Morris, former member of the Christian Coalition: I'd be a fool to respond Political survey causes stir

By Russ White
 HERALD STAFF WRITER

SEMINOLE COUNTY - A 4-page Christian Coalition election issues survey, written in part by County Commission District 2 candidate Bob West,

has created friction in the hot political summer.

The two county commission incumbents suspect they've been placed in a "damn if we do, damn if we don't situation." Chairman Randy Morris, who is running against West, and

Win Adams, who is running against Carlton Henley, are not going to answer the survey. Henley said today he hasn't even received the survey.

Morris said he has more than willingly answered previous surveys from the Christian

Coalition, of which he was once a member, but will not do so this year

because he says "a small political group of operatives is clearly trying to manipulate the process and manipulate the membership of the Christian

Coalition.

"I firmly regret I can't answer many of the questions that deal with family and Christian values and strongly support the Coalition platform," Morris said. "However, many of the

After the wild fires

Governor to pay tribute to those who helped

By Nick Phillips
 HERALD STAFF WRITER

SEMINOLE COUNTY - A week ago, it was announced that Florida Governor Lawton Chiles planned to be in Sanford on August 13 to pay tribute to firefighters and local agencies who gave to the community during the recent fires in Seminole County.

Now, the tentative list of organizations to be honored has been revealed. The agencies are those which donated time, effort, materials, services or cash during the hectic days during and after the fires.

The list includes Geneva Elementary School and Lake Mary and Lyman high schools. Businesses include Wayne Densch/Anheuser Busch, Eckerd Drugs, Gooding's Supermarket, Home Depot, Measey Cadillac, Publix, Seminole Office Products, Sprint, WalMart, Races Amateur Radio, and Ranger Transportation.

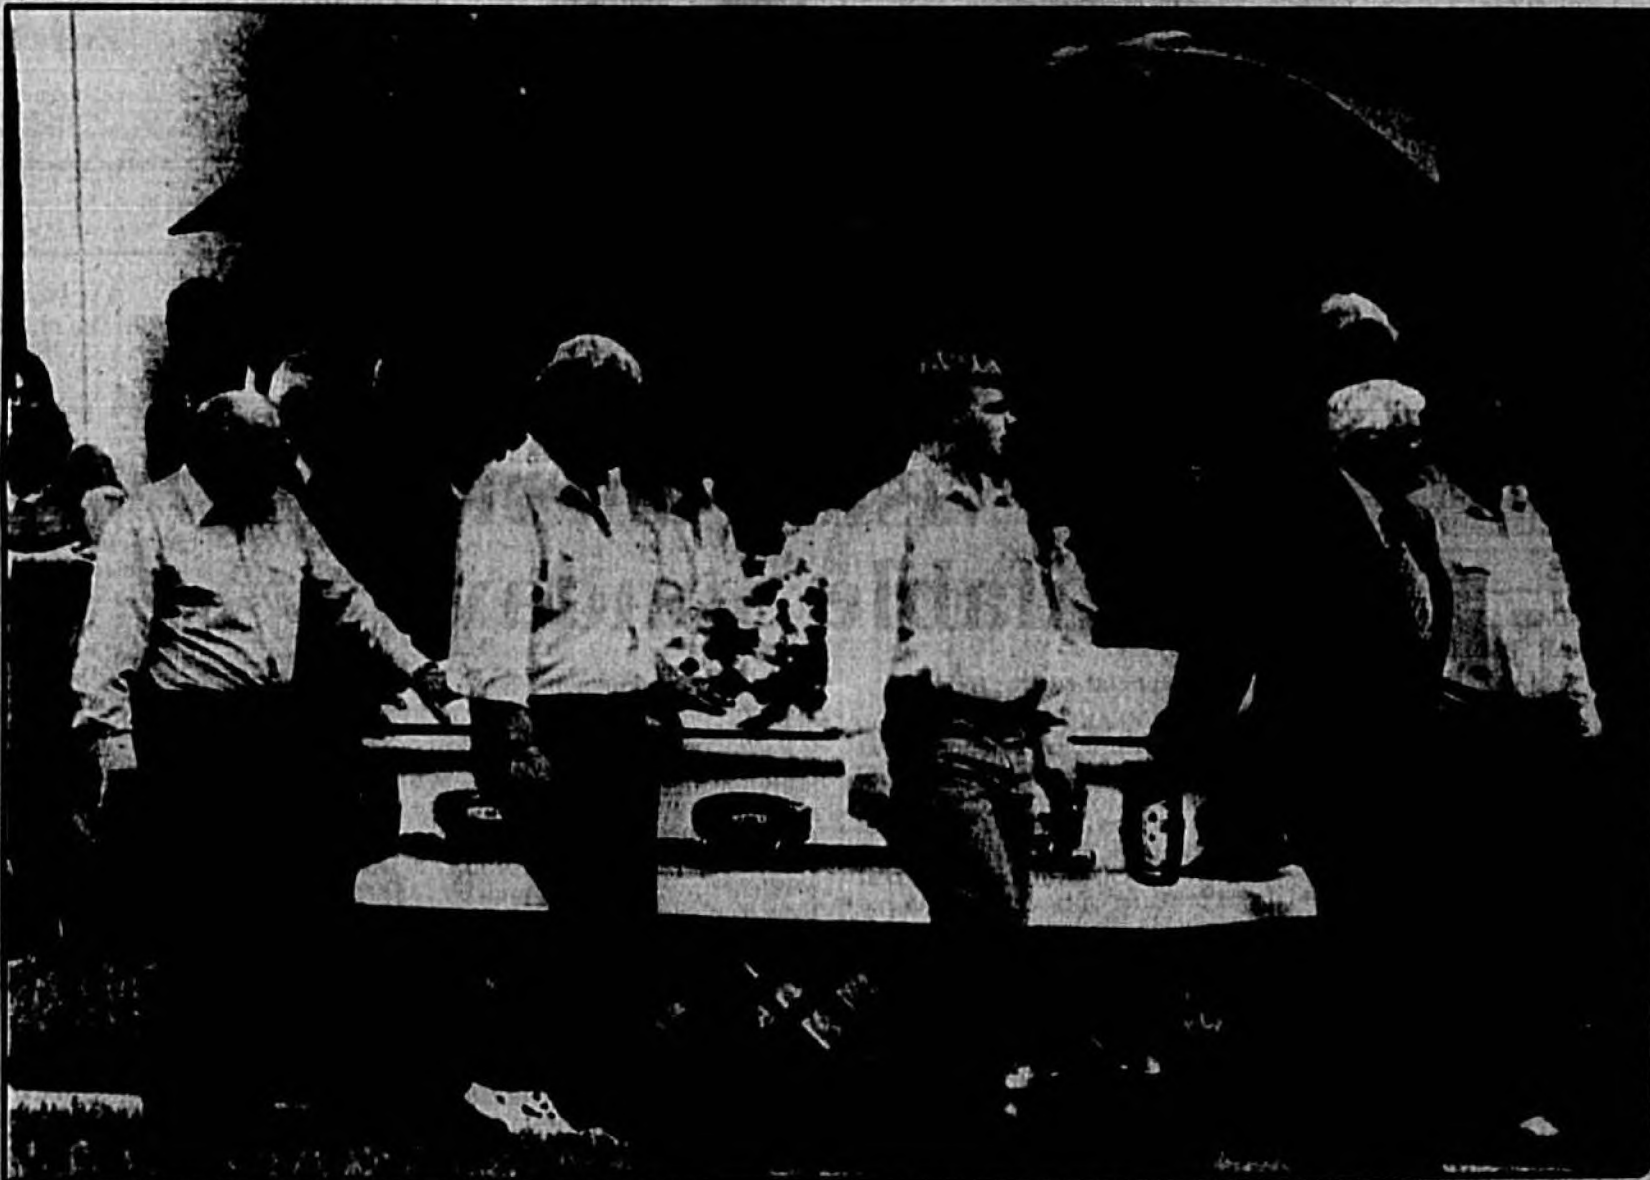

Church groups and others include the Greater Orlando Baptist Association, Sanford United Methodist Church, Volunteers in Body of Christ, Salvation Army, VFW Post 8307, American Red Cross, Seminole County Chamber of Commerce, Seminole County Library, Seminole County Sheriff's Office, Seminole County Volunteer program, Seminole Volunteer Enterprises, and the Washing-Tons.

Also, 60 individual volunteers will be recognized.

The visit was originally scheduled during a Seminole County Commission meeting, but has since been moved back several days in

Slain family laid to rest

More than 300 mourners attended funeral services for the Geneva couple and their daughter who were murdered last week west of the town. The Rev.

Daryl Permenter conducted the services at the First Baptist Church of Geneva for Danny Ray Privett (35), Robin Razor (31) and Christine Razor (11). Rain began to fall when the last of the three caskets was carried from the church. Burial was at the Geneva Cemetery. "By remembering this situation and this tragic set of circumstances, you can help others," Permenter told those at the service. The murder is still under investigation, with one suspect in custody. Sheriff Don Eslinger says deputies have not ruled out others who may have been involved in the budgeoning deaths.

For cable company, never on Sunday

By Nick Phillips
 HERALD STAFF WRITER

SANFORD - The first reading of an ordinance appearing before the Sanford City Commission Monday night was approved, but not without an addition. The ordinance will permit a franchise agreement for cable television in the city with Cable Communications Systems.

The ordinance text is 51 pages in length, covering all aspects including the use of streets for line installations, handling of complaints, setting rates, service area, franchise fees and a number of others, required in any such agreement.

Commissioner Kerry Lyons however, said he wanted one another stipulation added to the document. "Last Sunday morning," he explained, "a marketing person came to

the front door of my home wanting to know if I would sign up for the service." Lyons said he was angered that such an intrusion would occur, especially on a Sunday morning.

A representative of the cable company, on hand for the ordinance reading, assured the commissioner that it was not the intent of the company to solicit for customers.

Donating money, time to help kids

Special to the Herald

CENTRAL FLORIDA - The Boys & Girls Clubs of Central Florida announced that Orlando Magic star Darrell Armstrong is this year's honorary chairman of the 8th Annual Campaign for Kids fund-raising drive. Not only is Armstrong lending his name and stature as a Magic player to the campaign, but he announced his personal gift of \$10,000 to the effort.

A club spokesman said that noting his involvement in the Boys & Girls Clubs while he was growing up, his commitment to chairing this year's campaign is a reflection of his beliefs that supporting children is a priority for the community.

The previous four Campaigns

for Kids raised a total of \$410,000. They were raised by members of the Boys & Girls Clubs board of directors through committed volunteers. Their leadership in raising these funds assures that the clubs in Central Florida can continue to provide the opportunities necessary to service the needs of over 6,000 children per year of the four years.

The fund-raising goal for this year is \$100,000.

Gary Cain, president of the Central Florida organization said, "The community has demonstrated its generous support of children through our annual Campaign for Kids. This support assures the Boys & Girls Clubs will provide children with the opportunity of enjoying the program and

A rare self-portrait of the artist

Millions of men, women and children and their pets have been photographed by a man whose age and weight are not known nor do they need to be known. His name is **Tommy Vincent**.

Today is a special one for Mr. Vincent, whose recent self portrait is being sent to the National Gallery of Art in Washington D.C. Mr. Vincent shot the photo in natural lighting without flash. He actually didn't know he had film in his camera.

Known for his warm wit and squeaky shoes, Vincent began growing his beard in the fourth grade much to the amazement of his little classmates.

He probably knows the streets of Seminole County better than anyone in the police or fire rescue departments and frequently beats them to the scene of an incident.

By four or five on Friday afternoons, Mr. Vincent is known to go into seclusion and not emerge in public until Monday mornings.

He has been mistaken for the entire cast of ZZ Top and for the late Burl Ives. If he were from the Ives family he could have his photographs in a Currier & Ives catalogue.

Mr. Vincent's *Seminole Herald* co-workers marvel at all he has accomplished and given to the community.

Free vision check available Sunday

Special to the Herald

CLEVELAND -- Good vision is the primary concern at Sears Optical's sixth annual All American Vision Check Day, on Sunday, August 2, from noon to 4 p.m., when free vision checks will be offered at 800 Sears Optical locations nationwide, including off-the-mall departments located in strip shopping centers. Sears, Seminole Towne Center, will participate.

The free vision checks are co-sponsored by Prevent Blindness America. Celebrating its 90th anniversary, Prevent Blindness America is the nation's leading volunteer eye health and safety organization dedicated to saving sight. The vision check takes five to seven minutes to complete and no appointment is necessary.

The vision checks measure near and distance vision for clarity and need for correction. For children as young as 2-1/2, the Lea Symbols Test, with familiar shapes instead of letters of the alphabet, will be used. For older children and adults, the Snellen chart (E-chart) will be used to measure sharpness of distance vision. The Near Vision Reader Card will be used to check near vision.

Through these vision checks, we may be able to detect vision problems in a substantial number of people who do not realize they are having a problem," said David Pierson, president, Sears Optical. "Children, particularly, don't know when they aren't seeing properly, and undetected vision problems can affect their academic performance."

Further visual evaluation and a comprehensive eye examination will be recommended when the vision check indicates a possible vision problem. While a vision check is a good first step in protecting eye health and preventing unnecessary blindness, it does not take the place of a regular eye examination.

All American Vision Check Day ushers in National Eye Exam Month, an educational and philanthropic effort co-sponsored by Sears, Sears Optical and Prevent Blindness America to increase awareness of the importance of eye exams and raise funds for Prevent

Blindness' sightsaving programs. Sears and Sears Optical will make a donation to the non-profit organization for every vision check performed on All American Vision Check Day. During the past nine years, Sears and the Independent Doctors of Optometry have contributed almost \$1.5 million to Prevent Blindness America.

This year, for the first time, the vision check will be paired with a free make-up consultation at Sears stores with Circle of Beauty cosmetic departments. The free make-up consultations will offer hands-on guidance in make-up application.

Prevent Blindness recommends the following precautions in eye make-up application as well, to maintain eye health.

- Always wash and rinse hands thoroughly before applying eye make-up. Bacteria that can lead to infection is always present on the hands.
- Keep cosmetics away from excessive heat and cold, which can break down the preservatives that most cosmetics contain, to prevent the growth of bacteria.
- Make sure that all cosmetic applicators, containers and instruments are kept clean and in good condition.
- Use and discard mascara and eyeliner within three or four months. The preservatives can become less effective after that time.
- Do not share makeup with others.
- Never apply makeup while riding in a moving vehicle.

For more information on All American Vision Check Day or for free information on a broad range of eye health and safety issues, consumers can call Prevent Blindness America's toll free number, 1-800-331-2020, during regular office hours, or visit them on the World Wide Web at <http://www.preventblindness.org>.

ers on Sunday mornings. He assured Lyons it was a singular matter, and would not happen again.

Additionally, Lyons questioned whether or not the solicitor had obtained a required solicitation permit from the city, and even if one had been obtained, if there wouldn't be a restriction against conducting this on a Sunday.

Answers regarding obtaining a permit were not immediately known, but commissioners agreed it should not have been done on that day.

Discussion by members of the commission then digressed to other solicitations which have been occurring in the city, especially in residential areas. Indications were that the city may have to pursue more stringent prohibitions on all door-to-door contacts.

Returning to the matter at hand, Lyons said he was not satisfied that the cable company representative assured him no such solicitation would occur again. He suggested that the words guaranteeing the prohibition be included in the wording of the contract before final adoption.

The city attorney said the addition to the present contract would not constitute a major change which would, by law, require another first reading. Lyons then agreed to support the first reading, based on the promise that it would be included prior to the second and final reading.

With Mayor Larry Dale not present, the remainder of the commission approved the document on first reading. Second reading is expected to be scheduled at the next official commission meeting on August 10.

Sorry Bucs fans, Jaguars are prepared for run at the Super Bowl

SANFORD - Wasn't it just yesterday that Jacksonville Jaguar fans, the few of us there are in Central Florida, were so excited about the first day of the first training camp?

About half of Jacksonville traveled to spend their summer at the University of Wisconsin-Stevens Point to watch the inaugural training camp. You couldn't find a stitch of souvenir that had the Jaguar logo, even in the malls of Central Florida where there's practically no attention paid to Jacksonville.

The excitement was everywhere. Steve Beuserlein was the quarterback and some kid named Brunell was going to back him up.

Desmond Howard was going to be the star, Tony Boselli was going to become the greatest offensive lineman of all time and nobody knew too much else.

Tom Coughlin was a college coach given free authority to determine the future of the franchise despite the fact that he was only a marginally successful college coach who only got the job because Jimmy Johnson and Steve Spurrier didn't want it.

At the time, Houston and Cleveland had football teams and O.J. was still awaiting sentencing.

My, a lot has changed in four years. Two straight playoff appearances and a Brunell interception in the final minute away from a Super Bowl in 1988 is all.

The Jaguars took the field yesterday at Alltel Stadium and had the look of a winner. Four years ago, Jacksonville was looking for its first win.

Now, the Jags are wallowing in the fact that an embarrassing defeat by the eventual Super Bowl champion Denver Broncos kept them out of the AFC championship game for the second straight year.

It's still hard to find many Jacksonville supporters in Orlando; they're too busy crowding the Buccaneer Bandwagon.

But the mood at Ferrell Field, the Jags' practice facility next to Alltel Stadium, says that it might be teal and black that has everybody excited, come the end of January.

For starters, Jacksonville has its starters back.

Injuries to defensive linemen like John Jurkovich, Kevin Fritchett, Don Devay and linebacker Brian Doldarco killed the Jacksonville defense last year, but have all recovered and the addition of Bryce Paup, a three-time Pro-Bowler at Buffalo, and first-round safety Donovan Darius, the highlight of training camp so far, automatically make the defense much better.

On offense, Jaguar fans can keep their fingers crossed that Brunell stays healthy all year and that Fred Taylor can give the team the running game that has been lacking except for a few games during the season run of 1988.

Bucs' fans have a reason to be excited also but who among them think they are ready to knock off the Green Bay Packers, the San Francisco 49ers and, yes, the Dallas Cowboys?

It's a different story in the Jags' AFC where they match up well against the other heavyweights from Kansas City, Pittsburgh, Denver which has to replace three offensive linemen or New England.

Made no mistake. The Jags are a contender for the Super Bowl.

Now, if only someone from the Jaguar organization would involve Central Florida in all the fun.

Last Second Shot: Check out Lake Brantley's sports bar next Thursday at 8 p.m. Each sport will have a booth with information and there will be prizes for people of all ages outside including a softball hitting contest to support the new slow pitch team. There isn't a more rabid bunch of fans in the county than the Brantley bunch as it should be a fun time.

ALTAMONTE SPRINGS - Imagine being the best in the entire country at something when you're only nine-years-old.

Now imagine you're a member of the Central Florida Sun Devils, a nine-year-old AAU baseball team made up partly of Seminole County baseball players.

The Sun Devils won the national championship last weekend at the Disney Wide World of Sports Complex, running all over the opposition.

The beat(ing) keeps on for Oviedo senior girls' softball team

By Susan Smith
HERALD SPORTS EDITOR

ST. CLOUD - Except for one hiccup in the District 14 Tournament, the Oviedo Little League Senior Division girls softball team has been untouchable.

The domination by the 13-to-18 year old all-star team has continued right into the Little League Baseball Senior Division Sectional Fast Pitch Softball Tournament at St. Cloud as the Oviedo squad has walked past two opponents and was to have played in the finale late Wednesday night.

If the Oviedo All-Stars won their game last night they would advance to the State Tournament. A loss last night would force another game tonight.

The Oviedo All-Stars, under manager Steve Field and coaches Tom Bell and Cathy Bell, opened All-Star play in the District 14 Tournament at the Oviedo Little League Complex on Monday, July 25th by trouncing the Sanford All-Stars and followed that up with a 11-3 trouncing of the Apopka All-Stars.

The hosts then got a little complacent and fell to the Apopka All-Stars, who had battled back out of the Loser's Bracket to earn another shot at the Oviedo All-Stars, 5-4, forcing a winner-take-all finale on July 10th.

The Oviedo All-Stars did not give the Apopka All-Stars a chance in the Championship Game, blasting the visitors 10-2 and gaining the invitation to the Nationals in St. Cloud.

The Oviedo All-Stars then stamped themselves as favorites in the Sectional Tournament when they humbled the Lake Wales All-Stars 10-5 in the first game of the tournament last Saturday. The game was stopped after five innings by the Sun Rule.

Manager Steve Field took full advantage of the blow out to get some work for all three of his pitchers.

Michelle Orinaga worked the first two innings and allowed only one hit. Katie Field, the sophomore ace of the Oviedo High School varsity softball team, then took the rubber and also allowed only one hit over two innings.

Nicole Nelson then made her first pitching appearance of the All-Star season, allowing two hits in one inning of work.

Powering the Oviedo All-Stars offense were Kelly Ray (one double, one RBI), Nicole Nelson and Jamie Dalton (one single and two RBI each), Stephanie Mathieux (one single, one RBI), Chelsey Bell (two runs scored, one RBI on a squeeze bunt) and Michelle Orinaga (two runs scored).

Please see Section, Page 2B

Katie Field, the ace of the Oviedo High School varsity softball team, has given up just one hit in four innings of relief work in two Sectional Tournament victories.

SANFORD - Tom Williams (above) and Matthew Anderson (all to the front) are seen in the final inning of the Sanford-Panama City Senior Girls Softball game, Thursday night. The Florida Little League post-season tournament is played.

Over-the-hill Center fielders and Pops John's meet at 6:30 p.m. with the other challenging opponents at 7:30 p.m. If Matthews loses the 7:30 p.m. contest, a winner-take-all game would be played at 8:30 p.m.

One-run loss ends Oviedo Major girls' championship hopes

By Susan Smith
HERALD SPORTS EDITOR

ST. CLOUD - Oh so close. The Oviedo Little League Major Division girls' softball all-star team's hopes of winning last year's final place berth in the State Tournament came to a premature end late Tuesday night.

The Apopka All-Stars from Valrico beat Oviedo and Bradford come from behind to edge the local 11-and-12 year old squad, 9-8, in the semifinals of the Little League Baseball Major Division Fast Pitch Softball Sectional Tournament at St. Cloud.

"We had an 8-5 lead, but gave it away in the sixth inning," said Oviedo All-Stars manager Jeff Peterson.

With the loss the Oviedo All-Stars finished third in the Sectional Tournament and will play only one game with a 2-3 record.

Peterson hoped praise on Kelly Curry and Dana Daniels for key hits and Jamie Bennett for outstanding defensive plays that

helped build the 8-5 lead against the Valrico-Bonita All-Stars.

Peterson also pointed to the pitching of Melissa Brown and the all-around play of catcher Tracie Hernandez in the final game.

The early center of the Oviedo All-Stars came as a big surprise as they had not even been challenged in reaching in the District 14 Championship at the Oviedo Little League Complex two weeks ago.

After trouncing the Apopka All-Stars in the opening game of the District Tournament, they came back with a 21-0 thrashing of the Winter Springs All-Stars and then capped the title run with a 15-1 whipping of the Apopka All-Stars in the Championship Game.

But the Apopka All-Stars knocked the Oviedo All-Stars back down to earth in the first game of the Sectional Tournament, losing the Seminole County squad 10-2.

The Oviedo All-Stars appeared to have the chip shifted as they

The Oviedo All-Stars then remained undefeated in the Sectional and earned their spot in the finals by knocking off the South Orange All-Stars 5-1. Michelle Grinage was the winning pitcher.

Champions

...which came from all over the country to get pounded by the Sun Devils.

It marked the second time in 12 months that a Central Florida team made up of Seminole County players won a national championship. The Sanford AAU Foot 85 American Legion team won the World Series last August. The Sun Devils didn't just win a championship, they went out and destroyed everyone in their way. Blowouts were the norm and few games even went the regulation seven innings.

The only time Central Florida was really threatened was in the final game, the ninth they played in the tournament. Facing the Santa Clarita (Calif.) Renegades, the Sun Devils were trailing 2-0, but fought back and took a 3-2 lead before they used some trickery to bring the title back home.

Pinch-runner Tony Caldwell stood on first with Matt Hamrick on third. Caldwell took off for second and got himself in a rundown. Hamrick scampered home while Caldwell dodged between first and second for nearly 30 seconds. He even made it safely to second base as Central Florida scored the run it would need to win.

Hamrick also scored the game, and the national championship, when Santa Clarita loaded the bases, trailing by two, in the bottom of the seventh. A sharp grounder was hit to Hamrick's side of second base and he darted into the hole to scoop it. Fired to first, then a wild celebration began on the mound.

"Everyone ran to the mound and someone picked me up, then everybody jumped all over me," Chandler Parsons said. "We were the best team in the whole country." The celebration marked the perfect end to what has been a perfect past few seasons. Last fall, the team was together as an eight-year-old team and came in fourth in the states, then won the state nine-and-under tournament in Lakeland this spring.

It is a team made up of players from the West Seminole Pine All-Stars and the Volusia County All-Stars. The team, according to coach Jim Caldwell, took about 10 minutes to mesh when it first got together, and has been unbeat-

YMCA Youth Soccer

LAKE MARY - Seminole YMCA Family Center will offer a Youth Soccer League for children ages 3 to 13 running from August 1st through October 11th. All games will be played at Greenwood Lakes Middle School. The YMCA Soccer Program is designed to teach each child the fundamental skills of soccer and apply the rules of fair play while providing a team experience. Practices are held one evening per week. Games are held on Saturdays between 9 a.m. and 4 p.m. Cost is \$65 for Y-Members and \$85 for Program Members. Call Steve Waring, Sports Coordinator - Seminole Family YMCA at (407) 321-8944

YMCA summer fun

LAKE MARY - The Seminole Family YMCA is signing kids up now for their summer day camp and the youth sports and tennis camp. The day camp places an emphasis on all YMCA programs, on character building. The camps last from 9 a.m. - 4 p.m. with pre-day care starting at 7 a.m. and post-day care until 6 p.m. Kids at the day camp will participate in activities such as arts and crafts, games, nature activities, swimming and other events. Camp sites include Greenwood Lakes Park, Longwood Recreation Center, Sylvan Lake Park and Bandido Park. The sports camp involves four weeks of sports activities ranging from flag football and soccer to canoeing, archery and basketball. There will also be a tennis camp featuring professional Karen Westmark for campers aged 7-12. Also, call the YMCA at 321-8944 for information regarding a large number of youth and adult leagues about to get underway.

Lacrosse keeps on growing

ALTA MONTE SPRINGS - There is a summer lacrosse program currently being run at Lyman High School and the Winter Park Ninth Grade Center. Levels of play being offered are: High School Boys, Tuesday at 6:30 p.m.; Girls and Women, Wednesday at 6:30 p.m.; and Men, Thursday at 6:30 p.m. There will be a clinic for people interested in coaching boys or girls high school and youth lacrosse. Contact Dave Shrum at 831-8910 for information. A referees clinic will be held this fall for people interested in being a paid official for boys or girls high school and youth lacrosse. Call Lehn Abrams at 841-1800 for info. There will also be a youth lacrosse league beginning this fall for boys ages 10-14. Contact Tom O'Grady (677-9600) or Dave Shrum (831-8910) for information.
