All are welcome

FIRST CHURCH OF CHRIST SCIENTIST
800 East Second Street
Sunday School 9:30 A. M.
Church Service 11:00 A. M.
Wednesday Service 8:00 P. M.
Reading Room Tuesdays and Fridays 3:00 to 5:00 P. M.
All are welcome to attend our services and to use our Reading Room.
The theme of the services in all Christian Science Churches next Sunday is the opportunity and the obligation of every Christian to follow, in a practical manner, Christ Jesus. "Doctrine of Atonement" is the subject of the Lesson-Sermon.
The Golden Text is from Paul's second epistle to the Corinthians (5:17): "If any man be in Christ, he is a new creature; old things are passed away; behold, all things are become new."
Bible citations include the following from I Samuel (15:22): "And Samuel said, Hath the Lord as great delight in burnt offerings and sacrifices, as in obeying the voice of the Lord? Behold, to obey is better than sacrifice and to hearken than the fat of rams."
Correlative citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The scientific unity which exists between God and man must be wrought out in life-practice, and God's will must be universally done" (p. 292-3).

FIRST BAPTIST CHURCH
Park Avenue at Sixth Street
W. P. Brooks, Jr., Pastor
John Miller, Minister of Education
"We've Saved A Place For You"
Sunday School 9:45 A. M.

Sermon—W. P. Brooks, Jr.
Wednesday Evening Service—7:30 P. M.
Nursery Open At All Sunday Services.

CONGREGATIONAL CHURCH
Park Avenue and Third Street
J. Bernard Root, Minister
Sunday School 10:00 A. M.
Morning Worship 11:00 A. M.
Sermon: "Though He promise to Los."
He makes His promise good."
Young People's Society 6:30 P. M.
"The Stone Rejected by the Builders"—E. Stanley Jones
We make bold to offer to a confused and baffled world a simple solution—the Christian solution, the Kingdom of God on earth. This is the stone, rejected indeed by the builders of civilization, that has now become the head of the corner. In many minds around the world—and their number is on the increase—it has become the cornerstone of economic and international thinking. It is being looked to more and more as the only hope for civilization on the brink of ruin. You have tried unworkable ways of hate and force that are fast breaking down their own contradictions and strains; we ask you to try this.

FIRST METHODIST CHURCH
Rev. J. E. McKinley
9:45 A. M. Sunday School, A Class for Every Age.
11:00 A. M. Morning Worship, Sermon topic: "Religion in American Life."
6:30 P. M. Senior and Intermediate Youth Fellowship.
7:30 P. M. Evening Worship, Sermon topic: "Minorities".

FARM LOANS
Curtis J. Green, Farmers Home Administration supervisor, announced today that his office in the Old Post Office building in Orlando is now taking applications by farmers for operating loans in Seminole County.
To qualify for this loan the farmer must operate a family-type farm, and must be a full time farmer. It can be used to buy livestock and equipment and pay for other necessary farm and home operating expenses. Mr. Green can be contacted by mail at P. O. Box 1631, Orlando.

Blues In The News

By JIM MEYERS

After two weeks rest the Sanford Seminoles will go into action tonight as they play host to an invading Palatka eleven. There is at least one Navy man with a particular interest in the "Celery Beds." He is Ralph "Speedy Joe" Elliott of NAAS, who spends much of his free time helping to teach the local eleven. When asked for a prediction for tonight's game, "Speedy Joe" replied, "The two teams are pretty evenly matched and it should be a close one but I say it will be Sanford by one touchdown."
Remember the last Station Dance held at the Armory? It was such a success, plans have been made for another to be held on Oct. 27 at the same hall. John Hess and Russell Bramley, both of NAAS, will be in charge of the entertainment while Jim Johnson, also of NAAS, will head the decoration committee. According to the head of the Recreation Committee, G. L. Lacey, ADG, NAAS, this one will be bigger and better than ever so be sure to keep that date open.
Otis O. Price, DTGS, NAAS, returned yesterday from the Naval Hospital in Jacksonville where he underwent an operation to have a cartilage removed from his knee. Otis is feeling fine now and is happy to be back on board. Frank R. Elkes, ADA, is a new comer to Sanford, reporting about NAAS Wednesday from AD school in Memphis, Tenn. While Otis and Frank were making themselves at home, James R. Kiehn, TSN, William T. Cochran, DGI and Francis H. Vernal, AN, all of NAAS, were bidding farewell to all as the three men left Sanford with orders for sea duty.
Each Friday FABRON 821 elects a "Whitcheat of the Week." This week's honors go to Jimmy Meyers. Congratulations, Jim!
Donald G. Weeks, AMS, FABRON 821, was married recently in Newport, N. H. Don has brought his wife, Abbie, to Sanford with him and they are residing at 301 East Fifth Street.
Johnny Wadsworth, FABRON 821, is the proud father of a brand new daughter. To his addition to the family makes it one boy and one girl for Johnny and his wife Clarabelle who are making their home in Orange City.
Clifford D. Auelon was given an honorable discharge from FABRON 821 due to the expiration of his enlistment and is now on his way home to Springfield, Mass.
That's all the news for now so don't forget about the game tonight and don't forget to enjoy yourself over the weekend.
The British surrender ending the American Revolution was signed at Yorktown, Va., in the home of Augustine Moore.

Mrs. Ginn Donates Hydrangea Cuttings

Sanford residents and gardeners, especially new citizens here, are invited by Mrs. Clara Ginn, 1719 Sanford Avenue, to make use of her hydrangea cuttings of which she has a surplus of several thousand.
Mrs. Ginn's gardens at Rosalia Drive and Sanford Avenue are among the most beautiful in Sanford and many pictures have been made of her flower beds, including the hydrangeas.
The latter are ornamental woody plants of the Salignifera family. Of some 80 species known, four are native to the United States. They have clusters of white, pink or blue flowers and the plants of the white type have the popular name of snowball.
The pink flowers, said Mrs. Ginn, appear in sweet or alkaline soil and the blue ones in acid soil. Some blue blossoms are produced by adding rusty iron to the soil. The cuttings are easy to plant and easy to care for, she said. The plants grow to a height of three feet and it is advisable to cut them back each year.

Mrs. Croome's Father Dies In Orlando

Robert Gordon Stephens, 42, died Thursday at his home at 1017 Givens Street in Orlando. He was the father of Mrs. L. H. Croome of Sanford.
Mr. Stephens moved from Orlando to Valdosta, Ga., a year ago and returned to Orlando about two months ago. He is survived by the widow, Mrs. Juanita Stephens; Mrs. Croome; one brother, R. O. Stephens with the U. S. Army in Germany; three sisters, Mrs. Ruby Downing, Fitzgerald, Ga.; Mrs. Ruth Ridgill of Willwood and Mrs. Myrtle Stephens of Orlando; his mother Mrs. R. D. Stephens of Macon, Ga.
A short service will be held at the Loomis Funeral Home in Winter Garden tonight and the body will be sent to Cordele, Ga., for burial.

Legal Notice

STATE OF FLORIDA, TO: MATTHEW SEELER, Plaintiff.
You are hereby notified that John A. Ralph has filed suit for divorce against you in the Circuit Court for Seminole County, at Sanford, Florida, and you are hereby required to file, personally or by attorney, with the Clerk of said Court your written defense, if any, to the bill of complaint in said suit by the 15th day of October, 1951. Herein fail not or judgment will be rendered against you by default.
WITNESS my hand and the seal of said Court at Sanford, Florida, this 4th day of October A.D. 1951.
G. P. HERDON, Clerk.

ELECTION PROCLAMATION
Under and by virtue of authority in me vested as the Mayor of the City of Sanford, Florida, I hereby call a Municipal General Election to be held throughout the City of Sanford, Florida, on the 8th day of November, 1951, for the election of two City Commissioners for terms of office of three years each, and one City Clerk for a term of three years.

NOTICE OF SPECIAL TAX SCHOOL DISTRICT ELECTION FOR THE CITY OF SANFORD, FLORIDA, AND DETERMINATION OF MILLAGE OF TAXES FOR THE SABBING BURNING FOR SAID DISTRICT NUMBER ONE.
Notice is hereby given that, pursuant to the provisions of Section 2124, Florida Statutes, 1947, as amended by Section 12 of Chapter 2172 Laws of Florida, Acts of 1947, an election will be held throughout Seminole County, Florida, and in each election precinct thereof on Tuesday, the 4th day of November, 1951, for the election from Seminole County at large by the qualified electors of said County of three trustees for Special Tax School District Number One, which now comprises all of said Seminole County, and the determination of the millage of taxes for the ensuing biennium for said Special Tax School District Number One.
Not more than one trustee shall come from any one residential district of a county board member.
The estimated millage levy for said special school district for the year One for the regular term is six mills and two mills for building and bus reserve fund.
The names of the trustees to be printed on the ballot for approval by the voters may be nominated any time up to 30 days preceding

the time of the election by petition of five or more persons qualified to vote in the election, filed with the Board of Public Instruction of Seminole County, Florida, at least 30 days prior to the holding of said election.
Only qualified electors residing in said Special Tax School District Number One who pay a tax on real or personal property within said district shall be entitled to vote in this election.
By order of the Board of Public Instruction of Seminole County, Florida:
L. E. JORDAN, Chairman
T. W. LAYTON, Supt. of Public Instruction and ex-officio Secretary of the Board of Public Inst. of Seminole County, Florida.
NOTICE
Notice is hereby given that I am engaged in business on Highway 17-92, Seminole County, Fla., under the fictitious name, "The Pine Cupboard" and that I intend to register said name pursuant to the terms of the Fictitious Name Statute, to-wit: Sec. 868.09 of Florida Statutes 1941 with the Clerk of the Circuit Court of Seminole County, Florida.

To The People Of Sanford And Seminole County...

In time of trouble a firm or an individual realizes the inestimable value of true public spirit. For this there is no substitute nor can any amount of money compensate for it.
Our friends have sustained us and given us courage to rebuild, and we wish to thank each and every one for their trust and confidence in us.
To the Sanford Fire Department we extend our appreciation for their skill and valour in controlling the fire and preventing a conflagration.
Also to the Sanford Naval Air Station which cooperated by sending extra fire fighting equipment and men.
To the County Commission which by temporarily leasing us the Canning Kitchen have made it possible for us to resume operations pending construction of a building.
And to our employees who have offered us the use of their private machines and have been wonderful through it all.
With such moral support from this City we cannot fail.
We will strive to deserve your trust and confidence.

TODAY'S BIBLE VERSE

Socrates said the same thing, yet he was poisoned by the state. Jesus died on the cross. But the cross of Jesus and the hemlock of Socrates we now wear not evil in what they accomplished.

A recent survey of 175 big American industrialists reveals that they do not expect war to break out for at least a year.

Josephine Baker, Negro night club singer, who made quite a reputation for herself in Paris, complains that she is discriminated against because of her color when she went with a party of celebrities to New York's swank Stork Club for supper.

Dr. Mary McLeod Bethune tells students at the Bethune-Cookman College at Daytona Beach, "The world needs men and women who can do things."

Socialists as a rule are very nice people who never think things through. They seem to believe that people can be guaranteed the necessities of life and then be expected to work for a living.

On the same day last week that the Senate and House conferees decided on another nickel of the taxpayer's pocketbook in order to raise another five billion or so, the House passed a bill to raise the salaries of all government workers.

Tolerance Of Wrong

A Senate subcommittee has reported on its study of ethics in government, with recommendations for lifting the level of integrity. It proposed further studies and changes in law intended to make it harder for a public servant to abuse his office and get away with it.

There is an abundance of citizens' organizations, and one more may not be the thing the nation most needs. But more attention of the citizens to the matter of integrity in public office is definitely needed.

The subcommittee thought that ethics in government were "relatively high," but should be higher. The people will agree that they should be higher.

The Supply Of Bombs

It seems to be generally agreed that the explosion of a second atomic bomb in Russia should not throw Americans into a panic. William L. Laurence, the scientific specialist of the New York Times, deduces from publicly known facts that the Russian bomb is only about as efficient as that which we used on Nagasaki in 1945.

Since the Russians know this as well as the American public, they can hardly have been putting in their time on the production of the earlier type. Since they have tested only one new model in the two years since their first atomic explosion, they cannot have gone very far.

The picture may be unduly optimistic. Siberia seems to be an inexhaustible source of raw materials of all kinds. If uranium were found there, the Russians would not be likely to announce the fact.

Improvements For Winter

The United States Navy is ever on the alert to find ways to improve the efficiency of the men who serve in it. New cold weather clothing has been designed to allow the sailor greater freedom of movement while at the same time it provides him with more warmth.

The new uniforms for use in Arctic climates weigh only about half as much as those in use until now, but are said to keep a man comfortable at temperatures as low as zero.

The lightness of the new clothing is not the only contribution of the Navy to its Bluejackets. The clothing issue will include winter underwear with all the warmth of the long woolen variety but without the wool and without the itch.

HICKS PROMOTED: SAMPRON AFB, N. Y., Oct. 22 (Special)—Herbert C. Hicks has been promoted to Private First Class and will be assigned to Keesler AFB, Miss. for technical training in the Air Force radio operator career field.

TURKISH DEFENSE: LONDON, Oct. 22 (AP)—The deputies of the 12 Atlantic Allies signed an agreement today to bring Turkey and Greece into their defense pact.

REVOULT: CARACAS, Venezuela, Oct. 22 (AP)—For the second time in nine days, the Venezuelan government nipped a budding revolt yesterday. Nine persons have been killed, 16 wounded and hundreds arrested since the first unrest on Columbus Day.

USED CARS: '50 Buick Sedan, 4 Door, Glenn Green Finish, Like New, Dynaflow, Radio, Heater, Driven Only 12,675 Miles. \$2150.00

Maj. Turner

(Continued From Page One) again, will never fight with me again, but I know that their fighting spirit will be what we observe when they get going again. That's the special thing about me, the spirit of my men. Nothing gets them down. They've fought in weather that's 30 degrees below zero over terrain that's the worst in the world—it never fazed them.

Atomic Bomb (Continued From Page One) or fixed-point detonation and scientists have developed what might be termed a baby A-bomb. A press observer at Cactus Springs, about 35 air miles from the test site, said that a brief flash was barely noticeable in the bright early morning sunlight.

But to the small clumps of observers on Las Vegas street corners there was not even a flicker on the sunlit trees. To newsmen waiting eight days for the latest speculation on which had even mentioned the H-bomb—it was a decided let-down. At least a dozen newsmen and photographers were stationed on Mt. Charleston, 40 miles from the test site.

What they saw was apparently not spectacular. As far as is known no troops were involved in the detonation today. Approximately 5,000 troops, including a 1,000-man combat team, are at camp Desert Rock, awaiting participation in atomic warfare maneuvers.

Presumably the AEC used today's explosion for further research into radioactivity and perhaps its effect on animals and structures. It was disclosed last week that a number of rats and dogs were placed within range of the blast.

Presumably the AEC used today's explosion for further research into radioactivity and perhaps its effect on animals and structures. It was disclosed last week that a number of rats and dogs were placed within range of the blast.

Russia has exploded the other two, the second announced only two weeks ago.

Why Your Back Aches: W. V. Biting Touchton Drug Co. Backache comes from one of three causes according to doctors: disease, mechanical difficulties, or injuries. It is always a symptom of trouble in the body, and should be diagnosed promptly.

LAZY'S DRY CLEANERS: We repair Earth Moving Machinery, Farm Machinery, Packing House Equipment, Lawnmowers, Pumps, Gasoline Engines.

National Guard

(Continued From Page One) announced a plan to tap Guard and select units as replacements for "all personnel (in Korea) who endured the bitter combat conditions in Korea last winter." Collins called the rotation plan an "overriding need." He was answering protests against the call-up of individual Idaho National Guardsmen.

He said the plan "is currently requiring replacement of some 30,000 men and officers each month. I don't think anyone will dispute the urgency of this need."

No reasonable solution has been found for the problem, he said, "and even though (one) it will not undo the damage which has been done."

N. Y. Strike (Continued From Page One) would be used to do the strikers' work. On some New Jersey piers longshoremen reported for the morning "shape up"—call to work—then walked away.

DEFAMATION TRIAL: LAKE CHARLES, La., Oct. 22 (AP)—Attorneys opened arguments today on motions questioning the right of a special judge and prosecutor to try five newsmen accused of defaming 10 public officials and three admitted gamblers.

Allies Capture

(Continued From Page One) carrying a 120-foot utility landing ship with a crane reached the scene. Personnel in the whole operation included British and U. S. Navy and air arm personnel. Republic of South Korea navy men, U. S. Army and Air Force experts.

Salvage operations started on July 20. While the main parts of the MIG were being fished out and brought aboard the the salvage craft, a party was sent ashore to pick up scattered pieces of wreckage, enemy machinegun fire opened up. Marine fliers from the American carrier Siliy made two swings over the shoreline, rocketing and strafing the enemy positions until they drove the Communists back into nearby hills.

The utility landing craft, with the damaged MIG aboard, moved into the well-deck of the big dry-dock ship, the dock was pumped out and the whole fleet hustled off with the prize package of intelligence.

GOOD POLICY: Insurance carries far more power. Than a hurricane can pack. One hits a town — And tears it down — The other builds it back. Andrew Carraway Agency

Palatka Tripped By Hard Charging Sanford Linesmen

1,500 Sanford Fans See Locals Win 7-6 As Ed Gordon Play Best Game

Seminole High's aggressive line play and hard running Fullback Ed Gordon were too much for a pair of fleet Palatka backs Friday night as the locals edged the Maroons 7-6 before some 1500 cheering fans.

department from first down to number of passes completed. Ed Gordon again all that kept the Feds from running over their opponents was the lack of a first class break-away run.

The Seminoles threatened to cross the Palatka goal in the first quarter when they drove to the Maroons' 17 but could only make two more yards in four downs. As the game went into the second quarter, the Maroons punted out of danger.

College Basketball Scandal Hits Two Top Pro Players

By JERRY LISKA

CHICAGO, Oct. 22.—The Octopus-like college basketball scandal tightened its tentacles on two of the game's greatest modern players today and sent cage-doms top pro circuit into an emergency session.

Former Kentucky All-American, Alex Groza and Ralph Beard, were to be arraigned this morning on a fugitive warrant charging bribery by a 1948 game at New York's Madison Square Garden.

Weekend Of Football Smashes Records Of Nation's Top Teams

NEW YORK, Oct. 22.—(AP)—The old insurance company maxim that most accidents take place right in your own back yard is something to ponder. Ask California, Texas and Texas A&M.

They all were rolling merrily along winning game after game—many of them from rivals all over the country—but they awoke with a start today to find their proud records smashed to smithereens by foes they expected to take into camp with no trouble.

The biggest of the reversals Saturday was southern California's 21-14 victory over California, a team that had been tied only once in the past four years of regular season competition and which had held a virtual stranglehold on the Pacific Coast Conference championship.

That's all over now if the Trojans can't get past Stanford and U. C. T. A. their two remaining league foes. Further, the two victories will assure Jesse Hill's Southern Cal squad a Rose Bowl bid, which automatically goes to the winner provided it has not played there the previous year.

In the northwest where the annual mad scramble for the Cotton Bowl bid is in full swing, the winner would date make a prediction on the future after Saturday's shenanigans.

Governor's Order Aids Arkansas To Whip Texas Aggies

By WILL GRIMSLEY

NEW YORK, Oct. 22.—(AP)—Hanging Monday's football wash out to dry, and who said there's nothing sure but death and Texas?

Texas is about the surest thing in football, with everybody in the Lone Star state a member of the kick-the-favorite club. Texas and Texas A&M had their perfect records spoiled Saturday by conference member—Texas lost to Arkansas, 16-14, and the Aggies went down before Texas Christian, 20-14. Also Rice won 28-7, over Southern Methodist, the team that beat Notre Dame.

But it took a governor's proclamation to beat Texas. Last week Arkansas' chief executive, Sid McWhorter, issued an order that the Razorbacks' ship Texas' 13-year victory stranglehold in the series. The Razorbacks obeyed.

Princeton, with a 17-game winning streak, which could remain its spot as the No. 1 outfit after coming from behind as usual to plaster Penn State, 22-21, still is holding up alongside Tennessee.

Harvard scored a significant victory by beating Army, 22-21, and Penn squashed Columbia's hopes with a 28-13 trouncing.

Gator Meeting With Kentucky Headlines Southeastern Games

By STERLING BLAPPEY

Associated Press Sports Writer

In three weeks Kentucky lost three football games by a total of 11 points, but since that run of misery no team has gotten close to the Sugar Bowl champions.

This week Florida will try to copy up to the former Southeastern conference kings who usually have found their punch. The game, along with Georgia Tech's visit to Nashville to play Vanderbilt, makes up the best of the Southeastern has to offer. Ordinarily unbeaten Tennessee would be classed as a team playing one of the better games, but this is Tennessee's turn to take it fort-nighly rest.

The Vols are faced with playing Tennessee Tech. After losing to Texas 7-6 Kentucky was off balance. The Wildcats suffered again when a last second base Parilli pass was dropped in the end zone against Mississippi and the Rebels won 21-13. The next week after a flurry of rough stuff, Georgia Tech got angry and whipped Kentucky fair and square, 14-7.

Then came the transformation. Kentucky plastered Mississippi State, a supposed good defensive outfit, 27-0 and last Saturday punched a good, unbeaten Villanova team 35-13.

Florida came back Saturday against Vanderbilt to score a 33-13 convincer after losing the previous week to Auburn 14-15. For the past four weeks Florida has won every other game.

Tech rides the ton of the conference with four conference victories each won in a manner to convince. Saturday it was unbeaten Auburn's turn to tumble and the score was a roomy 27-7. Auburn handled Tech's running game but couldn't take Darrell Crawford's four touchdown passes to end Duck Martin.

While Tech is in Nashville meeting Vandy Auburn will be in New Orleans playing Tulane. Tulane lost the upset of the week Saturday when Mississippi heated up to a score of 26-6 victory.

The only other conference game fails to fan much enthusiasm. Four-times losing Alabama will be in Starkville to play twice losing Mississippi State. The last time Alabama lost four games in succession was 1910.

Table with columns W, L, T, PCT for various teams like Va. Tech, Tennessee, Mississippi, I. S. U., Auburn, Vanderbilt, Florida, Kentucky, Miss. State, Tulane, Georgia, Alabama.

Blues In The News By HALPH GANSMAN

A MEMORIAL—
FREDERICK MORGAN HOLLEY
 Fred Holley, Airman, United States Navy Reserve, died on Oct. 16, 1951, while swimming in the surf at Daytona Beach. He was born in Daytona, Fla., on Oct. 18, 1917, and is survived by his wife, two sons and a daughter, all of Daytona, Fla. Fred was well liked by all the men in FASHION 821, the squadron he was serving with in Sanford. He was liked and respected because of the manner in which he was and the shipmate he tried to be. May God bless him and rest his soul in peace.

Capt. John Chittenden and Comdr. Charles Boutin, both of VAAS, flew to Chicago Saturday for the Navy-Northeastern football game. When they cheered Navy, they were cheering for all of us that could be there.

Many NAAS sailors went out of town over the weekend. Jim Herndon, Tom Stoker, Dewell Fowler, Bob Whittington and Jesse Hall went to Atlanta, Ga., for the Georgia Tech-Auburn game. Dewell is from Atlanta and he said that he took the other fellows along to show them how a real southern team played football. Little Ed Pitzer spent the weekend in Jacksonville visiting friends. Edgar Hedenbough visited his sister in law and her husband, Mr. and Mrs. J. S. Donley, in West Palm Beach. From the tired faces of these men this morning, I would say that they had a weekend of fun.

Pete Van Dusen, Larry Scripps and Bob Beavers, 1st, 2nd and 4th place winners in the FASHION 821 squadron emblem contest, got their prize of a free trip to Nassau last weekend. Allen Negro-10, 3rd place winner, was to go, too, but he is in Jacksonville at school. The men left Sanford Friday afternoon by a plane piloted by Lt. John Gronman and Lt. (jg) Bill Holder. Lt. Robert Hillingsley filled the other empty seat of the plane with the comment, "I'm the best seat filler FASHION has!"

To this Mr. Gronman jokingly answered, "You should be because that is all you do." The party returned Sunday afternoon according to these men, Nassau is just the place to go for fun.

Low President-elect Jack Hovell, Harry Vinson and John Schowalter left Friday and Don Bragan, Rich Evans and Earl Hunselman left Saturday to visit their homes in New Orleans on short leaves. Other FASHION 821 men getting farther west on leaves Saturday were Jim Martin going to Baytown, Tex., and Dana Craig going to Perry, Ark. I know these men are enjoying themselves.

The Chief Petty Officers Club officially opened last Friday night. Many CPOs, their wives and friends were at the opening party. Invitations were sent to local businessmen. Officers of the Club are: Manager, Herbert Anderson, FASHION 821; President, Fred Cobb, NAAS; and Secretary, Treasurer, Phil Sells, FASHION 821. Saturday night the Catholic Youth Club of Sanford gave a Halloween party at the Yacht Club on Lake Monroe. Nearly everyone came in costume and if they had as much fun as I did, it was a wonderful evening.

The Navy announced recently that 24 FASHION 821 men would be advanced in rating as of last Tuesday. Congratulations to the men who worked hard to receive their rates. Richard Criss was advanced to 1st class petty officer. New 2nd class petty officers are: Maurice Supry, Ken Belkermeyer, and Ralph Jaeger.

Men advanced from Airman to 3rd class petty officers were: Elmer Arnett, Ken Campbell, Eli Clements, Wiley Goin, Paul Irmlinger, Garvin Kram, Merrill Mosler, Dana Cragar, Ken Kitterman, Jim Martin, Ralph Gansman, Clarence Attaway, John Bassil, Allen Chaffin and George Heindie. Also Eugene Henkel, Jack Hovell, Fred Juge, John Lay, Phil Meunier, Bob Wise, Doug Broux, Royce Jarrel, Morris Nason, J. Richardson, George Friel, L. Hartman, Albert G. Schrey Embury, Elmer Holland, Edna Schowalter and Jim Mayes. Goodbye for now—Jim will be looking for you tomorrow.

Services Conducted By Jon Hamrick

The communion service at the Seventh Day Adventist Church was conducted yesterday by Jon Hamrick, Jr., formerly of Sanford and now elder of Adventist churches in Tazewell and Richards, Va. He is also in charge of a church program which is broadcast over Station WIIIH, Hinesfield, W. Va.

During the short visit here, he visited his former piano teacher, Miss Margaret Davis, and his aunt, Mrs. Claude Whidden. He is a graduate of the Washington Missionary College and musical department, and studied music at the Cleveland Conservatory of Music. Mrs. Hamrick is also an accomplished musician, being a graduate pianist of the Royal Conservatory of London and of Toronto Conservatory. They have two small sons.

A brother, James E. Hamrick, a Bible commentator, is now conducting services at the Seventh Day Adventist Church of Bowling Green, Ohio.

Korean War

Jet-damaged two Red jets Sunday and fought another 25-minute battle Monday without either side scoring a hit.

The Navy reported the U. S. cruiser Helena steamed to within 60 miles of the Soviet Siberian frontier, blasting a 175-mile stretch of rail lines with her eight-inch guns.

The Air Force said nine B-29s today knocked out a new airfield in northwest Korea just as the Reds were getting it ready for use.

The target, at Taechon about 45 miles southeast of the Manchurian border, was designated "Sevye special" by the Air Force.

Nine superforts from this base sent after it Sunday but had to give up the mission because fighter bombers and fighters were not available for cover and advance preparation.

With air cover, carried out the job today despite moderate to intense ground fire.

MUNSAN, Korea, Oct. 22.—(AP)—Korean truce talks are expected to resume tomorrow or Wednesday.

Chinese officers today completed an agreement for reopening negotiations after a two-month break. The United Nations Command promptly ratified it.

If the Communists OK it today, armistice talks will reopen at 11 A. M. tomorrow (9 P. M. tonight EST).

Pete G. Williams, U. S. spokesman for the U. N. command, said if Red approval is received tomorrow morning, negotiations "may well agree on initiating the sessions tomorrow afternoon."

Egyptian Crisis

(Continued from page one)
 Zoua an elite Anglo-Egyptian Sudan.

A British spokesman said the navy moved in after Egyptian dock laborers went on strike in the Suez area and Egyptian pilots refused to move ships. The ships carrying British army supplies were being moved to Adabiin, near Suez, where the British have had a small military port, and royal engineers unloading the cargo with the aid of "newly recruited Egyptian and Sudanese labor," the spokesman said.

The spokesman reported all road transport to and from the Suez area operating normally after the 24-hour British ban on all traffic was lifted this morning. About 100 oil trucks carrying gasoline to Cairo from the canal area had been affected. No reason for the ban was given.

The British spokesman said an Egyptian customs official returned his office today after walking out "on his own accord" several days ago. It was not immediately clear whether he was now investigating incoming British goods. Under the 1936 treaty cancelled by Egypt, British army units had come in duty free. The British have refused to pay duties.

The spokesman also reported this afternoon there had been no serious incidents in the canal area for 24 hours. But there were numerous protests.

Formation of the anti-British underground, similar to Jewish groups in Palestine, was reported in the non-government newspaper Al-Misri and in the leftist weekly Al-Gomhour Al-Misri.

The latter publication said the "nationalist" movement was walking out "on his own accord" several days ago. It was not immediately clear whether he was now investigating incoming British goods. Under the 1936 treaty cancelled by Egypt, British army units had come in duty free. The British have refused to pay duties.

The spokesman also reported this afternoon there had been no serious incidents in the canal area for 24 hours. But there were numerous protests.

Mrs. Neal Coleman Died At Home Sunday

Mrs. Neal Coleman, 72, died at her home in Flora Heights yesterday following a lingering illness.

Born in Ireland Aug. 9, 1879, Mrs. Coleman had lived in Sanford for 31 years. She was a member of the First Christian Church.

She is survived by two sons, W. C. Coleman of Sanford and John Coleman of Jacksonville; three grandchildren, Stanley and Billy Coleman of Sanford; and Stacey Joy Coleman of Jacksonville.

Funeral services will be held at Brison Funeral Home at 3:00 P. M. tomorrow with Rev. John R. Golden and Rev. L. S. Buehler officiating. Interment will follow in Evergreen Cemetery.

Court Reverses Self On Commie Trial

WASHINGTON, Oct. 22.—(AP)—The Supreme Court today reversed itself and agreed to hear an appeal by six attorneys who got contempt sentences for their conduct during the New York trial of the eleven top Communist party leaders.

The six were counsel for the Red leaders at the trial before U. S. District Judge Harold Medina. Judge Medina gave them sentences ranging from one to six months.

The supreme court first denied the attorneys a hearing last June. They then petitioned the court to reconsider the denial, and give them a hearing. This request was granted today and a date will be set later for the hearing.

Oviedo Boy Is Hurt In Fall From Truck

Junior Whittley, 14 year old Negro boy of Oviedo, who fell Sunday afternoon from the running board of a Ford panel truck near Oviedo, regained consciousness at midnight at Parnell Loughlin Memorial Hospital, and today was reported to be recovering from shock and abrasions on the face and head.

He had been picked up on Highway 419 by Cleo H. Smith, Orlando Negro. The truck belongs to the Palm Dry Cleaning Co., Orlando, said State Highway Patrolman R. D. Harrison, who investigated the accident.

The delay at Miami was reported by Gen. Asik El Menyawi, Egyptian military commander in chief of the Egyptian army before World War II, and during the war was imprisoned by the British, who charged him with pro-Axis sympathies.

RFC Probe

(Continued from page one)
 he added, took them to the offices of some RFC directors.

"I was not aware that the RFC had rejected the loan four times before these people asked me for help," Shaver said. "I thought there had been one rejection, on grounds that collateral for the loan was not adequate. We worked this out by having one of the principals guarantee the note, but the loan terms, when finally approved, were so severe that the loan never was made."

He said a group of Detroit businessmen promoted the plan to build the hotel, the Chalfonte, and that he entered the negotiations at request of Sam Fleisher, president of the Fleisher Engineering and Construction Company of Minneapolis.

He said he participated "as an interested friend" of Fleisher, and "made it clear to the RFC that I was appearing in that capacity and not as counsel to the Senate committee."

He said the Washington law firm of Chase and Williams with which he is associated was serving at the time as counsel for Fleisher's company.

At the RFC, officials said the Chalfonte loan application was received Dec. 22, 1949, reviewed three times and finally authorized May 8, 1950. RFC said the authorization was cancelled Jan. 20, 1951, and the loan was never disbursed.

Meanwhile a Treasury agent testified that Denis W. Dolaney, ousted former tax collector at Boston, once obtained a new Cadillac and two new Chevrolet for \$760 and a two-year-old Cadillac. He said two dealers who supplied the new cars were in tax difficulties.

John J. Callahan of Medford, Mass., special agent of the Intelligence Division, Boston Revenue Office, related the story to a House Ways and Means Subcommittee. The congressional group is investigating charges of corrupt practices by income tax collectors.

Rotary Club

(Continued from page one)
 people of Sanford and pointed out that two summer playgrounds were conducted for colored children with swimming being taught at Welfare Lake.

The Rev. H. L. Zimmerman spoke to the club on the instruction and education of new Rotarians and explained "What to Tell Members-To-Be", outlining when such instruction should be given and how far it should be carried.

President Jack Ratigan announced that no meeting of the club will be held on Nov. 5 and that instead an inter-club meeting will be held with the Jaycees on Thursday, Nov. 8, when Rep. Sid Herlong will be the principal speaker.

An invitation was read from the Orlando Rotary Club to attend an inter-club meeting in that city on Wednesday, Nov. 14. About 20 members indicated their desire to attend. The meeting on Nov. 12 was cancelled on account of its being the regular observance of Armistice Day which falls on Sunday, Nov. 11.

Visitors were introduced by Sonny Powell as Simon Tudor of Alexandria, La.; Charles Marlan of Lakewood, N. J.; and D. G. Anderson, James H. Pitts and L. P. Davis of Orlando.

Mrs. Frank B. Adams Mother Died Sunday

Mrs. F. E. Steinhilber, 88, widow of the late Rev. Steinhilber, pastor of the First Methodist Church here when the present church was built, died at her home in Tallahassee yesterday. She was 77 years old.

Mrs. Steinhilber was born in Madison. Her husband died four years ago.

She is survived by five daughters, Mrs. F. B. Adams, Sanford; Mrs. G. J. Chason, Daytona Beach; Mrs. H. G. Clayton, Pittsburgh; Mrs. L. H. Waters, Jacksonville; Mrs. D. B. Bates, Norfolk, Va.; and a son, F. E. Steinhilber, Jr. of Tallahassee.

Funeral services will be held at 4:00 P. M. today in Tallahassee and graveside services will be held at Greenwood Cemetery in Orlando tomorrow at 4:00 P. M. with Rev. J. E. McKinley and Rev. John Branscomb officiating.

Odham Report

(Continued from page one)
 items were in great detail, it even listed such items as tips for service.

4 Brothers Confine Sister Two Years

NAUGATUCK, Conn., Oct. 22.—(AP)—A neat, newly-painted house in residential Naugatuck, police say, cloaked the filthy two-year prison of a woman, confined without clothing by her four brothers.

Authorities add that the four brothers have refused to say why they imprisoned their sister, who had not been seen by neighbors since her mother's funeral in July, 1949.

The four brothers—Adolph, 65; Chester, 40; Stanley, 33; and 31-year-old Leo Roman—were booked yesterday on a charge of cruelty.

Beatrice Roman Solberg, their sister, has been sent to a mental hospital on an emergency commitment. She was described as a husky, 200-pound woman in her late thirties.

Police entered the Roman home Saturday night after neighbors complained of a woman's screams. Officers said they found Miss Roman naked in a littered and filthy room. She struggled with police when they tried to take her outdoors, they said.

DOING MORE... and LOVING IT!

...furthermore, Reddy Kilowatt's average hourly wage for helping with homework is just about half what it was when his company started in business. But far from complaining, Reddy is hard at work building new power plants, stringing new lines...so he can do more and more chores for more and more people in fast-growing Florida!

FLORIDA POWER & LIGHT COMPANY
