(Continues from Page One)

injured in Eighting which broke out between police and the domonstrators. Eye-witnesses estimated the number of strikers participating in the domonstration at approximately 20,000. at approximately 20,000.

The frouble began when strikers attending the right rally decided to march to the prefective and present tack-grievances. They found approaches to the prefecture blocked by police barricades, and attempted to charge police with Communist banners of the Senate.

The strikers retired when po-lice fired into the crowd with tear gas, but a second melee broke out 20 minutes later when a score of policemen going off duty tried to march through the center of the demonstrators.

Several policemen were reported beaten up in this struggle.

The prefect finally agreed to see a delegation of the strikers nis afternoon.

In Paris, meanwhile, additional mobile guards and police were thrown around railway stations as trains continued to move on some lines in defiance of a gen-eral strike called by the Na-tional Federation of Railroad

At the same time France's new secretaryof state for com-munications, Eugene Thomas, is-sued a communique that "Com-munist elements" were using "in-timidation and menace and trying to create an atmosphere of ter-ror" to overthrow an anti-strike decision vesterds by the majordecision yesterday by the major-

Thomas charged that postment on their rounds had been made "victims of aggression."

The Central Bureau of the CGT called a meeting for 5:30 P. M. (12:30 P. M. EST) to consider the government's reply to its wage increase demands. It was reported that Premier Robert Schuman's inner cabinet had agreed on a double-barreled policy calling for general wage increases and stern law enforcement measures to combat the wave of strikes and disorders sweeping the nation.

CAA, CAB Clear

The CAB is civil aviation's law-making body, its economic godmother and its court of justice.

reporting services. The CAB has about 500 em-

police with Communist banners the Senate.
The CAA is headed by an ad-

ministrator, responsible to the Secretary of Commerce. His huge and farflung staff operates through nine regions, each of which is semi-autonomous with respect to many of its functions.

The regional staffs keep an eye on flying to see that rules are not violated, that planes are properly inspected, that the facilities used by airmen are maintained in working order. It oversees the training of pilots and passes on their readiness for a "ticket" or license. It helps disseminate the great volume of information which constantly flows to flying men.

Headquarters staff operates ar

Headquarters staff operates an engineering business to check the designs of new airplanes before approving them for public sale. It has an important experimental station at Indianapolis.

It publishes the Airman's Guide. on which flyers rely for current information about airport and airway facilities. It directs the aviation training program and prepares recommendations on new regulations and violations for sub-

tion training program and prepares recommendations on new
regulations and violations for submission to the CAB.

The CAA also administers the
Airport Act, under which the federal and local governments are
building airports.

That is the setup in aviation
as it stands today. Next year it
may be quite different. Many
witnesses before the Air Policy
Commission have recommended
a reshuffling of CAA and CAB
duties.

Economic principles relating to Four in Moseow regarding de-militarization of Germany; and the so-called "Byrnes Plan" for a

40-year treaty by the four powers for the disarrament and demili-tarization of Germany. Foreign Secretary Ernest Bevin of Great Britain presented a document relating to the future treatment of Germany, which he had submitted to the council in Moscow last April. Bevin reaf-firmed his country's conception of

Germany's future as needing:

1. Establishment of political conditions which would insure the world against a German return world against a German return to dictatorship or aggression.

2. Creation of economic conditions which would make Germany self-supporting, able to repay expenditures incurred by occupying powers and to pay reparations.

3. Establishment of a constitutional machine acceptable to the German people, guaranteeing these objectives.

4. Development of maximum responsibility, for, and interest in, a political and economic administration on democratic lines.

Bevin outlined in the document

tration on democratic lines.

Bevin outlined in the document his approach to the political, economic and reparations principles which he said he believed should govern the future German state.

The council, in adopting the French proposal on the Austrian treaty, named four deputies who will study the Issue and report back by Dec. 2.

Joseph Dodge will be the U. S. special deputy for Austria.

Russia Foreign Minister V. M. Molotov took up a great deal of time in today's seasions with a long talk on how the world was being divided into two camps which he asserted were "the democratic camp" and "the imperiulist camp."

Greece had abstained and the Philippines was absent.

The Siamese delegate did not attend this morning's session and, informed quarters said, would not be present when the vote is taken—possibly late today or tonight. If the anti-partitionists muster 15 votes, the supporters would have to gain five votes to give them the necessary 30 votes for victory.

In the midst of the changing

but conceded the plan was not "perfect in every detail."

As the assembly recessed at 12:50 P. M. (EST) until 3 P. M., supporters of the partition plan showed no gain in strength.

Brazil re-affirmed her support of partition. Iran' and Egypt stuck to their opposition.

A usually dependable sold Liberia, after abstaining said Liberia, after abstaining yesterday in committee, would vote against partition in the final test. Siam absent throughout the forenoon session, raised the possibility that the anti-partitionists might drop one vote.

The partition plan was approved yesterday at Lake Successiby a vote of 25 to 15 in the assembly's 57-nation Palestine committee, where only a simple majority was needed on the semi-final text.

JERUSALEM, Nov. 26

Sanford, Zellwood And Oviedo Celery Outlook Is Bright

Prospects for celery and other vegetables in the Sanford - Zell - O wood-Oviedo sections appear to be bright this season. While the Glades section was being hit by storms and hurricanes during October Central Florida's vegetable cron had little damage.

Zellwood golden celery, has matured about two weeks ahead of time, and before the California golden celery shipments have ceased. The Zellwood product is O bringing \$4.00 to \$4.50 at the Sanford State Farmers Market. Supplies from Zellwood are ex-pected to be a bit below 50 cars a

week for the next five weeks. Sanford celery is due to arrive about mid December, along with a few cars from Sarasota: Cabbage, estimated at 538 acres here as compared with 477 last year, along with escarole, (231 acres) and lettuce (94 acres of Boston and 19 of iceberg) will not

be here in any quantity in several weeks, according to shippers. Cauliflower will come in just be-Cauliflower will come in just before Christmas.

String beans, of which 461
acres have been planted here
compared with 179 acres last
year, have been very profitable
and at the State Market have
been bringing \$2.50 to \$4.50 a
unit according to quality. The
market, reports Manager H. J.
Lehman, has handled 110,000
hampers since the deal started
three weeks ago, and sales are

three weeks ago, and sales are still active.

Oranges and grapefruit are being matured the natural way and tangerines from the northern sections of the state are reported to be of very fine quality. Selling oranges by juice standards is ex-pected to aid this section as it distinguishes fruit from here which generally, say shippers, has a superior internal quality.

Appeal For Election

SEOUL. Nov. 28 (49-Maj governor of American-occupie South Korea, said today he had refused a request by rightial political groups for an immediate election of a Korean government n the southern zone.

Dean said in a press statemen that if rightists carried out threats to hold an election on their own initiative, the military government would "take neces-sary steps to provent it." The nature of the steps, he said, would "depend upon the situation."

The American told a group of rightists who asked for an election before Dec. 31 that none would be held "prior to receipt of dir-ectives from the United Nations Commission" designated to con-duct an election in both the South and Russian-occupied North Korea before Mar. 31.

THE ASSOCIATED PRI

Near Hibbing, Minn., is the world's largest man-made hole. It's an open pit iron ore mine, several miles long, a mile wide, and hundreds of feet deep. More of the earth's substance has been taken from this hole than was moved to make the Panama Canal. Recently an observation platform was erected to give visitors a view of the power shovels, trucks, locomotives and cars, all appearing very small because of the distance, all engaged in the gigantic task of getting the deposits out on their way to blast furnaces of the nation thousands of miles away.

Only a little while ago the "red gold" earth was being moved in frantic effort to make weapons for war. Now it is dug to make refrigerators, automobiles, furnaces, the machinery of peace. Steel in a very real sense is the framework on which is built the American standard of living, highest in the world.

James H. Covington, S2c, USN, son of Mr. and Mrs. F. A. Covington of Rt. 1, has completed recruit training at the U. S. Naval Training Center, San Diego, Calif. with Company 97. He enlisted Aug. 24 at Jacksonville and formerly attended high school at Florence. S. C.

The Navy no longer requires color perception for the enlistment, it was announced here to day by Chief Boatswain's Mate S. S. Kienker of the Orlando Navy Recruiting Station.

"The applicant still takes the color test," he pointed out, "but Station of Rt. 1, has completed recruit training at the U. S. Naval Training Center, San Diego, Calif. with Company 97. He enlisted Aug. 24 at Jacksonville and formerly attended high school at Florence. S. C.

U. S. - Russia Plan

the assembly's 57-nation Palestine committee at Lake Success.

There was a likelihood that the outcome of the voting could not be foretold in advance of the balloting, since seven of the doubtful countries were not on today's speakers' list.

Dr. Oswaldo Aranha of Brazil, president of the United Nation's Assembly, predicted in a conversation early today that partitioning of Palestine would be approved by a narrow margin in

approved by a narrow margin in the assembly vote expected later

in the day.

He said, his information indicated the "Soviet-American" plan to split the Holy Land into separate Jewish and Arab countries would will approval by a minimum of 31 to 15. He said the natirin might be as much as, 31

to 13,
Sir Mohammed Zafrullah Khan, chief of the Pakistan delegation and an opponent of the partition proposal, made this comment to reporters on Aranha's prediction:

1"It is useless to make statements before the vote has taken lace. I will say, however, that 6 the partition plan is adopted il hope of a peaceful settle-ment in Palestine will be shut

CAIRO, Egypt Nov. 28 (P)—
The secretary general of the Arab
League, Abdel Rahman Azzam
Pasha, said today on his return
from a conference with King Ibn
Saud of Saudi Arabia that partition of Palestine would lead inevitably to fighting to the Middle

ship of President, Vincent Auriol to consider means of fulfilling the promise the premier made to the chamber of deputies early this morning that "proofs of the government's energy" in combat-

the rightist press that a nation-wide strike was scheduled for Dec. 1, to coincide with a similar movement in France.

United Nations concerning Palestine is in principle injustice, because every nation has the right of self determination," he told a reporter. "It is also an injustice from every practical viewpoint as a country with an Arab majority cannot be subject to domination of a Jewish minority."

Azzam Pasha had just completed a tour of the Arab countries.

Damascus dispatches said the council of ministers of Syria met for three hours during the morning and studied reports from New York on the Palestine issue in U.N. Many telephone calls were exchanged with other Arab capitals.

tals.

The dispatches said Premier Jamal Mardam Bey had asid the council of the Arab League would be summoned immediately after the U.N. votes: whether the result is for or against partition. He was quoted as saying:

"Our reply to partition, if decided, will be immediate application of the Arab League's recent resolutions."

(Continued from Page One) the platforms of both parties contain and who the candidates

Warrens Entrance

contain and who the candidates are."

Tobin expressed hope than one of the two parties would pledge itself to "repeal or largely amed the Taft-Hartley Act, so that labor may have some place to go in November, 1948."

Commenting on former Minnesota, Governor Harold Stassen, another GOP presidential candidate. Table, said he had thought Stassen "this going to be rather progressive" but added "we are not favorably impressed by his late expressions."

Senate Bans Arms

the chamber of deputies 'early this morning that "proofs of the government's energy" in combatting the ominous wave of strikes would be display i before the day is ended.

The confederatics, which has nearly 6,000,000 members, issued the denial in reply to reports in the rightist press that a nationate righting each foreign consumer with a statement pointing out that the commodity is a gift from the

Price Freeze ls Suggested By Harriman

Commerce Secretary Tells Congress Of Need For Limited Wage-Price Powers

WASHINGTON, Dec. 1
(AP)—The House Foreign Affairs Committee today voted to restore \$38,000,000 of the \$198,000,000 it had ordered cut last week from the \$597,000,000 emergency ald program for western Europe. The committee left intact a \$60,000,000 authorization for aid in China, bringing to \$587,000,000 the total amount now in the committee's bill.

WASHINGTON Dec. 1 (AP)-Secretary of Commerce Harriman told Congress today that a general freeze of prices and wages might be necessary in the future unless authority is granted now for selective price and wage controls and

Renewing the Administration's plea for "stand by" power to put or economic controls, Harriman told the House Banking Commit-
