its actual cash value as a trade on our SALE PRICED 1968 automobiles. We will provide for 10000000000000 financi the required payoff and arrange, on the spot, a financing plan that is unequaled ... even including life insurance

THIS SALE HAS A REASON ...

We are the largest independent rental car company in Florida. Our rental business is based on a short winter season for which we buy thousands of brand new cars. I Ours is a Service business and while we love them ... no one-BUT NO ONE-is FUSSIER about the way a car performs than a rental customer . Our cars must be at all times in tip top mechanical condition. The interiors still have the "show room look". In short, each of our FIVE THOUSAND 1968 automobiles measures up to the highest standard of excellence. = Since we only operate in Florida, we are unable to send our cars North to "follow the season" ... so these LOW MILEAGE cars are placed on sale. We have been in the automotive business in Florida for thirty-eight years and this is our 15th year in the car rental business ... in other words we have a reputation to protect...so when you purchase a KING RENTAL CAR you are buying a car we know and we will be right here to stand behind the sale ... WHY-BECAUSE WE WANT TO SELL YOU ANOTHER CAR IN 1969, 1970, 1971, etc.

Here Elena goes back to her Mexican heritage to present a dish that is widely welcomed not only by adventur ous cooks on the West Coast bu all around the country.

Most Chilies Rellenos recipe we have encountered stuff the peppers with cheese. But Elens uses Picadillo, made with ground beef base, that's both hearty and savory.

ELENA ZELAYETA'S CHILIES RELLENOS WITH PICADILLO dozen fresh long green chille:

Picadillo (See below) eggs, separated 6 tablespoons flour Salt to taste Oil for frying

Sauce Place chilies under broiler and turn frequently until they are well blistered on all sides. Place in a paper bag and close tightly so peppers will steam. Let stand 15 minutes. Peel off skins and remove seeds, being careful not to break chilles. Fill with the picadillo mixture. Beat egg whites until stiff. Beat egg yolks; fold into egg whites, then fold in flour and salt. Drop stuffed chilles into batter one at a time. Lift out chili with a spoonful of batter and drop in oil about 11/2 inches deep, heated to 375 degrees. Turn to brown ond side. Lift out with a slotted spoon onto paper towels. The puffy coating will deflate. but it will puff up again when you heat the chilles in the sauce. Makes six servings. Sauce: Saute lightly one medium-size onion, minced, in a tablespoon of oil. Add an 8-ounce can tomato sauce. 11/2 cups chicken broth, or a 10%-ounce can chicken consomme, a dash of powdered cloves and a stick of cinnamon, Salsa Jalapena to taste (or chopped canned green chili), a pinch of sugar and salt to taste.
