Work And Eat!

Almost everybody is organized now, including people on the welfare rolls. Their group, the National Welfare Rights Organization, is currently campaigning against the Nixon welfare reform bill, partly because they consider its guaranteed family income too low - they want \$5,500 instead of \$1,600 - and partly because they oppose the requirement that the ablebodied go to work.

Said the Welfare Rights leader, George E. Wiley, a former chemistry professor: "We're going to fight against forcing people to work in order to get welfare. We're prepared to beat it in the streets. We're prepared to refuse to take the jobs that are given to us."

We would remind the good professor of a quotation from the Second Epistle of Paul to the Thessalonians: "If any would not work, neither should he est." Congress, we suggest, should say to all the ablebodied welfare pensioners who are pro

The nev maxicoats which some young women are sporting this winter are being assailed by some as unsanitary because they drag in the streets, by others as unsafe because they get caught in escalators and by still others as ugly

Recently an Italian miss reported she was all for them. She fell off an English Channel ferry and survived 15 minutes in the icy waters before being rescued by a Dutch ship. She attributed her survival to the fact she was wearing a maxicoat that trapped air and formed a sort of balloon around her, keeping her afloat. out of the Seminole Junior College field, little did he know he would get this kind of greeting from bat girls Karen Flemming (left) and Kathy Steltzer. The Raiders were stopped 11-8 by Valencia. (Gary Taylor Photo)

Valencia while base coach Dennis Pitts looks on. The Raiders fell 11-8 to (Gary Taylor Photo) Valencia for their seventh loss of the season.

Pulls String

In the sixth inning of yesterday's contest between Valencia and Seminole Junior College, Steve fence, becoming the first Raider to ever hit a homer in the park.

It came an inning and a half too late. In the top of the fifth, John Engerran became the first player ever to belt a homer out of the park. Those were just two of the 16 hits in vesterday's slugfest that saw the Raiders fall 11-8.

The Raiders looked like they were sailing along n the bottom of the second inning when they scored hree runs. The came on three walks, an error and a base hit by Tom Austin. But Valencia, with former Seminole High star Bobby Lundquist on the mound, wouldn't give up. They came back with an equalizing three rans in the top of the third, sparked by Lundquist reaching on an error and then scoring the first

The homer by Engerran in the fifth, with one aboard, gave the Matadors a lead they never relinquished. The Raiders scored on the Shumaker blast in the sixth, but Valencia scored another four in the seventh and two in the eighth.

Chip Gierke, the ace of the staff with five wins, started the game and was relieved in the fifth. Borby Sherman came on, but was later lifted for a pinch-hitter, and Gene Griffin finished the game. Lundquist was lifted in the third after issuing his seven base-on-balls in less than three innings. Mike Ferrell, who broke out of a slump in the

second game of the double-header with the Daytona Beach Junior College Scots, slammed two hits. He had one RBI. Bill Dancy and Austin each had a single and a pair of RBIs. It was just a game you like to forget about and

be thankful it wasn't a divisional contest. The Raiders have their work cut out for them. This Saturday they will host Polk Junior College for a single game Then the schedule really gets hectic next week.

They have three double-headers on tap, including two MUST games with St. Johns Junior College. Barring another divisional loss, the Raiders need to sweep the twin-bill with St. Johns to give them a tie in Di-

The remaining games on the schedule are big ones and need to be won to assure the Raiders a berth in the state championships. There are two away games and nine home games remaining.

Herald Sports Staff LONGWOOD - Under the lights last night at Colonial, the powerful Lyman thinelads and the Colonial Grenadiers ended their track meet in a 66-66 standoff. In this meet the Greyhounds rearranged many of their tracksters, putting them in positions that they had never run

before, but they still came out with a fine performance. Gordon Denson started the Greyhounds flying in the first event by winning the high hurdles. Then the Greyhounds came back with Wilbur Ferguson winning the second event, the 100 yard dash, and Tony Adair bringing home the honors for Lyman in the mile run. Then in the next event, the 880 yard reto win handily. After a win by Colorial in the 440 yard dash and the low Hurdles, the Greyhounds came back with Bruce

Knoochel winning the half mile run in a time of 2:01.9. Then Lyman's sprint medicy team went to work, capturing another first place for the Greybounds, in a time of 2:03.5. Then Knoechel came back on the scene and won his second event of the evening, the two mile run. Then in the mile relay, the last event on the agenda, the Greyhounds were dis-

It's a brand new contest, similar to the Punt, Pass and Kick competition held each year, Seminole Petrolium in San-

ford is sponsoring the local competition. But to be able to compete, you MUST pick up an entry form at a Phillips 66 dealer. Your parents MUST be with you to verify your age. Deadline for entering is May 16.

There will be two semi-finals in the county, and then a county championship to decide the overall winner in each of the four age groups. On May 17, at 2 p.m., the semi-final for League Park, better known as Cooper's Field. A winner will be selected in each age group. On May 23, competition will be county and DeBary. Here again one winner will be selected in each age group.

The boys will be scored in three categories: throwing, hi ting and pitching.

in the air. He gets five chances to toss the ball up and swing away for his two hits. If he gets only one hit in his five tries he will be scored on only that one hit. If he misses in five tries, he will get a zero score. PITCHING - Each boy pitches the ball into a pitching target at home plate 46 feet away. He has five throws and gets

25 points for each pitch on target. THROWING - Each boy goes to home plate and gets one throw over either first or third base, depending on which foul used. He scores one point per foot the ball travels on the fly, minus one point per foot the ball lands right or left

of the fcul line. On May 24, the four winners from each of the two semifinals, will meet at Cooper's Field for the County Championship. The loser will get a warm-up jacket and a runner-up patch. The winner will get a jacket, a winner patch and a plaque. Each person entered in the semi-finals will get a participation patch. The four winners will then advance to District competition.

The winners at District, held in Orlando, will go to the Division championship in Atlanta. The winners in the Division competition will compete during the seventh-inning stretch at the All Star game in July Participants in the national championships will be recognized at a banquet and visit the Hall of Fame at Cooperstown, New York. The winners will have their names inscribed in the Hall of Fame.

Be sure to stop at your local Phillips 66 station today and pick up the official entry form. The Seminole Little League is in full swing at their park

located near Five Points. With five games nightly, and a full slate on Saturday, there is plenty of action for the baseball lovers. Of course, if you need a good laugh, just come out and watch this writer umpire . . . oh brother!!!! No championship pennant flies over Atlanta Stadium, but

represented Thursday night at a special meeting called by Casselberry City Council Chairman Thomas Napier for this purpose of dialogue on the proposed merger study.

Attending the meeting held in the Casselberry City Hall were in addition to Napier, who chaired the discussion, Councilmen Edith Duerr and Louis Kirby, of Casselberry, and Mayor Clifford Jordan and Councilman Pat DelVillaggio, of North Orlando. A Longwood Council meeting conflicted with the merger meet. Altamonte, whose mayor, Lawrence Swofford, has stated opposition to the merger move,

Mayor Jordon, whose community is the only one thus far to send the necessary data on the city to Dr. Paul Douglass, head of Rollins College Center for Practical Politics, read a letter from the professor cities. In order to proceed, Douglass asked that each city send a formal letter of authorization. Jordon pointed out that it might prove cumbersome
