Loss on penalties	30 33

By PETER SCHAAL

With almost certain defeat staring it in the face, Coach Leonard McLucas' Seminole High eleven with Johnnie Courier at the nose and Murray Kanner furnishing most of the power, launched an amazingly beautiful last minute air attack which, in four plays, from their 30-yard line, put them near the Rollins goal line where Courier pulled the smartest play he has ever tried, and sent Howard Lyles around right end for 25 yards and a touchdown to tie the score 12-12. The whistle blew and the game blew just as the ball was snapped, and, for the second time in three years, Sanford tied a team far more experienced than it was able to get together.

Credit for this football game being tied must be given to Murray Kanner, the all-State player who threw the ball; to Johnnie Courier, who gave an all-around exhibition at tackle and was a fine running mate for Kanner; to John Stanley at right end who kept plugging away even though the rest of his side of the line was stopped cold; H. B. Odham, the halfback whose long passes came to six beautiful passes from Lyles and Courier and brought gains of 17, 20, 19, 17, 31, and 10 yards when yards were needed; Howard Lyles, whose strong left hand saved a Rollins touchdown when he held on to Rollins player's shirt until that team fell to the earth; and Johnnie Courier, who, after feeling around all afternoon trying to find a play that would work, saw a chance to win for a touchdown around

Oddly enough, a Sanford boy, Ed Shinholer, playing left tackle for Rollins proved to be a thorn in the side of Sanford's several scoring or ground-gaining tries. Shinholer played tackle as if should be played. On offense he did not trouble at all, while on defense he chopped his way into the Sanford backfield to stop several plays cold. He had good help from Veasy at right tackle and Malone in the backfield, but his fine work did not bring the victory a more experienced team might expect, for Rollins was outplayed from the moment the Sanford first string team went in the game early in the second quarter.

Sanford scored 11 first downs to six for Rollins, gained 110 yards net from scrimmage to 68 yards net for Rollins, gained 10 out of 21 passes for an average gain of 17 yards, and Lyles outplayed Childs by six yards average. Those figures ought to tell you the story of the game if Sanford should have won, since it had three scoring chances only to lose them mainly because Shinholer refused to let his side of the line, where play on fourth downs was directed twice, sag.

McLucas chose to start his second and third string outfit, Kanner being the only regular on the field. A high wind from the north proved to be a big help to Rollins for Vincent's punts fell short because of it, one of them being caught by Evans in midfield, and being returned 35 yards to the Sanford 16-yard line before Kanner came tearing across the field like a tiger to bring Evans to the ground. That punt came three minutes after the game started and Rollins scored on the chance just a few seconds after Evans returned the ball. Childs went off right yards for five yards before Sanford had line up good, and Rollins made its first down by going over Branson and Shanon for over Hester making a grand tackle to bring Malone down. Childs then tried the other side of the line, and ran six yards for a touchdown, Kanner clinging to him as he went across. His kick failed.

After the kickoff, Sanford went to the Rollins 44 yard line before being forced to punt. Rollins made a first down but being forced to punt when Kanner and Bryan had dropped three line thrusts. Sanford went around right end and made the first play putting the ball on the Sanford 47 yard line, but three tries at the field and the quarter ended. Sanford's Standard 6.

on its next three downs mainly because Riser and Kanner were sensing the play and being where the ball was. After Rollins punted to midfield, McLucas sent in 10 men, his first team. Two plays at the line were stopped, Shinholer and Childs doing the trick. However, the first of several beautiful passes then clicked when O'ham caught Lyles' bullet and ran four yards, for a total gain of 17 yards. Odham and Entaminger gained nine yards in three plays and the ball was on the Rollins 26 yard line. Lyles threw a short pass to Courier who ran seven yards for a total gain of 12 yards before being tackled so hard he was removed from the game. The ball was on the Rollins 13 yard line. Shinholer got going in earnest then, and three Lyles for a five yard loss, stopped him for two yards gain, and broke into the backfield quick enough to harass two of Lyles' passes, one into the end zone, and the ball went over. Shinholer should get credit for saving a touchdown there, it seems to me.

Rollins tied three line backs and gained only five yards as Riser, Kanner, Entaminger and Ware got going. Childs punted out of bounds on the Rollins 30 yard line, a poor punt. Odham got eight yards off left tackle. Entaminger a yard at center, and Odham two yards at center for a first down on Rollins' 29 yard line. Lyles, Entaminger, and Odham, gained nine yards in three tries, but Shinholer stopped the attack by pulling Odham down from behind, preventing a first down and the ball went over after it had gone to the Rollins 11 yard line again. Childs got off another poor punt and Sanford took the ball on the Rollins 22 yard line where Lyles and Odham moved it eight yards on three tries before losing it when a pass failed on fourth down. The line, except for Kanner and Riser, was not functioning as it should, especially with Shinholer in action. Rollins made a first down through the line just before the half ended.

On the third quarter, the visitors having the ball on only four occasions, losing ground on each. Both lines went into action with a vengeance, and Sanford, after being stopped at the line went into the air successfully only to lose the ball on the Rollins 23 and 20 yard lines when a pass or line back failed. Odham's two remarkable catches of Lyles' long passes, good for 20 and 19 yards respectively, easily featured play in this quarter, as did Stanley's net catch of a short pass and his resulting gain of seven yards. Lyles intercepted a pass on his 50 yard line near the end of the quarter and was headed for a touchdown, but Childs brought him down. Sanford did not get the ball however, because a Sanford man had interfered with the receiver, and Rollins took the ball on its own 20 yard line. Illegally using hands, Rollins drew a 15 yard penalty on the next play, causing Childs to punt from his goal line. Lyles returning it 20 yards to the Rollins 30 yard line. A line back and a pass failed, but Courier threw a pass to Odham, who jumped four feet, caught the ball, slipped away from three tacklers, and ran seven yards for a total gain of 19 yards just as the quarter ended, the ball being on the Rollins 12 yard line.

A touchdown was denied however when Entaminger and Lyles having gained five yards, Lyles failed to grin over Shinholer, and Childs broke through and threw Odham for a five yard loss, giving Rollins the ball on its 11 yard line. Three line plays failed to gain for Rollins and Childs again punted from his goal, the ball being downed on the Rollins 33 yard line.

Hyatt went in the game for Cleman of Sanford at left guard. On the first play Lyles threw a pass which Odham caught with outstretched hands and ran six yards for a total gain of 17 yards. It was Odham's third stellar catch, outmanning hit tackle for four yards, and then Courier threw a long pass, which Stanley made the prettiest of the day as he leaped out of a pack of Rollins men and caught the ball on the Rollins three yard line for a 14 yard gain. Entaminger went over for a touchdown but Prasher's drop kick for point failed, and the score was tied 6-6.

Rollins almost had a touchdown after the kickoff when on the second play Malone threw a pass to Childs who gained 10 yards and was prevented from running 50 yards for the score only because Lyles broke through and desperately clinging to Childs' jersey. Rollins got another first down through the left side of the line, but after that Kanner, Riser, and Ware got going and Childs had to punt, the

BABY GATORS ARE GIVEN REST UPON EVE OF TECH TILT

Symes And Moye Will Start For Rat Outfit In Severe Test

GAINESVILLE, Nov. 7.—All was quiet on Fleming Field yesterday as Coach Brady Cowell gave his Baby Gator gridgers a holiday on the eve of their game with the strong yearling footballers from Georgia Tech, which will be played in the Florida stadium Saturday afternoon.

This program of rest came as a distinct surprise to the local fans who were gathered yesterday afternoon to watch the frosh go through a final workout before the fray with the Baby Toronado crew from Atlanta. Coach Cowell gave his proteges a thorough offensive and defensive drill Thursday, however, and the camp plebe mentor, who has been turning out winning teams for the past nine seasons, evidently decided that his boys were at their peak and ready for the tilt without further grooming.

Several shake-ups are evident in the frosh starting lineup as the youngsters are still battling earnestly for positions on the opening eleven. There are very few positions on the team where there aren't several good boys working their heads off to get the first call and this competitive spirit has done much to give the frosh the victories that they have earned this season.

In the line, Bryan, a Gainesville lad, will get the call over Shuman, former Andrew Jackson luminary, at left guard while Symes, a Sanford product, has bested Better and Butler, a fine pair of tacklers, in the race for starting honors at the left tackle slot. Heplong has been showing impressive form all week at the right end and post and he will start today. Welton, Shaver, and Jim Madigan have been warring a merry battle for snap-back honors with Shearer having a decided edge on the ex-F. M. A. cadet but Madigan will get the call to start at center.

Big half Starbuck, left tackle, little Monk McCampbell, vest-pocket lineman, who plays a bang up game at right guard and McLennan, speedy right wingman are the only starters who were able to Auburn last Friday which the

Northwestern-tackled the first November hurries today, with a chance of being tripped up. All four are favorites to continue their unbroken gallip. Notre Dame's resources appear adequate to the task of repulsing Pennsylvania, one of the few remaining Eastern teams with a clean slate. Harvard, likewise, appears too strong for Dartmouth, even with McCall and Morrison on the loose. Northwestern has the edge on Minnesota. Georgia has come a long way from home to find cold weather as well as New York University's aroused team ready to make it difficult for the Southerner.

More than 200,000 spectators will witness these four spotlight engagements in the East and Midwest. The day's biggest turnout, figured around 100,000 is expected to see Pop Warner turn his unbeaten Stanford eleven loose against Southern California in quest of revenge for a 1930 shellacking. This game will be played in the huge Olympic stadium at Los Angeles.

The business of picking this week's probable winners has had the experts of the press, although so far the 1931 campaign has run unusually true to form. Such contacts as Washington-California, Vanderbilt-Indiana, Florida-Alabama, Michigan-Indiana, Chicago-Arkansas, Rice-Texas, Christian, Nebraska-Iowa, and Furman-Dartmouth involve so many confusing factors and statistics that the general belief anything can happen—and probably will.

Sectionally the two big climax games of the Northwest-Minnesota and Stanford-Southern California conference championships may be decided by the outcome of each.

Intercollegiate, the Georgia-New York University and Notre Dame-Missouri games share major interest with Navy-Ohio State, Columbia, Fordham-Dartmouth, New York, Louisiana State-Washington and Jefferson-Milwaukee. Georgia and Notre Dame, each anxious to achieve national recognition again, are playing two of the toughest schedules in the country. Georgia has unbeaten Tennessee and Southern California to play later in the month. Notre Dame also faces Southern California, between 11, with the Navy and Army. There will be a good gap for comparison between the Southern Bulldogs and the Fighting Irish, if both keep up their

LATEST COSTUME FOR BEACH GUARDS

The costume worn by Marilyn Jones, above, of Long Beach, California, isn't recommended for all beach life guards. But Marilyn, who is just three years old, has announced that she is going to be a guard this summer. The real life guard told her to come to work, and this is the costume she arrived in.

CONTENDERS FOR GRID TITLE FACE STIFF BARRIERS

Favorites In Today's Games Confronted With Hard Battles

By Alan Gould

CHASE TEAM HAS CLOSE CALL WITH CLEANERS, 11-10

Well Played And Hard Fought Game Seen On Lake Shore Field

By R. H. Cullam
In one of the best played games this season, with both teams fighting hard for the extra run that would spell victory, the Chase team defeated the Seminole Dry Cleaners last night 11 to 10, the game going into extra innings before a decision could be reached.

Jesse Cook was on the mound for Chase and yielded up 10 hits, for 10 runs, three of the runs being made in the first inning, the result of a single by Britt, first up, two walks, and an error on the part of Manager Ravenel when he dropped Harrison's fly in left field. The Dry Cleaners added four more in the third, two in the fifth and one in the seventh. No one pitched for the Dry Cleaners, and although he limited the Chase players to 8 hits, he walked seven during the game. In the first inning Hodge retired the side in one, two, three, order. However, in the second inning, he walked Weaver and Lake in succession; Cotter doubled, scoring Weaver and Lake; Stinepicher walked. Kinlaw singled, scoring Cotter. Spencer struck out; Morgan got a double bringing in Stinepicher and Kinlaw; Cook was safe on an error; Ravenel hit to Short who attempted to throw out Morgan; Cotter popped out; Cordell and Weaver popped out, result 6 runs. The Chase team put over two runs in the fifth and one in the sixth. Going into the seventh inning with the score standing 10 to 9 against them, Cordell, first up, doubled; Weaver walked, his third tree ticket to first; Lake popped out; Cotter hit to short and was thrown out at first; however, Cordell scored, tying up the game; Stinepicher struck out. In the first of the eighth Cook caused the first three batters to face him to pop out; in their half of the ninth, Kinlaw, first up, went out at first; Spencer tripled; Morgan popped out; Cook walked; Ravenel hit one to short to left field scoring Spencer and winning the game. It was a great game between two very evenly matched teams, both teams giving their pitcher superb support and was through-

Completed in the discussion, commenting on the Exchange's duties to its members and the place of the Clearing House in the industry. "Most certainly the Clearing House duty is clearly that of bringing about a complete unity in fundamental matters in our citrus industry," said A. M. Pratt, manager of the Clearing House, last night. "In doing this, the Clearing House job is primarily that of bringing about orderly competition. Without having the official statement from the Exchange, it would be out of place for us to do otherwise than earnestly express the hope that the step taken is one that will make the service of the Clearing House as comprehensive as to be practically inclusive in the entire citrus industry."

The resolution, set forth the Exchange's efforts to organize the industry and outlined circumstances leading to the organization of the Clearing House. They said the Clearing House, under its present set-up, had failed.

BABE HELPS BABES

Babe Ruth is shown arriving in Los Angeles to play three ball games for benefit of ailing children and war veterans. Newsies greeted him.

Tales Of Heroic Deeds In Naval Blast Are Told

(Continued from Page One)

The stories of heroism came from the U. S. S. Colorado, where an anti-aircraft gun exploded while the ship was 45 miles at sea Thursday engaged in an attack upon a mythical enemy "of the air." Four men, an officer and three enlisted sailors, were killed outright as broken steel, hurled like shrapnel, raked the decks. Another sailor died today and a sixth was on the verge of death.

A check of the list of injured, originally placed at ten, disclosed that twenty-two were hurt. The twelve additional injured were sailors who had disregarded their wounds in the hours following the explosion and had worked with those who escaped unscathed to help the seriously hurt and dying. Not until they had given all possible assistance did they seek treatment.

To the five dead on the Colorado a sixth fatality was added with the death of Chief Petty Officer J. J. back and chest, received as he was pinned beneath the base of a gun which had been lowered when a sailor operating the mechanism became confused. Plummer was standing in the gun pit.

The seventh death was that of Lieut. Commander O. W. Erickson, veteran Navy pilot, killed when his airplane plunged off the deck of the aircraft carrier, U. S. S. Saratoga, as a landing was being attempted.

The list of dead on the Colorado follows:
Lieut. Ralph F. Bradford, Jr., 32, Pontiac, Ill.
Maurice G. Hawkins, seaman first class, Hastings, Mich.
Lewis A. Clark, 18, seaman second class, Los Gatos, Calif.
J. J. Schuur, seaman first class, St. Louis Mo.
Clarence E. Swift, 19, seaman first class, Los Angeles. He died yesterday.

Expected to die:
Robert O. Huff, seaman first class, Agra, Ky., back riddled with steel.
H. J. Hintin seaman first class, Wichita, Kan., fractured skull.

Debris of the terrific force of the blast, both funnel, were punctured with holes four inches in diameter. The flying metal from the gun swept the navigation bridge and ten; the rail. One side of a life boat was ripped out and a large section of the gun, which had blown to bits, went overboard. The decks were scarred and the whole superstructure bore signs of the explosion.

Capt. A. W. Jackson, commander of the Colorado, said he wished to stress the point that the explosion, while the cause remains undetermined, was not a result of a slip by personnel but could be laid to material.

DEMOCRATS TO ATTEND RALLY IN MARIANNA SOON

Scores Of Letters Of Intentions To Be Present Received

MARIANNA, Nov. 7.—Local headquarters for the Democratic conference which meets in this city Nov. 27-28, report that scores of letters have been received this week from leading Democrats throughout the state in which they declare they will be present.

Information received from R. L. Sweger, editor of the Gadsden County Times and A. L. Hinson, chairman of the Democratic Committee of Gadsden county, is to the effect that a motorage of more than 50 automobiles will leave Quincy early on the morning of Nov. 27 for the conference and that this number may be largely increased.

This has encouraged the committee on arrangements to organize for motorades from Tallahassee, Blountstown, Pensacola, Chipley, Crestview, and DeFuniak Springs.

That the conference will be an instrument of great good to the party is recognized by many leaders who have written that such a meeting is necessary.

Judge W. B. Shepard of the United States Court for this district has generously loaned the use of the courtroom in the federal building of this city for the work of the committee on resolutions which will be appointed at the conference, and Judge Shepard has granted the use of his private office for the use of Senator Fletcher for a conference room.

A reception committee consisting of men and women of Jackson county, to the number of one hundred, has been appointed and the members will meet at Hotel Chippola on the morning of Friday, Nov. 27, to greet the visitors. As a large number of Democratic women is expected to attend, a woman's committee, headed by Mrs. D. A. McKinnon, has been appointed.

The committee on arrangements has stressed the fact that every Democrat is invited to attend this conference. While the conference is no "invitation affair" it was decided that Senator Lewis and E. C. Lewis, speaker of the House of Representatives, write to members of the Legislature urging their presence. Other committees to be appointed this week include parking, housing, and decorations, etc.

A Bean In A Child's Throat

Not long ago an Orlando child attempted to swallow a bean which became lodged in her throat and threatened her with strangulation.

Promptly all agencies of rapid transportation were brought into play. Trains, automobiles, motorcycles, even airplanes, were employed in this race across country with death.

Now comes the information from both Miami and Tampa that hospitals in each of those cities are equipped with bronchoscopes which might have been used in removing the bean.

If this is a fact someone in Orlando made a frightful mistake. The trip to Philadelphia must have required at least twenty-four hours.

But the Orlando Reporter-Star retails with the denial that the bronchoscopes used in the Florida hospitals are the same as the ones in Philadelphia needed to remove the bean.

This newspaper has no interest in the controversy on the relative merits of Florida hospitals other than to ascertain the facts in the case.

Old Methods

When business is a little slack, an excellent opportunity is afforded for attending to matters which are apt to escape unnoticed in the rush of business prosperity.

"Dr. Klein hit the nail fairly on the head," says the DeLand Sun News. "Many business men even during the period of depression clung tenaciously to those time-worn methods and were the loudest to complain about poor business."

"The optimistic and up-and-coming business man is the fellow who moves his stock by taking a loss on some articles he unfortunately purchased at a high figure, and makes room for new materials which are now selling at a much lower figure."

"If the business man, the citizen and the visitor would each do his part toward reviving business the wheels would soon start turning over at a livelier rate."

SANFORD, TWENTY YEARS AGO

It is officially announced that the work of expelling the wreck of the Maine so far as the parts immediately affected by the explosion are concerned from about midships to the bow will be completed by Nov. 20.

Speaking at Washington of the present discussion of currency legislation, President Finley of the Southern Railway Company, said: "The banks of the Southern states compare very favorably as to soundness and ability of management with those of any other part of the country."

The plan for co-operative forest fire prevention in this county which has been under way for several months has begun to take visible form.

Invitations have been issued by W. J. Tillman for a dance which will give at the Sanford House on Friday evening, Nov. 16, commencing at 8 o'clock.

DIDN'T KNOW MIAMI DAILY NEWS

Three-year-old Marjorie Coburn of Orlando is dead as the result of ignorance. The facilities for removal of a foreign object from her windpipe were available in Miami and other cities relatively near her home.

With the incalculable grief of the parents there must be burning resentment that they were not advised of the nearer aid available.

If such ignorance of the facilities of our physicians and surgeons exists in an enlightened, progressive city such as Orlando, how many preventable tragedies may occur?

The remedy, thus, to a large extent is up to the medical profession.

Too often skilled practitioners have "hidden their light under a bushel" through fear of unethical practices in advertising.

The newspapers themselves share with the medical profession responsibility for disseminating such information so long as it is news.

Such advertising never will be an important factor in the income of a newspaper, but it is a factor that may decide between life and death in such cases as that of the three-year-old Orlando child who was a sacrifice to ignorance.

The tomb of General Robert E. Lee, and also saw the skeleton of his famous war-horse, "Traveller."

Miss Francis Reitz Attends Parley Of Newspaper Group

Miss Francis Reitz, daughter of Mr. and Mrs. W. H. Reitz of Sanford, was among a delegation of journalism students from Stratford College, Danville, Virginia, that attended the recent convention of the Southern Intercollegiate Press Association at Washington and Lee University.

"Foremost in educational value to me at the convention," says Miss Reitz, "was a collection of rare old books. Some of them dated as far back as the fifteenth century. Round-table discussions and lectures were also helpful to our work."

WINGS INTO SILENCE When the song is stilled, the heart silent, and the lips uncurl That once with unhesitant art Gathered to form this girl, Let no one babble she strays Radiant paths beyond death—I have no lips to praise Death, and I have no faith.

MY PARENTS They served their generation. . . . Two, well mated, Moulded a town, and strengthened it, and made; Now they have passed, and knowledge has abated Of them; their names upon their tablet face. But who shall say their being is forgotten, While this tree stands that knew them, and this hill? Their plans, so on, by their one dream begotten And born and bred, and so they ever will.

These subjects were named by them: their work goes on. Or, if it change and know another name, Which branch of two need be a greater one Since each one cherishes a faithful flame? Now they have passed, their dream, of golden mesh, To greater than survival in the flesh.

Add simile: As dry as Major Maffett's a Jacksonville football game is.

A buying wave is said to be sweeping this country, according to Sunday papers, but there was no buying wave in Sanford Saturday night. Why?

Communist uprising breaks out in Tampa. The news was very good by "The Red Coat" (see morning) it may yet be simplified to "The Reds are coming!"

The Italian Foreign minister is coming to this country for a chin with President Hoover. Hous Van derbilt, Butler, or none of our able fire eaters takes a crack at Mussolini while he's here.

The Fort Myers News Press makes a long story short when it says, "Having been pretty thoroughly skinned, citrus growers will agree that what they need is a Hyde."

Ever since we first read about Mahatma Gandhi in the newspapers, we have wondered where he kept his handkerchief. Dat, after all, we suppose a man who carries a sheet around with him all the time doesn't really need a handkerchief.

As everyone expected, Hoover's Navy League committee encouraged the President and endorsed William H. Gardner's attack on the administration's naval policy. Hoover may have been absolutely right in his stand on naval questions, but the people will take the substance of his committee with a grain of salt. If he wanted an impartial report which would be accepted by the country generally, he should have let the Senate Committee do the investigating.

Members of the League of Nations' committee of "diplomatic experts" recently held a "economic experts" session. Japan has notified the League that she has the largest number of withdrawing troops in Manchuria. Japan indeed is the only country that has withdrawn troops from Manchuria. Japan indeed is the only country that has withdrawn troops from Manchuria.

Social And Personal Activities

MISS MARGARET PETERS, Society Editor

MISS LAURA LEHMAN WEDS GEORGE CROSS

Impressive in its simplicity was the wedding Saturday evening at 8:00 o'clock of Miss Laura Lehman, daughter of Mr. and Mrs. Herman J. Lehman of Jacksonville. The ceremony was performed by the Rev. E. D. Brown at the home of the bride's brother-in-law and sister, Mr. and Mrs. Herbert E. Russell, Colony Avenue, in the presence of about 50 guests composed of relatives and intimate friends.

Immediately before the ceremony J. M. Stimpert sang, "All for You," which was followed by another vocal solo, "Because," by Mrs. Russell. Mr. Stimpert rendered "O Promise Me," immediately before the entrance of the bride party. Mrs. E. S. Verma furnished the accompaniment to the songs.

The bride, who entered on the arm of her father, wore for the occasion a fine colored velvet or sensible tulle with black fur around with black accessories. Her only jewelry was an antique sapphire and pearl necklace which once belonged to her grandmother. She carried an arm bouquet of sweet heart roses and valley lilies.

Mrs. Russell, the matron of honor, entered wearing a brown tulle crepe gown trimmed with ecru lace. Her flowers were an arm bouquet of pink ranunculus, baby's breath and fern. The bridegroom was attended by Harold J. Bell, of Jacksonville, best man.

Following a suitable background for the ceremony were the large blue bouquets of yellow and white chrysanthemums and fern, and the palms which were arranged to represent an impressive altar.

Other decorations about the altar hall consisted of small, tulle, of small yellow and white chrysanthemums, and fern.

Following the wedding an informal reception was held when the bride's father gave a luncheon on the course was served. Later in the evening Mr. and Mrs. Cross left for a motor trip to various points in the southern part of the state. They will make their home in Jacksonville where Mr. Cross is connected with the Lyack Corporation.

The bride is the youngest daughter of Mr. and Mrs. Herman J. Lehman and came here with her parents from St. Louis. For the past four years she has been residing in Jacksonville where she has been working with the United States Bureau Service. The bridegroom came to Florida from Calgary, Canada and has been a resident of Jacksonville for several years.

Out-of-town guests at the wedding were Mr. and Mrs. Harold J. Bell, Mr. and Mrs. George Hoff, Mrs. E. S. Verma, Mrs. Annie Rea, Mrs. W. C. Dorkie, Mrs. Varner, Mrs. J. H. Powell, Mrs. Alma Haddock and Mrs. C. F. Stahl.

Those present were: Mrs. C. J. Ray, Mrs. J. B. Crawford, Mrs. J. A. Rogers, Mrs. J. M. McCall, Mrs. George McCrum, Mrs. W. S. Thornton, Mr. A. D. Schomaker, Mrs. E. S. Hutchison, Mr. F. C. Ford, Mrs. W. C. Dorkie, Mrs. Varner, Mrs. J. H. Powell, Mrs. Alma Haddock and Mrs. C. F. Stahl.

KEY WEST—Work on annex to Marine Hospital to be started at once.

Masquerade Dance Is Staged By Sorority

A masquerade dance was given last Saturday evening at the home of Mrs. Louise Hickson on Cedar Avenue by the members of the Alpha Kappa sorority. Decorating about the Hickson home, which was opened en suite for the occasion were in shades of green and white, the sorority colors. Dancing was enjoyed by the guests from 8 o'clock to 1:00 o'clock.

Those present were: the Misses George Hicks, Camilla Dean, Jean Martin Lane, Ruth Pray, Mrs. M. J. Lawrence, Lois Court, Eleanor Hickson, Pauline Stouffer, Christine Schneider and John Miller, Edwin Shambaugh, Richard Deas, Harry Schaffel, Richard Deas, Harry Schaffel, Wilbur Smith, Lawrence Reed, Paul Biggers, John Bille, John Decht, David Cooper, John Coarner, Milton Ware, R. Z. Johnson, William Garner, David Miller, Vevill Victor of St. Augustine, Fritz Molecky, of Orlando, George Moss, and Ray Frank James, Jr.

Lehman Entertain With Dinner Party

Entertaining for Miss Laura Lehman and George Herbert Cross, whose marriage was performed Saturday evening at 8 o'clock, the former's parents, Mr. and Mrs. Herman J. Lehman, were hosts of a dinner party given Saturday evening at 5:00 o'clock at the Alhambra Hotel. The long dining table was covered with a large level of pink roses and fern, which will be placed at intervals along the table. A soft light was achieved by pink candles in glass holders.

Dinner was served in the following order: Mrs. Lehman and Mr. Cross, honor guests, Mr. and Mrs. Cross, K. E. Brown, and the following Jacksonville guests: Mr. and Mrs. Harold J. Bell, Mr. and Mrs. George Hoff, Mr. and Mrs. Martin Meyer, Mr. and Mrs. Wm. C. Dorkie, Mrs. Varner, Mrs. J. H. Powell, Mrs. Alma Haddock and Mrs. C. F. Stahl.

Varner Home Scene Of Circle Meeting

Circle Number One of the First Methodist Church met on Monday afternoon at the home of Mrs. George Varner on Magnolia Avenue with Mrs. George McCrum presiding over the business session. After all business had been transacted retrospectives were given by the hostess, and by her daughters, Miss Rose Varner and Miss Margaret Varner, and Mrs. C. F. Stahl.

Those present were: Mrs. C. J. Ray, Mrs. J. B. Crawford, Mrs. J. A. Rogers, Mrs. J. M. McCall, Mrs. George McCrum, Mrs. W. S. Thornton, Mr. A. D. Schomaker, Mrs. E. S. Hutchison, Mr. F. C. Ford, Mrs. W. C. Dorkie, Mrs. Varner, Mrs. J. H. Powell, Mrs. Alma Haddock and Mrs. C. F. Stahl.

Love laughs at locksmiths—and computers! The song of romance can be sung in any key with equal charm for the high and the low, and never was there a romance more sweetly tender than Mary Ann's.

American Troops Are Called Out As Riots Occur In Tientsin; Japan To Reinforce

(Continued from Page One)
Ishida native police on the border between the Chinese city and the Japanese concession.

The American soldiers were awaiting orders from their commander, Col. James D. Taylor. Italian and French troops also were standing by in their respective concessions. Three companies of Chinese troops were preparing to intervene.

Reports reaching Manchurian headquarters here shortly after midnight said shooting was continuing, and machine guns were being used. The origin of the outbreak was uncertain, but the Chinese alleged that the Japanese distributed arms and ammunition with the object of causing disturbances.

It was estimated that between 1000 and 2000 persons dressed in Chinese clothes participated in the attack, but allegedly were instigated by Japanese.

The attack followed an unsuccessful attempt Saturday night to assassinate the former Japanese emperor of China, Hsuan Tung, who has been living in the Japanese concession since 1921 under the name of Henry Pu Yi.

A Chinese hotel messenger handed him a basket of fruit containing a bomb, which failed to explode. When the messenger was arrested, he said he had been given the basket by a Chinese in the French concession and had been instructed to hand it to the former emperor without comment.

Police said they could give no motive for the attempt but believed it was connected with recent rumors that the Japanese were planning to establish Hsuan Tung as emperor of Manchuria in succession to Governor Chang Hsueh-liang. It is said to prefer living quietly in Tientsin as a private citizen.

Chinese reports said later that a mob of 800 armed Chinese, together with some Japanese, rushed from the Japanese concession into Chinese territory and assaulted the police.

The few who were arrested were quoted as saying they had been paid \$40 in silver (about \$19) to participate in the attack. The casualties were unknown. It was reported the onslaught was aimed at the police station, the civil government headquarters and the railway station.

WASHINGTON, Nov. 9. (A.P.)—State and war department officials last night studied reports of rioting in Tientsin, China, but expressed the view the situation had not gotten beyond control.

To substantiate their view that there was no reason for undue alarm, they pointed out that several companies of Chinese troops already were taking a hand while more are enroute. Besides that, they recalled that French, Italian, British and American forces were available should they be needed.

The American soldiers at Tientsin are in the skeleton fifteenth infantry, comprising about 500 men. That is the only army force in China although there are 350 to 400 marines at Peking and 1000 at Shanghai.

The soldiers are maintained in Tientsin principally to help guard the Peking-Tientsin railway under a treaty that emerged from the Boxer rebellion. Officials here were of the opinion that the American infantrymen would not become involved in the difficulties unless they reached much greater proportions than at present. They saw especial ground for optimism in the fact that only one casualty had been reported.

Menjou Harding To Begin Work Soon On Film In Florida

TAMPA, Nov. 9.—Ann Harding and Adolph Menjou, well known movie stars, are expected to arrive in Florida some time this month to make the exterior scenes of NKO-Pathé company's newest picture. A beautiful spot on the Myakka River, at Venice, has been selected by Al D'Agostino, studio representative, as the location for these scenes.

Ray Garnett will direct the picture, the title of which, at present, is "Prestige." The story concerns itself with the affairs of Theresa Duffles (Ann Harding) and Veraine, a French officer (Adolph Menjou) commandant of the French Penal Colony La-Bao, in South Africa.

The site at Venice is excellently adapted to the requirements of this colony. The Myakka River makes what is practically a hairpin turn, and on the peninsula formed by this turn the stockade and prison camp will be built. Beautiful palm trees and dense growth exist even down to the edge of the river. It is just as if you were in a scene as one would expect to see in South Africa—a river winds along as if it were full of crocodiles and a jungle, that might be the habitat of terrible wild animals.

A VIEW OF LORD MAYOR'S SHOW IN LONDON

LONDON, Nov. 9.—A view of the Lord Mayor's procession passing through the streets of London. One of the most picturesque groups in the line of marchers were a delegation of London fishwives parading a boat, who wore their traditional costumes.

CELEBRITIES MEET AT RECENT BENEFIT SHOW

Here's a view of the official box at Madison Square Garden, New York, during the Radioland Salvation Army Benefit. Second row, left, former Governor Alfred E. Smith, Mrs. Edward Hutton, center, and Mayor James J. Walker of New York, right. Lower row, left to right, Billie Burke (Mrs. Flo Ziegfeld) and Mrs. Alfred E. Smith.

AIR CHIEF WATCHES HIS FLYERS

While the assembled airplanes of the U. S. Army zoomed over Chicago, Major General James F. Fehet, chief of the army air corps, was pictured as he stood on the roof of a tall building and watched his flyers perform for Chicago.

RASKOB TELLS OF PLANS FOR PARTY FINANCE

(Continued from Page One)
tee in close touch with local political trends of a national significance; on the basis of these trends, to counsel and aid the party in the formulation of national policies and in the remedying of unfavorable local conditions where existing, and to stand ready to assist the national committee to maintain and develop a viable and financially strong national organization.

The organization will be a corporate one, with its own constitution and elected officers. Former Gov. Nellie Taylor-Ross of Wyoming and former Gov. Flood Byrd of Virginia will serve as temporary vice commanders until permanent officers are elected at a convention here on Jefferson's birthday, next April 13.

A board of councillors will elect members immediately from among 3000 men and women, whose names have been suggested by Democratic members of Congress, governors, national committeemen and other party leaders. Other names will be submitted later.

Councillors appointed until the Jefferson Day meeting are James H. Cox, John W. Davis, Alfred E. Smith, all former party nominees for the presidency; Mrs. Roosevelt, Mrs. Jessie Woodrow Sayre, Mrs. O. Max Gardner, Byrd, Shouse, John H. Fahy and A. Scott Bullitt. Raskob will be an ex-officio member.

Charles Michelson, publicity director of the national committee, will serve as temporary secretary of the organization, and James V. Gorard as temporary treasurer. Headquarters will be at the national committee's offices in Washington.

In his letter Raskob said the Democratic party "now has an aggressive, fighting, national organization, which has kept the Republican party continually on the defensive during the whole of the present administration."

Membership in the organization, he added, is limited to those who are willing to give "time, money and militant service" to the party.

FATAL ACCIDENTS IN DIXIE

ATLANTA, Nov. 9.—(A.P.)—Fifteen deaths resulted from automobile accidents in the South over the week-end. Georgia led in the number of motor vehicle casualties with six. Tennessee and Alabama had three each, South Carolina and Arkansas two.

Skyscraper Home Of Defunct Miami Bank Will Be Sold

MIAMI, Nov. 9.—The skyscraper home of the closed Bank of Bay Biscayne at the corner of Miami Beach and Biscayne Blvd. will be sold to the highest bidder at the courthouse, Court Dec. 7, under a decree of Judge Jefferson B. Browne in Circuit Court.

The court awarded judgment to the Metropolitan Life Insurance Company of New York in the sum of \$953,000 against Biscayne Properties, Inc., under a foreclosure action Saturday. The decree is based on a balance of \$850,000 remaining unpaid of the original loan for construction of the building. The difference in the amount of the judgment is accounted for by the cost of litigation, which are charged against the property.

DELRAY BEACH.—Total of \$32,596 in building permits issued in this city for fiscal year ending September 30.

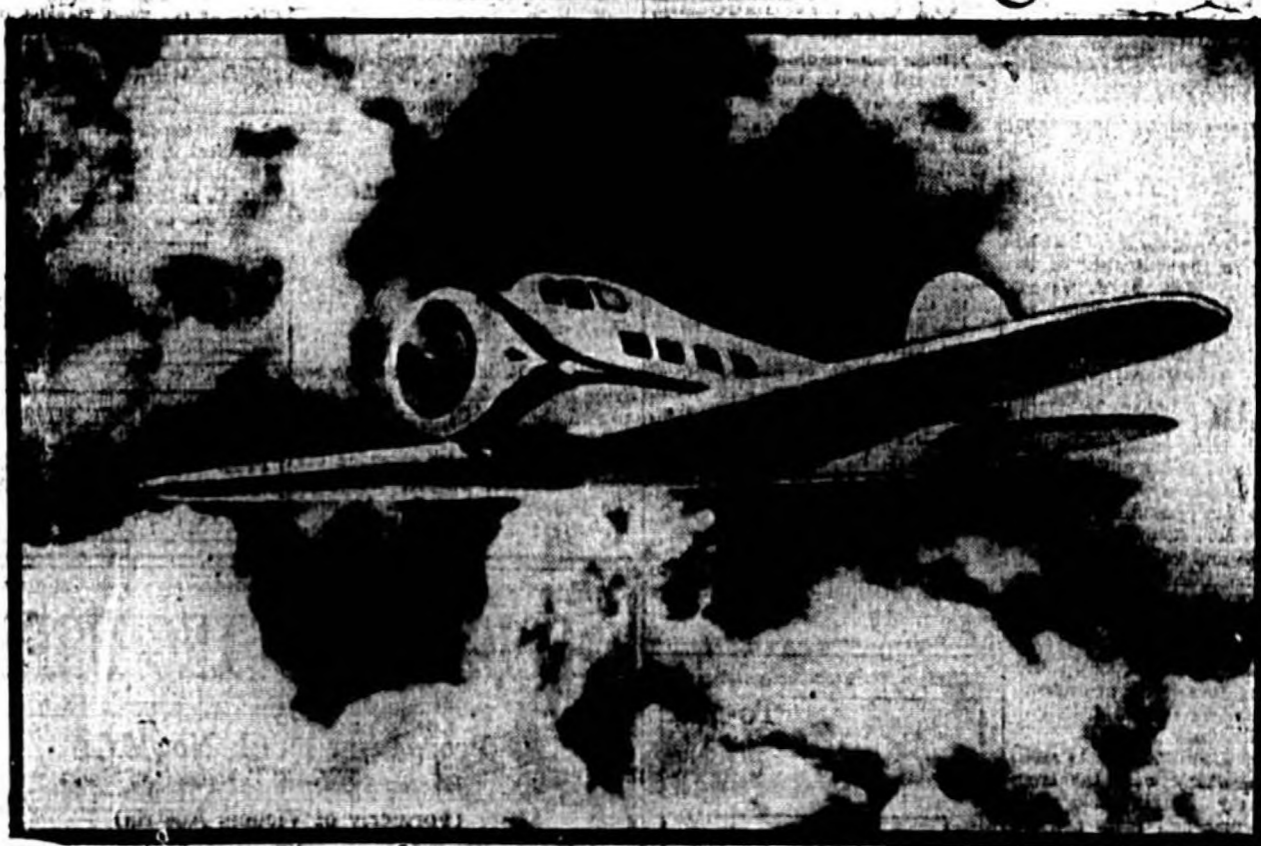

Watch Your Kidneys!

Don't Neglect Kidney and Bladder Irregularities
If bothered with bladder irregularities, getting up at night and nagging backache, heed promptly these symptoms. They may warn of certain disordered kidney or bladder conditions.

For Coughs Too Deep To Risk A Lesser Help

Circulation was made to deal with coughs and colds which hang on. A three-day cough is a danger signal. There the utmost should be done. But a trifling cough may develop into something deep and difficult. Don't you think it wise to use the utmost help, even if a lesser help might do? Cromulson complies seven major helps in one. The seven best helps known to medical science. One is best for one type of cough, one for others. Nobody can tell in advance. So the best way seems to be to combine all in one prescription. Cromulson stands first. Here it is blended, emulsified and tasty. For soothing membranes and combating cold germs, the world knows nothing better. But some coughs best yield to white pine tar, some to wild cherry bark, some to menthol, some to ipecac, etc. So we combine all these factors at their best in a single formula. For some coughs, Cromulson is better than you need. One of its factors might do. But don't you feel safer when a minor cough is treated in the utmost way? If so, get Cromulson. It costs a little more than lesser helps. But your druggist guarantees it. He returns your money if you are disappointed. You will feel safer in any cough if this matter help combats it. Use it promptly.
CROMULSION for Difficult Coughs and Colds

SPEED is thrilling

ACCURACY is Fundamental

Modern systems of communication put a new meaning on the word "speed". Never before have news dispatches moved so rapidly. Newspaper readers profit from faster, more comprehensive reports. THE ASSOCIATED PRESS utilizes these products of inventive genius not only to speed its dispatches. Far more significant are the modern facilities to provide readers of member newspapers with a better report of world happenings. News from once remote points now is handled directly and quickly by capable reporters. Staff writers are transported rapidly to the scenes of important news events for first-hand observation. Each vital angle of important stories is gathered without delay from reliable sources. There is no dependence on round-about, inaccurate reports and rumors. THE ASSOCIATED PRESS dispatches have derived from modern speed a new perfection in accuracy, completeness and reliability.

The Sanford Herald

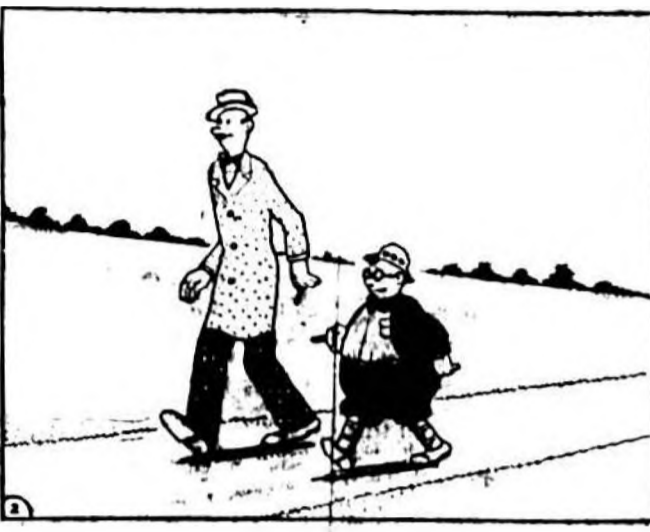

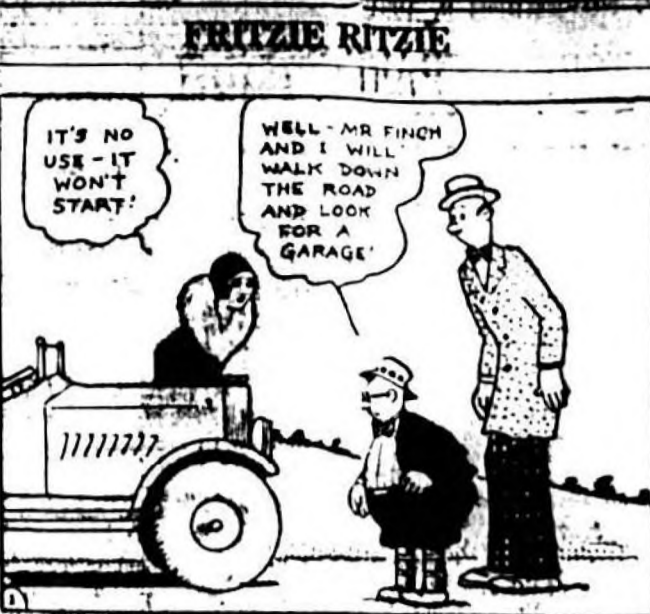

Draiser Concludes Probe Of Kentucky Mining Conditions

(Continued from Page One) ... conditions. "A fight between men of money and civilization. He said he had served a term in the penitentiary because of laws against the laboring man put him there. He urged the miners to take immediate action to get away from starvation and suffering.

The investigation brought out tales of children dying because of improper food, failure of relief agencies to provide wearing apparel for the needy and the necessity for striking miners to beg and borrow to support their families. Charges were made that the law enforcement officials sided with the coal operators in their difficulties with the strikers, statements that workers would revolt from rage by "bombs" as they did in Russia, and allegations that newspapers were suppressing stories giving a picture of true conditions in the coal field.

Corsican Bandit Gangs Aimed At By French Force

(Continued from Page One) ... ing from Mazarilles were under sealed orders. The drive to clean up Corsica is the result of determination by the government to wipe out a sore spot that has existed for more than a century. From their strongholds in the mountains, where local police dared not pursue them, was the custom of bandit gangs to descend upon farmers and tradespeople, levying tribute upon them and sometimes sacking a village if their demands were not obeyed.
