'No New Taxes' Theme Of Legislature

TALLAHASSEE (UPI) — With the flowers and hoopla of opening day out of the way, the state Legislature settled down today to provide a smooth fiscal future for Florida through 1966—with-out new taxes.

The House and Senate convened in their respective chambers.

Senate President James Connor of Brooksville and

House Speaker E. C. Rowell of Wildwood were expected to start appointing committees right away.

The committees provide the grinding mill for all bills presented to the Legislature. They are discussed, changed, discarded or brought back before the main bodies of both houses intact.

More than 100 bills were on file with the chief clerk of the House Wednesday and

ready for introduction.

The legislative leaders have appointed Sen. Wilson Carraway of Tallahassee, the Senate speaker, and Rep. J. J. Griffin Jr. of St. Cloud, as chairman of the Senate and House appropriations committees.

Both Carraway and Griffin have held the posts before and are known conservatives on spending issues.

Connor, a leader in the

"pork chop" gang which apparently will see the end of its domination of the Senate this term with reapportionment, appointed a rules committee dominated by members of the small county majority bloc.

The 17-man committee, to be headed by Sen. Dewey Johnson of Quincy, the leader of the small-county bloc, is one of the most powerful in the Legislature. It holds life-or-death power over legisla-

tion introduced in the final days of the session, deciding by majority vote which bills will get on the special order calendar for action in the last-minute press of business.

The committee went right behind closed doors and voted to recommend a number of rules changes including a shift from the last 10 days to the last 20 days for control by committee of bills on the special calendar.

Another major change proposed was to increase the size of several committees. Another was a proposal to create a new committee called the legislative and congressional apportionment committee to have 13 members.

The Legislature's biggest problem is to cram spending into income which is estimated at just over a billion dollars for the coming biennium and still pacify state agency

heads pounding on the state vault door.

The budget does not include \$100 million in raises a year for teachers sought by the Florida Education Association (FEA).

Gov. Haydon Burns Tuesday urged the legislators not to let their regular session work be swayed by reapportionment, a "must" matter due to a mandate by the U. S. Supreme Court. But he

said a special session which he will call in June after the regular 60-day meeting will take care of reapportionment.

He also called on those in the Legislature to envision one great state.

"In the daily performance of my task," he said, "I see no east, no west, no north, no south—no county so big as does not need helpful concern—no county so small as to be subject to neglect. . . ."

Burns, saying Florida is prosperous with millions of dollars in new industry and personal income is higher than ever, urged the 1965 Legislature Tuesday to forget about new taxes this biennium.

Instead, he told representatives and senators packed into the flower-decked lower chamber on the session's opening day they should concentrate on solving spending problems within anticipated income.

surprises in the 27-page address, which provided an up-to-date report on the "State of the State" and an outline on his administration's program for the coming two years.

The speech was generally well received by legislators although some grumbled that it was too long or that some of the plans were not laid down in specific terms.

Burns said he was hoping for a "team work" administration and that he attended the opening sessions of both chambers Tuesday to show that close ties between his office and the lawmakers are what he wants.

The visit to the chambers before his address shattered precedent.

ONLY SURPRISE

About the only surprise in the address was his recommendation for a constitutional amendment to be presented to the voters in November, 1966, exempting persons over 60 years old from having to pay ad valorem taxes on house trailers and mobile homes used for residences.

He said the tax was actually driving some senior citizens away from Florida, considered by many a retirement haven.

The governor did not actually ask the Legislature to cut out increased auto tag prices but instead recommended that the Legislature do away with the provision for a 13-month tag, put on at the last session for a six-year period. The law was an attempt to gradually move forward the purchase of tags to July by 1969.

Two Additional I-4 Interchanges Urged

Lake Mary, 20th Street Projects Eyed

By Paul Brookshire

The State Road Department will be asked to approve the building of two more interchanges on I-4 in Seminole County, it was learned today.

The interchanges are proposed at Lake Mary and the extension of 20th Street in Sanford.

W. K. McRoberts, roads chairman of the Haydon Burns central executive committee, said today that a meeting has been arranged with Willard Peebles, State Road Commission for District 5, to discuss the interchange project.

McRoberts said no definite date was set for the meeting but it would be "very soon."

"The progress and growth of Seminole County would be greatly enhanced by the building of these two interchanges," McRoberts said.

The committee unanimously agreed on the interchange project at a recent meeting. It placed the Lake Mary interchange construction as first on the list.

There are now four interchanges on I-4 in the Seminole County. They are at Rts. 434, 436, 46 and Hwy. 17-92.

McRoberts said the committee agreed to work closely with the Seminole County Commissioners in getting the project expedited.

The Burns central executive committee is composed of Harold H. Kasner, chairman; R. S. Billheimer, Andrew Carraway, C. R. Clonts, Edwin D. Hunt, Warren A. Patrick, T. E. Tucker and McRoberts.

McRoberts, Clonts and Patrick are liaison members with the State Road Commission.

The Sanford Herald

Phone 322-2611 Zip Code 32771

WEATHER: Fair thru Thursday, high about 90; low tonight in upper 60s.

VOL. 57 United Press Lensed Wire Established 1908 WEDNESDAY, APRIL 7, 1965 SANFORD, FLORIDA NO. 163

Acting Mayor A. L. Wilson, Ralph Pezold, Dewitt Mathews and E. C. Harper Jr. Hudgins announced the famed "Blue Angels" will appear at the Auto Show at 8:30 p.m. Thursday.

The Herald's Progress Edition last October, when it was pointed out by S. B. (Jim) Crowe, the fishing camp operator, quoted in detail a book which related that a decisive battle during the Civil War was lost by the Confederates when three of their generals held a shad bake . . . and their subordinates didn't know where they were, to report the Union Army was moving in. Maj. Gen. Ulysses S. Grant III, in the current issue of National Geographic, touches on that same shad bake . . . and tells that the outcome of the Battle of Five Forks hurried up the end of the conflict between the states.

Mrs. J. F. Brown, of 110 Club Road, mailed us a clipping dated 1849 from the Anderson (Ky.) News. It relates that J. L. Moss is having an auction of his personal property because he sold "my farm, and am leaving for Oregon territory by ox team." Among numerous items for sale are a soap kettle, wagon troughs, spinning wheels, mutton tallow, 100 empty barrels, a 32-gallon barrel of Johnson-Miller whiskey seven years old, apple brandy, a 40-gallon copper still, one dozen real books, bullet mold and powder horn, a rifle made by Ben Miller, 50 gallons of soft soap, six head of fox hounds, all soft-mouthed except one, and six slaves.

Thirty-five students of Bear Lake Elementary School, under direction of the school music teacher, Mrs. Mary Frances Holton, will sing and present a dance number at 11:35 a.m. Friday on educational TV channel 24 during the program, "Keynotes to Music."

Anybody with a couple spare "summer straw" might find them put to good use in North Orlando. Volunteer police asked for a purchase OK from the village council for two summer hats and were turned down on the basis that funds already allotted should be ample for the chapeaux.

Mary Harkey, secretary to City Manager W. E. Knowles, who once served as Sanford's only acting woman mayor, also, confined to the hospital for several weeks, now is recuperating at home for a few weeks. Meantime, Mrs. Charlotte Knowles is doing an admirable job of filling in, in the city manager's office.

Junior College

Bill In Hopper

By Dave Fountain

(Sanford Herald Bureau)

TALLAHASSEE—Sen. Mack Cleveland and Rep. S. J. Davis this afternoon will co-introduce a bill authorizing the establishment of a junior college in Seminole County.

The bill asks for \$30,000 the first year of the biennium to defray expenses incurred in organizing the college. It also asks for appropriation in the amount of \$219,664 for the operation of the junior college during second year of the biennium.

Another \$1,222,220 is asked to cover construction costs and equipping costs of the college.

The need for the junior college facilities shall be established by a survey made under supervision of the State Department of Education. The effective date of the bill is July 1, 1965.

Russians 'Shell' West Berlin

BERLIN (UPI) — Soviet jet fighter planes fired blank cannon shells over West Berlin today to protest the meeting here of the West German parliament.

Some zoomed so low over the city that pedestrians ducked.

The Communists called the meeting—the first in Berlin in seven years—a grave provocation. They responded by blocking the highway to Berlin, by bringing up two armored divisions and by terrifying the city with the low-flying, cannon-firing jets.

The Bundesstag convened in the American-built Congress Hall in West Berlin in part of West Germany. Soviet denials of this right sharply increased international tension.

But as speaker Eugen Gerstenmaier opened the session a fast-flying Mig buzzed the hall. Four others in formation made dive bomb passes at the hall, going as low as 300 feet. From then on the Russian jets had a field day.

At the Bornholmer Strasse crossing point on the east-west border of the French sector, four Soviet jets roared into West Berlin and let go air volleys with blank shells. They pointed their cannon at West Berlin as they fired.

West Berlin police said the jets "fired bursts" but Western Allied officials said they were blanks.

ica transmitters.

Johnson was expected to underline the peaceful and positive aspects of long-range U.S. policy for Southeast Asia, including American support for regional aid programs once peace is restored to the war-torn region.

RED TARGETS

SAIGON (UPI) — Fifty U.S. Navy planes today rained 20 tons of rockets and napalm fire bombs on military high-way traffic in North Viet Nam.

Other American planes attacked Communist targets in South Viet Nam.

WASHINGTON (UPI) — Early Bird, the stockholders' satellite, was in orbit today blissing a trail for the first commercial satellite communications system in history.

The 85-pound celestial switchboard for television, telephone and data traffic, was launched from Cape Kennedy at 6:47 p.m. (EST) Tuesday by the Communications Satellite Corporation (COMSAT) using a paid-for space agency Delta rocket.

First reports indicated that the drum-shaped moon was "slightly below" its planned orbit. But officials were "delighted" with the initial telemetry information.

The last orbit projected for Early Bird before launch-time had it rotating the earth in about 11 hours and 22 minutes.

Its apogee, or high point, was planned at approximately 23,000 statute miles. Its low point at about 890 statute miles.

Officials said, however, that definite figures on the orbit would not be available until later today.

While scientists traced Early Bird's position in space, Wall Street kept its eye on the big board to see how Comsat stock would react.

When the market closed Tuesday, several hours before the blast-off, Comsat was quoted at 60 1/2, a gain of three-eighths of a point from its early morning opening quotation.

Despite the initial success, Early Bird faces another test.

WASHINGTON (UPI) — Early Bird, the stockholders' satellite, was in orbit today blissing a trail for the first commercial satellite communications system in history.

Despite the initial success, Early Bird faces another test.

Early Bird Orbits

WORLD'S FIRST — Its speed synchronized with the speed of the turning earth, the Early Bird communications satellite will appear to have a stationary position over the Atlantic. Viewing one-third of the globe, the satellite will relay phone, television or photo-transmission impulses between continents. (NEA Telephoto)

Checkertails Take Lead In Bomb Derby

Heavy Attack Squadron 11 took over the lead in the Reconnaissance Bombing Derby today as the results of Tuesday night's pre-strike reconnaissance exercise were tabulated.

The squadron, equipped with A-3B Skywarriors, captured the lead from Reconnaissance Attack Squadron 3 which won the first two events.

It also was announced today that members of the Blue Angels flight demonstration team, which will be performing at 12:30 p.m. Saturday at the station, will make an appearance at the annual Sanford automobile show at 8:30 p.m. Thursday. They will arrive at the station at 2 p.m.

Flying VAH-11 into the derby by squadron competition lead were Lt. Cdr. A. C. Stallings, pilot, and Lt. R. S. Demark, bombardier-navigator.

VAH-11's "Checkertails" scored a total of 361.5 out of a possible 450 points for an overall total of 1177. In dropping to second place, RVAH-3 scored 321 points for a total of 1154.

RVAH-13 hung on to third place by placing third Tuesday night for a total of 863. RVAH-7 remained in last place as the unit came up with the least number of points for an overall point score of 823.5.

Ticket Hoppers Set Out

Tickets for the drawings for prizes to be given away each night during the Auto Show may be deposited at several giant hoppers in the mall area and near the bandstand at Magnolia Avenue and First St., E. C. Harper Jr., chairman of the Sanford Merchant's Division said today.

"You can pick up tickets at any store, sign your name, address and phone number, then drop it in one of the giant hoppers placed about the area for this purpose. It is not necessary to be present to win and the nightly drawings will take place at 9 p.m.," Harper explained.

"Even though two blocks off First Street are blocked off for the show, there is plenty of parking available at free parking lots around town and on all other streets, with a two-hour minimum. All the parking lots are within a two-block area of the auto show section," Harper pointed out.

Church Union Talks Point To Actual Plan

LEXINGTON, Ky. (UPI) — Merger talks among six Protestant denominations have progressed to the point where it seems feasible to begin negotiating an actual plan of union, church officials said today.

This view was expressed by delegates to the Consultation on Church Union, which was established three years ago to explore the possibility of bringing together the Methodist Church, Episcopal Church, United Presbyterian Church, United Church of Christ, Disciples of Christ, and Evangelical United Brethren Church to form a total new communion with more than 22 million members.

Rev. Dr. Eugene Carson Blake, the man who first proposed the merger, told reporters that "considerable sentiment" has developed at the current meeting of the consultation to move beyond the discussion of general principles and "get down to brass tacks" about the structure, doctrines and ministry of a united church.

"A good many of us feel that it's time to quit exploring and begin constructing,"

Dr. Blake said. "We won't settle the really sharp issues until we deal with them in terms of concrete proposals."

Dr. Blake is slated clerk of the "United Presbyterian Church. The merger negotiations grew out of a sermon which he preached on Dec. 6, 1960, in Grace Episcopal Cathedral, San Francisco.

Dr. Ronald E. Osborn, dean of the Disciples of Christ Theological Seminary, at Indianapolis, Ind., said "of course we should start work on a specific plan of union . . . what else are we here for?"

Even if the six denominations should begin negotiating a merger plan immediately, officials said, it would take several years to iron out all the details.

The chairman of the consultation, Episcopal Bishop Robert F. Gibson Jr., of Richmond, Va., opposed any attempt to set a definite timetable.

"Only our own capabilities need delay us," he said. "Our job is to work out the plan on union we believe is right, and to offer it to the churches which we represent."

Education Is A 'Must' Today

CHINETA DIXON, of Hopper Elementary School, was the first youngster to receive one of 1,000 coconas plumosa palm trees in the Arbor Day distribution project of "Operation Beautification." Also pictured is Mrs. Volle A. Williams Jr., distribution chairman, and L. R. Eubanks, Hopper principal.

By Robert B. Thomas Jr.
322-5756

"To compete with the challenge of change, an individual must obtain a thorough education. Do not forget that obedience is better than sacrifice." These words of advice to our youth were uttered by Duncan C. McCoy.

He was born in Damascus, Ga., in 1918 on McCoy's plantation. His parents, striving for a better way of life, came to Sanford in 1927. Here, young D. C. attended the public schools. He completed the 10th grade at Crooms Academy.

McCoy was a member of the fighting Panthers football team which was under the leadership of the late James A. Foster. "We had two consecutive championship years," he said. After working in the dry cleaning business for several years, and studying to enhance his competency therein, he went in business for himself in 1958.

Being cognizant of our highly competitive society, he put his best foot forward and the end product is D. C. McCoy, the successful businessman. Four persons comprise his payroll.

This person is civic-minded in the superlative degree. He is dependable, co-operative, and most agreeable. Although he is not as profile with words as is many of his associates he is thorough in his thinking. Married to the former Rosa Lee Hankerson, they have four children, namely Karen, who is three and her dad's heart string; Elred and Donna, who attend Goldsboro Elementary School, and Charles Dennis McCoy, assistant football coach at Fernandina Beach.

To give you an idea of just how active he is, following are the organizations with which he is affiliated: Evergreen Masonic Lodge 23, president of the Active Constructive League Club, president of the Crooms High Quarterback Club, president of Goldsboro Elementary PTA, chairman of project committee, Seminole County Children's Advisory Council, Voters League of Seminole County, and vice chairman of steward board, St. James AME Church. This man has proved, as has many of his contemporaries, that one does not have to stay down. He had the tenacity to rise and fight, and in so doing, found his place in the world.

We commend you for your accomplishments and wish for you and yours the best in the future.

T/Sgt. Willie H. King, 410 Supply Squadron Sawyer AFB Gwynn, Mich., was the recipient of "NCO of the Month" honors. King is supervisor of the base fuels bulk storage division. For his continuous and meritorious duty in his work, his commanding officer selected him for the honor. Actually, he is performing the duties of a master sergeant. He is responsible for the receipt, storage, issuance and quality of all bulk and packaged fuels.

To strengthen his proficiency in his work, he takes advantage of all the training which is available.

An alumnus of Crooms High School, he is the son of Mrs. Anna Myers of 605 Hickory Avenue.

Senior Class of Crooms High School presents a comedy in three acts, "The Great Big

REV. AND MRS. Harold J. Clark are being honored this week on the first anniversary of their pastorate at Oak Grove Missionary Baptist Church at Geneva. Special services will be held Sunday. (Herald Photo)

DAVIE L. Thompson, Army specialist 4, son of Mrs. Lula Thompson, 3171 Midway, and 2-1962 graduate of Crooms High School, has been reassigned to the 82nd Airborne Division at Fort Bragg, N. C., after a tour of duty in Germany. (Army Photo)

D. C. MCCOY

Doors open at 8 p.m. in Crooms High Auditorium Monday at 8 p.m. The cast: Cynthia Kendrick, Barbara Sandier, Delores Mungen, Barbara Kelly, John T. Mitchell, James A. Fields, Ernest Payne, Issadora Thornton, Roy Lee Montgomery, Elmer C. Brookes, Eleanor Mubley, Johnell Jackson and Suzanne June.

The sponsors are Mrs. E. J. Eubanks, Mrs. S. L. Refoe and R. E. Green. The public is invited to attend this great production.

Fourteenth annual Florida State Student Council convention was held in Ft. Pierce. The theme for the meeting was "Horizons Unlimited." Attending were Irene Jackson, Dorothy Stephens, Elliot Bellamy and Rachel Colston. Advisor L. R. Crawford accompanied the delegates. Irene Jackson was elected to the office of president of district 7.

Principal L. R. Eubanks announces Spring Round-up for prospective first graders will be held Thursday from 9 to 12 at Hopper Elementary.

Lavern Dixon, daughter of Mr. and Mrs. Paul Dixon, was elected to the office of vice-president of the State H-Y and Tri H-Y organization in Lake Wales.

Attending the convention were Linda Hatch, Yolanda Holloway, Elmer Brookes, Scott Bookman, John T. Mitchell, Cynthia Kendrick, Barbara Kelly, Sandra Daniels,

Plan now to attend the "Science Fair" and "Open House" at Crooms High School. Entries from science, mathematics and industrial arts students will be on exhibition to the public Friday, Saturday and Sunday in the Roy A. Allen gymnasium. Exhibits will be judged by a panel of experienced and capable persons in the field of science. Awards will be made in public ceremony during "Student Award Day."

Complacency Does Not Match The Challenge of Change.

Safe Boating Course Offered By Jaycees

Sanford - Seminole Jaycees are sponsoring a course in safe boating and basic seamanship starting April 13 at the Seminole County courthouse.

This will be a standard eight-lesson course as presented by the United States Coast Guard Auxiliary, Sanford-Orlando Flotilla 4-11.

Lessons, movies and demonstrations in knot-tying, anchoring, boat handling, rules of the road, navigational aids, (waterway signposts) the use of charts and compass and safety afloat will all be offered. Those completing the course successfully will be awarded a certificate of basic small boat seamanship by the Coast Guard Auxiliary.

It is not necessary to own a boat to take the course and enrollment is open to anyone interested in boating. A nominal charge is made for the text book and other training aids, which also may serve as valuable references for all small boat operators.

First class begins April 13 at 8 p.m. and members are urged to be prompt. Registration books open at 7 p.m. and classes will be held on Tuesday and Friday nights.

For the convenience of prospective enrollees, blanks will be available at all marine dealers, Sanford Atlantic National Bank, Florida State Bank, First Federal Savings and Loan, Jaycee Building and the Seminole County Chamber of Commerce building.

Pre-registration is urged and will assure an adequate supply of text books and training aids.

SEMINOLE PLAZA CASSELBERRY

Longwood Designates Month To Aid Mrs. Sue Brabazon

By Donna Estes
 Mrs. B. R. Gray was elected chairman and Mrs. Judy Snow as secretary-treasurer of a Longwood community organization which has been formed to assist Mrs. Kenneth (Sue) Brabazon with payment of her hospital bills.

Mrs. Brabazon, a member of the Longwood Volunteer Fire Department Auxiliary, was severely scalded receiving second and third degree burns while preparing coffee at the Community Children's Christmas Party Dec. 19.

The event is annually sponsored by the Longwood Volunteer Fire Department with assistance of other commu-

ity, civic and church organizations.

Mrs. Brabazon was confined for more than two months in a local hospital before being released for a short time to be with her family before returning to the hospital for skin grafts. She now is unable to receive further hospitalization and necessary treatment until her hospital bill is paid.

The insurance company which carries the city's liability insurance has rejected the claim.

The community organization, which held its first meeting in February, met again recently and especially designated the month of April as the time for a concerted effort to raise monies for the hospital bill.

Plans are being made for a benefit fish fry to be held later this month at City Park.

A total of \$145, which already has been collected for the purpose by the Fire Department Auxiliary, has been turned over to the new group.

Serving in the community group and organizations they represent are: Mrs. Gray, Mrs. Ellen Dudley and Rev. Jack Lindley, First Baptist Church; Mrs. Robert Hammond, Christ Episcopal Church; John Farina and Harold Willis, Volunteer Fire Department; Mrs. Mildred Esclavon and Mrs. Snow, Firemen's Auxiliary; Mrs. Garland Shaw and Mrs. P. V. Hamblen, Civic League; Mrs. W. J. Hartley and Mrs. Ralph Hammond, Extension Homemakers Club; William Baumholder and Mark Bullock, Chamber of Commerce; David G. Williams, Tourist Club and Carl Lommier and Percy White, City of Longwood. Also participating in the effort will be the Catholic Church of the Nativity of Lake Mary.

Should more than sufficient funds be received for Mrs. Brabazon's hospital bills, remaining monies will be set aside to establish a City Disaster Fund.

Presbyterian Choir Slates Easter Cantata

The Chancel Choir of First Presbyterian Church will present an hour of worship in music when it sings the cantata, "The Garden and the Cross," at 5 p.m. on Palm Sunday, April 11.

The public is cordially invited to be present to take part in this celebration of the Passion of Christ, Rev. Gro-C. Sewell Jr. said.

Under the direction of Mrs. George Touhy, minister of music, the choral group will sing Alec Rowley's highly praised composition to which Arthur Salmon has deftly set portions of the scripture in a telling continuity.

Solists will be Mrs. Harry Echelberger, Mrs. Nick Pfeiffauf, Mrs. Charles Wilke, Miss Joan Wilke and Robert Crumley. Members of the quartet are Miss Wilke, Mrs. Rudy Sloan, George Touhy and Warren Adams.

Other members of the choir who will participate in this service are Meses. David Bach, Gilbert Edmunds, Eugene Estridge III, Roy Mann, Edgar Miller, Edgar Smith Jr. and Leon Walker.

Also Andrew Bracken, Walter Glelow, William Brumley Jr., Eugene Estridge III and Clifford McKibbin.

Krider Named To Water Meet

Gov. Haydon Burns today named John Krider, chairman of the St. Johns-Indian River Canal District, as a delegate to the 52nd annual convention of the National Rivers and Harbors Congress in Washington June 8-11.

"I have selected you as an official delegate to represent Florida's interest in water resources development and will appreciate your serving the interest of the state at that convention," Burns said.

The governor also said he would try to arrange a meeting with Krider and members of the Florida delegation in the U. S. Congress.

Demo Meeting

Seminole County Democratic Women's Club will meet Wednesday at 7:30 p.m. at the Seminole County Health Center. Mrs. Betty Carter, vice chairman of the Orange County Democratic executive committee, will speak on "Precinct Organization."

Impersonator No. 1 On List

WASHINGTON (UPI) — Leslie Douglas Ashley, an effeminate murderer who may be masquerading as a woman, was listed today by the FBI as one of the 10 most wanted criminals.

Ashley, 28, who has worked in homosexual hangouts as a female impersonator, has been at large since Oct. 6, 1964, when he escaped from the maximum security ward of the Texas state mental hospital at San Antonio.

The FBI, which described Ashley as "considered armed and extremely dangerous," said he may be posing successfully as either a man or woman.

Tribute Paid St. Augustine

WASHINGTON (UPI) — A five-cent stamp commemorating the 400th anniversary of St. Augustine, the nation's oldest city, will be issued by the Post Office Department Aug. 28.

The announcement, made Monday by Florida Sens. Spearard Holland and George Smathers, said more than 100 million stamps will be issued "and are expected to attract international interest in the historic occasion."

CASH AWARDS to winners of Americanism essay contest sponsored by American Legion Auxiliary Unit 53 were presented by Mrs. Charles Webster, Americanism chairman (second from left) to Pat Howland, Brent Armstrong and Janice Rahn as their teacher, Mrs. Louis Kosky looked on. (Herald Photo)

SPELLING CHAMPS at English Estates Elementary School, all sixth graders, are Barbara Landry, winner; Nina Selinfrued, runner-up, and Carole Gelm, second runner-up. Barbara will represent the school in the county spelling bee. (Herald Photo)

Best Food Buys

Red Meat Offerings Said Slim

The following guide to the nation's best food buys for the weekend was prepared by the U. S. Departments of Agriculture and Interior for United Press International.

WASHINGTON (UPI) — Although red meat offerings are rather slim this weekend, the shopper will find a good variety of colorful, attractively priced fruits and vegetables.

Canned pink salmon, fish sticks and portions, and eggs are fine protein buys for those Lenten meals. Broiler-fryers, beef roasts, and pork roasts top the best-buy list in meat products.

Apples, bananas, grapefruit, and strawberries are available in abundant supplies. And oranges are especially attractive and plentiful.

Federal School Aid OK For Florida Seen

WASHINGTON (UPI) — All except possibly three or four Deep South states are expected to have a clean bill of health by the end of the month to receive federal school aid under the no-discrimination clause of the Civil Rights Act of 1964.

Only 10 of the 50 states have had their programs approved so far by U. S. Education Commissioner Francis Keppel. But this is because of the complicated mechanics for getting assurances of non-discrimination.

A spokesman for the Office of Education said today, however, that the log-jam should be clear within a few weeks "with a few exceptions."

The spokesman declined to name the exceptions. But other sources said they included Alabama, South Carolina, Mississippi and Louisiana.

Under the provisions of the civil rights law, no federal funds may go to any state or locality which uses them in a discriminatory fashion. The Office of Education is responsible for enforcing this provision under standards set by the Health, Education and Welfare (HEW) Department.

Several sources indicated the possibility that South Carolina, Louisiana and Mississippi may not be too far from agreement with the federal government on compliance.

But the difficulty with Alabama was underlined when the Office of Education released a sharply worded letter Keppel sent over the weekend to Alabama schools Supt. Austin Meadows.

The letter warned there is "grave concern" whether Alabama will be able to receive the \$27.4 million it stands to get under the President's proposed \$1.3 billion aid program for elementary and secondary schools.

Keppel said, in effect, that a statement of compliance signed by Meadows and those filed by about 100 of the state's school districts do not even come close to satisfying the civil rights law's requirements.

In order to get its aid program approved, a state must certify that every district and program not now integrated will be within a reasonable time under a program which must be specifically outlined.

The HEW department has made it clear, in health and welfare programs as well as those coming under the Education Office, that it will accept no vague promises.

Some Southern states already have met this test. Arkansas received approval Tuesday, and Florida, which posed some problems at first, may be cleared this week.

Allan Lesser, who is in charge of the education compliance program, said today the office so far has received a total of 14,286 statements of compliance from the approximately 27,000 school districts in the country. He said about 3,600 from southern and border state school districts already have been accepted.

BRIDGE BILL
 SACRAMENTO, Calif. (UPI) — A Los Angeles assembly has asked the state legislature to pass a bill to keep vandals from standing on freeway overpasses and throwing rocks at passing cars.

Brent Armstrong Essay Winner

Highlight of the monthly meeting of American Legion Auxiliary Unit 53 (Campbell-Lossing Post) was presentation of cash awards to winners of the Americanism essay contest.

Mrs. Charles Webster, Americanism chairman, presented checks to Brent Armstrong, first; Pat Howland, second, and Janice Rahn, third. All are students of Mrs. Louis Kosky at Sanford Junior High School.

Mrs. Kosky expressed appreciation to the auxiliary for taking an interest in such an important subject as "Communism," theme of this year's contest.

New officers for the coming fiscal year were named during the business session conducted by the president, Mrs. Paul Pezold.

Officers are Mrs. Sophie Bryan, president; Mrs. E. Morgan, senior vice president; Mrs. Betty Luerker, junior vice president; Mrs. Madeline Cooney, secretary; Mrs. Olga Hunter, treasurer; Mrs. Thomas Dillard, chaplain; Mrs. Thelma Brewer, historian; Mrs. Winnie Stiles, sergeant-at-arms, and Mrs. Eva Wynne, assistant sergeant-at-arms.

The executive board will be composed of Mrs. Pezold, Mrs. Iva Newsome and Mrs. Ruth Smith.

Upcoming dates and events for the auxiliary are (1) Constitutional Conference on May 2 which has been changed from Chuluota to Orlando; (2) Poppy Day, April 23-24, in downtown Sanford and other shopping locations under direction of Mrs. Smith; (3) State American Legion Auxiliary Convention, May 20-24 in Tampa with delegates to be Mrs. Pezold, Mrs. Bryan, Mrs. Webster, Mrs. Dillard and Mrs. H. L. Johnson and alternate to be Mrs. Luerker, Mrs. Wynne and Mrs. Smith.

The program, presented by Mrs. Hunter, was on Costa Rica. Displayed on large tables were objects concerning the country and a small white wheelbarrow held artificial fruit native to the land. Another basket was filled with poinsettias and a white branch tree held miniature tools depicting what the organization "CARE" does for the country.

A film was shown by Miss Frances Cobb explaining in further detail the work done by CARE in Costa Rica.

Dr. Luis Perez addressed the group on the dangers of Communism.

Any change will be an improvement.

All we do when we change the Volkswagen is to make it work even better. We don't play with the way it looks. So the 1965 VW still looks the same. And there you have the whole Volkswagen point of view. We keep looking for ways to improve our one basic model. And then we knock our brains out to make the new pieces fit old VWs, too. All the improvements make a lot better. And every one has made the car a touch better than it was before. This year, for example, all the windows are bigger. There's more legroom in back. The heater/defroster has been improved. And so have the brakes. Even the jack has been redesigned. This system not only makes the VW better all the time, but also makes parts easier to get, mechanics more skillful and owners always in style. And we can still tell it for \$1,895.00* Keep the change.

Robert Stephenson Acting Police Chief

By Donna Estes
The North Orlando Village Council, in regular session Monday evening, voted unanimously at recommendation of Mayor David Tilson to name Robert Stephenson as "acting chief of police" with the rank of sergeant.

Tilson stated that contrary to general resident opinion, the village does not have a chief of police and that, in his opinion, no one in the community has necessary qualifications to hold such office.

The appointment as acting chief gives Stephenson all authority necessary, while at the same time restricts his actions by making them unreviewable to council.

Edgar Smart was appointed to serve as a patrolman. Councilman Jay Weitz, village police and fire department commissioner, was authorized to investigate possibility of hiring a fulltime policeman. Weitz also was empowered to purchase an omni-top mounted civilian band antenna at a maximum cost of \$15.

The request of the police department for a purchase order for two summer police hats was denied and no action was taken on Stephenson's recommendation that a stop sign be placed at Edgemon and Lombardy.

Mayor Tilson explained that although action on purchasing a new police car had been tabled at the regular March meeting, a special meeting was held later in the month, with a quorum present, at which time it was voted to purchase a 1962 model police car. The vehicle has been delivered and is currently in use.

In other business, council instructed clerk Helen Green to write persons whose return addresses have been found in the village dump warning them that further dumping of garbage there would result in full prosecution of village laws pertaining to use of the area.

Council agreed to join with the Seminole County Cham-

ber of Commerce in its petition of appeal to the Florida Utilities Commission for extended county-wide toll free telephone service.

It was decided to accept the bid of Charles McIntosh for general comprehensive liability insurance on village property.

An ordinance providing for half-year occupational licenses was unanimously adopted following second and third reading.

Council voted to donate \$100 to the North Orlando Little League for fill dirt to be used only for the local recreation field and not to be placed on private property.

Village Attorney Orville Johnson reported that use of the Sanford jail would be approved by Sanford Police Chief Roy Williams with no daily charge for room and board on conditions that the village assume all liability for its prisoners. No action was taken on the matter.

A called meeting of the council was set for 7:30 p.m. next Monday in the village office.

Band Members Win Ratings

Six student soloists, three ensembles and five majorettes of the Seminole High School band received superior ratings at the district band contest in St. Petersburg, according to Bandmaster Ernest Cowley.

The entire band received an "Excellent" rating in concert and an "Excellent" in sight-reading.

Students receiving the highest awards for their instrumental solos included Joel Febd, flute; Steve Leach, clarinet; Becky Tanner, piano; Neil Richarde, trumpet; Linda Webb, baritone; Davis Edwards, drum.

Ensembles included a drum duet of Charles Stein and Dave Edwards; a flute quartet of Joel Febd, Meda Nelman, Pete Darmi and Leslie Moore; a clarinet quartet of Steve Leach, Ed Hubbard, Becky Tanner and Claudia Bomgardner.

Majorettes of the A Corps included Majorette Captain, Sylvia Williams, Donna Bewichin, Maureen Moughlin, Pat Mackall and Michele Malbon.

All those receiving the superior rating are entitled to enter the state contest which will be held in Daytona Beach the first weekend in May, Cowley said.

Solons Shunning Suggestion

WASHINGTON (UPI) — Rep. Wright Patman (D-Tex.) contends the House of Representatives needs a fourth office building. He says the three now available aren't enough to house the additional two staff aides he believes each lawmaker needs.

Patman's suggestion, made when he filed his bill for two more aides, was not expected to win universal acclaim among his colleagues. They have been taking considerable abuse lately about their latest office building, the vast new \$86.4 million Rayburn Building.

Mrs. Rose Sonderes, of St. Louis, has a christening dress 65 years old which has been used for 13 baptisms.

DAMP DELIGHT—Viennese actress Maria Moll splashes ashore in Alicante, Spain, after a swimming break during the filming of her latest picture, "Masquerade."

WALTER BISTLINE
Longwood Youth
Named Page In
State Senate

By Jane Casselberry
Walter F. Bistline, ninth grade student at South Seminole Junior High School, has received an appointment from Sen. Mack N. Cleveland Jr., as a page in the State Senate during the current session of the Legislature.

The 14-year-old son of Mr. and Mrs. Fred W. Bistline, of Longwood, Walter is an outstanding student, is president of the student council and a member of the Longwood Chapter of the Boy Scouts. During his stay in Tallahassee he will be getting first hand observation of the workings of state government while acting as a messenger and performing other duties.

He will receive a salary of \$10 per day out of which he must pay for his room and meals. A Life Scout, Walter hopes to have some money left over as he is saving for a summer trip with Boy Scout Troop 341 of Casselberry and a trip to the New York World's Fair with his parents.

Although he will be working a full day he will not be getting a vacation from his academic studies as his school books and assignments will accompany him to the capital where he will be enrolled in a special school for pages.

Walter recently was awarded a third place medal and \$2 cash prize in the Americanism Essay Contest sponsored by the American Legion Auxiliary Units 256 and 183.

Circle Meeting

Circles of the Forest City Baptist Church will have a combined meeting at 8 p.m. Thursday at the church. Mrs. Don Westmoreland will be in charge of the devotion and Mrs. Ralph Green, president of the Woman's Missionary Society, will conduct the business session. Further plans will be made for the church's April 25 homecoming celebration.

British troops in the Transvaal were accompanied by Salvation Army officers during the Boer War.

MARGARET NOLAN
Acclaimed musician in Sheperton, England, as she runs through a scene for her new movie, "Promise Her Anything." Her costume consists entirely of a fringed gilet.

Friday afternoon some 1,000 Sanford elementary school children will come marching home with a small palm tree in one hand, a sack of fertilizer and planting instructions in the other.

It will be Arbor Day in Sanford, a part of the overall Seminole County Chamber of Commerce beautification plan. This particular project is sponsored locally, as part of the Sanford area plan, by members of the Inara Garden Club, under the chairmanship of Mrs. Volle A. Williams Jr.

Through the generosity of Mrs. Walter Carter, of Oviedo, and Mrs. Kerfoot Bryant of Sanford, approximately 1,000 coccas plumosa palms will be distributed to children in third and fourth grades at Pinecrest School, South Side School, Westside Grammar School, Goldsboro and Hopper elementary schools Friday.

Members of the Future Farmers of America, both Sanford Junior High and Seminole High School chapters, will donate their services to dig the palms on Mrs. Carter's and Mrs. Bryant's property and prepare them for distribution.

Parents are expected and

Two Wounded, Two Arrested

Two persons were wounded and two others arrested after an early morning fight in the Chicago Flats area.

Herbert Washington, shot in the head, according to sheriff's office reports, was treated at Seminole Memorial Hospital and transferred to Florida Sanitarium in Orlando, following the fight which took place shortly after midnight. Madine O'Neal was treated for knife wounds at Seminole Memorial Hospital and released.

The sheriff's office is holding two brothers, Eugene, 38, and Robert Lee Ervine, 34, of 908 Pine Avenue, on charges of aggravated assault. No bond has been set.

Investigating the incident were Deputies Silas Lackey Jr. and W. R. Brown.

Egyptians used papyrus, a plant-pitch which was flattened out into strips, for literary work; hence our word paper.

Legal Notice

IN THE CIRCUIT COURT OF THE NINTH JUDICIAL CIRCUIT, IN AND FOR SEMINOLE COUNTY, FLORIDA
JAMES M. MURKIN, 1475 MARTIN J. JUBACK, Plaintiff,

NANCY JANE JUBACK, Defendant.

AMENDED NOTICE OF SUIT FOR DIVORCE
TO: NANCY JANE JUBACK
Residence Unknown
You, Nancy Jane Juback, are hereby notified that a Bill of Complaint for Divorce has been filed against you, and you are required to serve a copy of your Answer or Pleading to the Bill of Complaint on the plaintiff's attorney, JAMES M. MURKIN, P. O. Box 225, Fern Park, Florida, and file the original Answer or Pleading in the office of the Clerk of the Circuit Court on or before the 22nd day of April, 1965. If you fail to do so, judgment by default will be taken against you for the relief demanded in the Bill of Complaint.

DONE AND ORDERED at Sanford, Seminole County, Florida, this 15th day of March, 1965.

requested to help, not only with the planting, but with the subsequent watering that will be necessary until the palms take hold and begin to grow.

"In a few years from now

Sanford will have more palms than any other tourist-traveling town in this space-age area," Mrs. Williams predicted.

Mrs. Williams commended the "splendid co-operation"

local school principals, as well as that of the Sanford area committee under the direction of Jack Bolt, chairman.

Anthony Jensen, assistant forester with the Florida Agri-

sured Mrs. Williams that now is "the ideal time to plant palm trees."

James Jernigan, city parks and recreation supervisor, has reported that the city is at work leveling and clearing an

area along the Lake Monroe shoreline near the I-4 bridge and is ready to start planting sabal palms and Spanish bayonets as soon as landscape sketches are received from the State Road Department.

Mrs. J.H. Bilbrey Honored At Seminole Chapter Meet

Thirty-six members and visitors attended a recent meeting of Seminole Chapter No. 2, Order of Eastern Star, at the Masonic Temple, Sanford.

Visitors included Mr. and Mrs. H. L. Larson, Florida Chapter No. 9, Pensacola, and Mrs. Sarah Epstein, Chapter 9, Centerville, Md.

The Chapter was saddened to hear that Past Matron Grace Cordell is again in the hospital in Ocala. Grace worked at Penney's in Sanford for years and is known to practically all Sanfordites.

The secretary, Mrs. J. H. Bilbrey, was practically numb with amazement when she learned she was to be honored for her 11 years of service as secretary. She had heard the Worthy Matron, Mrs. J. J. Nicholson, say something like "We have with us this evening a member who has devoted many years of service to the Chapter. Sister Conduccress, you will introduce her."

While fumbling in her purse for a coin for the silver drill and wondering to whom the Worthy Matron referred, suddenly standing at her station was Audrey Markos, Conduccress, waiting to escort her to the introduction line.

"Who, ME?" she gasped, and accompanied Audrey in a sort of daze to be introduced, receive a warm welcome and beautiful words of commendation from the Worthy Matron and Acting Worthy Patron, Irving Pryor.

The five Star Points told of the lessons to be learned from the heroines of the Order. She was presented with a gift and the silver drill for the even-

"Adult" Disease Strikes Infants At High Rate

NEW YORK (UPI)—Put on the dunce's cap if you think syphilis is an exclusively adult disease. Research indicates that adults pass it on to infants at an alarming rate. Between 1960 and 1963, syphilis among the newborn to one-year age group jumped nearly 180 per cent, reports the U. S. Public Health Service Communicable Disease Center.

To protect babies and mothers, Dr. William J. Brown, director of the center's venereal disease branch, urges the following:

—All pregnant women should be blood tested for the disease both early and late in pregnancy so prompt treatment can be started if necessary. Treatment during the first 18 weeks of pregnancy will prevent infection of the baby. Proper treatment even later may cure the baby although it can't prevent possible damage to bones and teeth.

—Careful examination of babies whose mothers have had no prenatal care or who gave birth without medical attention.

—Reporting by private physicians of all cases so that these can be treated and followed up.

Social News Regulations

The Herald welcomes all social news with the following regulations established:

1—Photograph and coverage requests should be made three days prior to event.

2—Engagement and wedding forms are available to be accompanied by photo four days before announcement.

3—News may be submitted at office, via mail or phone for short notices. Typewritten accounts in lower case double spaced are expedited more quickly. Names should be printed in manuscript reports.

4—Personal black and white photos and negatives are acceptable.

5—Photos made by Herald staff may be duplicated at nominal cost. Doris Williams Society Editor 323-9811—City 485-8888—County

Mrs. W. Norris To Host Garden Club Of L. Mary

By Frances Weston
A change in location of Friday's 10 a.m. meeting of the Lake Mary Garden Club has been announced.

The meeting will be held at the home of Mrs. William Norris, 411 Lakeview Drive, Little Venice, instead of at the home of Mrs. Lester Tillis as originally scheduled.

Garden Circles

Garden Circle Meetings Thursday, April 8.

CENTRAL — Meets at the new Garden Center in Sunland estates at 9:30 a.m. Mrs. Frank L. Woodruff, 111, will conduct a workshop on Artistic Design and members are to bring their own flowers and containers. Mrs. Durward L. Walker will serve as hostess.

IVY — Mrs. Blanton Owen will direct a workshop on the making of dried plaques. Members are to bring all their materials to the home of Mrs. Frank Walker, 403, Temple Drive at 7:45 p.m.

MIMOSA — Members will

leave at 10 a.m. for a visit to the Garden Barn.

Friday April 9
CAMELLIA — A plant exchange will highlight the meeting at 9:30 a.m. at the home of Mrs. Tom McDonald, 1100 Cornell Drive. Members are asked to bring articles for a white elephant sale.

DIRT GARDENERS—Ben Wiggins will discuss conservation at the meeting at 10 a.m. in the Caucus Room at First Federal Savings and Loan Building. Mrs. J. R. Wells is hostess.

HIBISCUS — Circle members will hold a white elephant and a plant sale at 2 p.m. at the home of Mrs. Charles Morrison.

JACARANDA — Mrs. Frank Donahoe will direct a demonstration on the use of the Hogarth Curve in artistic design. Members will meet at 7:30 p.m. with the chairman, Mrs. C. M. Flowers.

ROSE — Members will leave at 8:30 a.m. for a tour of Buech Gardens, Tampa.

PALM CIRCLE will meet Thursday, April 18 at the home of the chairman, Mrs. Blanton Owen. Mrs. Carl Stubbins will present the program topic, "Bees." Co-hostesses are Mrs. Helen DeWit and Mrs. William Hardie.

Medical News

We've heard much economic and political talk recently about the gold drain and the gold standard. And now comes a medical report on the precious metal.

Dr. Naomi Kanof, Washington, D. C., dermatologist, reported recently that certain types of stubborn skin ulcers healed rapidly when dressed with layers of specially prepared gold leaf. The physician said that the healing process was remarkably rapid.

The reasons the precious shield works so effectively, Dr. Kanof told Women's Medical News Service, are not yet fully understood. Dr. Kanof is Chief of Dermatology at Children's Hospital, Washington, D. C.

General de Gaulle and Fort Knox (take note)

Lafayette's Remains
The Marquis de Lafayette is buried in Picpus cemetery at Paris, France. At the time of his death, the state of Virginia shipped the earth with which he was covered to France, so that he might lie eternally under American soil.

**Plaque Honors
Navy Skipper
Lost At Sea**

One of the awards to be presented Saturday during ceremonies climaxing this year's Bombing Derby at Sanford Naval Air Station will honor Cdr. Barton W. Bartholomew, VAH-11 skipper lost at sea last year. The award, established by Reconnaissance Attack Wing One for excellence in Naval leadership, will be presented by Mrs. Kay Bartholomew, widow of the commander. It will go to the squadron which has exhibited the most effective leadership program for the year 1964. The Commander Barton W. Bartholomew Memorial Award for Excellence in Naval Leadership is a plaque bearing a bas relief likeness of Commander Bartholomew and the following inscription: "Day by day fix your eyes upon the greatness of your country; when you are impressed by the spectacle of her glory, reflect that it has been acquired by men who knew their duty and had the courage to do it."

**Casselberry VFD
To Show Films**

By Jane Casselberry
Films on fire fighting and artificial respiration will be shown at 7:30 p.m. today at the Casselberry Fire Station for firemen and their wives and any other interested persons are welcome to attend. "That They May Live," a film on mouth to mouth resuscitation supplied by American Red Cross, will be shown. This method of resuscitation has proved to be the simplest and most effective means discovered to date of reviving victims of drowning, electric shock, or strangulation. It is important that everyone be familiar with the method in event of emergencies. Plans also will be made for beginning a first aid course in Casselberry in the near future.

The "Treaty of Versailles" between Great Britain and the U. S., which ended the Revolutionary War, was signed Sept. 3, 1783.

Auto Dealers, Merchants Co-operate In 3-Day Extravaganza

By Barry Lawes

Many valuable prizes, donated by members of the Sanford Merchants Division of the Greater Sanford Board of Trade, will be given away between now and Friday night as part of the three-day festivities of the downtown auto show and spring sales extravaganza.

Included in the list of prizes to be given away are a stereo console phonograph, a color television set and a portable television.

The portable television set will be awarded some lucky person tonight by the Sanford Merchants Division, with the stereo console being given away Thursday night and the color television set given away Friday night.

Persons may register for the prizes at any downtown merchant's store and do not have to be present to win. The drawings for prizes will come as the climax to each night's festivities.

The glittering auto show, sponsored by the Sanford Automobile Dealers Association, got underway this morning at 11:30 with a ribbon-cutting ceremony presided over by acting Mayor A. L. Wilson and other civic officials and dignitaries.

GLENN REEVES

First Street, between Park and Palmetto Avenues, has been blocked off to make the largest auto showroom Sanford has ever enjoyed. Shiny new automobiles, sparkling television personalities, music, fun, and prizes are the order of the day now through Friday night when the three-day event closes.

Popular television personality Glenn Reeves has brought his entire troupe to Sanford to provide fun and music in two shows nightly during the three day event.

A bandstand has been erected at the intersection of Magnolia Avenue and First Street, and the Reeves troupe will perform each night at 7 o'clock and again at 8:30.

On display in the two-block area are 150 of the finest autos ever turned out by the Detroit manufacturers. The glittering array of automobiles features the latest in mechanical advances in transportation as well as the newest in safety factors and available extras.

The mid-town display opens at 11:30 each morning and continues until 9 o'clock nightly. For the duration of the event, all the downtown merchants are remaining open until 9 p. m. so Sanfordites and visitors may take advantage of pre-Easter and spring shopping bargains being offered.

Sanford police, with the cooperation of the city commission, have blocked off the two-block show area with the exception of an emergency lane on First Street.

Dealers participating in the auto show extravaganza include Seminole County Motors, Haag Chrysler-Plymouth, Bill Hemphill Motors, Ellnor Motor Company, Holler Motor Sales, Strickland-Morrison and Hunt Lincoln-Mercury.

Dodge Adds New-Size Coronet

Dodge has entered the 1965 model year with a new-sized Coronet line added to its product line-up between its compact and regular-sized cars.

The 117-inch-wheelbase Coronet, significantly larger than competitive nameplates in its class, provides sufficient passenger compartment space to accommodate six adults comfortably.

The 17 models are divided between the Coronet, Coronet 440 and sporty Coronet 500 series with a range of seven engines from a 225-cubic-inch six-cylinder to a 420-cubic-inch V-8, including an economical, lightweight V-8.

The new Dodge line, along with the compact Dart and conventional-sized Polara and Custom 880, will be shown to the public at the Sanford Auto Show.

The previously unfilled slot in Dodge's product line-up which the Coronet will occupy is currently the fastest-growing segment of the American automobile market.

"There is a definite trend, in both individual and fleet purchases, to a lower-price, family-size car like the Coronet, offering more car than the compact and yet more economical than the conventional-sized cars," Byron J. Nichols, Dodge general manager, said.

"We believe the 1965 Coronet is an ideal family-size car. It is convenient for suburban driving and at the same time highly suitable for cross-country trips."

The Coronet measures 74 inches in over-all length, 20 inches in width and 59 inches in height.

A wide and massive appearance has been given to the new line in the styling treatment of the entire front and rear ends. The four corners of the car have been noticeably squared off to take visual advantage of the full width, height and length of the body.

Front end styling features a full-width grille surrounding the dual headlights, a deep wrap-around bumper, narrow ridges along the top sides of the front fenders and a flat hood.

The broad rear deck slopes very gradually, and then turns downward at a 90-degree angle to form the deck face. Placed high at the ends of the deck face are the vertically-styled single tail light assemblies.

The four six-passenger and one nine-passenger station wagon models, with 90 cubic feet of cargo space, have the same new styling details as the sedans.

Fifteen exterior colors are offered in a new acrylic enamel paint, which can be buffed back to its original gloss even after long-time exposure.

A variety of vinyls and nylons are used for upholstery materials in a color selection of blue, tan, turquoise, red, black, and white with gold. Interiors of the deluxe Co-

ronet 500 are furnished with front bucket seats, a center console with built-in storage compartment and simulated rear bucket seats.

For the Coronet 440 and Coronet 500 two-door hardtops, an optional leather-grained vinyl roof covering in black or white has been compounded for greater weatherability. The white vinyl has a hard-surface finish to resist soiling.

The convertibles in the same two series have a new type of dust boot made of expanded vinyl that can be fastened with less effort because of the material's "stretch" characteristics.

Use of easily-cleaned perforated vinyl headlinings in the Coronet line lowers the sound level within the passenger compartment. The seat vinyl has been upgraded by improving its seam strength, using more backing material in major wear areas and increasing its resistance to cold cracking.

Instrument panel face plates are finished in a satin-silver gloss, and the panel tops are painted in a glare-reducing, dark-colored suede finish, which also eliminates windshield reflection.

There is a new wheel cover design with fine serrations around the outer surface.

Those features of motorizing silence which made the Imperial so appealing to luxury car owners last year have been expanded and improved.

Among the major improvements are:

1) Two constant-velocity universal joints, one at the center and the other at the rear of the two-piece drive shaft,

eliminate speed and force fluctuations from the drive line.

2) Tire size has been changed to 9.15x15 to eliminate tire squeal.

3) A redesigned torque converter reduces car "creeping"

4) A new camshaft with longer duration, increased valve overlap, and higher valve lift improves the performance of the 413-cubic inch V-8 engine.

Four models in two series are continued in 1965: The LeBaron four-door at the top of line; the Crown Coupe two-door hardtop, the Crown four-door hardtop, and the Crown convertible. New this year is a vinyl roof option for the Crown four-door hardtop. The wide selection of exterior colors for 1965 includes several new high metallic pastels.

A rich walnut veneer has been used to accent interior areas, especially the instrument panel. Availability of interior colors has been increased. Three different trim patterns are available. Cloth and leather trim is standard for all models except the convertible, where all-leather trim is standard. Leather trim material is available at no extra cost on the Crown Coupe, and at extra cost on the LeBaron and Crown four-door hardtops. A gray all-weather cloth trim is new in 1965 for the LeBaron.

The Crown Coupe and convertible continue to include the personalized interior, featuring individual executive-type front seats. These same leather-trimmed individual front seats with reclining back for the passenger side are now available at extra cost for the two-four door models. All reclining seat installations have a foot trip lever mechanism on the right side to enable rear passengers to exit with greater convenience.

An innovation is a reminder light called the "Sentry Signal" in the instrument panel cluster. It gives off a steady, bright red glow illuminating a "check gages" signal should the engine temperature exceed a safe range or the fuel level or oil pressure become too low.

A column-mounted transmission shift lever is new this year. The parking brake is automatically released when the drive or reverse position is selected.

Imperial Sales Up 62%

Today's luxury car market is truly an exclusive one. Only one person of every 36 Americans who buy a new car selects a luxury model. Imperial is finding increased favor among those to whom a car means the ultimate in prestige and quality.

Imperial enjoyed a 62 per cent sales rise last year, increasing its penetration of the luxury car market by 47 per cent.

"The engineering and styling refinements made in the 1965 Imperials achieve new levels of quietness and elegance," said P. N. Buckminster, general manager of the Chrysler-Plymouth Division.

The 1965 Imperial has a new front end design. It features a

two-piece grille occupying the full-width grille opening. The dual headlamps, set in bright rectangular headlamp doors, are recessed into the grille at either end. Each set of headlamps is protected by a pane of high strength tempered glass.

There is a new wheel cover design with fine serrations around the outer surface.

Those features of motorizing silence which made the Imperial so appealing to luxury car owners last year have been expanded and improved.

Among the major improvements are:

1) Two constant-velocity universal joints, one at the center and the other at the rear of the two-piece drive shaft,

eliminate speed and force fluctuations from the drive line.

2) Tire size has been changed to 9.15x15 to eliminate tire squeal.

3) A redesigned torque converter reduces car "creeping"

4) A new camshaft with longer duration, increased valve overlap, and higher valve lift improves the performance of the 413-cubic inch V-8 engine.

Four models in two series are continued in 1965: The LeBaron four-door at the top of line; the Crown Coupe two-door hardtop, the Crown four-door hardtop, and the Crown convertible. New this year is a vinyl roof option for the Crown four-door hardtop. The wide selection of exterior colors for 1965 includes several new high metallic pastels.

A rich walnut veneer has been used to accent interior areas, especially the instrument panel. Availability of interior colors has been increased. Three different trim patterns are available. Cloth and leather trim is standard for all models except the convertible, where all-leather trim is standard. IN THE CIRCUIT COURT, NINTH JUDICIAL CIRCUIT, IN AND FOR SEMINOLE COUNTY, FLORIDA, IN CHANCERY NO. 14786 NOTICE OF SUIT
DAVID SWEET and LILAR SWEET

THE STATE OF FLORIDA: YOU ARE HEREBY NOTIFIED that the above-named Plaintiff, DAVID SWEET and LILAR SWEET, his wife, have filed a petition in the above-captioned Court for the adoption of the minor child named therein and you are required to show cause why the same should not be granted by serving a copy of your written answer on the Plaintiff at the office of the Clerk of said Court on or before April 12, 1965. A Decree may be entered versus you granting said adoption, and the child shall be declared the official seal of said Court at Sanford, Seminole County, Florida, this 12th day of March, A. D. 1965.

Arthur H. Beckwith, Jr., Clerk of the Circuit Court. By: Martha T. Vihlen, Deputy Clerk. From: Davis & McIntosh, Attorneys at Law, Post Office Box 1228, Sanford, Florida 32771. Publish March 31, 21, 21, & Apr. 7, 1965. CDK-91

IN THE CIRCUIT COURT, NINTH JUDICIAL CIRCUIT, IN AND FOR SEMINOLE COUNTY, FLORIDA, IN CHANCERY NO. 14801
MORTGAGE FURNISHERS SOUTH SEMINOLE BANK, a Florida banking corporation, Plaintiff,

vs. ELMER E. ASHLEY and WILLIAM E. HIGGINBOTHAM, Defendants.
CLERK'S NOTICE OF SALE: NOTICE IS HEREBY GIVEN that under a Decree of Foreclosure and Sale entered by the Judge of the Circuit Court of the Ninth Judicial Circuit, in and for Seminole County, Florida, on the 1st day of April, 1965, in a certain case between the said Seminole Bank, a Florida banking corporation, Plaintiff, and Elmer E. Ashley and William E. Higginbotham, Defendants, being Chancery No. 14786, I will sell at public auction at the Courtroom in the City of Sanford, Seminole County, Florida, at the hour of 11:00 A. M., on April 13, 1965, the premises hereby described as follows, and situated in Seminole County, Florida:

- 1 Koch walk in cooler Ser. 712
- 1 Cold Spot chest type freezer 16 cu. ft.
- 1 Globe meat slicer, Serial No. 13123
- 1 Commercial scale U. S. Serial No. 600680, 24 lb. capacity
- 1 Toledo Food Chopper Model 5130-0 901 Serial No. 32094
- 1 2 Compartment Stainless Steel Sink superior Grand 18 x 22 and Drain Board
- 1 18 Gal. Homart Hot Water Heater Serial No. 2104
- 1 South Bend 3 Burner Gas Stove, Serial 421109
- 1 6 Gallon Stainless Steel Coffee Urn, with Stainless Steel Table
- 1 Refrigerator and a 4-way combination Model No. E104
- 1 Thermolux Waterless Dishwasher Model No. 415R
- 1 Electric Hot Fudge Warmer, Serial No. 35856
- 1 2 ft. x 2 ft. Hand Ice Chest
- 1 Stainless Steel Endmaster Sink Dispenser, 3 gal. Sink Contained Unit
- 1 6 ft. Stainless Steel Drink Cooler "Daverage Air" Ser. No. 2104
- 1 20 x 24 Aluminum Grill (Gas Model)
- 1 Stainless Steel Deep Fat Fryer (Fat Miser) Serial 3361, Model No. F16B, 50 lb. capacity.
- 1 Stainless Steel Toast Maker Roll and Food Warmer, 3 drawer Floor model, Serial No. 21439, Model 2170
- 1 Hot, over and under, Porcelain Controlled Scales (Dental) Serial 1 D Serial No. 2117
- 1 24" Emmercon Pedestal Fan Model No. 127
- 1 Wisard Oil Space Heater 20,000 BTU
- 1 General Electric "Refrigerated" Floor Model Water Cooler Serial No. 61
- 1 2" Cyproam 18 x 24 table and bench set
- 1 Refrigerated "Jet Spray" Drink Dispenser
- 1 21" Emmercon "Exhaust Fan Model" 850 CX 8FT 2923
- 1 Stainless Steel "Helms" "Cozy" Fountainette
- 1 10" Portable "Wisard" Frame Encased Fans
- 1 "Diner" Model No. 40 Milk Shake Machine
- 1 "Hamilton Beach" Model No. 10 Milk Shake Machine
- 1 1/2' x 8' All Neon Barbecue Sign with Name (The Kitchen) on 3" Pipe Upright Business sign.
- 1 8' Sealed outside "High output" Allweather Flood Lights on 1" Aluminum pipe.
- 1 All neon 1 x 1 outside neon arrow sign
- 1 Roof exhaust fan (belt grease proof) "Peerless Electric" Serial No. 2182
- 1 Type BC and Stainless Steel Hood & Grasse Filters
- 1 Counter type metal base stools with plastic seats
- 1 Electric "Golden Moon" Chocolate Dispenser
- 1 National Cash Register Model No. 21-1-1-5(B) 1 Serial No. F939266-HIGH.

Together with the following items of property which are located in and permanently installed as part of the improvements on said land:

Scrambled Syntax Copyreaders' Bane

LONDON (UPI) — Four years ago Denis Parsons took the pledge, to the delight of copyreaders everywhere, and then he saw this notice of a sermon posted on a church: "Sunday next at 6 p. m. 'Pearls before swine' "We should like to see you there."

And immediately he was an addict again, searching the periodicals of the world for what he calls "howlers and oddities," the scrambled syntax that somehow manages to get into print no matter how vigilant the copy desk.

A scientist when he is not gleefully assembling other people's errors, Parsons celebrated the publication of his eighth collection, "Funny Ha Ha and Funny Peculiar," by promising to go off the staff for another couple of years, at least.

"Unless," he chuckled, "I stop again at a hotel like the one in Britain which has this inviting sign in the lobby: 'For those combining business and pleasure—an office and a typist are available.'"

Parsons was asked to pick his favorites from his newest batch and these are some of them:

"Working single lady wants room, must have bath; urgently" (British newspaper advertisement).

"Wanted, zinc bath for adult with strong bottom." (Ditto).
"Sterility may be inherited." (Newspaper headline).

"Perfume your undies by placing empty perfume bottles in your drawers." (Magazine tip).

"In her next picture she will not wear any glamorous clothes. It is a story of the wide open spaces." (Newspaper article).

CWO NORMAN F. Labounty, who received his commission while stationed at the local Marine Barracks, is greeted by his former commanding officer, **Maj. B. J. Chen** (right), on a visit to Sanford Naval Air Station from his present duty assignment, Second Marine Air Wing, Cherry Point, N. C. (Navy Photo by Bridges)

'Lost' Amendment Declared A Winner

TALLAHASSEE (UPI) — The State Canvassing Board corrected Tuesday a Hillsborough County vote tabulation that resulted in defeat of a constitutional amendment last November.

The new vote tabulation okayed by the three-member board had the effect of adopting the amendment authorizing daisy chain amendments to the state Constitution by a 420,000 to 403,565 vote.

The amendment lost out at the polls in November by a vote of 432,813 against to 401,168 for.

But an error was discovered in the Hillsborough County vote that would change the statewide totals.

Voting in Hillsborough was 51,684 against to 11,623 for the amendment. The corrected totals were 80,361 for and 22,356 against.

Tampa Tribune Editor James A. Clendinen filed suit in the Supreme Court, which ordered the canvassing board to meet "forthwith" and correct the totals.

The action had the effect of certifying adoption at the polls of the amendment. The canvass will be sent to the Supreme Court, which will issue an order okaying the new tabulation.

Dear Abby:

DEAR ABBY: Please tell TENNESSEE HUNTER to stop using that old chestnut about how the poor animals would starve to death if hunters did not kill them off "mercifully" with one well-placed bullet. Even the average high school boy (I am one) knows that Nature's way is best. The old, weak and

sick animals will die of starvation, leaving the young, strong and healthy ones to perpetuate the species. So which animals do our hunters shoot down? The biggest, most physically fit and most beautiful I know. I come from a family of hunters who wouldn't waste a bullet on a scrawny specimen.

No, they gun down the deer with the shiniest coat and biggest antlers, show him off to friends, hang him on a tree and let him rot. Sign me. YOUNG ANIMAL LOVER DEAR ANIMAL LOVER: You are long on compassion, which I like, but short on facts about the preservation of our wild-life. Experts say that un-

der present limitation on feed, grazing land, etc., herds must be thinned, else deer will propagate too freely and die. Hunting seasons, properly controlled, are in the deers' best interest.

DEAR ABBY: I still don't know how people can justify hunting for the sport of it. The Bible clearly states, "THOU SHALT NOT KILL." Granted, killing an animal for food in order for man to survive is a defensible act. Although today there are people who manage to live without meat, and they seem no worse for it. But to go out and kill beautiful wild birds and noble beasts just for the thrill of it, makes no sense at all. BEWILDERED IN NUTTER FORT

DEAR ABBY: In reply to "TENNESSEE HUNTER": I would just like to say that if it is so "humane," as hunters claim, to shoot defenseless animals instead of letting them starve to death, I should think it would be much more humane to buy food for the animals with the money they spend on guns and ammunition. Then let them go into the woods and put the food where the starving animals can get it to enable them to live and keep the beauty and wild-life in our country as it should be. COLLEGE STUDENT, BUFFALO, N. Y.

DEAR ABBY: What's all the commotion about hunting deer? If someone can tell me why it's kinder to hit a steer over the head and then slit his throat than it is to put a

By Abigail Van Buren

bullet through his heart. I'll quit hunting. WARREN IN ST. PAUL DEAR ABBY: Here is my memo to hunters: If you want to kill, why be pickers? Go after the big game. Join the Army and ask for front line duty in Viet Nam.

DEAR ABBY: Please print this for the benefit of "TENNESSEE HUNTER" and all other hunters who somehow manage to rationalize their urge to kill: When they provide deer with guns and ammunition, and teach them how to use them in self-defense, I will go hunting. Thank you.

DEAR ABBY: Apropos your hunting controversy: I once saw a sign in a Minneapolis sports equipment store which read: "BETTER TO TAKE YOUR BOY HUNTING THAN TO GO HUNTING FOR YOUR BOY." Isn't that great?

FROM DULUTH DEAR FROM: It's great for selling hunting equipment. But time spent with one's boy, whether it's hunting, building a fence, or just sitting around chatting, is equally good insurance against not having to go hunting for him.

Jacoby On Bridge By Oswald Jacoby

Newspaper Enterprise Assn. Hard Luck Joe ruffed the diamond lead in dummy, played a couple of rounds of trumps and the ace of clubs, entered dummy with a third trump, and lost the club finesse.

West thought a while and led the queen of hearts whereupon Joe had to lose three heart tricks in addition to the club.

"My unusual hard luck" muttered Joe. "Both the club and the heart were wrong. Still it could have been worse. My opponents would have had no trouble making five diamonds if they had had bid it."

Joe was right about the last, but he was not right about his hard luck. It was unfortunate that both the

NORTH ♠ Q1086432 ♥ K85 ♦ None ♣ J9 WEST ♠ None ♥ Q974 ♦ A710 ♥ K10854 ♠ AQ87631 ♣ Q823 EAST ♠ None ♥ J7 ♦ Q875 ♣ A10 SOUTH (BY) ♠ AKJ95 ♥ QJ3 ♦ AK10 ♣ AK10 East and West vulnerable South West North East 1 ♠ Pass 4 ♠ Pass 1 ♠ Pass 1 ♠ Pass Opening lead—♣ 10

club queen and the heart ace were wrong but if Joe had studied the hand carefully he would have found a sure thing play at trick one. The sure thing play would have been to discard a club from

dummy. East would be in with the ace and probably would lead back a club. It would not matter. Joe would win whatever was led back and play a trump or two. Then he would cash his ace and king of clubs and lead the ten spot. If West covered Joe would ruff and return to his hand to discard a heart on his last club. If West didn't cover Joe would discard a heart immediately. Thus, Joe would hold his losses to two hearts and a diamond. It also would not hurt him if East held the queen of clubs. In that case Joe would lose a club trick, but would discard one heart from dummy on the club that lost and another on the good club that would be left in his hand.

We The Women: By Ruth Millett

"Part-time schooling must be developed in the United States for the teen-age brides who interrupt their education for marriage and babies." That's what Mrs. Esther Peterson, assistant United States secretary of labor, told the 1965 convention of the American Association of School Administrators.

Since 40 per cent of all brides are teen-agers and more girls marry today at 18 than at any other age, it is probably necessary for us to make it easier for these teenage wives and mothers to continue their interrupted education.

But even more important is the need to convince our young people that the teen

years are not the years for marrying.

Somehow, we have got to convey that to interrupt their schooling to marry is to short-change themselves, each other, and their children-to-be.

It usually means short-changing their parents, too, since the dream of most parents is to see their children well-equipped for life before they take on the responsibilities of marriage and parenthood.

This is a job for the nation's mothers and fathers and its junior high and high school teachers. They have got to sell the idea of education BEFORE marriage to the generation now entering

its teens.

Never has education been so necessary as it is today. Parents know it. Teachers know it. But they aren't getting it across to young people.

Why are teen-age girls today rushing boys into marriage? Why are our young people so anxious to get out from under the parental roof? Why do so many teenagers look on marriage as all of life—and not just a part of it?

These are the questions we need to answer. When we do, perhaps we can tell our daughters the idea that it is not the ideal time for marriage, that it IS the ideal time to prepare for it.

Highlights TV Time Previews

7:30-9 p.m. NBC. Hallmark Hall of Fame "The Holy Terror." (Color) James Lee has concocted a formula drama paying tribute to Florence Nightingale, who revolutionized the nursing profession and the treatment of the sick and injured. And he has written a good part for Julie Harris, whose magic in the role of Florence makes the role glow and rubs off on the play. Terin Thatcher plays the surgeon who is her cardboard antagonist, doing and saying all the expected things capably. One can feel the indomitable spirit and courage of Florence Nightingale throughout, but this comes more from Miss Harris's contributions and George Schaefer's smoothly put-together production than from a script which is merely serviceable.

7:30-8 p.m. CBS. Mr. Ed "Ed's Cold Tail." Some wonderfully funny dialogue sparks this one as our determined horse demands and conspires to get a heater for his stall at the same time that Carol demands a new refrigerator. She has a hard time being as resourceful as Ed, who'll stop at nothing to get his own way.

8:30-9 p.m. CBS. The Beverly Hillsbillies. (Rerun) Some good laughs, as the Clampetts inspect a ritzy dress shop they've invested in and are mistaken for beggars. In turn, the Clampetts feel the skinny proprietress is starving and decide to do something about it. Playing the snooty shopkeeper very well is Natalie Schafer, and Ely May (Donna Douglas) steps out of her tomboy clothes to model some eye-popping gowns.

8:30-9:30 p.m. ABC. Shindig. "Nowhere To Run" by Martha and the Vandellas could easily be the theme song of this program of young and undulators. The fantasia of talents includes Donna Loren, John Andre, Tina Turner, Jimmy Clanton, Marvin Gaye, Lesley Gore and Willie Nelson. And all these great groups are back too.

9-9:30 p.m. CBS. Dick Van Dyke Show "100 Terrible Hours" hilarious show, largely in flashback. You'll see a glassy-eyed, messy-haired Rob as he tries to break a disc jockey endurance record by staying awake 100 hours. After he undergoes this ordeal, he gets his long-awaited job interview with Alan Brady. The encounter is pure comedy as he tries desperately to make a good impression and succeeds only in mouthing gibberish. Carl Reiner is perfect as Brady.

9-11 p.m. NBC. Wednesday Night Movie. "Thunder In The East." Alan Ladd plays a pilot who goes to India shortly after the country gains its freedom and tries to sell rifles to a Maharajah. He is stopped by the Maharajah's secretary, played by Charles Boyer. When troubles break out, Ladd has to fly refugees out and he is accused of being a swindler by Deborah Kerr, because his price is too high.

9:30-10:30 p.m. ABC. Burke's Law "Who Killed Hamlet?" Shakespeare helps a dead girl exact some diabolical revenge against a couple of people both on and off stage. The guest list is headed by Basil Rathbone as a verbose play producer, Eddie Foy Jr., as abacher with strange motives, John Cassavetes as a flip actor, Agnes Moorehead as an actress and Edward Everett Horton as another actor.

10-11 p.m. CBS. The Danny Kaye Show. Nanette Fabray, singer Gary Coster and "The Girl From Ipanema." Astrud Gilberto, are the guest stars tonight. Miss Gilberto will sing "And Roses and Roses" as well as the Ipanema song that made her a hit. Gary does "You're Nobody 'Til Somebody Loves You" and "Make Someone Happy." Nanette joins Danny in a skit in which Danny, as Jerome, gets trapped

in a skyscraper elevator with a lady who suffers from claustrophobia. In another sketch is a turn-of-the-century saloon owner and Nanette is the girl he loves.

10:30-11 p.m. ABC scope "Thorn of Plenty." An examination of the problems of California's farmers and of the migratory workers they'd like to hire and can't, now that they are forbidden by law to use Mexican labor as in former years. It's a situation in which no one is happy. The farmers can't get their needed labor force, don't like the workers they can hire and the more desirable laborers refuse to work under the conditions imposed on them.

Pitcher Signed

MILWAUKEE (UPI)—The Milwaukee Braves Monday signed 19-year-old right-hander Brian Murphy of Pennsauken, N.J., to a "substantial" 1965 contract. Murphy will be assigned to the West Palm Beach club of the Florida State League.

Trainer Dies

PHILADELPHIA (UPI)—Horse trainer Carl Roark, 50, collapsed and died Monday while watching an early morning training session at Liberty Bell Harness Track. Roark, of Harrington, Del., is survived by his wife and three children.

Beauty after Forty
EDYTH THORNTON McLEOD
My neck is very stringy and wrinkles show up badly. I had to reduce very quickly under doctor's orders and I was too sick to take any care of my neck. Now, what can I do—Mary?

You can help by following my neck care home treatment plan, and by choosing very flattering necklines plus handsome clustered bead necklaces.

You have to work at the care but it is worth the time and effort. To obtain a copy of my leaflet, "How To Youthify Your Neck," send me a long, self-addressed envelope and enclose 10 cents in coin. You MUST stamp and self-address your return envelope. "Are berets still in fashion this season? I like them. —Mam."

I believe berets are always in fashion, as at least some version of them. The soft, high beret is very flattering. I know one woman, a celebrity in a small way, who wears nothing else. She has berets made in all colors and fabrics to match or harmonize with her wardrobe.

"I am a nervous wreck here lately. My grown son has left home and my husband threatens to do the same. I am going through the menopause and feel awful. I think my family should have some consideration. What should I do? —Mrs. K."

Stop thinking about yourself. Women have gone through this natural process since time began. First, see your doctor. If you need some soothing medication, he will prescribe it, and there are wonderful things to aid you in these modern days. You can also send for a copy of my leaflet, "Memo On The Menopause." This will, I

**Early Bird Set
For Launching**

CAPE KENNEDY (UPI)—A pioneering switchboard satellite named Early Bird was perched atop a high-powered rocket today for the new Communication Satellite Corporation's first venture into space.

The glittering craft, the world's first commercial communications satellite, was scheduled to be shot toward a stationary relay post high over the Atlantic during an hour-long launch period starting at 6:30 p.m. (EST).

**St. Pete Job
Center Opens**

ST. PETERSBURG (UPI)—The nation's first job corps training center for women was scheduled to get its program under way here today. The first 30 women of an expected 300 arrived to get this phase of the Johnson administration's war on poverty going.

Residence supervisor Darrell Blackburn said the classes will be scheduled according to the individual needs of the women.

Horoscope Forecast

Thursday, April 7, 1965

GENERAL TENDENCIES: Until NOON you are able to put your ideas across with comparative ease but later you find that most everything conspires to keep you from gaining the support of others that you wish. Don't feel abused, and instead of expanding, get your own affairs in good condition and on the basis that will ease future.

ARIES (Mar. 21 to Apr. 19) Giving most of your attention to home and its environs is productive of excellent results today. Plod along industriously. Planning can add much to your abundance, sense of security.

TAURUS (Apr. 20 to May 20) Garnering information from any source whatsoever is rather easy now and you can impress others with your carefulness. Be particularly alert on the road. This can be either in walking or driving.

GEMINI (May 21 to June 21) Solving problems of all kind is important now, so get to it without delay. Repairing real estate and getting budget on a more sound basis is also imperative. Keep busy day and PM.

MOON CHILDREN (June 22 to July 21) Get rid of that sense of being imposed upon and keep nose to the grindstone, and refuse to admit defeat. See what can be done about improving physique. Make sure diet is right.

LEO (July 22 to Aug. 21) Any secret angling should be tackled with vim so that you get all of your work and affairs behind you quickly. You can even find time to assist those in trouble. Be the Good Samaritan.

VIRGO (Aug. 22 to Sept. 22) Be patient with those whose thoughts and actions are not so rapid as yours. Fine results will then be possible. Gad about socially, but be sure you use caution, wisdom.

LIBRA (Sept. 23 to Oct. 22) Getting matters in the outside world properly handled will be a source of inspiration to others as well. Don't be extravagant. Stop four-flushing to get the goat of good friends.

SCORPIO (Oct. 23 to Nov. 21) Although you are eager to get into new outlets, make new contacts, be sure to do some studying first. Don't be taken in by some fast talker. Go slow and safe.

SAGITTARIUS (Nov. 22 to Dec. 21) Better use judgment and logic today instead of following hunches, which could lead you astray. Pay attention to what loved one says. Follow good ideas in PM.

CAPRICORN (Dec. 22 to Jan. 20) Using force in any way with others only puts stumbling block in the way of reaching fast agreements. Keep all promises you have made. These speak louder than any words, too.

AQUARIUS (Jan. 21 to Feb. 19) You are able to labor very diligently today, so don't dilly-dilly but make those who are depending on you happy. Co-workers may be in a mood to play. Don't let them averse your efforts.

PISCES (Feb. 20 to Mar. 20) Having some fun is quite all right now, but take care you don't spend a great deal of money. Wholesome pleasures are infinitely more fun. Have more respect.

IF YOUR CHILD IS BORN TODAY, he or she will be a business person by nature and can sell either ideas or commodities very easily. Be sure to slant the education along such lines. Early give good religious and ethical training so that the tendency to be hypersensitive to the criticism of others will be eradicated at earliest age. "The Stars Impel, they do not compel." What you make of your life is largely up to YOU!

Carroll Righter's individual Forecast for your sign for May is now ready. For your copy send your birthdate and \$1.00 to Carroll Righter Forecast (The Sanford Herald), Box 1921, Hollywood 28, California.

More than one-half of the moon's surface had been studied by man before Soviet astronomers succeeded in photographing its hidden side.

'Priority' Bills Put In Hopper

TALLAHASSEE (UPI)—If Atty. Gen. Earl Faircloth gets his "priority" bills through the 1965 Legislature, county commissions around Florida will get more power and cow men more trouble. Faircloth sent a bulky report to the Legislature today which included proposals to create counties, a consumer fraud bureau, and a permanent state building fund.

Senate Jolted By New \$150 Million Sales Tax Bill

Area Groups Will Present University Bid

TALLAHASSEE (UPI) — The Florida Cabinet released more than \$5 million for construction work at Florida Atlantic and Florida A&M universities and the future University of West Florida.

Florida Atlantic got most of the money—nearly \$2 million. (John Alexander, chairman of the Seminole County Commission; John Krider, manager of the Seminole County Chamber of Commerce; Sen. Mack N. Cleveland Jr. and Rep. S. J. Davis Jr. will join with an Orange County delegation Friday morning at Tallahassee before the State Board of Regents to request an appropriation of \$7 million for the proposed East Central Florida university on Highway 320 in Orange County at the Seminole County line, three miles south of Oviedo.)

For an auditorium and humanities building and a cafeteria extension.

Florida A&M received \$1.6 million for a vocational technical building here.

And the University of West Florida, scheduled to open two years from now at Pensacola, got \$1.35 million for an administration-classroom building.

Gov. Haydon Burns took time out to scold a state architect over a delay in construction of three dormitories at Florida State University.

He directed his remarks at Board of Regents architect Forrest Kelly, who requested a contract extension he said was necessary because his staff had taken four months to process and analyze building specifications and make inspections.

"We can not tolerate four-month delays and then be asked to act on after-the-fact matters," said Burns. "This delay is not justifiable and not excusable."

Nevertheless, the extension was granted.

Reports are being published that "Cry of the Laughing Owl," filmed in part last December in Longwood and at Wekiwa Springs by Nova Film Productions, Inc. under direction of John Hugh, has been bought for a television series. The movie is scheduled for premiere in Winter Park in the near future with the TV series for presentation in about 18 months, reports say. General Artists Corporation will do the series, in color and using much of the same location area, with at least three of the same stars, Robert Taylor, Geraldine Brooks and Chad Everett.

Squadrons competing in the Reconnaissance-Bombing Derby at NAS are called "Checkertails," "Sea Dragons," "Bats" and "Peacemakers."

They are from the aircraft carriers Kitty Hawk, Enterprise and Franklin D. Roosevelt.

At a briefing the other day they were advised, tongue in cheek, that they were not in competition with the "Blue Angels." That's the Navy demonstration team which will perform at the air show Saturday.

Again the Clock Winders urge that some pretty spring flowers be planted in the planters along the street. If not real spring flowers, how about some of those "real-looking" artificial ones? Decorate the place up for the auto show, when all those thousands of people will be in town.

You cannot preserve your dignity in alcohol.

The Serendipity Singers, nine collegians who present a lively program of original folk music with jazz instrumentation, have been booked by the Rollins College Union for April 25. Proceeds will go toward the campaign for the Rollins fieldhouse. The program will be held at the Orlando Coliseum.

Mrs. J. M. Fahey, president of the Sanford Garden Club, says her organization could use the place settings now being given away at Publix. She says those who get the place settings and would like to donate them may bring them to the clubhouse at Highway 17-92 and Fairmont Drive.

By Dottie Austin
Sanford Naval Air Station is considered by Navy men to be the "best duty in the Navy"—and the reason is the warmth and friendliness of Sanford civilians.

Cdr. D. F. Munday, co-ordinator of this week's Bombing Derby exercises, speaking at a luncheon meeting today, told members of the Jaycees that "Navy men strive to remain in this area and when they have to leave, strive just as hard to return."

"When I received orders to Sanford, I was told it would be a most pleasant tour. It has not only been pleasant, but by far the best duty I

have ever enjoyed." Commander Munday said.

"There are comparatively few variations in military duty. The Navy man must be prepared to leave his family alone for long periods of time. Consequently, he has more than a passing interest in where and how he lives.

"Why is Sanford so well liked by Navy men? Several reasons come to mind—plentiful housing, good schools—but most of all, the ease with which he and his family are absorbed into the community and the spirit in which he is welcomed.

"If you want to know our reaction to this welcome, just

look around—where do you see Navy men wives, and children? In church, in Scouts, in fraternal lodges, civic organizations, in all phases of the community life. Many come back here for retirement and even start businesses.

"We like this town, and even more, we like the people in it," Commander Munday told Jaycees.

Along with heaping praise on the community, the Naval officer described the Bombing Derby, showed slides of how the Derby is accomplished and discussed Sanford

County Chamber of Commerce and numerous civic and fraternal organizations. Thousands of hot dogs, along with tubful of baked beans, slaw, soft drinks and draft beer will be served Saturday afternoon at Golden Lake picnic area on the Naval Air Station.

Both Navy and civilians are invited to "meet, eat and mingle" at the annual event, which will follow the morning air show and awards ceremonies. Jaycee Frank Finch is chairman of the Navy Appreciation Day activities.

Automobile Show Draws Thousands

Crowds estimated at over 7,000 strolled in the Sanford Auto Show Mall Wednesday, starting shortly after noon and continuing steadily until 9 p.m. as the annual display of new cars attracted the young and the "young in heart."

Winner of the portable General Electric television set given away by the Sanford Merchants Division of the Greater Sanford Board of Trade was W. C. Putman, of 305 West First Street, when his lucky ticket was drawn at 9 p.m. by Fire Chief Mack Cleveland Sr.

Tonight the drawing will be for the console stereo phonograph, also a GE product, and Friday, at the climax of the three-day festival of autos and sales events, a 21-inch RCA color television set will be taken home by some lucky person.

Tickets for the drawing are available at all downtown stores, to be filled out and dropped in hoppers scattered throughout the show area, along First Street between Park Avenue and Palmetto Avenue.

Special feature along with tonight's Glenn Reeves entertainment show will be the appearance of the famed Blue Angels Navy precision flying team at the 8:30 performance. The "Angels" will star in the air show planned for the Bombing Derby climax at Sanford Naval Air Station Saturday at 10 a.m.

Auto dealers reported many cars were sold during the first day of the three-day event and business was brisk all along the mall area among auto dealers and downtown merchants who are featuring special sale items for the fete.

AUTO SHOW DREW BIG crowds to downtown Sanford opening night Wednesday. Cars and crowds mix in this scene (above) looking east on First Street. Portion of crowd (below) at Magnolia and First listens to music and awaits drawing for television set which was given away. The auto show continues tonight and Friday. (Herald Photos)

Blue Angels Due Today

Five admirals and the Navy's Blue Angels precision flight demonstration team were scheduled to arrive at Sanford Naval Air Station this afternoon for the final three days of the eleventh annual Reconnaissance Bombing Derby.

The exercise consisted of RA-5C Vigilante reconnaissance aircraft flying over mock "enemy" terrain, gathering vital route and target information for a bomb strike that followed.

Plotting RVAF-7 to its first victory during this derby was Ch. Kenneth E. Enney, squadron commanding officer, with Lt. J. T. Osborne as reconnaissance navigator. Lt. Osborne is the squadron reconnaissance training officer.

Total point standings as of this morning were: RVAF-3, 1445; RVAF-7, 1319; RVAF-13, 1195.4; and VAF-11, 1177.

This morning the base was preparing to roll out its red carpet for the high-ranking naval leaders due to arrive this afternoon. Expected are the top aviation officials in the Atlantic and Pacific fleets.

They are Vice Adm. Paul D. Stoop, commander of Naval air forces in the Pacific, and Vice Adm. Charles T. Booth II, who last week assumed command of naval air forces in the Atlantic.

Just before the arrival of the Blue Angels, local leaders will greet a party from Offutt AFB, Neb., headed by Vice Adm. Robert J. Stroth, deputy director of the Joint Strategic Target Planning Staff; and Rear Adm. Joseph A. Jaap who represents the commander-in-chief, of Pacific, on the Nebraska-based staff.

Rear Adm. Norman C. Gillette, director of aviation plans on the staff of Chief of Naval Operations will arrive from Washington with other naval officials from the Pentagon.

Navy dignitaries will continue arriving through the week. Rear Adm. Daniel F. Smith Jr., chief of Naval Air Basic Training at the Pensacola Naval Air Station, will arrive Friday.

Two other Florida based leaders will attend the Saturday program and participate in the awards ceremony during the air show. They are Rear Adm. Robert Goldthwaite, Commander Fleet Air Jacksonville, and Rear Adm. Forsyth Massey, chief of staff of the joint forces Strike command, at MacDill AFB, Tampa.

Meanwhile, flight crews today were flying their twinjet RA-5C Vigilante reconnaissance bombers through the fourth day of exercises in the week-long derby.

Solons Get College Bill

TALLAHASSEE (UPI) — The Senate, gearing for a battle over rules to strengthen control of the small county bloc, was jolted today when a bloc member proposed an across-the-board sales tax to produce \$150 million.

Olive Branch, Sword Offered By Johnson

WASHINGTON (UPI) — President Johnson has charted a new course for the United States in Southeast Asia, a subtle blend of olive branch and sword designed to bring peace and a measure of plenty to that tortured land.

In a major policy speech televised and broadcast to the nation Saturday world Wednesday night, the Chief Executive altered the administration's previous stand, declaring that the United States stands ready to engage in "unconditional discussions" for peace in Viet Nam.

He coupled this with an announcement that he would ask Congress to join in a \$1 billion U. S. investment in Southeast Asia "in order to improve the life of man in that conflict-torn corner of the world."

But, while holding out the possibility of massive economic aid, Johnson also firmly declared that the United States "will not be defeated . . . will not grow tired . . . will not withdraw" in the face of the Communist goal of "total conquest" of embattled South Viet Nam.

His remarks drew criticism from Senate Republican Leader Everett M. Dirksen (Ill.) who asked in a statement: "Do you buy freedom for a humble people with a billion-dollar package? I doubt it, and I doubt also that we can preserve face and prestige with such an approach."

"What a tragedy it would be if our actions now should be interpreted as meaning that the Viet Cong would humiliate us into making a billion-dollar offer in order to call it quits when freedom is on the altar."

On the other side, Senate Democratic Leader Mike Mansfield (Mont.) said the speech was "a profoundly moving and constructive statement which reveals both the great strength of President Johnson's resolve and his deep concern for the welfare of all people."

Administration officials said Johnson's proposed Southeast Asia development plan was not directly tied to a solution in Viet Nam because the President wanted to get the program moving as quickly as possible.

The three per cent sales tax, to hit groceries and medicines as well as items now taxed under the limited revenue measure, was introduced by Sen. Houston Roberts, of Live Oak.

Jacksonville Sen. John Matthews tossed in a batch of higher education bills, including one to put a chancellor over the whole system and make him the executive officer of the Board of Regents. Other bills in the package spelled out legislative intent that the Board of Regents confine itself to policy making and leave day-to-day routine to university presidents.

Along with the big sales tax bill came a proposal by Sen. Pete Gibson of Perry to spend some of the new money. He suggested a \$1.8 million additional appropriation for the Forestry Service so it can increase personnel by 288 rangers and put everyone on a five-day, 40-hour week.

The big battle over so-called control of the "pork chop" gang was set up when the rules committee unwrapped its suggestions for changes in rules governing the 60-day session.

Sen. Doyle Carlton Jr. of Wauchula, who served in the Senate for eight years before making an unsuccessful bid for governor in 1960, is expected to lead the fight against the rule changes to tighten small-county control of the upper chamber.

A bill establishing a junior college in Seminole County was introduced in both houses today by Sen. Mack Cleveland and Rep. S. J. Davis, of Sanford.

The bill appropriates \$1,471,864 to get the college organized, built and in operation by the fall of 1966.

Ninety-seven bills started through the 1965 Legislature on its first business day. One that was doomed at the outset was a severance tax proposal to add \$11 million a year to state revenue.

In the House, 80 bills were introduced as the session began work Wednesday. Seven bills were offered in the Senate.

Sen. J. Emory Cross, of Gainesville, introduced the bill to raise \$22 million in revenue during the coming biennium by imposing a severe tax on minerals. Cross ignored the governor's plea for no new taxes, saying this was "whistling in the dark."

Half the money collected under the bill would go back to counties in which the five per cent tax on gross mineral sales was paid.

Negro Churches May Join Union

LEXINGTON, Ky. (UPI) — Three Negro denominations were warmly welcomed today into negotiations for a united Protestant church.

They are the African Methodist Episcopal (AME) Church, A.M.E. Zion Church and Christian Methodist Episcopal Church. Together they have about 2.3 million members.

Spokesmen for the three denominations said they anticipate early acceptance by the governing bodies of their churches of a formal invitation to join the Consultation on Church Union (CCU).

Present participants are the Methodist Church, Episcopal Church, United Presbyterian Church, United Church of Christ, Disciples of Christ, and Evangelical United Brethren.

Cigarette Tax Take Doled Out

The city of Sanford will receive \$16,928.56 as its share of state cigarette collections for the month of February.

Net tax collections on cigarettes in the state amounted to \$4.7 million of which \$3.3 million goes to the state and \$1.4 million into the state general fund.

Other Seminole municipalities and tax share: Casselberry, \$3,802.87; Altamonte Springs, \$2,013.82; Oviedo, \$1,276.42.

Sanford 'Best Duty In Navy,' Speaker Avers

By Dottie Austin
Sanford Naval Air Station is considered by Navy men to be the "best duty in the Navy"—and the reason is the warmth and friendliness of Sanford civilians.

Cdr. D. F. Munday, co-ordinator of this week's Bombing Derby exercises, speaking at a luncheon meeting today, told members of the Jaycees that "Navy men strive to remain in this area and when they have to leave, strive just as hard to return."

"When I received orders to Sanford, I was told it would be a most pleasant tour. It has not only been pleasant, but by far the best duty I

Navy men around the world, including RVAF-5 on the USS Ranger in the Pacific and RVAF-9 on the USS Saratoga in the Mediterranean.

He expressed appreciation of Navy men for the social events — barbeque, reception, golf tournament and Navy Appreciation Day activities and noted that they are indicative of the close relationship existing between the civil and military community.

Jaycees are the leading sponsors for the Navy Appreciation Day activities, which are co-sponsored by the City of Sanford, the Seminole
