Ex-County Official Lower Water Levels In Various Parts Of District Noted

> OCALA, Nov. 9 .- (AP)-Following a conference with engineers in charge of the cromi-state cark! operations here last week, United States. Army Engineers Issued the following statement:

> "Melneer and Stringfellow are on an Inspection tour of the state, They visited the United States engineers office on Thursday and Friday. Insemuch as the corps of engineers and the United States Genlogical Survey are making important ground water investigations in Florida, the visit is in line with the interchange of data and views between the two offices which has been in progress since commencement of the canal

Relieving that a real danger to underground water supplies exists and that therfore emergency funds at the disposal of the Governor can well be expended in this section of the state, Seminole County agriculturists today voted to ask for a state sppropriation for anylog a portion of the cost of making a survey of the water levels n Seminals and adjoining coun-

### Charleston Jails 25 Sunday Dancers

CHARLESTON, R. C. Nov. II -- (AP) - Twenty five young Charleston county men and eumen spent last night in jall charged with violating the ancient "blue law" which bane Sunday dancing. With three others who later made bond. they were arrested at a roadhouse near here by county policemen and lodged in jail to

await a magistrate's hearing.
County police said they had
invoked the ancient "blue law" several times recently, but this was the first time a raid had resulted in wholesale arrests.
