The capital and all State offices were closed during the funeral of farmer State Chemiet R. E. Rose. The Governor will probably announce his successor tomorrow. It is reported that he has already decided on a man for the place.

The appropriations committee a certainly gaing the hatchet, and wall they might, as there have seen hills introduced carrying appropriations from \$500 to \$150,000 that are not absolutely necessary during these strenuous times. They all have good notives, but he present seasion, in my opinion, a no time to spend money for any hitigs, which are not absolutely inchestry.
