

CLARENCE SHRINER

Shriner To Speak To Business Group

All interested persons are invited by the Sanford Business and Professional Women's Club to hear an address by Clarence Shriner of DeLand on Tuesday at 8 p.m. at the Christian Church on Sanford Ave.

Shriner, after thirty years with the Boy Scouts of America, retired from the position of Regional Executive for the Boy Scouts to become Executive Vice President of Patriotic Education, Inc., which was established in 1952 under his direction.

The objective of this organization, a nationwide non-profit movement of patriotic men, women and young people, is to carry on a broad program of activities dealing with the basic ideals and principles of the United

States in order to assure the perpetuation of our American heritage for today's children and for succeeding generations.

In addition to his long career in Scouting, Shriner has been active in the Sons of the American Revolution, serving that organization in many capacities including Vice-President General of the National Society.

Other of his appointments and positions of public service and philanthropy are too numerous to mention fully, but it may be noted that he has worked with youth groups wherever he resided.

He is a member of many civic organizations both local and national, including the Chamber of Commerce and Rotary Club of DeLand. He belongs to the First Baptist Church of DeLand and was a recipient of the George Washington Honor Medal of the Freedom Foundation.

We'll Change Name Of Grapefruit?

LAKELAND—A mere hint at changing the name of Florida grapefruit has aroused commotion akin to the legendary debate brewed by the years-ago suggestion that the state of Arkansas become Arkansas.

It all started out so innocently, as do so many great issues. In the interest of selling more Florida grapefruit, a top U.S. marketing expert wrote a treatise on the subject for Florida Citrus Mutual. In his discourse he tossed in the suggestion that maybe another name would give the product a more sale-

able consumer image. As a starter, he wondered in print if maybe "greatfruit" wouldn't do the trick.

Following this lead another researcher looked into grapefruit's history and learned it has, over the centuries, been called such as "Adam's Apple," "zambo," "bustanbun," "shaddock" and "pummelo."

Most reaction from a number of writers-in was leave the grapefruit name be, but try a few new, or embellished, approaches to selling and consuming it.

A lady from Palm Beach: "Take a less formal ap-

proach to grapefruit eating . . . Peel it, like an orange, and dip the sections in sugar, or not." She also wrote that if there was to be any tampering with the name call the finest quality "Queen Grapefruit."

A gentleman from Riviera Beach forthrightly wrote that "here is a wonderful hot weather cooler: Sally Dog. Juice of one-half fresh grapefruit, one an a half ounces of salt on top to enjoy. No need to change the name of a wonderful fruit."

A Florida processor is already putting up "Salty Dogs" in small cans for individual servings.

A Sanfordian who shone back in the days of the Big Apple writes . . . "why doesn't someone develop it (grapefruit) into a big orange and forget the whole thing?"

A Miamiian: "Make it possible to buy good grapefruit

for two for 15 cents, or less, and do matter what you call it, people will buy it."

In a nutshell—or should that be in a grapefruit rind? —as Mutual's Bob Rutledge puts it, "there seems to be no popular demand to change the name grapefruit, but there is a swelling grower demand that the industry put all its intelligence and energy to work to develop more ways to sell more grapefruit to more people."

Jaycee Week

TALLAHASSEE—Governor Farris Bryant today proclaimed Jan. 20-27 as "Junior Chamber of Commerce Week" in Florida and asked all state and local organizations to cooperate in the observance.

He said the purpose of the week is to focus attention on young men and the work they are doing, and emphasize that the Florida Jaycees have

done an outstanding job in the fields of community development, youth work, traffic safety, and leadership training.

During Jaycee Week observance in Florida, the U.S. Jaycees will be recognizing America's Ten Outstanding Young Men of 1961 in Santa Monica, California, with national Jaycee President Bob Conger making the presentations.

The week celebrates the founding of the Junior Chamber in 1915, when Henry Giessemer saw a need for a young men's civic group and organized the first chapter, according to state Jaycee Week Chairman Bill Gunter of Orlando.

The Florida Jaycees, over 7,000 strong, have local clubs in more than 100 cities throughout the state. State headquarters for the organization is located in Lakeland.

Firemen Name Audit Group; Hear Reports

The Lake Mary Volunteer Fire Dept. appointed an auditing committee and heard annual reports at its installation meeting last Tuesday night at the Fire Hall.

Recommended for the committee to perform the annual audit of department records were J. Leon Taylor, Fred Wells and Woody Friend.

The annual treasurer's report showed that the department received a total of \$1,016, spent a total of \$738 and now has a balance of \$278.78.

The men voted to discontinue use of a safety deposit box and appointed Harry Bucklew to check with the Southern Bell Telephone Co. on the possibility of having the Lake Mary Fire Dept. numbers listed with the emergency call numbers in the new directory.

Growers Set Meeting Dates

Dates for the 1962 Convention of the Florida Fruit & Vegetable Association will be Sept. 18 through 21, according to an announcement by Joffre C. David, Orlando, General Manager of the Florida Fruit & Vegetable Association.

The Board of Directors of FFVA has chosen these dates as being most suitable for the trade and members, generally.

Tentative plans are for a Golf Tournament on September 17, three days of general meetings and a final day of scheduled committee and conference meetings," David said.

"Headquarters hotel for the meeting will be the Americana, at Bal Harbour, Miami Beach," David added.

Enterprise PTC Sets Meeting

The Enterprise Parent-Teacher Council will meet at 7:30 p. m. Tuesday in the school auditorium for the regular monthly business meeting.

Harold Wooten, physical education coordinator, will present a program on "Physical Fitness."

Old and new projects of the PTC were discussed at a meeting of the executive board last Tuesday when it was reported that the new 23-inch television set now in use in the cafeteria and the school is participating in the Educational TV programs.

Paper Collected

The Junior Sunday School Class of the Chuluota Community Church has collected more than 5,000 pounds of paper during the past several weeks as a class project to aid the church building fund. R. Moon of Sixth St. donated time and the use of his car to help with collections.

Bulletin

MIAMI (UPI) — Walter C. Grady of DeLand told the Florida Racing Commission today he had been blackballed by the racing industry because "I was the focal point in a swindle at the Daytona Beach dog track three years ago."

By LARRY VERSHEL. NOBODY ASKED ME, BUT I don't dig the twist. The fascination of fishing has eluded me. Despite all the latest criticism directed at him, Carlton Bliss is the best engineer this county has ever had. I can't get over the job the Sunshine Committee of the Chamber accomplished.

Anyone who doesn't join the Chamber has "got no right" to complain if the county is stalemated for the next 20 years. I get angry when I buy a pack of cigars and have to ask for a book of matches.

Why does politics have to enter into it when choosing a new postmaster? Why doesn't the County Commission go back to meeting in the mornings? If the reappointment referendum passes, Seminole County can't go wrong if it elects Mack Cleveland for the job.

Maybe the Washington Redskins should try Soccer next year. Why doesn't Gordon Frederick change his mind and run for the Legislature?

What is the difference between a broken marriage and a trial separation? Jack Benny improves television just by showing up.

How can you enjoy fishing when you need a traffic cop on the river these days? When are we gonna do something about these vacant stores on First St.?

Most county officials answer the simplest questions as though they were afraid of committing perjury. When are we gonna get an active humane society.

People who knock Sid H. Chard's rock garden probably have the worst looking lawns in the county. No one can tell a story better than Volie Williams, Jr.

Now that the weather has warmed up, what excuse can I use for my golf score? No drive is worth more attention than the heart fund.

How come there were more persons booked at the county jail on Christmas eve than on New Year's. I hope when the Jaycees pick the Distinguished Service award winner they don't forget County Judge Vernon Mize.

People who say "I'm going to tell him what I think of him," seldom tell him what they think of him. I don't trust people who get confidential about domestic troubles the first time you meet them.

Oviedo mothers can never be thankful enough to the pilot of the A3D that crashed near the Oviedo school Monday. I wouldn't have Karlise Housholder's job as prosecutor for all the oranges in the county.

Those scoundrels who thought the boat marina was another Circusland are keeping "mums" about it.

C Of C Drive For Members Off, Winging

Chamber of Commerce officials today expressed high optimism that the 1962 membership drive would be a success with the organization reaching its goal of 75 new members. Membership chairman Scott Burns and Bill Hemphill reported that in the eight hours of the concerted "crash" drive, 25 new members were enrolled. "We appreciate the splendid response by the workers and the wholehearted effort this drive is getting," the chairman reported. The drive will continue through Wednesday night and officials reported that "there is every indication that we will reach our goal of new memberships and renewals."

Shop Looted Third Time

A breaking and entering which occurred sometime early this morning at Jones Tire Shop, 2311 West First St., is being investigated by the Sheriff's Dept. Deputy Slim Galloway was called out to investigate the burglary and theft in which over \$15 dollars of merchandise and tools were taken. This was the third time the store had been burglarized in three months, reported shop owner J. Videl Jones, who said that each time the same type of goods was taken, including, candy, and cookies. Entry was gained through a rear window, he said.

U. S. Pulls Back Berlin Forces To Ease Tension

BERLIN (UPI)—The United States Army announced today it is pulling back its tanks and armored cars from the area around the key Friedrichstrasse crossing point on the walled East-West Berlin border. The Army said it was withdrawing its armor to Tegelhof airbase "to improve the dispositions of the U. S. forces in the American sector." Observers felt the move indicated a lessening of tension along the border. Soviet armor was pulled back from the crossing point some time ago, but was reported within striking distance of the Friedrichstrasse hole in the Communist-built wall that divides the city.

Fisherman Faces 'Hoax' Charges

NEW YORK (UPI) — A Florida fisherman will return home to face charges stemming from an alleged drowning hoax last April. John Vasilis Pierdua, 56, agreed Monday in federal court to return to Fort Myers, where he will be tried on charges of conspiracy to mail a false statement to the Coast Guard.

Dutch Charge Invasion; Attacked, Says Jakarta

JAKARTA, Indonesia (UPI) — A top ranking Indonesian military official charged today that Dutch planes and warships deliberately attacked Indonesian vessels in the "open sea" off the coast of disputed West New Guinea Monday night. President Sukarno met for more than an hour in emergency session with his military advisers to discuss the clash that has pushed Indonesia and Holland to the brink of war. The president, who has been stirring up war fever for weeks in blistering speeches about Indonesian claims to West New Guinea, had no immediate comment on the incident in which two Indonesian vessels were reported destroyed. "Everybody understands three motor boats don't constitute a convoy for landing," Jani said. He added that Indonesia will inform the United Nations about the attack.

Shergales Bail Set At \$10,000

MIAMI (UPI)—U. S. Commissioner Roger E. Davis set bail at \$10,000 Monday for William J. Shergales, soldier of fortune accused of acting as an unregistered foreign agent for Cuba. Shergales, 35, of West Hollywood, Fla., denied he is or ever was an agent for Premier Fidel Castro. He said he spent 22 months in a Cuban jail and was released Dec. 6 only because of the persistent pleas of his pretty wife. FBI agents arrested Shergales Friday night as he got off a flight from Jamaica. He is also accused of violating the federal aviation act by making a private flight to Cuba without filing a flight plan. Shergales and Howard Rundquist of Miami were shot down in Cuba in March 1960. They were attempting to land a small plane.

County Given \$9,949 By Mize

County Judge Vernon Mize today turned over \$9,949.91 in excess fees for 1961 to the County Commission and reported that his office handled 2,304 cases during the year. Mize said that 75 percent of the cases were for traffic violations. He added that there were 1,374 warrants issued in 1961. In his letter of transmittal to the County Commission, Mize said that excess fees turned over to the county were up during 1961 in the amount of \$5,268 over fees for the previous year. The total receipts for 1961 were \$3,089 more than 1960 and the expenses of the office for 1961 were \$1,610 less than the expenses for 1960.

Probe Slated On Congo Charges

LEOPOLDVILLE (UPI) — Captured leftist leader Antoine Gizenga will be held in Stanleyville for investigation of so-far secret charges against him, Congolese sources said today. Diplomatic sources said the investigation is likely to center around the deaths of several of Gizenga's political opponents shortly after former Premier Patrice Lumumba was killed in Katanga 11 months ago.

Seven Engineers Go On Trial In Volusia

DELAND (UPI)—Trial of seven partners in a Jacksonville architectural engineering firm accused of grand larceny opened today before Circuit Judge P. R. Revels and a six-man jury. The jury was chosen Monday to hear the case of the partners in the firm of Reynolds, Smith and Hills. They are accused of failing to provide supervisory services on three Volusia County high schools, for which they were allegedly paid by the Volusia County School Board. The defendants are George Hills, Ivan Smith, Walter Schultz, James Shively Jr., P. M. Huddleston, and A. N. Lande, all of Jacksonville, and Norman Bryan of Deland. Revels denied a motion for continuance Monday from State Attorney W. W. Judge, who said a major witness for the prosecution had not been subpoenaed.

Fire Sweeps Sanford Lots

A wind-whipped brush and grass fire swept across several vacant lots and a two-acre area just beyond the Sanford City limits late Monday and burned to death three Chihuahua puppies and singed clothes on a line in a neighboring backyard. Mrs. Betty Moore of 1029 Santa Avenue was charged with burning trash on a windy day without adequate protection and supervision, according to Hangers Lewis Williams and Arthur Blanton of the Seminole County Unit of the Florida Forest Service. Mrs. T. N. Dillard of Narita Avenue reported the fire to the Sanford and Navy Fire departments. As the city is not authorized to fight fires outside city limits, the Sanford Fire Dept. stood by in case the fire spread. Residents of the surrounding area fought the fire with garden hoses and buckets of water. They succeeded in keeping the flames under control until Navy firefighters and Forest Servicemen arrived. Damage other than burned grass in back yards included several phone lines reported out of order.

Seek Lead In Lecturer's Death

SANTO DOMINGO (UPI) — Provincial authorities set out today to determine whether a body unearthed near San Jose de Oca is that of Jesus de Galindez, long-missing Columbia University lecturer. In Haiti, the city nearest San Jose, District Attorney Raul Fontana said he had been instructed by national authorities to investigate the case. The newspaper El Caribe reported Monday that Abel Ballesteros, a friend of Galindez and like him a Spanish refugee, had identified the body as that of the missing man. The report was denied Monday night by Radio Caribe.

TALLAHASSEE (UPI) — The State Industrial Commission reported Monday that jobless insurance payments in the state dropped in December for the fourth straight month.

Navy Begins Investigation Of A3D Crash

A Navy investigation team today hunted through the smoldering wreckage and debris of an A3D Skywarrior crash in Oviedo that took the lives of three of the plane's four-man crew Monday afternoon.

All three crewmen who lost their lives in the flaming crash of the Skywarrior from the Sanford Naval Station were identified today by the Station.

Four men were aboard the plane which caught fire shortly after takeoff from Ramey Field and crashed in Oviedo, a short distance from the Oviedo High School at 1:41 p. m. One parachuted to safety.

Dead as the pilot, Lt. Charles Holgate Jr., 29, who is survived by his wife, Mrs. Donna J. Holgate, and an 18-month-old son, Charles; plane captain, Horace E. Marks ATR3, age 20, son of Mr. and Mrs. Clyde Marks, R. F. D. 2, Bremen, Ga.; third crewman, John W. Bush, A03, age 21, son of Mrs. Louise E. Bush, Port Henry, N. Y.

The lone survivor is Delton E. R. Wilson, PH-1, age 33, bombardier-navigator, 115 Sunland Drive, Sanford. Officials at the Naval Station said that Holgate had difficulty with the plane soon after takeoff and that the starboard engine caught fire. This was borne out by eyewitnesses at Oviedo who reported seeing smoke streaming from the craft.

Navy spokesmen said that the pilot tried to return to the base, but apparently realized he could not make it. He then made a sharp turn eastward to avoid the heavily populated areas near Orlando.

The Navy official said that Holgate apparently ordered his crew to bail out, but that only one was able to make it. The other two apparently had tied as their safety belts were loose.

The Skywarrior came in over Oviedo and close to the school and crashed in a cut of the Seaboard Airline tracks. It hit the tracks with such impact that they were bent out of alignment. It then plowed into the embankment and burst into flames. Bodies of the three victims were found in and near the debris.

The crash occurred in a populated area with houses all around the scene of the crash. Two houses located near the railroad were separated from the crash only by the depth of the back yards.

The flaming wreckage ignited dry grass and the flames swept over an area along the rail tracks for almost an eighth of a mile. Several orange trees in the grove adjacent to the railway were burned black by the intense heat from the wreckage.

BEVERLY HILLS, Calif. (UPI)—About 1,000 mourners paid final respects to Ernie Kovacs during simple funeral services Monday at a church six blocks from the scene of the comedian's fatal car accident.

BUDGET THURSDAY — WASHINGTON (UPI) — President Kennedy is expected to send Congress Thursday a \$92.6 billion spending budget for fiscal 1963, including more than \$5 billion for the U. S. man-on-the-moon project and other space exploration.

PAY GONE — FORT LAUDERDALE (UPI)—The crew of the oil tanker "David D. Ervin" had no pay for an scheduled Monday—and police were looking today for the relief captain, David P. Scutera, who said he threw it overboard into the sea, saying, "I threw the payroll overboard I need psychiatric treatment."

Annual Policeman's Benefit Ball Draws Gala Crowd To Mayfair

CAPTAIN ARNOLD WILLIAMS, escorting Mrs. Williams and Mrs. Denise Swain, is joined by Sgt. Earl Bouquard at the annual Policemen's Ball held at the Mayfair Hotel Saturday night. (Herald Photo)

LOOKING UNUSUAL in civilian dress, these policemen and their wives are having a "ball" at the annual Policemen's Benefit held at the Mayfair each year. They hope that by next year, their new police hall will be finished and provided a gathering place for social events. From left seated are Patrolman Fred Kelly and wife and standing are Patrolman Charlie Tate, Patrolman Larry Hamrick and wife and Florida Highway Patrolman Bill Stringfield and wife. (Herald Photo)

ATTORNEY AND MRS. DOUGLAS STENSTROM arriving at the Policemen's Ball find a gala crowd gathered in the lobby in preparation for the annual celebration to swell the benefit fund and build the new social hall. (Herald Photo)

WINNERS OF ONE of the door prizes, Mr. and Mrs. Milton Smith, right are shown chatting with Mrs. Bill Stämpfer and Bob Drabik in the lobby of the Mayfair, as they arrived for the Policemen's Ball.

Music, Prizes Highlights Of Saturday Affair

The red and white ballroom of the Mayfair Inn was the scene of an annual gala dance and social Saturday when Sanford's boys in blue, the local police force, staged their annual Policemen's Benefit Ball.

A capacity crowd gathered in the luxurious ballroom to dance to the music of the Larry Adler orchestra, the well-known law enforcement officers and men looking strange but debonair in their best bib and tuckers, their ladies on their arm.

Almost by the time the orchestra tuned up the room was crowded with congenial groups at the tables, to begin the gay evening that lasted until the wee hours.

Phum, Buck Hayden did his usual bang-up job as master of ceremonies, telling jokes and keeping a steady flow of hilarity going during the drawing of names and awarding of door prizes.

The top prize, a transistor radio was won by Joan Jackson of Rt. 1, Box 39, Oviedo. The second and third prizes, two 10 pound hams went to Otis Scruggs of 217 Hayes Drive and to Mr. and Mrs. Milton Smith, 885 E. 20th St.

Jim Hardy minus his familiar ticket-giving acouter was still handing out tickets, but this time, a more pleasant kind, the ones to be used for drawing of the door prizes.

Illness in the family prevented Chief Roy Williams and Mrs. Williams from attending the annual event. All proceeds of the dance will go toward Police Benevolent Fund.

The Semi-Annual Meeting of the Board of Directors of the Florida Methodist Children's Home was held at the home last Monday and Tuesday.

In order that members of the board might have closer contact with the home and become better acquainted with the houseparents and children and their schedule, a group stayed overnight in residence buildings on Monday. Following the evening meal, committee meetings were conducted and a general board meeting was held Monday night preceding the Tuesday meeting.

Guests staying at the home included Dr. and Mrs. Lewis Head of Ft. Lauderdale, Mrs. Morton McDonald of DeLand, Mr. and Mrs. C. R. Shannon of Bradenton, Rev. Jesse Waller, Rev. R. E. Ackenhuisen of Orlando, Mrs. Grady Sledge of St. Petersburg and Rev. Burwood McDonald of Vero Beach.

Funeral services were to be held today in Fairlawn, Long Island, N. Y. for Mr. Benjamin Gilbert of Eldorado Dr., DelRay, who died at the Lake City Veterans Hospital following a stroke.

Social Security Program Open To All Seminole County Women

The Seminole County Council of Home Demonstration Clubs will hold an open meeting and program at the Home Demonstration Center, 401 E. 26th St. in Sanford, Thursday, on Social Security which promises to be of interest to all women in the county.

Ms. H. L. Johnson, county council president, has stressed the point that the 10 a. m. meeting is open to all women and is not restricted to members of the various HD clubs who have arranged this program as another educational and informative service for all interested women.

James Roseman, field representative from Social Security Headquarters in Orlando, will be the guest speaker and will include pertinent information for those now receiving social security benefits, for those who expect to receive the assistance and for those who are not getting social security.

The Longwood Club will be hostess for the covered dish luncheon at noon and will provide the bread and beverage. Ladies attending will be expected to bring a covered dish and their own table service including plate and cup.

Joel Field, American Legion Fair Chairman, will be guest speaker on the afternoon program discussing the part the Home Demonstration women and other club women and homemakers in the county will play in this year's Fair which is scheduled from Feb. 12 through Feb. 17.

Also up for discussion will be plans for an outlet market where club members may display and sell numerous handicraft items made through the program for the benefit of individual clubs or the group as a whole.

Leads 'Minority'
COLUMBIA, S. C. (UPI) — State Rep. Charles E. Boone named himself the "minority leader" Monday of the South Carolina House of Representatives among 123 Democrats and the first GOP representative in the legislature in more than 60 years.

PENSACOLA (UPI) — Lt. Cmdr. Ken Wallace, Ellzabeth, Tenn., will replace Cmdr. Zeb Knott Tuesday as commander of the Navy's famed precision flying team, the "Blue Angels."

TALLAHASSEE (UPI) — Gov. Farris Bryant was among the dignitaries on hand today at a convocation opening celebration of Florida A & M University's 75th anniversary. Others visiting the school were State School Supt. Thomas D. Bailey, Board of Control Director J. Broward Culpepper, and State Sen. Wilson Carraway of Tallahassee.

JACKSONVILLE (UPI) — The FBI Saturday arrested two more suspects in the theft of a truckload of whiskey here Christmas Eve, making a total of eight men apprehended in the case so far.

Funeral Services For Bauman Set

Funeral services for R. J. Bauman, president of Sanford Atlantic National Bank, who died Saturday, will be held at 11 a. m. Wednesday at All Souls Catholic Church with burial to follow in All Souls Cemetery. The Rosary will be recited at 8 p. m. today at Gramkow Funeral Home Chapel, Rev. Richard J. Lyons of All Souls Church will officiate at all services.

Active pallbearers will be Dr. D. H. Mathers, Dr. W. Vincent Roberts, William Livingston, C. A. Ingram, James E. Doucette and Larry Pivec. Honorary pallbearers will be officers and directors of Sanford Atlantic National Bank.

Free World Gross Down Slightly

NEW YORK — The gross national product of the free industrial world will grow an average seven per cent in 1962, down slightly from growth rates of the last several years, reports the McGraw-Hill Publishing Company's Economics Department in a forecast of the world business outlook.

This compares to an eight per cent gain, from \$520 billion to \$562 billion, in the U. S., the largest free world economy.

Labor shortages, a sluggish home market in England, government tight money policies in Japan, inflation and balance of payments problems in a host of less developed countries all will contribute to the slight decline.

Yet none of the 23 nations studied in the survey will suffer an actual loss in gross national product — the total amount of goods and services produced — this year. Gains will range from three per cent for Belgium, which is meeting severe export problems, to nearly 25 per cent for the Philippines, which will be recovering from a deep recession caused largely by restrictive government controls. In Argentina, rapid industrialization will continue, along with considerable inflation and the country will enjoy a booming 15 per cent jump in gross national product.

The German boom, on the other hand, will slow to a six or seven per cent growth rate in 1962, after three years of 11 to 13 per cent annual growth. The shortage of labor is the main reason for the slowdown.

In Japan, increasingly strict government monetary policies played the chief role in cutting 1959's 17 per cent growth rate to about 11 per cent by mid-1961. Because of international payments problems, credit restrictions will continue and 1962 growth will be held to about seven per cent.

Jaycee Wives To Sponsor Education TV Program

The Sanford-Seminole Jaycee Wives Club will sponsor an educational television information program next Thursday evening at 8 p. m. at Seminole High School.

Dr. Al Edmunds, director of the Central Florida East Coast Educational Television Corp., will be the featured speaker.

A question and answer period will follow the program. According to Jaycee Wife chairman Pat Drabik, the organization has undertaken this project "believing that the entire county and community will like to know more about the development of Educational TV."

In conjunction with this program a radio program will be presented on WTRR Saturday at 12:35 on Education TV.

Dr. Edmunds, Supt. of Schools R. T. Milwee and other school officials will be present. The public is invited to call the station during the program to ask questions concerning the topic.

Harry Darrow Dies At Home

Harry Darrow, 87, died Monday afternoon at the home of his son-in-law and daughter, Mr. and Mrs. Julian A. Varn of Lake Mary.

Born Feb. 1, 1875, in Chappaqua, N. Y., he had lived in Lake Mary for the past 31 years. He came to Sanford in 1920 from Nyack, N. Y., and made his home here before moving to Lake Mary where he was a member of the First Baptist Church. A former Scoutmaster, he had worked with Boy Scouts and had taught a boy's Sunday School class for many years.

Survivors other than his daughter, Mrs. Varn, include one granddaughter, Mrs. J. P. Benson and three great-grandsons, James Jr., David and Thomas Benson, all of Lake Mary.

Funeral services will be held at 2:30 p. m. Wednesday at Brison Funeral Home with Rev. Ralph Taylor and Rev. W. P. Brooks officiating. Burial will be in Lake Mary Cemetery.

Pallbearers will be James McGee, Richard Scott, Otis Sjoblom, C. D. Donaldson, J. T. Beal and Harley Wilhelm.

J. K. Hacker Buried Monday

Funeral services for Mr. Jacob K. Hacker, 82, of 531 Lilac Rd., Casselberry, were held at 3 p. m. Monday at the Hawthorne Funeral Chapel in Orlando with Rev. John N. Montgomery of the Casselberry Presbyterian Church officiating.

A member of the Casselberry Church, he came here in 1926 from Eastover, S. C. He had been a malar repairman for the Pennsylvania Power and Light Co. for 25 years before retiring and was a member of the Ephraim Lodge, P. and A. M.

Survivors are his wife, Mrs. Vera B. Hacker of Casselberry; son, K. L. Hagen of Winston-Salem, N. C.; daughters, Mrs. Jean E. Baker of Casselberry and Mrs. Jacquelyn H. Delam of Hyattsville, Md.; sister, Mrs. Frank Crall and a nephew, Marlin Crall both of Ephraim; seven grandchildren and one great grandchild.

Burial was in Lynn Haven Memorial Park.

Church Sets Regular Supper In Casselberry

The Casselberry Community Methodist Church will hold a regular monthly fellowship supper in Weaver Hall Wednesday at 6:30 p. m.

Each family attending is asked to bring a favorite covered dish. Beverages and rolls will be provided. Following the supper there will be a brief prayer meeting.

Bear Lake Club Calls Meeting

A special meeting of the Bear Lake Community Club has been called for 8 p. m. Thursday at the Florida Power Corp. Club House on Bear Lake.

Members of the club have been urged to attend in order that a quorum may be present to discuss and vote on a change of monthly meeting dates.

Mrs. Fahey Speaks To Jaycee Wives

Mrs. Tom Price was hostess for the January meeting of the Jaycee Wives Club, at her home on Palmetto Ave. The president, Mrs. Charles Telembaum, presided and welcomed Mrs. Jimmy Wade as a prospective member. Guest speaker for the evening was Mrs. J. M. Fahey, of

Lake Mary. She presented an interesting and informative program on her hobby, raising Bonsai trees. She displayed several dwarf trees that she had grown, one that was seven years old and only 12 inches tall. It was announced that the club will sponsor a program Jan. 25 at 8 p.m. in the Seminole High School auditorium, on educational TV. Guest speaker will be Al Edmonds, director of the Central Florida East Coast Educational Television Corp. A question and answer period will follow the program and the public is invited to attend. The hostess served refreshments during the social hour. Other members present were Mrs. John Spolick, Mrs. Hammond Polk, Mrs. Tom Lingen, Mrs. Bud Stewart, Mrs. Bob McKee, Mrs. Garnett White, Mrs. Arch Hosick, Mrs. Al Keith, Mrs. Jack Erickson, Mrs. Bob Drabik and Mrs. Paul Lewis.

Time Saving Is Essential For Breakfast

"Why don't you eat breakfast?" is a familiar query that is all too frequently answered, "I don't have time," says Myrtle Wilson, Home Demonstration Agent. This response comes from school children and adults alike. We may believe that breakfast makes the difference whether we "grin or frown" in the morning. But we still rush off with an inadequate meal, or without any breakfast!

How can you "beat the time rap" in the morning? Going to bed earlier may be an obvious but not practical solution. Homework, television, and evening entertaining rule out this answer in many homes. How, then, can you save time in the morning, instead?

Try these suggestions: (1) Make as many preparations as possible the night before: Set the table. Have cold cereal at hand or set sauce pan and uncooked cereal ready at the range. If you plan to scramble eggs, place skillet on burner with a bowl for breaking eggs, salt, and turner nearby.

(2) If you make toast, get out the toaster and connect cord.

(3) Assemble coffeemaking equipment.

(4) Refrigerate fruit juice overnight, ready to pour into glasses at the breakfast table.

(5) You might even make coffee the previous night, keep it hot in a thermos for a really "quick cup" the next morning.

Enterprise

Personals

By Helen Snodgrass Mr. and Mrs. W. H. Farris have returned from a visit with relatives in West Virginia.

Mr. and Mrs. C. R. Shannon, of Bradenton, visited with friends here last week. They were in Enterprise to attend the board of directors meeting at the Children's Home. Mr. Shannon is a former superintendent of the home and always receives a warm welcome in the community when he returns for a visit.

Miss Elizabeth Dunn of Hampton, Va., spent the holiday season with relatives in Enterprise. She accompanied Mr. and Mrs. Harvey Dunn to Floral City, Jan. 7, for a family reunion. Twenty-one members of the Dunn family were present, including all six of the Dunn sons and daughters. Miss Dunn returned to Virginia last week.

STOLE'S INDISPENSABLE For the woman who travels, the stole is indispensable. Available in everything from mohair to chiffon, it packs flat and provides a handy wrap at a moment's notice.

Be severe with yourself in the matter of personal grooming. If you've ever wondered how some women seem always to have that bandbox look, stop wondering. They pay attention to all of those small details that count.

Lake Mary

Personals

By Frances Wester William Blakemore Jr. of Lake Mary spent a week with Mr. and Mrs. Roy Howell and son, Stanley, in Lakeland, recently. The Howells are former residents of Lake Mary. They expect to return here to live and plan to build a new home.

Mr. and Mrs. Harley Wilhelm and family of Lake Mary have received word that her parents, Mr. and Mrs. Chester Davis, and her brother-in-law, Kenneth Dampier, all of Boggs town, Ind., have arrived home safely after spending Christmas here with them, which they have done for the last three years. Mr. Davis plans to retire sometime this year and they are looking forward to spending all their winters in Lake Mary.

Personals

Houseguests of Mr. and Mrs. M. B. Smith at their home on Rosalia Drive are Mrs. Smith's sister and her husband, Mr. and Mrs. D. J. Whitehead, of Richmond, Va. They will be here most of this week. Miss Grace B. Jacobs of Ormond Beach spent the weekend with the two families at the Smith residence.

Mr. and Mrs. Roy L. Whitaker and children have returned to their home in Clyde, N. Y., after a two week visit with his parents and family. Mr. and Mrs. J. M. Whitaker.

Garden Circles

DIRT GARDENERS' CIRCLE

The Sanford Dirt Gardeners' Circle met at the home of Mrs. M. L. Cullum for the January meeting with Mrs. Charles Weaver and Mrs. Myron Smith as co-hostesses.

It was announced that Mrs. L. E. Leeper will conduct a work shop at the May meeting, showing how tin cans may be cut into lovely arrangements and also how to make palm fronds into many shapes and arrangements.

Members who plan to attend the general luncheon, Feb. 15, at the Mayfair Hotel are reminded to purchase their tickets at the next meeting. The Eustis Garden Club extends an invitation to Sanford residents to attend their flower show, Jan. 25, from 3 to 8 p.m.

At the conclusion of the business session, an interesting talk was given by Mrs. Aldo Loos, on Japanese flower ar-

EYE SHADOW TO MATCH If your jewelry is predominant in blue or green color, try wearing matching shades of eye shadow. The sparkle of the new powder eye shadow colors will be exciting when worn with matching jewelry.

When the home and its grounds are well landscaped and planted, pride of ownership increases greatly reports the American Association of Nurserymen. This, in turn, is of tremendous interest to mortgage bankers, since the funds loaned are a lot safer than if the property deteriorates. The home owner gains by higher resale value for the property, as well as happier and healthier "garden living."

Vigilante Club Plans Program For New Year

Newly elected president, Mrs. Darwin Smith, presided at the first meeting of the year and welcomed two transfer members, to the Vigilante Navy Wives Club 211.

Reports were given by committee chairmen and several new committee chairmen appointed to help outline a successful administration. Mrs. John Holbrook volunteered to be in charge of the cancer bandages.

The third Monday was designated as a social get-together day for the club. On Jan. 22 at the first social of the year, two new members, Mrs. T. C. McAnally and Mrs. R. D. Markland, will be honored. Hostesses for this event will be Mrs. C. J. Beaulieu and Mrs. George Preese.

A special day is being planned for the February social when the Vigilantes will be hostess to all the Naval Air Station wives at the NAS Ballroom.

At the close of the meeting, Mrs. William Cadenhead, hostess for the day, served refreshments to those attending.

District Officer Guest Speaker At Enterprise WSCS

Mrs. B. W. Carlton was hostess to the Women's Society of Christian Service of the Barnett Memorial Methodist Church at her home in Enterprise.

Mrs. Bruce Gray of Hastings, district promotion secretary, was guest speaker and gave an interesting talk on the work of the society.

While in Enterprise Mrs. Gray was the overnight guest of Rev. and Mrs. Fred Foster and the breakfast guest of Mr. and Mrs. J. V. Richards at their home "Heart's Desire," on Lake Monroe.

Annual Policeman's Benefit Ball Draws Gala Crowd To Mayfair

CAPTAIN ARNOLD WILLIAMS, escorting Mrs. Williams and Mrs. Denise Swain, is joined by Sgt. Earl Bouquard at the annual Policemen's Ball held at the Mayfair Hotel Saturday night. (Herald Photo)

WINNERS OF ONE of the door prizes, Mr. and Mrs. Milton Smith, right are shown chatting with Mrs. Bill Stumper and Bob Drabik in the lobby of the Mayfair, as they arrived for the Policeman's Ball.

Music, Prizes Highlights Of Saturday Affair

The red and white ballroom of the Mayfair Inn was the scene of an annual gala dance and social Saturday when Sanford's boys in blue, the local police force, staged their annual Policeman's Benefit Ball.

A capacity crowd gathered in the luxurious ballroom to dance to the music of the Larry Adler orchestra, the well-known law enforcement officers and men looking strange but debonair in their best bib and tuckers, their ladies on their arm.

Almost by the time the orchestra tuned up the room was crowded with congenial groups at the tables, to begin the gay evening that lasted until the wee hours.

Pitmn. Buck Hayden did his usual bang-up job as master of ceremonies, telling jokes and keeping a steady flow of hilarity going during the drawing of names and awarding of door prizes.

The top prize, a transistor radio was won by Joan Jacqueline of Rt. 1, Box 39, Oviedo. The second and third prizes, two 10 pound hams went to Otto Scruggs of 217 Hayes Drive and to Mr. and Mrs. Milton Smith, 805 E. 20th St.

Jim Hardy minus his familiar ticket-giving acroter was still handing out tickets, but this time, a more pleasant kind, the ones to be used for drawing of the door prizes.

Illness in the family prevented Chief Roy Williams and Mrs. Williams from attending the annual event. All proceeds of the dance will go toward Police Benevolent Fund.

Board Meets At Methodist Childrens Home
By Helen Snodgrass
The Semi-Annual Meeting of the Board of Directors of the Florida Methodist Children's Home was held at the home last Monday and Tuesday.

In order that members of the board might have closer contact with the home and become better acquainted with the houseparents and children and their schedule, a group stayed overnight in residence buildings on Monday. Following the evening meal, committee meetings were conducted and a general board meeting was held Monday night preceding the Tuesday meeting.

Guests staying at the home included Dr. and Mrs. Lewis Head of Ft. Lauderdale, Mrs. Morton McDonald of DeLand, Mr. and Mrs. C. B. Shannon of Bradenton, Rev. Jesse Waller, Rev. R. E. Ackenhuisen of Orlando, Mrs. Grady Swapp of St. Petersburg and Rev. Darwood McDonald of Vero Beach.

Social Security Program Open To All Seminole County Women

The Seminole County Council of Home Demonstration Clubs will hold an open meeting and program at the Home Demonstration Center, 401 E. 25th St. in Sanford, Thursday, on Social Security which promises to be of interest to all women in the county.

Mrs. H. L. Johnson, county council president, has stressed the point that the 10 a. m. meeting is open to all women and is not restricted to members of the various HD clubs who have arranged this program as another educational and informative service for all interested women.

James Hoxeman, field representative from Social Security Headquarters in Orlando, will be the guest speaker and will include pertinent information for those now receiving social security benefits, for those who expect to receive the assistance and for those who are not getting social security.

The Longwood Club will be hostess for the covered dish luncheon at noon and will provide the bread and beverage. Ladies attending will be expected to bring a covered dish and their own table service including plate and cup.

Joel Field, American Legion Fair Chairman, will be guest speaker on the afternoon program discussing the part the Home Demonstration women and other club women and homemakers in the county will play in this year's Fair which is scheduled from Feb. 12 through Feb. 17.

Also up for discussion will be plans for an outlet market where club members may display and sell numerous handicraft items made through the program for the benefit of individual clubs or the group as a whole.

DR. ARTHUR L. TEIKMANIS, pastor of the First Congregational Church of Winter Park and professor at Rollins College, spoke last week at the DeBary Community Methodist Church on a subject entitled "Before and Behind the Iron Curtain." Funeral Services For Bauman Set

Funeral services for R. J. Bauman, president of Sanford Atlantic National Bank, who died Saturday, will be held at 11 a. m. Wednesday at All Souls Catholic Church with burial to follow in All Souls Cemetery. The Rosary will be recited at 8 p. m. today at Gramkow Funeral Home Chapel.

Rev. Richard J. Lyons of All Souls Church will officiate at all services. Active pallbearers will be Dr. D. H. Mathers, Dr. W. Vincent Roberts, William Livingston, C. A. Ingram, James E. Doucette and Larry Pivec. Honorary pallbearers will be officers and directors of Sanford Atlantic National Bank.

Free World Gross Down Slightly
NEW YORK — The gross national product of the free industrial world will grow an average seven per cent in 1962, down slightly from growth rates of the last several years, reports the McGraw-Hill Publishing Company's Economics Department in a forecast of the world business outlook.

This compares to an eight per cent gain, from \$320 billion to \$352 billion, in the U. S., the largest free world economy.

Labor shortages, a sluggish home market in England, government tight money policies in Japan, inflation and balance of payments problems in a host of less developed countries all will contribute to the slight decline.

Yet none of the 23 nations studied in the survey will suffer an actual loss in gross national product — the total amount of goods and services produced — this year. Gains will range from three per cent for Belgium, which is meeting severe export problems, to nearly 25 per cent for the Philippines, which will be recovering from a deep recession caused largely by restrictive government controls. In Argentina, rapid industrialization will continue, along with considerable inflation and the country will enjoy a booming 15 per cent jump in gross national product.

The German boom, on the other hand, will slow to a six or seven per cent growth rate in 1962, after three years of 11 to 13 per cent annual growth. The shortage of labor is the main reason for the slowdown.

In Japan, increasingly strict government monetary policies played the chief role in cutting 1959's 17 per cent growth rate to about 11 per cent by mid-1961. Because of international payments problems, credit restrictions will continue and 1962 growth will be held to about seven per cent.

Jaycee Wives To Sponsor Education TV Program

The Sanford-Seminole Jaycee Wives Club will sponsor an educational television information program next Thursday evening at 8 p. m. at Seminole High School.

Dr. Al Edmunds, director of the Central Florida East Coast Educational Television Corp., will be the featured speaker.

A question and answer period will follow the program. According to Jaycee Wife chairman Pat Drabik, the organization has undertaken this project "believing that the entire county and community will like to know more about the development of Educational TV."

In conjunction with this program a radio program will be presented on WTRR Saturday at 12:35 on Education TV.

Dr. Edmunds, Supt. of Schools R. T. Milwee and other school officials will be present. The public is invited to call the station during the program to ask questions concerning the topic.

Harry Darrow Dies At Home
Harry Darrow, 87, died Monday afternoon at the home of his son-in-law and daughter, Mr. and Mrs. Julian A. Varn of Lake Mary.

Born Feb. 1, 1875, in Chappaqua, N. Y., he had lived in Lake Mary for the past 31 years. He came to Sanford in 1920 from Nyack, N. Y., and made his home here before moving to Lake Mary where he was a member of the First Baptist Church. A former Scoutmaster, he had worked with Boy Scouts and had taught a boy's Sunday School class for many years.

Survivors other than his daughter, Mrs. Varn, include one granddaughter, Mrs. J. P. Benson and three great-grandsons, James Jr., David and Thomas Benson, all of Lake Mary.

Funeral services will be held at 2:30 p. m. Wednesday at Brison Funeral Home with Rev. Ralph Taylor and Rev. W. P. Brooks officiating. Burial will be in Lake Mary Cemetery.

Pallbearers will be James McGee, Richard Scott, Otis Sjoblom, C. D. Donaldson, J. T. Beal and Harley Wilhelm.

J. K. Hacker Buried Monday
Funeral services for Mr. Jacob K. Hacker, 82, of 531 Lilac Rd., Casselberry, were held at 3 p. m. Monday at the Hawthorne Funeral Chapel in Orlando with Rev. John N. Montgomery of the Casselberry Presbyterian Church officiating.

A member of the Casselberry Church, he came here in 1959 from Eastover, S. C. He had been a master repairman for the Pennsylvania Power and Light Co. for 25 years before retiring and was a member of the Ephraim Lodge, P. and A. M.

Survivors are his wife, Mrs. Vera B. Hacker of Casselberry; son, K. L. Hagen of Winston-Salem, N. C.; daughters, Mrs. Jean E. Baker of Casselberry and Mrs. Jacquelyn H. Deism of Hyattsville, Md.; a nephew, Marlin Crall both of Ephraim; seven grandchildren and one great grandchild.

Burial was in Lynn Haven Memorial Park.

Church Sets Regular Supper In Casselberry
The Casselberry Community Methodist Church will hold a regular monthly fellowship supper in Weaver Hall Wednesday at 6:30 p. m.

Each family attending is asked to bring a favorite covered dish. Beverage and rolls will be provided. Following the supper there will be a brief prayer meeting.

at 12:35 on Education TV. Dr. Edmunds, Supt. of Schools R. T. Milwee and other school officials will be present.

The public is invited to call the station during the program to ask questions concerning the topic.

Bear Lake Club Calls Meeting
A special meeting of the Bear Lake Community Club has been called for 8 p. m. Thursday at the Florida Power Corp. Club House on Bear Lake.

Members of the club have been urged to attend in order that a quorum may be present to discuss and vote on a change of monthly meeting dates.

Mrs. Fahey Speaks To Jaycee Wives

Mrs. Tom Price was hostess for the January meeting of the Jaycee Wives Club, at her home on Palmetto Ave.

The president, Mrs. Charles Tetemaum, presided and welcomed Mrs. Jimmy Wade as a prospective member.

Guest speaker for the evening was Mrs. J. M. Fahey, of

Time Saving Is Essential For Breakfast

"Why don't you eat breakfast?" is a familiar query that is all too frequently answered. "I don't have time," says Myrtle Wilson, Home Demonstration Agent.

This response comes from school children and adults alike. We may believe that breakfast makes the difference whether we "grin or frown" in the morning. But we still rush off with an inadequate meal, or without any breakfast!

How can you "beat the time rap" in the morning? Going to bed earlier may be an obvious but not practical solution. Homework, television, and evening entertaining rule out this answer in many homes. How, then, can you save time in the morning, instead?

Try these suggestions:

- (1) Make as many preparations as possible the night before: Set the table. Have cold cereal at hand or set sauce pan and uncooked cereal ready at the range. If you plan to scramble eggs, place skillet on burner with a bowl for breaking eggs, salt, and turner nearby.
- (2) If you make toast, get out the toaster and connect cord.
- (3) Assemble coffeemaking equipment.
- (4) Refrigerate fruit juice overnight, ready to pour into glasses at the breakfast table.
- (5) You might even make coffee the previous night, keep it hot in a thermos for a really "quick cup" the next morning.

Mr. and Mrs. W. H. Farris have returned from a visit with relatives in West Virginia.

Mr. and Mrs. C. R. Shannon, of Bradenton, visited with friends here last week. They were in Enterprise to attend the board of directors meeting at the Children's Home. Mr. Shannon is a former superintendent of the home and always receives a warm welcome in the community when he returns for a visit.

Miss Elizabeth Dunn of Hampton, Va., spent the holiday season with relatives in Enterprise. She accompanied Mr. and Mrs. Harvey Dunn to Floral City, Jan. 7, for a family reunion. Twenty-one members of the Dunn family were present, including all six of the Dunn sons and daughters. Miss Dunn returned to Virginia last week.

Lake Mary. She presented an interesting and informative program on her hobby, raising Bonsai trees. She displayed several dwarf trees that she had grown, one that was seven years old and only 12 inches tall.

It was announced that the club will sponsor a program Jan. 23 at 8 p.m. in the Seminole High School auditorium, on educational TV. Guest speaker will be Al Edmonds, director of the Central Florida East Coast Educational Television Corp.

A question and answer period will follow the program and the public is invited to attend.

The hostess served refreshments during the social hour. Other members present were Mrs. John Spolski, Mrs. Hammond Polk, Mrs. Tom Larsen, Mrs. Bud Stewart, Mrs. Bob McKee, Mrs. Garnett White, Mrs. Arch Hosiack, Mrs. Al Keith, Mrs. Jack Erickson, Mrs. Bob Drabik and Mrs. Paul Lewis.

MRS. RALPH COULIETTE and daughter, Linda Faye, of Enterprise. The young lady was not the first baby born in Fish Memorial Hospital, but she did arrive on Dec. 30, in time to be claimed for a tax exemption for 1961. She was welcomed home by three brothers. (Cox Photo)

When the home and its grounds are well landscaped and planted, pride of ownership increases greatly reports the American Association of Nurserymen. This, in turn, is of tremendous interest to mortgage bankers, since the funds loaned are a lot safer than if the property deteriorates. The home owner gains by higher resale value for the property, as well as happier and healthier "garden living."

Vigilante Club Plans Program For New Year

Newly elected president, Mrs. Darwin Smith, presided at the first meeting of the year and welcomed two transfer members, to the Vigilante Navy Wives Club 211.

Reports were given by committee chairmen and several new committee chairmen appointed to help outline a successful administration. Mrs. John Holbrook volunteered to be in charge of the cancer bandages.

The third Monday was designated as a social get-together day for the club. On Jan. 22 at the first social of the year, two new members, Mrs. T. C. McAnally and Mrs. R. D. Markland, will be honored. Hostesses for this event will be Mrs. C. J. Beaucou and Mrs. George Freese.

A special day is being planned for the February social when the Vigilantes will be hostess to all the Naval Air Station wives at the NAS Ballroom.

At the close of the meeting, Mrs. William Cadenhead, hostess for the day, served refreshments to those attending.

District Officer Guest Speaker At Enterprise WSCS

Mrs. B. W. Carlton was hostess to the Women's Society of Christian Service of the Barnett Memorial Methodist Church at her home in Enterprise.

Mrs. Bruce Gray of Hastings, district promotion secretary, was guest speaker and gave an interesting talk on the work of the society.

While in Enterprise Mrs. Gray was the overnight guest of Rev. and Mrs. Fred Foster and the breakfast guest of Mr. and Mrs. J. V. Richards at their home "Heart's Desire," on Lake Monroe.

Mission Projects Planned By Circle

The Shirley Smith Circle of the Pinecrest Baptist Church met at the home of Mrs. B. M. Fitzgerald for the January session. Circle chairman, Mrs. Lucille Abrams, welcomed four visitors, Mrs. Cecil Stewart, Mrs. D. S. Munday, Mrs. T. W. Smith and Mrs. W. V. Lanser.

Mrs. Adwon Clark led the devotions for the day. It was announced that the community missions for December were: Christmas tree and decorations for the Little Red School House, including popcorn for the children to string; a gift for each child and items to be used during the year for physical therapy.

Gifts for Baptist Children's Home in Lakeland; Christmas cards sent to each patient at the County Home and the Sarepta Rest Home; and cancer pads made for the Cancer Society.

Community missions projects for this month will be Rags for the Sarepta Rest Home, cancer pads as needed and a large mirror, books, magazines and sand box toys for children at the Little Red School House.

Mrs. Vester Smith presented a program on the beliefs of another denomination. Assisting her with the program were Mrs. Harley Sykes, Mrs. William Gramkow Jr. and Mrs. Clark. A round table discussion by all members followed the presentation.

Brrrrrrrr!

That old saw to the effect that everybody talks about the weather but nobody does anything about it may not be quite accurate.

Men have not, of course, arrived at the stage where they can significantly control weather. That may not be in the future. But talking about the weather has become a field of employment for thousands — in the sense of recording, charting, plotting, predicting, measuring, explaining it in all its varied manifestations.

Which raises the question of what will happen should men one day be able to tailor the elements to suit their whims and needs. Another field of conversation and debate will be taken over by the prosaic certainties of science.

Think of a world in which the weather forecaster is never wrong.

Dr. Crane's

Worry Clinic

Do your hands shake in public? Do they tremble until you rattle your speech notes or music when you sing? At banquets, do you spill your coffee? Are you unable to sign your name in public because of the excessive quiver of your fingers? Then take heart, for I have been selling and speaking to people for 30 years.

"I've tried to take medicine to reduce my tremor, but nothing has cured it entirely. What would you prescribe?"

Many older people are troubled by a very definite tremor of the hands.

This quivering becomes intensified when they try to use their fingers, as in writing. We call it "intention" tremor, for it is greater when they intend to do something with their hands.

Paralysis Agitans is another ailment of elderly peo-

ple in which they indulge in what is called "pill rolling" movements with the fingers. But most of the hand trembling of people of all ages is simply due to excessive self-consciousness and stagefright.

And in all cases, whether medical or psychological, a great deal of relief can be obtained by diverting one's attention from self to the surrounding human beings as by analyzing the latter for merits and then paying them deserved compliments thereon.

If you are thus acting as a social detective, sipping up your companions for good points, you meanwhile forget your trembling hands to a large degree.

But here are some more bits of advice to calm yourself and reduce much of your tremor. If you are talking or singing in public, mount your speech notes or music on a stiff cardboard background.

And then pull gently in opposite directions. In fact, even if you have a single sheet of thin paper in your hands, if you will pull in opposite directions with both hands, you will find that much of the tremor instantly disappears.

If your tremor occurs primarily when you are trying to write, then alter the situation somewhat by pressing hard upon the heel of your

palm. Try to put 25 lbs. pressure thereon.

Meanwhile, write with finger movements instead of the rolling forearm technique.

Another variation, is to fix your legs, with feet far back under your chair and try to lift part of your weight off the seat while you are writing. That will divert your attention, and thereby lessen your hand tremor.

Some people grow nervous at banquets and tremble when lifting their coffee cups to their lips. They may even spill some of the liquid.

In such cases, try grasping the handle with extra force and maintain a tight squeeze on that handle.

Or use the opposite hand, for in many cases your tremor has become habituated to just one hand. If you change hands, you fool your nuisance habit, and may be fairly calm.

As regards medical tremors like those of Paralysis Agitans, certain drugs are helpful, but don't expect a complete cure. And even then, you'll find that the above devices will help lessen the tremors.

(Always write to Dr. Crane in care of this newspaper, enclosing a long 4 cent stamped, addressed envelope and 20 cents to cover typing and printing costs when you send for one of his booklets.)

Fay Henle's

Your Pocketbook

Here's a question I've been expecting from you: On what investment can I get a guaranteed 10 per cent return?

And, here's the answer: education.

Expenditures for education have been doubling every 10 years. Last year, according to a study by the Chase Manhattan Bank, formal education cost Americans nearly \$45

billion, an amount equal to 9 per cent of production of all goods and services.

Included in this staggering figure were the salaries of two million teachers, plus salaries of others in schools and colleges. It included the maintenance and carrying charges on \$43 billion in buildings and equipment as well as the time and effort of 13.8 million high school and college students, whom it is pointed out, might otherwise have contributed to the nation's output.

Because so many people realize the 10 per cent or more return that education yields, the pressure for education is great. A study financed by the U. S. Office of Education under its Co-operative Research Program affirms the economic significance of learning and notes: "State colleges and universities will enroll an increased proportion of the nation's student population."

Based on a survey of 3,000 families on the question of fi-

naning education, half felt that a larger part of the cost of higher education should come out of tax funds.

This same survey reports an overwhelming majority of parents plan to send their children to state colleges, thus imposing more pressure than presently on states and the federal government to finance education.

Why the interest in state-endowed education? In many instances it costs about half as much to attend a state-endowed college as it does to attend a private college. Many educators point out that good students are, and will continue to be, lost to private colleges because of rising costs.

It seems now that business is stepping in to insist that our economic growth is directly related to our educational gains. The bank study points to the fact that the rate of return on investment in education is about the same as the rate of return on business investment. They say, we have not passed the point where a dollar invested in education would yield the community less than a dollar in new plant and equipment.

The question then is: who is to support the financial needs of education, private enterprise or the government?

If you are in any position to make your voice heard, you might drop a note in the company suggestion box. I think you should press for more aid to education from private enterprise. Not only should more dollars come from private citizens but also greater vigilance over the rising cost of learning.

The bank study suggests more efficient programming of classroom use over a longer day and longer school year to reduce from \$12.7 billion to \$4.3 billion the funds which it is estimated will be needed to add new classrooms between now and 1970.

"BOTTLE AND A BIRD"

Letters

To The Editor

Dear Sir:

On your editorial page of January 8, 1962, I noticed a letter from Mr. Lorrey V. Black which has, I am sure, given many people an erroneous impression of their county officials interest in and approach to the construction of the Pine Way Bypass, below the Sanford Naval Air Station.

First, I would like to point out that this project was a recommendation contained in the "Comprehensive City Plan for the City of Sanford" prepared by George W. Simons, Jr., city planner, and adopted by the City on March 19, 1961. It was also a recommendation of the Florida State Road Department in an independent study of Seminole County road needs, made in 1958. Our present Board of County Commissioners has wisely accepted these recommendations and scheduled the first phase of this project, two miles of Pine Way East of Sanford Avenue, for construction during this fiscal year.

I should also like to point out that this is to be a COUNTY project, engineered by COUNTY employees in close contact with the adjacent property owners, and built with COUNTY taxes by COUNTY road crews. There will be no relinquishment of "County Rights" to a State agency for its planning, nor payment of a contractor's overhead and profit for its construction. In effect, this particular project is the first

test of the present Board of County Commissioners determination to build the most miles of modern, up-to-date roads in a planned, orderly fashion at the least cost to the taxpayers of Seminole County and without considering political expediency.

It is also their intention to continue the policy of previous Commissions in building roads where adequate rights-of-way are available. Sadly enough, the right-of-way on most, if not all, county roads is woefully inadequate making it extremely difficult to maintain them and impossible to rebuild them. For this reason, it will be necessary, on almost all projects included on the County's five-year road program, to ask the cooperation of adjoining property owners, who benefit most from the road improvement, in providing the additional right-of-way needed.

The County, in return, will assist these property owners by removing and setting back such improvements as may be affected. With the help and cooperation of these property owners there is a strong possibility that Seminole County's road system, now one of the poorest, may rank, at the end of the next 10 years, as one of the best in our State. This is an opportunity for self-help at the local level, which many of us preach about but very few of us do anything to accomplish.

To return for a moment to Mr. Black's letter, I would like to point out that he is

the only property owner on Pine Way that we have not been able to personally contact, even after several attempts. This would seem an appropriate place, then, to extend him an open invitation for a personal conference at a time and place convenient to him, so that we may go over this proposed project in more detail.

Yours very truly,
W. C. Bliss, Jr.

Medical Aid Bill Fight Shapes Up

WASHINGTON (UPI) — Democratic leaders in the Senate and House have served notice they will wage a strong fight for President Kennedy's proposal for medical care for the aged.

Senate Democratic Leader Mike Mansfield said Sunday that if the medical care plan is blocked in the House, it would be offered as a Senate rider to some other House-passed measure.

House Democratic Leader Carl Albert predicted the proposal for putting medical care under the Social Security program would pass if it came to a vote.

WASHINGTON—(NEA)—The ability of four young U. S. diplomats to handle recent crisis situations in trouble spots around the world may give some reassurance to critics who complain that the State Department career boys are always gumming up America's foreign relations.

John Calvin Hill Jr., 40, Arkansas-born Princeton graduate and Army captain before he joined the Foreign Service 15 years ago, was assigned to Dominican Republic last May. He was there when Dictator Trujillo was assassinated, since the U. S. ambassador had been recalled, young John Hill as consul, later consul general, became top American official.

It soon became evident from his reports back to Washington that he had the situation in hand. When a mob surrounded the U. S. consulate one night, Hill invited the leaders inside and won their confidence. He won the confidence of the Balaguer government and the Trujillo heirs, also.

When his reports indicated the Trujillo was thinking of sailing power, Washington sent a U. S. Navy fleet off-shore to calm them down. Then Hill gave the Trujillo visas to get them out of the country. And he kept the government and its opponents talking to reach agreement.

He had good help for several weeks from Deputy Asst. Sec. of State Arturo Morales Carrion of Puerto Rico. But the situation there now looks more promising than it has in years. And much of the credit is given to Hill, who has been made charge d'affaires, pending appointment of an ambassador.

Credit for another outstanding job is given to Frederick Earnest Nolting Jr., 51, a native of Virginia and a Harvard man. He was given his first ambassadorial assignment to South Viet Nam nine months ago, after eight years in Washington and four years on the Paris NATO staff.

Going into Southeast Asia cold, he has with great patience, tact and skill negotiated a new agreement with President Diem.

His government is to be strengthened, his army increased from 170,000 to 200,000 men and more United States aid is to be furnished to strengthen its drive against the Communist. For the first time in years, there's hope.

Back in Washington to report, Nolting admits the situation won't improve overnight and maybe not even this year. It's a long-time job. A lot depends on ability to control Viet Cong infiltration from the north and stabilization of the situations in Laos and Cambodia.

Two other foreign service stars the State Department now points to with pride are in the Congo.

The first is Amb. Edmund

Peter Edson

Political Notebook

Asbury Gallion, 51, a Kentucky-born son and grandson of Army officers, also a Princeton man. He was given his first ambassadorial assignment to Leopoldville last September after service all over the world and two years of wrestling with disarmament.

In four months, he has brought together Congo Prime Minister Cyrille Adoula and Katanga President Moïse Tshombe for talks on unification.

Basis for an agreement has been reached. It still has to be carried out and it may fail. But for the first time there's a chance for peaceful settlement.

The spectacular foreign service man in the Congo, however, is Lewis Hoffacker, 39, Pennsylvania-born graduate of George Washington U. An Army lieutenant and a Ranger, he was assigned as

consul to Elizabethtown, Kansas, from the U. S. embassy in Paris.

U. S. Sen. Thomas J. Dodd, R-Conn., credits Hoffacker with "one of the bravest acts I have ever seen." With their wives, they were in one of President Tshombe's cars, on their way to dinner in his house. They were stopped by a truck across the road, surrounded by soldiers. From the truck came cries for help from a badly beaten UN official.

Leaping from the car and shouting that he was an American consul, Hoffacker, though unarmed, rescued the official and carried him to the Tshombe car. Later Hoffacker effected the rescue of two other UN officials being held by undisciplined Katanga soldiers.

His laconic report to the State Department closed with the sentence, "Dinner was a slightly delayed."

Dick West Says

Expressin' Disgust

WASHINGTON (UPI)—If there is a Boy Scout around who is bucking for a merit badge in wig-waggery, here's a chance for him to do his good turn for the day.

I need someone skilled in the use of signal flags to send a message to the good people who live on the other side of the mountain from Reeds Spring, Mo.

According to an item I saw in the Congressional Record, the residents of that isolated community in the Missouri Ozarks have petitioned the Post Office Department for a franchise to operate a Pony Express service.

Their spokesman explained that they now have to travel six miles over the mountain to reach the nearest point where mail is delivered. If they want to visit the post office, they have to go 14 miles.

In a letter to the postmaster general, which was reprinted in the Record, Darrel D. Frennell of the Table Rock Lake Chamber of Commerce said there used to be a post office "within spitting distance" of the community.

But it has long been closed and the community's present modest goal is to bring some sort of mail service "within walking distance."

Frennell said the area "has been surveyed and resurveyed until the surveyors meet each other coming and going. Reams of petitions have been dutifully signed and sent to some never-never land to be heard from no more."

In fact, he said, the standard greeting in those parts is, "I'll sign your petition if you'll sign mine." But despite all of the surveying and petitioning, there is still a moun-

tain between them and the mail.

This is what prompted Frennell in desperation to seek the postmaster general's permission to operate a Pony Express.

"And please use your most potent influence to ally another round of surveys," he added.

Frennell said the community also is without telephone service, and that is why I thought a Boy Scout might come in handy. I would like to wig-wag word across the mountain that they are not alone in this privation.

On Uny Nuafo'ou Island in the South Pacific, the situation is even worse. It having no harbor, the islanders have to swim out to meet passing ships and collect the mail in sealed biscuit tins.

According to the National Geographic Society, Nuafo'ou probably is the only place on earth "where sharks rather than dogs nip at the heels of the postman."

So even if the Missouri postmasters don't get a Pony Express, they still have something to be thankful for.

BETTIE BAILEY
MARGIE WOODS

Strikes ... Spares

By John A. Spolaki
You know, in checking the dates of our forthcoming Men's Annual City-Wide Tournament, we have only four more weekends until we actually are bowling in it.

I hope I'm right in my feelings that the majority of the applications will be submitted within the last week of January as the entries close mid-night, Feb. 1.

The tournament committee and especially the association secretary, Sonny Estridge, have spent an awful lot of time trying to prepare properly for this gala event.

I hope the men don't let 'em down. Remember, it's handicapped ... so everyone has an equal opportunity to win!

It's been a long, long time since we had so many exceptionally high scores turned in, such as we had this past week.

Even the women exploded with a rash of big ones!!!! Let's salute the lovely ladies, first, shall we?

Midge Woods (McRobert's Tire) of the Sandspur League came thru again in fine fashion.

The Sandspur League bowls alongside of the Men's All Star League on Wednesday evening. And all during the night, counterman Pete Dugan was announcing the men's high scores over the public address system.

It wasn't until the very end that Midge's big game was announced, a 225, that really brought forth a tremendous round of applause from the men on hand. She ended the night with a respectable 534 series.

Couple of other goodie bowlers in this league were Lil Ogden's 187; Vicki Carter's 178; Pats Underwood 180; Jane Adcock 190 and 193/350.

Dependable Margie Woods (Monroe Harbor) led the Hi Nooners League with a 205. Hey, walk a minute Johnny boy ... look again and you'll see another big one - 208 by Shirley Simas (C.P.O. Wives). Congratulations, Shirley.

Smokie's Rochels, there's another one! Evelyn Pilgratrik (Mowlend) Driv-in banged home a 202. Another near-miss on the Charmed Circle was Dot Button's (Lovely Lady Beauty Saloon) 191/311 set.

Stop the presses, men!!!! As I'm typing this column in my office, the Holler Motors/Navy Wives League is bowling out on the lanes.

A tremendous roar of cheers penetrates thru the walls, so I rushed out to find out what had happened!

Stand by Mr. and Mrs. America!!! Gen Thompson of the VAH-3 team had made a strike.

And if you don't think that merits a round of applause, you just check with her teammates. They tell me that Gen hasn't had a strike for the last two months! That's eight weeks of bowling, my friends!

Gen, as far as I'm concerned, you have just won my nomination as the Bowler of the Week!

Golly, but I wish the bowlers would use their complete names and not just the first name or nick-name.

As an example, in the Jet Bowlerettes League, Ariene 717 of the Ivey's team was high for the league with a 188/315 series. (Now watch all of the Arlene in Sanford say, "Did you see my name in Strikes and Spares? I was high for the entire league!")

Betty Drummond started to bowl about six or seven months ago.

On Wednesday morning I thought the walls would burst from the screams of her teammates encouraging Betty on with her strikes. She finally ended the string at 215. Her first 200 or higher game. (Ahem, Betty! I won't even tell 'em that at the start of the next game you were so excited that you tripped over the foul line and went three-quarters of the way down the lanes. I won't even mention it, Betty!)

At times and space permit, let's scan the leaders and scores of the other leagues here at Jet Lanes.

Mary Jane Gorton (Sanford Herald) had a 199/468 series which was led by Donna Dondonville (Karn's Insurance) who also had a 464.

Verna Bolton led the Hemp Hill Motorettes with a 200/500 series on Tuesday a.m.

JET LANES KEGGERS - Bill Stein 220 and Terry Patterson (Riggs Sunoco) 536 series.

KINGSWOOD BLDRS - Sunland - Nancy Vinson (Vigilantes) 174 and Martha Kinard (Cherokee Spintars) 462.

THURSDAY NITE MIXED - Verna Bolton (Appleby's Rest.) 524; Dave Dearolph 213; Bill Foster (Pryor's) 550 series.

ALL STARS - Ed Cellan (Mar Lou Rest.) 250/639. Glad to see Ed break out of his slump.

That's just about it for this week. Remember, the Monthly Classic at Jet Lanes on Jan. 22 at 10 p.m. The best bowlers from Central Florida will be on hand to compete.

RAPID ROBERT FELLER, FORMER CLEVELAND HURLER WHO'S ELIGIBLE FOR ELECTION TO THE HALL OF FAME FOR THE FIRST TIME AND THE BIG QUESTION IS: WILL HE MAKE IT THE FIRST TIME? IN THE VOTE NOW GOING ON.

Missing Several Key Cage Stars

JOE DIMAGGIO WAS ONE OF THE MOST RECENT GREATS NOT TO MAKE IT THE FIRST TIME, BUT SUCH IMMORTALS AS TRIS SPEAKER, GROVER ALEXANDER, EDDIE COLLINS, GEORGE SIELER AND ROGERS HORNSBY HAD TO WAIT, TOO.

Top Class A Pups Clash In SOKC Feature

Hurry Now, owned by Charles Lovely, and Paul Boone's Jeff Mac, two pups who have skyrocketed from the Maiden Class to Grade A competition since the season started, clash with six more experienced speedsters in tonight's featured ninth race at the Sanford-Orlando Kennel Club.

Hurry Now proved the opening night sensation when he graduated from the Maiden Class by winning the first official start of his career in a sizzling 31.09 seconds with a tremendous lead of 23 lengths. The clocking has not been equaled this season. In his seven starts Hurry Now has not yet missed the money and has posted wins in Grades M.D.C. and B.

Jeff Mac won his maiden race Dec. 19 and has since scored in Grades D.C. and B.

He had his first main event start in the matinee last Friday and romped home second just a half length behind the winner.

Rounding out tonight's feature field will be Big Callhoun, Kid Lee, Sky Ruby, O. B.'s T-Bone, Ever Zip and Tarkey Ton.

The second half of tonight's daily double and also the seventh and tenth events will send the greyhounds the long 1/16th-mile distance.

Missing Several Key Cage Stars

Bud Lyster's Seminoles will seek their sixth victory in nine games tonight at 8 p.m. as the Sanford cagers play hosts to Bob Moore's Black Knights of Florida Military School in a contest that will see Sanford without several of its key players.

Mike Woodruff, a relatively-low percentage player, but a top scorer on the Sanford team has missed the last few games because of illness. Coach Lyster listed Woodruff's chances of playing tonight as "possible." If Woodruff is able to play, he will be in the starting lineup for the Seminoles.

Woodruff has been working out in the practice sessions but still has a long way to go before getting back in the scoring competition. He thrives easily and the best use that Lyster could make of him tonight would be in short stretches.

Bubba Davis could also be out of action tonight for the Seminoles. Davis was working out on the court and sprained an ankle as he came out of a layup on his pullaway twist.

The probable starting lineup tonight will see Ken Gustavson at center; Barry Brown and David MacGillie as forwards; and Mike Woodruff and Mutt Johnson as guards.

Tallest man and center for the Black Knights is Jim Pappas, a six-foot-three Junior. Other players the Sanford cagers will face are Mike Duneen, six-foot-one; Peter Sull, six-foot-zero; Thomas Bokor, six-foot-zero; and Kenneth Hicks, five-foot-eight.

Here is a statistical roundup for the Sanford Seminoles cagers at the end of eight games to round out a (5-3) season record:

Ford, Berra To Sign Yankee Packs Today

United Press International Yogi Berra and Whitey Ford, who rather enjoy doing things like this together, will participate in a double-signing ceremony today that will bring them a total of \$102,000 from the happy-to-pay-it New York Yankees.

Berra will get \$62,000, representing only a token raise over his 1961 salary, but Ford will receive a whopping \$14,000 boost to \$60,000 as a reward for the superlative 25-4 record he compiled last season.

The contracts will be the best ever signed by both. Yogi's previous high was \$50,000 for which he worked last year and so was the \$36,000 paid Ford in 1961.

Berra and Ford thus become the second and third Yankee players who have agreed to terms, Mickey Mantle being the only other member of the club to have signed previously. General manager Roy Hamey, however, indicated he hoped to sign Elton Howard and Bill Skowron later in the week.

The Yankees aren't worried over the fact, but the neighboring New York Mets are ahead of them in the contract signing department.

Infielder Charley Neal and pitcher Ray Davault became the seventh and eighth members of the Mets to sign Monday. Neal drawing an estimated \$25,000 and Davault a bit above the minimum.

Neal, purchased from the Los Angeles Dodgers on Dec. 9, is ticketed for second base, according to Casey Stengel's present plans, and the right-handed Davault for bullpen duty.

Right-hander Don Cardwell, who had a 15-14 record for the Chicago Cubs, signed his contract, receiving what general manager John Holland called "a well deserved increase."

Utility infielder Dick Schofield became the eighth member of the Pittsburgh Pirates to sign for the 1962 season, while the Detroit Tigers managed to satisfy shortstop Chico Fernandez and outfielder George Alais.

Pitcher Joel Horlen, first baseman Bob Farley and

Contractors Hold First Place Lead

Leroy Benton's Contractors maintained their lead in the Tuesday Night Businessmen's League last week, but the two teams representing North American Aircraft, Autotronics One and Two, provided the shockers. For the second week in a row, the Number Two team took four points, dumping Wally's 66 4-0. The Number One team downed Seminoles Sporting Goods.

Owens Gulf held second place, while Davis Builders, led by E. A. Davis Jr.'s big 245-500/818 took four points to strengthen their third place position. Sanford Electric and Smith American round out the first division.

Other outstanding games last week saw Harry Schob record a 220-203/601; John Spolaki a 204/354; Herb Earle a 201/340; Carl Von Herbulis 200/340; and Ed Parsons a 200/308. Bud DeJong rolled a 582 series; C Wallis a 345; Michalek a 330; M. G. Simmons a 308; and Bud Gudmund a 318.

The 3-10 split fell for Betty Miller, DeJong and Earle who also topped the 5-7-4 along with Rugenstein, R. Z. Johnson and Karmet Carter solved the 6-7-10; Russ McKenzie the 5-7; Al Moreis the 5-8; Robinson the 2-7; and Barnes the 2-5-7.

Powell's Team Still At Top

Powell's Office Supply kept the top spot in The Thursday Nite Mixed League after this week's play, but missed the chance to build up their lead as they dropped two games to Team Seven. This gives Powell's 46 wins in first, while Pryor's State Farm Insurance is holding down second spot with 44 1/2 wins.

Wilson-Matier Furniture is in third with 43, while Team Seven has 42, fourth and Appleby's are fifth with 41 wins, just five games out of first.

Steno's Alistars, Stine's Machine Shop, Team Two, Pierra's Mfg. and Steiner Roofing are all closely bunched behind the top five.

Bill Foster has high for the league with a big 536 scratch, but Dave Dearolph, with 577 and Carl Von Herbulis with 574 were scoring some big strikes, also. Ellen Betts led the women with a 524. Pat Fitzpatrick had highest game of the evening.

Splits were few, as Dearolph and Fitzpatrick made the 3-10, Ken Stone, Dot Waltz and Doug Halls also got this baby one. Hal Glitzart converted the 1-8, Stacked Bolly and Ruth Phillips picked up the 5-8-10, Danny Armas made the 5-9, Tanna Carder 2-7, and Joanna Bass topped the 3-9-10 to close the split circle for the week.

Bowlerettes Start Second Half Of Winter Bowling Season

The Jet Bowlerettes started the second half of their Winter Bowling League with Ivey's Shoe Store in first place. Close behind was Adam's Painters followed by Yowell's, Toy Corral, Harriet's Beauty Nook, Richard's Hair Stylists, Mary Esther's, Park Avenue Pharmacy, Bill's Tavern and Dawn's Beauty Salon.

This week's bowling saw Harriet's defeat Dawn's by three games with Kay Bowman of Harriet's rolling a 182 and Fran Stumpf having a high game of 178 for Dawn's.

Lucy Mayer's 177 was high for Mary Esther's as this team won three games from Richard's. High Bowler for Richard's was Shirley Martin with a 147. Toy Corral took three games from Park Avenue with a big assist from Elaine Kistival who rolled a 161. Betty Smith was high for Park Avenue with a 154. Kay McInaile led Yowell's to a three game victory over Adam's Painters with a high game of 167.

Beverly G r a k a k i e v e s bowled like a professional for Adam's with a high game for the day of 196. Ivey's won three games from Bill's Tavern with Ariene Deodery being high for Ivey's with a 188. She also had high series of the day with a 515. Daphne Beauchamp was the top bowler for Bill's with a 164.

Splits were made by Tina Parker with the 3-10; Alice

Legion Takes Over 1st Place

Hauptl the 4-7-10; Verna Bolton the 5-7; Beverly Grabarkevics the 5-8-10; Betty Smith the 4-3; Elaine Kostilow the 4-3-7; Betty May the 6-7-9; Marian Bent the 4-10 twice; Kay Bowman the 3-10; Pat Dearolph the 3-10; and Bertha Neville the 5-7.

In the Jet Lanes Keglers League this week, American Legion took first place in position night playing by 14 point over first place Kwite White. The record now stands with American Legion holding 30 wins and 25 losses, and Kwite White 38 1/2 wins and 25 1/2 losses.

In third place is Craig Cars with 35 wins and 20 losses. Other placings are: Wheeler Fertilizer, O. K. Tires, Riggs Sunoco, Barley's Sinclair and Glen's Phillips 66.

Bill Stein of Glen's Phillips 66 rolled the high game for the week of 220, with Terry Patterson of Riggs Sunoco taking the high series with 556.

Splits made included the 4-10 by George Swann; the 3-10 by Bob French; and the 6-7 by Bill Gammage. Jerry Windom converted the 5-10 twice, with Douglas Smith making the 4-3. Charles Tournoux, Bob French, and Don Dorman all made the 3-10.

Board Cool To Teacher Politicians

Regarded As 'Just Not Good Policy'

The County School Board today appeared "cool" to allowing teachers to seek political office saying it was "just not good policy for teachers to be in politics."

Board member John Brumley, the most outspoken member of the board, said "We should discourage teachers from seeking political office... they can't hold two jobs."

Supt. of Schools R. T. Milwee asked the board members their feelings on allowing a teacher to seek a post in the legislature. Milwee said that one teacher (he asked the press not to use the teacher's name) had come to see him about running for that office this year.

Milwee stressed that the board would have to give the teacher professional leave and hire a substitute and it might create a precedent.

The majority of the board favored discouraging any teacher entering politics but agreed to talk to any teacher interested in the job before settling any clear-cut policy.

Brumley stressed over and over again that he didn't see how a person can teach and run up to Tallahassee all the time.

"It's just too hard a job," he added.

College Aid Bill Given Top Spot

WASHINGTON (UPI)—Congressional leaders today hung a priority label on President Kennedy's \$2.7 billion college aid bill.

The newspaper, quoting "reliable sources" in Vienna, said the former right hand man of Stalin left the memoirs behind when he returned to Moscow late last year and instructed that they be deposited in a bank in Switzerland.

Western diplomats contacted by United Press International in Vienna indicated they were skeptical of this report.

The Soviet Foreign Ministry said today it had "no news" about Molotov's plans. He was understood to still be in Moscow.

1000 Pupils To Be Transferred

The County School Board today voted to move 1,000 youngsters from the Lyman School in September and make the school a "complete high school."

At the same time the board agreed to boost the technical training program at the proposed new junior high school in South Seminola.

Supt. of Schools R. T. Milwee asked the board to move grades seven through nine from Lyman to the proposed new 28 classroom school which will be ready for occupancy Aug. 1.

Milwee stressed that there would be plenty of facilities at the new school and the board and architect John Burton went over plans for the new facility located in the Casselberry-Farm Park area. The board also agreed to broaden the curriculum at the new junior high school with special emphasis on technical electronics "in the wake of the coming Nova project," Milwee said.

The board voted to move a 900 square foot building at Lyman to the new school plant for use as a temporary band hall until a permanent facility is constructed there.

25 Acres Burned By Four Fires

Four separate fires burned approximately 25 acres of grass and forest land Tuesday in Seminole County, according to Ranger Lewis Williams of the Seminole County Unit of the Florida Forest Service.

A fire which burned one acre of forest land on SR 427 a quarter mile north of Five Points on Highway 17-92 at noon Tuesday allegedly started from a trash fire which got out of control. Charged with letting fire escape to adjoining land is Mrs. Betty J. Sims of Route 1, Sanford.

The Forest Service also reported a fire on SR 44 started from a trashpile out of control early Tuesday afternoon. Charges have not yet been filed pending further investigation.

Fires from the County Dump spread late Tuesday to envelope some 15 acres of land adjoining the county property. This fire still is under investigation by the Forest Service.

Additional fires in the County included three fires in the Paola area, estimated to have burned three acres of forest land. The fires occurred near railroad tracks. Forest Service officials suspect sparks from a switch engine.
