

# Navy To Display 'Might' And 'Mite' During Derby

The "Might" and the "Mite" of Navy aircraft will each have its hour in the Heavy Attack Wing One Tenth Annual Bombing Derby March 16-21 at the Sanford Naval Air Station.

"Might" is represented by the Wing's twin-jet A-5 Vigilants and A-3B Skywarriors, largest and most powerful combat planes ever operated from aircraft carriers. Their

payloads can include the most potent nuclear weapons in the Navy's arsenal.

Also participating are Douglas A-4C Skyhawks, which with wingspans of only 27.5 feet and overall length of less than 43 feet are the "mites" of attack aviation. The A-4C is the smallest nuclear bomber in the world.

Despite their diminutive size, the Navy's more than 1,000 Skyhawks play a giant role in carrier striking forces on station around the world.

Armed with two 20 mm wing-mounted cannons, the Skyhawk can also carry several hundred variations of weapons loads including large nuclear bombs, Bulpup air-to-ground missiles, rockets and conventional high explosive bombs.

Although no A-4C's are regularly based at Sanford, Skyhawks from Carrier Air Wing One at Cecil Field (near Jacksonville) will be on hand for the final two days (Friday and Saturday) of the Bombing Derby.

An A-4C piloted by Lt. Dick Porter, who hails from Appalachicola, Fla., will compete with a Vigilante and Skywarrior in a "Might vs Mite" loft bombing contest Friday, March 20, at 9 a. m. Porter is assigned to Cecil Field's Attack Squadron Twelve.

The competitors will be launching a simulated nuclear attack on a training target in Lake George, a large body of water 85 miles northwest of Sanford.

Each will be trying to place a practice "shape," similar to an atomic weapon in dimensions, on the half-submerged hull of an old Navy landing craft.

Three Skyhawks will be at NAS Sanford for the big Air Show and Open House beginning at 9 a. m. Saturdays, March 21.

## DeMolay Marks 41st Year

More than 100 members of the Sanford DeMolay chapter are observing the 41st anniversary of the founding of the international organization this week in what Mayor A. L. Wilson has proclaimed "DeMolay Week."

The local group received its charter Dec. 4, 1922. Officers are Harold Unger, master counselor; Charles Stein, senior counselor; Bobby Rumbly, junior counselor, and Bedford Aiken, chevalier.

Local members attended a breakfast Sunday at Masonic lodge and then attended church in a group.

They will present a subscription to National Geographic magazine to Seminole Memorial Hospital Wednesday and will conduct a free car window wash in the downtown area Thursday to lead to ester driving.

The week's observance will be climaxed with a dance Saturday evening at the Shrine Club.

### Twin Return

HALLANDALE, Fla. (UPI)—Gulfstream Park, which already holds a twin double record payoff of \$81,114.20, produced a \$21,171.20 twin return Tuesday. There were four winning tickets on the 12-3-2-1 combination that included Onahen Lane (\$29.00), Hasty Pine (\$42.00), Be On Time (\$87.40) and Formal Gent (\$5.80).

**Bomb 'Attacks' Renewed By Vigilantes**

Judges were still thrashing out results late last night following the first assault on North Florida training targets by twin-jet attack planes flying in the Navy's Tenth Annual Bombing Derby at the Sanford Naval Air Station.

And while officials met this morning for final computations, a second wave of A-5 Vigilantes and A-3B Skywarriors launched an attack on another target sight at 10 a.m.

The famous fleet weapons exercise will continue through the week, winding up Saturday with an open house, two-hour air show, carrier air-armship competitions and an awards ceremony. The public is invited to all of Saturday's events.

On tap today for Heavy Attack Wing One's 18 competing flight crews was a close air support exercise, emphasizing low altitude delivery of conventional weapons such as might be expected in a "brush fire war" situation.

The event also presented the opportunity for airmen flying the Navy's new RA-5C Vigilante reconnaissance - attack aircraft to demonstrate the plane's tremendous versatility.

RA-5C crews made two low level attacks on practice targets at the Pinecastle Impact Range near Astor, and then flew a photo reconnaissance mission over several sections of North Florida.

Miniature practice bombs were used on the attack phase of the mission.

Today's exercise stood out in sharp contrast to Monday's competitions, where nuclear weapons employment was the keynote. Navy officials pointed out that one of the important ingredients of the annual Bombing Derbies is their demands for flexibility among flight crews and equipment.

Close finishes in Monday's weapons loading and loft bombing events prohibited judges from announcing scores until later today.

As one Navy observer stated, "This is where the Navy man's pride for his unit comes in. We don't want to make any mistakes in scoring."

Sanford's Heavy Attack Squadron Five, the Navy's first unit to fly the RA-5C, is the defending champion against five other competing units.

A group from Offutt AFB, Neb., headed by Vice Adm. Robert J. Stroh of the Joint Strategic Target Planning Staff, is expected Wednesday.

**Bombing Derby**

**WEDNESDAY**  
9:50 a.m. Profile Bombing Mission. Tests bombing accuracy on simulated nuclear mission against complex targets.

**THURSDAY**  
1:30 p.m. Bombing Derby briefing for press, other special interest groups.  
4:30 p.m. Radar Bomb Scoring Bomber Mission: Tests bombing accuracy on simulated nuclear mission against multiple targets.

**FRIDAY**  
9 a.m. A-5A/A-3B/A-4B Skyhawk Loft Bombing Competition.

**SATURDAY**  
9:10 a.m. Aircraft launch for Air Show. (Open House begins one hour earlier).  
9:30 a.m. Air Show with 24-plane fly-by.  
10:30 a.m. Carrier Air-armship competitions.  
11:45 a.m. Heavy Attack Wing One review and presentation of awards.  
12:45 p.m. (approximately) Navy Appreciation Day Picnic, Lake Golden Russeation Area, Sanford Naval Air Station.

**Bombing Derby**

George Touhy gives the "News at Noon" each Monday at the Rotary luncheon. He ends his presentation with a "word for today." Monday it was this: "What happens seldom bothers us as much as what might have happened."

Grid.

In many cases this is a lost faculty in today's hectic way of life. But there's one family in the Herald area that insists on solving their own problems.

And they have problems. The father is ill; has been for a long time. The young mother has children to care for as well as her husband.

They were offered assistance. Their thanks were warm. But they'll try to go it alone.

Grid. In many cases a lost faculty. Not here, though.

## U.S., Railroads Eye Work Rules

**U2s May Be Flying Over Red Viet Nam**

SAIGON, South Viet Nam (UPI) — Military observers said today that American U2 planes may be flying high-level reconnaissance missions over Communist North Viet Nam and parts of South China, Laos, and Cambodia.

Their speculation was based on an announcement Monday that the U2 planes are stationed in South Viet Nam for "an in-country mapping mission."

The high-altitude reconnaissance planes, made famous by Francis Gary Powers' espionage flight over the Soviet Union and subsequent capture and trial, are believed to be stationed at Bien Hoa airbase just north of Saigon. The base has been off limits to newsmen for some time.

A U. S. military spokesman declined to go beyond his announcement that the planes were in use within the borders of South Viet Nam for mapping purposes.

There was no explanation why it was necessary to use the long-range U2's for mapping in this small country, especially since such efficient mapping planes as the RF101 and RB57 have been in use for some time.

**JOHN (Mc)KADER**, Sanford businessman, today paid homage to the patron saint of Ireland, St. Patrick, along with all other good Irishmen for driving the snakes from the "Old Sod." John bedecked himself in tails, a green bow tie and a derby trimmed with a green band.

## Dublin Recalls Son Of Erin

DUBLIN (UPI) — Irishmen marked the feast day of St. Patrick today, their traditional exuberance for a son of Erin who will never return here — John Fitzgerald Kennedy.

"Ah, we'll miss him," said one pub-keeper for the late President. "I remember when he visited his relatives last summer in County Wexford. There was nothing high-falutin' about Jack then. It was just an Irishman coming home to his folks."

President Kennedy received one of the greatest welcomes in Irish history during his car and helicopter tour of the island.

Today, hordes of Irishmen who, like the grandfather of the late President had left their homeland to try their luck in other countries, poured into the country by ship, plane and train to take part in the day's festivities.

Most Irish began St. Patrick's day with early Mass, parades and pageants, sports and drama festivals were scheduled throughout the day.

Pubbs were filled with men and women downing Irish stout and boozing out old songs in Gaelic and English. It was a marked change from past years when the pubs were closed on the saint's day. This year, the licensing law was changed.

## Demolition Of Building Begun

Workers commenced Monday with the demolition of the Woodruff Building at First Street and Park Avenue to make way for an automobile parking lot.

City Manager W. E. Knowles said contract for the razing had been let to the Leroy Robb Construction Company and the project will be completed in two months.

## City Takes Over Disposal Plant

Operation of the City of Sanford's new \$407,000 sewage disposal plant was taken over by the City from the contractor Monday.

City Manager W. E. Knowles said that "there are a few minor bugs yet to be ironed out" but that it would be accomplished by city employees.

Plant superintendent is S. M. Richard Jr.

## news... BRIEFS

**Production Up**  
WASHINGTON (UPI) — The nation's industrial production rose to record 127.6 percent of the 1957-1959 average in February for the biggest gain since last October.

**Fires Rage**  
LOS ANGELES (UPI) — A pair of giant brush fires fanned by winds with gusts of up to 100 miles an hour burned uncontrolled today in the foothills north and west of this city.

**'Dixie Decoy'**  
WASHINGTON (UPI) — Senate Democratic Whip Hubert H. Humphrey said today a Southern proposal for a voluntary racial relocation program was a "Dixie decoy" in the civil rights fight.

**Beatles Barred**  
JERUSALEM, Israel (UPI) — The government's Foreign Currency Control Commission Monday night vetoed a petition by a local impresario to bring the singing Beatles of Britain to Israel.

**Belli In Austin**  
AUSTIN, Tex. (UPI) — Melvin Belli, a wrath for Dallas on his lips, today visited Austin, location of the Texas Court of Criminal Appeals, but indicated he would not appeal Jack Ruby's death sentence just yet.

**Not Questioned**  
WASHINGTON (UPI) — Accountant Milton L. Hauff said today Senate investigators had not questioned him since he filed an affidavit charging his signature was forged on Bobby Baker's tax return.

**Police Power**  
JACKSON, Miss. (UPI) — Gov. Paul B. Johnson spoke against unlimited police power at the state level Monday and said he was considering placing limitations on his plan to give more power to the highway patrol.

**Hope Chosen**  
WASHINGTON (UPI) — Comedian Bob Hope has been appointed by President Johnson to replace Ambassador Henry Cabot Lodge on the 10-member board which selects winners of the presidential Medal of Freedom, the nation's highest peace-time civilian award.

**Jaycees Push Registration**  
Members of the Sanford-Seminole Jaycees and their wives are pushing a voter registration drive in the county with the cooperation of Mrs. Camilla Bruce, registration supervisor.

They are making phone calls and other contacts with unregistered voters urging them to visit the courthouse and register.

On the Jaycee committee are Cecil Tucker, Glenn McCall, Jim Smith, Bill Beck and Dr. Kenneth Wing. The chairman is Don Knight.

## Campaign Under Way As Qualifying Ends

The political candidates are taking to the hustings today . . . off and running to win party nominations in the May 5 primary. Primary run-off will be held May 26 and the general election Nov. 3.

Eight candidates on the Democratic ticket, on the local level, were automatically elected without opposition at noon today when qualifying deadline was reached.

Automatically elected to county offices are the following:

Arthur H. Beckwith Jr., clerk of court; Mason Wharton, member of the school board, District 2; B. A. Johnson, justice of the peace, District 3; George Kelsey, constable, District 3; J. L. Hobby, sheriff; Camilla Bruce, supervisor of registration; W. Hugh Duncan, justice of the peace, District 4, and A. C. Doudney, surveyor. All are incumbents except Johnson.

It was previously announced

**CHARLES SCOTT**

## Scott Qualifies For Constable

Charles M. Scott, 39, qualified Monday as a candidate for the Democratic nomination for constable, District 4.

A resident of Sanford since 1953, Scott was employed for seven years at the Beardall plant of Chase and Company and for the last three years as a refrigeration mechanic by Pan American World Airways at Cape Kennedy.

He and his wife have been married for 17 years and have three children, Michael, 15, and twin daughters, Sherry and Sharon, 13. The family resides at 116 Satsuma Drive, Ravenna Park.

Scott said that "I understand that the success of a constable position depends upon full co-operation with all state and local law enforcement agencies."

By Dottie Austin (Ed. Note: Judy Turner will be on vacation for the next several weeks. While she is gone this column will be written by Dottie Austin, who will be in touch with club publicity representatives. If you have news for the column, please call The Sanford Herald and leave a message for Mrs. Austin, who will call you back.)

Haven't quite gotten the hang of this column yet, coming on cold like this, while that Judy goes cavorting off on a nice long vacation, so would appreciate the help of you publicity chairman. One thing is certain however — for the present, all news leads to one thing—the Bombing Derby—which is getting to be such a famous event it is really putting Sanford on the map. The excitement continues to mount as everything and everybody revs up full throttle and the hearts of those who have to stay on the ground going flying away with husbands, fathers and friends, as the Wing shows everybody what it can do.

ARRIVING home just in time to get in on it are the men of VAH-1 who were the recipients of a Welcome Home party held at the NAB ballroom Friday (probably still on their sea-legs from the decks of the Independence.) As one of the highlights of the party, all the wives joined together—a capella—and sang an original welcoming song to the tune of "M is for Mother," only this was, of course, "T is for Tiger." A skit with the title of "The Basic Black Dress" brought down the house, we hear. This was narrated by Mrs. Herschel Russell and acting out the parts were Mrs. James Anderson, Mrs. Robert Corliss, Mrs. Kenneth Cook, Mrs. Lyle Saraney, Mrs. David Ferriter, Mrs. Floyd Oakes and Mrs. Roger Pope.

With big tigers plastered all over the walls and O.G. and Mrs. Jessie Taft as special guests the homecoming husbands and stay-at-home wives enjoyed a buffet of ham, turkey and roast beef. There were 21 members of the VAH-1 Enlisted Wives Club and their husbands enjoying the fun and dancing, along with a few others who had been gone during the cruise. The ballroom was decorated in gold and white, and soft candlelight gave it that special romantic atmosphere.

ALL THAT GLITTERED was brass at the big military appreciation cocktail buffet party held at the Cherry Plaza Hotel in Orlando Friday night for all the high-ranking military officers in the Central Florida area. The swanky affair was hosted, as it is annually we understand, by the Greater Orlando Chamber of Commerce, in appreciation for the presence of the Army, Air Force and Navy personnel in these parts. Joining the other members of the nations defenders in the Egyptian Room were about 80 of the senior officers of the Sanford Naval Air Station and HAWAII One and their ladies.

LUKE BANNON, an ecclesiastical architect from Ridgewood, N. J., who now lives in Sanford was the guest speaker at the meeting of the Catholic Navy Wives Club, Wednesday at the nursery building on the Naval Air Station. Bannon spoke to the wives on the vocations of the priesthood and sisterhood and the blessings to be derived from the dedicated life. At their April meeting in the same place, the group has asked Dr. Frank Leone of Sanford to tell them about the work and the problems of the Public Health Department.

Mrs. Lou Cannovini served the refreshments at the meeting last week. WAY OUT decorations for the Bombing Derby party sound just fabulous! We hear that there are to be 400 stars, 98 airplanes and eight clouds hanging from the ballroom ceiling. We can predict some spilled drinks, some stepped on toes and smashed cigarettes as the guests will undoubtedly be gazing heavenward in awe—wondering if they are falling

off the world into outer space! Kudos in advance to the feats of engineering that will no doubt be performed in the tactical mission of securing these decorations. One Navy wife remarked ruefully, "I hope they don't wind up saying 'Stars fell on Sanford that night!'"

PLANS for the Bombing Derby were the main item of discussion naturally, at the VAH-3 Officers Wives coffee last Thursday at the Afterburner. Hostesses Mrs. Charles Ballard, Mrs. Robert Brewer and Mrs. Samuel Carr served a delightful array of mouth-watering home-made goodies to the members. Evidently this was one last grand splurge as the club is seriously considering starting a Reducing Club, dividing into groups, with the group who loses the most gross weight in a certain length of time getting some kind of a prize! (What? A crate of celery?) It is to be assumed that the next hostesses will serve Met-rocal!

To help with the race for waist contest, the club is also planning to begin square dance classes at Lake Golden, since they have some fine instructors in this art right there among the membership. This should be a must for dieters. Square dancing has more bounce to the ounce than about anything else you could do—and it's great fun, too. The club bade farewell to Mrs. Clifton Dowell who has already left for Pensacola and Mrs. Robert Colville, who will join her husband at NAATG, Glencoe in Brunswick, Ga. Both received parting gifts and Mrs. Martin Sheridan was named as alternate to the NOW Club to replace Mrs. Dowell.

New mother Mrs. Robert Brewer was presented with a baby gift and two ladies, Mrs. Gerald Coffee and Mrs. Philip Monroe had their mothers as guests for the occasion. Plans were made for a luncheon to be held on the third Thursday in April, which will most likely be a covered dish picnic style at Lake Golden.

OL' MR. EASTER BUNNY advised the CPO Wives Club at their board meeting Wednesday that he would hide some special eggs for the CPO kiddies at Lake Golden on March 28. The children are invited to look for them between 2 and 4 p.m. Mrs. Paul Weber reported on the groups recent visit to the DeBary Mansion where they toured the historic site of one of the areas first settlements.

Earlier in the week a coffee had been held by the CPO Wives for Mrs. George Dietze, who left to make her home in Columbus, Ohio, where her retired husband has accepted a civil service job. The Dietzes have two children Ronnie and Kathy. Mrs. Tom Farrow hosted this coffee at her home, and Mrs. Dietze was presented with a corsage of white mums and a piece of her favorite milk glass.

Joining Mrs. Farrow in fettering Mrs. Dietze were Mrs. Ira Jarell, Mrs. Ralph Simms, Mrs. Paul Weber, Mrs. C. B. Reeves, Mrs. Harold Sundvall, Mrs. Edward Deheatsky and Mrs. Phillip Simpson. One of the topics of discussion among Chiefs Wives is the idea of starting a garden club of their own. All CPO Wives who are interested in joining such a group are asked to call Mrs. Simpson.

The next regular meeting will be in the Conference room of NAS on March 18th at 8 p.m. This is not the regular meeting place and will only be used at that time. COMING EVENTS Tuesday, March 17 Fish fry, Chief's Club. Wednesday, March 18 VAH-1 Enlisted Wives at Acy Deury Club, 9:30 a.m. CPO Wives, Conference Room, 8 p.m. Thursday, March 19 VAH-7 Enlisted Wives at CPO Club at 7 p.m. VAH-9 Club election of officers (contact president for place). Time: 8 p.m. Friday, March 20 News deadline for first "Heaven-Ettes" newspaper. Call Mrs. Kelly Burdick at 323-0977. Saturday, March 21 Bombing Derby Party.

HONORED IN NATIONAL SALES CONTEST is Morris M. Ruby, 103 Parkview Drive, Sanford who has been named one of the top 15 among thousands of sales representatives for Compton's Pictured Encyclopedia in a recent nationwide sales contest. In recognition of his achievement he won an expense-paid weekend in Chicago and was honored by company officers at a national sales conference March 6-7. Ruby (right) is pictured here receiving congratulations from Wilbur S. Edwards, company president.

GIRL SCOUTS of Bear Lake Troop 111 toured the photographic studio at Orlando Air Force Base recently to complete requirements for their photography badges. In the photo are three, Nancy Carr, Teresa Williamson and Kay Reilly, left to right, of the 15 girls making the tour.

CASSELBERRY CUB SCOUT PACK led by Denmother Mrs. Roy Templeton toured the Sanford Herald offices and mechanical plant recently to see for themselves how a newspaper is published. Among those in the party were (from left) Mrs. Templeton, Gary Hennessey, Lester Templeton, Rick Stenstrom, Donnie Moore, Danny Fink, Allen Durrance and Roy Templeton Jr. (Herald Photo)

NEW OFFICERS and directors of the Lake Mary Chamber of Commerce met last week for the first time to map out plans for the coming year. Those attending were, seated from left, Clarence Donaldson, director and Donald Jackson, chairman of the board; standing, Jim Daughtrey, president; Jimmy Jones and Joe Akerman, directors and Richard Keogh, vice president. (Herald Photo)

FIFTY TICKETS were purchased for the benefit movie slated for March 31 at the Movieland Drive-In Theater. Buying the tickets, proceeds from which will go to the Little Red Schoolhouse, was Constable Bob Carroll, shown at right. With him are Herbert Rodgers, left, and John Carver.

Readiness Clinic Aids Parents

Many helpful suggestions were given parents of pre-school children by Mrs. Donald Fenstermaker at the readiness clinic held last week at South Seminole Elementary School at Casselberry. She demonstrated many ways that parents can help prepare their children for entering first grade through activities which teach motor control and how to follow directions. She showed how to make such things as sewing cards, puzzles, flannelgraph, letter lotto and a practice shoe from inexpensive items found around the house. Some of the things that a child should especially be taught before going to school for the first time are safety rules, good bathroom training and their full name, address and phone number. The youngsters should know colors and shapes as well as numbers and letters.

# AMERICA'S most modern refinery now serving Florida

With giant strides, the South marches forward.

More industries! More people! More tourists! More income! And—far more automobiles, requiring hundreds of millions of gallons of petroleum products each year.

To match this growth, we have recently completed construction of America's most modern oil refinery at Pascagoula.

Covering 2600 acres, this refinery is fed with crude oil from the Gulf Coast fields through the longest underwater pipeline in the world. With a capacity in excess of 100,000 barrels a day . . . it is one of the world's largest refineries.

This new refinery embraces all of the latest technology of oil refining— particularly in the production of more powerful automotive gasolines. These completely new Standard Oil gasolines are on their way to you now. Try them at your Standard Oil dealer's, soon.

Our new Gulf Coast refinery is another example of Standard Oil's planning ahead to serve the South.

## Message Amid Fragments

As if there were not enough irony in the tragic mountaintop crashes of two airliners within scant feet of safety—one near Innsbruck, Austria, the other near Lake Tahoe, Calif., taking a total of 184 lives—two other recent airplane mishaps read like fictional happy endings.

In one of them, a B-52 bomber had 88 per cent of its 500-foot-high tail fin ripped away while investigating low-level turbulence, yet, thanks to the skill of its civilian test pilot, was kept aloft for five hours and landed safely.

In the other, a chartered DC-3 was caught in turbulence while approaching Chicago's O'Hare International Airport and plunged into a home. Miraculously, there was only one fatality.

These last two instances give dramatic evidence of the surprising strength and safety of aircraft; the first two, of their utter vulnerability.

Aircraft designers hope to gain valuable information from the B-52 experience. We can only hope that something will be learned from the disasters in Austria and California. (The secrets of a third recent crash still lie beneath the waters of Louisiana's Lake Pontchartrain.)

Airplanes are here to stay and people will continue to fly, despite these tragedies. But the public has the right to rest secure in the belief that everything that can possibly be done to increase the safety of flying is being done.

There are charges that this is not the case.

The Airways Club, an organization founded in 1960 to represent the interests of air travelers, claims that a potentially dangerous situation exists in regard to jet fuel.

There are two types of fuel: JP-1, which is pure kerosene, and JP-4, a mixture of kerosene and aviation

gasoline. The latter, says the club, is the more volatile and hazardous by every measure. All U.S. domestic airlines voluntarily use JP-1 exclusively in jets.

A price change of a little as a quarter of a cent a gallon in favor of JP-4, however, could change this practice. And in overseas travel, where price and availability are determining factors, JP-4 is the fuel of choice.

As a result of the crash near Elkton, Md., last December in which a jet was struck by lightning while carrying a mixture of JP-1 and JP-4 taken on in Puerto Rico, the Federal Aviation Agency has initiated a study comparing the two fuels.

The Airways Club urges an immediate ban on JP-4 pending the findings of the FAA. It quotes the opinion of British aviation expert J. W. Rickard that the Elkton disaster could not have occurred with kerosene and that hundreds of survivors of other crashes owe their lives to the fact that kerosene is relatively slow to ignite.

The British airline, BOCA, uses JP-1 only, although it costs them \$1.8 million more a year.

On the other hand, the DC-3 in the Chicago crash carried highly flammable aviation gasoline. There was no fire. Is it all a matter of luck or fate? Or what?

This is an area where a government agency should get a move on.

### Thought For Today

And keep your conscience clear, so that, when you are abused, those who revile your good behavior in Christ may be put to shame. — 1 Peter 2:16.

He who would distinguish the true from the false must have an adequate idea of what is true and false.—Benedict Spinoza.

## 'As the President Says---Let's Save on the Light Bills!'

### Lyle C. Wilson Says:

## Dozen To Come

United Press International Upward of a dozen presidential primaries still are to come and the greatest of these takes place June 2 in California. The Republican who can win the California primary decisively probably can be nominated for President. It is almost as simple as that, but not quite.

Fifteen states and the District of Columbia authorize

presidential primaries. All are booby trapped. The least of them can be deadly. The presidential primary system more often eliminates contestants than it designates winners. Sometimes a primary does a bit of both.

The beginning of the end of Sen. Robert A. Taft's White House dream came in New Hampshire's March 1952, presidential primary. Gen. Dwight D. Eisenhower, a reluctant and uncertain candidate, won all 16 New Hampshire delegates to the Republican National Convention. He took 46,000 popular votes to Taft's 35,000.

Wisconsin's presidential primary in April, 1948, blasted Wendell L. Willkie entirely out of the contest for a Republican presidential nomination. Willkie was a bad last in a field of four in Wisconsin after a good New Hampshire beginning. He had been the 1940 Republican nominee.

Harold E. Stassen made a good start toward the 1948 Republican presidential nomination, a prize ballyhooed as practically assuring election to the presidency. The Republicans could have lost in 1948 only by conducting an unbelievably inept and superficial campaign, which they finally did. Stassen showed well in New Hampshire, Wisconsin, Nebraska, Pennsylvania, and Ohio. The

contrast to the four "Subjective Determinants." You will also see charts and tables, plus several illustrations. Thus, you can get a quick bird's eye view of the entire chapter in just 10 minutes.

Then go back and lift out the important items that your professor would be likely to insert in his examination questions.

They usually consist of "definitions" as well as "laws" and such items as "How many Objective Determinants of Attention did Dr. Crane mention?"

Then "skim read" your assignments by "racing the clock" so you can give a brief "once-over" to maybe 25 or 30 pages in 10 minutes.

Then go back and "pick the meat" out of the assignment but do not attempt to read "True-False or "multiple choice" exam as you read.

Suppose you are assigned Chapter II in your college textbook entitled "Psychology Applied." That chapter deals with "Learning and Memory" and runs to 42 pages.

Allow yourself just 10 minutes to "skim read" it while racing the clock.

In that 10 minutes you can catch the sectional headings and the tables as well as the three basic laws of learning, plus the six "Objective Determinants of Attention" in

## Political Notebook

WASHINGTON (NEA) — Calling the family doctor for a progress report on the birth of his fourth child, Peace Corps Director Sargent Shriver was told:

"You've got a new baby."

"What is it?" asked Shriver, husband of Eunice Kennedy, one of the late President Kennedy's sisters.

"We won't be sure for a few days," replied the doctor. "But it looks like a senator."

Campaigning in western New Hampshire, New York Gov. Nelson Rockefeller got a lift recently from an old friend from his Dartmouth college days, Harold Himman, founder and president of a boys' school in that sector.

Himman told a crowd that years ago Rockefeller found himself without gloves on a bitterly cold "football Saturday." But just before his hands turned blue, Rocky dug in his pocket and brought out a pair of woolen socks—which he donned for gloves.

Grinning at this story aimed at showing his resourcefulness, the governor said: "You've got to have a little imagination to meet the problem."

"Nobody ever explained how he happened to have a pair of woolen socks in his coat pocket."

Shriver told a National Press Club audience his new appointment to a second post as head of President Johnson's "war on poverty" is earning him new status in the touch football-minded Kennedy family.

He said Attorney General Robert Kennedy telephoned him the other day and announced: "O.K. Sarge, this week you can play in the backfield."

To make the point that a conventional aircraft carrier sometimes might be a wiser investment than a nuclear-powered flattop, Defense Secretary Robert McNamara told the Joint Committee on Atomic Energy:

"When I left the Ford Motor Co., I had a choice of buying a Ford and letting my daughter spend a year abroad at a university, or buying a Lincoln. The Ford met my needs. It transported me as fast as I wanted to go with the comfort I was willing to accept, and I found it desirable to use the extra funds elsewhere."

The committee chairman, Sen. John Pastore, D-R. I., sighed: "That is the extravagant choice of the rich. I've always wanted a Cadillac, but I've never been able to rise above a Chevrolet."

Rep. William Bates, R-Mass., added drily: "That's better than a wheelbarrow."

In a background press briefing given by an assistant secretary of state, reporters wanted to know if they could credit what he said to a "high" government official.

The secretary smiled and said: "Not 'high' government source, but rather 'medium.'"

Plans for an Industrial Development Conference in Orlando April 13 were mapped at a recent meeting of the industrial committee of the Florida Council of 100.

The session will precede the Florida Industrial Exposition and will be sponsored by the Council of 100, the Florida Development Commission and the Florida Industrial Development Council.

Invitations will be issued to a chamber of commerce officials, mayors, city managers, county commissioners, regional planning councils, committees of 100 and other groups engaged in industrial recruiting.

Trying to cover too many miles a day on a long distance trip is an invitation to disaster, says the Peninsula Motor Club, A.A.

The ancestor of the swamp suggester seen racing twice yearly at Naples, Fla., was the chassis of a Model T Ford. In order to get traction in the swamps, two sets of tires were used on each wheel.

Florida's first statewide training school for law enforcement officers, Florida Law Enforcement Academy, has opened in Tallahassee under the direction of the Florida Sheriff's Bureau.

Persons employed and trained by Goodwill Industries turn household discards into saleable merchandise. Goodwill pays out some \$600,000 annually in wages to handicapped employees.

A new "stop and go" chain of hardware stores based in Orlando is spreading over the South and East. The Handyman drive-in stores feature an A-frame design building.

Help is available for the problem drinker who recognizes his difference from the social drinker. Information may be obtained from the Florida Alcoholic Rehabilitation Program in Aves Park.

An economist of the Florida Citrus Commission has listed the value of citrus exports from the U. S. last year at slightly more than \$31 million.

A large mouth bass, estimated to weigh 20 pounds, may be seen regularly from the scenic submarine boats at Rainbow Springs, tourist attraction near Dunnellon.

Porpoises, as a species of marine mammals, are highly intelligent. Experience at Marineland of Florida shows, however, that porpoises, like people, vary in their ability to learn.

The Bonnie Chemical plant of International Mineral & Chemical Corp. in Polk County, has established an all-time safety record of one million man hours worked without a lost-time accident.

## Letters

The Herald welcomes letters from its readers on public affairs. The writer may use a pen name provided the letter also carries the writer's true name and address. Letters of fewer than 250 words will be given preference. Letters addressed to others are acceptable provided they do not deal in personalities. Poetry is not published by the Herald.

Editor, Herald:

Secretary of State Tom Adams says the St. Johns-Indian River Canal District has no power to tax. Where do they propose to get the money to repay the \$40,000 they have already borrowed and the "in excess of \$50,000" they propose to borrow from the HIFPA?

I think the taxpayers would be interested to know.

S. B. "Jim" Crowe (Editor's note: The committee involved with the promotion of the canal are making annual contributions which will repay the initial \$40,000 loan from the State Improvement Fund. The \$50,000 to be borrowed from the HIFPA is a long term, interest free loan which will not have to be repaid until the canal is built. It is understood that this loan will be repaid from canal revenues.)

Safety Measure Along the Zambesi River, in Rhodesia and Nyasaland, tribeswomen knock out four front teeth, smear themselves with red clay and put sticks through their noses. These customs date from slaving days, when the least attractive women were safest.

Myths are primarily explanatory stories derived to account for natural phenomenon, the nature of divine beings or give reasons for ritual customs. Legends contain a core of historical fact around which mythical elements have collected. Folk or fairy tales are usually told simply for entertainment and do not rely on a moral.

## 12 Sites Selected For Polio Project

Wally Peacock, chairman of the Jaycee's "Sabin on Sunday" polio project, has announced that 12 sites have been selected as receiving stations for this oral polio vaccine.

The stations are as follows: Florida State Bank, Crooms High School, A & P Store at the Pinecrest Shopping Center, Midway School, Lake Monroe School, Lake Mary

School, Movieland Drive-In Theatre, Geneva School, Stubbs Pharmacy in Forest City, Winn Dixie on Highway 17-92 and 434, Jai Alai Fronton and Oviedo City Hall.

The Sanford-Seminole County Jaycee group is making an all-out effort to advise everyone in the area of the availability of this polio vaccine and, in turn, hope that everyone will avail themselves by taking this vaccine on "Sabin oral Sunday," as it is the simplest method devised of becoming immune to polio, stated Peacock.

Sabin vaccine is dropped on a lump of sugar and eaten, or in the case of a diabetic, can be taken in distilled water. Two doses of this vaccine taken over a period of weeks gives immunity against polio.

Receiving stations will be open from 12 to 5 p.m. on Sunday, April 12. With 12 stations, everyone should be able to receive the vaccine without delay as it will take only a matter of seconds. Doctors of the Seminole County Medical Society will be present at each of the locations.

Similar "Sabin on Sunday" programs are being carried on all over the nation. They have been highly recommended by the medical profession and well accepted by the general public.

Health authorities agree that persons can become virtually free from the threat of polio through use of Sabin polio vaccine, as it has proven itself to be the mass protector against polio.

A donation of 50 cents a dose will be asked to cover the cost of vaccine and supplies. A small amount for such large protection.

Dr. Frank Leone, county health officer, stated that all persons whether having taken oral vaccine or not should still avail themselves of the Sabin vaccine in order to make themselves fully protected against polio.

## Barracks 1197 To Sponsor Card Party

By Mrs. Adam Muller

Plans to sponsor a dessert card party were made by DeBary Barracks 1197, World War I Veterans, and the Auxiliary Unit at meetings held simultaneously last Friday in the Community Center.

The event is scheduled for 7 p.m., March 31, at the Center and there will be prizes for the table and door.

During the meeting of the Auxiliary, President Margaretta Holmes installed Marie Dugon as pianist. Guest speaker was Michael Donlon who spoke to the group concerning the importance of keeping in order all government papers and information needed in the event of illness.

The Barracks draped the charter for its meeting in memory of the late Nicholas Kahoe. Andrew H. Ashley was admitted as a new member.

A social and refreshment hour was conducted for both groups following their respective meetings. Refreshments were served by Mrs. E. Anderson, chairman, who was assisted by Mrs. A. Baul, Mrs. T. Howard, Mrs. J. Andrews, Mrs. M. Rosch and Mrs. W. Joyce. A program of music in the Irish theme was presented.

## National Director Is Guest Speaker For DeBary AARP

By Mrs. Adam Muller

David Jeffreys, director of field operations of the National Retired Teachers Association and of the American Association of Retired Persons, addressed the March meeting of the DeBary AARP Chapter.

He explained how the two organizations have developed over the past 20 years and outlined services now available to AARP members. These include low cost, non-cancelable, in-hospital and out-of-hospital health insurance plans which were pioneered by the AARP; a prescription and proprietary mail-order drug service now filling 75,000 orders monthly; a hearing aid service at discounts of 25 per cent and a non-profit travel service geared to needs of elderly people used last year by more than 4,000 members.

Jeffreys explained that in addition to guidance for management of finances the reason for expansion in AARP membership and programs is the guiding philosophy underlying all activities . . . that older people can continue to do things for themselves and

that their needs and security should not be met at the expense of other groups. He pointed out that all legislative, advisory and research activity of the two retiree organizations is directed to these ends.

Spencer Kroneberger, membership chairman of the DeBary Chapter, reported that 31 new members have joined locally in the past six weeks.

Guest speaker for the April meeting will be Col. William Hague who will give an Americanization address entitled "Are You a Citizen or a Sucker?"

Button Club Has Meeting In DeBary

By Mrs. Adam Muller

A collection of 19th Century buttons was displayed by Mrs. Winthrop C. Richmond of Tavaras and Acton, Mass., at a luncheon meeting of the Central Florida Button Club held last week in DeBary.

Lithograph buttons of famous personalities of the century, set in velvet frames, were shown and Mrs. Winthrop explained that such ornaments were worn by the ladies on their kid slippers.

Buttons in every shape, size and color were displayed, some in pure bone and one collection was from uniforms of the Canadian Mounties.

Mrs. Edward J. Mershon of Orange City is president of the club and Mrs. M. Young of Tavaras is vice president.

Contrary to popular belief, no species of snake is slimy.

## Project To Develop Marco Island Begun

The Deltona Corporation, building Deltona across Lake Monroe from Sanford, has launched a venture jointly with a group of prominent investors for the development of Marco Island on Florida's Gulf Coast — with long-term expenditures scheduled to top a half-billion dollars.

The Miami-based construction and development corporation announced that it has teamed up with an investor group in which major interests are held by Peter N. Thomson, Canadian investment and industrial executive; Gerry Brothers and Company, a New York private investment firm; Barron Collier Jr., son of the late advertising executive and pioneer Florida developer; and Mrs. Isabel Collier Read, sister-in-law of Collier.

Together, they established Marco Island Development Corporation, whose initial funds will be \$4.5 million and which is owned 50 per cent by the Deltona corporation and 50 per cent by the investor group.

Frank E. Mackle Jr., president of the Deltona corporation, said that the jointly owned firm will develop a total of approximately 10,000 acres on Marco Island, adjoining smaller islands and the nearby mainland. The property some 12 miles south of Naples.

"Marco Island is the last large undeveloped tract of waterfront land in South Florida," said Mackle, "and its rolling topography and tropi-

cal foliage give it a character unmatched in this part of the world. We are determined that the community we build there will be fully in keeping with the island's natural beauty and ideal location.

Under an exclusive contract with Marco Island Development Corporation, the Deltona corporation will perform all of the new company's planning, development, construction and sales work at Marco Island.

Mackle has been named

F. E. MACKLE JR.

## PTC To Have Open House

The Parent-Teacher Council of Enterprise will meet at 7:30 p.m. today in the school auditorium for a brief business meeting to be followed by an open house in all classrooms.

Baby sitting services will not be provided. Parents who have never attended a PTC meeting before will be counted double for the room count.

LONGWOOD OFFICIALS received congratulations from all sides last week at the Open House for the new City Hall and Fire House. In the top photo, County Commission Chairman James P. Avery commends Longwood Council Chairman R. C. Carlson, left and Mayor A. R. Lornmann for their efforts in making the new facility a reality and in bottom photo, Chief Claude Layo, right, conducts tour of the Fire House for Sanford Police Chief Roy Williams, left, and Lt. Joe Hickson. (Herald Photos)

## VAH-7 Names Month's Sailor

Airman John M. Kirkgard, U. S. Naval Reserve, was recently chosen as Heavy Attack Squadron Seven's "Sailor of the Month" for January. The award was presented by the commanding officer, Commander B. B. Brown, in front of all naval personnel aboard the aircraft carrier USS Enterprise.

The squadron is deployed aboard the nuclear-powered Enterprise with the Sixth Fleet in the Mediterranean Sea.

Kirkgard was given an engraved squadron cigarette lighter and a letter of commendation and will be granted special liberty privileges for a month. His name will also be engraved on a permanent squadron plaque.

The airman was chosen for his work during last January when most of the squadron was operating from Oceana, Virginia, and he was left aboard the Enterprise to run the material control division alone.

Oldest surviving use of carved mahogany is in the cathedral at Ciudad Trujillo built about 1614.

# TRY FORD'S AWARD WINNING RACE WINNING TOTAL PERFORMANCE

How Ford racing helps bring you a better car . . . Most automotive engineers will tell you racing is a valued laboratory. For example, track competition has led to these Ford engine changes: better block, improved pistons, improved valve train, stronger connecting rods and bolts. Such improvements contribute to Ford's winning track record, and to total performance in your everyday driving.

Ford ran up one of the biggest winning streaks in racing history—and raced away with Motor Trend's coveted "Car of the Year" Award for 1964! Ford's new total performance—Ford's outstanding durability, roadability, ride and response—not only wins races and awards, but also wins friends! Come in, drive a total performance winner at your Ford Dealer's soon!

The Star-News Staff Page 8—March 17, 1964

## Rudolph In Second Place Money-Wise

DUNEDIN (UPI) — Mason Rudolph of Clarksville, Tenn., vaulted into second place today ahead of Arnold Palmer in the unofficial professional golfers money-winning standings.

Rudolph, 28, at the peak of his game after four seasons in which he was a consistent money-winner but won only one title, collected \$1,018.87 over the weekend for finishing in an eighth-place tie in the St. Petersburg open.

Jack Nicklaus, who collected \$1,400 in the same tournament, continued to lead in total earnings with \$13,800. Palmer slipped to third with \$11,850 and Juan Rodriguez remained fourth with \$11,126.43.

Completing the top 10 in order are Paul Harvey (\$7,595), Gene Littler (\$7,318.76), Gary Player (\$7,250), Jacky Cupit (\$7,089.23), Dave Marr (\$6,924.48) and Dow Finsterwald (\$6,224.28).

## Wright Rolls 719 Series

Last week in the Singles Classic Bowling League, John Wright rolled a 719 series to take three wins from his opponent Phil Roche who rolled a 712 series. This still gave John a 30 point lead over his closest competitor, Harry Pentecost. Harry rolled a nice 710 total for his four games to take three wins from Jack Kanner who rolled a 715.

Ed Cellan also took 3 wins from his opponent, Jim Kurznick. Ed rolled a 686 total while Jim was rolling a 663. Gordon Honeycutt rolled a 721 total to win three games from Johnnie Jones. Johnnie rolled a 629 total.

John Spolski also won three games from A. H. Ray. John rolled a 759 total while Ray had his troubles and could come up with only a 587. Floyd Martin was the only man to lose all four of his games this week, but Jim Altman proved too much for him as Jim rolled a 727 total against Floyd's 673.

In the other matches, they all came out with two wins and two losses each. Pete Petersen rolled a 750 against his opponent, Bob Guthrie who had a 718 total. W. A. Ward and Rich Murphy rolled totals pretty close as Ward rolled a 675 to Rich's 693. In the last match of the league, Don Dorman and George Swann had a real close match as each won two and lost two. Don rolled a 732 for his four games and George rolled a 748 total.

High game of the night was rolled by Harry Pentecost. Harry rolled a 724 and a 778.

Others rolling 200 games were John Wright with a 202 and 207, John Spolski 200 and 202, Bob Guthrie 210, and 212, Gordon Honeycutt 208, Don Dorman and Rich Murphy with a 203 and Jim Altman with a 200 game even.

Gerald Behrens rolled a 685 total for his four games against his opponent Bill Howard. Bill has to roll his four games sometime this week as he was out of town.

## Strikes . . . Spares

There are weeks in bowling when it seems like everyone is a local professional. Then there's the other side of the coin when we'd much rather not even discuss the scores. After all, it's just for the fun of it anyhow, isn't it?

This is one of those weeks when everyone wants to carry the conversation on bowling scores.

Not only were the men scoring well over the 600 series marks but the gals were peppin' the timber up over the 500 level in their leagues, also.

As an example, these leagues had the gents over the 200-average plateau—all Stars, Navy Intramural, City, and the Mr. and Mrs.

Clarence Henning led the Navy-men with games of 218, 203 to finish with a respectable 601 set. Switching to the Wednesday evening City League, Howie (The Hook) Harrison had his "big bender" creeping up out of the channels into that pocket and he was really scoring big.

Howie shot the high game for the night, a 245 beauty, coupled with an even 200 to finish with a 627 series. Congratulations, Howie.

Rich (The Slingshot) Murphy rolled a consistent 200 ball in the Friday evening Mr. and Mrs. get-together league. Rich's games of 210, 203, and 208 combined for a fine night's effort of 618. Man, when he has that shotgun release of his working there's just not stopping this likeable guy.

In this same league, a familiar name of Jane Spitt-ski (h'mmmm, sounds just like our name!) was high lassie with her 180/474 set.

The Inland Materials three-some of Spolski, Murphy and Pentecost climbed back into first place again. Much of the thanks falling to the Larry's Mart team which humped Bob's Restaurant trio out of first last Wednesday night. High game was rolled by Garry Fox (217) with series falling to L.S.S., (Lucky Stiff Spolski), with a 204, 208/602 series.

By the way, do you remember that hard working Don Brumfield? He was formerly stationed here in Sanford with the Navy and then was temporarily assigned to Memphis for special training. A real worker for all of the bowlers in this area, we'll tell you.

We just received word from his wife Pauline that Don is quite ill in a hospital in Memphis and would like to get cards from his friends in this area. Don't put this one off will you friends? Send him a get well card now while it's fresh in your minds.

Send all cards to Don Brumfield, A.Q. 1, Ward No. 4, NAB Hospital, Memphis, Tenn. I know that he'll appreciate it as well as his family.

And while we're talking about hospitals, let's give a quick look at the happenings of the Seminole Memorial Hospital League.

Gordon (Perry Mason) Frederick rolled his first 200-plus game in league play with the pins falling to the amount of a 206 game. (The bar association meetings must be devoting more of their time lately to the fundamentals of the bowling approach rather than law, huh?)

In this same league, G. Cooper bowled high series with a 510.

Others who've been bowling real well this week were Midge Woods who had a 194, 220/581 series in the Sandspur League; for the Hi Nooners it was Dot Johnson with a 103 and Sophie Woodman with a 187/506; the Ball and Chain League watched Gene Rogero bowl a 205/546 series (high for the men) and Shirley Martin take similar honors for the gals with her 175/471.

Ollie Yellinek was the leader of the Pinecrest Inn League with a 177/407 series.

Oh, by the way, before we get into the final details of the women's annual city tournament results, let us remind you that the men will be bowling this coming weekend. You're invited to come out and watch some mighty fine bowling. Team events are on Saturday with doubles and singles on Sunday afternoon and evening.

And now let's review the final standings of the women's tourney. The team event was won by the Tempests of the Bill Hemphill Motorettes League who bowled the first Saturday and amassed a 2,669 handicap total for the balance of the field to shoot at and, lo and behold, after all the teams had taken aim at their series they were still perched on top. Let me introduce you to these "Bowling Queens," who will wear the team crowns until next year when another city tournament rolls around.

There is the leadoff girl, Harriet Grant, followed by Evelyn DeMatteo, Mabel Duggan the team captain, Edith Zull and Marlon Marella who will share in the prize money plus receive a beautiful trophy for their efforts.

LOCAL RACE DRIVER Jimmy DeBrine is shown with the Renault RA he will drive Friday at Sebring in a 250 kilometer event for cars with 850-1,000 cc motor displacement. Some 40 to 50 cars will participate in the event. DeBrine hopes to hit top speeds of over 100 miles per hour. He plans to average from 70 to 71 m.p.h. in his attempt to win the event.

## DeBrine To Vie In Sebring Race

Jimmy DeBrine, a local race driver, will test his skill and the competency of his auto Friday in a special 250 kilometer event at Sebring over the area's 5.2-mile course.

DeBrine, service manager for Seminole County Motors during the past three years, will drive a Renault RA owned by Bill Norton of Cocoa. The entry will appear in the Sedan race which will take approximately two hours to complete. It is open to all cars and some 40 to 45 are expected to participate.

The local driver's entry will compete in Group IV which is for cars with 850 to 1,000 cubic centimeter motor displacement.

Four Renault factory entries will compete along with the auto DeBrine will pilot. He expects top speeds of 103 to 104 miles per hour and anticipates averaging from 70 to 71 miles per hour.

DeBrine, 29, lives in Tee 'N Green Estates and has been racing for the past two years.

## SOKC Track Entries

Tonight's entries:

FIRST RACE — 8/16 Mile — 1. Susan MacGinity, 2. Hinge 'nug, 3. O.B.'s Doll, Johnny DeWitt, 4. Miss Dunmore, 4. Aquafina, 7. Loyla Luke, 8. Helen Hand.

SECOND RACE — 8/16 Mile — 1. Susan Rock, 2. Nehalil Ferrari, 3. Dr. Whiskers, 4. Go Luke, 5. Trussed, 6. Swift, 7. O. B.'s Oon, 8. Spicel Sam THIRTIETH RACE — 8/16 Mile — 1. Platina, 2. Tadlock Miss, 3. Willie Buxter, 4. Captain Adair,

5. Doncaster Rhy, 6. Sweet Barbis, 7. Gary's Trouble, 8. Tom Smiley.

FOURTH RACE — 8/16 Mile — 1. Duffy Gal, 2. Calle Come Back, 3. Nison's Jerry, 4. Bound Alone, 5. Tears For Lee, 6. Benjamin Rush, 7. Great Pira, 8. Kandy Kelton.

FIFTH RACE — 8/16 Mile — 1. Frosty Tip, 2. Pinto Casey, 3. Chief Lighting, 4. Tupper Top, 5. Liscardi, 6. Starlight Kathy, 7. Colored Benda, 8. Jeff, 9. Pie Cully, 4. Omar, 10. Wonder Girl, 11. O. B.'s Arch.

SIXTH RACE — 8/16 Mile — 1. Doris Dell, 2. Amanda L., 3. Frosted Falcie, 4. Elbarote, 5. Hines, 6. Hobbie Horro, 7. Chief Lighting, 8. Tupper Top.

SEVENTH RACE — 8/16 Mile — 1. Susan DeWitt, 2. Hocky's Blues, 3. Stuffer, 4. Doris Ellis, 5. Sweet Showers, 6. Travler Joe, 7. Her Set, 8. Danny Earl, 9. P. E. Wall, 10. Barbara, 11. Heidi Toy, 12. No Scar.

EIGHTH RACE — 8/16 Mile — 1. Little Rhonda, 2. Rocks's Circus, 3. Notified, 4. Occasion, 5. Rocks's Mollie, 6. Al Passam, 7. Edna Terry, 8. Rockin Bio.

## Jane Spolski In 186 Game

In the Jet Bowlerette's League the high game of 186 was rolled by Jane Spolski. Meda Whitlatch, with the help of a 176 game, had the high series. Behind Meda, was Madge Cummins, a newcomer to bowling, with a high game of 175 for a 472 series.

Other high games were: 178 for Ulla Ganderton, 169 by Peggy Dooley and 163 by teammates Alice Hall and Elaine Kostival.

Karna insurance remains in first with a 54% and 37% record. Back Furniture is in second with 50 wins and 42 losses. Out of second by a mere one half game is Seminole County Motors with 48% and 42%. Cut 'n Curl is in fourth with 48% wins and 43% losses. Lil' Buggers are in fifth with 44% wins and 47% losses.

Mary Esthers and Mary Carter Paite are tied with 42 wins and 30 losses. Buttall pins gives sixth spot to Mary Esthers. Sanford Sewing Center is in eighth with 37 wins and 55 losses.

## Hornets Sting Boy Hounds

Lyman High's boys' bowling team dropped a decision Monday to the Bishop Moore Hornets while Lyman's Girls won their contest with the Bishop Moore keglerettes.

The Hornets took their match with the Lyman boys 3 to 1 but the girls of Lyman whitewashed their opponents 4 to 0.

## Evans Gooseeggs Lion Bowlers

Oviedo High School's bowling Lions ran into stiff opposition Monday afternoon from the Trojans of Orlando's Evans High. Evans whitewashed the Lions' boys and girls squads, 4 to 0. The matches were played at Parkwood Lanes in Orlando.

Joyce Bellhorn paced the Lionettes with 260 pins while the Lions were led by Jim Brewer with 414.

## Keane Admits To Problem In Outfield

ST. PETERSBURG, Fla. (UPI) — The St. Louis Cardinals surprised them last season when they finished second and Manager Johnny Keane admits they can surprise them even more this year.

He thinks the club is going to be better, although admitting he has an outfield problem.

"Everyone on this club shares my feeling that we can do better than last year and the only way we can do to win the pennant," Keane says, "we all know we have a mighty good shot at it."

Keane, a frank manager who admitted he didn't expect the Cardinals to give the Los Angeles Dodgers the run they did for the National League pennant last year, philosophized that:

"We've got to be better because we know we came so close last year (the Cardinals finished six games behind the Dodgers) and that has got to boost our confidence."

He insists he is not worried about his outfield — the one weakness rival managers find in the Cardinal setup.

He has a fixture in centerfield in Curt Flood. He thinks Charley James will take care of right field and he's planning on platooning the right-handed hitting Carl Warwick and the left-handed hitting Doug Clemens in left.

He has an infield. It's Bill White at first base, Julian Javier at second, Dick Groat at short and heavy hitting Ken Boyer at third.

First stringer Tim McCarver and Jim Coker will take care of the catching. It could be the Cardinals will wind up short of pennant caliber in this department.

Pitching figures to be the Cardinals' strong point, although they do not have an outstanding relief hurler.

## Seminole Nine Meets Boone

Seminole High School's baseball team was to host the Boone High Braves of Orlando in a Metro League contest this afternoon at the local high school diamond.

It is the second outing of the current season for Coach Jim McCoy's charges. They dropped their opener to Winter Park High last Friday afternoon when the Wildcats posted a 6 to 9 win over the Seminoles.

The contest was slated to get under way at 4 p.m., weather permitting.

## Monbouquette's Smile A Warning

By Fred Down UPI Sports Writer

Bill Monbouquette's smile of satisfaction today is a warning to American League rivals that the Boston Red Sox pitcher means it when he says he'll improve on his 20 victories of 1963.

A hard man to please, Monbouquette says he wasn't as good a pitcher in 1963 as he was when he had marks of 14-14 and 15-13 in 1961 and 1962 respectively. And he's been saying all spring that he'll make 1964 the best season he's ever had in the majors.

The Cleveland Indians are inclined to believe him after Monbouquette's six innings of three-hit, shutout pitching in Monday's 5-4 victory by the Red Sox at Tucson, Ariz. Monbouquette is now one of the most advanced pitchers on either the Grapefruit or Cactus circuit and obviously is being groomed to open the AL season for the Red Sox.

The Red Sox gave their star pitcher a big cushion when they scored four runs in the fifth inning on singles by Dalton Jones and Jerry Dorsch and doubles by Tony Conigliaro and Tony Horton. It was only the Red Sox' second win in nine exhibition games.

At Vero Beach, meanwhile, base-stealing champion Maury Wills of the world champion Los Angeles Dodgers predicted that he may win the National League batting title this year.

"Some day I'm going to win the batting title," said Wills, who hit .302 last season, "and this could be the year."

The Los Angeles Angels regained their sixth win in nine exhibition games by downing the Chicago Cubs, 12-5. Thirty-six players saw action in the game with Angel relief specialist Julio Navarro.

## SHS Bowlers Win 4 To 0

Seminole High's boys' bowling team grabbed a 4 to 0 decision Monday at Jet Lanes from the Colonial High Greasers.

Meanwhile, Seminole girls dropped a 3 to 1 encounter with the Colonial girls.

John Boggs paced Seminole in the Inter-Scholastic Bowling League encounter when he racked up a total of 523 pins. Mary Swigonakis with a total of 401 led the Seminoles girls.

## THE DEPENDABLES: SUCCESS CARS OF '64

When it comes to convertibles, Dodge has 'em...  
 The difference? Dart, the Dodge on top, is a compact. And if you think it doesn't look compact, here are a few other surprises: It doesn't sit, it sits on (like all the most compact) Dart's large economy size compact. Roomy. Powerful. Rifty. Yet simple.

How about the Falcon, below? If you, how about that. Full, very upstanding. A nose-down center around in front. A section of power plants low set of the price can come close in. Price! That's the kicker! This full-size Dodge in priced model for model with Ford and Chevy.

So see 'em. Full-size Dodge. Compact Dart. We'll be glad to demonstrate you'll buy 'em.

# Women To Begin Qualifying Wednesday

## Boy Runner's Death Monday Under Probe

ST. AUGUSTINE (UPI) — Officials today investigated the cause of death of a 15-year old boy who collapsed shortly after the start of a cross-country track meet between three high schools.

The boy, Eddie Martin, was a sophomore at St. Joseph's Academy here. Burt Lewis, coach of the Florida school for the deaf and blind where the race was run massaged the boy's chest until an ambulance arrived to rush him to a hospital, where he was pronounced dead Monday afternoon.

Martin fell after he had covered 300 to 400 yards of the 2.5 mile cross country course laid out over the deaf and blind school campus.

## Perfecta Pays Record \$1,560

A 6-5 finish in the All Star tenth event of Monday's Matinee program at the Orlando Seminole Jai Alai Fronton produced an all-time record perfecta payoff of \$1560.00.

Winners were Ermu and Muguera who went in on long odds in post six and waltzed home handily to pay \$21.20, \$24.60 and \$4.80 across the board. Jacin and Echanis were second in the fifth post position, paying \$13.20 to place.

Previous high perfecta at the local fronton was \$1303.00, which came up earlier this season. Several other perfecta have topped the \$1,000 mark.

In Monday night action Alberdi and Elorri shared the Daily Double honors, returning \$106.20 on a 5-4 combination.

Martin and Echanis were the winners of the feature eighth game doubles match in post six, with Gasti and Iriarte finishing second.

## About Sports

### Thinking Out Loud

BY JULIAN STENSTROM

"I'll fight anybody, anytime, anywhere," shouted the Louisville Lip—Cassius Clay—right after he won the world's heavyweight boxing title by default . . . and try as you will you can't find a better way to describe it.

But what happens? Clay has been offered a minimum of \$750,000 to fight Floyd Patterson. Clay won't accept it. Eddie Machen has asked for a bout. Clay won't hear of it. Every other heavyweight contender would like a shot at the title. Clay's representatives won't even talk about it.

Taxes? Oh, yes, they play a big part. But Clay didn't mention that when he won the title. He said he'd fight "anybody, anytime, anywhere." Yeah?

We were talking with Athletic Director Fred Ganas at Seminole High School. "What's the state for this week?" we asked. "Let's see," mused Fred. "We've got a track meet with Edgewater, Winter Park and Oak Ridge on Wednesday. We play golf with Oak Ridge today, we played baseball with Boone Monday. "What about bowling?" we inquired.

"Gosh, I really don't know," replied Ganas. "There's so much going on up here even I can't keep up with it."

If Ganas thinks its rough now, wait'll the swim team goes into action.

Which is the cheapest . . . a half dozen or so baseballs at \$2.50 each for a dozen games or the cost of renovating the backstop at Longwood Park where the Lyman Greyhounds play high school baseball.

You see, there's a swamp next to the road which runs right behind the backstop at Longwood Park. Foul tips from the bats of hitters generally wind up in the swamp

on the fly or they take a healthy bounce on the road and "plop"—right in the swamp.

During the 'Hounds' season opener with Oviedo last Friday 10 new baseballs were used. A half dozen of them wound up in the murky mire.

Twenty major league baseball stars will compete in a unique all star baseball "bowl". It'll be a team match as an extra added attraction of the third annual Major League Baseball - Bowling Championship in Tampa. The match will be carried on Channel 2 (NBC's Sports Special) on Saturday, April 4, from 4:30-6:00 p. m.

Stan (The Man) Musial, recently named the nation's new physical fitness director by President Johnson, will appear on the show.

Among leader diamond greats who will bowl in the tourney are Duke Snider, Frank Robinson, Ernie Broglio, Nellie Fox, Curt Simmons, Art Mahaffey and Frank Bolling. Also, there's Lee Strange, Pete Ward, Norm Cash, Jerry Lumpe, Wayne Causey and Chuck Hilton.

Florida A&M's Rattler Football coach Jake Galther will serve on the staff of the 14th annual National Football Coaching Clinic in Convention Hall, March 16-19.

The nation's winningest football coach will speak on "The Psychology of Coaching and 'Spread Your Way to Victory.'"

Coach Galther has a 19-year record of 138 wins, 24 losses, and four ties. He was small college "coach of the year" in 1961 and received the Football Writers Association of America small college Award of Merit in 1962. He was inducted into the Helms Foundation Football Hall of Fame in 1961 and the Florida Sports Writers Association Hall of Fame in 1962.

## Entries For Golf Tourney Are Grouped

Sanford's women golfers will begin qualifying Wednesday for the 1964 Club Championship Tournament sponsored each year by the Sanford Atlantic National Bank.

In Wednesday's opening play entries have been grouped as follows:

Ellen Betts, Grace Sayles, Edie Ware and Min Keenan; Franchon McRoberts, Angie Russell and Hazel Durzo; Dossie DeGanahl, Marion Cox and Frances Phillips; Reba Mahan, Jimmie Livingston and Vivian Pierce; Ruth Heron, Susie Dickey and Frances Goodman; and Elaine Kerr, Jackie Crawford and Jo McDaniel.

Also, Harriet Williams, Lucille Heard and Virginia Sheddon; Keen Ivey, Doris Spencer and Myrtle Adams; Katherine Park, Ida B. Wilson and Jane McKibbin; Muriel Scott, Charlotte Bassett and Blanche Nicely; Jan Johnson, Ann March and Peggy Billups; Essie Batson, Katie Jackson and Marge Echleberger; and Anna Butts, Mosey Johnson and Josie McCallum.

Recently in play among members of the Sanford Women's Golf Association, winners of a best ball of foresome tournament were Angie Russell, Elaine Kerr, Reba Mahan and Jackie Crawford.

Last week, Edie Ware, Jo McDaniel and Blanche Nicely were winners of a low gross tourney.

## Fight Results

PHILADELPHIA (UPI) — George Benton, 163½, Philadelphia, knocked out Ernie Bufford, 159½, Memphis, Tenn. (4).

DETROIT (UPI) — Wilbert (Skeeter) McClure, 160½, Toledo, Ohio, knocked out Tommy Payne, 161½, Detroit (8).

MRS. HELEN KIDDLE (seated left) came all the way from Essex, England, to join in catching these 40 shad during a three-hour period on the St. Johns River Monday afternoon, out of the Osteen Bridge Fishing Camp. At the right is her sister, Mrs. Gifford Cochran, of Ellsworth, Me., and Oviedo. Standing are H. M. Rogers, guide of Orange City, and Gifford Cochran.

## Hornung Now Must Win Back Slot In Lineup

By Gary Kale  
UPI Sports Writer

Paul Hornung, the "Golden Boy" of pro football, cleared one hurdle today but faces another—earning a place in the Green Bay Packer starting lineup.

Hornung and Detroit All-Star tackle Alex Karras returned to the good graces of the National Football League Monday when Commissioner Pete Rozelle lifted their one-year suspension for betting.

A three-time NFL scoring champion, Hornung will battle Tom Moore for the job he once held so securely.

And if Hornung thinks this is easy, he should recall the story of Wally Pipp. The New York Yankee first baseman took a day off back in 1923 and never returned to the

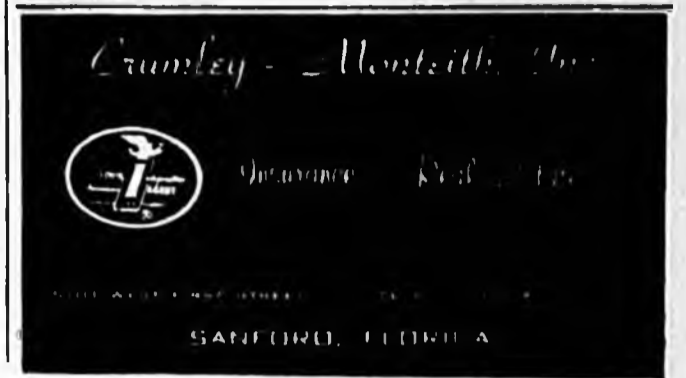

starting lineup. A youngster named Lou Gehrig took over that day and the rest is history.

Moore was the eighth leading ground gainer in the NFL last season with 658 yards and a 5.0 yard average per carry. He scored six touchdowns.

Hornung and Karras were

banned from the NFL last April 17 "indefinitely" for placing bets ranging from \$50 to \$500 mostly on their own teams to win.

They missed the entire 1963 season and their absences sent the Packers and Lions reeling to unaccustomed lower positions in the standings.

# save money two ways on income tax

...this year and every year!

The April 15th day of reckoning (and reckoning and re-reckoning) is rapidly approaching . . . bringing with it the customary frantic figuring and painful payments. Reddy offers two suggestions that will help you cut your tax substantially.

### 1 Take advantage of all possible deductions!

Itemize all your legitimate deductions. Reliable income tax guides give a complete listing of all possible deductions plus many other tax-saving hints; special tax consultants are available to help with complex returns. Note particularly that you can deduct the various direct taxes you pay each year. Your total tax bill, however, adds up to much more than these direct taxes. You cannot deduct "hidden taxes" included in the price you pay for goods and services.

### 2 Keep the government out of business!

The part of your tax dollar that enables the Government to compete with private industry is not deductible either. (For example, Florida's share of the tax burden involved in Federal power projects has already amounted to approximately \$140 million—or about \$61.00 per household.) Support private enterprise, it's one of our basic freedoms. Keep Government out of business . . . and you'll have more money left over for your personal use on April 15th every year!

## Two Brownies Celebrate Birthdays With Troop Members On Television

By Jane Casselberry  
Carol Leist and Lorraine Perkins of Howell Park Brownies Troop 638 celebrated their eighth birthdays by going to the television station of WDBO-TV in Orlando and appearing on the "Uncle Walt" program with their fellow Brownies, Wednesday, March 11.

The group was accompanied by the mothers of the birthday girls, Mrs. Jack Perkins and Mrs. Frank Leist, of Casselberry.

Mrs. Robert Begin is leader of the troop and Mrs. Thomas Leonard is co-leader. In addition to Carol and Lorraine other Brownies included Marsha Begin, Patricia Frank, Susan Grimes, Marilyn Hartshorn, Teresa Harwood, Teri Hinton, Susan Leonard, Patricia Miller, Debra Moore, Leanne O'Conner, Melissa Pettinati, Julia Stansell, Karen Tankersby, and Laura Toonk.

LORRAINE PERKINS and Carol Leist, front row left, celebrated their eighth birthdays by appearing on television with members of their Brownie troop. Others are left to right Susan Leonard, Marsha Begin; second row, Leanne O'Conner, Marilyn Hartshorn, Teresa Harwood, Patricia Miller, Teri Hinton, and Patricia Frank; back row, Laura Toonk, Julia Stansell, Debra Moore, Melissa Pettinati, Karen Tankersby, and Susan Grimes. (Herald Photo)

## Casselberry Club Plans Meeting

By Jane Casselberry  
The Women's Club of Casselberry will hold a social meeting at 1:30 p.m. Wednesday at the Club House on Overbrook Drive.

A book review will be presented by Mrs. J. E. Dunwoody of Winter Park, a member of the club who is associated with the Rollins College library.

A brief business session will be conducted to discuss upcoming plans and cards will be played to complete the afternoon meeting. All members are requested to attend.

## DeBary Chapter Meets Wednesday

By Mrs. Adam Muller  
The Wekiwa Chapter of the Daughters of American Revolution, DeBary, will meet this Wednesday at 2 p.m. at the home of Mrs. Arthur L. Arrington, Plumosa Drive. The program will be conducted by Miss Alice Cooper, and the DAR Kate Duncan school will be discussed.

MRS. FRED GANAS, will create one of her famous flower arrangements and explain how easy it is to those attending the Animated Magazine program at the Woman's Club, this Wednesday. She is shown here with one she made at a recent Garden Club Circle. (Herald Photo)

## Zeta Xi Holds Model Meeting At Boyd Home

Zeta Xi Chapter, Beta Sigma Phi, model meeting for spring rushees was held recently at the home of Mrs. Philip Boyd.

The program, "What Beta Sigma Phi Means" was presented by Mrs. Boyd. She outlined the history, purposes, ideals and traditions of the sorority, followed by a brief quiz. Mrs. Fred Wilson was awarded the prize for most correct answers on the quiz. Other members attending the meeting were Mrs. P. H. Bach (sponsor), Mrs. DeWitt Matthews, Mrs. Louis Linnekuigel, Mrs. Donald LeFila, Mrs. George Beers, Mrs. Vincent Cara, Mrs. Robert Wissa, Mrs. Richard Butler, Mrs. Robert Morris, Mrs. Joe T. Corley, Mrs. S. O. Dornmeyer, Mrs. Thomas Russell and Mrs. Gary Hudgens.

## Two Enterprise WSCS Groups Meet

By Helen Snodgrass  
The two groups of Women's Society of Christian Service of the Barnett Memorial Methodist Church met Tuesday.

The morning group assembled at the home of Mrs. Wilbur Bruce, with Mrs. Mickey Nutt conducting the program on "Easter." Mrs. Frank Winkler presented brief high lights of the district WSCS meeting at Daytona Beach last week.

Mrs. Harvey Dunn was hostess for the evening group, using the theme "Mature Years" for the program. Participating in the program were Mrs. Warren Hise, Mrs. Charles Morrell, Mrs. J. V. Richards and Mrs. Aloetha Evans.

Wednesday morning Mrs. Fred Foster entertained with a coffee hour at her home for young married women with small children. Plans were discussed for organizing a WSCS circle for this group.

What happens to a homemaker's time? If it consistently gets away from you, leaving you desperate for a few minutes for yourself, resolve to do something about it. Home economists suggest you make up an hour-by-hour plan and follow it.

## THOSE HORRID AGE SPOTS

**FADE THEM OUT**  
"Weathered brown spots on the surface of your hands and face tell the world you're getting old—perhaps before you really are. Fade them away with new ESOTERICA, that medicated cream that breaks up masses of pigment on the skin, makes hands look white and young again. Equally effective on the face, neck and arms. Not a cover-up. Acts in the skin—not on it. Fragrant, greasy-free base for soothing, lubricating skin as it clears up those blemishes. At leading drug and jewelry counters \$2 plus tax. If you have those age-revealing brown spots, blotches, or if you want clearer, lighter skin, use ESOTERICA. At all Drug Stores. TOUCHTON REXALL DRUG

## Garden Circles

**Palm Circle**  
Members of the Palm Circle of the Sanford Garden Club met at the home of Mrs. George Hounds, on Virginia Avenue, for the monthly session.

Refreshments of fruit juice, coffee and assorted pastries were served by the hostess while members enjoyed the many artistic arrangements created by the hostess and the beautiful red and white petunias at the entrance.

Following a short social period Mrs. Blanton Owen, president, presided at a short business session. Plans were discussed for the April Flower Show.

Mrs. Helen DeWitt presented the program using as her subject "Flowers, Real and Painted." Mrs. DeWitt who is interested in both gardening and painting pictures stated that the two have much in common and with rough sketches demonstrated the relationship between a landscape and a painting.

Other points of interest brought out in her talk included arranging and placing flowers in the home and choice of materials. Mrs. DeWitt stated that composition and design in this field are as important as in painting a picture.

An important factor to note in placing an arrangement is the shadow cast by the subject and the choice of flowers and type of arrangement should fill the decor of the home the same as a picture.

The greatest difference between a flower arrangement placed in your home and a picture hung on the wall is that the bouquet is transient but the picture is permanent.

## Study Of Child Nature Still Remains Parent Problem

By Patricia McCormack  
**NEW YORK (UPI)** — Back in 1890, thoughtful mothers laced on their shiniest high-heeled shoes, put on their most fashionable long dress and headed for a meeting of the society for the study of child nature.

Some got t here via horse-drawn buggy. A few went on bicycles. Others walked.

What they discussed once they got to the somber meeting, however, didn't differ too much from what's argued at contemporary meetings of child raising experts.

Proof of this comes from a yellowed with age collection of programs from the Society for the Study of Child Nature, circa 1890, and in the files of the Child Study Association of America.

A review of the old-time problems of child-raising shows pretty much that the more things change the more they are the same.

Consider the following subjects discussed at the 1890 meetings:  
—"Does the time devoted young children stunt the mental growth of the mother? Surely, that's another way of saying the problems of the trapped housewife!"

"Possibility of perfect obedience, and methods of obtaining it." Contemporary version: How to get the offspring to pay attention to ma and pa.

"Can music, per se, be demoralizing, even when it is sensuous?" Modern statement of the problem: What shall we do about the Beatles, if we can prove they're harmless.

"Should mothers be stimulated to meet the child's understanding or should the child be elevated to a feeling of ease in an atmosphere of refined language?" The 1964 version — should we be

## Study Of Child Nature Still Remains Parent Problem

parents learn baby-talk? Some of the questions under discussion at the pioneer meetings of the child study group could not be on the agenda of similar contemporary meetings. They reflect changes, scientifically documented, in child-raising arenas.

For example, back in the nineties, parents and experts argued about such things as fostering reading in children and when to administer corporal punishment.

About the reading? They wondered if reading should be fostered in a child. About corporal punishment the question wasn't IT, as it is today. No, ma'am. Rother, it was — should it be administered immediately after the wrong committed or later?

One question, of course, is eternal. From the programs of the meetings of the Gay Nineties, it goes like this: "Are the children of today as reverential as the children of former times? The camaraderie existing between parents and children at present is productive of familiarity, that may at times approach disrespect."

After discussing that one for awhile, the experts of the nineties agreed that the camaraderie has a great influence through the love that it engenders.

Among the questions of the nineties that have ceased to be a source of argument is this one: "Should children be taken to the circus?"

## Dear Abby: By Abigail Van Buren

DEAR ABBY: I have a neighbor whose husband travels. I have always suspected that she liked my husband, but I didn't pay much attention to it because he never encouraged her. One night, when her husband was out of town, she called here and said she was hearing strange noises, was afraid to stay there alone, and could she run over and use our couch. I said, "Sure, come over." Well, she came over dressed up like she was going to a ball. I fixed coffee and the three of us sat around watching TV. Meanwhile, she didn't take her eyes off my husband. The next morning, when I came into the kitchen to make breakfast, there she sat all made up, wearing a nightgown you could read a newspaper through. I heard my husband coming, so I threw her an overcoat. I said nothing. How should I act toward this neighbor from now on?

**WANTS NO ENEMIES**  
DEAR WANTS: You may not want enemies, but you don't want any friends like your neighbor, either. Avoid her. Should you accidentally meet, be polite, cool, and distant.

**DEAR ABBY:** I am 18 and my brother is 13. Our job is doing the supper dishes every night. We have a system. He is supposed to clear off the table and wash, and I wipe, put away and sweep the floor. This is an equal amount of work, isn't it? Well, he always picks a fight about whose job is harder, then my mother gets disgusted and chases us both out of the kitchen and she ends up doing it herself. My brother just runs off and watches television, while I sit around feeling guilty. Can you solve my problem?

**GUILTY GIRL**  
DEAR GUILTY: If your brother thinks YOUR job is easier than his, and YOU think the work is "equal," switch jobs with him. And if he must complain, tell him to keep his voice down. Kids have been ducking work that way for years because they know that mothers would rather do it themselves than referee a fight.

## Jacoby On Bridge By Oswald Jacoby

One of the most important principles of defensive play is to take control any time you are sure of a winning line of play. No matter how well your partner plays, he will make some mistakes. Why give him a chance to do so, when you don't have to?

West opened the king of diamonds against the four-spade contract and East dropped the deuce. West thought a while and finally decided to continue diamonds anyway.

This unfortunate line of play gave declarer his contract. He ruffed with dummy's king and went after trumps. He still had to lose the heart finesse, but he could well afford it.

East was pretty bitter about automatic and that even if West had not been smart enough to see that he might have shifted to a heart. Had West shifted to a heart there would have been no way for declarer to prevent him from ruffing the third lead of the suit.

East's analysis had been fine, but his play poor. East knew he wanted trumps led and could have afforded to overtake the diamond and lead the ace and another trump himself.

Incidentally, while North and South made the spade game they might well have bid four hearts which could not have been beaten by any defense.

## We The Women: By Ruth Millett

The majority of so-called "successful marriages" are barely going concerns, reports a former colleague of the late Dr. Alfred C. Kinsey after making a three-year study of the marital success of 537 normal, successful, upper-middle-class men and women.

What's wrong with the marriages? Well, in the sociologist's words, most of them are "conflict-habituated, devitalized, or passive congenial."

Sounds awful, doesn't it?

## 'Good Citizens' Discussed

"Building Good Citizens" was the theme of a discussion group before ninth grade students of Sanford Junior High School Friday at the school. The program was coordinated by Dr. John Wilson, of the State Experiment Station.

Speakers and their topics were George Touhy, "Values of Life"; Rep. S. J. Davis Jr., "Why We Need Laws"; Judge Vernon Mizel, "Why Enforce Laws"; and Dr. John Darby, "What the School Can Contribute to Law Abiding Citizens."

This session was a follow-up to an earlier meeting with these students when Dr. Luis Perez discussed "Communism in the Schools."

### C Of C Division Is Reactivated In DeBary

By Mrs. Adam Muller  
A special meeting of the Business and Professional Division of the DeBary Chamber of Commerce was called on Sunday afternoon at the Firemen's Recreation Hall for the purpose of reactivating the division.

Officers elected were E. A. (Bud) Davis, president; Dorothy Papineau, vice president; Alberta Warner, secretary, and Oscar Papineau, treasurer. Sam Faron was elected chairman of the board and Myron Accardi as chairman of advertising.

Others attending included Stanley Stroud, William Henekhan, Ed Redman, Marjorie and Charles Vurginac, William Stripp, Darwin Bruce, Francis Pesold, Joe Brenner, A. Krets, George Gerling, Anthony Mednyk, Edgar Corson, Fred Ferrick, S. Beall, Mike Bortogak, Lenny Blondi and George Ryan.

The next meeting of the division is scheduled for April 14 at 7 p.m. at the DeBary Mansion House. Any business man or woman in the area may join the DeBary Division.

### Lake Mary Club Has Meeting

The Lake Mary Home Demonstration Club met last week at the Fire Hall for its monthly covered dish luncheon meeting with Mrs. Edwin Kennedy and Mrs. Watson Neel as hostesses.

Mrs. W. H. Heinbuch gave the devotions and Mrs. T. A. Stiles reported on the County Federation Meeting.

It was announced that County Events Day for the 4-H Clubs will be held in April at which time members will be judged in skills and achievements.

Mrs. Joe Smathers and Mrs. H. E. Sandusky displayed hats and bags they had made and plans were made for a workshop to teach other members how to make these items.

A bakeless bake sale was conducted.

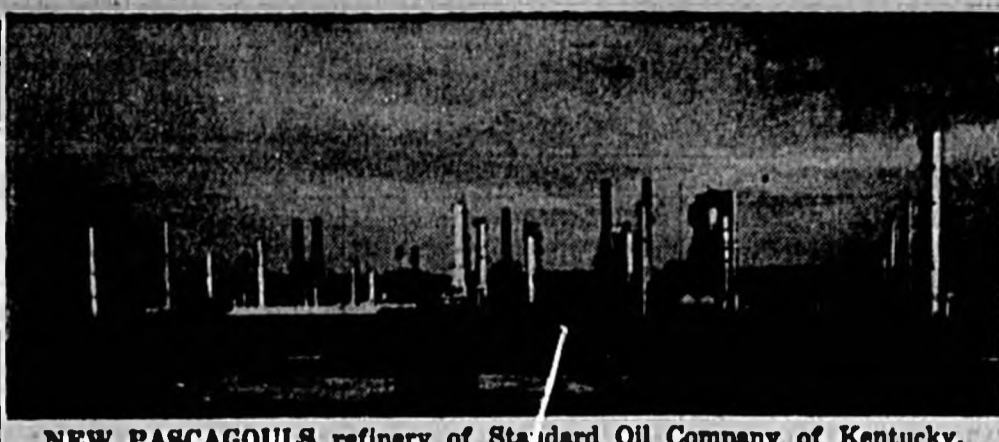

Appointed as a nominating committee were Mrs. Carl Moss, Mrs. Heinbuch and Mrs. Stiles.

A demonstration on refinishing furniture was presented by Mrs. G. O. Nordgren and Mrs. John Malloy of the Lake Monroe Club.

### Unit To Meet

The auxiliary unit of VFW Post 8083 of DeBary will meet at 7:30 p.m. Thursday in the Firemen's Recreation Hall. Sally Perallo will preside and Mrs. William Denning will report on the recent rummage sale held in Sanford by the group.

United Nations headquarters in New York City cover an area of approximately 18 acres.

NEW PASCAGOULA refinery of Standard Oil Company of Kentucky.

### Standard Oil's New Refinery In Operation

PASCAGOULA, Miss.—The fast-moving industrial upsurge of the Southeast was given added impetus as the new Pascagoula refinery of the Standard Oil Company of Kentucky was placed on full stream.

With a capacity in excess of one hundred thousand barrels of oil a day, this new refinery is America's most modern, and one of the largest in the world.

Covering twenty-six hundred acres, it is fed with crude oil from the Gulf Coast fields through the world's longest underwater pipeline.

Gasoline consumption is growing faster in the South than in any other section of America, and the construction of this giant new refinery at Pascagoula helps assure adequate supplies in the years of growth ahead.

#### Introduced Bach

Felix Mendelssohn, browsing among dusty manuscripts by a forgotten provincial church musician, came upon the St. Matthew Passion by Bach and launched the famous first concert performance of this masterpiece.

### 'Navy Appreciation Day' To Be Held Saturday

The Seventh annual "Navy Appreciation Day" will be held Saturday, climaxing a full week of events at the Sanford Naval Air Station "Bombing Derby."

This event is staged annually by the Sanford-Seminole Jaycees in co-operation with the Chamber of Commerce to show appreciation to all base personnel and families of the Sanford Naval Air Station for the good re-

lationship that exists between the Navy and the citizens of Sanford and area.

Chairman Fred Wilson, co-chairman Phillip Skates and their committees are hard at work preparing for this event to be held at the Lake Golden recreation area of the station.

Many other local organizations and civic clubs are co-operating with the local Jaycees organization to make this day a successful one.

This program will commence immediately following the presentation of the Bombing Derby awards. Wilson said there will be an abundance of food and the menu will consist of hot dogs, baked beans and cole slaw. Skates said there will be drinks and refreshments for everyone along with live entertainment.

Wisents are the bison of Europe.

Carlton

FLAVOR-FILTER

ANALYSES OF THE SMOKE OF SAMPLES OF CARLTON CIGARETTES ARE MADE PERIODICALLY BY AN INDEPENDENT RESEARCH LABORATORY. ANALYSES DURING THE MOST RECENT TEST PERIOD PRIOR TO THE MANUFACTURE OF THE CIGARETTES IN THIS PACKAGE AVERAGED:

"TAR" 2.5 MG PER CIGARETTE

NICOTINE 0.4 MG PER CIGARETTE

\*SMOKE COMPONENTS COMMONLY BUT INACCURATELY CALLED "TAR"

## See for yourself.

This is Carlton, the unusual new cigarette from The American Tobacco Company. Everything about Carlton is selected and crafted to produce this one result: (Low "tar" and nicotine, with real smoking pleasure.) It is so low in "tar" and nicotine we print test results on all packs and cartons. ■ Carlton has a distinctive blend, high porosity paper, special air vents, and a new "flavor filter" with activated charcoal which actually enriches the taste. ■ We believe you'll want to try Carlton. We also believe you will find it a new and pleasurable smoking experience. Give Carlton the time it takes you to smoke a carton. ■ See for yourself.

### In Florida... after bowling, beer is a natural

After you've bowled a game or two, or when you're winding up the evening at the neighborhood bowling center, it's good to relax with friends and compare scores. What better way to add to the sport and the sociableness than with a refreshing glass of beer? However you take your fun—beer always makes a welcome addition to the party.

Your favorite glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

**In Florida...beer goes with fun, with relaxation**  
UNITED STATES BREWERS ASSOCIATION, INC.  
P.O. BOX 90, GAITHERSBURG, MARYLAND

Just to show how "on the ball" that ACL RR bunch is, the teeth-jarring crossing at Fourth and Elm was repaired before our shuddering paragraph about it had hit the streets! And, you'd better believe it, the teeth don't get that shock now. Oh yes, and something else — LeRoy Anderson's crew fixed some other street crossings even though they hadn't gotten as bad as that one we mentioned. Thanks, LeRoy and gang!

That oft quoted statement of Horace Greeley's "Go west, young man, go west!" seems to be getting popular in our fair city. And it seems just the thing to do. Or have you noticed?

That heavy fragrance of citrus bloom that fills the air about us now (and isn't it just exquisite!) will no doubt convert into a heavy balance of the check books that fill the banks for the growers, come fall. At least that is what they hope—and so do we.

Jaycees want it known to all planning to attend the air show on "Navy Appreciation Day" Saturday at the Sanford Naval Air Station that the "eats are on the house." Chairman Fred Wilson said there will be hot dogs, baked beans, cole slaw and soft drinks for 5,000 persons... at no charge at the Lake Golden picnic area.

Wonder if John Mikler at Skate City and Shealy Best at Melodee ever got together with the powers that be at Seminole and Lyman high schools to see what about the physical fitness program that includes roller skating as well as bowling. No doubt there are many high schools hereabouts that would like to set up some interscholastic competition in figure, speed, pair dancing, etc.

A dance is planned for Friday night at the Seminole High School's students lounge. Proceeds will be used to defray the expenses of a Key Club member to attend the international convention at Dallas, Texas. Music will be provided by the Original Playboys.

Memo to the City Fathers: Some senior citizens of Sanford wonder why you do not take a lead from St. Petersburg and provide benches at intervals, especially in the city parks.

Kudos to Frank Finch on being named Jaycee of the Month. He has shown outstanding interest in Jaycee activities since joining the group a short time ago. He's headed up two projects, worked in one phase of almost every other project, was appointed to the board of directors and in a short while got enough points through his activities to become a winner of the Spoke Award.

Just to correct the record, the Glenderville Volunteer Fire Department meets on the first and third Thursday of the month.

A Social Security representative will be in Sanford at the City Commission Chambers each Wednesday to assist persons having questions about their Social Security. Hours are from 9:30 a.m. to 12:30 p.m.

Might look around your home to see if you can help this woman. She wrote to The Herald, telling of the need for part-time students here for such things as "some odd, dry, sea creatures, sea shells, corals, sponges, etc." The writer tells of the poverty in "this small, country town" of Knox, Ind.

"I hope you can help us," says Mrs. Helen Ludwig of 408 South Prettyman Street in Knox. "We'd be forever grateful and obligated to you and appreciative," she adds. The items will be used in future studies of the students.

An aged car was parked on First Street the other day. The right rear fender had a crude swastika painted on it.

## 92 Percent Ballot In North Orlando

More than 92 per cent of the registered voters in North Orlando went to the polls Tuesday to elect two of four candidates to the village council and five of nine candidates to a citizens charter board.

Victories were scored by

## Some Candidates Won't Be On Primary Ballot

Having no opposition in the May 5 primary, names of many candidates will not appear on the ballot until the Nov. 3 general election. Nine Seminole County nominees already are automatically elected by having no opposition at all.

Republicans will choose only among three candidates for governor in the first May primary. Run-off or second primary will be held May 26. Seminole County Democrats will nominate in the May 5 primary in 12 county races. (\*) Indicates incumbents. Here are the candidates:

For state representative: S. J. Davis Jr. (\*) and Robert Petree; tax collector: James P. Avery Jr., W. B. Ellerbe, Troy Ray, Marjorie Shepard, Rudy L. Sloan and Roy E. Wright Jr.; tax assessor: Richard E. McCanna and Mary Earle Walker (\*); county judge: Karlisle Hucker and Harlan, Tuck; prosecuting attorney: Kenneth McIntosh and Thomas A. Speer.

## Holland Names Seminole Team

Appointment of a committee to conduct his campaign in Seminole County for reelection was announced today by U. S. Sen. Spessard Holland, senior Senator from Florida.

Merritt Winslett, Holland's campaign manager in Florida, said that the Senator named A. B. (Tommy) Peterson Jr. as chairman and S. O. Chase Jr. as deputy treasurer. Other Seminole County committee members are Frank Wheeler, Andrew Caraway, Dr. Charles Park Jr. and George Harden.

Peterson said the committee will set up and staff county headquarters and drive for Holland's reelection.

Holland is opposed by Bralley Odham, Orlando Democrat.

## 'Pop' Goes Bud's Big Gas Bag

LAKELAND (UPI) — Gunning down a candidate's campaign balloon is going too far, the Lakeland manager for gubernatorial candidate Fred O. Dickinson complained to police Tuesday.

Ed McMullen said somebody has apparently been taking pot shots at a "Dickinson" balloon which flies 100 feet above campaign headquarters here.

## Exiles Picked Up

MIAMI (UPI) — The Coast Guard picked up 30 Cuban refugees in two boats off Marathon Key Tuesday night and took them to Key West for immigration processing.

## Bombing Derby

## U. S. Warns Reds To Free Fliers

### White House Denies Citrus Lease Plan

LAKELAND (UPI) — The proposed leasing of Virgin Islands sugar cane land for citrus grove use has been officially denied by the White House, Florida Citrus Mutual said it was informed today.

Mutual Executive Vice President Robert W. Rutledge made the announcement at a meeting of Mutual's board of directors here. He said the word had just been received from Sen. Spessard Holland and George Smathers.

"Naturally this is the decision that we wanted," Rutledge said.

The Mutual executive praised the members of the Florida Congressional delegates and President Johnson for the action.

He added that the concerted efforts by the citrus industry in Florida, Texas and California paid off.

The lease proposal would have converted 1,700 acres of sugar cane land in the Virgin Islands into citrus groves and would have opened the way for Panamanian oranges to enter the United States duty free. The Panamanian oranges would have been shipped into the Virgin Islands where they would have been used with Virgin Island fruit for processing into orange concentrate.

This concentrate would then have been allowed to be shipped into the U. S. duty-free, Rutledge said.

COMMANDER'S TROPHY of Heavy Attack Wing One will be presented to the outstanding Atlantic Fleet heavy attack squadron Saturday at the awards presentation ceremony of the Bombing Derby at Sanford Naval Air Station.

## VAH-3 Winner Of Weapons Loading

Early Bombing Derby results were released today as the big six-day Navy air exercise moved to the halfway point at Sanford Naval Air Station.

The grueling bombing competitions swung into their third round today with electronically-scored nuclear "strikes" scheduled by Sanford's A-5 Vigilantes and A-3B Skywarriors on two Southeastern targets.

Meanwhile, officials disclosed that Heavy Attack Squadron 3, the training group serving Sanford's six fleet attack units, narrowly won Monday's weapons loading competition over VAH-11's Detachment 8.

VAH-3 collected 416 of a possible 450 points, earning an early lead over Detachment 8 with 413 points.

In third place was VAH-9, followed by VAH-11, defending champion in the event; VAH-1 and VAH-5.

One six-man team from each squadron competed in the test of speed and efficiency in loading a simulated nuclear weapon in bomb racks of strike aircraft. The bombs, while completely inert, resembled their lethal counterparts in size, weight and electrical properties.

In Tuesday's action, 18 aircraft conducted a "brush fire war" on the Pinecrest Impact Range near Astor. The exercise simulated the situation in which the powerful attack bombers would be called on for close air support.

For nearly five hours the Navy target range was pelted with miniature practice bombs as the planes made their low-altitude, high-speed attacks.

The exercise also presented an opportunity for the Navy's new RA-5C Vigilante reconnaissance-attack plane to exhibit its dual capabilities. RA-5C entrants made two low-altitude bomb runs, then flew a photo-reconnaissance mission over selected sections of North Florida.

A group from the Joint Strategic Target Planning Staff at Offutt AFB, Neb., headed by Vice Adm. Robert J. Stroh, deputy director, arrived today.

Admiral Stroh visited Sanford in February 1963 while commanding an Atlantic Fleet carrier division. At that time he received an orientation in the Vigilante program, including a flight at twice the speed of sound.

Admiral Stroh will be joined by seven other high-ranking flag officers Thursday and Friday as observers from all over the nation stream into the Central Florida jet base.

Saturday, the Air Station public will swing open to the public at 8:15 a.m. for a full day of activity, ranging from a two-hour air show to a colorful military awards ceremony to a giant outdoor picnic sponsored by the Seminole County Chamber of Commerce and Jaycees.

EARL Bourquardez, patrolman with the Sanford Police Department, was promoted to lieutenant by Chief Roy G. Williams.

## Patrol Too 'Beefed' Up

ATLANTA (UPI) — More than two tons of fat have been shed, but Georgia highway patrolmen still have about one and one-half tons to go.

The state's 418 patrolmen were ordered to shape up by their boss, Col. Lowell Conner, last June. He ordered diets for those overweight.

Conner said Tuesday that "weight loss now stands at 4,391 pounds and there are 2,716 pounds to go."

## news... BRIEFS

**McNamara Joins**  
WASHINGTON (UPI) — Defense Secretary Robert S. McNamara stepped forward today to enlist as a soldier in President Johnson's new "war on poverty."

**French Strike**  
PARIS (UPI) — A nationwide strike for more pay by nearly 3 million state workers today tied up France's public services and crippled the nation's industry.

**Red Gold Sales**  
LONDON (UPI) — Russia has resumed large scale gold sales in Europe to meet the heavy bill of wheat purchases in the West, authoritative British sources reported today.

**Eye Lie Device**  
WASHINGTON (UPI) — The House Information Subcommittee is going to look into the government's use of lie detectors, a practice reported to be so widespread that it extends to South Vietnam.

**Flight Delayed**  
COLUMBUS, Ohio (UPI) — Mrs. Jerris Mock today delayed for 24 hours the start of an attempt to become the first woman to pilot a plane around the world and set speed records while doing it.

**Blonde In Air**  
TUCSON, Ariz. (UPI) — Mrs. Joan Merriman Smith, 27-year-old Nevada Navy wife who hopes to become the first woman ever to fly solo around the earth, completed her first 800 miles from Oakland, Calif., Tuesday without a hitch.

**Best Seller**  
NEW YORK (UPI) — "Four Days," the UPI-American Heritage memorial book on the late President Kennedy, Tuesday was listed as the nation's number one non-fiction best seller in the March 20 issue of Time magazine.

## Club Woman Qualifies For County Board

Mrs. Ruth H. Gallagher, first president of the Seminole County Democratic Woman's Club, qualified Tuesday as a candidate for county commissioner, District 5, in the Democratic party May 5 primary.

She is a member of the Sanford Garden Club and Palm Circle and has been a member of the Sanford Pilot Club, Lake Mary Home Demonstration Club, League of Women Voters of Williamsburg, Va., and Sanford Youth Council.

Mrs. Gallagher was a principal organizer of the District 5 Voters League in 1950.

A native of Williamsburg, Mrs. Gallagher is the daughter of the late Dr. and Mrs. Brantley Henderson and came to Sanford in 1950. She was a Welcome Wagon hostess in 1954-55, had her own daily radio program and owned a gift shop.

Mrs. Gallagher resides with her husband, Thomas J. Gallagher (USMC-Ret.) and they reside on Lake Ross. Mrs. Gallagher has two children, Mrs. Harry Lee Jr., the former Ruth Southerland, and Ben W. Southerland III, of Tokyo, Japan.

## Cubans Learning To Man SA2s

WASHINGTON (UPI) — Russian forces in Cuba are reported to be training Cubans to operate the advanced anti-aircraft missiles that the Soviet Union installed in Cuba in 1962.

Sources here said it was not yet clear whether the Russians planned to turn complete control of the missiles over to the Cubans or whether Soviet officers would remain in charge of them.

Soviet personnel have been manning the missiles, which are the type known as the SA2. Within a few months, however, there will be sufficient Cuban crews trained to man the entire system, it was reported.

The SA2 is a ground-to-air missile capable of hitting a target at 80,000 feet, high enough to reach American U2 reconnaissance planes.

## Sheriff, Three Others Indicted

NASHVILLE, Tenn. (UPI) — A federal grand jury indicted the Davidson County sheriff, three former policemen, and a nightclub operator Tuesday in connection with alleged "protection payoffs" by law violators.

Sheriff Leslie E. Jett, W. J. Donoho, a retired former assistant Nashville police chief, and Morgan Smith, a retired police sergeant, were charged with income tax evasion.

Another former policeman John B. Kittrell, and R. L. (Buster) Wall, part owner of two Nashville night clubs, were indicted on charges of perjury.

## Sanford Host

Sanford will be host Friday evening to the quarterly regional meeting of the Florida Water and Sewage Works Operators Association at the Civic Center. Highlight will be the election of officers.

**ONLY 13 Days to Register For the Primaries**
