HALL ARMOR PROBE

DRAWS UP ITS DEFENSE AGAINST LEGISLATIVE INVESTIGATION INTO MUNICIPAL SCANDAL

NEW YORK, Mar. 25.—(AP)—Tommy Hall yesterday drew up its defense against legislative investigation into the city government.

The inquiry, under the direction of Samuel Seabury, independent Democrat who was opposed by Tammany when he ran for governor in 1918, is expected to get under way about May 1.

Seabury refused to comment, but said he is closer to him than ever since he had agreed to run his investigation if he is guaranteed a hand and if no effort is made to stampede him into sending it to the legislature.

Utterson's counsel for Dr. T. Crain, the Tammany attorney already under investigation, sounded the keynote of the defense yesterday, in a speech in which, referring to the two magistrates' inquiry, he denied the cruelty and injustice of the "cruel and unmerciful" psychology that has been stimulated, whipped into action and magnified by the accusations of faithless public officials and that section of the reckless and irresponsible press that has no scruples.

The mayor and the police commissioner, Mr. Uttermeyer, denied, "can no more be held responsible for the complete alliance of the 'framing' of women, their corrupt protection against punishment by a few men who betray their uniforms and their city, than you would hold President Roosevelt, attorney-general of the United States, responsible for the acts committed every minute in the day age not within our law."

Kingland Macy, chairman of the Republican state committee and leader in the fight for the city inquiry, announced that his party was pledged to "an absolutely impartial, nonpolitical investigation."

The action of the legislature, he said, "is a fine demonstration of how our government is still responsive to around public opinion."

Puleston Is Speaker At Rotary Club Meet

"Mental Hygiene" was the subject of a half-hour talk delivered before Sanford Rotarians yesterday by Dr. Samuel Puleston, who had charge of the program of the club.

The relationship of the mental attitude toward general health conditions was clearly defined and outlined in Dr. Puleston's talk, and by using many practical examples of how the mind can be used in the treatment and cure of disease, he kept his listeners interested in what was termed "one of the most important talks heard by Rotarians in some time".

Rotarian W. L. Cooper was elected as the club's representative to the International Convention of Rotary Clubs to be held at Vienna during June.

At the suggestion of Billy Fitts, a member of the Rotary-sponsored Boy Scout troop number three, funds will be provided to be used in bearing the cost of remodeling the present troop headquarters in the City Jail on Palmetto Avenue.

Short talks were heard from Dave Howard of Buffalo, Wm. W. Walker of Boston, and Wm. W. Dickson of Cambridge, Mass. Other visitors included John Thomas, a famous violinist, and W. D. Gardner, banker. George Delano, C. S. Sims, Delano, George Stewart, Orlon, and John Dickson, Pa.

Control Of Leiter Estate To Remain In U.S. Despite Protest Of Nobility Heirs

CHICAGO, Mar. 25.—(AP)—Control of the late Levi Leiter's millions remains in the United States.

The appellate court yesterday upheld Joseph Leiter's right to serve as trustee of the \$30,000,000 estate of his merchant-prince father, turning back the demand of British nobility heirs that he be ousted for mismanagement.

Representing Leiter's widow Burke's cause, the presidents of the Supreme Court approved of Leiter were his sister, Lady Margaret Hyde, Countess of Suffolk; and Belinda Lady Cynthia Mowbray, the Baroness of Ravensdale, and Lady Alexandra Metcalfe—daughters of the late Mary Leiter Curzon, another sister, and wife of the former viceroy of India.

Throughout the eight years of litigation over control of the millions amassed in Chicago merchandising and finance, the third daughter of Levi the astute, Mrs. Nancy Leiter Campbell supported her brother until her death six months ago.

As the appellants' counsel indicated there would be no further appeal, yesterday's decision apparently was the denouement of the world-wide sweep of the Leiter family fortunes—a sweep that started in 1854 when old Levi left Leitersburg, Maryland, to grow up in Chicago.

LIMA IS UNDER MARTIAL LAW AFTER REOLT

FOORTY OR MORE REBELS ARE KILLED FOLLOWING INSURRECTION OF INFANTRY REGIMENT

LIMA, Peru, Mar. 25.—(AP)—After a brief period of peace Lima was again under martial law today. Loyal troops quelled a revolt of part of the fifth infantry regiment Monday night, directing cannon fire against the Santa Catalina barracks. Some 40 or more rebels were killed.

The surprise uprising, which followed establishment of peace under the new junta headed by Lieut.-Col. David Samanez Ocampos, continued four hours, during which the insurgents attempted to storm the palace and fired wildly into the air. A number of persons were arrested and will be court-martialed.

While the purpose of the new rebellion was not announced, there were numerous reports as to its aim. Some say the rebels claim to have received their pay, while others connect the movement with activities of supporters of Augusto B. Legua, overthrown as president last fall.

Another report is that the uprising had communistic connections. Communist pamphlets were found in possession of several soldiers.

The main attack against the palace was led by non-commissioned officers after their chief officers had been arrested while at supper in the barracks. Those revolting were only the troops remaining in the old fortress. All other troops of the Lima garrison were reported to have remained loyal. The rebels commanded lascivious and omnibus which they used in their march toward the palace. They carried rifles and machine guns.

The government announced that at no time did the insurgents dominate the situation, despite the suddenness of the attacks.

Seven slayings occurred in the 24 hours up to Monday midnight. Seven revealed two more. In addition, a billiard parlor operator was burned to death in a fire claimed on racketeers; and a policeman who remarked he was "tired of everything" took his own life.

Andrew (Bonto) D'Amato, who owned the "Bible Club," was taken for a ride. His body, two bullet holes behind the ear, was found under a sheet by a roadway.

"Bull" Kenny, a Greenwich Village character, was struck down during a speakeasy brawl with a baseball bat. Edward Shearin was killed.

First Lady Commands Women Of America For Relief Efforts

WASHINGTON, Mar. 24.—(AP)—The first Lady of the Land last night delivered over the air to the women of America the thanks of those who have been aided by unemployment relief efforts.

"Eloquent I cannot be," said Mrs. Hoover, "but I do rejoice in passing on to you, girls and women of America, the word that what you have done for those who have suffered innocently this year is borne in ever affectionate and understanding memory."

Mrs. Hoover spoke into a National Broadcasting Company microphone placed in the President's study, once the workroom of President Lincoln. Her address was delivered under the auspices of the women's division of the President's emergency committee for employment.

It was her fourth radio speech since her husband came to the
