Practically Unlimited Choice of Body and Color is Now Available to Cadillac Buyers

The new line of Cadillac cars offers not only the finest automobiles that Cadillac has ever built - but adds the unprecedented advantages of choice of 50 Body Styles and Types and 500 Color and Upholstery Combinations.

This means that practically every Cadillac buyer can have the particular kind of a car he wants.

Cadillac's success in applying the idea of individualizing the motor car, to its entire production, is certain to result in far reaching changes in the way in which people buy fine cars.

The Cadillac buyer now personally selects the exterior color and the interior upholstery for his car; and he selects the body style and type he wants from among a range of models so great as to assure him complete satisfaction even in minor details.
