Imagine picking your way along a frozen wilderness trail. You're bitterly cold, but see no sign of human habitation, mile after terri-

Then, thanks to someone who's already gone this way, you come upon a crude shack. Even with shelter you could still freeze to death, but you find wood already gathered for a fire. Later, before venturing on, you too pile high more wood for someone yet

No matter who you are or where your life marks a trail that someone is following. Along that way is the Church—a haven from storms of the world.

Yet the building alone is not enough. It must have people to work in it and to gather fuel for the fires of faith.

The Church is the greatest factor

on earth for the building of districtor and good citizenship. It is a store-house of spiritual values. Without a strong Church, neither democracy me oivilisation can survive. There are four sound reasons why sway person should attend services regularly and support the Church. They are: (1) For his step sole. (2) For his children's sales. Art Club Schedules New Film

Showing of a new film, "The Portrait." by Lajos Markos, will highlight today's 7:30 p.m. meeting of the Sanford-Seminole Art Club at the Cultural Center in Sanford.

The film has been made available for the meeting through courtesy of the Semi-nole High School Audio Visual Department. It features the portrait of a young girl done in the classic manner by Markos, one of the foremost portrait painters of modern day. Each step, from first stroke

of the brush on blank canvas to final signature, is shown in colorful detail. Brush techniques, control of color, color mixing, modeling and expert talent work all are closeby examined.

The public is invited to a send the meeting and film showing.
