Firemen Elect Burke To Post

By MONA GRINDSTEAD
North Orlando firemen have elected Roy Burke as assistant chief and Robert Dean as secretary-treasurer, Ernest Longcore, president of the volunteer organization announced this week.
The department now has 12 active members, Longcore said, with a 15-member quota. When the quota is filled, applications for membership will be placed on a waiting list.
The organization also acts as a recreation commission for North Orlando and when a program is drawn up and the playground completed, members will supervise and maintain the area.
Fire Chief Robert Stephenson and the volunteers have announced that they are available for burning off vacant lots between residential properties and last week burned a field on the west side of Bombay.

WESLEY L. EMERSON

Dream Comes True For Lake Mary Boy

Wesley L. Emerson, 19-year-old son of Mrs. Thelma Emerson of Lake Mary finally had his "wish come true" and now is serving with the Army's Alaskan Command at Anchorage.
Emerson received some little recognition a while back when the Sanford Army Recruiting Officer reported him to be the first enlistee ever to request duty in Alaska. The young army private was born in Seward, Alaska, only 128 miles from his present station, and though he has lived in California, New England and Florida since coming to the Mainland as a small boy, he always has wanted to return to his home land.
Emerson completed eight weeks basic training and eight weeks special automotive training before receiving his present assignment to the Headquarters Company Motor Pool at the Alaskan Base.

Strike Threatened

WASHINGTON (UPI) — Flight engineers threatened today to renew a wildcat strike against six major airlines in a "week or 10 days" unless engineers on Western Airlines are reinstated in their jobs.

Scout Patrol Is Organized

North Orlando members of Girl Scout Troop 336 which is led by Mrs. Nance Russell of Fern Park, last week organized a Patrol at the home of Mrs. J. D. Grinstead.
Barbara Derum, daughter of Mr. and Mrs. Robert Derum, was named to lead the new patrol and one new member, Darlene Anderson, joined the group.
Other members, who have been meeting in Longwood, present at the North Orlando organizational meeting were Patty Harville, Debbie Davis and Cathy Dean.
Mrs. Grinstead reports that

an adult leader is needed for these girls, "at least for the months through July when meetings will adjourn for the summer." If, in October, there are eight active members, a Troop can be formed for the North Orlando area girls.
The weekly meetings on Wednesdays at 4:30 p.m. will be continued at the home of Mrs. Grinstead until a leader can be found, she said. Any adult who can lend assistance in the program may contact her at her home on 41 N. Third St. or by phone. Assisting at last week's meeting was Mrs. Frank Bailey

Legislators Oppose Fund Repeal

State Reps. Mack Cleveland Jr. and Gordon Frederick today said they would not vote for any repeal of a bill requesting the transfer of race track funds from the school board to the county's road revenue fund.

Cleveland, who also serves as county attorney, declared that the county is obligated to assist the school board in paying teacher's salaries. He said that the county commission in 1956 voted to divert the \$50,000 of race track funds,

and the legislature approved that bill in 1957 to assure its permanency.

Frederick said that under no circumstances would he ever favor repeal of the bill. "Those funds are earmarked for the schools and that's where they'll stay", he said.

The commission voted to adopt a resolution asking for the repeal Tuesday, Thursday, the School Board voiced opposition to the proposal and authorized Attorney

Douglas Stenstrom to appear before the commission next Tuesday to withdraw his motion.

Both legislators will leave for Tallahassee Sunday to start the 60 day session next week.

Some 20 local bills will be presented including a drainage levy bill, a combined tax roll for Sanford and the county, staggered terms for Oviedo Councilmen and a new charter for Casselberry.

Legislators today said they favored the new Casselberry charter

because the charter could not go into effect without a referendum by the town people.

The legislators said that the drainage levy bill when it is presented will definitely have a clause for a referendum by the people.

Both also favored the combined tax roll as well as staggered terms for the Oviedo council.

The legislators also felt that the big issues this year once again will be reapportionment, money and taxes.

Jet Explodes Over Carolina

DENTON, N. C. (UPI) — An Air Force B52 jet bomber with eight men aboard apparently exploded in flight Thursday night and crashed in flames near a group of rural farmhouses.

Two of the huge plane's crew of eight were known dead and two of the men survived. The four others were missing and a cold rain and deep mud badly slowed a search for them in wooded farmlands near here today.

An Air Force spokesman said he feared the men may be dead and their bodies buried in a deep, trench-like crater gouged in the sandy clay where the main wreckage of the multi-million dollar plane fell.

The crater, described by witnesses as "big enough to drop a house in," was smoking and flaming more than 13 hours after the crash despite the rain. The wreckage was too hot for rescue workers to search it.

The two survivors parachuted as the plane plunged to earth from high altitude while on an aerial refueling mission. An Air Force K133 tanker plane was in the vicinity but apparently was unaware that the intercontinental bomber from Dow Air Force Base, Maine, was in trouble.

Another parachute was found today, hanging in a tree some nine miles from the scene.

The rains began shortly after the bomber plunged into the rural countryside with a blinding flash of light at 9:20 p.m. Thursday.

The two survivors, one of whom walked seven miles to a farm-

house after his ordeal, were identified as: Maj. Wilbur F. Minnich, 40, the navigator, of Des Plaines, Ill., 1st Lt. Glen Farnham, 26, of Loveland, Colo., the electronics warfare officer. Both are married and each has two children.

The plane, an intercontinental jet on an aerial refueling mission,

carried no nuclear weapons, the Air Force said.

The crash scene was a small patch of woods, sprinkled with farmhouses, just off North Carolina Highway 8, six miles north of Denton. The plane dug a crater 10 feet deep and 100 yards long and set numerous brush fires in the area.

Wreckage was scattered over several acres of farmland owned by Calvin Frank and Newman Luckbill. Frank said the explosion awakened him and, "The whole sky was ablaze when I looked out. It was a hell of an experience."

The giant bomber was reported flying approximately 37,000 feet when the trouble developed.

ALL READY TO START HUNTING EASTER EGGS at the big Jayces sponsored egg hunt in Fort Mellon Park, Sunday at 2 p.m. are twins Donnie and Ronnie Wilber, sons of Mr. and Mrs. Jack Wilber. The hunt is for children one through 10, who must bring their own containers and will be divided into groups according to age. If they find one of the golden eggs they will win a prize, donated by local merchants.

Flood Crests Ravage Plains

By United Press International

Floods in the Midwest and South today threatened a near-record crest in Iowa and a new outbreak of damage in the Gulf states.

Weather created these crises as the Easter weekend began:

Thunderstorms, accompanied by damaging winds, hail and possible tornadoes, hovered over central Alabama and Georgia. The U. S. Weather Bureau predicted the severest onslaught in an area stretching 140 miles north of a line from Evergreen, Ala., to 70 miles southeast of Macon, Ga.

Oklahoma measured 30 inches of new snow in the Panhandle and highway patrolmen closed a road between Guyton and Fort Supply, Okla., reported eight inches of rain in 2 1/2 hours during the night. A tornado ripped through Platteville, Mo., and Gov. Jimmie H. Davis wired President Kennedy for emergency aid for flood-besieged cattlemen in east-central Louisiana.

Cedar Rapids, Iowa's second largest city, braced for a crest on the Cedar River at 18 1/2 feet, inches short of an all-time record set in 1929. Iowa flood damages were set at \$70 million and total homeless soared into the thousands.

Rusk, returning from conferences of the Southeast Asia Treaty Organization (SEATO) in Bangkok and talks with India's Prime Minister Nehru, was to land at noon at Andrews Air Force Base near here.

Peel To Ask For New Trial

FORT PIERCE (UPI) — Joseph A. Peel Jr. will ask for a new trial on his conviction as the employer of the Chillingworth assassins, and an equally dissatisfied prosecution will try to put the ex-judge in the electric chair.

The dapper, 37-year-old Peel was found guilty Thursday on accessory to first degree murder charges by a 12-man jury in the St. Lucie County Circuit Court. But the panel recommended mercy, making a life sentence mandatory.

The former West Palm Beach city judge was convicted of ordering ex-convict Floyd (Lucky) Hulzappel and Negro moonshiner George (Bobby) Lincoln to carry out the 1955 abduction and murder of Circuit Judge and Mrs. C. E. Chillingworth.

Trial Judge D. C. Smith postponed sentencing of Peel pending filing of motions for a new trial on April 14, and further argument of the motions on April 26. Peel was certain to ask for a new trial and had 90 days to appeal the verdict.

"I wasn't a bit satisfied," Peel commented to newsmen as he was being returned to his cell in the county jail adjacent to the musty, stone and stucco courthouse.

Offerings Shared

Lenten Offerings Folded of the Lake Mary Community Presbyterian Church will be collected Sunday and have been designated for The One Great Hour of Sharing, a united sharing of Protestant Christians to send relief to refugees throughout the world.

Dream Car
DETROIT (UPI) — The auto industry introduced three new cars today, including a dream car with only two wheels. The two wheeler is the Gyrone, a delta-shaped car developed by Ford Motor Co. It would have a gyroscope for stability and might be powered by fuel cells instead of a regular engine.

Mass Funeral
CLARKSVILLE, Tenn. (UPI) — Mass funeral services will be held today for 12 members of a single family who died when fire destroyed their rural cabin. Mr. and Mrs. Alex Whitehead, their nine children and the woman's father died in the fire, which authorities believe may have been touched off by lightning.

Mayor Killed
PARIS, France (UPI) — Two bombs believed set by rightwing extremists today killed Mayor Camille Blanc of Evian, the resort city on Lake Geneva where France is to start negotiations with Algerian rebels next Friday. The explosions, 15 seconds apart at 3 a. m., shattered the front of Evian's Hotel Beau Rivage, home of the mayor.

Breather
WASHINGTON (UPI) — Congress took a springtime breather today with President Kennedy's lieutenants generally pleased with action so far on his program. The legislative machinery—which has been churning faster than usual for this time of year—won't crank up again for at least another 10 days. The lawmakers were off on their annual Easter vacation.

Bryant Optimistic Over Senate Reapportionment

TALLAHASSEE (UPI) — Gov. Farris Bryant will go before the new Legislature next week with high hopes of getting the lawmakers to approve a 45-senator reapportionment plan and to revise the state Constitution all within the session's allotted 60 days.

State Rep. Mack Cleveland Jr. was appointed to the rules committee of the House today for the 1961 term of the legislature while Gordon Frederick was named to the appropriations committee.

Cleveland will also serve on the citrus committee.

U. S., Reds Urged To Halt Laos Aid

LONDON (UPI) — Laos "neutralist" ex-Premier Prince Souvannah Phouma called on the United States and Russia today to halt shipments of military aid to opposing forces in his embattled homeland.

Souvannah told a news conference that if the United States would stop shipping arms to the forces of pro-Western Premier Prince Boun Oum he would retract his request for Soviet aid to the Communist rebels.

He solicited Soviet aid late last year, shortly before his government was overthrown by pro-Western forces.

The prince pledged he would not permit Communists to control Laos and said he would be the first to fight them if they tried to take over the country. He said Hanoi and Peking had agreed that Laos should be neutral.

The refugee ex-premier also proposed modification of the U. S.-supported British peace plan for Laos, saying the Canadian-Indian-Polish supervisory commission should be recalled to the jungle kingdom before instead of after a cease-fire.

Longwood Church Hosts Sectional Conquerors Rally

The Longwood First Pentecostal Church was host to the Sectional Pentecostal Conquerors Rally Monday.

Eight ministers and 120 young people and leaders were in attendance with the main address given by Rev. S. E. Brooks of the Daytona Beach Church on "Behold What Manner of Love the Father Hath Bestowed Upon Us."

Groups from Apopka, Orlando and Daytona joined the Longwood members in presenting a program on the theme "Remember Thy Creator." A collection of songs, sermonettes and special musical arrangements was used to further emphasize the theme.

The Conquerors have set as their goal for 1961, a program through which they hope to reach at least 10,000 young people who are not attending a church. Rev. Ruth E. Grant, Longwood pastor, reported.

Elder Springs Church Plans Special Service

Rev. B. H. Griffin of the Elder Springs Baptist Church has announced that his chosen topic for Easter Sunday Morning Worship is to be "The Cross Through The Open Tomb."

In ceremonies immediately following the sermon, the pastoral duties will be turned over to Youth Week Minister, Bill Davis, who will begin his services with the Evening Worship. At this time, too, Griffin reports, all departments and offices of the church will be under direction of the young people.

Another event especially planned for Easter is an Egg Hunt for all children to be held immediately following the morning service.

Catholic Church To Sponsor Dance

The Catholic Church of the Nativity at Lake Mary is sponsoring a Spring Silhouette Dinner-Dance at the Capri Restaurant on April 15 from 8 p. m. to midnight.

R Easter Bonnet

These are the times that try women's souls.

But all the mischief youthful fingers may perform can only fray the nerves and upset the budget.

You can't spoil Easter.

For Easter isn't frills and finery, Easter isn't pride and parading.

Easter is the soul's own life—bright with God's love today—rich with His promises tomorrow.

Its adornment is a world at worship ... souls at one with the risen Christ ... fulfilling the ageless quest for the beauty and joy which cannot perish.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

HOW CHRISTIAN SCIENCE HEALS

WSFR 9:00 SUNDAY 1260 KW A.M.

can you spare 9 minutes to read a message 19 centuries old?

The Sermon on the Mount is for everyone. Anyone who reads it will be happier today. Anyone who carries it in his heart will be happier forever. Read...re-read...and understand its words. No speech ever promised...or delivered...so much.

WHEN he saw the crowds of people he went up on the mountain. There he seated himself, and when his disciples had come up to him, he opened his lips to teach them. And he said:

★ Blessed are those who feel their spiritual need, for the Kingdom of Heaven belongs to them! Blessed are the mourners, for they will be consoled! Blessed are the humble-minded, for they will possess the land! Blessed are those who are hungry and thirsty for uprightness, for they will be satisfied! Blessed are the merciful,

for they will be shown mercy! Blessed are the pure in heart, for they will see God! Blessed are the peacemakers, for they will be called God's sons! Blessed are those who have endured persecution for their uprightness, for the Kingdom of Heaven belongs to them! Blessed are you when people abuse you, and persecute you, and falsely say everything bad of you, on my account. Be glad and exult over it, for you will be richly rewarded in heaven, for that is the way they persecuted the prophets who went before you!

★ You are the salt of the earth! But if salt loses its strength, how can it be made salt again? It is good for nothing but to be thrown away and trodden underfoot. You are the light of the world! A city that is built upon a hill cannot be hidden. People do not light a lamp and put it under a peck-measure; they put it on its stand and it gives light to everyone in the house. Your light must burn in that way among men so that they will see the good you do, and praise your Father in heaven.

★ Do not suppose that I have come to do away with the Law or the Prophets. I have not come to do away with them but to fulfill them. For I tell you, as long as heaven and earth endure, not one dotting of an *i* or crossing of a *t* will be dropped from the Law until it is all observed. Anyone, therefore, who weakens one of the slightest of these commands, and teaches others to do so, will be ranked lowest in the Kingdom of Heaven; but anyone who observes them and teaches others to do so will be ranked high in

the Kingdom of Heaven. For I tell you that unless your uprightness is far superior to that of the scribes and Pharisees, you will never even enter the Kingdom of Heaven!

★ You have heard that men were told "You shall not commit adultery." But I tell you that anyone who stays from his marriage is

thoughts of lust toward another has already committed adultery in his heart. But if your right eye makes you fall, get rid of it, throw it away, for you might better lose one part of your body than have it all thrown into the pit! If your right hand makes you fall, get rid of it, throw it away! For you might better lose one part of your body than have it all go down to the pit!

★ They were told, "Anyone who divorces his wife must give her a certificate of divorce." But I tell you that anyone who divorces his wife on any ground, except unfaithfulness, makes her commit adultery, and anyone who marries her after she is divorced commits adultery.

★ Again, you have heard that the men of old were told, "You shall not swear falsely, but you must fulfill your oaths to the Lord." But I tell you not to swear at all, either by heaven, for it is God's throne, or by the earth, for it is his footstool, or by Jerusalem, for it is the city of the great king. You must not swear by your own head, for you cannot make one single hair white or black. But your way of speaking must be "Yes" or "No." Anything that goes beyond that comes from the evil one.

★ You have heard that the men of old were told "You shall not murder," and "Whoever murders will have to answer to the court." But I tell you that anyone who gets angry with his brother will have to answer to the court, and anyone who speaks contemptuously to his brother will have to answer to the great council, and anyone who says to his brother, "You cursed fool!" will have to answer for it in the fiery pit! So when you are presenting your gift at the altar, if you remember that your brother has any grievance against you, leave your gift right there before the altar and go and make up with your brother; then come back and present your

gift. Be quick and come to terms with your opponent while you are on the way to court with him, or he may hand you over to the judge, and the judge may hand you over to the officer, and you will be thrown into prison. I tell you, you will never get out again until you have paid the last penny!

★ You have heard that they were told, "An eye for an eye and a tooth for a tooth." But I tell you not to resist injury, but if anyone strikes you on your right cheek, turn the other to him too; and if anyone wants to sue you for your shirt, let him have your coat too. And if anyone forces you to go one mile, go two miles with him. If anyone begs from you, give to him, and when anyone wants to borrow from you, do not turn away.

★ You have heard that they were told, "You must love your neighbor and hate your enemy." But I tell you, love your enemies and pray for your persecutors, so that you may show yourselves true sons of your Father in heaven, for he makes his sun rise on bad and good alike, and makes the rain fall on the upright and the wrongdoers. For if you love only those who love you, what reward can you expect? Do not the very tax-collectors do that? And if you are

polite to your brothers and no one else, what is there remarkable in that? Do not the very heathen do that? So you are to be perfect, as your heavenly Father is.

★ But take care not to do your good deeds in public for people to see, for, if you do, you will get no reward from your Father in heaven. So when you are going to give to charity, do not blow a trumpet before yourself, as the hypocrites do, in the places of worship and the streets, to make people praise them. I tell you, that is all the reward they will get! But when you give to charity, your own left hand must not know what your right hand is doing, so that your charity may be secret, and your Father who sees what is secret will reward you.

★ When you pray, you must not be like the hypocrites, for they like to pray standing in the places of worship and in the corners of the squares, to let people see them. I tell you, that is the only reward they will get! But when you pray, go into your own room, and shut the door, and pray to your Father who is unseen, and your Father who sees what is secret will reward you. And when you pray, do not repeat empty phrases as the heathen do, for they imagine that their prayers will be heard if they use words enough. You must not be like them. For God, who is your Father, knows what you need before you ask him. This, therefore, is the way you are to pray:

*'Our Father in heaven,
Your name be revered,
Your kingdom come!
Your will be done on earth
as it is done in heaven!
Give us today bread for the day,
And forgive us our debts,
as we have forgiven our debtors.
And do not subject us to temptation,
But save us from the evil one.'*

For if you forgive others when they offend you, your heavenly Father will forgive you too. But if you do not forgive others when they offend you, your heavenly Father cannot forgive you for your offenses.

★ When you fast, do not put on a gloomy look, like the hypocrites, for they neglect their personal appearance to let people see that they are fasting. I tell you, that is all the reward they will get. But when you fast, perfume your hair and wash your face, so that no one may see that you are fasting, except your Father who is unseen, and your Father who sees what is secret, will reward you.

★ Do not store up your riches on earth, where moths and rust destroy them, and where thieves break in and steal them, but store up your riches in heaven, where moths and rust cannot destroy them, and where thieves cannot break in and

steal them. For wherever your treasure is, your heart will be also. The eye is the lamp of the body. If then your eye is sound, your whole body will be light, but if your eye is unsound, your

whole body will be dark. If, therefore, your very light is darkness, how deep the darkness will be! No slave can belong to two masters, for he will either hate one and love the other, or stand by one and make light of the other. You cannot serve God and money. Therefore, I tell you, do not worry about life, wondering what you will have to eat or drink, or about your body, wondering what you will have to wear. Is not life more important than food, and the body than clothes? Look at the wild birds. They do not sow or reap, or store their food in barns, and yet your heavenly Father feeds them. Are you not of more account than they? But which of you with all his worry can add a single hour to his life? Why should you worry about clothing? See how the wild flowers grow. They do not toil or spin, and yet I tell you, even Solomon in all his splendor was never dressed like one of them. But if God so beautifully dresses the wild grass, which is alive today and is thrown into the furnace tomorrow, will he not much more surely clothe you, you who have so little faith? So do not worry and say, "What shall we have to eat?" or "What shall we have to drink?" or

"What shall we have to wear?" For these are all things the heathen are in pursuit of, and your heavenly Father knows well that you need all this. But you must make his kingdom, and uprightness before him, your greatest care, and you will have all these other things besides. So do not worry about tomorrow, for tomorrow will have worries of its own. Let each day be content with its own ill.

★ Pass no more judgments upon other people, so that you may not have judgment passed upon you. For you will be judged by the standard you judge by, and men will pay you back with the same measure you have used with them. Why do you keep looking at the speck in your brother's eye, and pay no attention to the beam that is in your own? How can you say to your brother, "Just let me get that speck out of your eye," when all the time there is a beam in your own? You hypocrite! First get the beam out of your own eye, and then you can see to get the speck out of your brother's eye.

★ Do not give what is sacred to dogs, and do not throw your pearls before pigs, or they will trample them under their feet and turn and tear you in pieces. Ask, and what you ask will be given you. Search, and you will find what you search for. Knock, and the door will open to you. For it is always the one who asks who receives, and the one who searches who finds, and the one who knocks to whom the door opens. Which of you men when his son asks him for some bread will give him a stone? Or if

he asks for a fish, will he give him a snake? So if you, bad as you are, know enough to give your children what is good, how much more surely will your Father in heaven give what is good to those who ask him for it! Therefore, you must always treat other people as you would like to have them treat you, for this sums up the Law and the Prophets.

★ Go in at the narrow gate. For the road that leads to destruction is broad and spacious, and there are many who go in by it. But the gate is narrow and the road is hard that leads to life, and there are few that find it.

★ Beware of the false prophets, who come to you disguised as sheep but are ravenous wolves underneath. You can tell them by their fruit. Do people pick grapes off thorns, or figs off thistles? Just so any sound tree bears good fruit,

but a poor tree bears bad fruit. No sound tree can bear bad fruit, and no poor tree can bear good fruit. Any tree that does not bear good fruit is cut down and burned. So you can tell them by their fruit. It is not everyone who says to me "Lord! Lord!" who will get into the Kingdom of Heaven, but only those who do the will of my Father in heaven. Many will say to me on that Day, "Lord! Lord! Was it not in your name that we prophesied, and by your name that we drove out demons, and by your name that we did many mighty acts?" Then I will say to them plainly, "I never knew you! Go away from me, you who do wrong!"

★ Everyone, therefore, who listens to this teaching of mine and acts upon it, will be like a sensible man who built his house on rock. And the rain fell, and the rivers rose, and the winds blew, and beat about that house, and it did not go down, for its foundations were on rock. And anyone who listens to this teaching of mine and does not act upon it, will be like a foolish man who built his house on sand. And the rain fell and the rivers rose, and the winds blew and beat about the house, and it went down, and its downfall was complete.

★ When Jesus had finished this discourse, the crowds were astounded at his teaching, for he taught them like one who had authority and not like their scribes.

Absurd Proposal

The County Commission action asking for a repeal of race track funds seems absurd to us at this time. We feel that this is not the time to reduce teachers salaries when around the state teachers' salaries are being increased. Neither do we think the taxpayers of the county should be required to make up these funds should the act be repealed.

The school board has gone on record opposing the repeal of this law because it would mean a decrease in salaries or, an increase in school millage.

Sure, we need better roads—but why take it out of the pockets of teachers, as Douglas Stenstrom said Thursday.

Sun-Struck Pioneers

The lure of the sun country, of areas promising warmer, freer, brighter living, is working a gradual but steady transformation in the population layout of the United States.

Leaving out the Old South and looking just at California, Florida and the "new" states of the Southwest—Arizona, New Mexico, Texas and Oklahoma—we get a portrait of striking change.

Sixty years ago, the 6,200,000 people living in those six states represented barely 8 percent of the total United States population.

Today the six hold 35 million, which means that roughly 1 in every 5 Americans now lives in these areas. All the signs suggest it will soon be 1 in 4.

As in much of the nation, a factor of mounting importance is the increase of births over deaths. But a big element has been the tide of Americans flowing toward warmer climes. Especially in California and Florida, of course, the influx has been immense.

As the nation has been made more compact by television, speed of transport and the like, more and more people have felt the magnetic pull of these places. And the rise in economic levels allows more to pick up and go.

They're drawn by more than the sun. Beckoning also is the prospect of a general betterment of their lot. Some basic things are cheaper. Though this may be an erratic one, in some places job opportunities are better—or at least pleasantly different.

California and Texas, once predominantly agricultural, today are strongly industrial. Even Florida, celebrated as a haven for the retired, is becoming a focus of important light industry.

Said one exuberant Floridian: "It's harder to fall in Florida than to succeed in most places!"

Population experts and social scientists generally expect the flow to the country's warmer zones to go on and on.

Except for huge Alaska, there isn't any real geographic frontier for restless Americans to reach out for today.

So, Americans weary of the rigors of old-fashioned winters and eager to escape the rigidities of the older cities are finding their "frontier" in the sunny regions. And they're much better equipped places for good living than the frontier we used to read about.

Arraignment Set For Bread Firms

JACKSONVILLE (UPI) — Seven bakers accused of conspiring to fix bread prices will be arraigned in Federal Court here April 10.

The arraignment date was released by Attorney Henry M. Stuckey of the U. S. Department of Justice in Washington late Wednesday. Stuckey was one of the lawyers who presented the cases to a grand jury here earlier this year.

Five bakeries, including three of the largest in the nation, are charged with conspiring to fix bread prices on sales to U. S. Naval installations in North Florida and Southeast Georgia.

EASTER OFFERING!

CROSSROADS OF THE WORLD

By William Drury

The hour was sundown and I was sitting on the patio of Walter Osterhage's house, chatting with his wife, Nell. From somewhere inside the house came sounds of Walter concocting cocktails, cackling as he stirred and mixed like some secret, black and midnight hag from Act One, Scene Three of "Macbeth."

Overture, curtain lights. Enter Walter with tray of cocktails.

His was no ordinary entrance. In fact, it was most extraordinary. This gentle giant, who stands six feet, two inches in his magenta socks, actually shambled into our presence after the manner of a chimpanzee with a severe case of backache.

Scooped up into a ball, his nose about four inches from the floor.

The most astonishing thing about him was that, as he scuttled around with his tray, he did not seem the least bit aware of his peculiar posture.

"Bottoms up," he said, raising his glass.

It was a singularly appropriate toast.

Naturally, I was curious to know why he was crouching on the floor like that, but there are certain questions a guest does not ask his host if he wishes to remain within the bounds of courtesy.

I mean, if a fellow chooses to creep around his house scrooching up like Quasimodo, the Hunchback of Notre Dame (Paris, France, not South Bend, Indiana), that is entirely his own affair. Ours not to reason why.

So I kept my tongue still. Like Quasimodo, the Hunchback of Notre Dame (Paris, France, not South Bend, Indiana)?"

"My ears hurt," he said.

Walter's ears often hurt. It has something to do with his height. Walter is allergic to high altitudes, especially his own.

He has discovered that the best cure is to place his head close to the ground. And kept stooped until his ears pop.

He straightened up.

"There," he said, "they popped."

He was aware, he continued, that he must look a trifle odd to people who know nothing of his affliction.

Usually, he drops a coin on the sidewalk, which gives him an excuse to stoop. If his ears do not pop immediately, he pretends to search for the coin until they do.

He used to drop his handkerchief, but one day a lady picked it up and handed it to him with a knowing smile. Walter blushed and ran away as fast as he could.

Bent double, of course.

"She had a face," he explained, "like the back of a truck."

Sometimes, said Walter, it does not pay a man to keep his ears to the ground.

WASHINGTON

by Ed Koterba

WASHINGTON—For days, my ex-G. I. friend kept talking anxiously about buying a house with no down payment and 40 years to pay!

This type of mortgage is part of President Kennedy's veterans' housing proposal now under study in Congress. The plan would allow a former G. I. to take out the 40-year mortgage at 5 1/2 percent interest.

It is designed to give the veteran a break.

My friend had been holding up buying his house until the plan went through. He expects to buy a \$15,000 place.

But last night a neighbor who is in the financing business, dropped by and got to chatting with my ex-G.I. friend.

The upshot is that the veteran now refuses to talk about a no-down-payment 40-year (to-pay) mortgage on his house.

He found that his \$15,000 house would, in the end, cost him \$37,137.60! That's 2 1/2 times its original cost.

The banker figured it out this way: the veteran's monthly payments on the loan would be \$77.37. When you multiply that by 12 months, then by 40 years, you come up with the full total: \$37,137.60.

On the other hand, if the veteran took out a 25-year mortgage under the same circumstances, his monthly payments would run just \$147.5 a month more. Yet his house would cost him about \$9,500 less in the long run.

Good old Uncle Sam and his housing break to veterans . . . Ironically, this is the same Uncle Sam who has handed out more than \$75 billion to foreign nations in less than a decade, with no down payments asked, no interest required, and most likely no need to pay it back. Yet Uncle gives G. I. Joe a break by letting him pay for his house 2 1/2 times over. My ex-G.I. friend as it turns out, is already burdened making payments on his year-old car. My banker-neighbor had asked him: "What interest rate do you pay?"

The former soldier said: "Four and a half percent."

The banker smiled. "You mean," he said, "nine percent." He added: "We deceive you people on short-term loans by charging you actually double . . ."

He explained: "You say you took out a \$1,000 loan at 4 1/2 percent. But what did you actually receive? You received only \$885. The 4 1/2 percent interest for the year—\$45—was held back. Yet you must pay back the full \$1,000, and another \$45."

The old soldier gulped. The banker grinned: You see? Nine percent . . ."

There is in Congress at the present time a bill that would outlaw such deceit in granting loans.

At any rate, my ex-G.I. friend is now a much wiser—but, alas, a much sadder—installment plan victim.

The Mackinac bridge is the longest single suspension span in the world. Towering 352 feet in the air, this engineering masterpiece extends its five-mile length across the waters of the Straights of Mackinac from Mackinaw City to the south to St. Ignace on the north.

THE WORRY CLINIC

by Dr. George Crane

CASE H-447: Sam B., aged 30, is a machinist.

"Dr. Crane, he makes good wages and is a likeable person," his attractive wife smilingly informed me.

"I love him, I admit. He is devoted to me and very thoughtful in most of those ways that the average husband seems to overlook."

"For example, he takes me to shows at least twice per week, and kisses me as if he means it. He constantly compliments my cooking and my clothes, my complexion and hair."

"But he is totally irresponsible as regards money. He makes over \$100 per week, but I have had to get a job in order to keep the wolf from the door."

"Recently you described such a person as having a low financial I. Q. Well, that fits Sam perfectly. He gambles his money away and then begs me for a five spot to last him till pay day. He even pawned my jewelry without my knowledge and I lost that."

"Then he borrowed on his life insurance and now his policies have lapsed. For he never pays back loans. My friends and family have also been 'touched' for sums from \$10 upwards, but he never repays them."

"Without my salary, we couldn't

even have food to eat. But he always promises to change and to save his money. He has such a winning way that I can't stay angry with him long."

"But I don't want to rear children in this kind of an environment."

"Dr. Crane, I think I shall have to make a decision soon, for I simply can't go on much longer, hounded by bill collectors and uncertainty over my next meal."

If this age of keen economic competition, one of the essential marks of a he-man is the ability to bring a regular pay check home to one's family.

A man who is so juvenile that he cannot budget his income and finance his necessary purchases, such as rent, groceries, clothing, etc., should not be accepted as a husband.

Let Sam be a lesson to you giddy girls who think the thrill of a man's kisses is enough guarantee for entering into wedlock with him.

Don't be such a sap! Pick a man who has a trade or profession, for a successful marriage must be based on economic security for yourself and your future babies.

Remember, it isn't enough that a man earn a good wage. No, he must also bring it home and let his wife budget it for the household needs.

The average wife is a better bargain hunter than her husband and can stretch his pay check farther than he can, so the modern American husband gives his pay check to his bride.

She then allots him an allowance each week to cover lunch money, carfare and a few incidentals.

But the typical American husband generously hands the check to the wife and thereby frees himself from the responsibility of having to make ends meet.

I have twice used the phrase "American husband" for there are still many penny-pinching males who feel they cannot hold a wife unless they keep her in total financial subjection.

Send for my bulletin, "How to Operate Your Home on a Budget," enclosing a stamped return envelope, plus 20 cents.

It shows how much to spend on rent, food, clothing, etc.

YOUR POCKETBOOK

By Faye Henle

With jobs scarcer, pay raises smaller, I'll bet many of you are dreaming the great American dream—a business of your own.

What does it take to be the boss? What are the ingredients for success? What are the pitfalls?

I had expected to find that you need money, lots of it, to get into business on your own. This is not necessarily true.

Door-to-door selling, one of the oldest ways of being on your own, is now a \$2.5 billion industry with 15 million participants. It requires no investment on the part of an individual when he handles the products of well-known companies.

The profits can be handsome, ranging from weekly commissions of \$50 for part-timers to \$200 upwards for full-time sellers, according to the National Association of Direct Selling Companies in Winona, Minn.

A cash outlay of \$6,000 to \$8,000, with three years to pay the balance, is needed to put you into one of the newer businesses, coin-operated laundry and dry cleaning establishments. Some 30,000 such installations are now in operation. The amount of money needed to run such an enterprise depends upon what you will have to pay for rent and how many machines you will install in a single store.

According to Jack Coleman, head of Cincinnati's Econ-O-Wash, one can net \$350 to \$400 or more monthly without even working the establishment full-time. Merely get someone to check your shop several times daily, to clean up and report on any machine not in good working order.

On the favorable side of the above businesses is the fact that they can be started on a part-time basis without perhaps disrupting your source of income until certain of success.

If you are striking out on your own, without any other source of income, you will need considerably more capital, not merely for the business itself but for living expenses. You should have savings equal to a minimum of three months' living costs, say the experts.

The most important ingredient

Principal reasons for business failures are:

Lack of knowledge of competitive conditions.

Lack of technical skill such as not knowing how to purchase raw materials or to stock a retail establishment.

Selection of a poor location for your plant or store.

Insufficient capital or credit.

Before you start on your own, experts advise that you know what your exact costs will be for one to two years. Frequently you will have to prepay rent, insurance or goods purchased for several months ahead. You should figure your credit costs and taxes, the wages you may be paying and promotional expenses.

One expert I interviewed warns that published figures on business failures don't show the true story because he says that often an entrepreneur headed for failure will sell out, usually at a considerable loss, before he actually fails.

Battleship Gets Tourists

HOUSTON, Tex. (UPI) — The success of the battleship Texas as a tourist attraction has led other states to consider similar historic enterprises.

Lloyd Gregory, chairman of the Texas Battleship Commission, said representatives from North Carolina and Alaska have asked for information on how the Lone Star State operates its namesake ship.

In a dozen years, more than 3 million visitors have paid to tour the Texas at its berth near the San Jacinto Monument. An annual budget of \$50,000 is available to maintain the ship, which was given to the state by the U. S. Navy.

Vern Law Over Ankle Injury

United Press International
Fans of the World Champion Pittsburgh Pirates can stop worrying—Vern Law is over the ankle injury that hobbled him during the 1960 World Series.

Law, voted the Cy Young Award as the major leagues' top pitcher last year after hanging up a 20-9 record plus two victories over the Yankees in the Series, still had some soreness in his right ankle during the early days of spring training.

DeWitt Takes Over Charge Of Cincinnati

CINCINNATI, Ohio (UPI)—Bill DeWitt, who has been banging around major league front offices since the old St. Louis Browns folded, was given complete charge of the Cincinnati Reds today.

DeWitt, the chief executive officer of the Reds as vice president and general manager, was given full control of the club's operations following a meeting Thursday of the board of trustees of the Crosley Foundation, principal stockholder of the National League baseball team.

The delegation of authority, which means that all decisions concerning the Reds will be handled by DeWitt, was handed down in accordance with the wishes of the late Powel Crosley Jr., who died Tuesday at the age of 74 and was buried Thursday at Spring Grove Cemetery.

Mrs. Stanley Kees, Crosley's daughter, was named president of the Crosley Foundation, which plans to turn all profits of the baseball operation over to charitable, educational and scientific endeavors.

About 200 persons attended the quiet burial service of the Episcopal Church, including Warren Giles, NL president; DeWitt, and Cincinnati Mayor Walton Bachrach.

Narleski Quits Tigers In 'Huff'

LAKELAND (UPI)—The Detroit Tigers, beset by holdout troubles earlier in the spring, faced more trouble today when pitcher Ray Narleski quit the club in a huff over his undetermined status.

The 32-year-old Narleski, who didn't pitch one inning last year because of a ruptured disc, left for his home in Haddonfield, N. J., Thursday night because the Tigers wouldn't tell him whether or not he had made the club.

"I've been down here for seven weeks trying to make this club," Narleski said shortly after a conference with Rick Ferrell, the Tiger's director of player personnel. "They should have a pretty good idea about me, but every time I talk to Ferrell he beats around the bush."

Only Five More SOKC Programs

Only five more racing programs remain this season at the Sanford-Orlando Kennel Club. The season concludes Monday night with the running of the Au Revoir Handicap.

Tonight's featured ninth race has a top-notch field of young and veteran greyhounds who will be out to collect one more feature victory before the season ends.

Biggest winners in the feature field are Gesto and Mickey's Man, each with six victories. The young pups in the race include Jim Brown, Pansy Cross, and Roger Phillips—all two-year-olds. Rounding out the field will be veterans Gesto, Big Clock, Go Speaker, and Big Calhoun.

Gesto, winner of the Derby Consolation race Thursday night, will probably be the early favorite at post time along with Go Speaker who also ran in the Consolation.

Matinee and night races are slated for Saturday and a special matinee program will be held Monday before the Au Revoir Handicap Monday night.

Champ To Testify On Fight Judge

WASHINGTON (UPI)—Jack Dempsey and Floyd Patterson are expected to be among the past and present ring champions who will testify at Senate hearings on legislation to create a federal boxing judge.

Sen. Estes Kefauver (D-Tenn.), chairman of the Senate anti-trust and monopoly subcommittee, said public hearings tentatively are set to open early in May.

Trabert Sick

PARIS (UPI)—Tony Trabert, professional tennis star from Cincinnati, Ohio, is in the American Hospital in Paris today with a "touch of pneumonia." Hospital authorities said Trabert should recover in time to play in Jack Kramer's tour at Dakar, Senegal, starting April 8.

Foulk Honored For Winning Women's Golf Tournament

The champion of the Sanford Women's Golf Association is tanned, blond Jeannie Foulk, a top flight golfer on anybody's course. She battled down to the last hole with runner-up veteran Augie Russell, in a very close race.

Mrs. Foulk was awarded the silver wine-cooler trophy by Robert Bauman of the Sanford Atlantic National Bank, which sponsored the championship tournament, at the awards luncheon held Wednesday at the clubhouse.

The other prizes which are to be awarded to the other winners sparkled in gleaming silver on a velvet draped table in the clubhouse.

First flight winner was Barbara Rowell, with Helen Carraway, the runner-up.

Championship Consolation winner was Hazel Durso and First Flight Consolation winner was Frances Phillips.

The second flight winner was Ruth Herron with Harriet Williams the runner-up, and the second flight consolation was won by Marg O'Hearn.

Jimmie Livingston took the third flight, with Blanche Nicely in second and Jane McKibbin winning the consolation.

Fourth Flight was won by Joy Thomson, with Doris Spencer runner-up and Syd Schirard taking the consolation prize.

Jeanne Foulk, Frances Phillips and Hazel Durso will enter the competition in the State Tournament in Gainesville April 17th.

Johnson Hurls Seminoles To 1st Win Of Season With Three Hitter

The Sanford baseballers won their first game of the season behind the solid three hit pitching of Bobby Johnson and the slug-

ing bats of Steve Barnes and George Ragan.

Sanford won 1-0 over Lakeview here, scoring their only run in the bottom of the sixth frame.

With two out, Barnes doubled and Ragan promptly drove him home with a line single.

Johnson kept the Lakeview batters at bay throughout the complete seven inning ball game.

The next game for the locals will be Tuesday against Apopka.

MANILA (UPI)—Either Solomon Boysaw of Cleveland or Graclux Lamperti of France is next in line for Gabriel (Flash) Elorde's NBA Junior lightweight title, according to Lope Sarrell, the Filipino champion's manager.

Famed Trainer Facing Dope Rap

NEW YORK (UPI)—Hirsch Jacobs, who has saddled more winners than any trainer in the history of American horse racing, today faced a possible doping charge.

The 56-year-old trainer admitted Thursday night he has been questioned by New York racing authorities because Keep Ideals, a filly trained by Jacobs, failed to pass a saliva test after winning the second race at Aqueduct March 23.

The saliva analysis reportedly showed traces of coramine, a stimulant, in Keep Ideals after her winning race but Jacobs denied knowledge of the doping.

"I've never had any coramine around my stable," Jacobs said. However, he is being investigated by the state Racing Commission because, under its rules, a trainer is held responsible for the conduct and well being of his horse.

SANFORD IS A FAR cry from Fort Lauderdale, but the city has a bevy of local collegians returning home for the Easter holidays which began this week for hundreds of colleges all over the country.

Among those who are visiting family and friends here is Sandra McKinney, who is a student at Penn Hall Junior College in Chambersburg, Pa.

Frances Strickland will be home from Wesleyan in Macon, Ga., and Kay Ivey will fly in from Stevens in Columbia, Mo. Another girl with a long way to go, who will fly home for the holidays is Jeanne Southward from Virginia Intermont in Bristol, Va.

From the University of Florida, some of the boys who will be in town are Cliff McKibbin, Bill Kirchhoff, Steve Powell and Ronnie Lindsay.

Florida Southern at Lakeland will be minus Sanfordites Marty Stemper, Sherlene Shepard, Lynn Jackson and Diana Haynes. Dottie McAlexander is taking advantage of the Bahamas cruise made available to the university students and will spend her vacation in Nassau.

Football players Bill Tyre, Dave Stanley, Terry Christensen and Ray Lundquist will be home from FSU, along with other Sanford students, Valerie Kirchhoff, Nancy Cash, George Harriett, Doug Miller, Edith Hanson and Vil Barks.

Some students who have already been home on spring vacations are Janet Glenn from Purdue; Faye Garner and Jane Osborne from Mercer and Sally Williams and Marilyn McDaniels from Agnes Scott.

Many other Sanford young people who have departed the old home town for the college campuses will be returning for a brief breathing spell, before tackling the last two months of school. It is welcome also to the local high school and elementary children and teachers.

A HIGHLY AMUSING incident occurred at the Easter Lily Ball last week and is sure to entertain those of you who have not already heard it from someone who was there.

While the magician was presenting his act, some gentleman in the audience interrupted him as he was demonstrating a trick.

"Any more of that, and someone gets shot!" barked Mr. Magic, with mock ferocity and whipping out a toy cap pistol, he fired several shots in the direction of the heckler.

An unsuspecting waiter, standing near, gave a startled jump as the shots rang out and down went the glasses of drinks on the tray, in perfect union with the shots, crash! crash! crash!

The audience was convulsed with laughter, while the poor waiter stared in chagrin at his empty tray, still not quite sure what had happened!

Unfortunately, the nearest customer was nearly drowned in the deluge and other waters hurried

Dear Abby:

By Abigail Van Buren

DEAR ABBY: I need help with an important decision. I am 44, have never been married and can give a woman a first-class home with no money worries. I have been seeing a good-looking divorcee of 46. She has a 12-year-old daughter who is spoiled, moody and hard to handle. This woman claims she loves me and wants to marry me. She knows her daughter resents me but she's offered to send the girl to live with her grandmother during the week and we will keep her on the weekends. I don't think I could stand her on weekends, but I do want to marry this woman. What do you think of this deal? **WAITING**

DEAR WAITING: This woman appears to be looking for a "deal" for herself. She has offered to shift the responsibility of raising her daughter to the child's grandmother. In my opinion, a woman who treats her own daughter this way would probably treat her husband worse. Wait a little longer.

DEAR ABBY: We have on our farm a cow that hates women. This is a beautiful cow with soft brown eyes and a gentle manner, but she won't let a woman come within thirty feet of her. She is very friendly to men whether she has seen them before or not. When we have company, we have to warn all the women about her. Is there an explanation for this? Maybe one of your readers who knows about farm animals can explain it to me and help me out. **FARMER**

DEAR FARMER: Perhaps a local veterinarian can psycho-analyze her for you. In the meantime, I will print your letter and milk my readers for any in-

formation I can get about psy-cow-logy. (Forgive me? I couldn't resist it.)

DEAR ABBY: Have you or any of your readers ever heard that it was bad luck to be married on an odd-numbered date such as the 5th, 7th or 9th? My daughter plans to be married September 9th, and my mother is all up in the air about it. She says we should change the date to an even number or we'll have bad luck.

The date is set and the church is spoken for. I wonder if we should go to all that trouble to change the date and all the arrangements just because of what my mother says? **MRS. M.**

DEAR MRS. M.: Stick to the date you originally selected. I have never heard of the superstition about odd-numbered wedding dates—but I HAVE heard of one about changing the wedding date once it's set.

CONFIDENTIAL TO "MODERN MOTHER": Granted, your daughter CAN be trusted, but why place such temptations in the path of a healthy, lovely 18-year-old girl? She has no business on an overnight ski trip with her "steady"—unchaperoned.

Yes, Abby will answer your letter personally if you write to **ABBY**, Box 8365, Beverly Hills, Calif., and enclose a stamped, self-addressed envelope.

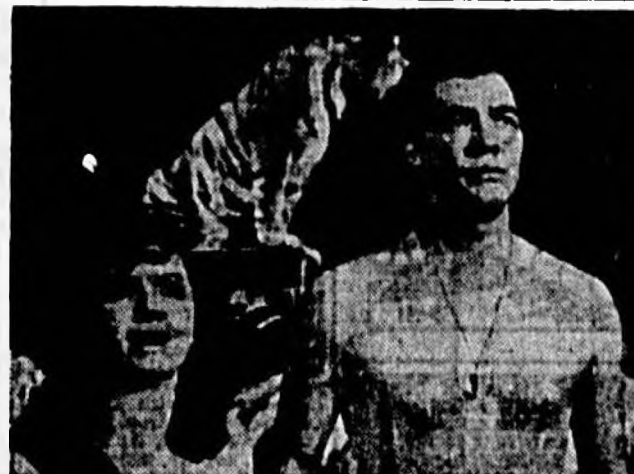

For Abby's pamphlet, "What Teenagers Want To Know," send 25 cents and a long, self-addressed, stamped envelope to **ABBY**, Box 8365, Beverly Hills, Calif.

CLARK GABLE stars in "The Misfits" coming to the Movieland Drive-In Sunday.

'The Misfits' At Drive-In Sunday

The finest creative talents in the world of entertainment were brought together for the production of "The Misfits," the new film scheduled to open at the Movieland Drive-In Sunday. The picture stars Clark Gable, Marilyn Monroe and Montgomery Clift, with Thelma Ritter and Eli Wallach co-starring. The screenplay for "The Misfits," a Seven Arts Production, is the first written by Pulitzer Prize-winner Arthur Miller, one of America's foremost contemporary playwrights, whose fame and reputation is world-wide. The other feature on the program, will be "The Battle of Outer Space." Both films will play through Tuesday. "The Wayward Bus" with Jayne Mansfield and "The Last Wagon" with Richard Widmark will play Wednesday and Thursday. "The Sundowners" with Robert Mitchum and "Three Worlds of Gulliver" will play.

HERE IS a scene from "Hippodrome" coming to the Ritz Theatre next Thursday. Now playing at the Ritz is "The Absent-Minded Professor."

\$235,000 Of Loot Remains Missing

TAMPA (UPI)—Tampa police said today that \$235,000 in cash was still missing from last December's theft of \$421,061 in cash and checks from the vault of the Ransdale Armored Car Service. Officers said the amount of cash stolen had been set at \$311,128, or about 30 per cent higher than had been announced previously. The theft occurred last Dec. 27 when thieves, operating with stop-watch precision, took 10 money bags from the vault in six minutes and set the time lock so the vault would not open on time. Two men, Jose Lino Alvarez of Tampa and Hubert V. Jordan of Jacksonville, are awaiting trial in the case. FBI agents said about \$10,000 was recovered when Alvarez was arrested. And about \$60,000 when Jordan was apprehended in Mexico. Joseph Santolucito, special agent in charge of the FBI office here, said there were no new developments in the case.

We The Women:

By Ruth Millet

It was bound to happen, sooner or later. In case you missed the news item: In England, a husband picked up two bottles of pills at his pharmacy. One was for him; a pill he built him up because he was underweight. The other pills were for his wife, who needed help in shedding some excess pounds.

On the way home, he got the bottles mixed. For three weeks, his wife ate more and more while he ate less and less. The error was finally discovered but only after he'd lost pounds and his too-

plump wife had put on all or more than he took off. Sad? Sure. But it really was inevitable, with all the pills we take today. Some people take pills to go to sleep and some take pills to keep awake. Some take pills to keep from being ear, sea, or air sick. Some to keep from having hangovers. Some take pills to tranquilize themselves in order to face each day's demands without going into hysterics, others to pep them up enough to save how they meet each day.

It has gotten so that there seems to be a pill for everything. If you can't take it—take a pill. The pill is to modern life what grit and determination were to our ancestors.

It makes everything easy, perhaps too easy. Maybe it takes a mix-up like the one that happened to the English couple to make us realize just how dependent we have come to be on swallowing pills for whatever we think ails us.

There are ample doses of good sense in Ruth Millet's "Happier Wives (Hints for husbands)." Just send 25 cents to Ruth Millet Reader Service, c/o (Name Paper) P. O. Box 486, Dept. A, Radio City Station, New York 16, N. Y.

New Negro Development Now Under Construction

A new subdivision in Sanford, established exclusively for Negro homeowners is under construction west of the city near the intersection of McCracken Road and Grapeville Ave.

Featuring three bedroom homes with bath, spacious living room, dining room and kitchen, plus utility rooms, two models will be open Sunday for inspection at the grand opening.

Principal builders of the new home development are Morris Kerr, his son, Philip Kerr, and Sumner Aronson, who have constructed homes in other Florida locations at Pinar, Longdale and Lake Harriet.

The sales manager for the new development is R. J. Boynton of Sanford. Offices of the firm are located on the property.

The formal opening will take place on Saturday, with local dignitaries on hand to do the honors, including the FIA representative from the Orlando office.

The developers recently purchased the former farmland here, as they felt that there was a demand for this type of dwelling in the area. Located just inside the city limits, the subdivision will be equipped with city water, sewer, paved streets, street lights and other city conveniences.

Constructed under FHA regulations, the homes conform to all requirements and are advertised at less than \$60 per month. The addition of range, refrigerator and washer is optional and can be installed for a few dollars more per month.

Fifteen homes have already been sold in advance and it is expected that 300 will be constructed on the property, at varying elevations, from the available models.

Jaycees Hear About 'Those Flying Objects'

"The moon is less than 240,000 miles from earth, and as yet we do not even know what is up there."

Rene J. Buford, of St. Dora, who has made a serious study of reports on Unidentified Flying Objects, emphasized to the Jaycees at their meeting Thursday that he does not consider himself an expert, but he has compiled a lot of convincing data on the mysterious subject.

Pointing out that our knowledge of the nearest celestial body, the moon, is very meager, and that there are over one billion stars in our galaxy alone, Buford said that it is stubborn and egotistical of earthmen to insist that there cannot be a possibility of life on another planet.

Recent scientific discoveries have shown that conditions favorable to life may well be present on at least one of the countless millions of stars and planets in the universe, said Buford.

Down through the centuries, Buford said, every new invention and radical theory has been stubbornly opposed, ridiculed, and those who advanced them subject to scorn, derision and persecution. Once man believed that it was not possible for a heavier than air craft to fly, and it was said that it was not possible to transmit a voice or sound over wires or through the air. Electricity was one of the most unbelievable of inventions, though now it is taken for granted.

In his spell-binding talk, Buford documented several authenticated reports of sightings and contacts with space ships and even with space people, and exhibited photographs made by reputable photographers, many made by scientific expeditions or military outpost observers.

Unidentified flying objects have been sighted and reported from every country in the world and though the recent publicity began about 1947, reports dating back to the 12th century have been discovered.

Official military sources, said Buford, have concluded that, "Un-

known flying objects, coming into our atmosphere, apparently are intelligently directed, and are propelled by forces unknown to us at this time." Furthermore, Buford said that human beings, not of this planet are at present living all over the country, but especially in the mountains and deserts of the Western part of the country.

Prior to Buford's talk, he introduced his son and his granddaughter, Diane Defore, who has been an exchange student at Baden

Switzerland, near Zurich. Diane in turn, introduced Miss Ursula Gretner, a young lady from Switzerland, in whose home Diane had lived, who is now an exchange student in the United States.

"This has been a wonderful experience for me," said the blonde, blue-eyed Miss Gretner, "and I will be so sorry to have to leave, for I have wanted to come to the United States for a long time."

"I believe that there is no better way to promote, friendship and understanding than through the exchange program," she said.

THE CHURCH of God of Prophecy received a check from A. B. Sikes at the Wednesday evening service in memory of his loving wife, Magnolia, who died last year. Rev. Robert Strickland Jr., says that the \$750 will allow the church to begin negotiations for a strip of property which at the present time divides the church land holdings.

Easter Mass At Longwood To Be Annual Event

Easter Midnight Mass, an age-old religious custom, this year will be observed by the parish of Christ Church Episcopal, Longwood, and will be included as an annual event, from this time on, by the church.

Rev. M. Jarvis IV, vicar, in announcing the service for the Holy Week schedule, included the following statements:

"It may strike you as odd to have a midnight Mass of Easter. Actually, however, this is a much older practice than that of the Midnight Mass of Christmas. The early Christians often spent all night in the church on Holy Saturday, leaving after a celebration at dawn.

"The ceremonies begin with the Blessing and Lighting of the 'Paschal Candle,' a large candle placed in the Sanctuary, which symbolizes Christ, the Light of the World. This candle will burn at all services until the Feast of the Ascension when our Lord ascended to the right hand of The Father. This commemorates the forty days in which our Lord remained on earth in His Risen and glorified Body, appearing to the Apostles and instructing them.

"The Baptismal Font also is blessed at this time. Just as Christ died and rose again, so we die and rise to a new life as Christians in baptism. It is fitting, therefore, that the Font should be blessed at Easter."

The Mass has been announced for 11:30 p. m.

Lutheran Sermons Chosen For Easter

Rev. Herbert W. Goerss, pastor of the Lutheran Church of the Redeemer, will speak on "Why Are You Crying?" at the 8 a. m. service on Easter Day and at 10:30 a. m. The sermon topic will be "The Excited Crowd."

Special music marking the Easter Celebration will include the victory songs, "I Know That My Redeemer Lives," by George Daniels for the early service and at the main service, the Senior Choir has chosen the anthem "Open the Gates."

Joined by the Junior Choir, the senior members also will sing "Jesus Christ is Risen Today" and "Christ the Lord is Risen Today" for which the juniors will intone.

Choir To Present Annual Service In Lake Mary

An Easter Candlelight Vesper Service will be held at the Lake Mary Community Presbyterian Church today at 7:30 p. m.

The story and meaning of Easter will be told in song by the choir of the Lake Mary Church and of the Upsala Church under the direction of Robert Mero.

Beginning with Jesus' teaching of the disciples, musical selections will tell of events leading in the crucifixion and the entombment, the resurrection and the joyous proof of the everlasting God and King.

Residents of the community and surrounding areas are invited to attend this annual service.

Holy Cross Sets Easter Service

The Holy Cross Episcopal Church of Sanford has announced Easter Even Services beginning with Morning Prayer at 7:30 a. m. with Fr. John Griffith officiating.

Fr. John W. Thomas will preside at confessions at 5 p. m. and at baptismal services at 7:30 p. m.

At 8 p. m., ceremonies of the Kindly and Blessing of the New Fire and Lighting and Blessing of the Paschal Candle will be conducted.

Dedication Set For Addition

The First Pentecostal Church of Longwood will dedicate a new addition to the church at Sunday morning services.

A program of Resurrection Hymns has been prepared by the junior and senior choirs for the special occasion and Rev. Ruth E. Grant, pastor of the church, will speak on "Who Will Roll the Stone Away."

New Scout Patrol Gets Eighth Girl

North Orlando's Patrol of Girl Scout Troop 338 Thursday received the eighth member when Martha Dean joined the girls meeting at the home of Mrs. J. D. Grinstead.

This will allow a Troop to be organized in the community when fall meetings open next October.

Mrs. Nancy Russell, Troop 338 leader, was present and spoke briefly to the scouts before the meeting began. Barbara Derum, patrol leader, conducted the business session at which Debbie Davis was elected secretary. The girls also discussed plans for earning additional merit badges and decided to write, direct and produce a play to be presented before a group in the community. All members are to bring ideas for this project to next Thursday's meeting.

North Orlando women assisting Mrs. Grinstead were Mrs. Robert Dean and Mrs. Frank Bailey.
