Diamonds are a girl's best friend and John Kader of KADER'S JEWELERS is her favorite and reliable Jeweler. Mrs. Frank Mebane, Jr. beams with delight at the diamond earrings and bracelets John shows her which are in perfect accord with her specially designed diamond necklace. A glittering occasion calls for sparkling diamonds but quality and magnificent semi-precious gems are also available at Kader's for the budget-minded, not only for the Ball, but every day.

With but little more than the wave of a magic wand, Mrs. Burchard Poole, right, manager of THE VOGUE SHOP, shows Mrs. William Stemper the versatility of the sophisticated two-piece white gown she models. ZIP and the bottom slit tier is removed, transforming the floor-length gown into a dramatic cocktail-length skirt. For the long and short of after-five, The Vogue has an exciting selection including lavish shells and companion items for the most elegant of gowns.

Not only can milady be exotic for that most important evening, but the formula for round-the-clock skin magic awaits her at the fashionable boutique, MERLE NORMAN COSMETIC STUDIO. "Try Before You Buy" is the Merle Norman slogan with a free demonstration on three steps to beauty given each patron. Included in the regular cosmetics line is an array of lavish gift items, which manager, Mrs. John Shepard, points out to skin expert, Mrs. Warren McClung.

ACL Launches Safety Drive A campaign aimed at helping to reduce traffic accidents has

been launched by the Atlantic Coast Line Railroad, W. Thomas Rice, ACL president, announced

Highway safety is one of the most serious problems in this nation, and it is a problem of deep concern to Coast Line's management, Rice said. The comprehensive campaign, entitled, "The Crossroads of Life," is primarily a driver education program which includes speakers bureau, billboards, radio and TV announcements and brochures designed to make the public more safety conabout causes of accidents and what is being done to prevent them, and deals with attitudes

of drivers toward law enforcement, their own lives and the lives of others. "We will be happy to provide these educational materials for driver education groups, civic clubs, and other organizations, and we want to present a slide program to as many organizations as is possible," he said. "We are particularly interested in getting the message to schools and driver education classes. For that matter, we are interested in any group or individual, because almost everyone today drives," he added. He urged any group inter-
