

Islanders Lengthen Lead At Expense Of Lookouts

Legion Junior League Game Ends At Dark With Score Tied At 2 And 2

Swindell Gets Three Runs, Muse Hits For Circuit Drive

Despite a home run by Muse and a double and a pair of singles by Swindell and runs also batted in by McCrone and Cates, the Lookouts were unable to break the winning streak of the Islanders in the game at Daytona Beach yesterday, and the Islets won, 10 to 9. It was the eighth straight victory for the League leaders.

Red Swoney pitched for the Lookouts after only one day's rest. He struck out four men, but allowed 11 hits to seven given by Kinzel, Daytona pitcher.

Daytona Beach started the uneven struggle with four runs in the first inning, then a costly error in the third, and four more in the sixth inning. Sanford scored once in the first, twice in the fourth and three times in the sixth inning.

Costly errors were made by Swindell and Gleason, but the Islets made the same number of errors. Dave Swindell led the Lookouts in batting, getting three hits. Muse, the new right fielder, got two hits, one for a home run, and McCrone, Malby, Cates and Gleason each got one hit.

Anderson led the Daytona Beach pitchers with a homer and two singles in four times at bat.

COACH-AND-FOUR ESTABLISH DISTANCE RECORD

Old timers thought they were dreaming of by-gone days perhaps when Mrs. F. E. Dibble, of Newburyport, Mass., drove out of New York with her coach-and-four and headed toward Atlantic City, N. J., 184 miles away. The quarter-century-old coaching record on the route was broken. The trip was made in 9 hours, 44 minutes and 3 seconds. She and several companions are shown atop the 2,400-pound coach at the starting line in New York. (AP Photo)

Mistreated 'Mule' Still Among Best 'Money' Players

CHICAGO, May 15.—(AP)—They're kicking the Mule around a bit these days, but he's still quite a ball player, as thousands of Chicago White Sox fans will testify.

The Mule is George "Donk" to his teammates) Haas, onetime star member of Connie Mack's champion Philadelphia Athletics, and now a member of Manager Jimmy Dykes' hustling White Sox. The fans realized the Mule's worth when injuries forced him out last season. Many contend his absence cost the pale hose a first division berth.

This spring, with Zeke Bonura a holdout, Haas was put on first base. Came the opening of the season and Zeke had signed. But the Mule still is covering the initial sack—and doing a fine job at a post foreign to him.

Manager Dykes knows the value of Haas. He isn't hesitant about paying his old Philadelphia teammate credit. "He hits .290 ordinarily," says Jimmy, "but when the tying or winning run is needed he slaps that ball at a .350 and .375 clip."

Ball players know Mue is one of the game's best "money" players. Back in 1929, when the Cubs lost the series to the Athletics four games to one, it was two homers by Haas that sank the hopes of the Chicago club.

"I do the best I can when I'm out there—and I hate to lose," smiles the Mule. "I like to hit in the pinch and I guess I'm fairly successful."

Chicago's southsiders agree with the Mule.

Saints Now Next Reds Even Score To Islanders At State League Top

Francis Brings Winning Team To Meet Sanford Lookouts

Freddie Francis, new pilot of the Saints, brings to Sanford this afternoon a club that is now just behind the Daytona Beach Islanders at the top of the Florida State League. The St. Augustine nine defeated the G-Men in St. Augustine yesterday, 8 to 7. They play the Lookouts on Sanford Field at 4 o'clock.

In yesterday's game the Saints spotted the G-Men a 6 to 0 lead, then opened with a smashing attack to drive two hurlers from the mound. A four-hit attack in the eighth drove Guntharp and Henderson to cover as the Saints came from behind with three runs to de-lock the score at 7-11. Then Relief Harler Albritton incocked a wild pitch with a runner on third in the ninth to let in the winning St. Augustine run.

John Schneider, starting Saint southpaw, gave way to a pinch hitter in the fourth after the G-Men had girded up what looked like a commanding lead. Schneider did some great relief hurling for the Saints, allowing but two hits and retiring Gainesville in order in the last four innings.

St. Augustine was reinforced with Bryant Bonner, at short and Vic Zupanec at first. Both figured in the Saints' tying three-run rally in the eighth with smashing triples. Langston, Turney and McGowan led a 10-hit attack off three G-Men hurlers with two blows each. Gainesville collected eight safeties.

The loss marked the seventh straight for Gainesville. The game was played for the most part in a slow rain and before a good crowd.

Gainesville 100 818 000—3
St. Augustine 000 200 231—8

Sebring Man Killed When Tire Blows Out
SEBRING, May 15.—Enroute to Tampa to meet his wife, Jesse Lisk, 42, local grove caretaker, died of injuries received yesterday in an automobile accident on the state highway north of here. Witnesses said that apparently a tire blew out. The car rolled over four times and crushed Lisk's head as it came to a stop. His companion, Robert Horn, 22, also of Sebring, was only slightly injured.

Canberra, capital of Australia, had a population of only 7,325 in 1933.

All Star Game Is Planned By Moguls In Boston July 7

The best features of all the tested methods of selecting players for the 1936 all-star game, which will be played at the Boston National league park on July 7, were combined yesterday by the moguls of major league baseball.

Sixteen on each team will be selected by the public, through a nation-wide vote conducted by newspapers.

Championship At Baseball Sought By High Schools
WINTER PARK, May 15.—(AP)—Lakeland defeated New Smyrna, 7 to 4, here yesterday in the opening game of the state high school baseball championship tournament.

The victory sent Lakeland into the semi-finals against Leon High of Tallahassee this afternoon. The title game will be played Saturday.

Four New Smyrna errors proved costly. The score by innings: New Smyrna 000 000 121—4 10 4
Lakeland 102 040 000—7 9 2
Jones, Ashton and Sargent; Bunning and Wilbanks.

HOME RUNS
By The Associated Press
Home runs yesterday: S. Martin, Cards 1, Medwick, Cards 1, Johnson, Athletics 1, Lewis, Senators 1.
The leaders: Foxx, Red Sox 8, Dickey, Yankees 7, Tronky, Indians 6, Klein, Cubs 5, Ott, Giants 5.

Senator-Panther Battle Interests Number Of Fans

Total Of Only Five Hits, Three Errors Made During Game

Battling until dark, when they were unable to see the ball, the Senators and the Panthers of the Legion Junior League played to a 2-2 tie last evening. The game was called at the end of the seventh inning, not only because of darkness but because of wet grounds.

It was one of the most interesting baseball games ever witnessed by many of the fans along the coaching lines of the new diamond in the Ninth Street Park. Each pitcher was in his prime and each was given excellent support.

Only three errors were made during the entire game, two by the Senators and one by the Panthers. Billy Zachry, captain of the Senators, allowed four hits, but Derrill Ferguson, pitching for the Panthers, allowed only one hit. Bob Epps was the Senator batter so favored. Ferguson is captain of the Panthers. He got a two-base hit one time at bat.

Warren Odham caught for the Senators and Eddy Dyson caught for the Panthers. Bill Davanel umpired the game.

The score:
Senators 2 1 2
Panthers 2 4 1

Spanish Lightweight Seeks 15th Victory In His Bout Tonight

NEW YORK, May 15.—(AP)—Pedro Montanez, sensational Spanish lightweight, will go after the fifteenth consecutive victory of his American campaign when he clashes with Leonard Del Genio, rugged Harlem battler, here tonight.

The boys are scheduled for 10 rounds in Madison Square Garden. It will be Montanez' debut in the Eighth Avenue arena. Incidentally, he will receive 33 1/2 per cent of the gate, more than any non-champion has ever received before.

Since coming to New York several months ago, Montanez has been beating all comers in the smaller fight clubs. He boasts a speedy, two-fisted type of attack and is a big favorite with the fans who like their fights spiced with plenty of action.

The betting favorite is the lad from Spain, but the experts are agreed he may run into plenty of trouble from the sturdy Del Genio, pride of Harlem's Italian colony.

MANTEO, N. C., May 15.—(AP)—Dressing a big drum fish washed ashore by a breaker, Gilbert Farrow found in its vitals two six ounce snipers, six three-ounce ones, one five-ounce and one two-ounce.

Scramble For Senate Berth Changes Deal

Candidates For Governor Lose Spotlight Since Death Of Park Trammell

Vacancy Has Not Yet Been Filled

Indications Are That Sholtz Will Name Senator Next Week

TALLAHASSEE, May 16. (AP)—Death of Senator Park Trammell in the second year of his six-year term at Washington has changed the complexion of Florida's campaign situation.

Personalities in the scramble to succeed him have drawn the political spotlight away from the races for governor and other major state offices in the regular Democratic nomination primaries next month.

Adding to the interest is the confusion about the method to be followed in nominating a Democratic candidate to go before the voters in the November general election contest with a Republican nominee for Trammell's unexpired term.

It's a question on which lawyers, party officials and candidates themselves are in disagreement. Some say the Democratic executive committee may call a special nominating primary while others say a primary would be nothing more than a "straw vote" and that actual nomination must be made by the committee.

The winner in a special primary could be certified as the committee nominee.

Governor Sholtz himself a candidate for Trammell's post has not appointed a senator to serve until the November election. There were indications the appointment would be made next week. Hundreds of telegrams endorsing a number of persons for the appointment have been received.

Adding to the senatorial speculation is the disagreement over which Democratic executive committee has authority to act on selecting the party's senatorial candidate.

Some candidates want Chairman J. B. Hodges to call the present committee and provide for a special nominating primary to be held with the regular primaries in June. Hodges has announced he would call a committee meeting for June 30—of the primaries—to consider whether a senatorial primary is to be called.

Terms of present members of the executive committee will expire with the first primary June 2, when a committee to serve for the next two years will be chosen. The meeting Chairman Hodges proposes to call would bring the new committee together for the first meeting. Many of the present committee members are seeking re-election, including Chairman Hodges, who has endorsed a special senatorial primary.

Already in the senatorial nomination contest are G. O. Andrews of Orlando, E. J. Brown of Miami, former Governor Dyer E. Carlisle of Tampa and Claude Pepper of Tallahassee. Others indicated they may enter.

Trammell was elected to the Senate in 1934.

Sons Of Legion Squadron Formally Instituted With Installation Of Officers

Impressive Ceremony Witnessed By 45 Of Group's 60 Members

Campbell-Lossing Squadron of the Sons of the American Legion was formally instituted last night with the induction into office of the members elected by more than 60 members of the new group. Forty-five Sons witnessed the impressive ceremony, many of them accompanied by their fathers, members of the local Post of the American Legion.

J. Carl Johnson, of Tampa, state detachment commander, was the installing officer, and in most instances the officer upon taking his station was given the charge by his father. These officers are: Captain, Carl Soderblom; first lieutenant, Webster Welborn; second lieutenant, Sidney Stafford; adjutant, Walter Campbell; finance officer, Arthur Branam, Jr.; chaplain, Worley Brown; historian, Pete Mero; sergeant-at-arms, Buddy Rivers; color bearers, Sidney Richard and Reginald Soderblom.

The Sons of the Legion opened their meeting with the singing of the first verse of their theme song, "Carry On," to the tune of the "Battle Hymn of the Republic".

We are the sons and workers of American Legionnaires; For God and Country and our Flag.

We always firmly stand; We fight the foes of freedom As our fathers did in France. For them we'll carry on.

They then repeated the preamble to their constitution, which is patterned largely after the preamble to the constitution of the American Legion, only most of the Sons know it by heart while the Legionnaires generally have to read it. This preamble is as follows:

"Proud possessors of the priceless heritage, we, sons of Veterans of the World War, associate ourselves together as 'The Sons of the American Legion' for the following purpose:

"To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate a true spirit of Americanism; to preserve the memories of our forefathers in the Great War; to inculcate a sense of individual obligation to the community, State and Nation; to combat the autocracy of both the classes and masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our friendship by our devotion to mutual helpfulness; to adopt in letter and spirit all of the great principles for which the American Legion stands, and to assist it in carrying on for God and Country."

After the formalities of the evening were over Mr. Johnson told the boys something of the 10-days' camp that has been arranged for the Sons of the Legion at Sarasota beginning on June 29, and urged these wishing to attend to file their applications early as only 300 can be accommodated and 105 applications have already been received. The entire expense of the camp will be only \$7 for the 10 days. Boys attending it will live "army style," sleeping on army cots, eating meals prepared by army cooks, getting up when "reville" sounds in the morning and going to bed when "taps" are sounded at night.

W. D. Hofmann delighted the boys with a number of sleight-of-hand tricks, and refreshments were served at the close of the meeting.

Congressional Candidates To Speak Tuesday

Committee Arranges For Big Rally To Be Held At 8 P. M. At The Courthouse

Seminole County people will be given an opportunity of listening to all nine candidates aspiring to the Democratic nomination as congressman from the new Fifth Congressional District on Tuesday night, May 19, in Sanford, when the candidates will speak at Seminole County Courthouse at 8 o'clock. The date was announced this week by Ray Seiden, of Daytona Beach, chairman of the Democratic Executive Committee of the new Fifth Congressional District.

The committee has arranged a series of meetings in each of the counties composing the Fifth Congressional District as a service to the voters who wish to hear each of the candidates speak so that the public may become acquainted with the platforms of each of the gentlemen seeking nomination as the new congressman.

Several of these meetings have already been held, among them being those at Orlando and Cocoa, and all have been attended by a large crowd. At the meetings the candidates outline their platforms and are limited to about ten minutes in which to present candidates for nomination to the people. Ray Seiden, of Daytona Beach, as chairman of the Congressional District, will preside as chairman at the meeting in Sanford, to which all Seminole County people are invited.

Since only one meeting can be held in each county of the district, Sanford was selected as the centrally located place in Seminole County.

W. E. Watson, of Sanford, committeeman, and Mrs. J. W. Coates, of Oviedo, committeewoman, representing Seminole County on the Fifth Congressional District Executive Committee, have charge of the arrangements in the County for this meeting.

The candidates who have qualified to make the race for congressman from this district and who will appear here to present their platforms, will be: James J. Banks, of Orlando; J. J. Dickinson, Orlando; Royal C. Dunn, Aslatula; O. Raymond Ellars, Orlando; Joe Hendricks, DeLand; James H. McCawley, Leesburg; George W. Seefeld, Inverness; James G. Sharon, Sanford; W. J. Steed, Kissimmee.

The candidates who have qualified to make the race for congressman from this district and who will appear here to present their platforms, will be: James J. Banks, of Orlando; J. J. Vandenberg Tries To Block Friends Of Florida Canal

Killing Amendments To Robinson Bill Offered In Senate

WASHINGTON, May 16.—(AP)—With killing amendments, Senator Vandenberg, Michigan Republican, sought yesterday to block the effort of Administration leaders to continue the Florida Ship Canal and Passamaquoddy power project in Maine.

The staff of the WPA nursery wishes to publicly express thanks to Sanford Doudney for eggs and to F. S. Feren of the Kiwanis Club for a bushel of leets donated this week.

The Woodmen's Circle is planning for a box supper and dance to be given in the W. O. W. hall on Tuesday evening, May 20. A silver offering is to be taken at the door and the public will be invited.

DeLand headquarters of Joseph E. Hendricks announces that the congressional candidate will spend next Monday in Seminole County, speaking in Oviedo at 1 o'clock, at Chuluota at 2 at Geneva at 4 and in Sanford at 8 o'clock in the evening.

Subscriptions of \$46 made to the Salvation Army yesterday brings the total to \$1,567.80. The campaign is to continue next week until all prospect cards have been worked and all workers who have not turned in their cards are asked to do so as soon as possible.

MIAMI, May 16.—(AP)—Fire-fighters piled equipment on barges and began a slow trip up New North River Canal today determined to stop the march of a spreading black blaze endangering the rich farm lands of the Lake Okechobee region.

Loaded on the barges were tractors, disc harrows for plowing ditches, water hose and pumping machinery. Operations were under direction of Guy J. Bender, state fire chief, who was aided by an aerial survey made by Fire Warden G. J. Stocks of Miami.

Stocks reported the fire was burning along a three-mile front on the northeast bank of the canal in the Everglades about 12 miles west of Davie. The muck along the canal was burning badly, he said.

MIAMI, May 16.—(AP)—Coincidental with finding another skeleton of a last Labor Day's hurricane victim, special services were planned yesterday memorializing war veterans who lost their lives on the storm swept keys.

Planned in connection with Memorial Day ceremonies by the patriotic observance committee of Miami, the service will be held May 29 at Spake Creek, base of rescue operations following the hurricane. It is known to have killed more than 500 residents and veterans stationed in work relief camps.

Townsend Men Court Acquits Cut McNary's Two In Tampa Oregon Lead Flogging Case

Returns From Rural Precincts Heavier For Men Endorsed By Pension Group

PORTLAND, Ore., May 16.—(AP)—The long lead established by Senator Charles McNary in early returns in the Oregon primary election narrowed today as his two opponent, both Townsend Pension Plan advocates, picked up support in outside precincts. The veteran Republican senator, who held a four to one lead last night, dropped back to a three and one-half to one margin. He had 42,922 votes in 840 of the state's 1,192 precincts. Sam Brown, former state senator, polled 12,252 votes and Theodore Nelson 11,345.

In complimentary votes on their respective party tickets, President Roosevelt trailed Senator Borah of Idaho. Roosevelt received 35,216 complimentary votes from the Democratic "Borah" list; received 40,127 from the Republicans.

Georgia For Roosevelt ATLANTA, May 16.—(AP)—Georgia Democrats will cast 24 votes for President Roosevelt in the Philadelphia national convention on June 23. Roosevelt will be the only entry for the state presidential preference primary at the registration deadline today. The primary, set for June 3, will be held off and the President's \$10,000 entry fee will be returned to friends who contributed it. Roosevelt will name the Georgia delegates. The state committee so provided if only one candidate filed. Governor Eugene Talmadge, critic of the New Deal, made no comment.

Old Astor Track Sold For \$25,000 To N. Y. Interests

Sale of the 2,700 acre tract known as the John Jacob Astor Grant, five and one-half miles west of Sanford on the St. Johns River for \$25,000 was reported this week. It is one of the largest real estate transactions in recent months.

The tract was sold by W. R. O'Neal of Orlando, as trustee, to Drew P. Swanson and W. M. Norton, representing the Produce Land Corporation of New York City, the deal being put through by J. D. Brown.

It is understood that the new owners plan to develop the large acreage this coming summer and fall. The tract is considered the last large body of land in this section which is suitable for trucking, with flowing wells and the protection against cold afforded by the river.

Vandenberg's amendments among other things, would reserve to Congress the right to order the allotment to further funds for the two New Deal enterprises—even if the boards held them feasible.

Chairman Copeland, New York Democrat, announced a closed session of the Commerce Committee to consider the bill and amendments Wednesday. Vandenberg and Senator Fletcher, Florida Democrat, leader of the fight for more canal funds, are members of the committee.

Vandenberg did not challenge the provision of Robinson's resolution leaving appointment of the two boards to President Roosevelt. He proposed that each be composed of five members instead of three, the added two to be "experienced business executives."

Aiming most his amendments at Passamaquoddy, he sought a study of points brought out in an adverse report on the project by the Federal Power Commission.

The board would be required to report on the commission's holding that a steam generating power plant of capacity equal to that proposed for Passamaquoddy could be built and operated at a lower cost.

On the canal, the board would be called upon to make "an independent survey" of opponents' contention that few shipping concerns intended to use the Gulf-Atlantic waterway.

BLIMP FIRED ON SUNNYVALE, Calif., May 16.—(AP)—Attempts to wreck the Army blimp TC-15 with rifle shots were disclosed by Major Clarence B. Lebar, commander of Moffett Field, where the blimp is stationed.

DE FUNIAC SPRINGS, May 16.—(AP)—J. E. Hogarth was today convicted of first degree murder, with a mercy recommendation, for the slaying of Captain E. M. Jenkins at Redbay, state convict camp, on Feb. 28. The jury's recommendation of mercy makes imposition of the life term mandatory.

The state charged that Hogarth

To The Voters of Seminole County

A rally for the ten candidates seeking the Democratic nomination for Congressman from the new Fifth Congressional District will be held in

SEMINOLE COUNTY COURT-HOUSE, SANFORD

Tuesday Night, May 19, at 8 O'clock This is the only meeting arranged for Seminole County, so plan to attend and hear the candidates explain their candidacies.

DEMOCRATIC EXECUTIVE COMMITTEE

of the Fifth Congressional District.

RAY SELDEN, Chairman, Daytona Beach.

Seminole County Members:

MRS. J. W. COATES, Orlando, Committeewoman
W. E. WATSON, Sanford, Committeeman

DON'T BE DECEIVED!

H.J. Lehman Is NOT Opposed To Homestead Exemption!

But Mr. Lehman believes in real homestead exemption and not the 50 percent kind for which the original bill provided. There were features of that bill which Mr. Lehman did oppose. He did not think it was fair to exclude from its benefits widows and orphans. He did not think it was right to exclude single persons who did not happen to have dependents living with them at the time. Furthermore, he anticipated that the bill as it was drawn would not exempt homesteads from taxes for the payment of bonds. But he does believe in 100 percent homestead exemption and if elected to the Legislature will work to increase the benefits of this law. Mr. Lehman believes that our homes constitute the backbone of this country. Mr. Lehman is a home owner himself and has four children, three sons-in-law and five grandchildren, all except one living in this county. And Mr. Lehman believes in upholding the moral sanctity of the home, and the standards of clean and decent family life, as well as the homestead exemption amendment.

You Can Trust Him To Keep His Word!

JACKRABBIT SCOURGE

A year ago hundreds of thousands of jackrabbits were killed in drives in western states. While not so numerous in some sections last year, the rabbits still pester the farmer and rancher. Beavers surrounded a specified area in southwestern Kansas during April and killed 6,000.

An old-age record for banded wild birds was set recently by a fish hawk which lived 21 years, according to the bureau of biological survey.

Quality all sizes, 11.00-11.25. HADIMEN: 2 1/2 lbs. for 10c. No supplies. SQUARED: Supplies moderate. Make high market slightly weaker. 2 1/2 lbs. for 10c. No supplies. 2 1/2 lbs. for 10c. No supplies. 2 1/2 lbs. for 10c. No supplies.

Senate Berth Changes Deal

(Continued from Page One)

Senate in 1936 while he was serving a term as governor.

Political candidates for the governor and senators for other state cabinet offices continued their summer and longer campaigns throughout the state in an effort to draw back to themselves the speculative interest waned away by the Transient-campaigner battle.

Generally, the candidates centered their oratorical barrages in the peninsula section of the state, with occasional trips into the other two counties westward from Tallahassee to Pensacola.

Many straw ballots were being conducted, but they showed about as many different results as there were ballots and candidates, and veteran political observers continued to be puzzled about what appeared to be late-warmer interest in most of the races.

Platforms announced some weeks ago by the candidates remain unchanged in major importance.

A record registration of voters which did not bring about the same ratio of poll tax payments caused speculation about the voting strength of persons above the poll tax age—45 county officials were checking their records to determine just how many persons would be eligible to vote. Time for paying poll taxes ended today.

Old age pensions drew support and opposition in the campaign, with this feature centered principally in the congressional, gubernatorial and legislative

Frigidaire Survives City Boys, Like Rigid Test; Dropped From Goodyear Blimp

A stock model Frigidaire household refrigerator has survived one of the most grueling tests to which a home appliance ever has been subjected. The Hill Hardware Company, dealer here for the product of the Frigidaire division of General Motors, learned today.

Recently, in Miami, a Frigidaire was placed in a sling, attached to the bottom of the Goodyear blimp Puritan and flown over Biscayne Bay between Miami and Miami Beach. The bulletin telling him of the test follows:

"The crew, hermetically sealed 'meat-mixer' with the 1936 Frigidaire and equipped, and the new dumbly-sealed steel straps have just furnished spectacular evidence of ability to withstand abuse to which no normal refrigerator will ever be subjected.

"Arrangements were made with Capt. Jack Boettner, manager of airship operations for Goodyear, to take aloft and drop the Frigidaire, encased only in canvas lifting straps such as piano movers use. It struck with a terrific impact. Those on shore were certain it had broken open and sunk. But it popped up, floated and seemed to be all right. A speedboat retrieved it and towed it back and forth through the salt water to insure complete submersion of the sealed mechanism and refrigeration unit. Then it was dragged on to shore and opened up in the presence of witnesses having no connection with Frigidaire.

"The inside of the food compartment was found to be absolutely dry. But would it run? A power line had been strung some 1,200 feet to the beach and when the Frigidaire was hooked on to it, there was a slight purr, and the unit began operating. Within a few minutes the super-freezer plate was cold and when the ice-trays were filled right there on the beach, ice soon began to form.

"To make certain that there had been no structural damage that would make the refrigerator unfit for use, a man with an oxy-acetylene torch was put to work. He cut away the side of the cabinet and found the insulation between the steel exterior shell and the inner food compartment shell dry. The drop, the submersion for hours in salt water and the subsequent tests proved beyond any question, the soundness of the hermetically sealed construction of the mechanical unit and the strength of the wrap-around sealed steel cabinet. When it is remembered that a refrigerator ever will be put to such severe strain in the use for which it is designed, the survival of this Frigidaire stands out as proof of its superiority."

The Hill Hardware Company attempted to have the refrigerator used in the test sent here for public display. It has been placed in the Frigidaire patent museum at Dayton, Ohio, however.

Chicago Boys, Like Town Lads, Want To Make Good

CHICAGO, May 16.—(AP)—Five thousand Chicago boys living in a crowded tenement neighborhood are looking for a way to make good.

The youths, ranging in age from six to 25, are members of the Lincoln Park branch of the Chicago Boy's Club, Inc. The girl is 22-year-old Mabel Vera Jones, who was born and reared on an Iowa farm.

"The boys themselves really haven't given me a moment's worry," she says. "Of course, the job has its problems, but the boys here have treated me with unusual respect and gone out of their way to cooperate."

Before coming here Miss Jones did similar work in Dubuque, Ia., and although the two cities are unlike in size or environment she says she finds Chicago boys very much like the small town youngsters.

"Their problems are somewhat different and their viewpoints are not alike, but in the end they're all working toward the same end—a chance to make good," she says.

The Chicago Boy's Club, Inc., is a philanthropic organization with branches in all sections of the city. The Lincoln Park club, the biggest, is located in a rambling brick building housing everything from a swimming pool to a Boy Scout club room.

After school the club serves as the recreational and educational center of the neighborhood.

Miss Jones has organized an orchestra and with the aid of teachers supplied by the WPA is offering classes in music. There is instruction in wood work, printing, dramatics, radio building, art and even tap dancing.

While she does not principally see boys' advantages also have been made available to girls and Miss Jones estimates that from 250 to 300 participate in its activities.

Attorney Missing

Mysteriously missing from his home at Rome, Ga. Jack Rogers (above), young attorney, became the object of a far-flung search by officers, CCG boys and citizens of the countryside. Authorities focused on William F. Herndon, clerk of the Circuit Court, in May 12, 1936, for the purpose of determining who shall be trustee of the said district for the next succeeding two years, and the number of mills of district school tax to be levied and collected for each of the said years.

The following named are appointed to act as inspectors and clerks at the precincts named within said Special Tax School District, to hold said election:

Precinct No. 5 (Longwood) Inspectors: A. A. Tucker, Mrs. Nancy Frain, Mrs. Florence Larkin.

Precinct No. 10 (Lake Mary) Clerk: Harry Barrow Inspectors: E. R. Lloyd, Mrs. E. K. Egan, Mrs. Isabelle Thompson.

Precinct No. 11 (Altamonte) Clerk: Mrs. Emma A. Lyman Inspectors: Mrs. J. W. Howell, Mr. C. B. Bowers, Mr. H. E. Walker.

Precinct No. 12 (Forest City) Clerk: C. N. Hudson Inspectors: J. E. Curtis, O. H. Blunk, John McNaughton.

Precinct No. 14 (Fern Park) Clerk: Everett Hinshaw Inspectors: Earl Pally, Mrs. Ada Munderoff, D. H. Hooker.

Dated this 8th day April, A. D. 1936.

Operation Saves Dog

TAMPA, May 16.—(AP)—Two Tampa surgeons are credited with saving the life of a pedigreed English setter by performing a successful operation to remove from the dog's stomach a spoon it had swallowed while being fed. The spoon, the surgeons said, had lodged crosswise.

Each month, hidden in the many current magazines are certain articles that would be of fascinating interest, benefit and enjoyment to you—articles filled with new ideas, new viewpoints, articles that you never have time to search for and, therefore, never see.

Would you not welcome a monthly editorial service that selects from all of the worthwhile periodicals the most outstanding most important articles and then condenses them so that you may enjoy them at a minimum expenditure of time and money?

That is exactly the service THE READER'S DIGEST offers you. Every issue of this handy magazine contains 35 or more condensed articles, each of which has been selected for its outstanding interest. These are not subjects of daily news—forgotten tomorrow; but subjects of LASTING INTEREST that help you to form a personal philosophy for living.

The handy pocket size of THE READER'S DIGEST makes it ideal for carrying about; the absence of advertising is a refreshing feature; the articles are complete on consecutive pages; in fact, everything about The Reader's Digest is designed for the convenience and enjoyment of busy people.

Just write The Reader's Digest Association, Pleasantville, N. Y., for a free sample copy and convince yourself of its helpfulness to you.—Adv.

Notice of Master's Sale

NOTICE OF MASTER'S SALE Pursuant to final decree rendered on the first day of May, 1936, in that certain cause pending in the Circuit Court in and for Seminole County, Florida, wherein TOWN OF ALTAGONSTER, SPIRITUS Q. TYLER and EDITH H. TYLER, his wife, are defendants, as Special Master, will offer for sale and sell to the highest and best bidder for cash at public auction before the Court House of the County of Seminole, Florida, the following described lots, pieces or parcels of land, situated in Seminole County, Florida, to-wit:

Lot 15 of the 1st 1st 1st of the plan of the subdivision of the land belonging to Altamonte Land Hotel and Navigation Company, according to the record of record in the public records of Seminole County, Florida, page 18, subject to all unpaid taxes to be made to satisfy the terms of said decree.

Q. P. HERNDON, Clerk.

By: A. M. WILSON, (D. C.)

Notice of Election

NOTICE OF ELECTION In compliance with the provisions of law applicable thereto, notice is hereby given that an election has been called and ordered to be held, and the same will be held within and throughout Special Tax School District No. 2, Seminole County, Florida, for the purpose of determining who shall be trustee of the said district for the next succeeding two years, and the number of mills of district school tax to be levied and collected for each of the said years.

The following named are appointed to act as inspectors and clerks at the precincts named within said Special Tax School District, to hold said election:

Precinct No. 3 (Oviedo) Clerk: J. N. Thompson Inspectors: N. J. Tanner, Mrs. A. D. Sauer, Mrs. Orson Burnett.

Precinct No. 13 (Riviera) Clerk: Martin Stanko Inspectors: Michael Miekler, Paul Lukas, Sr., George Meritt.

Dated this 8th day of April, A. D. 1936.

Orlando Fire Put Out With Sanford Help

Run Made By Engine And Crew To Scene Of Blaze In Less Than Half An Hour

Estimated Loss About \$200,000

Railroad Rightofway Prevented Conflagration, Says Chief

Prompt assistance given by the Sanford fire department Sunday afternoon helped save Orlando from a serious conflagration, though Fire Chief Mack N. Cleveland expressed the opinion that the railroad right-of-way prevented a wider spread of the devastating flames.

Estimates of the damage place the loss at \$200,000, with the following items as the main sufferers:

- W. S. Earle, \$25,000, partially covered by insurance.
- Claude Wolfe, Inc., \$6,000.
- Strom-Williams Paint Company, \$20,000.
- Goodyear Tire and Rubber Company, loss undetermined.
- Great Southern Trucking Company.
- Motor Transfer Company, Orlando Feed and Supply Co., \$8,000, covered by insurance.
- Dr. P. Phillips Company.

The blaze was discovered at 11:45 a. m. and when a heavy rain was set off, the main sufferers were the buildings of the W. S. Earle and the W. S. Earle and the W. S. Earle.

The fire started in the frame building on Robinson Avenue, one block west of Orange Avenue, which was once the Dr. P. Phillips Packing House, the flames quickly enveloped the structure and then began eating their way into the adjoining concrete building which was owned by the J. B. McGreder and occupied by the Central Warehouse and Storage Company and several truck lines.

Boy Killed, Another Hurt In Car Crash

BRADENTON, May 18.—(AP)—One boy was killed and another seriously injured in an automobile accident Sunday on Anna Maria Island west of here.

Gordon Foxworth, 15, son of Mr. and Mrs. J. G. Foxworth, Sr., of Bradenton, died shortly after he was brought to a hospital here. Quinn Evans, 16, received a compound fracture of the left thigh, a fracture of the left leg and lacerations. John Curry, driver of the car in which five boys were riding, and two other passengers were unhurt.

Legion Poppy Sale Set For Next Saturday

Memorial Flowers To Be Sold By Members of Auxiliary In Sanford, County

Next Saturday is to be "poppy day" when members of the Women's Auxiliary of the American Legion, assisted by High School girls, will sell the little memorial flowers to raise funds to continue rehabilitation work among the veterans carried on by the Legion and the Auxiliary. It is explained that the entire proceeds from the sale go to the aid of disabled veterans and that none of the money is used for expenses of the Legion or the Auxiliary.

The poppies to be sold are made by disabled veterans in the government hospital at Lake City who receive practically no remuneration for their work. Two thousand have been ordered for the sale here. Other thousands have been ordered from the Lake City hospital by Legion organizations in Massachusetts and Connecticut.

Mrs. T. L. Sullivan is chairman for the Auxiliary, assisted by Mrs. R. J. Holly, president of the Auxiliary, Mrs. H. C. Washburn, Mrs. J. O. Huff, Mrs. Robert Cobb and Mrs. H. B. Lewis. Tables will be placed on down town streets, and poppies will also be sold in other towns of the County.

The regular bi-weekly meeting of the American Legion will be held at 8 o'clock this evening. Final plans for the poppy day sale and arrangements for the observance of Memorial Day will be made.

More Than 2,500 Pay Poll Tax In Seminole County

When County Tax Collector Jno. D. Jenkins closed his books at 11 o'clock last Saturday night he found that 2,519 electors had paid their poll taxes for 1934, and 2,481 had paid for 1935. Poll taxes must be paid by all electors who are not exempt.

County Registrar W. J. Thigpen has not as yet counted the exempted voters, but the number will be considerable, he said. Persons reaching the age of 65 before Jan. 1, 1934, and those coming of age this year do not have to pay poll taxes, and members of the National Guard and veterans who were classified while in the service are also exempt.

Electors who plan to be away from home on June 2 can now cast absentee ballots in the office of County Judge Jas. G. Sharon. This is the first day for such absentee voting. Friday, May 29, will be the last day when such ballots can be cast.

Socialists To Seek Rights In Elections
TAMPA, May 18.—(AP)—Florida delegates to the national convention of the Socialist Party in Cleveland, May 21 and 22, have announced they will introduce the topics of civil liberties and election rights in this state.

Three delegates representing Florida plan to bring up the question of civil liberties by citing the Tampa flying case. The delegates plan to bring before the convention a proposal that a test case be carried by the United States Supreme Court in the constitutionality of Florida election laws which give the Socialist Party and other parties off the ballot, allowing only Democratic and Republican parties places.

Greece Mourns For Premier Rousafis

ATHENS, May 18.—(AP)—The Greek nation today mourned the death of former Premier Panagiotis Rousafis, 68, the fourth politician today to die suddenly since King George returned to the throne last November.

MERCY TANK TAKES TO WATER

Donald Roebbling's "mercy tank" is shown plunging into Lake Webb at Clearwater during a test run to prove its fitness for negotiating both land and water. It was built for rescue work in hurricanes. It runs on a gasoline motor and is operated by an automobile engine. (AP Photo)

Chappell Charges Dave Sholtz With Sinister Motive

Says Governor Plans To Be Named Only Senate Candidate

Lambasting the administration of Governor Dave Sholtz which he asserted was the most corrupt Florida has ever experienced, Dan Chappell, candidate for governor, in an address in Sanford last Saturday charged the present governor with endeavoring to so manipulate political affairs that he will be declared by the State Democratic Executive Committee as the only candidate for the United States Senate to fill out the unexpired term of the late Senator Park Trammell.

Chappell declared that Sholtz is "spending his money and energy" to elect his candidate for governor and then after the primary will take that candidate with him to delayed meeting of the State Executive Democratic Committee and "demand that he, Sholtz, be declared by the committee as the party's candidate for the United States Senate. Sholtz does not intend to enter the primary where he would have opponents," Chappell continued, "as he knows he would not get in the primary enough votes to make it worth while to count them."

Chappell criticized the Sholtz administration at the outset of his address, and such criticism permeated the speech throughout. He declared that if elected the first thing he would do would be to fire the governor's body guard and knock the locks off the gates to the executive mansion. He would fire most of the 1,400 bureau, boards and commissions and thereby save at least 25 percent of the taxation cost, and he would insist that the excessive gasoline tax be reduced and that the cost of automobile tags be lowered to

Funeral Today For William J. Cumming
William Joseph Cumming, 16, son of Mrs. Mattie Cumming, 116 Elm Avenue, died Sunday morning following an illness of about four months. He was a sophomore in Seminole High School and was active in Baptist Church affairs, a member of the Sunday School and the B. Y. P. U.

In addition to his mother, William is survived by one sister, Miss Ruth Cumming, of Sanford, and one brother, Franklin Cumming, of Sanford.

Funeral services will be conducted at 4 o'clock this afternoon from the First Baptist Church to the funeral home of the Rev. W. F. Smith, officiating. Burial will be in the cemetery. Friends are invited to attend.

The Rev. R. C. Cowan, a resident of Sanford for the last two years, was identified with the Townsend movement.

Supreme Court Rules Against Soft Coal Act

Constitutionality Of Guffey Law Denied By High Tribunal In 6 To 3 Decision

WASHINGTON, May 18.—(AP)—The New Deal act today in the Supreme Court in its contention that the Guffey Soft Coal Act was unconstitutional.

The Court said its conclusion was unavoidable "that price fixing provisions of the code are so related to and dependent upon labor provisions as conditions, considerations or compensations, as to make it clearly probable that the former being held void, the latter would not have passed. The fall of the former (before the Court) therefore carries down with the latter. Price fixing provisions of code are thus disposed of without coming to a question of their constitutionality, but neither this disposition of the matter nor anything we have said is to be taken as indicating that the Court is of the opinion that these provisions, if separately enacted, could be sustained."

The six to three decision was delivered by Justice Sutherland before a crowded courtroom. Justices Cordozo, Brandeis and Stone dissented.

Citrus Rate Upheld
WASHINGTON, May 18.—(AP)—An interesting Commerce Commission order prescribing joint rates on citrus fruit shipments from Florida to the East and Midwest should be divided among the railroads was upheld by the Supreme Court today. In a unanimous opinion, the high Court affirmed a ruling by a three judge Federal District Court in Eastern Virginia which sustained the 1934 order.

Northern carriers had contended the commission ruling decreased their revenue in favor of southern lines.

Bloodless Coup Puts New Man In Power In Bolivia
LA PAZ, Bolivia, May 18.—(AP)—Lieut. Gen. Guevara, acting chief of the army general staff, assumed the provisional presidency of Bolivia Sunday following a swift, bloodless military coup which overthrew President Jose Luis Tejada Somoza.

Gen. Guevara immediately formed a dictatorial junta, including representatives of the Republican, Socialist and left Socialist parties to govern until the next general elections. Members of the junta are Gabriel Gonzalez, Pedro Zilveti Arce, Enrique Beldivieso and Fernando Campero Alvarez.

Lepers Kill Three, Terrorize Colony
MANILA, May 18.—(AP)—Six lepers terrorized residents of Palawan and small neighboring islands Sunday after killing four fishermen and escaping from their colony at Cullion Island by stealing a boat.

The fleeing lepers killed three other persons at Kolumpan, on nearby Akord Island (yesterday) and robbed Chinese stores there. On this island more than 5000 lepers are segregated in a community made partially self-sustaining by agricultural enterprise. The disease is not imported but their movements ordinarily are limited to the segregated area of the island.

Less than a year ago, the Philippine insular legislature passed an act of its final act a law which would have permitted the release of many of the lepers and permitted their return home.

Frank Murphy, then governor general, vetoed the measure.

Head Winds Delaying Flight Of Zeppelin
LAKEHURST, N. J., May 18.—(AP)—Heavy storms have delayed the Zeppelin Hindenburg on its second trip to the United States, and the giant craft is not expected to reach here before Wednesday morning. The craft is now about half way on its trip from Germany to America.

Reports from the seppelin said insufficient weather reports caused the ship to run into storms.

Appeals Court Rules Relief Act Of 1935 Is Unconstitutional

Work Relief Projects In Seminole County Continue

W. S. Earle, WPA engineer in this district, said today that work relief projects are continuing. He had not been advised of the decision of the District Court of Appeals in Washington which today held as unconstitutional the 1935 relief act which appropriated \$4,880,000,000.

Mr. Earle said that relaying of the brick pavement on First Street west to Poplar Avenue should be completed by tomorrow, but that the resurfacing of First from Poplar to the west city limits probably would not be undertaken until "well along in June." The resurfacing is to be done with slag.

Park Avenue is now being widened between Fifth and Sixth Streets and the pavement has been laid as far south as Third Street. Some brick should be laid between Third and Fourth Streets on Park Avenue this week, he said.

Walter Reich, engineer in charge of airport construction, was in Sanford last Saturday and advised Mr. Earle that cable and other electrical equipment necessary to the proper lighting of Sanford Municipal Field should be received this week. Mr. Earle now has a crew of men digging ditches for the cable around the airport.

\$4,880,000,000 Law Is Declared Void In Sweeping Decision By A 3 To 2 Vote

Authority Given President Illegal

This Is Delegation Running Riot, Is Opinion Of Court

WASHINGTON, May 18.—(AP)—The 1935 relief act was today held unconstitutional by the District of Columbia Court of Appeals. In a sweeping opinion, three of the five judges said, the \$4,880,000,000 law was void because of improper delegation of powers to the President. Invasion of state's rights and lack of definite authorization. The Court said the law "attempts to reach and control matters over which the Constitution has given Congress no powers."

In a test case which resulted from plans for a model community at Franklin, N. J., the appellate Court found there was no constitutional power "conferred upon the federal government to regulate housing or to restrict population." The appellate Court reversed a ruling of the District of Columbia Supreme Court which had upheld validity of the readjustment program and denied an injunction against the New Jersey project sought by a group of taxpayers.

Reviewing provisions of the 1935 act, the Court said "this is delegation running riot." The majority opinion declared there existed the same legal flaws which the United States Supreme Court found in NRA, AAA and the original "hot oil" control act.

New Deal officials confessed to see where the decision left the relief policy. Whether an appeal will be taken was uncertain.

Legislator Who Sold Appointment To West Point Loses Appeal

WASHINGTON, May 18.—(AP)—Conviction of Representative John H. Hoepfel of California for conspiracy to sell an appointment to the Military Academy at West Point was affirmed unanimously by the United States Court of Appeals for the District of Columbia today.

Hoepfel and son, Charles, were sentenced to from four months to one year in jail. They have been at liberty under \$1,000 bonds each. James W. Ives of Baltimore testified the Hoepfels accepted a \$1,000 promissory note from him for an appointment.

Ex-Governor Small Of Illinois Is Dead

KANKAKEE, Ill., May 18.—(AP)—Former Gov. Len Small, "father" for Illinois' paved highway system, died suddenly Sunday in St. Mary's Hospital. He was 67. A blood clot ended his life to be recovered from a minor operation.

The former executive had completed his fifth campaign for governor—two of them were successful—in fine health, and showed no ill effects of the surgical knife.

While in the governor's chair, he was prosecuted on charges of withholding approximately \$1,000,000 in interest on state funds during his term as state treasurer. He was acquitted in a criminal trial but lost a civil suit.

Bandits Executed By Fascist Army In Addis Ababa

Rediscount Rate Cut By Bank Of Italy To Get More Funds

(By the Associated Press)
Native bandits were today executed by military tribunals in Addis Ababa for murder during the looting of the former Ethiopian capital. Ethiopians sought pillaging and killing were placed before the guns of Carabinieri as the Fascists sought to halt sporadic raids.

The Bank of Italy in Rome lowered the rediscount rate from five to four and one-half percent to secure funds for development of conquest territory in Africa.

The British cabinet in London discussed Italy's annexation of Ethiopia and Germany's remilitarization of the Rhineland.

Broward County Everglades Fire Out Of Control

MIAMI, May 18.—(AP)—G. J. Stacks, Dade county fire warden, reports the Everglades fire west of Davie in Broward county is out of control.

Whirlwinds blew burning saw grass across the North New River Canal, lighting a section of dry grass and muck land on the east side of the waterway.

Guy J. Bender, state fire chief, ordered all available equipment in the lower East Coast counties to the scene in an effort to check what is considered the most dangerous Everglades fire in recent years. It was estimated the fire covers an area of about 64 square miles.

Action of the wind temporarily trapped C. M. Rubison, Broward county fire warden, and his crew Saturday. Handicapped by the acrid smoke, they were more than an hour removing apparatus to better sites for fighting the flames.

Starhemberg Resists Disarming His Force
VIENNA, May 18.—Prince Ernst Rudiger von Starhemberg's private army, the Fascist Heimwehr, will resist any attempt to dissolve or disarm it by force of arms, it was reported last night.

So far the Heimwehr, in absence of its leader who was stripped of his official dictatorial powers last week in a bloodless coup d'etat engineered by Chancellor Kurt Schuschnigg, staunchly has defied the government order to disarm.

48,000 Men Threaten Walkout On 9,000 Miles Of Railroad

MEXICO CITY, May 18.—(AP)—Hundreds of American tourists, fearful of being stranded, crowded northbound trains today as 48,000 employees of the Great Mexican National Railways prepared to strike tonight for wage increases. A general exodus of visitors was started despite general belief the projected strike would be officially adjudged "illegal" and workers given 24 hours to return to their jobs.

The strike would tie up 9,300 miles of rails out of the capital.

Curfew Invoked In Jerusalem To Prevent A Panic
JERUSALEM, May 18.—(AP)—Citizens were forbidden to walk the streets of Jerusalem at night in an unprecedented curfew imposed by the government, the Falcor News Agency reported.

The government took the step in an effort to cope with panic that seized the Holy City as a result of the killing of three Jews and the wounding of two others in front of a movie here.

All traffic and use of the streets was completely banned between the hours of 8 P. M. and 6 A. M.

Probe Follows Death Of Three In Jungles

DETROIT, May 18.—(AP)—The deaths of two men and a woman in flames that swept a dimly lit "jungles" concession at an amusement park resulted in an official inquiry by Macomb county authorities Sunday.

The victims, trapped in a corner of the 150-foot square structure by blazing artificial grass, shrubs, trees and stuffed animals, were Al Miller, 28-year-old automobile plant worker; his wife, Wanda, 25, and Wallace Zonkowski, 25-year-old factory worker.

Their bodies were buried in embankments as the tin roof of the building collapsed. Four other persons, including Zonkowski's widow and a policeman who sought to aid the victims, also were burned.

Dr. Charles L. Rivard, Macomb county coroner Sheriff George Smith and Assistant Prosecutor Vincent L. Fitzgerald investigated to determine how the flames started.

Georgia Convict Has Escaped Sixth Time

LAGRANGE, Ga., May 18.—(AP)—Leland Harvey, a figure in numerous breaks from Georgia prisons, escaped from a Troup county chalingang today. It was his sixth major escape, but many minor ones were not recorded since he was captured each time shortly after escaping.
