Property Damage Said Over \$1,000 In Auto Collision

Two were injured and property damage was estimated at over \$1,000 following a collision of two cars at the intersection of Boardall and Geneva Aves. late yesterday afternoon.

Harry Bolk, 64, and his wife Esther, 58, were injured. They were taken to Fernald Laughton Memorial Hospital where it was determined that Bolk had received contusions and abrasions of the head and to the left shoulder. Mrs. Bolk received multiple lacerations of the face and head and a possible back injury.

Bolk, driving a 1954 Plymouth sedan, was apparently turning west into Geneva Ave. when he crashed head-on into a 1951 Buick Sedan driven by Mrs. Bobby Goodson Braddy, 25, of Geneva, who was traveling east on Geneva Ave. Mrs. Braddy was accompanied by her three children 1 1/2, 8 and 6 years old.

Neither Mrs. Braddy nor her children were injured. Florida Highway Patrol Trooper T. Mark Mack, investigating the accident, said that damage to the Buick would come to approximately \$400, while damage to the Plymouth was estimated at \$600. The accident occurred shortly before 5 o'clock.

A Sanford student is among the 18 that have been selected "Outstanding Seniors" by the Stetson University student body. They will be featured in the 1956 yearbook, The Water.

Miss Caroline McInnis was the Sanford student in the group chosen. Others named in the 16 were Burton Holmes, DeLand; Sue Reynolds, Daytona Beach; Martin Stephens, Umatilla; Ralph Chandler, DeFuniak Springs; H. Malcolm, Tampa; Chuck Sands, Miami; Joanne Motes and Sue Ferrell, Palatka; Wayne Chastain, Bobby Crumpton, and Morris Fox, Orange, N. C.; Harold McNeill, Sanford, N. C.; and Han Chang, Tokyo, Japan.

Area Nurses Asked To Attend Seminar On Cancer Jan. 20

Registered and practical nurses in the Central Florida area are invited to attend a Cancer Seminar, scheduled for Jan. 20 at the Hillsborough County courthouse in Tampa. This meeting is one of a series of statewide seminars for nurses, in which latest methods in the care and treatment of cancer patients will be described. There will be no registration fee.

Time Change Told

The Seminole County Children's Committee will meet at the School Administration Building on Commercial Ave. tomorrow at 4 p. m. instead of 3 o'clock as previously stated. All members are urged to attend this important meeting.

National, State Heads Attend Cancer Session

A precedent setting group attended the Educational meeting of the six-county District Eight, Florida Division of the American Cancer Society, at the Mayfair Inn yesterday.

The Seminole County Chapter of the American Cancer Society was host for the occasion which drew both national and State officials of the organization here.

Walter James, National Field Representative of the American Cancer Society, with headquarters in New York City, said, "Our objective here is to educate the public and certainly a meeting of this type provides community leaders an opportunity to get together and work cooperatively to gain those objectives."

L. H. Peterson, executive vice president of the Florida Division of the American Cancer Society, of Tampa, said, "I am certainly gratified with the turnout and wonderful attention. I want to thank those who made this meeting possible. Interest in our society and in the problems confronting us is picking up—the public is growing more aware of what we are doing."

At a luncheon following morning sessions of various groups of the organization, Mrs. Julius Dingfelder, president of the Seminole County Unit of the American Cancer Society told the group of more than 125 that, "We are extremely proud to have you meet with us. You will create attention and interest in our organization here."

Mayor F. D. Scott, representing the City of Sanford and Forrest Breckinridge, manager of the Seminole County Chamber of Commerce, welcomed the county group to Sanford.

Volis A. Williams Jr., Assistant State's Attorney, principal speaker at the luncheon meeting, said, "Our desire to elect, we overlook some things that are more important than money."

"It disgusts me," he said, "that we are financially able to provide funds for hog cholera shots, spreading decline, and other requests and yet we do not have funds to provide housing for some 600 children in our mental and rehabilitating organizations of the State."

Speaking on the subject "The Part Volunteers have played in our history," Williams said "What advance has our society made without making some offering for service on their own free will. Yet the capture of the Brink's holdup is more important nationwide than the discovery of the Salk polio vaccine. He added, "Aren't we fortunate to have among us those who will make some lasting contribution of service to society."

"One of these days some doctor doing research will make a discovery as equal to that of the Salk Polio Vaccine," he said.

Mrs. Dingfelder paid tribute to those organizations and individuals who helped make the districtwide meeting possible.

Beginning at 2 o'clock and continuing through the afternoon, meetings and discussions of the various problems confronting local units were held.

Mrs. C. F. Bard Services Are Today

Mrs. Catherine Frye Bard, 78, died Jan. 12 at 2 a. m. at her home on West First St. Born Aug. 3, 1877 in Newton, N. C., she had lived in Sanford for approximately 12 years.

Bicycle Safety Planned

A Bicycle Safety Club will be formed in Sanford Saturday morning, according to Mrs. Frances Murray, chairman of the safety committee at Southside School.

This is a countywide effort, said Mrs. Murray, and we are hoping that a big percentage of bicycles will be registered during the inspection and registration that will take place next Saturday morning.

Mrs. Murray will be assisted by Police Chief Roy G. Williams, and officers of the Sanford Police Department in giving safety tests to youngsters who attend the initial meeting of the organization.

This is primarily a safety step, Mrs. Murray said, but it will be coordinated with the citywide recreation program and many big events are being planned for the spring and summer months. Weiner roasts, bicycle treks, and other entertainment features are being planned now for the organization of young bicycle riders.

When the bicycle riders receive their tests, the bicycle itself will be registered and the owner issued a tag.

The event will take place at 10 o'clock next Saturday morning in Fort Mellon Park just to the rear of the Chamber of Commerce Building, said Mrs. Murray.

Cost of the tag when registered will be 50c, Mrs. Murray said. And she added, "It isn't compulsory that the bicycles be registered, but it is much safer since the serial number and owner of the bicycle will be recorded at the City Hall for future reference."

The organization isn't meant to buy fancy gadgets for bicycles, emphasized Mrs. Murray, but is meant to make bicycles safer to ride at all times.

Also assisting in the event will be Bob Karns, local insurance agency owner, Sidney Vihlen, W. W. Tyre, and Ed Christensen, director of the Citywide recreation program.

Foreign Policy May Appear In Drive

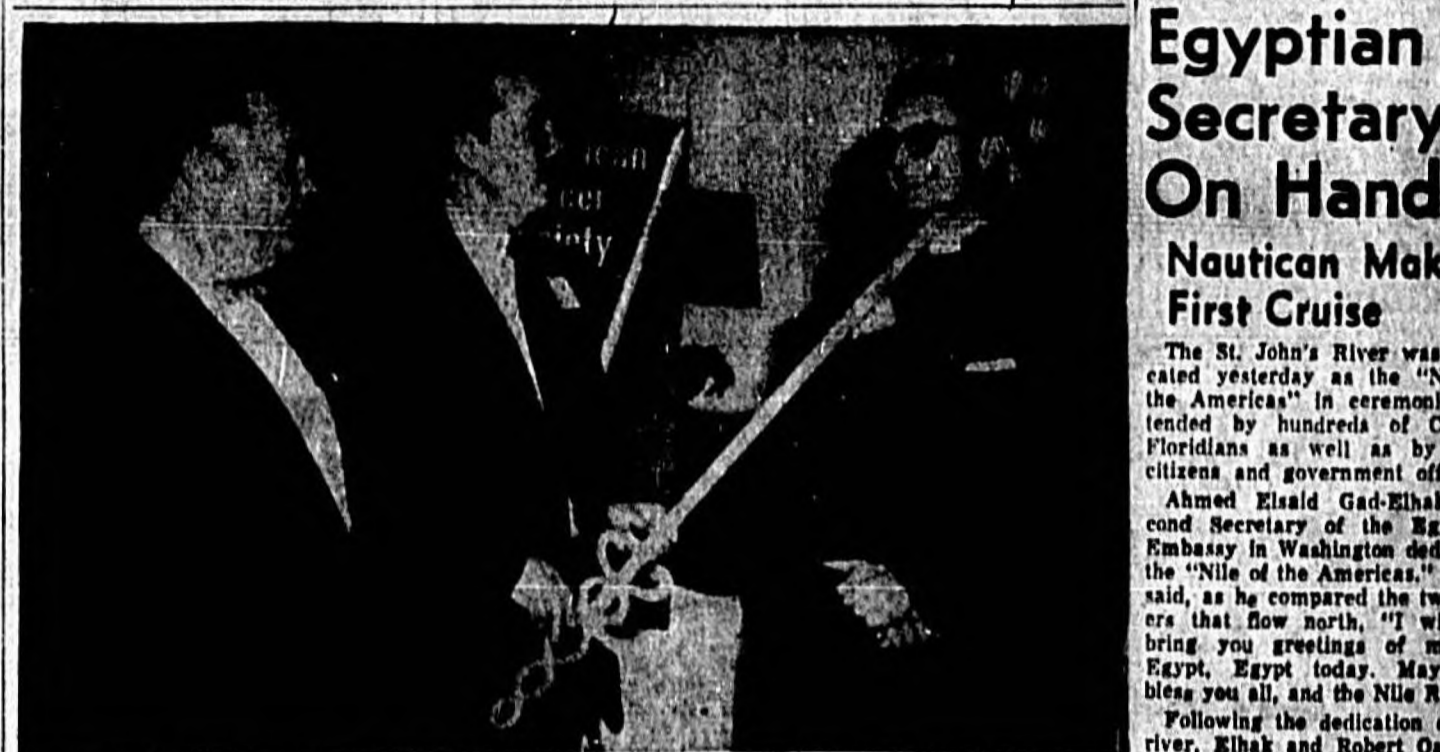

WASHINGTON — Foreign policy appeared today to be assuming such proportions as a political issue that Secretary of State Dulles may be induced to take to the campaign stump.

He said he has no present intentions of making presidential campaign speeches, but he may change his mind in the light of a furor over his latest defense of the administration's handling of foreign affairs.

A Life magazine article last week quoted him as having said the nation has looked war in the face in Asia three times and avoided it.

Dulles was roundly criticized by a number of Democrats and by some British newspapers for his quoted statement that "the ability to get to the verge without getting into war is the necessary art."

Residents Warned To Take Precaution In Burning Trash

District Forester Harold Mikell of the Florida Forest Service today stated that due to the increased number of wildfires in Seminole County, he has notified the County Ranger in charge of the Fire Control Unit in Seminole County to clamp down on the county's wildfire violations.

Under the State Forest Fire Law, the careless violation is a misdemeanor, punishable by a fine of up to \$200 and/or a county prison term of up to three months. Careless woods-burners are also liable for suppression costs, and they may be sued for damages caused by their fires.

Mikell said, "Since the first of January, Seminole County has had 14 wildfires, burning some 207 acres of valuable timberland. The majority of these fires are being caused by people who do not take adequate precautions in burning trash. In addition to this carelessness, the grass and woods are tinder dry due to the numerous frosts and lack of rainfall."

"Please do not burn your trash until we have had sufficient rainfall to protect yourself and your neighbor's property from a disastrous wildfire. You, the person who starts the trash fire, are responsible if the fire gets away. It will be your responsibility to pay the suppression costs of a careless woods fire," Mikell concluded.

Two Houses Burn, Child Dies In Fire

A Mazing inferno destroyed two frame houses in Goldsboro this morning, killing a 5-month-old negro baby left on a bed in the front room where the fire started.

Cathy Edwards, 8-month-old daughter of Ernest and Nellie Mae Edwards, who lived at 1715 West 18th St. was burned to death in the blaze that her mother could not reach because of the heat.

A strong east wind, blowing across the area this morning fanned the blaze harder as fire came near destroying an entire line of homes owned by Willie Bailey.

Two of the houses were completely destroyed before firemen could bring a hose line from 15th St. to the scene of the fire.

More than 1,000 feet of hose was brought to the scene from inside the city limits to finally bring the blaze under control.

Nellie Mae Edwards, whose husband works at Sherman Concrete Pipe Co., said she was in the yard washing when several of her children ran out to tell her an old stove was smoking. She attempted to run into the house but was met by a wall of flames caused by the exploding stove.

The body of the infant was found on the remains of a bed burned to ashes in the front room of the four-room frame structure.

There are five children in the Edwards family other than the child who was burned to death. Power lines were burned from the burning homes and lay in the street burning until firemen from Florida Power and Light Company could reach the scene and cut the line.

Flames from the two burning homes were so hot that firemen could not come within striking distance of the home with the auxiliary tanks that at first furnished the water.

It was the second fire of the morning and firemen had to be sent from the scene of one blaze to the other. At the time of the fire on 18th St. firemen were fighting a blaze that destroyed a kitchen at 1101 Hickory Ave.

Phillips Announces Additional Homes To Be Built Here

Wellborn C. Phillips Jr., today announced the starting of construction of 42 additional new homes in Sanford and Seminole County. Fifteen will be in Little Venice, one in Franklin Terrace, one in Dreamworld, 24 in Ravenna Park, and five in Tanglwood.

The 42 homes will all be completed in January and February of 1956. The total of sales prices is \$325,000, all of which Phillips termed "new investment money for Sanford from northern insurance companies and savings banks which will be a great stimulant to business and employment in Sanford and nearby Seminole County communities."

In making the announcement today, Phillips said all of the subcontracting and a large amount of materials, as well as such services as banking and insurance, will be provided by Sanford firms.

Phillips also said that during 1955, the Phillips operation employed an average of 62 people, 37 of whom were residents of Sanford or Seminole County.

Phillips predicted that the year of 1956 would be as successful as 1955 for the building industry in Sanford. "The market will probably be more selective," he prophesied, "and people will be more choosy about locations, design, materials, workmanship and equipment!"

Former FBI Officer To Address Bureau

D. M. Ladd, former Federal Bureau of Investigation official, now retired and residing in Geneva, will address the Seminole County Farm Bureau at its meeting tomorrow night at the Seminole High School Agriculture Building.

Egyptian Secretary On Hand

Nautican Makes First Cruise

The St. John's River was dedicated yesterday as the "Nile of the Americas" in ceremonies attended by hundreds of Central Floridians as well as by local citizens and government officials.

Ahmed Elsaid Gad-Elhak, Second Secretary of the Egyptian Embassy in Washington dedicated the "Nile of the Americas." Elhak said, as he compared the two rivers that flow north, "I wish to bring you greetings of modern Egypt, Egypt today. May God bless you all, and the Nile River."

Following the dedication of the river, Elhak and Robert Osceola, a Seminole Indian from Silver Springs, broke the traditional bottle of champagne over the bow of the "Nautican" to launch the first run of the Florida River Cruises pleasure boat carrying prominent people from over Central Florida on the initial trip.

Crowds gathered at the handsell heard a concert by the Seminole High School Band under the direction of Ernest Cooper.

Senator Douglas Stenstrom introduced visiting dignitaries from nearly every Central Florida County including Mayors, City and County Commissioners, Chamber of Commerce officials, Navy officers representing the Naval Auxiliary Air Station and other visitors.

Senator Stenstrom pointed to the rapid growth of the state and the phenomenal growth of Florida. "What we are doing here today is another step in a tremendous program of advancement at Sanford and Seminole County," he said.

W. R. Kemp and Richard Sodero, co-operators of the huge boat that will carry sightseers along the St. John's River to view the historical sights on a four-hour trip, pointed to the advantages of the newly dedicated boat and said, "We are going to create every trip of the Nautican into a veritable historical event and dedicate its success to the happiness and education of the people of the world."

Photographers from both the State Advertising Commission and CBS-TV were on hand to film for television viewers the events of the day.

The Nautican loaded off from the Sanford Pier aboard with enthusiastic visitors who came to Sanford for the first scheduled trip of the big boat. It will carry 250 passengers daily on its afternoon run which leaves the pier at 1 o'clock each afternoon.

Duplicate Bridge Meets Tomorrow At Mayfair Inn

The Sanford Duplicate Bridge Club will meet at the Mayfair Inn Tuesday night where they will play with guests and local bridge players for an evening of bridge playing. Play will start at 8 o'clock, said Mrs. Camilla Bruce.

At last Friday's meeting and play the top average was 60. First winners were Mrs. Alice Eckhardt and Al Bricklin with 77 1/2. Second winners were Mr. and Mrs. Jack Ratigan with 76 and third winners were Mr. and Mrs. Clyde Raussey with 72 1/2.

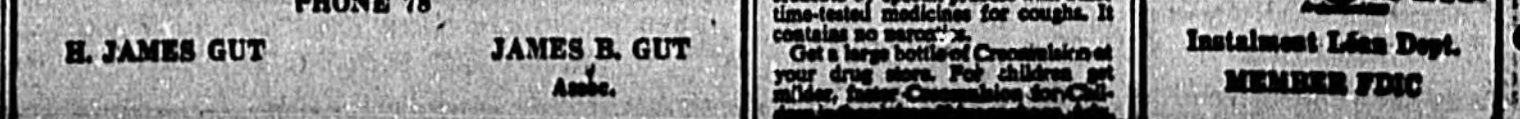

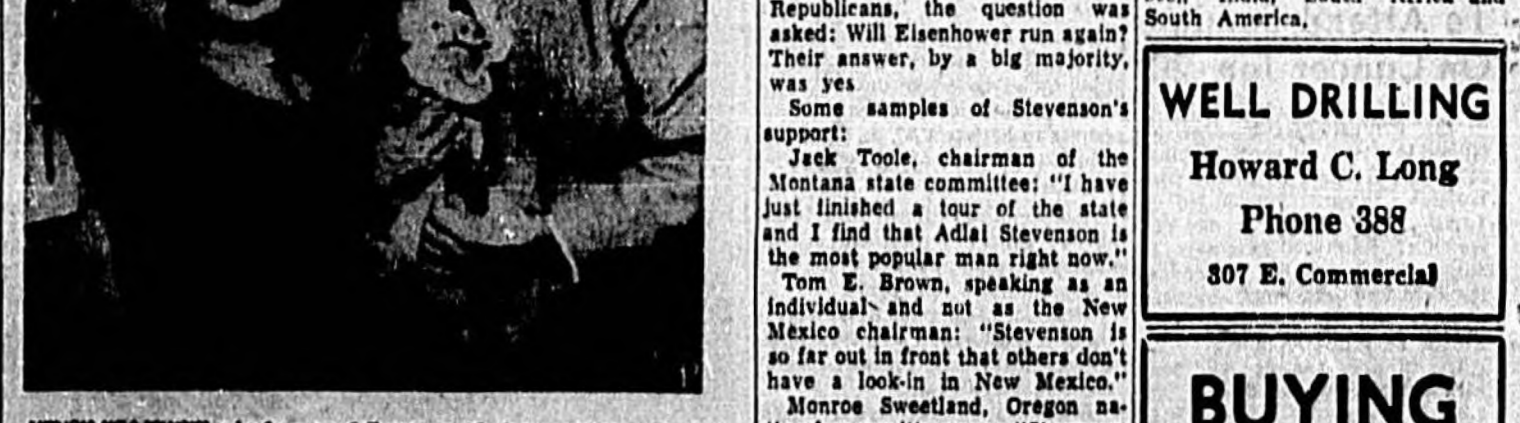

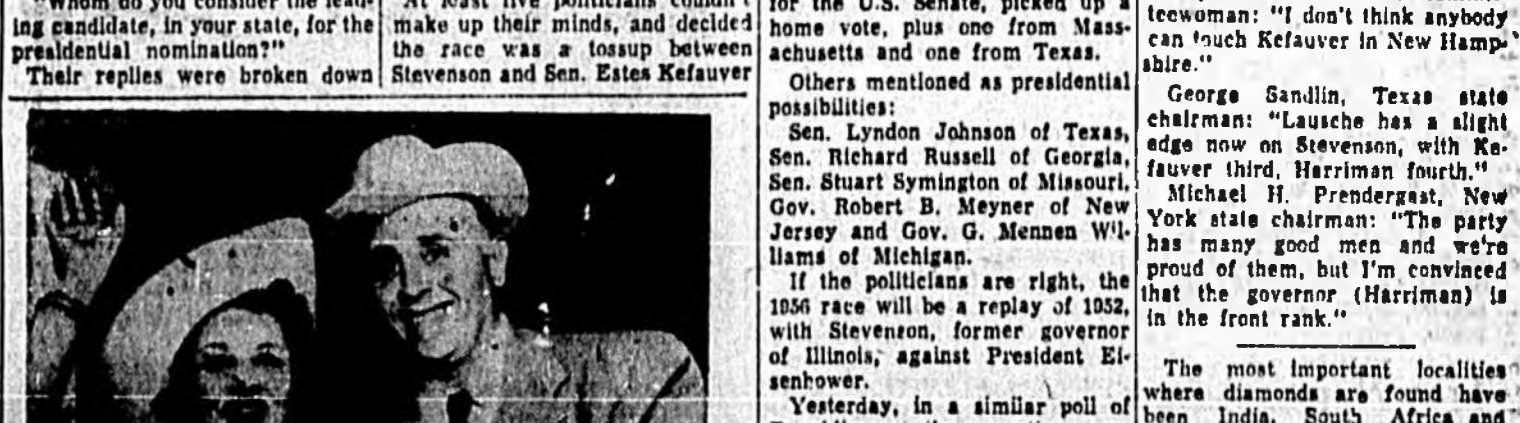

Friday the 13th for Lena Belle Jennings and Mrs. Camilla Bruce was just an average evening. However, they were No. 13 for the evening, with their top score made on board 13 and came in 19th for the evening.

FLIGHT ENDS FATALLY

TUCSON, Ariz. — A Sunday afternoon pleasure flight ended in death for four people when their plane stalled while coming in for a landing, crashed and burst into flames.

AHMED ELSAID GAD-ELHAK swings the bottle of champagne that dedicates the Nautican on its first run yesterday along the St. John's River, the "Nile of the Americas".

Demos Believe Adlai Best Bet

WASHINGTON — An overwhelming majority of Democratic leaders believe Adlai Stevenson is now the best bet to win their party's presidential nomination again in 1956.

The Associated Press recently tabulated the results of a poll of 126 Democratic governors, state chairmen and members of the party's national committee.

The Democrats were asked: "Whom do you consider the leading candidate, in your state, for the presidential nomination?"

Their replies were broken down this way:

Stevenson	76
Kefauver	5
Lausche	3
Harriman	3
Others, or no comment	39

The poll isn't as one-sided as it might seem.

Some who voted for Stevenson stressed "it may vanish before the convention is held in August."

At least five politicians couldn't make up their minds, and decided the race was a tossup between Stevenson and Sen. Estes Kefauver

of Tennessee.

Gov. Averell Harriman of New York, an "inactive" candidate so far, got but three votes. One of these was from Carmine G. DeSapio, who, as a national committeeman and chief of Tammany Hall, should have much to say about how New York's 96 votes are cast in the convention.

Gov. Frank J. Lausche of Ohio, running both as a favorite son and for the U.S. Senate, picked up a home vote, plus one from Massachusetts and one from Texas.

Others mentioned as presidential possibilities:

Sen. Lyndon Johnson of Texas, Sen. Richard Russell of Georgia, Sen. Stuart Symington of Missouri, Gov. Robert B. Meyner of New Jersey and Gov. G. Mennen Williams of Michigan.

If the politicians are right, the 1956 race will be a replay of 1952, with Stevenson, former governor of Illinois, against President Eisenhower.

Yesterday, in a similar poll of Republicans, the question was asked: Will Eisenhower run again? Their answer, by a big majority, was yes.

Some samples of Stevenson's support:

Jack Toole, chairman of the Montana state committee: "I have just finished a tour of the state and I find that Adlai Stevenson is the most popular man right now."

Tom E. Brown, speaking as an individual and not as the New Mexico chairman: "Stevenson is so far out in front that others don't have a look-in in New Mexico."

Monroe Sweetland, Oregon national committeeman: "Stevenson will be nominated on the first ballot."

Spotlight On Hollywood

HOLLYWOOD, (AP) — "Torta di formaggio — what is that?" The inquiry was made by Rosanna Podesta, Italy's gift to Hollywood. Having been here only two months, she still falters on English. It was explained that torta di formaggio (Italian translation of cheese cake) is leg art, glamor photos, etc.

"Oh," she exclaimed knowingly, her dark eyes brightening. "Yes, I know what that is. I do not like it."

What is this? An Italian film beauty knocking cheese cake? This sort of thing could rock Rome's Hollywood on the Tiber.

Miss Podesta continued: "You mean posing like this?" She gazed seductively over her shoulder, then dropped the pose. "I hate it. I have done some in Italy, but now I refuse. They do not ask me here at Warner Brothers because they know I do not like it."

"I do not mind showing the legs if it is part of the picture. But just to pose for photographs—that is silly."

This may distress some males, but she feels cheese cake is on the decline both here and in her native land.

"I do not think you make the girls revues that used to be made here," she observed. "The public's taste has become too refined for that. They want good pictures, not just girl shows."

"It is the same in Italy. No longer will the public go to see a bad picture because it is advertised with sexy photos of Gina Lollobrigida and Sophia Loren. They want to see good pictures."

Miss Podesta finds some proposition to her views in her own family. Her husband is handsome Italian actor Marco Vicario, who is here with her before going to Mexico for a movie.

Said he: "When I came to this country, I said I wanted to see two things — the Empire Building and Marilyn Monroe." He added sadly, "I have seen only the Empire State Building."

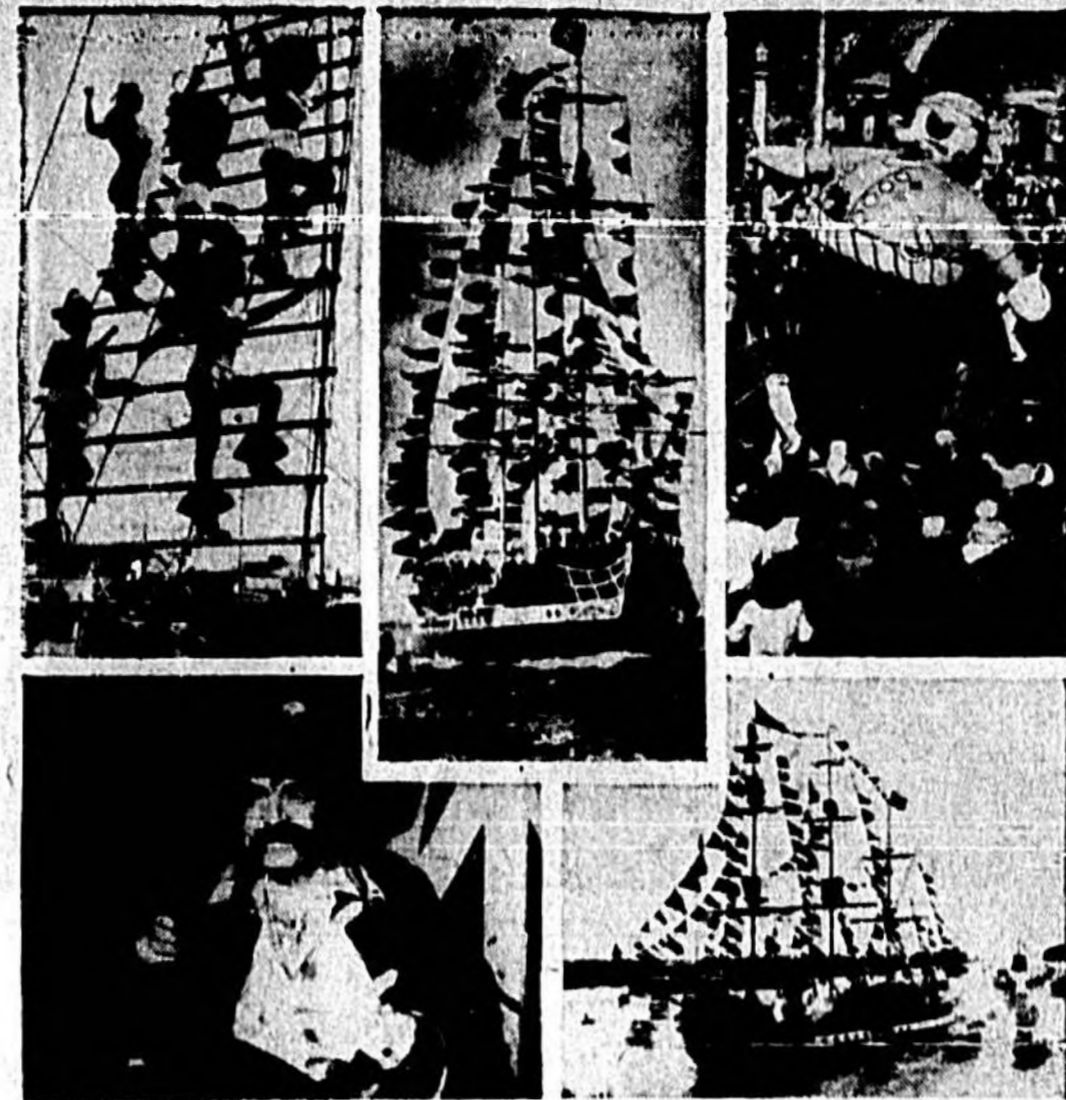

FOR MORE THAN 30 years the Florida Citrus Exposition and its predecessor, Florida Orange Festival, have used an artist's sketch of a pretty girl as its "trademark" but starting with the 1956 show, to be held at Winter Haven Feb. 13-18, pretty Sally Ardrey of Bradenton, reigning Florida Citrus Queen will be the attention-getter. All Florida Citrus Exposition stationery, contracts, literature and other printed matter will carry this picture showing her with a backdrop of growing oranges and enjoying one herself.

MOTOR MADE

Motoring IS Safer with Seat Belts

By Betty Shelton, Dodge Test Driver

Do safety seat belts make a difference in the severity of motor mishaps? A lot of people, including myself, emphatically say yes. A U. S. senator and his wife are among the latest boosters of this safety device. They recently emerged without a scratch from an accident in which their car was demolished. Enthusiasts credited their escape to seat belts.

Used by State Police

The growing ranks of seat belt users include the state police who patrol our highways. Vehicles of the California Highway Patrol, Oregon State Police, Pennsylvania State Police and of local departments across the country are now equipped with this safety accessory. Because they feel that seat belts help reduce injury in accidents, many insurance companies now offer discount rates on cars equipped with them.

Provide Comfort

In addition to the safety factor, seat belts provide comfort for the motorist. They prevent passengers from sliding around sharp turns and from being thrown forward during an abrupt stop. They also help control squirming children.

Remember, however, that seat belts are only effective when used. To function properly, they must be worn in a ride to the corner grocery store as well as on long highway trips.

Among the staunchest advocates of seat belts are automobile test drivers, racers and stunt men. We've been using them for years. During rugged maneuvers and tests, seat belts hold us in our seats securely and safely. (Recent safety tests by one auto manufacturer revealed that passengers are twice as likely to survive an accident if they are not thrown out of the car.)

Recognizing the tremendous safety value of seat belts, most automobile manufacturers now offer them as optional equipment on passenger cars. And public acceptance is growing. The National Association of Automobile Safety Belt Manufacturers reports a substantial boom in sales during recent months.

World's easiest contest—just go to any Plymouth dealer and register the motor number of your 1950 or newer model car (any make). That's all. Nothing to buy or guess or solve.

It's our chance to celebrate our record-breaking sales—and to make even more friends. It's your chance to win up to \$50,000 in cash—a thrilling around-the-world trip for two, plus \$5,000—or any one of 783 other big cash prizes.

And it's so easy to win: You merely bring proof of ownership—for your 1950 or newer model car—to any Plymouth dealer, and copy your motor number onto the FREE entry blank. See rules.

That's all there is to it! There's no obligation—nothing whatever to buy or solve or rhyme. (Sure, we hope you'll look over the new jet-age Plymouth... biggest car of the low-price three... only low-price car with Push-Button

Driving. And we hope you'll ask about Plymouth's red-hot deals.)

Don't miss this chance at \$50,000 or that exciting world trip for two. Hurry in to your dealer's now. You may have a lucky motor number!

Jean Carpenter, Arthur Pedigo Are Wed In Simple Ceremony

Miss Jean Carpenter, daughter of Mr. and Mrs. W. O. Carpenter and Arthur Pedigo son of Mr. and Mrs. Harold Smith of Orlando, were united in marriage Friday night in a simple double-ring ceremony with the Rev. W. P. Brooks officiating. The First Baptist Church was tastefully decorated with white chrysanthemums and gladioli against a background of green fern. Fern and white gladioli tied with satin ribbon marked the individual pews.

Mrs. Ann Tyne was organist and played the traditional wedding music and marches.

Given in marriage by her father the young bride was dressed in a light baby blue suit. She had navy blue accessories and wore a corsage of roses interspersed with natural greenery and baby's breath tied with harmonizing ribbons.

Miss Betty Carpenter served as maid of honor and only attendant. She wore a light blue suit and also had navy accessories. Her corsage was of red and pink rose buds.

Sam Ierrell served as best man. Mrs. Carpenter chose for her daughter's wedding an aqua blue trest length dress of gabardine. She had black accessories and wore on her left shoulder a corsage of red and pink roses.

Mrs. Smith wore a brown checked suit and had matching accessories. She had a corsage similar to that of Mrs. Carpenter's.

A reception was held immediately after the ceremony in the educational building of the church. The room was decorated with pink gladioli and on the main table, overlaid with a white linen cloth, a three tiered cake was cut by the couple.

Mrs. Cohen cut the cake and Mrs. Crain served punch. The bride's book was kept by Miss Jeanette Gardner.

After a short wedding trip the couple will reside at Lake Monroe while he is still with the U. S. Navy stationed at the local base.

Mrs. Pedigo was born here and attended local schools. She graduated with the class of 1954 from Seminole High School and is employed at the Naval Air Station. She is a member of the First Baptist Church.

Mr. Pedigo went to school in Virginia and entered the Navy after graduating.

Mrs. W. Stewart Elected Garden Circle Leader

Mrs. W. H. Stewart was elected chairman of the Hibiscus Circle of the Sanford Garden Club at a meeting Friday at the home of Mrs. J. M. Fahy on Lake Emma.

Elected to serve with her were Mrs. Fred Zervonn, vice chairman; and Mrs. Joe Meisch, secretary.

Nominating committee was composed of Mrs. John Ludwig, Mrs. Paul Fesold, and Mrs. Fahy. The co-hostesses were Mrs. Fesold and Mrs. Ludwig.

Mrs. Gordon Beisson presided over the business. Routine reports were given and general club announcements made. Mrs. Byron Cox, garden therapy chairman, read a letter of thanks for the Christmas toys sent from the circle to the children at the Florida Farm Colony in Gainesville.

Mrs. H. A. Moreland, program chairman, gave an interesting and informative talk on growing house plants. She began her talk with this quotation "There is no such thing as luck in growing house plants. It's a matter of knowing and doing."

Mrs. Moreland gave ten requisites and an explanation of each, demonstrating from her collection of house plants. "I have gathered most material from the books placed in the public library by the garden club," she commented.

Hostesses served cake, candy and coffee to Mrs. Joe Moss, Mrs. William Toll, Mrs. Byron Fox, Mrs. John Fox, Mrs. Gordon Eriston, Mrs. R. L. Dann, Mrs. Robert Humphrey, Mrs. C. C. Collins, Mrs. Frank Meisch, Mrs. Joe Meisch, Mrs. Zerrann, Mrs. E. Williams, Mrs. Stewart, Mrs. Charles Morrison, Mrs. Moreland, Mrs. J. P. Thurmond, Mrs. R. F. Moule, and Mrs. A. B. Stevens.

Roosevelt Auxiliary Installs Officers

The Colonel Theodore Roosevelt Auxiliary No. Three met for its regular meeting Jan. 8, at the home of the secretary, Mrs. Mae Shearer at 118 Elm Avenue.

Other than routine business the officers for 1956 were installed. They were taken in by the past department president, Mrs. Mae Shearer. Installed were: auxiliary president, Mrs. Frank Evans; senior vice president, Mrs. Lew Brademeyer; junior vice president, Mrs. Lavinia Himes; chaplain, Mrs. Jeanie Erickson; patriotic instructor, Mrs. W. E. Jameson; historian, Mrs. C. C. Priest; conductor, Mrs. C. F. Brasington; guard, Mrs. L. J. Pickering; assistance guard, Mrs. Enny Lloyd and secretary-treasurer, Mrs. Mae Shearer.

Firemen's Auxiliary Hears C. Schneider Give Year Resume

The regular meeting of the Women's Auxiliary of the Volunteer Firemen's Association of DeBary was held Thursday at 2 p.m. at the firehouse on Columbia Road.

Mrs. D. Runkel, vice president, presided in the absence of Mrs. C. Roblolo, president, who is recuperating in the North from an accident.

Mr. and Mrs. H. Cotcher are graciously donating two card tables to the firehouse, it was revealed. Mrs. C. Butler, chairman of ways and means announced that favoring extracts would be available in the near future. It also was reported that Feb. 8 had been chosen for the fourth annual Firemen's Ball, to be held at the Orange City Recreation hall.

Charles Schneider, past president of the DeBary Volunteer Firemen's Association gave a resume of the past year's activities and introduced J. Meehan, newly elected president. After adjournment, a social hour was enjoyed. All joined in singing "Happy Birthday" to Mrs. R. Vance and wishing her many more happy years in DeBary, a member stated.

Coffee and cake were served by Mrs. J. Cleland and her committee.

Workshop Offered By State Clubs Will Be Held Soon

The annual District 7 Conservation Workshop sponsored by the State Garden Clubs will be held at the Winter Park Garden Center, Wednesday, Jan. 25.

The Workshop opens at 9 a.m. There is no fee for registration and a box lunch may be purchased at the Garden Center.

Among the speakers: Miss Carol Beck, State Parks Botanist; Rep. William C. Coleman, and Col. W. M. Hampton.

The Garden Center is at the end of Garden Drive, off Highway 17-82, Winter Park.

Mrs. F. Meriwether Entertains Group With Coffee Hour

Mrs. Francis Meriwether gave a coffee Friday at 10 a. m. in her home on Calvary Ave. for the executive board of the Sanford Women's Club with Mrs. Joe Corley as co-hostess.

The dining room table was overlaid with a lace cloth. Floral arrangements were lovely including the creation of driftwood accented by fruit. Chrysanthemums were used extensively throughout the rooms.

Lovely refreshments were served to Mrs. C. R. Dawson, second vice president; Mrs. William L. Kirk, third vice president; Mrs. F. E. Breckenridge, corresponding secretary; Mrs. W. B. Ellerbee, treasurer; Mrs. B. C. Moore, Civic Dept. chairman; Mrs. G. E. Wells, Fine Arts Dept. chairman; Mrs. J. A. Young, Social Dept. chairman; Mrs. Willis Peacock, American Home Dept. chairman; Mrs. H. W. Rucker, parliamentarian; Mrs. Brodie Williams, house chairman; Also Mrs. John Callahan, press chairman; Mrs. Fred T. Williams, historian; Mrs. N. V. Farmer, club pianist; Mrs. Laura P. Brown, leader assembly singing; Mrs. Clyde Ramsey, courtesy chairman; Mrs. W. D. Hoffman, courtesy hostess; Mrs. C. M. Flowers, Youth Conservation; Mrs. Francis Bolt, flag courtesy; Mrs. Joe Corley, USO chairman; Mrs. Margaret Davis, Stainway supervisor; Mrs. B. E. Crumley, circulating sick room equipment.

Central Circle Of Garden Club Hears Mrs. F. Hill Thursday

The Central Circle of the Sanford Garden Club met at the home of Mrs. R. W. Turner, Thursday, for a morning meeting, with Mrs. B. C. Moore and Mrs. A. F. Collum as co-hostesses.

Mrs. B. C. Moore, chairman opened the meeting with a motto for the New Year, "I Believe."

Mrs. George R. McCall, president of the Sanford Garden Club made an announcement of the Study Course to be held at the Garden Club Center, Jan. 25, 26 and 27 and urged all members to attend.

Mrs. McCall then introduced Mrs. Frank Hill who spoke on "Your Florida Garden," a subject interesting to all members.

Horticulture Chairman, Mrs. A. K. Rosetter, gave an interesting talk followed by questions which she "ably answered."

Mrs. M. E. Hagan, chairman of the nominating committee presented the following names which were unanimously adopted for the new year: Mrs. Lloyd Leadman, chairman; Mrs. Frank Hill, vice chairman; Mrs. Francis Bolt, secretary; and Mrs. Zeb Ratliff, treasurer.

Mrs. W. P. Yesley, Bible chairman; Mrs. S. G. Harriman, budget committee; Mrs. A. O. Roberts, budget; Mrs. L. E. Thompson, budget; Mrs. W. C. Wiley, budget and Mrs. Oscar M. Harrison telephone chairman.

Sanford Citizens Should Not Miss Coming Operetta

Students and faculty members are working hand-in-hand in the production of Victor Herbert's operetta, "The Red Mill" which will open Tuesday night in Daytona Beach in a special performance for the Tourist Club, and then play four nights at Stever Theatre for the students, faculty and public.

Prof. Harold M. Giffin, director of the Glee Clubs, is conductor of the orchestra and chorus. The other member of this well-known husband-wife team, Mrs. Virginia Giffin, is in charge of the dramatics. The School of Music and the Department of Drama unite to stage this operetta.

Dr. O. G. Brockett, of the Stever Theatre staff, is technical director. Jack Colclison, of the School of Music faculty and in leading roles of two operettas while a student, is stage manager. Choreographer is Patricia Louise Wagner, a sophomore from Miami, a student of the modern dance while attending Coral Gables High School.

Scenery and props are being built by the stagecraft class under the supervision of Barbara Van Akin, DeLand, and Raymond Delgado, Winter Haven.

In addition to the twelve principal roles, several of them double-cast because of the large amount of talent, there is a

Methodist Circles

Circle No. Four of the WBCS of the First Methodist Church met at the home of Mrs. J. B. Crawford on Lake Mary Blvd. with Mrs. R. F. Cranshaw as co-hostess.

Mrs. Marvin Lendon presided over the meeting and the devotional was given by Mrs. Blake Sawyer. The meditation study, "A Serious Call to A Devout and Holy Life," by William Law, was offered by Mrs. James Rozard.

A new member, Mrs. Robert Douglas, was welcomed to the circle, while Mrs. N. S. Sawyer was a visitor.

Also present were Mrs. W. W. Tyne, Mrs. Tad Williams, Mrs. C. L. Wallis, Mrs. Joe Jarrell, Mrs. W. R. Hazlett, Mrs. E. L. Loy and Mrs. W. E. Glidewell.

WBCS Circle One met Tuesday at the home of Mrs. John Dominey in Loch Arbor.

Mrs. Bill Kirk gave the devotional, reading from the Bible followed by all members praying the Lord's Prayer. An inspiring recipe for happiness for the New Year was also read by Mrs. Kirk. The study, "The Practice of the Presence of God" was given

chorus of 32 and an orchestra of 21.

The story is laid in Holland and the plot provides many humorous situations as well as the opportunity for fine music.

Misfortune Strikes On Maiden River Trip

Swiss Bell Program To Be Given Friday At Baptist Church

The oldest and sweetest toned set of Swiss Bells in America, will be featured by the Mason Swiss Bell Ringers in a sacred concert at the First Baptist Church, Sixth and Park, Jan. 20 at 7:30 p. m. There will be no admission charge to this program, but a free will offering will be received.

This set of 30 Swiss Hand Bells was brought to America from England in 1847 and used in concerts all over the nation by the Peake family of Boston, who were known as the original group of all-American Swiss Bell Ringers.

The Mason Swiss Bell Ringers—consisting of the Rev. and Mrs. Bernard Mason of Los Angeles, California, are veteran concert artists. They have given over 4,000 concerts in every state in the union during the last 22 years. They are currently on their 14th concert tour of the nation. They feature a large variety of novel and unique instruments—Swiss Hand Bells, musical glasses, singing saw, vibraslap, solovox, the world's largest set of triple octave chimes and the instrument of mystery, the Victor Theremin. The latter instrument has no keyboard, strings, reeds or pipes and responds to the motion of the player's hands waving over it without being touched.

Littlefield Accused Of Accepting Cash As Volusia Sheriff

JACKSONVILLE (AP)—Alex D. Littlefield, charged with income tax evasion, stood accused today of accepting money from gamblers to let them stay in business while he was sheriff of Volusia County.

Two former gambling club operators testified in Federal Court yesterday they paid "protection money" to Littlefield or two of his deputies in 1947-48, the same years the government charges the one-time state Democratic chairman with evading \$10,223 in income taxes.

James L. Gullmartin, U. S. district attorney, told the jury a "substantial amount" of the protection money was not reported on Littlefield's tax returns. Chester Bedell, defense attorney, countered that none of the money went to Littlefield for his own use but was channeled into political campaign funds.

Arthur Reynolds Robinson, former partner in the 400 Club in South Daytona, said he handed Littlefield in person \$1,000 in cash a month for nine months as "good will" to operate blackjack, roulette, craps and slot machines.

Seminole High Plays Home Tonite

By H. P. GORDIE
The Seminole High School varsity basketball team will be seeking its third win of the season tonight when it meets the sharp-shooting team from Palatka.

In the preliminary contest, the Sanford Parochial School's eight and ninth graders will tangle with the Sanford Junior varsity.

Both games will be played at the Seminole High School gym. First game is scheduled to get underway at 6:15 this evening.

DOESN'T LIKE KICKING BALTIMORE (AP)—Mrs. Marie Strub said she didn't mind being knocked down, she's used to that, but when her husband kicked her, she was hurt.

The 5-foot-8 husband of the 5-foot-10 Marie, who was once known around the professional wrestling circuit as "Gypsy Lee," denied he floored her or kicked her. Just a case of mistaken identity, said he.

But Magistrate Simon Schonfeld gave the decision to the slender 37-year-old brunet. He fined Strub \$25.

Mrs. Strub made her last wrestling appearance in July, 1954, in Boston.

The Florida River Cruises pleasure boat, "The Nautican", on its maiden trip to Blue Springs yesterday was rammed by an oil barge on its way to Sanford.

The Nautican, just 15 minutes from Blue Springs at the time of the river accident, was badly damaged in the head-on smash leaving a gaping hole in its bow. Richard Sodero, one of the co-captains of the Nautican, was on the trip and all but three of the 39 passengers were on the upper deck at the time of the crash.

Sodero, Captain of the Nautican J. R. Oliver, and most of the passengers said that the barge gave the first blast of its whistle to signify that they would keep their course to the right and the Nautican returned the signal.

However, according to Sodero, the barge, coming around a sharp bend of the river, came across the channel broadside ramming head-on into the pleasure boat.

The passengers and crew were thrown off balance and only minor injuries were received.

The Nautican was hit above the waterline and was damaged only in the wood structure of the bow. The steel hull was not damaged in the river accident.

Eye witnesses G. D. Spring and Floyd Hopkins said that the Nautican was in the clear as far as the pleasure boat was concerned. Captain Oliver said that this is the first accident he has experienced during his time piloting boats.

Captain Oliver said, following the accident and his return to the Sanford pier where a number of people met the vessel, that the Nautican attempted to escape the crash by turning sharply away from the barge. But apparently out of control, the barge rammed the 100 foot pleasure boat.

Sodero and W. R. Kemp, the two operators of the Florida River Cruises, said that the Nautican would be put into shape immediately and would be back in service within a few days after undergoing repairs.

All passengers of the Nautican were given an opportunity to be examined by a Sanford doctor to ascertain the extent of injuries, if any.

Both Kemp and Sodero expressed their regrets that such an accident should happen to the Nautican on its first day and trip but that all haste would be made to have repairs completed in as short a time as possible.

Mrs. A. Covington Prominent Oviedo Resident Succumbs

Mrs. Augusta D. Covington, prominent Oviedo resident, died last night at the Florida Sanitarium in Orlando. She is the widow of Mrs. Orson Burnett also of Oviedo.

Mrs. Covington was active in many civic and social activities including the Oviedo Garden Club and was past president of the Woman's Club. She was a member of the Oviedo Methodist Church.

Mrs. Covington was noted for giving the Covington award to students with high scholastic averages.

Funeral arrangements are incomplete.

American Officials Study Red Budget

WASHINGTON (AP)—American officials studying the Soviet Union's budget for 1956 said today they find no evidence the Russians are planning to back up with cash their foreign aid offers to Asian and African nations.

The Russians have talked big—a hint to Egypt about 300 million dollars or so for the Aswan Dam, perhaps 100 million dollars for Afghanistan development, 85 million for an Indian steel mill.

But the Russian budget, disclosed in broad outline some three weeks ago and under study here ever since, has nothing in it like the \$4,860,000,000 in U. S. foreign aid which President Eisenhower requested of Congress yesterday.

However, absence of definite foreign aid items in its budget apparently is no bar to Russia's efforts to cultivate friends.

Appraisal Given To County Board

Appraisal of right of way properties for the four-laning, widening and paving of 17-92 from Five Points in Sanford was submitted in the Seminole County Board of Commissioners this morning in writing.

The appraisal was estimated at slightly more than \$100,000.

The new appraisal gives optimism for the early construction of the highway from the Orange County line on in to Sanford.

Robert E. Lee Is Program Subject

Seminole High School Principal Herman E. Morris will deliver an address on Robert E. Lee at the school Thursday at 10:30 a. m. The program will be under the direction of the United Daughters of the Confederacy.

Music will be furnished by the Seminole High Band under the direction of Ernest Cowley and the Glee Club headed by Miss Ollie Reas Whitlow.

UDC members will be present for the occasion.

Sweeney To Serve Co/C In Outlying Cities In County

Gordon Sweeney is to serve as special representative of the Chamber of Commerce to the outlying cities of the county, it was announced by the trade body office today. The appointment of the local office supply owner was made by President George Touhy who said that Sweeney would work in cooperation with Mr. Forrest Breckenridge in meeting with city officials and civic organizations to help them with particular problems where the actions of the county organization might supplement their own.

The assignment is deemed especially important in cementing the relations between the headquarters of the Chamber of Commerce here and groups striving for the advancement of more localized interests. It is hoped that the diversified services of the county body will be used to supplement the activities of groups within the cities in other parts of the county.

"We are all striving for the same thing—a bigger and constantly improving Seminole County that in turn will advance the business and cultural interests of all of us," President Touhy said, "and by closer teamwork everyone will be benefited."

Sweeney is one of the Co/C directors.

Mayor Scott Names Florida Products Festival Period

Mayor F. D. Scott has named the period January 19-26, 1956 as the "First Florida Products Festival" in Sanford.

The proclamation, signed by Mayor Scott and released today, offers the cooperation of the City of Sanford in making the Florida Products Festival a success.

The Mayor calls attention to the festival and cites the event to the citizens of the community.

The Statewide event, spread over a ten-day period, will bring to the attention of Florida citizens the many products grown and manufactured in Florida and asks that the citizens support the use of these items during the celebration.

Here in Sanford, the Seminole County Chamber of Commerce is planning for displays and other events to focus attention on products grown especially within the limits of Seminole County.

Ralph Austin Smith is chairman of the committee for the Chamber of Commerce with James A. Wright and Robert Kilvan serving with him as committee members.

The Board of Seminole County Commissioners, this morning, appropriated \$6,000 for the Seminole County Chamber of Commerce, \$750 to the Seminole County Junior Chamber of Commerce, \$250 to the Longwood Chamber of Commerce and \$250 to the Lake Mary Chamber of Commerce.

Action on the appropriations came after Larry Jones appeared to the Board of Commissioners on behalf of the Longwood Chamber of Commerce and a brochure that is being printed for distribution.

Commissioner John Melch made the motion for the appropriations which was adopted by the Board. Reports from the various departments and offices of the county government were presented to the Board of County Commissioners along with checks for excess fees in each office. Reports were heard from Sanford Doudney, Tax Assessor, John L. Galloway, Tax Collector, O. P. Herndon, Clerk of the Circuit Court, Ernest Housholder, County and Juvenile Judge, W. Hugh Duncan, Justice of the Peace, and Constable J. Q. "Slim" Galloway. Excess fees turned over to the Board of Commissioners amounted to \$4,847.66 from the Tax Assessor; \$7,581.16 from the Tax Collector; \$7,694.10 from the Clerk of Cir-

cut Court; and \$4,921.82 from the County and Juvenile Judge. The Justice of the Peace reported that earnings in his office amounted to only \$3,066.95 and \$1,848.55 for the Constable.

In a letter to the Board of Seminole County Commissioners, the Orange County Commissioners requested that all prisoners turned over to them to work on work camp crews should be accompanied by a physical examination. The complaint was made due to the fact that some prisoners were turned over to Orange County authorities in no physical condition to work.

The Florida Power and Light Company submitted a 5-year contract for electric power for the Seminole County Court House that would save the county in the neighborhood of \$300,000 a year.

Due to the reclassification of the power service to the County, a saving would be realized. However, Commissioner Melch questioned the contract in lieu of the City of Sanford acquiring the distribution system. It was explained that such a contract would be a part of the sale of the distribution system and service would continue.

Prior to the noon recess for lunch, the Board of County Commissioners agreed, with a dissenting vote by Commissioner John Melch, that one block of 28th St. would be opened as an access road to property in that area.

A reprint of the Tanglewood Section Two was submitted and approved by the Board of Commissioners and certain roads were closed in the Seminole County subdivision known as Glenn Ethel.

Bombay Police Fire On Rioters Protesting Plan

BOMBAY, India (AP)—Bombay police opened fire today on rioters protesting a government plan to make Bombay a separate state. Demonstrators carried black flags inscribed: "Death to Nehru."

The police fired at the rioters three times to disperse them. Official sources said scores of persons were injured and about 100 were arrested.

One crowd of 10,000 refused to disperse until police banded over the body of a demonstrator killed by police fire during disturbances last night.

Buses were stoned in industrial districts by big crowds demonstrating against Prime Minister Nehru's decision to put Bombay under the rule of the central administration in New Delhi.

About half Bombay's three million population want the city included in a proposed state in which Marathi would be the official language.

Pilot Has Fatal Attack On Plane

ROANOKE, Va. (AP)—The second airplane pilot to suffer a fatal heart attack while in flight in Virginia in a week died upon reaching the hospital here last night.

He was Lacy L. Sutton, 36, of Norfolk, piloting a Piedmont Air Lines DC3 from Norfolk to Cincinnati, and became ill between Lynchburg and Roanoke. He took off from Roanoke but almost immediately complained of sharp pains in his chest and requested permission of the tower to return to the field.

After landing and taxing to the loading ramp, he was driven to a hospital but dropped dead in the emergency ward.

Last Thursday Lt. (jg) Lawrence John Logan, 49, co-piloting a four-engine Navy transport from Key West, Fla., to Norfolk, suffered a heart attack enroute and was pronounced dead on arrival at the Norfolk Naval Air Station dispensary.

Larson To Explain Responsibility Law

State Treasurer and Insurance Commissioner J. Edwin Larson will address the people of Florida by radio tomorrow evening about the increased number of traffic accidents and the state's new Motor Vehicle Financial Responsibility Law.

Larson will speak for 15 minutes and will be heard over Radio Station WTRR beginning at 6:45 p. m.

He will particularly explain certain features of the law which both insured owners and operators still do not seem to understand. He will reveal statistics showing that enforcement of this statute is firm and important.

Robbins, Greenleaf Captured

Ballentine Safe After Short Ride

Two Lake Mary men were captured last night after a wild chase that ended in a three-car accident on State Road 436 near Forest City for one of the get-away cars and a docile surrender by the driver of another car.

Charles Frederick Robbins, 30-year-old Lake Mary man, and Eugene Scott Greenleaf, 30-year-old youth, are being held in the Seminole County jail on possible charges of armed robbery and kidnapping.

In the get-away of the two men, from a farm near Slavia, Robbins was driving a 1946 Chevrolet while Greenleaf was driving a 1946 LaSalle which he purchased from Dykes Motors in Orlando last Saturday for \$140.

Constable George Kelsey was called to the Jakubin Farm about 8:30 last night when John Jakubin and C. C. Ballentine found gasoline being pumped from their tank at the rear of a barn. Ballentine was left at the pump while Jakubin ran for help.

On the return of Jakubin to the farm with Constable Kelsey, Ballentine was found at the gasoline pump being held at the point of a sawed off shotgun by the two men who were out of sight. With a threat that Ballentine would be killed if the two men did not leave the scene, Constable Kelsey and John Jakubin left in Robbins' car. Ballentine was driven to Greenleaf's car at the point of a sawed off shotgun. He was released some three or four miles from the scene of the holdup.

Constable Kelsey said that gasoline had been missing from Slavia and Oviedo gasoline pumps and tanks for several months.

Kelsey radioed for help from the Seminole County Sheriff's office and the Florida Highway Patrol. The two cars, driven by the pair of armed robbers, traveled widely from Slavia to 17-92 where Deputy Sheriff Cotton Brown and Deputy Bill Lilly spotted the LaSalle and gave chase from the intersection of 17-92 and State Road 436 to Forest City where Greenleaf smashed into the rear of a pickup truck with Deputy Brown aiding the Greenleaf car.

The Chevrolet, driven by Robbins, was stopped at the Seminole-Orange County line on 436 by Florida Highway Patrol Trooper Harvey Barrow. Robbins surrendered meekly.

Florida Highway Patrol Trooper T. Mark Mack investigated the smashup following the capture of the get-away armed robbers.

The pickup truck is owned by the Minute Maid Corp. and Jack Wilson, 25, of Apopka, was the driver. Damage to the pickup was estimated at three to four hundred dollars and damage to the Sheriff's car is estimated at \$200.

Bill Lilly, riding with Deputy Sheriff Brown fired 12 cartridges at the fleeing LaSalle with nine of them finding their target but none of them stopping the car.

Both men were belligerent at the Seminole County jail and would not answer questions piled to them by the Sheriff, J. Denver Cordell who brought the pair back to jail. Greenleaf refused to give his name to anyone.

McKendree, Joe To Hear Sentences

William Oscar McKendree and Ben Joe, both found guilty by Circuit Court jury, will be sentenced Friday by Circuit Court Judge Vassar Carlton.

McKendree, charged with first degree murder, will be sentenced on charges of manslaughter which was the verdict returned by the jury.

Ben Joe, operator of a negro night spot in Volusia County, will be sentenced for shooting into a dwelling.

NOT COURT SEASON LOS ANGELES—Things really got hot in court yesterday.

Something happened over the weekend to the heating system of a building that houses 14 courts. When the judge entered the courtroom the temperature was somewhere in the 20s.
