

Reds Wallop Two Lookout Hurlers For 7 to 5 Win

Locals Pushed Further Down In Loop Standings

Davis Is Injured, May Be On Bench For Several Days

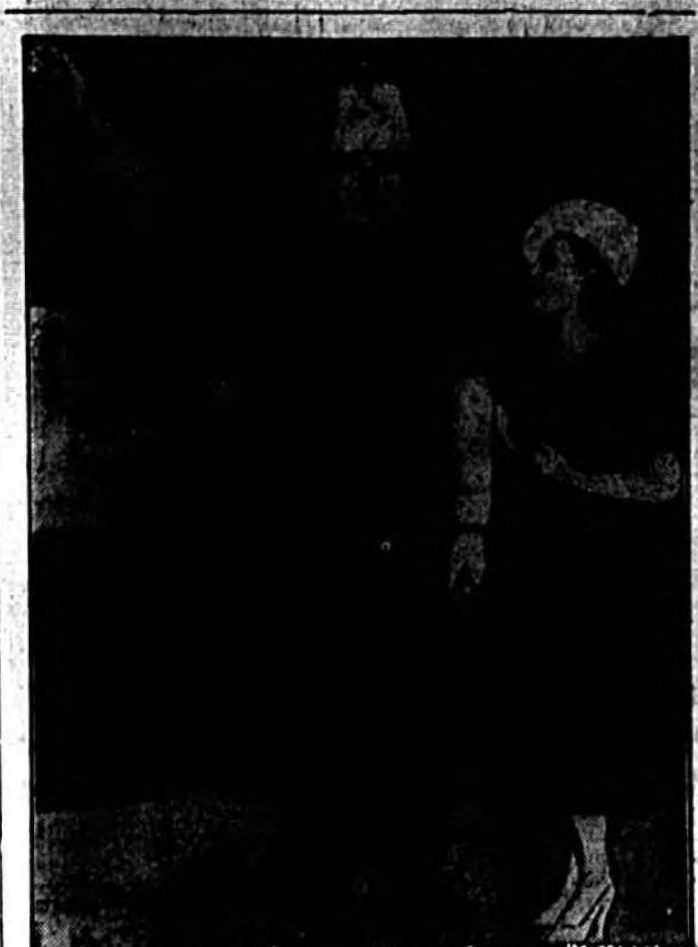

By E. H. CULLUM
The Lookouts were pushed further into the cellar yesterday afternoon when DeLand took the third game in a row by a 7 to 5 score on the local lot.

Islets Continue Losing Streak; G-Men Win, 7-4

Leaders Drop Eighth Straight Contest; Fielding Shines

GAINESVILLE, July 29.—Batting in six runs by collecting four trips to the plate, Russell Bevell led the Gainesville G-Men to a 7-4 win over the Daytona Beach Islanders here yesterday afternoon.

ELEANOR HOLM JARRETT IN BERLIN

Eleanor Holm Jarrett, dropped from the Olympic team for violation of training rules, is seen in this picture—telephoned to London and radioed to New York—talking to a policeman in Berlin.

Jenkins Is Ready To Speed Over Utah Salt Beds

American Will Try To Better Records Set By Englishmen

SALT LAKE CITY, July 29.—(AP)—Ab Jenkins, bronzed Utah king of American speedways, uncrated a new kind of racing car, a virtual grand plan, Monday, and promised to attempt within a week upon all noted car speed endurance records from 1 to 24 hours.

Troy Duncan Is Seen As Excellent Local Prospect

Young Outfielder Has Great Throwing Arm; Shows Ability To Become First Rate Base Stealer

By JULIAN STENSTROM
Troy Duncan, one of the Lookouts' new acquisitions, is thought of by the local fans as one of the best prospects on the squad so far this season.

Plowman Hurls Azaleas To 5-2 Win Over Saints

Schneider Touched For Eleven Hits, Mate's Get Seven

ST. AUGUSTINE, July 29.—Garfield Plowman, recruited by Palatka from the Florida-Alabama League, hurled seven-hit ball here yesterday as the Azaleas finished with a three-run spree to down the St. Augustine Saints by the Florida State League, 5 to 2. It was the same score by which the Saints humbled the Azaleas on Sunday.

U. S. Athletes Open Vital Workouts In Berlin Oval

Track Team In Better Shape Than Eight Years Ago At Amsterdam; Glenn Cunningham's Legs Sore

BERLIN, July 29.—(AP)—The clouds rolled by after nearly 24 hours of heavy rain yesterday, the sun emerged and shed its scorching rays upon sundry athletic aggregation of talent yet turned loose upon the village greensward put in its best training licks since the weather man cast a restraining hand on Olympic preparations.

Relief For The Itching of Eczema

It's wonderful the way nothing, cooling Zemo brings relief to itching, burning skin, even in severe cases. Zemo usually stops when Zemo reaches the itchy and irritated skin, because of the rare ingredients. To compare the irritations of Itching, Ringworm, Eczema and Psoriasis always you clean, nothing Zemo. It should be in every home. Made on genuine Zemo. Approved by Good Housekeeping Bureau, No. 4874, 864, 865, 866. All drug stores.

West Florida Braces Itself For Big Blow

Hurricane Predicted To Strike Between Pensacola And Apalachicola Today

Gulf Coast Flies Warning Of Storm

Cooler Weather Accompanies Stiff Winds From South

JACKSONVILLE, July 30. (AP)—West Florida waited today for a tropical storm approaching through the Gulf of Mexico. The Weather Bureau said the disturbance, accompanied by winds of hurricane force near the center, probably would strike the coast between Apalachicola and Pensacola during the afternoon.

Showers and cooler weather accompanied the storm. Weather forecasters had expected the storm to hit the coast between Cedar Keys and Apalachicola during the early morning hours but it remained in the Gulf and moved more to the west.

The bureau's morning advisory said the storm center is south of Apalachicola, moving north-

west from Cedar Keys to Pensacola. Heavy rain warnings were up from Pensacola westward to the Mississippi River and from Cedar Keys southward to Tarpon Springs.

Water front property is well protected in advance of the storm. A heavy rain is expected to follow.

The storm cut across the extreme southern tip of Florida tonight without doing any appreciable damage. Two men, one a negro, lost their lives at Miami during storm preparations.

Baseball Campaign For Funds Started With Ticket Sales

A sale of season tickets for the remaining 13 home games in the Sanford Baseball Club schedule began today with every indication of success, according to Charles Wert, president of the local team.

Tuesday night a baseball committee sat in the Chamber of Commerce and voted a drive for cash before the city would have been forced to withdraw from the Florida State League because of a lack of funds.

Season tickets are being sold at 50 cents.

That \$1,000 must be raised to meet obligations or else the franchise would be dropped. According to plans formed by the committee, ticket sales are being conducted under the sponsorship of various civic organizations who are represented on the body.

Legionnaires Will Attend DeLand Fete

Sanford's American Legion Post will be well represented in DeLand tonight where the Volusia county legion unit is sponsoring a chicken dinner and dance. The affair begins at 6:30 P. M. with dancing starting at 8:30 P. M.

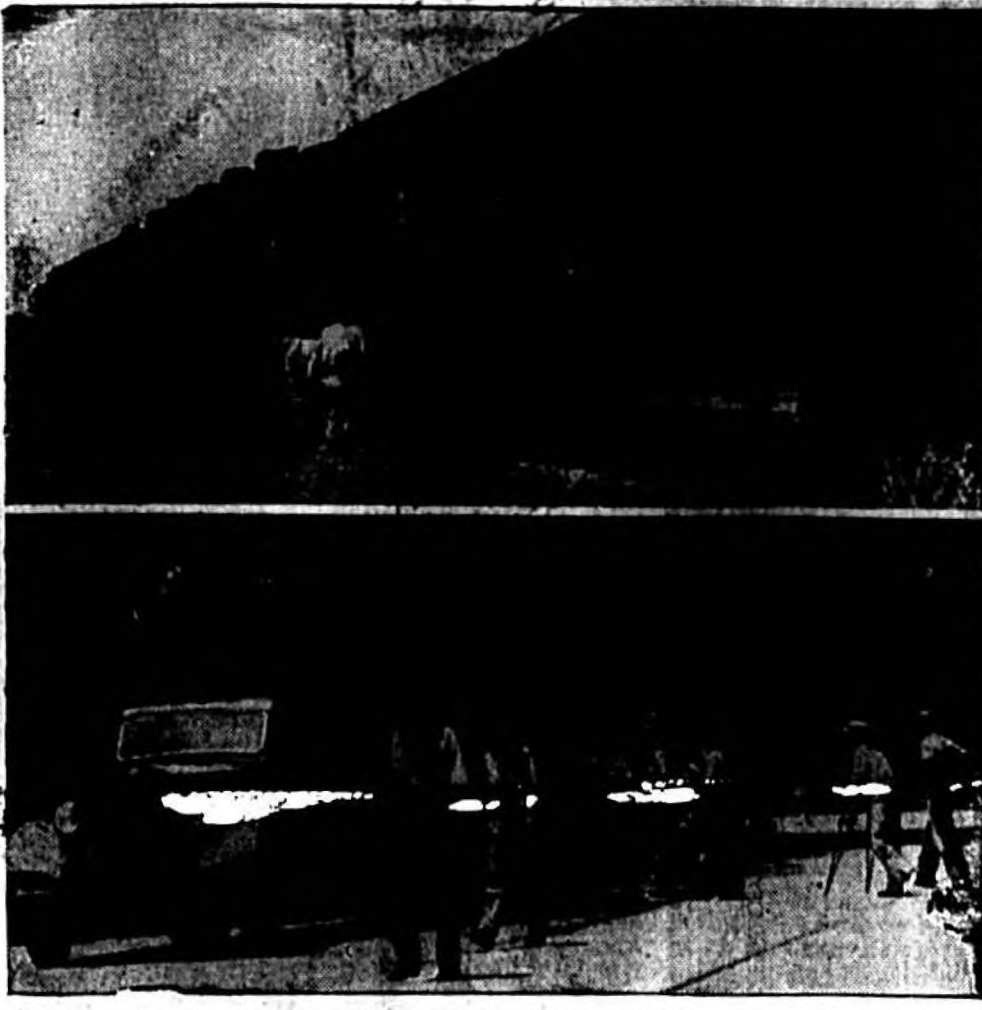

Big Number of Legionnaires Are Attending the Lookout-Boat Race Today

Sanford's American Legion Post will be well represented in DeLand tonight where the Volusia county legion unit is sponsoring a chicken dinner and dance. The affair begins at 6:30 P. M. with dancing starting at 8:30 P. M.

Sanford's American Legion Post Will Be Well Represented in DeLand Tonight

MILK EMBARGO TIGHTENED IN DAIRY STRIKE

Bent on preventing shipments of milk into New Orleans until the price is raised a cent a quart, embattled farmers are shown (top) halting a passenger train at Tangipahoa, La., and searching the baggage car for dairy products. Below, another group is seen searching a truck in the same town. Thousands of gallons of milk have been dumped since the embargo was declared. (Associated Press Photos)

Knox To Receive Notification Of GOP Nomination

Formal Ceremony Is Scheduled In Chicago At 7:30 P. M.

CHICAGO, July 30. (AP)—Colonel Frank Knox, Chicago newspaper publisher and former Rough Rider, takes the center of the political stage tonight to accept the Republican vice-presidential nomination and amplify the party's 1936 challenge.

The Chicagoan officially will be notified in ceremonies beginning at 7:30 eastern standard time at the Chicago Stadium, one of the world's largest covered auditoriums.

His speech is expected by party leaders to be the second half of the Republican party's statement of aims in the current campaign, and an outline of what it will do if installed in place of the Democratic Administration. He will supplement the address his running mate, Governor Alf Landon in Topeka last week.

Republicans Delay Senate Nominations

JACKSONVILLE, July 30. (AP)—Florida's Republican Executive Committee today again delayed selection of nominees to oppose Democratic candidates in the November general election for two unexpired United States Senate terms vacated by the recent deaths of Senators Fletcher and Trammell.

Ford Observes 73rd Birth Anniversary

BIG BAY, Mich., July 30. (AP)—Following a custom he established a few years ago, Henry Ford observed his birthday today at his home in the Huron Mountain Club area, west and north of here, on the rugged Lake Superior coast.

Police Department Recovers Lost Pistol

Police Chief Roy Williams today reported the recovery of a pistol stolen sometime ago from the home of George Williams, Jim Williams, negro, is being held on suspicion of the robbery.

Washington's Funeral Is Told In Paper Found Here

Mrs. H. B. Stevens Discovers Old Publication In Home; Napoleon's Activities Recounted

An Ulster County, N. Y., Gazette, published Jan. 4, 1800, and carrying a story of George Washington's funeral was discovered today in the home of Mrs. H. B. Stevens.

The paper was brown with age, although it was in excellent condition and readily readable. The Stevens family are unable to determine how the copy found its way into their home.

Washington's burial ceremony article was bordered in solid black, a universal custom of newspapers until only recently and still followed by some papers.

There appears the story of Napoleon Bonaparte's activities, mentioning the name of General Murat, the Little Corporal's right hand man who was buried in Talahassee after his exile from France.

A considerable portion of the publication was given to the activities of Congress and messages of President John Adams, one of which deplored the death of Gen. Washington.

The advertisements were somewhat comical when viewed in the light of present day advertising copy. One offered a sawmill for sale, including a "stout, healthy and active negro wench."

One of the advertisers indicated a highly optimistic frame of mind by inserting a "classified" for a "fine gun" which had been lost about one year before the paper went to press.

The editors were highly apologetic because of the incompleteness of their foreign news, asserting that the mail ship bearing dispatches of a war on the continent had not arrived in time to be included in the Jan. 4 issue.

Ft. Screven Stages Day For Visitors

Saturday, Aug. 1, has been designated visitors' day at Fort Screven, Ga., where several Sanford youths are stationed, according to a communication received here today.

Parents, relatives and friends of local boys at the fort are invited to watch the day's activities which will include athletics, military ceremonies and inspection of the camp.

2,000 Loyalists Die As Rebel Guns Belch Death; France May Aid Leftists

Sanford Feeling Building Boom Of Mild Nature

\$30,000 Activity Is Estimated To Be Under Way Here

Sanford and the vicinity, apparently, are now in the midst of a mild building boom, a hurried survey today reveals.

In almost every instance the construction is of residences. The building is in all stages of completion.

While it was difficult to obtain the exact amount of money being spent on construction here, the survey makes it safe to set an estimate of \$30,000.

New residences are being erected on Celery Avenue, Cameron Avenue, and on First Street.

Extensive remodeling activities are being carried on in a number of homes and apartments on Park Avenue, Cameron Avenue and in the Beville Apartments at Fourth Street and Palmetto Avenue.

A new residence now under construction by Andrew Carraway is expected to be the beginning of another building spurt, since Mr. Carraway was the first to take advantage of the Federal Housing Administration plan.

Henry Watson, local representative of a Jacksonville firm cooperating with the FHA, said recently he had received 35 to 40 applications for loans, guaranteed by the government, which will be used for entirely new construction.

Another construction venture which bids strongly to be a handsome asset to the city is the new National Guard Armory now being built on the waterfront.

Jacksonville Pays Honor To Governor Sholtz On Return

JACKSONVILLE, July 30. (AP)—Florida's National Guard, Naval Reservists, five bands and civil leaders and the public joined today in welcoming Governor Dave Sholtz home from California where he was elected grand exalted ruler of the Elks Lodge.

Following a parade from the railroad station to a downtown hotel, the Governor was honored at a breakfast, reception, luncheon and special meeting of the Elks Lodge.

Amateur Talent Is Wanted By JayCees

Amateur entertainment talent in Seminole County wishing to compete for a trip to the Texas Centennial should register immediately with the Rev. Father J. J. Kelleghan, representing the Junior Chamber of Commerce in the organization of a local group of amateurs who will appear before the Orlando JayCee group on Aug. 10.

Andrew Carraway, president of the Sanford Junior Chamber, today said a perfect vacation is in store for the winner of the contest.

Six More Merchants Agree To Sponsor Ritz Beauty Entrant

Six more merchants today had joined a list of 26 to sponsor an entrant in the Ritz Theater "Cavalcade of Beauty" scheduled for Aug. 5.

The new business firms are United Lumber Company, Myrtle's Coffee Shoppe, Monk's Place, Laney Drug Company and the F. W. Woolworth company.

Miss Helen Wellman, organizer of the pageant, said the event will be different from any other ever held here. Formal evening gowns will replace bathing suits used in conventional beauty contests.

Judges are to be selected among out-of-town friends. Special music will be heard.

Leads Revolution

Here's one of the most recent photographs of General Francisco Franco, leader of the current Spanish Army rightist revolt. It was radioed from London to New York. (Associated Press Photo)

CITY NEWS BRIEFS

Jim Magee, negro, was arrested by police last night on a disorderly conduct charge proffered by his wife.

R. T. Johnson, member of the Sanford Fire Department, will leave Aug. 1 for a two weeks' vacation in Jacksonville and on the Florida West Coast.

Ward Sloan of Pierson and Miss Jayne Ledger of DeLand, yesterday obtained a license to wed, according to records in the office of the county judge.

Friday's tides: low, 11:45 A. M.; high, 5:50 A. M. and 6:26 P. M. Sun rises at 5:45 A. M. and sets at 7:22 P. M. Moon rises at 4:41 P. M. and sets at 1:56 A. M.

Dr. A. W. Epps today received a post card from Walter L. Cooper, who is in Spitzberger, stating that the writer had seen the sun rise and set within 20 minutes. Spitzberger is 600 miles from the north pole.

A small roof fire on a residence at Thirteenth Street and Clark Avenue about noon today occupied the attention of the City Fire Department. Only slight damage was done. The house is occupied by Garfield Johnson.

Local showers probable tonight and Friday. Probably gales in extreme northwest portion this afternoon and tonight. Extreme Northwest Florida: cloudy with rain tonight and probably Friday morning. Shifting gales, probably reaching hurricane force Thursday, diminishing during tonight and Friday.

Two Men Are Booked By Municipal Police

Rose Holway, white, and Robert Lockett, negro, were booked by police today on a disorderly conduct charge which grew from an alleged fight in a Sanford hotel.

Chief Roy Williams said the case was first handled by county officers but turned over to the city because the alleged altercation occurred within the limits of the municipality.

Huge Scorpion Is Killed In Apartment

One of the largest scorpions ever seen here was killed this morning by Mrs. Essie Howell in a local apartment house.

The insect measured three and one-half inches long. It is on display in the office of C. E. Dawson, county farm agent.

Seminole Begins Negotiation For Refunding Bonds

County Debt Is Reduced \$392,000 From High Peak

Seminole County today had begun negotiations for refunding its outstanding bonded debt of \$2,208,000, according to an announcement from O. Herndon, clerk of the Board of County Commissioners.

While details and figures of the plan have not been made public, it was understood that the movement is designed to make possible a reduction in millages as each year passes.

County officials have pointed out that Seminole's financial position is firm, adding that the consummation of a refunding program will tend to increase that firmness among the state's 66 other counties.

The first step in actually wiping out the bonded debt was taken last Saturday when officials conferred in Tallahassee with the State Board of Administration and succeeded in obtaining the release of \$50,000 in bonds and nearly \$35,000 in coupons, both of which had been held as securities for a loan obtained in 1931.

Clerk Herndon said the peak of the county's indebtedness of recent years was \$2,600,000. This has been reduced \$392,000 by successive stages.

Negotiations now under way are the first attempts in some time to refund the Seminole debt.

Officials did not place any estimate on the time when the refunding program will have been consummated and put into operation.

Judge Andrews To Support Townsend Pension Movement

TALLAHASSEE, July 30. (AP)—The pledge that "I will work unceasingly to further its ideals" was voiced in Tallahassee recently by Judge C. O. Andrews, of Orlando as he discussed briefly the Townsend movement and his long-established policy of favoring "honest and fair compensation to old people."

En route to nearby cities to push his campaign for the United States Senate, Judge Andrews pointed out that "The Townsend movement has been the cause of the crystallization of the desire to do something about the problems of our aged. . . . If it has done nothing more than created the consciousness of a duty owed to these persons, it deserves the commendation of every right-thinking man and woman, and I pledge that I shall work unceasingly to further its ideals."

"As United States Senator from Florida," he said, "I will favor and fight for any bill that may be presented to Congress which provides for an honest and fair compensation to old people without an abominable pauper's oath, and I will oppose any substitute. . . . which provides for the meager \$15 or \$30 a month for the 'civil veterans' of our great nation."

Lt.-Col. Hutchison Returns Home Ill

Lt.-Col. J. C. Hutchison, commandant of the Sanford National Guard Unit returned today from Camp Foster in Jacksonville and was confined to his home with an illness described as "not serious."

The National Guard officer will be able to return to duty within two days, it was announced.

He is assigned to the Jacksonville military camp for a two-weeks' period of duty covering the regular summer training activity of guardsmen.

Americans Evacuate Madrid For Safety Of Cruiser Quincy In Mediterranean

Fliers Are Ordered To Take Up Arms

Ford Motor Company Factory Reported To Be Occupied

(By The Associated Press) Spanish money market today reported at Perpignan, France, that more than 2,000 Loyalist troops were killed when they were ambushed in the hills outside of Zaragoza by the Rebel Army.

Mountaineers told French officials that one of the main Government columns was surrounded and moved down by Fascist machine guns as the Loyalist troops marched down a mountain pass.

Fascist instructors reported revolt of the Government garrison at Valencia, a Mediterranean Spanish seaport, as more Americans fled Madrid toward that city to escape the revolution.

Thirty Americans already are in Valencia. Nine captured at Madrid today for there and 75 more were scheduled to leave tonight. The cruiser Quincy of the United States fleet is to pick them up.

A battle by both ground troops and airplanes for possession of Zaragoza in the rebel area of Northern Spain was launched by the Government. Reports became general that France may aid the Spanish Government in putting down the thirteen day revolt.

French senators said Premier Leon Blum told the foreign affairs committee that France might be forced to aid the Madrid Government with arms to prevent being "surrounded by dictatorships." Blum was quoted as denying that arms or airplanes so far have been furnished Spain.

To bolster its defense forces, the Madrid Government confiscated the Merchant Marine. Authorities ordered all military and civil fliers not on duty to report for action.

The British Government began an investigation to determine whether British and American banks and factories had been confiscated in Spain. The Ford Motor Company said it received a report that its factory at Barcelona had been occupied.

Local Heat Wave Broken By Winds From Gulf Storm

The heat wave in Sanford "broke" yesterday as the official thermometer recording was announced at 86 for the day's top.

During the night the mercury slid quietly and slowly down to 76, a point where it has remained for the past week between sunset and sunrise.

Despite the official recording, there were thermometers in the city that registered higher temperatures. One hundred was chalked up on one of the town's areas where the sun beamed down into a location that was shut off from winds.

Lower temperatures were attributed to the tropical disturbance which rose early Monday morning, swept across the southern tip of the state and howled its way into the Gulf of Mexico.

THURSDAY, JULY 30, 1936

Excessive Drinking

One of the principal reasons advanced a few years ago for the repeal of prohibition—outside of the argument that it would cure the depression—was the contention that repeal would reduce drinking and drunkenness. It was often argued, and not without some semblance of truth, that people naturally desired most those things which were denied to them. Consequently, if the young people of this country were told that they could go ahead and drink all they wanted to, and liquor was set out in great abundance before them, there would be an end to cocktail parties.

That this theory has not quite worked out in actual practice the way it was supposed to has been demonstrated by Dr. S. S. Goldwater, commissioner of hospitals in New York City, who says that "excessive drinking in New York City is increasing by leaps and bounds," and who quotes many figures from Dr. Karl Bowman, director of the division of psychiatry at Bellevue Hospital to prove it.

In 1934 Bellevue admitted 7,649 cases of acute alcoholism, compared with 9,139 in 1935. For the first six months of 1936 alcoholic admissions were at the rate of 12,378 for the year, according to Dr. Bowman.

"The most serious situation in connection with alcoholic patients arises from the number of alcoholics who fall down and sustain head injuries," Dr. Goldwater said in commenting on the increased number of alcoholic cases. "The question of fracture of the skull must be considered in all such cases, and it is sometimes difficult to determine whether or not any damage has been done to the brain. A special operating room will be opened this fall in the psychiatric pavilion for the surgical treatment of head injuries."

Dr. Bowman, who was appointed director of psychiatry on February 1, said that "no one seems satisfied with any of the present methods of dealing with the problem of alcoholism. Bellevue has admitted patients suffering from alcoholism quite freely. The question may well be raised whether, when approximately 50 percent of our admissions are alcoholics, an endeavor should be made to cut down such alcoholic admissions."

"Here one should probably be guided by rather broad considerations as to what other agencies in the city would have to look after these patients if Bellevue were to refuse to take them. Whether it is to insist upon their being arrested and cared for in jails and prisons, or whether, from the standpoint of the community, the simple procedure of taking in an alcoholic patient until he is well enough to leave with the minimum of legal procedure is not more satisfactory."

Probably no one believes that forcing the arrest of these patients would reduce the incidence of alcohol. I cannot believe that it would be cheaper to force the police and courts to take over this burden. In fact, I imagine it would be considerably more expensive."

The psychiatric service at Bellevue reflects a growing public interest in mental hygiene, Dr. Goldwater said. Children's admissions for 1935 were 980, and during the first six months of this year admissions were at the annual rate of 1,432. In 1934 admissions totaled only 433.

The Individual Cases

Wrapped up in the maze of statistics which disclose that 36,000 persons were killed in automobile accidents last year, that so many died at intersections, that several hundred were killed in Florida, and so forth, are a vast number of separate stories embracing the pathetic incidents leading to many individual accidents. Asher Frank, State Safety Director, in his latest bulletin has attempted to direct some of these statistics so that the public may see just what lies behind them.

"Through carelessness on the part of different ones, 38 persons were killed in Florida during the month of May," he says. "A perusal of the manner in which the deaths occurred in sufficient proof that these lives could have been saved had proper prevention been taken."

A 45-year-old lady was killed riding on a truck-lumber load shifted.

A lady, 40, was killed when her car sideswiped another car.

A young lady, 24, going at too rapid speed failed to take a curve.

A young man, 19, fell off of a moving truck near Jacksonville, death was instant.

A young man, 22, sideswiped a car—he is dead.

Another young man, 28, near Titusville, was thrown from a truck and is dead.

A boy, 16, of Jacksonville, apparently speeding, crashed into several mail boxes, he died.

A man, 75, and his daughter, 27, failed to take a curve—speeding—both were drowned in a canal.

Boy, 9, near Jacksonville, riding with his parents, thought car was on fire, jumped out and was killed.

A little boy near St. Petersburg was hit by a car and died as a result.

SOMETHING UNUSUAL—a taxi driver was killed near Quincy, failed to take a curve.

A gentleman, 60, near Ojus was killed—caused from no lights on car.

A young boy, 15, near Manatee—speeding—hit a telephone pole, died instantly.

Near Daytona Beach a young man was killed in a crash—painful death.

A gentleman, 45, taking sharp turn near Avon Park was killed when his tire came off.

The hit-and-run driver took his toll—killed a gentleman, 42, near Sarasota and one 70 near Jacksonville.

THIS IS NEWS! A COW EVIDENTLY TIED TO A YOUNG MAN NEAR BUSHNELL BECAME FRIGHTENED AND DRAGGED THE MAN IN FRONT OF CAR—HE WAS KILLED.

A road hog caused the death of a lady, 38, near Tampa and a young man, 23, near Miami. COURTESY AND COMMON DECENCY WOULD HAVE SAVED THESE 2 LIVES.

Speeding and driving beyond control took the life of 9 people in various sections of the state, whose ages range from 10 to 88.

Discourteous drivers who failed to dim their lights were responsible for 3 pedestrian deaths during the month.

SANFORD TWENTY YEARS AGO

Dr. and Mrs. E. D. Brownlee and little son expect to leave tomorrow for Calhoun, Georgia, where they will be absent for one month, the church having granted Dr. Brownlee a sabbatical for that length of time. Calhoun is his old home and he expects to thoroughly enjoy every minute of his stay.

The Rev. Arthur Peck, rector of Holy Cross Episcopal Church, left yesterday for Albany, New York,

THE SANFORD FORUM

Editor The Herald:
 For over 50 years people have enjoyed hook and line fishing for bass, bream, and perch, in beautiful Rattle Snake Lake, ten miles south of Sanford, and a nice view from the state highway. Some months ago, evidently somebody who had no regard for the law, principal, or any human being, dumped a drag net into it and made almost a clean sweep of everything out of gear fish.

If they had killed the gars they would deserve a little credit, but instead they were allowed to return from whence they came.

It seems that most of the lakes in this part of the country, that have shallow water and sand bottom, have suffered the same fate.

Two weeks ago J. H. Holland, a noted fisherman of Longwood, fished this lake six days in succession for bass and bream and his catch was one copper head bream with the loss of dozens of shiner tail take off by gars.

Furthermore, somebody dug a ditch from Fairy Lake to Rattle Snake Lake, which has conveyed hundreds of plants of water hyacinth into Rattle Snake Lake and it is spreading like wild fire. Nobody seems to know who dug the ditch. One man says the State Road Department did not do it because it had no right to open a ditch only from the bridge to the lake, a few yards below.

Our County Commissioner, Mr. Swartz, says the county did not open such ditch for the simple reason it was absolutely unnecessary. The ditch, the hyacinth and along all the drag nets, have ended the fishing in Rattle Snake Lake.

D. H. HOOKER,
 Longwood, Fla.

MATHER

I have owned several makes of cars, but my new Dodge has plenty on the ball...

... when it comes to saving gas and oil, I'm getting 20 miles to the gallon of gas...

... which is 4 more miles per gallon than I used to get with my old, smaller car...

In addition, it's easy to see why this new Dodge is called the "Beauty Winner" of 1936...

I have never had a car that has given me such complete all around satisfaction...

Thank you Mr. Hubbell! You are only one of the thousands of Dodge owners everywhere who tell us about the amazing economy of their cars... who say Dodge gives them from 18 to 24 miles per gallon of gasoline. And many of them say Dodge is actually costing them less to own and operate than any car, big or small, they ever owned before!

See this new Dodge today! Drive it! Take the first economy test—see how Dodge saves on gasoline! Then you will understand why more people buy Dodge cars than any other make with the exception of the three lowest priced cars.

U. S. Purchases 50 Training Planes

WASHINGTON, July 30.—The War Department Tuesday announced the award of a contract to the Aircraft Company of Wichita, Kan., for the purchase of 50 primary training airplanes at a cost of \$329,650.

The department described the plane as a biplane with a tandem seating arrangement so designed that the instructor sits in front of the student and is able to direct him either by phone or visual signals. It is powered with a single 225 horsepower (Lycmring) engine.

IMPORTANT STATE

LINCOLN, Neb., July 30.—Botanists regard Nebraska as important botanically because the state lies at the crossroads of mid-continental plant migration.

Daughters Of Wesley Hold Monthly Meet

The Daughters of Wesley Church of the First Methodist Church held their regular social and business meeting Tuesday evening at the home of Mrs. Ross Adams, Park Avenue. The business session was presided over by the president, Mrs. Fred R. Wilson. During the social hour a short contest was held, the prize being awarded to Mrs. M. B. Wright. Refreshments were served by the hostesses. Those present were: Mrs. Vance Douglass, Mrs. A. H. Cole, Mrs. J. E. Courier, Mrs. Margaret Tyro, Mrs. M. B. Wright, Mrs. R. B. Monroe, Mrs. C. M. Flowers, Mrs. E. H. Laney, Mrs. M. B. Smith, Mrs. C. F. Brannan, Mrs. C. W. Adams, Mrs. A. B. Stevens, Mrs. J. O. Laney, Mrs. L. T. Dunn, Mrs. J. C. Albritton, Mrs. Fred R. Wilson, and Mrs. Ross Adams.

Cabinet Considers Way To Raise Funds

TALLAHASSEE, July 30.—The state cabinet will consider means Friday of raising \$100,000 to supplement a \$1,945 PWA grant for a new state chemistry building, one of 12 Florida projects approved Tuesday.

J. J. Brooks, assistant commissioner of agriculture, said \$100,000 appropriated by the 1935 Legislature from the general inspection fund for the chemistry building, was spent in citrus inspection service during the past season.

Brooks explained the Legislature broadened the service but reduced the charges for citrus inspection.

A \$122,500 grant will go toward a \$250,000 project calling for renovations and alterations to the state capitol. Another project approved was for completion of the Seagle Building at the University of Florida at a cost of \$231,818, of which \$104,318 will be PWA money.

Lockman Submits Lowest Bridge Bid

TALLAHASSEE, July 30.—W. S. Lockman Construction Company, of West Palm Beach, submitted a low bid of \$54,000 yesterday for constructing a bridge on Highway 25, near Twenty-Mile Bend, in Palm Beach county.

The bid must be approved by Federal Engineers before contract is awarded.

C. C. Moore Construction Company of Panama City, with \$48,000, bid low for grading and clearing five miles of Road 37 in Santa Rosa county. State funds will be used for this project, and the contract will be awarded as quickly as final details are arranged, the Road Department said.

Four-Year Battery Broken By Boston

RICHMOND, Va., July 30.—(AP)—Graduation from the University of Richmond here proved sadder than such occasions usually do for George Lacy, catcher, and Herb Hash, pitcher, on the university baseball team. Both were signed by the Boston Red Sox—but they were separated and sent to farms in different leagues. This marked the first time in four years that Hash had been called upon to pitch to anyone except Lacy, since during vacation periods the battery had remained intact on semi-pro teams.

Personals

Joe Routh and Richard Packard left yesterday for North Carolina to spend a short time.

Mrs. E. J. Nelson, Jr., will be the guest of her mother, Mrs. R. G. Hickson, for the week-end.

Mrs. Mae Hallman returned Monday from Miami where she spent a short time.

Miss Frances Morrow will leave tonight for New York for an indefinite stay.

G. L. Bledsoe and grandson, R. G. Hickson, Jr., have left for Alabama to visit Mr. Bledsoe's father, J. L. Bledsoe.

Mrs. J. M. Moye and daughter, Mrs. Sara Moye, will leave tonight for South Carolina.

Miss Celeste Brown of Miami, is the guest of her aunt and uncle, Mr. and Mrs. C. P. E. Mason, Magnolia Avenue.

Miss Marjorie Pope left this morning for Quitman, Ga., where she will visit her aunt, Mrs. M. D. Pollock.

Mrs. Sadye Moore is expected to return tomorrow from Daytona Beach where she has been vacationing.

Mrs. Clarence Milled, of Groveland Park, was the guest of Miss Wynelle Faircloth yesterday.

Friends will regret to learn that Col. J. C. Hutchinson had to cut short his stay at Camp Foster because of illness. He arrived home this morning.

Miss Flora McPhaul has left for Sparks, Ga., for a short vacation, accompanied by Mrs. W. L. Wells, who has been visiting her sister-in-law, Mrs. P. N. Whitehurst.

Mr. and Mrs. Henry Zurlheide, their daughter, Miss Virginia Zurlheide and brother-in-law, William Luhrmann, arrived today from Secaucus, N. Y., where they have been vacationing.

Mr. and Mrs. D. L. Thrasher will leave tomorrow for Clayton, Ga., where Mrs. Thrasher will remain for some time. Mr. Thrasher will return shortly. After visiting in Clayton, Mrs. Thrasher will go on to Alenhurst, N. J., for an extended stay.

Suspect Arrested In Truck Robbery

TAMPA, July 30.—(AP)—James C. Martin, alias John Beaulieu, was turned over to Osceola county, Florida, authorities late yesterday to face charges of armed robbery growing out of the theft of a large number of cigarettes from a truck several weeks ago.

Brunswick, Ga., officials had said they wanted him on charges of murder and assault growing out of the armed robbery of a truck near there Feb. 25, 1935.

Sheriff Young Tindall, of Osceola, who came here for the prisoner, refused to acknowledge Georgia's prior claim, until the case in Kissimmee is disposed of.

Detective Sergeant W. D. Bush, of Tampa, said Martin or Beaulieu was wanted for the killing of Joe Martin, truck driver, and for the assaulting of Carl Lewis Sygmann, the driver's companion.

"Sir Galahad," champion broad-jumping horse, is appearing in the new Marion Talley movie.

UNUSUAL FACTS REVEALED

Exhibit Decrease Over 1935 Period

CHICAGO, July 30.—(AP)—The first six months of 1936 added 15,390 fatalities to America's long list of highway dead, 500 fewer and three percent less than the corresponding 1935 figure, the National Safety Council reported Monday.

Despite the fact motor accident deaths last month reached a high point for the year, the council leading a five-year campaign to reduce highway deaths.

"Actually there has been a large increase in travel this year," said Sidney J. Williams, director of the council's Public Safety Division, "a thing we did not anticipate when the objective of the five-year campaign to save 38,000 lives was announced."

"Gasoline consumption is up approximately 8 percent. Thus while the number of accident deaths decreased only three percent in terms of travel decreased 11 percent, which is very gratifying."

Lookouts Down Leading Daytona Nine By 4 To 3 Count

New Record Set For Consecutive League Losses

Langston And Torres Each Collect Pair Of Base Bingles

By E. H. COLLUM

By losing to the Sanford Lookouts, 4 to 3, yesterday afternoon Daytona Beach set a new league record for consecutive losses, this being the ninth straight game to be lost by the "Baby Cardinals."

Lefty Hayes for the Lookouts, and Walter Brown for the Islanders, co-holders of the league strike out record, opposed each other on the mound, with Hayes having a shade the best of it by limiting the Daytona Beach crew to six hits, three of them of the infield variety, while the Lookouts were collecting eight bingles, five of them being good for extra bases, off of Brown.

Daytona Beach put over its first run in the first inning on a walk issued to Hosinski, first batter up, a perfect bunt by Andersen which he beat out, and a fielder's choice when Morton forced Andersen at second, Hou-

G-Men Continue Upward Climb In Florida League

Saints Fall, 7 To 5, Before Slants Of Gainesville Hurler

GAINESVILLE, July 30.—Continuing their climb toward the leadership of the Florida State League, the Gainesville G-Men pounded out a 7-5 win over the St. Augustine Saints here yesterday afternoon. This game advanced the G-Men within one game of first place as the Sanford Lookouts gained a 4-3 decision over the league-leading Daytona Beach Islanders.

Both teams collected 11 hits. Albritton went the route for Gainesville, while Butland and Schneider divided mound duty for the Saints.

Four fast double plays were pulled during the contest, three by the G-Men and one by the Ancient City nine.

Gainesville opened the scoring in the first by sending three runners across the plate. From that

JUST BEFORE ELEANOR LOST OLYMPIC BADGE

Eleanor Holm Jarrett, champion Olympic swimmer, is shown happily sunning herself in a deck chair aboard the liner Manhattan shortly before she was dismissed from the squad for too much drinking and late hours. This picture was taken at sea and rushed to the United States aboard the Queen Mary on her record-breaking crossing. (Associated Press Photo)

Two U. S. Boxers Given Releases From Olympics

Breach Of Training Sends Church And King To America

BERLIN, July 30.—(AP)—Two members of the United States Olympic boxing team, featherweight Joe J. Church of Batavia, N. Y., and Howell King, negro heavyweight from Detroit, were removed from the squad yesterday.

The boxers sailed from home aboard the SS. Manhattan from Hamburg, leaving behind them conflicting reports as to why they were dismissed.

Avery Brundage, president of the American Olympic committee, said "the boys broke training rules and Roy Davis, manager of the boxing team, advised me to send them home." Brundage refused to elaborate.

Davis said, however, that the boys "were suffering from homesickness and their mental attitude so endangered the morale of the boxing squad that they had to be sent home."

Later, Brundage admitted that he announced the boxer's dismissal upon recommendation of Davis.

"I know nothing of the details of the case," he said, "which is not under my jurisdiction anyhow. I didn't know the boys were suspended until the boxing committee informed me. They have acted entirely within their rules and rights and it is exclusively their affair."

Davis, only American Olympic official connected with the case who would discuss it, said departures of the boxers would not affect America's chances. Chester Rutcki of Chicago will replace King.

Because of the publicity given the case of Eleanor Holm Jarrett, backstroke swimmer who was dismissed from the team last Thursday for drinking, it was believed the American Olympic officials did not want to discuss the boxer's departure.

Vanderbilt Nag Wins Feature At Saratoga Start

SARATOGA, N. Y., July 30.—(AP)—Historic Saratoga opened its summer meeting triumphantly yesterday, as 10,000 spectators watched the famous silks of Alfred G. Vanderbilt and DeWitt Page, Bristol, Conn. sportsman, carried to victory in the headline attractions of the program.

Maedic, speedy brown son of Bostonian-Little Fire, made a show out of his field to bring the black and white racing livery of Stable Owner Page to victory in the Flash Stakes over 5 1-2 furlongs, as the Vanderbilt entry of Swift-play and Savage finished second and third.

In the second feature, Vanderbilt's fleet-footed filly, Good Gamble, outfought a small field of five starters to win the tenth running of the American Legion Handicap over 1 1-4 miles, with Cycle finishing third.

Maedic won the sixty-second running of the Flash Stakes, worth \$3,250 to the winner, as he and his jockey, Eddie Litzberger pleased, scoring his fourth and most notable victory in 17 starts. Under the alert Litzberger, he broke from the barrier like a shot, put daylight between himself and his field, and won in a breeze by four lengths in the creditable time of 1:06 3-5. Heavily backed at the last minute, Maedic paid off at only 13 to 5.

Lowie Gives Reds Six Hits To Win 7 To 1 Victory

Massie Hits In Good For Trip Off Palatka Markers

PALATKA, July 30.—Calvin Lowie, local southpaw, blanketed the Deland Reds to six well timed hits here yesterday to post a 7-1 victory over the visitors.

Prodigious rioting by Eddie Massie accounted for three of the local markers which came as the result of his triple and pair of singles in four trips to the plate. Trop Terasoon started for the Reds but was pulled in favor of Jake Bunch in the third stanza after the Azaleas had tallied four runs and five hits off his delivery. Bunch finished the hit and was nicked for four hits and three runs. Terasoon batted three and walked a hit number, while Bunch walked a pair and struck out two. Lowie donated a half dozen walks and struck out the same number.

Deland posted its own marker in the first frame, on a walk, fielder's choice and successive singles by Simmons and Holdstock. Palatka knotted the count in its half of the same stanza and then went ahead to put the game on ice.

Jake Hines assisted Massie in his attack on the Deland hitters with a couple of hits while Hines and Simmons led the onslaught against Lowie, with a brace of hits each.

Sanford's Lookouts meet Azaleas in Ancient City Tomorrow

Today the locals are playing in Daytona Beach.

Lookout scoring on the play. Andersen laid down another bunt in the third inning which he beat out but was stranded on the base.

The Islanders added one more in the sixth on two hits and a long fly to right field. Their final tally came in the eighth on one hit and two errors. The Lookouts put over one run each in the first, second and third innings and their final winning more in the seventh. Langston again starred at bat for the Lookouts, getting two hits, both

For extra bases, only three trips to the plate, scoring one run and batting in one.

Mack Fails To See Where Yanks Are Pennant Club

Predicts Athletics Will "Cause Trouble" Before Season Is Finished; Five Tied For Second

CHICAGO, July 30.—(AP)—The New York Yankees a chance to win the American League title? Not to venerable Connie Mack whose eighth-place Athletics are "going to cause a lot of trouble" between now and the windup of the season.

Mack, 73 years old, going on 74, did not predict disaster for Joe McCarthy's Yankees today. But he couldn't see where even a club with a nine-game lead and playing "very good" baseball could be considered anything like a sure bet, with a third of time they were never headed by the Saints, although the visitors did even the score at 4-3 in the sixth inning when the G-Men defense crumpled momentarily.

Bonner and Pitman were the batting stars of the game. The diminutive Saint infielder hit safely three times in a trio of appearances at the plate, while Pitman hit safely three times in four trips to the platter. McGowan, Gibson, Bevell and McMillen each came up with a pair of hits.

The season still to be fought out. "The Yankees have a fine lead," Mack said as he mentally shuffled and reshuffled his pitchers, "and they are playing very good baseball. But, my! Anything might happen before the end of the season."

"There are five clubs, practically tied for second place, Cleveland, Boston, Detroit, Chicago and Washington are only four, and a half games apart. A big, winning streak could put any one of them ahead if the Yankees slumped."

His own team, and the St. Louis Browns are the only clubs definitely out of it, baseball's dean said. The Athletics, though, will do a lot of damage the rest of the way in.

"This combination we're using now is the best we've had this season," he said with characteristic enthusiasm which seems to grow, rather than dwindle, with his years. "I really like it myself. Everything is fine except the pitching. If we just had

Fifteen Are Signed For Aquaplane Race

LOS ANGELES, July 30.—(AP)—Fifteen brave men already have signed for the 41-mile Catalina-Hermosa-Manhattan beach aquaplane marathon, Aug. 1-2.

A field of 30 starters is expected for this "story-book" race of sports—the only open-season performance of its kind in the world, and the longest attempted anywhere.

The 1936 race, second of an annual series, will feature the ninth annual water sports carnival at a Hermosa-Manhattan beaches, Aug. 1-2.

It all began when, in 1934, Frank Sandeman, 220-pound long beach (Cal.) fireman, became the first person to cross Catalina channel by aquaplane.

The next year, despite fears of un-believers who insisted "it couldn't be done," 12 venturesome young men began the first of the annual races.

Storm Blasts Coast Line At Camp Walton

Hurricane Reaches 100 Miles An Hour As Gale's Teeth Leave Vivid Mark

Cutters Search For Lost Ships

2,000 Vacationists Flee For Shelter As Winds Strike

PENSACOLA, July 31.—(AP)—A tropical hurricane which moved inland out of the Gulf of Mexico near Camp Walton, forty five miles east of here, today caused widespread property damage, but first checks revealed no casualties.

Camp Walton and Valparaiso reported winds of 90 to 100 miles an hour as the storm crossed the coastline. Theo Staff, Camp Walton hotelman, said it was the worst of six tropical storms he has experienced there.

Three fishing schooners were reported missing as the storm passed. The "Sam" of Nicville with six aboard, the "Katchum" out of St. Petersburg, and the steamer "Turpon" out of Apalachicola. The Coast Guard dispatched cutters to look for the boats but expressed a belief that they sought shelter before the storm hit them.

Many small communities were isolated as hurricane winds and cascading high tides swept the Gulf Coast from here to Apalachicola. Flood waves to eight feet above normal combined with hurricane winds to damage waterways, bridges, and other structures.

Most of 2,000 resort vacationists at Camp Walton most of them from Alabama, sought shelter around the night on advice of the Coast Guard.

Winds up to 80 miles an hour and heavy rains were experienced here.

The Weather Bureau said the storm would diminish in intensity as it passed over land in a north-west direction toward Alabama.

Sam Byrd Is Billed To Leave Cast Of Show Tomorrow

Sam Byrd, the Sanford youth who has been in the theatrical show of the city tomorrow night, will leave the cast of "The Show" after his 115th consecutive performance as Duke Lester, son of Duke Lester.

The local youth team is to take a short vacation before beginning rehearsals of "White Man" in which he will act as well as in "The Show".

Byrd wants to stage the world premier of his new play in Atlanta, but because of the subject which is treated in the southern town appears to be not over-enthusiastic to have the drama tried out there.

A recent dispatch says Atlanta has banned the play down south.

Post Aid Awards To Be Distributed

Certificates given for completion of the Post Aid course in Sanford will be distributed to the winners and their families at the county school building tomorrow afternoon.

The law provides that all taxes assessed upon personal property, from the date of such assessment, shall have all the force and effect of a judgment and execution at law against the owner of such property, the collector announced.

UPPERMENT RATE CUT

CLEVELAND, July 31.—(AP)—The Federal Reserve Bank of Cleveland announced yesterday a reduction in the rate of interest on loans from 6 to 5 percent.

VICE-PRESIDENTIAL NOMINEE

Col. Frank Knox, Chicago publisher and former Rough Rider who last night was formally notified of his nomination for the vice-presidency by the Republican party, said there must be an end on the part of government to "hysterical experiments."

Delinquent Tax Certificate Sale Billed Monday

Collector's Office Reports Activity In Settling Debts

Seminole County property owners today directed their attention toward meeting delinquent taxes before the County and State tax certificate sale which is scheduled to begin Monday at noon.

Tax Collector Jno. D. Jinkins pointed out that one day remains in which delinquencies may be settled.

He stated that payments during the current week had been by no means unsatisfactory, and that several large bills in arrears had been paid up. Other holders of sizable delinquent tax accounts have promised to meet the deficiency, according to Mr. Jinkins.

The collector said that of course he did not expect all the outstanding bills to be met, although he indicated that settlements this year may show quite an improvement over the past two months.

Under the Florida law, a tax certificate draws interest at the rate of 18 percent for the first year, 10 percent for the second year, and eight percent for each succeeding year until redeemed.

"The owner of a piece of property has two years in which to redeem it," he said. "All redemption operations are handled through the office of the clerk of the circuit court, and tax deeds are issued by the same of record."

Notice have been mailed by Mr. Jinkins that personal property taxes are also to receive attention on Monday. Delinquencies in this phase of taxation, he said, will be dealt with by the issuance of an execution for the collection of the amount in arrears.

The law provides that all taxes assessed upon personal property, from the date of such assessment, shall have all the force and effect of a judgment and execution at law against the owner of such property, the collector announced.

Simpson Attends Council Breakfast

T. E. Simpson, president of the Seminole County Chamber of Commerce, today attended the monthly breakfast of the Central Florida Council of Chambers of Commerce held at the Palm Beach Club in Daytona Beach.

The chief topic of discussion, Mr. Simpson said, on his return here was method of bringing tourists to the county.

W. J. C. Simpson, secretary of the St. Augustine Chamber of Commerce, also was present. Miss M. J. Simpson, president of the St. Augustine Chamber of Commerce, also was present.

Lookouts Facing Withdrawal From Florida League

Wert Says Cash Must Be Raised Or Club Will Stop Playing

Sanford's baseball situation looks more pessimistic and gloomy today than at any time during the current season, Charles Wert, president of the local club, said today.

He announced the sale of season tickets, authorized Tuesday night by the Baseball Committee, had met a most disappointing response.

Mr. Wert reiterated with emphasis that the Lookouts may be forced to drop out of the Florida State League before the season is finished unless a startling financial improvement is forthcoming in the very near future.

"We have a payday to meet tomorrow and nothing to meet it with," Mr. Wert said. "Baseball players have to eat just like anybody else."

Under the Florida law, a tax certificate draws interest at the rate of 18 percent for the first year, 10 percent for the second year, and eight percent for each succeeding year until redeemed.

The law provides that all taxes assessed upon personal property, from the date of such assessment, shall have all the force and effect of a judgment and execution at law against the owner of such property, the collector announced.

4 More Businesses Agree To Sponsor Beauty Contestant

The Texas Company, Sanford Buick Company, the Nohl Bottling Works and the Standard Oil Company today were added to the list of business firms who will sponsor an entrant in the "Cavalcade of Beauty" scheduled for Aug. 5 at the Ritz Theater.

Miss Helen Wellman, organizer of the pageant, said 25 Sanford firms so far had agreed to enter a girl in the formal beauty parade.

Funds from the venture will be handed over to the local Kiwanis Club and used to benefit underprivileged children.

Approximately 40 girls are expected to appear in the pageant. The winner will compete against 100 other Florida city winners in a final contest to be staged on the boardwalk in Daytona Beach early in September.

Egg-Laying Contest Regulations Arrive At Dawson's Office

Rules and regulations governing entries to the 11th national egg-laying contest to be held in Chilpeen between Oct. 1, 1936, and Sept. 22, 1937, may be obtained from the office of the county farm agent.

C. R. Dawson, county agent, said about 30,000 birds are in the contest this year, although no Seminole County poultry producer is entered.

Birds in the competition are cared for by a corps of experts, and expenses of the contest are defrayed by sales of eggs produced.

Mr. Dawson pointed out that egg-laying contests are watched closely by poultry farmers in order that they may obtain the best stock for poultry breeding.

Knox Accepts Post As GOP's Second Man

Says Preservation Of Free Enterprise Is Greatest Issue In 1936 Campaign

CHICAGO, July 31.—(AP)—Col. Frank Knox, accepting last night the Republican nomination for vice-president of the United States, held up "the preservation of free enterprise" as the fundamental issue of the 1936 campaign.

Formally taking his post as running-mate to the party's presidential nominee, Gov. Alf M. Landon of Kansas, the publisher of the Chicago Daily News struck out at what he called the "hysterical experiments" of the Roosevelt Administration and declared that America once more had reached "a point where the blaze along the trail run out."

"Two ways lie ahead of us," Colonel Knox told his Chicago stadium audience and radio listeners.

"One lies along the apparent easy valleys of a regimented society, maintained by a paternalistic government which falsely promises to provide its subjects with a security that men want to purchase in the past by their own efforts."

"The other lies along the rugged heights of self-support, self-government and self-respect."

"Which will we choose? The answer is in your hands. I know what it will be. Next November, you will choose the American way."

That course he identified with the program offered by his party. "America is too young, too vigorous," he said.

CITY NEWS BRIEFS

Saturday's tides: low, 12:37 A. M. and 12:34 P. M.; high, 6:39 A. M. and 7:10 P. M. Sun rises at 5:45 A. M. and sets at 7:21 P. M. Moon rises at 5:30 P. M. and sets at 2:53 A. M.

Partly cloudy, occasional showers in northwest and extreme north portion tonight and in north and central portions Saturday. Extreme Northwest Florida: rain this afternoon, partly cloudy to unsettled tonight and Saturday, warmer Saturday. Shifting gales with hurricane winds in vicinity of tropical storm Friday, diminishing and becoming fresh southerly to westerly winds tonight. High tides until tonight.

L. J. G. Michael of Sanford left today by automobile for Ft. Benning, Ga., where he has been assigned to a two weeks' period of duty.

Dan Copps, Lookout outfielder, was released by club officials today, it was announced.

Walter and Carl Fessler and Karyl Housholder will leave tomorrow for Dallas, Texas, where they will attend the Texas Centennial Exposition.

The Sanford Post of the American Legion was well represented last night in DeLand where the Volusia county post played host to a number of visitors during a chicken pilau supper and dancing.

Third Amateur Night Program Is Prepared

The third in a series of amateur night performances will be staged tonight at the Ritz Theater.

Following is the program: Billy Parrish, baritone; Anna Louise, pianist; Ralph Fender, bird imitations; Raymond Gilles, animal imitations; Joe Cook, singing and tap dancing; Virginia Smith, Manhattan dancer; Robert Knowlton, saxophone novelty; Angus Harriet, balladist; John King, vocalist.

The amateur program is an added attraction to the regular feature, "Don't Gamble With Love."

Park Avenue Poll Requires Few Days

Several days will be required to complete the canvass of Park Avenue between Tenth and Fourteenth Streets to obtain public reaction toward establishing a polling station at Thirteenth and Park, City Clerk F. M. Lamson said today.

G. P. Paxton, City building inspector, is making the survey and will be unable to contact all the residents of the area immediately since some are out of town, it was said.

French Capture Italian Munition-Carrying Plane; Spanish Nuns Assaulted

LOYALISTS GUARD BARRICADE IN MADRID

Loyal troops are seen in this radiophoto guarding a barricade in a Madrid street as rebels close in on the Spanish capital. A loyalist, his head in a bandage, grips a rifle. The leftist government claimed the revolution had collapsed, but Fascist commanders predicted the early fall of Madrid. (Associated Press Photo)

Emergency Crop Loans Available Here Tomorrow

Slight Delay To Be Necessitated As Blanks Awaited

Applications for emergency crop loans are receivable tomorrow in the office of the county farm agent, it was announced this morning by C. R. Dawson, Seminole County Agent.

However, Mr. Dawson said, application blanks have not arrived here as yet and it may be some days before he can accept requests for loans.

Last year growers in this county borrowed approximately \$25,000 which directly applied to the agriculture industry in this section. There is an indication that that figure may be equalled again this year.

The government allows a farmer to borrow as much as \$25 per acre up to a maximum of 20 acres. Funds are to be used solely for purchase of seed and fertilizer.

Mr. Dawson said an interest rate of five percent is charged and the entire loan is payable at the time of crop, for which it was borrowed, is harvested.

Experiences in this county show that by far the greater number of loans made here were for purchase of seed and fertilizer.

Stewart Is Named To College Board

Maxwell Stewart of Sanford today was notified of his appointment to the Board of Governors of George Military College where he was graduated.

The unit, an entirely new venture at the college, will be occupied in assisting the Board of Directors who authorized formation of the new group.

Mr. Stewart has been asked by Col. D. C. Woodward, vice-president of the institution, to furnish a picture of himself which will be hung in a prominent place.

BISHOPS TO SEE POPE

CASTEL GANDOLFO, Italy, July 31.—(AP)—Bishop Michael Gallagher of Detroit was received by Pope Pius this morning. Bishop Schrems of Cleveland was given an audience preceding that of Bishop Gallagher.

Roosevelt Says 'Give And Take' Spirit Important

QUEBEC, July 31.—(AP)—President Roosevelt, responding to a tremendous ovation on his arrival here today, said "frank dealing, co-operation and the spirit of give and take between nations is more important than ever before."

He pointed to the long years of friendship between the United States and Canada as an example to other nations.

Roosevelt came to call on the Canadian governor-general.

Mrs. Laura LaRoche Dies At Home After Illness Of 1 Year

Mrs. Laura J. LaRoche, 37, died this morning in her home at 625 West Twenty-Fifth Street after a period of illness which had extended over a period of one year.

Funeral services, all of which have not been completed, will be conducted by the Rev. J. W. Austin. Interment is to be in Sanford.

Mrs. LaRoche was born on Sept. 9, 1898 at Merritt Island, near Titusville. She had been a resident of Sanford for 19 years and was a member of the Methodist Church.

Surviving are the widower, Joseph P. LaRoche; four children, Violet Koffler, Denton LaRoche, E. Allan LaRoche and Mrs. K. A. Allman, all of Sanford; four sisters, Mrs. Lillian Caudell of Lakeland, Mrs. Anna Amerson and Mrs. Lena Briggs both of Titusville, and Mrs. J. E. Deneff of Sanford; and one brother, Herman Benecke of Merritt Island.

Daughter Of Royalty Arrives In Cannes

CANNES, France, July 31.—(AP)—A daughter was born last night to the Princess of the Asturias, wife of the heir presumptive to the non-existent Spanish throne.

Both mother and child were reported doing well. Ex-King Alfonso, who has been visiting his friend, Count Metternich, at the latter's castle at Edenburg, Czechoslovakia, was expected to come here tomorrow.

The Princess, of the Asturias, the former Princess Maria Mercedes of Bourbon-Sicily and her husband, Prince Juan of Spain, have been living in Cannes for some time.

Loyalists Open New Drive To Retake Zaragoza, Huesca Before Nightfall

Drunken Soldiers Spreading Terror

Snipers Use Autos Mounting Machine Guns For Killing

(By The Associated Press)—Eleven Italians were arrested and a huge Italian seaplane was seized in French Morocco today as French Radical Socialists voiced a fear of international repercussions from Spain's fourteen day revolt.

The tri-motored plane, forced down on coast, carried machine guns, bombs, hand grenades and boxes of Italian ammunition. The third plane, part of a reputed fleet of six enroute to rebel headquarters in Morocco, was missing in a fierce Mediterranean storm.

In Spain proper 10,000 fresh troops and a squadron of bombing planes converged in the northeast to bolster Loyal forces in an offensive against Zaragoza and Huesca. They were determined to win the rebel strongholds forty miles apart, by nightfall.

Refugees, reaching Plymouth, England, told of the devastation and brigandage in the revolution. Barcelona with soldiers, many of them drunk, "looting and pillaging." Priests, they said, are being "driven out and murdered" and nuns being "assaulted and killed" as snipers in automobiles mounting machine guns ranged through the streets.

Investigating officers said the vehicle careened for two blocks before it finally came to a halt. The car was said to have climbed a curb and followed for one block, then to have skidded, rolled over and over, and tumbled for another block before ending in a mass of wreckage.

Tyler, police said, miraculously escaped uninjured. A physician examined him this morning. Officers Wilcox and Howard made the arrest.

Officer Wilcox also arrested Merrill who early today roared through Park Avenue at an alleged speed of 55 to 60 miles per hour. He was driving a truck loaded with 1,000 pounds of meat.

The policeman was forced to give chase for five miles before overhauling the speeder.

As the officer was escorting the truck back to Sanford, one of the vehicle's tires blew out. Merrill's employers at first were not inclined to post bond but later reconsidered.

Visitors will be welcomed Thursday and Sunday afternoon between the hours of 2 P. M. and 5:30 P. M., Mr. Morris said. A few vacancies still remain and may be filled by calling Mr. Morris.

Six counselors will assist Mr. Morris in the activity. They are Sydney Nix, Byrl Higgs, Raymond Monalvatge, Robert Altman, Jack Bolt and William Laffer. All have had considerable experience in Scout work.

"Forms of activity to be a part of camp routine are first aid, swimming, life-saving, fishing, handicraft and nature study."

Three prize-winning Future Farmers of America from South Carolina by two instructors stopped here today to inspect Seminole County agriculture.

The boys were Raymond Terrie, cotton champion of South Carolina, Billy Carter, hay champion, and Ransom Rogers, corn champion. C. G. Zimmerman and E. M. Garrison, vocational agriculture teachers were with the youth.
