Lucky we have a new jail. It sure was busy place over the weekend. Over 40 arrests. The jail is now near capacity with almost 80 guys inside.

Good to see Assistant County Agent Ernie Lundberg back on his feet and on the job again.

Don't be surprised if the School Board asks the State to come in and do another comprehensive school plant survey in the Geneva-Chuluota area to prepare for 1964.

Better make plans to be at the Civic Center Thursday.

How come the city has to maintain and patch up the county's side of W. 25th St.?

Don't forget the mass meeting in Lake Mary tonight starting at 8 to protest the new franchise directive. Nobody asked me but why did they wait so long? Look for a petition to be presented to the commission at its public meeting on the directive Thursday night.

Don't forget to tell the wife you'll be home late Thursday. You don't want to miss Frank Goodwin's speech at the Civic Center.

It won't be long before educational TV comes to the area. Plans are underway here to purchase television receivers. A public spirited parent in one school center plans to purchase receivers for the building as a service to the children and teachers.

There are a lot of good points to investing surplus funds but only one angle we don't like. It's taking the money out of Seminole County and putting it in treasury bonds. Now, the next thing some wise guy will say: Gosh, Verbel doesn't like Uncle Sam either.

Does the city know that if it doesn't start immediately on tearing down some of these old fire hazards in the city, many hardships will be incurred on neighboring property owners. We know of one person who had her insurance cancelled because her home is near one of the most hazardous buildings in the city.

Syria's Western Candidates Lead
DAMASCUS, Syria (UPI)—Nearly final results showed today that conservative pro-Western candidates won a heavy majority in the first national elections here since Syria broke away from the United Arab Republic two months ago.

Electing conservatives outnumbered leftwing socialists more than 3-1. The official results on the balloting for a simple, eight-clause provision Constitution have not been announced, but local newspapers said only 1 per cent opposed it. Ratification, in effect, would legalize Syria's break from President Gamal Abdel Nasser's U.A.R.

OAS Help Asked In Civil Strife

SANTO DOMINGO, D. R. (UPI)—New street demonstrations broke out today, the seventh consecutive day of a general strike designed to overthrow the Dominican government.
Crowds of chanting youths marched up and down El Conde street shouting "out with President Joaquin Balaguer." They openly defied rifle and tommy-gun-bearing army patrols. Watchful soldiers made no attempt to intervene.
The government seemed to have weathered an attempt to oust armed Forces Secretary Maj. Gen. Pedro Rodriguez Echaavria but the strike against the regime showed little sign of weakening.
Dr. Viriato A. Fiallo, president of the opposition National Civic Union, sent a message pleading with the Organization of American States (OAS) to send investigating committees to the Dominican Republic.
"The situation is extremely grave," Fiallo messaged. "The absence of civil power threatens the establishment of a supreme military power which would liquidate every trace of democracy."
Thirteen air force officers submitted their resignations and appealed Sunday to President Balaguer to remove Rodriguez Echaavria for having "betrayed the patriotic ideals and threat for liberty of our people . . ." The resignations were accepted.
The disloyal air force officers accused the 57-year-old military chief of trying to lead the country to a "military dictatorship."
Rodriguez Echaavria was appointed secretary of state for the armed forces last week after he helped prevent slain dictator Rafael Trujillo's brothers, Hector and Artime, from seizing control of the government.
The presidents of 30 professional labor, business and student groups took a full-page ad in Sunday's La Nacion (The Nation). They said they were not demanding Balaguer's resignation, but vowed to continue the general strike until the government and the opposition reached a solution.
Negotiations between the government and the opposition were resumed Sunday.

Inter-American Action Against Castro Spurred

WASHINGTON (UPI)—The U. S. drive for inter-American action to deal with Cuba appeared to have gained impetus today from Cuban Premier Fidel Castro's declaration he is a Communist.
The council of the Inter-American Organization of American States (OAS) was scheduled to meet to vote on a Colombian proposal, supported by the United States, for a foreign ministers' conference to consider the Communist threat to the Western Hemisphere.
U. S. officials were confident that Castro's statement of his "Marxist-Leninist" beliefs in a Saturday morning speech would help sway one or two reluctant nations to support the Colombian move.
Several South American countries have been prepared to vote against the proposal or to abstain after citing the inter-American principle of non-intervention. Castro's speech at least may change some potential "no's" to abstentions.
Some conservative unwillingly declare themselves on the issue without further study were seeking a postponement of the OAS vote. But the United States and Colombia pressed for immediate action.

Katanga Threatens All UN Aircraft

ELISABETHVILLE, Katanga (UPI)—The Katanga government today threatened to shoot down any United Nations aircraft flying over its territory, the UN reported.
A few hours earlier, Katanga gendarmes killed one Swede of the UN force, wounded two others and seized three prisoners in Elisabethville's worst day of fighting in September.
UN civilian employees in Elisabethville reported this morning that they had been ordered to pack their belongings and be ready for repatriation to Leopoldville.
George Ivan Smith, top UN official here, said Katanga Foreign Minister Evariste Kimba issued the threat to the UN shortly after midnight.

And Nobody Stopped To Powder Their Nose

By DOTIE HIGGINBOTHAM
Nobody stopped to powder their nose in Sunday's football game as the white-jerneyed Feminoles and the red-shirted Tigers, ran, screamed, cried and fought their way to a fiercely contested 12-11 tie, in the second annual Powder-Puff football game.
The closely matched girls teams took their football seriously as freshman Linda Spencer scored twice for the freshman-senior Feminoles and Shirley Bowen and Louise Higginbotham tore across the goal line for the sophomore-juniors two touchdowns.
The Feminoles started off the first quarter in high gear, but lost the ball to the Tigers on downs and then rebounded when the Tigers also ran out of downs. Here the Feminoles began a fast-paced march that carried them down to the goal line.
Debbie Scott, on a keeper play for the Feminoles set up the first TD of the game and Linda Spencer carried the pigskin over to bring the first quarter to a close with the Feminoles out in front 6-0.
Running and blocking, pulling off some tricky plays and getting some blocking tackles the two teams struggled back and forth up and down the field for the rest of the first half, with Louise Higginbotham and Robbie Blake carrying around the ends for the Tigers and Sharon Riser's tie, in the second annual Powder-Puff football game.

South Seminole Towns Vote

Casselberry Ballots Today Others Tuesday

Voting in Casselberry was held in moderate to good weather today as voters went to the polls to cast their ballots for a mayor, two aldermen and town clerk.
More than 2,000 registered voters in South Seminole are expected to go to the polls today and Tuesday to vote in four municipal elections.
Elections are scheduled in Casselberry, Altamonte Springs, Ovidio and Longwood.
Casselberry voters are casting ballots today minus Edwin James Creech, candidate for alderman, who withdrew from the race over the weekend.
Polls, at the fire station, opened at 7 a. m. and will be open until 7 p. m. Up for election are a mayor, two aldermen, the marshal and the town clerk.
Candidates are Carl C. Stodard and Otto Hensling for mayor; Graham Wilson, Frank Lacey, Clifton Overman and George Howard for aldermen. Gus Sawyer, incumbent marshal, is unopposed in the race while Mrs. Lillian Beisel, town clerk, is opposed by Mrs. Edith L. Duer.
Municipal elections in Altamonte are scheduled for Tuesday.
In Altamonte, with 300 voters registered, ballots will be cast at the Community House from 7 a. m. until 1 p. m. Candidates for the most hotly contested race, that of mayor, are Dr. Gertrude Fort and Mrs. W. L. Swafford. For the council, Granville Gray, the incumbent, is opposed by Frank Garbarino in Ward Two while Keith Wilson is unopposed in Ward one.
Voting in Longwood, with more than 600 registered, will be from 7 a. m. until 7 p. m. at the City Hall and at the Seminole Trailer Park. In addition to electing three councilmen, voters also will decide on the annexation of some 200 acres situated between the east city limits and Hwy. 174.
Council candidates are E. E. Williamson, J. R. Beller and Carl Lommler, the incumbents, and J. Russell Grant and Buford "Blick" Helms.
Ovidio voting will be done at the City Hall from 8 a. m. until gun-firing cocktails, smashing store windows and attacking Moslem passers-by.
Two Moslems were injured when their car was set afire.
The rampaging Europeans carried banners and flags of the extremist Secret Army Organization. A number of shots were exchanged but it was not known immediately who fired them.
The rioting followed the funeral of a young Frenchman who was killed by police Friday as he tried to avoid arrest for carrying a plastic bomb.

Lormann Appeals For Annexation Proposal

Annexation of the area between Longwood and Hwy. 17-82 would bring increased revenue to the city, but would not mean increased taxes, Mayor Al Lormann told an outdoor rally Friday night at City Park.
Speaking before some 50 persons who turned out to hear the candidates in the Dec. 5 municipal election and to drink coffee and eat doughnuts, the mayor led off the proceedings with the observation that the lack of interest in the rally probably was due to the fact that there was no majority election this year.
The meeting was moderated by Supt. of Schools R. T. Milwee, who urged those present to try to get the voters to the polls Tuesday.
Lormann, in discussing annexation, said that the city officials felt that Longwood would benefit by being on the highway from the publicity which this would give the town.
"Some people have been circulating stories that business will move to the highway if we annex this area. I do not believe this is true and he declared, "We will benefit by having our name on the highway and by the additional revenue which this area will bring to the city."
Grant said in his talk that he would like to see the city joined with a councilman representing a definite section.
"Some sections are not now properly represented," he said. He added that he wanted to keep taxes low and bring in new industry.

City To Discuss Spring Training

The City Commission will meet in special session at 10 a. m. Wednesday to discuss allowing two minor league farms teams to hold spring training here.
The two teams that have expressed interest in the local facilities are the Toronto Maple Leafs and the Syracuse Chiefs. Both are in the Triple A League.
The commission also will discuss the water-main of the new De-Mo Co. which plans to put a new plant here in the next few weeks.
The plant will be located between County Club Road and 25th St.

2,000 Europeans Riot In Algeria

ALGIERS, Algeria (UPI)—A mob of 2,000 Europeans rioted through the streets of Constantines today, burning cars, hurling Molotov cocktails, smashing store windows and attacking Moslem passers-by.
Two Moslems were injured when their car was set afire.
The rampaging Europeans carried banners and flags of the extremist Secret Army Organization. A number of shots were exchanged but it was not known immediately who fired them.
The rioting followed the funeral of a young Frenchman who was killed by police Friday as he tried to avoid arrest for carrying a plastic bomb.

Tax Collections Trail Past Years, Galloway Reports

Tax Collector John Galloway today reported that tax collections thus far are "below" previous years with only \$1,400,233.89 collected during the four percent delinquent period which ended Nov. 30. This is approximately \$18,577.15 short of the goal. The entire tax roll for 1961 amounts to \$2,411,416.32.
Galloway said that collections in the beginning "were very good," then dropped off picking up again during the last few days. The heaviest day was Nov. 30 when 3,975 tax receipts were processed for a total of \$310,860.00.
The discount for December is three percent; January, two percent and one percent in February. Net in March and delinquent in April, Galloway added.

Probe Raiford Escape Attempt

RAIFORD (UPI)—An investigation was under way today into an abortive escape attempt by a group of prisoners from the state prison here Saturday night.
Prison Supt. DeWitt Sinclair said a small number of prisoners grabbed a guard while marching back to their cells from supper. Two other guards were later taken. The insurgents released about 20 prisoners from their cells in the wing of the new maximum security facility.
Prison Director H. C. Cochran went to the prison during the escape attempt. He did not disclose the actual number of prisoners in on the escape attempt but said, "They can be counted on the fingers of both hands."
Cochran said the leaders of the disturbance, which lasted about two hours, will face court action.

Army Battle Groups Roll Toward Berlin

BERLIN (UPI)—A U. S. Army battle group of 1,600 men started rolling toward Berlin today where U. S. and Communist troops faced each other from positions less than 15 yards apart at the tense Friedrichstrasse crossing point.
The big troop movement had been scheduled previously but the beginning of it coincided with Communist actions in narrowing gaps in crossing points between East and West Berlin.
The Communists moved in troops and laborers Sunday night to reinforce their border barricades. Allied reaction was swift.
A platoon of American soldiers was rushed to Friedrichstrasse, apparently to guard against any Communist attempt to shut the crossing point completely. The Americans set up two machine guns and trained a howitzer on a nearby Communist position.
The French also rolled troops up in the border but the British took no special action. A spokesman said a company of British soldiers has been on border duty since the Communists closed the border in August.

Heavy Fire Hits W. 20th St. Home

A house at 103 W. 20th St. was heavily damaged by a fire early this morning, firemen reported.
The owner of the house, Mrs. Steward Brown, escaped injury after her dog woke her up just as the blaze raged near her bedroom.
Chief Mack Cleveland said: Damage was extensive. Cleveland said the fire was caused by a defective heating unit.

It's Beginning To Look A Lot Like Christmas

MRS. ARNOLD WILLIAMS

Christmas shopping crowds surged busily through downtown Sanford stores Friday and Saturday to take advantage of the special sales and discounts offered by merchants in a big two-day pre-Christmas sales festival.

Early Friday afternoon traffic began to flow heavily along First St. and adjoining side streets, as thousands of Seminole County citizens, Christmas lists in hand, began to seek out that "just right" gift for each and everyone finding hundreds of items, many specially priced, and budget-right.

Grand winner of the Friday night merchants gift certificates was Mrs. Arnold Williams, wife of the well-known Sanford police captain. She received \$70 in gift certificates.

The second prize winner was Mrs. J. L. Willetts of 901 Magnolia who said that the prize money "would come in mighty handy."

All over town, merchants are completing Christmas decorations in stores, and the whole town is taking on a festive air, that adds to the excitement of the pre-Christmas season.

Civil Defense Day Time To Consider Need For Training

Thursday, the 20th anniversary of the disastrous bombing of Pearl Harbor, will be nationally observed this year as "Civil Defense Day."

A. B. Peterson Sr., local Civil Defense director and E. S. Douglas, director of adult education, who cooperatively sponsor CD training courses throughout the county, remind that this is an appropriate time to consider the need for survival training.

Knowledge about potential disasters, their effects and protective measures, which are the best first steps that can be taken in protection of the individual, the family, the community and the country, may be gained from these courses.

Enrollment in any of the remaining scheduled classes may be made by the civil defense or adult education offices.

Courses will be available in Chuluota beginning Tuesday; in Forest City and Altamonte Springs in January and in Lake Mary during the month of February.

Another class is tentatively scheduled for the Sanford area in March which will be sponsored by the Presbyterian Church.

Chuluota Club Names Stumpf As President

BY CAROL JEPSON

The election of Fred Stumpf and Ralph Warden and the re-election of Ward Atherton and Ray Pentz to the executive board highlighted last Tuesday's meeting of the Greater Chuluota Community Club Membership Meeting.

Still serving unexpired terms are William Stiver, George Boulden and Pete Carpenter. Mrs. Virginia Chadwick was elected as recreational director for the coming year.

Proposed amendments to club by-laws accepted by vote called for all checks, drafts and orders for payment of money to be signed in the name of the club by two of the three holding office of president, vice president and treasurer and prohibited nomination for office at an election meeting unless the proposed candidate is present or has submitted his written acceptance to the board.

The proposal to delete from the by-laws the use of Roberts Rules of Parliamentary Procedure at meetings was rejected.

The membership also voted an appropriation not to exceed \$250 for the purchase of emergency resuscitation equipment to be used

in the community.

Immediately following the general meeting, the new board met to elect Fred Stumpf, president; Ward Atherton, vice president; Ray Pentz, secretary and William Stiver, treasurer. N. E. Runyon and Charles Bell were appointed to fill the two remaining vacancies on the board.

The Jaycee Wives Club will meet Monday at 8 p. m. at the home of Mrs. L. F. Stewart, 70 North Edgemon Drive, in North Orlando. Guest speaker will be R. T. Milwee.

Paris Fashion Night Plans Set

By JANE CASSELLBERRY

Final plans for the big "Gala Night in Paris" Fashion Show have been completed and Tuesday promises to be a night to remember.

This Council of Teachers and Parents fund-raising event, to take place at 7:30 p. m. in the South Seminole Elementary School auditorium, is no ordinary fashion show but will feature music, entertainment and refreshments as well.

Botique items displayed for sale will include toys, jewelry and handicraft items ideal for Christmas gifts.

Since the dress of Mrs. O. J. Baggett made it necessary for C-T-P president, Mrs. Vernon H. Catron, to take over the planning of the show, she has worked diligently to make this evening a success.

Mrs. George Sherick, member of the school faculty, is acting as fashion coordinator for the show. She is ecstatic about the chic women's fashions provided by the Jeanne Elkins Shoppe and the charming children's fashions from The Younger Set, both of Maitland Plaza.

C-T-P members modeling adult fashions will be Mrs. Charles S. Deneen, Mrs. Harvey Comfort, Mrs. Robert D. Barnett, Mrs. Arthur Logo, Miss Helen McMullan, Mrs. William Case, Mrs. Jerry Suggins and Mrs. Chester Miller.

School children taking part will include Patty and Jeff Raynor showing fashions for twins and Cathy Ford, Sharon Laddford, Ramona Abernathy, Linda Benton, Deborah Bacchus, Denise Cousmeau, Steven Parrault, Buddy Coates and Deborah Gray.

The decorating committee, under the chairmanship of Mrs. Carl Setje, is busy converting the school auditorium into a "bit of Paris."

Mrs. Ben Quarles and Mrs. Nannie Gross will be in charge of the refreshments. Mrs. J. D. Stiggins, chairman of ticket sales, has announced that tickets will be available at the door for those who have not already purchased them from the school office.

According to Mrs. Gerald McGinnis, publicity chairman, this show will be the major fund-raising event for the year.

Mrs. Marris Buried Sunday

Mrs. Clover B. Marris, 69, died at the Sarapta Rest Home early Friday afternoon following a lengthy illness.

Born May 18, 1892, in Detroit, Mich., she had made her home on W. First St. in Sanford for the past 19 years. She was a member of the Upsala Presbyterian Church and a retired practical nurse.

She is survived by two sons, John Marris of Palatka and Robert Marris of Sanford, seven grandchildren and one sister, Mrs. Pansy Caldwell of Miami.

Funeral services were held at 3 p. m. Sunday at the graveside in Upsala Cemetery with Rev. John W. Pilley officiating. Brison Funeral Home was in charge of arrangements.

Active pallbearers, all elders of the Upsala Presbyterian Church, were Henry Starves, Ben Hodre, Don Luke, Robert Carroll, Bradley Thayer and John Andes.

Senior Citizens Chorus Practices Twice Today

A new experience in Christmas seasonal music will be heard in Sanford this week, starring the Senior Citizens Mixed Choral Group.

Led by Delbert E. Sterrett, a member of the faculty in the Department of Music at the University of Florida and director of the Women's Glee Club there, the choir will be composed of retired persons and senior citizens of Sanford who like to sing.

There will be four rehearsals held at the First Methodist Church, climaxing with a concert at 8 p. m. Tuesday.

First rehearsal will be 2:30 p. m. today, the second at 7:30 p. m. and also at 10 a. m. and 2:30 p. m. Tuesday.

There is no charge, and the group will be non-denominational, though it is sponsored by the Ministerial Assn.

Gallon Club Has Four New Members

Four Sanford men became members of the Gallon Club at the Seminole County Blood Bank for the month of November. They were Henry C. Lee, James Goldsworthy, Howard P. Lee and Arthur DeYoung.

Tops for the month was Bill Glenn who gave his 16th pint, followed by Bob Kelly donating his 15th, William Richards his 14th, Reginald Soderbloom his 12th and J. E. Alderman his 10th.

Three people gave their seventh pint, including Loren Dougherty, Troy Hay Jr. and John Henderson.

Robert Dahney gave his sixth, Britt Yates gave his fifth and Jessie Crews and Wendell Drummond each gave their fourth pints.

Third-time-arounders are Frank Gore, George Langston, Joe Barley and Scranton Thompson.

Second timers were Roland Sikes, Willard Sessions, Herman Yates, Jr., and Willard Eldredge.

Donating their blood for the first time were Freeman Firestone, Nathan Sellers, Richard Silvers Jr., Richard Matin, Rev. Ernest Bolick and Henry Dilts.

The total for the month was 165 pints (only a little over half of the 267 given last month).

Mr. W. H. Harrell Dies Saturday

Mr. William H. Harrell, 74, died in Seminole Memorial Hospital early Saturday afternoon following a short illness.

He lived in Lake Mary for the past 12 years and was a retired groceryman. Coming to Sanford some 15 years ago, he operated a grocery store in Sanford for three years prior to moving to Lake Mary. A native of Columbus, Ga., he was a member of the Lake Mary First Baptist Church and a charter member of the Lakeland Baptist Church. He had been an orphan since he was seven years of age.

Survivors are his wife Mrs. Carol W. Harrell of Lake Mary; one son, Winston Harrell of Lake Mary; a daughter-in-law, Mrs. Elizabeth Harrell of Greensboro, N. C.; two grandchildren, Betty and Loren Harrell also of Greensboro.

Graveside funeral services were scheduled for 3 p. m. at Oaklawn Memorial Park with Rev. Ralph K. Taylor, assisted by Rev. John W. Pilley and Rev. James E. Curry, officiating.

Brison Funeral Home was in charge of arrangements.

Banquet Honoring Seminoles Set Tuesday

Plans are in readiness for the Booster Club supper honoring the Seminole High School varsity and

junior varsity, and their dates and the A and B squad cheerleaders and their dates at a banquet in the high school cafeteria Tuesday at 7 p. m.

by the presentation of the Peter Schaal trophy to the most outstanding player, Chester Oxford is program chairman for the banquet.

Coffees Honor Dr. Forman

BY SHIRLEY WENTWORTH

Dr. Gertrude Forman, candidate for mayor of Altamonte Springs in the Tuesday municipal elections, recently has been the honoree at a number of morning coffees given by Altamonte Springs hostesses.

A turkey dinner with all the trimmings will provide banquet fare for the teams, parents, booster members and dates, with the turkey, dressing, rolls and drinks being prepared by members of the Booster Club and desserts, vegetables and side dishes brought "covered dish" style by members attending.

Oviedo Student Gets Scholarship

Roy Weisenberger, son of Mr. and Mrs. R. E. Weisenberger of Oviedo, has been awarded a scholarship from Aid Association for Lutherans, a fraternal life insurance society with home offices in Appleton, Wis.

Membership in the Booster Club is the only requirement of attendance, and membership cards at \$1 each will be on sale at the door, President Mike Caolo announced today.

Weisenberger, who plans to become a teacher of the Lutheran Church, Missouri Synod, graduated from Concordia, Austin, Tex., and is now a senior at Concordia Senior College in Fort Wayne, Ind.

Among those entertaining for Dr. Forman were Mrs. Luther Hart Sr. and Mrs. Luther Hart Jr., and Mrs. Jefferson Hodges and Mrs. Fred Staedler.

Controls Needed ... But Big If...

We all realize controls are needed as a county grows and there are many good points to the new franchise directive recently passed by the County Commission but there are several items that we take exception to and believe the commission should reconsider.

1—THE GRANTING OF AN EXCLUSIVE FRANCHISE FOR A LONG TERM OF YEARS AND TO ENCOMPASS LARGE AREAS: We believe that the granting of long-term, exclusive franchises over large areas of the county is short-sighted and not necessary in an already expanding and developing area such as we have today in Seminole County.

We believe that before any franchise is granted the individual land-owners in the area should be given a voice in the decision, which decision should be based on the majority of land owners vote, for or against the franchise, unless it is a proved necessary for health or welfare in that area.

2—MANDATORY SEWER CONNECTION: Authority for this regulation is not shown in the utilities enabling act, and we feel that it strikes at the basic right of the individual, is unjust, and will create unnecessary hardships and costs for many individuals. There seems no need or excuse for this provision except in densely populated areas such as cities, or because of unsanitary conditions existing in an entire area. We feel that there is already sufficient authority through existing zoning and sanitary statutes to take care of such problems.

3—THE CHAIRMAN OF THE SEWER AND WATER COMMITTEE TO BE FURNISHED FROM THE BOARD OF COUNTY COMMISSIONERS. We feel that this is bad administrative policy. The sewer and water committee should be a completely separate body under the board of commissioners and report back to the board for approval or disapproval of rules, regulations, administration.

We know the commission has the welfare of the entire population in mind when they voted on this directive. But, we urge them to reconsider these major points and "get the pulse" of the people involved.

At a recent meeting in Lake Mary, these were the main objections to the directive and these people should be served.

Dr. Crane's

Worry Clinic

CASE K-407: Lorna L., aged 11, is quite musical.

"Dr. Crane," her mother protested, "where did Lorna get her talent?"

"Neither her Daddy nor I have any musical ability. So how did she develop such a fondness for it?"

CONRAD'S SPARROWS
One of our great scientists named Conrad placed English sparrow eggs in the nests of canaries.

The young sparrows, after hatching, never heard the typical call notes of their own species.

No, they were constantly surrounded by canaries, so the little sparrows began to trill and sing like canaries, though with a little coarser voice.

Lorna really got her first delight in music from her talented music teacher in the second grade.

The latter made a game out of Mitch Miller's unique arrangement of the Christmas song called "Little Sandy Sleighfoot."

"Children," said her teacher, "I want you to pay attention to this new song and then try to tell me how many DIFFERENT voices and musical instruments you can detect."

"We shall call this game 'Musical Detectives!'"

Later, the teacher informed me that her pupils all got excited

over the new game. For the teacher had cleverly caused them to link fun and even competition with music.

LITTLE SANDY SLEIGHFOOT
You parents might imitate this deft teacher and also see how many instruments your children can detect.

Get a copy of the "Little Sandy Sleighfoot" record, and then play it over and over, for you can't do a perfect job the first time.

To make sure about the exact backdrop of various instruments, I asked Mitch Miller what he had used, and here is Mitch's own report:

Steel guitar, Hawaiian guitar, string bass, Glockenspiel, ukulele, celesta, piano, 7 voices.

Frankly, I didn't notice more than three voices the first time I listened and I could detect only four different instruments.

But I am not talented as a musician, for no teacher ever dramatized music in my grade school career by coaxing us children to become musical detectives.

Apropos, of music, I might add that several modern Christmas compositions have proved popular in recent years, among which are Bing Crosby's singing of "White Christmas," as well as "Rudolph, the Red-Nosed Reindeer" and more recently "Little Sandy Sleighfoot."

Political Notebook

WASHINGTON — (NEA) — President Kennedy really did "The Twist" in his big shuffle of top White House and State Department aides.

He didn't just look to a few favored correspondents the desire to ease Chester Bowles out of his job as undersecretary of state, as the Cowles "Insider Newsletter" says he did four months ago. That bounced on him, and he had to suck it back. This time, the President got all his ducks in a row before he shot his wad, hitting a dozen people.

Announcement that Bowles was to be special adviser to the President on underdeveloped countries was not made with the other changes for the simple reason that Bowles had not made up his mind whether to take the new job. He finally did—at higher pay and rank—though not for those reasons. In politics you learn to rock with the punch.

Ambassador—again—Bowles will hang his hat in both the White House and State Department. He reports directly to the President.

But he is also, because of his office, a member of the State Department policy planning staff. So he will be an idea man rather than an executive or an administrator.

This should suit him after he gets used to it. For as ambassador to India under President Truman, Bowles showed his ability to get along with people of the new nations. He thinks they're important. They need a sympathetic ear in Washington. He understands their problems. His new job could become bigger than even the White House dress-up makes it appear.

The irony of the situation is that the top State Department staff which Bowles helped recruit when he was named under secretary before Dean Rusk was named secretary, is now being shifted around considerably, including his own job.

In the 10 months since inauguration, the other undersecretary of state, George W. Ball, gained in stature while Bowles did not. Former Rep. Brooks Hays of Arkansas, originally picked for

assistant secretary of state for congressional relations, also becomes a special adviser to the President. He is replaced by Frederick G. Dulon, former Cabinet secretary.

It is the moving of three other White House aides into the State Department that is of most interest. One reason given for this is that the President, with many other responsibilities, was getting a little weary of having his own aides, responsible for what were really State Department operations.

The President gets what he originally wanted in naming Prof. Walt W. Rostow head of State's policy planning staff. Supreme Court Justice Felix Frankfurter's former law clerk, Richard N. Goodwin, who has been somewhat controversial, becomes deputy assistant secretary for Latin-American affairs.

Moving Ambassador Averell Harriman steps down to become assistant secretary of state for Far Eastern affairs. He is not being replaced by Bowles, though this might have been the effect if both changes were announced at the same time.

The net effect of all these shifts is to give Secretary of State Dean Rusk a much better control over his department and make him the real head of foreign policy operations.

The secretary makes clear that under the constitution, the President is solely responsible for the conduct of foreign affairs. Rusk insists there has been no conflict between White House and State. He worked closely with the President on the multiple changes now announced.

But it is noteworthy that George C. McGhee, Rusk's original head of the policy planning staff, is now made undersecretary for political affairs. Rusk and McGhee are old friends who were close associates in State after World War II.

By this shift, the department goes back to the organization set-up in effect during the Eisenhower administration. The jobs of undersecretary for economic affairs and administration have been combined with two assistant secretaries. The job of undersecretary for political affairs has been separated from other responsibilities, with one assistant secretary, U. Alexis Johnson to do the work.

We The Women: By Ruth Millet

There's one time-consuming job I've never seen listed with the other duties of today's housewife and that's errand-running.

Yet any housewife who has an automobile of her own or even occasional use of the family car spends hours every week in running errands for the family.

When a suburban housewife is not actually chattering children, chances are she is running errands, "looting" groceries, leaving clothes at the cleaners or picking them up, going to the bank, taking a broken piece of household equipment to be mended, delivering cookies to a bake sale, hurrying the theme junior left at home to his classroom, taking shoes to the cobbler, picking something up at the drugstore—and so on and so

on, day after day and week after week.

The fact is that the average housewife has so many errands to run that the only way she can keep track of them all is by keeping an errand list.

It is the kind of list that is never finished because it is constantly being extended. As soon as a housewife picks up the toaster she left to be repaired, a table lamp goes haywire.

No wonder so many housewives drive station wagons. They may have been purchased as a status symbol—but they've become almost a necessity for the errand-running housewife who actually runs a pickup and delivery service.

Even when the housewife hops

in her car for a purely social engagement chances are she has a couple errands to do on the way to her tea or luncheon or on the way home.

A housewife can easily spend a full day a week running errands—and have nothing much to show for her efforts, and no feeling of accomplishment.

And yet errand-running is never mentioned as one of the modern housewife's biggest headaches and most time-consuming duties.

Jacoby On Bridge By Oswald Jacoby

A letter from Connecticut reads, "I did not have an opening two bid, but my hand was so powerful that after my partner gave me a spade raise I felt justified in making two slam tries and that was one too many. The opponents collected one heart, one diamond and two clubs and I was down one at four spades."

"My partner did not have a real spade raise, but I can't blame him for bidding when we had 60 part score. I will appreciate your comments."

My first comment is one of sympathy. I agree that North had to find a bid with that 60 part score starting him in the face and I can't really blame South for making his two later moves. Their

misfortune is due to the fact that in common with 90 per cent of

more players they have not learned the part-score two bid.

Winning rubber bridge players should reduce their minimum requirement for an opening two bid to eight tricks when the two bid is a game bid also, and partner should pass unless he thinks he can add one trick. In that case he responds with two-no-trump. Instead of showing a bust, the two-no-trump response shows one probable and a couple of potential tricks, with less, he simply passes.

Playing this convention, South would have opened with two spades; North would have responded with two-no-trump; and South would have closed the bidding at three spades and won the rubber.

SANTO DOMINGO, D.R. (UPI) — The body of assassinated ex-President Rafael L. Trujillo which apparently had been in cold storage aboard the family yacht Angella for months, was reported on its way to a final resting place in Europe.

Trujillo's body was removed from the yacht Wednesday in the Dominican port of Caldera, along with five suitcases stuffed with \$1,000 bills and a number of smaller packages of money.

Reliable sources said the remains of the dead dictator had been placed aboard a plane bound for Paris, where his son Rafael Jr. is living as a refugee.

The money was brought here Wednesday night in a three-truck convoy escorted by a tank and guarded by armed sailors. A navy

decision will hinge on a study of the record-keeping test series conducted by Russia this fall. There is evidence the President has received conflicting recommendations on Russian results of recent tests.

Dear Abby:

By Abigail Van Buren

DEAR ABBY: We are twins (16) who read your column every day and respect your opinion greatly. So do our parents. Our parents forbid us to date boys out of our religion. We don't intend to get serious about these boys, we just want to date them. Isn't it better to go with them and get it out of our systems than not be able to, and think we are missing something?
THE TWINS

available for help all over the neighborhood while I had trouble getting him to fix things at home.
One day I took my baby's broken high chair to a neighbor's and got her to call my husband and ask him to fix it. She called him and he ran right over and put it in first-class condition. Afterwards, I told my husband and we all had a good laugh about it. Ever since then I have had no trouble getting things fixed at home.
G. A.

DEAR TWINS: The following letter was received the same day yours came. It's as good an answer as I could give. And it's from a girl your age: "Dear Abby: I have been wanting to write this letter for a long time. I read your fabulous—and I do mean fabulous—book, 'Dear Teenager.' I followed your advice on personality and dating out of my faith. As a consequence, I am now going steady with the most wonderful boy in the world. He is of my own religion and he treats me like a queen. He has never asked me for anything more than a kiss. Abby, please go right on telling girls to stay with boys of their own faith and they'll stay out of difficult situations. Thank you with all my heart.
'SWEET 16 AND NEVER BEEN HAPPIER'"

DEAR ABBY: I was impressed with the letter signed SUCKER'S WIFE. It was from the woman whose husband repaired everybody's appliances in the neighborhood free, but her own sewing machine had been in need of repairs for a year.
I've been in the sewing machine business since 1937, and have been taken advantage of many times, but I don't think I am the worse off for it. Will you write the lady and tell her I will be delighted to fix her sewing machine FREE if she'll pay the freight both ways?
Sincerely,
W. L. L., Fayetteville, N. C.

DEAR W. L. L.: You are very generous. The lady lives in Honolulu.
Everybody's got a problem. What's yours? For a personal reply, send a self-addressed, stamped envelope to Abby, in care of this paper.
For Abby's booklet, "How To Have A Lovely Wedding," send 50 cents to Abby, Box 3365, Beverly Hills, Calif.

DEAR ABBY: I want to ask you in all seriousness—how can a man know if his prospective bride is virtuous or not?
SERIOUS

DEAR SERIOUS: Ask her!

DEAR ABBY: Please tell "Sucker's Wife" my husband used to make himself

TV Time Previews

8-9 p. m. NBC. "Japan: East is West"—Color. Although you may never have heard of Isao Sasaki, in a way he symbolizes the new generation of Japan. He's the country's Elvis Presley. Among sequences reflecting the Western influences is one of Sasaki singing "Hound Dog" in a coffee shop, also factories producing fine cameras and transistor radios. Japan remains a mixture of the traditional and the modern. The average farmer still tills in the rice paddy, but the role of women is changing. The "key" is the symbol of emancipation. No longer a prisoner in the home, a wife drives a car, does her own marketing, and plays golf. What remains unchanged are Noh Drama, the Buddhist Temples, and the fabulous Japanese Gardens. Among those heard commenting on Japan's current political views are Prime Minister Hayato Ikeda; Socialist Party leader Saburo Ito; and Edwin L. Reichauer, U. S. Ambassador to Japan. Narration is by Edwin Newman, with Cecil Brown aiding on coverage.
8-4:30 p. m. CBS. Pete and Gladys. Gladys uses her ingenuity, plus a street-corner Santa Claus disguise, for a little gift giving to herself. The outfit is employed to win a prize offered by a savings and loan association for its 5,000th new account, which enterprising Gladys hopes to be. Starring Harry Morgan and Cara Williams.
8:30-9 p. m. CBS. Window on Main Street. Returning to his hotel, Cameron Brooks (Robert Young) discovers Elroy Paulson (David Macklin) in the midst of attempting a burglary. Catching the lad in the act, Brooks has to decide whether or not to turn him over to the police.
9-9:30 p. m. CBS. Danny Thomas Show. Being a good scout can get you into a pack of trouble, so Danny Williams (Danny Thomas) finds out when he assumes responsibility for a Brownie troop in a park picnic. Not only does he face a stiff fine, plus the prospect of a couple of days in jail, but there are other headaches to complicate matters. Co-starring Marjorie Lord, as

wife Kathy and Sid Melton, as his boss, Charley Halper; with George O'Hanlon as the police officer and Paul Mazzy in the role of judge.
9-10 p. m. NBC. 87th Precinct—"The Very Hard Sell." The death of a salesman in this instance, is a dramatic situation leading to the discovery that appearances may be deceiving. Used-car salesman Glenn Cornell (Tom Greenway) is found dead in a car he was trying to sell. With Cornell's own gun found in his hands, the police verdict is suicide. But Detective Steve Carella (Robert Lansing) harbors other thoughts which don't prove groundless.
9:30-10 p. m. CBS. "Andy Griffith Show." Andy is dandy, but according to Aunt Dee, not quite as handy as handyman Henry Wheeler (Edgar Buchanan), whose intentions the sheriff regards with distrust. Co-features Doodles Weaver and George Clisar.
10-11 p. m. NBC. Thriller —

"Dialogues With Death." The hour tonight is split into two separate one-act suspenseers, with host Boris Karloff starring in both. The first, "Friend of the Dead," plays for goose pimples with Karloff as a morgue attendant, who claims communion with the dead. The second, "Welcome Home," is the better of the two, with Karloff matching wits with Used-car salesman Glenn Cornell (Tom Greenway) is found dead in a car he was trying to sell. With Cornell's own gun found in his hands, the police verdict is suicide. But Detective Steve Carella (Robert Lansing) harbors other thoughts which don't prove groundless.
10-11 p. m. ABC. Ben Casey—"The Sweet Kiss of Madness." Ethical complications add to the medical. In this episode, Dr. Alan Reynolds (Arthur Hill) does not reveal to the authorities the fact that he is aware Jack Maxwell's (John Lasell) father caused the lad's skull fracture, because the disclosure would affect the doctor's career. Patricia Barry plays Ruth, the doctor's ambitious wife.

Mrs. Myron Accardi Surprised With Stork Shower

Twenty-eight friends of Mrs. Myron Accardi surprised her with a stork shower, recently, at the DeBary Fire House with Mrs. Thomas Armao serving as hostess.

Several buffet tables were covered with white cloths and centered with yellow mums, fern, red poinsettias and red hibiscus.

Each square of cake served with the refreshments was topped with a pair of booties in pastel colored icing. A large side table held a stork and gaily wrapped packages.

Dancing and singing were also enjoyed during the evening. Guests included Mrs. John Leone, Mrs. Virginia Harrison, Mrs. Marie Accardi, Rose Signorelli, Mrs. Jack Lambertson, Mrs. Harry Schob, Miss Barbara Bedient, Mrs. Alice Heilenday, Mrs. John Sullivan.

Mrs. L. Biondi, Miss Ella Franklin, Alberta Warner, Mrs. Arthur Thompson, Diane Accardi, Pat Biondi, Mrs. Marion Jordan, Mrs. Wallace Woods, Mrs. William Foster, Mrs. Eugene Davis, Mrs. Ed Tomelski, Mrs. Steven Pivornik, Mrs. Adam Muller and Helen Swenny.

Sixth Birthday Celebrated With Western Ranch Party

Mr. and Mrs. Duval Hunter, of Sanford, entertained their son, Thomas, with a real Western birthday party at the MQ Ranch. Thomas who was all of six years old, and a group of playmates arrived at the ranch in full Western regalia from head to toe.

The cowboys and cowgirls were met at the gate by the "Bossman" of the ranch and rode in style where they saw the "hanging tree cattle pens", real live animals and birds and paid a quick visit to the cook-house and Trading Post.

Next they paired off and enjoyed a short dusty trail ride. Following a very busy afternoon they were summoned to the Long Branch for a chuck meal topped off with cactus juice and homemade ice cream and cake. The cake was decorated with six blazing candles.

Mr. and Mrs. Hunter presented each guest with a red bandana scarf and a sheriff's badge. Gifts were opened and the "gang" reluctantly headed down the trail for home.

Guests were Steve and Lorraine

Epps, Joe and Debby Payton, Mark Stenstrom, Bill Barley, Karen O'Hara, the honoree and his sister, Terry.

The guests were transported to and from the party by Mr. and Mrs. Hunter and Mrs. Ralph Cooney Ebbert, Elizabeth O'Neil,

Projects Reported By Dorcas Circle

Mrs. M. H. Hickey was hostess for the November meeting of the Dorcas Circle of the Grace Methodist Church at her home 2401 Jefferson Court.

Mrs. Cecil Jones gave the evening devotion and routine reports were heard. It was reported that a pair of slippers had been purchased for a patient at the Sarepta Rest Home.

Mrs. Harry Klay, circle chairman, told the group that Rev. W. T. Parsons and several members of the church choir had visited the patients at the Sarepta

Rest Home and sang hymns for them. Rev. Parsons and Mrs. Robert Bennett also sang some solos.

Decorations included a small Christmas tree, under which the members each placed a "Golden Book" to be given to the migrant children for Christmas. Mrs. Clay reminded members to keep the church in mind when they clean out their children's old toys to make room for the new ones.

When the nursery rooms are completed more toys will be needed. It was reported that \$23 was made on the recent food sale. During the business session it was decided to sponsor an out-growth sale in January and to hold the December meeting a week early, due to the holiday season.

Mrs. J. M. Leonard will be hostess at her home, Dec. 18, at 8 p. m.

Mrs. Leonard presented the study for the evening concerning physical and mental illness and how to understand, endure and overcome such adversities.

Others present were Mrs. B. L. Adams, Mrs. Robert Jones, Mrs. T. L. Pall, Mrs. L. G. Sheets, Mrs. Stanley Wiseman, Mrs. S. G. Hamesley, Mrs. R. E. Ashton and the president of the WSCS, Mrs. C. E. Williams.

The time is rapidly approaching when one of the members of the 1961 Seminole High School football team will become the recipient of the oldest consecutively-awarded sports trophy in the south—the Peter Schaal Award.

Awarded annually by the Peter Schaal Award Committee to the most valuable player of the gridiron season, the award this year will be the 33rd consecutive trophy to be awarded since Peter Schaal founded the honor back in 1929.

The first Seminole High player to receive the now most coveted sports trophy in this area from former Herald Sports Editor Schaal was Lofton Edenfield 83 years ago.

Peter Schaal will name the recipient of this year's award at the Booster's Club Banquet for the Seminole Varsity players to be held on Tuesday, December 5th in the Seminole High School cafeteria at 7 p. m.

PROCTOR PHAGAN METTS WILLIAMS

Since everyone else is sticking his neck out in nominating a "most valuable" player on the 1961 football team, I may as well stick mine out. My guess would be Bill Phagan.

Since Lyman Football Coaches Bill Proctor and Buck Metts decided to coach a prep team instead of playing professional ball several years ago, almost unbelievable changes have come about in the type of player that Lyman High has been able to turn out.

Proctor and Metts took a grossly-underrated Class "B" school team, worked on it a few years, and came up with one of the finest first-rate high school teams in this area, capable of turning out college athletic material and stealing the spotlight in post-season competition.

Take a close look at Lyman's Jim Williams, for example. Standing about 6' 1" in his stocking feet, this top scorer had one thing for Proctor to work with—his hands. Proctor described Williams as a "good pass receiver." A tall, lanky boy with a cocky grin, Williams will more than likely be seen on Florida State's football squad in the fall.

The Greyhounds will get a chance to get back at Tallahassee's Florida High, the only team to defeat Lyman this season and by a score of 45-0. This year was only the first year of a two year contract.

Basketball season is just around the corner. Now that the Seminoles edged Dade City 19-14 in the Elks Bowl and the Greyhounds won the Tangelo Bowl 21-6 over Tavares, attention will be focused on cage activity. This week the top players from grid action will be heading for the basketball courts and we may get some idea of what our Seminole County Basketball teams will look like this season.

Coach Paul Mikler's Oviedo Lions have gotten off the cage season to an early start with Friday's opening home game triumph 60-60 over Oak Ridge. The major part of the Oviedo scoring has been handled by five lettermen returning from last year: Wainwright, Thompson, Tesinsky, Holland, and Courier.

Watch for the next edition of THE SPORTING SCENE. We will attempt to present a conclusive and final rundown on the major gridiron teams in Seminole County and their 1961 seasonal records. There will never be another year for football like the past 1961 season.

Seminoles Capture Elks Bowl Classic

Turn Back Dade City, 19-14

By PETE LEVEQUE
Herald Sports Editor

With a last four minute winning touchdown pass from Bubba Davis to Don Harvey, Sanford's undefeated Seminoles edged ahead to blockade the Pasco Pirates of Dade City 19-14 in Leesburg Friday night to scuttle their way to the 10th Annual Elks Bowl Championship and to wrap up the 1961 season with a 10-0-1 record.

Scoring in all but the third quarter of the ball game with two men from the backfield and one line-man doing the honors for Sanford, the Seminoles braced their scoring spree with three touchdowns and one conversion unit to ward off the Pirates' boarding party by one touchdown and a lot of gridiron play before 6,000 bloodthirsty fans in Memorial Stadium.

Seminole Coach Jim Pigott went forward in ceremonies after the

game for the presentation of the 10th Annual Elks Bowl Trophy to the Seminoles. Seminole Co-Captain Russ Pearson accompanied Pigott to accept the trophy for his teammates. Dade City received a runner-up trophy from the Elks Bowl Awards Committee.

The entire first quarter yielded but one scoring play for the Seminoles. The first touchdown was made in the latter part of the quarter and only minutes into the second quarter saw Sanford grace the clock with the Seminoles' second touchdown of the ball game and a 13-0 lead on the Pirates. Shortly before the half Dade City burned a fast fullback and came into the ball game with its first scoring play.

The Pirates came back viciously against the Sanford lead of 13-7 at the end of the first half, to batter down the hatches against the num-

ber ten victory-lent Seminoles with a second touchdown halfway into the third quarter and a successful conversion unit to take the lead 14-13 and the only time in the game that Dade City set the pace of the contest.

The Pirates kicked off the competition for the two undefeated gridiron champions with Butch Riser receiving the opening kick for the Seminoles to be stopped by Dade City's 173 lb. right guard, Bobby Jamison.

The first scoring play of the ball game was set up on a fumble recovery by Seminole Russ Pearson on the Pirates' 45 yard line. Sanford's elusive halfback Bubba Davis descended to take first scoring honors for the Seminoles and on a broken right end run, ate up 17 yards to grab the six pointer. The conversion point was tried and missed.

In second quarter play, Butch Riser chopped a few short laterals off to Phagan and Davis. Gary Davidson moved into fullback position for Phagan. Davis carried and was downed by Dade City's William Lee. Riser penetrated to the Pirates' 11 yard line. Davis' pass to Riser was complete to bring the Seminoles on the Pirates three yard line.

Two plays by Phagan brought the Seminoles to the one foot line of Dade City on a fourth down and seven minutes to go in the first half, to set up the Seminoles second touchdown. Sanford's quarterback Jim Terwilliger sneaked over for the score from the one foot line. Gary Davidson made his only successful conversion kick of the ball game.

Pasco began its scoring rampage with only two minutes in the half with Pirate halfback Billy Faulk penetrating to the Seminole 25 yard line to be tackled by Phagan and Riser. Unsuccessful key blocks were thrown by Riser and Davis as Faulk eluded the Sanford backs to go the 25 yards for Dade City's first touchdown. Backline ran around left end for the extra point, bringing the halftime score to 13-7.

Punter Gary Davidson kicked off the second half for the Seminoles with Backline receiving the ball on the 20 yard line and returning to the 42 yard line where he was brought down by Terwilliger for Sanford. Pearson and Williams made tackles for the Seminoles. Boniface brought Dade City's Jimmy Sessoms down after a 30 yard run.

Faulk penetrated first to the Seminole 16 yard line, then to the ten yard line with Williams and Lawson on the tackle. Phagan and Boniface brought Faulk down on the Seminoles three yard line as the Pirates' second scoring play was set up. Backline did the honors for Pasco as he ran the touchdown from the two yard line. Crutcher passed to Faulk for the extra point.

The Seminoles were tense with the turn of events. The tide went with the Pirates until the final four minutes of the game. The final scoring play was a pass from Bubba Davis to Don Harvey who on a near stumble went in for the winning touchdown for Sanford.

Sanford Midgets Take Peanut Bowl From Daytona, 21-0

By PETE LEVEQUE

With the climax of the game seen early in the first quarter, Coach Ralph Mays' undefeated Sanford Midgets collared the Daytona Bulldogs 21-0 in Memorial Stadium Saturday night in the 8th Annual Peanut Bowl to walk off as the undisputed state champions in Midget football competition.

Scoring in only the first and last quarters of the ball game, the Central Florida Champions shut-out the holders of last year's Midget State Championship from Daytona with three touchdowns and three conversion units to become the 1961 Midget title holders for the State of Florida.

Cancellation by the originally-scheduled Peanut Bowl opponents—the South Florida champions of Miami because of a flu epidemic caused the scheduling of the Daytona Bulldogs. The Sanford Midgets played the Daytona team that possesses the state championship title of last year.

The first scoring of the ball game began with about five minutes gone in the first quarter. The touchdown was set up by the Sanford Braves' starting center Mike Gray as he recovered a Daytona fumble on the Daytona 26 yard line for a first and 10 play for the Midgets.

Light Squad quarterback and captain Ronnie Hinson threw the pigskin to L-Roy Nopper who lateralled to left halfback Ricky Walstrom. Walstrom on a 26 yard pass and run play, went over to score the six pointer for Sanford. Quarterback Hinson on a sneak play went for the conversion unit, giving the Sanford Braves an early 7-0 lead.

With the time left in the first quarter closing in, halfback Chuck Scott set up the second scoring play for the Braves on a 24 yard run from the Sanford 44 yard line to the Daytona 30 yard line. Ricky Walstrom made his second scoring play of the ball game as the clock ticked away the final five seconds in the first quarter. Walstrom on a sweep left play carried the pigskin for three yards to go over for the touchdown. Ronnie Hinson made his second quarterback sneak of the game for the extra point to bring the final score at the end of the first quarter to 14-0 in favor of the Braves.

In the second quarter Steve Harris intercepted a pass thrown by Daytona's Hogan and returned the ball for 11 yards to the 1 yard line. The rest of the second and the third quarter saw fumbles by both teams. Yardage was gained by Scott and Walstrom for the Braves.

With seconds left in the third quarter, Sanford's Bernie Barbour intercepted a pass on the 30 yard line of the Sanford Midgets and returned the ball to the six yard line of Daytona.

Going into the fourth quarter, the Sanford players tried for the score from the six yard line unsuccessfully. When a ground attack was unsuccessful, two passes were tried to no avail. Daytona took over on the 11 yard line.

With two minutes left in the ball game, Walstrom intercepted a pass intended for a Daytona receiver on the Bulldog 8 yard line to charge the 46 yards for a Sanford touchdown. Bernie Barbour ran over for the extra point, bringing the final scoring for the game 21-0.

Oviedo Wins Cage Opener

Coach Paul Mikler's Oviedo Lions got off to a good start with their basketball opener of the season Friday by edging Oak Ridge 66-50 in Oviedo's first home cage action of the season, in a game that saw the Lions without the lead until the final period.

The Oak Ridge Pioneers started off with a five point lead on the Lions at the end of the first period, cut down with layups by Wainwright and Holland to four points by the end of the second period, and finally with the Pioneers still leading at the end of the third period by two points, the tide began to turn.

Early in the fourth period, Roy Wainwright, Charles Schoene, and Gary Byers stepped up the scoring drive to score 16 points for the Lions in the last quarter to the Pioneers' eight points. Wainwright was the leading scorer for the Lions with 18 points; Schoene second with 16 points, and Byers third with 12 points. Wainwright was the only letterman from last year among the top three scorers.

Oviedo's cage opener was a double win for the Lions as the Oviedo Junior Varsity came through with their cage action to top Oak Ridge's Junior Varsity, 60-28.

Packers Sweep West Pro Grid Crown

United Press International Call it a "steal," a "heist" or "The Great Gridiron Robbery" but the Green Bay Packers are Western Division champs of the National Football League, and the New York Giants now must battle it out with Philadelphia and Cleveland for a shot at the playoff swag.

Green Bay won the Western title for the second straight year Sunday by besting the Giants, 20-17, in a savagely fought game which conceivably might be re-enacted in the NFL's championship playoff a few weeks from now.

The Giants' defeat gave the Philadelphia Eagles the opportunity to move into a first-place tie in the Eastern Division. The Eagles beat the Pittsburgh Steelers, 35-24. The Cleveland Browns, 38-17 conquerors of the Dallas Cowboys, now are only one game behind the leaders.

The howling crowd of 47,012 at Milwaukee cheered a host of heroes. There was fullback Jim Taylor, who gained 198 rushing yards. There was quarterback Bart Starr, who directed the Packers' attack well. And there were the Green Bay linemen, who proved every bit the equal of their hallyhooded Giant opponents.

But the Packer who probably made the most important haul of the day was Jesse Whitenton, a light-fingered, 193-pound defensive back. This was the picture: The Giants led, 17-13, early in the final period and were running the ball out from deep in their own territory. Fullback Alex Webster cut back over tackle at the 7 and broke into the clear. Whitenton nailed him at the New York 30, but not satisfied merely with bringing him down, he stole the ball from Webster's grasp.

Four plays later, including a penalty for roughing the passer, Taylor barged over from the 3 to put Green Bay ahead. New York had two opportunities to score after that, but Pat Summerall missed a 34-yard field goal try and later Bobby Gaiters fumbled on the Green Bay 22 and Willie Davis recovered.

A pair of 23 and 25-yard field goals by Paul Hornung and Taylor's 14-yard touchdown run gave Green Bay a 13-7 lead in the first period, only to have New York go ahead before halftime on

Gaiters' 2-yard plunge and Summerall's 41-yard field goal. The Packers now take off for a leisurely two-game swing of the West Coast while the Giants play the Eagles and Browns on the next two Sundays.

In other Sunday games, the Minnesota Vikings upset the Los Angeles Rams, 43-21; the Detroit Lions edged the Chicago Bears, 16-14; the Baltimore Colts defeated the San Francisco Forty Niners, 20-17, and the St. Louis Cardinals rallied to beat the Washington Redskins, 33-24.

McNeeley Predicts He'll Knock Out Floyd In 6 Rounds

TORONTO, Ont. (UPI) — Tom McNeeley, a rash Bostonian, today predicted he will knock out world heavyweight champion Floyd Patterson "within six rounds" tonight in their scheduled 15-round title fight at Maple Leaf Gardens.

However, the apparent confidence displayed by the unbeaten, 24-year-old challenger is not shared by sports writers or betting men.

Not one of the 35 writers assigned to Canada's first world heavyweight championship fight was brave enough to pick McNeeley, who is a 10-1 underdog in the betting. Patterson, 26, of Rockville Centre, N. Y., the ring's only two-time heavyweight ruler, is so heavily favored to make a successful seventh defense of the title that the promoters will be satisfied with a crowd of 11,000 and a gate of \$150,000, a new Canadian record.

Conservative Floyd, who admittedly regards this match as a tune-up to prevent his becoming ring-rusty, made no forecast other than: "The fight will not go the distance, and I am in there to win."

Blanda Paces Oiler Victory

United Press International Cagney old George Blanda and the Houston Oilers exploded the myth of invincibility surrounding the San Diego Chargers and it's pretty certain they'll get another chance to prove which is the American Football League's "super" team in the championship playoffs Dec. 24.

Blanda turned in one of the finest performances of his 12-season pro career Sunday when he threw four touchdown passes and kicked field goals of 35 and 28 yards in leading the Oilers to a 33-18 victory that snapped San Diego's 11-game winning streak.

Gophers, 'Bama, LSU, Texas Top Choices In Bowl Games

United Press International Here's how New York odds-makers rate the teams in the "early line," which, of course, may be adjusted before the teams actually meet on New Year's Day:

Rose Bowl: Minnesota (7-3) is 10 1/2 points over UCLA (7-3). Sugar Bowl: Alabama (10-0) is 6 points over Arkansas (8-2). Orange Bowl: Louisiana State (8-1) is points over Colorado (8-1).

Cotton Bowl: Texas (9-1) is 6 points over Mississippi (8-1). In addition, the odds-makers listed the Dec. 30 Gator Bowl contest between Georgia Tech and Penn State (each 7-3) as a pick 'em affair.

The lineup in the four major bowls was completed Saturday with the addition of Minnesota, Alabama and Mississippi. Minnesota, runner-up in the Big Ten, accepted a Rose Bowl bid after Ohio State had rejected it and Big Five officials apparently decided against choosing Navy on the strength of a "routine" 13-7 victory over Army in the annual inter-service classic.

That made the remaining bids to the Sugar and Cotton bowls virtually automatic—Alabama accepting the former after completing a perfect season with a 34-0 rout of Auburn and Mississippi State, 37-7.

Richard's Beauty Salon took four games from Park Ave. Pharmacy with Shirley Martin's 177 for Richard's and Lia Horton for Park Ave. with 188 the high.

The Henderson Family At Thanksgiving Reunion

More Than 50 At Family Reunion In Enterprise

By HELEN SNOODGRASS
Mr. and Mrs. Chester Henderson of Enterprise were hosts to more than 50 members of his family at an old-fashioned Family Reunion on Thanksgiving Day.

Henderson's grandparents and their family came to Central Florida from Oklahoma in January of 1920 where the bought land near Orlando, built their home and set out a number of orange groves.

Attending the reunion were Mr. and Mrs. Andre Ayiles of Jacksonville, Mr. and Mrs. John Bearman, Mr. and Mrs. Eugene Henderson and children, Mr. and Mrs. Michael Neel, Mrs. L. F. Neel, Mrs. Maude France, Mr. and Mrs. Everett Henderson and children, Mr. and Mrs. Marion Wiggins and children, Glen Drummond and son, Elmer Staugler of Maitland, Mr. and Mrs. Bruce Wilson and son, Mrs. Glenda Drummond, Mr. and Mrs. Michael Johnson, Mr. and Mrs. Alvin Voges of Winter Park, Mr. and Mrs. Lawrence Sands and children of Deland and Howard Henderson of Enterprise.

Dr. Forman Cites Issues In Campaign For Election

By SHIRLEY WENTWORTH
Dr. Gertrude Forman, candidate for mayor of Altamonte Springs in Tuesday's municipal election, cites a number of issues upon which her campaign is based.

In her statement she says, "As mayor of Altamonte Springs, I would dedicate myself to exact, honest and efficient service from all city departments.

"I am well aware of the improvement and annexations that are taking place all around Altamonte Springs and if we are to survive as a city, something must be done to preserve our prestige.

"We need money to execute plans for improvements and by careful administration of city funds, we can improve in reality without raising taxes. Our present rate of seven mills should be adequate. We need money for our city, but not the kind of money that comes from allowing our town tavern and grocers to sell beer and whiskey on Sunday. I shall be the first to vote against such an issue.

"Our citizens are of very high caliber and we intend to keep it so by zoning the city in a masterly fashion to the satisfaction of most Altamonte residents.

"The economic situation has changed and we, and Altamonte Springs, must also change by thinking progressively. When the cloverleaf at I-4 and SR 436 is completed, it will mean much traffic and business for Altamonte Springs and we must be prepared for it. This is something that should have been taken care of at least five years ago by a zoning committee.

"We need a civil defense program in Altamonte and with the unopposed election of Keith Nixon as councilman in Ward One, we will have one of the finest civil defense directors in this county. He is able and willing.

"With the cooperation of my fellow citizens, Altamonte Springs can be a model city, run on a honest business basis.

"We do not wish to be a political football!"

Enos Gets Checkup At Kindley AFB

KINDLEY AFB, Bermuda (UPI)—Enos, the U. S. space chimpanzee who flew two times around the earth Wednesday, was brought here Thursday for medical checkups and observation before being returned to Cape Canaveral.

The 5½-year-old male chimp and the space capsule in which he made his space journey were recovered from the Atlantic 230 miles south of Bermuda by the destroyer USS Stormes shortly after they landed.

The Stormes reached port at adjacent Hamilton with the monkey and the capsule at 8:30 a.m., and both were promptly brought ashore.

The chimp was under preliminary study to see how he survived his trip, while a plane was flown in here and the capsule loaded aboard for return to Cape Canaveral for detailed examination.

Let The Bells Start Ringing In Your Heart

Nothing evokes the sounds of Christmas quite so effectively as the annual ringing of the bells held by volunteer workers beside the famous Salvation Army kettles.

Sanford heard that sound today, as the kettles were set up in front of the post office and McCrory's and the Salvation Army Christmas bells began to ring.

No one remembers how many years the bells have been ringing and no one knows just how many thousands of families have been provided with some of the bare necessities of life, by the coins tossed into the kettles by the more

fortunate in the world.

Last year in Sanford, over \$1,200 in food orders were given by Capt. Richard Clark, to the poor and needy. This year, as the pattern continues, there will be more families, more children and prices of food will be higher.

Also a part of the Salvation Army's program is the doll program, wherein the Army pur-

chases the dolls, and they are church and civic groups to bring dressed and costumed in attractive happiness to many little girls, on clothes by the members of various Christmas morning.

Nehru Warns Red China • • Katanga Battle Rages

India's Premier Answers Threat Of Invasion

NEW DELHI, India (UPI) — Prime Minister Jawaharlal Nehru told an aroused parliament today that Communist China has threatened to send troops into Indian territory. He vowed India would "resist and repel" them.

In one of the most bitter denunciations of Communist China he has ever made, Nehru accused the helping regime of betraying India. He told the lower house that just two days ago Communist China had sent a warning that unless India halts its military activities on the border, Chinese troops will march into Indian territory.

Nehru said the warning was in reply to India's Oct. 31 note protesting Red China's aggressive moves on the Sino-Indian frontier.

Nehru said he had feared trouble was brewing shortly after India recognized Communist China's rights over Tibet. But he said he had never expected that Communist China would commit aggression.

Shouting members of parliament demanded to know why he recognized China's right in Tibet.

Nehru replied: "we could not march into Tibet. No one in the world could stop it. The Chinese would have come there."

Opposition members in parliament Monday demanded that India break off diplomatic relations with Red China.

Capacity Crowd At Lake Mary Protest Meeting

County Commissioner Vernon Dunn this afternoon said he would urge the County Commission Thursday night to reconsider "certain points" in the franchise directive. Dunn referred especially to the mandatory sewer connection.

Lake Mary's Fire Hall was packed to capacity Monday night when residents of the area met for the second time to take steps protesting certain points of the Franchise Directive for water and sewerage plants adopted by the County Commission last month.

Ed Zimmerman, Lake Mary fire district commissioner, cited objectionable clauses of the directive which he termed "dictatorial" and "just too much for those living under the free enterprise system of America," before introducing Col. Paul Biasell who read a petition stating the offending terms and suggesting a correction for each.

The document, to be presented at an 8 p. m. public meeting Thursday between County Commissioners and officials of privately owned utilities companies, suggests that the commission restrict its jurisdiction to the following points:

That individual notice be given all residents of any area to come under a franchise agreement before it is granted and that a public hearing be conducted on the matter;

That if sewer line connections are mandatory, the company operating under a franchise bear the cost of such connections to all existing buildings in the area using approved septic tanks;

That the paragraph stating that utilities companies be granted a 30-year franchise agreement be eliminated and;

That the Water and Sewer Committee be entirely separate from the county commission and that it control all phases of franchise operations including the length it is to be granted.

Federal Funds For Sewage Plant Here May Be Delayed

Federal assistance for Sanford to construct its near half-million sewage treatment plant will probably be delayed until the next fiscal year, the Herald learned today.

Engineer William Bush of Lefler and Bush reported that there may not be enough funds this year for the government to assist in building the plant estimated to cost \$464,000.

New Mayor, Two Aldermen Elected At Casselberry

Casselberry voters in Monday's municipal elections named Carl C. Stoddard as mayor for the next year, succeeding Joseph Laird; Clifton Overman and George Howard to the Board of Aldermen, for two year terms and re-elected Mrs. Lillian Beisel to the office of Town Clerk.

Gus Sawyer ran unopposed for marshal of the town. With approximately 600 votes cast, the final count showed Stoddard with 295 as against Otto Henning's 239; Overman, 316 and Howard, 342 compared with Frank Lucey's 238 and Graham Wilson's 218 and Mrs. Beisel, 308 to Mrs. Edith L. Duerr's 261. Sawyer received 471 votes.

Overman and Howard replace Aldermen Lytle E. Swope, present chairman of the board, and Ben Evans.

OAS May Clamp Down Imposing Sanctions On Cuba

WASHINGTON (UPI) — Foreign ministers of the American nations have agreed to meet next month for what could be the first step toward imposing sanctions against Cuba.

The council of the Organization of American States (OAS) voted 14-2 Monday night in favor of the meeting. Only Cuba and Mexico opposed Colombia's proposal for the conference, but five other countries abstained.

The 21-nation group voted to have the foreign ministers consider the "threat to the peace and political independence of the American states that could come from the intervention of extra-continental powers aimed at breaking the American solidarity."

The ministers also were asked in the resolution to point out any threats that would "justify the application of measures for the maintenance of peace and security."

This referred to possible sanctions against Cuba, which could include economic measures such as a trade embargo, Cuba was not named specifically in the resolution, however.

Goldfine Back In Jail Again

BOSTON (UPI) — Bernard Goldfine was back in jail today with the big question still unanswered: has he disclosed the names of those who benefitted from his \$600,000 slush fund?

A haggard, sickly-looking Goldfine and his secretary, Mildred Paperman, appeared in federal court Monday and admitted charges of probation violation. The case was continued for sentencing until Jan. 2.

There was no hint during the brief proceeding whether Goldfine had complied with the government's demand that he make a frank and candid disclosure of the names of those who received his largesse in return for favors.

Plea For Prayers Comes From Congo

LONDON (UPI) — "Wait, wait and love us and for God's sake pray for us!"

These words appeared suddenly today in a teletyped dispatch from Elisabethville to London, just before reports of fighting there between United Nations and Katangese troops.

The plea appeared in the middle of a message received in the London office of the New York Times, for distribution to all news agencies, including United Press International.

The dispatch presumably came from Times correspondent David Halberstam.

UN Forces In Elisabethville Under Attack

ELISABETHVILLE, Katanga (UPI) — Fighting broke out in Elisabethville today between United Nations and Katangese troops after discovery of what a UN official called a secret Katanga battle plan to attack all UN strongholds.

A United Nations spokesman in Leopoldville said UN forces went into action against Katangese gendarmes in Elisabethville at midday and that fighting was continuing this evening.

The spokesman said that in bitter fighting UN forces cleared the Katangese by 2:30 p. m. from a roadblock leading to the vital airport. UN military operations were put under the command of Brigadier S. A. Raja, an Indian.

Katanga Foreign Minister Everiste Kimba said the UN forces opened fire first at 1:45 p. m. Kimba told a news conference that the UN troops used "heavy weapons against the lightly-armed Katanga army."

Kimba said nine Katangese soldiers were wounded. He said he did not know if there were any UN casualties. He gave no other details.

Streets in central Elisabethville were full of people running around in apparent panic and cars with horns blaring.

Witness reports said Katanga forces moved their roadblocks 300 yards closer to the UN-held airport today and were strongly entrenched in the surrounding underbrush.

Urquhart said the Katanga government could not control its own army and that mercenary troops, whom the United Nations has ordered ousted, have joined regular troops.

President Moise Tshombe was in Paris.
