

Detroit Riots Seem Over; 10 Other Communities Hit

By THE ASSOCIATED PRESS
The fury of mob violence continued today with at least 10 communities hit by fresh violence overnight despite pleas for quiet from Negro leaders. But in Detroit, the worst race riot since the nation's history, officials said the trouble seemed to be over.

"I think it's over," said Detroit Mayor Jerome Cavanaugh, signing "an agreement containing provisions for the over-all situation." He was joined in the signing by Dr. George Raymond and Dr. Martin Luther King Jr., the President's special deputy on the scene.

The day seemed peaceful for the first time in four days, but soldiers had Detroit under strict military control after several hours of sniping out of bursts of snipers.

The sniping still reached 30 during the night as the city turned to the task of providing riot refugees with food to survive. Most of those who lost their homes were reported living with friends.

In New York, where Spanish Harlem continued calm for the second night, a looting group of Negro teen-agers swarmed out of Central Park and struck at midtown shops along fashionable Fifth Avenue in a lightning fury. Twenty were arrested.

Chicago police combated scattered window smashing, looting and firebombing on the city's predominantly Negro area.

Innocent victims of the Detroit racial insurrection always were the children. Like this youngster standing in the charmed ruins of what used to be his home. (NEA Telephoto)

11 Soldiers Killed Reds Hit GI Camp, Airfield

SAIGON (AP) — Communist guerrillas unleashed a heavy rocket and mortar attack on an American infantry camp and adjoining airfield north of Saigon today, killing 11 U.S. soldiers and wounding 41.

At the same time two nearby South Vietnamese installations came under similar attack. South Vietnamese headquarters did not announce military casualties but said three civilians were killed and 13 wounded in one of the barrages.

Ground troops continued light as it has been for almost a month, and the reports of action were reflected by a slight decline in the weekly casualty figures. The U.S. Command said 184 Americans were killed last week and 1,422 wounded, compared with 175 killed and 1,452 wounded the week before. South Vietnamese losses were put at 182 dead and 323 wounded compared to 202 killed and 545 wounded in the previous week, while 1,700 Communist guerrillas were reported killed.

Interest Rate Hike Seen With New Loan

WASHINGTON (AP) — The Treasury Department's plan to borrow \$11 billion in new cash during the six-month period which ends in December is expected to boost interest rates.

It also could give a sense of urgency to President Johnson's proposal for a six per cent surcharge on individual and corporate income taxes which has not yet had a cool reception in Congress.

One reason for the surcharge would be to hold down interest rates and help stem inflation.

Some officials are convinced that without increased taxes the nation will suffer serious inflation later this year and early next year.

Treasury officials conceded Wednesday their plans for borrowing new money would represent an "obviously substantial demand" on the money market.

But Frederick L. Deming, undersecretary of the Treasury for monetary affairs, told a news conference the borrowing shouldn't have a tremendous impact on interest rates, which already have increased substantially in recent months.

He said the money market had anticipated an even higher figure.

The announcement of new cash needs, Deming said, was based on estimates of spending and tax receipts.

Deming said it indicated a slightly higher level of spending than Johnson proposed in his budget for the fiscal year which began July 1, and slightly lower tax collections as previously reported by Treasury officials.

The new money would supplement regular tax collections, which would be designed to make ends meet.

Solons Wait Out Kirk Action On Jr. College \$\$

TALLAHASSEE (AP) — The Legislature will stay in session to wait out action on an \$121 million junior college funding bill by the governor, House Speaker Ralph Turlington says.

Turlington said the Legislature would hold its time on other matters and stay at the capitol to shorten the length of time Gov. Claude Kirk has to act on the bill from 20 to five days.

He commented as State School Supt. Floyd Christian issued a new release saying that he was informed by Kirk that he would permit the supplemental spending bill to become law without his signature.

Providing the Legislature stays in session, that would mean the bill would become law Monday night. If the Legislature were to adjourn, noted Turlington, Kirk would have 20 days to act on the bill.

Christian advised junior colleges to prepare their budgets on the basis of the new funds. Some said it would still mean a \$25 million cut at most of the institutions.

TALLAHASSEE (AP) — The House finance and taxation committee defeated a \$3 billion bill which would have removed a sales tax exemption to raise some \$20 million for junior colleges.

Monday night, if the Legislature were to adjourn, noted Turlington, Kirk would have 20 days to act on the bill.

Christian advised junior colleges to prepare their budgets on the basis of the new funds. Some said it would still mean a \$25 million cut at most of the institutions.

Pretty Girl Indicted In Stepmother's Death

BRADENTON (AP) — A pretty 15-year-old girl was indicted for first degree murder Wednesday in connection with the June 11 death of her stepmother.

The indictment against Judith Sykes said she did not know that the alleged murder of her stepmother, Helen Rich, 46, was committed.

Mrs. Rich's death was originally ruled an accident. Police had decided she choked to death trying to escape from a first floor home. No autopsy was performed.

Police said Miss Sykes moved into the home of Mrs. Rich about one week before the fire. The state had not yet continued use of private detectives from the Wackenhut Corp.

The bill by Rep. Robert Rust, R-West Palm Beach, would make it a felony punishable by up to two years in prison to encourage rioting in Florida.

"There is only one power and that of the people," said Kirk, referring to continued rioting across the nation.

The re-draft leaves out the commission's proposals for an annual session of the Legislature, reduction of the voting age to 18, liberalizing bonding provisions and gubernatorial succession.

"This seems to me," said Senate Minority Leader C. W. "Bill" Young of Pinellas Park, "like we're doing away with what the commission has done."

Present plans call for the Senate to take up revision, considering all as a committee of the whole to take up revision, considering first a non-controversial version and then having "test votes" of controversial measures.

Sen. L.E. Edwards, D-Tallahassee, said he suddenly realized that the re-draft bill would have given Kirk powers greater than any other governor has had. He called the veto a "blatant disguise."

However, one senator, Miami Democrat Tom Spencer, introduced a bill to create a state police agency. He said 25 other states have it and all pending Florida crime legislation is designed to avoid the issue.

Ocean Liner Will Lure Tourists

LONG BEACH, Calif. (AP) — The oldest California city of 280,000 beats out New York City, Atlanta, Ga., group and scrap dealers all over the world for the ship that carried millions of persons across the Atlantic by air for travel as a luxury ship, is being sold by Cunard Lines and rival Disneyland as a lure for tourists.

The ocean liner, now too old to travel as a luxury ship, is being sold by Cunard Lines and rival Disneyland as a lure for tourists.

The city, whose bid topped 17 offers, plans to spend \$2 million to \$3 million to make the Queen Mary into a maritime museum, hotel and convention center.

The news Wednesday from London, where the sale was announced, created excitement among Long Beach citizens.

"She'll rival Disneyland," said Mayor Edwin Wick.

He predicted that the luxury liner will attract two million persons a year. She will rival Disneyland, Marineland and other Southern California facilities as a tourist attraction.

Wick, discussing comment in London that the proud old ship would become "an unfair spectacle," said it was an indignity in Long Beach harbor.

Forget Spouse, Return My Lion

LOS ANGELES (AP) — A circus animal trainer says her husband has disappeared with a 200-pound lion.

Adelle Sauer, a trainer for Ringling Bros., Barnum and Bailey circus, told police that her husband, Blazjak and the lion, Stanislaus, were gone when she awoke Wednesday.

Joe Peplone drove in three runs with two homers and Steve Whitaker two with a homer and single in New York's first game victory. Minnesota got its run on Bob Allison's leadoff homer in the first inning.

The nightcap threatened to go forever until Rod Carew walked in the 18th inning, score second, went to third on Yankee catcher Jake Gibbs' bad throw and a homer.

Mike Bunts His Way To Fame

Boston didn't get the acclaim accorded to his more publicized teammates, but when it comes to the little things that keep a team in the pennant race he doesn't take a back seat to anyone.

The rookie second baseman's latest contribution was a perfect squeeze bunt which sent the long run across and kept alive a six-run seventh inning rally as the Boston Red Sox snatched the California Angels' seven-game winning streak with a 4-1 victory Wednesday night.

"It was my own idea," Andrews said. "I started thinking about it as soon as the runner got to third. It was the first time I've squeezed home a run in the majors, but I've done it before in the Red Sox's training camp."

The Red Sox, trailing 4-1, scored two runs and had men on first and third with two out when Andrews pulled off his squeeze. Joe Foy followed with an infield hit, and Carl Yastrzemski lashed a bases-loaded double to clinch the rally.

Somebody in the notes Boston dressing room suggested that if Andrews had popped up to his feet instead of laying it down beautifully to landoff third baseman Woodie Held, he might not be quite such a hero.

"I'd popped it up I'd have just kept running," he said.

Manager Dick Williams agreed that it was Andrews' idea "and a hell of an idea." Even if it hadn't worked, the manager said, "he would have been a good shot."

But Andrews' real value to the Red Sox is his devotion to the team's training.

Gold Medals Galore For US At Pan Am

WINNIPEG, Canada (AP) — The United States entered the fourth day of Pan-American Games action today with 11 of 15 possible gold medals huddled up and its powerful track and field team set to explode onto the scene.

The talented U.S. swimming team Wednesday night accounted for five gold medals in an opening six-event program which produced two world records — by a couple of phenomenal kids.

Mark Spitz, 17-year-old wonder from Santa Clara, Calif., won the 200-meter butterfly in 2:06.4, shattering the world mark of 2:06.6 set by Australia's Kevin Berry in the 1964 Olympics.

Canada's 16-year-old Elaine Tanner snatched a string of five straight U.S. triumphs with a superb women's 200-meter backstroke effort of 2:24.4, smashing the world record of 2:24.4 set by South Africa's Karen Muir in 1966.

Miss Tanner also may defeat U.S. aquatic superstars in tonight's five-event program which includes the women's 300-meter backstroke.

"COGNAC" Williams agreed that it was Andrews' idea "and a hell of an idea." Even if it hadn't worked, the manager said, "he would have been a good shot."

But Andrews' real value to the Red Sox is his devotion to the team's training.

MIKE ANDREWS

Spolski On Sports

I've bet there are more than a few citizens throughout the state who'd give their promotional eye teeth for it.

Let's get back to the opening paragraph. All I want to know is... WHY?? I mean, why is it necessary for anyone to write or be at a meeting?

Let's think who we elected public officials? No one has to be a mental genius to know that this thing is costing us thousands of taxpayer dollars, and for what? About two weeks of maybe a month's use, that's what?

As an example... Seminole Hills is faced with a three, four, maybe five thousand dollar bill to install lighting. And why do they need lighting? For a baseball field, that's why my friends.

Need I tell you who's going to really foot the bill for those lights? Dig brother... dig just a little bit deeper.

Sure is a shame we don't have a good ball field around here, isn't it? Can't use the one at the Municipal Stadium, cause it's only for show.

Gracias, Amigo

I appreciate the note of thanks received from James E. Edwards, President of the Florida Sportsman's Association on our S.O.S. soundings on gun laws back on the first of June.

You're more than welcome, buddy, cause after spending a little time in the "big city (New York)" recently, I'm convinced that the only way we're going to beat back these things is to get the laws changed to "our side" and make it a little tougher on the crooks.

Most importantly, the law officers need additional strength, not only in appropriate legislation, but in additional numbers, too.

In NYC they now travel in the buddy system and have two-way walkie-talkies on their belt. And in watching the manager of mish-mash stroll down the avenue, I'd feel a little more secure in a Patton tank.

This'll give you an idea... A girl of about 17 whose hair must not ever have felt a brush or a comb, wearing a mini-skirt, Army GI hat and a "AND CARRYING A K&N&P" on her back. And that didn't include the three books walking by her side.

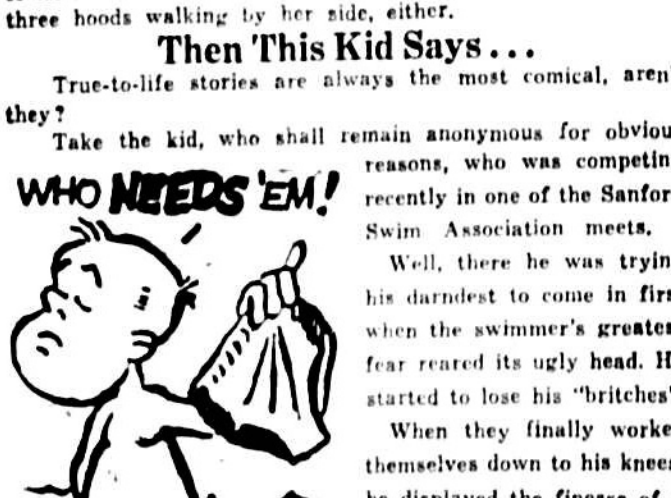

Then This Kid Says...

True-life stories are always the most comical, aren't they?

Take the kid, who shall remain anonymous for obvious reasons, who was competing recently in one of the Sanford Swim Association meets.

Well, there he was trying his darndest to come in first when the swimmer's greatest fear reared its ugly head. He started to lose his "bristles." When they finally worked themselves down to his knees, he displayed the finesse of a hulaquee queen, when he flipped his hips, and away went all cover of modesty.

When they finally worked themselves down to his knees, he displayed the finesse of a hulaquee queen, when he flipped his hips, and away went all cover of modesty.

WHO NEEDS 'EM!

I mean, after all, THIS KID WANTED TO WIN, DIDN'T HE?

He finally did come in second, and a shower of towels from concerned teammates.

And then comes this voice from the group of excited kids saying, "It sure is nice that he wasn't swimming the backstroke!"

WE ALL GOT OUT OF THERE... FAST!

S.O.S. NOTEBOOK SCRIBBLINGS

Sanford's banners were waving in four different cities this past weekend, all through the efforts of the Sanford Swim Association. The "A" team was in Galvestone with the "B" squad performed at Eau Gallie, Rosemary Walt was up in Tifton, Georgia at a diving meet while Maureen Scott was hoping to place either individually or onto a team at the Junior Olympics at Ft. Lauderdale.

For a young organization, they're doing a fine job and are to be commended for it.

How about today's crazy cartoon? Surely wish I could draw more than a straight line or a glass of beer. All of the girls be one of the best around the country... (and he's so young, too, as Jack Benny would probably say it)

PURELY PERSONAL... I know of more than a few folks who are going to be huffing more than the Hostessville Trolley when they get out onto that football field for practice. Come on and get in shape. Take a lap or two around the track. You realize of course that you high school football... as you only two weeks away from your first day of pre-draft year?

Seminole's first practice is Tuesday, Aug. 16, at 2 p.m. More than 70-80 applicants are expected.

Pirates Top LA, Cards Roll Cubs

By ASSOCIATED PRESS

Bob Veale, weary from having struggled through a complete game just five days ago, pitched Wednesday night that he just couldn't turn the trick twice in succession.

With Juan Pizarro waiting in the wings, it couldn't have mattered less.

Veale, still relying his first complete game in 16 starts on July 21, held Los Angeles at bay for 7 1/3 innings in the Pirates' 4-2 victory Wednesday. But then the familiar signs of non-completion set in and in came Pizarro to protect the big left-hander's 12th victory against the first-place Cubs.

Julian Javier drove in three runs, two with a homer, and Lou Brock stole two bases and scored twice. Nelson Hays, 5-4, was the winner, but needed ninth inning help from Jack Lamabe and Joe Horner.

PGA Champ Is Favored

MINNEAPOLIS (AP) — The \$100,000 Minnesota Golf Classic opens today with defending champion Bobby Nichols and PGA champion Don January favored to top the field of 144 pros on the new Lullwater golf course.

First prize money for the 72-hole event is \$20,000.

Following Wednesday's pro-am tournament clubhouse conversation ruled it will take a 202-282 to win the classic over the par-72 course.

Main challenge will be the unflinching greens.

The case of the five holdouts of the Cleveland Browns, which has altered the interest of most everyone in pro football, may switch from an all-for-one and one-for-all to a one-for-one situation Friday.

The case pits Art Modell, owner of the Browns, against John Wooten, a guard from Cleveland, Leroy Kelly, a running back from Morgan State, John Brown, a tackle from Syracuse, Mike Hassell, a defensive back from Grandblain and Sid Williams, a linebacker from Southern University.

Their attorney is scheduled to meet Friday with counsel for Modell in a second attempt to reach a settlement. The five were scheduled to report to training camp last Saturday, but didn't show. They face \$100,000 a day fines until they report.

Advantages Of Agriculture Cited By State Aide

By STAFFORD DERRY
 It is time that the American people—especially Floridians—start to think in positive terms of the very real advantages that agriculture in all its aspects has brought to the nation.
 This was the theme of a talk by Carroll Lamb, chief of the market promotion section of the Florida Department of Agriculture, substantiated by hard facts and enlivened by a very ready sense of humor at the weekly meeting of the Kiwanis Club in the civic center yesterday.
 Among the real advantages that Lamb listed on the credit side of the agricultural journal were:
 1. Production efficiencies and ingenuity in agriscience that "enables the American family to spend less of its income on food than anyone else in the world. We spend 22 per cent of our income on food, whereas the world average is about 80 per cent."
 2. "Our productive agricultural not only releases money to buy luxuries. It also releases people to give us many professional services." The agricultural expert glanced at the large audience of business and professional leaders and added:
 3. "Many of you here today would not be enjoying your profession if you lived in Russia—because you would be required to work at the government farms."
 And Lamb would not have people think of agriculture in terms of surpluses or scandals. He de-bunked the idea of overproduction and giant surpluses with two illustrations. First he stated that 1,700 million people go to bed hungry every night and then balanced this with the fact that "if it were possible to distribute the surplus food we have in the United States to the hungry people of the world it would amount to the equivalent of only two

recups of food for each hungry person once every 17 days."
 He also touched on the matter of marketing—especially the supermarkets and gave this illustration of fuzzy thinking about food costs: "There is a story about a typical shopper who went into a supermarket and bought a vast array of non-food items—perfume, tooth paste, hair dye, hair spray, nylon hose, stereo records, medicine and a bunch of celery. When she went through the check out the bill came to \$27.37 and she said to herself, 'My, these farmers are getting rich. Yet only one farm product was purchased.'"
 "It's time," emphasized Lamb, "we stopped saying the last rites over agriculture but

ART BROWN (left) program chairman, and Carroll Lamb, Florida Department of Agriculture, speaker, ready for the weekly meeting of the Kiwanis Club in the Civic Center, yesterday.

instead begin counting the many, many blessings of agriculture. For American agriculture is the most productive in the world."
 This program was arranged by Art Brown and was chosen as a part of the national observance of "Agriculture Week" by Kiwanis International. The Kiwanis club also celebrated with a bumper crop of new members. These are Harold Brooks, James Anderson, Alex McKibbin, Curtis Story, William Phillips, "Red" Hardisty and David Orin.

Pope Resting At His Summer Vacation Home
 VATICAN CITY (AP)—Back from what he depicted as a wearing but satisfying journey to Turkey, Pope Paul VI settled today into his summer vacation routine of rest and study.
 The Pope was driven directly to his summer residence at Castel Gandolfo, south of Rome, after debarking from the jetliner that brought him home from Turkey Wednesday night.
 "We are a little tired," the 68-year-old pontiff told a crowd of greeters at Castel Gandolfo only a few hours after he returned around the ancient Christian ruins of Ephesus, Turkey, in a 100-degree heat.
 The Pope said he would take "a few moments of rest," then "turn to the much, much, much work" still ahead of him.

Prison Snafu Frees Convict
 JOHN MONROE OSBORN says he was very puzzled when authorities at the state prison in Jefferson City released him.
 He didn't ask questions and returned to his parents' home in Springfield.
 His attorney, Charles A. Moon, said the 21-year-old Osborn was told that his two sentences on burglary and straying charges had been commuted by Gov. Warren E. Hearnes.
 An investigation later revealed a snafu in the records at the penitentiary. Osborn should not have been released.
 When he found out, Osborn decided to return voluntarily. He made plans today to take a bus back to Jefferson City.

Student Held For Murder
 MIAMI (AP)—The murder of a man whose dismembered body was found floating in Biscayne Bay June 3 has been charged to a University of Miami drama student, David Katz.
 The 21-year-old Katz was arrested and charged Tuesday with the slaying after the body was identified through fingerprints and dental records as that of Henry Evers, 59, a commercial fisherman from Marathon.
 Katz was arrested at a Miami restaurant as he worked with his father.
 Dade County sheriff's deputies said Evers' death stemmed from a domestic quarrel.
 The charge against Katz alleges he shot Evers several times with a .22 caliber rifle on June 2 at the home of Betty Evers, the dead man's estranged wife. There was no mention of the operation in which Evers' body was methodically dismembered before it was dumped into Biscayne Bay.
 The dead man was identified shortly after Mrs. Evers, 37, visited the office of State Atty. Richard Gerstein.
 The arrest ended speculation that the slaying was linked to a wave of gangland violence in the Greater Miami area.

Fire Victim's Father Jailed
 CHESTER (AP)—Pressie Harper began serving a three-year prison sentence today on convictions of moonshine and parole violations.
 He had been given time off before the sentence began to take care of funeral arrangements for his son, Donald Ray Harper.
 The younger Harper was among inmates burned to death in the prison camp fire last Sunday at Jay.

7 Die In Fire
 MEXICO CITY (AP)—High tension wires fell on a bus when it knocked down a power pole on the outskirts of Mexico City. The bus burst into flames, killing seven persons inside and injuring 24 other passengers.
 Oliver Cromwell, a commoner, was once ruler of England.

Quick-Lytle Engagement Announced

Mr. and Mrs. John A. Quick of Deland are announcing the engagement of their daughter, Cindy Lou, to Charles Arthur Lytle, son of Mr. and Mrs. Arthur Charles Lytle Jr. of Sanford.

The bride-elect is a graduate of Deland High School where she was a member and officer of the Wheelie Club and participated in the commercial business education program. Miss Quick is presently attending Daytona Beach Junior College where she is majoring in business.

Mr. Lytle, also a graduate of Deland High School, is attending Daytona Beach Junior College with plans to major in engineering. At present he is a member of the musical group, "The Tackling Roadrunners."

No date has been set for the wedding.

College News

Miss Jimmy Louise Stankley, daughter of Mr. and Mrs. James M. Stankley, 2102 Country Club Road, is an honor student at David Lipscomb College, Nashville, Tenn.

She has qualified for the Honor Roll of students making a 2.5 grade point average or above in a 4.0 grading system.

A freshman following a program in elementary education, she is a 1966 graduate of Seminole High School where she was secretary of the Spanish Club and reporter for the newspaper.

MISS JIMMY LOUISE STANKLEY

Miss Vickie Osburn Bride Of Dennis D. Hall

Miss Vickie Sue Osburn, daughter of Mr. and Mrs. Grant C. Osburn, Sanford, and Dennis Dale Hall, son of Mr. and Mrs. George R. Hall, Whiteville, N. Y., were united in Holy Matrimony Saturday, June 17, at 2 p.m. at Sanford Alliance Church.

Rev. G. Blair McCarvey officiated at the double ring ceremony before an all white altar flanked with greenery, potted palms and four baskets of white and yellow gladioli and carnations.

Organist, Mrs. G. Blair McCarvey, presented a program of musical music and accompanied by Mrs. Bill Wilson, who sang "Each for the Other" and "Because."

MR. AND MRS. DENNIS DALE HALL

gays tipped the color of their dresses. The accessories and corsage of white carnations.

Following the ceremony, a reception was held at the Sanford Woman's Club. The bride's table was overlaid with an imported Irish linen table cloth. A traditional all-white, four-tiered wedding cake was placed at one end of the table. Crystal centerpieces and an arrangement of mums and greenery was used as a centerpiece. Pineapple-time sherbet punch was poured from a crystal punch bowl at the other end of the table.

Mints, nuts, cake and punch were served to the guests by hostesses, Mrs. Betty Jack, Mrs. Fay Lee, Mrs. Arla Patton, Mrs. Ida Smith and Mrs. Lydia Dean, aunt of the groom.

Floating hostesses were Diana Jack, Pat Weldon, Mertie Harris and Linda Patton. Mrs. John Charles Burgess kept the bride's book.

For traveling, Mrs. Hall chose a smart brown and white three-piece suit with beige accessories and the detachable rose corsage from her bridal bouquet. The bride couple is residing at 1812 Mellonville Avenue, Sanford.

Among the out-of-town guests were Mr. and Mrs. George E. Hall, parents of the groom, and Judy Hall, sister of the groom, Whiteville, N. Y.; Mrs. Margaret Adhern, grandmother of the groom, and Mrs. Lydia Dean, aunt of the groom, New York, and Miss Joan Ann Davis, cousin of the bride, Redsville, Ohio.

Military Ceremony Unites Lt. (jg) Ward, Lt. (jg) Schaefer

LT. (JG) AND MRS. WILLIAM T. SCHAEFER

Josephine Carole Ward, Lt. (jg), USNR, daughter of Cdr. (Ret.) and Mrs. Arvell Bruce Ward, Arlington, Va., and William Thomas Schaefer, Lt. (jg), USNR, were united in Holy Matrimony, July 15, 1967, at 11 a.m. at Orlando Air Force Base Chapel.

Chaplain Kilian T. Holland, Lt. (jg), USNR, was the officiating clergyman at the double ring ceremony which was solemnized in accord to full military ritual before the altar accented with potted palms and pedestal baskets of all-white floral arrangements.

Organist, Mrs. Anna Cameron, presented a recital of appropriate musical selections, given in marriage by her father.

the bride chose for her vows a formal two-piece design floor length gown of silk shantung lined with tulle and carried a non-showering tiara. The bride wore a sleeveless, scoop-neckline and Allure skirt. Her hair was styled in a classic bouffant and she carried a formal cascade of white daisies interspersed with baby's breath and tuberoses.

Miss Cecelia L. Ward, Arlington, Va., attended her sister as maid of honor, attired in a floor-length gown of pale yellow silk organza embellished with applique.

For her daughter's wedding Mrs. Ward chose a fine green cotton crepe suit. Mrs. Schaefer, mother of the bridegroom, was attired in a gold two-piece ensemble.

Immediately following the ceremony, Orlando Air Force Base was the site of the elaborate reception.

For traveling the bride wore a white brocade dress and coat ensemble complemented with matching accessories and the detachable corsage from her bridal bouquet.

Following a wedding trip to the Bahama Islands, the newlyweds are residing at Longwood with both the bride and bridegroom attached to Sanford Naval Air Station.

Among the out-of-town wedding guests were Mr. and Mrs. William L. Smith, Detroit, Mich.

DOWN WITH DANDRUFF

If you're a summertime dandruff type, someone who is troubled by the pesky flakes of dandruff when drying sun and moist humidity get at hair and scalp, it's a good idea to use a special shampoo. There are a number of good shampoos that leave hair manageable and take care of dandruff at the same time. One is antibacterial and antifungal and is also good for tinted and dyed hair.

Shower Honors Miss Eleanor Duda

MISS ELEANOR DUDA, seated center, bride-elect, was guest of honor at a recent pre-wedding shower at St. Luke's School, Slavia, Searsville, Fla. The trip was most enjoyable but they are also glad to be home again.

Miss Eleanor Duda, bride-elect of Bruce Duda, Jr., of Slavia, Fla., was the guest of honor at a pre-wedding shower held recently at St. Luke's Christian Day School annex.

The bride's table was overlaid with a beautiful hand embroidered avocado green linen cloth made by Mrs. Duda's mother, Mrs. Ferdinand Duda. Roses arranged in a crystal vase were used as the centerpiece.

Miss Duda was presented a yellow orchid corsage and a four-size automatic toaster by the hostesses.

Assisting in the opening of the hostesses' gifts were Miss Susan Duda and Miss Elaine Duda, sisters of the bride-elect. Among the 30 guests present was Mrs. Ferdinand Duda, mother of the bride.

Refreshments of finger sandwiches, pastries, nuts, mints and lunch punch were served from a beautifully appointed table overlaid with a white linen cloth. The centerpiece of yellow and white daisies and stock was flanked by silver candelabra holding lighted white tapers.

Hostesses for the party included all aunts of the bride, Mrs. J. L. Duda Sr., Mrs. James Colbert, Mrs. J. L. Miller, Mrs. Andrew Mikler, Mrs. H. Pempers, Mrs. Paul Mikler, Mrs. A. Duda Jr. and Mrs. George Jakubec Sr.

By Mrs. Ritchie Harris

Mr. and Mrs. Paul Winkler and daughter, Paulette, Kathy and Cynthia, and son, Randall, of Louisville, Ky., are visiting his parents, Mr. and Mrs. Frank Winkler. The group visited Cape Kennedy Space Center and other points of interest in the state while here.

Mr. and Mrs. Raymond Lawson of Osteen are having a nice visit with their daughter, son-in-law and grandchildren. Mr. and Mrs. Gene Meeke, of Norfolk, Va., they have visited other relatives in Ohio.

Miss Connie Sellers, daughter of Mr. and Mrs. Cecil Sellers, left Thursday by jet from Orlando for California to attend the wedding of her cousin, Terry, son of Mr. and Mrs. Kirby Sellers, of Sims, Calif. She will remain for a visit with her aunt and uncle, Mr. and Mrs. Kirby Sellers, who are former residents of Enterprise.

Short Cuts To Easier Summer Housekeeping

Leisure and time for relaxation depend on schedules—plans for work and fun that can easily be set up and adhered to. Even the children can suggest plans, agreeable to their interests, that can be dovetailed with mother's. A pattern may help plan a schedule that will work well, and the busy homemaker in accomplishing necessary household chores, and leave plenty of time for rest and recreation. Here are a few of the suggestions:

Washing — Between loads do the bedspreads. If you have a big wash, finish it after lunch and get the children to help you hang out the clothes if you haven't a drier. While the clothes are drying, as you take them from the line or drier, fold those that need no ironing. If you plan to iron the next day, sprinkle the clothes that need it and store them in a plastic bag in your refrigerator.

Ironing—Keep this to a minimum by folding T-shirts, sheets, towels, and underwear. Durable-press finishes are making everyone's life easier, so buy as many clothes as possible that need no ironing.

Cleaning the bathrooms, kitchen and halls — Vacuum these first... clean tub, basin and toilet, then wash the bathroom floor... clean refrigerator. Now do the kitchen floor.

Dear Abby: By Abigail Van Buren

DEAR ABBY: Our 15-year-old, six-foot, 200-pound son got a girl from a neighboring farm last week. She is also 15. We have strict orders to stay away from her, but it seems he didn't. Her people claim it's our fault.

I talked with a judge in the city, and he said there is a law that says if a man owns a bull he is responsible for keeping the bull locked up. And if the bull gets loose and goes into a neighbor's pasture and breeds his dairy heifers, the owners of the heifers can sue for damages because they should have kept their heifers locked up. My friend, the judge, says the same law applies to people. Have we a case?

OHIO FARMER: DEAR FARMER: A man's son is not a bull, neither is his neighbor's daughter a heifer. I can't practice law, but I think you a friend, the judge, gave you a bum steer.

DEAR ABBY: I am only the grandmother, but I want to know if I have any right and keep my mouth shut when my son-in-law abuses my four-year-old grandson. It hurts my heart.

Jacoby On Bridge

Strangely enough the best way to save time at the bridge table is to stop and think. This is a paradox. It means that you should be thinking early and get it over. Then you can play the rest of the hand quickly.

South reversed this procedure. He was in a hurry to think about the first trick. South had to follow suit.

West continued with the queen of clubs and dummy South didn't stop to think. He played the king from dummy. East ruffed and returned the queen of hearts and all of a sudden South had a problem.

Two tricks were gone where there were potential losers in each red suit.

South thought awhile. Then he thought some more. Then he pondered. Then he commended with nature. Then he dugested. Then he decided to lead in both hands. East led

Beauty after Forty
Edyth Thornton NicLeod

DEAR EDYTH: I work but maintain a small house with a yard as well. My daughter, age 20, has a little boy born out of wedlock. He's 2. My daughter will not marry the man responsible for the child. She wants to go to college and will work to pay her way. I have been badly criticized by my neighbors for allowing her to remain here with her child. I've thought of telling her to leave, but when I look at the little one I hesitate. I fear for his happiness because of the neighbors. Please discuss this. I need some advice. Mrs. T.

I would move! Keep your daughter and the little boy with you. A new neighborhood will be best for all concerned and don't tell your neighbors where you are going. Have a definite understanding with your daughter. She must remain at home to care for the child, care for the house for you, and no more "romances." I have been selling that she has learned her lesson. She can study at home and go to evening classes as the city from which you write has good

Why do school, city and county officials think they deserve a raise every year?
Does Christ give his employees one every year?
Do the electronics firms? Do the banks?
Come to think of it does the Herald?

I'd like to know what made John Filapovich switch his mind about giving the Assistant Agricultural agent a raise? I thought he could stand the pressure.

I guess I was wrong!
School Board member Jim Birkemeyer said yesterday he was not going to rubber stamp any budget.

He did mention something about last year's tax increase and about obligation to cut... but he was rather meek.

A CONVERSATION WITH JIM BIRKEMEYER
REPORTER - I thought you were going to raise the roof on the budget?

The County Commission spent all day yesterday going over three budgets which probably totaled a few hundred thousand.

Oh yeah, said the board member... He said he would like to see the board member's list of what he would like to see cut.

I dropped my pencil, banged my head against the desk... the blood gushing down my face and there wasn't a handkerchief in the whole place.

Took a tour with DeWitt Matthews of the Sanford Atlantic Bank Building yesterday afternoon... There's a "new look" on the inside as well as out.

Close to \$50,000 in renovations going on... Architect John Burton's suite on the fourth floor looks great... \$35,000 worth of fixing up now going on... Will be finished in four weeks.

Renovations wrapped up on Architect Eoghan Kelley's office as well as some alterations on the sixth floor... (No names please) (Why?) (That's the way business!)

Anyway, State's Attorney Dominick Saffi will have three rooms on the third floor and according to Plaza officials... The plans approved by the officials will follow those used for the new theater being constructed in Winter Haven by Carl Floyd, theater chain owner.

Most school authorities seem to feel that teachers (despite the fact that they belong to PEA) are too smart to strike when the call to open the school term is given. But many are taking a long look at the provisions of the "continuing contract."

School Budget OKd

The County School Board in brief session last night gave its tentative okay to a \$12,517,872 budget for this fiscal year and agreed to hold the millage at the present rate. Last year's budget was \$9,602,888 and the millage at 12.07.

School board members spent less than an hour reviewing the budget as Administrative Assistant Walter Teague went over operating expenses and capital improvements of the school and junior college budgets.

Total appropriations for the schools was set at \$8,208,018, out of that, \$5,568,394 will go toward instructional and principal salaries. All teachers and principals were given a 4.25 percent pay raise this year.

Administrative appropriations total \$2,500,000 while capital improvements including construction of three new schools was set at \$1,809,764.

Another capital improvement was \$175,000 for vocational building at the junior college site and \$111,000 for 27 portable buildings.

Bulletin

Four juveniles were arrested in Winter Park this morning charged with breaking into the Sanford Music Store on French Avenue and stealing over \$2,000 worth of musical instruments.

Chief Ben Worth reported that Lt. Charles Fagan and Patrolman Jerry McArthur made the arrests. The break-in occurred early Wednesday morning.

William Reek, show chairman, said that all spaces are taken for the show and the public is invited to view the prize-winning displays through 9 p.m. tonight and from 10 a.m. till 6 p.m. Saturday.

Judging will be under the direction of Prof. Thomas Peterson, Rollins College art department instructor, with assistance from Mrs. Rosemond Chapman, president of Sanford Art League.

Art will be judged in four categories, including oil and acrylics, crafts, photos, charcoal and pastels, and ceramics. A prize of \$75 will go for "Best of Show." First place prize for each category will be \$25. Ribbons will be awarded to second and third place winners in each.

Construction will get under way next week for the Sanford Plaza "shopping" center according to Plaza officials.

The plans approved by the officials will follow those used for the new theater being constructed in Winter Haven by Carl Floyd, theater chain owner. New innovations will include the fact that they belong to PEA) are too smart to strike when the call to open the school term is given. Gives Ag Man Salary Hike

Apparently according to "advice" of the Seminole County Farm Bureau, the County Commission this morning reversed its position and by a vote of 4-1 approved a \$1,200 salary increase for the assistant county agricultural agent.

County Sets Hike In Fees For Landfill

Seminole County's Agricultural agent will be placed back on a self-supporting basis with a four-step jump to the maximum annual wage of \$7,644 permitted under the county pay plan as Commission Chairman John Alexander announced yesterday.

The board also agreed to increase the landfill fee from \$1.00 to \$1.25 per ton. The increase will be phased in over a period of 20 years.

Commission Chairman John Alexander said the increase in the landfill fee would not be a self-supporting basis with a four-step jump to the maximum annual wage of \$7,644 permitted under the county pay plan as Commission Chairman John Alexander announced yesterday.

The Commission in one action approved the past week's four-step increase in landfill fees and then changed position by a 4-1 vote to moderate the increase to \$1.25. Maintaining position for the full increase was Commissioner V. Lawrence Swafford.

Under the new schedule of fees the county would have some \$20,000 annually to put toward purchase of new land fill areas when the present areas are depleted.

Operating budget tentatively approved for the program was \$49,400.

Costs in maintenance department budget for the department at \$49,278 from the \$50,914 requested by the department.

County Judge Karlton Carter said he will not grant the latest maintenance department proposal to limit the request of 8 cents per hour for a laborer's salary brought the fee of Commissioner V. Lawrence Swafford.

Swafford's remark, "I can't buy cake for cents an hour away from a working man and say the rates. We must have a man of his ability to see up with scientific studies in agriculture. This would be a great buy for Seminole County."

"We're referring to the county agriculture department," Swafford said for a janitorial worker.

Leesburg In Peril
LEESBURG, Fla. (AP) — A Seminole County landfill bank near Leesburg is being closed, creating a serious problem for the city.

The bank, which has been in operation since 1954, is being closed because of the need for expansion of \$100,000 for new radio equipment to permit hiring of two additional investigators and for placing all employees of his department at the minimum step in the county pay plan.

Total salaries in the record budget is \$139,250.

Conditions warrant.

SWAFFORD'S REMARK: "I can't buy cake for cents an hour away from a working man and say the rates. We must have a man of his ability to see up with scientific studies in agriculture. This would be a great buy for Seminole County."
