#### EDITORIAL COMMENT

#### Begin Plans Now

The Longwood Volunteer Fire Dept. for some weeks now has been looking ahead to the Fourth of July and planning for its second annual celebration staged in connection with the holiday.

Although it does raise funds for the department, the primary purpose behind the firemen's July 4 project is that of offering full-scale entertainment centrally located in the county so that our people, at least, won't have to get out on the already overcrowded highways to celebrate the holiday.

It isn't often that an area finds a single organization willing to work so long and so hard with the safety of its citizens in mind. Even the money made on the project goes to this cause since it is used for purchasing and replacing fire fighting equipment for the department which covers a wide-spread area.

Although we're a little behind the firemen. just for the record why don't we, as individuals, begin our plans today to support their program by planning to spend a SAFE "fourth" in Long-

#### Chest X-Ray Topic Of Talk In Enterprise

By Helen Snodgrass Dr. and Mrs. Luther Tarbell of DeBary attended last Thursday evening's Fellowship Supper at the Barnett Memorial Methodi-: Church in Enterprise where, after the supper, he spoke on the importance of getting chest xrays. Dr. Tarbell, who works with the Volusia County Tuberculosis and Health Assn., also urged those present to visit the x-ray mobile unit when it is at Ryan's Store on June 8 from 5 p.m. until 7

After the doctor's talk, the church budget for the year was discussed by Rev. Fred Foster who pointed out that pledge cards were designed not only for monetary donations but for pledges of time and talents as well.

"Teachers and helpers are needed for Sunday school classes and sponsors and helpers for the MYF groups as well as volunteer workers to bring new members into the church," he told the more than 50 persons attending.
