Riders Were Here From Many Parts of Florida

HAD A GREAT DAY

DANCING AT NIGHT WAS A BIG FEATURE OF THE DAY'S INTERESTING PROGRAM

Yesterday was one of the greatest days in the history of Sanford. There were many hundreds here to spend the day—not as many people as Sanford has entertained in the past but one of the largest crowds in present years and it was a good natured crowd, one that had thrown off all business restraints and had come to Sanford to have a good time.

The barbecue was all ready for the hungry crowd about one o'clock and there was plenty of everything, especially meats—good old Florida meat that vied with the finest of western meat and took first prize. Eugene Roumillat, the boy who has been working early and late with the barbecue stunt, had charge of all the big doings and promptly on time he sounded the gong and the crowd went for the feed and it was some feed.

In the horse race the horses were lined up on Palmetto avenue and rode straight across the bulkhead to the railroad track, the winners being Rufus Brown, first and Henry Cameron, second.

In the little pony race Chas. Beck was first, Elenor Cameron was second, Barney Beck, jr., was third, and Jack Stempel was fourth.

Last night the street in front of the court house was filled with sawdust and lighted by hundreds of lights strung across the street the compliments of the Southern Utilities Co. The dancers held sway from seven o'clock until midnight at which time they had to take the band off the platform and urge them to go home as they wanted to play until morning.

It was a great day from the first events in the morning until late last night. It will be a day that will linger long in the memory of those who came and partook of the hospitality of the Sanford people.

## MINSTRELS SHOW TONIGHT AT PRINCESS

WILL BE ONE OF THE GREATEST  
HITS OF THE SEA-  
SON

Among the many attractions to the city tonight are the Dixie Minstrels, who will show at the Princess Theatre tonight and tomorrow night and who have everything from grand opera to rag time and back again. The Dixie Minstrels are composed of the boys from Company D and the show is being staged for the benefit of Company D in order that when they go to camp again they will have some of the comforts and conveniences and plenty of good eats that are not marked down on the regular commissary slips. And then Company D needs many little things here at home to make the boys comfortable and while the government furnishes everything they do not furnish all the things needed. So Allison and Rudisill, the minstrel producers de luxe of North Carolina, have been called in to put on this big show tonight and tomorrow night and in assisting the boys of Company D they have called upon all the local talent and all the pretty girls in the city to make this minstrel show one of the greatest and best that has ever been staged. After you have enjoyed the day to the fullest go to the Princess Theatre tonight and for a nominal sum see the best home talent show you have ever witnessed. ## Yowell-Drew Co. Staging Exhibition Next Saturday

Will Have Prizes for Competitive Exhibitions of Various Departments

In this issue of the Daily Herald is a half page advertisement of the Yowell-Drew Company of Orlando, calling attention to their new innovation—the Salespeople's Competitive Exhibition—and it is just what the name implies.

The Yowell-Drew Co. have the reputation of being kind and generous to their assistants and the clerks in the establishment as they realize that their success depends upon capable and efficient salesmen and salesladies who have the best interest of the firm at heart. They believe in giving the large force all the traffic will bear and in return they want their best efforts and they get it as everyone that trades at the Big Store in Orlando will bear witness.

Now the big idea for next Saturday, October first, is that a Competitive Exhibition will be held at the store in which all the clerks have entered and they will receive prizes for the best merchandise display and for keeping and arrangement of stock, the first prize to be \$100, the second \$50 and the third, \$25.

The judges have all been decided upon and everything is all ready to shoot next Saturday and the public is cordially invited to attend this big event and take a look at the handiwork of the Yowell-Drew Store at Orlando.

Without calling attention in any particular to the prices or the goods or the special sales for that day the advertisement only states that the big day is set aside for the benefit of the different departments but it is also a fact that the Big Store will be most attractive and all the patrons of Seminole County are cordially invited to attend.  
Read the advertisement in this issue.

### UNUSUAL ACCIDENT—

**UNUSUAL DOCTOR**  
MELBOURNE, Fla. Sept. 29.—John Gallagher, sawyer at a mill at Hopkinds, is convalescing after an unusual accident and an unusual bit of patching up done by Surgeon Bean, of this place. Gallagher had his right arm mashed six inches below the elbow. Both bones were cut all the way through and one of them was smashed into splinters, complicating treatment. The muscle, however, was not cut, nor was the artery severed. Dr. Bean had a blacksmith construct an iron frame in such a manner as to pull from the ends toward the center, set the bones and trussed the injured arm in it. The surgeon declares the injured limb will heal and that Gallagher in all probability never will suffer any ill effects from it.

## THE SONGS THEY SANG AT ORLANDO TUESDAY NIGHT

Were the Result of Franklin O King, of Orlando, and R. W. Pearman, of Sanford

The following from the Orlando Reporter-Star about the special songs for the banquet is interesting:

The poetic mind of Orlando's great poet, Franklin O. King is responsible for the following songs which were led by Mutt and Jeff, who in every day life are "Shorty" Voorhis and Wilbur Flowers, the diners took up the chorus at the end of each verse and with much vim and gusto kept the whole neighborhood awake until nearly the midnight hour. The songs were sung to the tune of Margie:

There's a good town up in the Seminole,  
With some folks we're proud to know,  
They're substantially the liveliest burg  
That rows a boat on Lake Monroe.  
They are full of pep and Enterprise;  
With a very friendly way  
They've a lot of hustling business guys  
Who've come to Sanford town to stay.

**CHORUS—**  
Here's to you Sanford,  
We're often thinking of you, Sanford,  
We'll tell the world we love you; don't  
forget your promise to be  
A pal of ours, and if you should see  
anything for Sanford—  
We'll be your inspiration; we will be  
true blue.  
We'll be glad to lend a hand to San-  
ford and Orlando.  
Oh, Good Luck! Sanford to you.

**II**  
They've a MAYOR up in Seminole,  
Harry Stevens is his name.  
He's a mighty good Rotarian—  
And selling merchandise his game.  
Frank P. Forster is a banker there,  
Who's as shrewd as shrewd can be.  
He's been a boosting Sanford town  
for fair,  
Since the YEAR of 'Sixty-Three.

**CHORUS—**  
**III**  
They have also a good president  
Of a live-wire C. of C.  
Colonel Knight is selling real estate,  
And giving information free.  
Secretary Pearman's also there,  
He will never fade from view.  
We will ne'er FORGET the guardian  
Or room 'THREE HUNDRED and  
TWO.

**IV.**  
George DeCottes he is a lawyer there  
He's a good one so they say.  
Charley Henry is a farmer there,  
Who knows just when and what to say.  
Doctor Hyman is a preacher there;  
He's a Hard-Shell Baptist man.  
Disbelieves in Sleeping Sickness there  
And says it's not the Sanford plan.  
**CHORUS.**

**V**  
There's an editor in Seminole  
Who grew on a Christmas tree.  
We are glad his name's not Mistletoe,  
But it's plain OLD Bob Holly.  
He is for an inter-urban line.  
And some day we hope 'twill pay.  
But a good old Inter-Bourban Line  
Would be successful right away.

The following songs the composition of R. W. Pearman, Jr., of Sanford, helped considerably to enliven the meeting, they were generally sung following a speech to which they were appropriate:  
How about Ken Guernsey starting these songs?

**SANFORD**  
(Tune: Margie)  
Dear old SAN-FORD, we're always  
working for you SAN-FORD,  
We'll tell the world you'll beat them  
Forty ways, and that's going some,  
When we start to "SHIP BY WAT-  
ER" as we "oughter."  
**SAN-FORD**  
Your growth's an inspiration  
We are never blue  
Now you've got most ev-rything  
What you haven't we will bring  
Dear old SAN-FORD to you.

**ORLANDO**  
(Tune: Margie)  
Dear ORLAN-DO, the City Beautiful,  
ORLANDO,  
Each tourist sings your praises,  
They can't help but keep boasting  
you,  
For you've got a lot of "pep" and  
some swell "rep"  
**ORLAN-DO.**  
We've got an inspiration  
That will help you, too,  
We'll ship each box of fruit  
Via St. Johns river route,  
And bring cheap freight rates to  
you.

**GOOD OADS SONG**  
(Tune: There's a Long, Long Trail  
A-Winding)  
There's a narrow road a'winding  
Down from Sanford this way,  
Where cars must dodge each other  
Thru the sand and clay.

There's a narrow road needs wld-ning  
Before our dreams can come true,  
Of an auto line to carry freight  
And reduce your rates for you.

**GET-TOGETHER SONG**  
(Tune: Glory Hallelujah)  
SANFORD and ORLANDO, they're  
the two best towns we know,  
SANFORD and ORLANDO, just you  
watch and see them grow.

SANFORD and ORLANDO, where  
you'll find the "pep" and "go."  
And they're working hand in hand.

**CHORUS—**  
Root for SANFORD and ORLANDO,  
Boost for SANFORD and ORLANDO,  
Work for SANFORD and ORLANDO,  
And then can bet they'll grow, grow,  
grow.

**WE THANK YOU.**  
(Tune: Tipperary)  
Sure we're glad we came down to  
ORLANDO,  
It's a fine place to go,  
We must admit that it was mighty  
grand to  
Have you treat us so,  
Come up again to SANFORD,  
We'll know just what to do.  
There's a standing invitation waiting  
You know.

**DEATH OF MRS. FRANK WOODRUFF, JR.**

Death came to the Woodruff home this morning about one o'clock, and robbed it of the young mother and wife. Mrs. Mary Ransome Woodruff, beloved wife of Frank L. Woodruff, Jr., was taken after a few days of battling with the dread destroyer, and with the hopes of friends and relatives alternately rising and falling as hourly bulletins were received from the bedside where skilled physicians attempted to save the life of the little mother who had just given birth to a son, only to have her own life given as a sacrifice.

Death is always a shock to a community, but the death of Mrs. Woodruff, who came here about a year ago as a sweet and winsome bride, has fallen upon the city as a mantle of sorrow to be borne by the community as a whole, a sorrow that enshrouds the lives of all the citizens. Mary Julia Ransome was born in Kentucky in 1898, and lived with her father, Rev. A. J. Ransome in India for some years during her early childhood, Rev. Ransome being a missionary to India, and living there at this date. Her mother died while she was 14 years of age, she coming to the state to reside with an aunt in Greensboro, N. C., and also lived with relatives in Charlotte, Union and Ninety-Six, S. C. Graduating from Woman's College, in Dues West, in 1918, she studied voice in Chicago and then accepted a position with a chautauque course for a year returning to South Carolina to reside. She was married to Frank L. Woodruff, Jr., on November 24th, and came to Sanford to make her home.

She leaves a father and stepmother, and a little brother, and many other relatives, to mourn her loss, the brother and aunt expecting to arrive here tomorrow.

The funeral will occur from the late residence of Oak avenue tomorrow afternoon at four o'clock, interment being made in Lakeview cemetery. The sympathy of the many friends is extended to the bereaved in their hour of sorrow.

**TO CURB THE LOAN SHARKS.**

JACKSONVILLE, Sept. 30.—Passage of an ordinance designed as a curb to "loan sharks" has been recommended by the laws and rules committee of the city council. The measure fixes an annual license of \$100, a maximum interest rate of 3-1-2 per cent. and would require money lenders effected by it to execute a \$1,000 bond. The measure would apply only to persons and firms lending sums of \$100 or less.

against Arbuckle—one being placed yesterday when at the conclusion of the hearing before Sylvian J. Lazarus, police judge, the murder charge was amended and the other having been returned recently by the grand jury. Arbuckle regained his freedom shortly after the preliminary hearing was ended. He already had on deposit \$5,000 bail in connection with the indictment, and this was transferred to cover the proceedings arising from Mrs. Delmont's complaint. On the grand jury accusation he was placed "on his recognizance" to return on October 5th.

Whether District Attorney Brady would be able to have Arbuckle appear to answer to one complaint and then try him on another one the same date he was not sure he said.

Brady's reason for his attempt he stated was that he wished to avoid furnishing the defense attorneys with a transcript of the evidence before the grand jury.

The district attorney in a long statement last night said that Judge Lazarus had accorded Arbuckle's case unusual treatment and charged that "if Arbuckle were unknown and unimportant he would have been held for murder and treated precisely the same as were other defendants of disrepute."

**CHARLES LARSON, DELAND, SUICIDES AT WINTER PARK**

Charles Larson, about 45 years of age, of DeLand, shot and killed himself at the home of his sister, Mrs. G. O. Connors, on Boulevard avenue, Winter Park, at 11:30 yesterday morning. Two shots were fired from a small calibre revolver and death occurred within two hours. Financial worry and ill health is alleged to have led to the committal of the rash act. Sheriff Karel, State's Attorney Joseph H. Jones and County Judge Frank Smith went to Winter Park and viewed the body but the calling of a coroner's inquest was deemed unnecessary since death had clearly resulted from suicide.

Larson, according to the report, had only arrived in Winter Park Monday for a short visit with his sister. Yesterday morning he purchased a ticket to return to DeLand and had bade his sister good-bye. Going into the yard, he put the muzzle of the revolver to his temple and two shots rang out. Burrie Taylor, a son of W. B. Taylor, a neighbor, witnessed the shooting. The deceased is well known in DeLand where he has been employed for a number of years by the G. A. Dreka Company department store, and was unmarried.—Orlando Sentinel.

Every farm on the west side of Beardall avenue, from Geneva avenue south, has one or more of the pumping engines at work. A GOOD ROADS REPORT

J. H. Whitney, secretary of the Florida Hotel Association, has been doing some traveling in the State, and has published reports of the condition of the roads. Here are five paragraphs of his report that will interest Volusia county people:

Daytona to New Smyrna The asphalt road is good, but there are some surprisingly deep holes in it. The shell road is not bad, but again that corrugated effect that frightens a Packard and simply kills a Ford.

New Smyrna to Titusville. More shell road and more holes. Getting bad and has been that way for some time. Nerve-racking driving here and one-mile seems like several.

Daytona to DeLand Fine road in good shape. Asphalt is wide but good shoulders on narrow brick, make this a safe and fast road.

DeLand to Eastis Going by way of Crows Bluff the road is fine at present. Shell and rock from the St. Johns river to Altoona, and asphalt from Altoona to Eastis in fine shape.

DeLand to Sanford This old shell road, after leaving the fine brick just out of DeLand, has long been a terror. It's worse now and getting worse every day. Tremendous traffic, and result is a badly cut surface with holes, ruts and corrugations. Brick from St. Johns to Sanford going bad.

If someone would traverse the public highways of Volusia county and write truthful reports of the condition of the roads, it would make some mighty interesting reading; though, doubtless, much of it would be rather unpleasant. Our poor roads are a very heavy expense to us, besides giving the county several "black eyes."—DeLand News.

STETSON'S FOOTBALL TEAM.

DELAND, Sept. 30.—Stetson University's football eleven will be somewhat light this season, according to those who have studied the prospects of the team. Practice is well under way under the direction of Coach Allen. More than two squads have come out so far, and leaders of the school are calling for a more general response. Many of the boys are holding back, it is said, because they consider themselves too light, and Leslie, one of the lightweight candidates, is being held out as a good reason why no one should fail to come out because of lack of weight.

The team is developing speed, and this with a good morale is expected to go a great way in overcoming the handicap in weight.

Dulmage, in the backfield, is making a favorable impression for the manner in which he gets away for a sprint and also his staking of passes. This youngster hails from Jacksonville with many notable athletic records to his credit in that city. He recently ran third in a 100-yard dash at a national meet. This is his first year in football but he is considered an all-round athlete and it is expected he will readily absorb the rudiments of

football. Bus and Howard, last year letter men, are expected to get into the game shortly which will materially aid the Stetson eleven.

Speeding will never be wholly pleasurable until somebody invents a tire that floating ribs, won't puncture.

Arbuckle gets manslaughter. Prosecuting Attorney said if he had been a poor man he would have been sentenced to death long ago.

Jacksonville dispatches say the veniemen have been exhausted in the Pope trial. No doubt. And everyone else that has anything to do with the case outside of the lawyers is probably exhausted also.

Sanford needs more homes. We need the money to build them. The Building and Loan Association needs the money. Where do we get it?

Eustis is some city, some city. They wanted a Building & Loan Association over there to build more homes. In four days they subscribed \$100,000 for this project.

THE RIGHT SPIRIT.

Big days like yesterday, when the merchants of a city like Sanford invite the countryside to come here by the thousands and feed them, amuse them, make them feel at home, are the means of making a city famous in many ways.

FINE IDEA

The average newspaper rarely ever boasts its own business, but gives quantities of space boosting the affairs of others. Somebody suggested that it was time for the newspapers of the country to adopt a week in which their own business should be given precedent.

THROW OFF "BLUE GLASSES"

B. C. Forbes says it is time to throw off the "blue glasses" and revive trade and employment. "To urge we become a nation of Pollyannas," he writes in Forbes Magazine (N. Y.), "would be in puerile To prescribe is a panacea for our business ills nothing but an overflowing dose of windy optimism would be ineffective and foolish."

BETTER HOMES "ON TIME."

There are less than 300 furniture stores, the country over, which actually sell for cash alone. And in many of these institutions furniture can be purchased on four to six months' time, if the customer enjoys a good credit rating.

Hence, whether or not the trade's twenty thousand odd individual furniture retailers class themselves as "installment houses," 99 per cent of the furniture sold each year in America is bought on the deferred payment plan.

If that were not so, less than one-third of America's ten million homes would be fully and comfortably furnished; lack of home comforts, the most fundamental factor in the nation's community life, would be as crying a need as the lack of adequate facilities are at the present moment.

Post Card Day to Be Observed Next Week and After

Jacksonville Will Hold Special Week for This Big Event

While next week is really postcard week many cities are taking certain weeks in October for Post Card Week and will make a systematic campaign of postcard sending for that week.

One million postcards leaving Jacksonville in one day for all parts of the United States and the world is the goal of the Jacksonville Real Estate Board which yesterday announced plans under way for making October 22 "Postcard Day" in Jacksonville.

J. L. Wallace, secretary of the board and originator of the plan, is now preparing data to be submitted to all civic clubs, fraternal organizations and other bodies in the city calling on them to back the movement which will result in widespread publicity for Jacksonville at an almost negligible expense per person.

Prizes will be offered the school which, as a body represented by pupils, brings in the most postcards ready for mailing. A prize also will be awarded the civic organization sending the most cards.

The co-operation of dealers in postcards will be sought in promoting this movement and a committee representing the Real Estate Board will within a few days visit all such establishments to select cards to be offered for mailing under this plan.

Every person in Jacksonville will be urged to mail not less than ten cards to friends in cities outside the state, Mr. Wallace said. Business organizations will be asked to send cards to all out of town customers.

PEOPLE STILL BELIEVE IN FAKES.

What is a Good Citizen?

Fifty years ago the man who kept money at home or on hand to lend his neighbor was a good citizen. **SANFORD'S  
TEMPERATURE**

Well, it was some heated yesterday but the old bulb only showed 92 and the heat probably came from so many thousand people being packed along the lake front eating good grub and having a good time. Anyhow winter is approaching and you can't rub that out and the thermometer is bound to slide down the scale instead of crawling up. Just hold to it awhile longer and you will note a big change in the weather for that storm is coming and will change the weather report immensely:

**ROY HARDIN NEXT IN ROD AND GUN CLUB RECORD**

L. H. Gibbs, now holds the best record for marksmanship for the season at the Rod & Gun Club trap.

Next to him comes Roy Hardin, a man who has not been shooting this season until yesterday but who is showing up well. J. H. Cowan comes third with a standing of 733 for the season.

On account of the Gala Day celebration yesterday many of the regulars were unable to be out as the races and tournament were being held at the same time as the trap shoot and many were busy. To make up for this several men were in yesterday's contest who came in for the celebration and attended the shooting rather than the races.

On the whole the score is not quite so good as on previous days but it is still good amateur work. Yesterday's results are as follows:

**BELCHER CASE TO JURY TODAY IS BELIEF AS TESTIMONY IS ALL IN.**

CLEARWATER, Sept. 30.—The case of the state of Florida against Dr. Irving Belcher, of Tarpon Springs, charged with manslaughter in connection with the death of Miss Virginia Turner, twenty-year-old girl, will go to the jury today.

That much was assured at the conclusion of the court session in the Pinellas county court house here. All the evidence has been presented to the jury and both sides have closed their cases. Time for arguments has been limited to three and a half hours for each side. Allowing time for the court's charge to the jury, the case should be in the hands of the jurors early. Night session of court probably will be held to await the verdict.

The indications are that Judge O. K. Reeves, of Tampa, who as assistant to Prosecutor E. P. Wilson, has virtually conducted the state's case, will make the final argument. If this is the case, Prosecutor Wilson will make the opening argument. The defense has four attorneys—Col. Thomas Palmer, W. B. Dickenson and A. B. McMullen of Tampa, and J. L. Kelly, of this city. It is problematical how many of these will argue before the jury, but it is regarded as certain that Colonel Palmer and Mr. Dickenson will present arguments.

The audience which crowded the courtroom again today was distinctly disappointed when the defense closed its case this afternoon without putting the defendant on the stand.

When the state rested its case this morning, Colonel Palmer, chief counsel for the defense, made a determined effort to have Judge C. O. Andrews to terminate the case and instruct the jury to return a verdict of not guilty.

Judge Andrews denied the motion and the defense then put on its witnesses.

CLEARWATER, Sept. 30.—With seven attorney presenting arguments today in the case of Belcher, on trial for manslaughter in connection with the death of Virginia Turner, the case will probably not go to the jury before night. Arguments on each side is limited to three hours and a half. Prosecuting Attorney Wilson opened for the State, and A. B. McMullen for the defense, is next to address the jury.

Jack Hughes, of Orlando, one of the best writers and Associate Press operators in the South, was in the city today, coming up on special work for one of the New York papers. Jack has deserted the newspaper game for the more lucrative real estate business but he gets back now and then. He paid the Herald office an appreciated visit.
