No upsets in these districts are expected by leaders of either party.

Seven special House elections have been held so far this year without a single turnover.

Here highlights are the more important contests in Tuesday's voting:

**Kentucky**—Governor candidates are U. S. Rep. Earle C. Clements, Democrat, who voted against the Taft-Hartley Law, and State Attorney General Eldon S. Dummit, Republican. Clements is backed by organized labor but has not discussed the new labor measure. Republicans have attempted to make the act the "main issue." Clements contends that Dummit "worships" at the Shrine of Senator Taft (R-O.), the announced presidential aspirant who, Clements says, "wreaked price controls" in Congress. Dummit retorts that (Continued on Page Four)

## VA Discloses List Of War Pensioners

WASHINGTON, Oct. 31 (AP)—The Veterans Administration said today that of 2,852,514 war veterans on its pension rolls, 128,963 are 65 or over.

The "65 and above" group includes all 85 Civil War pensioners. All the 809 veterans of the Indian Wars, and all but 917 of the 112,846 Spanish-American War veterans.

Also included in this elderly group are 145 veterans of World War I and 13,745 of the 437,155 World War I veterans, as well as 3212 men of the regular armed services establishment.

Annual benefits to the elderly veterans total \$181,629,000, including: Civil War, \$120,600; Indian War, \$700,000; Spanish-American War, \$110,084,000; World War I, \$10,391,000; World War II, \$208,000; and pensioned regulars, \$1,187,000.

## Peace Hinged On Red Policy, Not The U.N.

STATE COLLEGE, Pa., Oct. 31 (AP)—Howard C. Peterson, former assistant Secretary of War said last night "Until there is a 180-degree change in the Kremlin foreign policy there is absolutely no chance of placing dependence in the United Nations to prevent war."

In an address before the annual convention of the Pennsylvania Association of Colleges and Universities, Peterson advocated universal military training as the best preventive of war for this nation.

**PROTESTS ACTION**  
MADISON, Wis., Oct. 31 (AP)—Iris Alexander, 20 year old University of Wisconsin co-ed, who was evicted from her private rooming house because she dated a negro student, says she plans to ask federal and state agencies to initiate action and do something about racial discrimination.

## Pan American Plane Lost In Alaska Found

### All Reported To Have Died In Crash Occurring On Sunday; Intense Hunt Made

KETCHIKAN, Alaska, Oct. 31 (AP)—Wreckage of the Pan American World Airways clipper that crashed Sunday with 18 persons aboard was sighted today on an Annette Island mountainside.

Wesley Monsen, pilot of All Monson of the crashed airliner, said he flew over the wreckage and "apparently all had been killed instantly." He said there was no question about the wrecked plane's identity. The plane was partially buried.

The crash was against 3,600-foot high Tangas Mountain, highest point on the island off the rugged an irregular southeastern Alaska coast. It is six miles east of the Annette Island airfield. The crash was on the north side of the mountain.

It was over the Annette field that pilot Monsen, a veteran of northern flying, made his last report by radio Sunday. He said then that extreme turbulence turned him back from a scheduled landing on the field.

Two search parties were en route to the scene.

A CAA inspection party flew a seaplane to a small lake at the foot of the mountain, and planned to proceed afoot. Another group left from the beach.

The wreckage was first sighted about 8:45 A. M. (PST), the (Continued on Page Four)

## Dusty Boots Club To Use New Track In Sunday Races

The Dusty Boots Riding Club expects to practice races Sunday on its new straightaway clay track now being laid at the south side of the Municipal Airport. It was announced at a meeting of the club at the Court House last evening, according to Mrs. Herman Harriet, secretary. Former practices were held in Fort Mellon Park on the waterfront.

Jack Sassard, president of the club, yesterday inspected the track where many loads of clay from the County clay pit have been dumped by City trucks, and where a City grader and bulldozer are at work. The track when completed will be 50 feet wide and 350 feet long on the straightaway stretch and with a curve to the right at the east end.

Starting chutes are expected to arrive soon from Ft. Myers, he said. A grandstand seating 2,500 people will be built in the near future, he predicted. There is a clear going on east of the race track to prepare a picnic ground near Golden Lake. Also planned is a quarter mile oval training track. Ample parking space for automobiles and trucks will be provided.

In front of the grandstand will be a parallel to the race track, will be plenty of space for staging rodeos. Mr. Sassard pointed out. More than 4700 in prizes to riders will be given on Armistis Day, said Mr. Sassard, and there will be a big fish fry. He predicted that riders from Kissimmee and all over Florida will be attracted by the club's new set-up.

## Arab King Says U. S. Cause Of Turmoil

NEW YORK, Oct. 31 (AP)—The United States today was held "almost entirely" responsible by King Abdullah and Trans-Jordan for turmoil in the Holy Land which he said if unchecked will result in bloody chaos beyond anything ever hinted at in Palestine before.

Writing in the November issue of the American magazine, the Arab King, whose country adjoins Palestine on the east, said the U. S. government, "almost alone in the world," is insisting on the immediate admission of 100,000 additional Jews into Palestine.

He declared that American Jewry had supplied the funds with which Zionist settlements have been established in the Holy Land since World War I, and added: "This was contributed by American Jewry in an idealistic effort to help their fellows. The motive was worthy; the results were disastrous."

**CRUCIATE FACTORY**  
PHOENIX, Oct. 31 (AP)—The condition of Secretary of the Interior Julius A. Krug, stricken ill here while delivering a speech to the national recreation association convention, was reported today as "very satisfactory with no complications."

**AIDED STARVING BUCAREST, Romania, Oct. 31 (AP)—Dr. Julia Manu testified at his treason trial today that former U. S. Minister Burton Y. Berry told him it was due to the National Peasant Party leader's intervention that President Truman made food shipments to starving Moldavia last February.**

## CIO Official Challenges House Group On Minimum Wage-Hour Act

WASHINGTON, Oct. 31 (AP)—A CIO official, estimating that Congressmen are paid \$7 to \$12 an hour, asked members of a House labor subcommittee today how they would like to try living on 40 cents an hour.

Russ Nixon, Washington representative of the CIO electrical workers, made the comparison in a statement urging that the hourly minimum of the wage-hour act be raised from 40 to 75 cents.

"Not counting their official expenses, Congressmen now get \$15,000 a year," Nixon said, "on the basis of a 40-hour week, 52 weeks a year, that would be \$7,824 an hour."

"But Congress is not in session all year. Seven months is a long term for Congress. Working 40 hours a week for seven months, each Congressman gets \$12,120 an hour for his employers, the American taxpayers. Some Congressmen, I know, work more than 40 hours a week when Congress is in session. Some work less."

"The exact figure is unimportant. I only want you to get the idea of the difference between \$7 an hour, or \$12 an hour—

which you find does not go too far at present prices—and the 40 cents an hour minimum of the present law."

Nixon said it is "impossible" for a single worker to get along on less than \$2,500 a year.

"That is roughly \$1.20 an hour," he said. "At 40 cents an hour, a worker who was lucky enough to work 40 hours a week all year would get only \$832."

Nixon also asked that the law be broadened to cover 30,000,000 workers he said are not presently protected by its provisions, such as farm, help and domestics.

"All need the protection of the act just as much as those who are (Continued on Page Six)

## Detroit Barkeep Is Arrested In Embezzling Case

NEW YORK, Oct. 31 (AP)—William Jacob, 47-year-old Detroit bartender, was arrested here last night on a fugitive warrant and police said he admitted using \$107,000 his wife is accused of embezzling from the American Express Company to repay victims of his own swindles.

Seized in a Manhattan bath establishment, Jacobs had only \$10 with him, police said. A surety company operative traced him to New York on a long trail through Canada.

Detroit police said Jacobs disappeared from his bartending job several weeks ago. The same night his wife, Lillian, was arrested and charged with larceny in the alleged embezzlement of \$107,000 from the Express Company's Detroit office where she had been employed 29 years.

Detectives here quoted Jacobs as saying his wife gave him the money which he used to repay victims of his own swindles.

The detectives said Jacobs had been involved in several swindles in Michigan, most of them based on pretenses that he could obtain automobiles despite all difficulties and that he could assure issuance of liquor licenses.

He obtained from \$1,500 to \$20,000 from his victims on such swindles the detectives said, and urged his wife to obtain enough money to enable him to make restitution when those he allegedly had fleeced began to file complaints against him.

Police said a total of 30 such swindles are charged against him (Continued on Page Six)

## Dull Skies And Rain In Many Sections

By ASSOCIATED PRESS  
Skies were gray and rain fell in many sections of the country today, making a dull setting for a farewell to October, which left in its climatic wake nearly four weeks of sunshine and mild temperatures.

Rain fell over scattered areas in some Eastern states and New England, parts of the Midwest and along the northwest Pacific coast. Overcast skies kept temperatures at or near normal over most of the country although the mercury climbed into the 60's in parts of Texas yesterday.

Heaviest falls of rain were 2.11 inches at Kansas City, Mo., and 1.7 at Des Moines, Ia. The rains in Missouri, Iowa and parts of Nebraska were regarded as beneficial to the winter wheat crop. The cloudy weather and rain in many areas, including the New England section where forest fires have burned for two weeks, followed clear skies and temperatures above normal for most parts of the country since the first of October. The Pacific northwest area, however, reported one of the wettest Octobers on record.

## Slayer Confesses Murder Of His Wife

COLORADO SPRINGS, Colo., Oct. 31 (AP)—A 61-year-old farmer was scheduled today to reenact the 1941 midnight slaying of his wife which, officers said, he confessed after two days of questioning.

District Attorney Irl Ford said Julia Vandervoort would be taken to the farm, 16 miles east of here, where he confessed, Sheriff Ray Slocum announced, he shot and killed his wife, Lois, 41, the night of Sept. 11, 1941.

Slocum said Vandervoort yesterday dictated and signed a statement that he killed his wife with a .22-caliber rifle after she attacked him with an ax and knife following a violent quarrel.

**NOBEL PRIZE**  
OSLO, Norway, Oct. 31 (AP)—The Nobel Peace Prize for 1947 has been awarded to the London Service Council and the Philadelphia Service Committee of the Society of Friends (Quakers), the Nobel Committee announced tonight.

## U. S. Is Accused Of Shielding Criminals

### Rail Unions Ask Quick Answer On Wage Increase

### Rule Changes May Be Postponed Until After Wages Raised

CHICAGO, Oct. 31 (AP)—Spokesmen for five Railroad Brotherhoods who have been negotiating rules changes with the nation's railroads since Oct. 7, today demanded that the railroads set aside those negotiations temporarily and give immediate consideration to demands for a 30 percent wage increase.

The Brotherhoods, representing some 350,000 engineers, fire-conductors, trainmen, switchmen and yardmen, served their wage demands, including a \$1 a day minimum increase, on the railroads Sept. 30. The demands included a provision that any increases granted be made retroactive to Nov. 1, 1947.

A statement issued by the five Brotherhoods today said:

"Hundreds of thousands of workers in other industries have had their wages increased once or twice or several times during the 17 months since Nov. 1, 1945, the date of the last wage change. In a highly competitive market for our people...

"Our men are at a terrible disadvantage. It is unbelievable that the railroads do not realize the dissatisfaction which prevails among their own employees who man the trains and do the highly essential yard work."

"Railroad workers," the statement continued, "are using up their savings going into debt and actually financing themselves. This condition simply can not continue. Further neglect and delay could disturb railroad operations. This need not be if the railroads will act in time."

Jackson, of River Forest, Ill., told the audience first:

"Jack Mae and I got along very well. Jack did act peculiar at times, often had a short temper, and usually lost track of a conversation. There were other things."

Patricia, who called herself Patricia, a dancer in Caribbean night clubs, sat nervously on the defense bench handling a Spanish fan. The Toledo, Ohio, girl appeared in a black skirt and white blouse. She previously had testified in her twice-delayed trial that she shot Mae, a Chicago lawyer, accidentally while she was afraid he would kill her.

Jackson, a friend of both, has been accused of concealing facts. At the outset, he said that a declaration he had made was given to Gustavo Reno after that attorney had represented himself as an official of the court. Actually, Reno is a private prosecutor, retained by Mae's father, Dr. Lester E. Mae of Wilmette, Ill.

## Exhibition Tennis Matches At Mayfair

Exhibition tennis matches will be held at the Mayfair tennis courts Sunday afternoon and the public is invited to attend, Lind Weber, manager of the Mayfair Inn, announced today. The matches will begin at 1:30 P. M.

The first match will see Enrique Buse, Peruvian champion and holder of the Eastern Inter-Collegiate title, matched against Buddy Behrens, Fort Lauderdale, national singles champion.

In the "second match Eddie Copeland, Rollins College coach, will play Ricardo Balbiera of Chile, national champion of both Chile and Brazil. Later a doubles match will be held between the four players. Charles Morrison will serve as umpire.

## Lions Club Plans Thanksgiving Dance

The Sanford Lions Club and Social Committee at its meeting today at the Tourist Center made further plans for a Thanksgiving Eve dance on Nov. 26.

An invitation to Lions to attend lectures on the United Nations at the First Methodist Church on Nov. 5, 12 and 19, under direction of Mrs. Thelma Hammond, was read by King Lion W. O. Livingston. It was decided that members attend on a voluntary basis.

Miss Helen Welch of the Civic Music Association announced that the current membership drive will end Saturday evening at which time the talent will be chosen for concerts. She revealed that one of the leading vocal quartettes of the country, also a ballet, were under consideration by the talent committee here.

**ARGENTINE FIGHT**  
BUENOS AIRES, Oct. 31 (AP)—The 44 Radical Party members of the Chamber of Deputies, President Juan D. Peron's only opposition in the lower house, pledged themselves today to fight what they termed "totalitarian interference" by the government in private affairs.

### Surprise Witness

ATTORNEY for several Hollywood personalities at the House Un-American Activities Committee probing alleged Communism in Hollywood, Robert F. Kenny is shown as he was sworn in as a witness at the hearing in Washington, Kenny, asked whether he advised "unfriendly" witnesses to refuse to answer questions on whether they are Communists, said he wouldn't advise his clients to invite prosecution. Kenny is raising his left hand when sworn because of a disability in his right arm. (International)

## Co. I Activated With 29 Men And Two Officers

Gen. Hutchison Recalls Traditions Of Famed 124th Reg.

Company I, 124th Infantry, 1st Battalion of the Florida National Guard, was activated last evening at the Sanford Army and 29 men and two officers were sworn in by Major I. F. Long, Battalion Commander.

Following the activation of Company I, a rifle company that includes heavy weapons company, the men attended a banquet for them by the City of Sanford and Seminole County Chamber of Commerce at the Mayfair Inn.

Brig. General J. C. Hutchison gave a brief talk on the exploits of the 124th Regiment in the Pacific Theater and pointed out that it is a very fine organization with high traditions to uphold. He stated that the regiment had been well officered during the war and stressed the fact that Sanford had always been a very good military community. In connection with national preparedness he urged that present members bring in new recruits.

Lieut. Col. John E. Walker, acting inspector general of the U. S. Army, praised the setup and condition of the Army which he termed the finest he had ever seen. (Continued on Page Six)

## Marshall Plan Seen Aiding U. S. Economy

WASHINGTON, Oct. 31 (AP)—The Council of Economic Advisors is reported to have notified President Truman that the Marshall Plan can promote, rather than imperil, the stability of the United States economy.

The council will find—said one official familiar with its study—that a multi-billion dollar foreign aid program need not worsen this country's inflationary problem if it is accompanied by some regulatory safeguards.

The report, due for issuance tomorrow night, is the second of three ordered by President Truman to guide the Administration's proposals for foreign assistance.

**NOBEL PRIZE**  
OSLO, Norway, Oct. 31 (AP)—The Nobel Peace Prize for 1947 has been awarded to the London Service Council and the Philadelphia Service Committee of the Society of Friends (Quakers), the Nobel Committee announced tonight.

## Yugoslav Denounces Failure To Surrender War Criminals As Crying Outrage

TAKE SUCCESS, Oct. 31 (AP)—The United States suggested today that if the proposed partition of Palestine is approved by the United Nations Assembly, the two new Arab and Jewish countries should become independent nations July 1, 1948.

American Delegate Heschel V. Johnson proposed that the two countries become "absolutely sovereign and responsible for public order in their respective nations" on the suggested date of independence.

NEW YORK, Oct. 31 (AP)—The Soviet bloc demanded today that the United Nations Assembly reverse a decision of its 57-member legal committee and approve a rejected Yugoslav proposal which in effect accuses the United States and Britain of shielding war criminals.

The United States promptly replied that the Yugoslav proposal was aimed at having the western powers turn over "political prisoners" rather than war criminals and said that approval of the measure would be "a gross injustice."

The Yugoslav resolution recently was voted down 35 to 7, with eight abstentions, by the legal committee, which then went on to approve a British counter proposal asserting that "trials of war criminals and traitors, like all other trials, should be governed by the principles of justice, law and equity."

The Soviet bloc move to revive the Yugoslav proposal was launched by Dr. Stanjko Simic, Yugoslav foreign minister, and was supported by Polish delegates Dr. Oscar Lange.

Simic asserted the non-sufficiency of war criminals and "outlaws" allegedly held by the American and British authorities in Germany and Italy was a "crying outrage on the victims of the war."

Meanwhile, the United States was reported today to have proposed partitioning of Palestine into Jewish and Arab nations within a six-month period during which all British forces would be withdrawn from the Holy Land.

And the United States offered to provide Congress approval to lend the United Nations \$50,000,000 to pay for construction of permanent U. N. headquarters in New York City.

Without such a loan, it was explained, the U. N. probably will not be able to erect a permanent home on Manhattan's east side for many years because of the dollar shortage prevailing in practically all U. N. member countries.

## Appointments Made To School Board

The set-up of Seminole County's new five-man Board of Public Instruction was completed today by the appointment by Governor Caldwell of C. F. Harrison of Geneva to County School Board District No. 1 and W. A. Patrick to District No. 5 which corresponds to the County Commission District No. 1 in West Sanford.

Prior to the enactment of the new school law, which in the case of Seminole County, provides for five school districts, but three members have served on the school board. There are J. A. Bastline of Longwood, L. E. Jordan of Oviedo and Walter Haynes of Sanford.

## Mrs. Mary Wright Died At Longwood

Mrs. Mary Wright, 92 year old resident of Longwood died Tuesday following a lingering illness. She had resided in Longwood for the past seven years.

Born in Volusia county, Sept. 8, 1855, Mrs. Wright is survived by her husband, George M. Wright of Longwood.

Funeral services will be held at the Longwood Cemetery at 11:00 A. M. Saturday with the Rev. W. P. Brooks, Jr. officiating. Erickson Funeral Home is in charge of arrangements.

The Sanford Herald

Advertising rates: Local newspaper representation, national field of advertising, office are maintained in the largest cities in the country with headquarters in Chicago and New York.

FRIDAY, OCT. 31, 1947

BIBLE VERSE FOR TODAY

IN THREE THOUSAND YEARS NO ONE HAS FOUND A BETTER FORMULA FOR IMPROVING A RACE NOR AN INDIVIDUAL. If ye obey my voice indeed, and keep my covenant; then shall ye be a peculiar treasure unto me above all people.—Exodus 19:5.

Tuesday is a big election day in Sanford. Make your plans to vote. Those who are qualified, should vote twice; that is, in the City election at the City Hall, and in the school trustee election at the various precinct polling places.

We may be wrong, but we think high state or federal officials should be prohibited from riding all in the same plane at the same time. In Oregon, the governor, the president of the senate, and the secretary of state are all killed at one time in a plane crash, thus eliminating the three top ranking state officials at one time. The other day in Florida the governor, and most of his cabinet, all flew in the same plane to Havana, Cuba. The President of the United States frequently flies about the country with various cabinet officials. We do not believe this is a very healthy practice, and it is one which could be avoided simply by taking separate planes.

Mr. Truman wouldn't raise her boy to be President, if she had one, and she certainly didn't raise her daughter to be a President's wife. In fact, we gather from her remarks that she doesn't relish her own position as the President's wife, and would be glad to die if the Democrats nominated someone else next summer. Mr. Truman did not seek the Presidency, did not seek even the Vice Presidency. It may be said, we believe, that he was virtually kicked into both jobs. No doubt it would be better for him, as well as for Mrs. Truman if the Democrats would nominate someone else next summer, but there is nothing surer in politics today than that President Truman will be a candidate to succeed himself, whether he likes it or not.

Tomorrow is the last day for joining the Civic Music Association and so becoming eligible for its concerts this winter. For it must be remembered that tickets are not sold at the door, for is there any way to get them after the drive officially closes. By becoming a member you not only make it possible to hear some outstanding concerts yourself this winter, but you help to increase the number of concerts, and perhaps their quality, for all members of the Association, since both are based on the total budget of the Association. Furthermore, there is nothing which Sanford residents can do which is more effective toward helping to make Sanford grow and prosper than by providing worthwhile entertainment for winter visitors.

More and more it becomes clear that the food-saving program is not one of mere humanitarian effort to succor starving people, but rather a crude attempt on the part of this country to save Western Europe from the Communists. You do not have to love the Communists to question whether Western Europe is worth saving from them, especially when it is going to cost 20 or 30 billion dollars, and whether it will stay saved once we save it. Why not let the Communists have it? Let them wrestle with the problem for a while. See what they can do with it! And when the people of Europe are thoroughly fed up with Russia's incompetence, brutality, mediocrity, may be they will be as glad again to see the Americans as they were on D-Day.

Making Trains Popular

The New Haven railroad is not owned or managed by the inventive Robert R. Young, of the Chesapeake and Ohio, but it has its own ways of popularizing its passenger service. The other day it carried 397 passengers to Kent, Conn., to celebrate the tenth anniversary of the railroad's Old Fashioned Husking Bee. There was supper, followed by husking of corn. Any man or woman who found a red ear was entitled to kiss his or her partner. Then followed dances, both round and square. The total cost per passenger is announced as \$5.75, and both the railroad and the Grange, which furnished the hospitality, are said to have made money. Certainly the passengers got their money's worth.

Before the war some railroads added to their Sunday passenger patronage by announcing mystery trips to unnamed destinations. These proved to possess scenic beauty, and picnic and entertainment facilities. These trips have not been heard of lately, but they still have possibilities. The railroads which sponsored them proved that they, like the New Haven, do not believe that railroad passenger service has been killed by the automobile and the plane.

But enterprise and enthusiasm about keeping up to date are certainly called for. A midwestern woman recently assured friends that the sleeping-car she went west in during the war was one she went to college in at the turn of the century. If it wasn't, it was unquestionably its twin.

Railroads opposing the St. Lawrence Seaway are as far behind in their thinking as those using cars fifty years old. The world isn't like that nowadays. It knows more about moving freight and making passenger travel desirable. People who want to go forward can still do so. If they don't, their businesses stagnate and die.

A Modern Lowell

A modern poetry-writing Robert Lowell, aged 30, has been appointed poetry-adviser for the Library of Congress in Washington at a \$6,700 a year salary. The best known of the numerous Lowell clan, James Russell Lowell, had an elder brother also named Robert, who, besides several other accomplishments, won fame for his poem, the Relief of Lucknow. It was based on the Sepoy Rebellion of the 1850's. The present Robert Lowell is not likely to pen anything resembling this poem of the first Robert on the Indian incident, for today's Robert was a conscientious objector during the last war. Nor is he apt to produce any such verse as did James Russell Lowell in his celebrated ode to the Harvard men who died in the Civil War. James Russell Lowell had been an ardent Union man and abolitionist. He, like the present Robert, received government recognition, his own including appointment as minister to England.

Other Lowells have done notable work in other fields. There was Percival Lowell, astronomer, for example. The book of a year or two ago, The Lowells and their Seven Worlds, by Ferris Greenslet, tells of their competence in the seven directions. Poetry-adviser sounds like a new one.

From The Dead

As the bodies of the honored dead come to rest in their last earthly home, a sword of anguish pierces the hearts of those who stand beside the graves in a last gesture of farewell. It pierces also the hearts of those who have chosen to let the bodies of their equally loved and honored heroes lie in the soil they fought to liberate. To all it brings back for the moment the sharp heartache and sense of bereavement they felt when first the word came.

But it brings also a challenge to all of us, the living, to keep faith with them. They whisper, they sing, they shout, they pray to us those words of a soldier of the first World War. We failed those soldiers then. Shall we be able to let these rest in the peace they have so hardly won? "To you from falling hands we throw The torch; be yours to hold it high. If you break faith with us who die, We shall not sleep."

New York Welfare Commissioner Promises To End Relief Abuses

NEW YORK, Oct. 31 (AP)—New York City's new Welfare Commissioner says that he will take action, if warranted, against any member of his department involved in alleged relief abuses and begin proceedings for recovery of funds that may have been illegally disbursed.

The State Board of Social Welfare opened an investigation into the city's welfare setup yesterday, charging at its first public hearing that 20 families ineligibly for relief—including a mink-coated divorcee—were among 42 home relief families quartered in hotels up to last May 31.

Bernard Shapiro, supervisor of social welfare for the state agency, testified his investigation disclosed that little effort was made to relocate homeless families after they had been lodged in hotels at rents running from \$1.50 to \$19 daily, but averaging \$7.50.

Following Shapiro's testimony, City Welfare Commissioner Benjamin Fielding, appointed last Friday by Mayor William O'Dwyer, said he had requested records of the "questionable cases" and that action if "fully justified" would be taken on the basis of the evidence.

Shapiro described some of the relief clients, who he said had been quartered illegally in hotel rooms by the Welfare Department, as:

A woman who lived there with her common-law husband.

A mother and her three children, drawing \$30 a week on relief, whose husband was a \$100-a-week automobile salesman.

An alcoholic mother who neglected her children.

The woman in mink who, when she applied for relief, was given a monthly grant of \$222.75. Although she had received \$60,000 from her divorced husband since 1940 and was fully employable.

Shapiro said he based his findings on the city department's records. He related that when a relief investigator called on the latter case at her hotel he noted "in awe" that she wore a very fine mink coat, dressed very well and appeared accustomed to a very high standard of living.

THE WORLD TODAY

By DEWITT MACKENZIE AP Foreign Affairs Analyst

England's Princess Elizabeth reportedly will be initiated into the historic Order of the Garter after her marriage next month, and this has resulted in the disclosure that exiled King Leopold of the Belgians still is a member of this highest order of British chivalry.

Thus, by way of being rather sensational news, since it is widely assumed to mean that Britain has absolved Leopold of any wrongdoing in his disastrous surrender of the Belgian army, and himself to the invading Germans on that awful day of May 28, 1940. No persons with the slightest stain on his reputation are permitted to remain a member of the Order of the Garter, whose membership of only 25 (outside the British Royal family) is hand-picked by the King of England.

This being so, it naturally is given to wonder whether the disclosure may presage the recall of Leopold to his throne. However, that is speculative.

Leopold's surrender was one of the great Allied tragedies, and came near to ending the war with Hitler as conqueror of the continent. The King's action was branded as traitorous not only by many in England and France but among his own people. Although Leopold was the prisoner of the Germans, the Belgian Parliament barred him from the country in July, 1945, and that order never has been revoked. Leopold still lives in exile in Switzerland, awaiting a call to come home. His younger brother, Prince Charles, has been acting as regent.

Time has mellowed world opinion, and it long has been generally accepted that Leopold surrendered only to save little Belgium from being ground to pieces under the iron heels of the Nazi military. As a matter of course the question arose whether he should be expelled from the immaculate Order of the Garter. However, that was for King George to decide, and he withheld his decision because he felt that the evidence wasn't all in.

Now Leopold is held to have lived up to the high traditions of the Order, a decision which King George certainly couldn't have reached had his people or his government not agreed. Had Leopold been found wanting, he would have been ousted and joined the group of condemned who include King Victor Emmanuel of Italy and the late Kaiser Wilhelm of Germany.

The question now is whether Belgium wants Leopold back home again. The issue has become a political football, which complicates the situation. One can imagine his feelings as he awaits the outcome, for surely it must constantly be in his mind that he is the son of one of the Allied world's great heroes—the late Albert, King of the Belgians, who for four long years in the first World War headed his army in holding a tiny corner of his kingdom against the invading forces of Kaiser Wilhelm.

There still must ring in Leopold's ears the frenzied cheers of the vast throngs who welcomed Albert and the rest of the Royal family back to their capital after the war's end. I was in Brussels the day they met their triumphant reentry on horseback, with the King and Queen Elisabeth riding ahead, and young Princes Leopold and Charles, with Princess Marie Jose, following on their ponies.

Leopold can't forget that—nor, one suspects, was he unmindful of this heritage of valor when he felt compelled to surrender in fateful '40.

Armed Aggression Acts Not Confirmed

ROME, Oct. 31 (AP)—U.S. Army Public Relations at Trieste said today there had been no Army confirmation of an assertion by Rep. Marion T. Bennett (R-Mo) that there have been "83 incidents of armed aggression by the Communists" against U.S. forces in Trieste.

The Public Relations office said it could say nothing, however, about the Congressman's assertion at this time. The Public Relations office of the Allied Military Government made a similar reply to inquiries there.

LEGION MEET

INDIANAPOLIS, Oct. 31.—(AP)—The National Executive Committee of the American Legion yesterday decided the legion's 30th annual convention would be held in Miami, Fla., on Oct. 17-21 of next year. The legion also held its 1934 convention in Miami.

At THE CHURCHES

STUDENTS PRAISE TEAM

MARSHALL, Mo., Oct. 31.—(AP) Football conversation in this little central Missouri town begins and ends with praise of the Missouri Valley College Vikings, who currently boast the nation's longest winning streak, 25 successive successes. And the college's 600 students agree—that the Vikings will win their remaining five games and their third straight Missouri College Athletic Union Football Championship, giving them an unbroken string of thirty victories. The modern college victory record of 33 victories was set by the Tennessee Volunteers from the ninth game in 1937 through the first game of 1941.

Americans own an average of two radio sets per family.

HOUSING REDS

INDIANAPOLIS, Oct. 31.—(AP) The American Legion's National Executive Committee urged Congress yesterday "to inaugurate an immediate investigation" to determine whether or not Communists have infiltrated into administrative positions under the Federal Public Housing Administration.

The committee further asked that if the investigation discloses Communist infiltration in the FPHA, "the individuals involved should be immediately dismissed in compliance with the directive in the Public Housing Administration."

MANY THANKS

We are at a loss to express our appreciation in an appropriate way—Our reception in such a warm and wholehearted manner has made us feel proud to be living in Sanford once again.

We will try to return the courtesies through efforts to make our store one of the finest and most reliable in the county—We have some definite ideas and plans and will put them into operation as time permits.

Possibly by the end of the week a large shipment of woolen knitting thread is expected—Drop around and see if this is something you have been looking for.

## Rotary Club Holds Annual Ladies' Nite

The Seminole Country Club was the scene last night of the annual "Ladies' Nite" held by the Sanford Rotary Club. A dinner was served at 7:00 P. M. and eaten at individual tables in the large lounge of the club. A Halloween motif was used in decorating.

G. W. Spencer served as master of ceremonies for the evening and presented Ed Levy-Whitner who entertained the group with songs and stories. Dick Allen, well-known Sanford soloist, rendered several selections with the accompaniment of Harry Kudell at the piano.

Gordon Brisson, president of the Sanford club and Paul Stine of Orlando, district governor, were introduced by Mr. Spencer and B. L. Perkins, Jr. was welcomed to the group as a new member.

During the evening a Forest Service motion picture in technical color was shown by Orville Touchton. Andrew C. Stine served as chairman of the committee in making arrangements for the meeting. Others on his committee included Earl Turner, James Higgins, Gordon Brisson and Orville Touchton.

Those enjoying the occasion were Mr. and Mrs. James Holtzclaw, Mr. and Mrs. Andrew Carraway, Mr. and Mrs. Alken, Mr. and Mrs. Joe Saunders, Mr. and Mrs. Roy Holler, Mr. and Mrs. Roland Dean, Mr. and Mrs. H. H. Pope, Mr. and Mrs. Lea R. Lecher and Mr. and Mrs. George Stine.

Also Mr. and Mrs. W. A. Lefler, Mr. and Mrs. Harry Tooke, Dr. and Mrs. Orville Barke, Mr. and Mrs. Jack Ratigan, Mr. and Mrs. Dan Wright, Dr. and Mrs. A. W. Epps, Mr. and Mrs. Leonard Taylor, Mr. and Mrs. Fletcher Hollis, Mr. and Mrs. Robert Williams, Mr. and Mrs. H. H. Coleman and Mr. and Mrs. Clarence Redding.

Also Mr. and Mrs. J. L. Ingley, Mr. and Mrs. Touchton, Mr. and Mrs. G. A. Speer, Dr. and Mrs. Charles Parks, Mr. and Mrs. K. H. H. Dr. and Mrs. R. W. Rupprecht, Mr. and Mrs. W. O. Livingston, Mr. and Mrs. Paul Stine, Mr. and Mrs. Stine, Mr. and Mrs. Spencer, Dr. and Mrs. A. W. Epps, Jr., Mr. and Mrs. H. M. Pearce, Mr. and Mrs. Higgins, Mr. and Mrs. B. L. Perkins, Jr., H. J. Lechman, Mr. and Mrs. Turner, Mr. and Mrs. E. B. Stowe, Miss Helen Welch, Mrs. Frank Scott, F. D. Cornell, Jr., Gordon Brisson and Dr. Charles Persons.

**Jackie Miller Gives Halloween Party**  
Young Jackie Miller was host to a number of his friends with a Halloween party on Tuesday evening held at the home of his parents, Mr. and Mrs. John L. Miller on Oak Avenue.

The playground was decorated with orange streamers and lighted with jack-o-lanterns, enhancing the holiday spirit. Black cats, owls and grotesque figures looked down from the trees on the festive scene. During the evening apple-bobbing, fortune telling and other traditional Halloween games were enjoyed. The guests fished for noise-makers, enjoyed a treasure hunt, won by Fred Ball who found the treasure, and made a visit to Blue Beard's chamber inhabited by skeletons and ghosts.

Refreshments were served in the back garden at the Miller home from a long table decorated in the Halloween motif. Mrs. Miller was assisted in serving by Jeanne Lane Miller. Refreshments consisted of chocolate doughnut faces, open-faced cheese sandwiches and hot chocolate topped with marshmallow cream.

Those enjoying the party with Jackie were Fred Ball, Murray Nance, Maurice Phillips, Larry Reel, Walter Groves, Monroe Pearce, Jeanne Lane Miller, Gloria Fordham, Mrs. I. E. Fordham and Mrs. Miller.

J. W. Hall, hostesses will be Mrs. J. O. Huff, Mrs. Georgy McCall, Mrs. B. C. Moore, Mrs. E. A. Monforton, Mrs. H. A. Moreland and Mrs. W. P. Fleida. Reservations may be made with Mrs. Monforton or Mrs. Moreland.

## Personals

Mrs. Howard Cushing of Marion, Ind. is spending a short time in Sanford with her father, C. F. Wert.

Mr. and Mrs. R. W. Turner have returned from Tampa where they attended the funeral yesterday of Mrs. Turner's brother, C. I. Morrow.

Mrs. Mary B. Welch of New Concord, O. has arrived to spend the winter months with her sister and brother-in-law, Mr. and Mrs. Frank Lieske.

Friends will be interested to learn that Mr. and Mrs. Bart Galletta and son, Freddie, have moved their residence from 511 Elm Avenue to Flagler Beach, Fla.

Mr. and Mrs. Roy Marion and son, Ken, returned today to their home in Iva, S. C. after spending the past two weeks in Sanford with Mr. and Mrs. Turner Lojge.

Lieut. Col. and Mrs. Charles Betts, daughter, Sandra, and young son, Charles, Jr., plan to leave on Sunday for Ft. Sam Houston, Tex. where Col. Betts is stationed with the Army.

Word was received today that Miss Shirley Eick, daughter of Mr. and Mrs. John E. Eick of Sanford, has enrolled for the fall semester at Syracuse University. Miss Eick is specializing in fine arts at the university.

Mrs. Charlotte Lloyd and Mrs. Jane Stull of Tallahassee arrived today to spend the weekend with Mr. and Mrs. Archie Betts. While here they will attend the christening ceremonies of Charles A. Betts, Jr. on Sunday.

John Ivey, Ed Levy-Whitner, Al Bryant and E. B. Smith will leave on Sunday for Augusta, Ga. where Mr. Ivey will attend the Southeastern Shoe Travelers convention. Mr. Whitner, Mr. Bryant and Mr. Smith will enjoy golfing on the famous Augusta course.

**L. B. Manns Honored On Thursday Night**  
Mr. and Mrs. L. B. Mann were honored on Thursday with a house-warming given them by the citizens of Lake Monroe. Mr. and Mrs. Mann were married recently in Montgomery, Ala. The party was held at the Mann home which was beautifully decorated with gladioluses, tuberoses, roses in shades of pink and red and greenery.

Those honoring Mr. and Mrs. Mann were Mr. and Mrs. C. J. Jones, Mr. and Mrs. H. T. Brown, Mr. and Mrs. D. C. Spivey, Jr., Mr. and Mrs. Charles Rabun, Mr. and Mrs. Jack Mann and Mrs. Ed Oglesby, Mr. and Mrs. C. Gardner, Mr. and Mrs. Paul Oglesby, Mr. and Mrs. Arthur Harris, Mr. and Mrs. W. B. Swagerty, Maxine Rabun, Clara Swagerty, Shirley Spivey, Sara Kate Rabun, Ruth Swagerty, Linda Diana Harris, Mrs. Mary Brent, Mrs. H. C. Swagerty, Mrs. Ernest Hamilton, Mrs. C. P. Rabun, Mrs. Henry Tindel and Mrs. R. D. Bass. Also Dan C. Spivey, Jr., Russell Mann, Herman Swagerty, Professor J. Tilden Jacobs, Robert Mann, Larry Mann, Arrie E. Mann, Donald Gene Harris, Steve Swagerty, Charles Tolar Rabun, Jr., Terry Rabun, Freddie Swagerty and Winnell Messer.

**HOLY CROSS COMMUNION**  
There will be a celebration of the Holy Communion, in honor of the Feast of All Saints, on Nov. 1 at 10:00 A. M. at Holy Cross Episcopal Church. The service will be held in the Chapel of Peace and a Corporate Communion of the Woman's Auxiliary will be held.

Mr. and Mrs. Henry E. Smoak whose marriage was a recent event in DeLand. Mrs. Smoak is the former Alma Grantham, daughter of Mr. and Mrs. V. H. Grantham of this city. Mr. and Mrs. Smoak have left for Birmingham, Ala. where he is studying in medical school. Mrs. Smoak graduated from Stetson University last June.

## Seminole Hi

By BOBBY PARK

At the end of second period Thursday morning the student body and interested adults gathered in the auditorium to see the program that the Student Council had planned. As the first of a series of carefully planned and attractive programs leading up to the Christmas season the Student Council presented the Glee Club. Charles Anderson read the scriptures. First on the program was the Girls' Glee Club singing Beautiful Dreamer, "Somewhere a Voice is Calling," and "Chianapasas," a Latin-American Folk Song.

Next the double contest, composed of Leeland Rudd, Bobby Pullin, Herby Stenstrom, Eugene Harper, Arnold Harrington, Francis Temple, Fred Siegrist, and Frank Cranston, sang "I Got Shoes" and "Off to The South-ard".

The double trio "The Dreamers", composed of Emily Mathews, Peggy Pippin, Betty Ball, Betty Duncan, Juno Rose Duncan, and Mona Ruth Mills, then sang "I'll See You in My Dreams," "Smoke Girls in Your Eyes," and "My Hero".

The Boys' Glee Club then sang "Winter Song" and "Rolling Down to Jordan".

The mixed Glee Club then sang "To Thee We Sing," Eerie Canal (Fred Siegrist sang this with the mixed Glee Club accompanying him), Louisiana Hayride (dedicated to the spirit of Halloween), Butter Milk Sky, and "Country Style." They then ended the program by singing Alma Tate.

The Glee Club presented its program under the direction of Miss Ollie Reese Whittle with Lillian Moran accompanying all groups.

The magazine sale is coming along fine. Thursday morning \$343.55 worth of magazines had been sold. The daily amount so far has been: Tuesday—\$133.55; Wednesday—\$120.25; and Thursday \$89.75. The following will be awarded a silver dollar apiece for selling the most subscription by Wednesday morning: Fred Rosetter, Louisa Huebner, Nixie Kirchoff, Barbara Rucker and Hazel Routh.

Mrs. Lynch's home room is ahead in sales so far with Mrs. Coleman's room a next in the lead.

## Study Course To Be Taught At Church

"The United Nations" is the subject of a study course to be given in three night sessions beginning on Nov. 5 at the First Methodist Church. Miss Thelma Hammond, who has studied this subject at Columbia University and has attended some of the United Nations meetings, will be the teacher.

The study will include a sound movie entitled "The House I Live In," a cultural exhibit and a final discussion panel composed of leading representative citizens of Seminole County.

## Pep Squad Attending St. Augustine Game

The Pep Squad of Seminole High School will leave from the school in a body this afternoon at 4:30 P. M. by bus to attend the football game between the Sanford Celery Feeds and the Ketterling High School Yellow Jackets. The girls have planned a picnic to be enjoyed on the trip. The group will be accompanied by Mr. and Mrs. F. C. Winn, Mr. and Mrs. Boyd Coleman and Miss Barbara Ruppert.

The newly-formed Pep Squad has performed at the last two football games with their formation and were aided during their last performance by their young mascot, Justin Lynch. They are now preparing for the homecoming game between the Celery Feeds and the Winter Park High School.

## ALTAMONTE SPRINGS NEWS

Mrs. B. D. McIntosh, Jr.

T. P. Warley, Jr. left yesterday to go to West Palm Beach, where he will speak at a convention of the State Realtors today. He will return Thursday.

Mrs. B. O. Smith is home again, after spending several weeks in Orleans, Vt.

Mr. and Mrs. Webber Haines

## Plans Complete For Mayfair Masquerade

Plans are complete for the Halloween Masquerade Ball to be given by the Sanford Bath and Tennis Club tomorrow night at the Mayfair Inn. It was stated by Lind Weber, general manager, and he said that well over 100 reservations had been made by early this morning. Guests are coming from Daytona Beach, Ponte Vedra Beach, Jacksonville and Orlando as well as those from Sanford.

Dancing will begin at 10:00 P. M. and last until 2:00 A. M. when breakfast will be served. Music will be furnished by Stewart Martin and his orchestra of Orlando. Prizes will be given during the evening for various costumes, however, Mr. Weber stated that costumes are optional.

## Hollywood

By BOB THOMAS

**HOLLYWOOD** Oct. 31 (AP)—In this highly competitive business, a girl's got to watch out for herself, even if she's Margaret O'Brien. The child star has found a film role she likes and is campaigning for it.

The story is "Violet" which has been tucked away in MGM vaults. It's about a girl who is too smart, and Margaret is going to stalk into Louis B. Mayer's office to sell the boss on it. Donning a pair of horn-rimmed glasses, she recited some of the story's lines for me. She looks the part.

Bob Hope's idea of a vacation is typical. After the Friars' testimonial dinner for him Sunday, he planes to Tulsa for a Variety Club show. He'll broadcast from Claremont and visit Will Rogers' tomb. Then to benefits in Chicago, Philadelphia, Atlantic City and Washington, D. C. His Nov. 11 air guest will be his favorite blonde, Madeleine Carroll. Next day he leaves on the Queen Mary for the command performance and gives her broadcast from his native land, Wales.

Harold Stassen, here on a proposition to head a citizens' group to fight for freedom of the screen, is getting first hand information about the industry. He toured MGM, chatting with stars, directors and others, and watched 'em make pictures.

Dorothy Lamour doubts the talk that the "Road" pictures with her, Bing and Bob have come to an end. "They've said that five times and we've always made another one," she told me.

George Montgomery, who is in "Lulu Belle" with Doty, says he'll continue first-landing now that he has his freedom from 20th-Fox—being boomed and then forgotten. All that is, except one, George and Dinah Shore expect their first baby in mid-December. In January she starts a new radio show.

Bing Crosby is turning author. He is organizing the diary of his recent hunting trip and will sell it to a magazine, along with pictures he took.

MacDonald Carey has been gifted with a new contract by Paramount. Now in "Hazard" with Paulette Goddard, he is a rival to be a top star. Mac is essentially, was offered—and turned down—the press agent role in "State of the Union" that Van Johnson is now playing.

Mr. and Mrs. B. F. McKinney and son Bobby spent Sunday with Mr. and Mrs. B. D. McIntosh, Jr.

Mrs. H. S. Packard has returned to Altamonte to spend the winter after having spent the summer at her summer home in Miami. Mrs. Morris came with her to be the house guest of Mrs. Packard.

Mrs. T. P. Warley, Jr. will go to Tampa tomorrow, to participate in the Halloween Golf Jam-boree, which is to be Friday at the Palma Ceia Club and will return Friday.

Mr. and Mrs. B. F. McKinney and son Bobby spent Sunday with Mr. and Mrs. B. D. McIntosh, Jr.

**IN APPRECIATION**

I am deeply appreciative of the overwhelming reception which the public of Sanford extended us yesterday on the opening of our newly reconstructed REXALL Store.

To those who called and congratulated us, to those who sent us flowers and telegrams; to those who wished us well, we wish to express our sincere thanks.

We will always strive to make our store the outstanding one of its type in Central Florida.

**MANY THANKS**  
W. V. Bitting

### CELERY FEDS INVADE ST. AUGUSTINE FOR TIFF WITH KETTERLINUS TONITE

The Seminole High School Celery Feds will attempt to extend their victory streak to these contests tonight in St. Augustine when they meet the Ketterlinus High Yellow Jackets in a tiff that is scheduled to get under way at 8:00 o'clock.

The Feds have hit the gridiron at home in their last two appearances and have emerged victorious in both contests. Tonight the Seminole gridderes will be meeting a highly touted eleven which will outweigh them by 10 to 15 pounds per man.

Coach Bill Ferrara's charges are at full strength for the contest, since they did not play a game last week.

To add color to the game the Sanford Pep Squad will make the trip. The St. Augustine School Band will be present to add to the festivity.

The Ketterlinus starting lineup will probably include Billy Basmore, 170, LB; Edward Eaton, 210, LT; Harry Thornton, 195, LG; Hank McDonald, 185, 185, C; Vernon Smith, 165, RG; Marty Victor, 185, RT; Bruce Clary, 165, RE; Bobby Rinehart, 160, QB; Bernie Masters, 175, LHB; Charlie Johnson, 155, RHB and Ducky Powers, 160, FB.

Coach Carl Kettles of the Feds will probably start Chris Jensen and Byron Beard at the ends, Buddy Weatherington and Chuck Herron at the tackles, Wallace Tyre and Dick Bass at the guards and Gene Harper at center. The backfield will include Ray Dunbar at the blocking back post, Cedric Dunbar and Johnny Alexander at the wingbacks and Don Deal at the spinnerback.

### COMMENTS from the SIDELINES

By ARTHUR BECKWITH, JR.

**GRID PREDICTIONS**

Football, across the nation, is in the highest pitch of the year, and there are a number of top rated tilts justly putting the pigskin parade into high gear.

Within 20 miles of Sanford we are going to have as good a game played as will come out of the mill Saturday. The Stetson-Rollins tiff will be among the top games of the day.

Barring the unforeseen, Stetson has the upper hand in the battle, which usually ends as a Central Florida classic. We pick Coach Brady Gossett's matters to edge the Tara.

The University of Florida is tangling with Furman, and the contest shows signs of being better than most people expect since Loren Broadus, Dewell Rushing, Hal Griffin and Tommy Bishop may be sidelined due to injuries received in the North Carolina tilt last week. Despite the injury list, we think that the Gators have the power to take the Purple Hurricane aggregation into camp.

The University of Miami takes on a highly touted South Carolina Gamecock team in Miami Saturday. The Gamecocks have the upper hand in the tilt, but this is another one of those games in which anything can happen.

Georgia Tech should humble Duke and Vanderbilt has it over Auburn. Mississippi State will take Tulane and Virginia will halt Richmond.

We think that North Carolina will take a hotly contested game from the Tennessee Vols and Michigan will stop Illinois.

Columbia will nip Cornell, Army will rout Washington and Lee, Holy Cross will edge Brown and Notre Dame will sink Navy. Kentucky will nip Alabama and Wisconsin will edge Northwestern. Minnesota will powder Pitt. Missouri will trip Nebraska and Oklahoma will beat Iowa State.

Wake Forest will halt William and Mary and Penn State will cloud Colgate. Penn will pulverize Princeton and Arkansas has it over the Texas Aggies.

Yale will trim Dartmouth and Ohio State will nip Indiana. Maryland will take West Virginia and Rice will defeat Texas Tech. Purdue has it over Iowa and Baylor will top TCU. Texas will whip SMU and California will polish off UCLA. Oregon State will rout Stanford and Southern Cal will beat Washington. Michigan State will trim Marquette and Kansas has too much power for Kansas State.

**George Harr**

We received a letter from George Harr in yesterday's mail and George is already busy enrolling men for his umpire school which will be held in Sanford from Jan. 15 to Feb. 20.

George stated, "The school is coming along fine. We have 38 boys registered already. Twenty registered last week. They are coming in from all over the country."

"I received a letter, Saturday from Ireland and two from Australia. Several from Mexico, and Canada. So you can see we are doing our bit for Sanford. We are having a nice ad in the weekly Sporting News no longer had been seen," he added.

The new prospectus includes a complete section on Sanford and tells of "unlimited opportunity for swimming, fishing, hunting and a variety of sports" to be enjoyed in the Sanford area.

Harr is really planning an enlarged school for the coming year, and Sanford will benefit from it because it will be here.

**Baby Feds To Meet Mainland 'B' Tuesday**

The Seminole High School Baby Feds will entertain the Mainland High "B" squad at the high school athletic field Tuesday night.

The contest will be sponsored by the Jacaranda Circle of the Sanford Garden Club and the proceeds will be placed in the fund for the new Garden Club building.

**C. K. Ellis Wins 1st Place In Skeet Shoot**

C. K. Ellis won first place in the regular weekly shoot of the Sanford Skeet Club at the Municipal Airport yesterday.

Byrd J. Goode, secretary, announced the following results of the meet:

C. K. Ellis	18	19	37x50
F. Woodruff III	18	17	35x50
W. R. Williams	16	13	29x50
Sam Gardner	17	13	29x50
A. Garraway	13	13	26x50
G. W. Spencer	10	11	21x50
Bill Bass	11	11	22x25
Geo. Maffett	11	11	22x25

### National Voting

(Continued from Page One)

Democrats last year campaigned in the state "bragging about high prices" and promising to keep them up.

The Blue Grass State voters will elect other state officers and state legislators and decide whether to call a convention to write a new state constitution to replace the one adopted in 1892.

Mississippi—elects a senator to the seat to which Bilbo was re-elected last November but never filled. Bilbo died last August after having been denied his seat pending investigation of charges that he advocated "every possible means" to keep negroes from the primary polls.

Six Democrats, including Reps. Rankin and Colmer, are contesting for seat, along with one Republican. The campaign has aroused only slight interest in the state.

New York—Votes on proposed constitutional amendment to permit an estimated \$400,000,000 bonus to 4,600,000 veterans of World War II, to be financed by a bond issue. The latter would be redeemed by bonds in the state cigarette and income taxes.

Picks a successor to Rep. Leo F. Rayfield (D.) in the 14th (Brooklyn) district. Rayfield was appointed to the bench. Candidates are Abraham J. Muller, Democrat-Liberal Party; Jacob P. Lefkowitz, Republican, and Victor Rabinowitz, American Labor. All are lawyers. The district normally is heavily Democratic. Republicans say their only hope lies in splitting the Democratic-American Labor vote which last time combined for the Democratic nominee.

Ohio—Votes on veterans' bonus amendment providing up to \$300,000,000. Of the total \$275,000,000 would come from bond issue and the rest would be appropriated from the state's surplus funds.

Fourth district voters pick a successor to Rep. Robert F. Jones (R.), named to the Federal Communications Commission. Candidates: William M. McCullough (R.), attorney and former speaker of the state house, and Joseph B. Quitman (D.), Lima lawyer.

Indiana—Tenth district voters choose a successor to the late Rep. Raymond S. Springer (R.). Contestants are Ralph Harvey (R.), a Newcastle farmer; Frank A. Hanley (D), Muncie businessman backed by the CIO, and Carl W. Thompson, Prohibitionist. Republicans have attempted to raise the Taft-Hartley issue, but the Democrats have refused to rise to the bait, says the Democratic state chairman. Hanley has not said what he thinks of the Labor Law.

Democrats in Indiana are counting on local election fights to bring out a big vote for their side. Like the 4th Ohio, which borders the Indiana 10th has been Republican by a good margin since 1938.

New Jersey—Ballots on a new state constitution to replace one adopted in 1844, and state legislators.

### Armed Services To Hang On To Large Quantity Of Goods

WASHINGTON, Oct. 31 (AP)

The armed services have decided to hang on to some \$5,000,000,000 worth of goods they once planned to dump into the war surplus market.

This decision to increase "military stock levels" was disclosed today by War Assets Administrator Robert M. Littlejohn who also has some goods already declared surplus have been withdrawn from public offering.

The withdrawals include clothing and other supplies now being used to relieve distress abroad and at home and to carry out this country's \$400,000,000 Greek-Turkish aid program aimed at stemming Communist advances in Southern Europe.

At the Army depot it was said the decision to keep more material does not represent "a new strategic situation" but only a policy change relating to stocks on hand.

Littlejohn, whose agency is charged with selling or otherwise disposing of goods declared surplus by various government agencies, used these words to explain why the total volume is expected to reach only \$2,500,000,000 instead of \$4,000,000,000.

"About \$5,000,000,000 of this amount depended upon certain military programs, such as universal military training. But now we have been informed that, because of increased military stock levels, and the possible diversion of material from the Universal Military Training program to other military purposes, the \$5,000,000,000 will not be forthcoming."

Because of the policy shift, Littlejohn's report said, the total disposal job will be nearly 90 percent complete next summer.

"We foresee on June 30, 1948, \$3,100,000,000, nearly three-fourths of which will be real property," he estimated.

Noting that goods worth \$28,200,000,000 already has been turned over to WAA, Littlejohn said: "The task ahead is primarily one of disposing of inventories on hand. These totaled \$7,600,000,000 on Sept. 30."

The sales chief forecast "rapid liquidation during the next six to nine months" of the remaining consumer goods, industrial equipment, aircraft and electronics equipment, but he foresaw a program of "several years duration" to get all the surplus government-built war plants into private hands.

Pennsylvania—Ejects a state superior court judge and 12 common pleas judges.

Virginia—Ejects members of legislators.

### CAN WALK TO TOWN NOW, AND PRAISES RETONGA

"I Couldn't Walk A Block Without Stopping To Rest," States Mr. Hook. "I Wish I Had Known About Retonga Five Years Ago."

"Before I took Retonga I felt so worn-out and trembly that I couldn't walk a block without stopping to rest. But now I walk five blocks to town and back and it doesn't tire me out," is the happy statement of Mr. Harry H. Hook, for forty-nine years a well known resident of Tampa, Fla., who lives at 1310 Grace St.

"I felt like I was about at the end of my row," continued Mr. Hook. "I had no appetite and every bite seemed to lay as heavy as lead in my stomach and turned in to gas that often pressed up

against my chest until I felt like my breath would be cut off. I felt weakened and on edge and it was always about 3 o'clock before I could get to sleep. I had had to take a strong laxative nearly every day, and the way I had to drag myself around it looked like I was about done for.

"Retonga gave me such wonderful relief that I now eat anything I want. I sleep restfully, the constipation is relieved, and so are the aches and pains I used to have in my muscles. I feel stronger and better than in years. I wish I had known about it five years ago.

Retonga is intended to relieve distress due to insufficient flow of gastric juices in the stomach, loss of appetite, vitamin B-1 deficiency and constipation. Accept no substitute. Retonga may be obtained at TOUCHTON'S Adr.

### Plane Crash

(Continued from Page One)

Coast Guard reported. Five planes flew over the scene, and pilots reported the tall structure of the PAA plane was plainly visible, within 200 feet of the peak.

The position of the wreckage on the north side of the mountain indicated that Mosen, on his northbound flight, had passed the lower end of Annette and swung back southward.

The plane has been the object of one of the widest coordinated searches ever conducted for a missing aircraft in the northern territory. Weather has been generally unfavorable for the air search.

Planes of every branch of the American military services, from the Royal Canadian Air Force and the ships of airlines and private fliers were thrown into the intensive hunt. More than a score of surface craft have covered every meter along the irregular coast, under direction of the Coast Guard.

The clipper, "The Tajieman," carried 13 passengers and a crew of five.

Most of the passengers were residents of Alaska or Seattle.

Mosen, the pilot, was a veteran Alaska flier. His son, Wesley, who frequently flew with him as a co-pilot, was one of the air-men engaged in the search when the discovery was reported.

The passenger list on the plane included Sally Richards of Ely, Minn., a nurse who was returning to her duties at Petersburg, and two men from Cheyenne, Wyo., Robert Brostrom and George Knoekemus.

## Dry Weather Found Good For Golfing And Forest Fires

By MAX HALL (For JAMES MARLOW)  
WASHINGTON, Oct. 31 - (AP)

Most of the country has enjoyed a golden October of phenomenal warmth and dryness. It was great for golf but it also brought a thing of crackling horror—the forest fire. This week big changes are occurring in the nation's weather. Rains and cold masses of air are cutting down on the golf and picnics. Rains have also cut down on forest fire hazards in the West and Midwest, and are expected to ease the situation in New England, which has had its worst fire season in years.

Thus, except perhaps in the worst stretches of weather, it's not strictly accurate to say the weather is "bad," or "good"—but only that we like it or we don't.

Several serious fires were still eating out the glory of New England woods early today. The Weather Bureau's prediction for that region was "showers." These showers weren't expected to end the danger, but the weather bureau is predicting more rain, perhaps a total of half an inch, before the end of the week. Even this wouldn't put out the worst fires, but it would slow them and make it easy for fire-fighting men to complete the job.

A Weather Bureau official said a really heavy, general rain over New England would "probably solve the problem" for this year. Nearly all bad forest fires come out of a partnership between human carelessness and drought. The drought sets the scene of the crime, and some inconsiderate person comes along and does the rest. Nearly all of the country has been having unusually warm weather. East of the Rockies, October was the third straight month when temperatures averaged above normal. August was a scorching September was above normal, and October was almost as warm as September. In the East, South, and Midwest, the "coldest snap of the season hasn't been in October at all. It came in the final week of September. October brought warmer weather.

In fact October reversed the customary procedure and actually got warmer as it went along. For example: Boston's average temperature in the last week of September was 62. In the first three weeks of October it dropped like this: 68, 60 and 71. In the fourth week of October, ending yesterday, it fell back to 61.

## WOMAN SPEAKER

CHICAGO, Oct. 31 - (AP) - For the first time in the 70-year history of the Commercial Club of Chicago, the city's oldest and most exclusive business men's group, a woman speaker as a guest speaker. Are you troubled by distress of some functional or organic disturbance? Does this make you feel so weak, high-strung, nervous, at such times? Try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. Lydia's Compound works especially for women. It also has what doctors call a "tonic" effect. Any distressing condition should be treated promptly. LYDIA E. PINKHAM'S VEGETABLE COMPOUND

## WHY GET UP NIGHTS DUE TO KIDNEYS?

IF you get up nights—have frequent desire to pass your water—have only scanty passages—yes, and have backache, due to excess acidity in the urine, be glad you're reading this.

Three generations ago Dr. Kilmer, a famous doctor, found hundreds of his patients with this trouble. Finally he made a medicine of 16 herbs, roots, vegetables, balsams—Nature's own easy-to-relieve. He called it "Swamp-Root" and millions of grateful men and women have taken it—often with amazing results.

Swamp-Root goes right to work to drive out the excess acidity. It increases flow of urine, bringing relief from excess acidity... so the irritated bladder gets a good flushing out, too. Many report getting a good night's sleep after the first few doses. Caution: take as directed.

For free trial supply, send to Dept. T. Kilmer & Co., Inc., Box 119, Stamford, Conn. Or—get full-sized bottle of Swamp-Root today at your druggist.

# Candidates State Position

(Continued from Page One)

### JOHN KRIDER Group No. 1

**NO. 1.** Yes, I am in favor of resurfacing deteriorating streets to the ability of the City to pay. As to the assessment of property owners for this paving, it will be strictly up to them, as the majority on the streets to be paved must be in favor of it. Another thing to be taken into consideration is the fact that each property owner has ten years to pay his oil assessment. The City must finance this paving over that same period.

**NO. 2.** Yes, I am in favor of law enforcement and the mutual cooperation between our Police Dept. and the Sheriff's office.

**NO. 3.** I am in favor of an election of a Mayor by the people. A committee could be appointed to work out the details, such as, how much power he will have. Final approval would be by our citizens. Personally, I would like to see our Mayor with power to make decisions. Also with salary enough so he could devote his entire time to the job.

**NO. 4.** I am very much in favor of recreation for everyone. I will enter into this program myself. A committee of citizens can work out our problems on the swimming pool. With \$30,000 on hand, this looks like one of our small problems. It most certainly has my approval.

One more tennis court, centrally located, is needed. Playgrounds for all children white and colored, must come, plus suitable supervision.

**NO. 5.** The sewage disposal plant is really a sticker. I have spent hours discussing this project with numerous people connected with our city. All methods which have been suggested to finance this project lead the same way, an enormous debt that would reach to our grandchildren. There are plans at the City Hall which cost the Federal government \$11,000. They call for the rebuilding of a great deal of the present plant, due to deterioration through the years. Also some lines carry sewage and storm water which means additional lines would have to be laid. All this must be done before a disposal plant can be used. We all must keep behind this project until we find some way to complete it. I would suggest a committee of our leading minds to study this project. Their report would tell us how and when this project could be a reality.

**NO. 6.** I favor the "pay as you go" plan, even if we only make some small improvement each year. We will be paying on our present debt beyond 1970.

**NO. 7.** Sanitation must cover all sections of Sanford, or we are defeating our purpose.

**NO. 8.** Yes, our zoo is one of our main attractions. Some amount should be set aside each year to improve it.

When I take into consideration the service these men have rendered, the problems they have faced, I am more inclined to say "Thank you for a job well done." As to various departments, frankly, I do think we do need some over-hauling.

**NO. 10.** A planning board is most essential to a growing community such as ours. Our growth has just started. Let's all get behind and push to keep the ball rolling. Last year 128 new homes were built, 27 new business places, 6 cabin court units, for a grand total of over \$600,000 dollars in comparison to 1941 when only \$100,000 was spent for all construction including repaving.

On Auki, an islet near Guadalcanal, is a mill which makes shell money widely used by people of the Solomon Islands.

Corn plants transpire about 5,000 pounds of moisture while producing a bushel of grain.

### JACK RATIGAN Group No. 1

**1.** I favor repaving and new paving. I recommend waiting until a survey to establish our most immediate needs is made. Financing should be done by submitting a method to the citizens for vote. Present revenue will not reurface our streets. Let's make a survey and plan.

**2.** If elected I would be bound as a public officer to see that the police department enforced the laws of the city and state and I would do so.

**3.** I favor reviewing the City Charter and amendments thereto with a view to recommending the removal of any provisions made obsolete or inoperative by time. I favor submitting an amendment to the people for vote to provide for election by majority.

**4.** I have been a member of the City's Recreation Committee for the past two years. From my personal observation we cannot have an adequate recreation program until we have a completely equipped center from which it can operate, staffed by trained directors of physical education. I feel that our attention should be directed first at facilities for our children and that until that is done any adult facilities provided should be made self-supporting and self-liquidating. Present revenues will not build nor support such a center. With respect to the swimming pool, I favor the immediate construction of a \$30,000 pool if that is what the people want.

**5.** I favor a Sewage Disposal Plant.

**6.** I am in favor of public improvements—all that a plan shows we need and a survey shows we can pay for.

**7.** I favor the extension of sewers to Georgetown and Goldsboro, provided we make a survey and plan how to do it.

**8.** Our zoo is one of 46 municipally owned zoos in the country, and should be promoted as an attraction to all of Florida as well as the tourists. Present revenues will not permit expansion. Let's make a survey and plan.

**9.** Other than what I have said prior to this, I think the City needs most to improve and develop an understanding of its problems among its citizens by a better publicity and public relations program on its activities. I propose that the City employ a firm of municipal tax experts to survey the entire municipal tax structure and make such recommendations as would distribute the expenses of City government equitably and raise the money necessary to operate the City, pay its obligations and provide for its future with which we could begin to secure the improvements we all recognize are needed.

### FRED H. WILLIAMS Group No. 1

**1.** In my opinion a maintenance program should be set up for the repair and upkeep of all City streets, and should be paid for by the City. On some streets the paving should be performed only upon the request of a majority of the abutting property owners, and should be paid for by these owners as has been the general practice in the past.

**2.** If elected, I will support a strict law enforcement, without fear or favor, of all City of Sanford laws and ordinances.

**3.** I heartily endorse the appointment of a Charter Reform Committee for the purpose of studying our present City Charter. If a change is recommended, such changes should be submitted to a vote of the people.

**4.** For the youth of our City, I am in favor of expanding all supervised recreation facilities to the maximum extent that the City is able to finance.

**5.** The present City Commissioners are to be commended for the effort they have made in securing plans for a sewage disposal plant and collection system. This plan should be carried forward and work started as soon as funds are available.

**6.** Being in favor of Public Improvements of our City, I am positively in favor of operating on a "pay as you go" plan, with no issuance of bonds or revenue certificates. The exact plan of financing such improvements can only be determined after considerable study.

**7.** I am in favor of the extension of our sewerage collection system to any area of the City where full use would be made of such facility.

**8.** Our Municipal Zoo is not only an outstanding tourist attraction, but it provides recreation and entertainment for our own citizens. I am in favor of its expansion as far as funds are available by the City.

**9.** My candidacy is not based on the actions of the present City Commission, or its administration.

**10.** There is a City Planning Commission at the present time and the recommendations of this body are definitely valuable to the City Commission. It gives them a broader scope of opinion on which to operate and plan public improvements.

### RANDALL CHASE Group No. 2

**Q. 1.** Pertaining to resurfacing streets, new paving and assessments against abutting property owners.

**A. 1.** I am in favor of resurfacing streets where the work is absolutely needed, and where the use of the street justifies. I am not in favor of new paving in Georgetown and Goldsboro now. These sections should first have better drainage, streets graded, and the necessary sewage facilities. I am not in favor of making assessments against abutting property owners for the resurfacing of streets.

**Q. 2.** Law enforcement.

**A. 2.** I am in favor of law enforcement, and will expect the Police to work with the Sheriff's office and the State Road Patrol in the enforcement of laws. Personally, I do not approve of nor patronize gambling devices, slot machines, bolito, etc. The biggest difficulty encountered by the law enforcement officers is the public opinion and the patronage of gambling devices by numbers of our citizens. Such influence results in an attitude of tolerance by a large number of other citizens, even the law violators. This attitude of citizens creates a most unfortunate influence and lack of respect for authority amongst the younger generation.

**Q. 3.** Do you favor the appointment of the City Commission of a Charter Reform Committee for the purpose of studying our present City Charter with a view of making recommendations for modernizing and streamlining it, and with particular reference to the election of the Mayor and City Commissioners by majority vote of the people?

**A. 3.** Yes.

**Q. 4.** Pertaining to City Recreation Department.

**A. 4.** It is my opinion that the City cannot now afford a full time Recreational Director, as has been suggested. I am in favor of such recreational facilities as the City can afford. It appears that funds now available might make it possible to construct a swimming pool. From time to time as funds are available additional recreational projects can be considered. Any City Recreational Program should be coordinated with the school recreational activities.

**Q. 5.** Sewage disposal plant.

**A. 5.** For a long-time program the City should have plans for a Sewage Disposal Plant, and the necessary new sanitary sewers. It may be necessary to have a referendum, or a vote, to authorize such improvements and provide for their financing.

**Q. 6.** Improvements made on a "pay as you go" plan.

**A. 6.** In most instances a "pay as you go" plan for improvements is desirable. There may be some emergency improvements involving health that may require some other kind of financing.

**Q. 7.** Extension of sewage system in Georgetown and Goldsboro.

**A. 7.** Yes. This is a very important, and much needed, improvement for the protection of

### Co. I Activated

(Continued from Page One) countered during his activation work in Florida.

Col. Maxwell Snyder, regimental commander, gave a brief history of the 124th Regiment and said that General Hutchison had enlisted in it as a private and had risen through the ranks to his present rating.

Col. George A. DeCottes gave a pep talk and stressed the importance of the National Guard as a factor of preparedness.

Capt. Roy Green who, with 2nd Lieut. Richard Brown, was sworn in to command Company I, expressed thanks to the City and Seminole County Chamber of

Commerce for giving the banquet. Including the guests, there were 43 present at the banquet according to R. P. Payne, executive officer. Guests included John Sauls, VFW district commander and James Singletary, commander of Campbell-Lossing Post 63 of the American Legion.

It was stated that efforts will be made to increase Company I to 188 men and seven officers. Drills will be every Thursday night at the Armory.

Men sworn in were: First

Bergeant Terrance V. Brown, Staff Sergeants, Edward C. Daniels and Howard A. Shrock, Sergeants, Ralph H. Geiger, Henry M. Jameson, Clarence O. Jones and Charles H. Powell, Corporals, Morgan C. Bernard, Walter E. Brown, Cecil R. Jones, Ralph L. Moran (who is Armory care taker), William H. Pugh and James E. Smith.

Other members of Company I are T-S Wilbur F. Bohannon, T-Albert S. Tucker, Pfc. Robert L. Brown, also the following priv-

ates: Donald E. Byarly, Noah W. Cogburn, Enrique P. Colmanaris, Joseph A. Irving, Walter G. Gardner, Raymond W. Hall, Porter H. Lanning, III, Nathan R. Myers, Keith B. Schumacher, Floyd M. Sjoblom, Otis A. Sjoblom, Talmadge E. Smith, Jr. and Lester L. Tillis.

The 124th Infantry of the Florida National Guard, was first in the country to be activated since the war. This took place Sept. 15, 1946. It was pointed out today by Sgt. Brown.

### Detroit Bar Keep

(Continued from Page One) thus far. His wife is charged with making out money drafts, police said.

Detroit prosecutor James H. McNally said Mrs. Jacobs admitted taking the money because of "love for my husband." When arraigned later on three counts of larceny, she pleaded innocent and now is awaiting trial, McNally said.

Jacobs has been living in the New York area in rooming houses and baths for the past two weeks, police said.

When Jacobs appeared in the police line-up today the only question asked him was how long he had been in New York. He reported that he had been there two weeks.

Following the lineup he was taken to the office of acting Lieut. Grover Brown, head of the forgery squad, where he was questioned. Police said his arraignment probably would await the arrival here of Detroit's district attorney.

the health and welfare of thousands of our citizens.

**Q. 8.** Municipal Zoo.

**A. 8.** Yes, but I would not favor any expensive or extensive improvements in the near future.

**Q. 9.** As a candidate for City Commissioner, do you have any constructive criticisms to offer regarding the present City Administration or its various Departments?

**A. 9.** No. If elected it is my purpose to continue careful consideration and study of the problems before the City Administration, after which I should be better qualified to make constructive suggestions.

**Q. 10.** A Civic Planning Board.

**A. 10.** Yes. A Planning Board of citizens could be a very vital and valuable part of the citizens' activities, not only in the civic activities but helping solve various vital problems that are constantly confronting the City Administration.

(Continued from Page One)

now covered," he said.

Recalling that business groups have maintained to the committee that a minimum wage boost would be inflationary, Nixon said: "I think the American people have heard enough of this calumnious argument—that a few dollars added to their income to help feed their children, provide medical care, put a roof over their heads, get a little education, etc., are inflationary.

"The same dollars, when they accumulate by the billions in corporate profits, are necessary to provide business with an 'incentive.' Workers like an incentive too."

### \$29,000 Taken From Refinery Paymaster

**HOSTON, Oct. 31—(AP)—**Four gunmen escaped with a \$29,000 payroll today after holding up the paymaster of the American Sugar Refinery Company in south Boston.

Police reported the men fled in a new black sedan. The quartet using cloth masks as masks, were armed with a sawed-off shotgun and pistols and were loaded in rough work clothes and welders' helmets.

Investigation showed the registration plate on the robbers' car had been stolen from an automobile in the Back Bay.

The hold-up came three on the heels of a \$108,000 payroll robbery yesterday at the Sturtevant Division of the Westinghouse Electric Corporation in Hyde Park and the two crimes bore considerable similarity.

### DOWN ON UNDIES

**LONDON, Oct. 31—(AP)—**A hardy Scotch physician, scoffing at the British male's sensitiveness to chill winter winds, launched a one-man campaign today to cut short one of clothing-rationed Britain's few remaining luxuries.

## British Haven Is Reached By Mikolajczyk

### Exiled Polish Leader Is Flown To London In RAF Airplane; Escapes Red Cordon

LONDON, Nov. 3. (AP)—Stanislaw Mikolajczyk said tonight he fled Poland through the Russian zone of Germany to the British area after learning that the Moscow-sponsored Polish government planned to sentence him and at least two other Polish peasant party officials to death.

LONDON, Nov. 3. (AP)—Stanislaw Mikolajczyk, leader of the wartime Polish government-in-exile, was reported in the House of Commons today to have reached Britain by air for sanctuary promised by the British government. Amid loud cheers, Christopher Mayhew, under secretary of state for foreign affairs, told Commons that "I have been informed that Mr. Mikolajczyk arrived in this country and was given leave to land."

Mikolajczyk disappeared from Warsaw two weeks ago. His whereabouts remained a mystery until today. The Polish government already had ordered an inquiry into his flight into exile. Mayhew reported that Mikolajczyk had landed at Manston Airfield, southeast of London in Kent county. There was no immediate indication as to the nationalities of those accompanying him. (Continued on Page Eight)

## Director Wilson Says Florida May Lead Food Raisers

JACKSONVILLE, Nov. 3. (Special)—"Florida, in my opinion, has possibilities for becoming one of the most important food production areas in the United States, if not in the world, but attaining that goal will call for close co-ordination, and intelligent, energetic planning on the part of State and Federal forces," said William L. Wilson, Director of Florida State Markets today. "For years the Nation has looked increasingly toward our vast Everglades for a good percentage of its late Fall, Winter and early Spring vegetables. Increased population in our urban centers, makes such supplies more and more vital."

During the next few weeks we will witness heavy damage to great crop acreages, and delay (Continued on Page Eight)

## Exhibition Matches Held At Mayfair

Despite threatening weather, a large crowd gathered at the Mayfair Inn tennis courts yesterday afternoon at 1:30 o'clock to witness three exhibition matches sponsored by the Sanford Bath and Tennis Club.

Buddy Behrens, National Intercollegiate Champion and National Junior Singles Champion from Ft. Lauderdale, defeated Enrique Buse, the Parvian National Champion, and Eastern Intercollegiate singles champion, 6-1, 6-1 in the feature match of the afternoon.

Ricardo Balbiera, National champion from Chile and Brazil, defeated Eddie Copeland, Rollins College coach in a close match, 9-7. In the final match Behrens and Copeland defeated Balbiera and Buse in the only doubles match of the exhibition. Behrens and Copeland coasted through a 6-3 set but were forced to extend the final set to win 7-7.

Charles Morrison occupied the first chair and was assisted by B. C. Steele, Clay Williams, Cecil Rhee and Hamilton Blaise as line-men.

## MAINE MENACE

PORTLAND, Me., Nov. 3. (AP)—One of Maine's many forest fires still constituted a menace to the towns of Whittemore and Machias today while a new one moved through heavy timber country far from any village. There still was no sign of sufficient rain to put an end to Maine's worst economic disaster, which has taken 10 lives and \$60,000,000 in property in the past two weeks.

## TYPHOON HITS YAP

GUAM, Nov. 3. (AP)—A typhoon with 100-mile winds struck the tiny island of Yap, in the western Carolines, today, causing severe damage to U. S. Naval housing, warehouses, dispensaries and other buildings. Sewerage was badly damaged by high tides. No casualties were reported here by the Navy.

## City And School Elections Will Get Public Attention Tomorrow

Polls will open at 7:30 o'clock tomorrow at the City Hall for the primary to nominate two City Commissioners. Voting will cease at sundown. Competing in Group No. 1 are John Krider, Jack Ratigan and Fred H. Williams. In Group No. 2 are M. J. Lodge and Randall Chase.

For the county-wide school election of trustees and the vote on school tax millage increases, the polls will open at 7:00 A. M. and close at 7:00 P. M.

Three school trustees will be elected. Candidates are: R. F. Cooper, east Sanford; Roy F. Howell, Lake Mary; Herbert A. Behrens and Mrs. George Harden, west Sanford.

Registered voters who pay taxes on real or personal property are eligible to vote in the school election, said Supt. T. W. Lawton.

Two school millage proposals are to be voted upon. One is to raise the millage levied for current school expenses from four to six mills. In order to meet State appropriations for this purpose a new two mill levy is to be voted upon. The County must appropriate \$100 for every \$300 allocated by the State for new building additions and equipment, he pointed out.

If this money is taken by the schools from their operations fund, it will be depleted and repairs can not be taken care of, Mr. Lawton declared.

In this election, west side voters in Sanford will vote at the Girl Scout headquarters on Commercial Street, and east side voters at the Tourist Center.

The following voting places have been designated outside of Sanford for the school vote: Lake Monroe, community center; Paula Stickle's Store; Oviedo, Town Hall; Geneva, community center; Chuluota, Myrtle Chalker's Store; Goldenrod, community house; Longwood, Town Hall; Lake Mary, Gleason's Store; Altamonte Springs, community center; Forest City, Plunkett's; Slavia, Stankov's Store; Fern Park, Barnett's office; Bear Lake, Ketchum's residence.

In accordance with City law, owners of places selling liquor (not beer and wine) have been notified to close their places of business during the hours voting takes place. It was announced this morning by Chief of Police Roy G. Williams.

## U. S. Reds Not To Affiliate With New Cominform

MOSCOW, Nov. 3. (AP)—The Soviet press published today a letter it said had been addressed collectively to Prime Minister Stalin by approximately 20,000,000 Soviet Youth League members vowing "full belief in the unshakable might of our motherland."

NEW YORK, Nov. 3. (AP)—The Communist Party of the United States says it has decided not to affiliate with the new Cominform at Belgrade, for fear such action would be seized upon by "reactionary and pro-fascist forces" in this country "as a pretext for new (Continued on Page Eight)

## Fire Is Reported At Wheeler Plant

The Wheeler Fertilizer Plant, at Oviedo rebuilt after the disastrous fire of last spring, was reported on fire at 2:30 o'clock this afternoon and Assistant Fire Chief Thomas at once sent the local fire department's booster truck to the scene.

It was unofficially reported from Oviedo that the fire had started in fertilizer stores in a corner of the new steel constructed building. The Winter Park Fire Department was also called upon to give aid to Oviedo volunteer fighters. At 2:45 o'clock firemen were reported to have the blaze partially under control.

## \$18,000,000 Is Trimmed From Florida School Debt In Past Ten Years

TALLAHASSEE, Nov. 3. (AP)—Nearly \$18,000,000 has been trimmed in the past ten years from the \$55,820,000 debt Florida counties ran up for school construction during and just after the boom. However, \$5,776,500 worth of bonds have been issued in the past two years for new school buildings to partially offset the total debt reduction.

Celin English State School Superintendent, said school bond interest rates had been trimmed from as much as 8 percent to 3 percent by a series of refinancing plans carried out under 1937 and 1939 laws.

When the 1937 School Budget Law was enacted, the counties owed \$55,820,000 of which \$4,417,288 was defaulted principal and \$1,653,475 was past due interest.

Since then, with strict state supervision of county school budgets, all past due interest has been paid and the defaulted principal has been cut to almost a negligible \$584,141.

"Except for unforeseen circumstances it has now become practically impossible for any default to exist," English reported.

He explained that income from the \$4,344,000 permanent school fund can be used for investment in county school bonds, and the State Board of Education is able to use it to refinance county (Continued on Page Eight)

## Peace Treaty With Germany Is Advocated

### Senator Vandenberg Demands Separate Peace If Council Deadlock Continues

ANN ARBOR, Mich., Nov. 3. (AP)—Senator Vandenberg (R-Mich.) today advocated a separate peace with Germany if the Council of Foreign Ministers remains deadlocked through this winter.

While granting qualified endorsement to the Marshall Plan, the Senate president pro-tem maintained that "Germany's restoration to viable autonomy is at the core of Europe's rehabilitation."

"It is infinitely preferable for the Council of Foreign Ministers to come to united terms," Vandenberg said in an address prepared for delivery at a University of Michigan convocation marking the centennial of Dutch colonization in Michigan.

"But I am saying that disagreement—here or elsewhere—cannot be allowed to postpone peace, rehabilitation and self-government forever," he added. "Peace must have priority."

Vandenberg also urged a change in the United Nations Charter under which the veto would apply "solely to the use of armed force."

He warned that American "communist attitudes which stand in our belief are incompatible with peace." (Continued on Page Eight)

## Roy Green, 53 Year Old A. C. L. Agent, Died Saturday A M

Roy Green, 53 year old commercial agent for the Atlantic Coastline Railroad, died Saturday at 4:00 A. M. at his home, 515 Magnolia Avenue following a lingering illness.

Mr. Green was born in Bradford, Fla. Nov. 27, 1893 and was a member of the First Baptist Church there. He was a member of the Kiwanis Club of Sanford.

Survivors include one son, Roy D. Green and a grandson, Roy D. Green, Jr., both of Sanford.

Mrs. John B. Lane, Tampa and Mrs. Paul Bridger, Charleston, S. C.; three brothers, Fred J. Green, Live Oak; Claude G. Green, Plant City; and H. Jackson Green, Jr., Daytona Beach.

The remains were shipped Sunday to Live Oak for funeral services in the Gowanse Funeral Home and burial in the Live Oak Cemetery beside his wife. The body was accompanied by his son and daughter-in-law, Erikson Funeral Home was in charge of arrangements.

## JAYCEE BARBECUE

Members of the Seminole County Junior Chamber of Commerce are requested to meet at the Tourist Center at 1:30 o'clock Wednesday to motor to Blue Springs for a barbecue. All persons who are not members and would like to become active are invited to attend the outing.

Walter Krohn has a full program outlined and the barbecue will be served from 6:00 to 7:00 P. M.

## Farm Bureau Protests Condition Of New Paving On Celery Avenue

A resolution calling attention of the State Road Department to the dangerous and abrupt drops on the shoulders of Celery Avenue following its resurfacing by a paving concern, was adopted Friday evening by the Seminole County Farm Bureau at its meeting and supper at the Future Farm Building.

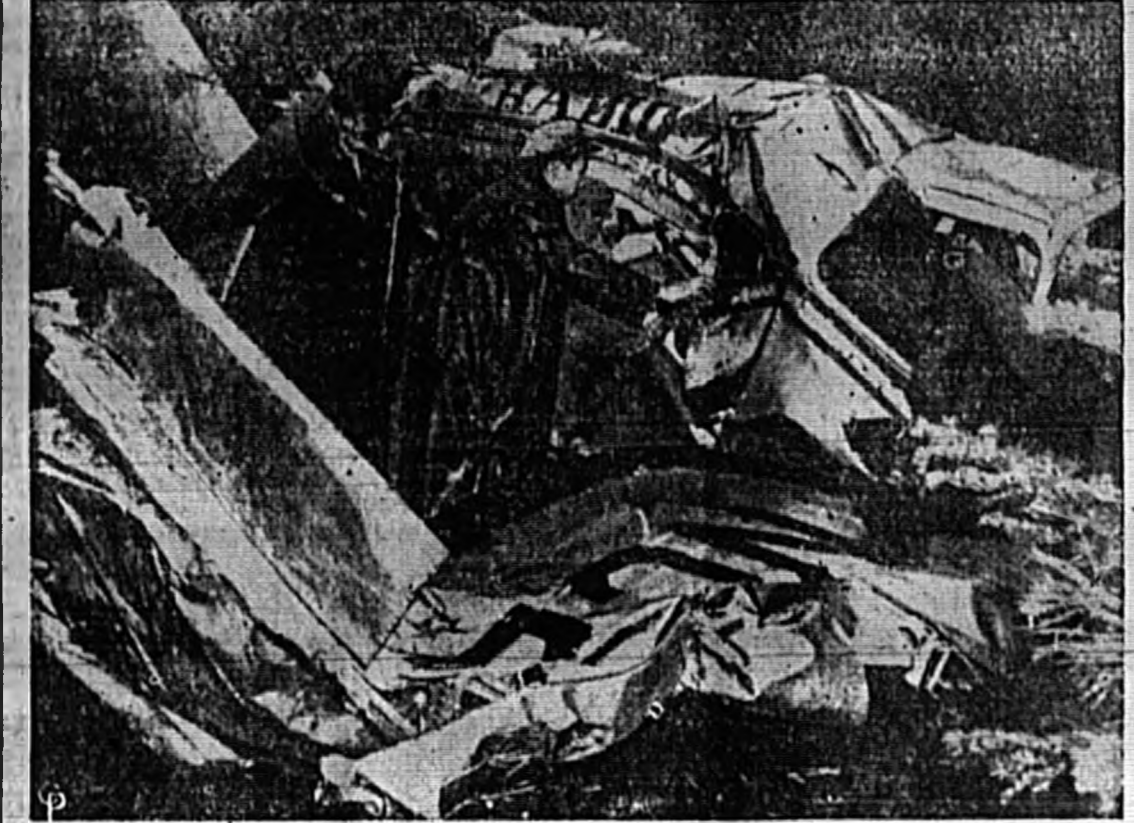

Francis Meriwether, local grower, was elected as president of the Farm Bureau and succeeded M. L. Cullum, Chase and Co. executive.

of the Florida State Farm Bureau, told of flood damage to vegetables in south Florida. He pointed out that local growers could benefit from the lowered south Florida vegetable production unless price ceilings are put into effect. He urged that membership of the Bureau be increased in order to cope with price ceiling proposals in Washington. He also spoke of the water control and conservation study now being done and advocated a five cent tractor gas refund, action on which, he said, had been blocked by politics.

A resolution of sympathy to the family of the late, W. M. (Continued on Page Two)

## Russia Rejects U. S. Proposal For Partition Of Palestine

### Where Oregon State Heads Died In Plane Crash

A State policeman is looking into the battered cockpit of the plane in which Governor Earl Snell of Oregon, Secretary of State Robert F. Farrell and State President Marshall Corbett died when the plane crashed while flying to a ranch near Lakeview, Oregon. Pilot of the plane, Cliff Hogue, also was killed. Speaker of the House John Hall was sworn in as Governor. (International Soundphoto)

## 12 Year Old Boy In Chicago Admits Killing 7 Year Old

Slaying Grew Out Of Argument Between Them On Cigarette

CHICAGO, Nov. 3. (AP)—Authorities announced today the mysterious brutal slaying of a seven-year-old boy had been solved by a 12-year-old boy's signed statement that "I killed Lonnie Felch last Oct. 18 in Thatcher Woods Forest Preserve."

Lannie's battered body was found in the preserve on Oct. 29, eleven days after he disappeared from his home.

Coroner A. L. Brodie said (Continued on Page Two)

## 14 Nazis Convicted For Crimes Charged

NUERNBERG, GERMANY, Nov. 3. (AP)—Fourteen German SS officers and a civilian who conducted the Nazi system of concentration camps where millions died were convicted today of war crimes and crimes against humanity. Three others were acquitted.

Sentences will be handed down later today. The language of the opinion of the American tribunal inveighed sharply against Lt. General Oswald Pohl, the leading defendant, that the death penalty seemed to be inapplicable.

Pohl was second only to Heinrich Himmler, the Gestapo chief, in prestige in the system.

## Mrs. F. A. Stone Declared Winner Of Grid Contest

Mrs. F. A. Stone was declared winner of The Herald pick-the-winner contest, sponsored last week by the Ted Davis Furniture Company, and will receive a cherrille rug.

Mrs. George Touhy was named second place winner and will receive a magazine rack given by the Ted Davis Furniture Company.

F. Bayard Smith, R. A. Smith and W. H. Duncan won third, fourth and fifth prizes of a pass for two given by the Ritz Theater.

All winners selected 12 of the 13 contests correctly, and were declared winners in the order in which the ballots were received. John Davis started picking 12 contests correctly, but his ballot was received after those who won prizes.

The Touchton Drug Company is awarding the first two prizes for this week. They are giving a Parker "51" fountain pen and a large box of candy. The Ritz Theater will give the third through fifth prize winners a pass for two.

## Road Department Offers Contracts

TALLAHASSEE, Nov. 3. (AP)—The State Road Department today asked contractors to submit bids Nov. 18 for 70 miles of road and bridge improvements in 11 counties.

The projects are located in Polk, Lake, Hamilton, Seminole, Palm Beach, Dade, Citrus, Levy, Hillsborough, Leon and Walton Counties.

Bids were asked on: Paving 6.89 miles of road, 434, Seminole county, between roads 600 and 15 and road 420.

## Circuit Court

Circuit Court of the Ninth Judicial District will convene all 10:00 o'clock Tuesday morning. The Board of County Commissioners and convene in regular monthly meeting at the same time.

## Hearing Will Be Held On River And Lake Flood Control Jan. 15

In connection with the recent announcement by Col. Willis E. Teale, district Army engineer, that Army Engineers have commenced studies on a plan to control waters through South and Central East Florida including the Everglades, Kissimmee and upper St. Johns River basins, Edward Higgins, manager of the Seminole County Chamber of Commerce today announced that parties interested in the St. Johns River project have had word from U. S. Engineers that a report based on the special hearings held this spring will be submitted to Washington on Jan. 15.

"It is very essential that reports concerning drainages of farm land, cattle ranches and orange groves and roads in cities and counties be in the hands of U. S. Engineers as rapidly as possible," Mr. Higgins declared this morning.

A meeting of county agents will probably be held next week (Continued on Page Two)

## Camp Guard Tells Of Shooting Of Four Convicts

BRUNSWICK, GA., Nov. 3. (AP)—Guy McNabb, 21-year-old Glynn county work camp guard, told today of shooting four negro convicts who he said headed for him after the camp warden fired at one of the prisoners.

Talking last, young McNabb repeated the story told by other defense witnesses about the killing of eight negro convicts 1st July 11. He accompanied 27 prisoners back to the camp he said, after they refused to continue work on a ditch because they were afraid of snakes.

The youthful witness was interrupted frequently by District Attorney J. Saxton Daniel. At one point, Daniel asked if McNabb had not heard the testimony of Russ (Continued on Page Eight)

## Minister Proposes Anti-Gambling Rule

JACKSONVILLE, Nov. 3. (AP)—A Baptist minister who is leading a drive against alleged gambling in Duval county proposed a program of action at a downtown mass meeting yesterday.

More than 3,000 persons heard the Rev. R. D. Ingle call upon church and civic organizations to demand enforcement of laws prohibiting gambling. He said a rule is in effect "requiring our police to report gambling activities to their superior officers" and urged demands be made to revoke this rule so policemen could make immediate arrests.

## John Sauls Attends VFW Council Meet

John Sauls, fifth district commander of the Veterans of Foreign Wars department of Florida, was among the 75 VFW leaders from all over the State who attended the VFW Council session Sunday at the Seminole Hotel in Jacksonville. Dept. Comdr. James Y. Wilson of Lake City presided.

Also attending were Junior Vice Commander Chester Whittle and past State Commander Roy Goyner, both of Orlando.

It was decided to hold the mid-winter conference in Ocala, Jan. 12-13. A resolution praising the work of the Congressional Committee investigating un-American activities, was adopted by the Council. Another resolution commended the sponsoring of athletic exhibitions by veterans organizations in the state under direction of an ex-service man who is not the holder of an honorable discharge from military service.

## BODIES FOUND

DELAND, Nov. 3. (AP)—The bodies of two men, who took off in a private plane from Orlando Oct. 24 and had not been heard from since, were found in the wreckage of the plane yesterday about three miles northeast of Lake Helen.

## RICH'DIES

ATLANTA, Nov. 3. (AP)—Walter H. Rich, 67, president of Rich's, Inc., one of the South's largest department stores, died today. He had been ill for several months. Rich became president in 1929 of the department store which his father founded.

## Soviets Insist British End Mandate By Next January 1 And Recall Army By May

By LARRY HAUCK  
LAKE SUCCESS, Nov. 3. (AP)—Russia today rejected American suggestions on methods of partitioning Palestine and instead demanded that the British end their mandate over the Holy Land by next Jan. 1 and withdraw all troops no later than May 1, 1948.

The Soviet Union, said there should be a transition period of no longer than one year between the termination of the mandate and complete independence for the projected Jewish and Arab states.

For this period, Russia would place responsibility for supervision under the United Nations Security Council.

Soviet delegate Semen K. Tsarapkin delivered the long-awaited policy declaration in a closed meeting of the "partition" subcommittee of the assembly's 57-nation committee on Palestine.

He said the Soviet Union could not accept the United States suggestion that Britain be entrusted with the task of administering the Holy Land pending independence "because the mandate has failed."

The American delegation had suggested that independence for the proposed two new countries should come by next July 1 with the British remaining until that time.

Tsarapkin insisted a transition period was necessary. He also suggested that the British should have only advisory powers.

Russia called for a 11-nation commission operating directly under the Security Council, with the same "countries" represented, to handle the transition and direct the settling of Jewish and Arab councils of government" in the (Continued on Page Two)

## Sanford Policemen Complete Course Given By FBI

Members of the Sanford police force and the Sheriff's department were awarded certificates for completion of a two-week course in crime detection and other police efficiency methods conducted here by the Federal Bureau of Investigation. The certificates were given at the barbecue for city employees at the Fifty Associates picnic grounds by W. W. Burke, assistant FBI agent in charge of the Miami Division.

Judge J. G. Sharon, who attended every class, was the first to receive a certificate and was commended by Mr. Burke for his assistance in conducting the course. Chief of Police Roy G. Williams and Sheriff Merz were (Continued on Page Two)
