CCIB busts Casselberry pot operation

Thursday night agents with the City-County Investigative Bureau (CCIB) served a search warrant on a home in the Casselberry area, where they confiscated marijuana, indoor growing equipment and made two arrests.

The warrant was served around 9 p.m. at 970 North Jericho Drive. Agents worked the scene overnight. They confiscated 34 suspected marijuana plants and

growing equipment located in two rooms. They also located nearly 40 pounds of suspected marijuana clippings, residue and multiple items of drug paraphernalia.

While the search of the property was being performed, the resident who lives there, arrived home. He was arrested. He is identified as 28-year-old Jason Alfred Cichon. Anna E. Pender, 43, of Orlando, who was identified as Cichon's girlfriend, was also arrested at the scene. Both are accused of marijuana trafficking more than 25 pounds, marijuana producing, drug possession, and narcotic possession and use.

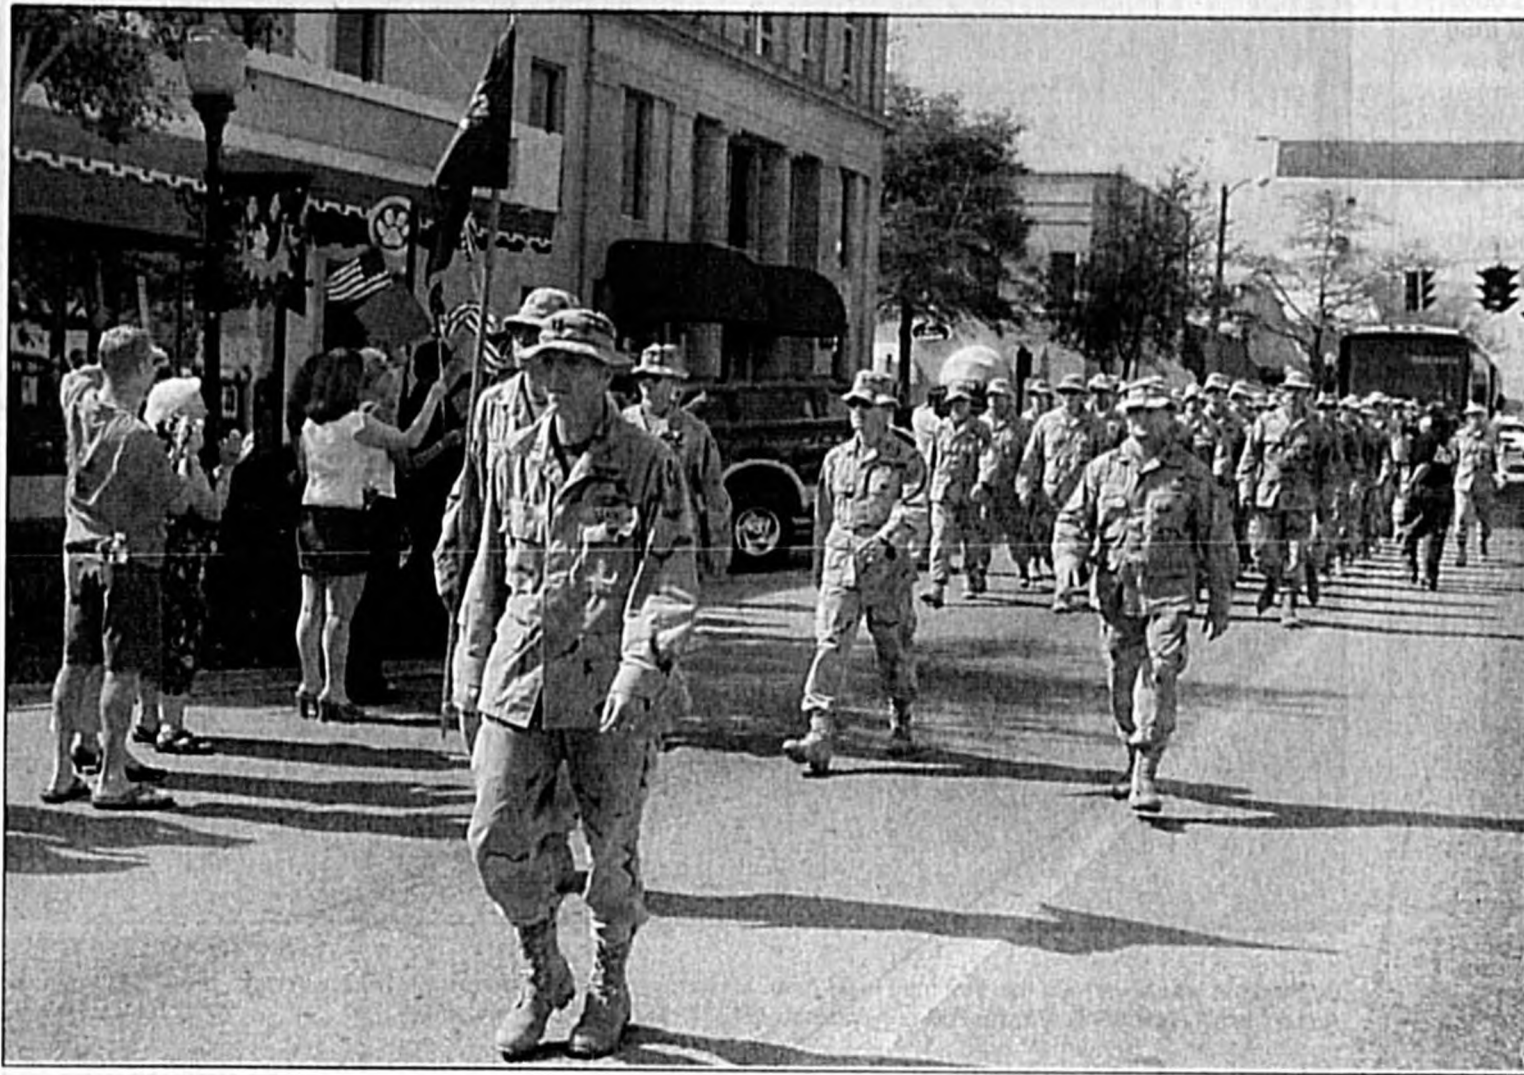

As of Friday afternoon, they were both still being held in the Seminole County Jail under \$4,900 bond.

SANFORD — Company B of the 124th Infantry, 2nd Battalion, returned home Thursday to a crowded downtown Sanford all eager to give them a warm welcome home.

Marching down First Street in their desert khakis, the 130 Army Reservists were greeted by hundreds of family and friends as they made their way to the Sanford armory. Among the fanfare for the returning soldiers were also downtown shopkeepers, city residents, and employees from the county courthouse, state attorney's office and county government.

"We got the word over e-mail," said Sue McCracken, Seminole County customer service liaison, as more than 50 county employees

Daughter charged in murder of father

From Staff Reports

Altamonte Springs police have arrested two persons in connection with the murder Tuesday of Steve Schuloff in his apartment at 630 Cranes Way in Altamonte Springs.

Officers were called to the apartment when Schuloff's girlfriend reported she was unable to locate him, and that there was suspicious activities at the apartment when she tried to contact him.

When officers were able to gain entry into the apartment, they reported finding a large amount of blood on the mattress and a black baseball bat lying on the mattress near Schuloff's body. He reportedly had been wrapped in a blanket and a green plastic storage container. It was determined that Schuloff's daughter, 16-year-old Courtney Christine Schuloff, who lived with her father, and her boyfriend, Michael Lawrence Moran, 20, of Orlando, may have been involved.

Moran was located a short time later, near the Altamonte Mall, with blood stains on his clothing. He was taken into custody, and officers said he was in possession of Schuloff's wallet, car keys and cell phone.

Courtney later arrived at the Altamonte Springs police station with her mother. She reportedly told officers that on Sunday, Feb. 8, her father had beaten her at her residence. She said she met with Moran at the Altamonte Mall later and told him about the beating. She said

Three of my soldiers were promoted. PV2 Garza is now PFC Garza. I had the honor of pinning her rank on and gave a good speech on her behalf. SGT Bates then pinned PV2 Muckelvaney to PFC. Then, as a big surprise, PVT Honstead, he was promoted from Private E-1 to Private E-2. It is his first stripe, and I had the honor of pinning it on him. Goldman awarded teacher of the year honor

By Cristina Llorens
Herald Intern

LAKE MARY — A Heathrow Elementary School teacher was named Seminole County's 2005 Teacher of the Year on Tuesday.

Fourth-grade teacher Patricia Goldman was surprised in her classroom by co-workers, Seminole County School Superintendent Bill Vogel, her husband, Jeff, and son, Noah. Her students cheered as an announcement was made over the intercom and Goldman was presented with a bouquet of roses.

"I'm speechless, amazingly so," said Goldman. "I love what I do, I love the kids."

Goldman said she "had no idea" she had been named teacher of the year. She said she was preparing to show a video about rocks to her class.

"I get so involved in what I do here," she said. "This is just what I do and I love it."

Jeff Goldman said he had "a lot of confidence" in his wife. "I think it's great, she deserves it," he said.

He added that there are "many good teachers" at Heathrow Elementary.

"It's a team thing," he said.

Jamiyah Gaines, 10, a student in Goldman's class, said Goldman helped her with science and reading.

"She explains stuff easier," she said.

Goldman has been teaching in Seminole County for 13 years and has taught at Sabal Point Elementary, Hamilton Elementary and Wekiva Elementary. She received her bachelor's degree from the University of Akron in Ohio, with additional work at the

SEMINOLE SUMMARY

A GLANCE AROUND OUR COUNTY

And the winner is ... Lake Mary Mayor Thom Greene and Sanford real estate guru Maria Shreve battled back and forth for the chance to write the **Around the Clock** column. In the end they both came up winners. Actually the big winner is the Sanford Chamber of Commerce.

Shortly before Friday's noon deadline for bids, the highest offer was \$550. As agreed to earlier in the week, I called both Thom and Maria to get their best and final bid. Maria tendered a final bid of \$605. That was a bit low, I thought, because Thom and promised to dig deep into his fat wallet to ensure he would win the column (the mayor, after all, has a **Hummer H2** and a **Corvette** parked in his garage).

Around the Clock

by Dan Ping

But like the savvy politician he is, Thom proposed a win-win strategy: He and Maria should get to write a column if they each agree to pay \$550. "I like the way he thinks," was Maria's response. Maria's column will be published in the March 28 issue of The Herald. Thom's will be published Feb. 29. And I'll be depositing \$1,100 into the chambers coffers for credit toward my Ping for King campaign.

Congratulations to Maria and Thom, and thanks to all who participated.

Now, if I could only convince my boss to pay me \$550 for each column I write.

MayFair 500: After last week's column, I had several requests for photos from the lawn mower race, aka the Mayfair 500, that was held in the Mayfair subdivision on Super Bowl Sunday. Actually, I had hundreds of requests for photos, but the vast majority of those were from Sanford Mayor Brady Lessard whose favorite pasttime is collecting photos of himself.

The top photo is Deputy City Manager Andrew Van Gaale, who finished in second place despite being the only racer with a push mower. The bottom photo is the 9-mower field at the starting line.

Officers offer safety tips to Woman's Club

By De Forbes
Special to The Herald

Sanford Police Officers chaired a spirited discussion on safety with members of the Sanford Women's Club on Feb. 4; Resource officers Letitia Caradonna and Lucy Stridiron spoke on ways to be street wise and updated home security procedures at the monthly luncheon meeting. Two new members, Carolyn Sebree and Carolyn Walker were also sworn in at the Club House by President Mindy Tooley.

The Mardi Gras luncheon, catered by Bucks, was hosted and decorated by Fran Morton and Jewell Williams with the assistance of their committee: Eve Rogero, Carol Kirchhoff, Ruth Stamm, Martha Stecens, De Forbes and Linda Miller.

Special home security emphasis was placed on on deadbolts with keys, peek holes in door and motion lights while the motto "Don't trust anyone any more," highlighted the street wise advice. Personal experiences from both police and club members livened the dissertation and the food was, as usual, described as "Delicious."

Check burglary resolved

Jamey Lee Johnson, 28, of Deltona, was arrested by Sanford police Tuesday, in connection with the theft of checks from a vehicle in the 2900 block of Sanford Avenue, in November of 2003. Johnson was located at the Seminole County Jail where he was incarcerated on unrelated charges. Sanford police and a sheriff's investigator interviewed him, and Johnson reportedly admitted taking the checks and selling them to others, but having cashed one personally. He said he had taken them from a vehicle. He was arrested on charges of burglary to an unoccupied conveyance and petty larceny.

Prostitution

• Harold Keith Williams, 46, of Orange City, was arrested by Sanford police on Jan. 14, at West Third Street and French Avenue. The arrest report says he approached an undercover officer and offered to purchase sex. He was arrested on a charge of assignment to commit prostitution.

• James Earl Terry, 20, of West 13th Street, Sanford, was arrested by Sanford police on Jan. 14 at East Fourth Street and Sanford Avenue. He reportedly offered to purchase sex from an undercover police officer. After being taken to jail, officers found him in possession of crack cocaine. He was charged with procurement for prostitution, possession of cocaine, and smuggling contraband into a county detention facility.

• Robert Lee Ferguson, 53, of Geneva, was arrested by police on Jan. 14 at East Fourth Street and Cypress Avenue where he reportedly attempted to purchase sex from an undercover officer. He was charged with procurement for prostitution.

• Porfirio Hernandez-Serrano, 25, of West Ninth Street, Sanford, was arrested by police at East Fourth Street and Sanford Avenue where he allegedly offered to purchase sex from an undercover officer. He was charged with assignment to commit prostitution.

Battery

• Edward Leroy Jones, 41, of Castle Brewer Court, Sanford, was arrested by Sanford police Monday. He reportedly had been involved in an altercation with a male during early February, during which time he is said to have stabbed the man with a knife three times. Jones was identified through a photo lineup, and arrested on charges of aggravated battery with a deadly weapon, and aggravated assault with intent to commit a felony.

• Joshua Lamar Lee, 23, of Geneva, was arrested by Sanford police Wednesday in Castle Brewer Court, where he reportedly had an altercation with a female. He was arrested on charges of burglary with assault or battery, and battery — causing bodily harm.

Drug arrests

• Brenda Hudspeth, 33 of West 13th Street, Sanford, was arrested near her residence by Sanford police on Thursday, when she was seen carrying an open container of beer. After being taken to jail, officers discovered she was in possession of drug paraphernalia. She was arrested on charges of smuggling contraband into a county detention facility, possession of narcotics equipment, and violation of the Sanford city ordinance regarding possession of an open container of alcohol.

• Deon Perkins, 22, of Yale Avenue, Sanford, and Jermaine Perkins, 21, of Oleander Avenue, Sanford, were arrested after Sanford police served a search warrant at Jermaine Perkins' residence on Jan. 29. Jermaine was arrested on charges of possession of cocaine with intent to sell/deliver, and possession of narcotics equipment. Deon

Perkins was charged with possession of under 20 grams of marijuana.

Contempt of court

Carlos Rosa, 40, of Seminole Boulevard, Sanford, was arrested by Sanford police Monday at a residence on Placid Woods Court. He was charged with contempt of court — violation of an injunction for protection against domestic violence.

Thefts

• Jacquelyn Danielle Brooks, 20, and Kinsey Kenya Banks, 20, both of Mount Dora were arrested by police Wednesday at a store in the Seminole Towne Center, where they were seen taking merchandise from a store without paying. Each was arrested on charges of petty larceny of property over \$100 in value.

• Michelle Jacqueline Clarke, 36 of Lake Jennie Drive, Sanford, and a 12-year-old girl were arrested by Sanford police Tuesday, at a store in the 3600 block of Orlando Drive. Clarke reportedly took \$105 in items from the store, and the girl took \$4 in items. Clarke was arrested on a charge of petty shoplifting from a merchant. There was no indication of charges against the juvenile.

DUI arrest

Daniel Prichnick, 43, of Orlando, was arrested by Sanford police Wednesday. Officers stopped his vehicle at State Road 46 and Interstate 4. He was charged with driving under the influence (DUI) of alcohol or drugs.

Other arrests

Brook-Ann Elizabeth Young, 37, and Terry Dwayne Young, 41, of Ridgewood Avenue, Sanford, were arrested by Sanford police Tuesday at their residence. Terry Young was arrested on a charge of battery (domestic) after he reportedly struck his son. Brook-Ann Young is said to have attempted to pull her husband from police officers who were taking him into custody. She was arrested on charges of battery on a police officer and resisting an officer without violence.

they talked and formed a plan to obtain a gun and shoot her father, but they could not get the money to purchase a gun. She added that by midnight on that day, she had decided it was not a good idea and talked Moran out of doing anything.

Moran however, did not change his mind, and on Monday, while Courtney was out walking her dog, he attacked Schuloff with the baseball bat, then wrapped the body, intending to take it, in Schuloff's pickup truck, to Brevard County where he would ditch the body.

In an interview with Moran,

police said he explained that Courtney had been using her father's credit cards to make purchases on line, and her father found out. He also said Courtney told him her father had beaten her badly the previous night and that she wanted her father dead.

Eventually, both were arrested by Altamonte Springs police. Moran has been charged with homicide, premeditated first degree murder. Courtney was charged with homicide, premeditated murder. Both were transported to the Seminole County jail where they are being held without bond.

Invent something Celebrating the makers of the ferris wheel and the reaper

I love to read information about inventors. Two of them have birthday anniversaries in the next few days.

On Feb. 14, 1859, George Washington Gale Ferris was born in Galesburg, Ill. As his name implies, he is credited with designing and constructing the first Ferris wheel. He developed it for the World Colombian Exposition in Chicago in 1893. It was 250 feet in diameter, with 36 coaches, each capable of carrying up to 40 people. That's a total of 1,440 people, larger than anything we have at our amusement parks these days. The people stood up in the cars for their circular trip. Needless to say, it was the featured attraction at that fair. Ferris said it was designed as America's answer to the Eiffel Tower built for the Paris International Exposition of 1889. Ferris died in Pittsburgh just three years after his wheel was introduced.

Nick Pfeifauf

Cyrus H. McCormick was born Feb. 15, 1809 in Rockbridge County, Va. He is credited with having developed the reaper, said to be second only to the creation of railroads, in the betterment of the farmers of our nation. Actually, he didn't design it. His father had attempted to create a reaper during previous years, but died before it could be fully developed. His son took over the task and introduced his first reaper, with horse-operated power, in July of 1831. It was first demonstrated in a wheat-field in Virginia, but McCormick moved to Chicago in 1847 to be closer to the farming center of the nation. Even though there were 20 years of litigation regarding his patent rights, he eventually won, and his business prospered. He died in 1884 and by 1902, his family sold the rights to others who consolidated into what became International Harvester Company. These days, his original reaper has become one of the major pieces of equipment on most grain producing farms. It is now very large, with an enclosed cab for the operator, complete with heat and air conditioning, and often a radio and two-way telephone operation.

Earlier this month, on Feb. 11, we had the birthday anniversary of Thomas Alva Edison, born in 1847, Talk about patents, he held more than 1,200 of them, including patents for the incandescent lamp, phonograph, electric dynamo, and key parts of such items as the movie camera and telephone transmitter. His once said, "Genius is one percent inspiration, and 99 percent perspiration." He died in Menlo Park, N.J. in 1931.

The purpose here is to call attention to those who may have developed something which would become sellable, but failed to patent their creation. There are many ways these days, including e-mail, which offer to help a person patent something new. The only problem is some of these so-called experts, who might try to take some of the financial gain away from the inventor in the name of being a co-filer. This is dangerous unless you look into the person who says he will get your patent.

I had a close friend and relative who worked at the Kennedy Space Center years ago. In his spare time, he was allowed to take home some of the waste fluids from the space program, which he ran through a make-shift still in his shed, and produced some of the strongest glue known at that time. The glue became part of the construction of space related projects. He didn't bother to obtain a patent however. Eventually he turned his process over to the KSC officials he worked for. He suspected that the person who did take over the process obtained the patent and possibly became extremely wealthy.

I suspect there are others here in Central Florida who may be in the same situation. Don't let your discovery or invention go to waste. Apply for a patent. You may find someone else has already filed for a patent on what you have created, but one never knows. You may be onto something that could not only be of benefit to future mankind, but be financially good for you as an individual.

Grandma thanks SPD for bringing killer to justice

To the editor:

My name is Karen Tillman. In 1997 my 6-week old grandson was beaten to death in Sanford. Neither my daughter nor her boyfriend were charged for his murder. For six years I wrote to so many people to help solve this murder, but no one would help.

Two months ago, I found out that Detective Jose Santiago was calling my ex-husband, so I got his phone number and called him. He was very professional and seemed stern, but let me tell you that this detective solved this case and had a very dangerous man taken off the streets. I was impressed how fast it all happened and how he and his many team members all worked through the weekend to get this done. He even worked through his vacation.

My opinion of Florida has changed a lot because of him. My granddaughter is safe because of him. Jeffery Rothschild told me long ago that he would steal my granddaughter Brianna, and I have no doubt in my mind that he would have. My husband and I adopted her and she is six.

I recommend a commendation for his swift action and the dedication he showed to solve this cold case file.

Altamonte chief of police is grateful for Sanford partner

To the editor:

Recently, we learned that a city employee was in need of food and made a plea for help from our friends at the Sanford Police Department. It is my understanding that Officers Mike Bernosky and William Willis initiated and coordinated raising donations. On behalf of Sanford

Police Department and the Explorer's Post 516, a \$60 Winn Dixie gift card was donated. Through our combined efforts more than \$500 was raised and donated to the family.

On behalf of the City of Altamonte Springs, I would like to thank Sanford Police Department, the Explorer's Post 516 and officers Bernosky and Willis for initiating this endeavor and the generous contribution. Because we have outstanding partners such as Sanford Police Department, we were able to help a family during their time of need.

Your generosity was very kind and I appreciate your community involvement. Once again, thank you very much.

Downtown owner objects to paper's 'untruthful' report

To the editor:

In a recent article in the *Seminole Section of the Orlando Sentinel* several concerns were raised by "local merchants" including, but not limited to: (1) Merchants "Had little or no voice in planning the changes," (2) "Parking already is sometimes hard to find," (3) "It doesn't seem quite fair" Dunn said. "We had no real say in it before," (4) "We want to try to be a part of it, if the city would allow us," he (Dunn) said.

I represent a group of property owners and merchants who own more than 85 percent of the property to be directly affected by this project and are in full support of it.

While Mr. Dunn has been a vibrant participant in building his businesses in the area around the downtown, his businesses are not actually in the area to be immediately impacted by the First Street Streetscape project and for him or any other property or business owner to intimate that the city has not taken local interests into considera-

tion is just not factual.

The city of Sanford and its project development partners have held more than a dozen meeting activities encouraging input from anyone interested. They have had meetings that were specially set up for the merchants, only to have three or four people attend. The atmosphere at one meeting was so contentious by a few merchants that the engineers packed their charts and easels and left.

There were two very large and public meetings that Mr. Dunn and several dozen merchants attended (Dec. 12, 2002 and Feb. 19, 2003). There were video and chart presentations and a "straw poll" was taken and all concerns were listed and taken into consideration.

The final vote was open to the public. It was a joint session of the City Commission and the Community Redevelopment Agency and more than 25 property owners and merchants attended in support, while only four or five merchants and interested parties attended in opposition.

I made the presentation for those in support. I presented the City Commission and the CRA with a petition of support from property owners representing 85 percent of the properties that are directly affected by this project.

While I understand the concerns about the project, I have seen the city of Sanford address each item of concern with sincere interest and a pro-active demeanor. The city has put together a plan that takes into consideration the major concerns of many merchants, including the starting date (moved several months at the request of the merchants), setting up satellite parking areas and phasing the work in five phases so that no one would be blocked or kept from any storefront any longer than is absolutely necessary. Many more issues have been addressed along the way.

It is particularly unfair to those who have worked tirelessly from the city to attempt to make this project as painless as possible. Even when the acrimony of the merchants opposing has been

very acerbic, the city staff, commissioners and CRA members have continued to listen carefully and act in good faith.

On April 13, 2003, the *Seminole Sentinel* carried an editorial by Jim Toner that I responded to at the time in a written response that was not published. Mr. Toner wrote:

"Sanford needs to work harder to satisfy the concerns of all parties, including downtown businesses, or we will see a replay of an unfortunate scenario of infighting that hurts everyone involved."

I pointed out to the paper at that time that these concerns were not an accurate portrayal of the facts.

I would hope that the *Seminole Sentinel* would work harder to report the facts accurately so that a more complete picture of the progress and successes of the downtown can be more positively portrayed. There will always be people who are unhappy and they should always have a voice. But, when the picture is painted of discord and lack of concern, it serves no one. The truth may not make a great headline, but it does serve those of us who are working hard to keep Sanford growing in a positive direction.

Sanford officer commended by Goodwill director

To the editor:

Brian Tooley, Sanford Chief of police,

I am writing to express my appreciation for one of your officers, Stacy Richardson. She responded to a call at our office on Jan. 8. Our security alarm was going off and she waited patiently for me to return to the office to check things and reset the alarm. She was very professional. Please compliment her on her performance.

President George Bush's loyalty is a two-way street

Everybody is talking about the president's appearance on "Meet the Press" Sunday, and most agree that it was not one of the great moments of his presidency. And it doesn't matter who you ask, whether it's George Will or Peggy Noonan or some other Bush supporter, you'll be told President Bush's performance was less than stellar.

No matter what other criticisms have been voiced, to my mind his unqualified defense of CIA Director George Tenet, was inexcusable. While his display of loyalty to a member of his administration is characteristic of the man, his judgment in the matter leaves a lot to be desired. Moreover, that same sense of loyalty was not displayed by Mr. Tenet.

People in government who have been appointed by the

president, or even holdovers from the previous Clinton administration who have been allowed to keep their jobs, serve at the pleasure of the president. Part of their job is to protect the president from verbal assaults and attacks, especially those that are utterly unjustified by the facts.

George Bush is now under attack for something for which he should not be criticized - the tragedy of September 11, 2001 and the failure of intelligence about Iraq's WMDs. People forget that George W. Bush was sworn in on January 20, of 2001. He hadn't had time to even open his eyes before 9/11 happened and yet he is being blamed for it and the Democrats and their media allies are implying that he knew something that he did not know about the attack when all

Mike Reagan

agreed that Saddam Hussein possessed them.

The biggest mistake he made last Sunday on "Meet the Press" was voicing confidence in George Tenet. If George Tenet were a real man and saw his President under attack and taking all the flak for the failure of the CIA and the all problems with the intelligence, he would willingly take the blame and offer his resignation - and the

evidence proves the charges are simply hog-wash. And as far as the WMD matter is concerned, President Clinton and every foreign intelligence service

president would do well to accept it. He'd take the monkey off the President's back and put it on his own shoulders where it belongs.

As long as George Tenet simply hangs around and plays the cover-my-behind card instead of protecting the president, George Bush continues to get buried by a controversy which should be focused on the CIA director.

It's important to remember that Tenet is a Clinton holdover, which should be a warning to any president that it is very unwise to allow people from previous administrations to stay on in key positions such as head of the CIA, especially if they were from the opposite party. You're just asking for trouble, especially when the previous administration was Bill Clinton's scandal ridden

term of office.

The President needs to have somebody tell him he needs to get rid of George Tenet. Karl Rove needs to sit down and have lunch with George Tenet and tell him "George, it's time for you to turn in your resignation and we want it by dinner-time. And the President will accept it."

This is important because what's happening now is not good for the President and not good for America. What we have is a president who is running the war like Ronald Reagan and running his re-election campaign as if he were his father.

Remember, when the Republicans had a package on former President Bush's desk that would have cut spending without raising taxes to get the budget to that \$500 billion

mark, the Democrats had a tax increase to get there. And the president who had pledged "read my lips, no new taxes," chose the Democrat's tax increase over his own party's spending cuts. And the rest is history.

The President has to start showing the kind of strength he displayed after 9/11 and the place to start is to have someone go to George Tenet and tell him to accept his responsibility to protect his president and resign.

Mike Reagan, the eldest son of President Ronald Reagan, is heard on more than 200 talk radio stations nationally as part of the *Radio America Network*. Comments to mercagan@hotmail.com for Mike.

Officials, employees celebrate 50th anniversary

More than 80 officials and employees of Chase & Co. were guests at a dinner in observance of the 50th anniversary of the founding of the firm. It was held in the chamber of commerce building the previous Saturday evening, with Joshua C. Chase as toastmaster.

The program opened with the singing of "Hail, Hail the Gang's All Here." Rev. Martin J. Bram of Holy Cross Episcopal Church offered the invocation after which Mayor W.A. Leffler, executive vice president of the firm, welcomed those in attendance.

Following the dinner, the entertainment included a magic act by "Presto, the Magician", otherwise known as Raymond Montsalvatge, Jr. and a song by Martin Stinecpher.

The following talks were given: "Incubating Chase and Co.," S.O. Chase, Sr.; "Why I Came to Florida", C.A. Baumeister; "Experiences with Chase and Co.," C. Hutchinson; "Highlights on the Farms", E.W. Copeland; and "The Next 50 Years".

The program concluded with the singing of "Auld Lang Syne". All of the program participants were employees of Chase and Co.

Guests present were E.P. Forster, Rev. Martin J. Bram, S.G. Gray, W.R. Robinson, J.K. Witherspoon, Charles Benham and Charles Whitner.

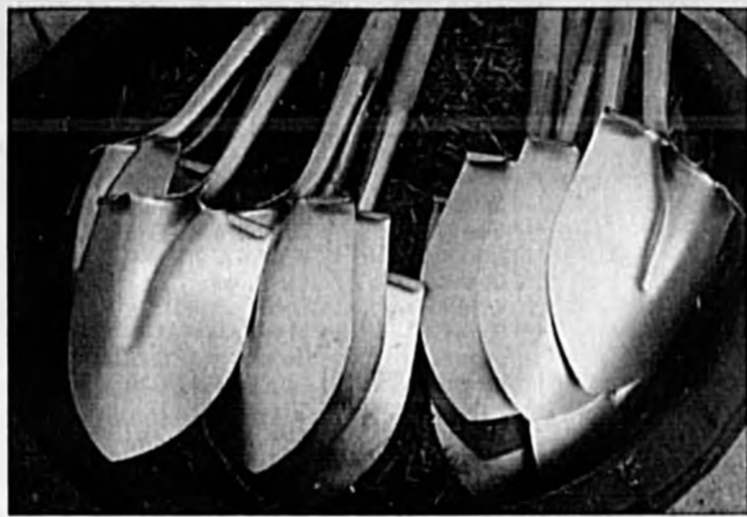

Those attending who had 40 or more years of service with the firm were C.A. Baumeister, S.O. Chase, J.C. Chase, T.J. Eubanks, W.R. Harney, E. Magnuson and Leonard Vihlen.

Employees who had been with the firm for 25 years or more were A.R. Bogue, Mayo Dade, N.A. Fry, C.P. Herndon, W.A. Leffler, and J.B. Shiver.

Those with 10 years or more of service were Randall Chase, S.O. Chase, Jr., J.D. Callahan, S.M. Crowell, E.H. Cullum, M.L. Cullum, G.B. Frank, Corbett Autchison, W.C. Hutchinson, T.W. Jones, P.H. Lansing, A.B. Mahoney, R.F. Moule, Eric Nordgren, Miss Maude Ramsey, A.J. Rinck, Jay Stull, P.T. Stanley, William Vogt, C.F. Ward and D.S. Wilson.

Others included W.C. Appling, T.A. Brown, T.V. Brown, Henry Brockmeyer, F.W. Chase, E.W. Copeland, Snow Collins, Miss Bonnie

Recognized as a Tree City USA years ago, city plants oaks in Magnolia Square

By Nick Pfelfauf

SANFORD — When is Arbor Day? A former Sanford city official once told us, "It's any time we want it to be." Such is the case.

The National Arbor Day is supposed to be the last Friday in April (30th). While it is usually declared by Presidential Proclamation, it has never been officially verified in Congress. In Florida, Arbor Day is Jan. 19. In the city of Sanford however, this year, it was held on Feb. 9.

Sanford Mayor Brady Lessard, members of the city commission, city officials, members of the Scenic Improvement Board (SIB) and special guests, held festivities at Magnolia Square, in the heart of downtown Sanford. The SIB and Lessard planted Live Oak Trees.

Sanford Parks and Grounds Operations Manager Marc Hultin delivered the official Arbor Day Message, after which the officials,

armed with shovels, dug into the ground for the planting.

Four oaks, valued at about \$1,600 were donated for the ceremony by Chuck Gonyea, district manager of John Deere Landscaping. The trees were actually planted just off Magnolia Avenue between First and Second streets.

Arbor day started on April 10, 1872, in Nebraska, by J. Sterling Morton. About half of the states now observe the event sometime in April, probably due to the beginning of warming across the entire nation when trees can be safely planted.

In his official proclamation of the event, Lessard explained that trees can reduce the erosion of our precious topsoil by wind and water, cut heating and cooling costs, moderate the temperature, clean the air and produce oxygen, and provide habitat for wildlife.

Sanford has been recognized as a Tree City USA by the National Arbor Day Foundation a number of years ago.

A happy birthday to Redding

Happy Birthday for mother, grandmother, great-grandmother, sister, aunt and our friend, Juanita Coachman Redding. Thank you Mother for your ever present "Love" was the theme of the evening of

total surprise for the honoree. Juanita was born to Tina and Catherine on Feb. 6, 1931. At the celebration to honor Juanita "Neta" on her 73 years of life, family, friends and well wishers joined in the fun and celebration. Mistress of Ceremonies was Nora Coppedge. Thelma Washington Sherrad, cousin of the honoree gave the opening prayer.

Soloist was La Tisha Carter with a selection from the First Shiloh Male choir and ensemble.

Betty Coachman Rutley, sister of the honoree gave a brief fun-filled information history of the life story of Juanita from childhood to adulthood.

Altamese Coachman Ivey, sister of Juanita gave words of love and thanks to the honoree for the role she has played in her life. She then gave the blessing of the dinner, as more than 150 guests listened to music as they dined.

The honoree was given more love from her son Cleve Gipson who read a poem in honor of his mother.

Classmates, neighbors and friends of Juanita gave their words of love, old memories and friendships were given by Lilia Ross, Valeria White, Dorothy Brazzell, Arthur Mae Scott and Sarah Harper.

Highlight of the evening was the skit "Help Me," full of laughs and the serious side of the life of the late Robert Lee Redding, husband of the honoree who shared many married years with her.

Happy Birthday was sung to the honoree as she received her roses of love from her son Sam, Sr. and many gifts from her family and friends. The children of the honoree say thanks for the one constant foundation she had in their lives. They could always count on mom and grandmom. She was always there no matter what life brought — her gentle love was given day to day.

After a unique flowing, loving evening, Redding received a standing ovation

Kick your knees up Geneva and step in time!

We often have discussions in our home about the various 'genes' that we as parents have passed on to our children — who received which one from which parent, etc. — and always when we do this one 'mutant gene' in particular surfaces, and we laugh.

It seems that my husband and I both possess the 'inability to dance' gene and have doubly passed it on to all of our children — much to their displeasure. Perhaps the following information, received via e-mail this week, can help overcome the powerful rhythm gap that exists in both generations.

Says Geneva resident Cathy Falconer in her note: "I have been told by some of our long-time residents that the Geneva Community Center was built back in 1903 and that generations in the past have danced there, so it will be great to have new generations dancing at the Community Center once again! We are excited about a great opportunity coming to our community — a fun family activity right here in

Geneva. "Friends and neighbors are invited to join together Sunday afternoons for family line dance lessons with instructor Jeff Joslin. Jeff is a fun, energetic teacher for all ages and abilities, so bring the kids, bring the grandparents, and join us for an afternoon of fun! The lessons will start with the basics; so if you've never line danced, don't be shy. Come and see why line dancing is a great way to spend family time having fun and getting fit.

"As long as I have known Jeff," continued Cathy, "he has wanted to do family lessons for all ages in a non-bar atmosphere (Joslin also teaches at The Barn in Sanford). We have high hopes that Sundays will become something special that everyone will enjoy. He also has

help this time, instead of having to do everything himself, so we are hoping that this time around it will become a long term thing.

"I started dancing with Jeff back in May when he was at the Geneva Community Center on Wednesdays. I knew absolutely nothing about line dancing when I started and I was not in very good shape. I kept with it even when Jeff moved back to The Barn and now I know more than 70 dances, have lost more than 30 pounds and I feel like I am in the best shape of my life! I might even get a chance to dance competitively.

"Line dancing is so much fun you don't even realize that you are also exercising. I used to hate to 'exercise', but now I can and will dance for hours. I really hope everyone will come and give it a try. I am hoping they will enjoy it and benefit from it as much as I do and maybe we can even schedule some socials up at the Community Center where everyone can come to meet their friends, practice their new dances, eat and enjoy yet another perk to

living in Geneva!"

A visit to Joslin's Web site The Country Connection revealed that Joslin himself is a dance convert, having taken up the activity to relieve stress after Hurricane Andrew blew through his neck of the woods.

Comments Joslin: "I was invited by members of my church to start learning line dancing — just one of the many stress outlets available to help cope with our current environment. Of course the idea of learning country dance was not on the top of my list. However, I agreed to give the lessons a try. Many years have passed and I'm still dancing to the country beat."

Joslin, in those passing years, has also survived a major head injury as well as a lighting strike, but continues to dance, teaching his ever-growing repertoire of steps several evenings each week.

Lessons at the Geneva Community Center will start on

EDUCATION

SCPS celebrates Florida School Volunteer Month

Since 1973, Dividend School Volunteers have been planting the seeds for student success.

Seminole County Public Schools is celebrating its 15,173 Dividend School Volunteers during Florida School Volunteer Month. Last school year, 16,395 volunteers donated 457,014 hours to 55 schools serving students kindergarten through 12th grade. This represents more than \$7 million worth of services donated to the schools by the community.

The newest volunteer

opportunity is the Masters Tutoring Program. Classroom teachers request tutors for struggling students and volunteers are trained and screened to match their academic expertise with the students needs.

Currently there are teacher tutor requests for: Crooms Academy (2), Eastbrook Elementary (3), Goldsboro Elementary (1), Highlands Elementary (6), Idyllwilde Elementary (1), Lawton Elementary (1), Pine Crest Elementary (1), Sterling Park Elementary (1),

and Wicklow Elementary (2).

Dividend volunteers also serve as classroom speakers. More than 650 of these community resources speak on topics such as history, the environment, cultures, careers, organ donations, crime lab, diversity, public safety and many more.

Volunteers and speakers can register to volunteer online through the district Web site www.scps.k12.fl.us.

For more information on the Dividend School Volunteer Program, call 407-320-0182.

NOTICE OF PUBLIC HEARING

**Seminole County, Florida
Citizen Participation
2004-2005
Consolidated Plan Process**

Seminole County is the recipient of federal grant funds through programs administered by the U.S. Department of Housing and Urban Development (HUD). These programs include the Community Development Block Grant (CDBG) Program, the HOME Initiatives Partnership (HOME) Program and the Emergency Shelter Grants (ESG) Program. These programs are designed to assist the County's lower income residents. In order to streamline the administration of these programs, HUD had consolidated all of the local planning and citizen participation requirements of these federal programs into a single administrative process called: "The Consolidated Plan".

Anticipated Grant Amounts:

CDBG	\$2,886,000
HOME	\$1,250,000
ESG	\$ 107,361
TOTAL	\$4,243,361

Range of Activities: The County is able to undertake a wide range of activities under these programs to benefit lower income people/households or in areas where the majority of the people/households are defined by HUD as lower income.

Citizen Input: The purpose of this public hearing will be to solicit citizen input for the purpose of considering funding activities for FY 2004-2005 and for the purpose of receiving public comment regarding past performance of the CDBG, HOME and ESG Programs. FY 2004-2005 funding will be open for citizen input as it relates to the main categories of funding proposals sought by the County which were advertised in the *Seminole Herald* and the *Orlando Sentinel* on January 18, 2004. You may contact the Seminole County Community Development Office at 407-665-7384 for a copy of the advertisement. Copies of the advertisement will also be available at the public hearing. The public hearing will be held on February 23, 2004 at 7:00 pm. in the Seminole County Services Building, Room 3024, 1101 East First Street, Sanford, Florida 32771.

PERSONS WITH DISABILITIES NEEDING ASSISTANCE TO PARTICIPATE IN ANY OF THESE PROCEEDINGS SHOULD CONTACT THE HUMAN RESOURCES DEPARTMENT ADA COORDINATOR 48 HOURS IN ADVANCE OF THE MEETING AT (407) 665-7941.

PERSONS ARE ADVISED THAT IF THEY DECIDE TO APPEAL ANY DECISIONS MADE AT THESE MEETINGS/HEARINGS, THEY WILL NEED A RECORD OF THE PROCEEDINGS AND FOR SUCH PURPOSE, THEY MAY NEED TO INSURE THAT A VERBATIM RECORD OF THE PROCEEDINGS IS MADE, WHICH INCLUDES THE TESTIMONY AND EVIDENCE UPON WHICH THE APPEAL IS BASED, PER SECTION 288.0105, FLORIDA STATUTES.

Seminole club to participate in state 4-H championship

From Staff Reports

High school students from around the state will compete for the state championship of "LifeSmarts .. the Ultimate Consumer Challenge" on Feb. 16, at the Florida State Fair in Tampa.

Seminole County 4-H members are one of the 18 teams which will participate.

Last year, the Florida state winning team was from the Sanford Seminole 4-H club, which went on to win the national championship, outperforming nearly 30 other state winning teams from across the United States, during a three-day event at Disney World.

This year, the national finals will be held April 24 - 27 in Chicago.

This is the eighth year for the LifeSmarts in Florida. Preliminary competition for students in grades ninth through 12th was held nationwide using the Internet. The Florida online competition ended Jan. 16, and involved more than 25 coaches and more than 450 students competing to be among Florida's 18 finalists.

"High school students spend billions of dollars each year, but studies show that many lack knowledge about consumer issues," said Florida Agriculture and Consumer Services

Commissioner Charles Bronson. "Through the LifeSmarts program, students learn how to obtain answers to practical problems, such as buying a car and insurance, or understanding credit card interest rates. These are important skills that will last a lifetime."

The state finals in the LifeSmarts competition will begin at 9 a.m., Monday, Feb. 16, in the Club Pavilion at the Florida State Fair grounds in Tampa.

For more information about tickets, call 1-800-345-FAIR or visit the Florida State Fair Web site at www.floridastatefair.com.

University club awards scholarships

Photo submitted

The University Club of Orlando's Foundation recently gave \$56,000 in scholarships to 11 local students from Seminole Community College, University of Central Florida, Hamilton Holt at Rollins College, FAMU College of Law and Valencia Community College. Grant recipients included: Leslie Hardester of SCC; Alicia Roth and Kristen Davis, both of UCF; Sara Kelly Anzinger, Melissa Sue Corah, Cynthia Farina and Estelle Perez, all of Rollins College; Joe Briggs, Melissa Ford and Deanna Pierce, all of FAMU College of Law; and Paola Aristizabal, of VCC. Scholarship recipients were selected by committees from each of the schools and presented to The University Foundation for award.

ACT Assessment testing date is next month

College-bound high school students can take the ACT Assessment test on April 3, the next nationwide test date.

The registration postmark deadline is Feb. 27. Late registration postmark deadline is March 12, but an additional fee is required for late registration.

ACT scores are accepted by virtually all colleges and universities in the nation, including all Ivy League schools.

The test fee is \$29 in the state of Florida. Colleges use ACT scores, along with a student's high school GPA, high school courses taken, extracurricular activities and

other information to help determine admissions and the appropriate course placement for new students.

The ACT Assessment is an achievement test in English, reading, math and science. It measures what students have learned in high school and the skills required for success in college.

It is not an aptitude test. Some students find it more comfortable than an aptitude test because it reflects their high school curriculum. The ACT was administered more than two million times last year.

Students who have already taken the ACT can take it again and try for a

higher score. Juniors can use their scores to examine academic weaknesses, take courses to correct those weaknesses and re-take the exam as seniors. Students who take the exam more than once can report only their highest composite scores to prospective colleges if they choose.

For more information, including registration forms and test locations, contact your high school guidance counselor or register online on ACT's Web site www.act.org. The Web site also has helpful information, sample tests and the opportunity to order test prep materials.

Magic's Grant Hill stars as monthly guest reader

Kids from Seminole County are encouraged to call Orlando Magic players, dancers and coaches for the "Orlando Magic Read to Achieve Storyline," where they'll hear a recording of a different Magic personality reading a book to them each month.

In partnership with "One Book One Community," Grant Hill will read excerpts from the book "Holes" by Louis Sachar throughout the month of

February.

In addition, Magic Spanish Radio Announcer Joey Colon reads "La Verdadera Historia de los Tres Cerditos" by S. Lobo, published by Penguin Books.

Sponsored by the Seminole County Library System, the program was launched in October of last year

Singing Kings of Joy to make recording debut

Sanford's own renowned gospel singing group, the Singing Kings of Joy's CD recording debut will be Sunday, Feb. 22 at Community House of Prayer at 7 p.m. The album title is "He'll Bring You Out." You won't just buy this CD and shelf it, certainly it will be hard to get away from William Glenn leading the group in "Mary Had a Little Lamb," and truly it was the Lamb of God who gave His life for you.

Guitarist Johnny Golden takes you to the country with "That's Why I'm Depending On You." A must hear, "Don't Let Trouble Get you Down" led by Isaac Glenn is a sure reminder of the promises of God. You will be touched as you listen to a testimony given by Willie Fred Baker on "By the

Herald photo by Tommy Vincent

More than 150 people attended the 73rd birthday party for Sanford resident Juanita Redding. Much love and praise was given by her children (above).

Grace." Musicians Johnny Golden, Chris Glenn, Joseph Darling and David Brown will make you feel like you have gone to heaven.

You will leave the service with your shouting shoes in your hands, joining the Singing Kings of Joy in concert will be Faye Henderson & Gospel Praise, and The

Stringer Singers and others.

The group will be available after the service for CD signing. For more information, call James Smith at 407-323-4848. Pastor, Dr. Theory Stringer. The public is invited.

promotion.
SFC Goldberg and I have been playing this tossing game called "Rattle Ball" that someone sent us in the Christmas boxes. It is played with 6 rubber balls tied together with a string, kind of like bolos. We then set up these goal posts at about 30 feet apart with me at one end and he at the other. We try and wrap the bolos around the posts.

Tonight is the Super Bowl on TV so we will watch that at 0200 in the morning due to the time difference.

5 Feb. 2004 Good news, I heard from U.S. Sen. Graham's office in reference to a congressional inquiry that I submitted about being

held a year beyond my discharge date like an "indentured warrior" because of the stop-loss policy and indefinite enlistment. I explained to him that I'm a veteran of several wars, both Gulf wars, plus Kuwait, Bosnia and Panama, and have an exceptional military record and a bunch of decorations. I also stated my opinion that soldiers, including reservists, are simply being recycled in combat so the government doesn't have to reinstate the selective service, which would be bad for the election campaign.

Now I'm preparing a letter to the president, in which I'm offering \$10,000 cash for my freedom because I have

earned it after risking my life. I figure with all the profiteering and campaign fund-raising that goes on in Washington, somebody will surely take me up on my offer. I have no idea what the response will be. Probably another threatening warning about jumping the chain of command. I'll guarantee you one thing, I ain't afraid of any of that non-combatant bunch in Washington. They are supposed to be working for the people, but if we don't have guts enough to speak out for ourselves, then we might as well live in a communist country. The fight to protect democracy always begins at home and not in some foreign desert 7,000 miles away.

Oviedo selects new police chief

The city of Oviedo announced Friday Charles "Chuck" Drago as the new police chief. The offer and Mr. Drago's verbal acceptance occurred this afternoon. Drago will assume his new responsibilities on March 15. His beginning salary will be \$85,000 per year.

Drago's current position is assistant police chief in Ft. Lauderdale. He has been a member of the Ft. Lauderdale Police Department for 29 years, progressing through the ranks from officer to major to his present position. He knows the area very well, having two daughters who graduated from the University of Central Florida.

University of Central Florida, Rollins College and Jacksonville University.

"I do think her artistic talent is reflected in the classroom and it's just amazing the displays that the children create," said Dr. Barbara Nixon, principal at Heathrow Elementary. "We know that she represents all the fine teachers here at Heathrow and also in the county."

Each school in Seminole County chooses a teacher of the year. A committee of citizens and school officials reviews each teacher's portfolio and selects 10 individuals for the county

competition. The committee then visits the teachers in their classrooms and makes a final decision.

"What probably swayed the committee was her classroom presentation," said Richard Wells, director of community involvement for Seminole County Public Schools. "She had all the kids involved in active discussion and you could see there was a rapport between the teacher and the students."

A ceremony to recognize the teachers chosen by each individual school will be held April 12 at Winter Springs High School.

Public hearing called for proposed Lake Emma Road improvements

Seminole County Engineering Division will hold a Public Involvement Meeting on Thursday, Feb. 26, to discuss roadway improvements for Lake Emma Road, from Longwood Hills Road to Sand Pond Road.

According to Jerry Mathews, principal coordinator for the Seminole County Public Works Department, part of the plan may involve transforming the road from

Pond, into a four-laned divided highway. That portion of the highway is currently two lanes.

It is a major artery between Lake Mary and Longwood.

Public viewing of displays with the projected improvement site will be from 5:30 until 7 p.m., with the public meeting on the subject to begin at 9 p.m. at Greenwood Lakes Middle School Cafeteria, 601 Lake Park Drive in Lake Mary.

Armory

poured out of the county service building waving flags and holding signs.

For 404 days, the unit played their part in Operation Iraqi Freedom by helping secure the Balad Airbase and other operations in Kuwait and Iraq. It was a long time for the soldiers to be away from their family and everyday jobs.

"He's very much looking forward to going back to work," said Pat Smith, mother of Sgt. Keith Whitmore.

His mother and other relatives, including his fiancé Amber Marchant and fellow Winter Springs Police Department Corp. John Maxwell greeted Whitmore at the armory. It was a time for reconnecting for Whitmore and his future bride and just in time for Valentine's Day.

"He proposed a week after he left over the phone. It's been a very long year," said Marchant showing off her diamond engagement ring she received as the unit returned to Fort Stewart, Ga. last week.

"We can spend this year together rather than last," Whitmore said.

The couple are set to marry July 17, but before then Whitmore is expected to return his place among the ranks of the Winter Springs Police Department. Maxwell and Whitmore have been buddies since the two were on the Lyman High School football team.

"It's really good to have him home," Maxwell said. "He's just a really good guy to have around."

Whitmore is due back on the police force next month. In the meantime, he said he's most looking forward to some rest and relaxation.

"We thought we would only be gone six months. I never thought we would be gone a year — no one did," he said. "The greatest thing (about being home) is just to sit on the couch and relax in the air conditioning."

The heroes' welcome for the soldiers was something that retired U.S. Army Major Bill Poe, of Longwood, said gave

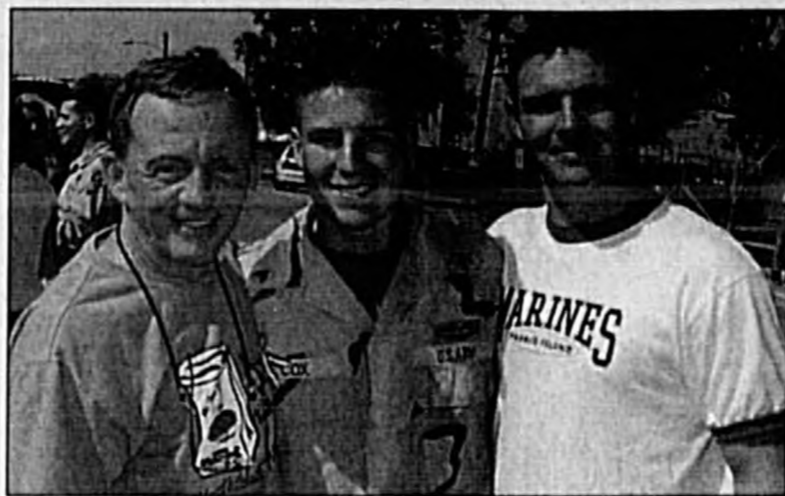

him "goose bumps all over." The 21-year veteran of the Armed Services served two tours in Vietnam.

"When we came home (from Vietnam) we didn't get this kind of welcome," he said. "I'm proud we can give them this type of welcome. These are reservists that hold full-time jobs in the community, but when they were called they stepped up to the plate without hesitation."

Poe was allowed to pin a Bronze Star on his grandson Sgt. David Cox. Cox was one of seven in the company to receive a star. Twenty other soldiers received the Army Commendation Medal.

Cox said the reunion with family Thursday was exciting, but something that was not too unfamiliar. His brother, Corp. Jonathan Cox, of the U.S. Marines Corp Fourth Assault Amphibian Battalion, was able to meet up with him during the war.

"It was a good feeling to

Herald photo by Tommy Vincent

meet him halfway around the world," said Sgt. David Cox.

He graduated from the police academy before being called to duty and hopes to join the Florida Highway Patrol. Cox said he's glad to be home and while he looks to find a law enforcement job he plans to spend time appreciating life.

"I missed my wife," he said. "I missed the small simple things — the everyday simple things."

Retired Army Major Bill Poe (above) stands with his two grandsons that served during the Iraq War. Sgt. David Cox returned Thursday while Corp. Jonathan Cox returned last year.

Quartet remains in soccer

By Dean Smith
Sports Editor

Seminole County saw its hopes of a state championship in soccer take a big hit this week as half of the field was eliminated.

The final girls' team left, Orangewood Christian, was blanked 3-0 by American Heritage from Delray Beach in the Class 2A-Region 2 Semifinals on Tuesday and three of the seven boys' team saw their seasons end on Thursday in the regional quarterfinals.

American Heritage displayed a strong defense, holding the Rams to very few good shots until the final two minutes, when two direct kicks were denied by the Stallions' goalie.

American Heritage has now won 15 games in a row to improve to 21-3-4 on the season. Orangewood sees its season end at 14-7-1.

The boys side saw both entries from Class 6A-District 2, Oviedo and Winter Springs, get shutout by Jacksonville squads by the identical score of 2-0.

The Lions (16-7-4) fell to Mandarin at home, while the Bears (12-12-2), who were making their first appearance in the regionals, were ousted by powerful Orange Park.

The other two teams playing in Class 6A-Region 1, Lake Brantley and Lake Mary, saved face for the Seminole Athletic conference with wins over Orange County teams.

Graham Zusi and Nick Roberts had a goal and an assist each, while junior goalie Josh Chandler stopped five shots to post a shutout as the Patriots (18-4-3) blanked Boone (12-11-4), 3-0, at Tom Story Field.

Naseem Abul-Hosn added the other goal and Ruiz chipped in with an assist for Lake Brantley, which will travel to Orange Park on Tuesday for the semifinals at 7 p.m.

The Rams (18-5-3) also had a fairly easy time of it as A.J. Barrett scored two goals as Lake Mary took down the 6A-District 4 champion West Orange (14-7-5), 4-1.

Kenny Myers had a goal and an assist and Chris Rodgers the other goal as Lake Mary will also travel to Jacksonville on Tuesday at 7 p.m. to face Mandarin.

If the Patriots and Rams win on Tuesday, the regional championship game would be next Friday, probably at Lake Brantley, at 7 p.m. with the winner advancing to the state final four in Tampa.

In Class 5A-Region 1, Merritt Island (18-2-3) got two goals from J.R. Simon and teammate Michael Lally had one in a 3-1 win over Lake Howell (11-8-5). Jason Sweeney scored the goal for the Silver Hawks.

The local powers in Class 2A, Trinity Prep and Orangewood Christian, also took a step closer to a rematch with shutout wins.

Ferroni and Jakubowski scored goals on assists from Fernandez and Marks and Robby Waked made five saves in goal as the Saints (17-2-1) white-washed West Palm Beach-St. Edward's, 2-0. See Soccer, Page 16A

Bringing sailing back to Central Florida

Special to the Herald

"With your rail in the water and everyone hiked out on the high side in neck to neck competition, it's easy to see how we get hooked - it's a huge adrenaline rush," says Willie Blevins regarding his favorite sport - sailboat racing.

Willie and his wife, Denise, own the FUN Maritime Academy on Lake Monroe, and are dedicated to educating the public about this great family sport. And to prove it, they are hosting the Catalina 22 Mid-Winter Regatta February 19th through the 22nd.

Catalina 22 Mid-Florida Regatta coming to Sanford

"We really want to see this lake bursting with activity. So we're doing everything we can to get more sailors on the lake. We've created the Boating Club for those people who want to sail, but don't have their own boat, and we also give Sailing Instruction," says Denise.

"And it's all fun, but we really love the competitive racing," adds Willie. The Regatta will draw 20-30 sail-

boats, many from out of state, and begins at 3 p.m. Thursday, February 19th with a rigging party on the ramp. Races are held Friday through Sunday with an awards presentation Sunday at 2 p.m.

This is the first time the Catalina Mid-Winters have been held in Sanford. And the new Sanford Riverwalk is scheduled to be complete in February, giving spectators a

great vantage point to view the races.

Spectator boats are cautioned to stay clear of the race course and maintain a safe distance from participating boats. And spectators are welcome to watch from the beach at the marina.

The FUN Maritime Academy is the first business to open its doors as part of the Riverwalk. Their services include beginning and advanced sailing lessons, sailboat, pontoon boat and skiff rentals, and a boating club where members pay a flat monthly fee and have access to the fleet of sailboats.

SCC's M-FC hopes end

CFCC holds off Raiders

By Dean Smith

SANFORD — While their chances of winning the Mid-Florida Conference were slim, both Seminole Community College basketball teams saw the hopes all but die as they let victory slip through their hands Wednesday night.

Coach Lisa Nuxol's women had conference unbeaten Central Florida Community College (10-0) on the ropes several times despite playing once again without high-scoring Natalie Emmanuelli and top reserve Christina Wright, but missed layups and free throws spelled the difference as the Patriots held on for a 65-59 victory in the opening game. See SCC, Page 16A

Freshmen led the way for Seminole Community College on Wednesday night as the second leading scorer in the Mid-Florida Conference, TJ Jones (with ball, left photo), scored 22 points and handed out two assists and Abena Bosia (No. 22, above) came off the bench to score 13 points and pull down 11 rebounds, unfortunately, both efforts came in losses to Central Florida Community College.

Liberty sweeps home finales

By Shelle Knowles
Special to the Herald

SANFORD — The Liberty Christian School boys and girls basketball teams played and won their last home games of the season Tuesday.

The boys defeated Praise Temple Christian School 46-32 while the Lady Patriots defeated the Praise Temple Lady Tigers 31-16.

With the victories both teams remain unbeaten and in first place in their conference.

The boys came out strong in the first half, only allowing Praise Temple to score 11 points against them, while the Patriots scored 23.

After Coach Bill Simpson placed his second string in the game during the second half, Praise Temple scored another 21 points.

Senior Joseph Stephen led Liberty with 14 points and eight rebounds. Mark Tavanyar played a great game as well adding 11 points and 11 rebounds.

The Lady Patriots came out aggressive against the Lady Tigers, leading 18-2 at the end of the first half. Coach Ron Williams substituted freely in the second half and Praise Temple scored eight points in the third quarter. However, Praise Temple could not catch up with Liberty as the girls cruised to victory.

Playing at point guard, Kim Slate led the Lady Patriots offense with 18 points including a pair of three-pointers. Brittany Unsworth was the second leading scorer with six points. Unsworth pulled down 19 rebounds, while Katie Syner grabbed nine.

UCF men maintain A-Sun lead

Special to the Herald

Dexter Lyons matched a career high with 25 points and led three players in double figures as UCF (18-4, 13-2) defeated Jacksonville (11-12, 6-10), 78-69, at UCF Arena Thursday evening. The win gives the Golden Knights back the lead in the Atlantic Sun as they hold a half game edge over Troy State.

The Dolphins opened the scoring as David Lee gave JU a 3-0 lead following a traditional three-point play, but Josh Bodden answered right back scoring on consecutive possessions to put the Knights up 4-3 with just under two minutes gone by in the first half. After a layup by Hammann Quaintance gave the Dolphins a 5-4 advantage, UCF put

together a 10-0 run capped off by Marcus Avant's triple to grab a 14-5 advantage.

The Dolphins hung around as they scored the next six points and outscored UCF 11-2 over the next four-and-a-half minutes knotting the game at 16 with just less than 10 minutes remaining in the opening stanza. Following a free throw by Aubery Conerly, JU grabbed its first lead since the opening bucket at 22-21.

After Lyons tied the score at 27 all with his first triple of the half, UCF went on to outscore the Dolphins 10-5 in the closing minutes of the first half. Roberto Morentin opened the scoring with a triple, while Lyons scored UCF's final eight points including a three with just

five seconds on the clock to give the Knights a 37-32 lead at the intermission.

The Knights opened the second half on an 8-2 run, highlighted by an alley-oop by Lyons from Gary Johnson, to move out to a 45-34 advantage and grab the first double-digit lead of the game.

The Dolphins continued to chip away and following a three by David Lee had narrowed the gap to 56-49 midway through the second half. After an exchange of baskets, the lead was again pushed to 10 when Lyons matched his career high knocking down a jumper at the 6:57 mark. UCF would hold a double-digit lead for the next seven minutes before Nolan McBride's three with 38 seconds left had cut the lead to eight at See College, Page 16 A

Winter Springs wins a thriller

By Dean Smith
Sports Editor

Mike Kuhl had the big game, but it was Jarrod Benton's free throws that spelled the difference as the Winter Springs boys survived, 99-97 in four overtimes, over Lyman in a Seminole Athletic Conference contest on Wednesday.

Kuhl had 35 points four rebounds and six steals for the Bears (17-9), while Benton added 25 points, six rebounds and four steals, and made final two game-winning free throws with six seconds left in the fourth overtime. Winter Springs had several opportunities to win the game earlier, but the scrappy Greyhounds (8-17) refused to give up.

Igor Milanovich forced overtime with a layup with one second remaining then Sanchez Hughley, who had a team-high 32 points for Lyman, hits a pair of three-pointers in the final 10 seconds of the second overtime to tie the game and then hit three free throws with four seconds remaining in the third overtime to force the decisive final four minutes.

Mark Robinson added 24 points and 12 rebounds for the Greyhounds. Robinson had also had a big game the night before with 15 points and nine rebounds, but unfortunately it too came in a losing effort as Lake Mary continued its late-season surge with a 74-47 victory over Lyman.

The cousins Merthie were again the stars for the Rams with Darryl accumulating 19 points and four assists and Lyndon scoring 15 points and pulling down six rebounds.

Lake Mary then ran its record to an impressive 17-7 with a 77-66 triumph over Lake Highland (13-10) on Wednesday.

Darryl Merthie again led the way with 26 points, while Lyndon Merthie chipped in with 12 points.

Seminole bounced back from a couple of tough losses last week to top Lake Brantley, 52-42, on Tuesday with Cy Wynn totaling 16 points and five assists, Robert Preston scoring 12 points and Bert Whigham grabbing eight rebounds to outshine the Patriots' Marquis Johnson (16 points, eight rebounds).

But Wednesday found Arrow Force XII again suffering a heartbreaking loss, this time to powerful Lake Howell, 70-61 in overtime.

Pat Calathes was the big gun for the Silver Hawks (21-4) with 28 points and nine rebounds, while Zach Thacker also had a huge game with 17 points and 11 rebounds.

Winn came up with another big night for Seminole (12-12) with 20 points, while Andrew Chapman chipped in with 14 points.

West Orange (12-12) kept Lake Brantley (7-17) on the skids with a 67-34 thrashing of the Patriots despite 11 points from Johnson and six points from Jammur Guy.

Trinity Prep (21-4) picked up two more wins this week as Seth Kramer had 15 points and Eric Dietrich eight points in a 55-39 victory over Melbourne Central Catholic (16-8) on Tuesday and Dietrich had 17 points and Kramer 10 points and 10 rebounds in a 65-35 crunching of Northside Christian (14-9).

NASCAR INVOLVEMENT GROWING

NASCAR has long been a favorite of Seminole County racing fans, but now a couple of ties locally could make the enjoyment even better.

Most locals now realize that Jeff Gordon's Crew Chief, Robbie Loomis, is a Lake Brantley High School graduate and still lists Altamonte Springs as his home town.

Now, Sanford-based Superchips, which moved into its new state-of-the-art facility at 179 East Airport Boulevard, has agreed to be the primary sponsor for 2004 of the Roush Racing #99 NASCAR Craftsman Truck, driven by Carl Edwards. After coming on board for the final 10 races of 2003, Superchips agreed to take on 2004, especially seeing Edwards take Rookie of the Year. With the new '04 F150 body style and improvements in the aerodynamics, Edwards has a better chance for even

more wins.

"We had such tremendous response from the program last year with Carl and Roush that it only made sense that we continue the relationship," stated Rick Rollins, Director, Sales and Marketing for Superchips. "Superchips sells a lot of tuners for the truck guys, so this series is great for us. Plus, we believe that Carl has a good shot at the Championship and we want to be there to support him."

"We are happy to have Superchips back for 2004," said team owner Jack Roush. "As with all our sponsors, we look forward to a long and prosperous relationship."

"I am very excited to have Superchips back for 2004," Edwards said. "I got to know them quite well over the course of last year and they are a great bunch. I am going to do everything I can to bring us a championship."

You can keep track of the team at www.superchips.com; www.Roushracing.com; or NASCAR.com.

SCW SETS DeBARY SHOW

Southern Championship Wrestling return to the DeBary Civic Center on Saturday, February 21st with an 8 p.m. bell time.

In the featured Main Event, former NWA World Tag Team Champion, "Classy" Chris Nelson will take on SCW Heavyweight Champion, Brian "the Blade" Gamble. Nelson is no stranger to championship gold as he one a member of the "Heavenly Bodies" tag team whom traveled and defended the NWA tag team titles all over the world. Gamble's accomplishments include being a former American Gladiator as well as a mainstay with TNN's Roller Jam. This is sure to be a solid match up.

The SCW Florida Championship will be up for grabs as defending Champion Thump

Dupree will take on challenger "Rebel Roker" Towns Ellis.

In a match of size, 6-foot-10 "Korean Monster" Ryze will face Python.

Also, former SCW Grand Slam Champion, Jason Hexx will battle Axis in one-on-one competition.

In tag team action, Team Vision members Chasyn Rance and Manny Montana will square off against Josh Rich and Johnny Schumacher.

Each team scored their final points at the line with Morentin hitting one of two for the final margin of victory.

In addition to Lyons, both Morentin and Josh Peppers reached double figures finishing with 16 and 10 points respectively. Bodden led UCF, which outrebounded JU 41-27, on the glass pulling down seven boards. Lyons, Johnson and Bodden each had five assists.

JU had three players finish in double figures led by McBride's 22. Lee and Quaintance finished with 17 and 15 points respectively.

Quaintance also finished with 11 boards giving him his league-leading seventh dou-

ble-double of the season.

The Golden Knights will remain in Orlando to square off against cross-town rival Stetson today (Saturday, Feb. 14). Tip off is 4 p.m. and will be televised by Sunshine Network. Whit Watson will handle the play-by-play, while Jack Givens will provide the color commentary. The game can also be heard on the UCF ISP Sports Network AM-740 The Team with Marc Daniels calling the action.

STETSON DOWNS FLORIDA ATLANTIC IN DOUBLE OT 76-72

Kevin Craig scored a career-high 21 points, including six in overtime as Stetson defeated host Florida Atlantic 76-72

in double overtime in an Atlantic Sun Conference game Thursday evening at the FAU Gymnasium.

The Hatters (11-11, 9-7 A-Sun) won their fourth game in a row and won for the ninth time in their last 12 games. The Owls (8-14, 5-10) dropped their sixth game in a row including two straight losses in double overtime.

"If there was ever a team win, this was it," Stetson head coach Derek Waugh said. "The defense played well, Anthony hit a big three, and Derrick hit a big three. It is not easy to win down here and the guys did a great job."

Craig got the Hatters going in the second overtime with a lay-up at the 3:46 mark. After

forcing the Owls into a shot clock violation, Anthony Register hit a three-pointer to put the Hatters up by five. Stetson went on to hit 8-of-10 free throws down the stretch as the Hatters won their third overtime game of the year.

After leading by five at halftime, the Hatters found themselves down by eight in the second half. Stetson fought back to tie the game on a three-pointer by Anthony Register with 1:26 remaining. Mike Bell answered with a three of his own with one minute on the clock to put the Owls back up by three. Derrick DeWitt then evened the score again with a bucket from beyond the arc, sending the game into overtime number one.

In the first extra period, Stetson trailed 61-58 and 63-61, but a pair of baskets by Kevin Craig pulled Stetson even and sent the game into a second overtime.

Register finished with 19 points and six assists while E.J. Gordon chipped in 17 points.

The loss spoiled a 24-point, school-record 23-rebound performance from Bell. Earnest Crumbley added 21 points for the Owls.

Stetson swept the season series from Florida Atlantic, with both wins coming in overtime.

parking and provide fans with transportation to UCF Arena and Jay Bergman Field.

The Golden Knights will send Matt Fox, Jaime Douglas and Lake Mary's Kyle Bono to the hill this weekend vs. LSU.

Fox was nothing short of sensational on Opening Day last Saturday. The junior right-handed pitcher tossed five innings allowing just two runs on three hits with 10 strikeouts to earn the win over Florida International. It marked the third time in Fox's career that he totaled 10 or more strikeouts in a game. He just missed tying his career high of 11 strikeouts, set last season vs. USF and at Troy State.

Douglas started his first career game last Sunday at FIU and earned a no-decision. The junior southpaw tossed just three innings and recorded three strikeouts.

Bono makes his first career start Sunday for the Golden Knights after serving as the team's closer since arriving in Orlando. The sophomore right-hander was dominant last weekend at FIU, holding the Golden Panthers scoreless with three perfect innings and three strikeouts to earn the save in Saturday's 6-2 victory.

UCF has two of the top catchers in the A-Sun with the return of sophomores Drew Butera and Ryan Bono, who both call Lake Mary home. Butera was an A-Sun all-freshmen team honoree in 2003 after batting .305 with one home run. Butera was even better behind the plate, throwing out 52% of would-be base stealers.

Bono hit .265 with one homer in 2003 after a strong fall season. Both players will see time behind the dish while Bono can also play first base and Butera third base.

UCF head coach Jay Bergman, who started the program at then Seminole Junior College, is quickly moving up in the NCAA record books as one of the winningest coaches in NCAA baseball history. The Golden Knights leader is 11th among active coaches with 1,046 career victories. Bergman is also 28th among active coaches in winning percentage at a .640 clip.

All-time, Bergman is 25th in NCAA history with 1,046 career coaching victories. Bergman is just eight wins

behind former Delaware skipper Bob Hannah for 24th in the NCAA history books.

Bergman has recorded 830 career wins at UCF and 216 victories at the University of Florida.

Fans can follow every UCF game this season live on the Internet with live stats at www.ucfathletics.com, the official athletics site of UCF. In addition, the UCF/ISP Sports Network and WNSC will broadcast live 41 of UCF's 56 games in 2004 via the Yahoo! Sports audio package at www.ucfathletics.com.

STETSON SOFTBALL WINS AT TRIPLE CROWN

Sixth-inning runs by Britanni Houghton and Sherilyn Wilder gave the Stetson softball team an 8-6 win over UCF in the Triple Crown Classic Championship game at Treaty Park on Sunday afternoon.

After a scoreless first inning, the Hatters (7-1) took over offensively. With former Seminole Community College star Blake Horrelbeke on second and Carrie Cruet on first, Jessica King homered to give Stetson a 3-0 lead. UCF's junior centerfielder Jania Shinhoster negated one of those with a solo homerun to lead off the bottom of the inning.

The Golden Knights (5-2) tied the game in the bottom of the third. Junior third baseman Bryttani Lindheim reached home on an error in the right field and senior Kaycee Clark scored two plays later on a single by junior shortstop Stephanie Best.

Stetson went up again, 6-3, in the top of the fifth. A single by Horrelbeke scored Wilder, while Ashley Aaron reached on an error behind the plate. Horrelbeke then reached home on a fielder's choice that put King out.

Hought and Wilder extended the Hatters lead before UCF attempted to battle back in the bottom of the sixth. Shinhoster was sent home on an error by the shortstop and Lindheim's single scored senior right fielder Rachelle Schmidt and freshman Amber Lamb.

Both teams went three-up, three-down in seventh.

Horrelbeke got the victory for the Hatters after pitching 4.1 innings with four strikeouts and three hits, while senior Taylor Sawyer took the loss with two hits and one strikeout in 2.2 innings.

SCC

Continued from Page 15A

of the doubleheader at the SCC Health and Physical Education Center.

The Raiders had leads in both halves, but five missed layups on wide open situations at crucial times, two on inbounds plays and three after steals, allowed CFCC to keep a slim lead and hand the hosts their first home loss in conference play.

SCC also struggled at the free throw line, converting just five of seven opportunities for the game and only one-for-two in the second half.

The second half miss came with 1:10 to play and the score 60-59 in favor of the Patriots and the Raiders never scored again.

Tristan McCray led CFCC, which has not lost a game since Christmas, with 16 points, while Ramona Wilson (13), Elena Korsakova (12) and Denisia Andrews (11) were also in double figures.

Abena Bosia came off the bench to lead SCC with 13 points and also pulled down nine rebounds, while Rosanna Davis added 12 points and 10 rebounds.

Lake Mary's Bryn Mosler had a big night with 10 points, four rebounds and two assists, while Danielle Jenkins also finished in double figures with 10 points.

Kirsten Harris chipped in with six points and nine rebounds and Winter Springs' Missy Guadagnino dished out five assists and grabbed three rebounds.

Despite the loss the Raiders, who will get some much needed rest over the weekend before playing three games next week to close out the regular season, are still in the driver's seat to get one of the two remaining M-FC bids to the state tournament.

The triumvirate begins with trip to Gainesville on Monday to play Santa Fe Community College starting at 7 p.m.

SCC will then travel to Jacksonville to take on Florida Community College at Jacksonville Stars in what could be a big game Wednesday and then return home next Saturday (Feb. 21) to host Daytona Beach Community College in the final home game of the season at 5:30 p.m.

The men of coach Stan Cromartie suffered a case of deja vu on Wednesday as for the second time this season they saw a remarkable run by CFCC in the second half turn a potential win into a 74-64 loss.

Back in January in Ocala, the Raiders led 33-31 at half and only trailed by five points, 59-54, with 11 minutes to play when the Patriots went on a 31-9 run to close out the game and win 90-63.

Nearly the same thing happened on Wednesday as the hosts led for much of the first half, taking a 29-25 lead into the locker-room.

SCC then opened the second half with an 11-0 run to build a 40-25 advantage and CFCC seemed very frustrated and on the verge of being blown out.

But the momentum suddenly changed and the Patriots' defense completely shut down the Raiders' attack as the guests went on a 20-2 run to take a 45-42 lead with 13 minutes left

in the game.

SCC was able to right the ship and the teams stayed close until Lake Howell's Joey Forester hit a three-pointer to tie the game at 55-55.

But crucial missed free throws and turnovers by the hosts and good free throw shooting by CFCC, 12 of its final 18 points came from the charity stripe, allowed the Patriots to pull away.

The leading scorer in the conference, Anthony Paez, led CFCC with 21 points, while Luis Rodriguez and Andre Smith were also in double figures with 16 and 15 points, respectively.

The Raiders' standout freshman guard, TJ Jones, who trails only Paez in M-FC scoring, lead all scorers with 22 points and also added two assists.

Also having good games were Rushawn Johnson (nine points, eight rebounds, two steals, two assists), Kemaime Samuels (nine points, nine rebounds), Will Graham (six points, seven rebounds, three blocked shots) and Vince Mosley (four points, eight rebounds, eight assists).

FCC-J leads the conference with a 5-2 record, while the Patriots are in a tie for second in the conference with Daytona Beach and Santa Fe at 5-3. The Raiders fell into fifth place at 3-5 and need wins over the Stars in Jacksonville on Wednesday and in their final home game next Saturday (Feb. 21) against Daytona Beach Community College to try to get a home game for the M-FC Tournament. Game time is set for 7:30 p.m. both nights, or 20 minutes after the women's game. Admission to all home games is free.

UCF BASEBALL HOSTS NO. 2 LSU

The UCF Golden Knights open their 2004 home schedule this weekend against No. 2 LSU and will play the final two games today (Saturday) and Sunday at 1 p.m. at Jay Bergman Field.

The Golden Knights (2-0) opened the season last weekend at Florida International, taking two games from the Golden Panthers in Miami. LSU, ranked No. 2 in Baseball America's Top 25, is ranked No. 3 by Collegiate Baseball and the Sports Weekly/ESPN Coaches Poll. The Tigers are the highest ranked team to ever play at Jay Bergman Field.

In anticipation of parking issues for Saturday's baseball and basketball games, UCF will have a shuttle from Coach USA running most of the day. One shuttle will run 11 a.m.- 2 p.m. and two will run from 2 p.m.- 6:30 p.m. The route will cover the North Parking Garage, T-600 Lot and Lake Claire Lot to maximize the use of current

parking and provide fans with transportation to UCF Arena and Jay Bergman Field.

The Golden Knights will send Matt Fox, Jaime Douglas and Lake Mary's Kyle Bono to the hill this weekend vs. LSU.

Fox was nothing short of sensational on Opening Day last Saturday. The junior right-handed pitcher tossed five innings allowing just two runs on three hits with 10 strikeouts to earn the win over Florida International. It marked the third time in Fox's career that he totaled 10 or more strikeouts in a game. He just missed tying his career high of 11 strikeouts, set last season vs. USF and at Troy State.

Douglas started his first career game last Sunday at FIU and earned a no-decision. The junior southpaw tossed just three innings and recorded three strikeouts.

Bono makes his first career start Sunday for the Golden Knights after serving as the team's closer since arriving in Orlando. The sophomore right-hander was dominant last weekend at FIU, holding the Golden Panthers scoreless with three perfect innings and three strikeouts to earn the save in Saturday's 6-2 victory.

UCF has two of the top catchers in the A-Sun with the return of sophomores Drew Butera and Ryan Bono, who both call Lake Mary home. All-time, Bergman is 25th in NCAA history with 1,046 career coaching victories. Bergman is just eight wins

behind former Delaware skipper Bob Hannah for 24th in the NCAA history books.

Bergman has recorded 830 career wins at UCF and 216 victories at the University of Florida.

STETSON SOFTBALL WINS AT TRIPLE CROWN

Sixth-inning runs by Britanni Houghton and Sherilyn Wilder gave the Stetson softball team an 8-6 win over UCF in the Triple Crown Classic Championship game at Treaty Park on Sunday afternoon.

After a scoreless first inning, the Hatters (7-1) took over offensively. With former Seminole Community College star Blake Horrelbeke on second and Carrie Cruet on first, Jessica King homered to give Stetson a 3-0 lead. Arthur Gendreau scored the game's only goal in the first minute of the third overtime as the Rams (20-4-2) edged West Palm Beach-King's Academy, 1-0.

Goalie Brian Irvine was not overly busy, but still made four saves to get the shutout.

Trinity Prep will get to remain at home for its 2A-Region 3 semifinal against

American Heritage from Delray Beach, which crushed Merritt Island Christian 8-0 on Thursday. The game will be played on the Goldenrod campus beginning at 6:30 p.m.

Orangewood Christian, however, will have to head to North Palm Beach to face Benjamin, a 5-0 winner over First Academy, for a 3:30 p.m. game at the Jack Nicklaus Sports Complex.

If the Saints and Rams win,

they would meet in the finals next Friday, probably at Trinity Prep.

Orangewood Christian (17-7) and Crooms Academy (9-13) both picked up wins on Tuesday.

The Rams got 25 points from Kurt VandeStreek and 10 assists from Michael Caulfield in an impressive 62-56 win over Pine Castle Christian (18-6), while Quinn had 12 points and seven rebounds, Cherry 12 points, Polk 10 points and Carey seven steals as the Panthers roughed up Northstar Christian, 63-39.

And finally, Lake Mary Prep took a step up in competition again, but this time it was a little too much for the Griffins as they were thumped, 80-57, by Bishop Moore (16-11).

Gerardo Ortega and Justin Stanley scored 11 points each for LMP.

The regular season ended for the boys' teams on Friday with districts beginning either Monday or Tuesday next week.

Lyman will be the only county school hosting a tournament in Class 5A-District 3. Joining the Greyhounds in Longwood will be Lake Howell, Flagler Palm Coast, Mainland, New Smyrna Beach and Pine Ridge.

Class 6A-District 2 will be played at The Dog House in DeLand with the Bulldogs hosting Seminole, Oviedo, Winter Springs, Deltona and Spruce Creek.

Class 6A-District 3 will be played at Apopka with the Blue Darters welcoming Lake Mary and Lake Brantley to compete against nationally-ranked Edgewater, University and Winter

Park.

Class 2A-District 9 will feature a strong group at First Academy in Orlando, including Crooms and Trinity Prep, Melbourne-Holy Trinity, Mount Dora Bible, and Port St. John-Space Coast.

Class A-District 9 also features a strong lineup at Warner Christian in North Daytona Beach including Orangewood Christian, Lake Mary Prep and The Master's Academy, Ormond Beach-Calvary Christian and Deltona-Trinity Christian.

The championship games for all of the districts are set for next Saturday at 7 p.m.

The girls' teams will wrap up their district tournaments tonight (Saturday) at 7 p.m. with the first round of regionals set for Thursday. A recap of the girls' districts will be featured in Wednesday's Herald.

With the Winter Sports Season winding down rapidly, the Spring Season has started to encroach a bit with Seminole High hosting the Seminole Preseason Classic over the past few days.

The host Fighting Seminoles, Winter Springs and Winter Park all won twice each with Oviedo and University getting one victory each.

Seminole defeated University, 2-1, and Timber Creek, 5-3; while the Bears took down Lake Howell, 3-1, and Lyman, 5-1; and the Wildcats topped the Silver Hawks, 2-0, and Greyhounds, 2-1.

The Lions got a 4-0 shutout of Timber Creek, while the Cougars turned the tables on Oviedo, winning 3-1.

Firefighters battle two Geneva fires

The Seminole County Fire Department responded to two brush fires in the Geneva area in three days. It's a sign that the brush fire season is closely approaching in Central Florida.

Firefighters responded to a fire Friday that eventually blew itself out as the wind changed direction, said Alan Harris, county fire department spokesman.

The department received several calls on the fire as smoke carried nearly all the way to state roads 434 and 436, Harris said.

The fire department responded to another Geneva brush fire Sunday. The small blaze was contained to less than an acre and was quickly extinguished. Harris said Central Florida is less than a month away from the brush fire season, but he anticipates it won't be as bad as previous years because of recent rain-falls.

Lake Mary to host meeting about signs

The city of Lake Mary will hold a Town Hall Meeting Monday, Feb. 23, from 8:30 until 10 a.m., at the Lake Mary Community Center, 260 N. Country Club Road.

Purpose of the meeting is to allow city officials to explain the city's Sign Regulations, and answer questions citizens may have regarding the regulations.

Time will also be allocated to providing feedback to the Planning and Zoning Board and members of the City Commission. Citizens who plan to attend are urged to reserve a seat by calling 407-585-1449 no later than Thursday, Feb. 19.

Flyover may be sooner rather than later

By Christopher Patton

CASSELBERRY — At first they balked at the idea, but now Casselberry city commissioners want to move forward with the flyover at State Road 436 and U.S. Highway 17-92 and as soon as possible.

The Florida Department of Transportation shipped off the plans for the \$56 million interchange improvement to the Federal Highway Administration last week. The

Casselberry to ask county's help in moving S.R. 436 and Highway 17-92 project forward

project calls for a bridge to be constructed over State Road 436 to accommodate U.S. Highway 17-92 through lanes.

"There's a pretty strong indication they (FHIA) will recommend the project," said Steve Moore, a FDOT consultant for the project.

With the pending support

from the highway administration, the design phase of the project is slated to begin in the 2007-2008 fiscal year. Eighty percent of the project will be funded with federal funds, and the county and state will pick up the remainder of the project.

If the project doesn't begin

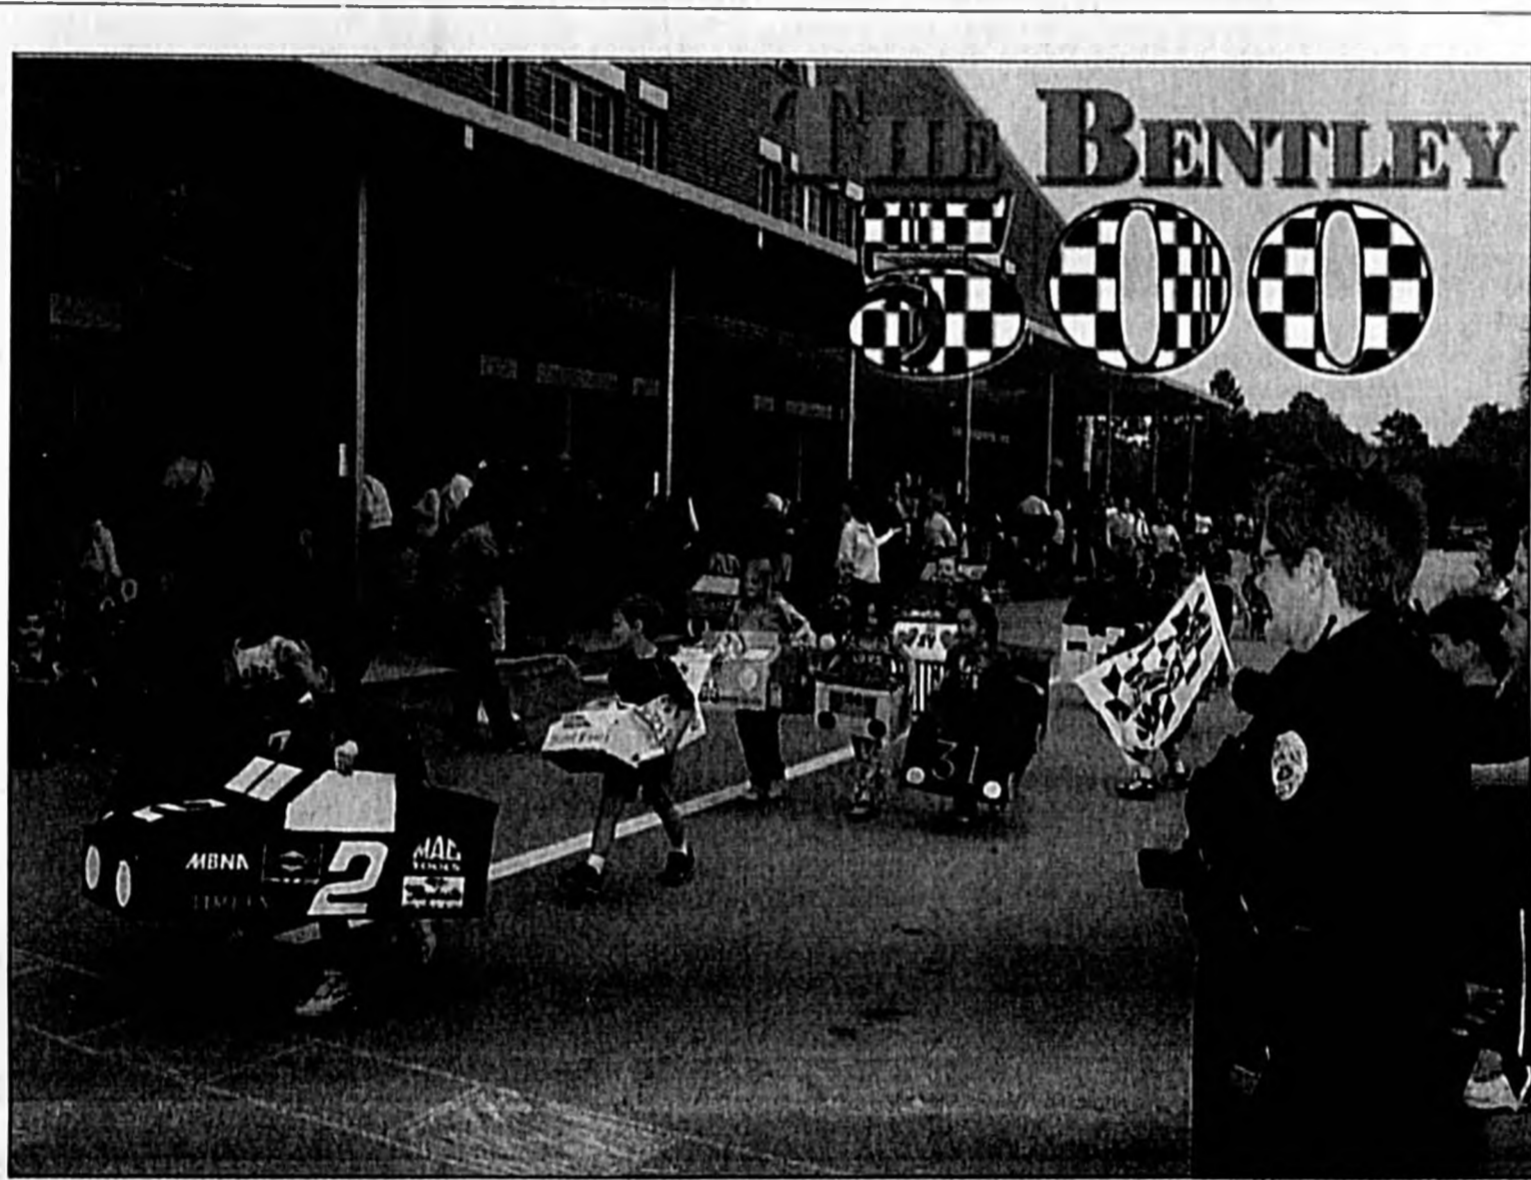

until 2008 that will be four years the city of Casselberry will have to wait and that's too long, according to several commissioners. It is estimated the project will force 35 businesses to relocate, but more importantly city officials say waiting for construction will cause other development in

the area to stagnate. City commissioners are considering asking the county to advance funding for the design phase.

"You don't want anybody going down there adding on to a business or starting a new business when it might be interrupted," said Frank Clifton, Casselberry city manager.

"Hopefully, it's a significant project for the county to move the project forward."

Daytona races inspire Sanford kindergartners

As thousands drove to Daytona Friday for the annual Florida Dodge Dealers 250 NASCAR Craftsman Truck Series race, more than a 100 Bentley Elementary Kindergartners stayed at home to participate in their own race.

The Bentley 500 was a box car derby of sorts, with five-year-olds scurrying along a track in homemade cars made out of boxes.

Fastened by ropes and powered by their own two feet, the youngsters crossed the finish line (above) as Sanford

police DARE Officer Claudia Webber waved the checkered flag.

Race watchers said it was a photo finish if the Bentley 500 outshined the NASCAR races, but at least it "out-cute" the Daytona events.

The event helped build upon lessons already learned about transportation. It also let the kindergartners use their imagination as in the case of Douglas Mactye's CAT car (right) that was outfitted with all the appropriate sponsor stickers.

Brender prods to extend services

City commissioner wants Lake Mary to expand sewer system

By Christopher Patton
Managing Editor

LAKE MARY — A proposed four-home subdivision on Big Lake Mary could change how city leaders react to developments with septic tanks.

The Lake Mary Commission approved the final plat for the Peninsula Pointe Subdivision, 2125 W. Lake Mary Blvd., last month. The project, however, had been bothering Commissioner Gary Brender ever since.

The proposed homes at nearly a million dollars apiece would be on septic tanks when a city sewer line is less than a mile west of the development at the intersection of Lake Mary Boulevard and Country Club Road.

At the urging of Brender, he suggested the commission undertake a zoning project for the completion of sewer lines in the city. It is a hefty project considering the majority of properties north of Lake Mary Boulevard do not have access to city sewer lines.

"It's a pretty ambitious project and I don't know how to fund it, but I would like to start laying it out and determining the needs," he said.

First, Brender said the city should "attack some of the

SANFORD — It's finally a building fit for justice, said Norm Wolfinger, state attorney for the 18th Judicial Circuit.

Judges and county officials raved about the newly renovated and expanded Juvenile Justice Center at a dedication ceremony Friday. Open during the entire 11-month construction time, the facility was tripled in size as a new building was constructed around the old

Iraqi Diary: Final checkpoint duty

Editor's note: Staff Sgt. Charlie C. Carlson III, son of Sanford historian Charlie C. Carlson II, is deployed in Baghdad as part of the 549th Military Police Company. He is providing the Herald with a journal of his experiences.

Carlson

6 Feb. 2004
Tonight we setup a checkpoint on the road with our replacement company in order to show them the ropes on doing checkpoints in Sadir City and other areas of Baghdad. This is suppose to be our unit's last checkpoint mission.

Everything went well. During the night we stopped

and searched more than 70 vehicles but did not find anything except two guys who had pistols in their cars. One of the guys had a permit to carry a weapon but the other guy did not have his and had left it at home.

The IPF confiscated his pistol until he could go home and get his permit.

We put out the spike strips which is nothing more than a long extendable thing with spikes on it to stop vehicles from fleeing. The road was so filthy with mud puddles and
