### Girl Declares 100 Others Involved In Rules Breach

BERLIN, July 25.—(AP)—In a militant defense of her own behavior, Eleanor Holm Jarrett, disabled swimming ace of the American Olympic Team, today charged the Olympic Committee officials had "disgraced and misadvised" themselves aboard the liner Manhattan on route here.

She described as "shocking" a mock marriage and mock trial, presided over by Gustavus T. Kirby, treasurer of the American Olympic Committee, which featured shipboard entertainment.

She said at least 100 other athletes had violated training rules with regard to drinking or late hours.

BERLIN, July 25.—(AP)—The last possibility for Eleanor Holm Jarrett to compete in the eleventh Olympic Games apparently vanished today when the German Olympic Committee announced that she had been disqualified.

## Richard Holtzclaw Gets Scholarship In Music School

The name of Richard Holtzclaw today had been added to the long list of Sanford youths who "will soon be made good."

A recent issue of the Atlanta Constitution carried a story that Mr. Holtzclaw had been awarded the Pasquale Amato scholarship in Louisiana State University school of music.

Mr. Holtzclaw is a bass baritone singer. He left Sanford some time ago and has lived in Atlanta since, managing a section in a large Atlanta department store.

He has had four years of singing experience in two of the Georgia capital's larger churches. His favorite opera is Gounod's "Faust." He has sung the part of "Mephistopheles" with the Atlanta Philharmonic Society.

Along with Mr. Holtzclaw, one of his best friends, Robert Guy, was awarded a similar scholarship. The two plan to study together in Louisiana.

Both of the young men have been heard over WGST, Georgia Tech's radio station in Atlanta.

Mrs. Emma Holtzclaw, mother of the singer, resides at 815 Elm Avenue. Her brother James Holtzclaw, is employed by the Sanford Coca Cola Bottling Company.

The singing Holtzclaw got his musical start in an amateur production presented at the old Milano Theater under the sponsorship of the Kiwanis Club here.

## Victim Of Accident Is Holding His Own

I. Herbert Frances, 75, pedestrian victim of an automobile accident Wednesday night, was holding his own in Fernald-Laughlin Memorial Hospital, it was reported today.

Mr. Frances was struck by an automobile driven by James Logan, son of City Commissioner M. J. Logan. He sustained a crushed left leg.

No charges have been preferred against the driver.

## Credit Production Unit Sees Business Climbing

### Andrews Predicts 25 To 50 Percent Increase In Activity This Year Over Past Season

An increase of 25 to 50 percent in volume of business over last year was predicted today for 1936-37 activity of the Sanford Production Credit Association, according to a statement made by S. E. Andrews, secretary and treasurer of all similar associations in this district.

Further, Mr. Andrews said the June collections from this area of the state formed the second largest lump sum ever turned into the production association's headquarters at Columbia, S. C.

He said the object of the local office is to provide a one-stop cooperative institution where a grower may obtain in one transaction, all funds which he might need in raising his crops.

In a bulletin released from the South Carolina office, it was reported that \$129,603,076 loans were outstanding on June 30 in the two Carolinas, Georgia and Florida, with the latter state now using \$20,847,250 of the four states' 79,537 farmers are making use of the available facilities, it was said.

A large advance in the amount of loans outstanding has made very little if any increase in the total overhauled indebtedness of the farmers in this state, Mr. Andrews said. Growers use about \$9 out of every \$10 borrowed to pay off already-existing debts owed to banks, insurance companies and other concerns and individuals.

Mr. Andrews said the co-operative farm loan business in the four states is handled by local farm loan associations of which there are 6,000 now operating in the United States.

The local representative said a favorable investment market has enabled the Federal Land Bank, with which the associations are connected, to make new loans bearing four percent interest per year, the lowest rate in 20 years.

## Volie Williams, Jr. Wins Amateur Event At Local Theater

Volie Williams, Jr., tenor, last night was judged winner of the second in a series of six amateur night programs being presented at the Ritz Theater.

The first event on July 17 was captured by Walter Smith, female impersonator.

Six winners from the events will be heard over WDBO in Orlando on Aug. 26. The final victor in that contest probably will be given an opportunity to further enter the entertainment field, probably as a professional.

Blow-Water's orchestra accompanies all acts, six of which are staged each week.

## Banker Returns From Summer Trip

James L. Taylor, of the Sanford Atlantic National Bank, today had returned from a summer vacation trip that carried him to the cities of Cleveland, Baltimore and Pittsburgh.

He was accompanied by his daughter, Miss Marguerite Taylor. The two were away for two weeks.

## Fire Department Is Called To Hostelry

A short circuit in an electric wire leading to the Westwood Hotel last night resulted in calling the Sanford Fire Department about midnight to rectify the defect.

The only damage reported by Chief Mack Cleveland was two small burns in shingles on the roof of a residence adjoining the hotel.

## Pepper Will Speak Before Rotary Club

### Sanford Civic Units Invited To Attend Address At Local Hotel On Tuesday

Claude Pepper, only Democratic candidate for the seat of the late Senator Duncan U. Fletcher, will address the Sanford Rotary Club Tuesday, according to a statement made today by H. B. Pope, president of the civic organization.

An invitation has also been extended to all members of other local clubs to attend the noon luncheon at the Mayfair Hotel, the Rotary head announced.

Mr. Pepper, who has a wide circle of friends here, will spend the early part of the day in the city greeting old friends and making new acquaintances, according to present plans.

The opportunity offered next week will be the last that the senatorial candidate will have to appear in Sanford for sometime, Mr. Pope said, and he is anxious to meet as many local people as possible.

Sanfordites are invited to call at the Valdes Hotel and meet Mr. Pepper next Tuesday between 10 A. M. and 12 noon. The Rotary luncheon at the (Continued On Page Two)

## Local Guardsmen Will Leave Sunday For Summer Camp

Sanford's Florida National Guard units will leave here by truck tomorrow morning for Camp Foster in Jacksonville where they will undergo a two-weeks' summer training period.

Camp McClellan near Anniston, Ala., had been originally chosen for the period of duty this year, but an epidemic of infantile paralysis made it necessary for the adjutant-general to re-assign a camp site.

Ten officers, led by Lt. Col. J. C. Hutchinson, and 125 enlisted men will represent the local military unit at Camp Foster.

Tight trucks, three station wagons, two ambulances and several private conveyances will be used in transporting the contingent.

A small detachment including the medical unit left yesterday for Camp Foster where it is making preliminary preparations for receiving the larger group.

Miss A. M. Weeks, deputy clerk of the Seminole Circuit Court, today obtained a week's leave of absence and will visit in Wilmington, N. C. She is to be accompanied by her mother, Mrs. Elizabeth A. Weeks.

## Lehmann Says Waterway Budget Not Completed For St. Johns River Work

The Associated Press dispatch announcing federal allotments for Florida river and harbor improvements for the coming year was erroneous, according to Karl Lehmann, secretary of the St. Johns River Improvement Association, who stated that the engineer's budget for 1937 has not yet been prepared.

Mr. Lehmann said he based his opinion upon a wire received from Representative Joe Sears in reply to a telegram from Mr. Lehmann in which the secretary commented on the failure of the department to make any allotment for the upper St. Johns River.

Mr. Lehmann wired Mr. Sears that the Associated Press had stated that an allotment had been made for improvements in the St. Johns River between Palatka and Lake Harney for the coming year whereas \$4,000 had been allocated for this purpose last year.

Mr. Lehmann also asked if this were so and why.

Mr. Sears immediately replied to the effect that the Associated Press had been misinformed, that the Engineer's budget had not yet been prepared, and that he was placing a copy of Mr. Lehmann's telegram before the board so that they would have it when they made up their budget.

Mr. Sears was also informed today that the Seminole County Chamber of Commerce has contacted all of Florida's senators and representatives with references to the reported failure to make any allotment for the upper St. Johns River with the request that they make every effort to have some funds included in next year's budget for this purpose.

## Captain Sees Wreckage On Mexican Gulf

### Coast Guard Dispatches Cutters, Planes For Trace Of Lost Nunoca

JACKSONVILLE, July 25.—(AP)—Coast Guard headquarters today sent cutters and planes into the Gulf of Mexico and Atlantic Ocean to investigate new reports of wreckage which might lead to answering the question of what happened to the British Motorship Nunoca which sailed from Georgetown, Grand Cayman Island, July 4 with 22 persons aboard but never reached port at Tampa where she was due July 9.

Captain H. C. Bogus reached Panama City from a Gulf fishing trip with the story of seeing a spar and the forward part of a boat in the waters about 75 miles west of Tampa on July 15.

He said the wreckage might indicate a boat had been caught in a waterspout or met some similar disaster.

Captain George Prince of Miami reported sighting what appeared to be part of a ship's deck floating in the sea northeast of Miami last Tuesday.

The Coast Guard, which has been searching the Gulf, Florida Straits, and the Caribbean for days, sent investigators to both positions.

## Fourteen Will Get Red Cross Awards

Fourteen Seminole County youths today had successfully passed examinations for certificates in American Red Cross first aid, according to Mrs. Dorothy Lamb, county public health nurse.

The names of the qualifiers have been forwarded to national headquarters in Washington and awards will be made shortly, Mrs. Lamb said.

Following are those who will receive certificates: Martha Wright, James Hardy, Doris Jackson, Margaret Cullum, Patty Hodges, Robert Herndon, Louise Wright, Ruth Strang, Douglas Connor, Buster Ferguson, Raymond Ashton, James Russell, Kirby Pitts and Dillian Cullen.

# Shells Whine Over Gibraltar Straight; Fascist Drive Halts

## LOYALISTS RUSH TO FIGHT REBELS

These armed citizens, loyal to their government, ride on a motor coach at Barcelona as they advance on rebel forces in the Spanish civil war. A battle raged in the Straits of Gibraltar today between six Spanish warships and rebel forts at Ceuta, Morocco, with the opposing forces matching shell for shell.

The Fascist advance on Madrid from the north halted, apparently to take its bearings and view the mountains in its path with apprehension, the bitter fighting shifted to the Straits. Fire from both shores batteries and the war fleet appeared to be ineffectual as a heavy fog drifted in.

Spasmodic fighting occurred at San Sebastian. The Fascist mayor named Muller was reported to have been executed by a leftist firing squad after leading his forces in a losing battle against Loyalists who clung to the town tenaciously.

The American navy department advised that 140 United States citizens still are hemmed in at the Madrid Embassy with a limited food supply and that 30 refugees have been rescued at Bilbao by the battleship Oklahoma. Those evacuated were mostly women and children. They included 16 Americans.

Spanish refugees who sought a haven at Gibraltar were ordered by British authorities to leave for their homes by evening. Medical authorities feared an epidemic from overcrowding.

A mysterious note lent to the political phases of the revolution by word of Koenigswart, Czechoslovakia, that the adjutant of former King Alfonso departed from the country at Alfonso's orders on a secret mission.

## Junior American Legion Members Form Rifle Team

### Twenty-Three Youths Signed To Vie For Positions On Unit

Twenty-three members of the Junior Sons of the Legion last night signed their applications for a position on the organization's junior rifle team which is now in the process of formation.

More than 25 additional boys are expected to compete for positions, according to Percy Mero, chairman of the American Legion Boys' Work committee who is directing formation of the team.

Last night Lt. W. D. Hoffmann of the National Guard addressed the prospective riflers and offered them the use of the guard range in the old armory where the juniors will practice.

Chairman Mero said approximately six weeks will be required to whip the organization into shape for active competition against other units.

It is planned to schedule shooting meets with the only three (Continued On Page Five)

## Baseball Committee Schedules Meeting

Sanford's special baseball committee will meet Tuesday night in the chamber of commerce building to discuss a matter of utmost importance, Arthur Branan, chairman, announced this afternoon.

The committee is composed of one member from each of the local civic clubs, two from the Chamber of Commerce and a like number from the County and City Commission and the American Legion.

Mr. Branan said that while the session is primarily a committee meeting, all interested persons are invited to attend.

## Hope To Get More WPA School Courses

Two officials in the state WPA educational program were here today discussing with E. L. Glenn, member of the County Planning Board, possibilities of securing additional facilities to the educational program under way here.

State Supervisor Walker and District Supervisor Ritter, the latter from Orlando, were in conference with Mr. Glenn.

No definite course of action was announced.

## Commissioners To Discuss Plan For Collecting Taxes

A proposal to name a receiver for revenue-producing property which is delinquent may be studied and discussed by the City Commission during its regular semi-monthly meeting Monday night.

The plan was tentatively advanced two weeks ago for consideration by the body, although there has been no indication that it will be put into force.

It had been pointed out that the method of collection was in operation in a northern state, and that there was no illegal procedure involved.

According to the proposal, a receiver would be appointed for property which produces revenue and on which taxes have not been paid. The state, county, city and the owner would divide the annual earnings on an equal basis until delinquencies had been settled.

## Angela Meisch Is Guest Of Honor

Mrs. Frank Meisch entertained with a delightful party at her home on the West Side in honor of her daughter, Angela, on her eleventh birthday.

Games and contests were under the supervision of Miss Frances Morrow and Miss Carnita Barber, with the highlight of the evening a screen contest.

The dining table was laid with a lace cloth, centered by a crepe paper doll in an old-fashioned dress. The favors were tied with ribbons and with the favors themselves concealed underneath the doll's billowing skirt. At one end of the table was the birthday cake decorated with eleven candles, while at the other were laid assorted candies. Crepe myrtle and asparagus fern further added to the beauty of the scene.

Those present were: the Misses Lois Caldwell, Eugenia Ann Caswell, Virginia Chapman, Nancy Collum, Laurelle Dutton, Jean Harver, Helen Hotchison, Margaret Langley, Caroline Lee, Connie McCall, Gladys and Elizabeth Tipple, Mary Eva Raburn, Ruth Stenstrom, Jane Thippen, Jean and Elizabeth Whigham, Sylvia Meisch and the guest of honor, Angela Meisch.

Mrs. Laurine Beal has been removed to her home on Third Street from the Fernald-Laughton Memorial Hospital where she recently underwent an appendicitis operation.

Word was received here yesterday that Lee Esell, formerly of this city will be married today, at Greenville, S. C. His bride-to-be is Miss Joyce Christie, of Smith Falls, Ontario. Mr. Esell was connected with the Florida Power and Light Company during his residence in Sanford.

The Second Year Intermediate Girls Class of the First Methodist Church met last night for their monthly business meeting at the home of Miss Peggy Hoolehan 1033 West First Street at 8:00 P. M.

Games and contests were enjoyed and Mabel Chapman was awarded a prize as winner. Punch and wafers were served at the close of the meeting.

## Gable And McDonald Are In San Francisco

In "San Francisco," Metro-Goldwyn-Mayer has again hit the bull's-eye with a sensational picture that should prove sure-fire box-office success for several reasons.

It brings together for the first time three of the most popular stars of the screen—Clark Gable, Jeanette MacDonald and Spencer Tracy.

It produces on the screen some of the most hair-raising, realistic scenes of a great catastrophe ever before filmed.

It was directed by W. S. Van Dyke, who never misses in correctly feeling the pulse of the public to provide for them the expected tempo in all the films he directs.

"San Francisco" is the story of Blackie Norton, lord of the old Barbary Coast before the San Francisco disaster in 1906. Into his resort wanders a small-town girl with great ambitions to become a singer. Gable, as Blackie, engages the girl to entertain his rowdy customers and from the dance hall she rises to heights as an opera star to thrill the hearts of San Francisco's music lovers. Later she returns to Blackie, who does not realize the depth of his love for the girl until he finds it in the destruction and suffering of the San Francisco disaster.

The new picture brings back the Clark Gable of old, rugged two-fisted and believing in nothing but his own power and his fascination over women.

Too, it brings to the screen a new Jeanette MacDonald with a voice that seems more beautiful, if that is possible, and revealing her as a very delightful comedienne, particularly when she gives her version of hip-swaying torch

## Personals

Mrs. H. D. Morgan and daughter, Shirley, of Palatka, are the guests of Mrs. Lillian Vickery.

Mrs. F. A. Irwin returned yesterday from Jacksonville where she spent the last five weeks as the guest of her sister.

Mr. and Mrs. E. Smith and S. S. Starling are attending the Gulf Life Insurance picnic today at DeLeon Springs.

Mrs. W. O. Harrel and Miss Agnes Brinkley are leaving for Waycross, Ga., to visit Mr. Harrel, who is ill in the hospital.

Miss Helen Wellman of Winter Park is spending some time in the city in connection with the beauty contest being sponsored to select "Miss Sanford."

The Misses Angela and Sylvia Meisch and Miss Caroline Lee are leaving for Jacksonville to spend some time with Mrs. E. S. Zaubhan.

Mr. and Mrs. George N. Spring, George N. Spring, Jr., and Miss Milti Spring plan to leave tomorrow for their home in Atlanta, Ga., after spending some time here with Mr. and Mrs. T. C. Carlson, North Jessamine Avenue. They will be accompanied by Miss Olga Langford, who has been living with Mr. and Mrs. Carlson.

## Mr. s. Jarrett Battles For Olympic Post

Mr. Jarrett's entry in the 100 meter backstroke swimming event had been withdrawn at the last moment.

The announcement came shortly after Mrs. Jarrett declared she would fight to get back on the team. She was dismissed yesterday for repeated violations of the anti-drinking and curfew rules.

Few coaches were as outspoken as Lawson Robertson, head of the men's track and field forces, who declared "Mrs. Jarrett is getting a rough deal," by Olympic committee members such as Dr. Graeme Hammond, Col. Pierre Lorillard as well as Dr. Hayslett were in favor of tempering the decision.

Contrasting with Robertson's view was the feeling of others voiced by Dean Cromwell, University of Southern California track coach.

"In fact she begged for it. If it had been different, but it had been going on for a week. Of course I feel sorry for her now like everybody else, but it's her own fault. We cannot get the reputation for being 'booters.'"

Asked if it would have been possible for the ship to refuse to serve her drinks, Cromwell replied: "Yes, that was tried, but she said she was free, white and 22 and demanded them."

The supporting cast is an admirable one—Jack Holt carrying off the "heavy" honors and providing most of the worry for Blackie Norton in his conquest for Mary; Ted Healy, with a new batch of stogiest Shirley Ross, in the biggest opportunity of her young screen career; reliable Jessie Ralph in the colorful characterization of Maizie Burley, Holt's mother; Harold Huber, as one of Gable's henchmen; Margaret Irving, as Della; Al Shean, as Miss MacDonald's music teacher; Roger Imhoff, and a host of others.

The picture was produced by Bernard Hyman and John Emerson.

## Mrs. R. W. Turner Given Surprise Party

Officers of the local chapter of the Order of Eastern Star gave a surprise party for Mrs. R. W. Turner, secretary of the chapter, at her new home, 915 Park Avenue.

Mrs. Turner was presented with a large vase of zinnias and a potted fern by the group. Refreshments consisting of punch and wafers were served.

Those present were: Mrs. Kyle Shoemaker, Mrs. B. C. Moore, Mrs. Marcus Tyre, Mrs. E. C. Harper.

Mrs. Stewart Dutton, Mrs. W. E. Varn, Mrs. J. B. Crawford, Mrs. LeClaire Irwin, Mrs. F. A. Hewson, and the honor guest, Mrs. R. W. Turner.

In most ancient Olympic Games, loin cloths were the uniforms worn by the boys. But in 720 B. C. Orsippus of Megara, who wasn't given a chance, lost his loin cloth and scampered "unimpeded" to victory in a race.

For many years thereafter the boys dressed only in smiles and frowns.

# Beach's Infield Hit Gives G-Men 1-0 Victory

### Tight Fielding Prevents Runs; Catcher Sparks Medler And Ferrazzi Back And Touched For Seven Blows

GAINESVILLE, July 25.—Joe Beach's infield hit in the sixth inning that scored Adair from third with the only run of the game, gave the Gainesville G-Men a 1-0 triumph over the Sanford Lookouts here yesterday afternoon.

Ferrazzi, the Gainesville moundman, and Medler, Lookout hurler, pitched excellent ball. Each were touched for seven hits.

Duncan, centerfielder for the Sanford club, closed one of Ferrazzi's last ones over the left field wall in the second inning, but he failed to touch first base on his round trip of the bases. He was called out when the ball was thrown to that sack, thus nullifying his circuit clout.

Tight fielding in the pinches kept the teams from scoring more than they did. The sparkling catches of the afternoon were made in by Medler and Overstreet, each making spectacular one-handed spears.

Shorty Malby, mite second sacker of the visitors, was the leading batter of the game. He singled twice in two official appearances at the plate; Herbert Puffer, G-Men rightfielder, was the only other batter of the game to get a hit. He hit safely in the eighth.

The lone extra base hit of the game was in the fourth inning when Adair doubled to left center.

### Ilanders Again Feel Defeat As Palatka Scores

Calvin Lowe, Southpaw, Takes Number Of League Leaders

PALATKA, July 25.—Calvin Lowe crooked the Azules to a 2-0 shutout win over the league-leading Daytona Beach Islanders here yesterday with a masterful southpaw exhibition which limited the batters to three well-scattered singles.

Walter Brown started on the slab for the Islanders but was derided in the first frame after allowing two hits and a couple of runs. Frank Gerbicki finished the job for the visitors and donated 11 hits and three tallies.

A single, double, sacrifice, hit batsman walk and infield out gave Palatka a two run lead in the first frame.

Two singles, a sacrifice and a wild pitch brought the Azules' lead to three in the second frame and the fourth run came in the third session when Whi doubled, went to third on an infield out and crossed the rubber on Casauer's one timer to right center.

Lowe brought the final Palatka run across in the fifth frame when he singled, was sacrificed to second, reached third on an infield out and tallied on Jimonville's single.

Manager Arnold Anderson and pitcher Mikey Mittelman, of the Islanders, were banished from the game in the eighth stanza by umpire Shepard following their protests on a double play decision made by Shepard.

Shepard maintained that Mittelman ran out of the base line evading Casauer and the Daytona Beach shortstop.

### Teammates Boost Hopes Of Swimmer's Reinstatement

Eleanor Holm Jarrett, Ousted For Sipping Champagne, Pleads For Position On Olympic Water Squad

BEERLIN, July 25.—(AP)—A spontaneous rush of support by her teammates and coaches buoyed Eleanor Holm Jarrett's hopes of reinstatement yesterday, as America's Olympic athletes—334 strong—took up quarters in the Olympic village.

Although the swimmer's case appeared not nearly as hopeless as it had after her summary dismissal Thursday night, some authoritative quarters called her chances of regaining her place "very slim."

Contrary to an earlier announcement by Avery Brundage, president of the American Olympic committee, it was learned last night that Mrs. Jarrett's name still has among the entries for the 100 meters back stroke event which she won at Los Angeles four years ago.

A swift sequence of developments in the case of the lovely 23-year-old New York swimmer, cropped from the team for repeated violation of the anti-smoking rules and flaunting the curfew, overshadowed the end of the voyage of Uncle Sam's athletic crew.

While Mrs. Jarrett seceded herself in a Berlin hotel, tearfully pleading for "one more chance" and Brundage weighed the merits of the petition signed by 220 of her allies, the other athletes survived a series of official receptions.

Starting early yesterday morning at Hamburg where the liner Manhattan was warped to the pier and lasting almost until midnight in alternately rain-drenched and sun-splashed settings, the men and women, garbed in their attractive Olympic costumes, were virtually "welcomed to death."

They faced another reception in the festival hall here, and then, entering the gates leading to the village they stood at attention while an army band struck up the Star Spangled Banner, the Stars and Stripes were run up a flag pole, and a group of Filipino Olympians tossed a familiar salvo of hip-hip-hoorays.

Yellow athletes and coaches rallied to Mrs. Jarrett's aid after she failed in a frantic appeal for reinstatement to a subcommittee headed by Dr. Joseph Rayeroff of Princeton, and including Fred Steers of Chicago; Bill Bingham, Harvard's graduate manager of athletics; Major Patrick Walsh of New York; Frederick Rubien, secretary of the American Olympic committee.

The earliest of the revived Olympic games (776 B. C.) included athletic duels, but also competition in art, music, literature, poetry, oratory, etc. Chariot races were added later.

### Rippy, Abbott Reach Finals Of Public Tourney

Movie Actor Shows Golf Enthusiasts He Knows Links

FARMINGDALE, N. Y., July 25.—(AP)—The "Washington Ripper," Claude Brown Rippy, and Duell Patrick Abbott, movie extra extraordinary when it comes to playing Hill Billy Roles before the grinding Hollywood movie camera, took short cuts over the rolling hills of Cuthpage State Park yesterday to enter the finals of the big "Poor Man's Show of Golf"—the national public links championship.

Rippy, a gangling six-footer who smacks his tee shots a mile straight down the fairway, qualified for the finals, to be decided today over 36 holes by routing young Walter Greiner, Baltimore business college student, 6 and 4.

Abbott, also a lean and lank man, who can make you laugh by twitching his facial features, rode in even more convincingly, crushing Bruno Pardee, New Haven, Conn., insurance salesman, 8 and 7, the most lopsided margin of the week's play.

Of the two, regarded as evenly matched for the final, movie man Abbott played the better golf in the day's duels that started in a drizzling rain and threatened a heavy down-pour all afternoon. The Californian was but 3 over par for the 29 holes he had to journey while Rippy was five shots above perfect figures for 32.

Pardee, a methodical man of 31 who learned golf while caddy-ing on the old Yale course, had Abbott two down through the first eight holes but the movie extra, suddenly getting the touch and correcting a bad hook that threatened him with a disaster, played the next 21 holes in one-under par. He wiped out his deficit on the tenth hole, finished the morning round 2 up and blanked the bronzed, husky insurance man without a hole in the afternoon. Pardee began his big crackup on the twenty-fourth hole, losing that and the next four in a row as Patrick shelled him with straight pars to run away with the match.

### 'Dazzy' Mote Has No-Hit, No-Run Contest To Credit

Lookout Hurler Turned Trick In 1933 With Calhoun Outfit; Clouting Sphere Here At .785 Average

By JULIAN STENSTROM

"Dazzy" Mote, one of the Lookout hurlers, seems to be leading the cage in pitching records by winning three and losing none. Mote is a tall lanky hurler and has a wonderful curve ball. When Mote has it working he has the opposing team on its heels.

Mote is 22 years old, weighs 172 pounds, and stands 6 feet 2 and 1-2 inches tall. He began his baseball career in Dalton, Georgia, where he played on the Dalton High School squad. In 1933 he was with the Calhoun, Georgia, team in the Georgia Tennessee League.

In 1934 Mote went back to the Calhoun team which was in the Keystone League that year. In a game against Kingston, the hurler fanned 19 batters out of the 28 men that faced him. He was the only man in the league that year to hurl a no-hit, no-run game.

Mote hit .307 during the season. In 1935 he played in a commercial league in Atlanta, where he was the strike-out king that year.

In 1936, Mote began the season with the Fulton, Ky., club of the Kitty League. He played there for a month and then asked for his release to go to Chattanooga. The Lookouts looked him over and then farmed him out here where he has been playing steady baseball.

Mote is hitting .785 and is leading the league in the batting average. In his first game with the Lookouts he shut out the DeLand Reds, 9 to 0. He secured three hits in three trips to the plate.

### Duda Sets Down Saints For Reds In 4 To 1 Game

St. Augustine Holds Edge For Initial Seven Innings

ST. AUGUSTINE, July 25.—(AP)—Casey Duda, newly acquired DeLand hurler, set the St. Augustine Saints down with two scattered hits here yesterday as his mates climbed on Young Bill Butland for six hits and four runs in the last two innings to cop a Florida State League contest, 1 to 1.

For seven innings it was a nip-and-tuck hurling duel with the Saint hurler holding the edge, but singles by Falconi, Patterson and Sloan sent two Red runs across the plate in the eighth frame. Falconi's double rammed two more runs home for DeLand in the ninth.

The Saints took a 1 to 0 lead in the seventh when Jack Owens walked, stole second and scored when Vic Zupanic rolled a double down the right field line. The only other hit that the Saints were able to muster off Duda came in the sixth when Dave Swindell lined a double to left.

It was the fourth before either side was able to get a man on first. During the first seven innings the Reds massed but two infield hits but lit into Butland in the closing innings.

Falconi, with a single and a double in three tries, topped the hitting for the Reds.

The teams meet today for a 100th encounter slated for DeLand.

### Sanford Fishermen Make Good Catches Off Snapper Banks

A fishing party of Sanford men yesterday "dragged 'em in by the barrels" from the outside snapper banks off Ponce de Leon inlet near Daytona Beach. Approximately 800 pounds of snapper, rock bass and other kinds of edible fish were landed. Large sharks provided considerable entertainment although hanging them proved expensive through loss of tackle.

Following were in the party: George E. Baines, Howard Long, J. B. Little, Ed Bender, Fred Holly, Rex Packard, J. St. Clair White, "Doc" Walls, E. F. Keeserman and Gus Schmah. They were joined by Will Freeman and Merlin Schatz of Memphis, Tenn.

Mr. Holly and Mr. Packard recorded the largest catches of the day, each hauling up a 28-pound snapper.

### Racer Tears Down Boat On Eve Of Race

BOLTON LANDING, N. Y., July 25.—(AP)—On the eve of the famous gold cup motorboat race, George Reis began tearing down the new motor of his veteran racer, El Lagarto, after discovering that his bonthouse door had been possibly tampered with.

There was no evidence of vandalism, but Reis tore down the motor to examine it as a precaution. It will be immediately reassembled for the race if it has not been damaged.

### Sanford Boy Wins Camp Dixie Events

WILEY, Ga., July 25.—Jack Woodruff of Sanford, placed twice in competition on the athletic field at Camp Dixie for boys at Wiley, Tuesday, July 21, winning third place in hurdling and tying Tom Anderson of Houston, Texas, for third place in high jump.

Young Woodruff is the son of Mr. and Mrs. J. D. Woodruff, Sanford, Fla.

### Frank Parker Gives Joe Hunt Trouncing

BROOKLINE, Mass., July 25.—(AP)—Frankie Parker, 29, of Lawrenceville, N. J., defeated Joe Hunt, 17, of Los Angeles in three straight sets yesterday in the semi-finals of the Longwood Cricket Club's Invitation tennis championship matches. The score was 13-11, 6-1, 6-0.

Parker will meet Robert Riggs of Los Angeles in the finals today. Yesterday's match required about three and a half hours, as rain forced a delay and made the turf court slippery.

When play began the second time Hunt decided to change to spiked shoes, which Parker had used all along. But the court referee, David Niles, ruled that the spikes of the shoes he elected to wear were to long.

After the hard-fought first set Hunt made many errors. Parker took the third set with ease.

Charges of professionalism eventually ended the early Olympics. The Greeks said the Roman champions were capitalizing their fame by going on tours and accepting cash for public appearances. Angered, the Romans wrecked everything around the stadium.

### Race Horse Owner Dies From Bad Heart

SWAMPSCOTT, Mass., July 25.—(AP)—H. Teller Archibald, 56, wealthy Chicago and Miami candy manufacturer and owner of race horses, died suddenly of a heart attack yesterday at the new Coast House.

Archibald, a member of the "Committee of 100" in Miami, to which Harvey Firestone and other millionaires belong also has an estate, The Palm, in Virginia where he lived before.

Archibald owned candy stores in Chicago.

Among his better known thoroughbred were Candy Maid, Candy Prince and Foxo.

Archibald's wife was with him when he died.

### Leftist Contingent Assists Americans To Port Of Refuge

(By The Associated Press)  
American and British refugees fled Madrid for the seacoast as Spain's civil war continued to flare with full force.

A fierce battle was reported in progress at Toledo. Fresh and successful assaults on rebel strongholds on widely scattered fronts were announced by the government.

The American state department received reports of the progress. British authorities at Gibraltar heard that government planes had bombed nearby San Roque.

Loyalists marched on three regions dominated by rebels. Both sides put out claims of victories in Guadarrama mountain battles.

The rebels at Pamplona waited for Madrid to run short of food and for Generalissimo Francisco Franco to reopen operations in southern Spain.

American diplomatic officials sailed from St. Jean De Luz, France, for Puentarrabia, indicating their intention to ask Ambassador Bowers to leave the country.

The American battle-ship Oklahoma arrived in Bayona, France, with 58 refugees from Santander and Bilbao.

The leftist government of Spain sided American and British refugees, beleaguered in Madrid embassies for a week, to flee the revolution torn town.

A train was provided to take refugees to Alicante on the seacoast where a British destroyer waited to take them aboard.

In addition to the four major battles there were scores of lesser fights between rebels and loyalists. Elsewhere, such as at Huevia, Malaga, Pulgorda, Alp Caizans, Villa Louen Del Beni and Olot, mobs of war crazed Communists indulged in an orgy of slaughter, church burning and pillage.

Thousands of fighting farmers, well equipped with arms and explosives under command of

## Funds From Beauty Contest To Help Under - Privileged

Box office receipts from the payment of beauty scheduled for the Rita Theater Aug. 4 will help swell the Kewanee fund for under-privileged children.

Miss Helen Wellman, one of the contest's organizers, said today.

About 50 girls will be invited to participate in the event which is to be a formal beauty contest, according to Miss Wellman.

Local merchants are being asked to sponsor an entrant. The business's only obligation is the payment of a small entry fee.

The winner of the event here will be afforded an opportunity of competing against winners of beauty titles in about 100 other cities when a "carnival of beauty" is staged in Daytona Beach early in September.

Out-of-town judges will be asked to referee on both occasions, Miss Wellman said.

## U. S. AMBASSADOR AND WIFE

Ambassador Claude Bowers, U. S. envoy to Spain, and Mrs. Bowers, who may be urged to leave the revolt-ridden country.

The U. S. Department of War has exhibited every intention of allocating funds for maintaining the channel in the St. Johns River between Lake Harney and Jacksonville, Sen. Scott M. Loftin informed the Seminole Chamber of Commerce today.

Sen. Loftin's statement was made in a telegram dispatched after he had conferred with Army engineers.

Last week the Associated Press announced from Washington that the \$4,000 allocation provided for the St. Johns River work in 1937. The Chamber immediately took steps toward securing funds for maintenance.

Telegrams were sent to both senators and to all the Florida representatives in the national capital.

Sen. Loftin did not indicate just when an allocation will be made for this district, although it was said last week that a complete waterways budget had not been established by the War Department.

It is customary each year for Congress to allot a lump sum to the waterways of the nation; later Army engineers divide that amount among various sections of the country as it is needed.

The allocation for work in the St. Johns River between Jacksonville and the Atlantic Ocean was placed at slightly less than one million dollars.

In order for one's name to appear on the Chamber of Commerce ballot for election of board members in September, membership must have been paid on or before Aug. 15, President T. E. Simpson said today.

"Good News," a publication by the Seminole Chamber of Commerce, was being distributed here today. It contains chiefly comments made by various newspapers on the progress shown in the county during the past two years.

Udet, who is chief of the technical division of the air ministry, suffered only minor injuries and surgeons said he would be able to fly again within a week.

Jury Finds Death Was Unavoidable

A coroner's jury today found the death of John Doyle, Jr., due to an automobile accident on May 26, was the result of an unavoidable accident.

The deceased had been riding in an auto driven by Bob Reitz which collided with another vehicle operated by Archie Ward, both of Sanford.

The crash occurred on the Orlando highway

NO DEBARR HERE

JACKSONVILLE, July 27.—(AP)—Dr. W. A. McPhail, state health officer, told the state board of health Friday a case of infantile paralysis has been reported in Florida.

Among the officials present were G. P. Thrasher of Jacksonville, president, Otto Caldwell, local manager, George Cochran of Tampa, and P. G. Harris of Orlando.

Yesterday's meeting was the first of its kind, although it is hoped to schedule similar ones every two months.

One hundred and twenty-five men and ten officers of the Sanford unit, Florida National Guard, left yesterday for Jacksonville where they will spend two weeks at Camp Foster.

The local group is headed by Lt. Col. J. C. Hutchison, who is a member of the State National Guard Staff.

## County Makes 2 Hurricanes \$86,540 Cut In Bond Debt

### Commissioners Gain Point, Secure Cancellation Of Paper Held As Collateral

Seminole County today had reduced its outstanding debt by \$86,540, according to an announcement made by O. P. Herndon, clerk of the Board of County Commissioners.

The slash was made possible through cancellation of \$50,000 in bonds and \$36,540 in coupons, which have been held by the State Board of Administration.

Clerk Herndon pointed out that the bonds were placed with the Board of Administration as collateral in 1931 for a loan which was needed to meet interest obligations.

A concerted effort had been under way for several years to secure the release of the bonds, but the State Board constantly reiterated it had no authority to release them.

In a recent meeting of the County Commission a resolution was passed to cancel both the bonds and their coupons.

John Meich, chairman of the County Board, Charles Dunn, County Commissioner, K. F. Housholder, attorney for the Board, and Mr. Herndon made the successful negotiation in Tallahassee Saturday.

With the new reduction, the County's bonded debt has been reduced to a point where it now stands at less than \$2,250,000, according to figures available at the Court House.

The Commission is scheduled to meet tomorrow at 2 P. M. for a discussion of a refunding plan, Mr. Herndon announced.

JACKSONVILLE, July 27.—(AP)—Two tropical storms put in an appearance today, one in the Bahamas Islands southeast of Florida and one about 75 miles off the Louisiana coast near Grand Isle.

The Weather Bureau's around-the-clock hurricane warning service spotted both storms this morning. It issued warnings advising caution but saying neither storm has so far developed serious proportions a though both were increasing in intensity.

The New Orleans Weather Bureau said the Gulf storm was of small extent and of moderate but increasing intensity. Forecasters predicted it would cross the coast line this afternoon between Grand Isle and Morgan City, bringing gale winds and high tides.

The Jacksonville bureau located the second storm a short distance south of Cat Island in the Bahamas. This would put it about 200 miles southeast of Miami.

Forecasters said it was just beginning to take definite form and picking up force.

They warned shipping in the storm's path and northern and central Bahaman Islands to take caution.

The Bahaman storm was described as moving slowly west northward or northward in a general direction and south-east of the Florida coast. The weatherman said it is attended at present by only fresh to strong winds over a very small area near the center, but is increasing in intensity. A ship some distance from the Bahaman storm and two weather reporting stations on Cat and Great Exuma Island in the Bahamas notified the Weather Bureau the maximum wind speed was 25 miles an hour and the lowest barometer is 29.70 inches. Weather conditions along the southeast Florida coast are normal.

### Baseball Committee Will Meet Tuesday

A question of "vital importance" will be discussed Tuesday night by the Sanford Baseball Committee when it convenes in the Chamber of Commerce building, Chairman Arthur Branan announced today.

The body is composed of one member each of the local civic clubs, two from the Chamber of Commerce and a like number from the County and City Commission Boards.

All interested parties are invited to attend the meeting, Mr. Branan said.

### Woodmen To Attend Umatilla Meeting

A large delegation of Sanford Woodmen of the World will attend a district meeting of the organization in Umatilla tomorrow night.

Judge James G. Sharon will be the principal speaker at the session which is to be presided over by O. P. Herndon, head of the local lodge and president of the district.

Approximately 100 members from various lodges in the area will attend the convalesce.

### Chamber President Returns To Sanford

T. E. Simpson, president of the Seminole County Chamber of Commerce, returned yesterday from Miami Beach where he spent a 10 day vacation amid scenes similar to boom days of the last decade.

Mr. Simpson said building permits for Miami and the vicinity were \$2,000,000 for the month of June. He said construction activity is in evidence everywhere.

## FLORIDA'S NEXT SENATOR

Claude Pepper, unopposed Democratic candidate for the United States Senate, will be a visitor in Sanford tomorrow with headquarters at the Valdez Hotel where he will welcome his many friends in this section between the hours of 10:00 and 12:00 o'clock. He will also be the guest of honor and principal speaker at a Rotary luncheon at the Mayfair Hotel to which the members of other civic organizations are invited.

### Traffic Problem Will Be Studied By Local Police

A slight revision in certain traffic regulations may be effected in Sanford in the near future, according to discussions in the police department today.

While Chief Roy Williams pointed out that he has no authority to make traffic laws, he can offer recommendations to the City Commission.

One of the present knotty problems facing police is that of Park Avenue since the thoroughfare has been widened and now affords a great temptation for speeding.

A great stride forward will be made probably this week when the department receives a new Indian motorcycle.

With a modern machine, Chief Williams indicated that additional streets may be placed on the routine patrol of the police's motorized unit.

The police officer said that there related in the city no geographical peculiarities where accidents were common, adding that the department's records show that two motor mishaps seldom occur on the same location.

Chief Williams, who was discussing the traffic problem with City Judge Miller, expressed a desire to devise some method of strict enforcement which in the future would curb the "epidemic of motor accidents" which apparently is prevailing at present.

In offering a solution, the chief advised that individual motorists exercise extreme caution and obey traffic laws, paying particular attention to the "stop" signs placed at some street intersections.

### Twenty-Two Cases Booked For Trial

Twenty-two cases were scheduled for trial in Municipal Court this afternoon, according to the docket announced at noon today.

Among the defendants listed to face Judge Miller in Monroe Holt, negro, charged with having shot his father-in-law, Lee Bryant. Holt said the gun's discharge was accidental.

### READY FOR RACE

MIAMI, July 27.—(AP)—Doyle E. Carlton, candidate for the Senate seat held by the late Park Trammell, laid plans Friday for a quick campaign swing over the state as the Supreme Court ruled the Aug. 11 primary may be held.

### Record Throng To Hear Pepper Speak Tuesday

Indications today pointed toward a record crowd attending the Rotary luncheon tomorrow noon at the Mayfair Hotel where Claude Pepper, candidate for the United States Senate, will speak.

Reservations for the affair were being accepted today by E. E. Bludworth at the Touchton Drug Company. All who plan to attend should make their notification in advance.

In a statement to The Herald today Walter Coleman, president of the Kiwanis Club, said that Mr. Pepper is himself a Kiwanian and urged all local Kiwanians to attend the luncheon in Mr. Pepper's honor. Reservations, it was pointed out, should be made in advance through Dr. Bludworth at Touchton's Drug Store.

Civic clubs here have been extended an invitation to hear the candidate who is the only figure in the senatorial race for the seat vacated by the late Duncan U. Fletcher.

Mr. Pepper will receive callers in the Valdez Hotel Tuesday morning between 10 o'clock and noon. He has issued a special invitation to all Sanford citizens to meet him at this time.

B. B. Pope, president of the Sanford Rotary Club, has pointed out that tomorrow probably will be the last occasion on which Mr. Pepper will visit Sanford for some time, since his campaign will carry him to all sections of the state and will require practically his entire time before the election.

Mrs. Kullie Peaks will sing a soprano solo accompanied by Miss Mildred Nix on the piano.

## Mrs. G. A. Speer Killed When Auto Crashes

### Accident Victim Was En Route To North Carolina With Husband For Vacation

### Bursting Tire Causes Vehicle To Wreck; Sons Rush To Scene

Mrs. George A. Speer, 64, well-known Sanford woman, died yesterday in Greenville, S. C., from injuries sustained in an automobile accident.

The crash was attributed to the bursting of a rear tire, according to information received here. Mr. Speer was driving the vehicle.

Mrs. Speer was said to have been crushed when the car, after overturning, toppled on to an open ditch. Her husband escaped without serious injury.

Funeral services and interment are to be held here early this week with the Rev. Martin J. Bran officiating. No definite arrangements have yet been made.

Two sons of the deceased, Vivian Speer and Aigernon Speer, left yesterday for the scene of the accident and will accompany their father on the return trip.

Mr. and Mrs. Speer left Sanford early Sunday morning. They (Continued on page three)

### Thermometer Hits 96 Here Recording Hottest Day In '36

A withering blast of heat which sent the thermometer bounding up to 96 yesterday gave Sanford and vicinity a slight taste of the drought and heat wave which the upper half of the nation has experienced.

City Weatherman Patton said Sunday was the hottest day of the current summer season.

Different, however, than the parched regions of the north and mid-west, the mercury took a rapid drop last night after sunset when it fell to 76, making the heat not unbearable during sleeping hours.

Yesterday's torridness and week-end holiday sent Sanfordites scurrying to watering places nearby. Both Daytona Beach and Coronado Beach drew their quota, while fishing trips were not unpopular.

Gentle variable winds are predicted for today with the heat unabated, according to a U. S. Weather Bureau bulletin.

### Dawson Continues To Take Work Sheets

County Agent C. R. Dawson today said he will continue to accept work sheets for participation in the federal soil conservation program until the sheets are prepared for forwarding to Washington.

The office force of Mr. Dawson lately has been employed almost exclusively in preparing the papers for submission to the U. S. Department of Agriculture.
