## Areas Excluded From Taxes

By RAY DE CRANE Newspaper Enterprise Assn. A dividend received on your life insurance policy is not taxable on your annual income tax return. A cash dividend received on stock you own is

Contradictory? Not necessarily. But it does indicate the confusion that exists and the need for an understanding of taxable and nontaxable income. The insurance dividend is not taxable because it is a partial return of your premium payment. The dividend on stock

is taxable because it is money earned on your investment. In general, all funds you re ceive in the course of a year must be reported on your income tax return unless such funds are specifically exempt from tax by law. ### Steve Adams Wins Coveted Scout Award

By JANE CASSELBERRY The God and Country award was presented to Steve Adams, 14-year-old son of Mr. and Mrs. Rodney H. Adams of 166 Plumosis Dr., Altamonte Springs, Sunday at the morning worship service of the First Baptist Church of Sanlando Springs.

Participating in the ceremony were his pastor, Rev. Lewis Haines, and Scoutmaster W. T. Daniel of Boy Scout Troop 341 of Casselberry.

A First Class Scout, Steve is only the fourth boy to earn the coveted award in the history of the troop. To earn it, a scout must work with his pastor for at least a year doing special services, being loyal in attendance, learning more about the precepts of his faith and the Bible, as well as being faithful in his personal devotions.

By way of a very simple introduction, . . . Hi. Since this column marks the beginning of my "formal knowledge" to the game of golf, it's only fitting to say a few short words on the subject, "Help! Help!"

Well, what's the best way to improve your golf game? Certainly ... correct those little things which only a pro would notice. We, with the kind co-operation of the area's pros, are going to run a golfing Tip of the Week. This week's is by Bob Cooke-Mayfair Country Club

New Irons Tournament (no woods allowed) will begin on Monday, Jan. 9 and continue through Sunday the 15th.

Robert Provencher, who was chosen as Seminole High's most valuable golfer last year, shot in the middle and high 30's throughout competition last year. This past Wednesday, Provencher put-up a 67 total at the Mayfair Country Club. Seminole High School will have two returning golfers for this year's team, coached by Buck Metts. Mike Utz and Ira Abramson, both juniors, were in top competition last year.

Our Golfer's Salute of the Week goes to Ira C. Metzger of Sanford for firing a hole-in-one recently at the Seminole Golf Club. Metzger used a five iron on the 174 yard par three number two hole. He's been golfing for nearly 20 years | comes first man ever to win and this is his first acc.

THE CHURCH FOR ALL ...

The Church is the greatest factor

on earth for the building of character

and good citizenship. It is a store-

house of spiritual values. Without a

strong Church, neither democracy nor civilization can survive. There

are four sound reasons why every

person should attend services regu-larly and support the Church. They

ara: (1) For his own sake. (2) For his

children's sake. (3) For the sake of

his community and nation. (4) For

the sake of the Church itself, which

needs his moral and material support.

Plan to go to church regularly and

read your Bible daily.
