Groups To Hear Experts Report

R. Ovington Says Florida Should Have 2 Parties

By MARY FOWLER

The De Bary Republican club has 139 paid members most of whom were at the meeting yesterday morning in the firehouse. Raymond Ovington of Daytona Beach, candidate for sheriff of Volusia County, was the speaker.

Humorously referring to the latest Soviet edict which promises that in the free country of Russia there never shall be anything but a one party system, Ovington declared that in this free state of Florida there should be two parties that would act as a brake to each other in the political field.

"We must be forward looking," he stated, "we must look to the future and in so doing, influence our friends here into the belief that a two party system will bring about good men at the helm of government."

Vice president George Percy footnoted this speech by adding drily that while he thought the sentiments of Ovington were beautiful, still up North where he was constantly in politics, they had one main objective; to get elected; and he wanted everyone in the state of Florida to have the same goal.

"There are three million people in Florida and two and a half million of them come from other states," he pronounced, "so there is no reason why they should stand back and accept this one party system which was originated by provincial settlers years and years ago."

"The Republican party in Volusia county has grown from 800 in '52 to 4,800 this year. It should be able to show its strength at the voting booths this fall. While I believe in Ovington's statement that we must be forward looking, we should look out for ourselves right now; show that we mean business; get on the ball and clean ranks for the November election, voting right across the state."

Mrs. Harry Keller told of the picnic plans and stated that a list of speakers would be posted later. The following board of directors was unanimously elected: Arthur G. Watt, Frederick Clarings, Earl Pickford, Mrs. Carl Smarling, Robert Brown, Mrs. Wallace Gubler, Harry Keller, Mrs. James Livingston, Carl O. Lind and Mrs. Arne Edelman.

Funeral Services Are Set Tomorrow For V. W. Davis

Volter W. Davis, 68, died at 8 p. m. yesterday at the home of his daughter and son-in-law Mr. and Mrs. Ted Jones, 616 W. 1st St., after a short illness.

Born Sept. 21, 1888, in Henry County, Ala., he was engaged in the lumber business in Alabama and west Florida and had retired 30 years ago. He had been living in Sanford for 30 years and attended the Church of God of Prophecy.

He is survived by his widow, Mrs. Eula Davis; six daughters, Mrs. B. T. Williams, Ft. Walton; Mrs. J. C. Stokes, Mrs. E. M. Cain, Mrs. C. T. Swagerty, Mrs. O. W. Hill and Mrs. Ted Jones, all of Sanford; two sons, N. W. Davis, Sanford; and H. M. Davis, Tampa; 20 grandchildren and 14 great-grandchildren; two sisters, Mrs. J. M. Brown, Woodville, Tex.; and Mrs. Ida Boswell, Port St. Joe; and one brother, Cleasb Davis, Millville.

Funeral services will be held at 11 a. m. tomorrow at Brison Funeral home with the Rev. D. D. Creamy and the Rev. E. W. Martin officiating. Burial will be in Evergreen Cemetery.

Mrs. M. J. Duer Dies This Morning

Mrs. Martha J. Duer, 82, died at the Seminole Memorial Hospital at 9:00 a. m. this morning after a lengthy illness.

Born Jan. 18, 1874 in Nesbit, Mo., she had lived in Sanford for seven years and resided at 613 Willow Ave.

She is survived by her husband, E. C. Duer of Sanford; one daughter, Mrs. C. H. Schwamer, Tampa; one grandson, Charles H. Schwamer Jr., Atlanta, Ga.; and several nieces and nephews.

Brison Funeral Home is in charge of arrangements and burial will be in Oaklawn Memorial Park.

Senator Douglas Stenstrom, member of the Senate committee to consider segregation measures and Representative Mack N. Cleveland Jr., a member of the House committee for the same purpose will hear a report in Tallahassee Monday by a committee of legal experts which has been considering possible recommendations.

The calling of a special session of the Legislature apparently depends on the committee's findings.

House Speaker Ted David said after a conference with Gov. Collins the governor left him with the impression a special session will be called only if the committee presents specific proposals for segregation legislation and recommends immediate action.

If called, the special session is expected to convene July 23 and also to take up other emergency matters.

Chief among these would be appropriation of \$1 million dollars to battle the Mediterranean fruit fly which is menacing citrus. David said the governor apparently feels funds can be borrowed from other appropriations to carry on the meekly fight if no special session is called.

Retired Circuit Judge L. L. Fabianski of Pensacola, chairman of the segregation study committee said he has invited the president of the state Senate, speaker of the House, members of House and Senate committees named to consider segregation measures, the governor, Cabinet and Board of Control members, university presidents and representatives of associations of county school board members and county school superintendents to hear the report.

Meanwhile, Rep. Prentice Pruitt of Jefferson County said he mentions on segregation legislation "work to the end" of outlawing the National Assn. for the Advancement of Colored People at the next session of the Legislature.

Fruitt, one of the Legislature's most ardent segregationists, made the statement in a letter to the NAACP in which he complained he had been enrolled as a member of the organization without his consent.

He said he believes the NAACP principles are not in the best interest of his county, state and nation and declared "I therefore advocate the outlawing of the NAACP in Florida and will work to that end at the next meeting of the state Legislature."

The chairman is Lacy Mahon of Duval County. Other members are Roy Surles of Polk County; J. B. Hopkins, Escambia; Cecil Costin, Gulf; Bart Knight, Calhoun; Thomas D. Bessley, Walton; J. S. Alexander, Liberty; Mallory E. Horne, Leon; Doyle E. Conner, Bradford; A. Max Brewer, Brookard; Farris Bryant, Marion; Sam Gibbons, Hillsborough; B. C. Smith, De Soto; W. C. Herrell, Dade; A. J. Musselman, Jr., Broward; John J. Crews Jr., Baker; Sherman Smith, Indian River; Charles D. Stewart, Okaloosa; and J. Emory Cross, Alachua.

Senate President W. Turner Davis named a committee for the same purpose; Woodrow Melvin, Milton, chairman; Wilson Carraway, Tallahassee, vice chairman; and W. A. Shands, Gainesville; E. W. Gautier, New Smyrna Beach; L. K. Edwards, Irvine; Charley F. Johns, Starke; Verle Pope, St. Augustine; Dewey M. Johnson, Quincy; John Rawls, Marianna; Doyle Carlton Jr., Wauchula; B. C. Pearce, East Palatka; and Fred O. Dickinson, West Palm Beach.

Church Adding Sunday School To Structure

The First Church of Christ Scientist, located in Sanford at the corner of East Second St. and Locust Ave., has begun the construction of a Sunday School addition to the present church structure.

The completion of this addition will make possible the accommodation of about 30 Sunday School students and will enable the Sunday School to be held at the same hour as the church service. This will enable parents of small children to attend the morning worship.

Completion of the new addition which is architecturally designed to conform with the present church building is expected in about 60 days.

The Sunday School addition is being added to the northeast corner and side of the present building. It is also being constructed so that future additions can be readily added.

Chairman of the building committee is Floyd C. Richards. Members of the committee are: Sam Lawson, Mrs. Ira Wilson, and Mrs. Harriette Shelby.

Plans Made To Enlarge Slavia Lutheran Church

SLAVIA—The St. Luke's Lutheran Church of Slavia will be enlarged. The contract for additions and alterations was awarded by the Church to W. A. McCree, Inc., of Orlando, for the sum of \$64,293.00. Pastor Stephen M. Tuby, chairman of the Building Committee, signed the contract for St. Luke's Church. The architect is James Gamble Rogers II, of Winter Park. The estimated construction time is 150 days.

Construction will begin the latter part of this week, it was reported. The Building Committee consists of: A. Duda Jr., Ferdinand Duda, George Jacobson Sr., Hugo Weber, Joseph Hyvick, David Earle, Joe L. Mikler Jr., E. L. Bellhous, and Pastor Tuby, chairman. Joseph Hyvick will serve as public relations representative.

The decision to let the contract was made Sunday afternoon at the Regular Quarterly Meeting of St. Luke's Congregation. The contract was signed Tuesday afternoon in the office of Gamble Rogers, in Winter Park.

BUILDING CONTRACT SIGNED for Slavia's St. Luke's Lutheran Church. (Left to right) Joseph Hyvick, member of building committee; W. A. McCree, Orlando, contractor; Pastor Stephen M. Tuby, chairman, church building committee; and James Gamble Rogers II, architect, Winter Park.

Cub Scouts Visit Local Boat Works

The Cub Scouts of Den 5, Pack 31 made an inspection trip to the Sanford Boat Works this week.

Archie Smith showed the cubs the dry dock where they watched several of the boats come in and saw the new trailer on pontoons.

The group of Cub Scouts went aboard the "Miss Hope" after which they learned to splice a rope and tie a knot. The group then enjoyed refreshments.

Cub Scouts making the trip were Thomas Palmer, Pepper Smith, Jim and Tom McLain, Johnny Clark, and Charles Stein. The group was accompanied by the den mother, Mrs. Gloria Smith and Mrs. Elaine Clark, assistant den mother. The next meeting of the den will be the last Tuesday in July.

Weather

Partly cloudy through Friday, scattered thunderstorms occurring mainly during afternoons and evenings; low tonight 69-71.

ALLOWANCE NOT ENOUGH TOPEKA, Kan., (AP)—A 13-year-old Topeka boy told officers he broke into a service station because his \$40-a-month allowance doesn't keep him in cigarettes.

REWARD OFFERED FOR HAMS NASHVILLE, Tenn., (AP)—Restaurant operator John Hatoon offered a reward today for the return of 40 hams stolen from his restaurant. He promised to forget about the \$58 in stolen cash.

MAN, 60, FIGHTS FIRE ALONE MACKINAW CITY, Mich., (AP)—All alone, Stanley Zuras, 60, fought a fire which swept through his motel while firemen waited helplessly a few hundred yards away for a train to pull away from a crossing.

ST. LUKE'S LUTHERAN CHURCH, Slavia. Expansion plans were announced today.

Raceway To Qualify With County Board, Racing Commission

Pilot Club Hears Delegates Relate Girls' State Events

Miss Juanita Wynne, sponsored by the Pilot Club of Sanford, and Miss Nancy Cash and Miss Carol Nutt were dinner guests at the monthly Pilot meeting and spoke to club members of their trip and experiences while attending Girls' State in Tallahassee. They were instructed in legislature operation and in bill drafting which was informative and has given them a knowledge of procedure used in State government.

The dinner meeting was held at Phelps' Restaurant after which the business meeting was held at the home of Mrs. Al Hunt with Mrs. Sue Stevenson, the president, presiding.

Mrs. Viola Faust and Mrs. Vela Lamberton, two new members, were welcomed into the club.

Plans were told of the Pilot International convention that is to be held at the Hotel Fontainebleau in Miami with the Hibiscus Brunch opening the session. The climax of the convention, members were told, will be the installation as president of Miss Jean Concher of Hamilton, Ont.

This will be the first time in Pilot Club history that a non-resident of the United States has been an International President.

Mrs. Sue Stevenson, president of the Sanford Club is the official delegate and Mrs. Felice Swanson is the alternate. Mrs. Raymond Chapman and Mrs. Lourine Messenger will also attend the convention.

CHURCH OF GOD Plans Series Of Services

A series of special services will be held this week at the Church of God, Rev. H. W. Henderson, pastor said services each evening, Thursday through Sunday, will begin at 7:45.

Guest speaker will be Rev. John J. Fourie, Mr. and Mrs. Fourie, of Durbin, Union of South Africa, have been attending college in the United States since 1953. They are graduates of Lee College, Cleveland, Tennessee, and recently attended Trinity College, Clearwater.

A cordial invitation is extended to the public to attend the services.

BE READY! A mock enemy air attack designed to train Civil Defense personnel and acquaint the public with planned protective procedures is set for July 20.

YOU SHOULD
1. Tune your radio to Channel 640 or 1240 at 3:05 p. m., July 20.
2. Listen for warning alarm in your neighborhood.
3. Thank God that this is only a simulated attack and that protection is planned, prepared and provided.

To Request Place On Ballot

Plans for the expansion of the Seminole Park Raceway near Casselberry, in Seminole County, are beginning to take shape, according to William R. Kemp, president of the organization.

Yesterday the Florida Racing Commission accepted the application for pari-mutuel betting at the harness horse racing track described by Kemp as "one of the finest facilities in the nation."

Kemp said this morning, "We felt highly complimented toward the Florida Racing Commission and the attitude that they assumed toward accepting our application for harness horse racing at Seminole Park Raceway."

He said, "The State of Florida can be complimented on the high caliber of men on its Racing Commission."

Other than Kemp, as president of the Seminole Park Raceway, three others are on the Board of Directors. They are Ray Klippstein, a nationally known engineer, as vice president; Carl Lindberg, secretary-treasurer; and Jack Roberts of Roberts Awning and Venetian Blind Co., vice president.

In outlining plans for the future of the fabulous harness horse track and the pari-mutuel betting, Kemp said this morning, "We hope to fully qualify with the racing commission at its August meeting, in accordance with the requirements laid down by them in granting us a full pari-mutuel permit."

"We then intend to qualify with the Board of Seminole County Commissioners and request a place on the General Election ballot in November for the approval by the electorate of Seminole County," he said.

Explaining the plans for expansion at the Seminole County track, Kemp said, "If this referendum is successful we intend to begin the development of what we believe will become one of the outstanding race tracks in America. Our plans call for the paving of approximately 40 acres for a parking area, the immediate building of a half-mile track, the development and landscaping of the infield which will be second to none in the United States, enlargement of the grandstand and the construction of 10 additional barns which would, when completed, as we understand, give us the largest harness training track in America in addition to the pari-mutuel activity."

"We already have what is contained on Page Six"

Boat, Ski Club Sets Sunday Cruise To Silver Springs

The Sanford Boat and Ski Club, a group of boating enthusiasts is planning a one day cruise Sunday, July 16, up the Ocklawaha River to Silver Springs. The group will meet at the Municipal Parking lot at the end of Palmolis Ave., at 7 a. m.

Any boat owner interested in making the cruise with the club can contact Joseph Nicholas, Phone 8234 or 2654-R or Jeff Davis at No. 12.

Thomas Pollett, 77, Dies in DeLand

Thomas Pollett, 77, passed away this morning in a DeLand rest home. Mr. Pollett came from Bell Vernon, Pa., nine years ago and was a retired employe of the Hillman Coal and Coke Co., of Pennsylvania. He had resided at Hiram apartments for about two years.

He is survived by his widow, Mrs. Blanche Pollett and only sister, Mrs. Ruth Blace of Ramsey, Ill.

Funeral arrangements will be announced later.

CHILD SHOCKED BY MIXER DETROIT, (AP)—Pressed for time, Mrs. Alva Perry put her 3-month-old son Mitchell in the bathtub, plugged an electric mixer into a bathroom outlet and prepared to mix a cake while bathing the child.

She was mixing and Mitchell was splashing when the mixer slipped from her hands and into the tub. Mitchell was knocked unconscious by electric shock. He was revived and suffered no apparent injury, police said.

Webb Proposes Biggest Federal Road Building Program In History

The road bill has passed. It took Congress more than 118 months to write one that they could agree on. The Republicans call it "Ike's" program. The Democrats are claiming credit for it because this is a Democratic Congress. Also, it's election year.

But let's check the record. Let's recall the occasion of the original presentation of the idea and give a wee bit of credit where credit is due.

On March 17, 1954, Cecil M. Webb, then Chairman of the Florida State Road Board, visited President Eisenhower in the White House and proposed the biggest Federal road building program in history.

On July 12, four months later, in New York City, Vice-President Richard M. Nixon outlined this plan publicly. Nixon read a speech that President Eisenhower had planned to deliver. But due to the death of his sister-in-law, the wife of his brother Milton, President Eisenhower was unable to make the speech himself.

At that time, no mention of Cecil Webb was made by Vice-President Nixon, although the plan was essentially the same that Webb had proposed on his March 17 visit to the White House. There was one difference worth noting: Webb had suggested an expenditure of 30 billion dollars over a period of six years. President Eisenhower called for a road program costing 50 billion dollars to be spent over a period of ten years.

The bill that Congress passed last week provides for \$2.9 billion dollars during the next 13 years. That isn't exactly the way Cecil Webb had planned it, but it shows he was on solid ground.

Some people laughed at Webb for taking his idea directly to the President. Some people in Florida said he was just trying to show off. Even some members of the Florida Delegation in Washington treated Webb as though they thought he should stick to making Dixie Lily grits and corn meal—and leave the road building program to them.

But, it should be noted that Congressman Bob Sikes, "dean" of the Florida De-

legation, did have faith enough in Webb's plan to arrange for a White House visit. And when Webb talked to President Eisenhower, Sikes sat at the conference.

Among the high Florida Road officials who went to the White House with Webb were Senator George Tappan of Port St. Joe, then chairman of the State Legislature's Road Committee; Sam Turnbull, State Highway Engineer; and F. M. "Son" Turner, Jr., Board member from Pensacola.

Later, as chairman of the Road Department, Webb published his plan in a booklet entitled, "Florida's Plan for Better Highways." This was a copy of a speech which he made to the Committee on Administration of the American Association of State Highway Officials in Seattle, Washington, November 8, 1954.

This is all in the record. So, during the next few years, as this great network of 41,000 miles of interstate roads is under construction—remember who first took the idea to the President.

Sometimes when you hit a beautiful new stretch of completed highway on this network—or maybe complain and fuss about a miserable detour where the new roads are being built—take time out to remember the old motto which says, "There is no limit how much a man can accomplish if he doesn't care who gets the credit."

And remember, too, the visit that Cecil Webb made to President Eisenhower, in the White House, on March 17, 1954.

Shop At Home

Your home town Merchant is your neighbor and friend. He makes his home here and pays his taxes, just as you do. He brings his family up here, sends them to school, supports his church and takes an active part in community activities. The interest he shows in his town helps to make it a better place for you and your children to live in.

The money you spend in his store stays in the community—for taxes that construct new schools, build streets and recreational facilities. Part is used to maintain parks and to extend services which make your life more comfortable. Part of your tax dollar, here at home, helps provide your Fire Department, Police Department and other essential needs for protection. Part of your dollar, of course, goes to replace the goods you buy, assuring you of fresh merchandise each time you shop in the local store.

You'll find that your local businessman has your interest at heart. He contributes freely, and readily, to those organizations and associations which bind the community together. That's why he gives you his personal, friendly service, and stands behind every item he sells.

So, by trading at home, you help not only your town, your merchants, your neighbors, but you are doing yourself a big favor at the same time.

Friends and relatives are in different categories. Everyone has relatives, but friends must be made and cultivated.

What Presidential Illness Means

By JAMES MARLOW
Associated Press News Analyst
WASHINGTON (AP)—What a presidential illness means — in the way that leadership — is illustrated by President Eisenhower's belated efforts in behalf of his foreign aid and federal aid to education programs.

While he was recovering from his June 9 operation, and was not here to use personal pressure,

Veterans Corner

Here are authoritative answers from the Veterans Administration to four questions of interest to former servicemen and their families:

Q. I am covered by a \$10,000 Korean GI term insurance policy. I have just gone to work as a test pilot for an aircraft manufacturing company. Since this job is considered hazardous, will it have any bearing on the extent of my insurance coverage?

A. None whatsoever. GI insurance has no restrictions as to type of occupation. Neither the terms of the contract nor the amount of the premium will be affected by the type of job you hold, no matter how hazardous it might be.

Q. May a veteran change his Korean GI term insurance program if his present one expires before he is discharged?

A. He may, if he shows VA that the lack of progress was not due to his own misconduct, neglect or lack of application—and if he has not had a change of program prior to that time.

Q. If a veteran is going to school full-time under the Korean GI Bill, would he also be eligible to draw GI unemployment allowances, since he was not employed?

A. No. The law prohibits full-time Korean GI Bill trainees from receiving unemployment allowances at the same time.

Q. Is it true that Korean veterans have four months from discharge to apply for Korean GI term insurance?

A. It is not. Veterans have 180 days from discharge to apply and pay their first premium. The 180-day period generally is shorter than four months.

Veterans living in Central Florida who wish further information about their benefits should write the VA office at 43 E. Central Ave., Orlando.

Government is Swallowing Up Good Farm Land

ATLANTA (AP)—Officials of the National Assn. of Soil Conservation districts say the government is swallowing up too much good farm land for military bases.

At a meeting yesterday, the officials said the \$2,125,000,000 military construction bill just sent to the White House represented an increasing land-grabbing trend of the military.

"The military says they always have to have strategic land for bases and land always turns out to be good farm land," said Clair P. Guess Jr. of League City, Tex., program adviser of the association.

"Concrete doesn't grow peaches so well."

Sometimes, in our mad pursuit and idolatry of youth, it seems almost as if we really regarded growing old as a crime against nature.

But the real crime lies the other way. It is a crime against human nature to shove the old out of the way, when they still have much to offer, and treat them as calendar

Jet Plane Makers To Double Market

By SAM DAWSON
LOS ANGELES (AP)—Commercial jet plane makers—straining hard to come in first in one of the keeneat races the aviation industry has yet known — are talking today about doubling their market in the next five years. And it's still two years before they start deliveries on the 242 now on order.

These orders are unique in themselves.

Some were written on the basis of blueprints alone and the reputation of the maker, others from a prototype that has been flown but is now being improved. The latter is expected to be surpassed in several ways by the first commercial one, yet to be assembled.

Jet enthusiasts count on public acceptance of speedier transportation to force airlines to find the money somewhere to double their orders. The financing burden already assumed is heavy, both by the makers and by the airlines that are in a race of their own

to capture the jet passenger market. The makers have agreed to deliver the first ones to each of the lines, as nearly simultaneously as possible, rather than let one line get all its orders delivered ahead of a rival.

Planes makers contended the jets will change the folkways of American businessmen by making a round-trip transcontinental business day feasible. They say this will add new customers to the airways rather than merely draw them away from present planes.

Designers are confident that by the time commercial service starts the noise problem and the need for extra-long runways—

both now barring jets from some city airports—will have been licked.

While Boeing, Douglas and Convair race to get their jets into commercial service, Britain has just put its new Comet II in the air. This is England's first jet operation since the Comet I was grounded after a series of crashes in 1954. And Russia has been showing a jet liner for several months.

"Customers won't ride in anything but a jet once they've tried it," predicts William M. Allen, Boeing president, at Seattle. "Jets will take over as fast as they can be produced and airlines can afford them."

Missionary Pupils Becoming Pilots

By EDWARD S. KITCM
WOODDALE, Ill. (AP)—One of the nation's most unusual flight schools is training missionary students to be bush pilots.

Young men are prepared by the Moody Bible Institute's aviation branch to provide wings for missionary families serving in undeveloped areas of South and Central America, Alaska and Canada.

Some 30 pilots have finished the four-year course that qualifies them to serve in the ministry as well as fly as commercial pilots.

These missionary technical specialists are the result of a program pioneered by a former Baptist minister, the Rev. Paul Robinson.

With Civil Aeronautics Authority approval he began his school 10 years ago with a class of three men and one airplane.

Now the class has 60 men and 12 planes. The institute owns the Moody-Wooddale Campus Airport, a 50-acre layout of hangars, shops and classrooms.

"You have to be an expert to survive in the kind of country these fellows go to," the Rev. Mr. Robinson said.

To equip them for emergencies, the future sky pilots are trained to overhaul all types of aircraft engines, repair propellers for light planes and land aircraft in rough territory. They are crammed with scores of technical details.

The Rev. Mr. Robinson, who has held three pastorates in New York State, first conceived his plan to combine missionary work with flying after extensive travels through the jungle areas of the Amazon.

He wanted to be a flying missionary himself but World War II interrupted plans. He served as flight officer in the Civil Air Patrol.

He presented his idea to Moody's Board of Trustees and one of their number personally purchased the first aircraft for the course.

A missionary bush pilot is one of several skilled men who serve in the field where white men seldom venture. They include teachers, radio men, magicians and medical missionaries.

They dedicate themselves to follow the instructions of the Bible, particularly Mark 16:15, "Go ye into all the world and preach the gospel to every creature."

An interdenominational Christian training school, Moody Bible Institute is supported by members of churches all over the world. It admits 12 students each year to its radio and flight course. Scores more applicants try for entry but careful screening sifts the field to those who express sincere missionary qualifications.

"If we sense a young man's interest in the course is merely of an adventurous spirit, we call a halt here," Robinson said.

Who shall dwell in Thy holy hill? He that... speaketh truth in his heart. Psalm 15:1; 2—Sincerity is a key to all growth and acceptance.

America Facing Boom In Old Folks

By MAL BOYLE
NEW YORK (AP)—Curious comments of a pavement flake: If you are a middle-aged do-it-yourself fan, now is the time to start whittling a cane and making your own wheelchair.

It'll save you money later. For you'll need those items when you grow old, and by the time you do grow old they may be in short supply—for America is facing a boom in old folks.

A University of California psychiatrist said there were only 13 million Americans over 65 in 1950, but by 1975 there will be 18 million. And after that there will be more and more, until old people will be stepping all over each other and getting into each other's gray hairs.

As a middle-aged man myself, who will hit 65 in 1970 during the cold month of February, I find the thought of growing old somewhat depressing—for the first time in my life.

Until now I have put a great deal of store in Rabbi Ben Ezra's saying, "Grow old along with me—the best is yet to be, the last of life for which the first was made."

Now I'm not so sure. If a shady scientist stopped me and whispered "Fut, Mac, I've got some pills here I invented that'll postpone old age"—well, darned if I don't think I'd buy a bottle of them.

It would certainly be a great temptation. For being old isn't what it used to be. It's certain advantages are being lost. In less than half a century the values and virtues of the generations have been turned upside down.

I was born in an America bounding with so many children they were taken for granted. The worship of wonderful memories and weren't so many old people around that people felt they were in the way.

As ever, certainly deserved at least courtesy from the young. To grow old then was regarded as an achievement in itself—as it was, considering the rigors of life and the kind of medicines people dosed themselves with.

To be respectful to old men and women never was a struggle with

Henry T. Heald To Become Ford Foundation Head

NEW YORK (AP)—Henry Heald, head of New York University, will become president of the multibillion-dollar Ford Foundation next Oct. 1.

The foundation named the 51-year-old educator to the post Tuesday. He will succeed H. Rowan Gathers Jr., foundation president since March 1953 and chairman of the Board of Trustees since last May.

Gathers will continue as chairman. The foundation was established in 1936 as a nonprofit organization to receive and administer funds for scientific, educational and charitable purposes for the public welfare.

The foundation's assets, estimated at 2 billion dollars, have come chiefly from the Ford family and Ford Motor Co. stock.

The U. S. Census Bureau expects there will be 25 million more Americans in 1960 than there were in 1950.

me. I always venerated them as a child and loved to listen to them by the hour. Although they may not have been founts of wisdom they certainly were the repositories of wonderful memories and strange tales of bygone times.

To this day elders still hold the same fascination for me. I rarely find even the most garrulous of them boring. Old people, having known more of life, generally can converse more interestingly than young people, with the possible exception of very young children.

But the sad paradox of our civilization is that while we are entering an old folks' boom in terms of numbers, and our old people are healthier than the aged of previous times, we manage to make so many of them feel useless and unwanted. We chain many of them to the idleness of a retirement they do not want. They offer the fruits of long experience and industry snarled them at the door with an unwelcome mat.

Sometimes, in our mad pursuit and idolatry of youth, it seems almost as if we really regarded growing old as a crime against nature.

But the real crime lies the other way. It is a crime against human nature to shove the old out of the way, when they still have much to offer, and treat them as calendar

Seasonings Can Improve Taste Of Low Salt Diet

By HERMAN M. MURKIN, M.D.

COOKING for a person on a low salt diet can be a big problem for homemakers. How can you make foods tasty when you can't add salt?

Actually, it's not as difficult as it might seem. You're not a fancy cook, but let me tell you about some seasonings you can use instead of salt.

As a group, seasonings are remarkably low in sodium content. Vinegar and vanilla extract, for example, contain only about 1 mg. of sodium per 100 grams. Citrus, nutmeg and ground black pepper contain a little more, but are safe to use in these diets.

So are most of the other seasonings with the exception of celery salt, prepared mustard, Worcestershire sauce and tomato catsup.

Parsley flakes and cloves contain moderate amounts of sodium but you can use these as well as thyme, marjoram, rosemary, anise, basil, tarragon and lemon. A pinch of marjoram and another of thyme, clove and nutmeg, do an awful lot for a plain hamburger.

Children is permitted on a low sodium diet. With lemon, a touch of rosemary and sweet butter to bake, it's delicious.

Lingerie Shower Fetes Miss Wall At Jones Home

On Monday, July 9, the home of Mrs. Ashby Jones, Elm Ave. was the scene of a lingerie shower given for Miss Shirley Wall, whose wedding will take place Aug. 1. Miniature brides, wedding bells, and wedding rings along with pink and white candles and flowers decorated the living and dining areas. Games with a bridal theme were played with prizes awarded to Miss Caye Stubbings, Miss Marianne Strickland, Mrs. Rupert Strickland, Mrs. LeRoy Groover and Miss Laura Mae Donaldson.

Gifts of lingerie were then presented to the bride-elect after which refreshments were served by Mrs. Jones assisted by her daughter, Miss Leslie Jones. Along with the honoree and her mother, Mrs. Roy Wall invitations were sent to Mrs. J. N. Azzarello, Mrs. J. A. Calhoun, Miss Betty Bryan, Miss Marilyn Calhoun, Mrs. Rupert Strickland, Miss Marianne Strickland, Mrs. George Stubbings, Miss Caye Stubbings, Mrs. J. C. Davis, Miss Ann Davis, Mrs. E. A. Montforton, Miss Sandra Montforton, Mrs. Sonja Montforton, Mrs. D. Maddox, Mrs. Bart Hinson, Mrs. LeRoy Groover, Mrs. Floyd Hearn, Mrs. Doris Whitaker, Miss Laura Mae Donaldson, and Miss Jean and Miss Joan Wilke.

BACK WHEN DEPARTMENT... Dec. 17, 1909 Sanford... The city council resolves that second street be paved with vitrified bricks, 26 feet wide, from Sanford Ave. to Palmetto Ave. and Palmetto Ave. 40 feet wide from second street to the Clyde Line Dock and that the eGorgia Engineering Co. be instructed to proceed with said paving. April 18, 1910... The Bloomer Girls will play ball in Sanford! "It is said that the girls can play a good hand of ball and all stores will be closed for the afternoon."

Nancy Butler is learning to become a fisherman's widow. Her husband Marion doesn't miss a chance to grab his tackle and head for the river. To cope with the problem Nancy is learning fast to become an expert fisherman herself. She and Marion haven't been married quite six months coming here from "near the cape" in Massachusetts where Marion met her while stationed with the U. S. Navy. He is a hometown boy—and they plan to make their home here.

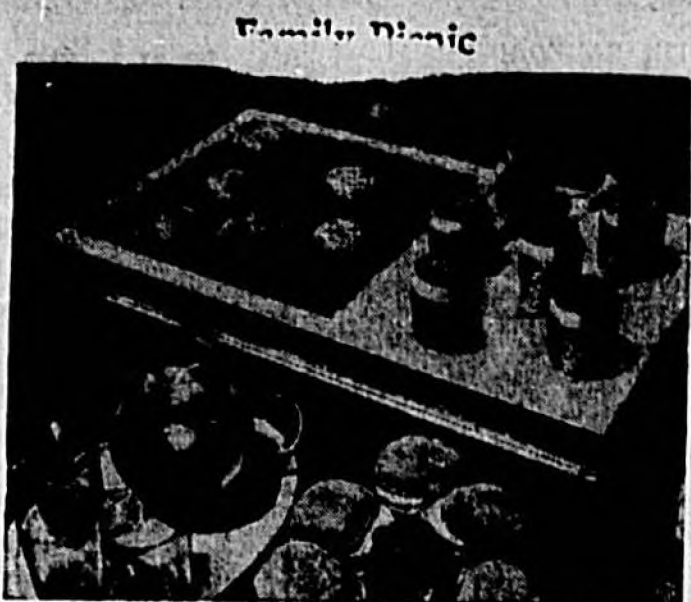

ATTENTION JUNIOR HIGH STUDENTS. A "Cool Cat" dance will be held tonight at the Celery Crute from 7:30 p. m. until 10:30 p. m. with dress optional. You cats better hurry up and come cause this dance and the one slated for next Thursday will be the last ones of the summer. Sashay on down and cut a rug with your favorite gal.

LET IT RAIN
The new automatic clothes dryer takes care of a big wash-load of approximately 18 pounds of wet clothes as fast as you wash. By owning this modern equipment you can ignore the weather, wash day or night, whenever it's most convenient for you.

BROILED SHRIMPS
It's a pleasant surprise. Just put shrimps into a pan, cover with honey, soy sauce, salt and pepper to taste, — then broil for fifteen minutes under the direct flame of your modern automatic broiler.

PARK IT HERE
For a living room catch-all you can buy a small laundry basket, paint it shiny white, the frame and handles in a gay color, and use it for newspapers, magazines and mending kit.

THE LITTLE MAN
The other day, along the street A little man I chanced to meet Who had such merry, laughing eyes, So gentle, yet so very wise, That even tho' some time has passed,

From tots to teens, Mom and Grand, EVERYONE in the family is delighted with the prospect of a picnic. There's a treat for all on the menu, too. It consists of ample hamburgers to be broiled over charcoal, with tomatoes, onions and catsup for the bun. Canned pork and beans or baked beans are hard to beat on an out-side feast. Take them in the 8 ounce cans, open first, then heat, and serve in the cans. Add olives, cucumbers and lots of vitamin-rich fruit punch.

Picnic Punch Special
1 can (12 oz.) loganberry 1 can (1 pt. 2 fl. oz.) pineapple juice
Chill juices thoroughly; combine and put into a thermos bottle. Or, put cans of the juices in ice cooler and mix as needed. Makes 4 cups.
Note: Instead of pineapple juice, use orange-grapefruit juice blend, or cranberry juice cocktail, if you wish.

Circle No. Six Has Routine Meet Monday Afternoon

Circle No. Six of the First Methodist Church met at the home of Mrs. C. F. Mims on Stevens Ave. Monday at 3 p. m.

Refreshments of ice cream floats and cookies were served to the members. The business meeting was opened with a prayer after which Mrs. Brodie Williams, vice chairman, presided. The circle will have charge of the Youth Supper the second Sunday in August it was announced. Plans for the Bazaar were made which will be held in November and the group discussed selling vanilla to buy coffee urns.

New officers were announced and are as follows: Mrs. J. N. Azzarello, chairman; Mrs. Brodie Williams, vice chairman; Mrs. Theo Pate, secretary; Mrs. Joseph Terap, treasurer; Mrs. W. P. Chapman, devotionalist; Mrs. William Norris, Mission Study; Mrs. Mims, Sunshine.

The devotional for the session was led by Mrs. Chapman who read a chapter from the Bible. She also rendered two poems "Soldier Prayer" and "Rain Today". Mrs. Norris gave the mission study using as her subject "Forgiveness".

Those attending were Mrs. Dora Gary, Mrs. Percy Chapman, Mrs. Ned Smith, Mrs. P. A. Baryligh, Mrs. Pate Chapman, Mrs. Mable Blount, Mrs. T. O. Pate, Mrs. William Norris, Mrs. N. V. Farmer, Mrs. R. U. Hutchison, Mrs. F. R. Riddle, Mrs. R. M. Mason, Mrs. C. F. Mims, Mrs. Albert Hardesty, Mrs. H. W. Dix, and Mrs. Brodie Williams.

The presence of them seems to last. So small was he, so drab of dress, You'd surely pass him by, unless Your notice rested on his face As mine did when I slackened my pace,

The joy within his eyes to share. And in the moment I stood there. He seemed to sense, perhaps to guess, I wondered why his happiness. His smiling lips said not a word. But, tho' unspoken, this I heard: 'The world is good, and I am in it, 'Enjoying fully ev'ry minute! And then I went upon my way A better man, for on that day I'd met one who, while I may plod Through life, so surely walks with God! —Carl Helm

Outdoor Picnic Planned By Class For August Meet

The home of Mrs. F. E. Cooper on Magnolia Ave., was the scene of the regular meeting of the Fidelia Class of the First Baptist Church on Tuesday evening with Group No. Four, Mrs. V. C. Messenger, chairman, as hostess.

The devotional was given by Mrs. J. M. Moye who read a chapter from the book "God's Psychiatry" by Dr. Charles Allen. Mrs. Cooper presided over the business session and reports were given by the various group captains. Mrs. Moye invited the class to meet with her for an outdoor picnic in August. The meeting will be held on Aug. 14.

A collection of \$27 was taken which will be turned over to the "Cash" fund, to allow Mrs. Cash to remain in New York City with her husband who is critically ill in the hospital there.

Those present were Mrs. F. E. Gatchel, Mrs. Lorraine Graham, Mrs. Messenger, Mrs. Cooper, Mrs. Holland, Mrs. John Rogers, Mrs. W. R. Willis, Mrs. R. A. Williams, Mrs. Pauline Miller, Mrs. C. B. Sheppard, Mrs. J. P. Whitaker, Mrs. Virgie Pratt, Mrs. Carl Moss, Mrs. Moye, Mrs. W. H. Duncan, Miss Lorraine Franklin and Miss Aired Cone.

Shelley Winters Has New Confidence

HOLLYWOOD—Maybe all of the movie queens should take a season on Broadway—if they could come back as refreshed and stimulated as Shelley Winters.

The St. Louis blonde has returned to her Hollywood haunts after scoring a hit in "A Hatful of Rain" on Broadway, and she presents a new Shelley. Gone is the frantic, staccato talk. No longer is she desperately eager about her career. She has new confidence, a sense of security.

"I used to do all the pictures that came along," she smiled. "Now I'm trying to see how many I can avoid."

She admits that her real do movies was caused by insecurity. In some, the roles were scarcely more than walk-ons.

"No more of those roles for me," she vowed. "And I'm not playing any more blonde bombshells, either."

Personals

Mr. and Mrs. Richard Packard, 314 Mellenville Ave., were among the recent arrivals at The Cloister, Sea Island, Ga.

Mr. and Mrs. T. L. Cleveland and son, Edward, of Hartwell, Ga., are visiting Mr. and Mrs. Arnold Cleveland and family.

Miss Rose Levy, Hollywood Shop, is in New York for a two week buying trip. In addition to looking over the newer styles for fall and winter, Miss Levy will combine her trip with pleasure visiting friends and relatives in the New York area.

Mr. and Mrs. J. C. Wright and daughters, Cheryl and Joan will arrive from Long Island, N. Y. Saturday to visit her parents, Mr. and Mrs. M. L. Wright for two weeks.

Happy Birthday

Swimming Enjoyed By Circle Group At New Smyrna

Circle No. Two of the First Methodist Church met Tuesday morning with Mrs. W. W. Tyre at New Smyrna Beach.

Swimming was enjoyed in the morning followed with a covered dish luncheon at noon.

During the afternoon the business meeting was held with Mrs. Tyre presiding. Mrs. C. E. Chorpensing Sr. gave the devotional taken from the Methodist Woman, followed with prayer.

Mrs. Ashby Jones and Mrs. R. L. McKnight volunteered to serve as hostesses at the USO July 24 and Mrs. Chorpensing invited the circle to meet with her in August.

Members present were Mrs. R. L. Cliequennel, Mrs. W. W. Tyre, Mrs. C. E. Chorpensing Sr., Mrs. Ashby Jones, Mrs. Marilyn Leddon and Mrs. R. L. McKnight. Also Glenn Jones, Warren and Alan Leddon, Glenn and Donnie Chorpensing and Russell and Sandra McKnight.

between you 'n me

BY SANDRA BERG
Many of the stores are sending buyers off to the different sales and markets in the bigger cities to buy merchandise for late summer and fall. Dot Powell and Mrs. Irvin Fleischer will be off this weekend for Atlanta, Ga. where they will bargain and buy many different and useful things for the long folks. Also planning a "shopping spree" are "Tiny" Bolt and Marge Weber representing Youngell's. They will be in New York City. The gals say that this is "no fun" and that selecting and buying are "hard work". I guess Marge and Tiny will "happen" to squeeze in a few plays and shows at night though.

TODAY'S NEW ARRIVAL LIST
Mr. and Mrs. Roy C. Slagle and their two children living at 1801 Holly Ave. from Newport News, Va. He is a carpenter and the family is a member of the Episcopal Church. Mr. and Mrs. H. L. Foley, 2403 DeCottes Ave. in Wynnewood. He is the manager of the G. A. C. Finance Corp. and came here from Orlando. They have three girls. Mr. and Mrs. C. M. Hopcraft and their two children here from Orlando. He is with National Standard Insurance Co. Mr. and Mrs. Tony Trama 106 Laurel Drive from Orange City. Tony is assistant manager of the Food Mart. They have two girls and two boys. Also Mr. and Mrs. Louis DeFontaine 409 Willow Ave. here from Beloit, Wis. He is a carpenter. They have one child a girl nine years old. Mr. and Mrs. Mrs. Julia Oravets of 2101 Park Ave. from Pittsburgh, Pa. who is the service assistant of Southern Bell Telephone Co. and T. G. Wilson 2503 Laurel Ave. from Cleveland, Ohio. He is with the Evans Roofing Co.

Mary and Buford Brown and their two children, David and Barry have just come back from a "wonderful" trip through the New England states, Canada and New York City. Mary said that it was so cold that they had to wear two suits and coats. "It even snowed" she said "and it really was unusual for snow in July." (I'll say it is.) She also told me that they went through the town that Elizabeth and Frank Mebane have their hotel which is Elizabeth-

'H. Sioussat Called 'Spiker Of Movies'

NEW YORK — It has been said that if you're an important person nationally you will know Helen Sioussat — and she will know you. Furthermore, she and your wife will know each other. And finally, she usually will know you and your wife before you've become important nationally.

There is no particular plotting or consulting of ouija boards in this state of affairs. It's simply that Miss Sioussat likes people — and they like her. She has a job with a title: director of talks for CBS. But work seems to be mostly play to her.

To her come all requests for sustaining time and all scripts for political, cultural and educational talks heard over CBS radio and CBS-TV. As a remote sideline to all her other activities, she has gained quite a reputation as "spiker of rumors" since she attended her first national political convention for CBS in 1936. She will, of course, be present and accounted for at the conventions next month with a sharp spike for all and any rumors.

How do you spike a political rumor anyway? Well, it helps to know a current or former president of the United States—and Miss Sioussat had known all presidents and their families from Herbert Hoover on.

In 1953 the rumor was rife at the Republican National Convention that Gen. Douglas MacArthur was flying to Chicago. "Try to check it for us, Helen," said the CBS news chief. "I phoned Mr. Hoover at the Waldorf in New York," Miss Sioussat recalled the other day. "He told me that Gen. MacArthur was not flying to Chicago and that I could deny the rumor. He didn't ask me not to mention his name. He knew he didn't need to. As a matter of fact, this is the first time I've told the story. But the rumor was spiked and CBS recalled its newsmen from the airport at Chicago."

A name-by-name rundown of every mentioned candidate for nomination in both parties reveals that Miss Sioussat knows well each or someone close to each—except Gov. Frank Lausche of Ohio. She will be in close contact with them at the conventions. At the 1952 Democratic convention the rumor was afoot that Vice President Alben Barkley was withdrawing his name from the race for presidential nominee. Miss Sioussat was sitting, she recalls, in a Cabinet box at the convention, with Secretary of the Interior Oscar Chapman and Mrs. Chapman when the secretary was called to the phone.

BLACK CHANTILLY LACE and pin-tucked silk organza are worked together for a short evening dress by Branell. White organza and taffeta underneath show off the delicately traced design and shape out the skirt. The velvet belt has a bow and streamers in back. Lovely for summer dances.

Sugarine

THE PERFECT SUGAR FLAVOR

A Calorie-Free Sweetener for diabetics, overweights and low calorie diets

Doctors recommend Sugarine for use by people of any age. Sweeter than sugar, 1 tsp. is the equivalent of 1 cup of sugar; 3 drops will sweeten a cup of coffee or tea. No unpleasant aftertaste! Keep a shaker-top bottle of Sugarine on your table — use it in cooking — and take a purse size with you when you go out to eat.

Crop Estimators For USDA Make On Of Best Predictions
LAKELAND — Crop estimators for the U.S. Department of Agriculture USDA made one of their best predictions at the beginning of the 1955-56 season.

In October they estimated the Florida orange crop would total \$1 billion boxes. Tuesday, with the season virtually over; they placed the size of the crop at 90,000 boxes. A veteran citrus man said he did not remember any other October estimate coming so close.

The July estimate included 23, 300,000 boxes of late season Valencia oranges, 48,700,000 boxes of early and midseason oranges and 2,800,000 boxes of temple oranges.

The Valencia estimate was 1,300,000 boxes higher than the June estimate. That was principally a bookkeeping change since actual boxes used were about that much higher than the June estimate. Estimates for the other orange varieties were unchanged.

Also unchanged at 4,600,000 was the estimate on tangerines. The estimate on grapefruit was 384 million boxes, a cut of 1/2 million. This was accomplished by increasing the estimate for seeded grapefruit 300,000 boxes to 17,800,000 boxes and reducing seedless grapefruit 800,000 boxes to 20,700,000.

When you bake with yeast, choose a mixing bowl that is big enough to allow room for yeast blending and fermentation. You'll need two cups of medium white sauce for six hard-cooked eggs when you are preparing creamed eggs.

Aug. 10 Date Set For Foot Race
COLORADO SPRINGS, Colo. — Aug. 10 has been set as the date for the foot race up Pike's Peak in which Dr. Arno I. Suominen, tobacco-hating hiker from Delray Beach, Fla., has challenged cigarette smokers. Ron Bierstedt, Colorado College student and cigarette smoker, will race Dr. Suominen.

A radar expert at Kessler Air Force Base in Maitland, Clayton Krewson, who insists smoking doesn't hamper his mountain climbing ability, said he wants to compete too.

YOU'RE TELLING ME!
By WILLIAM RITT
Central Press Writer
THE EARTH'S circumference at the equator is a half-mile smaller than previously believed. Army Map Service scientists have discovered. Could it be the terrestrial globe, too, has gone on a reducing diet?
The Earth's "waistline" is now put at 24,908 miles—which still gives us, however, a mighty portly look.
A Toronto resident found a rindless pork which was like a cardinal. Maybe the chief is just studying to become a mockingbird.
Nuclear blasts have no major effect on weather—United Nations report. Guess we'll have to go back to blaming the weatherman!
Napal's new king wore sunglasses at his coronation. The glittering ceremony must have been too brilliant even for him.
Lifeboats made of matted glass, which are said to be stronger, lighter, less perishable than wooden craft, will be tried on Canadian waterways. Let's hope they're all they've cracked up to be.

FOUR-CLUB OFFICERS Don Taylor (left), Jackson, Miss., and Betsy Dodge, New Boston, N.H., present to President Assistant Sherman Adams a gift of hand-made fishing flies for President Eisenhower. The delegates to the 26th National 4-H Club Camp in Washington, D.C., made presentation in behalf of 2,156,000 members in the U.S.

Robson Wins Over Burpee Team 10-1

Robson Sporting Goods outdid the W. Atlee Burpee team in the city-wide softball League last night when they came out on top with a score of 10-1. Don Merritt collected a home run with the team taking eight hits off the W. Atlee Burpee pitcher. Batteries for the game for Robson Sporting Goods were: Don Merritt and Red Keat; for W. Atlee Burpee, Ed Lockett and Gene Nichols. Tonight's game, slated to begin at 7:30 will have the W. Atlee Burpee team meeting Wilson Water Furniture Store. Standings in the league now stand at Robson Sporting Goods won eight and lost 0; Hunt McRoberts won six and lost three;

Senator Challenges Nixon's Wisdom

WASHINGTON (AP)—Sen. Kefauver (D-Tenn.), today challenged Vice President Nixon's wisdom in choosing Pakistan as the place from which to criticize India's relations with Soviet Russia. The neighboring countries have been at odds on a number of issues, including India's professed cold war neutrality and Pakistan's acceptance of arms aid from the United States. Sen. McClellan (D-Ark.), said in a separate interview he thinks "our government should be talking more like that, more often." McClellan added, however, that "I wouldn't say whether it was the proper place and time to say it."

You'll never make it as an electrician. Bring that radio or television set to us and we'll fix it in a hurry.

Raceway

(Continued from Page One)
sidered one of the finest club house facilities of any track in the nation which is now in operation daily. And we intend to add a swimming pool and other points of attraction which, when this plan is completed will be the most comprehensive in point of attraction and superior facilities in America," Kemp said. "We stated," Kemp commented, "when we purchased this track that we hoped to make it something that the people of Seminole County could be extremely proud of and that would be a benefit to the county as a whole, and we have tried our best, even as far as we have gone."

Fire Spectators Injured By Fumes

YORK, Pa. (AP)—At least 28 persons watching a fire last night were injured when gas fumes seeping through the area were set ablaze and exploded. Fire engine driver Edward Horn said, "The explosion in the middle of the crowd sounded like a big 'puff' and suddenly you could see people laying on the ground and others moving around with their clothes on fire."

Air Force Denies Russian Claims

WASHINGTON (AP)—The U. S. Air Force both here and in Germany has denied Russian claims that its planes flew over Russian territory three times this month. Soviet Ambassador Georgi Zarubin protested formally to the State Department Tuesday that U. S. planes from West Germany had flown over territory of both Russia and its satellite neighbors July 4, 5 and 9. The State Department has not yet replied officially, but the Air Force's European headquarters said yesterday, "No aircraft assigned to the command of the U. S. Air Force in Europe violated Soviet or satellite territory."

Prairie Schooner

HANNIBAL, Mo., (AP)—An old prairie schooner drawn by two white mules pulled into Hannibal yesterday, bringing the Elfgren family of eight and their pet dog. The Elfgrens, who travel about 10 hours and 25-30 miles each day, planned to continue today their trip from East Killington, Conn., to Lincoln, Neb. They still have about 400 miles to go. Mom, Dad, six children and the dog left East Killington three weeks ago.

Legal Notice

IN THE CIRCUIT COURT OF THE SIXTH JUDICIAL CIRCUIT, FLORIDA, IN CHANCERY DISTRICT, COUNTY OF SEMINOLE, FLORIDA.
Plaintiff, VIRGINIA WILLIAMS, et al. Defendants, JAMES LEE WILLIAMS and ALICE WILLIAMS, et al.
NOTICE OF SUIT TO JAMES LEE WILLIAMS and ALICE WILLIAMS, et al. of them, and if any of them be dead, his or their respective unknown spouse, heirs at law, legatees, devisees, grantees, legatees, creditors, trustees or other claimants by or through, under or against said, her or their estate, heirs, assigns, personal representatives, administrators, executors, trustees or other claimants, that a suit has been filed in the Circuit Court for the Sixth Judicial Circuit in and for the County of Seminole and State of Florida, Chancery No. 1956-1000.
The above titled case is a Florida corporation, plaintiff, vs. Virginia Williams, et al., defendants. The description of the real property involved in said proceeding is as follows: The South 1/2 of the NW 1/4 of the SE 1/4 of Section 18, Township 21 South, Range 20 East, Seminole County, Florida.
You and each of you are required to file your answer with the Clerk of the Court at the County and serve a copy thereof upon plaintiffs attorneys, whose address is 28 East Pine Street, Orlando, Florida, not later than the 14th day of August, A. D. 1956, as required by law. A Decree In Rem Confession will be entered against you and each of you, in and for the County of Seminole, Florida, on the 14th day of July, A. D. 1956.
By P. HUGHES, Clerk of the Circuit Court, Seminole County, Florida.
B. L. Nordick, Deputy Clerk.
ARTHUR M. DIAL & ARTHUR M. DIAL, Attorneys for Plaintiff, 28 East Pine Street, Orlando, Florida.

Steel Producers, USW Hold First Negotiating Meet

PITTSBURGH, (AP)—Leaders of three of the nation's top basic steel producers and the United Steel Workers today held their first negotiating session since the nationwide steel strike started 12 days ago. Government mediators, who prodded both sides to get together at the bargaining table, came here from Washington to sit in. Meanwhile, unemployment continued to mount in allied industries. In addition to the 650,000 striking USW members, 72,770 workers in other industries have been furloughed. Hardest hit are railroads and the coal industry. The London, England, metropolitan area has 2,300,000 people.

Ike, Hall Confer On Campaign Plans

GETTYSBURG, Pa. (AP)—President Eisenhower and Republican National Chairman Leonard W. Hall conferred today on campaign plans and tactics for the first time since Eisenhower's election. There appeared to be good prospects, too, that the President will meet tomorrow with his probable running mate, Vice President Nixon. Hall flew up from Washington and press secretary James C. Hagerty whisked him immediately by car to Eisenhower's country estate some four miles from the airport. Nixon returned to the capital yesterday from a 27,000-mile, six-nation world flight, reaffirming his own intention to seek a second term. He said he would give a detailed report on his travels to Eisenhower and Secretary of State Dulles. But any talks with the President would offer the possibility for political discussions too.

Wintry Weather Grips Australian States

SYDNEY Australia (AP)—Wintry weather gripped the Australian states of New South Wales and Victoria today. Sydney was hit by icy winds and heavy rains, while the Blue Mountains area 60 miles west of the city reported its heaviest snowfall in 10 years. Pittsburgh manager Bobby Bragan and two of his coaches, Clyde Suleforth and Sammy Narvon, were catchers. Gene Tunney charges \$1,000 or personal appearance talks out turns the money over to charity.

Camilo Leyra, Jr., 56, convicted

three times of the slaying of his aged parents, leaves Sing Sing Prison, Ossining, N.Y., a free man. He spent nearly five years in the Death House. At left is his attorney Ommond K. Fraenkel. Last week, the New York State Court of Appeals reversed Leyra's conviction on grounds of "insufficient evidence." He intends to write a book about his experiences. (International)

Public Hearing Slated July 27 On School Budget

'Free Feed' Will Highlight American Legion Session

A free feed will highlight the regular meeting of the Campbell-Lossing Post of the American Legion Monday night just prior to the election of Legion Fair Association officers.

Commander Lynn Lyon announced the meeting and said that the preparation of the food for the supper will be in charge of Chef's "Red" Hires and George DeMatteo.

Supper will be served at 7:30 p.m., said Commander Lyon, and the meeting slated to get underway at 8 o'clock.

He said, "This is one of the most important meetings of the year when we select leaders for our Fair Association during the coming year." Commander Lyon said that he expected a big turnout of the post's membership but urged that reservation be made by calling 111, 9119, or 9175.

Also, announced today, are the committee chairmen for the year. Appointments have been made, Commander Lyon said, and every committee completed.

Committee Chairmen are: Karlyle Housholder, Constitution and By-Laws; Robert W. Deane, Finance; Paul P. Breaux, Religious Emphasis; Gordon V. Frederick, Boys' State; J. Q. Galloway, Law and Order and Safety; James J. Singletary, Patriotic Observance and Flag Education; R. Z. Johnson Jr., Junior Baseball; Gordon V. Frederick, Oratorical Contest; Frederick C. Murray, School Affairs; Mack N. Cleveland Jr., Disasters; Roy D. Green, Radio Publicity; Marion Harman, Jr., Press Publicity; B. E. Wiggins, Agriculture; Karlyle Housholder, School Medal Awards; Karlyle Housholder, Colored Veterans Affairs; Harry D. Russell, Membership and Post Activities; Dr. Charles L. Park, Medical Advisory; Mack N. Cleveland Jr., Child Welfare; Frederick C. Murray, Veterans Education, Employment, Training; Gordon V. Frederick, National Defense; and Capt. Earle T. Loucks, Universal Military Training.

Officers of the Campbell-Lossing Post 43, American Legion are: Lynn N. Lyon, Commander; Eugene K. Stovall, Adjutant; Harry D. Russell, First Vice-Commander; Walter Colan Hires, Second Vice-Commander; George J. DeMatteo, Third Vice-Commander; Robert W. Deane, Finance Officer; Paul P. Breaux, Chaplain; Capt. Earle T. Loucks, Historian; Sergeant-at-Arms, Frank T. Fuchs; Karlyle Housholder, Service Officer; Riley J. Jeffcoat, Assistant Adjutant; and Archie C. Harriett, Assistant Sergeant-at-Arms.

Club Will Travel To Silver Glen Springs On Cruise

Because of low water the Sunday cruise planned by the Sanford Boat and Ski Club has been changed. Instead of going to Silver Springs, as was announced, the club will travel to Silver Glen Springs.

The group will meet at the Municipal Parking lot at the end of Palmetto Ave., 7 o'clock Sunday morning.

Any boat owners desiring to make the cruise with the club is asked to contact either Joseph Nicholas, Phone 8284 or 2054-R or Jeff Davis at No. 12.

Retail Association Elects New Officers

The Seminole County Retail Liquor Dealers Association at their meeting yesterday elected officers for their group.

Named to head the organization as President was W. C. Drescher. Other officers are: M. P. Hulbert, vice president and Mrs. Evelyn King, secretary-treasurer.

Elected to the Board of Directors were: Shannon Kinlaw, Marie Glinder, Donald Burton, and Charles C. Cook.

The Seminole County Retail Liquor Dealers Association has been inactive for quite some time and yesterday's meeting was to reactivate the organization.

Preparations are getting underway for the 1956-57 school year according to information released by R. T. Milwee, Seminole County Superintendent of Public Instruction.

Principals have been working for three days in the Education Office planning for the new school year, said Milwee, by studying and revising county and school policies.

Today, tomorrow and Saturday, the principals will be in Daytona Beach at the State Principal's conference and on Monday they will return to duty in the Superintendent of Public Instruction's office from 8 a. m. to 12 noon and in the afternoon until 3:30 in their schools for registration purposes and talking with parents, as well as supervising the maintenance work going on in the schools.

Milwee said this morning that following discussions of the budget at the Board of Education meeting yesterday, a public hearing on the budget has been set for July 27 at 10 a. m. in the Educational Building on Commercial Ave.

Also, at that time, bids will be opened on the eight room addition and cafeteria for Lyman school. Bids will also be taken on furniture and other supplies at that meeting.

Mock Air Attack Plans Underway

Orders from Civil Defense Director A. B. Peterson Sr., are in the hands of Seminole County CD personnel and preparations are being completed for the mock air attack on this nation on July 20.

Nationwide, the training exercise will extend through July 20 to 28. The Seminole County action will cover only the first phase which lasts from July 20 to 19 p. m. July 21, the orders reveal.

Roy Williams, deputy director in charge of operations, will command the CD corps in this alert.

While the "attack" will involve 76 cities of the country, two of which will be in this state, one local problem will be one of predicting the degree of radio active fallout. Actual weather conditions for July 20 will be the basis for this survey. However, the main mission here will be procedures for handling refugees from surrounding areas and setting up traffic patterns to expedite the flow of evacuees.

Forrest Breckenridge will be in charge of the local CAP control center and will supervise short range radio communications based on assumptions of power blackouts in stricken areas.

Division Chief of Public Communications Myron Reck will direct the warning and instructions at the local level, Dir. Peterson's orders show.

The public is asked to take part in the exercise by tuning their radios to the Conelrad wave lengths—640 and 1260—at 3:05 p. m. on the day of the "air strike," July 20, Reck said. Siren warnings also will be used.

Reck pointed out that the Conelrad (Control of Electromagnetic Radiation) is a plan devised by the Air Force, the broadcasting industry and the Federal Communications Commission to permit the broadcasting of civil defense news and instructions during a national emergency while denying the navigational aid of regular broadcast waves to enemy planes.

NAS Officers Guest Speakers At New Smyrna Meeting

Members of the Kiwanis Club of New Smyrna Beach, had a chance to learn more about the functions of Sanford Naval Air Station, at its weekly meeting last night, as three Officers attached to the station presented speeches, and movies concerning different departments of NASAS.

Heading the speakers was a native of New Smyrna Beach, Commander H. C. Cole, USN, Executive Officer of Sanford Naval Air Station who spoke on "The mission of the station, and the functions of each department."

Commander W. E. Lemos, USN, Hawing One Chief of Staff, spoke on "The organization and effect of Heavy Attack Squadrons," and also showed movies of the latest Naval Aircraft in carrier-landing operations.

Following the speech by Commander Lemos, Chief Carpenter H. W. Pflury, USN, Assistant Public Works Officer of NAS Sanford, spoke on the "Public Works Plans of the station."

Oviedo High School Principal Chosen By Board Yesterday

A principal for Oviedo High School was appointed yesterday at the meeting of the Seminole County Board of Education, R. T. Milwee, Seminole County Superintendent of Public Instruction said today.

W. H. DeShazo, of Humboldt, Tenn. has been named to the post which was made vacant by the appointment of Stewart Gatchel to a Seminole County supervisory position with the Board of Education and Department of Education.

The 45-year-old principal is married and has two children, a daughter 15 and a son 10.

He is a graduate of Memphis State with a Masters degree in administration and supervision.

DeShazo has had nine years experience as a principal and prior to this experience was an athletic director.

He comes "highly recommended by Dr. Sam Moore of the State Department of Education," Milwee said this morning.

Candidates Speak At Appreciation Dinner Next Week

All three announced candidates for the Democratic Presidential Nomination will speak at the Appreciation Dinner for Senator and Mrs. Walter George in Washington next week, Senator George Smathers (D-Fla.), Chairman of the Democratic Senatorial Campaign Committee, announced today.

"Adlai Stevenson, Estes Kefauver and Averil Harriman will join the many colleagues and friends of the Georgia Senator who is completing 24 years of Senatorial service," Smathers said.

The \$100 a plate dinner is being given by the fund-raising Democratic Senatorial Campaign Committee on July 19 at the Mayflower Hotel.

Several Governors and leaders from different parts of the country have expressed their intentions to attend the dinner honoring Senator George who is leaving the Senate this year to undertake a bi-partisan mission to better foreign relations.

Senator Hubert Humphrey is vice-Chairman of the Democratic Senatorial Campaign Committee and other members include Senators Henry M. Jackson, Stuart Symington, John Jackson, Pat McNamara, and Richard Neuberger.

'Blind Mosquito' Season Is Here

This is the season for "blind mosquitoes," as will anyone tell you in the downtown section where lights attract the pesky insects.

Millions of the flying insects were stacked up this morning along the sidewalk and wherever lights and neon signs are left on.

The overlarge mosquito-looking insect will seek into door cracks, under windows, and wherever an opening is large enough for them to seemingly "crawl" through.

Literally millions of them were banded up in front of The Sanford Herald office this morning at daylight where they had, obviously, beat themselves to death against the plate glass windows.

Stores and business houses, this morning, were cleaning up and sweeping the flying insects. Tonight there will probably be another attack and tomorrow morning another cleanup.

ALTERNATES TO ATTEND CONVENTION

TALLAHASSEE, Fla. — Former Gov. John Martin of Jacksonville and Charles W. Smith of Pensacola will go to Chicago next month as alternate delegates for Adlai Stevenson at the Democratic National Convention.

Newcomer To Speak At Rotary

Members of the Sanford Rotary Club will have the opportunity of meeting a newcomer to Seminole County at its regular meeting Monday noon at the Yacht Club when Louis J. Girard, recently appointed Co-ordinator of Diversified Cooperative Training for this county tells, in detail, some of the ramifications of his work.

Girard, a veteran of four and a half years service in the Army will move here soon from Bartow. He holds the degrees of Bachelor of Science in Administration and Bachelor of Arts in Social Studies and History from Florida Southern College at Lakeland and has just this summer, completed his graduate work at F. S. U. The program being initiated here has proved most successful in other counties and it is expected to prove worth while here. He will work very closely with Fred Murray, Director of Vocational Education and with Andrew Bracken, Seminole High School principal.

Greatly interested in Boy Scout work, Girard, a bachelor, should find an opportunity to devote much of his time to the development of the youth of our community. He will be presented to the Rotary Club by B. L. Perkins Jr., program chairman for the day.

Wilson-Maier Wins Final League Game

Wilson-Maier Furniture store defeated W. Albee Burpee in the final game of the countywide Softball League which was conducted under the supervision of the Sanford Recreation Department's summer recreation program.

Wilson-Maier Furniture collected six runs off four hits to defeat the W. Albee Burpee team who could only tally five runs off four hits.

Batteries for Wilson-Maier Furniture store were Larry Chunes and Jack Schirrad; for W. Albee Burpee Ed Lockett and Gene Nichols.

There will be no game tonight. However, Tuesday, July 17, the playoffs to determine the league championship trophy will begin.

According to Howard Gordie who has supervised the Softball League the team in second place will play the fourth place team with the game starting at 7:30 p. m.

The first place team plays the third place team immediately following the initial game.

In the league standings Robson Sporting goods holds the top spot. Hunt-McRoberts is in second place, W. Albee Burpee third place, and Wilson-Maier Furniture Store fourth place.

SEED DEALERS MUST PAY TAX

TALLAHASSEE, Fla. — Registered seed dealers must pay the state license tax even though they themselves produce some of the seeds they sell.

Atty. Gen. Ervin gave the ruling to Commissioner of Agriculture Mayo who had inquired if such dealers would come under the license tax exemption granted farmers who sell seeds.

Ervin said seed dealers are not farmers and must pay the tax.

County's Part In Nationwide Alert Revealed To Jaycees

Transfer Of Property Is High Here This Week

Transfer of property in Sanford and Seminole County hit a high peak this week with the sale of three parcels, two of them on French Ave. Total of the three sales, according to stamps affixed to the documents, indicates that the total value of the three transactions amounted to \$64,500.

In one transaction Dr. Orville Barks and Fred Williams purchased property on French Ave. opposite the Ninth Street park. The four lots, 1, 2, 3 and 4 of Block 10, Tier 9 shown on E. R. Trafford's Map, from Nettie Wilson and her husband W. R. Wilson. Affixed stamps indicated the sale price was approximately \$27,500.

Lot's 4, 5, 6, 7, 8, 11, 12, 13, 14, 15, 16 and 17 of Block 13, 3rd Section of Dreamworld were purchased by Harry Tooke and wife from Raymond Weimann. The property is located on French Ave. between 24th and 23th Sts.

It is in the same area in which property was purchased by a chain of paper markets for the location of a new store and shopping center. Stamps indicated the sale price was \$32,000.

The third recent transaction was the purchase of an east First Street site by Harry Robson near Sanford Ave. and East First St. from Carmen Benton and William Allen of a North Carolina address.

Stamps affixed indicated that the purchase price was \$15,000.

Fear Is Believed As Reason For Not Returning Baby

WESLEY, N. Y. — A Weinger family spokesman said today the parents of the kidnaped baby now believe the kidnaper's fear of capture and not the amount of ransom is holding up the return of the baby.

David Holman, an uncle of Mrs. Beatrice Weinger, mother of the missing 3-week-old infant, made that comment when asked about reports that the Weingers had \$25,000 ready to ransom the child.

Holman, a former Nassau County assistant district attorney, also revealed police no longer are watching St. Bridget's Roman Catholic Church here. It has been kept open 24 hours a day in hopes the kidnaper would leave the baby there.

A dim light burns outside the church at night but Holman said the kidnaper could run into the church with the child without raking identification.

"I don't think it's a case of money now," said Holman. "I'm afraid apprehension and fear on the part of the kidnaper will keep him hiding. If any contact is made now, it will be made indirectly."

Peterson Tells Of Plans

The Director of the Seminole County Civil Defense Unit told the Seminole County Junior Chamber of Commerce yesterday, at its noon luncheon meeting, of the plans for participation in the nationwide alert on July 20.

A. B. Peterson, the Director, called attention to the fact "We have to participate in the defense activities."

"People may think their community is immune," he said, "but we have to be prepared which means we must take time to go through with these exercises."

"This is not an alert," said Peterson, "but an opportunity to explore the capabilities of the local defense unit and also to give the public an opportunity to actually turn on their radios to Conelrad which will be their source of information and instruction in case of an emergency."

The personnel of the Seminole County Defense Unit, Peterson told the Jaycees, will participate in Phase one of the nationwide alert to the extent that all personnel or their substitute command will be available for the 36 hour period beginning at 10 a. m. Friday, August 20.

"We are not simulating any conditions of direct attack on this area, nor is it assumed that we will be affected by a simulated fallout from the Tampa Hydrogen bomb raid," he said.

But, Peterson explained to the Jaycees, the only problem which the local unit may have to solve is the call for assistance under the mutual pact existing between all of the surrounding counties.

"In order that the public may participate to the extent of Conelrad," he said, "a special red warning will be sounded five minutes prior to the time scheduled for Conelrad which is 3:10 p. m. Friday afternoon."

This will be sounded in Sanford by patrol cars which will use their sirens to advise the people that a red warning is in effect, said Peterson.

He explained that various area chairmen throughout the county will use such methods as they have at their command to notify the citizens of their community that the red warning has been sounded.

Negotiators Make New Effort To End 13-Day Steel Strike

PITTSBURGH, Pa. — Steel negotiators today made a new effort to end a 13-day-old strike against 90 per cent of the basic steel industry.

Federal mediators, who arranged the session sat by President David J. McDonald of the striking United Steelworkers chatted with newsmen while awaiting the arrival of the industry negotiating team, headed by John A. Stephens, vice president of U. S. Steel Corp.

Neither side had any comment. Neither did the Federal Mediation and Conciliation Service team headed by Director Joseph F. Finnegan.

Negotiations were resumed yesterday in a two-hour preliminary session.

Nasser, Tito Begin Series Of Talks

BEIGRADE, Y. — Egypt's President Gamal Abdel Nasser and President Tito today began a series of talks on a wide range of problems.

It was believed Tito would give his visitor a thorough briefing on his talks with Communist party boss Nikita Khrushchev and premier Bulgarian during Tito's recent visit to Moscow.

The two leaders also are expected to discuss the situation in the Middle East and in North Africa. They may also touch on the Cyprus problem and skim over such broader issues as German unification, disarmament and general east-west relations.

Nasser arrived here yesterday for an eight-day visit to repay Tito's visit to Egypt last December.

Sheriff's Office Ready For Alert With 'Base Station'

The Seminole County Sheriff's Office is ready for the July 20 Civil Defense practice alert.

Installed and ready for use is a new radio hook-up on frequency 155.37, which is described as a "base station" only and reserved for emergency station-to-station calls.

Chief Deputy James Singletary explained that there will be no traffic or mobile units and car-to-car conversation or calls except in the Civil Defense effort.

It has been named the "Sheriff's Radio net" which the sheriff's organizations throughout the state hope, eventually, to connect with all sheriff's offices in the state.

The Seminole County Sheriff's office reported that they have already heard five or six stations on the network.

The tower, of new design, has been erected atop the Seminole County Jail where a radio operator is now stationed 24-hours a day. Bob Miller of Miller Radio and Appliance installed the tower.

The new equipment is designed and manufactured by Motorola. Cost of the equipment is shared by the county and the Civil Defense organization as that as nearly as possible a county-to-county contact can be maintained in emergencies.

The regular frequency used by the Seminole County Sheriff's Department is 39.88 with the tower installed, also, the county, county house and on which the Sheriff may have as many as ten mobile units operating.

Radio communications were first installed in Seminole County and the Sheriff's office in June of 1953.

Also operated by the Sheriff's office is a hook-up with the Florida Highway Patrol for emergency use and contact.

Brunettes Exceed Blondes In Miss Universe Contest

LONG BEACH, Calif. — Brunettes outnumbered blondes by more than 2-1 among the contestants gathering for the Miss Universe beauty contest.

Sharp-eyed observers, and this Navy base town is full of them, counted 40 brunettes, 17 blondes and 8 redheads among the entrants already on hand. A total of 74 girls will take part.

Blondes can take comfort, however, in the fact that last year the two top titles, Miss Universe and Miss United States, went to fair-haired beauties, and the year before blonde Miriam Stevenson of South Carolina won both titles.

In fact, the only brunette to become Miss Universe in the four years the contest has been held was Christiane Martel of France in 1953.

PUBLIC HEARING SET ST. PETERSBURG

ST. PETERSBURG, Fla. — The executive department subcommittee of the Florida Constitution Advisory Commission will hold a public hearing in Tallahassee July 27-28.

The subcommittee chairman, Henry S. Baynard, said the public is invited to give its views on three major proposals before his group.

They are to establish the post of lieutenant governor, to create additional cabinet positions and to relieve the governor of some duties.

BE READY!

A mock enemy air attack designed to train Civil Defense personnel and acquaint the public with planned protective procedures is set for July 20.

YOU SHOULD
1. Tune your radio to Conelrad (640 or 1260) at 3:05 p. m. July 20.
2. Listen for warning sirens in your neighborhood.
3. Thank God that this is only a simulated attack and that protection is planned, prepared and provided.

CDR F. H. NORVELL, U. S. N. (left) is shown relieving CDR L. Weidman, U. S. N., at commanding officer, the Heavy Attack Training Unit based at N. A. S. Sanford. The change-of-command ceremony occurred at dress-white inspection of the local Training Unit on Tuesday morning. CDR Norvell has been serving as the executive officer of VAH-1, also based at N. A. S. Sanford. CDR Weidman reports to the Chief of the Bureau of Ordnance at Washington, D. C. for his next duty assignment. (Official Photo, U. S. Navy)

Weather

Partly cloudy through Saturday, a few widely scattered showers; low tonight 65-70.
