

Gainesville Laces Out 8 to 3 Win Over Lookouts

Hayes Touched For 11 Blows; Torres Triples

Sanford Errors Contribute Largely To G-Men Victory

By E. H. CULLUM.

The Gainesville U-Men defeated the Lookouts here yesterday afternoon, 8 to 3, in the only game of a scheduled double-header, the second game being postponed in the beginning of the first inning account of rain.

Lefty Hayes, on the mound for the Lookouts, gave up 11 hits, good for seven runs.

The G-Men put over their first two runs in the fourth inning. Pittman opened the inning with a double to left field, Beach singled to short right, Langston letting the ball get away from him, Pittman scoring and Beach

Sanford Lookouts will meet the DeLand Reds in a double-header here tomorrow at 2:30 P. M. It is the final twin bill on home grounds between the two teams.

going to third. Pfeifer popped out to short, McMullen laid down a bunt to Hayes who froze to the ball, Beach scoring and McMullen safe on first.

They added one more in the fifth, the result of errors by Shortstop Clary and Third Baseman Cates and secured one run in each the sixth and eighth innings, and three in the ninth.

Sweeney, on the mound, yielded up two runs on two hits in the first inning. Clary, first up, drew a base on balls, Langston fouled out, Bistruff struck out. Cates doubled to left field to score Clary and Torres singled to right to score Cates.

The Lookouts' final run came in the eighth. Langston went out to right field, Bistruff singled over the pitcher's head, Torres hit to the left center fence for a triple, bringing in Cates. This ended the scoring.

Although Hayes gave up 11 hits the game was really lost on errors made by his teammates, no less than seven of commission and any number of omission being made. Hayes struck out 10 and walked only two, while Sweeney struck out three and issued one base on balls.

McMullen starred at the bat for the G-Men getting three hits out of five times up, batting in three runs and scoring two. Torres for the Lookouts got two hits out of four trips to the plate, batting in two of the three Look-out runs.

Adair pulled the fielding gem of the day when he went into deep left field foul territory to get Cates' long fly right off the scoreboard in the sixth inning.

HELEN STEPHENS WINS OLYMPIC 100-METER TITLE

Helen Stephens, the farm girl from Fulton Mo., gave the United States its first victory in women's track competition when she won the Olympic 100-meter championship in Berlin. This radiophoto shows her crossing the finish line in one of the heats. In that heat she was timed at 11.4 seconds, breaking the world's record by four-tenths of a second. (Associated Press Photo)

Jesse Owens Is Riding Crest Of Shining Career

American Stars Cut Mighty Pathway Through Olympics

OLYMPIC STADIUM, Berlin, Aug. 6.—(AP)—Jesse Owens stood on the highest level of the Olympic victory platform yesterday with cold rain pelting his bare head and the cheers of 100,000 spectators ringing in his ears.

It was the supreme moment in the life of the 22-year-old Ohio State collegian who was born of humble negro parents in the hamlet of Danville, Alabama.

A few minutes before the streamlined, stout-hearted negro had completed the greatest feat of modern athletic history by winning the 200-meter dash in the record-breaking Olympic time of 20.7 seconds for the first Olympic "triple" since Paavo Nurmi, redoubtable Finn, won three championships at Paris, in 1924.

Owens' third triumph in three days—he won the 100-meter Monday and the broad jump Tuesday—distinguished him as the first American to score a "triple" in 32 years, since Archie Hahn, Harry Hillman, and Ray Ewry turned the trick at qualifications at St. Louis in 1904. Few foreigners competed at St. Louis, and Owens' feat at Berlin dwarfed everything else by comparison except Nurmi's Paris achievement in winning the 1,500 meter and 5,000 meter runs and the 10,000 meter cross country.

As the Stars and Stripes was hoisted to the masthead of the victory flagpole for the third time in Owens' honor, the Ohio State negro faced the flag and saluted in military fashion.

Owens alone at the halfway mark of the Olympics has scored more first places in men's track and field than any single nation, and only one less than all the rest of the nations of the world combined.

With Owens setting the pace for the star spangled athletes, the United States continued its triumphant sweep by annexing the discus throw and pole vault championships and setting new Olympic records in the bargain. Ken Carpenter, 230-pound giant from Compton, Calif., won the discus with a new Olympic record throw of 165 feet, 7 1/4 inches. Earle Meadows, 165-pound Fort Worth, Texas boy, captured the pole vault, soaring to a new Olympic record of 14 feet, 2 1/2 inches. Carpenter and Meadows are both Southern California collegians.

Great Britain, winning its first Olympic title of the games, captured the 50,000 meters walk when Harold Hector Whitlock, member of king's guard, stepped off the distance in a new Olympic record of 4 hours, 30 minutes, 41 seconds.

Throughout the cold and rainy day, American athletes staged another victory procession surpassing yesterday's triumphant field day by finishing one-two in the 200 meters, one-two in the discus throw, first, fourth and fifth in the pole vault and writing three new Olympic records into the books.

HARDIN WINS OLYMPIC HURDLES

Glenn Hardin, the lean racer from Greenwood, Miss., won the Olympic 400-meter hurdle championship at the games in Berlin. He is seen in this radiophoto as he took the barrier in one of the heats that saw him finish at 53.2 seconds. By winning the title, he successfully defended his Olympic and world records. (Associated Press Photo)

Azaleas Swamp Islanders 19-8 In Weird Game

Gallegos Equals Loop Record By Accounting For Seven Runs

DAYTONA BEACH, Aug. 6.—Daytona Beach's Islanders took the worst licking they have suffered this year yesterday at the hands of Palatka, but the Islets remained at the top of the league standings, leading Gainesville by two percentage points.

The Azaleas romped all over three Islander pitchers and an outfielder called in for mound duty yesterday afternoon, blasting out five home runs, a triple and two doubles in an 18-hit assault that won for them a 19 to 8 victory.

Teen Gallegos, Palatka manager, tied the league record for runs batted in, set by Manager Andy Anderson of the Islanders, when he chased home seven runs on a home run, a triple and a single in five trips to the plate.

Hines, Azaleas shortstop, got two homers during the wild game, Krzynell, right fielder, and Andrews, centerfielder, also connected for the circuit, as did Gene Balch, Islander catcher.

Walter Brown took in the show-ers with one out in the first after giving up top walks and two homers for four runs. He was replaced by Hank Cornigli, who pitched one and a third innings, giving up three hits, for three runs before he gave way to Jack Hall.

Hall was nipped for five hits and seven runs, including a couple of homers. Then Jack Morton was called in from left field and, making his debut as a pitcher for the Islanders, limited the Azaleas to eight hits and five runs in six and a third innings.

His eyes sparkled.

"Dean came to us as a boy who'd done some pitching and played college and semi-pro outfield. The minute I laid eyes on him though, I knew he was a first baseman, and he has thoroughly convinced me of my early judgment.

"That chap is a student of baseball. You don't find many of those any more. Dean studies closely, asks questions and learns quickly.

"He hopped from semi-pro to the majors but he already has shown such promise that there are very few first basemen in the league I'd swap for him."

Lovill (Chubby) Dean is just 20 years old and weighs 175 pounds. He has a wide smile and an engaging personality. Duke University was his college and he played on Dixie semi-pro teams.

This season was hardly a month old before Dean was regarded as one of the most dangerous pinch-hitters in the American League.

Two Florida Racquetballers Defeated At Southampton

Martin Buxby, Burtz Bulward Fall Before Onslaughts Of Top Seeded Stars, Frankie Parker, Mangin

SOUTHAMPTON, N. Y., Aug. 6.—(AP)—Top-seeded Gregory Mangin, of Newark, N. J., and Frankie Parker, of Springlake, N. J., 1935 winners, started their quest for a second leg on the Meadow club's historic tennis double bowls here yesterday afternoon by breezing through pair of straight set victories to gain the quarter final round of the team tournament.

Their first victims were Martin Buxby, of Miami, Fla., and Watson Washburn, New York, by scores of 6-3, 6-3. Burtz Bulward, Jacksonville, Fla., and Paul Gulbord, Merose, Mass., were only a little tougher, going down by a 6-4, 6-4 count.

The youthful clay court champions, second seeded Bobby Riggs and Wayne Sabin, of Los Angeles, Calif., dropped a set to Esmond and Anstair Martin, of Princeton, N. J., before they could pass their first test at 5-7, 6-3, 6-2.

Sabin was badly off in this match. In their second start the Californians improved sufficiently to crush Bobby Harman, Los Angeles, and Modeste Aloo, Hollywood, Calif., 6-0, 6-2.

Most spectacular match of the day was the one in which Walter Dean and Gene Smith, of Los Angeles, defeated Robert Underwood and William Seward, Stanford University's Eastern intercollegiate champions. Brilliant teamwork by the Stanford duo enabled

Saints Silenced As Casey Duda Hurls Reds To 2-0 Win

DELAND, Aug. 6.—Casey Duda silenced the Saints' hitters here yesterday afternoon as the Reds won over the Ancient City crew by the score of 2 to 0 in an abbreviated contest called in the eighth inning on account of rain.

DeLand scored in the first inning as Dildrisen opened with a single to left followed by Welch's one timer to right center. After Bolling skied to center followed by Chlado's free ticket to the initial cushion Simon dove home the two runs with a hit through the box.

Neither team was able to score after the first inning as the opposing moundsmen settled down into a neat pitchers' duel.

Two successive hits in the eighth for the Saints were wiped out as the rain forced the suspension of play.

Dildrisen was the only player able to hit safely more than once in the game, having garnered two hits in four official trips to the plate.

The Reds engage the Sanford aggregation here this afternoon on Conrad Field in a single game.

Fred Collier Takes Gulf Tarpon Tourney

SARASOTA, Aug. 6.—(AP)—Dr. Fred Collier, Trenton, N. J., last night was declared winner of Sarasota's tenth international tarpon tournament on basis of his 135-pound catch.

More than 300 fish with an aggregate weight of more than two tons were entered in the competition which opened May 15 and closed Aug. 1.

Scores of prizes went to anglers of New York, Boston, Baltimore, Chicago and elsewhere. Sam Milligan of New York took last place with the smallest catch—a 16 1/2 pound tarpon.

Haas Advances In Canadian Tourney

WINNIPEG, Canada, Aug. 6.—(AP)—Fredie Haas of New Orleans, one of the leading United States contenders, played red hot golf yesterday to advance to the fourth round of the fourth round of the Canadian amateur championship.

After smothering Leo Johnson of Winnipeg, 6 and 5, in a second round match, Haas came back yesterday afternoon to shoot a four-under-par 69 and win his third rounder from Bud Deaver of Winnipeg, 3 and 2.

Treatment Of Nationals In Spain Is Hit

Germany, England Hurl Protests At Loyalists, Rebels; Warning Is Issued

Revolutionists Nearing Madrid

U. S. Says Warring Factions Must Pay For American Loss

(By The Associated Press.)
Germany today both protested vigorously to the Spanish government and the rebels against the treatment of nationals in the civil war which is sweeping Spain.
The execution of four young Nazis near Barcelona was called "murder" by the foreign office at Berlin.
Germany also protested the "unprovoked shelling" of a German steamer by a Spanish destroyer. Great Britain warned both sides that suitable steps would be taken if either Spanish Loyalists or Rebels continued to endanger lives and property of British subjects.
The government at Madrid claimed fresh victories over the Rebels in the northern mountains and in Southern Spain. A broadcast statement that the Rebels were on the outskirts of the capital could not be confirmed.
Spain's revolt-threatened Popular Front government was also served formal notice by the United States yesterday that it will be held strictly accountable for the protection of American property in that country.
Disturbed over the potential consequences of the present situation, U. S. officials said.

Martial Law Grips Strike-Torn Greece

John Metaxas (above), premier and "strong man" of Greece, was made "temporary" dictator of his country after martial law was declared to avoid what the government described as a communist-inspired general strike. (Associated Press Photo)

Senate Primary Election Boards Are Announced

Pepper, Carlton And Andrews Are On Democratic Ballot

Seminole County's election boards for the Aug. 11 senatorial Democratic primaries were released today by O. P. Herndon, clerk of the circuit court.
Ballots for the polling have been printed to contain the names of Claude Pepper, seeking the nomination for the late Sen. Duncan U. Fletcher's post, and Doyle E. Carlton and C. O. Andrews, each running for the nomination to the late Sen. Frank Trammell's seat.
The election boards and polling places follow:
Precinct Number 1, Sanford—B. F. Whitney, clerk; Joe N. Melch, W. E. Betts and John Cave.
Number 1A, Sanford—W. H. Haynes, clerk; E. H. Cullum, W. C. Woodford and George D. Hart.
Number 2, Lake Monroe—W. E. Price, clerk; A. S. Hawkins, W. E. Ogelsby and J. C. Moffet.
Number 3, Sanford—C. D. Couch, clerk; Fred Harrison, C. M. Boyd and H. M. Rumbley.
Number 3A, Sanford—N. O. Garner, clerk; Ralph Went, Paul Poxard and Don McKeown.
Number 4, Palms—B. T. Tillor, clerk; J. D. Warren, Earl Denmark and Ben F. Jammas.
Number 5, Oviedo—J. N. Thompson, clerk; C. L. West, O. P. Slone and J. N. Tanner.
Number 6, Geneva—Orle R. Mathieu, clerk; G. W. Sweat, Homer Ballard and Fred Ballard.
Number 7, Chuluota—C. C. Matthews, clerk; W. O. Jarrels, J. F. Storey and Ed Toftoy.
Number 8, Goldenrod—H. C. Parker, clerk; W. H. Pops, R. L. Olson and C. W. Eldridge.
Number 9, Longwood—J. H. Menick, clerk; S. S. Prosser, T. F. Lewis and O. H. Fraiss.
Number 10, Lake Mary—William Munsgrave, clerk; A. C. Burns.
Number 11, Altamonte Springs—Mrs. Bernice W. Howell, clerk; L. E. Brookings, Mrs. Mabil McIntosh and E. A. Durkes.
Number 12, Forest City—A. I. Hodges, clerk; O. E. Downs, Jon. C. Bell and W. B. Husted.

Number 15, Occoosa—Floyd Land, clerk; J. A. Redpath, H. D. Haldeman and L. J. Mizon.
Polling places: 1 and 1A, City Hall; 2 and 3A, Court House; 3, school house; 4, Tiller's Store; 5, lawn hall; 6, community house; 7, Chuluota Community Store; 8, community house; 9, town hall; 10, Glenora Store; 11, community house; 12, no place designated yet; 13, Stanko's Store; 14, Hall's Tavern; 15, Occoosa House.

Contracts Are Awarded On 5 School Routes

Applicants For Jobs As Drivers Must Apply To Heads Of Lines, Lawton Says

Five individuals last night were given school bus contracts covering routes in the Sanford district. The local Board of Trustees made the awards.
C. E. Chorpenev received the East Side route; M. C. Ginder was handed the South Side; the West Side was taken by Carl Fender; the Rev. Alfred Erickson took the Uptown route, while the Golden Lake line is to be handled by V. J. Spentlove.
T. W. Lawton, county school superintendent, said persons seeking jobs as bus drivers should apply to the contractors and not to his office.
Rigid physical examinations will be required of those making applications. Wages will be paid on a salary basis, it was understood, and not by mileage.
The trustee board, in making the contract awards, pointed out that the individuals appointed to the routes each had considerable knowledge of the area in which his buses will operate.
Two vehicles are to be used on the five routes. They will be county-owned. Yesterday the County School Board voted to pay cash for the transportation units in order to take advantage of a two percent cash discount offered by dealers.
Other activities of the local Board last night included the award of a contract to paint the West Side Primary School to Roy Schmidt. The amount of the work will be \$375.
Joseph Russel was named janitor for the East Side School or any other where the post is vacant.
An appropriation of \$5 per month was made in part payment of rent on a building now being used by the WPA as a colored nursery.
It was announced that the faculty lists of all Sanford schools have been completed.

EIGHT PERISH IN PLANE CRASH NEAR ST. LOUIS

All eight persons aboard lost their lives when a Chicago and Southern Air Lines plane crashed into a field a few minutes after taking off from St. Louis for Chicago. This pile of wreckage was all that remained of the ship. Among the dead were pilot Russell Mossman of New Orleans and Vernon Oulic of Memphis, Tenn., famous flyer who headed his own private aviation company. (Associated Press Photo)

Judge Sentences Tampa Floggers To 4 Years In Prison

Ministers Seek Referendum On Slot Machines Association Inaugurates Drive To Get 1,000 Names

Petitions will be presented at the polls on Tuesday asking the Seminole County commissioners to provide for a referendum on slot machines to be held at the general election in November as provided for in the law legalizing slot machines which was passed at the last session of the Legislature without a vote of the people.
This announcement was made today by the Sanford Ministerial Association which particularly pointed out that the direct purpose of getting the signatures on the petition is not to prohibit slot machines, but merely to give the public a chance to vote on the question of whether or not they want slot machines operated in this county.
"Slot machines were legalized by the last Legislature" said a spokesman for the Association this morning "without the people having an opportunity to say whether they want slot machines or not. All we are trying to do is give them a chance to speak for themselves on this important matter."
Under the law it is necessary to secure the signatures of 20 percent of the qualified voters to petitions requesting the referendum before the County Commissioners can submit the question to a vote of the people. It is estimated that in this county approximately 1,000 names must be secured.
The ministers plan to present the petitions to the voters on Tuesday where it is presumed that those who appear at the polls will be qualified voters. If sufficient names are obtained, the question would be submitted to the people at the next general election which is in November.

Florida Health Officer Declares No Cause For Alarm

Nearly a dozen of this city's outstanding amateur entertainers have accepted the Orlando Junior Chamber of Commerce invitation to represent Seminole County on a radio amateur hour program to be presented before the Orlando group Monday at 12:45 o'clock with station WDBO as the broadcasting outlet.
Already enrolled for a place on the program are: Miss Marion Haynes, the Rust Sisters, Volle A. Williams, Jr., Juane Azarillo, and Mrs. Eustis Peaks as vocalists; Ann Benson, leader; Robert Stumon, cornet soloist; Mrs. George W. Knight and Miss Daphne Takach, pianists.
Among those who are known to be considering entering a contest which has a trip to New York City or to the Texas Centennial at Dallas as the grand prize are: Miss Nancy Rosetter, Donald Lanson, Miss Dorothy Lawson, Miss Marjorie Congburn, Miss Doris Jackson, and John Dighton.
The contest is open to any bona fide amateurs in Seminole County. There is an entry fee, and the only condition is that the contestant be a resident of the county.
Dr. McPhaul said this state never has reached the epidemic stage of paralytic fever, a fact which is due possibly to the geographic location. He pointed out that the normal average of the disease is ten cases in 100,000 inhabitants, adding that Florida has had 150 cases and still is below the epidemic figure.
Dr. McPhaul indicated the best precaution to take with children is to provide the best physical environment possible.
Parents and friends of campers are invited to visit Camp Winona on Thursday and Sunday afternoons between the hours of 9 o'clock and 6:30 o'clock.
Mr. Morris' communication today said a few vacancies remain for the third and fourth week of camp. Persons wishing to send their sons should contact the camp director.

Unemployment Drops To Low Of 8,500,000

WASHINGTON, Aug. 7.—(AP)—Commerce department officials, who have been quietly studying unemployment figures since 1933, estimated today about 8,550,000 persons are out of work.
Officials said the estimate represents a "composite" figure based in part on statistics of other government agencies. The department placed unemployment in March, 1933, at 15,000,000. This was the peak in unemployment.

CITY NEWS BRIEFS

D. W. Robertson, assistant state director of the department of education in the WPA, called at Sanford today to inspect the local school nursery.
Judge Millard B. Smith was in Sanford today for his regular weekly chamber sessions, a routine followed by circuit judges when court is not in session.
Charles Brown of Sanford and Miss Eva Beils Dubois of Orlando were licensed to wed yesterday, according to records in the office of the County Judge.
The Sanford Woodmen Circle will meet tonight at 8 o'clock in the Woodmen's Hall. It was announced this morning, Miss Mildred Wheeler, district manager, is expected to attend.
Saturday's tide: low, 5:55 A. M. and 6:25 P. M.; high, 12:19 P. M. Sun rises at 6:40 A. M. and sets at 7:16 P. M. Moon rises at 9:55 P. M. and sets at 10:35 A. M.
Agricultural year books for 1936 will be received for distribution here next month, according to a communication from William Williams III received here today by C. R. Dawson, Seminole County farm agent.
The weather: partly cloudy to light and Saturday, scattered showers in extreme south portion and near west side Saturday. Extreme Northwest Florida—fair to light, Saturday partly cloudy, scattered thunderstorms in afternoon.

Orlando District Approves 2 Local Athletic Projects

The WPA project involving a \$16,000 improvement on the local High School athletic field, and a \$7,000 project to build a clubhouse at the Sanford baseball park have been approved by district headquarters in Orlando, it was announced here today by R. I. Glenn, a member of the county planning board.
According to regulations laid down by the relief organization, the projects must now be forwarded to the Jacksonville or state WPA office for its approval then finally to national headquarters in Washington.
Mr. Glenn said he hopes to get an ok on the two endeavors at least by Sept. 1. If that is done, the athletic field should be in condition to accommodate football games by fall, he stated.

Local Talent Heads Amateur Program In Ritz Show Tonight

A bill of solid local talent heads the Ritz Theater's amateur program tonight, according to an announcement this afternoon from Joe Marentette, manager of the playhouse.
The program is as follows:
Future Farmers of America, string band; Heine Winn, imitations; Marion Haynes, blues singer; Polly (Stoussens) Miller, pianist; Homer Fuller, hillbilly songs; and Christine Stoussens, the Dixie Song, Eld.
Three amateur nights already have been staged at the Ritz. A similar number are billed in the future. The six contest winners will be heard in a final competition Aug. 24 over WDBO in Orlando.
Other than tonight's stars show, the Ritz will offer a double feature, "Meet New Wolf," and a return engagement of "The Thin Man."

Carlton To Address Voters Of Florida In 7 P. M. Broadcast

Doyle E. Carlton, candidate for the Democratic nomination for United States senator, will address Florida voters tonight between 7:00 o'clock and 7:30 o'clock over a state-wide radio hookup.
He will be heard in the Sanford locality through WDBO in Orlando.
Former Governor Carlton is scheduled to discuss the issues of the campaign leading to the primaries of next Tuesday, according to a telegram from George L. Burr, Jr., Mr. Carlton's campaign manager.
Stations, other than Orlando, on which the address will be carried are WMBR, Jacksonville; WMFJ, Daytona Beach; WJNO, West Palm Beach; WQAM, Miami; WCOA, Pensacola; WTAL, Tallahassee; and WDAE, Tampa.
Actor Raymond Waburn was one of the first American soldiers to reach France during the World War. He served four years with the American infantry, was wounded twice.

Twenty-Six Seminole Boys Enjoy Outing At Winona

Lifesaving Instruction Class Attracts 31 Youths; 15 Enroll For Handicraft; 12 Study Swimming

Twenty-six Seminole County boys, along with more than a score of others from Daytona Beach and Orlando, this week are camping at Lake Winona in one of the annual outings under the direction of Prof. H. E. Morris, principal of the Sanford Junior High School.
A varied program of activity is afforded the youths, according to a communication from Prof. Morris. The most popular educational class is that of lifesaving in which 31 boys have enrolled.
Handicraft classes have attracted 15 campers while 12 youngsters are taking swimming instruction from men qualified under American Red Cross standards.
In the whole scope of camp activities, eleven boys, headed by Byrl Higges as counselor and Stewart Robertson as the little chief, is leading in the number of blue ribbons won. The cabin is composed of Orlando youths.
Parents and friends of campers are invited to visit Camp Winona on Thursday and Sunday afternoons between the hours of 9 o'clock and 6:30 o'clock.
Mr. Morris' communication today said a few vacancies remain for the third and fourth week of camp. Persons wishing to send their sons should contact the camp director.

Seminole Talent Appears Before Orlando Jaycees

Dozen Sanford Entrants To Compete For New York Trip

Despite the infantile paralytic epidemic prevalent in some parts of the south, Florida has reported but two cases since the first week in June, according to a bulletin released today by Dr. W. A. McPhaul, state health officer, and received here by Miss Frances McDougall, Seminole County public health nurse.
Dr. McPhaul said this state never has reached the epidemic stage of paralytic fever, a fact which is due possibly to the geographic location. He pointed out that the normal average of the disease is ten cases in 100,000 inhabitants, adding that Florida has had 150 cases and still is below the epidemic figure.
Dr. McPhaul indicated the best precaution to take with children is to provide the best physical environment possible.
Parents and friends of campers are invited to visit Camp Winona on Thursday and Sunday afternoons between the hours of 9 o'clock and 6:30 o'clock.
Mr. Morris' communication today said a few vacancies remain for the third and fourth week of camp. Persons wishing to send their sons should contact the camp director.

Police Department Gets New Vehicle For Traffic Work

A new four-cylinder Indian motorcycle arrived today for the Sanford Police Department to replace the ancient machine, reports to which occupied more than a usual amount of Motor Officer Charles Shaffer's time.
The new vehicle will develop 100 miles per hour, according to Mr. Shaffer. It will be used in ironing out traffic problems that the police have had on their hands for the past several months, and those that will develop this winter.
Chief Roy Williams said his department now is well equipped with two automobiles in good condition and the new two-wheeled machine.

Two Escape Injury As Autos Collide

Bonnie Breeden, 300 West Fifth Street, and Paul Hodges, Geneva, both escaped injuries late yesterday when their vehicles collided at Park Avenue and Twenty-First Street.
Police reports said the Breeden car, a coupe, attempted to pass Hodges' truck and trailer as both autos were moving north on the Avenue. The truck started to turn to the left at Twenty-First and was hit on the left fender.
The case is pending.

John C. Bills Aids Reunion At Rollins

John C. Bills of Geneva is a member of the general committee in charge of the annual Rollins College summer reunion and picnic to be held in Winter Park on Aug. 15, according to information received here today.
Mr. Bills is a graduate of Rollins in the class of '22.
The reunion program will include a meeting of the alumni council, a reception for new students, a picnic luncheon at Lake Roseland and brief exercises featuring an address by President Holt. More than 200 students and others are expected to attend.

Five Former Policemen Will Appeal Case To Supreme Court Of Florida

Dewell Denies Men New Trials Eleven Still Face Charges Of Misdemeanor
BARTOW, Aug. 7.—(AP)—Judge Robert Dewell today sentenced five former Tampa policemen to four years imprisonment after denying them a new trial on charges of kidnapping Eugene F. Poulton, one of three victims of a Tampa flogging band last November.
The men were convicted last May after a five weeks' trial. The judge reduced bond from \$7,500 to \$2,500 each when the chief defense attorney Pat Whitaker, Tampa, said he would appeal the whole case to the State Supreme Court.
The five men are C. A. Brown, John P. Bridges, J. W. Carlisle, Sam E. Crosby and F. W. Switzer.
Poulton, Sam Rogers and Joseph Shoemaker, unemployed organizers and members of a new political group were abducted outside the Tampa police station following question about alleged Communist activities. They were taken to the woods, stripped of clothes, flogged, tarred and feathered. Shoemaker died nine days later.
Poulton and Rogers spent days in bed recovering. Former Police Chief R. G. Titsworth and former officer Robert Chappell were acquitted by a directed verdict in the Poulton case.
All seven and four other former officers still face charges connected with mishandling Rogers and Shoemaker.

Woodmen Carry On Membership Drive

Local Woodmen of the World last night voted and made plans to carry on the current membership drive now under way in honor of the uniform members and State Manager V. P. Miller.
A special feature of the Thursday session was an old-fashioned spelling match which was won by L. L. Keller.
Included in the party were King Boris of Bulgaria, the Crown Prince of Italy and his sister, Princess Maria, the Crown Prince of Greece and the Crown Prince and Princess of Sweden. Two sons of Premier Mussolini, Bruno and Vittorio, also were the dictator's guests.

Hitler Entertains Royalty At Luncheon

BERLIN, Aug. 7.—(AP)—Reichfuhrer Hitler of Germany entertained a large number of royal guests at luncheon yesterday.

Bench Committee Adds Five Names

Five more names were added today to the list of merchants who agree to purchase benches for downtown Sanford, according to D. K. McNab, in charge of the project for the Junior Chamber of Commerce.
Managers of the local chain stores look upon the idea with favor, but first have to get an okay from their district officers, Mr. McNab said.
The new additions to the list are C. F. Wert, Hill Lumber and Supply Yard, Henry A. Russell Seed Co., W. W. Auto Parts Co., and The Smoke House, which probably will get two or three benches. McCrory's, Woolworth's, Kinney's Birdsey's Flour Mills and The Piggy Wiggy are waiting for word from headquarters.
This concludes First Street and the side streets adjacent to it, according to Mr. McNab. The benches will be ordered within a few days.

The Other Side

With all due apology to Mr. Douglas for answering his letter in the same issue of our publication in which it appears, we are going to take the liberty today of commenting on the various points he makes so that the public may have his letter before them at the same time they are reading "the other side." We are merely seeking an full an understanding of this subject as is possible.

1. We did not use the word "trickery." We said "trick" which to our mind has an entirely different implication. While it is true that a number of honorable gentlemen, seeking votes, have endorsed the Townsend Plan, we have still to learn of a single statesman, lawyer, doctor, merchant, business man, labor leader, economist or statistician of national reputation who is endorsing it.

2. This assertion is merely an assumption and remains to be proved. Most competent authorities agree that the Plan would put more people out of work instead of increasing employment.

3. We understand that the Townsend Plan proposed a two percent transaction tax levied against all transactions entering the production of goods and services to be paid for by all the people as a whole, and the proceeds are to be paid out by the government to those past sixty in the form of pensions.

4. Our position is that the "30 odd million who had nothing but enough to eat" also spent such money as they had as fast as they could get it, and are still doing so. The Townsendites could spend it no faster.

5. Granted. Except that if 90 percent of the 10 million estimated aged are destitute and dependent, how is taking them out of employment going to make jobs available for 3,500,000 young people?

6. Also granted. Though local farmers have not received any checks for not growing anything.

7. Also granted. Except that ourselves and our children may have to pay back more of it than our grandchildren.

8. There are transaction taxes, and transaction taxes, and also many varied purposes to which the proceeds might be put.

9. This, as we understand it, and with all due apology is exactly opposite from the truth. The transaction tax, like the sales tax, is a "hidden tax" and is paid for by the consumers of goods. As there are more consumers among the poor than among the rich, there being a handful of rich, the poor pay the bulk of the tax. The only difference between a sales tax and a transaction tax is that the sales tax is levied against the finished product (that is the loaf of bread) while the transaction tax is levied against every transaction which goes into the production of every commodity.

10. Granted.

11. Granted. He would drop dead.

12. If the Townsend Plan is merely National Insurance for the Annuity of \$200 a month, why not take out an endowment policy with the Metropolitan Life and quit bothering the government about it. As a matter of fact, the only similarity between the Townsend Plan and insurance is that it is like taking out fire insurance after the house has burned.

13. First part granted, but as to the second, the Townsend Plan would pay a pension of \$2,400 a year to every person past sixty, \$4,800 a year to a man and his wife. The average income of every man, woman and child in the United States at the height of the boom was less than \$700 a year.

14. But the Townsend Plan doesn't put new money into circulation. This is no printing press scheme or "borrowing our way to prosperity" plan. The Townsend Plan supports itself by taxation. It doesn't put a billion additional dollars every month into circulation. It takes them out of circulation by taxation and then puts them back by pensioning the old folks. The amount of money in circulation remains exactly the same. And again we say it doesn't come largely from the rich, but from the poor. The poor have to have bread and clothes, the same as the rich, and there are millions of poor people to one rich man. Under the Townsend Plan the cost of a loaf of bread would more than double.

In the training of character and personality at least three things are important. In the first place the teacher himself should be strong in character and rich in personality; a mediocre personality can't very well draw out the best in a great one. The second rule is to keep unspoiled the impulses of affection and of idealism which are the sacred and mysterious equipment of children. The third rule, if we have managed to observe the second and have kept the good impulses of childhood unimpaired, is to encourage a choice of paths and a resolute pursuit of one path to the end. Strong characters are never static; they are going somewhere.—John Brakine, author and director of the Juillard School of Music, in the Notarian Magazine.

THE SANFORD FORUM

Sanford, Fla., August 6, 1936.
 The Editor,
 Sanford Herald.
 Permit me to add somewhat to your editorial in "Tuesday" (and possibly give a little different meaning to certain allegations).

- To begin with, is not your use of the words "judges" and "trickery" a bit of a reflection upon the respectable members, who from governors' senators and congressmen, who are responsible for the Townsend Plan?
- It is not only a good Plan for the 3 million who have nothing but enough to eat, but for the millions who have not yet entered the pleasure of being able to take up their life work. It will make jobs for all.
- It does not take from the people as a whole and transfer it to the few. It pays it back to all.
- Of course those who have had money during the past four years have spent it. No law is needed for that. But the 30 odd million who had nothing but enough to eat, could not. They are in that condition yet!
- There are many millions who would never starve than accept dollars! And one of the 10 million estimated aged 90% are destitute or dependent upon others for their keep!
- The farmers are buying automobiles with government checks handed them for not growing things, the peopple tax money! Yet the balance against us for imported foodstuffs, according to latest figures, is \$34 millions of dollars! And we are getting ready to import corn.
- This farmer money, borrowed from banks at interest, will have to be paid back by our grand-children with accrued interest! The Townsend Plan is self-liquidating each month!
- The transaction tax, as the ideal method of taxation, was approved by 2,132 members of the National Association of manufacturers and other business bodies in 1920-21.
- The transaction tax will be paid mostly by those well able to pay it, not by those who are most Taxation taxes, are not covered-up, hidden in the loaf of bread. Each taxpayer, will know the amount!
- The total income tax collected from incomes of the well able have returned from a visit with their grandmother, Mrs. O'Callahan at Orangeburg, S. C.
- Mr. and Mrs. E. J. Holly and family made a trip to Eutaw Sunday afternoon and enjoyed the most beautiful views of the delightful mountainous scenery. There is no finer trip to take than the Sanford-Eutaw run, as it is smooth going all the way with the exception of the stretch from Wilcox's corner to the Wehliwa bridge which will soon be paved with brick.
- Reports from other parts of the state regarding the extremely dry weather seem strange to Sanford people, for here we have showers every day. Especially is this true when we have a ball game between Sanford and Orlando.
- Miss Nell O'Callahan of Orangeburg, S. C. is visiting her aunt, Mrs. G. W. Venable.
- Twenty-four students at Oklahoma A. and M. college made a straight A average in all their work during the past semester.

SANFORD TWENTY YEARS AGO

E. Boyce Bell returned with his family Saturday from Charlotte, N. C., where they have been spending a few weeks visiting relatives and friends.

Miss Marnie Kay Smith came over from Orlando on Saturday to spend the week-end with her mother, Mrs. A. C. Smith. She returned to Orlando on Monday.

Harry Ward came over from Daytona Beach for a few days to look after his family property. Mrs. Ward and Fern and the family will remain for several weeks. Mr. E. B. Ward arrived in the city Friday afternoon from Jacksonville to join his husband who is the popular left handed pitcher for the Sanford team. Both Mr. and Mrs. Ward are residents of Bradenton where they have many friends who are watching the progress of Mr. Ward.

Sgt. Harnell of the A. C. L. left recently for Hendersonville, where he will join Mrs. Harnell and the children and spend a week or more enjoying the beautiful views of Hendersonville and the surrounding mountains. Mrs. Harnell and children will remain in Hendersonville until they are notified to leave. They are leaving the first of next month.

Miss Yelton and Thomas, Yeltonville, visited in Sanford Saturday.

Social And Personal Activities

MISS MARGARET PETERS, Society Editor

Social Calendar

MONDAY
Circle Number Five of the First Methodist Church will meet at 7:30 P. M. with Mrs. M. D. Reel, Elm Avenue.

Circles One and Five will meet at the home of Mrs. Ervin Edridge, 210 West Sixteenth Street.

Circle Number Two will meet with Mrs. W. T. Whelan, 519 Oak Avenue.

Circle Number Three will meet with Mrs. E. G. Mathews, 1015 West Fifth Street.

Circle Number Four will meet

at the home of Mrs. E. L. Garrison, Richmond Avenue.

The circles of the Women's Missionary Society of the First Baptist Church will meet at 8:30 o'clock as follows:

WHITAKER-DUNN

Mr. and Mrs. W. V. Dunn of Lake Mary announce the marriage of their daughter, Helen, to Charles E. Whitaker, also of Lake Mary, Sunday in DeLand. The ceremony was performed at the home of the Rev. W. P. Pyle, retired Methodist minister. The couple will make their home in Lake Mary.

Personals

Mrs. John Alden Brown is in Sanford for a few days visiting friends.

Mrs. T. E. Wilson left yesterday for Montezuma, Ga., where she was called by the illness of her sister, Mrs. M. A. Ray.

Mr. and Mrs. J. N. Wilson, Miss Rebecca Wilson, Mrs. J. N. Moya, and Miriam Moya, returned yesterday from a visit to Kenton, N. C. and Atlanta, Ga.

Mrs. S. N. Igo, who has been visiting at the home of her brother and sister-in-law, Mr. and Mrs. W. E. Wells, has returned to her home in Winter Haven. Mrs. Igo is a former resident of Sanford.

Ed Wilson has returned from Lake Junaluska, N. C., where he attended the Young People's Conference as a delegate from the Young People's Department of the First Methodist Church.

T. E. L. Class Has Its Regular Meeting

The T. E. L. Class of the First Baptist Church met in the church annex Thursday afternoon with Mrs. F. W. Stanley and Mrs. J. B. Barland in charge of the devotionals.

A musical program was given during the social hour, in charge of Mrs. S. A. Edenfield. A poem composed and read by Mrs. Jane Smith for the hostesses, whose birthdays are in August, was followed by piano solos by the Misses Mildred Nix, Elizabeth Pippin and Gladys Pippin. A solo was then given by Peggy Ann Pippin accompanied by her mother, Mrs. R. R. Pippin, after which Marjorie June and Rose Marie Burdick gave several selections accompanied by their mother, Mrs. E. T. Burdick. Mrs. B. C. Moore and Miss Mildred Nix then entertained with several musical readings, after which refreshments were served by the hostesses, Mrs. S. A. Edenfield, Mrs. W. L. Stoudenmire and Mrs. F. W. Stanley.

Those present were: Mrs. J. B. Barland, Mrs. R. R. Pippin, Mrs. B. C. Moore, Mrs. Lillian Vickery, Mrs. Jane Smith, Mrs. J. D. Cochran, Mrs. J. R. Lyles, Mrs. Germany, Mrs. Luke Walker, Mrs. E. W. Stiles, Mrs. Margaret Fletcher, Mrs. E. L. Burdick, Mrs. W. E. Kader, Mrs. Walter Edenfield and the Misses Augusta Fletcher, Mildred Nix, Rose Marie and Marjorie June Burdick, Barbara Edenfield, Elizabeth Gladys, and Peggy Ann Pippin.

AMBASSADOR SAILS

HAVANA, Aug. 7.—(AP)—Gullermo Patterson y Jauregui, Cuba's ambassador to Washington, sailed last night for Miami to return to his post.

TREATMENT OF NATIONALS IN SPAIN IS HIT

(Continued from page one)
message to America's \$70,000,000 investment in that country, the State Department disclosed it had dispatched a note to Madrid invoking the aid of Spanish authorities in safeguarding American property and warning that compensation must be paid for any damage.

"This government cannot admit that private property, whether in the hands of American nationals or abandoned by them temporarily because of conditions over which they have no control, may be interfered with impunity or denied the protection to which it is entitled under international law," said a summary of the note released here.

"This government most of course, look to the government of Spain for the protection of such property and for indemnification for any delinquency in this respect."

"In the event of requisition for the necessities of war or otherwise of American property this government must insist that provision be made for prompt and full compensation to the owners."

Farewell Party Is Given To Hoolehans

In honor of Mr. and Mrs. W. D. Hoolehan and family, who are moving to Daytona Beach to make their home, the Truth Seekers Class of the First Methodist Church held a surprise party in their honor yesterday afternoon at the home of Mr. and Mrs. R. P. Crenshaw on Seventh Street.

The rooms were decorated with flowers and were opened on gifts. Mrs. Hoolehan was the recipient of many lovely and useful gifts. Refreshments were served by the hostesses.

Those present were: Mrs. W. D. Hoolehan, honor guest, Mr. and Mrs. O. J. Pope, the Rev. and Mrs. A. H. Cole, Mr. and Mrs. W. S. Thornton, Mr. and Mrs. C. C. Priest, Mr. and Mrs. T. E. Wilson, Mr. and Mrs. R. B. Chapman, Mrs. J. H. Waits, Mrs. John Rumbley, Mrs. G. A. Radford, Mrs. W. E. Wells, Mrs. S. N. Igo of Winter Haven, Mrs. A. D. Shoemaker, Mrs. Georgia Hart, Mrs. John Vaughn, Mrs. C. L. Goodhue, Mrs. C. R. Mason, Mrs. F. R. Mitchell, Mrs. J. A. Brown, Mrs. P. E. Doss, Mrs. Eugene Higgins, Mrs. Volle Williams, Ed Mitchell, Randall Priest, Ed Wilson and Mr. and Mrs. R. F. Crenshaw and Joe Crenshaw.

THOMPSON TO RUN

CHICAGO, Aug. 7.—(AP)—Newton Jenkins, Chicago attorney allied with the Rep. William Lemke third party forces, announced in a statement yesterday that former Mayor William Hale "Big Bill" Thompson would be the Union party's candidate for governor of Illinois.

As far as the demand for studio tickets is concerned, the Major Bowes amateurs' broadcast still leads.

Woman Convicted Accessory To Train Wreck Plot

Jury Deliberates All Night; New Trial Asked By Attorney

MILTON, Aug. 7.—(AP)—Mrs. Yann, 40-year-old Pensacola resident, and grandmother, today were convicted on a charge of conspiracy to commit murder by hiring two negroes to attempt to wreck a railroad train on which her 60-year-old husband was the engineer.

Conviction carries a possible sentence of from one to 40 years imprisonment. Mrs. Yann did not blink an eye as the jury reported its findings after being up all night and deliberating 11 and one-half hours. William Fisher, Sr., the woman's attorney, asked for a new trial. Judge L. L. Fabianski said he would hear the motion at 10 o'clock on Aug. 31.

Mrs. Yann was liberated under \$5,000 bond posted by her husband. L. W. Yann shortly after her arrest in April. The husband had maintained a belief in his wife's innocence.

The state claimed Mrs. Yann and Earl Travis, former Castleberry, Fla. carpenter, planned the husband's death so they might collect life insurance and marry. Two negroes, Alen Langston and Allen Finley, testified that

Black Legionnaires Guilty Of Charges

DETROIT, Aug. 7.—(AP)—Three of six men charged with kidnaping and dogging Robert Pentland, fellow member of the Black Legion, were convicted today of reduced charges of false imprisonment. The three others were acquitted by Judge Joseph Maynihan who heard the case without a jury.

As a result of conviction, Thomas Cox, Earl Angstadt and Frederick Gully face a fine of \$2,500 or five years imprisonment or both. Charles King, Wilbur Roblison and Harold Lawrence were acquitted. Roblison admitted he is a brigadier general in the Black Legion, Michigan's terror organization.

Plans Started To Finance Pensions

PALATKA, Aug. 7.—The Board of Commissioners of Putnam county has initiated plans for financing the county's expenditures under the old age pension provisions of the Social Welfare Act. The new system is to be effective Oct. 1, if all counties give their approval. It was understood here yesterday that only a few counties have yet to take this action.

Barbara Stanwyck was a telephone operator when she was 15.

Mrs. Yann offered them \$500 to wreck the train. They recently pleaded guilty to charges of attempting to wreck the train. They have not been sentenced.

May Employ Blood Test To Determine Louise's Parents

ATLANTA, Ga., Aug. 7.—(AP)—A blood test, definitely to establish paternity of Louise Mitchell Pitman-Garner was considered today as the 17-year-old "mix-up girl" with two mothers planned a new and more complete life.

Two middle-aged women with tired smiles, both firmly believing they are the mother of the girl with the hazel eyes, considered subjecting themselves to blood examinations. While they withheld their decision, Louise, jubilant over her newly-discovered "other mother," planned a life full of educational opportunities, silk stockings and pretty frocks—many of which she had been unable to obtain during the 17 years she was considered the daughter of Mrs. Daniel L. Pitman.

Mrs. John C. Garner, brown-haired wife of a railroad engineer, whose Louise recognized as her "real mother" this week after a 17-year-separation, probably will have to make the final decision on the blood test.

Mrs. Pitman and Louise are willing to undergo the laboratory test. Mrs. Garner was undecided. Aid of modern science was considered to solve the tragic mystery which began 17 years ago when an inexperienced nurse at an Atlanta maternity hospital momentarily mixed babies of Mrs. Pitman and Mrs. Garner, born within a few hours of each other.

Jax Legion Outfit Reaches State Final

WEST PALM BEACH, Aug. 7.—The Edward G. DeRoosmire, Jax's American Legion junior baseball nine, sponsored by the Jacksonville Elevance Life Insurance Company, advanced to the finals of the state tournament yesterday with a 15 to 7 victory over Lake Worth.

Following two Lake Worth pitches for 14 hits, the Jacksonville youngsters were never headed after breaking a 3-3 tie in the first half of the third inning.

Coast Guard Service To Get New Planes

ST. PETERSBURG, Aug. 7.—Assignment to the local site of at least two of the new biplanes designed for Coast Guard service, was announced yesterday by Admiral Waesch, Coast Guard commandant at Washington. The announcement followed an inspection of the base and the newly constructed barracks here by Admiral Waesch.

SWEEPS HUNDLES

BERLIN, Aug. 7.—(AP)—Completing an all-American conquest of Olympic sprint events, Archie Williams, Oakland, Calif., Negro, today won the 400-meter championship.

JOINS STUDENTS

AUSTIN, Texas, Aug. 7.—(AP)—Rep. Maury Maverick of San Antonio aligned himself yesterday with students opposing faculty supervision of the Daily Texan, newspaper published on the campus of the University of Texas, charging the action was "sanitizing" the school.

Dolomite Available At Local Dealers

Sanford and Seminole County citrus and truck growers are being informed through the medium of The Herald's advertising columns today that Florida Dolomite may now be obtained from any local fertilizer dealer.

J. H. Richborn, representing the Florida Dolomite Company of Pembroke, who was in the city Wednesday said that for years owners of large farms and grove properties in Florida have been searching for a supply of Dolomite. "The location in a large deposit of Dolomite near Sarasota marks the successful culmination

ZIONCHECK ENDORSED

SEATTLE, Aug. 7.—(AP)—A joint legislative committee representing Washington State branches of 21 railway brotherhoods endorsed Congressman Marian A. Zioncheck and three other congressmen yesterday for re-election.

Father Arrested For Chewing Daughter

BATAVIA, N. Y., Aug. 7.—(AP)—Arrested for biting and chewing holes in his daughter's face because she left late hours and used make-up, Louis L. Di Mello was held yesterday for the grand jury on a charge of mauling with intent to kill.

The daughter, Mary, 17 may be disfigured for life, physicians at St. Jerome's Hospital reported to police. The police report on the case says the father "held her and bit and chewed several holes in her left cheek" at the family's home last night.

ODD PREJUDICE CHARGED

WOOSTER, Ohio, Aug. 7.—James B. Campbell, defendant in a civil suit filed an affidavit of prejudice alleging he is unable to get a fair trial in common pleas court, Campbell charged that Mrs. C. G. Gault, wife of the plaintiff, is too "chummy" with Mrs. Walter J. Mouzey, wife of the judge.

POLICY CONTINUES

WASHINGTON, Aug. 7.—(AP)—A continuation of what the Federal Reserve Board described as its "easy money policy" in spite of a forthcoming 50 percent increase in member banks' reserve requirements was announced yesterday in the Federal Reserve Bulletin.

Louis In Training For Sharkey Bout

POKESUN LAKE, N. J., Aug. 7.—(AP)—Joe Louis boxed five rounds with varied assortment of opponents yesterday in preparation for his coming bout with Ezzard Charles.

One of Louis' opponents was the veteran Philadelphia Jack O'Brien, who despite his 55 years is as spry and lively as the younger sparring partners; explained that "with all the other old birds staging comebacks these days, I thought I'd try my luck." He gave an interesting exhibition.

BODY IDENTIFIED

GREENWICH, Conn., Aug. 7.—(AP)—Officer William King, of the Missing Persons Bureau in New York, said last night a trussed-up body found in Long Island near here had been identified as that of Frank McDonald, an associate of the late "Arthur" "Dutch" Schultz. Plegenheimer, one time Bronx bear harem slain several months ago.

RAINSTORM

NEWARK, N. J., Aug. 7.—(AP)—Ruth Bryan Owen, ambassador to Denmark and her husband, Captain Boerge Rohde of Denmark, waited at Newark airport for two hours yesterday when a heavy rainstorm delayed

the flight of the regular plane to Chicago. Mr. and Mrs. Rohde, who were recently married in New York, plan to visit friends in Chicago and go on to the Pacific Coast.

HOTEL MAN DIES

ATLANTA, Aug. 7.—(AP)—Hiram Raleigh Cannon, 75, leading hotel man in Georgia for many years and a native of Rabun county, died here yesterday of complications of an attack of influenza. He made his home with a son, Cecil E. Cannon, owner of a large Atlanta hotel.

ESKIMOS STARVING

JUNEAU, Alaska, Aug. 7.—(AP)—Eskimos along the Arctic rim are facing starvation, said a radio message from Capt. C. B. Peterson, veteran Arctic trader, to the governor's office from Hydrachet Island yesterday.

FLOODS PREDICTED

CHICAGO, Aug. 7.—(AP)—Selby Maxwell, the man who forecast last winter's heavy snow and this summer's drought months ahead of time, said yesterday a wave of floods would soon develop in the United States. He predicted a long series of rains would push rivers over their banks from the Gulf of Mexico to Canada, washing out the drought.

Jack Lovelock Captures 1,500 Meter Run In Berlin

Cunningham Runs Islanders Take Greatest Race To Finish 2nd At Gainesville

Germany Smashes Swede Monopoly On Javelin Throw

BERLIN, Aug. 7.—(AP)—Gliding flawlessly to a world record triumph at a speed which, if sustained, would have approximated a 4:03 mile, New Zealand's Jack Edward Lovelock raced off with the classic Olympic 1,500 meter championship like a feather in a breeze yesterday.

The curly-haired, supremely confident little medical student staggered the world's foremost millers by uncoiling a final 300 meter sprint, standing off the non-heated challenge of the great Glenn Cunningham and clipping a full second off Bill Bonthron's world record time of 3:48.8.

Lovelock actually looked over his shoulder with a broad smile across his face during the stretch drive that carried him to the tape nearly five meters ahead of the Lawrence, Kan., star in 3:47.8.

Cunningham ran the greatest race of his career, himself under the listed world record as he was clocked in 3:48.1, but there was no runner in the world who could match nimble Jack yesterday afternoon, including Luigi Beccali, Italy's defending champion, and Archie San Romani, American's "dark horse," who ran third and fourth respectively. Lovelock's dazzling triumph in the race which saw five-foot racers finish under Beccali's former Olympic mark of 3:51.2 thrilled an overflow crowd of 105,000, including Chancellor Hitler, and climaxed the most spectacular day thus far of the eleventh Olympiad which fast is wiping out the majority of previous Olympic standards.

America's hurdling sweep was completed by the incomparable Forresti (Spec) Towns of Augusta, Ga., who flashed over the high timber, equalling his own new world mark of 11.1 seconds in the semi-finals and then out-footing Great Britain's Don Finlay and Fritz Pollard, Jr., Chicago negro, in a 14.2 seconds final.

No records were beaten in the javelin final, but Germany's handsome blond Bernhard Stock broke the Scandinavian monopoly for the first time in Olympic history, beating Finnish favorites, including the world record-holder, Matti Järvinen, who was handicapped by a lame back and wound up fifth in defense of his crown won at Los Angeles four years ago. Stock's winning toss measured 71.81 meters, 235 feet, 8 1/2 inches.

The brightest and warmest day since the competition began was finished spectacularly by Japan's Nanto Tajima, who hopped, stepped and jumped to a new world record of 16 meters, 52 feet, 5 1/2 inches in the triple jump. The sons of Nippon finished one-two, capturing the specialty for the third straight Olympiad and whipping another world record holder, Jack Metcalfe of Australia, at his own game. Metcalfe placed third as Roland Romero, of Welsh, La., was a good fifth.

The lone women's final, the 80-meter hurdles, marked Italy's first triumph, Tribsonda Walla getting the verdict by inches after a photo-finish in which four girls were so closely bunched in the week's most exciting feminine event that all were timed in 11.7 seconds—one-tenth of a second slower than the new Olympic mark the Italian champion set Wednesday.

Thomas G. Massaryk, a founder and president of the Czechoslovakian republic, once worked as a blacksmith's apprentice.

Hank Gornicki Gives G-Men Three Hits, Strikes Out Eight

GAINESVILLE, Aug. 7.—A home run by Left Fielder M. J. Gornicki in the second inning gave the Daytona Beach Islanders a 1-0 win over the Gainesville G-Men here yesterday afternoon, and undoubted possession of first place in the Florida State league.

Hank Gornicki, ace right hander of the Islander holding company, was the other star of the victory. He set the G-Men down with three hits, two of them of the in-between variety Gornicki struck out eight batters all in the first six innings.

The G-Men did not get a runner to second base until the ninth inning. With one down, Adam made first on an infield fly and took second on Pittman's infield hit. Beach popped to the second baseman to end the game.

The Islanders had several other scoring opportunities but failed to take advantage of them. In the seventh, the first batter up, tried to right. Pfeiffer came in to try to make a slow throw catch, but missed, the ball and it went through his legs. Three bases Dogan struck out and Anderson was given a base on balls. Morbin then hit into a double play.

McMurray, the G-Men pitcher, hurled a swarming brand of ball but the failure of his teammates to come through with hits sent him down to defeat. He fanned six Daytona Beach hitters.

Spotting catches in the outfield were made by Beach and Evans, while Dittman, Park and McMurray made beauties in the infield.

The two clubs clash again tomorrow, with the scene of hostilities shifting to Daytona Beach.

Seminole Talent Appears Before Orlando Jay Cees

Continued from Page One and not only on north side cities.

In the presence of epidemics, Dr. McHaul recommends the following: (1) Issue a general warning to physicians of the city of the prevalence of cases of disease, and a description of the usual character of the case; (2) Isolation of all children with fever pending an absolute diagnosis; (3) Protection of children so far as is practically possible against unnecessary contact with people, especially those outside their own homes, during epidemic prevalence of the disease.

The state health officer said the U. S. Public Health Service has been working on a spray which through its tanning action on the nerves prevents the entrance of the poisonous paralysis matter. Dr. McHaul's concluding statement for alarm in this state or for taking extraordinary measures.

However, he said that individuals, going into infected areas should realize that there is a certain amount of danger and they should take precautions under the advice of the family physician.

Also, the health officer declared, it would be wise to prevent the contact of children with people coming recently from an infected area.

MUSSOLINI FLIES

VENICE, Aug. 7.—(AP)—Premier Benito Mussolini arrived here Tuesday at the controls of his own tri-motor airplane and delighted the crowds in a busy day visiting an exposition. He left in the early evening, flying his plane toward Riccione.

OWENS SETS BROAD JUMP RECORD

Setting a new Olympic broad jump record, Jesse Owens leaped 26 feet 8 1/2 inches made in Berlin to shatter the previous mark of 25 feet 4 3/4 inches made by Edward Hamm in 1928. This radiophoto shows the Ohio State Negro all-round star in action in a qualifying jump, after winning the 100 meter sprint. (Associated Press Photo)

Medler Is Heady Hurler; Toss Three No-Hit Frays

Lookout Pitcher Starred On University Of Maryland Ball Club; Was Basketball And Track Man Also

By JULIAN STENSTROM
Herman Medler, former member of the St. Augustine cub hurling staff but now of the Lookouts, is quoted by the fans as one of the headiest hurlers in the league.

Medler, who was with the Saints during the first part of the season was traded to the locals with Mayo Longerton for Dave Swindell, outfielder.

Medler is 21 years old, tips the scales at 187 pounds, and stands six feet and one inch high. Hermon attended Maryland University in 1933-34-35 where he played three years of college baseball. When he was a freshman he hurled for the team that won the conference freshman championship.

During that year he hurled a no-hit, no-run game in the third game he pitched. In the summer he played semi-pro ball in Maryland and went back to the University the next year and made the varsity nine on which he won four games and lost one. He was selected on the all-conference nine.

The next year he hurled another no-hit, no-run game for Maryland and also made the all-conference nine again the second year in succession. Medler entered the athletic hall of fame for the third time when during the summer he hurled another no-hit, no-run game in semi-pro ball.

In 1936 he came to Jacksonville in the South Atlantic League, but after a week with them in spring training, Frances got him for the Saints. He pitched the opening game for the Saints but lost three to one.

So far this season Medler has had hard luck with the ball clubs he has played on and also with umpires.

Medler was on the freshman basketball team in 1933 and made honorable mention on the conference team. In his remaining two years he was a sub on the varsity teams. As a junior at the University he was all-star track man on his class team.

Fred Whalen, former world's champion trick shot billiard player, is a movie character player now.

Berger Records 2 To 1 Win Over Saint Augustine

Saints Manage Only Four Hits; Eleven Given By Schneider

PATLAKA, Aug. 7.—(AP)—Helen Berger celebrated his first appearance in an Azalea uniform here yesterday by limiting St. Augustine to four scattered hits to post a 2-1 victory over the visitors.

Three of the St. Augustine blows were collected by Manager Jerry Fitzgerald, who corralled a double and two singles. The other clutch of Berger was made by Owens.

John Schneider worked the route for the Saints and was nicked for 11 hits during the meet.

Patlatka posted his first marker in the initial inning when Minyard singled, went to third on Lines' one timer to right and scored when he slid safely under Emerson following Smith's roller to Custer.

The Azaleas' second and final run came in the third on singles by Goera and Minyard. Schneider wild throw to first and Lines' long fly to right.

St. Augustine pushed its lone run across the rubber in the seventh when Fitzgerald doubled to start the frame, went to third on Swindell's roller to Smith and tallied after Owens' fly to center was caught by Gillespie.

Minyard led the Patlatka attack with three singles while Kryzdel and Manning each collected a double and single in four tries.

Helen Jacobs To Continue Court Career For 10 Years

Tennis And Writing Are Chief Interests In Life; Declares Both Things Go Well Together

NEW YORK, Aug. 7.—(AP)—Helen Jacobs has no intentions of following Helen Wills Moody into retirement. She hasn't had enough tennis yet.

The comely, gracious tennis queen of United States and England arrived home on the SS. Manhattan yesterday and revealed she intended to stay in competition "for several more years," defending her national doubles crown with Mrs. Sarah Palfrey Fabryan of Brookline, Mass., this month and her national singles title at Forest Hills in September.

"My two chief interests in life," she said happily as the big liner curved its way up the Hudson River, "are tennis and writing. They go together marvelously well, so I think I shall continue playing as long as I can do it well enough to suit Helen Jacobs.

"Yes, I am sorry Helen (Mrs. Helen Wills Moody) quit, but I can appreciate her point of view. She played tennis for many years and now has turned to other interests. I'll admit I am sorry, though that I couldn't meet her in one more national."

"Do you think you could tear her?"

"Well, what do you think? It certainly is a rainy day, isn't it?"

Miss Jacobs, dressed conservatively in white and blue, has enjoyed her share of thrills and suffered many disappointments, but she said probably her greatest thrill was her victory at Wimbledon.

Two calves near New Granada, Pa., were poisoned by the milk of cows which had eaten snakeroot. A state botanist explained that the root doesn't kill the cows but makes their milk fatal for calves.

Leading Hitter Of State League Draws Release

George Andrews Severs Connection With Palatka Nine

PALATKA, Aug. 7.—George Andrews, leading hitter in the Florida State League and a fixture in center field for the Azaleas since the start of the 1935 baseball season, asked for and received his unconditional release, it was announced here yesterday by Troy Agnew, owner of the local franchise.

According to Andrews' contract with the local baseball organization, control of which was purchased recently by Agnew, he was to be given his release at any time he desired it and it was stipulated that he should not be sold to any other club, Agnew disclosed.

Andrews asked for his release Wednesday night. Although Agnew did not play with the Saints here yesterday it is expected that he will be in the Ancient City line-up today.

Jeff Emerson, manager of the Azaleas until shortly after Agnew assumed control when he was released, worked behind the plate yesterday for the Saints.

Ace Custer, former Azalea infielder, released yesterday morning by Manager Teen Gallegos, also signed with the Saints and was stationed at third base during yesterday's contest. The Saints sent Buster Kinard to Palatka when they cut their squad to the required limit.

The loss of Andrews necessitated Gallegos moving from left to center field while Bobby Guelfra was stationed in left until he injured a leg sliding into third base in the third inning of yesterday's tilt.

Lookouts Journey To Daytona Saturday

The Lookouts trek to Daytona Beach tomorrow for an afternoon's combat with the league-leading Islanders. The locals are playing DeLand here today. A doubleheader, which was scheduled by officials yesterday, was called off this morning and only one game was to have been played.

Thursday's game here was postponed because of rain and wet grounds.

Mortgage Loans:

Now is the time to build and pay for a home for less outlay per month than present low rents. We are prepared to make loans on new constructions under the Federal Housing Administration finance plan. Let's talk this over. C. M. Boyd, Sanford, Fla.

European Policy

(By Associated Press)
General Francisco Franco today marched at the head of Moroccan troops in what was described as a Rebel headquarters in Burgos as a thrust at the heart of the Spanish government power in Madrid.

Other reports placed the general at Seville and still in Morocco attempting to land troops in Spain.

No less enthusiastic reports from Liberals asserted substantial victories had been achieved over Fascists in hammering attacks throughout the nation.

Loyalists were defeated in engagements at Badajoz and Caseros in the south by native troops, Rebels said, but within the presence of Madrid the government declared it suppressed the Rebel uprising in the southern portion.

Germany joined the French-sponsored eight-power neutrality agreement "in principle" but maintained a reserved stand.

Hitler reportedly must be assured German aid, but a general intervention policy may be attempted.

Lloyd F. Boyle, assistant state's attorney in this district, left today for Laurens, South Carolina, where he and his family will spend a week's vacation.

County Deputy R. J. Hickson left Sanford yesterday for Chatsworth to deliver a Seminole County patient to the state asylum for the insane.

Miss Jeanne Choate of Eustis has been named to teach the first grade in the West Side Primary School here, it was announced today by T. W. Lawton, county school superintendent.

The annual report of the Seminole County Future Farmers of America is being compiled today and will be forwarded to state headquarters before Tuesday.

The Forest City, or Number 15, voting precinct for the senatorial primaries Tuesday will cast ballots at the home of Al Hoover, Bear Lake, according to statement made today by O. P. Herndon, clerk of the circuit court.

Mrs. J. V. Eidge, director of social welfare in Seminole County, left today for South Carolina where she will spend part of a two-week vacation period. The remainder will be spent in Daytona Beach.

William E. Brady, 45, former foreman of the A. C. L. Roundhouse here, died two weeks ago in Newborn, N. C., according to word received here today.

Congressmen To Pay Honor To Zioncheck

**Eccentric Member Of
U. S. Lower House
Dies After Plunge
Of Five Stories**

Body Falls Near 4-Months Bride

**Note Left In Office
Indicates Suicide;**
Death Is Instant

SEATTLE, Aug. 8.—(AP)—Congressional leaders sent word today that they would pay full honors to Representative Marion A. Zioncheck who died before the eyes of his bride of four months by leaping out of the fifth floor window of an office building late yesterday.

Speaker Bankhead was expected to appoint a committee to attend the funeral and Sergeant-at-Arms Kenneth Romney said he would fly here for the funeral.

An inquest into the death is set for Friday.

Zioncheck's brother-in-law, William Nadeau, said he was in the office with the eccentric congressman and as they started to leave, Zioncheck suddenly ran across the room and jumped through the window.

The 31-year-old representative kept his name in the headlines since last Christmas time by one caper after another.

A note found in the fifth floor room of the Arctic Building and apparently written by Zioncheck was quoted by Coroner Otto Mittelstalt as reading:

"My only hope in life was to improve the conditions of an unfair economic system."

Persons who saw the 31-year-old congressman fall from the window said he apparently was killed instantly.

Zioncheck had announced his withdrawal from the congressional race last Saturday but Monday had filed his declaration of candidacy on the Democratic ticket.

Floridians Borrow FHA Insured Funds For Construction

An increase of 734 percent in the volume of home mortgages accepted for insurance by the federal housing administration during the first six months of 1936 over the entire year of 1935 was reported in a press release received here today from the Florida saving and loan associations.

A total of \$1,250,965 in accepted loans was reported up to July 1 by associations in this state.

George E. Palmer, a special assistant to the administrator in charge of the FHA saving and loan activities, said:

LOYALISTS DEFEND CAPITAL CITY

Battling to save Madrid from advancing Rebels, loyal Spanish government troops won decisive battles in the Guadarrama mountains north of the capital. The exclusive picture shows loyalists firing upon the enemy from a camouflaged hiding place near Zaragoza. (Associated Press Paramount News Photo)

Chamber Attache Sees Excellent Season For State

Duplex cottages will reach a peak of popularity in Florida next winter, according to predictions made from recent observations of west coast cities by Ralph Hugwell, secretary of the Chamber of Commerce here.

Mr. Hugwell was here today after spending two weeks at Clearwater Beach where, he said, a thriving summer season is being experienced.

The secretary declared that the west coast is expecting the best winter season in a decade. He indicated that the optimism of the Gulf sections is being shared by all other Florida resorts.

Huge sums of money are being spent in construction activities, Mr. Hugwell asserted. He saw a number of cabin camps coming into existence.

Owners of groups of duplex cottages have waiting lists on hand, and reservations have been made in advance by persons who will occupy the buildings throughout the winter, the Chamber attache stated.

One of the features of the cottages is the presence of the most modern furniture. All equipment is up-to-date, and the only recent development not in evidence is air-conditioning.

Mr. Hugwell was impressed by the number of out-of-state visitors who came to Florida for the summer. He said there were innumerable automobiles bearing license plates from states as far away as New York, Pennsylvania, Maine and other northern points.

One of the best indications of a prosperous winter in the state is the excellent prices being asked and paid for living accommodations, according to Mr. Hugwell.

Daytona Beach And Sanford Meet Here For Two Contests

Sanford's lookouts will meet the Daytona Beach Islanders in a doubleheader tomorrow at 2:30 on Municipal Athletic Field.

Doyle Carlton Discusses Problems Facing Senate

Declares Jefferson Assorted Constitu-
tion Should Be Amended To Meet
Changes Of Progress

Asserting that Thomas Jefferson should be amended every 20 years to meet the requirements of progress, Senator Doyle E. Carlton last night defended the Democratic administration and made a state-wide bid for the nomination to fill the seat of the late Sen. Park Trammell.

Mr. Carlton spoke to Jacksonville over an all-Florida radio hookup.

In defining the two issues which face the country today, he said the first is "preservation of our principles of government which have stood the test of time" and "the adaptation of these principles to the overwhelming factors of change common to an advancing civilization."

The ex-governor pointed out that 60 per cent of taxes fall on the "common people." Simultaneously, he pledged himself to the Democratic platform for a reduction in governmental expenditures.

Touching on agriculture, Mr. Carlton advocated an adjustment of the tariff to protect farmers and growers against the low-wage scales of other countries.

He declared that only federal agencies can solve the problem of citrus fruits which now lie in the national capital.

Under the topic of states' rights, the former governor emphasized that an "administration becomes more difficult at great distances," and reiterated that "we must keep our government close to the people and the people close to the government."

Provisions must be made for the aged, the speaker said in a discussion of social relief. He asserted that the method of such provision is of little importance, but that the stress should be on what results may be produced.

"As an aid to employment," Mr. Carlton said, "the government has established a program of public works. This should not be a substitute but a supplement to private industry and used to take up the slack in idle periods. Projects must be undertaken worthy of the expense and men engaged without discrimination."

He said the problem of labor has ever been employment at a decent wage, for reasonable hours and under proper working conditions. In pointing out that the "undue restraints and unjust burdens ultimately fall upon the employer and employee alike," he advocated collective bargaining.

Originally scheduled to go to Alabama, the Florida site was chosen at the last minute to avoid the danger of the infantile paralysis epidemic that was sweeping certain sections of the state.

U.S. Athletes Continue Bid For 3 Medals

Morris Takes First
Two Events Of Dec-
athlon Event;
Swimmers Show

BERLIN, Aug. 8.—(AP)—America's trio of all-around athletes today continued to bid for three medals in the Olympic decathlon competition.

Glenn Morris, Fort Collins, Colo., won the first two events of the second day's decathlon program, the 110-meter hurdles and discus throw to take a wide lead in the ten-event competition.

Robert Clark, San Francisco, was second in total points and Jack Parker, Sacramento, third.

With Jesse Owens and Ralph Metcalfe in the lineup, America's 400-meter relay team equalled the world record of 40 seconds in winning the first heat of the finals. America's 1,500-meter relay team also qualified for tomorrow's finals.

Japan and Holland dominated the opening of the swimming competition. The United States qualified Peter Fick and Art Lundgren for the 100-meter free style finals and Katherine Rawls, Fort Lauderdale, Olive McKean and Bernice Linn for the women's 100-meter freestyle semi-finals. Miss Rawls qualified by finishing third in the opening heat but she slowed down at the finish when she saw she had qualified.

Petitions For Slot Referendum Cover Seminole County

Petitions seeking to bring about a county referendum on the slot machine problem have been distributed through Seminole County today.

Members of the Seminole Municipal Association and voters will be contacted at the polls Tuesday during the Democratic primary and asked to affix their signature to the petitions.

If the required 1,000 names or 20 percent of the registered voters are not obtained on Aug. 11, the papers will be circulated from house to house in an effort to get the number required by law for a referendum.

Sanford ministers today reiterated a statement that the petition does not seek to prohibit the operation of slot machines in this county but a campaign for determining public sentiment toward the device.

Growers' Institute Billed This Month At Camp McQuarrie

The annual Growers' Institute will be held at Camp McQuarrie near Ocala, this year from Aug. 31 to Sept. 4, according to an announcement made today by C. R. Dawson, county farm agent.

Features will be presented that will be of especial interest to citrus producers, the agent said. A "poultry day" also will be observed when leading authorities in the industry will address the institute.

Anti-New Dealers Call For Demos To Abandon Roosevelt

New Orleans Flier
Perishes In Crash

DETROIT, Aug. 8.—(AP)—Asserting that the Roosevelt Administration has disclosed "perversion of heart and spirit which can neither be remedied nor condoned," anti-New Deal Democrats called upon members of the Democratic party today to abandon President Roosevelt.

Under the leadership of men once prominent in party councils, they set about forming a campaign organization to carry an appeal to voters and asked a list of another meeting to follow.

Out of deference to the wishes of participants from the South, the declaration of principles made no mention of supporting Governor Landon of Kansas, the Republican presidential nominee.

The anti-New Dealers met here yesterday and today.

Former Senator James A. Reed was named chairman of the campaign organization to carry the anti-Roosevelt appeal into "every state in the Union." The organization is to be known as the "National Jeffersonian Democrats" but Reed said it would not be considered a new political party.

Shirling E. Edmunds, Reed's associate, was named secretary. Many of those present favored endorsement of the Republican nominee, Gov. Alf M. Landon, as the most effective way of expressing the anti-administration Democratic opposition.

Joseph E. Ely, Democratic firebrand, was named secretary.

Sanford Selects Senate Choices In Tuesday Vote

Pepper, Carlton And
Andrews Appear
On Seminole Ballot

Seminole County will trek to the polls Tuesday to select Democratic nominees for the vacant Senate posts of the late Dinnon D. Fletcher and the late Park Trammell.

Approximately 3,600 voters are qualified to place their marks beside the names of Doyle E. Carlton or C. D. Andrews, running for the Trammell vacancy, and Claude Pepper, seeking to fill the empty Fletcher seat.

There will be no second Democratic primary, since either Carlton or Andrews will be eliminated during the first balloting, and Pepper faces no opposition.

Miss Eloise Winn
Takes Ritz Event

Miss Eloise Winn, with limitations of motion picture stars, last night won the fourth in a series of six amateur night performances staged at the Ritz Theater.

Miss Winn gave her impression of Mae West, Greta Garbo and Lyda Roberti.

Last night's victor will appear in Orlando on Aug. 24 in a special program over WDBO along with the other five winners in the contest. The radio audience will decide the final results.

Chamber Directors To Convene Tuesday

The board of directors of the Seminole County Chamber of Commerce will meet Tuesday night for a regular monthly session, according to an announcement made today by Jimmie Chapman, acting secretary.

In notices of the meeting sent out today, it is pointed out that any director who misses four consecutive meetings will be automatically dropped from the Board.

Egg Within Egg Discovered Here In Grocery Firm

An egg within an egg was discovered here today.

The unusual poultry product was found in a consignment of eggs received by the Triple-S Groceries here where it is now on display.

Inside a large brown-shelled egg was a smaller one and of a lighter hue. The large one had a perfect yolk and white. The smaller one had not been cracked.

Absentee Balloting Is Reported Light

Seven absentee ballots from persons who will be out of the county on Aug. 11 were received yesterday by the county judges office and will be cast in the regular ballot box Tuesday when the county votes on Democratic senatorial nominees.

Several absentee votes were received from those out of the state.

Both deadlines for receipts of ballots fell Friday at midnight.

Big Crosby bought the uniforms for a girls' softball team. They're the "Crosby-Kes."

Commission To Hold First August Meet

City Commissioners will meet Monday night at 7:30 o'clock for their first August meeting.

Other than routine business, it is expected that the body will make an appointment to the position of special department tax adjuster.

The matter was discussed week before last, although no action was taken.

Edward In France On Vacation Jaunt

CALAIS, France, Aug. 8.—(AP)—King Edward of Great Britain, flying to France on the first day of a month's holiday on the Atlantic, landed here today.

CITY NEWS BRIEFS

The weather: generally fair to night, Sunday partly cloudy to unsettled. Extreme Northwest Florida: partly cloudy tonight, Sunday scattered showers.
