Gante Ale Walloped In 9 To 0 Victory For Chicago Cubs; Dodgers Win 4 To 2

By JOE REICHLER AP Sports Writer "I just gambled and lost, that's

The quotes are those of Manager Leo Durocher, who yesterday as-tounded the experts, fans, opposi-tion and his own players by pin-ning the New York Giants' pen-nant hopes on the shoulders of a pitching neophite who had never hurled an inning of big league ball. The youngster is 25-year-old Jack Harshman, a former first-base flop, who turned to minor league pitching last spring and was brought up to the Giants day before yesterday after a 7-7 record with Minneapolis of the American

Harshman walked to the mound Harshman walked to the mound under his own power but collapsed quickly and the Chicago Cubs, behind Warren Hacker, breezed to a 9-0 victory. The defeat was the more bitter because it was followed by Brooklyn's 4-2 triumph over Pitisburgh that boosted the Dodgers' National League lead over the Giants to four games with only 10 to go for each side. enly 10 to go for each side.
"I had to go with Harshman.
Who else did I have? The others
are all overworked," Durocher

Harshman couldn't escape an inning without being scored upon and was derricked in the third

inding, which ended with the Cubs enjoying a 6-0 lead.

The Giant players, who raised their eyebrows questioningly when they learned of Durocher's plans, didn't help the cause much, either. by sking out a meager three widely scattered hits off the Cub knuckle-

Heartened by the Glants' loss, the Brooks stepped out in the evening and knocked off the Pirates with the help of home runs by Gil-Hodges and Duke Snider. Gil hammered his 32nd off loser Murry Dickerson. Snider hit his 20th of the Dickerson.

Dickerson. Snider hit his 20th of the year in the fourth.

It took a sterling relief job by reckie Jim Hughes and another by Joe Black to preserve the Brooks's lead. Hughes, recently brought up from Montreal, relieved starter Billy Loes with the bases loaded and nobody out in the fourth and retired the Pirates without permitting a run.

GOP Candidate Says Taxpayers' Money Is Being Drained Thru Crack InFloor

By JACK BELL. ABOARD EISENHOWER SPEC-ABOARD EISENHOWER SPEC-IAL w-Gen, Dwight D. Eisenhow-er asserted today that the Ameri-can taxpayer's money is going flown "a crack in the floor" b-tause of Truman administration "waste" in Washington.

Carrying his campaign into po-litically doubtful lows, the Repub-lican presidential nonlinee told a crowd of 4,000 persons gathered in front of the Davemport Commonse that it is the time to open up some windows and let the fresh air in our government.

Eisenhower said that beyond what he described as "corruption washington" is "inexcusable

Waste."
He cited a report of a congressional committee that five million dollars in Commodity Credit Cor-poration (CCC) funds had disap-peared.

"The secretary of agriculture (Brannan) said that five million dollars was not very much to los in a 10 billion dollar operation, the Republican nominee remarked adding "He said it could disappear shrough the cracks of the floor, "Now my old Dutch ancestors never had five million dollars but five cents could never have been lost in our house without someone having to answer for it or go hunting for it on hands and knees." Elsenhower said five million dollars represents taxes paid by 3,500 people carning \$3,500 a year.

Eisenhower said people all over the country are worried.

"Why should we be confused?" he saked. "Why should we be indecisive? We come back to the proposition that we must have a change in leadership."

He noted that 18 Communists had been arrested in the West, observ.

#### Gulliver Visits Russia

The Kremlin is generally thought to be operating the Russian state on the principles laid down by Karl Marx. It has been discovered, however, that the real model for "Ironcurtainland" is in "Gulliver's Travels."

In Gulliver's third voyage, to Laputs, the land of the philosophers, mention is made of the kingdom of Tribnia. where "the bulk of the people consisted wholly of discoverers, witnesses, informers, accusers, prosecutors, swearers, all under the pay of ministers and their deputies. It is first setfled among them, what suspected persons shall be accused of a plot; then effectual care is taken to secure all their let-

ters and other papers and put the owners in chains."

What better description could be imagined of a police state like the Russian?

#### Crowds

Did Eisenhower draw a bigger crowd than Stevenson, or vice versa? From now until election day the prophets will discuss this question and draw conclusions as to which candidate is likely to be elected.

ite is likely to be elected.

The topic is interesting but futile. Crowds come out to contract agreeable to all, accordace a man of whom they have heard or whose words they ing to Bacon. wish to hear. This does not mean that they will vote for him. Few candidates have been better drawing cards than William Jennings Bryan, yet he was three times defeated for to revolve around the political the presidency. On the other hand the great enthusiasm views and ideologies on a national evoked by FDR's tours foreshadowed his victories.

The last word on crowds and their similficance was uttered by the great 17th century Englishman, Oliver Cromwell. When told that his popularity was proved by the vant services blood program in the area dynamite laden whaleboat blew up solicitor of Hillsborough county was crowds who came to hear him, he retorted grimly, "Twice as many would come out to see me hanged."

4.78 whether Texas, Louislana and Florgreatic leaders but didn't hurt him greatly with the ordinary voters dives sharply between now and law to electoral votes. The consensus of editors is that a majority of Louislana voters out side of New Orleans would go for atlates are cumbined with those in their ballots today.

4.77 Elsenhower if they were marking the control of the contract to give them the same purchasing power they had when their ballots today.

25c people will vote in November. 88 per cent of the state's registered 36c Many voters, particularly the independents, they say, are waiting to hear what the rival candidates out ahead of Stevenson in those paign

4.22 many Dixie newsmen say a trend 1.83 is apparent that may bring a rec-1.88 in November even if it falls short

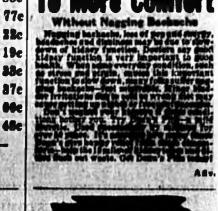

of carrying any states.

Again, as in other regions, they cite these factors: Sentiment for a 1.88 change. Elsenhower's personal 3.89 popularity, "diaguat with Trumanism," high taxes, "mismanage 1.89 ment and corruption" in govern-

But in the South there also is mention of the civil rights issue and the administration's opposition to state ownership of tidelands

If voter sentiment shifts later on. in advance of the election, some newsmen expect it to be in Stevenson's direction. That is the case in Arkansas, for example, and in

Florida, too.
The reasons offered are that Stevenson will pick up Southern supporters as he becomes better known while Elsenhower may lose le a hit of ground as the first flush bulleuslasin proused by his early

87e

Editor's note: The bos chee September campaign trip to the startes of five startes on the political situation as of now, as seen by newspaper editors and started by newspaper editors.

September campaign trip to the fourth begins to fade a little.

The same survey pattern was followed in the South as elsewhere. Associated Press members, both newspapers and radio stations. along with other newspapers and

local correspondents, were asked to the big question marks, Virginia associate personal or professional and Kentucky lesser ones. nd Kentucky lesser ones.

In state after state, even in contrary to their preferences or

Here's the way things look poli-tically to Southern editors and

Texas (34 electoral votes) Texans want a change at the White House, but editors feel the "There will be more Republican still undecided independent voter process but not nearly enough."

At the moment, the composite wants to change to Stevenson or openable contract, the common said opinioon of Southern newspapermen Eisenhower. At the moment, 11's, additional benefits were needed to

leaning toward Stevenson by such a scant margin as to be highly doubtful. Kentucky has 10 electoral voiss, Virginia 12.

Editors and Stevenson's support of the administration stand on tide lands oil sapped some of lands oil sapped some of his strength among state Demonstration are uncertain as to whether Texas, Louislana and Florecate leaders but didn't hurt him lds, with 44 electoral votes among greatly with the ordinary voters.

23c have to say before making up their countles that they believe the minds.

Pep Lately, Says Coach Fred Ganas; Meris Looks tood

By KENT CHETLAIN With only a seast eight days remaining before the 1952 season's curtain raiser with Enstis, the Seminole High School grid team will begin separating the gers yesterday as big Jim Hearn shut out the Chicago Cubs, 20, while the Brooks were dropping a decision to the cellar-dwelling march out on the SIIS field to morrow afternoon at 4:30 p.m. tor the Circle sermonage of the year. the first sermmage of the year. Coach Fred Gauss, who has

and exactness in executing fundamental blocks.
Junior Metts,
returning bulfback from last year, continued to set the early season pace with his spirited running, savvy and motive from Lake Monroe consistantly broke through the im proving defensive lines yesterday and carried the attack into the

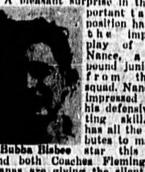

air with unusual accuracy for this stage of the practice. Co-coaches Hill Fleming and Ganas have devised a novel signal calling set-up this year. All-EFC center Terry Cordell and tailback Ed Lockett are alternating at the signal call-ing post in the Fed version of the Notre Dame open huddle. While having a center calling the plays is not altogether new, it Tomorrow will be the first big test for the loosely knit Seminole High School football team when the first game scrimmage will be played at 4:30 p.m. on the SHS field. Junior Metts, left, hard running and bullet-passing halfback, will pit his experience against a younger ference honors this year. is indeed rare. Ganas explained the strategy simply, "Terry has a great knowledge of the game and we need him to run the club's

Meanwhile, J. B. "Jake" How-Meanwhile, J. B. "Jake" How-ell, a little 160-pound quarter-back, Joe Hutchison and Sopho-more Ralph Flowers, both quar-terbacks, will be used for block-ing backs in the Ganas system. Howell was missing from practice yesterday, since he has a partitime job that keeps him away from the sessions sev-

eral times a week. Both Ganas and Fleming hope to have a better line on the team as a whole after tomorrow's eye-opening scrimmage, which will simulate all the conditions of a real game.
The 1952 Feds will be using a

us and Fleming they would pro-bably rely on alteams, one fensive and the other offensive However, some Bill Fleming

main in both sets to play virtually the entire game. Ganas, who is personally coach ing the linemen while Fleming is

ment.

Bubba "Lefty" Bisbee, a B squad end who was shifted to guard this fall, made both Fleming and Ganas take notice yesterday as he throw one of the best blocks of the year to enable Jimmy Wade, halfbeck, to senot around left end. The end situation is critical Not a single candidate has more experience than the E squad and Cool Shappard, Diffileffield, and Jimmy Erider have

As a result, football forecasters too much experience for the gen-

#### Robot Planes Without Pilots Are Now Operating In The Korean War

By WARREN ROGERS JR.
WASHINGTON W — American
robot planes, unlouched by man
in long-range flights, have sought out and destroyed Communist tar-gets in Korea—heralding the exlosive birth of push-button war-

The Navy, which developed the new secret widness, which developed the details but revealed it as:

An outmoded airplane care 2,000 pound bomb and guided from carrier-deca manning to target crash entirely by electronics. A television camera is perched in its cockpit to send back pictures

Associated Press staff photographer Fred Waters, aboard the 27,-000-ton aircraft carrier doxer, fire. cabled an eye-witness account of the new missile's first use on Sept.

I in Korea waters.
Navy censors delayed Waters'
story until yesterday, cleared it
and then said in an announcement: "A number of guided missiles have been faunched successfully against Communist targets in

North Korea from the USS Boxer." Waters, in an additional dispatch placed the number already launched at from four to six. His eye-witness account said the pilotplane. Its progress into the combat television screen in a secret room inflicted.

heavy flow begins. Florida Citrus Mutual lost Snow Crop last June, but the decision of Clinton Foods brought it s 1000 acres, with a potential production of 31/2 million boxes of trust back into the fold.

Perry Murray, Mutual president from Frostproof, said the big co-op-now represents nearly 80 per cent of all citrus produced in Florida based on a 120 million box crop. In his statement at Ft. Pietre, Lins, Eastern manager of American Fruit Growers inc., said the industry has a big season shead If everyone stresses quality of both fresh and processed cities and gives the consumer an even break. me said:

"In visiting with citrus men all over the state we find a high do-gree of optimism throughout the industry, with one thing outstanding...most all citrus men agree that the grower will receive more money, on the average, during the 1952-53 season but most all of them limit their optimism to 25

MADAME ALDA DIES NEW YORK wi-The death in Then the target—"an enemy concentration in a valley between two shadowy hills." And then:

"... The instruments auddenly went blank. The screaming dive had ended, squarely on target, and the missile had crashed to oblivion."

The heavily censored description of the new missile shows it to be apparently as far a cry from other quided missiles now in use.

MADAME ALDA DIES

NEW YORK 49—The death in Rome of Madame Frances Alda, 69, former operatic star, was reported here today.

A cable from her husband, Ray Vir Den, New York advertising man and president of the Dutch Treat Club, said her death was due to a cerebral hemorrhage.

The Vir Dens left New York for Rome two weeks ago.

#### Slimmer Diet Of Dairy Products Is Slated Next Year

By OVID A. MARTIN WASHINGTON & Current production trends point to a slimmer sustained large-scale robot cam-tiet of dairy products, eggs, poul paign in Koren." liet of dairy products, eggs, poul-

Thi general outlook is drawn rom several recent Agriculture department reports showing that the production of milk, chickens, and hogs is declining:

These downturns were said to reflect the fact that rising costs ire discouraging many producers. The fall pig crop-which will become the pork supply next spring and summer is expected to be 9 per cent smaller than last year's Milk production during the first eight months of this year was down 1,300,000,000 pounds from the 8244 billion pounds produced in the cor-responding period last year. Pro-duction in August was the smallest for the month since 1940.

Commercial intchery production of baby chicks during August was same month last year. For the first eight months of the year, hatchery roduction was down 5 per cent from the corresponding period last

The main cause of these down ward production trends is an advancing cost of livestock and poultry feeds that is not being matched try and milk: On the other hand, supplies of as this year

HAM BRACH (A. The pennant admitted most two sets of teams, one de fensive and the other offensive However, some

players will re- Bill Fleming main in both sets to play virtually the entire game.

Ganas, who is personally coaching the linemen while Fleming is directing the backs, is much impressed with the sophomore additions to the varsity this season.
"Johnny Jones, Dallas Turner
Flowers, and Larry Bates look like excellent prospects. They will see plenty of action before the sca-son is over too," Ganas predicted.

The forward wall, which has been a particularly perplexing problem all fall, has its standouts. Senior Joe Pickens, 170-pound tackle from the 1951 squad, has been the individual star so far busting through the line on defense and maning in-

line on defense and opening in-viting holes on offensive. The taciturn tackle packs the weight on his 5' 11" frame and has displayed power and drive of a veteran bull. Ganas is especially happy when referring to Joe as his "lite".

happy when referring to Joe as his "line".

The Feds are particularly strong in numbers at the tackle with six vying for the two starting berths. Robert Newson, 15-year-old sophomore tackle, is the biggest man on this year's Celery Fed gridiron edition pushing the scales around to 218 pounds.

A pleasant surprise in the important tackle

has all the attributes to make a
Bubba Blabee star this year
and both Coaches Fleming and
Ganas are giving the silent lineman a thorough chance.

The guard situation seems to
be taking shape, David Hosack,
180-pound junior with no pravions experience, has been
charging like a veteran. Russell
Mann, a chunky little 145-pound
senior from the B squad, isn't

#### Slimmer Diet Of Dairy Products Is Slated Next Year

llet of dairy products, eggs, poul-

This general outlook is drawn | and hoge is declining.

These downturns were said to reflect the fact that rising costs are discouraging many producers. The fall pig crop-which will be come the pork supply next spring and summer-is expected to be 9 per cent smaller than last year's. Milk production during the first eight months of this year was down 1,300,000,000 pounds from the 821/2 illion pounds produced in the corresponding period last year. Production in August was the smallest for the month since 1940.

Commercial hatchery production of baby chicks during August was 15 per cent smaller than in the same month last year. For the first eight months of the year, hatchery production was down 5 per cent rom the corresponding period last

The main cause of these downward production trends is an advancing cost of livestock and poulducer prices of hogs, eggs, poultry and milk. bles-are like On the other hand, supplies of as this year.

#### Missile Supply Is Reported As Large

WASHINGTON CE—Current production trends point to a slimmer sustained large-scale robot cam-

try and pork next year.

### One Killed, Seven Injured Collision

Inadequate Facilities At Hospital Endanger Lives Of Victims In Accident

By JIM PINER

A Banford Negress was killed and seven other persons were intered last evening when a truck bearing Neero cotton-pickers and an automobile collided with terrific impact on State Road 46 at the first curve west of Wilson Corner west of Sanford,

Killed was Elizabeth Murry, 59.

111 Courses Avenue, She died

1111 Cypress Avenue. She died

instantly, suffering a fractured skull and jaw, according to Patrolman R. D. Harrison of the Florida Highway Partol.

As ambulances brought the infured to the Fernald-Laughtun Memorial Hospital, the tiny emergency room resembled a disaster in a madhouse.

Injured were placed pell-mell

in a madhouse.

In lured were placed pell-mell in the cramped quarters, some lying on attretchers, others altting in chairs, as doctors and nurses worked industriously and as efficiently as possible under conditions deplorable to modern mediates.

ine.

Eye witnesses to the scene gave descriptions which would horrify anyone who might be caught in rimilar circumstances.
"These injured people, probably

with fractures, were sitting up in chairs," Patrolman Harrison grimly related today, as he warned the public to remedy the situation with proper hospital facilities. Rapid-fire injections were given with hypodermic needles to al-leviate the pain of the suffering, he stated as he recalled the dra-

mary Lee Wells, Terth Sirrers; and that the district of the properties of the proper

Ford truck were listed as training on the same of the crash, related that the sides and top of the truck were thrown forward, completely covering the eab.

In issuing out at the critical shortage of hospital facilities, he said, "I just wish more possio could have been there (hospital amergency room) and witnessed (Continued to Pare Ala)
