Aftermath Of Car-Train Smash-Up In Oviedo Monday Night. (Herald Photo)

Negro Injured As Car Rams Train In Oviedo

An Oviedo Negro resident escaped serious injury Monday night when his car rammed the side of an Atlantic Seaboard train as the train was pulling out of the Oviedo Depot.

The driver, Leroy James, was listed in "good" condition at Seminole Memorial Hospital today. Florida Highway Patrol Trooper Bill Stringfield said James suffered a fractured hip in the mishap.

Stringfield said that apparently James saw the train pulling out of the depot and tried to beat it across the tracks on S. Central Ave.

The train was going at a slow rate of speed and "that probably saved James' life," Stringfield said.

James was charged with reckless driving.

Hit-Run Accident Leads To Arrest

A Midway man was arrested Monday in connection with a hit and run accident at 1101 W. Third St.

James Hardy Lee of Richmond Ave., Midway, was charged with failure to have his vehicle under control and failure to stop and render aid and give information.

Mrs. Florence R. Dieselrod told Sanford police that her car was parked in front of her 1101 W. Third St. home when another auto hit it, knocking it across the street.

Mrs. Dieselrod was charged with parking on the wrong side of the street.

Firing Squad Pictures Win Pulitzer For Lopez

NEW YORK (UPI)—Fourteen winners of Pulitzer prizes for 1960 were announced Monday in the fields of journalism, music and letters.

Andrew Lopez, 80, veteran photographer of United Press International, won the news photography prize for a series of pictures on the Cuban revolt.

Lopez's photographs showed Cuban army Cpl. Jose Rodriguez receiving the last rites from a priest at Matanzas, Cuba, on Jan. 17, 1960, after being sentenced to death by a Fidel Castro tribunal for war crimes.

Immediately after Lopez's series of four pictures was taken, Rodriguez was placed against a wall in the courtyard of San Gerardo Castle, but received a 36-hour reprieve before the firing squad shot him. He was executed on Jan. 18.

The Broadway musical "Fiorello," based on the life of the late New York Mayor Fiorello H. La Guardia, won the drama prize. It was the third time in the history of the Pulitzer prizes that a musical won. "Of Thee I Sing," in 1952, and "South Pacific," in 1958, were the previous named musicals.

Chessman Rites Are Held

SAN QUENTIN, Calif. (UPI)—Caryl Chessman, who ended his 12-year-battle for life with a smile and a wink Monday in the gas chamber at San Quentin Prison, was cremated today without ceremony just 24 hours after his execution.

The 38-year-old red light bandit died without knowing that he missed his ninth reprieve from death by seconds.

Except for a late appeal and a mangled telephone call, the life of Chessman might have been spared again, at least for an hour.

But hydrocyanic gas doesn't account for error. It goes to work immediately—as it did on the man "who never killed anyone," but was convicted on 17 counts of kidnap, robbery and forced sex perversion against two women.

Federal Judge Louis E. Goodman in San Francisco was trying to reach San Quentin to grant a one-hour stay when the cyanide pellets splashed into a vat of sulfuric acid.

Attorneys George T. Davis and Rosalie Asher reached Goodman just moments before the scheduled execution at 1 p. m.

Alta Celeste Hickey, Goodman's secretary, got the number of the prison from the judge's law clerk but copied it wrong, getting only four digits instead of five.

At 10:01 a. m. she dialed the wrong number. She then got the correct one and reached San Quentin at 10:03 a. m.—the minute the pellets dropped.

Goodman said the call was "just too late," but he indicated that Chessman would have been granted only an extra hour of life because there was "no merit" to the last-second plea.

The convict went to his death, still denying he was the "red light bandit" responsible for the series of crimes in Los Angeles lovers' lanes.

Heavy Fire Damage At Cocoa Motel

STARBUCK, Fla. (UPI)—The first of Cocoa Beach's space age motels — was badly damaged by fire early today.

The blaze broke out in the kitchen shortly after 3 a. m. and before the flames were brought under control, the kitchen, dining room, coffee shop and cocktail lounge were destroyed.

The motel's owner, Vaughn Ladd, estimated the damage at between \$200,000 and \$250,000. Ladd said the building was insured and repair work would start immediately.

Three trucks from Cocoa Beach and two trucks from Patrick Air Force Base rushed to the scene. Firemen said the blaze started with a flare-up of burning grass on a stove in the kitchen. The flames were sucked up through the stove's ventilation system and caused a short-circuit in the electrical system.

The flames quickly spread through a cavity between the roof and the ceiling, but the fire did not spread to the motel's living quarters. However, firemen and motel officials evacuated all the guests because a south wind carried choking smoke into the rooms.

Charges Dominate 'Drug' Hearings

WASHINGTON (UPI)—The Senate drug hearings resumed today amid angry charges, counter-charges and some doubt whether they would last more than a few hours.

Chairman Estes Kefauver (D-Tenn.) called as the lead-off witness Dr. Samuel Loube, former president of the Washington, D. C. Diabetic Society.

Loube has made a detailed analysis of the application and case studies which the Brooklyn, N. Y. drug firm of Charles Pfizer & Co. submitted to the Food and Drug Administration (FDA) in 1954 for its oral anti-diabetic medicine called "diabinese."

The drug has been attacked by Dr. Henry Dolger, chief of diabetes at Mount Sinai Hospital, New York City, as being the cause of liver damage in some patients. Dolger criticized the FDA for approving the drug.

However, John E. McKee, president of Pfizer, who also is one of today's scheduled witnesses, has insisted the drug is safe if used carefully.

Senate Republican Leader Everett M. Dirksen (Ill.) told the Senate Monday he felt Kefauver's anti-trust and monopoly subcommittee was getting out of its field by debating the merits of medicines. He said "this was a matter for doctors, not lawmakers."

Cabinet Rejects 'Brick' Request

TALLAHASSEE (UPI)—The cabinet today turned down a request for control over Florida brick in construction of a building at Florida State University.

Board of Control Architect Forest Kelly said contractor J. I. Lark of Panama City, offered to use Chesapeake brick for the mathematics meteorology building in lieu of brick manufactured by the state prison system.

U. S. Criticized For Execution

By United Press International

U. S. embassies have been mobbed and American tourists threatened and insulted by foreigners agitated by the execution of Caryl Chessman.

The death of the convicted kidnaper-pervert was headline news around the world, largely as a result of the side circulation of books he wrote in the death house.

Protests were inspired in some measure by opposition to capital punishment, but for the most part what horrified foreigners was the judicial delay that kept Chessman in the shadow of death for 12 years.

A stone-throwing mob broke several windows in the U. S. Embassy library in Lisbon, Portugal, Monday. Mobs besieged other embassies at points as far separated as Stockholm, Sweden, and Montevideo, Uruguay.

The mobs in Montevideo picketed not only the embassy offices but the ambassador's residence, shouting "murderers!" and "assassins!"

Chessman's final stay of execution was the result of a State Department report to California's Gov. Edmund Brown that Uruguay, an opponent to the execution, might erupt into anti-Eisenhower riots if the kidnaper were killed before the President visited that country.

Scooter Hits Car; Boy Hurt

A 13-year-old Sanford boy whose motor-scooter ran into a parked car Monday was in fair condition at Seminole Memorial Hospital today.

Thomas P. Brooks of 1328 Melonville Ave. suffered a broken right leg and bruises on his right arm in the collision. The accident happened when the scooter Brooks was driving ran into a parked car on 20th St. at Country Club Manor, police said. The youth is the son of James G. Brooks, also of 1328 Melonville Ave.

Dukes Murder Trial Wednesday

The trial of Sylvester Dukes for first degree murder will be held in Circuit Court here Wednesday.

Dukes, a Negro, is charged with shooting a Negro woman in Altamonte Springs March 28.

Thirty more equally residents have been summoned to serve as jurors for the spring term criminal cases.

Those eligible will be sworn in Wednesday at 9:30 a. m.

President Raps Electioneering By Congressmen

WASHINGTON (UPI)—President Eisenhower today called upon Congress to avoid "electioneering" and give swift approval to his foreign aid program, new farm legislation, gas tax and postal rate increases and other priority matters.

The chief executive said in a special message that amounted to a mid-session State of the Union report that the administration's new proposal on health care for the aged will be sent to Congress this week.

He urged Congress to exercise restraint and prudence in examining programs designed to provide benefits for large groups of Americans or sections of the country.

Noting that there are only about two months left in this session of Congress, the President said:

"We should jointly resolve that the shortness of time and political rivalries will not be allowed to prevent us from serving the American people effectively.

"Matters are still pending that are vital to the health of our economy and to the nation's security and world peace; none of us can afford to electioneer at the expense of these."

In his two-paragraph remarks on health care, the President said the administration program will take advantage of and support progress made by private plans and "enable older people truly in need of help to meet the calamity of catastrophic illness."

He said it would recognize traditional federal-state relations in such benefit programs and be far superior to what he termed "compulsory schemes which over a period of years would blight America's unexcelled medical standards."

The President has vigorously opposed Democratic proposals for compulsory medical insurance as part of the social security program.

Eisenhower stressed these items in his message:

Minimum wage. He backed extension of the federal floor under wages to about three million more workers and supported a moderate increase in the dollar-an-hour minimum. But he urged rejection of an "excessive" increase.

Judgeships. He asked Congress to create 60 new federal judgeships to handle a greatly increased caseload and reduce delay in federal courts.

Turnout Indicates Record Vote Here

Seminole County voters started early and voted steadily today and at noon that about one-third of those registered had cast ballots.

Polls opened at 7 a. m. to long lines of voters and balloting was reported the steadiest of any primary morning in recollection.

Some of the voters answered emphatically that their interest was greater in this primary than in the previous one and most of them said they were concerned mainly with the county races in which 20 positions are being contested.

Opinions as to the eventual winners were almost as many as the number of voters.

There appeared to be considerable interest in the governor's race, with most people conceding a good vote for Doyle Carlton and Farris Bryant in the county.

The three big Sanford precincts, 1, 2 and 15, with 7,000 registered voters, had accommodated about 2,200 of them by noon, clerks reported.

Altamonte Springs, holding 1,800 on the rolls in Precinct 14, reported 315 ballots cast.

Precinct 14 at Fern Park had an unofficial total of 280.

The Oviedo precinct clerks said that 200 of the 566 registered there had made their choices by the lunch hour.

Longwood's Precinct 9 has 948 on the roll and 260 of them voted early.

Lake Mary reported that 200 of its 330 registered voters were in and out of the voting by noon.

A total of 128 ballots had been cast in Precinct 12 at Forest City, which lists 505 voters.

'Steady' Voting Throughout State

MIAMI (UPI)—Florida's big city voters moved to the polls in steady numbers today to cast ballots for governor and other offices in a primary with racial problems and re-appointment the main issues.

In smaller populated areas, however, voting ranged from light to moderate by mid-morning as a long ballot and threatening weather discouraged the turnout.

In Dade County, voting started early and continued steadily. Some 45,000 persons had voted by 10 a. m. Some of the 310 precincts reported people waiting in line at 4:30 a. m. 30 minutes before the polls opened.

The long Dade ballot required between two and five minutes behind the curtains of the voting machines. Voters in many precincts waited as long as 30 minutes to go through the lines.

Registration supervisors in populous Hillsborough, Pinellas and Orange counties on the West Coast said balloting was moderate to heavy.

Hillsborough Supervisor John Deike reported heavy voting in perfect weather. Deike said the vote may exceed his prediction of 80,000 if good weather continued.

Hillsborough's Negro citizens were reported turning out in heavy numbers, but voting in Negro precincts was slowed because of unfamiliarity with voting machines.

Voting on the East Coast was reported moderate to heavy. In one of the largest precincts at West Palm Beach, over 600 persons had voted by 10 a. m. and about 25 persons were in line.

Long lines had formed in Tallahassee before the polls opened and voting was heavy despite cool weather and the threat of rain. Registration Supervisor Hattie Coles said she expected a record turnout of nearly 18,000 if the trend continued.

But voting was light in nearby Quincy, which has very few local races. Precinct officials reported less than 50 persons had voted by 10:30 a. m.

In Panama City, lines piled up because of the long ballot and slowed voting to a snail's pace. Officials said only about 30 voters per hour were moving through each of the 50 precincts.

Voting Supervisor Fleming Bowden predicted 80,000 would vote out of 137,428 registered in Duval County. Voting may have been slowed down by early morning showers. Bowden's estimate was based on a prediction of clear weather.

New Violence Threatens Korea

SEOUL (UPI)—The Republic of Korea's National Assembly today formally accepted President Syngman Rhee's resignation and continued its government cleanup under the threat of new violence by more than 10,000 student demonstrators.

The students demonstrated in three cities for an immediate dissolution of parliament. There were no bloody clashes like those last week that forced Rhee to quit, but troops had to fire tear gas into a crowd of 150 students here to disperse them.

Student crowds in Pusan grew to more than 10,000. It was Pusan's third straight day of demonstration. Another 500 demonstrated in Taegu.

The Seoul University students marched in front of the assembly building shouting that since Rhee resigned and his vice president elected, Lee Ki Poong, committed suicide, "Why the hell doesn't the assembly resign?"

It was feared the protest meetings might grow into major outbreaks that could be halted only by army bullets.

Rhee's home minister, Choi In Kyu, was arrested on charges of violating the election law by ordering irregularities in the voting.

Collins Votes; Refuses To Name 'His' Candidate

TALLAHASSEE (UPI)—Gov. LeRoy Collins cast his ballot today, again refusing to disclose his choice of a successor.

Collins and his wife walked smiling into their voting booths, pulled the levers and left after stopping a minute to chat with neighbors.

The governor, who cannot succeed himself, promised to keep hands off the current campaign, and has consistently refused to tell newsmen which of the big field of candidates for governor was his personal choice.

Combat Alert

TAIPEI, Formosa (UPI)—The Nationalist Chinese government has placed its warships on combat alert in the Formosa Strait because of signs of an "imminent" Communist Chinese attack. It was announced today. The Agency said the Communists were "intensifying their activities along the mainland coast" opposite the Nationalist-held islands of Quemoy and Matsu.

Boaters Safe

CHARLESTON, S. C. (UPI)—A 24-foot yacht which had been the object of a Coast Guard search since Monday sailed into Charleston under her own power today with all five persons aboard safe.

The "Kildeer" had been the object of a search off the South Carolina coast since an oil tanker, the "Esso Bethlehem," Monday picked up five survivors from the 45-foot ketch "Dutch Treat," which had been traveling in the company of the Kildeer.

FUTURE NURSES at Seminole High School are taking a special baby care course sponsored by the American Red Cross and conducted by Mrs. Grace Fisher, county health nurse. Left to right, Winnie Moore, Linda Spears, Linda Klag, Judy Lowman, Sylvia Fowler, Sally Robb, Roberts Hankin and Mrs. Fisher. (Herald Photo)

CAPT. ROBERT W. SLYE presents check to Mrs. Helene Stutzman, vice president, Seminole Chapter, American Cancer Society, as Miss Cancer Crusade, Judge Vernon Mize, president of the county chapter, and Mrs. Vicky Wilster, president of Playhouse Navy, look on.

Playhouse Navy Gives Cancer Fund Profit From Work

Miss Cancer Crusade of 1960 visited the Sanford Naval Air Station accompanied by Judge Vernon Mize, president of the Seminole County chapter of the American Cancer Society, and Mrs. Helene Stutzman, vice president, to accept a check for \$123.30 from Capt. Robert W. Slye, commanding officer of the station.

The donation represented the profits derived from the Playhouse Navy production, "Bell, Book, and Candle," which was presented at the Sanford Civic Center in January.

Mrs. Vicky Wilster, president of Playhouse Navy, represented the theater group at the presentation.

Judge Mize expressed his appreciation for the gift, which came from the civic efforts of Playhouse Navy, an off-duty volunteer organization sponsored by the Naval Air Station's Special Services Office.

Courier Sworn In As Clerk

Mrs. John Courier was sworn in as Oviedo city clerk at a meeting of the town council Monday night.

Mrs. Courier is replacing T. L. Lange Sr. who is retiring after serving 18 1/2 years in that post. The council also adopted a resolution thanking Lange for his "many years of faithful and efficient service."

The council also agreed to open the city pool May 28 and to purchase a new pump and paint the pool.

Rev. Seale Installed As New Pastor Of Missionary Church

The Rev. Cecil M. Seale was installed as pastor of the Christian and Missionary Alliance Church last week.

REV. CECIL SEALE

The church is located on S. Park Ave. and 14th St.

Dr. Richard M. Harvey, district superintendent of the Christian and Missionary Alliance acted as moderator.

An evening of song and prayer followed the installation ceremonies.

The Rev. R. W. Bettles of Orlando, one of the principal speakers during the installation services, emphasized that in the Scriptures the words pastor and shepherd have much of the same meaning. "As Jesus was the good shepherd, pastors are to be good undershepherds," Rev. Bettles said.

Refreshments were served after the service by the ladies of the church.

In 1959, Americans received an average of \$2 million a day in health insurance benefits from insurance companies alone, according to the Health Insurance Institute. That represented an increase of \$700,000 a day over the 1958 figure.

Trials, Appeals May Determine Racial Campaign

By United Press International
Trials, legal appeals and grand jury action in Virginia, Georgia and Tennessee this week may determine the future course of a three-month-old campaign of Negro students against segregation in the dime and department stores of the South.

At Richmond, Va., lawyers cleared the way for appeal to a higher court of police court convictions of 34 Negroes arrested on trespassing charges in Thalhimer department store. The attorney for the Negroes agreed to base the appeal to Hustings Court on the police court records without new testimony or witnesses.

At Nashville, Tenn., Dist. Atty. Gen. Harry Nichol said he will ask a grand jury this week to consider the cases of only four of 95 anti-segregation demonstrators arrested on charges of conspiracy to disrupt trade. He said such an action "seems like the best way to find out what the law really is here." Future action against other demonstrators will be based on the grand jury action.

City court trials for about 40 Negroes arrested in Atlanta and 40 in Savannah, Ga., will be held Thursday. All were arrested under the new "unlawful assembly" law.

There have been few repetitions in recent days of the wave of "sit-downs" by Negro students at segregated lunch counters of dime, drug and department stores.

Tonight at Nashville, an African nationalist leader will speak to a mass meeting on the technique of passive resistance and non-violence. Kenneth Kaunda, Northern Rhodesian leader, is touring the South under auspices of the Fellowship of Reconciliation.

At Winfield, La., Monday three young Negroes pleaded guilty to charges of disturbing the peace by trying to obtain library cards at a white-only library. They promised Judge Harwell Allen to resign from the organization that sponsored the integration attempt.

SANFORD KADET OF THE MONTH STEPHEN R. VICKERS is shown receiving a plaque from unit commander C. P. Bennett at a Kadet meeting in the Sanford Armory Friday night. Steve was also one of the four Kadets promoted from private first class to corporal. The others were Ernest Padgett, Ronnie Palmer, and Paul L. Campbell. Promoted from private to private first class were Eddie Padgett, Freddie Padgett, Charles Flowers, Wilford J. Holland, Clyde Palmer and Earl Bouquardes.

Cub Scouts Hold Court Of Honor

An awards court of honor was held recently by Cub Scout Pack 543 at a meeting at the All Soul's Parish Annex.

The awards were presented by Cubmaster Gary Bulger. Darwin Fedder, John Hoeller and Ralph LeGrande were presented with lion badges.

Other awards presented were: Bear badge, Richard Ferrell;

wolf badge, William Eckhart; gold and silver arrow points, Michael Luscher, Darwin Fedder, Jimmy Fedder, Ralph LeGrande and Jimmy Leonard.

Gold arrow, Richard Ferrell and John Hoeller; bobcat pins, James Gray Ferrell, Bruce Eckhart and Russell Gardie; denner, William Eckhart; assistant denner, Steven Macke and Jimmy Leonard, den chief cord, Steven Figgitt.

In Thankful Tribute

gratefully accept and acknowledge memorial contributions for HEART RESEARCH.

Kennedy, Nixon Set To Clash In Indiana Primary Battle

By United Press International
 Voters in four states and the nation's capital ballot today in a series of primaries highlighted by a presidential popularity contest in Indiana between Sen. John F. Kennedy and Vice President Richard M. Nixon.

The presidential races are the main contests in Indiana, Ohio and the District of Columbia.

Alabama chooses between Democratic electors pledged to support the party's presidential and vice presidential nominees, and states rights electors who have promised to vote only for candidates they consider sympathetic to the South.

In Florida, voters will indicate their choices for governor, two members of the U. S. House of Representatives, six state officers and a flock of local officials.

Kennedy, seeking 34 Democratic convention delegates votes, and Nixon, after 32 GOP votes, had only token opposition in their separate party races in Indiana. The big question was who would draw the most votes. Delegates were pledged to support the winners on the first ballot at the conventions.

Kennedy predicted he would roll up the highest total. Nixon said he would consider he did well if he polled half the votes. He con-

ceded he might receive as few as 42 per cent.

The Democratic and Republican state chairmen each predicted the opposition candidate would win. Most political observers felt Kennedy would come out ahead because local contests would bring more Democrats to the polls.

In Ohio, Kennedy was assured of the state's 64 Democratic convention votes. Voters will choose between rival delegate slates headed by Gov. Michael V. DiSalle and Cuyahoga County Democratic Chairman Ray T. Miller Sr. Both slates were pledged to Kennedy.

Nixon had no major opposition for the 36 Ohio GOP convention votes.

Ohio voters also will pick nominees for 23 seats in the U. S. House of Representatives, three places on the state Supreme Court, state auditor and a number of local jobs.

Sens. Hubert H. Humphrey (Minn.) and Wayne Morse (Ore.) waged a spirited campaign for the District of Columbia's nine Democratic convention votes. A state pledged to Adlai E. Stevenson also was on the ballot but he has asked citizens not to vote for him.

Republican voters will choose eight convention delegates. Nixon was not on the ballot.

Quotable Quotes

By United Press International
CHICAGO — Evangelist Billy Graham in a pep talk to organizers of the 1962 Chicago Billy Graham "crusade":
 "You have the worst reputation of any city in the world."

SAN QUENTIN, Calif. — Andrew Brennan, a Los Angeles policeman who married one of the women Cary Chessman allegedly attacked, after watching Chessman's execution:
 "I'm satisfied."

COLUMBIA, S. C. — Elder statesman James F. Byrnes, who marked his 81st birthday and 54th wedding anniversary Monday, explaining why he went home from his office at noon:
 "I quit celebrating birthdays long ago, but I knew better than to forget about those anniversaries."

HOLLYWOOD — Cheryl Crane, 16, daughter of Lana Turner, to her father Stephen Crane after she returned from a three-day runaway expedition:
 "Do you have anything to eat but beans?"

The official bird of Missouri is the bluebird.

THE SEMINOLE COUNTY BAR ASSOCIATION heard the president-elect of the Florida Bar speak at a Law Day observance Friday night. Circuit Judge Volie Williams Jr. introduced Clyde Atkins to the attorneys and their wives at the dinner at the King and Prince Restaurant. From the left are G. Andrew Speer, Atkins, Judge Williams and County Judge Vernon Mize. Law Day was observed throughout the nation Sunday. (Herald Photo)

A MOTOR FOR THE POLICE LAUNCH was presented to the Sanford Police Dept. by Robson's Sporting Goods, which loaned the new 75 h. p. motor to the police along with a 1960 boat trailer. These replaced the 1959 motor and trailer loaned by the store. The police boat can now travel up to 45 m.p.h. with full crew and equipment. Chief Roy Williams, left, and Harry Robson, right, take a look at the new gear, while Sgt. Ben Butler mans the helm.

Lana's Daughter Back In Custody

HOLLYWOOD (UPI) — Lana Turner's daughter, Cheryl Crane, was back in custody today because her three-day flight from a school for wayward girls convinced her "you can't run away forever."

Cheryl, 16, who escaped from the school with two other teenage girls by scaling a 12-foot wall, was escorted by her father — restaurateur Stephen Crane — Monday and asked him to take them back.

Crane drove from his Hollywood home to the nearby San Fernando Valley and found the girls hiding behind a supermarket — about one mile from the county-operated school from which they fled.

"They were scared and tired and hungry," said Crane, who took them to his apartment for something to eat.

The girls said they stayed at a girlfriend's house in the valley for almost all of the three days—but refused to identify her, even to Crane, because "we're afraid of getting her into trouble."

Miss Turner, in Palm Springs, Calif., at the time of Cheryl's escape, said she had no plans to return to Hollywood or see her daughter immediately.

"Thank God she's safe and sound," the actress said.

Foils Thief

HARTFORD, Conn. (UPI) — After a camera was stolen from his automobile, Hartford Times photographer Ellery G. Kington telephoned camera shops on his mobile phone as he drove back to town. He warned that the thief might try to pawn his camera, and 10 minutes later received a call that a suspect was in a shop. Kington drove to the store, identified his camera and the man was arrested.

Foreign Aid Cut Would Hurt U. S., Ike Says

WASHINGTON (UPI) — President Eisenhower says that major cuts in his \$4,175,000,000 foreign aid program would deal a "crushing defeat" to the free world and lead to grave new international tensions.

Eisenhower's appeal Monday night for his aid program failed to stem strong opposition among some members of Congress demanding reductions of up to 40 per cent.

Chairman Otto Passman (D-La.) of a House Appropriations subcommittee handling aid funds predicted the House would slash \$1,500,000,000 in the cash asked for the year starting July 1. Sen. Mike Mansfield (D-Mont.) forecast a cut of 300 to 400 million dollars.

The President's speech came shortly after the Senate passed a \$4,125,000,000 foreign aid authorization bill. But the measure would only place a limit on spending and would not provide the actual money, which must be appropriated in subsequent legislation.

The Senate-approved bill goes to Senate-House conference committee where a compromise will be worked out with a House-passed bill authorizing a \$1,038,500,000 program.

Eisenhower, noting that congressmen had talked of cuts of more than a billion dollars in his program, said such a slash "would mean, within a matter of months, new international tensions and new national defense problems of the utmost gravity for every one of our citizens."

"Unless an alert citizenry takes effective action to support those in the Congress who champion the cause of mutual security," he said, "it could well result in jeopardizing an important part of the nation's defense."

Aiming his verbal attack at "groups strategically situated in Congress," the President said these critics based their opposition on what he called "isolated instances of malfunctioning" by foreign aid employees overseas.

He declared that slashing the program would mean virtual abandonment of an effort that has yielded greater benefits in security, good neighbors and profitable trade than any other comparable federal outlay.

Eisenhower said the amount he had requested was the "minimum required to meet the basic necessities of sheer defense and to keep alive a glimmer of hope in hundreds of millions of people arrayed with us on the side of freedom."

The Chief Executive spoke at a dinner given by two groups supporting foreign aid — the Committee for International Economic Growth and the Committee to Strengthen the Frontiers of Freedom. His speech was televised and broadcast to the nation.

Six Seminole County 4-H'ers Win Top Honors At County Day

By **CECIL TUCKER, II**
 Six Seminole County 4-H'ers won top honors in the fourth annual 4-H Boys County Contest Day last Saturday.

These six, the first place Junior and Senior winners, will represent Seminole County 4-H'ers in the District Events Day Saturday, at the Brevard County Agricultural Center in Cocoa.

In the Tractor Operator's Contest, John Jakubcin, Slavia, "mowed out" Owen Cammack, Geneva, last year's winner. Tommy Windershold, Lake Mary, placed third in this senior division. In the Junior division, Jonathan Lukas, Slavia placed first with Seth Rook, Slavia, placing second.

In the public speaking Owen Cammack was senior division winner. Jonathan Lukas placed first with Paul Lukas Jr., Slavia, and Billy Mikler, Slavia, placing second and third respectively in the Junior Division.

In the other two contests, electric lamp making and insect collecting, only junior participants entered. Harry Clements placed first in the electric lamp contest with David Jacobson placing second.

David Mohr, Lake Mary, won first place in the insect collection followed by Michael Kreeck, North Orlando.

Communists Report West Berlin In Trouble After Summit Meet

By PAUL NEWSON
UPI Foreign Editor

East German Communists are "leaking" reports that West Berlin will face trouble after the summit meeting, no matter what decisions are reached by President Eisenhower, Prime Minister Macmillan, President DeGaulle and Premier Khrushchev. All of West Berlin's supply routes lie through or over East German territory, and the Communists now are promising a "very hard" line.

The South African race issue will be one of the most controversial questions before the Commonwealth Prime Ministers conference in London this week, but only behind the scenes. Britain, Canada, Australia and New Zealand will veto any attempt to make it a formal subject of discussion. However, they will be unable to prevent private discussions among others who feel strongly on the subject, such as Malaysia, Ghana, Pakistan and India.

Some of the latter would like to see South Africa ousted from the Commonwealth. However, there is no such machinery for such action.

At the peak of anti-government rioting in Korea last week, a wreath and banner appeared on the statue of Gen. Douglas MacArthur which stands in front of what was the government anti-Communist center. Student rioters burned the center but the statue was undamaged. Who placed the wreath and banner on the statue is not known, but it was taken as proof that the rioters were not anti-American.

American officials in Seoul privately fear that the resignation of President Syngman Rhee, who had ruled Korea since its formalization, their fear is based on the shortage in Korea of men with real talent for leadership. However, they believe setting President Rhee's resignation as a condition of holding the line temporarily.

WORRY CLINIC by Dr. G. W. Crane

CARE #442: Clarence W. Krebs is typical of the modern versatile clergyman or priest who combines religion with applied psychology. He has a flourishing church in Highland Heights, Ky., with a large bulletin board in front.

Because a vast amount of auto traffic passes that church corner, Rev. Krebs tries to stimulate things by putting helpful quotations on that bulletin board, using letters five inches high.

Native sermons could be woven around those snappy sayings, for they would make ideal sermon texts.

"Place to teach discipline is in the Play Pen — not the State Pen."

"Whether it's on the Highway or in an Argument — When you see red — Stop."

"One never gets longer life — Never exceed the feed limit!"

"That wise saying would make a superb Lenten sermon topic, after which the parishioners might well launch on diets."

For when you lose a pound of fat, you never get it back in grocery bills, and can thus add that extra savings to your church offering!

"Forked drivers cause more accidents than traffic jams."

"Whenever the going seems easy, be sure you are not going downhill."

"Some people think they are worth a lot of money just because they have it."

"Always speak well of your enemies — Remember, you made them!"

"Prayer is a river by whose brink some die of thirst while others kneel and drink."

God Almighty wants his followers to use their brains and employ clever applied psychology.

In fact, God started the psychological testing program in the army by having Gideon "screen

out" the unfit troops by his famous "water test." (Judges, ch. 7.)

God apparently relishes men who have a scientific type of mind, for Gideon asked God to submit to some tests, and God gladly consented (See Judges, ch. 6).

And after God had taken Gideon's tests, God saw that Gideon was still uncertain of his strategy, so God invited Gideon to make an additional test and go down in person to eavesdrop on the enemy in their tents.

This final test convinced Gideon that God was ready to deliver the vast foreign army into the hands of his 300 soldiers.

But psychological warfare was then employed to increase the hysteria of the enemy (Judges, ch. 7).

Gideon also got out of a dilemma that might have brought on a second war, just by using the "compliment club" technique of the Ephraimites (Judges, ch. 8).

Jephthah, too, employed the pioneer "lie detector" test and thereby ferreted out 22,000 liars, who were put to death when trying to ford the river Jordan.

Indeed, most of the applied psychology I use, was obtained from reading the Bible!

That's why I inserted Ch. 18 entitled "Psychology Goes to Church" into my widely used college textbook "Psychology Applied."

And that chapter has proved to be the most popular of all 21 chapters in my textbook! On student surveys, it far exceeded the chapters on advertising, salesmanship, music, art, public speaking, psychosomatic medicine, etc.

In that Chapter 18, I also show why Jesus was the greatest applied psychologist of all time, and I documented my proof! He read your Bible daily and train your children to do likewise!

ASSIGNMENT WASHINGTON by Ed Koterba

WASHINGTON — They joked about him, ribbed him unmercifully; they needed him, insulted him—and what's worse, they told truths about him—in his presence. And everybody laughed.

His was not a polite, tolerant smile. He roared and slapped his knee. I guess that's the quality of bigness in politics; when you can develop a skin so tough in texture that when a barb strikes, it blunts, and so instead of cutting, it tickles.

Henry Cabot Lodge was the fall guy, but those are mild words for it. He was the roasted meat of the sharpest wit ever collected under one ceiling in Washington.

He was the victim of the Saints and Sinners, which meets here every four months for two reasons: to be uncharitable to their guest of honor and charitable to good causes. (They gave \$2,250 on this day to charity.)

The life of Henry Cabot Lodge, said humorist Walter Kirnman, was a typical American success story. "His family was loaded."

Lodge, said Kirnman, "is one of the greatest spokesmen for American policy—when he finds out what it is."

And they give a gift showing Lodge at the UN, trying to get rid of our agricultural surplus. "In the interests of international goodwill," says Lodge's stand-in, "we will not only give it away, we will pay you to eat it."

France was for it. The French ambassador decided on a good way for the food. "We'll sell it to American tourists."

Russia would accept — on the condition that the United States pack the food in small boxes, all carrying the picture of Nikita Khrushchev.

The British thought it was a fine idea, but the food would have to be transported in British ships and payment should be made with American dollars.

"Lodge" said: "Why not just send you the money?"

"Jolly good arrangement," said the Englishman. "That's just how we've been doing it all along . . ."

This kind of buffoonery went on for two hours. The ballroom of the Sheraton Park, transformed into a circus tent, was jammed with dignitaries from all quarters. Some were introduced.

All Khan, the famous ex-husband of famous wives, was cheerfully Dana Latham, head of Internal Revenue, was lustily booed. Re-

THIS IS THE COW WITH THE CRUMPLED HORN

WASHINGTON (UPI)—Ordinarily, one joint meeting of Congress per week is enough for me and I had already filled this quota with the appearance of French President Charles DeGaulle.

But it isn't every day that a commoner and a Presbyterian like me sit with a carabot of a real live monarch who is also the incarnation of a Hindu god.

So when the roll was called for King Mahendra Bir Bikram Shah Dev Nepal, I was there.

The roll was called by House doorkeeper "Fishball" Miller, whose solemn duty it is to announce the arrival of visiting dignitaries at joint assemblies of the House and Senate. I must say that "Fishball" was a bit off form.

His lines have been crossed ever since the joint meeting for DeGaulle last Monday when a couple of tourists got mixed up and fled into the House chamber with the diplomatic delegation.

As far as I know, nothing like that happened at the joint meeting for King Mahendra, but "Fishball" is still shook up. He identified Richard M. Nixon as "vice president of the Senate" and then he almost called the King a president. Otherwise, everything came off smoothly enough.

For a man who is in danger of losing the franchise to Mt. Everest, King Mahendra seemed remarkably calm. And for a man who is one of the few remaining absolute monarchs, he sounded remarkably democratic.

His majesty was dressed in a pair of pale blue jodhpurs with a tunic showing beneath a Western-style coat. I trust it won't be regarded as a branch of diplomatic etiquette if I say he looked something like a polo player who had dressed hurriedly in a dark room.

The State Department wants us to be careful what we say about the King because he is an exceedingly shy and sensitive person who is not accustomed to our indelicate manners.

Peering through heavy horn-rimmed glasses, the king read his

Nepal King Acts Calm Considering He May Lose Cherished Mountain

speech in a small voice, which was echoed by an interpreter. His text was laced with references to "democratic ideals" and other unkingly expressions. He even quoted from Lincoln's Gettysburg Address. But not once did he mention Mt. Everest.

Red China, as you know, recently laid claim to the mountain in defiance of the Nepalese government and the editors of the World Almanac, both of whom insist that Mt. Everest is in Nepal.

The loss of Mt. Everest would be a severe blow to Mahendra's tiny country. One of the main things the Nepalese make a living in serving as guides for intrepid British climbers.

Anyway, it was pleasant to see and hear Mahendra and I hope he gets to keep his mountain. But for real old-fashioned kingly behavior, I'll take DeGaulle.

To Attempt Record

WASHINGTON (UPI)—The United States soon will attempt to fire an Atlas intercontinental ballistic missile a record 9,000 miles from Florida past the southern tip of Africa, the Pentagon said today. No date for the launching was given, but it was understood the attempt might be made this week.

Mother Of Year

NEW YORK (UPI)—Mrs. Emerald Lucy Barman Arbogast, of Los Angeles, was named Monday the 1960 American mother of the year. Mrs. Arbogast is the mother of six, grandmother of 10 and great-grandmother of four.

Dear Abby: By Abigail Van Buren

DEAR ABBY: My husband has personality plus. All the women make a fuss over him and he eats it up. He's a good-looker and doesn't show his age (49). I am 47 and nothing special. Albert bowls with a mixed group from work. I can't bowl because I have a bad back. The bowlers had their pictures taken in a group. Wives with husbands, friends with friends, etc. But Albert was the only one in the picture holding a girl (young, pretty and single) on his lap. This picture got in the local paper, and the bowling alley even put it up on the bulletin board. Everyone I know saw the picture and laughed about it. Plenty of remarks were passed. How would you take this, Abby?
BOWLER'S WIFE

DEAR WIFE: I'd try to take it like a good sport. Your husband is at the dangerous age. Help him stay out of trouble by keeping an eye on him. If he needs constant reassurance that he's desirable—reassure him. If you can't bowl, go along and keep score. (At least that way you'll know what the score is.)

DEAR ABBY: Please tell me what to do. A few months ago I met a young man and I like him very much. Whenever we go out to eat, as soon as the meal is over, out comes a toothpick. None of my friends or any of my family use toothpicks in public. Abby, and this disturbs me. I've seen many a glance cast his way and, naturally, I am embarrassed.

He is a nice person, but I can't stand those toothpicks. Should I mention it to him?
EVIE

DEAR EVIE: If you like him and expect to see more of him, tell him in a nice way that the toothpick-in-public bit won't

Red Space Probe Before Summit?
WASHINGTON (UPI)—Sen. Henry M. Jackson (D-Wash.) says he has a "hunch" the Russians will try to put a man in space or shoot a rocket at Mars prior to the Big Four summit conference May 18.

Jackson, a member of the Senate Armed Services Committee, noted Sunday that the Russians have been "very quiet with their space activities" since last fall when they photographed the back side of the moon.

He said the Soviet Union had developed "a unique genius for utilizing military power for diplomatic objectives," and added: "I'm certain that Mr. Khrushchev's sense of timing will once again be in the picture prior to the summit meeting."

WINNERS FROM THE 4-H CLUB DRESS REVUE were Linda King, right and Carla Lommler, Linda and her little sister, Pamela, front, won with their "Me and My Shadow" matching outfits.

Dress Revue Staged By County Clubs

The County Home Demonstration dress revue was enjoyed by a capacity audience, Friday night at the club center on 25th St. Mrs. J. D. Callahan introduced the narrators, Mrs. Karl E. Williams for the County Home demonstration models and Mrs. Antonia Krack for the 4-H Club models.

Winners in the 4-H Club were Linda King and Carla Lommler. Eighteen feed sack dresses were also modeled during the evening, through the courtesy of the National County Council.

Catholic Women Install Officers At May Breakfast

The Rev. Richard J. Lyons officiated at the installation of the officers of the Catholic Women's Club, their annual communion breakfast held Sunday, in the church social hall.

Girl Scout Diary

BROWNIE TROOP 14
The families of Brownie Troop 14 of Sunland Estates were invited to their daughter's fly-up and candlelight investiture ceremony recently at the American Legion Hall.

Anna Miller Circle Holds Initiation For New Members

Members of the Anna Miller Circle received two new members at the monthly social meeting at the Elks Club. Mrs. Morris Moses, outer guard, presented the candidates, Mrs. Aired P. Forsyth Sr. and Mrs. Robert Zittrower.

TWO OF THE MODELS who wore the cotton dresses shown at the Home Demonstration Club Dress Revue are Patsy Rettler, left and Mrs. Richard Stoddard. (Herald Photo)

Leaders Commended For Home Club Work

The 89 local leaders of the nine home demonstration groups in Seminole County were commended by Miss Myrtle Wilson, home demonstration agent. She said "by unselfishly offering their time and their talents, they have brought the women in the county information on new techniques, which are making household tasks lighter and homes more pleasant."

Recognition of the contribution local leaders are making to home and community development comes at this particular time as members of Seminole County home demonstration groups are observing National Home Demonstration Week from May 1 through May 7.

Miss Lundy Honored At Tea In Oviedo

BY MARIAN R. JONES
Fellowship Hall of the First Methodist Church of Oviedo was the scene of a lovely tea given Friday afternoon, from 3 to 5 p. m. honoring Miss Ann Lundy, whose marriage to Leonard Leon Faulk Jr. of this city was recently announced by her parents.

Hostess of the party were Mrs. Joe R. Battle, Mrs. James E. Brookshire, Mrs. George Kelsey, Mrs. Charles T. Niblack, Mrs. Tommy Moon, Mrs. Richard Kuermer, Mrs. A. H. Ray Jr., Mrs. Roy Weisenbarger.

Levi Norman Jr. Home On Leave

Levi Norman Jr., A 3C of U. S. A. F. surprised his Chuluota family and friends when he came home from Lackland, Texas, Thursday.

Mrs. Battle and Mrs. Brookshire received guests at the door and introduced them to those in the receiving line; the honoree, Mrs. John Lundy, mother of the bridegroom elect, Mrs. G. W. Cheek, and Mrs. Paul Slavik.

Levi Norman Jr. Home On Leave

Mrs. Battle and Mrs. Brookshire received guests at the door and introduced them to those in the receiving line; the honoree, Mrs. John Lundy, mother of the bridegroom elect, Mrs. G. W. Cheek, and Mrs. Paul Slavik.

Chuluota

The tea table was centered with a lovely arrangement formed of a yellow, ruffled tulip pillow centered with a large yellow heart of tulle. One Gloriosa spray centered the heart.

MRS. ROLAND DeJONG, right, was one of the winners in the Home Demonstration Club dress revue. She is shown with another model, Mrs. K. Sasman.

Miss Morrison Weds Wayne Harris McCoy

Mr. and Mrs. Russell A. Morrison, of Titusville, announce the marriage of their daughter, Betty to Wayne Harris McCoy, son of Mr. and Mrs. F. Evans McCoy of Sanford.

Attending the bride as matron of honor was Mrs. Barbara McLemore, of Titusville, and Jack Thomas of Gainesville served as best man.

First Methodist holds Shut-In Prayer meeting in the home of Mrs. E. Z. Ferrell.

Enlisted Wives Meet For Luncheon

Members of VAHS Enlisted Wives met for a covered dish luncheon and meeting from 12 noon to 2 p. m. and made plans to hold a meeting at the home of Mrs. Irene Chaney, on Osceola Dr. A cancer film will be shown and a local doctor will be present to answer any questions by the members.

Enterprise

Personals
Mr. and Mrs. Fred Harris of Winter Park were weekend guests at the home of Mr. and Mrs. M. H. Ryan.
Happy anniversary to Mr. and Mrs. Howard Wilborn, who celebrated their 15th one Tuesday.
Dick Tyler, Pineville Air Force base spent the weekend with his parents, Mr. and Mrs. W. L. Tyler.

Oviedo

Personals
Linda Duda, five year old daughter of Mr. and Mrs. John L. Duda, Jr. is recuperating from a recent tonsilectomy while Little Janet Duda, their two-year-old, who is seriously ill was returned to the Orange Memorial in Orlando, for two blood transfusions.
The twenty-fifth anniversary of the Martha Ladies Aid Society of St. Luke's Lutheran Church was celebrated Sunday, in the form of a barbecue dinner for members and friends of the church congregation at the church picnic grounds.

Frances Langford Show Proves 'Loudness' Doesn't Always Help

By FRED DANZIG
NEW YORK (UPI) — Among showpeople, there is a saying that assures us, "Loud is good."
Making its annual appearance on NBC-TV Sunday night, "The Frances Langford Show" proved to be the exception to the rule.
It was loud, but not good.
The wobbly format was loosely dedicated to Mother's Day, exemplified by an organization called "The Motion Picture Mothers of Hollywood" whose membership was introduced to the audience.
Except for a brief, amusing hotel lobby number that had some freshness, the hour could offer only a hurried series of conventional musical numbers, all performed with pre-recorded gusto and staged with battering-ram subtlety.
The aforementioned hotel lobby number had some impersonations of well-known Hollywood landmarks and included the Nikita Khrushchev - Disneyland episode. I have a hunch that last bit would have been more hilarious if done, say, six or eight months ago.
Appearing with Miss Langford were singers Johnny Mathis and

GENE SCHLICKMAN started work Sunday as the assistant recreation supervisor for Sanford, Schlickman, who will graduate Florida State University in June, is a recreation major. He is a native of Ft. Wayne, Ind.

Ike To Watch Army Maneuvers

COLUMBUS, Ga. (UPI) — President Eisenhower arrived at the Army's huge infantry training center at Ft. Benning today for a first-hand briefing on the role of the rifleman in atomic war.
The President's jet plane, which touched down at 9:11 a. m. also carried Secretary of Defense Thomas S. Gates Jr.
The President planned to spend about six hours watching what the Army called "the most impressive military display and demonstration ever conducted in the southeast."

Former Beauty Queen 2nd Best

RADNOR, Pa. — Despite her acknowledged beauty, Mary Ann Mobley, Miss America of 1936, sometimes meets a male who isn't impressed.
On a recent flight to New York, Mary Ann drew the attention of a small boy seated across the airplane aisle. "Look, Mommy," he yelled, "wasn't that girl Miss America a long time ago?" Mary Ann, who has just turned 25, told TV Guide magazine, "That little boy made me feel so ancient that it hurt." For the remainder of the trip, the beauty queen devoted herself to making the best possible impression on the lad. "I think I had him won over by the time we landed," said Mary Ann. "At least when he said good-bye, he told me, 'You're the nicest person I've ever met.' — next to Stan Musial!"

Two To Surrender On Tax Charges

ST. LOUIS (UPI) — T. Lamar Caudle and M. J. Connelly both are scheduled to surrender Wednesday to begin two-year prison terms on tax charges.
Caudle's motion for probation or reduction of his federal prison sentence was overruled by U. S. District Judge Gunner Nordbye at Minneapolis. Nordbye's order was received here Saturday.
A similar action was taken earlier last week on Connelly's motion. Connelly and Caudle were convicted in U. S. District Court here in 1958 of conspiring to block prosecution of income tax charges against a St. Louis shoe dealer.
Connelly was appointments secretary for former President Harry S. Truman and Caudle was former head of the Justice Department's tax division.

Red China Poses Threat, Nehru Says

LONDON (UPI) — Indian Prime Minister Jawaharlal Nehru said Monday Communist China poses a potential threat to the peace of Asia.
He also said India still thought China should belong to the United Nations, and said that if it had been admitted before, "many present day problems would be much simpler."
Asked specifically at a news conference if he thought the Chinese were a threat to the peace of Asia, he replied, "potentially, yes. But not in the near future."
Although Washington is the smallest of the western states, it is larger than all of New England, and is six times the size of Maryland.

DeBary Gallery Gets New Exhibits

There has been a complete change in the exhibits in the galleries of the Florida Federation of Art Headquarters in DeBary.
The new exhibition will hang for two months longer than the usual three week exhibit. It is composed of award-winning paintings from federated member clubs.
Among the artists exhibiting are Morris Mitchell and Ted Powell from the Creative Arts Group of the Tampa Bay area, Stuart Purser and Harrison Covington of the University of Florida faculty, Paula Tanner Girard and June Forcarrall of the Artists' League of Orange County, and Kathryn D. Rayman and Frances R. Dorn, of the Coral Gables Art Club.
Representing the Artist's Workshop of New Smyrna Beach are Genell Booker and Helen Hamill. From the Daytona Beach Art League come award winners by Ada Yessler and Edwin A. Hoadley.
The Tampa Realists sent pictures by Don Dulin and Dr. Charles Giles, while the Eustis Art Club is sending pictures by Mildred Weimore and Emma L. Minor. Anna James and Gladys Heater created the award winners from Leesburg, and Mary Carter and Cornelia Menges those from Lakeland. Other art associations over the state are also represented.
Summer art classes will begin on June 13 and continue until Labor Day, Sept. 5. Artists in residence of Castro's revolution include Eugene White, Bob Camp, and Laura Locke.

Castro Hurls New Aggression Charges

HAVANA (UPI) — Premier Fidel Castro hurls new charges tonight that his regime has allies abroad who are ready to help defend Cuba from what he labeled U. S. aggression.
The revolutionary leader spoke at the end of a May Day military review in which Cubans ranging from bearded, tommy-gun-toting veterans of Castro's revolution to small boys with wooden rifles who paraded in the streets for six hours.
An estimated 500,000 persons—one million short of official expectations—turned out to cheer Castro in his 3½-hour denunciation of the United States and denegation of revolutionary politics.
He was interrupted frequently while he talked with alternating shouts of "Fidel! Fidel!" and "down with Yankee imperialism." Once he joined the applause of the crowd by clapping himself in what appeared to be a takeoff from the Russian tradition.
He also had information that the U. S. State Department was preparing aggression against Cuba through the government of Guatemala, Castro declared.
Guatemala severed diplomatic relations with Cuba last Thursday after a bitter series of exchanges. The U. S. State Department was accused of planning an invasion of the other.

New Meat Market In Oviedo Set

Oviedo will have a new meat market in about two weeks.
The King building adjacent to the new Post Office formerly occupied by J. W. McKinnon as a meat market, has been leased from Mrs. Mae E. King by Lloyd Kirkland, and is being redecorated for occupancy in about two weeks.
Kirkland has purchased the meat market equipment from McKinnon and plans on putting in meat and some groceries as well as frozen food products. It will be known as Kirkland Market and Grocery.
Kirkland is not a stranger in Oviedo, having been associated with his sister in the Moberly Grocery here several years ago.

Greyhounds Pull Out Tilt In 9th

The Sanford Greyhounds banged out three runs in the ninth inning to break a 3-3 tie and pick up their eighth straight win as they defeated Tampa, 6-3 Monday night.

The Greyhounds now sport a 10-3 record and have never been defeated on the road this season. The Greyhounds travel to Leesburg tonight and return home Wednesday meeting Leesburg.

In the game Monday, Bill Baldwin, threw two wild pitches with the bases loaded in the ninth to give the Greyhounds their margin of victory. Sanford's Mike Maloney sacrificed the other run home.

GRAND FINALE? - - - By Alan Mayer

HE HONORED HIS FIRST TIME BY NOT NEGLECTING HIS OWN LEADERSHIP. THEN HE ANOTHER IN HIS 2ND GAME TO SHOW OVER IN PLACE IN THE ALL TIME HONOR ROLL. IT OUT OF 3RD PLACE.

U. S. Pinning Decathlon Hopes On 2

LOS ANGELES (UPI) — Years ago the United States might not be well represented in decathlon competition at the Rome Olympic Games were dispelled today as Rafer Johnson neared top form for the 10-event competition.

Johnson, holder of the U. S. record of 8302 points, has recovered from a back injury suffered last fall in an automobile accident and is gradually increasing his score in decathlon events.

Two of the world's three top decathlon men Monday appeared before the Southern California Track and Field Writers and Coaches Assn. Joining Johnson, who ranks second in the world to Russia's Vasily Kuznetsov, was Nationalist China's C. K. Yang.

Champ! Pirates' Streak Broken; Giants Close NL Gap

Dr. Harold Ring defeated Gene Witzel in the final round of the Spencer Memorial Trophy tournament play held Sunday.

Witzel was defending champion. First flight winner was Tom Finnerty. Other flight winners were Andy Carroway, Tom Langford, Bill Vilhen, Dr. Harry Woodruff and Harry Weir.

Sweeney's Holds Bowlerette Lead

Sweeney's remains in first place in the 1st Bowlerette by a four point margin.

Sweeney's record is 17 wins against seven losses. There is a three-way tie between Nell's Hair Salon, Trimette Figure Salon and Duke and Duchess Shop for second place with 13-11.

Mary Esthers is in third, How's Fashions in fourth with 12-12. Yowell's and House of Rahija Portraits are tied for fifth with 11-13. Ro-Jay's is sixth with 9-16 and Ivey's Shoe Store is in last spot with 8 1/2 wins, 15 1/4 losses.

Pirates' Streak Broken; Giants Close NL Gap

United Press International That \$60,000 bonus the Giants gave teenager Mike McCormick is paying off four years later and 3,000 miles away.

It was back in 1954 that the Giants signed the 18-year-old high school and American Legion ace from Arcadia, Calif., who had been groomed to be a big league pitcher since he was seven years old.

A crowd of 41,943 saw McCormick turn in his third brilliant effort at Candlestick Park. In three victories there the California kid has pitched two shutouts and yielded a total of one run and nine hits.

The victory moved the second-place Giants to within one game of the league-leading Pittsburgh Pirates, whose nine-game winning streak was ended, 4-3, by the St. Louis Cardinals.

The Cleveland Indians scored a 3-1 victory over the Washington Senators and the Baltimore Orioles "walked" to an 11-4 decision over the Chicago White Sox in American League play.

homer to give the Giants a 1-0 lead in the sixth. The Giants added four clutching runs in the eighth with the aid of an error by shortstop Johnny Logan and Del Crandall's second passed ball of the game. Wilkey, who suffered his first loss, fanned nine before giving way to a pinch-hitter.

Elroy Face, the Pirates' 1959 relief pitching hero, walked across the Cardinals' winning run in the ninth inning and thereby suffered his second defeat of the year. Face didn't lose his first game until September last season and compiled an 18-1 record.

Stan Musial started Face's down fall with a single. Daryl Spencer's fourth hit and second double of the game followed by an intentional walk filled the bases with none out. Then Face walked pinch-hitter Carl Sawatski to end it.

Don Zimmer singled with two out and the bases filled in the ninth inning to cap a three-run rally. The Phillies had gone ahead with a three-run ninth-inning burst of their own highlighted by rookie Frank Herrera's two-run single.

But the strain of competition was beginning to tell Monday in what was to have been the final round. Collins, of Crystal River, shot a three-over-par 76 and Palmer, who plays out of Ligonier, Pa., carded a 73, one over par.

For each it was the worst round of the tourney, and each ended the regulation distance with 260's for the 72 holes.

Today's playoff will decide who gets the coveted trophy and first prize money of \$5,000. The playoff loser will get \$3,000.

Plenty At Stake As Palmer, Collins Meet In Golf Playoff

HOUSTON, Tex. (UPI)—Master champion Arnold Palmer was sure of at least \$3,000 more to add to his \$44,000 plus bankroll today as he and Bill Collins got set to tee off for an extra 18 holes to decide the winner of the \$25,000 Houston Classic golf tournament.

Palmer and Collins wound up the fourth round of the tourney for the same way they ended the first round — in a deadlock. They began Thursday by burning up the 7,122-yard Memorial Park course with six-under par 66's.

All New from Phillips 66

NEW TROP-ARTIC offers you what no motor oil ever could before

New Trop-Artic brings to the aid of your motor a new lubricating formula that cleans, protects, and preserves smooth performance under the most severe engine tests for automobile oil.

The secret of Trop-Artic's exceptional performance is a revolutionary super-cleaning element called PDA, made only by Phillips Petroleum Company. In hundreds of thousands of miles of testing, typical car owners reported these important benefits from new Trop-Artic with PDA:

- Less oil consumption
- Less engine knocking
- Less oil-bring
- More miles per gallon of gasoline
- Cleaner oil filters

Change to new Trop-Artic Motor Oil and see if you don't notice these improvements in the performance of your car!

NEW FLITE-FUEL the new gasoline that gives you the "Sweetest Rhythm on the Road!"

Today, discover a new concept of motor fuel performance. Test drive a tankful of new Flite-Fuel, the gasoline with the sweetest rhythm on the road.

New Flite-Fuel is a blend of super-high performance components perfectly matched to the natural rhythm of today's high compression motors. It vaporizes quickly... fires with split-second accuracy... delivers a mighty thrust of power without roughness or ping. It can quiet your motor as it increases your car's power and responsiveness.

You'll really like driving with new Flite-Fuel. Fill up at any station where you see the Phillips 66 Shield.

NEW TROP-ARTIC offers you what no motor oil ever could before

Crowds Like This Stood All Day To Cast Ballots In Record Vote

Bryant, Carlton Make Runoff; Senator Leads In Primary Vote

MIAMI (UPI)—A Harvard lawyer noted for his oratory and a young rancher whose father was governor will fight it out May 24 in a Democratic primary runoff for governor of Florida.

Farris Bryant of Ocala, 45, and Doye E. Carlton Jr., 37, will start off almost neck-and-neck in first primary runoff as they scramble for the votes of the eight local candidates.

Carlton regained the lead over Bryant in the race as late returns came in.

With 1,849 of the state's 1,971 precincts reported unofficially, Carlton led the first primary with 112,402 votes to 117,909 for Bryant.

The lead had shifted between the candidates at least three times during the counting late Tuesday and early today.

Farris Bryant polled the largest vote in the gubernatorial race in Seminole County, followed by Doyle Carlton and John McCarty. Bryant got 2,207 votes, Carlton had 1,707 and McCarty rolled up 1,397.

Haydon Burns was fourth with 1,182 in 52nd place was Ted David, 875, then Fred Dickinson, 464.

George Downs, 106; Harvie Belsler, 106; Bill Hendrix, 40 and Jim McCorvey, 36.

Jacksonville Mayor Haydon Burns ran a surprisingly strong third with 155,533 votes and at one time late Tuesday was within 900 votes of catching Carlton.

Biggest prizes in the runoff campaign will be John McCarty's 55,109 vote in Dade County, Haydon Burns' 45,851 vote in Duval, and Ted David's 21,927 vote in Dade.

David, the most liberal on the

Conner, Hancock Runoff Set; Green Renominated

MIAMI (UPI)—State Treasurer J. Edwin Larson and Comptroller Ray Green won re-nomination in Tuesday's Democratic primary, but it will take runoffs to fill the seats of retiring Secretary of State R. A. Gray and late Agriculture Commissioner Nathan Mayo.

Doyle Conner of Starke and W. R. Hancock, who spread-eagled a six-man field, will duel for Mayo's old office.

State Sen. Tom Adams of Orange Park rolled up a one-sided lead in the first primary, but was forced into a runoff by Jess Yarborough of Miami for the post being vacated by Gray.

In other state-wide races: Edwin Mason of Miami and Jim Blanton of St. Petersburg outdistanced Harry Arkus of Tampa to win runoff spots for a seat on the Railroad and Public Utilities Commission.

Veteran Supreme Court Justice Glenn Terrell won handily over Miami attorney Charles Bodner in his re-nomination bid.

In a contest for Judge of the First District Court of Appeals, Donald K. Carroll of Tallahassee won with comparative ease over Robert Bell of Jacksonville.

With 1,777 precincts reported in the agriculture race, Conner polled 245,223 votes to 186,775 for Hancock. Third was Loran Carlton with 68,687.

Adams rolled up 195,142 votes in the secretary of state's race. Yarborough trailed with 113,940 votes.

Larson, state treasurer since 1946, piled up 237,100 votes. Far back were Al Cahill, 98,516; Ernest Collins, 82,575; and W. O. Murrell Jr., 38,325.

Green piled up a 424,142 to 121,402.

Other vote prizes for the two runoff candidates will be Burns' 21,098 in Dade and 16,039 in Hillsborough; David's 16,004 in Broward, and Dickinson's 21,804 in Palm Beach and 11,365 in Dade.

But Bryant would run strong in rural areas and northwest Florida as he did Tuesday. Among others, he carried Alachua, Jackson, Lake and Manatee. He also carried counties with some of Florida's larger cities, including Escambia, Orange, Pinellas, and Volusia.

He ran well in Hillsborough County although Carlton carried that county 24,273 to 16,085.

Burns carried eight counties, Dickinson six, Harvie Belsler six and John McCarty five. David won only Broward. Bill Hendrix, George Downs and Jim McCorvey failed to carry a county.

The counties Carlton carried were Collier, Dade, DeSoto, Glades, Hardee, Highlands, Hillsborough, Indian River, Leon, Polk and Sarasota.

Florida's Republican voters nominated George Peterson of Fort Lauderdale for governor over Emerson Rupert of St. Petersburg, but Democratic nomination for governor is good as election in Florida.

Seminole Endorses Parrish As Senator From 37th District

Seminole County voters by a 3-1 majority, endorsed Bernard Parrish of Titusville to represent them as senator from the 37th District.

Parrish polled 4,978 votes to Gary Bennett's 1,684. Parrish took all 16 precincts by at least a 2-1 majority.

Broward County newspapers reported that Parrish also got nearly a two to one victory in his home county.

Parrish led in all but four small precincts in Broward's 41 voting areas in gaining a 6,156 total to 4,307 for Bennett, they reported.

News Briefs

Closing Arguments

WEST PALM BEACH, Fla. (UPI)—Judge James Knott and a 12-man jury will hear closing arguments today in the murder trial of Dennis Whitney, 17, admitted slayer of six men and a woman.

079 lead over his only opponent, J. L. Lee of Live Oak.

Hide And Seek

DARIEN, Ga. (UPI)—Mrs. G. J. Reynolds, fighting a divorce effort by her tobacco-hair husband, played hide and seek with his lawyers and sheriff's deputies today while the split-up trial ground on through legal arguments and written depositions.

Rights Probe

WASHINGTON (UPI)—The Civil Rights Commission has started investigating job discrimination by the armed forces and the National Guard. A commission spokesman said Tuesday that the study would cover discrimination in any employment where the federal government pays part of the employee's salary.

5 Face Firing Squad

TEHRAN, Iran (UPI)—A firing squad today executed five members of an alleged Communist organization for plotting to overthrow the Shah's government, a military spokesman announced. Another 17 persons, including a woman, have been sentenced to prison terms ranging from 10 years to life, the spokesman said.

Red Visit

WASHINGTON (UPI)—The commander-in-chief of the Soviet Air Force and nine other Russian air officers will visit the United States next week, the Pentagon announced today. The visit was described as a return of the trip to Russia by Gen. Nathan F. Twining, chairman of the U. S. Joint Chiefs of Staff, when he was chief of staff of the Air Force in 1954.

TV Networks Get Probe Warning

WASHINGTON (UPI)—House payola investigators left a broad hint to the television networks today to improve their programming or become the possible target of a congressional inquiry.

Rep. William H. Springer (R-Ill.), served notice before the subcommittee completed its public hearings on payola Tuesday that he, for one, intended to press for an investigation into TV programming if the quality of shows isn't improved.

Springer said his mail indicated the people back home were more concerned about this than they were about rigged quiz shows or payola—a report which came from other subcommittee members also have made.

Armed Forces Meet Friday

Plans for Armed Forces Day scheduled May 21, will be discussed at a special meeting at 5 p. m. Friday in City Hall, Armed Forces Day Chairman Jool Fields announced today.

Four County Board Runoffs Set May 24

County Commission candidates will have to start campaigning all over again now.

Four commission race runoffs will be held May 24 with T. V. Brown facing J. C. Hutchison in District 1; J. D. Cordell and Ted Williams, District 2; James P. Avery and Lawrence Swafford, District 3 and Homer Little and John Fitzpatrick, District 5.

In the District 1 race, Hutchison was high man with 2,832 votes, with Brown running a close second and polling 2,472 votes. Third man in the race, Donald J. Bales, polled 1,164 votes.

Hutchison took nine precincts while Brown took seven. However, Brown proved strong in the Sanford precincts.

In District 2, Williams, who during the campaign had said he would not even issue vote cards because he was unlucky at the game, polled the largest vote tally with 2,989 votes as compared to Cordell's 2,010. J. H. Van Hoy, who was appointed county commissioner from the district two months ago, polled 1,166 votes.

Williams took the majority of the precincts and Cordell came up strong in the three Sanford precincts.

In the most hotly contested race, incumbent Lawrence Swafford was high man in District 3, polling 3,186 votes. Swafford dominated the Sanford precincts while his closest opponent, Avery, who polled 1,513 votes, proved strong in the county.

Otis Fouracre was third with 1,374 votes followed by A. R. Lormann, 1,369 and Edward Zimmerman, 979.

In District 5, incumbent Homer Little polled the largest vote, 2,366 to Fitzpatrick's 2,334. George Bell polled 1,685 votes.

During the early returns, Fitzpatrick trailed Little by a big majority but pulled up strong in the Sanford precincts. Fitzpatrick led by 684 votes to Little's 587 in Precinct 5.

Little pulled away to early lead in the Chuluota, Geneva, Altamonte Springs and Oviedo precincts.

Collins Action Requested On Basis Of Vote Results

One of the biggest majorities in a record Seminole County primary vote Tuesday elected Mrs. Mary Earle Walker tax assessor again as she defeated Richard McCanna by a two to one total.

Mrs. Walker's victory brought a proposal today from J. Brailley Odham that Gov. LeRoy Collins have her reinstated in the office immediately.

Odham sent a telegram to Collins asking that the governor take whatever steps are open to him to put Mrs. Walker back on the job without the customary protocol.

Mrs. Walker swamped McCanna in all of the 16 precincts with a tally of 5,091 votes to McCanna's 2,423.

Mrs. Walker, suspended by Gov. LeRoy Collins late last year, piled up an early lead and by the time six precincts were in had compiled a 500-vote margin.

When she arrived at the voting registrar's office about midnight, Mrs. Walker was hailed by friends and supporters. She thanked the voters of Seminole County and said "I will work to the best of my ability for the best interests of the county."

"I felt the victory was a vote of confidence for me," Mrs. Walker added.

Mrs. Walker took every precinct by at least a 2-1 majority with the exception of Altamonte Springs, where McCanna collected 225 votes to her 250.

CHEERS GREETED Mrs. Mary Earle Walker, left, Tuesday night as she piled up a commanding lead in the Tax Assessor's race in the Democratic primary. Mrs. Walker captured all 16 precincts in her bid for re-election. Miss Rebecca Stevens is shown congratulating Mrs. Walker after the final returns were in. (Herald Photo)

County's tax records had said the records that did exist were the worst of the 67 counties. In my opinion, failing to extract from her a promise that she would do better, you as governor did the only thing you could do in discharging the duties required of you as governor when you suspended her.

The two men who were present with you at the hearing, Sen. Douglas Stenstrom and Rep. Mack Cleveland of Seminole County, made no public comment following the hearing which you held with Mrs. Walker. Mrs. Walker's ads during the campaign have said that she was "unjustly" suspended by you, the governor, when "I dared to fight for your rights." You will recall that at the hearing her attorney, Mr. Algie Speer, made the charge that there was one man responsible for your decision and that was Mr. Odham. This impression, in my opinion, has been successfully conveyed to the people of Seminole County. They felt that my tactics were high handed.

You know, and God above knows, that I personally never discussed with you, Mrs. Walker's suspension prior to your action, but irrespective of that fact I am certain that the public believes otherwise.

I do not offer to anyone any apologies that I was critical of Mrs. Earle Walker's tax assessment records. I do not apologize for having fought for a tax equalization because it was both lawful and necessary.

I feel the fact that Mrs. Walker has successfully conveyed to the people that the high level of assessment, or full cash value is here to stay - which is certainly a change in her position - was an additional decisive factor in helping to re-elect her. Now that she has publicly committed herself to a position of full cash value assessments (which if she had done so you she could have prevented her suspension in the first place), and now that she has been re-elected by an overwhelming vote of the people, I feel that it is my duty to recommend to you publicly that she be immediately reinstated so that our government can be truly representative of the people's expressed will.

Richard E. McCanna, whom you appointed and who stepped in to do a job for the people of this county, deserves the gratitude and appreciation of every citizen of this county. One thing is sure, and that is that McCanna had nothing whatsoever to do with the suspension and three other men that I know of - John Courier, who was contacted by me; Bert Hollingsworth, a CPA of Sanford who was contacted by me; and David Gatchel, then a County Commissioner who was suggested by Senator Stenstrom - were possible appointees to the job. McCanna in the end received the unanimous vote of your local committee, the entire legislative delegation and the entire County Commission. He served with credit and distinction and served at a time when no one else would or could and one thing of his accomplishment is certain; that through the fine job that he did do, a high level of assessment and a fair level of assessment was endorsed by the great majority of candidates for local office, including his opponent Mrs. Walker herself. I am proud to say that I voted for Richard E. McCanna in appreciation for the fine job that I feel he has done and the service he has rendered to the people of Seminole County.

I realize that normally suspensions must await the end of a term or Senate confirmation of your action. It is obvious that in following either of these courses unnecessary time and expense occurs without benefit to anyone. As I said previously, I feel the fact that Mrs. Walker has publicly committed to the lawful and high level of assessment is assurance enough that she has changed her mind and the fact that the people have re-elected her in my opinion makes this departure from normal procedure a proper course of action to follow. I am hopeful that this can be done.

Upon sending this telegram to you I am enclosing in the best newspaper a copy of same. I shall appreciate your favorable reply at your earliest convenience.

Beckwith Wins Race For Clerk

Arthur Beckwith, taking 15 of the 16 precincts in the county Democratic primary, was elected clerk of the Circuit Court.

Beckwith defeated incumbent David Gatchel with an unofficial vote tally of 4,104 to 2,403.

The only precinct Gatchel won was in Altamonte Springs, where he polled 189 votes to Beckwith's 164.

Beckwith, who has been working in the tax collector's office for the past eight years, said after his victory, "I could not have won this election by myself. I am humbly grateful for the support I received."

Beckwith opened up with an early lead and proved strong in the three Sanford precincts. In Precinct 3, the biggest one in the county, he polled 1,039 votes to Gatchel's 546.

Gatchel was appointed clerk late last year after O. P. Herndon retired.

ARTHUR BECKWITH JR.

Hobby, Bruce Re-elected Mann Gets School Post

Voters returned Sheriff J. L. Hobby to office in the primary after a close race with J. Q. (Slim) Galloway.

Galloway, showing strength in many of the bigger precincts, took two of the three Sanford precincts. However, Hobby finally got 4,655 votes to 3,497 for Galloway.

Mrs. Camilla Bruce seeking re-election as supervisor of registration, grabbed the biggest vote majority of all candidates in the primary when she swamped Mrs. Kathleen Reynolds by a 5-1 vote. Mrs. Bruce got 5,149 votes, compared to Mrs. Reynolds' 1,190.

Roy Mann won handily over Ray Slaton for the school board from District 2. Mann collected 3,282 votes to Slaton's 1,906.

In the justice of the peace race in District 2, Thomas G. Moon defeated Phillip M. Packard, 428 votes to 280.

In the four-man race for the justice of the peace District 6, Elmer Ashley got 622 votes to L. L. Cox, 334; John Nettleton, 335 and Homer Sewel, 306.

In the constable's race in District 6, Grady Hall rolled up 1,156 votes compared to W. D. Bridge's 523 and Frank Lucy's 184.

The election board met today to tabulate 277 absentee ballots and to make the official canvass of Tuesday's primary.

The complete official tabulation by precincts will be published in Thursday's Herald.

Official Canvass Of Vote Underway

The election board met today to tabulate 277 absentee ballots and to make the official canvass of Tuesday's primary.

The complete official tabulation by precincts will be published in Thursday's Herald.

Reward Offered On Dog Shooting

Mrs. Hazel Porter of 1104 25th St. today offered a \$100 reward for information leading to the identity of whoever shot her dog near her home.

Mrs. Porter said the dog was found buried approximately one block from her home after the dog had been shot.

Photo Exhibit To Open Here

The Traveling Photo Salon of the Florida Photographers' Assn. will be on view to the public Thursday, Friday and Saturday at Jameson's Studio, W. First St.

Anyone interested in photography is welcome to attend.

Board To Meet

The County Commission will meet at 10 a. m. Thursday in the Courthouse, Chairman John Krider said today. The regular Tuesday meeting of the board was postponed because of election day.

GOP Hails Nixon's Win In Indiana

By United Press International

Republicans today hailed Vice President Richard M. Nixon's showing against Sen. John F. Kennedy (D-Mass.) in Indiana's presidential "popularity contest" as a sign of a great upset victory which foreshadowed GOP success in November.

Returns from all but a few hundred of the 4,299 precincts gave Nixon 368,249 votes and Kennedy 335,117 in Tuesday's primary. The candidates were without major opposition in their separate races.

The Massachusetts Democrat, who made four campaign swings through the state, had predicted in advance he would pile up the most votes. Nixon, who did no campaigning in Indiana, had forecast he would trail.

Casselberry First Aid Class Tonight

Casselberry's volunteer firefighters will learn general first aid, life-saving and how to operate a resuscitator in the department first aid course which opens tonight.

Firemen from other county departments also have been invited to take the course since lots of firemen would need to know first aid techniques in case of a big blaze, Casselberry Fire Chief Paul Bates said. The meeting in the Casselberry fire house will start at 7:30 p. m.
