Blackenzie into the icer, conducting a department of upon to anticipate coming events. But the Pythian Apol- and counties, from the standpoint Hathaway camp, Taylor received the people's government. But that to at Delphi, commonly called the Delphic oracle, had a repu-tation for never failing and was sought from Gibraltar to valuable and influential in their Mesopotamia by those who would learn their fate.

Such prophets were frequently consulted, and usually thoroughly depended upon, for an accurate interpretation of the future. People actually believed that in the rustling of the lending events of the flight of birds, or the smoke that rose from burning willing of the flight of birds, or the smoke that rose from burning willing of the flight of birds, or the smoke that rose from burning willing of the flight of birds, or the smoke that rose from burning willing of the flight of birds, or the smoke that rose from burning willing of the flight of birds, or the smoke that rose from burning willing of the flight of birds, or the smoke that rose from burning willing of the flight of birds, or the smoke that rose from burning willing of the flight of birds, or the smoke that rose from burning willing of the flight of birds, or the smoke that rose from burning willing of the flight of birds, or the smoke that rose from burning willing of the flight of birds, or the smoke that rose from burning willing the flight of birds, or the smoke that rose from burning willing the flight of birds, or the smoke that rose from burning willing the flight of birds, or the smoke that rose from burning willing the flight of birds, or the smoke that rose from burning willing the flight of birds, or the smoke that rose from burning willing the flight of birds, or the smoke that rose from burning willing the flight of birds are the flight of birds. paigns went awry, how many tasks were failures, how many deaths resulted, because the oracles predicted falsely; histery does not say.

Personally we should prefer the hard common sense of Lauderdale News, Eustis Lake some well tried business man. We should prefer a prophecy Region, Palatka Times-Courier, from the lips, or pen, of a man who has observed life, with its causes and results, for sufficient time to know when he sees something happen what its effect will be. We have known men of our modern era in whose predictions we would place far greater confidence than in any oracle of old.

Over one year ago in February of 1927, the Tampa to the ant, thou sluggard, consider Times published an editorial, in which has foreseen the ways and be wise: Which hav- election of Doyle Carlton to the governorship of Florida. ing no golde, overseer, or ruler, few months ago, with Appleyard, Taylor, MacKenzie, Beacom, provideth her meat in the summer, Carlton, Carson, Catts, and Hathaway, all in the running, an accurate prediction as to the outcome would have been little short of remarkable, but over two years ago, when it was stance, the counties in which an en-PRAYER-We would, Lord, ev- not-kativa who would be in the race, it was certainly some- thusiastic and vehement supporter

The Times at that time said in an editorial called "An

THEIR ETES THAT VEIL No. of the Crucker horse race, an event sponsored by the proved a better picker and a better civic clubs of Tampa in which' Florida horses and Florid t prophet than the Miam! Herald. riders participated, which was run Tuesday afternoon, was Duval, where the Journal's edisuch a success, from every point of view, that announce- torial columns and the Timesment was made immediately upon its completion that it will in be an annual offering of the South Florida fair.

"Doyle Carlton riding for the Kiwanis club, won handily. Governor Martin presented him the big silver cup going to the winner. John S. Taylor, president of the state senate, sat by and looked on as all this transpired.

"Those who look for omens, political and otherwise, see an omen in this. As is known, John W. Martin is governor That will not be content in the of Florida. Doyle Carlton is an announced candidate to succeed him. Senator Taylor is spoken of as a candidate. From these premises the omen-seers figure out the 'Cracker horse race' omen after this wise: John S. Taylor won't be in the gubernatorial race, but will sit by and see it go on. Doyle Carlton will win that race and Governor Martin will delive I do not pray at your altar, do not the affairs of the state over to him, as he did the silver cup Tuesday afternoon.

"There may be something in that. Then, again, there met with you, may not be. In the meantime it is quite a while until the from the light of the sun. 1928 primary—and Doyle Carlton is demonstratedly som Only in the presence of the mys-

Hoover's Nondnation

Just as had been expected by practically everyone for the same way. When you put says he is having to last few days, and as had been predicted by his friends for his months, Herb Hoover was nominated last night on the first in the hands of this agency notel accommodations during his months, Herb Hoover was nominated last night on the first in the hands of this agency five day stay at the Kansas City ballot. Satisfied at last that Coolidge's definition of you know that your inconvention. Some of our Florida "choose" is a reasonable one, hundreds of delegates who hotel operators might not some gladly would have flocked to his banner, turned at once to at all times. You know good ideas from Kansas City. The man who most nearly resembled him in political policies that all your interests are and business astuteness.

It should be gratifying to Floridans to know that the Rscain demonstrating the demand publican delegation from this state was with Hocver from for education in Florida .- Gaines, the first. That is, the delegation, which convinced the creville Sun.Floridans are begin dentials committee that the Bean aggregation were "has beans," were with Hoover from the first. In the event he is mer training at Florida's great elected president he will undoubtedly remember the support which Florida gave him in the convention.

While we admit an increase in Republican strength in Florto the editor of the Jacksonville ida, and while we believe Mr. Hoover to be more acceptable 221 Magnolla to the South than many who might have been nominated, we brilliant with an oblong face than are not among those who think he has any chance of carrynarrow with a small raind.—De- ing this state in November. When two hundred and forty land News. The editor to whom, thousand Democrats trek to the polls in a primary, it will be we believe, you refer was broad a practically impossible task for many years to come for Remough to stop a number of bul- publicans to muster enough to defeat that number in the general election.

It will, however, with five million more Republicans than blican convention tells his Democrats in the nation as a whole, require some rather inbrother that this state will be tense research work at Houston to find a man capable of one of those to break from the winning against Hoover. We believe this end is most to be Bolld South in November, If desired. We believe that the South will more readily pro-Hoover is nominated. Hoover, of course, will be nominated, but we doubt if Florida will break break believe it will come. As the saying goes, it again looks like

Knowing this, Wall Street will probably take heart with many Florida votes, but this Hoover's nomination. After nearly four years of the greatstate will still, in our opinion, est session in history, stocks dropped out of sight Tuesday romain in the Democratic column. and Wednesday when it became apparent that Coolidge meant The Star is pleased to note what he said. But with a man of equal strength in the saddle. that among the candidates it voted according to New York newspapers, a rise is immediately

each boy was the choosing of the All reports and special active boys were tied up for the honor ties of each boy were accurately and the tie could not be broken, kept by the scribe of the camp, so there had to be two prizes.

Brown. LEADER: Jim Stolnoff.

This part of the program held

On Wednesday night after the Thursday was a blue ribbon council ring the boys went on a day for all in camp. It was set Treasure Hunt. Tales were told of uside as visitors day and a number one 'Long Knife" and "One Eyed of parents visited the boys during Pete." The story went that two the day. At night, around the men had buried a chest of valua-Council fire, each Lodge had a bles near the camp and guarded stunt. This was a special feature it all hours. The boys found the visitors stayed over for this pro- and while they were digging it up gram. It was a wonderful exhir who should come up but the bition of the boys' talent and I ghost of One-Eyed Pete. Not a would have been a success on minute was lost in giving hi mall helter skelter through the

The following are the names of the room he wanted. The boys ran the four tribes of boys, each tribe woods in search of a hole in which occupying a separate building with to hide. On the way back to camp Long Knife fired his gun and the OS KE WO WO: George Moye, hoys went to bed expecting every (sheriff) Joe Lively, Joe Marendy, come walking up. This was the only time Sally Pete Cummings SEMINOLE: Wallace Philips, and his "Sacred Durby" were Jessee Cook, Jack Hyatt, G. S. separated. He begged his feet to
