Reds Again Threaten Blockade

Defeat In Election Angers Commies; Grotewohl Bitter

BERLIN (UPI)—A massive vote against Communism by the people of West Berlin touched off new Communist threats today and a veiled warning by East German Premier Otto Grotewohl that West Berlin troops face a land and air blockade if they try to remain in the city.

Barely 12 hours after the Communist's amazing defeat in the West Berlin city elections Grotewohl went before the Communist zone parliament to claim West Berlin as part of East Germany. He said that Allied troops are "unjustly and illegally" stationed on the territory of the German Democratic Republic.

"The Communist east zone government will be in a position to exercise sovereignty on the land, on the water and in the air," Grotewohl said.

Ignored the West Berlin municipal balloting which gave a rousing and emphatic "no" to a Soviet proposal that Western Allied troops leave Berlin and West Berlin be turned into a demilitarized, "free city" surrounded by Communist bayonets.

The Russian demands were the main issue in Sunday's record voting, and the emphatic rejection gave the Western Allies a clear mandate from the people of West Berlin to reject the Red demands.

Grotewohl was making a speech presenting his government to the new East German parliament and outlining its future program.

Rights Commission Hears Negro Story

MONTGOMERY, Ala. (UPI)—An official of the Tuskegee Civic Assn. told the Federal Civil Rights Commission today only 32 per cent of all Negro applicants for voter registration in Alabama's Macon County during the past eight years have been registered.

William P. Mitchell, executive secretary of the association, said that of 1,835 Negro applicants during the period from 1951 through last Friday only 590 were registered. Macon County, home of Tuskegee Institute, has seven Negroes for every white resident.

The commission opened a formal hearing on Alabama voter registration in an atmosphere of angry local defiance, and began by reminding Alabamians that it has no enforcement powers and is interested solely in collecting facts.

Mitchell said registration records show that 2,016 whites are registered in Macon County.

Questionnaire Required
He said Negro applicants who make and their applications in segregated quarters, fill out a self-addressed envelope which is to be mailed to them notifying them whether they passed the test.

"The board never officially notifies us (the Negro applicants) whether we have passed or not," Mitchell said.

He noted that Alabama law sets a 30-day time limit on appeals from failure to be registered.

Mitchell told the commission he himself tried twice to register and on his third attempt appealed to U. S. district court.

"After three years of litigation, the board of registrars suddenly wrote me a letter saying I was registered and the courts dropped the case," he said.

Other Douglas Aircraft officials include H. G. Hand, Vice president and manager of the El Segundo Division; E. H. Carnish, chief design engineer; and H. A. Nichols, A-1D program manager.

Representatives from the North American Aviation Co. also will be on hand for the most heralded bombing derby in aviation's history.

Yule Parade Success

By Virginia Conn Herald Staff Writer

An estimated crowd of 35,000 spilled off the sidewalks and into the streets of Sanford, Saturday, for the annual Jaycee Christmas parade.

Scheduled for the first time on Saturday, the parade drew an even bigger crowd than anticipated by city officials.

Cars were parked for blocks around the parade route; many stores closed, as spectators stayed to do their Christmas shopping.

There was no doubt about it—the parade was better than ever, with a particular emphasis on the true spirit of Christmas. From the minute Edgewater High School led off at 2:30 p. m., floats, bands and marching units moved smartly down First St. The high-stepping majorettes put forth their best efforts for the reviewing stand, which held Judges Volle Williams Jr., Wilson Alexander and Mrs. Merle Warner, first lady of Sanford, standing in for absent Judge Ambrose Oliff.

More than 60 beautifully decorated floats were entered in the parade. Many drew gasps of admiration from the tremendous crowd; others shouts of laughter, as amusing Christmas scenes were depicted.

Among the 14 bands entered was that of Seminole High School, which led the parade float topped by Santa Claus down the crowded street. The Seminole majorettes were costumed as Santa's reindeer, and well displayed their talents, perfected by many hours of work.

Cheers and applause arose spontaneously as city and county officials rode in decorated cars; the Sportscar Club entries drew ruffians as the cars labeled with "Santa's Reindeer" were followed by another marked "This is a sight!"

The reviewing stand was crowded; seen with the judges were Sheriff J. L. Hooby, Rep. Mark Cleveland Jr., Sen. Douglas Stearns, Rep. Gordon Fredrick, Capt. Cecil Arthur, Joe Ray, A. J. Melina, and Jaycee Christmas parade chairman Herbert Stearns.

Parade Marshal Ken McIntosh worked laboriously throughout the show, keeping units spaced. The balloon sale was a big success, and the gay bubbles were gone long before the parade was over.

Sgt. Ben Butler, Sanford Police Department, even decorated his motor scooter with one, as he and Sgt. Leo Rock cleared the streets for the Christmas display.

Yes, it was a warm, sunny, delightful day in Sanford, with people leaning from vantage points in second story windows, the feet of little children tapping, and the gay shouts as everyone erected Santa Claus, a dearly beloved guest who arrived by jet aircraft, just in time.

And then the stores filled with shoppers, and the highways filled with cars from neighboring counties who came to see an excellent staged and managed Sanford Christmas parade.

Everyone Wasn't Happy; Pickpocket Was Present

The Christmas spirit didn't extend to everyone watching the parade Saturday.

According to local police, a pickpocket was busy removing wallets from spectators. Three were stolen as the owners gave their attention to festivities. High school students found one in Fort Mellon Park after the parade. It was stripped of cash.

Bomb Derby To Test Station's Efficiency

The sixth annual bombing derby at the Sanford Naval Air Station got under way today. The event has brought to Sanford many distinguished visitors.

High-ranking Navy officials are here to look over the "readiness" of the fleet's first line of defense. Throughout the week, crews from NAS will be making bombing runs of secret targets, many of them quite a distance away.

The nuclear bombers and other jet aircraft which operate from carriers long have been considered the Navy's foremost offensive weapon. During the derby, crews will demonstrate their ability to hit targets, large and small, far and near.

As demonstrated by deployment of Sanford squadrons to the Near and Far East this year, these units are of prime importance to the defense of the U. S. Sanford put the first U. S. military personnel in the Lebanon area; Sanford's Savage Squadron deployed to the Formosa Straits when the hostile between Communist and Nationalist China reached its peak.

The planes and men at NAS are battle-ready. They remain that way. Due to the increasing Communist threat to the free world, they must.

For more than trophies for accuracy are at stake in the bombing derby. Navy officials viewing the operations, will decide whether the units are operating as efficiently as they should, whether changes should be made in training programs, etc.

This will be a demonstration of the defensive and offensive power of one of the most vital of U. S. military units.

Based on previous performances, we are sure that Sanford and the nation will be proud of the results of the bombing derby. We are sure too, that Navy officials will find Sanford NAS one of the finest installations in the U. S. defense chain.

Team With Desire

The Seminole High football team won the first annual Calory Bowl, defeating a fine Apopka team.

This was a fitting climax to one of the greatest seasons at the Sanford school. Seminole High has had teams with better records. The 1957 squad is an example. But, it is highly doubtful that the school ever had a football team with the color of the 1958 squad.

If there is such a thing as "comeback of the year" in Central Florida sports, Seminole's football team would win hands down. No one thing can be credited for making this team great. It was a variety of things.

The school has two of the finest coaches in football in Jim Pigott and Dave Laude. Both are gentlemen, both have the ability to inspire and lead young boys.

The 1958 team had two natural leaders, David Stanley and Cecil Dandridge. The co-captains were more than just the boys who met opposing captains in the middle of the field for the toss of the coin, more than the boys who made decisions on whether to take a penalty or play. They were the leaders in the line and backfield, the boys who inspired the team.

It was a team with many fine young players. Coach Pigott said after one game: "They're great, the finest group in the world." That statement included every member of the team.

In short, the Seminoles were a team with desire.

Washington Calling

MEXICO CITY — When Vice President Nixon was stoned and spat at in capital after capital during his Latin-American tour in the spring, the warning signal was raised for all to see that something was deeply and successfully wrong south of the border.

The kind of palliatives thus far put forward — a goodwill tour by Milton Eisenhower, a conference of foreign ministers — can do little to remedy what is a deep-seated

Fred Othman Says

By FREDERICK C. OTHMAN
WASHINGTON — For 54 years the Coleman Co. of Wichita, Kan., made a fine line of lanterns and heating stoves.

These devices needed no installation. A customer merely struck

a match and he was in business. Then along about 1958 the firm branched out into a new-fangled trade called air-conditioning and its troubles started.

The machinery worked all right; the problem was to persuade the Sheet Metal Workers' Union, particularly in Chicago and environs, to bolt the pipes in place. The unionists were downright coy about touching this ironmongery.

So the plump, bald Carl L. Burrows, veteran of 29 years in the lantern business and manager of the firm's Midwestern division, called in the late Louis Marks, his sales manager, to see whether he could persuade the union that those ducts wouldn't bite.

"Marks told me he would require a little cash," Burrows reported to the labor racket committee of Sen. John McClellan (D., Ark.). "And I cashed a \$2,000 check in Chicago and put the money in an envelope. On the street outside the bank I handed the envelope to Mr. Cronin."

Cronin turned out to be Arthur H., president of Local 73 and international vice president of the Tinsmiths. Burrows said that he and Marks gave Cronin a total of \$27,000 in cash in envelopes. A week after he slipped Cronin the final \$5,000 in the cocktail lounge of the LaSalle Hotel in Chicago, Burrows continued, he was amazed to have the money returned to him.

Did you learn later that an opportunity for enactment of federal legislation designed to open schools closed in the South by conflicts over racial segregation?

Merchants Urged To Examine Money

WASHINGTON (UPI) — A warning from the U. S. Secret Service during this happy Yuletide season: Keep a sharp eye out for counterfeit money.

Secret Service Chief U. E. Baughman said Christmas time is a lush season for counterfeiters. He said they are "quick to take advantage of Christmas shopping rush, with its crowded stores and extra help."

He offered this practical advice for shoppers who suspect they have received phony bills:

"Hold the note, try to delay the passer and telephone the police. If the passer leaves, write down his description and license number of his car... and also note descriptions of any accomplices."

The boy showed some improvement when the artificial kidney helped eliminate poisons from his body to maintain the fluid balance, doctors said, but the combination of burns and complications proved too much.

Kurt's mother, Dorothy, 37, who had been at her son's side almost constantly since he was hospitalized, was at his bedside when he died.

Meanwhile, authorities began the painstaking task of questioning about 500 survivors in hopes of turning up some clue to last Monday's fire at Our Lady of the Angels Roman Catholic school.

Seminole Defeats Apopka For Celery Bowl Crown

KIRK ON LONG GAIN — Seminole High's Vernon Kirk (31) appears to be stopped by Apopka's Larry Blackwelder, but he got away for about 10 more yards on this play in the first Celery Bowl game here Friday night. Come-From-Behind Win Thrills Crowd

By Jerry Covington
A tremendous crowd spent most of Friday night on its feet as Sanford Seminoles outscored the Apopka Blue Darters, 31-20, to win the first Celery Bowl game.

The Seminoles offense was the best of the year. Both teams showed plenty of ball moving talent, but the Seminoles were more versatile and able to mix up the attack.

The first Celery Bowl was a great success and the best game seen here all year. Coach Jim Pi-gott and his OBC champs gave the locals plenty to cheer about.

Apopka took a quiet 7-0 lead, driving 80 yards for the TD the first time it got the ball. The

drive started after Sanford received the kickoff and was unable to move through the air. Quarterback Jerome Shaw negotiated the final 20 on the "keeper" play. Eric converted.

The Seminoles came storming back with Cecil Dandridge going over from the three to climax a sustained drive. Vernon Kirk got the Seminoles rolling with a 33-yard kickoff return on a reverse. Kirk, Harold Stone and Ray Lundquist each picked up a first down to move to the 20. Kirk got nine more and Dandridge a first down at the nine.

Dandridge then hit Gerald Jones with a pass to the three. On the next play, Dandridge hit paydirt. Don Carter's kick failed and the Seminoles trailed by one.

Sanford soon was on the move again. Kelly Lake mowed Larry Blackwelder down on the kickoff. Walter Middleton and Kirk converged to drop Shaw for a five-yard loss and the Darters had to kick.

On the second play, Lundquist took a pitchout and roomed 55 yards for a touchdown. Stone cleared the way for Lundquist by cutting down two Apopka tacklers on the 10. Acain Carter's kick failed and it was 12-7.

A fake kick on fourth down was the key play in a payoff drive a few minutes later. Apopka, unable to move, kicked a 10-yard sprint by Lundquist and a 12-yard pass to Alan Swain got the drive under way.

Dandridge then uncoiled a 41-yard aerial to Jones to the Apopka 20. The drive almost stalled here as the Seminoles received four penalties on successive plays. Dandridge dropped back as if to kick, but fired a pass to Lundquist, who caught it way for 27 yards and a first down on the Darter 10. Kirk carried three times to cross the double stripe.

This time, Terry Christensen tried the PAT, but the kick was wide.

Shaw put Apopka back in the game with a 27-yard gallop a few minutes later. The run climaxed a march which began with the kickoff. Shaw's running and passing were responsible for practically every yard in this drive. The point failed, but Apopka trailed only by five points, 18-13.

Then came the play that turned the tide. Dandridge took a reverse from Kirk on the ensuing kickoff and went 80 yards for a TD. Christensen again failed to convert, but Seminole left the field at the half with a 21-13 lead.

An Apopka fumble early in the third period set the stage for the final Seminole TD. Middleton grabbed the loose pigskin at the Apopka 40 and the Seminoles soon were touchdown-bound again. The payoff play was an eighty-yard pass, Dandridge to Jones. Big receivers in the drive were two passes to Swain. Stone ran the point to make it 31-13.

Shaw took the air lanes to spur the Darters to their final TD. Finding the Seminole line too tough, Shaw began hitting his targets by air to move to the Seminole 25. Then he raced for this third touchdown of the night in a bit of beautiful broken field running. Lee added the point and this was the end of the scoring.

Sanford generated steam on two other occasions before the game ended, but was unable to make either pay off. Kirk's pass to Middleton, good for 37 yards to the Apopka 25, appeared to be the key play in another TD drive, but the Darter defense stiffened.

Stone handled the chores on the final drive, which was killed by a pass interception as the final gun sounded. During this drive, Pi-gott had the second unit in the game briefly. He also employed a quick compound of seniors in the game when it ended.

LUNDQUIST IN OPEN — Seminole Half-back Ray Lundquist turns on the speed in a second quarter play in the Celery Bowl. An Apopka defender moves up in an attempt to cut him down. Scoreboard in background shows 11:57 left in the first half, Apopka leading 7-6. This play came in the Seminoles' second TD drive. The Sanford squad won, 31-20. (Photo by Bergstrom)

Former Champs Head Field For Mayfair Open

Three former champions, the PGA Player of the Year and a former PGA champion will lead a fast field into the annual \$15,000 Mayfair Inn Open golf tournament here this week.

Back to defend the title he won here last year will be Walter Burkemo. Other former winners to compete are Al Balding ('53) and Mike Felchick, winner in '56.

Dow Finsterwald, Player of the Year, and Lionel Hebert, ex-PGA champ, will be joined by other outstanding golfers such as Julius Boros, winner of the Carling Open a few weeks ago; George Bayer, who edged Sam Snead in the Havana Open; Pete Cooper, West Palm Beach Open champion, and many others.

Some of the younger golfers arrived over the weekend. Others were to arrive today. A clinic is scheduled for 3 p. m. Wednesday. Tournament play is scheduled to start Thursday morning. Finals are scheduled Sunday over the 6,400-yard, par 71 course.

Taking part in the golf clinic Wednesday afternoon will be Jay Hebert, Mayfair's touring pro; Arnold Palmer, winner of the Masters; Porky Oliver, Paul Harvey, Bayer and Finsterwald.

The men who finished 1-23 last year are considered strong threats for the title. Burkemo, as defending champ, must be regarded as a strong contender. Jay Hebert, who finished second, has been shooting well. Too, this is his

home course, although it has been changed since he played it last year. He finished third here last year and always must be regarded as a contender.

Others expected to make the tourney after outdoor time are Frank Stranahan, Wes Ellis Jr., one of the hottest golfers on the pro circuit now; Bill Casper Jr., and Fred Hawkins, both of whom have finished in the money in recent tourneys, and all of the "big" names.

In the latter category are such players as those already mentioned, plus Marty Furgal, Al Hesse, Link, Doug Sanders, Doug Ford, Ed Merrins, Jim Turnesa, Chick Harbert, Ernie Vossler, Billy Maxwell and Tony Lema.

Frank Mebane Jr., Mayfair Inn manager, said a new record is expected in the gallery. He described the 1958 field as "the finest" yet to play in the Mayfair Open.

More than 60 of the nation's top ranked pros will be trying for spots in the tourney. Mebane said the course is in "fine shape" and the marshals, headed by Joe Baker, are ready to handle the crowds.

Paul Harney Called Turn On Performance In 1957

Newlywed Paul Harney used to be known as the second longest blither on the tour.

Now they call this bashing bridegroom the "beer king." In 1957, retreating Paul fulfilled his earlier promise and won the Labatt and Carling Opens en route to his best season.

No player on the tour gained more stature in '57 than this self-effacing, wiry New Englander. Should this grayling 28-year-old from Worcester, Mass., maintain his '57 rate of improvement he could very well be one of the dominant figures in tournament golf for years to come.

Two weeks after he won the Carling Open, he won the Labatt Open in Montreal. He's continued to play great golf since.

Acquisition of a putter from P.G.A. Tournament Coordinator Tony Anthony and a decision to follow through with the clubhead as close to the ground as possible are two other changes which Paul feels helped his game.

Paul's 1957 earnings were approximately \$30,000. He ranked sixth on the official PGA money list, quite a jump from his 37th spot of the year before.

Until he won at Flint, Harney's sole victory as a pro came in the 1956 Egyptian Match Play Championship.

In addition to Carling and Labatt Opens and the \$5000 Imperial Valley Open, in which he lost a playoff to Tony Lema, Paul's other 1957 high points were in the Caliente Open (tie for sixth), Colonial Invitation (tie for 10th), Kansas City Open, Sam Snead Invitational, Eastern Open (tie for 10th), All American Tournament, Miller-Hugh Life and West Palm Beach Opens (tie for fourth), Dallas Open (tie for eighth) and San Diego Open (tie for sixth).

Paul's drives average about 270 yards and he attributes his distance to a combination of a large, strong and speedy hand action. He employs a wide stance and an unhurried backswing. However, when he gets about half way through his downswing he really lashes at the ball.

Paul actually beat gigantic George Bayer in one drive during the event in the Cavalade of Golf event in September, 1955. However, the 5-11 Harney has no intention of displacing Bayer, who at 240 pounds outweighs Paul by nearly 100 pounds, as the game's Babe Ruth.

Touring pros who've been the most helpful in this quiet 142-pound human hewer are Ted Kroll, Jackie Burke and Paul's closest friend, Don Fairfield.

In his first full year on the tour, 1955, Paul won about \$5,000. In '56, his earnings jumped to \$12,000. Still he was 27th on the PGA money list with an official total of \$7,679.

There was nothing in Paul's '57 winter tour performance to indicate he was about to blossom out. Until the Sam Snead Festival event at Greenbrier in mid-May his play was sporadic and he was well back in the pack.

At Greenbrier, Dutch Harrison shot a final round 62 to nose Harney out but Paul was on his way. After tying for second in the Greenbrier tournament, he tied for fourth at Kansas City. He failed to qualify for the U. S. Open and went home for a rest.

Oddly enough, his failure to qualify for the Open helped trigger Paul's sensational summer surge. While home, the '57 Eastern Intercollegiate champion got a helpful hint from his dad, a good golfer and retired Worcester police sergeant. "You're moving your head while you're putting," said his dad. "Better keep it still!"

It was strictly a case of father knowing best, for Paul went to Flint, Mich., and won the Carling Open with a nine-under par 273. Paul was under par in 21 of his next 26 competitive rounds, being over par in only two. This was

Sandspurs To Hit Season's Midpoint In Tuesday Games

The Sandspur Bowling League winds up its first half of this season's play tomorrow night with loop-leading Perfection Darters rolling against third-place ABC Garbage Service.

Other matches will pit Roundball 4 and Amber (second place) against cellar-dwelling Robson's Sporting Goods and fourth-place Wilson-Maier against fifth-ranked Wade's Market.

The standings remained unchanged as a result of games last week. Perfection holds a slim edge over Roundball with a 375-235 won-loss record. Roundball has a 32-24 mark. ABC is 31-24, Wilson-Maier 25-21, Amber 22-27, and Robson 22-33.

Wilson-Maier Furniture had its closest match as they split the scratch game, 6-1, and high score series, 1,892 for the evening, while Wade's took the handicap game with 4-0, and Roundball ended up with high handicap series, 2,291.

Perfection and Robson's had the closest match as they split the four points; only three pins differing in their total pinfall of the evening as the Darters ended with 2,217 and Robson's had 2,214.

Wilson-Maier split with Roundball as the furniture team took two games and the druggists took one and total pins, with their score of 2,204, to win by 12 pins.

ABC Garbage Service had their sponsor on the front bench rooting them on to win three games from Wade's. This match, too, was close with 10 pins between the total pins as ABC had 2,235 and Wade's 2,235.

High game scratch, 163, and high series scratch, 445, were rolled by Marjorie Woods (Wilson-Maier); handicap game of 185 was led by both Fran Peterson (Roundball) and Doris Schneider (Perfection). Donna French (ABC) had the high handicap series with her 196.

Only one turkey rolled, that by Lucille Harris (Perfection). Splits were made by Marian Adams (Perfection) as she topped the 510, and Jane Pruden (Roundball) who picked up the 3-7.

Track Captain Picked
NEW YORK (UPI)—Louis Bisognio of Scarsdale, N. Y. has been elected captain of the 1959 Columbia University cross-country team. Bisognio, 19, is a pre-engineering sophomore.

Hawks Make Change
CHICAGO (UPI)—The Chicago Black Hawks have recalled John McKenzie from Calgary of the Western Hockey League and shipped Howard Glover to the same minor league farm.

31 Races Scheduled At Track Tonight

With only four schooling sessions left, tonight will be a busy one at the Sanford-Orlando Kennel Club when 31 events, starting at 7:30, will send 192 greyhounds galloping over the oval.

Several of the speedsters will be trying for perfect schooling scores of three wins in three starts, already having two victories in the bag. They include McKell, Mixed Grade, Radar Check and Modesta.

Three Grade A events are on tap, the first, 11th and 21st. The initial event lists such top performers as Go Suzzie, Radar Check, Shade, Blue Shot and Pocket Rocket. Go Suzzie in this race, her brother and Kennelmate, Go Harry, in the 11th and Golden Empress and McKell in the 21st have excellent chances of landing a spot in the Inaugural Handicap, the featured opening night attraction Saturday.

Schooling will continue nightly through Thursday but the track will be dark Friday as final preparations are made for Saturday's opening.

Wings Recall Player
DETROIT (UPI)—The Detroit Red Wings have recalled Claude LaForce from Hershey of the American League. LaForce, on loan to Hershey since Nov. 19, had three assists but did not score a goal in 13 games with Detroit.

Howell, Tormohlen, Cox Leading SEC

By DAVID M. MOFFITT
ATLANTA (UPI)—Marv down Bailey Howell of Mississippi State, Gene Tormohlen of Tennessee and Johnny Cox of Kentucky on your early season all-star check list.

Howell, 6-7 senior from Middleton, Tenn., continues as the Southeastern Conference's best bet for All-America recognition. He poured 109 points through the hoops last week as the Maroons

took lap-abled wins over three small-time foes.

This included a record-setting 47 points against Union and 33 more Saturday night in a 91-46 romp over Southwestern. Howell, whose 27.8 average last season was the nation's fourth best, has a current average of 36.3.

Vols Win Tourney
Tennessee won three major victories last week and captured the

Midwestern Invitational at Kent, Ohio. Tormohlen scored 19 points and grabbed off 23 rebounds in a one-point win over Wooming at home, had 22 points when the Vols beat Michigan in the Midwestern first round, and scored 23 Saturday night as Tennessee best Wyoming again, this time 90-83.

Cox is the only starter back from the 1957-58 Kentucky firm which won the conference and NCAA championships. He scored 27 points in the Wildcats' season opening win over Florida State, then came through with 22 more Saturday night as Kentucky edged Temple 76-71.

Seminole Cagers Defeat Pierson; Second In Row

By Jerry Covington
The Sanford Seminoles basketball squad traveled to Pierson Friday afternoon and made it two in a row in the early season.

Pierson made things a little tough at first, but the Seminoles were able to come out on top, 70-58. The sharp shooting of Alex McKibbin and Jim Gracey paced the Seminoles attack. John Roberts was top man for Pierson.

with McKibbin and Gracey leading the way. Gracey dropped in 23, mostly in the first half, and McKibbin took over in the final half and dumped in 22 for the winners. These two handled a big portion of the rebounding chores and played control type basketball all afternoon.

Center Charles Orvatez took advantage of his height and took most of the rebounds from the boards. He also added eight points under the basket on jump shots and tip-ins.

With the shooting talents displayed by this squad, Coach Laver is very optimistic about the chances this season after the footballers are ready to go. All conference guards Ray Lundquist and Cecil Dandridge, who were making history on the grid field Friday night, are among the best ball handlers in the OBC. With the added height of Alan Swain and Gerald Jones, this squad will be plenty tough. Last year's record of 16-11 is the best modern day record for SHS and this squad could easily be better if all the youngsters raise up with a good year.

2 Miami Players Sign For Shrine
MIAMI (UPI)—The University of Miami's Bill Poole and Charlie Diamond have been named to the Rebel team in the annual Shrine North-South college All-Star football game here Dec. 27. Poole, a 193-pound end, played a key role Saturday in Miami's 20 victory over Oregon, tackling a Wolf-foot behind the goal for the winning safety.

Diamond, a 22-pound tackle, has been a stalwart in the Miami line for the last three years.

Mayfair Opening Begins Social Season

THIS WAS A REUNION FOR THEM— Dr. and Mrs. Charles Park Jr. came back to Sanford this weekend to attend the Mayfair Opening and see old friends. The Parks are living in Gainesville while he attends the University of Florida. Left to right, Mr. Park, Dr. Park, Mrs. W. C. Hutchinson Jr., Mr. Hutchinson, Mrs. Francis Roumillat Jr. (Herald Staff Photo)

Fashion went on parade Saturday night during the annual opening of the San Francisco Giant's Mayfair Inn. The bubble, tulle, and balloon were well represented among the beautiful ball gowns gracing the dance floor.

Guests were greeted at the door by Mr. and Mrs. Frank Mebane Jr. Cocktails were served in the crystal lobby, where two long tables were centered with mauve and white chrysanthemums and filled with an array of hors d'oeuvres.

More than five hundred dined on steak, served in the shocking pink and aqua dining room. The delicious dinner began with fresh fruit in citrus cups, and concluded with a confection of biscuit tortoni.

Guests danced to the music of Pete Bukur and his Populists. They exchanged greetings with friends from all over Central Florida. The Mayfair Inn opening unofficially ushers in seasonal gaiety in Sanford.

It was a night for holiday dress, with brilliantly colored gowns complemented by partners in evening jackets and Navy uniforms.

Attending the opening was Mrs. Christy Walsh, widow of the famous pitcher, who has arrived in Sanford to take over her duties as hostess for the Mayfair Inn.

Those making reservations were: Mrs. and Mrs. Joe Abernethy, Mr. and Mrs. Rosen, Mr. and Mrs. Schneiderman, Mr. Bernstein, Mr. and Mrs. Tom Armau, Mr. Accardi, Mr. and Mrs. Carter, Dr. O. L. The Owens home was attractively decorated with white chrysanthemums and gerbera daisies interspersed with fern. The mantle was adorned with white tapers in a crystal candleholder embanked with fern and roses.

Frossard was recently relieved as commanding officer of the training squadron by Cdr. Ernie Horrell. He is now attached to the Heavy Attack Wing Staff as training officer.

The serving table was centered with an arrangement of red and white chrysanthemums. Guests helped themselves to sliced turkey, hot rolls, roast beef and shrimp.

Officers Wives of VAH-9 attended a luncheon at the home of Mrs. George Waters Wednesday. Mrs. R. W. Legere was co-hostess.

An arrangement of red poinsettias was placed in the living room. Highlight of the decorations was an elegant silver table Christmas tree. The tip of each branch was adorned with miniature gold ornaments in the shape of snow flakes.

This tree will be used in the decorations for the forthcoming fashion show and cocktail party. VAH-9 wives will be hostesses for this OWC sponsored event. Several of the officers wives who attended the luncheon will be models in the show. They amused the others present by striking pose in anticipation of the production.

Giants, Browns To Meet In Title Contest Sunday

By EARL WRIGHT
United Press International
The Cleveland Browns will play the New York Giants, only team over to interrupt their unprecedented domination of the National Football League's Eastern Division, for the conference title next Sunday at Yankee Stadium.

Cleveland, most consistent winner in professional football history, clinging to its one-game lead over New York Sunday by scoring a 21-14 decision over an inspired Eagles team at Philadelphia. The Giants, described by their coach as "not a good club," kept their hopes alive when Harry Sware hinged a Jim Martin field goal try with 13 remaining to preserve a 1917 victory over the crippled Detroit Lions.

The Browns can win their eighth Eastern Division title in nine years by defeating or tying the Giants Sunday in a game which will draw a capacity crowd of more than 71,000. The Giants must win to tie for the crown and then beat the Browns again at Yankee Stadium Dec. 21 to qualify for the championship game with the Baltimore Colts Dec. 29.

Haltmore, which will invade the Eastern champion's park for the championship game, clinched the Western crown a week ago. The Colts opened the weekend action by dropping a 30-28 decision to the Rams at Los Angeles before 100,202—the third largest crowd in league history.

In Sunday's other games, Bob by Layne's two touchdown passes sparked a rally that gave the Pittsburgh Steelers a 14-14 tie with the Washington Redskins; the Chicago Bears turned Chicago Cardinal passes and fumbles into an easy 30-14 victory; and the San Francisco Forty-Niners turned three interceptions into touchdowns in the first six minutes on route to a 48-21 triumph over the Green Bay Packers.

Kirchhoff Leads Mather In Sweep In Bowling Loop

Ed Kirchhoff bowled a 207-559 series to lead Mather of Sanford in a three-game sweep over Celery City Printing in action in the Sanford City Bowling League last week.

The Furniture men rolled a fine series in stopping the rise of the Printers. Bob Steele and Clyde Priery led the Printers, each bowling 525.

In other action in the league, first place Burnett Painters remained five games in front, even though losing two games, thanks to the efforts of Gene's Seminole Dry Cleaners who took two from second-place New York Life Insurance. Gene's rolled consistently, and made good use of their handicap, to beat the Insurers. Bill Kazee led the Cleaning men with a 696, while Jesse Cook led the Insurers with a 698. Dick Richards rolled a 211-525 to top the Painters in their loss to Bukur's Music Shop, led by Buck Ferguson's 502.

"Split-shrinkers" for the night included Larry Piver, Tom Brown, and Ed Kirchhoff who all picked up the 5-7 split. Ed Callan and Harold Herbat making the five-and-dime; Paul Perold with a 5-6-10, Otto Boradorf with a 5-8-10, and Bob Steele with a 3-6-7-10 pick-up.

In this week's bowling, the match-of-the-week will be on lanes 1 & 2, where first place Burnett will take on second place New York Life. Gene's Seminole Dry Cleaners rolls against Celery City Printing on 3 & 4, and Bukur's Music Shop takes on Mather on alleys 5 & 6.

Averages after last week's bowling are:

Richardson—166, Fox, DePalma, and Maloney—164, Wheeler and Von Herbulst at 153, Perold, and Hess—161, Stieler and Steele at 160, Kazee—159, and Cook and Callan at 158.

TROPHY FOR SEMINOLE—Jerry Covington (left), Herald sports writer, presents Most Valuable Player Award for Celery Bowl game to Quarterback Cecil Dandridge. (Herald Staff Photo)

Quarterbacks Win Awards In Celery

Two quarterbacks won the Most Valuable Player awards in the first annual Celery Bowl football game here Friday night. Jerome Shaw, Apopka quarterback, scored all three of his team's touchdowns to win the award for the losing squad. Cecil Dandridge scored two and passed for another for the winning Seminoles.

One of Dandridge's touchdowns was an 80-yard kickoff return which turned the tide of the game. At the time, Seminole was leading Apopka, 18-13. He scored the first marker on a four-yard plunge and passed eight yards to Gerald Jones for the other.

Dandridge completed eight of 12 passes for 120 yards and ran eight times for 42 yards and three first downs, one of which kept a TD drive going on fourth down. He also got the Seminoles out of trouble twice with booming punts.

Shaw scored on "keeper" plays of 33, 23 and 20 yards. His passing was a key to setting up the three markers.

Others considered for the trophies presented by The Sanford Herald were David Stanley, Vernon Kirk, Walter Middleton and Ray Lundquist. Shaw had no competition for the MVP for the losers, although Larry Blackwelder and Gerald Odum played fine games.

The trophies presented by The Herald were based on performance in the one game. Play in games during the regular season was not considered.

Stanley, chosen to the Orange Belt Conference all star team for the second year in a row, was Dandridge's closest competitor. The big guard who shares captain duties with Dandridge proved himself to be the best line man in the state and among the best in the nation by his sterling play Friday night.

He completely overshadowed Odum, the other all-conference guard of 57 and an all-ORC full-back this year. Odum played in the backfield on offense, in the line on defense. On occasions, he also was a linebacker this year.

Stanley and Middleton were the outstanding defensive players for Seminole. Middleton recovered a fumble which led to a TD and made several key tackles, as did Kirk. Middleton also caught one pass for 37 yards.

Lundquist picked up 100 yards rushing, high for the Seminoles. Of this total, 55 came on a TD scamper. Kirk scored once and had several long gains on off-tackle slants. He also threw a 37-yard pass which kept a drive alive.

Dandridge and Shaw were presented the trophies at a barbecue at the Elks Club following the game. Making the presentations were Walter Gielow, Herald publisher, and Jerry Covington, Herald sports writer.

Yanks Seek Hyde, Nats Want Lumpe

NEW YORK (UPI)—The Washington Senators are playing without a major league slugger as a result of their trade with the Tigers.

At the moment, the Senators are without a major league slugger as a result of their trade with the Tigers.

Both the Yankees and Indians are in with "concrete bids" for Washington's ace reliever, Dick Hyde, but from all indications the world champions were there first with the most.

Senator President Clavin Griffith, who completed a six-player deal with Detroit Saturday, freely admitted today that he and the Yankees "are still talking." These talks are expected to culminate with Hyde going to the Yanks in a deal for Lumpe.

Rights Group Demands Records

Justice Department Asked To Help Get Alabama Vote List

MONTGOMERY, Ala. (UPI)—Chairman John A. Hannah of the Civil Rights Commission announced today he was calling in the Justice Department to help the commission secure registration records in six Alabama counties where Negroes claim their voting rights have been denied.

Under the law which created the commission in 1957, Congress gave the Justice Department power to issue contempt citations against witnesses who refuse to obey orders of the federal agency.

The commission itself does not have the power to issue contempt citations. The citations must be issued through a federal court.

Hannah, president of Michigan State University, said, "This commission regrets the failure of certain persons to appear at this hearing after having been formally subpoenaed to appear in accordance with the provisions of the law creating this commission, and the failure of others who have appeared in person to produce certain records that they were subpoenaed to produce, and the refusal of some who were physically present to be sworn as witnesses when requested to do so; and the failure of others to answer questions that were asked of them."

Six county officials refused to answer any questions presented them by the commission. Five of the officials, appointed registrars in Bullock, Barbour, and Marion counties, refused to take the oath despite a command by Vice Chairman Robert G. Storey, dean of the Southern Methodist University law school.

The commission, in recess, unofficially decided to demand the officials take the oath and answer questions, and each official was ordered to do so individually. This action could set up the procedure for contempt citations.

Would-Be Robber Shot And Stabbed

DELAND (UPI)—An amateur holdup man who used a toy pistol to try to rob a finance company was recovering today from two bullet wounds and a sore shoulder where he was stabbed with a letter opener.

Police said Maxwell Cummings, 40, was shot in his attempt to get away with \$1,000 Monday when a company executive noticed the gun wasn't real.

Cummings told officers he needed the money to pay his rent and utilities bills.

This would-be bandit entered the offices of Tribble & Reynolds Co. carrying a toy gun in a paper bag. Taking the gun out, he ordered Hill Tribble, son of co-owner James P. Tribble, to fill the bag with cash.

But Tribble, after putting \$1,000 in the sack, saw the pistol was phony and lunged at Cummings with a letter opener, stabbing him in the left shoulder. Then he picked up a .25 caliber automatic—a real one—and shot Cummings twice as the injured robber tried to escape.

Cummings suffered bullet wounds in the left leg and in the stomach. His condition was not serious, authorities said.

He was taken to a Daytona Beach hospital and will be charged with armed robbery, upon release.

Success. Last year Bob Goalby, 27, of Belleville, Ill., placed in the money when he played his first PGA tournament at the Mayfair Country Club. He shot a 64 in his final round. This year, Goalby was voted, unanimously the outstanding freshman of 1958. Goalby is here again to compete in the open tournament, Thursday through Sunday.

Expected this afternoon is Paul Harney, who copped the lucrative Dorado Beach Invitational Sunday, after a fifth-place tie in the Havana International. Here too are Doug Ford, George Bayer and Art Wall.

Al Balding of Markham, Ontario, who won the first Sanford Open—after a fifth-place tie in the Havana International. Here too are Doug Ford, George Bayer and Art Wall.

The Sanford tourney has started a lot of careers on the road to success.

Elks Charity Ball Slated Saturday

The Elks Charity Ball Saturday night climaxes a week of strenuous activity in Sanford. The annual party will be held in the Mayfair Inn, where guests will dance to music by Pete Bukur and the Populares.

More than 50 patrons have subscribed to the ball benefiting the Harry Anna Crippled Children's Home. A diorama display will be placed in the hotel lobby, depicting the treatment given children at the hospital.

Host and hostess are Bill Hardin, Executive Editor and his wife Peggy. They will lead the Grand March which follows an eleven-hour toast. Entertainment is planned during intermission.

Invitations may be obtained at the door of the Mayfair Inn. Reservations are now being made by Moughton Insurance Co., FA 24863.

Russell Spencer, chairman of the dance, said today, "We hope to have 500 people Saturday night. The Elks have invited all their friends to attend and support the Harry Anna Crippled Children's Home."

Insult To Injury: Left Dishes Dirty

Somebody has added insult to injury, the City Commission was told last night.

Not only did the culprit break locks on doors which housed the china at the Civic Center, and use the dishes but he left 'em dirty, according to Commissioner David Gatchel.

As a result, Kawanians and Roberts, perhaps others, were forced to wash the dishes, Gatchel added.

Many of the groups which meet regularly in the Civic Center keep their dishes stored in the building, Gatchel told fellow commissioners that he and his friends, used the dishes and "spilled them in the sink."

The Commission voted to get to the bottom of the whole affair. Earl Higginbotham said the city is paying enough money to have a reasonable price for dishwashing chores performed by club members, Higginbotham said.

United Fund: Half Enough For 1959

For more than two months, family with school age children have been beating the bushes trying to raise money for seven agencies.

The goal of \$36,000 is still a long way off. To date about 50 per cent of the minimum requirements has been pledged.

This means that the seven agencies can operate for six months, no more. These include the Boy Scouts, the Florida Children's Home, Girl Scouts, Mental Health Association, Red Cross, Salvation Army and USO.

Every night of the week, the city's 100,000 people are preparing entertainment for young men who do not have families here. Enlisted wives hold parties in the building.

The Florida Children's Home provides shelter and comfort for illegitimate children, orphaned youngsters and the offspring of

incompetent or extremely poor families.

Few people anywhere need an introduction to the Salvation Army, but those that are not marked out on their subscription.

All the money collected stays in Seminole County. If the United Fund fails this year, its leaders say it will not be continued. This will add seven more indigent drives to the large number already being solicited. Experience has proved that this would be six more dollars than most people are paying now.

Howard McNulty, UF fund chairman, said, "The community will help if it can. The community will help if it can. The community will help if it can."

At once, monthly, quarterly or semi-annually.

Preferred agencies may be marked for the major portion of the money that are not desirable to the donor may be marked out on their subscription.

Verdict Expected On Assault Charge

City Judge Amrose Olliff will hand down a verdict this afternoon in the case of Joseph Benkovic, 20-year-old Navy man attached to VAH-11, charged with assault on a police officer and petty larceny.

A third charge of drunk and disorderly conduct was dismissed by the court.

Benkovic testified in court Friday and yesterday, denying the charges pinned against him by police officer Herman Harriett. The young Navy man claims that he was held by Harriett for handcuffs, the arresting officer struck him.

The City of Sanford has been notified by Gordon Frederick of tortious for Benkovic of a claim against the city.

Benkovic told the court that he had sustained cuts on his ear and head from the assault by Harriett. None of the charges that are not desirable to the donor may be marked out on their subscription.

Squadron 9 Leads In Bombing Derby

The first day of Heavy Attack Wing One's Sixth Bombing Derby ended with Squadron Nine, from the USS Saratoga, leading the field. The high flying "rats" accumulated 400 points in the first two events.

The "checkers" of VAH-11 from the USS Franklin D. Roosevelt got an early lead by scoring a perfect 100 points in the special weapons loading and check exercise. VAH-9, however, overcame the early lead when the scores from event 2 were totaled.

At 7 last night a Steak A31 "Skywarrior" of Squadron One, from the USS Independence, roared off the Sanford Naval Air Station as event 2 got underway. It was followed at 10-minute intervals by the other competing twin jet carrier aircraft. They were off on a night mission that required them to fly more than 2,000 miles, as radar missions were run on small airfields at Troy, Ala., and Hattiesburg, Miss.

The third phase of the event required a simulated weapons drop on a target in Dallas, Tex., from a height of nearly seven miles and a speed of approximately 600 miles an hour. A crucial total of 100 possible points hung in balance as the select combat aircrews worked to solve the intricate flight, navigation, photography, and bombing problems involved.

As the jets returned to Sanford in the midnight darkness, an unseasonable fog blanketed the area and the all-weather flight capabilities of the crews were tested as ground control approach guidance, coupled with the Navy's landing mirror aid, brought the Skywarriors to a safe landing.

Skilled umpires spent the remainder of the night analyzing and interpreting scores, and photos, gathered during the missions, to properly evaluate the pilots on a scale followed by Squadron Eleven, trailing by 39 points. VAH-1 is running third with 274 points. Squadron Seven from the USS Enterprise is fourth with 192 points.

Events tonight will consist of a special weapons operational mission for each crew, conducted on the ground. It carries a possible 100 points.

Tomorrow morning the ten-minute Skywarrior take to the air in a simulated mission culminating in the dropping of a bomb "shape" from a height of approximately seven miles, aimed at a target ship near Cape Hatteras off the North Carolina coast. Crews then will be required to conduct an additional mission consisting of a scored attack on a radar bomb site at Jacksonville Fla. A possible 400 points can be earned in this event.

City, Elks Seeking Jet For Playground

The City of Sanford last night asked the Navy for a surplus jet plane which the local Elks Club plans to place in the playground adjoining Fort Mellon Park.

Mayor Merle Warner signed a letter to the commander of the Naval Air Station, Jacksonville, asking for a plane "at the earliest possible time."

The Commission commended the Elks for their interest. Mayor Warner said he felt the jet in the playground would be a "natural" attraction for the children.
