

# SEMINOLE COUNTY SCHOOL NEWS

## Celery Fed Year Is Called Success By Members Of Staff

The staff of the Celery Fed has had a very successful year thus far. They have published their school paper on the average of once a month and intend to publish three more editions this year.

Under the able supervision of Miss Ruth Hand and Miss Phyllis Smith, the staff has improved its paper almost beyond belief and learned many valuable fundamentals concerning writing, making a dummy, advertising technique, method of printing and proof reading.

Although the staff was originally chosen to edit the school paper, Miss Hand has suggested we make a study of journalism along with the regular work. This has been a very educational and helpful.

However, even with our staff and sponsors working on the papers would not be very successful without the interest and financial backing of our merchants. We owe them a vote of thanks for their grand support.

Those working on the staff are: Ruth Strange—Editor-in-Chief, Gladys Callant—Assistant Editor, Sybil Williams, Mary Wathem—Literary Editor, Martha Wright, Arthur Beckwith—Sports Editor, Joyce Hunt, Helen Alderman, Kent Rosetter, Dorothy Kader—Reporter, Wilma Leinhardt—Exchange Editor, Denise Hayes—Business Manager, Barbara Stahl—Assistant Business Manager, Doris Jackson, Jane Schulz—Proof Readers, Miss Ruth Hand, Miss Phyllis Smith—Advisors, Joe Tenhet, Sherwood Jacobson—Freshman reporters.

## Explanation Given Of Military Camps

The C. M. T. Camps were created by an act of Congress in 1920 and annually provide forty thousand young men with proper diet and exercise amidst healthful outdoor surroundings.

The mission of these camps is to bring together for a month's training, under healthful surroundings, young men from all walks of life to develop themselves physically and morally and impress upon them their obligations and responsibilities as citizens.

In order to attend one of these camps a candidate must be physically fit, of good character, and an American citizen. He must be seventeen years old and not over twenty-nine years old.

There are four courses offered in a progressive series at the camps. They are: the Basic course, the Red course, the White course, and the Blue course. The Basic course includes military training, physical development, athletics, first aid, etc. The Red course offers special training in Cavalry, Coast Artillery, Field Artillery, and Infantry together with advanced instruction in the subjects taken up in the Basic course. The White course and the Blue course are merely advanced instruction in the subjects pursued in the Red course.

There is plenty of work to do at these camps, but the boys will enjoy it. Every possible effort is made to have the courses full of things they need, want, and enjoy. Besides work there is also the needed amount of recreation. After supper the students may rest, study, sing, go to dances, movies, or stunt programs. Sight-seeing trips, fishing excursions and similar diversions are arranged by the camp recreation officers.

There are seven C. M. T. Camps. They are: Fort Barrancas, Fla., Camp Beauregard, Louisiana, Fort Bragg, North Carolina, Fort McClellan, Alabama, Fort Moultrie, South Carolina, Fort Oglethorpe, Georgia, and Fort Steven, Georgia. Applications for entering these camps must be sent to the C. M. T. Camp Area Commander of the station to which you would be sent if accepted. For further information write:

## Annual Latin Club Banquet Held Thursday Night At Parish House

The annual Latin Banquet, which is the chief project of the Latin Clubs of Seminole High each year, was held Thursday night at the Episcopal Parish House.

The banquet was held to honor Caesar on his return from the Gallic Wars. Those persons chosen to represent Julius Caesar, his wife, Calpurnia, Brutus and his wife, and Liliens, Caesar's favorite general, and his wife, are elected by popular vote in the Latin classes. All guests attending were dressed in colorful Roman costumes, and the Roman motif was carried out further in the decorations, menu, and Latin songs sung by the assembly.

The members of the "Vox Romanorum", first year students, act as slaves to the members of the second-year class club, the "Significi". This annual banquet is a tradition of Seminole High School, and the success of this banquet, and those of former years, was due to the hard work and careful planning put into it by Miss Nellie Williams, Latin teacher and sponsor of the clubs.

The program began at 7:00 P. M. with a grand march and was as follows:

Welcome—Brutus (Gene Harrison)  
Vocal Solo—Nancy Dighton  
"Comes"—Caesar (Constantine de Wolski)  
Vocal Solo—Elizabeth Pippin  
Address—Labiens (Diekey Brown)  
Vocal Solo—Clayda Ferguson  
Oration—Cicero (Mr. T. W. Lawton)  
Duet—Elizabeth and Gladys Pippin  
Remarks—Vergil (Mr. G. E. McKay)  
Solo—Clifford Proctor  
Sive Dance—Nell Stewart  
Reading—Natalie True  
Mt. Olympus—Jupiter, Stuart Quarterman; Mars, Roderick Douglas; Appollo, Mike Saus; Jeno, Zona Mathews; Mercury, Norman Hasty; Diana, Katherine Spencer; Ceres, Helen Kane; Janus, Harry Lee, Joe Tenhet; Minerva, Alice Temple; Venus, Mary Grace Brown; Neptune, Spence Williams.  
Play—"Rome and the Modern World" Characters from Vox Romanorum Club.  
Those attending were: Julius Caesar, honor guest (Constantine de Wolski), Calpurnia, Caesar's wife (Mary Nancy Brock), Brutus and his wife, (Gene Harrison, Mary Beldin), Labienus and his

## Short, Interesting Chapel Program Is Staged At School

Chapel Thursday at Seminole High School was short but interesting. First on the program was the presentation of the Flag, after which the "Star Spangled Banner" was sung. Mrs. McCracken presented the prizes for the best in the "Pleasant Contest" sponsored by the Garden Club of Sanford. First prize was won by Willard W. Atkin, Franklin Thompson and Anna Laura Deneff, tied for second prize. A piano solo was then given by Mary Martha Emerick who played "Rocky Road". Next on the program was the play "Nursery Rhymes" by Mrs. McKay. She then introduced Reverend Brooks who chose as his text "A good name is rather to be chosen than great riches."

## Noted Lecturer Will Speak Next Monday

Through the cooperation of the Seminole County Chamber of Commerce, Sanford is privileged to have as its guest Mr. Critton P. Sturdy, representative of the American Gas Company on Monday, March 27, 1939.

Mr. Sturdy is a widely known lecturer and writer on canned foods subjects. Due to the fact that there are several subjects that are especially adapted to high school assemblies and classes in home economics, several of our schools should be interested in this opportunity. Seminole High School will have Mr. Sturdy as its guest during activity period at 9:45 Monday morning, March 27, 1939.

Mr. Sturdy is not only to appear at various schools of Sanford, but also at the Sanford Rotary Club during the noon hour of March 27th.

## 5 Scholarships Are Offered By College

The Judson College, located at Marion, Alabama has announced the offer of five competitive scholarships, covering all regular college expenses of \$700.00 for the session 1939-40, including tuition, board, room in Jewett Hall, and all required college fees.

Persons eligible are young women residing anywhere in the United States outside of the State of Alabama, who at the end of the present term will be eligible for admission to the freshman class of Judson College. For admission to the freshman class a student shall be a graduate of an accredited high school requiring 15 units for graduation. Three of these must be in English.

The purpose of these awards is to encourage outstanding high school girls to enter Judson College, one of the modern educational programs which Judson offers.

The conditions of the awards are:

1. Quality of the high school record, including psychological test score and extra-curricular activities.
2. Qualities of character, personality, and leadership.
3. Probability of superior college achievement.

A special faculty committee will study all credentials presented and select those persons who, in the judgment of the committee, best meet these conditions. No more than one scholarship will be awarded to residents of a single state. If in the opinion of the judges five outstanding persons do not qualify for the awards, the college reserves the right to grant not more than two, three, or four full scholarships. The decisions of the judges will be final.

Any student interested in making application for one of these scholarships can get additional information from Principal G. E. McKay.

## Achievement Tests Taken By Students

Cooperative General Achievement Tests supplied by the University of Florida have been taken by the seniors of Seminole High School this week. The tests which include English, mathematics, social studies, natural science, and an I. Q. test, are for the purpose of placement of students in colleges and universities of the state.

Graphic pencils are used in answering the multiple-choice questions and the tests are sent back to the university to be graded by a machine. This method is very accurate, for no personal opinion enters into the grading.

## POETRY

**By HARRY STEINMEYER**  
JUNIOR CLASS  
A DOG

A dog is man's best friend  
Who stays with him until the end.  
Every dog is loyal and true,  
And cares for nobody else but you.  
You may be in valley or country lane,  
But your dog will be the same.

**NATURE'S BEAUTY**  
The beautiful pine, the stalwart oak,  
All have beauties unspoken,  
And the robins build their nest,  
In a place of beauty and rest.  
The green limbs upward climb,  
As if to say, "Master we are Thine!"

**THINKING**  
I am happy the whole day through  
Thinking of something I can do.  
To be a sailor on the sea,  
Or be a woman with the tree,  
To be a soldier brave and true,  
And with hard-ships that are not few.

## Federal Theater Production Will Be Given Tuesday

"R. U. R.", a Federal Theater Production, will be presented at Seminole High School on Tuesday, March 28 at 1 P. M.

"R. U. R." (Rossum's Universal Robots) is a 3 act play written by Karl Capok. This production describes the invention of perfect mechanical men who lacked nothing but souls; Robots. The plot involves the half mad scientist-inventor named Rossum who had actually evolved a secret method of creating Robots of flesh and bone and in the image of man. But because they were without physical or emotional sensations they were wastefully efficient workers only.

The historical and literary significance of "R. U. R." is very great. It was originally produced in Prague, Czechoslovakia where it created a sensation in 1921, and eventually was presented in most of the theatrical centers of the world.

Members of the winning team were: George Willis, captain, Duane Tillis, John Rumbley, Sam Thurmond, Ralph Wolfert, Jimmy Ridge, Russell Young, Albert Sumler.

The girls of Junior High under the direction of Miss Mary Nickle, Physical Education instructor, are now beginning diamond ball. A tournament will be held soon to determine the champion team.

The following Boy Scouts from Junior High School enjoyed a camping trip to DeLand over the week-end:

Group singing led by Mrs. MacCracken  
Scripture—Mr. Morris  
Lord's Prayer—School  
Flag Salute—School  
Selection by the Orchestras  
Talk—Mr. Lawton  
The P. T. A. sponsored a picture show at the Junior High School March 21 at 2:45 p. m. Many students attended and \$6.75 was raised for the welfare fund.

The boys' basket ball tournament was completed last week. Mrs. Smith's room defeated Miss Burham's room for the championship of the 8th grade. Members:

Charlie Park, Dick Pickett, Miller Williams, Lyman Baker, Billy Johnson, Herbert Moreland, Jimmy Ridge, O. D. Landrum, Leo Butler, Al Rigney, Ray Fox, Al Brock, Ralph Smith, Billy Holleyhead, Lee Bauman.

## JUNIOR HIGH SCHOOL NEWS

On Tuesday, March 21, the Junior High School was honored with the presence of our County Superintendent, Mr. T. W. Lawton. He gave a most interesting and entertaining talk at the regular chapel period. The program consisted of the following numbers:

Group singing led by Mrs. MacCracken  
Scripture—Mr. Morris  
Lord's Prayer—School  
Flag Salute—School  
Selection by the Orchestras  
Talk—Mr. Lawton  
The P. T. A. sponsored a picture show at the Junior High School March 21 at 2:45 p. m. Many students attended and \$6.75 was raised for the welfare fund.

## Glee Club Members To Sing At Rollins

The following students will take part in the All-State High School chorus at Rollins Conservatory on Friday and Saturday March 24 and 25; Marion Aiken, first Soprano; Elizabeth Pippin, 2nd Soprano; Gladys Ferguson, alto; Robert Herndon, bass; and Jacob Richter, tenor. Those participating in the All-State Orchestras are Robert McCall, 1st violin; Doris Jackson 2nd violin; Mabel Chapman, flute; and Robert Herndon, cornet.

The students will register Friday morning, attend rehearsals and concerts, and present the Grand concert on Saturday night at 7:30 in Winter Park High School auditorium. The above named students will be among those chosen from many schools to sing and play in the first All-State groups at Rollins College.

## Mary Ellen Leshner Given Scholarship

On March 13, Mr. McKay received word from the president of the University of Louisiana, Professor J. M. Smith, that Miss Mary Ellen Leshner has been given a scholarship to that college.

Due to the recommendation of Mr. McKay that Miss Leshner ranked in the upper ten percent of the 1939 graduating class, she is exempt from payment to the Louisiana State University of the regular tuition fee for a period of four years beginning September 1939. Miss Leshner's application, which was petitioned recently, was accepted promptly and the certificate of scholarship has been obtained by Mr. McKay.

Derunk Springs will be the scene of the third annual North-West Florida Arts and Music Festival April 13 to 15. The event is sponsored by the city and the Festival Commission in cooperation with the Works Progress Administration, Division of Non-Manual Projects. Among the many notables on the program is Henry Fillmore, nationally known composer, lecturer and band director of Cincinnati.

## Diamond Ball Race Is Growing-Closer

According to Alice Higgs, captain of the Celery Hearts, the Diamond ball series is growing closer every week. The two teams which are the keenest rivals are the Celery Hearts and the N. Y. A. team. The Celery Hearts lost their first game by three points but since then they have won four. The game last week was played with the N. Y. A. team. The N. Y. A. outplayed the Celery Hearts through out the whole game but during the last inning the Celery Hearts pounded out nine runs and won the game. Tuesday night the C. H. clashed with the McCrory's team and won the game by a score of 29 to 9.

The Celery Hearts have dropped several players but have taken on Evelyn Stiles and Helen Alderman who prove to be fairly good players under the lights for the first time. If the Celery Hearts win the next game with the N. Y. A. team it will almost guarantee that they will win the first Diamond ball series. Tuesday night's pitchers were Patterson and Calhoun and catcher was Hayman. So, come on boys and girls support the Celery Hearts, a team which is made up of girls from Seminole High.

enough to return to school.

Bertie McMillan, Betty Matthews, Margaret Dingleter, Louise Dawling, and Rosemary Burck made the posters for Room Three.

Stanley Wiley and Wilbur Kestner made the posters in Room Four.

Myrtle Loggans and Carl Moon worked out the posters for Room Five.

G. B. Mason gave an illustration of unusual birds at the school last Wednesday. His talk was very much appreciated by the audience and they said his talks are something concerning birds and their habits.

The students were glad to see that Mr. Johnson, the instructor in charge of the school, was in good luck in his recent paper contest. He won first prize in the paper contest.

## GRAMMAR SCHOOL NOTES

**By MRS. CHARLES B. COLE**

The children of the Grammar School are preparing for their annual Spring play which will be given on the evening of Mar. 31 at the school auditorium. The play, in three acts, presents a lot of fun and humor for the grown-ups that will visit the school that night. Mrs. Fleming will present a number of her children in two scenes entitled "The Stumps". Mrs. Smith is working up a pantomime entitled "Underneath the Fella Folks". Mrs. Stine is preparing a folk festival which will feature the life of Stephen Foster and many of his well known songs. House players, harmonica players, and others are busy preparing songs.

Worley Brown of Moon (the) is back in school after a week's absence with a cold.

Virginia Zurlende and Liann Llagin are still absent with colds.

Martha Hagan visited relatives in Bradenton during the week-end.

Marguerite Benson of Urianus spent the week-end here as the guest of her cousin, Mary Elizabeth Carver.

Doris Allman, Luverna Newcome and Martha Hagan are playing in the girls diamond ball league sponsored by the City Recreation Department for the fifth, sixth, seventh, and eighth grades.

Mary Ellen Daggert, Richard Angler, and Huey Black, who were made the posters for Room One for the April Fools' Play.

Martha Hagan took part in the broadcast over WFLM yesterday afternoon from 5:15 to 5:30. The broadcast was given by the expression club of Mrs. Moffatt.

Elizabeth Lottier and Miss Sander made the posters for Room Two for the April Fools' play.

Alice Burtche is back in school after a week's absence of several weeks.

## DERN WIDOW LEFT \$48,000

**SALT LAKE CITY, (AP)—**The estate of the late Secretary of War George H. Dern was valued at \$48,358 in an inheritance tax report and appraisement filed in District Court here yesterday. A will left the estate to the widow, Mrs. Lottie M. Dern, and children.

## FORMER BANKER SENTENCE

**SHREVEPORT, La.—(AP)—**John W. Tatum, former president of the Bank of Coushatta, yesterday was sentenced to six months in the New Orleans Federal Prison and was placed on probation for the next five years. Tatum was convicted of diverting funds from his bank. He later repaid the debt.

## MUSICIANS IN EUROPE AND DISTANT CITIES IN THE UNITED STATES WILL PLAY THE WORLD'S LARGEST CARILLON AT FLORIDA'S EXHIBIT AT THE NEW YORK WORLD'S FAIR BY TELEGRAPH. SPECIAL CONSOLES ARE BEING MADE WHICH WILL OPERATE LIKE TELETYPE MACHINES.

## PUBLIC WARNED THAT ANY COUGH MAY PROVE DANGEROUS

Effective Treatment For Cold Coughs Is Cited

If you or any member of your family is suffering from a lingering cough, and do not know its cause, call your doctor at once. You might have the start of a serious ailment and need immediate attention. Home-made remedies and mild cough preparations are seldom effective.

Even coughs or bronchial irritations due to colds or exposure need a real medicine.

Mentho-Mulsion, like a doctor's prescription, contains those different medical ingredients which bring cough relief, and is fortified with both Vitamins "A" and "D."

Buy a bottle of Mentho-Mulsion from your druggist. The very first dose must start you on the road to cough relief or your druggist will return your money.

Mentho-Mulsion, now only 75c, is sold and guaranteed by good druggists everywhere.—adv.

## Price Of Celery Rises As Season Nears Conclusion

### Chase Survey Reveals Only 600 Acres Of Sand Land Crop Remains In County

### Weather Causes Very Low Yields

### Market Prices Quoted As High As \$3.50 In Latest Report

With about 600 acres of sand land celery remaining in Seminole County, in addition to the late Oriedo muckland crop, the price of the county's principle product is showing improvement on the terminal markets.

M. L. Colium, sales manager for Chase and Company, reported that his company has made a survey of the celery remaining in this county and that the check revealed 600 acres in various stages of growth still remaining. He added, however, that some of the late wood celery has been harvested and that in some instances would be very low.

Next week will be the last heavy week for sand land celery. Mr. Colium said, adding that an estimate of 400 cars had been placed on the remaining sand land celery, some of which will be mature until mid-April.

The extremely low estimate of the Colium sales manager of the "sand land" celery is due to the fact that the weather conditions which will prevent much of the remaining crop from reaching maturity and a great amount of waste because of disease and insects in the celery now being cut. He added, however, that some of the late wood celery is "surprisingly good."

The average average muckland celery in both the Oriedo and muckland sections and is still that shipping of the late Oriedo muckland crop would begin about mid-April.

Today's market report showed a total of 174 held over cars at 16 principal terminal markets with price quotations ranging from the lowest at \$2.00 to as high as \$3.50 on the New York market, according to the report of the Federal State Market News Service.

To date this season, Seminole County has shipped 2500 cars of the 1938 crop which have been shipped from the state since 1937. To date last year 4277 cars were moved and to the same date in 1937 a total of 4047 cars were shipped.

The U. S. market is stronger than it has been the weeks, according to reports with prices on sand celery quoted as high as \$3.50, and an indication that there may be further improvement in the market next week.

A total of 63 cars were shipped from Sanford, Fla., and 10 cars from central and southern locations.

### Freeman Extinguish Small Blaze At Shop

The Department of Public Safety received a call from the Freeman Electric Company in Sanford, Fla., on Monday, March 20, reporting that a small fire had broken out in the company's shop.

## Canners Speed Up Operations Under Injunction

### Processors Desires Repeal Of Minimum Price Regulations

TAMPA, Mar. 25.—(AP)—Grapefruit canners were speeding up their plants yesterday as a result of a temporary injunction by Federal Judge Akerman against the state minimum price law, but they said they would hold production to a low level until the law is repealed by the Legislature or knocked out by federal courts.

Judge Akerman's ruling gave 10 leading canners a temporary restraining order against enforcement of the law and a 32-cent box minimum price set under it.

Virtually all canning plants have been operating on a restricted basis for the last week or two. Some were said to have been doing business on a "custom canning" basis, while others were paying the 32 cents or less for orange juice.

"We're still got our fingers crossed," said J. Adams Bruce, president of Bruce's Juices, Inc., of Tampa, "and I don't see how the industry can make any progress until this foolish law is repealed or declared invalid."

"We hope the legislature will come to our aid and repeal it immediately. This would be a great relief to us as an industry," he said, "and we can hope through several courts."

"I know we have a temporary injunction, but the industry is not going to take any great chance until it knows what the three judges in New Orleans are going to say."

"I think most people have come to realize that it is a law incapable of enforcement, and I hope we will be permitted to get under way before it is too late."

"The industry already has lost a tremendous amount, and 250,000 persons in Florida are affected," he said.

Canners maintain they are not to blame for their lack of ability to operate under the law. They say many plants are being run by forests that control fruit or total of 330,799 gallons of the fuel during the 31-day period.

Kerosene consumption dropped, however, from 107,274 gallons used in the month of December to 89,406 gallons of the fuel oil in January.

This county ranked 21st in the consumption of gasoline. Dade county held a wide lead, with a consumption for the month of 6,222,650 gallons, Duval second with 3,845,000 gallons and Hillsborough third with 1,904,977 gallons.

## CONFESES

## Strangling Of Wife Confessed By Husband

### Cunningham Breaks 19-Day Silence By Directing Officers To Grave In Sewer

OKLAHOMA CITY, Mar. 25.—(AP)—The body of socially prominent Mrs. Eudora Cunningham, dug by daylight from a desecrated grave early today after her husband broke a stubborn 19-day silence with dramatic last-minute confessions.

Just a few hours before scheduled habeas corpus hearing, which officers said would have ended in freedom for the 33-year-old Roger Cunningham, he broke silence by strangling his wife on Mar. 6, and directed officers to the body with crude map.

With a firm neat hand, the bearded and haggard Cunningham sketched a diagram to show the officers where the body was buried, then retired to his jail cell for the first sound sleep since he has had the week.

Headed by Sheriff George God and the Assistant County Attorney E. W. Brown, weary searchers rapped to the spot indicated by the FHA inspector husband, and telling in red earth by the light of flickering signal flares, the dug almost eight feet in the ground.

Then Brown signalled officers to head back to the curious crowd and announced: "I struck her there she is."

Fully clothed, even to a plaid jumpy little blue hat, thin brown sport shoes and a tan sweater coat, the body was lifted into a waiting hearse.

"I strangled my wife Eudora and buried her in a partly filled sewer," Cunningham said in a signed statement to County Attorney Lewis R. Morris, who questioned him.

Morris said no motive had been developed for the slaying.

Violators of City ordinances will be tried before Judge Frank L. Miller in a session of the Municipal Court at the police station Monday afternoon at 4:30 o'clock.

Carlton F. Sturdy, who is connected with the American Can Company, will be the guest speaker at the weekly luncheon of the Rotary Club in the Walden Hotel at noon Monday.

Having completed the required number of drills for this quarter there will be no drills of the three local National Guard companies Monday, officers of the local units announced today. The next drill will be held on Monday, Apr. 3.

The regular meeting of the City Commission will be held in the City Hall Tuesday, night at 8 o'clock.

### Final Plans Made For St. Johns Trip

Chamber of Commerce officials today announced that Fred Smith and Willie Brown will act as the chaperones for the club trip to St. Johns Island.

## DIE FOR MURDER OF GUARD

## Lehmann Cites Need For Planned System Of Roads

"Florida's roads have just grown like Topsy," said Karl Lehmann of Tavares, secretary of the Florida Highway Council, in addressing a meeting in DeLand yesterday afternoon which was attended by officials of the Seminole County Chamber.

"And," added Mr. Lehmann, "Florida's future road building must be done according to a carefully planned program if we are to get the maximum value for our highway dollars."

The speaker outlined the work that has been going on in Florida for the past three years in the making of a highway survey, in which \$400,000 has been expended, and 200 trained engineers, statisticians, draftsmen and clerks have made a careful, detailed study of "where we have been, where we are and where we are going" in the building of Florida highways.

Forty-six states are now making such surveys, he said. Florida was the 32 to begin and the first state to complete its assembling of essential information. The Federal Bureau of Public Roads has provided \$350,000 of the cost and six of its most competent engineers have been in Florida engaged in making this survey, Mr. Lehmann said.

The survey was authorized by an act of the 1937 Legislature of Florida, and since May, 1936, the Division of Highway Planning has been actively engaged in collecting a vast amount of valuable data: data that will reflect the location, use and financing of the entire publicly used rural mileage of highways within the state.

Detailed studies of road types and costs have been made so that this information is now known about every mile of highways in the state of Florida, the Lake County Chamber secretary said, adding that traffic counts and studies have been made and traffic-flow maps prepared showing which highways carry the heaviest traffic, also the points of origin and destination of the vehicles traveling on these roads.

"An average of 1,045 cars bearing foreign licenses enter and leave the state of Florida daily, and by way of comparison only 1,587 such cars enter and leave the state of California daily," Mr. Lehmann stated.

The 327 cars bearing New York state licenses crossing the Florida state line are in the majority, this is second with 197, Pennsylvania 150, Michigan 146, New Jersey 133, Massachusetts 78, and Indiana 75. Every state in the Union, except Wyoming, is represented with one or more cars crossing the Florida border daily, although Montana, Idaho, Nevada, Utah, Arizona, New Mexico have an average of only one car daily, Mr. Lehmann reported.

The Florida Highway Council (Continued on Page Three)

### Prisoner Jumps On Auto To Make Escape

J. H. Parkinson of Eastman, Ga. who last Monday was given a 30 day sentence on a drunk and disorderly count by Judge Frank L. Miller escaped yesterday afternoon from a work crew laboring at the Ninth Street Park.

Police officials stated that Parkinson was working with the rest of the prisoners in the crew until he observed the approach of an automobile for which he had apparently been watching. The car slowed down enough for him to jump aboard and then sped away.

An eye police have found no trace of the fugitive.

### LION BAGGER

FRINIDAD, Colo.—(AP)—Nine Seminole County men were killed last night in the Seminole River bridge collapse. The bridge was built by the Seminole River Bridge and Construction Co., Ft.

## Attention Turns To Hitler's Axis Partner In Rome

## Autonomy For Hungarians In Rumania Sought

BUDAPEST, Mar. 25.—(AP)—Autonomy for Hungarian and Germanic minorities in Rumania was reported last night to be under informal preliminary discussion among the Berlin, Budapest and Bucharest governments.

Hungarian hopes rose that moving at Germany's side, she would achieve a peaceful penetration of Rumania and Slovakia as well.

Officials said military measures were being ended and that the nation would be back on a peace-time military basis soon. Soldiers started returning from the Rumanian frontier.

"The Slovak defense ministry in Bratislava announced, however, that fighting continued in eastern Slovakia where Hungarian forces had crossed the frontier from Carpatho-Ruthenia. Slovaks said the Hungarians were "retreating under pressure," but "putting up heavy resistance."

Looking eastward to Rumania, Hungarian revisionists hope 1,200,000 Hungarians and 200,000 Saxons (whose ancestors came from Germany centuries ago) will win rights from Rumania to govern themselves and practice the political doctrines of their fatherland.

Political implications of such a campaign would be far-reaching, they admitted, since such (Continued on Page Two)

### Hull Calls Hitler Threat To Peace Of Worried World

WASHINGTON, Mar. 25.—(AP)—Secretary of State Hull, declaring Hitler's latest moves had threatened the peace of the world, called yesterday for "the support of all nations for law and order and sound economic relations."

On his return from Florida, where he spent two weeks recuperating from grippe, Hull said that he, in common with the general public here, had been "profoundly shocked by the recent developments in Europe."

He termed them "new evidences of international lawlessness." Yesterday afternoon he conferred at length with President Roosevelt on the international situation.

Permitting direct quotation of his remarks owing to the gravity of the situation, Hull told reporters: "We in this country have striven, particularly during recent years, and we shall continue to strive, to strengthen the threatened structure of world peace by fostering in every possible way the rule of law and the building of sound economic relationships upon which alone peace can rest."

"Every citizen and every group in this country will, I am sure, cooperate loyally and wholeheartedly in this great and urgent task."

An official pointed out that Hull's statement was not merely a condemnation of Hitler's actions but also a positive indication that something could still be done to foster peace.

A short time after Hull spoke, the treasury formally applied higher tariff duties to products from Mamel, which has been acquired by the reich. By formally designating these products as German, the order deprived them of favorable tariff treatment accorded to other countries, and made them subject, in addition, to a 25 percent countervailing duty which went into effect against German goods Apr. 22.

The exports of Memelland to this country are, however, relatively insignificant, since the bulk of Lithuania, which yielded Memelland to the reich, has less than 11,000,000 worth worth a year.

## Mussolini Expected To Press Colonial Demands In Address Tomorrow Morning

## Spanish Strife Nears Armistice

By Associated Press  
Europe's uneasy attention shifted today from Berlin to Rome as Germany set to work to put her enlarged house in order and ambitions of Italy, her axis partner, came to the fore.

Premier Mussolini was expected to make what may be a momentous address tomorrow in which some observers expected him to present Italy's colonial demands in France.

This report was encouraged by reports from Spain which said that final negotiations for surrender of Madrid to the Spanish nationalists and for the making of peace in the 22 months old Spanish civil war were nearly completed. The end of the Spanish conflict was expected to be the signal for a showdown by Italy in her demands on France.

British Prime Minister Chamberlain delayed further efforts to ward the "Stop Hitler" line until after Mussolini's address, but his reluctance to join such a front did not back British and French plans for joint action by "anti aggressor nations." There is still a possibility that Britain, France and Soviet Russia may conclude a triple agreement.

Reports from Iglo in Slovakia said that air and land fighting between Hungarian and Slovak troops was taking place over the Ung River Valley which is claimed by Hungary as her new frontier line.

Bombings of towns behind the fighting zone was attributed to both sides, however, semi-official sources said that an armistice had been arranged.

Germany is understood to be trying to smooth out the dispute on behalf of Slovakia which has Berlin's protection. Germany coped with pressing financial problems with a unique plan for borrowing on the future and with new taxes.

In Tokyo, circles close to the Japanese government said Germany was exerting powerful pressure to bring Japan into the military alliance. Although the government was silent, the belief spread that the pact might be concluded.

British efforts to weld Europe's nations into a "stop Hitler" bloc verged on collapse when Poland refused to sign a four-power declaration and other smaller countries balked at incurring the anger of the expanding German Reich.

The coolness and apathy of the smaller nations compelled Prime Minister Chamberlain to turn from his hope of achieving a united front against Nazi aggression and seek a triple military pact embracing Britain, France and Soviet Russia.

One result of the refusal of Poland to join in an anti-aggression declaration was renewed speculation on adoption of some form of conscription in Great Britain to strengthen the British-French front in western Europe.

President LeBrun of France, before ending his state visit here, strongly urged the British government to take such action and, according to later reports from Paris, was promised that a measure would soon be introduced with that objective in mind.

Adoption of conscription by Britain was urged by the French as one of the most effective ways of stopping Nazi expansion. Poland also was understood to have cited lack of conscription in England as hindering British efforts (Continued on Page Two)

### LOCAL WEATHER

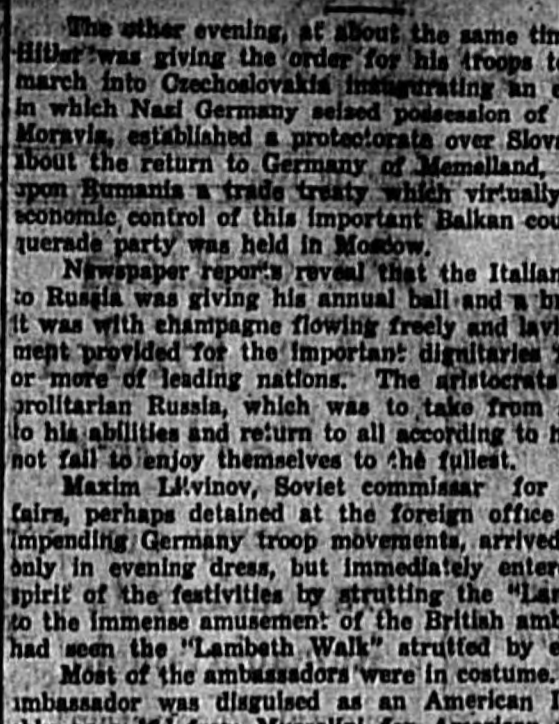

Fair and mild tonight and Sunday. High 70, low 50.

History Being Written

The other evening, at about the same time that Adolf Hitler was giving the order for his troops to begin their march into Czechoslovakia inaugurating an exciting week in which Nazi Germany seized possession of Bohemia and Moravia, established a protectorate over Slovakia, brought about the return to Germany of Memelland, and forced upon Rumania a trade treaty which virtually assures the economic control of this important Balkan country, a masquerade party was held in Moscow.

AND HOW ARE YOU BOYS DOING?

Florida Exhibits In New England Prove Successful

Nearly 20,000 Florida booklets were distributed in New England through Florida Public Service Company reciprocal program. "We have no Florida literature left," came a message this morning to H. R. Cloud, general manager of Florida Public Service Company, commenting on the success of Florida Public Service Company's reciprocal promotion plan with New England this year.

Seasonal Workers Are Segregated For Insurance Benefits

TALLAHASSEE, Mar. 25.—Wendell C. Heaton, chairman of the Florida Industrial Commission, today announced that machinery has been set in motion to determine seasonal industries in Florida in accordance with Section 4 G of the Florida Unemployment Compensation Act. Preliminary determinations of seasonal industries and their seasonal periods were based on employment data collected from employers for a period of three to four years in the past.

The Coming Airplane

Within ten years a new type of airplane will make its appearance in the United States which will greatly reduce its landing speed and other operation difficulties and become as common in usage by the American public as automobiles have become during the past generation. This is the opinion of Igor Sikorsky, the famous airplane designer, who perhaps knows more about the construction and manufacture of airplanes than any other man in the world.

Former Army Men Are Requested To Enlist In Reserves

ATLANTA, Mar. 25.—Major General S. D. Embick, 4th Corps Area Commander, announced that the United States Army is desirous of enlisting 75,000 ex-soldiers in the Regular Army Reserve who are under 30 years of age, physically fit and who have served continuously in the Regular Army for at least one year.

Autonomy For Hungarians In Rumania Sought

(Continued from Page One) Large number of Hungarians and Slovaks looking from Rumania to Poland and Hungary for better prospects. The Rumanian government is expected to grant autonomy to the Hungarian and Slovak minorities in the Carpathian Basin.

Number Of Homes Financed By FHA Shows An Increase

Large gains in home-financing activities under the FHA plan since the first of the year, especially in the Middle West, were announced today by Administrator Stewart McDonald. During the week ending March 4 applications for mortgage insurance on small homes reached \$26,283,498, a new all-time high in FHA records.

Attention Turns To Hitler's Axis Partner In Rome

(Continued from Page One) It was understood the government would continue its negotiations with Russia, Poland and other nations in regard to measures to be taken even in an emergency caused by further German expansion. Poland's refusal to join Moscow, London and Paris in a declaration calling for consultation in event of further Nazi political aggression was communicated to Foreign Secretary Viscount Halifax by Polish Ambassador Rostkowski.

CITY INDEX

# Social And Personal Activities

MARY MAXWELL, Society Editor Telephone 148

## Social Calendar

**MONDAY**  
An executive meeting of the Women's Missionary Union of the Baptist Church will be held at the home of Mrs. M. N. Cleveland, 2418 Palmetto Avenue, at 8:30 P. M. All W. M. U. officers and chairmen, also all circle chairmen are urged to be present.  
The business and social meeting of the Truth Seekers' Class of the Methodist Church will be held at 8:30 o'clock with Mrs. Tom Williams and Mrs. Brodie Williams at the former's home, 528 Oak Avenue. Assisting will be Mrs. Lola LeCotte, Mrs. Beaula Hutchison, and Miss June Wadell.  
The P. E. O. Sisterhood will meet at 9:00 o'clock with Mrs. E. M. Galloway.  
The Women's Auxiliary of the Presbyterian Church will hold its final meeting of the church year at 7:30 P. M. Annual reports of the auxiliary will be given by the president, Mrs. Roy F. Mann, and presentation of new officers will be held. A social hour will follow. All members and friends of the auxiliary are invited to attend.

## Bridge Party Given By Mrs. E. Compton

Mrs. E. Compton was hostess to a delightful bridge party yesterday afternoon, honoring Mrs. P. M. King, who plans to leave Tuesday to make her home in Montgomery, Ala.  
Mrs. King received an attractive compact as a memento gift from the hostess. High prizes for the bridge games was won by Mrs. W. A. Leavitt, while low prize was awarded Mrs. Roy Tillis. Winner of the screen compact prize was Mrs. D. C. Moore.  
Refreshments were served to decorate the room where the guests were entertained. The hostess served a salad course at the close of the games.  
Guests present with Mrs. King, were: Mrs. C. P. Proctor, Mrs. J. Ross Adams, Mrs. L. E. Spencer, Mrs. Tillis, Mrs. Herman Middleton, Mrs. H. D. Freeman, Mrs. J. E. Enright, Mrs. Leavitt, Mrs. J. Baker, Mrs. S. P. Doudney, Mrs. J. C. Bennett, Mrs. Frank Stein, Mrs. Herman Morris, Mrs. Moore, Mrs. J. W. Lyles, Mrs. John Metcalf, Sr., Mrs. R. McCall, and Mrs. Howard Long.

## Personals

Mrs. Hayward Walker and daughter, Betty, were guests of relatives in Deland Thursday.  
Brandon Hamling, student at Stetson University, spent yesterday in Sanford with friends.  
Mrs. Dan Brubard has returned from a short visit with Mr. and Mrs. Ted E. Davis in Deland.  
Jack Torrance left this morning to spend the weekend in Stuart with his parents, Mr. and Mrs. J. E. Torrance.  
Mrs. Jack Hall, Mrs. Jean Adams and Mrs. W. R. Williams spent Thursday afternoon with friends in Orlando.  
Mrs. Jean Campbell has returned to her home in Philadelphia, Pa. after a week's visit with friends in Sanford.  
Margaret Langley and Ellen Mettewer attended the Laurel Falls Camp luncheon today at the Wyoming Hotel in Orlando.  
Mr. and Mrs. Don Emerson left this morning for Morrisville, N. J., after spending the winter months in Sanford and Miami.  
Mrs. John Ivey has gone to West Palm Beach where she will spend this weekend as guest of Mr. and Mrs. Paulk Reeves.  
Graham Emerson and George Townsend left this morning by plane for a several months stay in Pennsylvania and New Jersey.  
Miss Catherine White is spending the weekend in Tallahassee where she will attend the Delta Delta sorority state day celebration.  
Miss Dorothy Stokes is spending the weekend in Orlando as guest of her parents, Mr. and Mrs. William Stokes, formerly of this city.  
Mr. and Mrs. D. E. Freeman of Tampa are guests of Mr. and Mrs. M. Minarik this weekend. Mr. Freeman is Mrs. Minarik's uncle.  
Mr. and Mrs. Robert Denton of Winter Haven are spending the weekend with Dr. and Mrs. J. T. Denton, and Mr. and Mrs. W. L. Clark.  
Friends of Mrs. O. W. Douglas, sister of Mrs. A. C. Williams, will regret to know that she is ill at her home in Savannah, Ga. Mrs. Douglas has made several trips to Sanford.  
Mrs. Roy F. Symes, Jr. spent yesterday afternoon in Orlando where she attended the convention meeting of the Florida Federated Junior Women's Clubs. Mrs. Symes is president of the Sanford Junior Women's Club.  
Forming a party today at Orlando Beach as guests of Mrs. John L. Strickland were the following: Mrs. M. R. Strickland, Mrs. W. G. Fleming, Mrs. E. H. Laney, Mrs. E. J. Hoy, Mrs. J. O. Laney, and Mrs. B. D. Caswell.  
Mrs. R. R. Deas and family had as their guests last evening, Mr. and Mrs. Irving Lehmann, Jr., of Indianapolis, Ind., who left this morning for Miami. They will return next week for a short visit with Mrs. Deas.

## Easter Parade Reflects Dress Of Yesteryear

By ADELAIDE KERR  
New fashions for Easter have brought old words back to the fashion world's lexicon, "freaky," "modest," "gentle" and "quaint" are terms that are being used to describe the new clothes.  
These super-slim, sophisticated look is gone. In its place has come a trim-waisted figure, gently rounded of bosom and hip, dressed in a snug-fitting bodice and short full skirt that bring back memories of the belle of 1910.  
Feminine And Young  
The curves of that figure are girlish, not womanly; its clothes are feminine and young, without being machinate. Together they have brought back a schoolgirl air and made it smart to look like a gentleman again.  
Femininity extends to the last detail. Petticoats with and over a ruffled edge of colorful taffeta or English embroidery. Flower-trimmed bonnets reminiscent of 1890 top sport curls, collars and Paris even just braided chignons at the nape of the neck.  
A shower of white has fallen over everything. Girlish white, white guimpes, frothy organza blossoms, crisp schoolgirl collars, Irish crochet edgings are all seen, and eyelid embroidery trims everything from jackets to hats.  
Though the full-skirted suit has become shorter even than last season—in the Spring favorites, there are a number of pencil-slim frocks and suits which the fashion world is watching as possible forerunners of next season's profile. Necklines are nearly all fairly close to the neck, sleeves are simple, and shoulders in keeping with the femininity of the mode, are more normal in line.  
It's a big season for color, as virtually every woman knows by now. Navy blue is "tops" again. There isn't a new dark "navy green." Grays and a whole gamut of tones from beige through caramel to ginger and rust have been widely used. Dark bright blues, sapphires, greenish sea blues, periwinkle blue and amber yellows are all on the color card, too.  
Suits To The Fore  
Once more suits stand in the forefront. They are soft this year and greatly varied in design. The newest version uses a sheer wool frock to a short fitted jacket of the same material (the schoolgirl look). Tailors are made of pin-checked wools (borrowed from the belle of 1910). Other skirt and jacket combinations link plain skirts or striped jackets to plain skirts or reverse the formula. The skirts often show fullness—pleated or gored. Tailor jackets are generally fitted and longer (hip-length), while those that top frocks are short—either snugly fitted (the favorite) or boxy.  
Hedonists are back in the Spring coat picture. The newest are very fitted as to waist, full and flared as to skirt and often soft, almost dress-like in design. Others are slimmer, and more tailored in effect. Long box coats are being shown for mature figures overlaid with aviator dupons and short box coats are new tricks displayed for young slim women to wear over plain or printed Spring frocks. Vastly more of team is turned. Though navy blue coats may prove favorites, light coats are also expected to be worn over dark frocks.  
The frocks worn under them carry on the feminine theme song. White guimpes and collars and schoolgirl flounces appear in many of the designs. Trim waists are uniform and skirts generally full (pleated, circular or gored). By contrast there are some pencil-slim frocks topped with loose boleros, and some two-piece dresses whose necks are draped into a bustle bow. Plain crepe, tulle, dots, stripes and prints stamped with little conventionalized or floral designs. Chamberlain's top hat, angels and halos are all there.

## SOCIAL LIGHTS

"High-lighting" the first week of Spring... the annual convention of Florida Federated Women's Clubs... in Orlando... with MRS. SADIE ORR DUNBAR (Oregon), president of the General Federation of Women's Clubs (of the whole U. S.)... "enjoying every moment" of her visit to "lovely Florida".... On Tuesday the luncheon given by MRS. E. M. GALLOWAY (chairman of trustees of the General Federation), honoring MRS. DUNBAR, was a particularly charming affair.  
MRS. ELVIRA GARNER'S popular little "EZZEKIEL" won a host of new friends Wednesday night at the convention in Orlando... when his "creator" told the story of the "Christus" tree episode... and drew a "lightning-sketch" of MISS LITTLE SISTER, "what lives next" do' EZZEKIEL, and is now full large, but is the best celery cutter in Seminole County"... Favors at dinner were they "dink-faced" EZZEKIELS... made by clever Ed Scouts from Lake Mary... And far talk decorations MRS. GARNER made three sets of the story book family and friends... with a "duff" clothes line in the background... All in all, it was a "way down South in Sanford, Florida" affair... And MISS DUNBAR went away with an autographed copy of "Sanford's pride and joy."  
We can tell it's Spring... Sure signs: Happy Easter is on the way... and Garden Clubs are active here and on the right and left of us... for MRS. ENDOR CURETT and MRS. J. H. COLCLOUGH were judges at the Cocoa Flower Show yesterday... and Daytona Beach's Garden Club had as guests Wednesday at the Perry Dell... MRS. FRED R. WILSON and MRS. HARRY HEEREN.  
And if you're already getting that "lax-zy" feeling... Don't worry a single second... 'cause on Tuesday... Spring Fever became official... M. M.

## AT THE CHURCHES

Youth People's Meeting, 6:15 P. M.  
Evening Service, 7:30 P. M. Sermon theme: "The Pathway to Paradise"  
Why not go to church Sunday?  
**FIRST CHURCH OF CHRIST SCIENTIST**  
108 East Second Street  
Sunday School, 9:45 A. M.  
Reading Services, 11:00 A. M.  
Wednesday Evening Services, 7:30 P. M.  
Healing Room Open 7:00 to 8:00 o'clock on Tuesdays and Fridays  
C. E. Elmore, Minister  
"REALITY" is the subject of the Lesson-Sermon which will be read in Church of Christ Scientist, throughout the world on Sunday, March 24.  
The Golden Text is: "Whatever things are true, whatsoever things are honest, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things" (Phil. 4:8).  
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The words of the Lord are virgin and pure; they are like unto silver, and they are like unto gold, purified in the furnace, purified as silver, purified as gold, purified as silver, purified as gold" (Ps. 120:17).  
The Lesson-Sermon also includes the following passage from the scriptures by Mary Baker Eddy: "Let us learn of the real and eternal, and prepare for the reign of truth, the kingdom of heaven—the reign and rule of universal harmony, which cannot be lost nor remain forever unseen" (19:204-205).

**GENE FOR YOUR NEARPOOK**  
INDEPENDENTLY  
Stability of temper and consistency with ourselves is the greatest weakness of human nature.—Addison.  
A conscience enlightened, and yet a heart erratic, make a man a bundle of paradoxical inconsistencies.—C. Simmons.  
Incompetency is shown by words without deeds.—Whittier.  
No author ever drew a character consistent to human nature, but he was forced to describe it, by his inconsistency.—Butcher.

On Thursday, Mar. 16th, a joint meeting of the Longwood-Fern Park and the Altamonte-Forest City Women's Home Demonstration Club was held at the Altamonte Springs Community House at 2:30 P. M. Miss Catherine Belcher, Extension Specialist in Clothing and Textiles, Tallahassee, Fla., was guest speaker. Miss Belcher gave a demonstration of "points to be

## Miss Charlotte Lawton Sings In Glee Club

Miss Charlotte Lawton, daughter of Mr. and Mrs. T. W. Lawton and student at Florida State College for Women in Tallahassee, will sing first alto with the college Glee Club on Apr. 1 when the group of 40 voices is booked to appear in Gainesville under the sponsorship of the University of Florida Glee Club. The announcement was made recently by Miss Etta Robertson, glee club director.  
It will be the second time this year that the singers have appeared in a concert outside the college, having completed several recitals ago, a twoday engagement at the State Theatre in Tallahassee.

## Date Etiquette Is Given For Everyone

By JOAN DURHAM  
with all the festive trim and festiveness coming to the Spring fashion front it's about time we reminded the members to go with them.  
Take that matter of the man walking nearest the curb when he's with a woman, for instance. A lot of new-fangled commentators with "let-everybody-see-it" musty ideas have approved changing the old order in that respect. Nevertheless, it still does the best of all.  
Other "half-forgotten" manners men might well watch:  
Rise when a woman enters a room. And don't sit until she does.  
When holding the chair for a woman at a table don't forget to push it forward as she sits. She's still quite a distance from the table when she gets between the chair and table.  
When she takes her coat off at the theater or the movies don't stop at a perfunctory gesture of helping her. Arrange the coat carefully over the back of the seat or drape it over her shoulders.  
Hints to the modern Gibson Girl:  
Use make-up discreetly. It's all right to do a little retouching in company, but a start-to-finish paint job is out.  
Let your escort light your cigarette. And don't jump up to look for an ash tray, either. Let him get it for you.  
Don't pay your restaurant bill—even if you are going "Dutch." Hand the money to the man you're with and let him make the cash transactions.

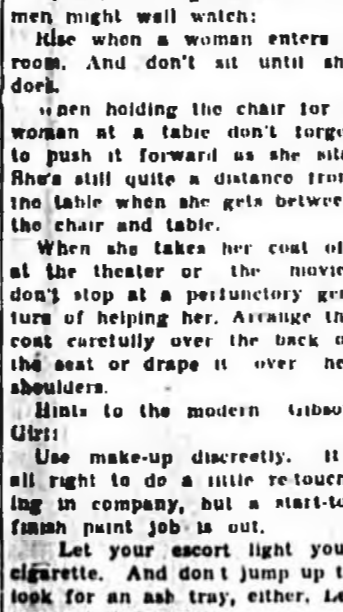

## Save money with this smart 1939 Studebaker

**Studebaker wins 1st place in gas saving**

HERE'S a car that's a duplicate of the stock Studebaker that beat the pick of America's sixes and eights under American Automobile Association supervision in this year's Gilmore-Yosemite Economy Sweepstakes—the nation's annual gas economy classic!  
And talk about superior value. At no extra cost, this Studebaker's low price includes the riding ease of self-stabilizing planar suspension, the safety of automatic hill holder and non-slam door latches, the convenience of Studebaker's steering wheel gear shifter.  
Go for a drive in this Studebaker, the car thousands of America's smartest motorists are buying. Low down payment—easy C. I. T. terms.

**You save money, thanks to Studebaker workman!**  
Your car stands up for years and thousands of miles longer than you expect—and trades in for a better price. Studebaker's workmen, averaging 40 years of age, are the motor world's finest.

**Studebaker wins 2 trophies in national economy run!**  
A Studebaker Commander took the gas saving prize for cars of all classes and sizes in this year's Gilmore-Yosemite Run. A stock President was first in its class. This contest is conducted annually under official American Automobile Association supervision.

**Announcing appointment of PAT MORRIS AGENCY**  
COR. 3RD AND MAGNOLIA AVE.  
as authorized dealer for the New 1939 STUDEBAKERS  
Studebaker owners, new and old, are assured of the utmost in courtesy and attentive consideration of their requirements as a result of this new Studebaker sales and service representation in this city.
