Mayor Housholder Criticising Him

City Head Brags Lie Charge That Officials Are Extravagant And Careless

ns Against Any Further Criticism

omises To Get Even Using Signal To Brighten Citizens

arguing that the opinion
the Herald would be dis-
ed by well thinking
and warning this paper
at a continuance of its
erial policy in regard to
affairs. Mayor E. F.
holder condemned all
inconsistencies said to
t in a Christmas editorial,
od Will Towards Men,"
a New Year editorial, ac-
cusing officials of careless
and vagrant acts, and then shifted
attack to include Herald sup-
ers, in a letter delivered to
office late yesterday after-

Mayor described Sanford's
most trouble as having "too
back-seat drivers" and
lugged the editor of this
paper with the statement
"I sincerely hope that you
and some of your crew will
offer to the public to fill my
shoes, and should the people
ough mistake accept you, I
ill wish them well."

Mayor Housholder's letter in
is as follows:

Sanford Herald,
Sanford, Florida.
In your issue of December 31st,
you have an Editorial en-
titled "New Year Greetings"
which in my opinion is in line with
your usual policy as to the future
of the City of Sanford. I have
made a study of your editorial
and am glad to see that you are
concerned with the welfare of
the City of Sanford, and among
other things stated that the City
being managed by the "careless
and extravagant acts of thought-
less officials," and being a city
which, as I wish to brand that state-
ment as a lie, so far as my opinion
and which in my opinion is
one among the many state-
ments by which you have spread
discord among our citizens and
ruined our City. You do not state
on this condition is existing as
our opinion, which I believe you
will know would be discarded
if you were not so sure of your
ground, but you assert such condition
is true, cannot be uttered or pub-
lished through a poisoned mind
with a malicious intent to do
harm.

It is hard to understand just
what character of men are at the
head of the newspaper, as you
personally stated to me that
you did not have any desire to
leave the City, and your desire was
certainly not to say or publish
anything that would be wrong or
to injure the members of the
City Commission, yet you continue
with your line of editorials, and
properly many instances fail to con-
vey the correct information to the
public. Again in your issue of
December 24th, 1927, in an editorial
entitled "Good Will Towards

Home On Hutchison Farm Destroyed By Fire This Morning

The home of W. T. Mitchell a
name building on the Hutchison
farm on Cameron Avenue, this
morning was completely destroy-
ed by fire which is believed to have
been caused by sparks from the
chimney igniting the roof.
The fire was discovered about 10
o'clock by Mr. Mitchell who saw
the flames as he worked in a near-
by field. Other members of the
family in the house were unaware
of the blaze until Mr. Mitchell
arrived to give the alarm. Most
of the furniture was reported saved
before winds had fanned the flames
beyond control.
Farmers and negro laborers
from adjoining places formed a
bucket line in an effort to save
the buildings and nearby homes.
Although two other dwellings
caught fire the damage was report-
ed as slight. The fire department
sent a small chemical truck to
the scene and assisted in fighting
the flames.
The house was one of the oldest
in the Cameron City section. It
was valued at \$4,000. Insurance of \$2,
000 was carried on the place.

Ceremonies Attend Cornerstone Laying Lake Mary Church

Members of the congregation of
the Lake Mary Community
Church last night laid the corner-
stone of the new building, the
construction of which was recent-
ly started. In addition to the
church membership, the ceremon-
y attracted a large number of
other Lake Mary citizens and
people from various parts of the
county.
The program opened with a
prayer by the orchestra, followed
by the singing of the doxology.
Opening sentences were given by
Rev. James Thompson of Lake
Mary followed by scripture read-
ing by C. D. Wolfe, Y. M. C. A.
secretary for the county.
Laying of the cornerstone was
done under the supervision of
Rev. G. V. Albertson of DeLand,
assisted by Chester Saunders,
contractor. Rev. James Clark of
Sanford offered a prayer and this
was followed by a vocal selection
by Mrs. James M. Thompson.
The dedicatory address was
given by Rev. J. H. Shepherd of
Eustis. An offering following the
message was taken by Rev. Shep-
herd. Benediction was pronounced
by Dr. E. D. Brownlee, pastor of the
Presbyterian Church of Sanford.

SEARCH FOR YOUTH

HIGHPOINT, N. C., Jan. 5.—
(INS)—Search was in progress in
two states today for William Klus-
ter, Orlando, Fla., college student,
who has been mysteriously missing
since Monday, M. P. Woodall, an
A-chalet, with whom Kluster
spent the Christmas holidays, re-
ported to authorities he feared
his friend had met with foul play.

THREE VICTIMS OF S-4 DISASTER ARE IDENTIFIED

One Of Three Bodies Removed From Sunken Submarine Is Revealed As That Of Lieuten- ant Commander Roy Jones

Cold Suspends Diving Operations For Time

Armed Guard Of Honor Meets Destroyer Bearing Bodies Of Three Of Ship's Officers

CHELSEA, Mass., Jan. 5.—
(INS)—Bodies of three officers
recovered from the sunken subma-
rine S-4 off Cape Cod—by brave
naval divers were identified at
Chelsea Naval Hospital today as
follows:
Lieut. Commander Roy C. Jones,
of Hennessey, Oklahoma, his wife
and children are now residing at
Haleburg, Md. Lieut. D. A. Mc-
Ginley, of Norristown, Pa., his
wife resides at No. 2310 Fifth
Street, San Diego, California. Chief
Machinist's Mate Aaron Albert
Hudges, of River-side, Calif., the
home of his brother, John S. Hud-
ges.

Lieut. Commander Jones was in
command of the ill-fated S-4 when
she was rammed and sunk on Dec.
11, by the coast guard destroyer
Paundling. Lieut. McGinley was
second in command.
Identification was made at
Chelsea Naval Hospital where the
bodies were taken from Paundling
town aboard the U. S. Destroyer
Mauzy. The report of the identifi-
cation was made by the Navy.
Diving operations were suspend-
ed because of the cold following the
recovery of the first three bodies.
Meanwhile all that was known
of the brave avial men who met
their doom 102 feet below the sur-
face of the water off Cape Cod was
brought here by the U. S. S.
Mauzy.

As the Mauzy docked at Charle-
stown Navy Yard, across the bridge
from the Naval Hospital, an arm-
ed Marine guard of honor stood at
attention. One of the most impor-
tant events of any kind that has
been staged here.

The affair will be strictly in-
formal, Secretary Tamm stated
today in answer to numerous in-
quiries. While promoted as a
not-together meeting for Sanford
citizens, primarily the dinner will
be for the purpose of honoring
three prominent visitors, one of
whom has become closely associ-
ated with Sanford financial devel-
opment in the past week.

Edward W. Lane, president of
the Atlantic Bank of Jacksonville
and chairman of the board of di-
rectors of the Sanford Atlantic
National Bank, and John Temple
Graves II, editor of the Jackson-
ville Journal and one of the most
prominent newspaper men in the
South, will be here as guests.
Lane and Graves will have a post-
lunch reception at the hotel.
The dinner is scheduled to begin
at 7:30 o'clock, S. O. Shiloh, presi-
dent of the Chamber of Com-
merce, will be toastmaster.

Husband Of Elder Terms Misconduct Charge Falsehood

PANAMA CITY, Jan. 5.—
(INS)—Lyle Womack husband of
Ruth Elder, rose to the defense
of his ex-wife today when he
denied publication of the state-
ment that Ruth had been arrested
on an old charge of misconduct
with Rev. Sanford Jenkins at
Clayton Ga.
"It is a damn lie!" he cried.
"It looks like blackmail born of
jealousy of her courage and her
present rewards. It is like to have
the low-minded individual who
started the rumor in Panama. He
would not remain standing very
long."
"They'd better watch their step
I feel like taking the next boat to
the United States. I do not know
if I would like to take the charge
false." Declaring that he expected
his wife to join him here next
June, Womack added: "Ruth and
I understand each other."

Father Of Children Held After Burning

LITTLE ROCK, Jan. 5.—(INS)—
W. G. Dendy, father of five chil-
dren burned to death when his
farm house, four miles north of
here, was destroyed by fire, was
held in jail without bail today,
charged with arson.
A more serious charge may be
placed against Dendy, police an-
nounced following discovery by
men that the skulls of children
ranging in age from four to four-
teen years had been crushed. All
the bodies were found piled on
one bed, although there were two
in the room.
Dendy, declaring that the falling
beams of the house probably crush-
ed the children's skulls, showed a
cut on his head received in trying
to rescue the children. His wife
died some time ago. An 18-month
old boy at his grandmother's in
Eldorado is the only surviving
child.

T. L. Harley Of Lake Mary Missing From Chattanooga Since His Mother's Death

T. L. Harley, resident of Lake
Mary for the past two years and
an uncle of E. P. Blair, employed
by the Sanford Buick Company,
has disappeared and relatives fear
that he has either ended his life
or wandered away while tempo-
rarily mentally unbalanced.
Word to this effect has been re-
ceived by Mr. Blair from Chat-
tanooga, Tenn., where Mr. Harley
went recently to be at the bed-
side of his mother who died Wed-
nesday of last week. The death
of his mother is reported to have
greatly affected Mr. Harley and
he had refused to eat or sleep.
According to a message receiv-
ed here from Chattanooga, the
Chattanooga, brother of the dis-
appeared man, T. L. Harley was visibly
affected on Wednesday night fol-
lowing his mother's death and
talked incoherently, among other
things saying that everybody ap-

peared to "have it in for him" and
that he was going to "end it all."
The following morning he is said
to have arisen early and left the
home of his brother. He has not
been seen or heard of since.
Some members of the man's
family in Chattanooga fear that
Mr. Harley jumped in the river
and was drowned, while others
are hopeful that he has started on
foot for his home in Lake Mary
and will be found later. He had
about \$25 on his person when he
left Chattanooga.

Mr. Harley was a veteran of the
World War and served 18 months
in France. Relatives say he was of
good character and of strong mental-
ity. Mrs. Harley is living in Lake
Mary and is overcome by the dis-
appearance of her husband. Pol-
ice have been asked to conduct
a search for the missing man.

SOLON DECLARES NAVAL MEN TOLD NOT TO TESTIFY

McClintic Says Secretary Of Navy Advised High Officers To Stay Away From Invest- igation Begun By Congress

WASHINGTON, Jan. 5.—(INS)—
Secretary of the Navy Wilbur
Baker ordered high naval officers to
stay away from the House Naval
Affairs Committee's investigation
of Rear Admiral Thomas P. Ma-
gruder's charges of "waste and in-
efficiency" in the Navy. Representa-
tive McClintic, (D) of Okla-
homa, charged at the hearing to-
day.

Admiral Magruder, under ques-
tioning, confirmed the charge.
In view of the fact that commit-
tee members could call any offi-
cer to testify if he were in the
room, it looks to me as if the se-
cretary is trying to keep them out
of the committee's jurisdiction,"
said McClintic.

"I therefore move that this
committee request an explanation
from Secretary Baker, chief of Bu-
reau of Naval Affairs, chairman,
denied and McClintic withdrew
his motion after he was promised
that he would be allowed to call
naval officers for questioning on
the Magruder charges.

McClintic said that the first
witness he will call is Capt. D. E.
Green, retired aide to Wilbur
Baker, refused to join in the
committee's investigation of the
S-4 disaster. Instead, he laid the
blame at the door of Congress
for lack of salvage vessels of the
German type.
"The Germans have two special-
ly built salvage ships, which I
believe they have used with suc-
cess in raising submarines," said
Magruder, "I think that the Navy
Department has appropriated for the
purpose of ships of this type."
The special salvage ships are
constructed so that great cranes
can be used to raise submarines,
McClintic said. He announced that
he has located two former Ger-
man sailors in this country, who
say that they were rescued from
German submarines by the use
of the special ships.

Magruder told the committee
that the submarine S-4 had two
parascopes and listening devices to
be used in avoiding collisions,
the parascopes, he said, were seen
by the destroyer Paundling, which
rammed the S-4.
"I know of no better plan for
conducting investigations of this
kind than that chosen for the S-4,"
said Magruder.

SEARCH FOR GUERRILLAS

SHANGHAI, Jan. 4.—(INS)—
Nationalist troops were combing
Mantao today searching for the
headquarters of a group of guer-
rilla who attempted to capture the
Kiangnan arsenal and gain control
of the city yesterday at midnight.

Hickman Faced With Second Murder Charge As Jury Plans Indictments

LOS ANGELES, Jan. 5.—(INS)—
William Edward Hickman, con-
fessed kidnapper-killer of Marlon
Parker, faced a second murder
charge today as the Los Angeles
County Grand Jury prepared to
return indictments in the slaying
of C. Ivy Thoms, Rose Hill drug-
gist.
Both Hickman and his confeder-
ate, Volby Hunt, 16-
year old Kansas City youth, have
implicated themselves in the Rose
Hill Pharmacy holdup on Christ-
mas Eve, 1926. Which was elim-
inated by the killing of Thoms
when the boy bandits shot their
way out of the place.
Both Hickman and Hunt were
committed before the grand jury
to tell what they know of the fatal
robbery. Hickman gave a graph-

ic account of the events leading up
to the shooting, but Hunt refused
to testify.
Hunt has maintained his inno-
cence of the druggist's murder
ever since Hickman named him as
robber-accomplice. Deputy sher-
iffs accused Hunt with the murder,
however, when an autopsy
report showed that Thoms had
been killed with a .38 caliber bul-
let. Hunt, according to Hickman's
confession, carried a .33 automatic
pistol while Hickman used a .32
gun.
Ruth Thoms, widow of the
 slain druggist who saw her hus-
band shot, and policeman Don W.
Oliver, who wounded Hunt as he
routed the drug store bandits
were among the grand jury wit-
nesses.

SHIP BEGINS TRIP

QUINCY, Mass., Jan. 5.—
(INS)—Aided by a fleet of 25 tur-
bo boats the U. S. S. Lexington, rig-
gible airplane carrier, was started
on her maiden trip today when she
was brought from the Fore River
yard to the channel and headed under
her own tremendous power toward
the South Boston Drydock, where
she will be overhauled, prepara-
tory to going into active service in
the Navy.
The vessel is the latest in con-
struction in the United States Na-
vies, built over a period of
seven years at a cost estimated at
\$50,000,000.

HOOVER'S FOES BEGIN COVERT ATTACK ON HIM

Friends Of Cabinet Member Are Busy Denying "Whis- pering Campaigns" Design- ed to make choice Gloomy

Followers Dispell Eligibility Charge

Letter In Which Food Admin- istrator Supported Wilson Plea For Democrats Cited

By George R. Holmes
International News Service Staff
Correspondent
—WASHINGTON, Jan. 5.—Her-
bert Hoover is learning the price
one pays for being the leading Re-
publican candidate for the presi-
dency.

Two "whispering campaigns,"
both designed to make his record
unattractive to the Republican
rank and file, have been started in
Washington against the cabinet
aspirant—and the campaign has
barely begun.

The first, to the effect he is in-
eligible for the Presidency on con-
stitutional grounds because of his
non-residence in the United States
during much of the last fourteen
years, has been launched by con-
stitutionalists and by personal
enemies. They charged that Hoover
ever applied for British citizenship,
and claimed that he always main-
tained a legal residence in California while ab-
sent from the country.

The second, which made its ap-
pearance mysteriously this week,
has not been so easily knocked
down, and while his friends main-
tain its importance they nevertheless
are engaged in strenuous ef-
forts today to discover its origin.
It consists of a circular letter
headed "Hoover's Federal Demo-
cratic Campaign in 1924," and in-
terprets a letter which Hoover
wrote to Frederick B. Coe, then
New York on Nov. 27, 1924, and
which the Democrats promptly
published as a campaign document.

The letter was written a week
after President Wilson had issued
his ill-starred appeal to the coun-
try to return a Democratic Ad-
ministration. Hoover was then found
at home in the Wilson admin-
istration.

Hoover's own views are summariz-
ed in a word that he would have
been elected President, and in-
terprets a letter which Hoover
wrote to Frederick B. Coe, then
New York on Nov. 27, 1924, and
which the Democrats promptly
published as a campaign document.

The letter was written a week
after President Wilson had issued
his ill-starred appeal to the coun-
try to return a Democratic Ad-
ministration. Hoover was then found
at home in the Wilson admin-
istration.

Duelers Mortally Wound Each Other Using Automatics

WARSAW, Jan. 5.—(INS)—
With their eyes bandaged and du-
eling with automatic revolvers at
arms length, Colonel Jan Pociel-
uch and Brislav Krzyzowski,
son of a Polish Senator, have mor-
tally wounded each other.
Colonel Pocieluch overheard
Krzyzowski make a remark
about President Pilsudski which he
held to be insulting and promptly
challenged him to a duel.
The duel was arranged on modern lines
and left little to the skill of the
duellists. Automatic revolvers
were chosen as the weapons. The
men agreed to have their eyes
bandaged and they were then plac-
ed an arms length from each other
and at the 6:30 o'clock word was
given to begin firing until the cham-
bers of the guns were empty.
Both men suffered heavy wounds
in the stomach, which will prove
fatal, according to physicians.

LUMBER EXPORTED

JACKSONVILLE, Jan. 5.—(INS)—
More than 10,000,000 feet of
lumber was exported through the
port of Jacksonville during the
past year, according to a report
made public here today.

Lindbergh Resumes His Aerial Argosy

TEGUCIGALPA, Honduras, Jan. 5.—(INS)—Colonel Charles
A. Lindbergh resumed his aerial
argosy over the Central
American jungles today, taking
off from Tegucigalpa at 11:30
A. M. (Central Standard Time)
for Managua. Lindbergh plans
to fly around the Nicaraguan
mountain country where war-
fare is in progress between
American Marines and General
Sandino's Nicaraguan rebels.
He probably will not fly with-
in twenty five miles of the
war area. The flight from Teg-
ucigalpa to Managua will cov-
er between 150 and 200 miles,
according to the route taken
and Lindbergh, expected to ar-
rive in Managua "within" two
hours.

MARINE FORCES EXPECT SURPRISE SALLY BY REBELS

Officers Who Are Skilled In Guerrilla Warfare Look On Cessation Of Activities As Omen Of Renewed Attacks

MANAGUA, Nicaragua, Jan. 5.—
(INS)—Accepting the sudden
cessation of hostilities as an omen
of danger, the United States Mar-
ines and Nicaraguan constabulary
holding the town of Quilali today
were keeping a sharp look-out for
a possible surprise attack by the
rebel forces under General Sandino.
It was thought news of rein-
forcements and supplies being rushed
to Quilali may have prepared an
ambush. The extreme quiet prevail-
ing since the counter-attack pre-
ceding Sunday has caused officers ex-
pected in guerrilla warfare to ex-
pect all precautions.

The main force of the rebel
group is concentrated at El Chilo-
te, which is an almost impos-
sible mountain stronghold. It was
understood Sandino has prepared
to withstand all attacks by the
Marines at this point, although it
was reported deserters from his
camp have informed Marine of-
ficers that Sandino has several
boats on the Coco River nearby in
which he expects to make his es-
cape if hard pressed.

In Mexico City, the charge that
American Marines have killed 300
Nicaraguans in their operations
against General Sandino's rebels in
the region of Occotal was made to-
day by Dr. Pedro Zepeda, envoy of
the Nicaraguan revolutionist here.

Dr. Zepeda made a bitter attack
upon the American occupation in
Nicaragua and declared that "while
the people of Nicaragua are pre-
paring to welcome Colonel Lind-
bergh, the fields of Segovia are
again drenched with blood of Gen-
eral Sandino's patriots."

Estimates of the number of casu-
alties among General Sandino's
followers are "pure guesswork,"
Secretary of State Kellogg said
today. Reports of the number killed
in clashes with American Marines
ranged from 300 upward. "That is
grossly exaggerated," Kellogg de-
clared.

Seven Marines have been killed
according to official records. Kel-
logg again described Sandino as a
"bandit."

Three Perish When Incendiary Burns New York Hostelry

OSSING, N. Y., Jan. 5.—
(INS)—Three persons, a woman
and two men, were burned to
death, eight firemen were over-
come by smoke and thirty five
cently clad guests fled into the
early morning cold when fire de-
stroyed the Weskora Hotel.
The fire was believed by authori-
ties to have been of incendiary
origin and was the fifth to oc-
cur at the hotel in the last six
months.
One of the dead was a waiter
at the hotel, known only as Al-
bert. The other man was known
to Charles Fleisch, proprietor of
the hotel as Zasheriff McKenna.
The woman burned to death is be-
lieved to have been his wife.
The body of the waiter was
taken from the blazing building
by firemen while the flames were
at their height. The other two
bodies were not recovered, how-
ever, until after the blaze was
put out. It was reported that just
before the fire was discovered, a
man was seen running away from
the rear of the hotel.

Girl Reaches Miami After Non-Stop Hop From Far Rockaway

MIAMI, Fla., Jan. 5.—(INS)—
Miss Ruth Nichols, 24, Rye, N. Y.,
society girl, was today enjoying
the tropical sunshine and planning
on a plunge in Biscayne Bay hav-
ing landed here last night after
a non-stop flight from New York
in twelve hours.
The beautiful young aviator
hopped off with Harry Rogers,
owner of the plane, and Major M.
K. Lee, New York sportsman, from
Far Rockaway at 8:00 A. M. yes-
terday without previously announc-
ing their trip in an effort to avoid
publicity. The distance was 1,200
miles.
Miss Nichols, attired in the lat-
est of late flying togs, discarded
her leopard skin coat as she
emerged from the cockpit of the
plane.

Tunney May Battle
In Western Arena
To Retain Position
CHICAGO, Jan. 5.—(INS)—A
heavyweight championship fight
between Gene Tunney and the
"best available challenger" will be
the bait expected to lure the De-
mocratic National Convention to
Chicago next June, it was announced
today.
That plans for the bout are be-
ing formulated, was admitted by
Anton J. Cermak, president of the
Cook County Board and warm per-
sonal friend of Tunney.
Go-operating with Cermak in his
efforts to land the big fight, and
the Democratic Convention for Chi-
cago are Edward J. Kelly, presi-
dent of the south park board which
controls Soldiers Field and Mich-
igan League, Democratic leader.
Tunney and Cermak, it was
learned, discussed the proposed
bout several weeks ago when the
champion was here as a guest of
honour at Cermak's all-Chicago
Christmas fund banquet. It was
agreed, Cermak said, that Tunney
would defend his title against the
best available opponent.
The only cloud on the horizon
at this time, Cermak declared, is
contract which Tex. B. L. hold for
Tunney's services, but Tunney
is said to have assured his Chicago
backers that the Tex. contract
would not interfere.
Cermak, Roy and Henry Ber-
er, attorney for the south park
board will leave Saturday for Palm
Beach, Fla., where they will confer
with Tunney.

come in at or above 115 pounds.

In the World of Sports
Sportwriter Predicts Close
Fight Between Loughran
And Hard Hitting Lomski
By Davis J. Walsh
International News Service
Sports Editor
NEW YORK, Jan. 5.—Mr. Rick-
ard's bright young men with the
typographical megaphones are out
today with the statement that Leo
Lomski hopes to win the world's
light heavyweight championship
tomorrow with a knockout over
Tommy Loughran, the champion.
What apparently they do not
know, and probably wouldn't be
lieve if they did, is that Loughran
hopes to get into the heavy-
weight money with a knockout
over Lomski.
According to the popular idea,
this would be a good story even
if it wasn't funny. Loughran is
supposed to hit just hard enough
to break a good resolution.
Yet the young man himself
really thinks he has a punch and
it is barely possible that he is in
a position to know more about it
than the rest of us. All the writ-
ers are venturing in that he has
gazed firmly at Loughran at-
tempting to punch somewhere very
firmly on the nose these several
years and never really has been
able to catch him at it. At a guess,
I would say that his philosophy
calls not for the killing of two
birds with one stone. He would
prefer to take two stones and
make an aerial corpse of one
bird.
This is what he has in mind as
far as the fight goes. He is not
in the human events, and he
is not a philosopher. He is a
fighter. He won't want it
to be a fight. He wants to begin
with a knockout. The young
man is imbued with the notion
that Mr. Tunney should be aban-
doned as a heavyweight
champion. I can see one, and, after
looking over the field very thor-
oughly, has arrived at the obvious
conclusion that that some one
must be more other than himself.
So, he has decided to attempt
the knockout of a man who has
been knocked out, accord-
ing to the records, just as a mat-
ter of starting something that
will be ready for use next season.
Work will begin in March with de-
struction probably next Thank-
sgiving Day when Virginia plays
her traditional rival, North Caro-
lina.
VIRGINIA TO BUILD STADIUM

stadium capable of seating 25,000.
It was announced here today. It
will be ready for use next season.
Work will begin in March with de-
struction probably next Thank-
sgiving Day when Virginia plays

lina.

Annual Banquet Of
Famous Sportsmen
Has Great Success
NEW YORK, Jan. 5.—The
first annual dinner of the Madison
Square Garden Sporting Club was
pronounced an unqualified success
today by the 1,000 or more leading
figures in industry, sports and
other pursuits who gathered to pay
tribute to eight American ath-
letic champions.
The guests of honor were Gene
Tunney, Babe Ruth, Bobby Jones,
Bill Tilden, Johnny Weismuller,
Bill Cook, Fred Spencer and Char-
ley White, all among athletes in
their respective fields never before
had so many champions been as-
sembled in one place. Some of them
had not yet met previously.

ley White, all among athletes in
their respective fields never before

sembled in one place. Some of them
had not yet met previously.
All I can say is that I am in
favor of the program. It should
produce a great fight. Lomski is
a fastweaving fighter with a good
left hook to the jaw and a hard
right over the heart. Loughran is
a fast, straight hitting boxer and
tough beyond his collegiate ap-
pearance. The distance of fifteen
rounds favors Lomski's body punch-
ing. Everything else favors
Loughran.
If both go in there trying for
a knockout, it may be that some
one will forsake the perpendicular
for the comparative permanent
of ten seconds. I can think of
worst things happening to the av-
erage fifteen round fight.

Because of its germ destroying prop-

It seldom fails to relieve the tor-
