

Lookouts Drop Ten Inning Tilt To Azaleas 5 To 4

Hayes Strikes Out 10 Men In Extra Inning Tilt Palatka Rallies In Last Of Ninth To Tie Count Four All

PALATKA, Aug. 14.—Buster Kinard's line double to right field in the tenth inning, which scored Hines from first base, gave the Azaleas a 5-4 victory over the Sanford Lookouts here yesterday to provide a fitting climax to a belated ninth inning rally on the part of the Palatka, which deadlocked the score at 4-4.

Trailing 4-2 in the last of the ninth with one away, Manager Teet Gallegos lifted one far over the left field berm to bring the count to 4-3.

Krenzell's single to right followed Gallegos' clutch and Swift rapped to Kinard at short who segged to Malby at second to start a double killing which should have ended the inning. However, Malby missed the peg and Krenzell continued to third before the game was brought back into the infield.

An attempted squeeze play

The Lookouts met the Palatka Azaleas on the local field this afternoon in a scheduled 9-inning game. Sunday they return to this city to engage the Gainesville G-Men in a double-header, beginning at 2:30 P. M.

with Minary at the plate was prevented by a pitchout but Kinard's peg to third to catch Krenzell off the bag hit the latter in the back and bounded far enough away to allow the latter to score. Swift moved to third on the miscue but Minary failed to bunt on another attempted squeeze and Swift was caught flat-footed on the look-in corner. A strikeout ended the frame.

Langston raked up the Lookout's first tally in the initial can when he beat out an infield roller, went to second on an overthrow by Hines and crossed the plate after Davis singled to left center.

Hines' single, Kinard's double and Smith's infield out knotted the count in the fourth but the Lookouts came back in the fifth to post three runs on three hits, a sacrifice, infield out and Manning's miscue.

A walk, passed ball and Pinch Hitter Holland's single gave the Azaleas their second run in the seven but a Sanford double kill-

Islanders Snap Losing Streak For 4 To 1 Win Tom Osley, Rookie Outfielder Leads With Four Bingles

DAYTONA BEACH, Aug. 14.—Tom Osley, new rookie outfielder from Atlanta, snapped out four singles in four times at bat yesterday as he played his second game for the Islanders and drove in two runs to help the Islets defeat St. Augustine by 4 to 1.

While Osley was having his big day, Hank Gurnicki was laughing the St. Augustine batters with a 6-hit performance.

The Islets got only six hits in

Dorothy Hill Takes 2nd Olympic Platform Event American Swimmers Capture Third, Fourth Places In 100-Meter Backstroke; Eleanor Jarrett Caustic

BERLIN, Aug. 14.—(AP)—Joining the thin ranks of double Olympic winners, Dorothy Poynton Hill, Los Angeles blonde, became the first aquatic champion to repeat in the present games yesterday when she easily retained the platform diving crown she won four years ago at Los Angeles.

In another day of consistent American performance marked by Adolf Kiefer's second record-breaking clocking in as many days, the only United States setback came in the women's 100-meter backstroke final. With the disabled 1932 champion, Eleanor Holm Jarrett, looking on, Holland swept the first two places with Dina Senff and Ilita Mastenbroek placing in that order. Alice Bridges of Uxbridge, Mass., was third and Edith Mottridge Segal of Los Angeles fourth.

Mrs. Jarrett stayed only long enough to watch the race before leaving for America with her husband.

"What a lot of swimmers," she whined, "they couldn't even beat the time I did four years ago."

Performing with obvious confidence, Mrs. Hill chalked up higher scores on three out of four dives off the high tower than any of her 22 rivals. Among the few to better her mark on the fourth dive, a back somersault, was her teammate, Vera Dunn of Los Angeles who finished a strong second, only 30-100ths of a point behind the winner. Katho Koehler of Germany was third. Mrs. Hill scored 33.95 points, Miss Dunn 33.61 and Miss Koehler 33.43.

Mrs. Hill's victory earned America its fourth gold medal in aquatic competition. Kiefer, in the men's backstroke, and Wayne in the women's platform diving, are considered virtual certainties to add two more to Uncle Sam's

Gainesville Is Tripped 2 To 1 By DeLand Reds Ninth Inning Rally Responsible For Defeat Of G-Men

DELAND, Aug. 14.—The DeLand "Reds" tripped the fast stepping Gainesville G-men here yesterday afternoon by the score of 2 to 1. The game was a neat pitchers duel from beginning to end as the G-men were held to three hits, two of which were of the scratch variety. DeLand garnered 11 hits off the slants of Sweeney but were able to push but two runs across the plate.

DeLand drew first blood in the fourth inning as Chiado opened the inning with a single, advanced to second on Pitman's error and on to third on Sweeney's infield out and scored when Falconi lifted a fly ball to deep center field.

Gainesville tied the score at 1 all in the seventh as Buck donned a right to third as Buck scratched a hit to third as Buck held second, Pitman advanced both runners with a neat sacrifice and Buck scored as Beach lined a drive to Falconi in center field.

DeLand pushed over the winning marker in the ninth inning as Falconi opened with a single to right and advanced on Patterson's sacrifice. After Fisher struck out Hildrickson drove home the winning tally with a ringing drive to left field.

Hvell with two hits out of three official trips to the plate was the only Gainesville player to boost his hitting average in yesterday's game. Hildrickson, Robertson and Chiado with two hits each did the damage for the "Reds" yesterday although it was Falconi's drive in the ninth inning which brought in the winning run.

Jean Parker recently caught her first fish, a shark weighing nearly 200 pounds. She has photos to prove it.

Joel McCrea and Gary Cooper are the tallest stars. Each measures six feet three.

American Navy Gets Eight-Oared Victory

GRINAU, Germany, Aug. 13.—(AP)—The American Navy waited until the end of two days of otherwise mediocre performance before producing anything to cheer about yesterday but when their big boat fired its first broadside late yesterday afternoon the hull boomed "er largo sea" echoed with acclaim for the fastest as well as one of the greatest eight-oared finishes ever seen in Olympic waters.

Stroked by the courageous Don Hume, who nearly collapsed after the last terrific drive, the University of Washington came from behind in the last 100 meters to whip a powerful British eight in Olympic, if not also in the world record time of six minutes, eight-tenths second.

The victory, by a scant half length, advanced the Americans to the finals Friday without further argument but they'll need the extra yard's rest to recover from the hardest race they've had at any distance this year.

seven innings off Voale, who gave way for a pinch-hitter in the eighth. Rutland relieved him with the score tied and was charged with the loss, the Islets scoring three runs off him with three hits and a walk.

John Schneider finished the game, pitching to only one man. Dilly Dillingham started the Islander scoring when he slapped out a homer in the sixth. The Saints knotted the count in the eighth when Owens doubled and scored on a double by Zupanec, pinch-hitting for Vesle.

In the eighth, Dillingham walked, Balicki and Osley singled and Dick Hosinski drove out a double to account for three runs and the tall game.

President Of State Citrus Body Is Dead

Heart Attack Fatal To John Taylor, Democratic Nominee For Senate

Served In Both Florida Houses

Senator Was Active In Creation Of Pinellas County

LARGO, Aug. 15.—(AP)—John S. Taylor, 65, president of the Florida Citrus Exchange and a member of the state citrus commission, died at his home here this morning, following a heart attack suffered last week in Washington, D. C., where he attended a conference on the use of dye on citrus fruits. He was the Democratic nominee for state senator and had no Republican opponent. The county Democratic executive committee expected to select a new nominee.

Taylor served in the legislature as the representative from Hillsborough county in 1906, was active in the movement which formed Pinellas county from parts of Hillsborough and was elected representative from Pinellas in 1912.

He served as state senator for 8 years, and was president of the Senate at the 1925 session. He was an unsuccessful candidate for governor in 1928, but in June was nominated for another Senate term.

Preacher Slugged For Minister Influence

ASHEVILLE, N. C., Aug. 15.—(AP)—Dr. Charles Vaughn, pastor of the Los Angeles Christian Church and a leader of the opposition to inclusion of Jews in the newly organized National Conference of Clergymen and Laymen, today reported he was slugged as he entered his hotel room. He said he was unconscious for several minutes, awaiting to find his room had been heated of 250 degrees. He said he was slugged in various places throughout the country while combating Communism. Vaughn attributed the attack and robbery to "minister influence."

CITY NEWS BRIEFS

Red Meyer, heavily handicapped, last night won the fifth in a series of six amateur nights being presented by the City Theater.

Chairman E. L. Glenn of the Athletic Coast Line Division, the Brotherhood of Locomotive Firemen and Enginemen, returned this morning from a business trip to Wilmington, N. C.

Lord Bayh, commander of the Sanford American Legion Post and assistant state's attorney in this district, will return to Sanford Monday morning from a two-week vacation in the Carolinas; his office announced today.

Shirley J. F. McClelland announced today that the telephone at her home had been disconnected, and that persons desiring to contact her should call his office number, 279, after office hours.

Miss Ethel Webb will be attached to the primary school staff of teachers during the 1936-37 school year, it was announced today from the office of T. W. Gardner, County Superintendent.

Miss Mary Johnson will be principal of the new school building in the city and will be in charge of the school.

Auto Sales For Local Elk Ruler Summer Reported Makes Report On At Unusual Peak Lodge Convention

Business Volume Increase Of 20 To 40 Percent Announced

The automobile business in Sanford this summer has been unusually good, with both new and used car sales here showing a large increase over those of the same period last year, according to local automobile dealers.

One local dealer said that during the first six months of this year he sold more cars, used and new, than he did during all of last year, and several others reported increases in their volume of business ranging anywhere from 20 to 40 percent.

Officials of the Ford Motor Agency here, located at 109 Palm-to-Avenue, said that during the months of May, June, and July they had sold 50 percent more new cars and 33 and 1-3 percent more used cars than during the corresponding period of last year. For the first six months of this year the Ford Agency has sold 20 percent more used and new cars than during the first six months of last year, and prospects for continued good business seem bright, they said.

Reel and Sons reported that their business for the summer has been practically the same as that of last summer, but that as last summer's sales were unusually good, the volume of automobiles they sold this summer is also running high. In a statement to The Herald, they said that the month of July, 1935, was one of the best months they ever had, and that in July of this year they had sold only a few less new cars than in the same month last year, with prospects for future business being most promising.

Wight Brothers Company said last night that their business for the summer has been practically the same as that of last summer, but that as last summer's sales were unusually good, the volume of automobiles they sold this summer is also running high. In a statement to The Herald, they said that the month of July, 1935, was one of the best months they ever had, and that in July of this year they had sold only a few less new cars than in the same month last year, with prospects for future business being most promising.

City Must Figure How To Make Lion Take Shower Bath

The city today faced the problem of educating its two lions in the method of modern bathroom procedure.

It all began when City Superintendent James Moughton installed a shower bath in the jungle lion's cage at Municipal Zoo where the lion apparently was taking on the two caged animals.

When a photographer approached today to shoot a couple of pictures of the lions at their bath, the beasts were reluctant to probe the mysteries of the spraying water.

They did, however, enjoy the spray and that was produced when the lion struck the concrete floor of the cage.

Mr. Moughton believes the way to a lion's cleanliness is through a shower, and that a piece of concrete, which will serve as a shower, will solve the problem under the shower.

Lemke, O'Brien Endorsed By Justice Union

Committee Chairman Given Approval On Proposals Backing Coughlin Acts

CLEVELAND, Aug. 15.—(AP)—The National Union for Social Justice today overwhelmingly endorsed Representative William Lemke, Union party presidential candidate, and Thomas C. O'Brien, his running mate.

John H. O'Donnell, of Pennsylvania voted the only "no" in the whole convention.

Delegates demonstrated more than an hour when Louis E. Ward, resolutions committee chairman, presented a proposal endorsing Lemke with a few exceptions whatsoever all acts of our president and great leader, the Rev. Charles E. Coughlin.

Selection of Sylvester V. McMahon, Cleveland lawyer, as permanent chairman brought a tempestuous demonstration. Prolonged cheering broke out again when McMahon announced Father Coughlin would head the committee on adoption of a constitution.

McMahon, who is also national secretary of the union, told the convention that Father Coughlin is "a great leader risen from out of the people" and "from him we have learned that the principal cause of the economic depression was the usurpation of unscrupulous men of one of the sovereign attributes of our government, the right to coin money and regulate."

Sanford Red Cross Chapter Prepared For All Disasters

The Seminole County Chapter of the American Red Cross has organized a group prepared to meet any situation that might arise from disaster of any kind.

Cards giving information concerning what to do if disaster should strike in this county are being distributed by the organization, and in such a case, any one of the following should be notified immediately:

Miss Elizabeth DeForest, chairman of the chapter; the Rev. Martin Bram, disaster chairman; Ralph Wight, rescue; Dr. A. W. Knox, medical; Frank Lamson, shelter; Forrest Gatchel, food; Clarence Adams, transportation and communications; Elton Moughton, survey; Mrs. Esther Ridge, clothing; Mrs. Helen Schultz, registration and information; Captain Harold Washburn, National Guard; S. O. Shinholler, Mayor; and also along the fire chief or police chief.

According to the Red Cross, as soon as anyone of the above members learns of a disaster he will communicate with each of the others and proceed at once to:

1. The Armory on the lake front (if this is destroyed or inaccessible, then to the other alternative locations).
2. The Episcopal Parish House, 400 Magnolia Avenue.
3. The Wight Motor Company, Tenth Street and Sanford Avenue.
4. The Seminole High School, 18th Street and French Avenue, (Principal's office).

Chamber Reports Fine Collection Of Membership Dues

The Seminole County Chamber of Commerce today reported better collection of membership dues for the past fiscal year than for any other similar period in the past three years.

With the deadline for payment of this year's membership fee ending today, Secretary Ralph E. Bagwell said that payments were coming in regularly, with collections being recorded from all parts of the county.

A total of 500 members have paid up and their names will appear on the ballot for election of Board of Directors, which will turn in next year's officials.

Ballots for the Directors election will be mailed to all paid up members on Aug. 25, with Sept. 1 as the deadline for return of returned ballots.

President T. E. Simpson today appointed J. P. Helms to serve as chairman of the election committee, which will receive and count the votes.

ROOSEVELT SURVEYS PENNSYLVANIA FLOOD DAMAGE

President Roosevelt, making a tour of the flood-damaged area of Pennsylvania and southern New York, stops at Johnstown, Pa., to inspect the city hit by two of the country's biggest floods. With the President are Mayor Shields (in light suit) of Johnstown and Major Gen. E. M. Markham, army engineer. (Associated Press Photo)

Seminole Farmer Visits Great Lakes Exposition

Russell Urges Celery Diorama Displays At Florida Exhibit; Relates Story Of Inspection

By GUY WOOD
Fred E. Russell, Seminole county farmer who recently returned here from a visit to the Great Lakes Exposition, now going on in Cleveland, Ohio, brought home with him a glowing account of the Exposition, giving an especially vivid description of the Florida Exhibit, which is one of the outstanding points of interest at the Exposition.

Mr. Russell said that the Seminole Chamber of Commerce building, which is filled with information about this county, is very much in evidence at the exhibit, but showing of Seminole's Celery crop is meager. He thought it would be nice, if the Chamber and farmers of this county would send the exhibit some dioramas of celery culture and harvesting.

The Florida exhibit at the Exposition is in what is known as Florida Manor, a Georgia Colonial mansion surrounded by beautiful gardens, representing an outlay of \$250,000.

"Surrounding the stately, pillared building," Mr. Russell said, "is an acre of gardens with citrus and other exotic fruits painstakingly transplanted; oranges, grapefruit, avocados, mangoes and papayas. There are tropical flowers and birds in the long winding pergola, hung with moss which runs along side of the grounds from the Manor with enclosed booths all filled with products such as fish, sponges, woods, birds, shells, and handicrafts. The pergola leads by easy steps to the ground level where covered booths are built, one filled with articles made from all-

Local Yacht Basin Host To Wealthy New Yorker's Craft

The yachting season was officially opened in Sanford today, when the yacht "Jane," a \$65,000 craft owned by Alberto Santos, wealthy New York broker, tied up at the municipal pier and yacht basin.

The broker, who is on a honeymoon trip, will remain here today following a three day cruise up the St. Johns River from Jacksonville. The vessel arrived in Jacksonville from Miami, Thursday, after a trip up the Atlantic from the owner's winter home.

A crew of three men, composed of a Philippine steward, a chief engineer, and the captain, is with the vessel, which measures 72 by 18 feet and contains four cabins, besides the crews quarters.

As the first step in a campaign to attract pleasure crafts of this kind to Sanford, Secretary Ralph F. Bagwell of the Seminole County Chamber of Commerce presented the new-yards with a beautiful bouquet of flowers.

Final Sunday Game Billed For Tomorrow

President T. E. Simpson of the Seminole County Chamber of Commerce today pointed out that tomorrow's double-header at the local ball park was the last Sunday game to be played by the Lookouts in Sanford.

He stated that the publicity received from baseball by this city had been more favorable than any other source used this year, though it had probably cost the least.

Strong Peace Plea Is Made By President

'I Hate War,' Chief Executive Asserts In Address Before New York Audience

Situation Abroad Causes Concern

Roosevelt Recalls Personal Experience Of Conflict

CHAUTAQUA, N. Y., Aug. 15.—(AP)—Expressing "deep concern" about tendencies abroad, President Roosevelt last night spoke out for world peace but at the same time warned that this country could and would "defend our neighborhood."

"I hate war," said the President in close clipped phrase in a foreign affairs speech urging a building of public opinion for neutrality "if war should break out again in another continent." Some, he said, would seek to evade neutrality to gain riches.

"If we face the choice of profits or peace," he said, "the nation will answer—must answer—we choose peace."

The Chief Executive spoke from the raised platform of a wooden amphitheater sunk into a tree-studded hillside near the shores of Lake Chautauqua. It was here that the Chautauqua programs known to many a village originated years ago.

After describing at length the friendly relations of the nations of North and South America, Mr. Roosevelt expressed apprehension over conditions abroad. He spoke particularly of the "bitter experience" of witnessing the violation of both the spirit and letter of international agreements "without regard to the simple principles of honor."

"Our closest neighbors are good neighbors," the President said. "If there are remoter nations that wish us not good but ill, they know that we are strong; they know that we can, and will defend ourselves and defend our neighborhood."

He did not define the term "neighborhood," nor did he expand upon what might be implied in his assertion that it would be defended.

Mr. Roosevelt said he had seen war, and "blood running from the wounded. I have seen men coughing out their gassed lungs. I have seen the dead in the mud. I have seen cities destroyed.

"I have seen two hundred limping, exhausted men come out of line—the survivors of a regiment of 1,000 that went forward 45 (Continued on page five)

Canvassing Board Declares Carlton Received 896 Votes

Doyle E. Carlton drew 896 Seminole County votes against 777 for C. O. Andrews in the Democratic primary for nomination to the candidacy for U. S. senator, Supervisor of Registration W. J. Thigpen announced today.

Official canvass of ballots was made yesterday by the county canvassing board.

Mr. Carlton's unofficial vote count announced in The Herald Wednesday was hoisted by 10 absentee ballots, while Judge Andrews drew seven more votes through the mails.

A total of 1,673 ballots were cast. Mr. Thigpen said books for registration to vote in the November general elections will be open in his office on Mondays, Tuesdays and Wednesdays.

VISUAL NEWS of the WORLD IN PICTURES

This excellent general view of the new Olympic stadium at Berlin gives an idea of the immense throngs which gathered for the track events. Athletes from several nations were competing in a distance run when the picture was made. Crowds of more than 100,000 were attracted daily by the games. (Associated Press Photo)

Called to the White House for a conference on taxes with President Roosevelt, Chairman Robert Doughton (D-N.C.) of the house ways and means committee, and Chairman Pat Harrison of the senate finance committee are shown as they left after the meeting. Doughton (left) and Harrison said later they did not expect a tax increase but rather there might be a reduction. Harrison left Washington quickly to return to his home state of Mississippi where a warm political campaign is in progress. (Associated Press Photo)

COUGHLIN ARRIVES FOR CONVENTION

Father Charles E. Coughlin was met on his arrival at Cleveland for the National Union of Social Justice convention by Walter Davis (left), convention marshal, and Sylvester McMahon (right), national secretary, who differed on whether Dr. F. E. Townsend should address the meeting. The disagreement apparently was settled when Coughlin announced Townsend would speak after conclusion of the business sessions. (Associated Press Photo)

Held For Killing Japanese Actress

Raymond Johnson (above) was arrested and charged with the slaying of Miki Takaoka, Japanese actress, at Los Angeles. Deputy Sheriff F. F. Labrum said that Johnson confessed the crime. (Associated Press Photo)

Crowds Pour Into Exposition Grounds

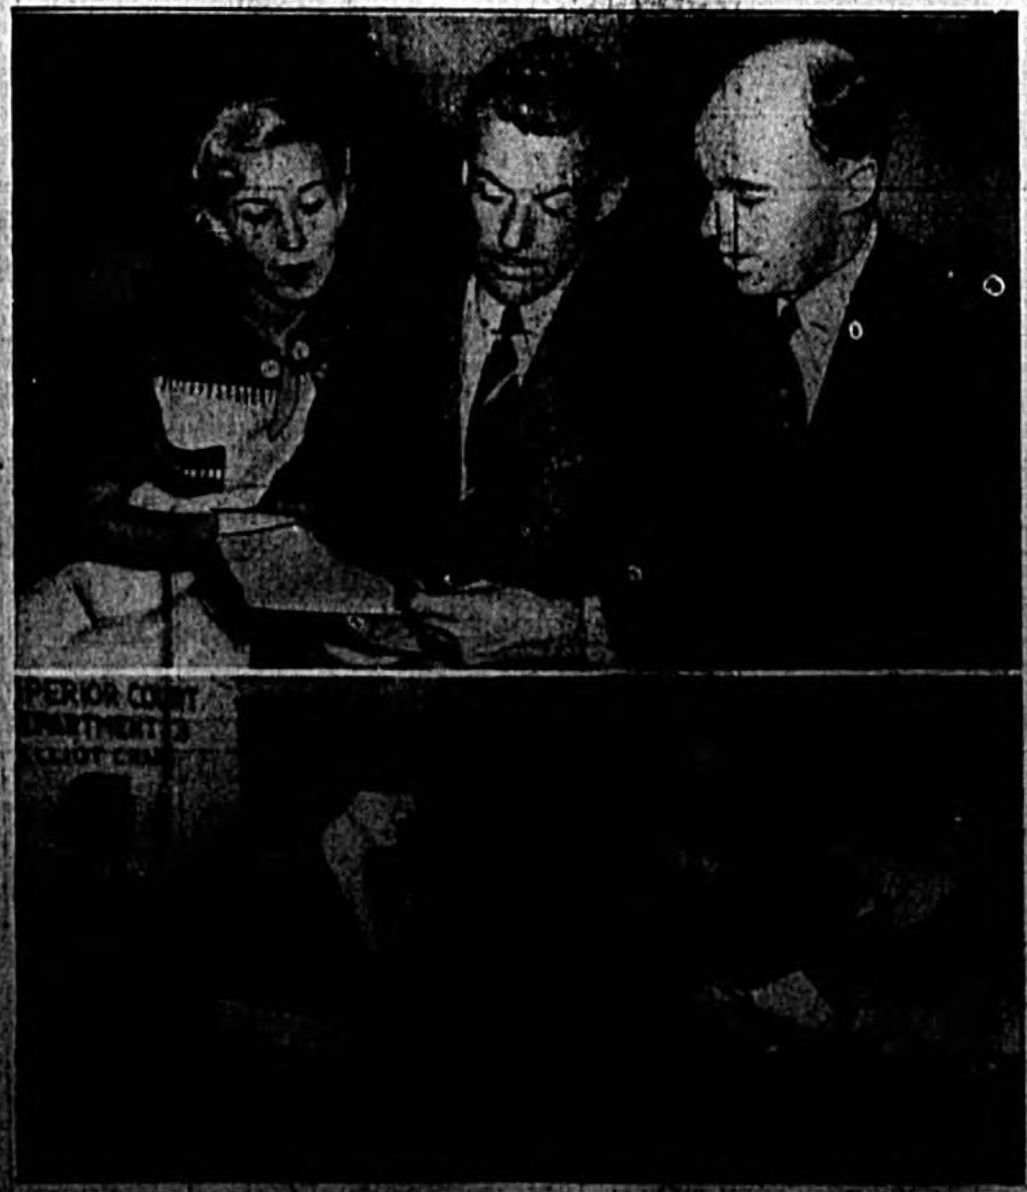

Every day is a busy day at the Great Lakes Exposition in Cleveland and this picture shows the crowds pouring across the Court of Presidents into the compact grounds of the Exposition. The grounds cover 150 acres lying along the cool shores of Lake Erie. Overhead are two of the blimps which take passengers for trips over the grounds and the city. (Associated Press Photo)

'LOVE MOMS, LOVE POPS!'

The sensational court fight in Los Angeles between Dr. Franklyn Thorpe and his divorced wife, Mary Astor, the film actress, over custody of their small daughter Marylyn, led Judge Goodwin Knight to visit the little girl at her mother's home to see if she had any preference. "Do you love your moms?" and "Do you love your pops?" the judge asked. To both questions Marylyn nodded and replied "Uh-huh." Judge Knight is shown conducting the interview in the presence of Dr. Thorpe (left) and Miss Astor. (Associated Press Photo)

MARY ASTOR AND DR. THORPE TO SHARE CHILD

Two attorneys, including James H. Doolittle, will file their respective petitions for custody of the child, Marylyn, in court today. (Associated Press Photo)

MEET OLIN D. JOHNSTON, JR.

This is Olin D. Johnston, Jr., first child of Governor and Mrs. Johnston of South Carolina. Olin, Jr., weighed six pounds and four ounces and is the second child ever born to a South Carolina governor and his wife during office tenure. "Mother and baby doing fine," said the attending physician. (Associated Press Photo)

Describes Perils Of Jungle Trip

Accompanied by Andre Roosevelt, nephew of the late Theodore Roosevelt, Cyril von Baumann (above), explorer who was born in West Point, Ga., is penetrating hitherto uncharted regions of Equatorial jungles. He has described the perils in a letter to friends. (Associated Press Photo)

PLANS SEARCH FOR REDFERN

Lee E. Driscoll (above) mining man of Berkeley, Calif., plans to start an expedition within 90 days for Paul Redfern, long-missing miner who last left from Brunswick, Ga., for South America. Driscoll, who is well acquainted with South America's interior, plans Redfern in fact, but he wants to make the search because of rumors he has heard about a wrecked plane. (Associated Press Photo)

Priest Said To Be Better After Illness

Physician Blames Intense Work, Worry For Coughlin's Collapse On Sunday

NUSJ Convention Abruptly Closed

Apologizes For Not Being Able To Proceed With Speech

CLEVELAND, Aug. 17.—(AP)—The Rev. Charles E. Coughlin rested in seclusion today but it is said to be recovering from a sudden illness which brought an abrupt halt to his address yesterday in which he renewed his attacks on President Roosevelt.

Dr. George P. O'Malley, a Cleveland physician, said the radio priest was stricken by exhaustion and a nervous disorder caused by the intense work of planning and carrying out the first convention of the National Union for Social Justice.

Father Coughlin's illness caused him to halt his address to the closing gathering of delegates.

On Sunday Coughlin, priest of an obscure parish but a leader of a massed phalanx of more than 25,000 followers of social justice, gave the political battle to elect William Lemke president of the United States.

Father Coughlin spoke yesterday for 1,000,000 active members of his National Union for Social Justice and some 4,000,000 others who have aligned themselves with his crusade, without becoming walking delegates of his cause.

The priest's abrupt fall toward the end of his speech and he was led faint from the platform. The mass meeting was abruptly adjourned.

Father Coughlin was denouncing the banking system and the international bankers, sweating profusely under a sun which blazed full in his face. Suddenly he said:

"I must apologize to you. I have been ill all night and I shall not be able to proceed any further."

Father Coughlin was the last speaker at the mammoth rally to launch the NUSJ campaign to elect William Lemke, Union party candidate for president, and his running mate, Thomas C. O'Brien.

The National Union is pointing both at the White House and Congress. Twenty-eight of its endorsed congressional candidates were introduced in the convention yesterday.

The priest said he will have 800 Republicans, Democrats, Farmer-Labor and Progressive in the field by election day. (Continued on Page Two)

English To Speak At Scout Council In Lake County

TAVARES, Fla., Aug. 17.—Collin English of Ocala, the new State Superintendent of Public Instruction for Florida, will be the chief speaker at the meeting of the Central Florida Council of Boy Scouts of America to be held at Inland Beach, at the point where the roads to Eustis, Maitland and Tavares cross, at 12:15 Thursday noon, Aug. 22.

Dean James McManis of the University of Florida, district governor of Florida and Dr. W. E. Allen, president of Stetson University at DeLand will also speak briefly at this meeting, and Edward J. Hagarty, the new Boy Scout Executive will present a brief report.

THREE HEADLINERS AT CONVENTION

Here are the three headliners waving greetings to cheering delegates shortly after the National Union for Social Justice elected Rev. Charles E. Coughlin its first president and endorsed Rep. William Lemke for president of the United States. Left to right are: Rev. Gerald L. K. Smith, lieutenant of the late Huey P. Long; the Rev. Mr. Coughlin; and Dr. Francis E. Townsend, old age pensions leader. (Associated Press Photo)

Dr. Townsend's Arrest Asked By Former Helper

Townsend Plan Head Is Said To Be In Chicago Retreat

CLEVELAND, Aug. 17.—(AP)—Blames Farley. Dr. F. E. Townsend expressed the opinion Saturday "the inference is pretty strong" that James A. Farley, Democratic national chairman, and R. E. Clements, coasted pension movement secretary, backed a court suit against directors of Old Age Revolving Pensions, Ltd., Attorney Charles H. Hubbell, at a deposition hearing, yesterday recounted to Townsend that Raymond J. Jeffreys, Ohio pension leader, testified several days ago that a suit brought by the Rev. Alfred J. Wright, deposed Townsend National Board member, was actuated by Clements who, in turn, was backed by Farley.

Blames Farley

"Would you care to express an opinion?" the lawyer asked. "It would be nothing but an opinion," Townsend replied. "The inference is pretty strong, however. The present administration spent (Continued from page three)

Brooksville To Hold Livestock Roundup

The second annual Field Day and Livestock Roundup will be held at Chinesgut Hill Sanctuary, near Brooksville, on Thursday, Aug. 27, and if sufficient interest is shown by livestock men of this county, transportation to the sanctuary for four men will be provided, according to County Agricultural Agent C. R. Dawson.

At Least 11 Reported Killed In Manila Typhoon

MANILA, P. I., Aug. 17.—(AP)—At least 11 persons were killed today in a typhoon which left the Bonianes natives of Northern Luzon Island threatened with famine.

WEST PALM BEACH, Aug. 17.—Palm Beach county farmers are now preparing their lands for fall truck crops. County Agent M. U. Mounts says they are expecting large plantings the coming season.

3 Taken Into Custody For Hotel Slaying

Bride Found Beaten To Death Thought To Have Been Victim Of Degenerate

CHICAGO, Aug. 17.—(AP)—Three negroes, two women and a youth, were taken into custody today for questioning in connection with the killing of Mrs. Mary Louise Trammell, who was found beaten to death in her hotel room. The crime was the fourth hotel room slaying of women in recent months.

Those held were listed as Myrtle Hynes, Amy L. Martin, and Claude P. Davis. The two women were arrested when their telephone numbers were found in a note book dropped by a prowler at the hotel a week ago. Davis is a bell boy at the hotel.

The woman's nude body was found by her husband who returned home from his job on a railroad dining car.

Mrs. Trammell, 24-year-old brunette and bride of a year, who was found beaten to death Sunday in her hotel room, was the victim, Police Lieutenant McCarthy theorized, of a degenerate who invaded the room from adjoining elevated tracks.

A desk clerk, standing on the shoulders of the woman's husband, Thomas Trammell, peered through the transom and saw her nude body sprawled on a bed.

Pillows and bed clothing had been piled on the body, and a window on the fire escape was partly open. On the ledge, investigators said, was imprint of a canvas shoe.

Trammell, who said he had married the girl in Knoxville, returned to Chicago yesterday, after completing his run as a railway dining car conductor.

Lieutenant McCarthy said there were little evidences of a struggle in the room, although a blood stain was found on a pillow.

Deputy Coroner Victor I. Schaefer said the woman's left eye had been blacked, several bruises discolored her face and marks on her throat indicated she might have been choked.

Her clothing was piled on a chair and the cord of an electric lamp was still plugged into a socket, giving further evidence no struggle preceded the killing, Lieutenant McCarthy said.

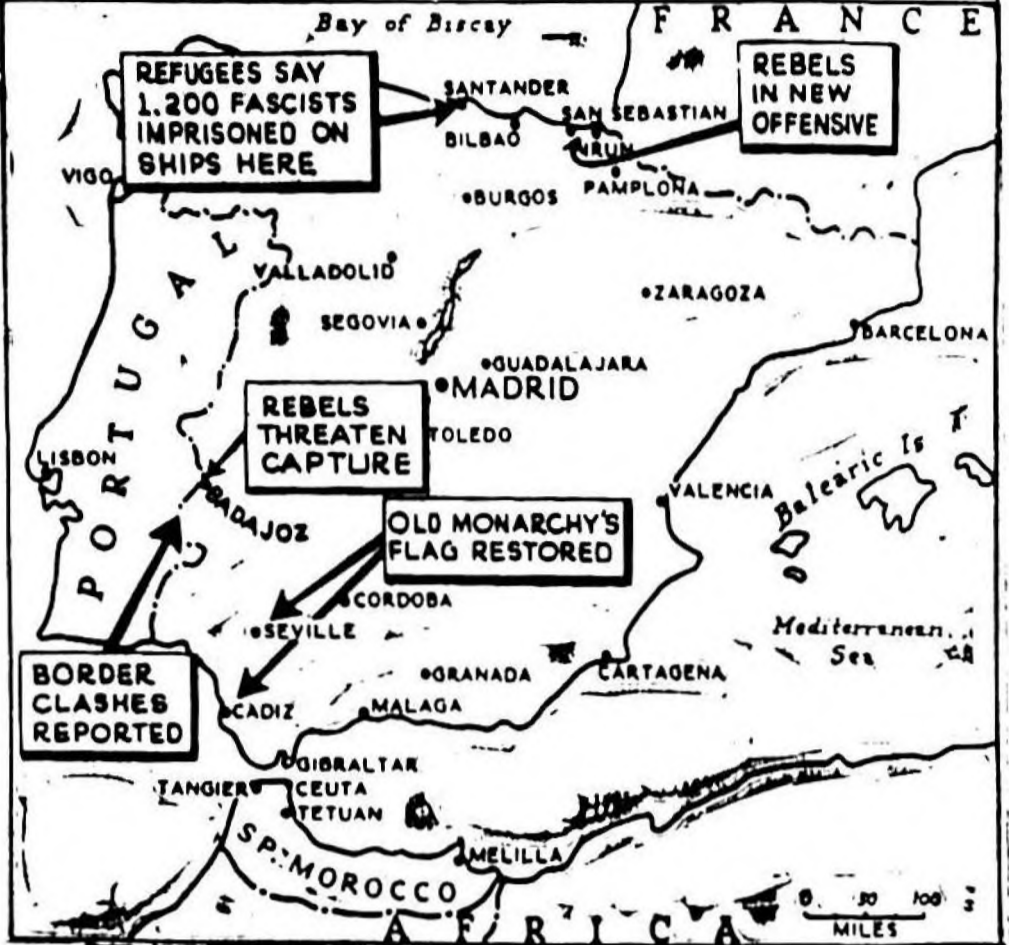

The lieutenant suggested that because of the heat Mrs. Trammell might have retired Saturday night without wearing her pajamas, thus accounting for the nude body.

He suggested, also, that a man might have observed her through the window from the adjoining elevated platform, dropped to the tracks and swung to the hotel fire escape, which is only three feet from the elevated structure.

Police found indications the assailant left the room by the same route he had entered it, stepping to the fire escape and swinging back to the elevated span.

Trammell gave his age as 40. He said he formerly lived in Dallas and that he met his wife at Knoxville. Three months ago he entered the employ of the railroad, Trammell said, and a month ago his wife followed him to Chicago.

BORDER INCIDENTS MARK SPANISH REBELLION

Locations of the latest highspots in the rebellion are shown in this new map of the Spanish situation. Border clashes near Badajoz between Portuguese guards and Spanish government troops have caused fear Portugal might be drawn into the strife. (Associated Press Photo)

Fifty-Two Youths Attend Many 'Is' Seen Camp Winona Second Week

Activities Of Boys' Camp Outlined By Camp Director Morris Show Increased Interest

As activities were ended for the second week at Camp Winona, near DeLeon Springs, Camp Director H. E. Morris, announced that there was a total enrollment of 52 youths for that period.

The director stated that swimming was stressed during the week, with five degrees being taught to the youngsters. Those passing the swim tests and the degree of the test passed followed:

Minnow Degree, those learning to swim 25 yards while in current; and sun-fish degree, those learning to swim 25 yards in certain style, or on their back, and those who dived from surface and brought up an eight pound weight; Bruce Holt, Bill Epps, Cawthon Hutchinson, and Harry Lee.

Walrus Degree, those able to swim 50 yards any style, 25 yards on back or side, 25 feet under water, dive under surface and bring up a 10 pound weight, or disrobe in the water; Roland Martin, Jimmie Lee Renaud, Ray Fox, Leroy Estridge, and Norman Hasty.

Shark Degree, ability to swim 50 yards Australian crawl, 50 yards on back, or 50 yards on side, ability to swim 25 yards using breast stroke, surface dive and bring up a 10 pound weight and disrobe in water, swim under water 30 feet, and demonstrate three dives properly.

Whole Degree, same requirements as Shark Degree, also ability to swim 400 yards, demonstrate the proper approach both rear and front in saving a drowning person, support fully dressed person 1-2 minutes, lift person from lake alone, and demonstrate artificial respiration.

Boys passing both Shark and Whole Degree: Hugh Parker, Eugene Harrison, Dubb Epps, Carl Ricker, Miller Williams, Bill (Continued on Page Two)

'Big Jim' Dixon To Get Chair During Week Of Aug. 24

Sheriff J. F. McClelland received a death warrant bearing the signature of Governor Dave Sholtz today from Tallahassee for George Dixon, alias "Big Jim" Dixon, negro who was convicted of first degree murder and sentenced to death by the Circuit Court on May 26 during the spring session of that body.

Tomorrow the sheriff will take Dixon to Raleigh, where he will turn the negro over to L. F. Chapman, superintendent of the state prison, to await execution. Dixon will be electrocuted during the week of Aug. 24, it was said.

Battles On Three Fronts Spread Death

Hostages Killed In Spanish Revolt As Answer To Rebel's Attack On Bay City

British Laborers Condemn Fascists

Government Confiscates Industries To Hurt Opponents

Battles on three fronts in north central Spain between Fascist rebels and the Madrid government forces left death and destruction.

Rebels in Burgos announced they had repulsed the government in their wake today at Atienza, northeast of Madrid in the mountains, and routed soldiers marching against the rebel city of Zamora.

Reports reaching the Franco-Spanish frontier said that government soldiers answered rebel warship shells thrown against them and San Sebastian with swift death for hostages before firing squads. The bombardment of the Bay of Biscay section lasted about 2 1/2 hours, paused for a while, and then was resumed.

Conservative estimates of 20,000 killed, 14,000 wounded, 18,000 jailed and 6,000,000 pesos damage as the cost of just one month of war.

Rebels controlling Badajoz after the bloodiest battle of the war admitted at least 1,500 communists killed in the fighting. With the Spanish Foreign Legion in the vanguard they prepared to march on Madrid.

Insurgents headquarters, describing a smashing offensive against Malaga, loyalists naval base on the Mediterranean, threatened wholesale reprisals in the south upon discovering 150 fascists were executed at Antequera near Malaga. Antequera now is in rebel hands.

Gen. Emilio Mola, northern insurgent commander, announced 600 loyalists were killed by rebel machine gunners in an abortive attempt to attack the insurrectionist stronghold at Zaragoza.

It was feared that the fate of 700 fascist prisoners at San Sebastian would be similar.

Oviedo Negro Shot At Rainbow Farm Following Quarrel

Sheriff J. F. McClelland and his deputies are looking for Steve Johnson, Snow Hill negro, who late Saturday night shot and killed Eugene Ross, negro of Oviedo, at Rainbow Farm, located between Geneva and Oviedo.

What caused the shooting is not known, but it is believed that a quarrel precipitated the fatal shot. Immediately after the sheriff was notified he, his deputies, and posse set out upon Johnson's trail, but the negro had already made his escape, and could not be found anywhere near the scene of the tragedy.

Blood hounds followed his tracks for several miles but lost them on the highway, where it was thought Johnson was picked up by an automobile and taken out of this section.
